"**DRY ROYAL**" Champagne, which was used largely by **LORD ABERDEEN** during his residence in Canada, is shipped by the house of Ackerman, Laurance & Co., St. Hilaire, St Florent, France, established in the year 1811. Their sales are annually thousands of Cases, one firm in London, England, disposes alone of over 18,000 Cases. When the people in Canada feel confidence in their own judgment they will use the wines of Ackerman, Laurance & Co. in preference to dear Champagnes, which are no better and cost double the price of "**DRY**" and "**BRUT**" **ROYAL**.
