THEATRE IN MONTREAL

Although the summer theatre season in Montreal is almost over, the winter season is yet to begin. It will commence shortly with the Montreal Repertory Theatre's first production. During the winter months, M.R.T., The Trinity Players, The McGill Players Club, and other local theatre groups will be presenting first class stage entertainment for our theatre-going public.

Her Majesty's Theatre and Gésu Hall will play hosts to numerous theatrical and musical events in both French and English.

We hope you and your friends will be frequent visitors to MONTREAL THEATRE.

MANY THANKS

During the run of this, our last, play for the current season, we wish to thank our many hundreds of supporters for your enthusiastic response to summer theatre in Montreal.

To just call this season successful is an understatement. **It has been overwhelmingly successful.**

We are grateful and pleased and look forward to next year and another season of summer theatre on Mount Royal.

PRODUCTION CREDITS

We regret that, at the time of going to press, we were unable to obtain a complete list of the many merchants and services which have contributed toward the production of CLAUDIA.

A list of these friends is hanging in the lobby. We hope you will notice it.

REFRESHMENTS

Beverages will be served in our Club Lounge nightly from 6.30 p.m. until 1 a.m.

Soft drinks and confectionery will be served in the Green Room during intermissions.

Pastries and coffee will be served in the Club Lounge after the performance each evening.
