HIRSH CARPENTER'S WONDERFUL CURE OF SKIN DISEASE

After 20 Years of Intense Suffering.

"I have been afflicted for twenty years with an obstinate skin disease, called by some M. D.'s psoriasis, and others leprosy, commencing on my scalp, and in spite of all I could do, with the help of the most skillful doctors, it slowly but surely extended until a year ago this winter it covered my entire person in the form of dry scales. For the last three years I have been unable to do any labor, and suffering intensely with it. Every morning there would be nearly a dustpanful of scales taken from the sheet on my bed, some of them half an inch or more in diameter containing this letter. In the latter part of winter my skin commenced cracking open. I tried everything, almost anything, but to no purpose, without any relief. The 12th of June started West, in hopes I could reach the Hot Springs. I reached Detroit, Mich., where I had a sister living. Mrs. J. J. — treated me about two weeks, but did me no good. All thought I had but a short time to live. I was finally prayed to die. Cracked through the skin all over my back across my ribs, arms, hands, limbs, feet badly swollen; toe-nails came off; finger-nails dead and hard as bone; hair dead, dry and lifeless as old straw. O my God! how I did suffer. My sister, Mrs. E. H. Davis, had a small part of a box of Cuticura in the house. She wouldn't give up until I would try Cuticura. Some was applied on one hand and arm. Eureka! there was relief; stopped the terrible burning sensation from the neck down. Immediately got Cuticura Resolvent, Ointment and Soap. I commenced by taking one tablespoonful of Cuticura Resolvent three times a day after meals; had a bath once a day, water about blood heat; used Cuticura Soap freely applied Cuticura Ointment morning and evening. Result: returned to my home in just six weeks from the time I left and my skin as smooth as the sheet of paper. Hiram B. Carpenter, Henderson, N. Y."

"I hereby certify that we are acquainted with the above said Hiram B. Carpenter, and know his condition to have been as stated. We believe his statements to be true in every particular. L. B. Simons, M.D., Son, Merchants; G. A. Thompson, Merchant; A. A. Davis; Millard E. Joiner, Merchant; John Carpenter, A. M. Ledwith, Attorney and Counselor-at-law, all of Henderson, N. Y."

In the gentlemen's prizes Mr. Richard Percival won the first, he being the only one with a crown, the others it is presumed being too bashful. Much regret is felt by the many here who have long known Mr. Burton Dimon, of Highgate, to hear of his failing health. As his age verges on 87, little expectation of improvement in his condition is felt.

Extensive repairs are under way on the house of Mrs. Irving Jenkins, both inside and outside.

REV. J. McKILICAIN MOURNED BY MANY

Was a Pioneer in Congregational Church Work. WAS A RESIDENT OF DANVILLE FOR MANY YEARS AND WELL KNOWN THROUGH TOWNSHIPS.

Montreal, June 30 - With the death yesterday of Rev. John McKillicain, whose illness previously was reported in the Record, there has been removed a picturesque and historic figure in the history of religion in Canada. Even latterly, of an erect and vigorous carriage, with patriarchal locks and beard of snowy white, he was a constant attendant at Calvary Congregational Church, where many people will recall him sitting attentively under the pulpit, ear trumpet in hand, as the discourse was delivered.

HOUSE BURNED DOWN. In the early eighties he took up his residence at Danville, Que., where he was prominently connected with the life of the Congregational community until his house was burned to the ground and he removed to Montreal about thirty years ago; also retiring from active Sunday School work in 1885.

He then continued his devoted philanthropic labors to this city, where he was found to be occupying the pulpit of any colleagues who wished to be relieved, while he was a constant visitor at all the hospitals and an enthusiastic pioneer of the temperance movement.

The Rev. John McKillicain married Miranda, daughter of the late Rev. A. J. Parker, for some years Congregational Pastor at Danville, who survives him, together with two daughters, Mrs. Alex Wright, of McKillicain, of this city. In politics Compton, Que., and Miss Anna Maria he was a loyal adherent of Sir Wilfrid Laurier and a firm believer in Liberal principles. Such a man stands out with Lord Strathcona and the other giants of the early days as one of the real makers of the Canada that is to-day.

DUNHAM. The Selby Lake Colony is a busy one this week. On Tuesday the English Church picnic from Cowansville and the Methodist Church picnic from Dunham were both there; on Wednesday the Women's Institute held their picnic there, and Thursday the Methodist and Congregational picnic of Cowansville; and on Saturday the Conservative Political picnic all help to keep things alive.

Mr. and Mrs. H. Wyatt and Miss Eva Wyatt left on Wednesday morning for Montreal on a visit. Mr. Wyatt will attend the Brotherhood meeting while there. Lorne Elwyn with the New York Stock Company played 'La Belle Parisienne,' Wednesday evening in the Opera House to a large and appreciative audience.

Mr. Frank England of Montreal, was in Dunham this week. Mr. Stephen J. Small is taking a business trip to the Township of Potton this week.

Mr. J. H. Bartlett has purchased Mr. S. J. Small's residence of this place. The S.S. of Trinity Church, Cowansville, held a picnic here at Selby Lake on Tuesday the 27th, as did also the Methodist S.S. of this place.

KINGSBURY. The Ladies' Aid Society will meet at the home of Mrs. McLean Friday afternoon. Misses Myrtle McLean and Alberta McLean, of Boston, with friends; Mrs. Mason, Miss Marion Mason, Mrs. Chapman, Miss Olive Auringer, from Baldwinville, Mass., to attend Mr. and Mrs. Burt's silver wedding, Mr. James Kerr from Brompton Lake,

HARVEST PROSPECTS VERY BRIGHT NOW.

THE NEEDED RELIEF BROUGHT ABOUT BY REPEATED RAINS. Reports from the different counties of the province of Quebec show that the prospects for a good harvest are very bright. The rain of last week broke the drought spell, and made a welcome offset to the slight damage caused by the dry weather.

Information from Champlain and Wolfe indicates that the dry weather hurt considerably the early sowing there, but the hay, nearly the staple product in Champlain, is flourishing as well as it was at the same time last year. The orchards in Wolfe leave much to be desired, but yet there will be an abundant supply of strawberries.

At the end of the month of May in Rimouski county the farmers found the ground hard to work, but the rain cleared away that difficulty. All the cereals have a good appearance, except the wheat, which has suffered badly from insects. No damage was caused by the frost, and generally the farmers have sown more than last year. Garden vegetables show the onion progressing wonderfully, but the other vegetables are not free from insect trouble.

EUCCHARISTIC CONGRESS CLOSED.

BRILLIANT ASSEMBLY, INCLUDING KING AND QUEEN, ATTENDED. Madrid, June 30.—The closing session of the Eucharistic Congress yesterday was presided over by Cardinal Aguirre. It was a brilliant assembly, the King and Queen and all the members of the Cabinet being present. The accommodations of the vast church of San Francisco were taxed to their utmost and thousands were unable to find room within.

TRouble EXPECTED TO-DAY. It is intended to mark the closing of the congress by a great parade to-day. This has aroused much hostility among the Republicans, who, it is feared, may try to create disturbances. The Republican press is full of sanguinary predictions. The Espana Nueva says that since the clericals will attend the procession armed, the Republicans will also carry weapons on that day.

ARRAIGNED RECIPROCITY.

Bill Was Bitterly Attacked In U. S. Senate. SENATOR BORAH SAYS BILL MEANS REPUBLICAN BETRAYAL OF FARMERS' INTERESTS.

Washington, D.C., June 30.—Yesterday was a day of bitter arraignment of the Canadian reciprocity bill in the Senate. Beginning with Senator Cummins' attack on the measure as legislation unjust to the agricultural interests of the country, and concluding with Senator Borah's denunciation of the bill as Republican betrayal of the farming interests, the debate was all antagonistic to the agreement and critical of the President and his methods. Senator Cummins, who will continue his speech to-day, attacked not only the construction of the reciprocity agreement itself, which he said put the whole burden of free trade upon the farmer, without giving him any benefits in the way of reduction of duty on manufactured products, but he criticized also the power exercised by the President to negotiate it and to bring it to the point of a definite agreement between the two countries.

Senator Borah's criticism was based on the record of the Republican party as the advocate of protection for the farmer. He quoted at length from Republican platforms, campaign documents, campaign arguments and definitions of policy to show that the abolishment of the protection on farm products was a reversal of all Republican policy. Senator Borah said both political parties were now striving for the vote of the cities and the support of the press.

Senator Bristow, of Kansas, insurgent Republican, declared that President Taft does not represent the majority of the Republican party on the reciprocity bill. "He does not represent the majority of the Republicans in the House or Senate," said he, "and I do not believe a majority of the Republicans of the country."

THE WESTERN HARVEST. 40,000 men are required to handle the 200,000,000 crop. Reports from Canadian West estimate the coming crop at 200,000,000 bushels; the largest in the history of this country. There is a much larger area under cultivation this year than ever before, and the climate conditions have so far been ideal. An army of men will be required to handle this crop, between 35,000 and 40,000, and the West is looking to the East for the largest part of this supply. Saskatchewan alone, it is officially stated, will require at least 20,000 harvesters almost double what it secured last year, and Manitoba and Alberta will need the balance. The railways will, of course, run harvest excursions at reduced rates as in former years, commencing early in August, and as good wages are likely to rule, thousands of young men will doubtless be attracted to the West this autumn and will be able to return with lots of cash and valuable experience.

BEBBE. Mr. and Mrs. B. H. Barnard, of Danville, and son, Andrew, were guests of Mr. and Mrs. Smith, at the Parsonage over Sunday. A very pleasant evening was spent on the Methodist Church lawn and an excellent programme enjoyed in the Church at the strawberry festival last Friday.

WILL MACADAMIZE MAIN ROAD. Considerable Sum Will be Spent on Work in Township of Ditton. GOVERNMENT ROAD MACHINES HAVE ARRIVED AND NUMBER OF MEN EMPLOYED. La Patrie, June 30. — (Special) — The several road machines which are being sent out by the Government to help municipalities in making better roads in this province, seem to be very substantial outfits. They are being used by a number of municipalities throughout the province. The whole outfit is composed of boiler and engine, stone crusher and elevator, also a sprinkler. At least this is what comprises the set of machinery which has just arrived to be used in the township of Ditton. It is expected that work will begin in a week or so. The municipality of Ditton expects to expend on macadamized roads this year at least \$1,500. Some twenty men have already been engaged to work on the road. The Town Council will meet next Monday evening, July 3rd, and it will be definitely decided then what amount of work will be done at present, and also what section of road will be built. It seems to be the opinion that the work will be put onto the road which leads from this town to Scotstown, as that is the section of road on which most of the travelling is done.

## DUNHAM LADIES COLLEGE CLOSING.

### MANY ATTEND THE EXERCISES PREVIOUS TO PUPILS LEAVING FOR VACATION.

Dunham, June 30. — (Special) — The annual closing of Dunham Ladies College on the 30th of June for the summer vacation was a great success. The day opened with the usual college service at 10 a.m. in All Saints' Church, the use of which is always so kindly permitted by the Rector and Warden on this occasion.

At this service the celebrant was the Right Reverend the Bishop of Montreal and President of the College Corporation. The special preacher was the Rev. Wm. Harman Van Allen, S.T.D., L.L.D., Rector of the Church of the Advent, Boston. The other clergy present and assisting were: Rev. H. Plaisted, M.A., Rector of Dunham, Ven. Archdeacon Longhurst, L.S.T., Rector of Granby, Rev. H. A. Naylor, B.A., Rector of Freighsburg, and Rev. R.Y. Overing. The preacher took for his text, Eccles. 12: 11. "The words of the wise are as proverbs," and from it he made a most excellent, instructive and interesting sermon. He emphasized the heathen conception of what was required to the highest type of life, as contained in the Maxim, "Self-reverence, Self-knowledge and self-control." Each qualification was dealt with by itself, then in its relation to the others of the group.

The beauty of this conception was made clear by the speaker and how it would, rightly understood and practiced so a long way towards producing a fine life and character. Then in vivid and telling language, and with an ease that held his listeners enthralled, he showed its incompleteness and its meanness as compared with the larger idea of the Christian Faith, with its Standard and Pattern of Love to God and Man, and once the Motive and Culmination of Life and Effort.

Altogether the sermon was one to be remembered and one likely to have a deep and lasting effect upon those to whom it was addressed. Dr. Van Allen's presence was much appreciated and we hope that this visit will be but a forerunner of many another.

At this service eight of the pupils, who had been confirmed the evening before by Bishop Farthing, made their first communion. The number at the service this year was not quite as large as usual, which was no doubt due to the threatening aspect of the weather in the morning.

At the Convocation, which was held in the College Hall at 2 p.m., Bishop Farthing presided. An excellent programme was given by the pupils, consisting of the following items, all of which were thoroughly well-rendered.

The programme was as follows: Piano Duo, Serenade, Whelpley, Misses Queenie Rice and Marjorie Loomis; Part Song "A Streamlet Full of Flowers," Carracollo, Singing Class; Recitation, Soliloquy on Sleep (Henry IV.), Shakespeare, Miss Roberta Loomis; Pianoforte Solo, Prelude in C. Mi. Rachmaninoff, Miss Queenie Rice; Song, Porgi Amor, (Nozze di Figaro) Mozart, Miss Marjorie Loomis; Pianoforte Duo, Minuet, Nevin, Misses Roberta Loomis and Ida Pozer; Pianoforte Solo, Spring Song, Henselt, Miss Muriel Landers; Recitation, Portia's Speech (Trial Scene—Merchant of Venice) Shakespeare, Miss Marjorie Loomis; Pianoforte Solo, Air de Ballet, Chamade, Miss Constance Halpin; Pianoforte Duo, Dance of Gnomes, Whelpley, Misses Louise Bishop and Muriel Landers; Part Song, Lullaby, Brahms, The Singing Class.

**LADY PRINCIPAL'S REPORT.**  
The Lady Principal, Miss Winifred Wade, M.A., then gave her report, which indicated simply and earnestly the high aims and purposes she had in her work as Principal, and the responsibilities which she felt devolved upon her in the training of the young lives committed to her charge and of the development of higher character in them.

**DISTRIBUTION OF PRIZES.**  
After this came the distribution of medals and prizes. All of the pupils have done excellent work in the year and the fine medals and prizes were well-earned.

All of the pupils in music passed successfully, one with distinction, reflecting great credit on the music mistress, Miss Barbara Stradman. The examinations in elocution, special and class singing also showed excellent results and elicited much commendation from the examiner. This department has been under the charge of Miss Kate Hemming of Montreal. The list of prizes and prize winners is as follows:

**Special Prizes.**

Archbishop Bond Prize; Scripture—Alfrida Elliott.

**Class Prizes.**

Grade III. Model—Alfrida Elliott.

Grade II. Model—Henrietta Richards.

Grade I. Model—Roberta Loomis.

Grade II. Elementary—Dorothy Bayne.

The prize distribution was followed

ed by two addresses, one by Dr. Van Allen, full of wit and sound advice and which quite won the heart of the girls and one by the Bishop. The latter dealt chiefly with the work and the future of the College. After the singing of God Save the King adjournment was made to the drawing room for refreshments. At five o'clock the guests reassembled in the College Hall, to witness the presentation of an English Pastoral Scene by the pupils, the parts were as follows:

Floral March, Solo and Chorus—"Nymphs and Shepherds"—Purcell, Miss Marjorie Loomis, Senior Singing Class; Minuet, Chorus—"Sleeping Garden"—Ginck, Junior Singing Class; Chorus—"Hark, the Huntsman's Joyful Sound"—Kucken; Chorus—"To the Sunshine"—Schuman, Senior Singing Class.

The whole was excellently rendered. The solo and chorus, "Nymphs and Shepherds" by Miss Marjorie Loomis and the Senior Singing Class was especially good. This number had been arranged to take place on the lawn, but owing to a shower a hall came on at this time, it was decided to give it in the Hall. The play reflected great credit on all who took part in it and on all who had to do with the training for it. This brought the afternoon to a close and many of the guests left for home. Bishop Farthing and Dr. Van Allen also left for Bishop's College, Lennoxville, where they were due for the meeting of the Council and for the Convocation.

**VISITORS PRESENT.**

Among those present were: Bishop and Mrs. Farthing, Montreal; Dr. Van Allen, Boston; Rev. Rural Dean and Mrs. Lewis, Cowansville; Mrs. Wade, Hamilton; Archdeacon Longhurst, Granby; Mrs. Bayne, Toronto; Mrs. Bishop, Grand Mere; Mrs. Allen, Aymer; Rev. H. A. Naylor, Freighsburg; Mr. Thos. A. Elliott, Montreal, and many others, including all the old friends of Dunham headed by the Rector and College Chaplain, Rev. H. Plaisted.

In the evening the pupils and their friends thoroughly enjoyed their annual closing fete. We expect to see all the old faces at the re-opening in September and hope that from now 'till then the scholars will have nothing but a thoroughly good holiday with not a care to spoil it.

## CANADIAN PUBLISHERS VISIT GEORGIAN BAY.

### Two Days Outing Following Annual Meeting.

PENETANGUISHENE, PARRY SOUND AND COLLINGWOOD VISITED. — AMONG THE 40,000 ISLANDS.

The Canadian Press Association meeting, held in Toronto, last week, was followed by a delightful two days' outing in the Georgian Bay district.

The Canadian newspapermen with their ladies, the whole party numbering over 200, left Toronto by special train, Thursday morning over the Grand Trunk Railway for Penetanguishene. The run was through an attractive section of Ontario, apparently enjoying a large measure of agricultural prosperity. A glimpse was had of the ditch which bears the name of the "Newmarket Canal" now under construction. "You may build bridges and call them wharves in Quebec," remarked a Tory confere from Toronto, "but it takes Ontario to get government money for a joke like the Newmarket Canal."

**PENETANGUISHENE.**

Arriving at Pebetanguishene, the party was transferred by steamer to the Penetanguishene Hotel, where lunch was served. The location of this hotel is delightful, in the midst of an oak grove, and looking out over the bay.

Penetanguishene is an Indian term, meaning "rolling sands." It is an historic place, being the site of the early Jesuit Missions among the Huron Indians in the early days and it was near here that Leboeuf, the brave missionary, suffered martyrdom. A memorial has been erected in his honor.

**THROUGH THE 40,000 ISLANDS.**

Leaving Penetanguishene at 2 p.m. the journalists had a delightful sail through the 40,000 islands of Georgian Bay to Parry Sound, in the Northern Navigation Company's steamer, "Waubic." While the islands in sight surely number forty thousand there are said to be as many just out of sight. The passing steamers frequently touch these submerged rocks, but the experienced pilots know the channels so well that serious accidents never occur.

The night was spent at Parry Sound, dinner being served at the Belvidere, a large hotel occupying a commanding position overlooking the bay. The Parry Sound district has large lumber interests and extensive operations are carried on in this connection.

**ON TO COLLINGWOOD.**

Friday afternoon was occupied with the trip from Parry Sound to Collingwood in the steamer "Germanic" of the Northern Navigation Company service.

At Collingwood the party was met by Mayor Currie and members of the Council and escorted to the Town Hall where a splendid banquet was served and official welcomes extended and responded to.

Collingwood is an attractive and progressive town, with broad streets and granolithic sidewalks throughout. The chief industry is shipbuilding, the largest freighter under the British flag having been launched here some time ago.

A feature of the stay at Collingwood was the laying of the corner stone of the new King George School by Mr. J. F. McKay, retiring president of the association. This building will cost \$30,000 and be a most modern structure in every respect. Mr. David Williams, an ex-president

of the Canadian Press Association, contributed much to the enlightenment of the excursionists relative to this delightful section of country by the distribution of an illustrated booklet and later at Collingwood by a special issue of his paper, the Collingwood Bulletin.

An interesting incident at Collingwood was the presentation of silver plate to Mr. C. A. MacDonald of the Northern Navigation Company and to Mr. A. E. Duff of Toronto, district passenger agent of the Grand Trunk Railway, who had been assiduous in their efforts to make the trip enjoyable. Mr. Duff, by the way, is a native of Sherbrooke.

Toronto was reached about 8.30 p.m. after a remarkably fast run over the Grand Trunk from Collingwood.

The two days' outing will rank in interest with the most enjoyable of the several excursions which the Canadian Press Association has undertaken.

The next meeting of the Association will be held in Ottawa.

Mr. C. W. Young, the veteran publisher of the Cornwall Freeholder, is president of the Association this year.

**BEDFORD.**

Arrivals and departures: Mrs. Hewson, of Clarenceville, a few days recently, guest of Mrs. C. B. Jameson; Messrs. E. Barnard, E. A. Boisvert and F. Trotter, visitors to Highgate Springs on Sunday; Mr. E. Lesperance, of Maisonneuve and formerly of this place, the week-end here, renewing old acquaintances; Mr. C. H. Nye, of Cowansville, in town on Monday last; Mr. P. Jarret, who has been attending college at Montreal, during the past year, to his home during the past year, to his home for the summer vacation.

The annual sale of fancy work given

en by the ladies of the St. James' Church Guild took place on Wednesday afternoon.

**MARTINVILLE.**

News was received here on Sunday of the sudden death of Mr. Hiram

Hitchcock, of Kansas. Mr. Hitchcock was the son of the late Mr. Hiram Hitchcock, who for many years was a resident of this locality. The news of the death of Mr. Hitchcock came as a shock to his many friends here.
