Sherbrooke Daily Record.

Established 1897. SHERBROOKE, QUE., TUESDAY, DECEMBER 6, 1910. ONE CENT

CITY COUNCIL GRANTS $2,000 TO GREATER SHERBROOKE FUND.

This For 1911 and Will Probably be Continued if Movement Promises Well—Proposed Sale of Wesbury—A Civic Appointment—Other Matters.

At the regular monthly meeting of the Sherbrooke City Council, held last evening, the Finance Committee recommended that the Council vote the sum of $2,000 to assist in carrying on the Greater Sherbrooke Publicity Campaign in 1911. The general inference from the report was that if circumstances warrant it this grant will be continued. The report also made provision for the amendment of the Charter to give the Council power to make this grant.

The report read "the majority of this committee" recommend that a grant of $2,000 be given, etc. Ald. McManamy made it plain that he voted against the granting of this sum. He moved the adoption of the report, seconded by Ald. Ledoux, and it passed the Council without discussion.

THE WESTBURY POWER UP AGAIN.

There is probably no question that occupies so much space in the minute books of the City of Sherbrooke as the Westbury Power. In years gone by is has been the issue of many a municipal election; it has been the cause of many a spirited debate in the Council room and it would not be the least surprising if the old Westbury Power would furnish ammunition for a hot municipal election in 1911.

The matter was brought up last night by Ald. Denault who moved that the motion calling for tenders be recinded and that the Power be turned over to the City Gas and Electric Department with taxes, cost and interest.

Ald. McManamy did not think the Council should turn the Power over to the Gas and Electric Department unless they got its value from them. He advised calling for tenders. He denied the report that he was in favor of selling the power. When the tenders were received it would be time enough to discuss the selling.

Ald. Jenckes thought it would be wise to determine the value of the power by calling for tenders.

Ald. Denault stated that he found the citizens were in favor of keeping this power for the purpose of advertising Sherbrooke. If tenders were called for and a price established the township of Westbury would raise the taxes.

Ald. C. F. Olivier favored the selling of the power. In his opinion the City would not need the Power for years to come.

Ald. Jenckes thought that it might possibly be sold to a Company which would develop the power and bring it to Sherbrooke for use. This would satisfy the City.

Ald. Ledoux thought the citizens should have a say in the matter; They had voted to purchase this power and he did not see why they should not be consulted in the sale.

Ald. Thompson said that those who were interested in the purchase of this power were warmly criticized. Now they have a verdict from the people which justified them in their action. They had accomplished what they desired in agitating that tenders be called for. The citizens, evidently, did not want the power to be sold. Personally he did not either. He thought it wise to turn it over to the City Gas and Electric Department. This department now had $4,600 invested in that power. He seconded Ald. Denault's motion.

A vote was then taken with the following result: For — Alds. Ledoux, Simoneau, L. H. Olivier, Thompsen and Denault. Against — Alds. McManamy, Desaulniers, Howard, White, Jenckes, C. F. Olivier. The motion was lost.

Ald. Howard moved that the resolution passed by the Council on November 21st., asking for tenders for the sale of the Westbury Power, be recinded. This motion made no reference to turning the power over to the Light Department. Ald. Denault seconded the motion. The vote resulted as follows: For — Alds. Howard, Ledoux, Simoneau, L.H.Olivier, and Denault. Against — Alds. McManamy, Desaulniers, White, Jenckes, C. F. Olivier and Thompson. Motion lost.

This closed the question for the time being.

PROTEST AGAINST APPOINTMENT OF AN IRISHMAN WHOM, IT WAS ALLEGED, COULD NOT SPEAK FRENCH.

Ald. Ledoux called the attention of the Council to an open letter addressed to the Aldermen which appeared in La Tribune yesterday. The writer of this article criticized the Council for appointing Mr. Meyers, an Irishman, whom the writer claimed could not speak French, as assistant tax collector. Ald. Ledoux asked the Chairman of the Finance Committee how this appointment was made. Was it reported to the Council, etc.

Ald. McManamy, in reply, asked Ald. Ledoux why he did not tell all the letter contained. The writer also went into the Light Department and said that many customers found it inconvenient to do business there, as the employees did not speak French. He pointed out that Mr. Dugal was not only secretary of the L ght Department, but was also assistant secretary of the City. He could look after those who did not speak English.

"When you take up newspaper business," said Ald. McManamy, "I want you to listen to this. When the question of a grant from the City Council to the Greater Sherbrooke Movement came up I stated plainly the stand I took. La Tribune quoted me as being directly against the movement. This is unfair. In the letter which you refer to they would give the impression that I acted surreptitiously in the matter of the appointment of Mr. Meyers. I was given to understand that he spoke French. I charge this paper with making a false statement against me."

The Secretary then read the report of the Finance Committee in connection with the appointment of Mr. Meyers. The Finance Committee which made this report was composed of Ald. L. H. Olivier, Ald. McManamy, and the Mayor. The report was read before the Council and passed.

Ald. Thompson.—"Since the City has taken over the Light Department only two changes have been made in the staff. Mr. Dugal was appointed to succeed Mr. Robins, who resigned, and Miss Marchessault was added to the staff."

Ald. Howard stated that Mr. Meyers spoke good French.

Ald. Ledoux said the explanation was satisfactory to him, and the matter was dropped.

GRANT TO SACRED HEART HOSPITAL.

The Finance Committee recommended that a grant of $100 be made to the Sacred Heart Hospital for 1910 and that provision be made for a grant of $200 in 1911.

DAMS ON THE MAGOG RIVER.

Considerable dam trouble was reported on the Magog River. The Paton Co. threatened the City with an action unless they lowered dam No. 2. The City did so. Now A. G. Lomas threatens the City with an action for lowering this dam. With a lawsuit staring them in the face whichever way they turned the City Fathers found themselves in a quandary.

Ald. McManamy, acting under instruction from the City Attorney, moved that the Council rescind the motion recently passed to the effect that one log be removed from dam No. 2. It was the intention of the City Attorney to look into the matter and report.

Ald. Howard referred to an item which appeared in the Record in connection with the purchase of the Lomas power. He thought it was a good suggestion and one which should be looked into.

After a brief discussion it was decided to follow the City Attorney's instructions in the matter.

UNIONISTS MADE GAIN OF FIVE.

Out of 130 Pollings They Have Gained 11 and Liberals 6 Seats.

UNIONISTS BLAME LIBERALS.

London, Dec. 6. — (Special)—Taking line from Mr. Balfour's speech at Sheffield last night, most of the Unionist morning papers to-day blame Premier Asquith for "rushing" elections on old registers and as a further excuse for failure of Unionists to make a better showing at polls, complain that they did not have sufficient time to protect their electoral.

The Daily Telegraph says:

"If it had not been for the deplorable inferiority of the Unionist organization both in London and Manchester, the work of stamping out dollar domination would be still further advanced."

The advice of the Telegraph and all the other Unionist organizations to their party to-day is to fork their parties in remaining pollings to increase their gains already secured.

The Liberal papers editorially express complete satisfaction at results so far.

Small interest is being shown in women's suffrage movement.

Independent Suffragist candidate, Jacobs, who contested seat for St. Pancras east, against the candidate, J. Martin, received only 22 votes.

The Prime Minister speaking at Burnley last night, said:

"Veto of Crown is as dead as Queen Anne, and nobody laments or is the worse for its disappearance. While the Crown stands on a much firmer foundation in affection and loyalty of the British people than when it existed. We propose that the Lords' veto should follow it."

T. HAMER GREENWOOD ELECTED.

London, Dec. 6. — (Special)— The prominent feature in to-day's early returns in the Parliamentary elections was the capture of Sunderland by coalition parties.

Mr. T. Hamer Greenwood, Canadian Liberal, who returns to the House of Commons after an absence of less than a year, and Frank Goldstone, Laborite, turned out two Unionist members, M. Storey, Independent Tariff Reformer, and Mr. J. Knott, who were elected last January by majorities of 741 and 1,212 respectively. Polling took place in Sunderland yesterday but the results were not announced until to-day. Greenwood received a majority of 1,697 and had a margin of 991 votes. The turnover is attributable in part at least to the bitterness of the boilermakers in the Sunderland district, who were locked out some months back.

The results of Newcastle-on-Tyne were also made known for the first time to-day. They show no change. the Liberal and Laborite candidates being returned by slightly reduced majorities. Unopposed returns, however placed the Unionists again in the front to-day with a total of 129 seats against 125 secured by the coalition.

STANDING OF THE PARTIES.

Early this afternoon the state of the parties was as follows:

Government Coalition—

Liberals	89
Irish Nationalists	20
Labor Members	16
Total	125

Opposition—

Unionists	129

The gains thus far are:

Unionists	11
Liberals	7
Laborites	1

Among the unopposed returned was

POWER PLANT IS NEARLY FINISHED.

Expect to Turn Water on to Wheels Dec. 21.

WILL BE IN POSITION TO DELIVER POWER EARLY IN THE NEW YEAR.

Mr. Castleman, who has had charge of the construction work for the Sherbrooke Railway and Power Company, leaves to-day for Montreal and thence to Murray Bay, where the Bishop Construction Company has taken a contract for a big power development plant.

The Sherbrooke power plant is not quite completed, but it is expected water will be turned on to the wheels by Dec. 21st. The water wheels are in, the switchboard set up, and the arrival of the generators is expected daily.

It is expected that by January 1st the company will be in a position to generate power from the new plant.

The street railway will at once be operated from the new plant, the old station being done away with.

The transmission line to Capelton is well under way, and early in the new year the company will be in a position to enter upon its contract there.

Mr. Castleman expresses his appreciation of courtesies extended during his five months stay in Sherbrooke.

FARMERS DISCUSSED RAISING OF STOCK.

Many Interesting Points Dealt With at Lake Megantic.

SPEAKER TOLD WHAT SUCCESS HAD FOLLOWED UP-TO-DATE CARE OF STOCK.

Lake Megantic, Dec. 6.—(Special)—The meeting of the farmers' clubs of Lake Megantic and the townships of Ditchfield and Spaulding, that was held in the Bijou Theatre, was quite a success, the hall being well filled with farmers and their friends. The meeting was presided over by Mr. E. Huard, the honorary president.

Mr. J. C. Chapais, of St. Hyacinthe, who was expected to address the meeting, was unable to come, but sent Mr. O. A. Dallaire, director of the Provincial Dairy Society of St. Hyacinthe, who delivered a long and eloquent address on the general raising of cattle, and dwelt strongly on the necessity of cleanliness, heat, light and ventilation of stables, and also on the manner of feeding of cattle for milk in the winter time.

Mr. J. N. Thibodeau, of Megantic, followed Mr. Dallaire in a good speech on the winter feeding of stock, which was strongly endorsed by Mr. Dallaire, who was also called upon to answer many questions from members of the audience.

Mr. Louis Parridis, of St. Sebastien, also delivered an interesting address on the encouragement that should be given to new county organizations of agriculture, and gave a graphic account of the society in Beauce, of which he is the secretary, and the good results that have followed that movement.

Mr. Jos. Roy, L.L.B., the organizer of the competitions at Lake Megant c, and the farmers' convention, read several reports of the societies in which he is interested at Lake Megantic.

Several delegates were present at the meeting from centres in the county of Lake Megantic, Piopolis, St. Ludger, St. Cecile, Gayhurst, etc.

MUNICIPAL CASE FROM D'ISRAELI.

Councillors Seat Declared Vacant After Three Months Absence From Meetings.

NOW PETITIONS COURT TO BE DECLARED A MEMBER OF VILLAGE COUNCIL.

A case of considerable interest was heard in the Circuit Court this forenoon before Mr. Justice Globinsky.

At the last municipal elections in the village of D'Israeli, Mr. E. Demers was elected to the Village Municipal Council. Although elected to serve the people, he did not attend any of the council meetings for a period of three months. At the end of that time the Council at a regular meeting declared the seat to which Mr. Demers had been elected, vacant.

At a subsequent meeting of the Council, Mr. Demers attended, and intimated that he was willing to attend the meetings of the Council in future. It was intimated to him that he could not now take his seat, and the Council proceeded to elect Mr. C. Fortier to take his place.

Mr. Demers by his action petitions the Court to have the election of Mr. Fortier declared null and void, and that he (Demers) be declared a member of the Municipal Council.

The Municipal Council contends that the seat having been declared vacant they had a right to elect whom they chose.

CONSTRUCTING LINE TO STANSTEAD.

People's Telephone Co. Have Interesting Contract.

STOCK WIRE 9 A.M. TILL 3.30 P. M., THEN FOR GENERAL PUBLIC USE.

The People's Telephone Company have a gang of men building a new line from Sherbrooke to Stanstead. This line is to be completed by the 31st day of December. It is leased by Mr. F. W. White, stock broker, of Sherbrooke, Que., for a term of years dating from January 1st, 1911. It is learned that the price is considerably over four hundred dollars per annum.

Mr. C. J. Wright, general superintendent of the Company, informs the Record that the material used to build and complete this line will consist of between 1,700 and 1,800 bales of No. 12 "E.B.B." telephone wire, 2,300 insulators, and the same amount of side blocks, and about six kegs of spikes.

In reference to the delivery of this large amount of material it is noteworthy to know that the contract for said material was secured from Dawson & Co., Limited, of Montreal, and that in three days' time from placing the order the goods were being delivered in Sherbrooke. This quick delivery is easily accounted for when it is known that one of Sherbrooke's hustling young business men, in the person of Mr. C. G. Buck, who is a member of the Dawson & Co. firm, secured this order.

Patrons and subscribers of "The People's Telephone Company" will benefit from this new line, as it is leased to Mr. White from 9.00 a.m. until 3.30 p.m., and "The People's Telephone Company" will have the use of it all the rest of the time for their Sherbrooke and Stanstead business, which has been badly congested on the present line.

It is understood that the company contemplates the construction of a similar line to Coaticook.

TWO GOOD REPORTS WERE SUBMITTED.

DIRECTORS OF BROME COUNTY HORTICULTURAL AND POULTRY ASSOCIATION MEET.

Knowlton, Dec. 6. —(Special)— A meeting of the Directors of the Brome County Horticultural Society was held at the Lake View on Saturday, with a full attendance.

The financial statement was read showing ample funds to pay off all liabilities, with a surplus for next year of over $50. The Secretary Treasurer was instructed to pay off all prize winners. The delay in doing so to the present has been caused by a little governmental red tape.

The Brome County Poultry Association also held a directors meeting at the same place and date, and the report of the Treasurer showed that after all prizes and other expenses were paid there was a satisfactory surplus. It was decided to buy with this surplus a supply of improved coops for next year's exhibition.

The Society decided to keep the large lamp which lights the village in operation and to consider new sidewalks as soon as weather and conditions will permit.

WILL ASSIST BOYS IN WEST.

Coaticook, Dec. 6.—(Special)—Mr. G. L. Masten received a letter from Rev. C. S. Deeprose, of Ottawa, in which he spoke of his two sons, Stanley and Edward, who are now in the Northwest. The two boys went out there two or three years ago and built them a shack, and have since been living there together. Their shack has been the headquarters for the religious services in that section, but being only 14x18 feet it does not afford accommodation for a very large congregation, taking into consideration the necessary articles of furniture which it also contains. The boys, therefore, have in mind building on to their shack another room which would accommodate the settlers in that section for another year at least, for a meeting place for religious services. Mr. Masten put the matter before the Methodist Sunday School here on Sunday, and it was decided to take up a special collection in the school next Sunday and send it onto the boys. The matter will also be placed before the Epworth League and will doubtless receive some consideration by them as well.

Daily Reports From Correspondents Of What Is Going On.

BURY.

The Sawyerville Dramatic Club under the auspices of the Rebekahs will give an entertainment on Friday to be followed by a grand ball with Megantic Orchestra in attendance.

The service usually held at Crossbury Wednesday will be cancelled this week owing to the absence of Rev. Mr. Lewis.

Master Eric McIver, also Master Horace Lewis, from Lennoxville College, home over Sunday, with parents.

Messrs. W. H. Cowling, also Mr. F. Bennett, from Canterbury, were in town last of week.

Those on sick list last of the week were Mrs. Thos. Herring, who is improving slowly; Master Willie Locke, who is now able to sit up each day; Miss Pearl Dunsmore, Miss Violet Manes, Miss Gladys Trombly are improving.

Mrs. Lawrence is spending the winter with Mrs. Reid.

Owing to the illness of Mrs. A. L. McIver there was no meeting of the Junior Guild on Saturday p.m.

The children are busy rehearsing for the X-mas tree entertainment, to be held X-mas eve in the Church Hall.

Mrs. Alex. Beaton, of Bown, and children were in town Thursday calling on friends.

A crew of men are working in this vicinity on C.P.R., putting in new telegraph poles and wires.

The minstrel entertainment given on Friday evening last by the Bury Brass Band under the management of Mrs. Moore, was a decided success, the hall being jammed to the doors. The stage full of colored gentlemen greeted the audience with a rousing chorus of Old Folkt at home. Then the following programme was rendered: Jokes, George Moore; song, George Moore, "Any Rags;" jokes, E. Brouillette; song, "I wonder who's kissing her now; song, "Golden Arrow," A. Sylvestre; jokes, George Barfield; song, George Barfield, "It's mighty strange;" song, "Silver Bell" A. McLachlan; song, "I've got the time," A. Whitehead, jr.; jokes, Mr. Moore; song, "Coonville Colored Band," Mr. Moore; song, "I've lost my gal," Mr. Prangley chorus, "Molly-O;" song by George Moore; monologue, A. R. Savaria; bones, Peter Pettit; song by A. Whitehead; clog, Peter Pettit; Indian song (with wigwam) by Master George Moore and little Miss Evelyn (in Indian costumes. This deserves special mention, as it was beautifully done, and was responded to by an encore equally as good. Perhaps the most amusing thing of the evening was a song by Mr. Abel Whitehead, jr., dressed as a negress, and his splendid make-up prevented his most intimate friends from recognizing him. The four "end men" were good. Mr. Fred Morrill acted as chairman and did the thing up well. Too much praise cannot be given to Mrs. Moore, who acted as pianist throughout the eve, and who was also untiring in her teaching and training one and all to have this a success. The stage was well gotten up by the willing hands of band members, under the directions of Mrs. Moore. The lower hall contained the articles of fancy work, where the bazaar was going on.

We in Bury regret to hear of the death of Mr. George Everett, of Brookbury. We who knew him best will have kindly remembrances of his kindness, honesty and sterling character.

The pulpwood trade is very slack around here, not much demand for it.

The grain crops in Bury were splendid in quantity and quality this year. Manes Bros. threshed 90 bushels of extra fine wheat from 2½ acres of land.

Mr. Alex. Doherty threshed 83 bushels of fine wheat from 2 acres sowing.

Farmers are feeding their lands better and are using quite a lot of fertilizers to grow their grain crops, with the result being in many cases they are growing oats that for weight and quality will compare well with the western grain.

All crops are extra good this season around Bury, with the exception of potatoes, of which there is not a very good crop.

Relief in five minutes awaits every Stomach sufferer here

If your meals don't fit comfortably or you feel bloated after eating, and you believe it is the food which fills you; if what little you eat lies like a lump of lead on your stomach; if there is difficulty in breathing after eating, eructations of sour, undigested food and acid, heartburn, brash or a belching of gas, you can make up your mind that you need something to stop food fermentation and cure Indigestion.

To make every bite of food you eat aid in the nourishment and strength of your body, you must rid your Stomach of poisons, excessive acid and stomach gas, which sours your entire meal—interferes with digestion and causes so many sufferers of Dyspepsia, Sick Headache, Biliousness, Constipation, Griping, etc. Your case is no different—you are a stomach sufferer, though you may call it by some other name; your real and only trouble is that which you eat does not digest, but quickly ferments and sours, producing almost any unhealthy condition.

A case of Pape's Diapepsin will cost fifty cents at any Pharmacy here and will convince any stomach sufferer five minutes after taking a single dose that Fermentation and Sour Stomach is causing the misery of Indigestion.

No matter if you call your trouble Catarrh of the Stomach, Nervousness or Gastritis, or by any other name—always remember that a certain cure is waiting at any drug store the moment you decide to begin its use.

Pape's Diapepsin will regulate any out-of-order Stomach within five minutes, and digest promptly, without any fuss or discomfort, all of any kind of food you eat.

No Better Remedy at any Price. Fully Guaranteed.

Make a plain syrup by mixing two cups of granulated sugar and one cup of warm water and stir for two minutes. Put 2½ ounces of pure Pinex (fifty cents' worth) in a 16 oz. bottle, and fill it up with the Sugar Syrup. This gives you a family supply of the best cough syrup at a saving of $2. It never spoils. Take a teaspoonful every one, two or three hours.

The effectiveness of this simple remedy is surprising. It seems to take hold instantly, and will usually stop the most obstinate cough in 24 hours. It tones up the jaded appetite and is just laxative enough to be helpful in a cough, and has a pleasing taste. Also excellent for bronchial trouble, throat tickle, sore lungs and asthma, and an unequalled remedy for whooping cough.

This recipe for making cough remedy with Pinex and Sugar Syrup (or strained honey) is a prime favorite in thousands of homes in the United States and Canada. THE ONLOOKER

Regrettable Discussion

We have regretted to notice for some time past an almost daily discussion of racial matters in the columns of "La Tribune," of Sherbrooke. Yesterday this took the form of an article seeking to show a diminution of the Protestant population in this section of the country, and speculating on the figures of a future census. Well-known facts do not in any way support the claims advanced, but this aside from the purpose of our reference.

For many years the different races and religions have dwelt together in harmony in these Townships, each respecting the rights and privileges of the others. The almost uniform policy of the public press throughout this province has been to encourage tolerant and friendly relations among the different elements of the population, and to avoid harmful comparisons and deductions. We cannot believe that "La Tribune" intends to introduce into its columns, as a permanent feature, a different policy.

British Elections Again.

The chief political topic this week is the British election. So far the returns are no indication of the final results of the polling, and considerable conjecture may be indulged in before actual knowledge of the position of the parties is arrived at. The Canadians are having an ordinary run of luck, Sir Gilbert Parker and W. M. Aitken being successful candidates.

The vital interest of the campaign centres about the real standing of Liberals and Unionists in the coming Parliament. At a crucial period in England's development, the decision will mean much to the country as a whole. For two or three years there has been a fluctuating political condition in the United Kingdom that has rendered the outcome of differences impossible to foretell. Even the bizarre suffragettes have added to the confused social and political ferment, giving vaudeville specialties at every recess, and even during the performance of the more serious political drama.

Notes.

Not all the cream of the Townships goes to the country south of the border. The Richmond and Drummond Counties Cheese and Butter Syndicate produced a good many thousand pounds of both these dairy products during the past year, and the factories received $128,629 for their total output. This is an excellent showing for the Richmond and Drummond farmers.

All Eastern Townships schools should follow the example of the Sawyerville Model School, which has had fire escapes erected on the school building. Every board of school commissioners in the E. T. should see that all schools of any size or importance are provided with necessary precautionary protection against fire.

If energy and determination deserve success, the indefatigable promoter of the "Sawdon Orchestra" should receive sufficient encouragement from musicians, and the general public, to feel repaid for his effort to promote interest in orchestral music in Sherbrooke. There is more than one way of making Sherbrooke "better and bigger," and Mr. Sawdon is worthy of praise for his personal endeavor to prove that wider musical interests are possible.

Hatley Model School, once the well-known Charleston Academy, has become so prosperous and promising that efforts are being made to have it again accorded the status of an "Academy." Charleston Academy enjoyed a very enviable reputation in the earlier days, and its "re-establishment" would prove an interesting occurrence.

"'Tis an ill wind that blows no one good." The burning of Richmond station may be the means of providing that growing town with a model railway structure that will prove both useful and ornamental. Richmond is of considerable importance as a railway community, and a modern and comfortable structure for railway offices and waiting rooms would be much appreciated, not only by residents of the town, but by the travelling public.

FUNERAL OB LATE MARY BAKER EDDY

ARRANGEMENTS COMPLETED FOR HOLDING FUNERAL ON THURSDAY.

Boston, December 6.—That the body of Mary Baker Glover Eddy founder and head of the Christian Science Church, who died Saturday night, will find its last resting place in the crypt under the altar of the First or "Mother" Church in Boston, was the belief last night of many of those prominent in the denomination. No official intimation to the effect would be given out by anyone in authority, but so far as could be learned no arrangements have been made to take the body to Mrs. Eddy's birth place at Bow, N. H., or to Concord, N.H., where she lived so long.

Arrangements have been completed for holding the funeral on Thursday morning at 11 o'clock at the home of Mrs. Eddy at Chestnut Hill. The services will be simple and the attendance will be limited to the family, immediate household of Mrs. Eddy, and the leading officials of the Christian Science Church. The public will not be admitted and there will be no public viewing of the body.

A constant flood of telegrams has been flowing in from all parts of the world, seeking verification of her demise and containing many tributes.

ARRANGEMENTS NOT YET COMPLETED.

Boston, Dec. 6. —(Special)— Final arrangements for the funeral of Mrs. Mary Baker Eddy, head of Christian Science Church, who died at her home at Chestnut Hill on Saturday night, will not be perfected until the arrival of her son, George Glover, who is expected here from Lead, S.D., tomorrow. It was believed to-day that the body of the leader will be buried in Mount Auburn Cemetery, Cambridge.

EUCHARISTIC CONGRESS ECHO.

Questions Put by Col. Sam Hughes and Dr. Sproule Up in Commons.

GOVERNMENT ASKED DEPUTY GOVERNOR GIROUARD TO EXPLAIN, BUT HE HAS NOT.

Ottawa, December 6.—The preliminary questions respecting events connected with the Eucharistic Congress, the "homage" sent by Mr. Justice Girouard, deputy governor-general, to Cardinal Vannutelli, the wearing of his official robes by Speaker Marcil, in the procession through the streets of Montreal, and the guard of honor for the Host on the same occasion were answered by Sir Wilfrid Laurier and Sir Frederick Borden in the House yesterday. An interesting fact brought to light in the Premier's answer was that although the Government had asked Judge Girouard to explain his connection with the matter, so far he had not replied. The questions were put by Dr. Sproule and Col. Hughes.

Sir Wilfrid Laurier stated that Mr. Justice Girouard was appointed deputy governor by authority of the letters patent constituting the office of governor-general and commander-in-chief in and over the Dominion of Canada, dated 15th of June, 1905. These authorize the appointment of the chief justice, or, in his absence, the senior judge of the supreme court as his administrator. Mr. Justice Girouard as senior judge was sworn as administrator on September 5, by reason of the absence of the Governor-General from Canada.

As to the "homage" telegram sent to Cardinal Vannutelli, the Premier replied: "When the present question of the honorable member for East Grey (Dr. Sproule), appeared in the votes and proceedings of the 21st November last, Mr. Justice Girouard's attention was called to it with the view of obtaining from him the information asked for. He has failed to do so.

"The facts appear to be as follows: On the 7th September the following Marconigram was published in the Montreal newspapers as having been sent to Cardinal Vannutelli by Mr. Justice Girouard:

'Tadousac, Auot, 1910

"A son Excellence le Legate Papal, sur le bateau:

"L'administration du Gouvernment du Canada presente ses hommages a son excellence, et lui souhaite le bienvenu.

"Girouard."

"Which," said Sir Wilfrid," "I would translate as follows:"

"Tadousac, August, 1910.

"His Excellency the Papal Legate, on board steamer.

"The administrator of the Government of Canada presents his respects to His Excellency and bids him welcome.—Girouard."

Sir Wilfrid Laurier went on to say that Mr. Justice Girouard, deputy governor, did not consult the Ministers of the Crown in this matter and received no advice from any of them.

Replying to Col. Sam Hughes as to the part the militia took at the reception to Cardinal Vannutelli, Sir Frederick Borden stated that the officers were not ordered to attend the reception. In reply to Dr. Sproule the Premier said that Speaker Marcil was not in the procession in his official capacity.

LENNOXVILLE MUSICAL CLUB.

The second concert of the season of the Lennoxville Musical Club was held last evening with the usual success, and the well-chosen programme met with the appreciation and applause of the audience.

Mrs. Maurice Shea (Miss Eugenie Caron), whose reputation as an accomplished pianist, as well as a composer of merit, is well established, opened the concert with a charming piano composition, all of her own, which delighted the music-lovers present.

Miss Maude Farmer gave a dashing and brilliant rendition of "Hungarian Dance" (Car, Koelling) in excellent style and with good technique.

Miss Janet Dempster has a sweet voice, and sang two Scotch songs, "We'd better bide a wee" (Claribel), and "Scotland" (H. A. Lambeth), very pleasingly. She was encored, and responded with a very pretty ballad.

Miss Blanche Baldwin, of Coaticook, was the violinist of the evening and acquitted herself with much credit. Her playing of Raff's "Caratina" was marked by grace and delicacy of bowing, and her second selection, "Home, Sweet Home," (Farmer), was very sympathetically rendered and received an encore. As Miss Baldwin had no other solo prepared, Professor Sawdon, who was her accompanist, slipped into the breach and played a violin solo with characteristic dash and fine execution.

Mr. J. Alexander was heard for the first time and made an excellent impression. His baritone voice, which just escapes being bass, was well suited to "The Deathless Army" (Trotere), and his second number, "Marie, My Girl" (Irish love song) (Aitkin) was warmly applauded and encored, the old-time favorite song, "Annie Laurie," being sung in response. The piano duet, "Pas des Cymbales" (Chaminade), Mrs. Maurice Shea and Miss Farmer, was rendered with a perfection that left nothing to be desired from a musical point of view. "God Save the King" closed a very enjoyable evening. During the intermission the Hon. Mr. Aylmer announced Professor Sawdon's symphony concert for this evening, and bespoke a good attendance.

is physical strength and bodily health. The bread winner cannot afford to give out.

It is a vital necessity that he keep his nervous and muscular system in good condition to withstand the daily wear and tear of life.

Those who are run-down, weakened or nervous should remember that nothing excels Vinol, which is a combination of the medicinal elements of the cod's liver and tonic iron, to strengthen the digestive organs, create an appetite, make new blood and restore strength.

Prof. James Mitchell, of Jasper, Ont., says his system was run-down to a critical point from overwork. A friend told him to take Vinol. He did so and is now enjoying perfect health, and he considers Vinol a wonderful tonic. (We guarantee this testimonial to be genuine.)

We ask every run-down, over-worked, weak person in this vicinity to try a bottle of Vinol with the understanding that their money will be returned if it does not do all we claim. W. H. Griffith, Druggist, Sherbrooke.

CELEBRATED HIS 17TH ANNIVERSARY.

Bishop Larocque Feted on Happy Occasion.

VISITED MONT NOTRE DAME CONVENT YESTERDAY AFTERNOON. GUEST AT THE SEMINARY LAST NIGHT.

Yesterday afternoon Mgr. Paul LaRocque paid a visit to the Convent Mont Notre Dame, on the occasion of the celebration of the 17th anniversary of his episcopal consecration. He was accompanied by Mgr. Chalifoux, V.G., the Rev. J. H. Roy, Rev. F. Venant Charest, and a large number of other priests of the diocese. The Bishop and his attendants were received by the Rev. Mother Superior and the sisters with much ceremony and cordiality, and conducted to the special seats reserved for them in the large music room, which was prettily decorated with palms and arranged for the occasion. Every seat was filled, some 350 pupils and their teachers being present.

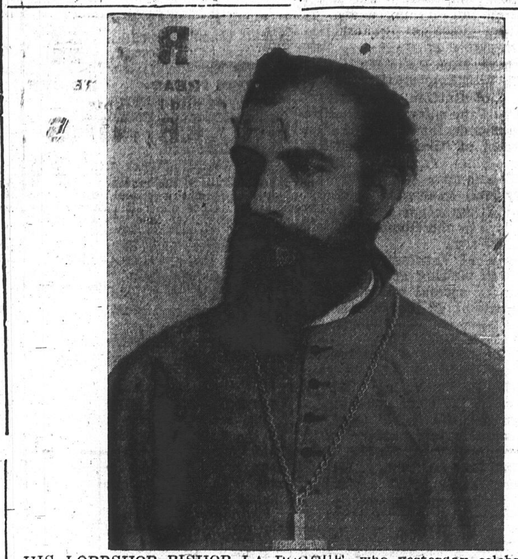

The first number on the programme was "Marche Triomphale," piano duet (Holst), followed by "Roses and Lilies" (Teresa del Riego), the junior pupils; "Concerto-Polonaise" (Saint-Saens) was beautifully rendered, and Miss Stella Hawkins recited in English "The Pillar of Light" very prettily.

After the fine chorus, "Jubilate Deo" (Novello), by the music pupils, an address in French to Mgr. LaRocque was presented by Miss Yvonne Rochette, espressing sentiments of the deepest affection and respect for their chief pastor, who is also their chaplain. The Bishop replied briefly but with much feeling, and a grand finale, "Sur Notre Bon Pasteur," closed the function.

Last evening St. Charles Seminary was en fete, ablaze with light and gayly decorated for the leading event of the year, the Bishop's anniversary.

Towards 8 o'clock Mgr. Paul LaRocque arrived, accompanied by a large number of the clergy of the city and the diocese, and was received by the Superior, Rev. A. O. Gagnon, Mgr. Tanguay and Rev. P. J. A. Lefebvre, and escorted to seats which had been arranged for the distinguished visitors near the stage. The immense hall was, as usual on this occasion, crowded with friends of the pupils from the city and surrounding places, the students and the teaching staff, a most appreciative audience.

Among the clergy present were Rev. Abbes P. Brassard, St. Hippolyte, Wotton; B. Quinn, St. Bibiane, Richmond; D. Bellemare, St. François Xavier, Brompton; J. A. Dufresne, Windsor Mills; Caron, St. Catherine, Hatley; F. X. Brassard, St. Patrice, Magog; Bernier, Valcourt; Emile Genest, Eastman; P. Cote, North Stukely; F. N. Rousseau, Ste. Anne, Stukely; A. HIS LORDSHOP BISHOP LA ROCQUE, who yesterday celebrated the 17th anniversary of the Episcopal Consecration.

The dramatic and musical entertainment, which had been prepared this year with unusual care, opened with a grand march, "The Star of Empire" (Riendeau) and "Serenade" "A la Fontaine" (Losey) by the Band of the College, played with much brilliancy, and the curtain rose on the first act of the drama in three acts, "Yvonnik, or the Crucifix of Kerglaz," by Charles Leroy-Villars. The scene is laid in Brittany during the troublous times of the French Revolution, and abounds in action and thrilling scenes.

The cast was as follows:

Marquis de Kerhoz, Noe Ponton.

Allain de Kerhoz (his son), Wilfrid Lazure.

Yvonnik (Breton girl), Napoleon Pepin.

Kadoe, Tete-Rouge (Commandant), Joseph Nerbonne.

Antoine Even (old soldier), Edmond Gelinas.

Tann Tortik (Republican spy), Sylvio Bourque.

Ilhan Pouldu (Royalist), Arsene Croteau.

Noel, Richard Caisse.

Postik, Dorila Houle.

Royalist soldiers, etc.

The piece was capitally taken, everyone entering into the spirit of his part con amore, and the daring acts of the Chouans, or Royalist Bretons, the goodness and heroism of the young Breton girl, "Yvonnik," were splendidly portrayed by the young actors, who were greeted at every telling point, and at the close of each act, with storms of applause.

Between the acts a pretty and tuneful little operetta, "The Singing Lesson," pleased the audience, Mr. Leonidas Bachand in the part of Tocatta, Italian singing master, and Georges Dufresne, as a Norman shepherd, being quite inimitable.

Other highly appreciated numbers were "La Chanson du Petit Garcon;" selection by the orchestra of the Seminary, "La Mcrodee Brisee" (Van Blein); and "Declin d'un Grand Jour" (Donizetti), by the Band. The evening closed with "O Canada," joined in by the entire assembly, with fine volume of sound.

Mgr. LaRocque entertained the visiting priests and the city clergy today at a sumptuous luncheon at the Palace, covers being laid for some eighty guests. The tables were tastefully decorated, and the occasion was one of great enjoyment to the guests from the quiet country parishes, who look forward to the Bishop's anniversary as an opportunity, not only to present their affectionate good wishes to the spiritual head of the Church in their diocese, but to meet old school friends, get in touch with current events, and enjoy a brief period of relaxation from care. Mgr. LaRocque presided at the banquet in his usual genial and fatherly manner.

LENNOXVILLE.

The Food Sale held on Saturday afternoon in the Methodist Church Parlors was a great success in every respect. There were three small tea tables laden with all good things that go towards satisfying one's appetite, and all present were well waited upon by the young ladies who did their part in a very creditable manner. Besides this there was a candy table as well as the food table, which was well laden with pies, cakes, doughnuts, cookies, rolls, baked beans brown bread, pickles, preserves and cream, all of which was for sale. There was a good attendance considering it was the first food sale held here, and also of an encouraging nature as a goodly sum of about $19 was realized.

CONFIRMATION SERVICE AT ST. PETER'S CHURCH.

There was a good congregation in St. Peter's Church last evening, when the apostolic rite of confirmation was administered by His Lordship the Bishop of Quebec. The candidates, some twenty-eight in number, were presented by the Rev. Canon Shrev?, and the Rev. C. R. Eardley-Wilmot acted as chaplain to the Bishop. The processional hymn was "My God, Accept My Heart this Day," and during the service other suitable hymns were sung, including, of course, the "Veni Creator," "Come, Holy Ghost, Our Souls Inspire." In his address, before the candidates were confirmed, Bishop Dunn expressed his joy at being able to attend the confirmation in Sherbrooke this year. Last year illness had prevented him. To himself, and he thought to many others, confirmation seemed the beginning of their religious life, though of course it actually began at baptism. He knew of many cases in his own personal experience where there had been an absolute change in the lives of grown people who had been confirmed, and to everyone it was a way of making a new start, of obtaining further grace from God to stand for the right, to enable them to go forth with a resolve to be a laborer in the army of Christ, and to bring others to Him.

The candidates were then presented, one by one, by Dr. Shreve, and after the prayers and hymn which followed, the Bishop spoke to them briefly of their duties as members of the Church, to read the Bible and dwell upon it, and act on its precepts, to let nothing interfere with morning and evening prayer, and attendance at Church, for united prayer, for praises, and most of all, for attendance at the Holy Communion, so they would grow in grace and knowledge of God, and then their confirmation would be the highest blessing they could receive.

The recessional hymn was "Soldiers of Christ, Arise."

ANNUAL MEETING OF BANK TO-MORROW.

Directors Gathering in Sherbrooke For the Event.

FAVORABLE FINANCIAL REPORT ANTICIPATED— THE VACANCY ON THE DIRECTORATE.

The annual meeting of the Eastern Townships Bank will be held to-morrow at the head office in this city. Directors are gathering in the city for the event and preliminary meetings are being held to-day.

A favorable financial report is anticipated with recommendations for the usual dividends.

The passing away of Mr. Frank Grundy leaves a vacancy on the board of Directors. It is not unlikely that this may be filled to-morrow.

The name of Dr. Chas. W. Colby, of Montreal, son of the late Hon. C. C. Colby, is mentioned in this connection. Some have thought that the appointment might go to some point further west, where the business of the Bank is developing so rapidly. The matter will be considered at the annual meeting and a Director to succeed the late Mr. Grundy may be appointed.

The Piano Everyone Can Play.

In many homes in the city and country the piano remains idle for the want of some one to play it. If this were exchanged for one of our modern player-pianos you would have an instrument that anyone can play, and the world's best music at your command.

Please note the splendid lines we offer, the Autopiano (of New York) the famous Heintzman & Co. Player-Piano with patent Aluminum Action, the Wilson Player-Piano in Louis XV case, and the charming small size Boudoir Player. These are high grade pianos, with the finest music roll mechanism that skilled workmen and modern machinery can produce, combined in one complete and compact instrument.

We would allow fair value for your present piano in exchange, and arrange terms of payment to suit your convenience. The proposition is a good one and worth looking into.

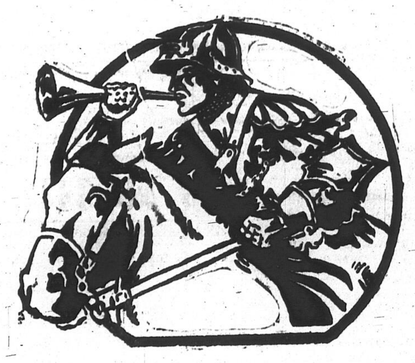

Come in some day and try a player-piano for yourself, and learn about our prices. No trouble to see your present piano and give estimate for cost of exchanging this for an instrument that every member of the family can use every day in the year.

UNIONISTS MADE GAIN OF FIVE

(Continued from Page 1.)

John Dillon, Nationalist member for the eastern division of Mayo.

There were pollings to-day in 39 constituencies returning 41 members.

In some instances there were three-cornered contests of special interest, these including the fight in the Battersea division of Battersea, and Clapham where John Burns, Labor leader, was pitted against Col. Sir John Harrington, Unionist.

ASQUITH WILL BE RETURNED BY WEAKENED MAJORITY—JOE MARTIN ELECTED.

GOVERNMENT COALITION.

Liberals	87
Labor	14
Nationalists	16

OPPOSITION.

Unionists	116

London, Dec. 6.—The polling yesterday followed very much the same lines as on Saturday. Nearly everywhere there were reduced polls, on both sides. The Unionists were again disappointed. The gains yesterday were only four, which were partly offset by two Liberal gains. London has again been disappointing to them, bringing only two gains, where four or five were expected. The aggregate votes follow Saturday's lines the total vote to the close of yesterday's polling being:

Unionists	642,032
Liberal	594,185
Labor	129,197
Socialist	1,901

One candidate has fought only purely and simply as a female suffragist. He received 22 votes in one of the St. Pancras divisions.

T. P. O'Connor is returned with an inconsiderable reduction in his majority.

Yesterday's polling, in short, has told very little more than what Saturday indicated. The Unionist rally, if it be to come, has not yet arrived. The Opposition holds its own and a little more.

In Chertsey, Mr. Donald McMaster, Unionist, was returned unopposed.

Joe Martin was also elected in St. Pancras.

London, Dec. 6.—The position of the parties last night after the second day's polling in the general election:

Government coalition—Liberals, 87; Labor, 14; Nationalists, 16; total, 117.

The results yesterday merely confirm the opinion formed from the results of Saturday's contests, that the Unionists now have no possible hope of replacing the Liberal Government in power. The only question now is whether the Liberals will return with a larger or smaller majority.

Opposition—Unionists, 116.

It must be remembered, however, that the Liberals lost at the January elections a large number of seats through three-cornered contests. Such contests are largely eliminated in the present elections, and this may give the Liberals sufficient gains to balance those of the Unionists. On the whole it seems likely that the new House of Commons will meet with the position of the parties practically unchanged. The question will then arise whether the King will feel justified in giving guarantees for the creation of Liberal peers to force the veto bill through the Horse of Lords.

The Unionist rally in Lancashire has been maintained and the Liberal hope of winning two seats at Preston has been disappointed, but what the Liberals lost in Lancashire was compensated for by their better showing in Yorkshire.

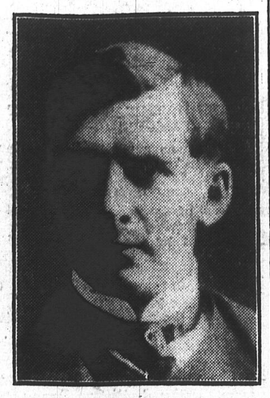

The two seats the Liberals lost in London yesterday, Islington North, and St. Pancras West, were held by very small majorities in the previous Parliament.

CITY COUNCIL GRANTS $2,000

(Continued from page 1.)

Power Co. had placed their tracks at the northeast corner of King and Wellington streets too close to the sidewalk, the distance being only nine feet. The company contended that they could not put in less than a sixty-five degree curve at this point and it was absolutely necessary that the track be placed where it now is. The plans attached to the contract provided for a curve of this nature at that point. Ald. Howard pointed out that they had installed two fifty degree curves, and in his opinion they should be able to put one at the corner of King and Wellington.

The Railway and Power Co. suggested that a corner be cut off the sidewalk at this point. By cutting off two feet it would leave a clear space of 13 feet.

The Council would not listen to this suggestion, and Ald. Howard moved that the Sherbrooke Railway and Power Co. be instructed to place their tracks to satisfy the Committee. The motion was seconded by Ald. Thompson and carried.

NOTES.

Mr. J. G. Mallory asked the Council to reduce the taxes on the old Windsor Hotel, as their action in not granting a license meant a great loss to him. Referred to Finance Committee.

A letter was read from La Chambre de Commerce, asking the Council to reconsider their decision to call for tenders for the sale of the Westbury power. Letter left on table.

Mr. G. E. Begin was appointed joint auditor of the City, and will enter upon his duties on January 1st, 1911.

The by-law regulating the placing of electric signs over the streets was read for the second time.

LAKE MEGANTIC.

The proceeds of the St. Andrew's supper and entertainment, which was held in the Agnes Hall on Wednesday evening under the auspices of the Ladies' Aid of Knox Presbyterian Church, were about $100.

Rev. J. R. Douglas and Mrs. Douglas left here last Friday for the home of Mr. Douglas in Nova Scotia, called there by the death of his brother, consequently there was no service in the Presbyterian Church on Sunday.

Preparations are being made to have an open air skating rink in town this winter, and the piece of ground in front of the Union House is being fenced in and will be flooded for the purpose.
