

Barrie Memorial Hospital Again Receives Accreditation Approval

Accreditation is the goal of all North American Hospitals which aspire to be rated as giving excellent patient care and competent service. Even after this has been once gained, the hospital so highly approved must be re-surveyed every three years in order to ensure that its standards of service are maintained throughout, and in keeping with the advance of medical science.

The Barrie Memorial Hospital of Ormstown was first accredited in 1952, only two years after the new building was occupied. This in itself shows the high standards which were maintained in this hospital from the start, and the distinction was all the greater inasmuch as, at that time, only 15% of all hospitals in the United States and Canada were accredited, and of these very few indeed were below 100 bed capacity.

After its first accreditation, subsequent surveys were made in 1955, 1958, 1961, and the present one in November 1964, the results of which have recently been received from Dr. W. J. Taylor, Executive Director of the Canadian Council on Hospital Accreditation.

This recent survey was made by Dr. J. Paul Laplante who examined every phase of hospital activity most thoroughly. This includes not only a check on the medical and surgical procedures practised in the hospital, the nursing care and medical records, but also the laundry, housekeeping and maintenance of the hospital as well as the equipment available.

Dr. Laplante, at a luncheon meeting held in the staff dining room of the hospital, met with the board of governors, the executive director and the medical staff. Mrs. A. Finlayson, consultant dietitian, and Mr. A. Chabot, consultant pharmacist, were also present. Dr. Laplante spoke on the many phases of accreditation, and also outlined the history of the Canadian Council on Hospital Accreditation.

Arising from his survey, the representative of the Canadian Council on Hospital Accreditation later makes recommendations which could lead to further improvements in service and equipment. As far as The Barrie Memorial Hospital is concerned, it is obvious that some of these cannot be carried out until the present hospital facilities have been enlarged. When the proposed expansion is agreed to by the Quebec Department of Health, these recommendations will automatically be carried out, being embodied in the plans now under study by the department.

Mrs. Kay Williams Made Honorary Member of The Canadian Legion

Despite the severe weather conditions prevailing on Thursday evening, January 14th, there was a fairly good attendance at the Regular Monthly Meeting of Huntingdon (Que. No. 81) Branch of the Royal Canadian Legion.

The meeting was chaired by Comrade C. A. Lewis, 1st Vice-President, who subbed for President John Cappiello who was on duty that night. Comrades J. J. Boisseau, Secretary and Frank Napier, Treasurer, were also in attendance, while Comrade A. Walton Perkins was acting Sgt.-at-Arms.

Highlight of the Meeting was the Initiation of Mrs. Kay

Williams as an Honorary Member of the Legion, day evening, January 14th, by Comrades C. A. Lewis and Anne Cameron, 2nd Vice-President. The Citation in that respect emphasized that the Branch (with the approval of the Provincial and Dominion Commands) was in fact honouring itself by honouring Mrs. Williams, also cited the numerous obligations and assistance rendered by her to the Branch and the Ladies Auxiliary of which she is also a member.

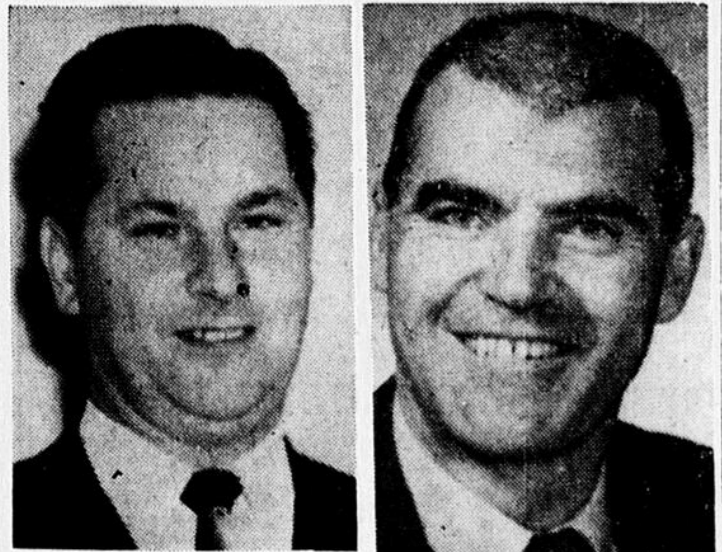

Also initiated as Regular Members of the Branch were Edward Button, World Wars I and 2 Veteran, and Frank Cole and Campbell Fiset, both W. V. Veterans.

Walter Smith Mayor Hemmingford Village; Florian Dauphinais For Township

Nomination Day, Wed., Jan. 13th, proved to be a busy day at Hemmingford Town Hall. For the vacant seats on the Village Council the following nominations were received:— No. 1 Rene Poissant and Raoul Dumouchel; No. 2 Andre Germain and Eddie Berthiaume; No. 3 Roger Tobin and Walter Smith. For the Mayoralty, Leo Fortin, Walter Smith, Eddie Berthiaume and Alister Somerville were nominated. In a short while Raoul Dumouchel withdrew in favour of Rene Poissant, Eddie Berthiaume withdrew in order to accept the nomination for Mayor leaving Andre Germain seated by acclamation and

Walter Smith withdrew in favour of Roger Tobin in order that he might accept the nomination for Mayor. Leo Fortin withdrew his name and later, in a letter to the Secretary, Alister Somerville withdrew his name explaining that, in the event of his winning the office, in view of the fact that Council meetings were held on Tuesday evenings, he would be unable to be present for the first six months as the Quebec Provincial Parliament would be in session from January 21st and he was, of course, expected to be in Quebec when the House was sitting. So this left no election. (Continued on page 2)

Joint Presidents For Huntingdon Region

Mr. Francois Cleyn, well-known manufacturer of Huntingdon, general president of the 1965 campaign of the Federated Charities of the counties of Beauharnois, Chateauguay, Huntingdon, Soulanges and Vaudeuil, announces the nomination of Messrs. Leonard Grenon and Arthur Brockman of Huntingdon as joint presidents for the Huntingdon region. The 1965 drive will take place from March 7th to the 22nd. Mr. Cleyn calls upon the civic and religious authorities, the associations, the social clubs and the whole population of the Huntingdon region to extend their cooperation to Messrs. Grenon and Brockman in order to make a success of this seventh charitable drive.

Testimonials To The Late Dr. Stalker Received This Week

The sudden death of Dr. M. R. Stalker leaves every member of the staff of his hospital with a feeling of deep sorrow and shock. The realization that Dr. Stalker's guiding influence in the daily operation of the hospital will no longer be felt serves only to accentuate the loss. His complete devotion to his work, his qualities of leadership, the sincerity with which he approached each item on an always over-crowded schedule, his compassion when needed and his wrath whenever necessary remind us that ours is a truly great loss.

It was Dr. Stalker's often-expressed hope that, when he retired, the work which he had guided for so long would be continued by other hands with effort and vigor. We can pay no better tribute to the memory of Dr. M. R. Stalker than in the continuance of the high standards which he has always set for "The Barrie".

MARJORIE FEARN,
Executive Director,
Barrie Memorial Hospital.

A Public Benefactor

Dr. Stalker was a man of deep and serious thought, he knew that knowledge would only come from work and experience and the boundaries of his knowledge were never limited because he had an earnest desire to secure it. Always conscious of the fact that vision is a necessity to progress, behind every advance was a germ growing in the mind of this unusual individual whose dreams awakened him while most of us lay contentedly asleep. He had the courage of his convictions, always followed the most direct path to progress and his course was not easily changed providing he himself was satisfied that the desired result could be achieved. His sincerity of purpose was so understood and accepted by his fellow men that he was able to accomplish many things that looked impossible.

Dr. Stalker was always appreciated most by those many people who were privileged to know him best, among the many admirable qualities he possessed were Fore sight, Faith and Hope, his achievements were many and varied, they shall remain as a perpetual monument to his memory.

THE NESS FAMILIES

The untimely passing of Doctor Murray Stalker leaves me with a deep feeling of personal loss. My first association with him, other than being a patient in the hospital, was as a member of the Board of Governors. I served with him and the Late William Welch on the building committee of the New Barrie Memorial Hospital. It was at the numerous meetings that I came to appreciate the sound judgment and far seeing ability of the Late Dr. Stalker.

This dedicated Physician gave unstintingly of his time and strength to his patients and to his country. A skillful surgeon, a prodigious worker, a profound thinker, a keen sportsman — this sums up this versatile man.

The Barrie Memorial Hospital and the field of medicine have suffered an irreparable loss. He leaves to his successors a great challenge to carry on his work.

To Mrs. Stalker and to his family, my wife and I extend our deepest sympathy in their grievous loss.

Alister Somerville,
M.P.P.

We were all deeply shocked when we learned of the untimely passing of Dr. Murray Stalker.

His contribution to this community have been tremendous not only to the medical profession but in the progress and development of education as well. His work and leadership as a medical practitioner and surgeon is well known to everyone; but what is not so well known is the inspiration which he gave to education in this area and indeed the whole province. He served for many years as Chairman of the Ormstown Protestant School Board and later as President of the Quebec Association of Protestant School Boards.

To those of us who knew him well, his ready wit, his kindly advice, his sound judgment and his able leadership will be sorely missed.

My deepest sympathy goes out to his wife and family in their tragic loss.

J. Clifford Moore

The life of Dr. Murray Stalker is at once an example and an inspiration to all who knew him. As a doctor, he was always concerned with the health as well as the healing of his patients and the Barrie Memorial Hospital is a lasting monument to his deep interest in the well-being of everyone. As a surgeon, he was anxious to improve the standards of practice, not only of the specialist, but of the general practitioner also, and the Canadian College of General Practitioners in Ormstown, he gave enlightened and energetic leadership not only in his own community but also as president of the Quebec Association of Protestant School Boards.

He strove constantly to develop a better understanding among all the citizens of the Chateauguay Valley and made a contribution that was remarkable and unique.

A man of strong convictions, he had an unflinching sense of humour and a kindly tolerance. A man who believed in the importance of individual freedom, he spent every day in the service of others. On the Jaipur Column in India,

Howick Wins Playdown In Pepsi-Cola

The South-Western Division School Boys Pepsi Cola playdown in Curling was held in Howick on Jan. 16. An exciting and interesting series of round robin play was followed. Four schools were represented. Ormstown with skip Bill Hope won 2 and lost 1; Valleyfield with skip Stephen Smith won 1 and lost 2; Huntingdon with skip Ronald Elliott won 0 and lost 3; Howick with skip Allan Angell won 3 and lost 0.

Howick rink composed of Ian Bustard, Kenneth McFarlane, Garry Allen and Allan Angell, win the Ness Trophy and the trip to represent the South Western District at Quebec, on Jan. 27 to 30 in the Provincial Championship Pepsi Cola Curling competition.

Winners in Quebec travel to Fredericton for Dominion Championship playoff in March.

This Lady Helped By The March Of Dimes

The lady above is Mrs. Louis Desgroseilliers who lives on Route 52, Huntingdon and was the victim of a stroke a short time ago. While Mrs. Desgroseilliers was not a victim of polio, she was a victim of paralysis, which is a part of the disease. It is not necessary for a person to be a victim of polio to receive aid when paralysis strikes. Thus Mrs. Desgroseilliers, when her case became known, was taken to the Rehabilitation Centre in Montreal to receive treatment for paralysis. Mrs. Desgroseilliers was immobile as a result of the stroke. She went to Montreal in August for the treatments and returned home in December of last year. She is now able to get around the house with some assistance and is improving slowly. This is indeed a great help and this help was provided through the March of Dimes. The annual campaign is now on and it is time to ask the help of all citizens in the way of making contributions to the fund. Be generous when the canvasser calls at your home, the money will be put to good use in helping unfortunate victims of paralysis and polio.

There is an inscription which reads: "In Thought, Faith; In Word, Wisdom; In Deed, Courage; In Life, Service."

These words describe in a very real measure the life and work of Murray Stalker.

DAVID MUNRO,
Macdonald College

The Lacolle community learned with deep regret the untimely death of a sincere friend, counsellor, skilled physician and surgeon in the person of the late Dr. M. R. Stalker.

The personal loss sustained is indeed shared by many. His unselfish devotion to the relief of suffering of mankind was evident throughout the entire community.

Never has one man given so much for so many — his life. Sincere sympathy is extended to the bereaved family.

January 13th, 1965
To the Editor,
Huntingdon Gleaner,
Dear Sir:
As I am over 83 years old and the last seven years of my life I owe to God and Dr. M. R. Stalker, I would greatly appreciate your publishing my personal tribute to him. Time marches on and it would seem rather important to record somewhere on paper the feelings of at least one very senior resident of the County of Huntingdon regarding this good man.

Doctor Stalker performed on me a miraculous and unusual operation immediately following my wife's death when it too was at death's door. There were a number of complications, which added to the seriousness of my operation and kept me in a very serious post-operative condition for a long time, during which this fine doctor was almost constantly at my bedside, completely thoughtless of self, possible laurels or other gain, giving all that was in him to save a life — my life. With his efforts and that of Our Maker I am here to write this letter, yet never once did he ever mention or even suggest in any way that he had in the first place accomplished anything very special or unusual in my case. However I was later told by a well-known specialist who had been called in for special consultation, exactly what had

Legions Smorgasbord Proves Success

The Smorgasbord of the Royal Canadian Legion's Huntingdon, No. 81 Branch, held Sunday evening, January 17th, was, according to Conveners Mrs. Winifred Napier, and Mrs. Ann Cameron, in most every respect eminently satisfactory. Upwards of 200 people including 35 children turned out to enjoy this almost entirely home cooked meal despite the unfortunately quite widely circulated rumour that same was to be a catered event. The meats, etc., were, of course, purchased, albeit locally, except in the case of two generous donations made by a member of the Branch and the wife of a member. However, these meats were all cooked by members of the Refreshment Committee, while the latter and several of the wives of members of the Branch and other friends of the same donated most of the salads and other viands which were part of the Smorgasbord. Similarly with respect to the excellent service which was given to the guests, all of which resulted in a generous donation being turned over to the Building Loan Fund.

people of the County of Huntingdon to the end of his days. To me and to many who will miss this wonderful man it seems he was completely dedicated to serving mankind in his own competent, quiet and gentle way. He seemed to have a great compassion for all who suffered.

Whenever I hear the name of another great doctor, namely Dr. Albert Schweitzer, my thoughts will turn to Dr. Stalker and I am sure I will voice the feelings of many when I say we deeply regret his passing from our midst and feel sure that if ever a man justified his stay in this old world and earned a place in the Heavenly Kingdom, it was he.

Yours very sincerely,
JOHN ALEXANDER,

A committee meeting is scheduled for next Tuesday evening in Ormstown and The Gleaner anticipates more in near future.

New Heating System For War Memorial Arena

At a meeting of the Board of Directors of the Huntingdon County War Memorial Arena, held Thursday evening at the Cley and Tinker Offices, it was decided to give the contract for the forced air heating system to Herve Primeau, Plumbing and Heating of Huntingdon. The contract is for \$1,050.00, to install a 162,000 B.T.U. Oil Furnace with Tank and necessary equipment, thirteen hot air outlets downstairs and fourteen upstairs. The heating system has long

been needed at the Arena, now the upstairs hall, which could never be used in the Winter because of the cold, can be used twelve months of the year. The hockey fans will enjoy the added comfort when watching the games, the skaters will thaw out faster and people will be more apt to go to events held in the Arena, whereas in the past they found it too cold.

The first big event planned for the Arena is the Rotary Rink Romp on January 29th.

92 Years Young And A Happy Marriage For 65 Years

Spent a very pleasant afternoon on Saturday chatting with two very modest celebrities, who have lived up on Covey Hill Road, near Covey Hill Corners, for a number of years. And I use the word celebrities with no fear of contradiction for how many couples with just such a record will we find in the world today. My new friends are Mr. and Mrs. E. E. Perry. Mr. Perry is Edward Elmer, the son of John Perry and grandson of John Perry, who built the lovely old stone house on Covey Hill Corners, the house for which son John, father of Edward, drew the stones with a team of oxen. This same stone house was formerly the home of another, well known to Gleaner readers, Mrs. W. Perry who wrote those delightful "Dahlia's Whabouts". Her late husband, William, was the brother of Edward and they, with their brother John and their sisters Mary Jane, Eliza, Alice, Elsie and Flora and a brother Elmer who died when a baby, were all born in the old stone house. Now only Edward and Flora (Mrs. Simpson) are left. Edward was born on January 8th, 1873. He went to school on Covey Hill for a while, then down to Havlock and had a year at the Home of the Holy Trinity School but tells me

it was very different in those days. When he was 18 years old he went to the States, Lowell, Massachusetts. Here he met Miss Lillian May Blanchard and they were married at Methuen on October 18th, 1899. They settled in Lowell and had their own business. Then in 1917 they returned to Canada, bought the farm and have lived here ever since. Mrs. Perry told me she was exactly two years and two months younger than her husband, her birthday is on March 8th and she will then be 90, this I found impossible to believe. Both Mr. and Mrs. Perry believe in keeping up with the news, we reminisced about the old days but we also talked about the World Fair and present day schools and I learned the humorous Indian origin of two place names in the States. Mr. Perry told me he now has a great-great nephew who, also, is called John, so that this now makes six generations of John Perry, all direct descendants of the first John Perry. Mr. Woolley came and took a picture and we enjoyed our visit with these two interesting young people very much. Although it is a little belated, many happy returns of the day, Mr. Perry and to you both, many more happy anniversaries.

Bruno Beaulieu Ormstown's Newly Elected Mayor

On Thursday, Jan. 14, 1965, Mr. Bruno Beaulieu was officially sworn in and took the oath of office as mayor of Ormstown.

Present at the ceremony were Mr. Merrill Barrington, secretary and ex-mayor, A.A. Mc Cormick.

Councillors re-elected were Messrs. Ernest Rennie, Eldas Primeau and Archie Hughes. Mr. Paul Riendeau was re-elected as Parish mayor with the following councillors re-elected, Messrs. Gilles Gagnon, Douglas Sproule and Gerald Daigenais.

Rebekah Meetings Postponed
Ormsdale Rebekah Lodge No. 39 owing to insufficient member attendance, no meeting was held on Monday evening, Jan. 4. Attendance being little improved on Monday evening, Jan. 18, it was unanimously decided to close the lodge for the months of February and March. The next scheduled meeting will be held on Monday, April 5, when it is hoped sufficient members will be in attendance to carry on the work of this lodge.

ORMSTOWN

Mr. and Mrs. R. Jarvis of St. Lambert, were recent visitors of friends in Ormstown and attended the funeral of the late Dr. M. R. Stalker.

Mr. Alan McEwen was called home from a business trip in U.S.A. to attend the funeral of his father-in-law, the late Dr. M.R. Stalker he joined Mrs. McEwen, who arrived home on Monday, from Toronto.

Mr. and Mrs. Lindsay Cullen and Miss Nancylyn Cullen were dinner guests on Sunday of Mr. and Mrs. Roger Crete in Plattsburg, N.Y.

Mrs. Murray McEwen of Kensington, P.E.I., was among the holiday guests of Mr. and Mrs. Wm. McEwen, other members of the family

Our best wishes for a speedy recovery to Mrs. Ivan Rember, who is presently a patient at B. M. Hospital.

Several Head Of Cattle Lost In Fire At St. Anicet

ST. ANICET — A barn fire led to death. Mr. Andre Quenoc occurred here Jan. 2nd that Neville whose farm is directly caused twelve young cattle by south of the village finish and one milk cow to be burned his chores about 8:30 p.

m. and was retiring to bed shortly after 11 o'clock when he looked out the bedroom window and saw smoke pouring from both ends of the barn. He and his wife phoned for help and then ran to the barn where they were successful in saving all but one

of the milk cows. Dense, choking smoke prevented them from saving the one and two-year-olds. Fortunately, there was no wind to endanger the house or other buildings. Mr. Quenneville has not yet decided if he will rebuild. His hay crop was completely destroyed and he only carried \$3,000 insurance on the barn. Mr. and Mrs. Quenneville have mostly new farm machinery and this was kept in an implement shed, which is one blessing.

Robbery At Hemmingford In Broad Daylight

(By Mrs. W. J. McKay)

We are now faced with another problem, "Daylight Robbery". Mr. and Mrs. W. Kremmel and Aimé Deneault were nominated for the office of Mayor, Aimé Deneault withdrew leaving Florian Dauphinais elected by acclamation.

West of Hemmingford village, found upon returning home from Montreal last Wednesday that their house had been broken into. Almost everything they had in the electrical line — including a new T.V. they had bought at Christmas had been taken.

Ormstown High School Notes

It's been another week of heavy activity at O.H.S. Perhaps the most important item to report was the debate, "Resolved That Total Disarmament is Necessary for a True and Lasting World Peace". Holding the Affirmative were Michael Kelen and Michael Hebert, the Negative stand was taken by John Moore and Jim Sproule, with the negative winning. Both teams spent two days in Montreal taking part in the McGill International Debating Tournament. They were privileged to debate on four occasions with teams from Canada and the United States. This was a most informative and enjoyable experience for the students. It was Public Speaking Com-

petition Week for the girls from Grades 11 and 12. Ten students competed for the chance to compete at the McGill Alumnae, the Lions Club competition and the Women's Institute. Winners were Rita Barrington, Betty Hughes and Nancylyn Cullen.

Well it happened again. The Senior Boys Basketball team lost in a smashing game at Chateauguay 48 to 7, the girls lost their first hockey game against Howick with a 9 to 3 score. Why not try another bowl of Wheaties every morning fellows? The juniors have shown you the way, they won their game with a reversal score 9 to 3 for them.

O.H.S. Curling may become the outstanding media for the boys, Bill Hope along with Don Campbell, Wayne Cairns, Dale Begbie, Bob Chartrand and Malcolm Younie achieved honours in the Bonsel last week.

Holsteins Sell Well At Kakebeke Farm Auction

Despite zero weather, the Kakebeke Holstein Sale was a decided success, with a large crowd of enthusiastic bidders on hand from the Counties of Huntingdon, Chateauguay and Beauharnois, who assisted in realizing the fine average of \$275.00 for the milking herd. 6 head of well-bred young stock were also sold.

Mr. Laurent Leduc of Beauharnois paid \$425.00 for a promising young cow, which was the high price of the sale. A close-up 4-yr old sold at \$350.00 to Mr. Henri Daoust of St. Stanislas de Kostka. Mr. Daoust purchased 7 head in all. The following purchaser one or more head — Laurent Leduc, Beauharnois; Henri Daoust, St. Stanislas de Kostka; Gordon Ovans, Huntingdon; Henri Laberge, Beauharnois; Gordon Rennie, Athelstan; Roger Billette, Huntingdon; Bill Hooker, Ormstown; Adrien Pitre, Ste. Philomene; Royce Beattie, Huntingdon.

The Sale, sold and managed by Auctioneer Lyell Graham and assisted by Mrs. Graham on collections, realized very satisfactory proceeds.

ANNUAL VESTRY MEETING OF CHRIST CHURCH, FRANKLIN

On Tuesday evening, Jan. 12th, at the home of Mr. and Mrs. Wilfred Vaincourt was held the Annual Vestry Meeting for Christ Church Franklin. It was a mild evening for a change!

The Rector, the Rev. P.R. Stote chaired the meeting and Mrs. Dale Tipping acted as secretary in the absence of the Vestry Clerk, Mrs. Carl Jackson. Mrs. Lawrence Towns, the Treasurer, gave satisfactory reports on the Church Funds and the Cemetery account, as well as for Christ Church Ladies' Guild.

The Elections for 1965 were as follows: Rectors Warden — Mr. Dale Tipping; People's Warden — James Vaincourt; Select Vestry — John Vaincourt, Earle Vaincourt. Cemetery Committee — Mr. Wilfred Vaincourt, Mr. Oscar Patenaude. Sidersmen — Earle Vaincourt, John Vaincourt, Chairman — Roy Vaincourt, Wallace Patenaude, Oscar Patenaude.

Delegates to Synod
Earl Vaincourt, Dale Tipping. **Substitutes**
Wilfred Vaincourt, James Vaincourt. **Church Treasurer**, Mrs. Lawrence Towns; **Cemetery Secretary**, Mrs. Lawrence Towns; **Vestry Clerk**, Mrs. Dale Tipping.

Mr. Wallace Patenaude was asked to start church fires and provide a path to the church. Several votes of thanks were given but one in particular to Mr. Wilfred Vaincourt for his many years' service as Rector's Warden. Very colourful and delicious refreshments were served by Mrs. W. Vaincourt and Mr. Vaincourt's sister.

for Council seats but an election to be held for the office of Mayor between Walter Smith and Eddie Berthiaume. In the election held on Monday Walter Smith was the winner, gaining 231 votes against his opponent, Mr. Eddie Berthiaume 26 and is therefore elected Mayor of the Village. In the Township, Florian

Dauphinais and Aimé Deneault were nominated for the office of Mayor, Aimé Deneault withdrew leaving Florian Dauphinais elected by acclamation. For Council seat No. 1, Aylmer Hadley was re-elected by acclamation, seat No. 2 William J. Brown also was re-elected by acclamation. For seat No. 4 the previous holder, Martial Bouchard was nominated and Lomer Gagné was also nominated.

On Monday morning at 8 a.m. Lomer Gagné withdrew from the election therefore Martial Bouchard was elected by acclamation. Lomer Gagné lives on Route 52,

As you are all aware the time is here again when an election for the seat of Mayor of the Town of Huntingdon is upon us. To begin with, I feel that I should explain to you just why I did not seek re-election for the Office of Mayor in February, 1959, and why I seek the Office again this Year. During the month of August, 1958, I informed my Council that I would not seek re-election in February of 1959 because:

1. My Accounting practice was growing to the extent that I was unable to cope with the growth due to my not being able to obtain qualified assistance.
2. During my ten years as Mayor I worked intensively with all local and other organizations to obtain Industry for the Town of Huntingdon. During my term only one small industry established itself in our Town and that particular industry was later purchased by one of our other local established industries. I refer to the Wool Combing Co. Limited. I was ashamed of having failed in this field of endeavour and, therefore, decided to let someone else try for a while.

I have decided to seek election again this year for the following reasons:

1. At the request of many individuals I filed my nomination papers for the Office.
2. During the past six years I have curtailed and organized my Accounting practice to such an extent that I now have sufficient time to devote my services to the welfare and good administration of the Town of Huntingdon.

3. I am not ashamed any longer for not having been successful in obtaining Industry for the Town. During the past six years only one very small industry established itself here while the present Mayor was in office. I refer to the Ato Thermostat Co. presently housed in a building owned by the Mayor and his associates. I merely mention this because of the criticism that was directed at me for not having been successful, while I was in Office. Had the present Mayor been more successful I would have been the first to congratulate him for his success.

4. Toward the expiration of my term of Office as Mayor in the fall of 1958 we (I refer to my Council and myself) submitted a By-law to borrow \$88,000.00 for our Public Works program. The present Mayor and others in sufficient number requested the Council to hold a referendum (a privilege that was theirs) on this By-law. The Referendum was held and these very same individuals organized themselves and defeated the By-law. We did not organize to uphold the By-law because we were in a position to realize that these works were a necessity in the best interest of the Town. However, the By-law was defeated and shortly following this the Taxpayers' League was organized, the Council was defeated in 1959 and the Taxpayers' League died a natural death. Now to prove that we were right with regard to this By-law: What did the present Mayor do about this By-law when he was elected? During his term of Office he implemented and executed 90% of these same public works as enumerated. So what did the Taxpayers gain by these groups defeating the By-law? Absolutely nothing.

5. My campaign for the election of Mayor will be strictly on a Municipal level. It is not necessary any longer to be affiliated with a political party to be Mayor of Huntingdon or any other municipality in order to obtain for your Municipality Provincial and Federal Government Grants. This is a thing of the past. All Grants whether Federal or Provincial are of a Statutory nature now. All that the Mayor and Council have to do is to make application for these Grants as required. Some grants are received without having to make application, for instance, the Provincial Government Sales Tax Grants are received each month on the basis of the collections for the corresponding month of the previous year.

I understand that in the future the Provincial Government will be charging the Municipalities for maintenance and repairs of Streets, all

LEO CAPPIELLO FOR MAYOR TOWN OF HUNTINGDON

A Message To The Municipal Electors Town Of Huntingdon

As you are all aware the time is here again when an election for the seat of Mayor of the Town of Huntingdon is upon us. To begin with, I feel that I should explain to you just why I did not seek re-election for the Office of Mayor in February, 1959, and why I seek the Office again this Year. During the month of August, 1958, I informed my Council that I would not seek re-election in February of 1959 because:

1. My Accounting practice was growing to the extent that I was unable to cope with the growth due to my not being able to obtain qualified assistance.
2. During my ten years as Mayor I worked intensively with all local and other organizations to obtain Industry for the Town of Huntingdon. During my term only one small industry established itself in our Town and that particular industry was later purchased by one of our other local established industries. I refer to the Wool Combing Co. Limited. I was ashamed of having failed in this field of endeavour and, therefore, decided to let someone else try for a while.

I have decided to seek election again this year for the following reasons:

1. At the request of many individuals I filed my nomination papers for the Office.
2. During the past six years I have curtailed and organized my Accounting practice to such an extent that I now have sufficient time to devote my services to the welfare and good administration of the Town of Huntingdon.

3. I am not ashamed any longer for not having been successful in obtaining Industry for the Town. During the past six years only one very small industry established itself here while the present Mayor was in office. I refer to the Ato Thermostat Co. presently housed in a building owned by the Mayor and his associates. I merely mention this because of the criticism that was directed at me for not having been successful, while I was in Office. Had the present Mayor been more successful I would have been the first to congratulate him for his success.

4. Toward the expiration of my term of Office as Mayor in the fall of 1958 we (I refer to my Council and myself) submitted a By-law to borrow \$88,000.00 for our Public Works program. The present Mayor and others in sufficient number requested the Council to hold a referendum (a privilege that was theirs) on this By-law. Some grants are received without having to make application, for instance, the Provincial Government Sales Tax Grants are received each month on the basis of the collections for the corresponding month of the previous year.

I understand that in the future the Provincial Government will be charging the Municipalities for maintenance and repairs of Streets, all

except the cost of maintaining and repairing the highway that runs through a Town, this the Government will absorb themselves.

6. Another matter of interest is the fact that the present Mayor and his business associates erected a house in Garden City during 1963 and a Commercial building on Chateauguay St., during the latter part of 1964. This is all good insofar as the Town of Huntingdon is concerned, but there are some questions that remain unanswered:

Question: Where did they purchase most of their Building Materials used in the Construction of these Buildings?
Answer: From Merchants residing outside of the limits of the Town of Huntingdon.
Question: Where did most of the Labourers, Carpenters, etc., employed on these projects reside?
Answer: From Municipalities outside the Corporation of the Town of Huntingdon.

Mr. Mayor's reply perhaps would be to these questions that this is his personal affairs. Yes, we admit this, but he must remember that he was the Mayor and by so doing this he certainly didn't create a good example to his fellow citizens who in the future may wish to build in the Town of Huntingdon. LIVE and let OTHERS LIVE.

You may also ask yourself this question Mr. Mayor? In which Municipality do I earn my own living? The answer would certainly have to be — HUNTINGDON.

During my term of Office as Mayor I was delegated by the Council to make inquiries with regard to purchasing this lot on Chateauguay St. to be used as a Municipal parking lot. The quotation at the time was \$4,500.00 more than Mayor Lefebvre and his associates paid for this same lot of land last year.

Did the Mayor recommend to his Council that they should purchase this lot for the Town at this reduced price to be used as a Municipal Parking Lot which was and is hardly required? Not to my knowledge.

7. When it was decided that a Retaining Wall would be erected between the dam and The Myer's Service Station on Chateauguay Street, did you know that the Mayor insisted that this wall be constructed with Railroad Ties (Wood) instead of Concrete Construction. It was only when he was informed that there would be no retaining wall constructed if it were not to be constructed with Concrete that he consented.

8. I was not surprised to learn that the Mayor recommended to his Council that the Municipal Taxes be reduced by four Mills he was greatly in favour because there was an election for year 1964, for the office of Mayor coming up. The Mayor and Council were really able to reduce the mill Rate because of the Provincial Government Sales Tax Grants. What I do not understand is just how one can expect to maintain this low rate of taxes when we consider that a By-law was passed to borrow in excess of \$225,000.00 for Filter Plant extension and Water & Sewer repairs or works following this reduction of the Mill Rate. The large property owners of which the Mayor is one will benefit temporarily, but what about the small individual property owners, what they save in the Municipal Tax they pay in the 6% Sales Tax upon their personal purchases and family commodities.

LADIES & GENTLEMEN:
You will note as per this report, that although, I was not your Mayor I have been very observant and interested in the municipal activities that have taken place during the past six years. I was born and raised in Huntingdon, I love my Town and its people, I have tried in the past to keep it clean and if elected, I promise to continue working in the interest of our Town and Taxpayers as in the past.

It is with this report that I ask the support of the Taxpayers and Voters of the Town of Huntingdon at the forthcoming election on Monday, February 1st, 1965 as a Candidate for the seat as Mayor of Huntingdon, that you cast your ballot in my favour that I may again have the pleasure of serving you.

Yours most sincerely,
LEO CAPPIELLO

Cards of Thanks

We express our sincere thanks to the Atholstan Volunteer Fire Department and all our friends and neighbours for their prompt assistance in saving our home from fire Thursday evening.

Mrs. Alice Ross, Stuart and Patsy Ross.
I would like to thank all the doctors, nurses and staff of Huntingdon and Ormstown Hospitals for the care and kindness received while a patient there and also the blood donors and my neighbours and friends for cards, gifts and visits.

Bill Ricard.
I would like to express my sincere appreciation to Dr. Davidson and all the nurses on the third floor of the Barrie Memorial Hospital for the excellent care I received while a patient there. Also many thanks to all my friends and relatives for visits, gifts and cards.

Archie Brownlee.
Thanks to Dr. Merrill Stalker, to Mrs. Lawrence and her nursing staff on the 3rd floor, for their tender care to the little teenage "Candy Stick" girls who gave of their time to serve us our tea trays and drinks, to Mrs. McDermott and her kitchen helpers who served such lovely meals, to the clean-up girls who kept the wards so clean, for the many flowers and get well wishes sent while I was a patient in the hospital.

Mrs. Arnold McKell.
I wish to express my sincere thanks for cards, visits, mass offerings at the time of the death of my brother, Mrs. Alex Bergevin.

Many thanks to Mrs. Patterson of the Nursing Home, also to Dr. McCrimmon, Mrs. Fournier and all the staff of the Patterson Nursing Home for the good care they had provided to my late mother, Mrs. Honore Picard, while a patient there.

Mrs. Emile Legault.
I wish to thank the Doctors and staff with a special thanks to Dr. Stalker for the excellent care given me while a patient in hospital.

George Barrington.
We wish to express our many thanks to those who helped us by their generous donations of otherwise, at the time of the fire.
Mr. & Mrs. Andre Quenneville
Mrs. Thomas Beaudoin wishes to thank everyone who gave her sympathy at the time of the death of Mrs. Joseph Vitau (nee Beriza Dubois) of Valleyfield, for their mass offerings, flowers, prayers, telegrams, visits or attendance to the funeral.

schedule is as follows: Friday evening, 8 to 9 p.m., seniors 15 and over, Saturday, 11 to 12 a.m., boys, 8 and under; 1:30 to 3 p.m., girls 9 to 14; 7:30 to 8:30 p.m., girls of all ages. No hockey sticks are allowed on the ice except during hockey practices or during hockey games and we would ask parents to pass this information along to their children. This rule is made with everyone's safety in mind and notices will be posted to this effect.

The theme of the meeting was citizenship and Mrs. O. Bulow introduced the guest speaker for the evening, Mr. S. Currie of Huntingdon who spoke to the group on the history of the Chateauguay Valley.

The speaker has a wealth of information on this subject and took us on a tour of some of the early settlements. Along the way, Mr. Currie pointed out some of the older houses which are still standing and other places of historical interest. A number of amusing human interest stories about some of the early pioneers helped to complete a word picture of those early times.

A beautiful counterpane made sometime around the year 1823 and which has traveled many hundreds of miles in the course of being passed along from one generation to another is now a cherished treasure of Mrs. S. Currie, and was displayed and admired by all those present. The colours in its attractive design are still bright and is a fine example of the handicraft of bygone days in our valley.

Mrs. G. Moore thanked Mr. Currie for a most interesting and educational talk. Refreshments were served by Mrs. S. Greenbank and Mrs. R. Baker, and a social hour followed this past week-end and the

Huntingdon Ladies of St. Ann Meet

Ladies of St. Ann held their January meeting in St. Joseph Parochial Hall with Msgr. David presiding.

The assembly opened with a prayer and hymn to St. Ann. The secretary's report was moved by Mrs. F. Gagnon and seconded by Mrs. A. Brisebois. The treasurer's report for the month of December was approved by Mrs. Parent and Mrs. Laberge.

Mrs. Romeo Daigle gave a complete report (November 11 to January 13) from the sewing room. Mrs. Daigle and her committee are doing a splendid job on Thursday afternoon from 1 to 5. Anyone wishing to help are requested to come to the St. Joseph Parochial Hall at the above mentioned time.

The president gave a brief resume of the rules for the benefit of the new members joining on January 31st.

All members are asked to make a special effort to come to the annual meeting. The meeting terminated with a short but interesting talk by Msgr. David and a short prayer.

Rockburn

J.C.W. Meeting — The regular meeting of Rennie's U.C.W. was held at the home of Mrs. Murdoch Rosevear on Thursday afternoon, January 14th, with several members and two visitors present. Mrs. Allan Wilson opened the meeting with the U.C.W. Creed and Mrs. Lyle Graham led the devotions which had been prepared by Mrs. Ernest Eskine. Mrs. Dora Levers had charge of the installation service. The roll call was answered by a New Year's resolution. Letters from shut-ins who had received Christmas boxes were read, also a special letter from Mr. James Massey, who had been presented with a radio in appreciation of his great contribution as organist and caretaker of our Church. Splendid reports of last year's work were given by the treasurer and secretary. It was decided to send for pajamas and napkins for the supply bale. Refreshments were served.

On account of the extremely cold weather Sunday last, a great many of the Church services in this vicinity and elsewhere were cancelled.

Mr. and Mrs. George Reeves of Montreal, spent Sunday at their summer home and were Supper guests of Mrs. E. Rosevear and Mr. and Mrs. Merrill Rosevear.

Sports seems to be the news at Howick this week. The boys curling team — Allen Angell, Gary Allen, Ian Bustard, Ken McFarlane — won their games at Howick Curling Rink Saturday and so are all set for the Provincial Games at Quebec Good luck boys!

In hockey this week Howick and Ormstown shared the honours. Howick Senior boys defeated Ormstown Seniors 9-3 on Thursday and on Saturday Ormstown Intermediate Boys defeated Howick Intermediate team 9-3. The scorers for the seniors were Jimmy Morrison with 3 goals, Peter Morrison, John Gillies 2, Tommy Cole and Roy Younie 1. The scorers for the Intermediate boys were Harry Younie with goal, Jimmy Morrison 1, and Golly Brown, 1.

studies at the Grand Seminary of Montreal, where he attained high honors. At Isle Perrot, in his parish, His Excellency, Mgr. Caza ordained him priest on June 26, 1949, the year of the centenary of Notre-Dame-de-la-Garde. It was written on this occasion: This lad piety that comforted this young priest and the brilliant intelligence showed forth for this newly ordained, a truly sacerdotal close to the souls over which he will have charge. He was at first professor at Valleyfield seminary (1949-1951); curate at Hemmingford (1951-53) at Rigaud (1953-56); at St-Timothée (1956-1962); at St-Jean Chrysostome (1962-64).

He is presently chaplain of the regional school of Huntingdon.

The New Curate...

(Continued from page 2) Montreal. His Excellency Mgr. P. Caza ordained him priest in the church of St-Medard June 7, 1953. He was named curate of Isle Perrot, St. Rose of Lima parish (1953-54); at Ormstown (1954-1962); at St. Eugene parish (1962-64); and actually at Huntingdon. His departure from Ormstown in 1962 was the occasion of a beautiful manifestation of gratitude on the part of his parishioners, the reading of addresses and the purse. His pastor, Canon Grouin, graciously emphasized all the work accomplished by his curate during the course of his eight years — his devotion towards the parishioners. This reminds me of a letter that someone wrote to Mgr. Langlois p.d. of Ormstown when Fr. Lavigne left St. Rose of Lima to become his curate: "Fr. Lavigne is a brave man who comes from a good school and who will be able to lend you a strong hand". A friend of Huntingdon

St. Chrysostome C. of C. and Mr. Ian Watson, M.P. Visit N.Y. State Roads Engineer

A delegation of representatives from the St. Chrysostome Chamber of Commerce together with Ian Watson M.P. met Tuesday, Jan. 12th, 1965, in Watertown, N.Y., with J.C. Norton, District Engineer of the New York State Department of Public Works, who is Engineer in charge of the northern New York State Highway system.

The representatives from the St. Chrysostome Chamber of Commerce included Mr. Camille Blais, President; Mr. Reiz Dupras, Vice-President and Mr. Roma Ouimet, Director. The object of the visit was to press for signs along U.S. Highway No. 11 which would indicate roads leading to Canadian Points in the counties of Chateauguay and Huntingdon.

Mr. Norton promised favourable consideration for signs indicating St. Chrysostome.

far only the Senior Boys' Championship has been decided, the winners being Roy Younie and Greg Wright. The Pee Wees started league play Saturday morning. In the first game Malcolm Peddie scored two goals and Roger Holmes, one. As the Hawks defeated the Rangers 3 to 1, Donald Chisholm scored for the losers. Ralph Templeton was the main star with three goals as the Bruins trounced the Maple Leafs 7 to 0. Other Hawk scorers were Leonard Elvidge, Melville Reddick, Warren Reddick and George McArthur.

Annual Vestry...

(Continued from page 1) A very satisfactory financial report was presented by Eileen Taylor showing that all obligations were met and a considerable — balance in the Bank "A bumper year" at the Havelock Fair Dinner helped in the matter.

Following the reports the elections were as follows: Reggie Taylor appointed Rector's Warden. Ivan Graham elected People's Warden. Delegates to Synod: Mr. Ord Taylor, Mr. Fred Hutchings. Trustees for Special Fund: Mr. Walter Levers, Mr. Ord Taylor.

Notice to Electors of Huntingdon

Elected on Select Vestry: Gerald Henderson and Lyndon Helm. Sidesmen: Lyndon Helm, Freddie Hutchings and Josie Moneypenny. The formula amount for the Diocesan Budget was accepted by the meeting. Mr. Walter Levers and Mr. Clarence Henderson were asked to have the six lead glass ventilators repaired and to procure two protective glass windows for the porch of St. Paul's and to procure a protective wire screen for the large east window of the Church. Several votes of Thanks, refreshments and parish chat concluded the evening.

Barrington R.R. Station Moved To Delson

(By Mrs. W. J. McKay) Another landmark has been moved. The Barrington, 85 year-old station, has been sold to the museum at Delson by the Canadian National Railway for the nominal fee of one dollar.

No official business has been done at this station since May 20th, 1962, but at one time it was the scene of activity. Some years ago, there was a 24-hour service, with three operators, or stationmasters. Four passenger trains stopped daily as well as freight. Every morning, some few years ago, farmers shipped cream and milk to Montreal and St. Lambert from Barrington.

Now all milk is shipped by trucks. So the old station has been moved to the museum at Delson, and is to be restored to resemble, in manner as close as possible, the 1880's.

This And That In Town

Friends in Florida can lean back and relax in the sun realizing their vacation money is well spent. The mercury started dipping in earnest a week ago today (Wednesday) and Friday a.m. reports were coming to The Gleaner that indicated the coldest weather in the past few years.

In the Public Notices section of The Gleaner appear results of nominations and elections in some of the district towns and townships. Archie McCormick, whose term of office as Mayor of Ormstown had expired, was succeeded by Mr. Bruno Beaulieu, one of the town's leading businessmen.

ORMSTOWN - See report on week-end robbery at the Bury L. McGerrigle store on Lambton St.

Reports that walls are running dry are again coming to The Gleaner.

HUNTINGDON - The Smorgasbord served by the Ladies Auxiliary of Br. No. 81 of the Royal Canadian Legion Sunday evening left nothing to be desired.

Dave (Corn Cob) Zabitsky tells us there's plenty of snow at Moon Valley near Malone and adds that he doesn't know why anyone would go to the Laurentians to ski when M.V. boasts superior ski facilities so much closer to home.

NO OFFENCE - especially since a district priest told us - but do YOU know how to make holy water? Simply take a large pot, fill it to the brim with water, carefully set it on the stove and then BOIL the h-1 right out of it.

Television viewers who watched the CBC National Film Board's presentation about the life of the late Doctor Norman Bethune last Wednesday evening were pleasantly surprised to perceive Mrs. Dorothy Catto, R.N. of Turkeys De-Luxe Inc., Dewittville taking a leading part in the film.

Don't forget the Rotary Rink Romp on January 29 in the Huntingdon County War Memorial Arena. Young and old will have fun and enjoy an old-fashioned baked bean supper. That's a week from Friday.

So we boomed when we predicted a couple of weeks back that a large English language Montreal daily newspaper would be going on strike. But wait and see.

MATHEMATICS - A problem to all of us (we're told). Are you sufficiently interested to attend a series of lectures? What can we do about it? Show your support and attend the Notre-Dame P.T.A. meeting in Huntingdon at 8 p.m. on Thursday, January 21. All interested urged to attend.

Mrs. Keitha MacIntosh has informed The Gleaner that the first Home and School meeting for this school term will be held at H.H.S. auditorium at 8:15 p.m. tonight (Jan. 20). Theme, "Meet The Teacher". All parents are urged to attend. Refreshments will be served about 10 o'clock. Mrs. Lowenberger, recently elected president, will be in charge.

CURLING...

Saturday Night Curling On January 16th, eight

Hockey Notes

Monday Night Junior League

The first game of the evening between the Washouts and the Roughriders ended last evening at four to four. Ronnie Tremblay was a standout for the Washouts along with Ronnie Rennie. For the Roughriders Reggie Sherry led the way with two goals.

The second game between the Macs and the Eagles ended in a four to one win for the Macs, their second in as many games. Mike Harrigan scored two goals from the point to lead the Macs, with singles going to Rene Foran and Denis Raymond who played his usual standout game. Tannahill, Fournier and Emmond stood out for the Eagles.

The surprising thing about this junior hockey is that so few parents come out to cheer the boys on. Maybe interest will build up in time. We hope.

About Your Social Insurance Number

The Unemployment Insurance Commission said today that more than 6,000,000 Canadians have registered for Social Insurance Numbers, the number that provides identity for unemployment insurance purposes and that will become even more important to the individual when the Canada Pension Plan comes into effect. It was also noted that applications for Social Insurance Numbers are still being received at a rate of about 5,000 per day; Commission records reveal that many of these are from people who already have a Social Insurance Number.

The UIC emphasizes that, for their own good, Canadians must not have more than one Social Insurance Number. Multiple registration can become a serious problem for the insured person, and could even lead to his being considered, at least temporarily, ineligible for unemployment insurance benefits. Having only one Social Insurance Number ensures that unemployment insurance contributions are correctly credited to the individual having that number, but having two or more numbers means that contributions may be split into two or more accounts, all for the same person. Thus, when the insured makes a claim for benefits only those contributions entered under one of the Social Insurance Numbers may be considered.

The Commission says that while such problems can and will be cleared up, time lost in extensive checking of Commission records will result in a delay in handling claims for the insured.

The most common cause of multiple registration appears to be the frequent moving of persons from one job to another. Should an insured in individual change employment several times in one year and neglect to produce his Social Insurance Number card each

Fire in Valleyfield

Fire destroyed the cleaning and pressing shop of Camille Piché at the rear of his home, 311 Victoria St., Valleyfield on Thursday morning, causing a loss of more than \$3,000. It is reported that there was no insurance whatsoever on the building or equipment.

Housing Shortage

Confronted with an increasingly embarrassing housing shortage, Huntingdon is looking forward to a house building programme in the spring to relieve the situation. Since the opening of the Huntingdon Woolen Mill there has not been a single house in Huntingdon vacant and places of abode not used for a time have been renovated to provide accommodation. It has been stated that at the very minimum twenty houses will be urgently needed by spring or early summer while the town could use nicely more than thirty houses.

NOMINATION and ACCLAMATION of MAYOR and COUNCILLORS

Municipality of Township of Dundee
To the Ratepayers of the aforesaid Municipality:

PUBLIC NOTICE

IS HEREBY GIVEN by Mr. Roma R. Allen, Presiding Officer, that at the nomination of candidates for the office of mayor and 3 councillors for seats 2, 4, 6, Mr. George Sutton, Feed Dealer, was the ONLY CANDIDATE nominated for the office of Mayor and that I proclaimed him and do hereby proclaim him elected as Mayor of the Municipality of the Township of Dundee.

That Mr. J. Hugh Ferguson, Farmer, was the ONLY candidate nominated as councillor for seat No. Two and that I proclaimed him and do hereby proclaim him elected as councillor of the Municipality of the Township of Dundee for seat No. 2.

That Mr. Gerard Faubert, Farmer, was the ONLY candidate nominated as councillor for seat No. Four and that I proclaimed him and do hereby proclaim him elected as councillor of the Municipality of the Township of Dundee for seat No. 4.

That Mr. Romuald Quenneville, Farmer, was the ONLY candidate nominated as councillor for seat No. Six and that I proclaimed him and do hereby proclaim him elected as councillor of the Municipality of the Township of Dundee for seat No. 6.

time, he could become the owner of more than one Social Insurance Number. The resulting problems involved if he makes a claim for unemployment insurance benefit are obvious.

The UIC also points out that there is a heavy penalty for persons knowingly registering for a Social Insurance Number more than once.

The numbering system was instituted following recommendations of the Glasseo Com. report on government organization to ensure speed and accuracy in handling present and planned social benefits, and to replace the old UIC number which had become obsolete.

25 YEARS AGO**JANUARY 31st, 1940****50th Anniversary**

Mr. N. A. Ostiguy of Valleyfield, owner and founder of the N. A. Ostiguy fur store in Valleyfield, recently celebrated the fiftieth anniversary of the founding of his business establishment. Mr. Ostiguy is well known in this region as well as throughout the province. He was at one time mayor of Valleyfield.

De l'action dans les joutes de hockey de la Town League

Chaque semaine, soit les mercredis et vendredis soirs, la partie sont fières de montrer Town's League présente son programme double à l'arène de Huntingdon.

Cette ligue comprend six équipes: Grant's Bakery, St-A-

niect, école secondaire St-Joseph, Cazaville et les Red Hawks de Huntingdon. On présente chaque semaine deux programmes doubles bien équilibrés. La ligue offre beaucoup d'action et de très beaux moments de jeu. Les joueurs qui en font compter de 7.30 heures, la partie sont fières de montrer Town's League présente son programme double à l'arène de Huntingdon.

Mercredi le 13 janvier, l'équipe de l'école secondaire St-Joseph remporta la victoire au compte de 5 à 2 sur les é-

toiles de Cazaville. Cazaville ouvrit le pointage avec un but sans aide de Pierre Hart. Mais l'école revint à la charge avec un but de Jacques Dandurand, ce qui eut pour effet de faire redoubler d'ardeur cette équipe qui semblait voler sur la glace. Les autres buts de l'école St-Joseph furent comptés par Remillard, D. Raymond, deux fois, et le dernier par M. Maurice Pilon. Le deuxième but des perdants est allé à Paul Béllise.

La deuxième joute au programme qui devait mettre aux prises le St-Ancien et le Grant's Bakery fut remportée par celui-ci par défaut, le St-Ancien ne s'étant pas rendu. On apprenait à la dernière minute que malheureusement cette équipe avait démissionné du circuit.

Vendredi soir deux joutes é-

taient à l'affiche. La première mettait aux prises l'équipe Bleu, Blanc, Rouge de l'école secondaire St-Joseph et celle d'Athelstan. Dans cette partie l'école St-Joseph semblait avoir des ailes sur la glace enregistra par M. Maurice Pilon, battant Athelstan 7 à 1. Les buts des gagnants furent en l'on, qui y est allé de deux filets, le premier assisté de Denis Raymond et Michel Mainville, le deuxième aidé de Denis Raymond. Jacques Leblanc compta aussi deux buts, le premier aidé de M. Pilon et Denis Caza, le deuxième aidé de Jacques Dandurand. Les autres points furent comptés par René Brière, Denis Caza et Daniel Declotte. Murray Milne vola un blanchissage au gardien de l'école.

L'étoile de cette partie fut nul autre que M. Maurice Pilon avec deux buts à deux assistances. Il était aussi plus conscient de sa défensive.

Dans la deuxième joute, les Red Hawks gagnaient par défaut, l'équipe adverse ne se présentant pas. Ils participèrent à une pratique contre les étoiles de la ligue et ne purent faire mieux qu'un compte nul de 4 à 4.

Je voudrais signaler le beau travail de M. Jon Proudfoot comme arbitre. Il y a cependant un inconvénient. Les spectateurs sont peu nombreux pour apprécier la capacité et la combati-

Liturgie — Le christianisme ne peut être qu'essentiellement missionnaire car la charité qui en est le cœur incite au zèle et au service du prochain. Cette richesse toutefois il faut l'expliquer et l'exprimer au plan pratique, avec ferveur, par la connaissance et l'action. La mission, qu'est-ce au juste? Proposons une définition: La mission est l'activité spirituelle, née du mouvement trinitaire, qui consiste à prêcher l'Évangile aux non chrétiens et à instaurer chez eux d'une façon indigène et stable, toute l'économie chrétienne, en vue de les sauver, de procurer l'achèvement du Corps Mystique et la gloire du Père par le Fils dans l'Esprit.

Liturgy — Sixty years ago Plus X, pope and saint, formulated the now often repeated statement that the liturgy is the primary and indispensable source of the true Christian spirit. This truth is no less vital to-day and not only in mission countries but throughout the world. The Church is a supernatural body having a human organization but living the divine life of her founder. Even more fully, because the Church is not only the temporal structure "with spot and stain" which we see but Christ Himself continuing His activity to bring all people back to the Father, whom we do not see, she transcends human cultures.

LEO CAPPIELLO COMME MAIRE DE LA VILLE DE HUNTINGDON

Un message aux électeurs municipaux de la Ville de Huntingdon

Comme vous le savez tous, il est temps une fois de plus de songer à l'élection d'un Maire pour la Ville de Huntingdon. Tout d'abord, je crois que je devrais vous expliquer pourquoi exactement je ne me suis pas représenté pour un autre terme comme Maire en février 1959, et pourquoi je me présente à nouveau cette année. Au mois d'août 1958, j'ai informé mon Conseil que je ne représenterais pas en février 1959 pour les raisons suivantes:

1. Ma clientèle de comptabilité augmentait au point que je ne pouvais plus suffire, étant incapable d'obtenir de l'aide qualifiée.
2. Pendant les dix années où je fus Maire, j'ai travaillé intensément de concert avec différentes organisations locales et autres pour attirer des industries dans la Ville de Huntingdon. Durant mon terme, seulement une petite industrie s'est établie dans notre ville, et cette industrie devait par la suite être achetée par une de nos industries locales. Il s'agit de la Wool Combing Co. Ltd. J'avais honte de n'avoir pas réussi dans ce domaine, et par conséquent, je décidai de laisser quelqu'un d'autre essayer pour quelque temps.
3. J'ai décidé de me présenter à nouveau cette année pour les raisons suivantes:
 1. A la demande de plusieurs personnes, j'ai rempli les formules de nomination pour le poste.
 2. Ces dernières six années j'ai arrangé et organisé ma clientèle de comptabilité de façon à ce que je puisse maintenant disposer d'assez de temps pour dévouer mes services au bien-être et à la bonne administration de la Ville de Huntingdon.
 3. Je n'ai plus honte maintenant de n'avoir pas réussi à amener des industries dans la ville. Ces dernières six années, seulement une seule petite industrie s'est établie ici sous le terme du Maire actuel, soit la compagnie Ateo Thermostat Co., actuellement logée dans une bâtisse appartenant au Maire et ses associés. Je mentionne simplement ceci à cause de nombreuses critiques à mon intention pour n'avoir pas réussi dans ce domaine. Si le Maire actuel avait obtenu plus de succès, j'eus été le premier à l'en féliciter.
 4. A la fin de mon terme d'office comme Maire dans l'automne de 1959, nous (c'est-à-dire mon Conseil et moi-même) soumissions un règlement pour emprunter \$28,000.00 pour notre programme de travaux publics. Le Maire actuel et d'autres, en nombre suffisant demandèrent au Conseil de tenir un référendum (c'était leur privilège) sur ce règlement. Le référendum fut tenu et ces mêmes personnes s'organisèrent ensemble pour faire refuser le règlement. Nous ne nous étions pas préparés à soutenir le règlement parce que nous étions en position de constater que ces travaux étaient une nécessité dans le meilleur intérêt de la ville. Cependant le règlement fut refusé et quelques semaines après on organisa la Ligue des Propriétaires; le Conseil fut défait en 1959 et la Ligue des Propriétaires mourut d'elle-même. Maintenant pour prouver que nous avions raison au sujet de ce règlement, que fit le Maire actuel au sujet de ce règlement quand il fut élu? Pendant son terme d'office il fit faire 90% de ces mêmes travaux publics tels qu'énumérés.
 5. Alors à quoi a servi aux contribuables le fait que ces groupes aient fait refuser le règlement. Absolument à rien.

Si je suis élu je promets;

1. De travailler de concert avec tous les membres du Conseil pour le progrès continu de la Ville.
2. Je ne me présente qu'à la Mairie et ne supporte aucun candidat à l'échevinage.
3. De m'enquérir de la possibilité d'obtenir d'autres octrois gouvernementaux pour l'exécution du règlement No 315 pour l'agrandissement de l'usine de filtration et le projet d'eau et d'égoût.
4. Je promets aussi de faire exécuter ce programme de travaux le plus tôt possible.
5. Je souhaite aussi rencontrer l'Ingénieur-Conseil de la Ville et obtenir tous les détails et toute information possible au sujet du plan d'ensemble du système d'épuration des eaux.
6. Il y a environ 50 lots de construction dans les limites de la Ville qui ne sont pas desservis par l'eau et les égouts parce que nous n'avons pas de système d'épuration.
7. Je promets de garder les taxes à un minimum en ne perdant pas de vue les services municipaux et les besoins futurs et de suivre étroitement cette ligne de conduite.
8. Je promets de donner mon entière collaboration et mon travail dans l'intérêt de tous, des organisations et des sociétés de Huntingdon pour en arriver à une harmonie parfaite et à un progrès possible pour le bénéfice de tous, sans aucune considération d'intérêt personnel.
9. Je ne propose pas de représenter aucun parti politique dans les fonctions de Maire. Je voudrais cependant demander le support de tous les gens de la Ville de Huntingdon sans considération politique ou de religion.

Question: De qui ont-ils acheté la plupart des matériaux de construction utilisés dans l'érection de ces bâtisses?
Réponse: De marchands demeurant en dehors des limites de la Ville de Huntingdon.
Question: Où demeurait la plupart des journaliers, menuisiers etc. employés à ces projets?
Réponse: Dans des municipalités en dehors de la Corporation de la Ville de Huntingdon.
La réponse du Maire à ces questions serait peut-être qu'il s'agit de ses affaires personnelles. Parfait, nous l'admettons, mais il doit se rappeler qu'il était le Maire et qu'en agissant de la sorte il n'a certainement pas donné le bon exemple à ses concitoyens qui dans le futur pourraient vouloir se construire dans la Ville de Huntingdon.

VIVRE ET LAISSER VIVRE

Vous pourriez aussi vous poser cette question: Le Maire? Dans quelle municipalité est-ce que je gagne ma vie? La réponse devrait certainement être — HUNTINGDON.

Durant mon terme d'office comme Maire, je fus délégué par le Conseil pour prendre des informations au sujet de l'achat du lot sur la rue Châteauguay, pour fins de stationnement municipal. Le prix à l'époque était de \$4,500 de plus que le Maire Lefebvre et ses associés ont payé pour le même lot l'année dernière.

Est-ce que le Maire a recommandé à son Conseil d'acheter ce lot pour la ville à ce prix réduit, lequel aurait pu servir de terrain de stationnement municipal et dont on a tellement besoin? Non que je sache.

7. Quand la construction d'un mur de soutènement fut décidée entre la station de service Myers et la dique sur la rue Châteauguay, savez-vous que le Maire a insisté pour que ce mur soit construit avec des traverses de chemin de fer (bois) au lieu d'une construction en béton? Ce fut seulement quand on l'informa qu'il n'y aurait pas de mur de soutènement du tout, s'il devait ne pas être fait de béton, qu'il consentit.

8. Je ne fus pas surpris d'apprendre que le Maire avait recommandé à son Conseil de baisser la taxe municipale de 4 mills pour l'année 1964; il était grandement en faveur parce qu'une élection pour l'office de Maire était proche. Le Maire et le Conseil ne purent baisser la taxe municipale qu'à cause des octrois provenant de la taxe de vente du Gouvernement Provincial. Ce que je ne peux pas comprendre, c'est comment on peut espérer maintenir un taux de taxe aussi bas alors qu'un règlement a été passé pour emprunter plus de \$225,000.00 pour l'agrandissement de l'usine de filtration et des réparations et travaux au système d'eau et d'égoût, après la réduction du taux. Les gros propriétaires, dont fait partie le Maire, en bénéficieraient temporairement, mais qu'arrive-t-il des petits propriétaires, ce qu'ils gagnent par la réduction de la taxe municipale, ils le perdent avec la taxe de vente de 6% sur l'achat de leurs effets personnels et familiaux.

MESDAMES ET MESSIEURS:
Vous noterez en lisant ce rapport, que quoique je n'aie pas été votre Maire, j'ai été très observateur et intéressé dans les activités municipales qui se sont déroulées ces dernières six années. Je suis né et j'ai grandi à Huntingdon, j'aime ma ville et ses gens, j'ai essayé dans le passé de la garder propre et si je suis élu, je promets de continuer à travailler dans le meilleur intérêt de notre ville et des contribuables, comme par le passé.

C'est avec ce rapport que je demande le support des contribuables et des votants de la Ville de Huntingdon lors de la prochaine élection de lundi, le 1er février, 1965, comme Candidat à la Mairie de Huntingdon pour que vous puissiez marquer vos bulletins en ma faveur et que je puisse à mon tour avoir une fois de plus le plaisir de vous servir.

Sincèrement vôtre,
LEO CAPPIELLO

5. Ma campagne pour l'élection à la Maire sera tenue strictement sur le plan municipal. Il n'est plus nécessaire maintenant d'être affilié à un parti politique pour être Maire de Huntingdon ou de toute autre municipalité, afin d'assurer à votre municipalité les octrois Provinciaux et Fédéraux. Les temps ont changé. Tous les octrois, qu'ils soient Provinciaux ou Fédéraux, sont maintenant de nature statutaire. Tout ce que le Maire et le Conseil ont à faire c'est de faire application pour ces octrois, tel que demandé. Certains octrois sont même accordés sans application, par exemple, les octrois de la taxe de vente du Gouvernement Provincial, qui arrivent chaque mois sur une base de perception pour le mois correspondant de l'année précédente.

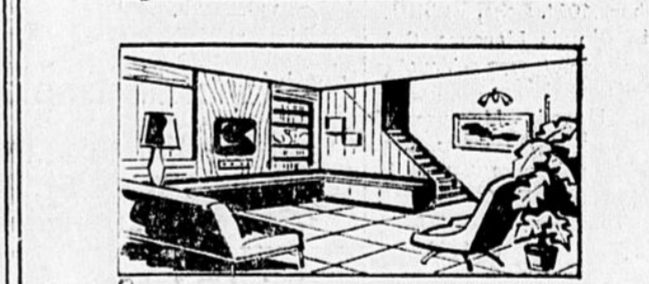

Je crois savoir que dans le futur le Gouvernement Provincial chargera aux municipalités l'entretien et la réparation de toutes les rues, sauf l'entretien et la réparation des grand-routes qui traversent

Well I'm sorry to say this well known stores in the Re- going to be my last column. I certainly have been neglect- ing it lately and find that I just don't seem to have e- nough time to devote to the column to make it interesting enough. You will all be hap- py to know that Mrs. Mary Fabio is going to take it o- ver once again and as you know, she has always done a fine job of writing.
 Mrs. Helen Frost was lucky over the holidays, she was the winner of a man's wrist watch in a contest at one of the

and dressed in various cos- tumes of wisemen, shepherds, kings, brownies, girl guides, etc. The costumes made by Mrs. Spen and some of the brownies themselves were wonderful and I'm sure all the parents who attended were thrilled as I was with the per- formance.
 Belated birthday greetings to Christine Viereck, who was eight years old on the 1st of January, also to Mr. and Mrs. R. Adsur of St. Andre St., who both celebrated their birthday last week. Happy birthday also to Lynn Fabio, who was ten years old on Tuesday, January 19th. Lynn had a party on Sunday to ce- lebrate and her guests were Carole Spenard, Brenda Rit- chey, Anne and Mary Kava- niagh, Robin and Debbie Mo- dy, Brenda Lortie, Pierrette Sauve, Rosemary Favreau, Les- lie Faughnan, Sylvia Brown, Maureen Pegcock and Chris- tine Viereck. Everybody had lots of fun and Lynn received some nice gifts.

CROWN HOMES

CORRESPONDENT: Mrs. Doris Sneddon 116 Labelle 692-0955
 ROUTE BOY: Mark Stafford 56 St. Leon 692-4463

I feel I must apologize for the way I have neglected my column the last few weeks, but with the hustle and bustle of the holidays and sickness on my part, I haven't been able to get any news. I find that I don't have enough time now to devote to the column to make it interesting, so I feel it is best to give it up, although I have enjoyed writing up to now. I find it getting to be a bit of a chore. Mrs. Mary Fabio, who is familiar to all of you will be taking over for me so I know you will be getting some interesting reading from now on.
 Little Carol Randle is certainly having a tough time of it this winter, she had to go back into the hospital to have her ear drained and will be in the hospital for a little while. She has taken it all like a little trooper. Hope you will soon be better, Carol.
 Birthday greetings to Richard Bouvier of Lasalle St., who was nine years old on January 12th. Mr. F. Morelli, who celebrated his birthday on January 13th; Miss Linda Graham had her 17th birthday

on Friday, January 15th; Mrs. A. Bruciat who is having a birthday on January 24th; also Mr. Rene Merette celebrating his birthday on January 27th. Oh Yes! Your's truly will be celebrating her 21st birthday again on January 21st.
 Belated congratulations to Mr. and Mrs. L. Bouvier on the birth of a baby girl in December a little sister for Jane and Richard.
 Sandra Lange was home from school a few days last week with an ear infection, hope it's all cleared up now Sandy.
 That's quite a toboggan slide they have down at the end of Maisonneuve St., it's too bad there is not a bit more snow. It's a bit high for the little tots though, they could get hurt if they fell or were accidentally pushed from the top.
 Well folks, I guess that's it, it has been fun writing this column and don't forget if you have any news give Mrs. Fabio a call at 692-9272, I'm sure she will be glad to hear from you.

Chateaugay Centre Council Clears Up Many Matters

A regular monthly meeting of the Town of Chateaugay Centre Council was held Tuesday, January 5, with Mayor Sutterlin presiding and all members present except Councilor Roland Colpron.

Following a resolution adopted by the Town of St. Philomene Council, in which it promises to pay for the opening and the maintenance in all seasons of a street called Montee Arthur Barrette, it was moved and seconded that Mr. Arthur Barrette's offer be accepted by 1250 sq. feet of his land for the layout of the said street.

During the question period, Mr. Fernand Lemieux, living on St. Maurice St., informed the Council that the Town employees had, during the day, closed the water on Primeau St., without notifying the residents of the affected area. He added that this had caused considerable damage for him. Mayor Richard Sutterlin suggested that Mr. Lemieux send immediately to the Secretary a regular claim which will be forwarded to the insurance. It was then moved and seconded that from now on, whoever will be called to shut off the water will have to obtain in advance written permission from the Town Engineer or his assistant, and the latter will have to make sure before such a permission is given, that the residents of the affected area are notified ahead by a warning device which the Purchase Department is authorized to buy.

Mr. Steve Bohula expressed concern over the poor state of a lot located on corner of St. Joseph and Parkview Pkds. It was decided that the Public Works Department be authorized to spread stone on the said lot.

Payment of bills from the Revenue, Salary and Capital accounts was then officially authorized.

The following estimates were also authorized for payment: Marier & Fils, by-law 433, \$5,817.11; Laberge & Freres, by-law 394, \$10,075.80; Laberge & Freres, by-law 428, \$862.57; Marier & Fils, by-law 433, \$2,558.03, return cheque on deposit, \$1,298.60; Laberge & Freres, by-law 432, \$2,440.10; Desaulniers Cons., return of deposit plus 5% interest on by-law 247, \$2,096.30, by-law 282, \$2,039.72, by-law 283, \$1,736.89; Jean-Paul Lefebvre, future by-law on parks, \$2,000.

A temporary loan of \$200,000, already authorized as part of \$500,000 loan November 17, 1964, was approved.

It was also moved and seconded that the Quebec Municipal Commission be asked to authorize another temporary loan of \$140,000, in connection with by-law 447, already adopted by the Town Council and approved by the Quebec Municipal Commission, until the sale of a bond issue.

A letter was received from Mr. H.M. Cooperstone, lawyer for Lenada Realities Inc., advising the Town to make the necessary arrangements to put

in order this situation where the Town uses part of cadastre 59, owned by Lenada Realities Inc., and which is part of Maple St. A copy of the said letter was sent to the Town of Chateaugay Centre lawyer, Mr. Armand Poirart.

A letter was also received from De Lacroix, Viau, Hebert, Thivierge and Viau, re: the tax accounts of Sardus and Damas Investments Corp. It suggested that because of an error in figures in the charges for local improvement, there should not be any interest charged on the said accounts and the 3% discount granted if the accounts are settled in the 20 or 30 days following reception of the bills, should be awarded. The Secretary recommended that neither the 3% discount be allowed or the 5% charge be cancelled because Damas and Sardus Investments Corp. had all the time needed to have revised and pay the said bills in the 20 or 30 days which followed reception. He added that Mr. Pierre Viau, lawyer for Damas and Sardus Investments Corp., should be paid the amount of \$23.50 for the preparation of documents related to this letter. Following a discussion, the recommendations of the Secretary-Treasurer were adopted by the Council.

The Town's Purchase Department was authorized to buy a board 24" X 25" to post the public notices outside the St. Jean Baptiste-Marie Vianney Church, the price of the said board being approximately \$120.

Following a letter from Chat. Construction Inc., it was moved and seconded that Laberge & Freres be advised to complete in the following 10 days five water and sewer trenches on Leonard St., as specified in their contract, and that they also be told that if the said work is not done in the following ten days, the Town will have it done and charge them the entire cost.

A donation of \$200, was made to the St. Vincent de Paul Conference of St. Joachim.

It was moved and seconded that the Town of Chateaugay Centre fully endorse the point of view expressed by the special syndicate committee concerning the Thompson Enquiry Commission and that it suggests to the said Commission to please hold hearings in Montreal in order that the interested parties, including the Town of Chateaugay Centre, be able to make the necessary representations to have the future Air Canada D-C9 repaired and looked after at Dorval and not at Winnipeg.

It was decided that four other slides be made, like the one in Primeau Park, to be placed in the following parks: 1 in Randill Park; 1 in St. Ferdinand Park; 1 in Maple Park and 1 in Chateaugay Park.

The Secretary-Treas. submitted to the Council the list of all immovables on which the taxes for 1964 have not yet been paid entirely. He was then ordered to sell the said

News of St. George's Church

For "The Poor Children"
 Three little faces appeared at the door of the Rectory Christmas Day: "We went carolling last night and collected money for the poor children that won't be having a very happy Christmas." So they handed over an envelope they said contained \$5.34, but actually had \$5.87. They were so young that they couldn't count, but so honest they gave more than they counted. It has been sent to St. Michael's Mission, Montreal for "the poor children". Perhaps you saw the TV programme which informed us that 5 million Canadians are in that category in a country that boasts about its affluence.

White Gift Cheer
 At the Christmas Pageant on Dec. 13 white gifts were given in generous abundance by parishioners. A note has been received thanking St. George's people for their generosity. "The members of the Ward of Mercy of the Church of St. John the Evangelist thank you for your kind donation of gifts of all kinds in aid of their work at St. Michael's Mission."

Letter
 During the year you will remember our Sunday Schools sent about \$12 to Rev. John Barton at Bishop Tucker College in Ungava, East Africa, to buy theological books for African clergy. Later a parishioner sent another \$25 as a thank-offering in memory of her father, Mr. Barton writes: "Would you be kind enough to tell your people at St. George's that this amount of money will buy each student in the College in the coming term in January one of the small commentaries on books of the Bible, which are a great help to our men, not only while they study at the College but during their ministry. There are an increasing number of small, simply written books in the English language that are of great value to our students, such as the World Christian Book series among others, and it does make an enormous difference to their ministries if they are able to leave the College with 20 or 30 books like that. The position of the average pastor here has been, to put it into Canadian terms, like having the Prayer Book and the Bible in English, and only a book of occasional prayers, nothing else being available in English. Your people, I am sure, would not want their parish priest to preach to them from those three books alone, yet that has been the equivalent of the situation here for many years. Now that theological instruction is taken in the English language, a great many books are of course available for students, and the Church of Uganda Literature Centre is doing a fine job in getting a few books published in the local languages, both for lay people and for older clergy. Your people may be interested to know that the Canadian church is providing a part of the salary of one of the people employed in this Centre."

Young Mother's Group Auction
 The Young Mothers' Group of the W.A. will hold an auction at the end of the month. The proceeds will go to the Anglican World Mission Fund and Mr. Art Walker, Sr. has kindly donated his services as auctioneer. Your cooperation and gifts will gratefully be received and your presence at

immovables at a public auction, to be held Monday, February 15, 1965, at 10.00 a.m., Municipal Hall, 1 Croissant St., Chateaugay Centre.

the church hall looked for. We are interested in any donations, other than clothing. For further information, please call Mrs. Osterlund at 692-2235 or Mrs. Harney at 692-2057.

Bible Society
 The results of the 1964 canvass for the Canadian Bible Society amounted to \$682 grand total for all the Churches of Chateaugay. Miss Shirley Kenney, Sec-Treas. would like to thank all those who contributed and all who canvassed to make this the biggest year ever for the Bible Society in Chateaugay.

Attendance At The Bible Hour On Friday Evenings

Please remember us and your Christian brethren in Africa in your prayers, especially in the light of the dangers that the Congo holds for peace in Africa. A fine Christian I met two months ago knows Tshombe quite well and says he is a fine Christian man who has hope of bringing peace and order to the Congo. But as you will be reading in the papers, the situation is becoming increasingly complicated, especially now that Ghana, Egypt, Algeria and the Sudan are providing arms to the rebels in N. E. Congo. This really means that some members of the Organization of African Unity are interfering militarily in the affairs of a member state. Once this principle is consented to, the Organization of African Unity is likely to have little influence.

More Schools Coming

A school year is the object of our vigorous and active Catholic school board. The word is that we can look forward to not one, two but three schools by Sept. of 1965. That's this year. Usually reliable sources tell us that the School Commissioners have hit upon an ingenious plan to push through approval of new school plans. To get an O.K. from Quebec and construction completed in the same year. It's really quite simple. They plan to contact an Architect who has designed a building already approved, already constructed and submit the same plans to the Quebec authorities. Since Quebec has indicated that they agree on our need for more schools, it is only a matter of proposing ones that they will approve. It sounds simple enough to work.

If all goes well, we will have St. Paul's open at the end of February. By September, we hope to have a second building erected in Parkview, on Champlain, near St. Joseph.

really wonderful time. Harry sent The Gleaner same newspapers published at Fort Myers Beach to show how they do things there. It shows that Christmas there is on the warm side and of course that is why people leave this great country of ours at this season of the year. Swimming and bathing on the beaches is a little different to playing hockey and skating. Glad you had a good holiday Harry.

St. Andrew's Notes
 Next Sunday is the beginning of Christian Youth Week and it is therefore an appropriate time to present the Awards for Church Attendance to all the Sunday School pupils whose record shows that they have been at Church Service 40 or more Sundays during 1964.

The Protestant Churches of Chateaugay will join together for Worship next Sunday evening, January 24th at 7.30. This Service of Prayer and Witness will be held at St. Andrew's this year and the Rev. John Allen of Maplewood Presbyterian Church will give the message. A combined Choir will lead the singing.

The Thursday morning Women's Prayer Fellowship will meet at the Manse at 9.45 a.m. A baby sitter will be provided. If you desire to share in this time of prayer and discussion you are welcome. Prayer Changes Things.

Parkview

Happy Birthday to little Barbara Bushe of Parkview Blvd., who will be one year old on January 28th.

Belated wishes to Gervais Bushe who was 10 years old Jan. 5th.

The skating rink at Maple Park is open from 4 to 10 p.m. week day, and from 12 to 10 Saturday and Sunday.

The first part of this year's meetings have been held during Activity Week (January 25 - 30) at C.H.S. on Wednesday, January 27th. The Bazaar will offer any and all types of articles at low prices. It will start at 4 P.M. and continue to 10 P.M. Everyone, including Students are invited.

The Inter-School Council met on Monday, January 11th at Red Cross Headquarters in Montreal. The guest speaker was Dr. L. P. Patterson, Executive Director of The Mackay Center For Deaf and Crippled Children. who told the representatives about their building and the equipment that is needed to care for these handicapped youngsters. Dr. Patterson appealed to us to assist in the \$4,000 project, to pay for such equipment in the new building. The Council adopted it unanimously. Basic and monthly reports were given by the schools and Inter-High business was continued. Our school, has already adopted a pledge of \$87.00 for a wheel-chair, to be sent to the Mackay Center. Bazaar proceeds will be put towards this worth-while project.

Barrington Station Moved To Delson As A Museum Piece

Wednesday, January 13th, was one of those rare days when one could travel 20 miles in Quebec by railway station.

The station was transported by road from Barrington where it was built in 1880, to the site of a new railway museum at Delson. It was purchased recently for \$1 by the owners of the museum, the Canadian Railroad Historical Association, from Canadian National Railways.

A typical country station of the last century, the wooden structure will be restored and furnished in the style of the 1880s. The only similar project near Montreal is an old station and train near Upper Canada Village at Morrisburg, Ont. The Barrington station will become part of a comprehensive railway museum at Delson featuring numerous exhibits of rolling stock.

Chateaugay News Notes

Contrary to what was stated recently in The Gleaner during the interim period between passage of the amalgamation bill and election of Mayor and Aldermen, the two existing Councils will continue to meet separately to deal with day-to-day affairs. Obviously, no major decisions are likely to be taken during the interim period without consultation between the two Councils.

An amendment to the amalgamation bill was approved by the Town of Chateaugay Council, whereby the Gray Nuns Island is to be part of Ward I, instead of Ward II as in the original bill.

Nominations for office in the Women's Auxiliary of the C.C.R.A. are now open. Election of the office-bearers will be taking place at the Annual Meeting at 111 St. Patrick on the first Wednesday in February. It is hoped to hold a sherry party before the election, but of course that depends on settlement of the Q.L.B. strike.

The Young Mothers Group of St. George's Anglican Church held an auction and bake sale in aid of the Anglican World Mission on Saturday. For details see advertisement in Coming Events column.

On January 15th at the corner of Charles St. and Duquette, a taxi driven by Mr. Joseph Morin skidded at a stop sign and collided with a Sauguinte oil truck. Mr. Morin had both legs and his head injured and was taken to the Chateaugay Medical Centre for treatment by Dr. Desrochers. Constables Prigent and Bougie investigated.

On January 14th at 8:45 a.m. a 1958 Morris driven by Mr. Lee Barry Westwood of Ville de Lery skidded at a stop sign at Dupont and Maple and crashed into an Oxford taxi. Sergeant R. Gagnon investigated. Mr. Westwood was not seriously injured.

A contract has been awarded by the Town of Chateaugay to Pestroy Co. Ltd. for a mosquito extermination programme commencing mid-May and thereafter as often as required until mid-September. Spraying will be by a fogger-type machine.

Improved lighting on Route 4 from Towers to Dunver has been approved by the Town of Chateaugay Council. The present lights of 4000 lumens capacity will be replaced by ten lamps of 20,000 lumens each.

A new constable, Mr. Richard Asselin has been appointed by the Town of Chateaugay to replace Mr. André Gauthier who has left the force to rejoin the R.C.A.F.

At the last meeting of the Centre Council, Alderman Yvan Gilbert gave a notice of motion that he will propose a by-law for public services, i.e. water, sewers and paving on Boucher St. Alderman Ed. Reid gave notice of motion that he will propose a by-law for public services on part of Laval St. and on Champlain St. from Dubé to Salaberry.

The Centre has adopted By-law 460 for the installation of a one million gallon reservoir on Ste. Marie Road. Cost is estimated at \$200,000. The reservoir will act as a surge tank and will be completely filled during the night to provide heavier flow at peak consumption hours. This project is being undertaken at the suggestion of Provincial Minister of Health Alphonse Courcier.

Three more constables have been appointed by the Centre Council — Messrs. André Laberge, Jacques Daoust and Michel Bourdon. Effective date of hiring is February 1st, to allow a period of training before May 1st when a new contract specifies a 40-hour week instead of the present 48-hour week.

Randal Skating Rink is to have two more goals and nets.

Cooks' Corner By Mary Fabio

I have had a few requests for Cabbage Rolls, or as they are known in their native Ukraine, "Holopchi". There are many variations of the Cabbage Roll. This is my recipe.

- Holopchi**
- 1 or 2 medium cabbages
 - 2 cups rice
 - 1 large onion, diced
 - 1 clove of garlic if desired
 - 1 lb. raw minced pork
 - 1/2 lb. bacon
 - salt and pepper
 - 2 cups tomato juice or 2 cans of tomato soup and 1 can of water.

Method:
Remove the core from the cabbage and seal for a few minutes in boiling water to soften the leaves. Remove the leaves separately after they have cooled sufficiently, slice off the stem ends. Make crosswise slashes on the main stem for easier rolling. Cook rice for 10 minutes in boiling salted water. Drain well.

Fry bacon until crisp and dice finely. In the same pan brown the onions and garlic. Add the minced pork and the cooked rice and mix well. If you prefer you may brown the minced pork in the pan before adding the rice but it is not necessary as browning it tends to dry it out. Don't forget to salt the meat. Place the rice mixture in the cabbage leaves. Firstly, line a large baking dish or roast pan with any leaves that are torn too badly to be rolled and enough other leaves to line the bottom and sides of the pan. Take the remaining leaves, one at a time, and place a spoonful of the rice mixture on the leaf near the stem end, roll it up tightly tucking in the loose ends so the filling will not ooze out. It's kind of messy at first but just keep at it and by the time you've finished you'll find you've become a pro. Pour over the rolls which ever you prefer, the juice or the soup. Cover with more cabbage leaves, here you can use all the bits and pieces. Cover the pan and

bake in a 350 degree oven for 1 1/2 hours. For the last half hour you may remove the cover and allow top leaves to brown.

Note: — If your family likes more meat you can cut down on the rice and use only 1 cup, also beef may be substituted for pork. These leaves freeze well.

Runny Butter Tarts

- 1 egg
- 1/2 cup corn syrup
- 1/2 cup brown sugar
- 1/2 cup raisins or currants
- 1/2 cup chopped walnuts
- 1/4 teaspoon nutmeg
- 1/4 teaspoon salt
- 1/2 cup butter or margarine

1 recipe plain pastry

Method:
Prepare pastry. Beat egg slightly, and mix with corn syrup, brown sugar, raisins, walnuts, nutmeg and salt. Add melted butter. Combine well and spoon filling into unbaked shells, filling about 3/4 full. Bake at 425 for 15 to 20 minutes. Yields 18 tarts.

NOTE: for runnier tarts, use 1 cup corn syrup.

Special thanks to Mrs. E. Lortie for the above recipe.

Handy Hints
The next time you stock up on parsley at the supermarket, instead of letting the unused portion go limp in the vegetable crisper, wash it well and pack it into the ice cube trays, fill with water and freeze. Thaw out as needed, just be careful you don't accidentally drop it in your drink. (Thank you, Mrs. Horsburgh, for your suggestion.)

When cooking with cheese, use low temperatures. High temperatures or long cooking will make cheese tough and stringy. Also, add cheese to other ingredients in small bits so that it will melt quickly and evenly into other foods.

Pour hot water over the garlic bud to help the skin come off easily.

Take the squeak out of the door momentarily by rubbing the hinge with a lead pencil. If you have any recipes, hints or comments do give me a call at 692-9272.

Jo-Anne, Dianne, Charlene, and Sharon Myers of St. Aubin has been ill with tonsillitis. Mrs. Bremner and two youngsters, Mark and Christine have been ill. Diane McDonald also of St. Aubin has been feeling under the weather. Billy Oliver of Cartier has been ill. We sincerely hope you all be well again real soon.

It's a fact that we have not been having a "January thaw". I can't remember such bitter weather for at least three or four winters past. I guess many of the mothers are feeling a "January slump" after all the Holiday panic. Cheerup! There's only two-hundred and eighty-four more shopping days until Christmas!

Right in form again this week with a belated birthday Lynda Young of McLeod Ave. celebrated her eleventh on January 7th. Most sincere best wishes, Lynda; hope you have a very happy year ahead.

Mrs. Isabel Blair of Hamilton Ave. in the Heights was very pleasantly surprised last Thursday evening, when 12 ladies arrived at her home to wish her a fond farewell. The Blairs are leaving very soon for Pittsburgh, Pennsylvania to take up residence there.

Attending the party were Mrs. Hazel and Phyllis Black, Mrs. Betty Blenkhorn, Mrs. E. Edith Carpenter, Mrs. Voni Hogan, Mrs. Ivy Lalonde, Mrs. Betty Johnston, Mrs. Dorothy McCarty, Mrs. Jessie Robinson, Mrs. Joan Taylor, Mrs. Joyce Weston and Mrs. Rose Young. The ladies took along all the refreshments, and a very special cake for Isabel. During the evening games were played, and a new one that I have not heard about before — the comic telegram game. A presentation of gifts was made to Isabel, with the sincere wishes for good luck and happiness in her new home. One of the gifts, a remembrance book was compiled by one of the ladies, and in it were beautiful pictures, bible quotations, and inspirational messages. Bon Voyage to Mrs. Isabel Blair!

Here is a most interesting event coming up in the near future. The Seignior Park Co-Operative Pre-School Assoc. are having a general meeting in the S.P. Clubhouse on Thursday, Jan. 28th, at 3:30 p.m. to 9:30. This is for members only, and you are asked to please be prompt. Following the business part of the meeting, guest speaker Dr. W. Woelher will give a talk on "The Immediate Treatment of Emergencies in the wealthy days before our children arrived. One sad morning I was about to leave the apartment, late for work and very rushed, when my wife, as was her wont, handed me a letter to post and was fiddling in her purse for a five-cent stamp while I fussed and fumed on the doorstep. "Never mind the wretched stamp," I incautiously fretted. "I'll take care of the stamps." That was certainly the most expensive sentence I'm ever likely to utter, because my wife has never since purchased a postage stamp. "You said you'd take care of all stamps," she says, so how can I argue?

Our thoughts this sad Sunday evening are never far from little cul-de-sac at Hyde Park Gate, London.

A friend told us the other day of a general store in Huntingdon, which is widely known for the excellence of its cheese. So feeling like a drive last week-end, we made the trip and found the cheese well up to its reputation. Apparently it starts off as ordinary cheddar, but is then specially aged by a secret process. The result is a truly superb cheese. In fact, it's the real McCoy!

To complete the deal, we picked up some home-baked bread. Granted the resultant bread and cheese was well worth the trip.

The monthly meeting of the Seignior Park Co-operative Preschool Association will be held in the Club House on Thursday, 28th January. Dr. Woelher, Pediatrician, will be guest-speaker, and his topic will be "Immediate Treatments in cases of emergencies in the Home".

In the Big 12 Bowling League, Mrs. W. Titherington took the Ladies High Single with 160. Ants and Groundhogs are away out in front with 74 and 72 points, respectively. Schedule for January 22 is: Groundhogs vs Beetles, Shrews vs Worms, Grasshoppers vs Flies, Ants vs Wasps, Bees vs Hornets.

In response to an item carried in this column recently, the teenage girls in Seignior Park have formed a hockey team of their own, and have also stimulated action in at least one other district — Gardens. The girls hope to arrange for a few games in the near future, but as yet they do not have a coach. Rink Schedule for the coming week is as follows: —

Wednesday, January 20th — open skating.

Thursday, January 21st. — Pee Wees vs Gardens at 7 p.m. Open hockey from 8 p.m.

Friday, January 22nd — Open skating to 9 p.m. Broomball from 9 p.m.

Saturday, January 23rd. 9 a.m. House league hockey for boys under 8 years and beginners; 10 a.m. — Noon: Mosquito and Pee Wee Hockey practices; 12 - 1 p.m. Open skating; 1 - 4 p.m. Pleasure skating, no sticks; 4 - 5 p.m. Oldtimers hockey practice; 5 - 9 p.m. Pleasure skating, no sticks.

Sunday, January 24th: Open skating to 1 p.m.; 4 - 5 p.m. Oldtimers Hockey, Northern vs Terrace; 5 - 9 p.m. Pleasure skating, no sticks; 9 p.m. Broomball.

Monday, January 25th: 7 p.m. Mosquito Hockey vs Terrace. Open hockey 8 p.m. Tuesday and Wednesday.

Elsewhere you will read about the film to be presented on the 31st.

C.W.L. Hold Communion Breakfast

The Catholic Women's League of Our Lady of Good Counsel, Candiac and District, held their annual Communion at St. Mark's Chapel last Sunday, January 17th, at 9 a.m., followed by breakfast at Langlois Hall, Laprairie. In the absence of the President, Mrs. J. Tetreault, Mrs. R. G. Roach welcomed the guests and members, and referred to the joyous news of the birth of a daughter to Mr. and Mrs. Tetreault. Mrs. Roach then requested that members remember in prayer the 1st. Vice-Pres., Mrs. J. Langlois in the loss of a dear mother-in-law. The guest speaker was Mr. Frank Glasgow, B.A., B. ED., M.A., of Antigonish, N.S., who spoke on "International Co-operations in 1965". Mr. Glaswegian stated that International Co-operation is a global effort to promote effective co-operation among nations, to help solve some of the grave problems and differences which now exist. Mrs. J. O'Neil, Spiritual Convener, thanked Mr. Glaswegian for his very interesting address. An Executive meeting was announced for Thursday, January 21st, when plans for the forthcoming Fashion Show will be discussed and finalized. With breakfast over, the meeting was adjourned by the reciting of the League Prayer.

Hello Everyone! Hope the New Year is treating you well... however as you read further you will notice that a few of us started with a few ups and downs... (We'll just side step that little topic for now and carry on with a little news).

The soccer team were in for a real treat when they attended a N.H.L. game at the Forum Sat. night, Jan. 9. The boys enjoyed the game as well as hot dogs and pop. all this was given to them by the Parkview Recreation Association. (I'm sure the boys are very grateful for this kindness shown them). I hear the rink is tremendous this year... the ice is in perfect condition... I also hear the hockey teams are doing quite well. Keep up the good work boys.

Many thanks to Northern Oil their generous donation of forty-eight (48) hockey helmets which were urgently needed. (Apparently no youngster may play hockey under the P.R.A. without a helmet... so you can, well imagine, how grateful many people were with this wonderful donation).

Plans are underway for a swimming pool in this area... also there will be a "Park" on Albert Street in the very near future. What will they call this park "Citizens Park" the citizens really put a lot of work and effort into this project! Congratulations.

Our deepest sympathy is extended to George Barnabe in the recent loss of his father, Alfensio Barnabe, who passed away January 11th.

CALENDARS
WITH LOCAL CHARACTER

MADE AND PRINTED IN HUNTINGDON

Businessmen, Church Societies and others, before ordering your calendars for 1966, check with The Gleaner first. You can obtain calendars which will have local pictures, or even pictures of your own establishment, or church, to impart individual as well as local character.

Various sizes and styles can be obtained, which will make your calendar different from others. You can choose desk calendars, pocket calendars, as well as the hang-on-the-wall type.

Price-wise, the cost will be about the same as you would pay for other calendars, perhaps even a little less. And you will obtain more individuality in your calendar that will make yours just a little bit different. It's worth investigating.

If you did not get calendars for 1965, we can make you something to fill in there too. Why not call us and talk it over. DO IT NOW.

Sports Association**

The regular meeting of Delson Sports Association was scheduled to take place on January 11th, when it was intended to organize several committees to take charge of the sporting events and to arrange for money raising efforts. We hear that new hockey nets have been ordered and it is expected that they will be received this week. Many thanks has been extended to the Hockey Team for their great interest in helping with the rink. The team is looking for a new Director, so if anyone would like to hold this office will they please contact Mr. Ratte, who is the manager. Tel. 632-1476.

Gil St. James, Vice-Pres. of the Sports Association is to be greatly commended on the fine work he has done making the table signs. Gil is a real artist and shows great talent.

Mothers' March of Dimes
For the first time in this area there will be a "March of Dimes" which will take place on Monday evening, February 1st. This event is being organized by Mrs. Gilbert St. James, who has appointed Captains and groups in various points of the community to take part in the "March". Please be ready to receive the collectors, leave your porch light on between 6:30 p.m. and 7:30 p.m. on Monday, February 1st. Help to fight Polio with your donation.

St. Andrew's United Church News
The annual Congregational meeting was held in St. Andrew's Church, last Saturday morning at 10 o'clock. Rev. S. M. McDowell, supervising Minister presiding. All reports showed a financial increase, the result of the efforts put forth during the past year was most encouraging. The various groups within the Church are planning for the continuance of service for the Master. The Sunday School really flourished last year and those responsible for leadership were thanked for their efforts, as were those of the ladies group under the supervision of Mrs. E. Sutton. These ladies raised \$800.00 last year with their hand-worked articles. Congratulations ladies on your tremendous effort.

Belated birthday wishes
We send our very best wishes to Mrs. Roy Lundrigan, who celebrated her birthday last week. May you have very many such happy birthdays Betty, glad you had a wonderful time.

Get Well Wishes
We are hoping that Mr. Ossie Moring will soon be well and strong again. Our best wishes for a complete recovery.

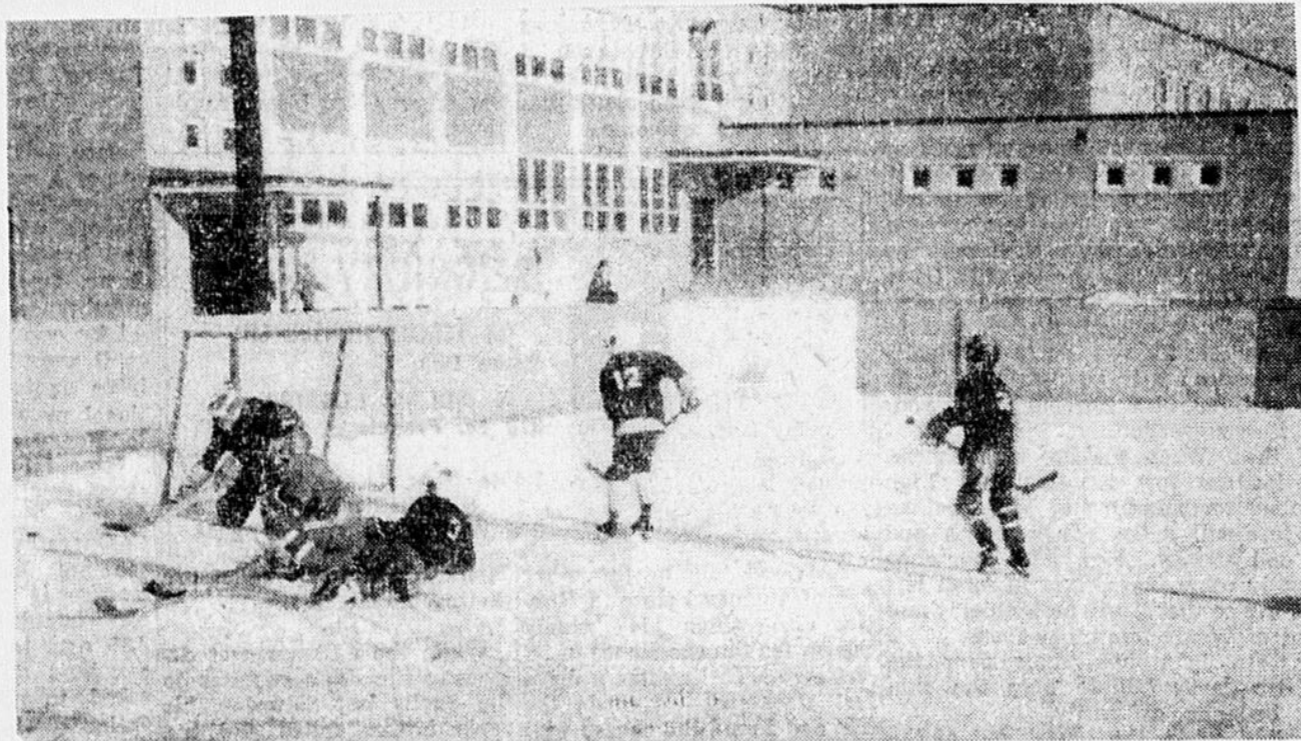

Very glad to know that Miss Jean Smithers is back in Delson after being hospitalized recently.

DON'T SEND — TAKE YOUR BOY TO THE GAME

• Although practically every community in Canada has a Minor Hockey organization of some sort, we in Chateauguay have been blessed with a program that needs take a back seat to no other. We have a fine group of volunteer workers who make sure that every youngster in town has an opportunity to take part in Canada's National Sport under properly supervised conditions.

• Not only do they provide our youngsters with an opportunity to play, they provide organization, instruction and leadership so that the young lads may learn to play hockey well.

• But these fine people do not seek only to teach the boys how to play hockey. They realize that it is also their task to teach the fundamentals of good citizenship and to assure that our boys have fun while playing in this wholesome sport. Combining these fundamentals with the basics of hockey, and with the body-building exercise that is a part of a good game like hockey results in a well-rounded program that deserves the full support of every citizen in the community.

Editorial Notes...

An Appeal That Appeals

THE time has come again to solicit financial contributions from the people of this area for a very worthy cause and which since its institution has done a wonderful job. We are referring to the "March of Dimes" which is the annual campaign under the auspices of the Canadian Legion in behalf of the battle against polio.

Since the start of this campaign much advance has been made in the battle against polio. A toxin has been discovered that while it does not entirely immunize, does counteract the crippling effects of the disease and this means much. Treatments have been improved and many persons have been helped by such treatments to points where they have regained at least part of the use of limbs.

In this area many cases have been helped and are still being helped as a result of the contributions to the "March of Dimes". The campaign is on right now and will continue until January 29th. On this date, the annual blitz by the Mothers, will be staged in the evening and people are asked to keep their porch lights burning until after the canvasser has called.

Fortunately the outbreaks of polio have been far less in recent years since the polio shots became available. However, if this is to be kept at a minimum it is necessary for young children to receive their shots in accordance with the procedure. This should be done as soon as ever possible in the life of a child in order to provide at least some immuni-

zation to the disease. There is no telling when an epidemic may strike and it is too late to take the shots when that happens for the results to be sure. This March of Dimes helps to provide the research, the treatments, the instruments, and the supply of toxin and other needs for the battle against polio.

We are informed that it is not necessary for a person to have had polio in order to obtain help when the crippling paralysis strikes them. There is a case in Huntingdon where a woman suffered a stroke which made her immobile. She was taken to a rehabilitation centre in Montreal in August and came back to her home in December. She is now able to get around a little with some assistance. She was helped through the March of Dimes and will probably continue to improve. It is likely that she would not have been able to be helped without the creation of such a centre through the March of Dimes. It is something to think about and even a small contribution can do a lot in the aggregate.

Presently most of the collecting is being done in the country points, but on January 29th, the larger centres will be called upon to do their share, so be ready. Give as generously as you can to a fund that has really worked hard to bring about the help that is needed.

It is hoped to raise \$2,000 in this district this year, just a little more than in 1964. Mrs. Anne Cameron is in charge of the campaign.

SUGAR AND SPICE

by Bill Smiley

PAY, AND FACE THE MUSIC

If I had it to do over again, I'd raise my family differently. I'd let the kids grow up in happy ignorance of the finer things of life.

That's exactly what most of my present family would have preferred anyway, but the Old Girl I like all docile North American fathers, swallowed all that jazz about "personality fulfillment" and "developing natural talent" and "creative interests."

I've spent enough on music lessons, for example, for those kids to buy myself a brand new Cadillac, or pay off half the mortgage on my house.

This month, my son Hugh is giving two piano recitals before trying his music exam, the culmination of ten years of lessons.

It's just about the culmination of the old man's credit in these parts, too. All it involves is the rental of two halls, the printing of two sets of invitations and programs, and the purchase of new suits and dresses for the whole family.

Even at that, I could fight my way out of the morass of bills and face the future, shaken but game, if this were the end of the affair.

But I learned, in a short but devastating exchange with my wife, that it's only the beginning. "Well", I beamed, "at least it'll be nice not to have to pay for lessons next year, what with all the expense of sending him to college."

"Don't be silly!" she snapped. "Of course his going to go on with his music next year. He's scarcely begun."

And I reeled out of the room, speechless. I could see the future: old dad pumping the treadmill for the next ten years in a welter of music lessons at \$13 a rattle and rattle university fees at \$1500 a year. You see, just as Hugh gets out of college, his sister, who also takes piano lessons at the same tariff, will be ready to begin.

It isn't fair, somehow. In ten years I'll be a broken, beaten old man, ready for the bone yard, just when I should be entering those golden years you see in the insurance ads: trips to Europe, curling, golf, fishing.

And what will I get out of it all? Likely nothing but a gaggle of grandchildren, who will be dumped with us every time their parents want to go on a skiing vacation or a jaunt to Mexico.

In despair, I sought out an old friend who has been through it all with three sons and a daughter. Surely he'd have some words of comfort. He did.

"Smiley, old boy," he chortled, there's nothing to it. But you've forgotten a few items. First of all, your son gets married in third year college, and you subsidize them and the baby, until he graduates. Then there's your daughter's wedding. Knowing your wife, I figure that will cost you one cool grand. Then your son, and your son-in-law, will take turns hitting you up for a couple of thousand for down payment on a house or furniture or a second car, or something.

"It's not that they're grasping," he went on, chuckling. "It's just that this is the way the system works nowadays. They'll be making good money, but they won't have any credit, and you have. So they'll use yours."

"But when do I start paying off my mortgage on the house and putting by for my old age?" I whimpered.

"Don't worry about that," he twinkled. "You can always refinance your mortgage at 16 per cent interest. And I wouldn't worry about your old age. By the time you've paid to have your grandchildren's teeth straightened and their first ten years of dancing and skating and music lessons, you won't have any old age left."

All I could do was quote from Hamlet, "For this relief much thanks," and go quietly off to check my insurance policies, and look for my wife's bottle of sleeping pills.

More than 25 patients have been handled by the Barrie Memorial Hospital to date. Of these more than two-thirds have been surgical cases. About thirty percent of the cases have been indigent. For the month of December there was an average of seven patients a day.

Post Office at Howick Run By Same Family for 100 Years

This month marks the 100th anniversary of the Gebbie family locating in Howick and starting the post office which at this time is being run by the third generation. Tom Gebbie, the first one to start the post office, was followed by his son, Mr. William Gebbie and the latter was followed by Mr. Lewis J. Gebbie, the present postmaster, who was appointed in June 1913 — 27 years ago.

The building in which the present post office is located is not the original one although it is practically on the same location as that on which the original long log building stood. This old log building was burned down and the new building erected in 1883. It was built at a total cost of \$2,600. Hemlock was purchased at \$10 a thousand feet. A total of 33,000 feet of one and a half inch flooring was purchased at a cost of \$12 a thousand feet.

Report From Ottawa

There were rumors that his Quebec MPs would desert him, that he would retire or soon be replaced.

John George Diefenbaker branded the reports rumors and after he had undergone a withering week's fire it seemed the reports were just that — rumors.

The Conservative Party's 10-member Quebec caucus — after early reports predicted that up to four of them would bolt party ranks and sit as independents in the Commons — decided to remain in the party.

They did, however, offer a challenge to Opposition Leader Diefenbaker by asking for a national convention to test his leadership.

After a huddle in Montreal, the 10, led by provincial leader Leon Balcer, 47 (Trois Rivières) drove to Ottawa to make their statement. Mr. Balcer said four weeks ago he was thinking of quitting

Provincial Capital Report

QUEBEC (CP) The old colonization policy of the Quebec Government, and efforts to get farmers a larger share of forestry income, were severely attacked this week by a team of Laval University researchers.

Professors Omer Lussier and Georges Maheux of the Forest Research Foundation at Laval said in a report that formulas offered by the Catholic Farmers Union of Quebec to integrate forestry and agriculture "would set back the normal growth of our economy 50 years."

They said the confusion of "cultivation of non-arable land with forest operations" was a mistaken policy started in 1930 in Quebec.

"The results are glaring: woodlands cleared and ruined; abandoned farms; struggling parishes; physical and moral suffering for the settler; local industries forced to curtail production or even to cease operations."

The report said bluntly that the old colonization policy — settlement of regions like the Abitibi — is obsolete.

"It should be revised because it is too costly and the results are negative."

This kind of mitts-off talk about agricultural problems has become more common lately as the government approaches the point where it must formulate a farm policy. Deputy Minister Ernest Mercier of Agriculture said recently the Quebec Government hopes to double or triple the number of paying farms within the next 10 years.

Figures in 1961 showed that only about 25 per cent of Quebec's 96,000 farmers were making their work pay.

Mr. Mercier indicated that the solution will have to involve regrouping existing farms into economic units, and helping farmers in hopeless situations relocate.

Concrete help this year probably will take the form of tax relief as a result of proposals to be made to the government in late March by the Belanger Royal Commission on Taxation.

Efforts also are being made to get farmers to produce more of what Quebec needs — eggs, for instance, millions of dozens of which are imported from other provinces.

Formation of marketing co-operatives to give farmers a stronger bargaining position with buyers also seems to be change of mentality in certain rural areas.

Mr. Mercier said that if agriculture is going to undergo a "renaissance", one requirement will be "a radical change of mentality in certain rural areas."

The government intended to classify farms from the point of view of viability — the worth of continuing them. Federal and provincial encouragement would aim at increasing net revenue, general productivity, and "the regeneration of agriculture."

High On Everything

Mr. Deutch told reporters that governments, to achieve these goals, will require budgetary, monetary, trade and labor-market policies "stronger than now."

The potential economy the council envisioned was one of high standards of living, high employment, high education, high resource mobility, high research, high investment and high competition.

The Passing of The Late Dr. Stalker

THE large number of tributes to the late Dr. Murray P. Stalker of Ormstown which appeared in this newspaper the past week are evidence of the great respect held for this man. As the co-founder of the Barrie Memorial Hospital and what this has meant to numerous people in the Chateaugay Valley, he is deserving of all tributes.

While he saw a great deal of his ambitions fulfilled, he was about to enter another stage, that of enlarging the hospital to give even greater service. As far as the present Barrie Memorial Hospital is concerned, we might say that he was almost wholly responsible for it. We well remember working with him and the committee which was formed to build a new and larger hospital in Ormstown. He attended numerous meetings during that first campaign both of the campaign committee and with officials of the Government in order to iron out matters. It was a great day for him when that opening day came. The new hospital was not fully used, as it is today, but foresight

paid off, or the service that has been given could never have been. At this time there is further need of expansion and Dr. Stalker was again bending his efforts in this direction and already a plan of campaign had been mapped out on paper at any rate.

It seems to us now, that in any campaign for the expansion of this hospital that some other plan should be included to have a lasting monument to Dr. Stalker erected in the building or on the grounds. This would be a lasting memory for all who come after to know what one citizen had caused to be done in the interests of all present and future citizens.

There are, we feel sure, many people who would like to see a fitting monument erected to the memory of this man. What form this would take would have to be decided and then a campaign launched to see it through. We believe it should be of a nature that would be permanent and something by which all would become aware of the history — citizen, or stranger.

In this area, at least, he was a great man.

"COUNTRY NOTEBOOK"

BY WALKER RILEY

"Country Notebook" by Mr. Walker Riley, Agricultural Extension Specialist with Macdonald College, appears in The Gleaner with this edition. The column will be a weekly feature which we trust will be of interest to all in the Chateaugay Valley.

Agriculture in Quebec is destined for remarkable development, if possible, pre-determined price of the address given by Dr. Ernest Mercier, Deputy Minister of Agriculture for Quebec, at Macdonald College on January 11. As well as staff members and students, quite a few drove in from the surrounding country to hear Dr. Mercier outline policies for the regeneration of Quebec Agriculture.

There are, in Quebec, 96,000 farms. Of these, only 16,000 are considered to be commercially viable; with gross sales over \$5,000 a year, they turn out one-half of Quebec's agricultural produce. It is the Department's aim to increase the number in this category to 40,000 farms within the next ten years. Dr. Mercier said. For the remaining farms which have little chance to survive, an honourable exit from agriculture will be sought.

There are three ways to increase the farmer's net income — by higher prices for farm produce, by deficiency payments and subsidies, and by reducing farm costs, Dr. Mercier said.

To reduce the farmer's cost of production, there will be assistance policies and grants for farm management services, for reduced loan interest, for improvements to farm property, for reduced property taxes, and for assistance in the transportation of lime, fertilizer and produce.

The farm management program is to receive high priority, Dr. Mercier stated. Farmers will have the opportunity to join three kinds of management organizations — a beginners group, clubs for the more experienced, and associations of specialists in management. The last two groups will pay all or part of the service, depending on whether they engage their own advisor or

the period January 1 to November 30, 1964; an increase of 862 over the same period in 1963. He regretted being unable at present to give us the number of cows bred, by breeds, last year. However, he gave, instead the approximate number of members, by breeds, in this area.

Holstein — 62; Ayrshire — 33; Gurnsey — 1; Jersey — 2; Brown Swiss — 1; Shorthorn — 1

We wonder how many of the 100 herds concerned also own a herd sire; in other words, how many herd sires have been edged out by the Ampule?

Proving Sires

Several of the Ontario (A.I.) Breeding Cooperatives have entered into a proving programme for Ayrshire, Gurnsey and Jersey bulls. The Waterloo and the Central Ontario Cattle Breeding Associations already have in effect a similar plan which enable the testing of young Holstein sires within a shorter period of time. In turn, enable those units to obtain proofs on the bulls concerned at an earlier age than was possible previous to the pooling.

The Ayrshire, Gurnsey and Holstein bulls will be proven on a province (Ontario) wide basis with plans in the future for participation in a nationwide programme.

Bulls to be purchased in each breed each year are: 4 Ayrshire; 4 Gurnsey and 5 Jersey. Each unit is to be responsible for breeding a number of cows in tested (R.O.P.) herds to obtain a proof on every bull purchased. Plans call for a minimum of 150 tested services per bull. The number of test services within each stud's area will be determined by the volume of services performed within the particular breed. When these bulls are proven their semen will be made available to all participants in the proving programme. In fact we programme on a similar pro rata basis.

"Proving is expensive," says the announcement. "The cost of carrying out a sire programme is high. However, if we are to continue in the improvement of cattle we must be willing to put forth extra efforts and expense to achieve our objectives."

"To obtain proof on young bulls we must have females in tested (R.O.P.) herds bred to them. Without cooperation from these herds, the project will not be a success. We solicit your members of Breeding Associations support in this programme. You will be helping yourself, your breed and your A.I. Organization."

Ormstown Area Eligible

Following our reading of the A.I. Bull Proving announcement, we wrote to Dr. R. G. Smiley, Assistant Manager, Eastern Breeders Inc., Kemptonville, Ont., to ask him whether the cattle breeders in this area who are affiliated with Eastern Breeders would be eligible to participate in the (Ontario) plan. In reply Dr. Smiley wrote:

"Regarding the information which you requested in connection with our members in the Huntingdon area, they will definitely be eligible to participate in this Young Sire Proving Programme. In fact we would be hoping that quite a lot of proof information would be forthcoming from this area in the future, particularly in the Ayrshire breed."

For your information, as young bulls are entered on the proving programme, extended pedigrees and pertinent information on each young sire is forwarded to all herd owners who are on R.O.P. and D.H.I.A. (in Ontario) and these breeders are requested to breed a percentage of their herd to one or more of the young bulls. It is pointed out to them, that by helping to prove these young bulls, more proven sires will be available for their use in future.

Centrally Located

Dr. Smiley also wrote: "We call our outlet in your area, our Ormstown Branch, as we have an office in Ormstown at 32 Bridge Street. Our Supervisor in charge of that office is Arthur Rankin, and he has one full time technician under him in the person of Michel Paquet. A third man is at present working out at this office during the heavy breeding service."

The offices in that area, include a Voting Delegate in the person of Wallace Rennie, Huntingdon and the Secretary, Murray Templeton, Howick. The Alternate Voting Delegate is Spencer Gavin of Glenelg.

Sizeable Membership

Dr. Smiley also informed us that while he could not in the meantime give us the complete figures for the past year, because those for December are not yet available, some 3,357 cows were bred from the Ormstown Office during

War Memorial Arena News

By Safety Sam

The Arena was stretched to the limit during the past week to find time to fit in all the activities which needed ice time. Town League Hockey Wednesday and Friday evenings, School Hockey Thursday afternoon, boys hockey against Ormstown Thursday at six thirty, the little fellows hockey all Saturday morning, St. Joseph's

School practiced from twelve to two on Saturday. Model Dye Old Timers played against Athelstan Sunday at 12:30 and this Monday the Junior League was back in action. Besides all this the skaters were out Tuesday, Thursday, Saturday and Sunday. It's a good thing it got a lot colder towards the end of the week or the ice would have been worn down to the gravel.

To add to the above schedule, a broomball league is in the process of being formed, they will have to play their games before skating on Tuesday, Thursday or Saturday evenings between six thirty and eight unless they want to use the Arena during the small hours of the morning. Lets say two a.m. The Chateaugay Valley Hockey League is also looking for ice time, the only time available to them would be after nine o'clock Monday evening, and after skating finishes on Thursday and Saturday.

If you have an event which you wish to use the Arena for please get in touch with us, we'll work it in somehow. If you have something to criticize in a constructive way, we will be happy to hear from you, this Arena belongs to the people and we hope it will be run so that more and more use will be made of it.

Last Week at the Arena

Wednesday evening's Town League game between Cazaville and St. Joseph's ended with a five to two win for the strong St. Joseph's team. From the team St. Joseph's iced on Wednesday, it appears the rest of the teams will have their hands full trying to stay with them. Cazaville stayed right with them until the third period but, three goals by the Saints, 2 of which were scored by Denis Raymond put the game out of reach. Grant's Bakery received two points for the second game, which they won by default, when the St. Anicet team did not appear.

Friday evening St. Joseph's Saints had too much speed and experience for the young Athelstan team, the Saints, easy seven to one winners in the game, held quite an edge in the play. Maurice Pilon, former star for Clyde's in the Chateaugay Valley League led the Saints attack, scoring two goals and setting up two others.

League Standing	P	W	L	Pts.	F	A
Saints	2	2	0	4	12	3
Hawks	1	1	0	2	0	0
Grant's	1	1	0	2	0	0
Cazaville	1	0	1	0	2	5
Athelstan	1	0	1	0	1	7
St. Anicet	2	0	2	0	0	0

Grant's and Hawks won games by default from St. Anicet.

Coming Up at the Arena

This week, Wed. and Fri. Town League Hockey: Saturday morning, boys Hockey: Monday evening, Junior. The game of the week will be Friday at nine, when St. Joseph's Saints take on the powerful Red Hawks, last year's Town League Champions.

Work on the new heating system is now underway, it will be quite a difference from the old days when everyone would huddle around the Coal Stove trying to warm their toes and fingers.

Exhibition Game

The Model Dye 'Old Timers' came out on the short end of an eleven to one score, in a game played against Athelstan of the Town League. The game was played Sunday at 12:30 and a gate of close to fifteen dollars was realized for the Arena. Good work boys.

Town League

Due to the fact that St. Anicet has not been able to ice a team, St. Barbe will take their place in the town league and play all the games scheduled for St. Anicet. Their first game will be Friday at 7:30 when they take on Athelstan.

POWERSCOURT

POWERSCOURT — There was more excitement in our community on Thursday evening. A chimney fire got out of control at the home of Mr. and Mrs. Stewart Ross, on Thursday eve, at milking time. Fire extinguishers were used but when Mr. Ross realized that the fire was between the floors, the Athelstan Volunteer Fire Brigade was called, and arrived promptly plus many neighbors and the fire was soon under control. There was minor damage in the house. Had the fire occurred during the night, damage could have been serious.

Sorry to report that Miss Jeannie Taylor, who returned to MacDonald College after undergoing Surgery during the holiday season, had to enter Montreal General Hospital. However she expects to return to College this week. Best wishes to Jeannie for a speedy and complete recovery.

One of our elder citizens reached another milestone on the 13th. Mrs. James Wallace celebrated her 87th birthday and her sons and daughters-in-law, Mrs. John Rennie, Mrs. McClary and Mr. and Mrs. Wallace Rennie joined her in a birthday celebration. Later in the afternoon Mr. Alex Wallace arrived from Smith's Falls, Ont., to be with his mother on this special occasion. Congratulations to Mrs. Wallace and every good wish for an improvement in health.

Mrs. Joe Fischer, who has been with her parents, Mr. and Mrs. Fred Ross, since Christmas, returned by car to her home in Long Island, N.Y., on Friday. She arrived home to find 8 inches of snow had fallen and had to have the snow dug out before she could get into her garage. Mrs. Grant, who has spent several weeks at the home of her son Don-

ald, has resumed her duties of caring for Mr. and Mrs. Ross.

Another interesting letter has been received from Mrs. Russel Young, Korea. She reported on their Christmas activities. At 10 a.m. Christmas Day the family all got into the jeep and delivered 20 — 20 lb. bags of rice and rice cake to needy people in a nearby area. Knowing it was Christmas, there was a tremendous crowd waiting in the hope of receiving something. Alison is taking piano lessons now and she and her mother were invited to the music teachers wedding. Indeed a very different wedding ceremony than we have here. Mrs. Young and Alison wore Korean dresses and forgot to wear extra clothing underneath. The bride arrived late, and as the chapel was not heated and the floors are cement it made for cold feet and discomfort. The wedding reception was held at the college where there were no decorations or flowers. As the guests arrived each one picked up a cup of ginseng tea and a rice cake and sat at a bare table devoid of even a tablecloth. After this lavish ? repast, all departed.

Mrs. Ed. McGinn spent a few days recently in Massapequa, N.Y., to attend the funeral of her brother-in-law, the late Walter Mott.

Mr. and Mrs. Leonard Lalulipe, Mr. and Mrs. James Smith and Mr. and Mrs. Norman Renaud, spent the week-end in the Laurentians.

Interesting Letter From Garnet Stark At Easter Island

December 25th, 1964 and a dollar from one of the women on the Expedition to Easter Island.

Dear Mon and Dad
Merry Xmas to you all and a Happy New Year.
I suppose you have been wondering why no mail from me. Well when we left Balboa second of December, that was the last mail the ship would get, or send, until we reached Chile, South America, which was on the thirtieth of this month. Long time without any mail.

I hope you all had a Merry Xmas. I spent mine one thousand miles from nowhere, under a blazing sun, just south of the Equator. The temperature here is about 90°. We haven't had any rain in two weeks.

For Christmas, I got a beautiful wallet from the ladies of Huntingdon, a string of shells from a five-year-old girl at Easter Island

When the ship left San Juan, Porto Rico, we hit hot weather like I never experienced before. Even with the ship moving it was desperate. The six days sailing from San Juan to the Panama Canal (Balboa) was terrible. As soon as we were in the Pacific the temperature went down. I thought when we crossed the Equator we would die in the heat. You probably won't believe this but the three days that it took to cross the Equator were really cool. Cool enough for a blanket at night. We all wore jackets on the upper deck.

GARNET STARK

current runs from Antarctic, so maybe that would explain the cooler temperatures. At home (Huntingdon) in the summer time when the temperature reaches ninety degrees you just about die in the heat. (High humidity) down here there is a very low humidity (dry and comfortable). But the sun is so hot that in 55 minutes you would be sunburned. I usually lie in the sun 35 minutes on my back and front and become pink coloured. I fell asleep one day, and woke up three hours later. Was I a sorry mess. My face blistered and peeled the same night. I had asked a guy not to let me sleep longer than an hour. He forgot about me. I am still working nights and sleeping during the day. I plan staying night Steward the whole trip.

The mileage from Panama to

Easter Island is 2700 and took us eleven days to get there.

I don't know whether I told you the purpose of the medical expedition to Easter Island (MEDEL). The Island is completely isolated. The nearest land is 1500 miles and that's another island. It is 2300 miles from Chile, S.A. (which owns Easter Island). The Island is triangle shaped 64 square miles. Now civilization will be moving in within the next two years. Because in January, Chile is building an air strip on Easter Island. So the reason for this Expedition is to study the effects on a totally isolated people before and after people start coming to the Island.

When we arrived at Easter Island, the natives with in came out in their boats to meet us. In their boats they had statues. Now this Island has a fabulous history of its own. These statues vary in size from 3" to 3' high. They carve these statues from drift wood and beautiful carvings I might add. Now the real statue (there are over 400 on the island) stand twenty feet high carved from solid stone. From generation to generation these statues (ones carved from drift wood) have always had the same design. These Statues help to keep alive a race that lived there. They were called the long ears and the short ears and the cannibals or ghost men. Oh yes and the bird men. So there are four kinds of statues carved on the Island. I don't have my Statue yet. I'm waiting until I go back to Easter Island. Cape Scott was the first ship in thirteen months that stopped at the island.

All the islanders do is fish and carve. There is one Pineapple plantation on the island. Field crops are impossible due to the volcanos. There are fifteen inactive volcanos, so the Island is nothing more than a mass of molten rock. The volcanos were active at one time. If you want some souvenirs from the Volcanos just let me know before the first of February, that's when we leave South America for E.I. I'll get you a piece of volcanic glass anyway.

The transportation on E.I. is horseback. Myself and three others rented a horse (one pack cigs) and we toured the island. What fun. I had a sore seat and spine for three days. There was one sight I really wanted to see and that was Crator Lake or Hanga Roa Crator. I saw it twice. I walked up the next day to see it again from the right hand side. What a sight really beautiful, folks. At the top of the highest mountain on the island is this crator. The rim of the crator is about 1 mile and a half across, about 1/2 mile across at the bottom and 1000 feet down. (If you could picture, a five gallon bucket of ice cream and if you had a gallon ice cream scoop and out of the center of that five gallon bucket you took a gallon with the scoop you would leave quite a large hole or "crator". That's just what this volcanic crator looked like. At the bottom of the crator there are several large lakes and are said to be 200 to 300 feet deep. If you could only imagine the size and depth of this, I will send you a set of pictures of Easter Island that the Navy Photographer took. They don't have them ready for sale yet but I'm hoping to send them to you shortly after I reach Valparaiso, Chile. And on the backs I will explain as best as I can what they are.

The people of E.I. are very friendly and some speak a bit of English, but they are all Spanish. There is excellent fishing there. There are Tuna and Shark. I caught a three foot tuna about three days after I arrived there. What a beauty of a fish and fight. Nothing like cod. When I hooked him I had almost 250 feet of line out. I didn't have any gloves on. The Tuna are fished with no weight and use a whole live fish. The bait looks like a baby tuna and is about 10" in length. I was sitting on the front of the ship and the water had carried bait and line 250 feet from the ship. I was jiggling the bait when all of a sudden everything broke lose. When the tuna hit he ran and my 220 lb. test sailed through my hands. (I had one turn around my hand just like when we fished cod). The line cut and burnt two fingers. The funny part was that I never tried to sink the hook but pulled the bait away from him twice. The third time I gave him line and let him have the bait for a few seconds. Just like fishing black bass at home with minnows. While I let him have the line the third time I reached into my bag, I took a glove out and put it on. This time when I hauled on the line there was no give and the hook found a spot in the tuna's mouth. All hell

HEMMINGFORD W. I. NOTES

Hemmingford W.I.
The ladies of the Hemmingford branch W.I. held their first meeting of 1965 on the evening of January 6th, in the High School, with nineteen members and three visitors present.

After extending a cordial welcome and her best wishes for the New Year, Mrs. F. Greer, President, opened the meeting with The Collect and Ode. The Roll Call followed. "Something I have Read about Another W.I. Branch", brought forth responses of interesting projects of branches in our own counties, particularly mentioned the beach and campsite for W.I. members started by Malartic, a comparatively new branch, gave activities of branches in England and Mrs. R. Petch read a humorous poem composed by a W.I. member. Mrs. Winter still corresponds with members from as far away as Temiskaming and other northern branches whom she met at Leadership courses a few years ago, who watch the Farm Journal for activities of the Hemmingford branch.

Twenty-nine Cheer boxes were distributed to shut-ins in the community. The Secretary read cards of thanks from many of the recipients. Mrs. Winter reported having sent a Cheer Box to our adopted Mental Patient, also reminded the members of his birthday on January 14th, and suggested each send him a birthday card. A sum of money was allotted for a birthday gift from the branch which will be taken care of by Mrs. Greer.

After discussion it was agreed to hold the Annual Card Party and Food Sale in the Hemmingford High School Auditorium.

The Secretary read further correspondence resulting from The Declaration by Canadian Women to CBC objecting to violence, sex and crime on a great many of their programs. It stated that an undreamed of response of 70,000 names appeared on its behalf, but for still further action Federal Members of Parliament should be contacted. A reply from our own Federal Member stated that the CBC still shows lack of restraint and responsibility in its programming, but hopes for a much higher standard of broadcasting in the future.

Conveners' Reports followed:— Agriculture gave interesting information on Canada's Centennial Rose which is a florabunda type, coral coloured with from 55 to 70 petals and will be available in the Fall of 1965. All proceeds from its sale will go to research for retarded children. Mrs. Robertson also mentioned she had attended a meeting in Howick of 4-11 clubs which, in future, will be known as Young Farmers Clubs, the age being increased to 25. Besides calf-raising, homemaking and other courses will be given but leaders are badly needed. A suggestion was made that perhaps individual W.I.'s could sponsor a Home Economics course. Thoughts and ideas will be welcomed at a later date.

Citizenship outlined ideas for an Exchange Program which explains itself — two groups in different countries exchange programs. This needs advance planning, so this too will be brought up again when planning the program for 1965-66. Any branch interested in this Exchange Program idea can obtain leaflets from Mrs. C. Harris. Mrs. Gaese had information from The Miracle Mart regarding a community Fashion Show which will be given further thought.

Education — Mrs. L'Esperance reported she had attended a meeting with Mrs. Bernhardt and Mrs. Templeton to decide on matters concerning the Public Speaking Contest.

broke lose. He took line three times (thank heavens for the glove) and broke the surface twice shaking his head (just like a black bass) trying to free the hook. It took some thirty minutes to get him a long side the ship. What a beauty. I called one of the natives who was fishing along side the ship. He rowed over and I sent down my shark hook. He put the hook in my tuna and the fight was over. All the time I fought the tuna another was chasing the hook ed one around. I had another bait but failed to catch another the whole time I was there. So I'm hoping when I get back I will be able to hook another and get a picture of it. The Tuna come in with every tide. If I do get another I will send a picture of it to you. I will never get another chance to fish at Easter Island so I plan on doing quite a bit in the five days I am there in February.

dates, etc. She has drawn up a suggested form of rules and regulations for judges and is having them stencilled and sent out to branch conveners. She was most emphatic that duties of conveners should definitely be outlined before the conveners are chosen.

Home Economics Convener gave details of the Salada Food Contest and urged the members to take part in this. She also read an article on nutrition which included the various classes of foods we need to insure we are getting the necessary vitamins required for good health.

Publicity read two newspaper items — As an International Cooperation Year project, provincial branches of FWIC will increase their shipments of school and reading books abroad in 1965. The second item dealt with a recommendation by FWIC submitted to The Special Senate Committee on Aging for a federal loan to families willing to provide accommodation for parents or other elderly relations in or near their homes.

Health and Welfare read from the CAC bulletin about the possible dangers of excess intake of artificially sweetened drinks and food. This practice should be discouraged until further research has proved the validity of this assumption.

Two committees were formed, the Program Committee — Mrs. J. Robertson, Mrs. F. Greer, Mrs. E. Keddy and Mrs. F. Matheson. The Nominating Committee — Mrs. C. Petch, Mrs. D. Woolley and Mrs. J. L'Esperance.

Mrs. Harris showed a movie on Women's Institutes in England and Wales which left us all with the thought that although separated by thousands of miles, we have the same basic ideals for carrying out our theme of working together for Home and Country. Mrs. V. Clarke thanked Mrs. Harris for showing the film.

Articles will be collected for the Christmas stockings for Canadian Save the Children Fund at February 3rd meeting, also used Christmas cards. Delicious refreshments were served by the hostesses Mrs. C. Petch, Mrs. J. Robertson and Mrs. J. L'Esperance.

HEMMINGFORD HIGH SCHOOL NOTES

The students of Hemmingford High are back at school after what seemed our very short Christmas holiday. When is Easter? School activities and events are well underway again.

On Friday, January 8th, our boys' basketball team played some of the "old pros" — Steven Boon, Billy Cookman, Ronald Deery, Glen and Wayne Hadley, Gerald Smith and Robert McKay, coach of our girls' team. It was a close game but our boys pulled through by a win of 43-42.

On January 22nd both our boys' and girls' basketball teams will play another league game in Hemmingford against Chateaugay.

Five of our graduates — Karen Stonebridge, Raymond Gaese, Dave Millroy, John Wallace and myself wrote College Entrance Exams in Huntingdon last Saturday.

Our year book staff has "The Coin" well on its way to completion. Twenty pages are to be sent to the publisher for Friday, January 15th. The Student Council is sponsoring a Carl Party in the near future. We are raising money to finance "The Coin" and our prom in the spring.

On behalf of the students of Hemmingford High I would like to express our sincerest sympathy to Mrs. D. Laurie and Mr. and Mrs. J. Laurie and family.

CALENDARS

WITH LOCAL CHARACTER

Businessmen, Church Societies and others, before ordering your calendars for 1966, check with The Gleaner first. You can obtain calendars which will have local pictures, or even pictures of your own establishment, or church, to impart individual as well as local character.

Various sizes and styles can be obtained, which will make your calendar different from others. You can choose desk calendars, pocket calendars, as well as the hang-on-the-wall type.

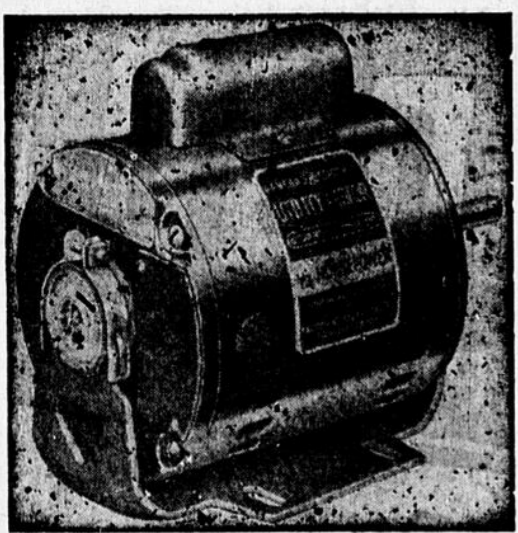

Price-wise, the cost will be about the same as you would pay for other calendars, perhaps even a little less. And so you will obtain more individuality in your calendar that will make yours just a little bit different. It's worth investigating.

If you did not get calendars for 1965, we can make you something to fill in there too. Why not call us and talk it over. DO IT NOW.

Gault School News

By Mary Clandinan

Grade XI has, since the Christmas holidays, been working industriously on the class trip. They held a candy sale on January 11; the profits being eleven dollars. During the same week, they held a penny race throughout the school. The winning class was given the last period off Friday, January 15 as a prize. The class is also planning on holding a "Chicken Supper" on Tuesday, February 9 at the Elementary School. Tickets may be obtained from Lesley Millar at 373-9040. The price is \$1.50. It is hoped that the supper will be a success.

Hockey at Gault Institute began on Thursday, January 14, when the boys went to Huntingdon for their first game. It is unfortunate that the weather has been so mild as it has hindered practices. The mild weather, however, has not bothered Gault's curiers. The boys attended the "Pepsi Cola Bonspiel" in Howick on Saturday January 16.

Obituary

The Late Walter A. Mott

Relatives and friends in this locality were saddened on learning of the passing of Walter A. Mott of Massawogon, N.Y. Mr. Mott had been in poor health for several months but recently, owing to the care of his devoted wife and fine family, his condition had greatly improved. He enjoyed Christmas with them as usual and was apparently in good health. The following day he suffered a heart seizure and was rushed, by ambulance, to the nearest hospital where he died January 6th.

The deceased was 74 years of age and the greater part of his working life was in connection with the Fifth Avenue Bus Line in New York City. During the first World War he enlisted in the U.S. Navy and had occasion to experience many close calls.

His was a full military funeral. The Veterans of Foreign Wars held an impressive memorial service in the funeral parlour followed by a solemn High Mass of Requiem in the parish church. His pastor, Rev. Fr. Bradley was the celebrant, assisted by Frs. Mohar and Cassidy as deacon and subdeacon and two of his grandchildren as altar boys.

Mr. Mott's first interest in life was his wife and family followed by politics and sports chiefly baseball.

He leaves to mourn his loss his widow, the former Celia Walsh, R.N. of Huntingdon, two sons, Walter of Massawogon, N.Y., in the employ of the Overseas Airways, Sgt. Robert Mott, U.S.M.C., stationed in California; two daughters, Margaret DePace of Stonebrooke, N.Y., Virginia Juanis of Deer Park, N.Y., two sisters, Mrs. Gilbert LeBeau of Detroit, Mich., Mrs. Milton Andres of Beechurst, N.Y.; 15 grandchildren, as well as many relatives and innumerable friends who paid their respects by calls, flowers, mass cards, and messages of sympathy to the bereaved family.

Relatives from Bombay, Fort Covington, Michigan and Huntingdon attended the funeral. Burial was in the Long Island National Cemetery where many of his comrades are buried.

Young People

STE. AGNES — Eleven young people met at the home of Anne and Shirley Platt on Sunday evening. In the absence of the president, the vice-president, David Fraser, led the meeting. At last week's meeting, the treasurer, Gordon Elder gave the financial standing of the society, showing that they have a balance of \$24. on hand.

This amount is quite amazing really, when one considers the membership roll and the number of activities that these young people have sponsored during the past year, all requiring a dip into that precious Treasury Box.

Some of these activities included the buying of Christmas decorations for the church, the camping trip to Lake Meacham, the entertaining of the Ottawa group and a substantial donation to the Bible Society.

The existence of a H.C. group makes for good fellowship among the young people of Zion United, as well as the sponsoring of associations with teen-agers from other congregations. Congratulations, group!

Sub-Zero Weather
Up until last Thursday, January 14th, we were more or less giving ourselves a smug pat on the back for having reached the middle of January with no discomfort as far as weather was concerned. The snowfall has been light, the temperatures moderate, but then the mercury dropped as low as 25° - 30° below zero on Saturday morning, immobilizing many automobiles and freezing all but the well-insulated water pipes. The skies were clear and sunny, however, and while we were subjected to the bitterly cold air pouring into our region we can be thankful that, for the most part, we did escape the strong winds which combined with the Arctic weather system to hit some parts of the St. Lawrence Valley.

I wonder how many people miss the regular appearance of Percy Saltzman on CBC, keeping us up-to-date on weather conditions in our own and surrounding areas. We were made acquainted by Percy to weather systems, high and low pressure regions, and the influence which they exert on our local weather. It would be nice to have him back again!

Celebrates Birthday
On Saturday evening, January 16th, about thirty friends gathered at the home of Mr. and Mrs. Alphonse Vallée to celebrate Mrs. Vallée's birthday, which fell on that date. A "500" was played during the evening, and all guests thoroughly enjoyed themselves.

Mrs. Vallée was the recipient of many lovely gifts and included among them was a delectable birthday cake, a gift of her sons.

After the serving of refreshments the guests left for home, wishing Mrs. Vallée many more happy birthdays, and continued good health with which to enjoy them.

Personals
Mr. and Mrs. Alphonse Vallée visited last week-end with Mr. Vallée's parents, Mr. and Mrs. Felix Vallée who reside in Sherbrooke.

Mr. and Mrs. J. D. McPherson of Valleyfield visited on Sunday at the home of Mrs. Edna Arnold.

Mr. and Mrs. Aldéric Leblanc accompanied Mr. and Mrs. A. Vallée to Ormstown on Sunday afternoon, where they spent a pleasant afternoon with Mr. and Mrs. Denis Primeau. Another brother of Mrs. Vallée's, Mr. Aldas Primeau, accompanied by his

wife, Mrs. Primeau, motored to Mexico some two weeks ago where they are thoroughly enjoying a six-week holiday.

VALLEYFIELD NEWS

By P. Stewart

Although a little overdue, I would like to take this opportunity to wish my readers a very prosperous and happy 1966.

You will observe that my column this week appears to be a "curling column" rather than "Valleyfield news".

The residents of Valleyfield were very sorry to hear of the passing of Mrs. Egan. Condolences are extended to the family. Mrs. Egan has been a long time resident in Valleyfield, and she will be sadly missed by her many friends and acquaintances. As she is the grandmother of two of my closest girl friends, and I have always been closely related with this fine lady, therefore I feel the loss greatly. I think I shall always miss being called "Ruby" instead of "Pearl" which grandma always did during those many years. Our utmost sympathy is bestowed upon the family at this time.

The Moco Curling Club held a mixed bonspiel for the members from Thursday, December 17th to Wednesday, December 23rd, with fourteen teams participating. Each rink was guaranteed two eight-end games, the system of scoring being "main event" and "consolation". The teams which participated in this were — Lacolle, Howick, Ormstown, Huntingdon, Alexandria, Beau-chateau, Riverfield and Valleyfield.

The winners of the main event were "Valleyfield" — skip — F. Soucy, third — B. Clarke, second — C. Howarth, lead — H. Whitehead. Mr. Bridcut congratulated the winning team and presented them with the trophy.

Mr. Bridcut then called on the other winning teams which were as follows: — runners-up in the main event, Lacolle, — skip — George Hood, third, Steve Fartish, second — Don Robinson, and Lead — Don Mac Taggart. Consolation, first place winner Beau Chateau; skip — Bob Turnbull, third — Larry Clifford, second — Stu Taylor, and lead — Paul Milo. The runner up was Ormstown, skip — J. Lamb, third — Archie Borland, second — Glen Waller, and lead — Doug Elliott.

Two drawings were won by G. Halle and R. Dandurand. There has been a round robin curling challenge underway at the Moco Club for several weeks to determine the winning rink which would represent Valleyfield in the "O'Keefe mixed curling competition". The teams which participated in this event were: — skip — W. Amos, third — M. Laroche, second — C. Laroche and lead — I. Amos. Skip — M. Carigan, third — G. Dandurand, second — P. Perron and lead — Mrs. Perron. Skip — F. Soucy, third — G. Soucy, second — C. Howarth, and lead — J. Howarth.

Walter Amos' team came through on top with three straight wins. This rink is scheduled to play at the Beau Chateau Curling and Golf club on Saturday, January 23rd, and Sunday, January 24th.

There should be a fine display of very keen and competitive curling viewed at this time. The winning rink of this event will be the district Champions, and will be scheduled to play in the finals which will be held in Quebec City on February 22nd.

The Royal Canadian Legion held their elections on Sunday, January 10th. The slate of officers for the year of 1965 is as follows: — past pres. — G. Shaw; pres. — I. Sely; first vice-pres. — H. Jourdain; second vice-pres. — A. Melanson; secretary — E. Leblanc; Treasurer — G. Boisclair; service officer — O. Langlais; Sgt. of arms — A. Lesperance. The executive consists of — H. Stewart, F. Perreault, A. Amos, S. Tardif, B. Campbell, F. Adams, and C. Hartley.

The Legion is predicting a fairly busy year ahead as plans are in the making to

 The United Church congregational meeting was held on Friday evening with a small attendance.

Mrs. Francis Smith and Denis of Valleyfield were Saturday guests of Mr. and Mrs. Ray McMillan.

Mrs. Willis Arthur, Trudy and Dannie and their cousin Bill Gordon of Huntingdon, Mr. and Mrs. Mayville and two children from Fort Covington and Mr. and Mrs. Francis Cook and children from Stanbridge East were Sunday guests of Mrs. Archie Lamb and brother Mr. John Jackson. Miss Annie Waddell of Montreal spent the week-end with Mr. John Waddell and his sisters, Miss Libbie and Mrs. E. Smith.

Congratulations to Miss Julie Schryershof, who has been named the local winner in Time's 29th Annual Current Affairs Contest.

Mrs. Clifford Dickson spent last week with Mr. and Mrs. John Barr in Montreal and the last few days with Mr. and Mrs. Gordon Pitt. She returned home on Saturday night with Mr. Clifford and Miss Aubrey Dickenson who had spent the evening at the same home.

Mr. and Mrs. Eric Lamb and family of Churubusco, Mr. and Mrs. Ronnie Maitier, Ronda and Lyndon of Rockburn were Sunday guests of Mr. and Mrs.

 (Continued from page 12) certain the price of a bus for a party. It was thought that other ladies of the community might care to join with the Fernieres in a day at the Saturday afternoon of January 30th, and also drew the attention of members to the fact that the firemen needed thick woolen mitts. She offered a quantity of wool which she had on hand if someone would do the knitting. Mrs. Roland Laplante offered to make a few pairs. The prize for attendance was won by Mrs. R. Laplante, the prize for the monthly recipe was won by Mrs. Joe Denault and the prize for the work of the month was won by Mrs. Leo Fortin. Miss Y. Stringer gave an appetizing recipe for date squares which is to be judged next month. The pleasant evening closed with an exchange of gifts among the members.

Old, Familiar Landmark Disappears from Barrington
 Had you been in Barrington on Friday, you would have seen the strange sight of a railway station being loaded on a truck and driven, along the road, to its new home. What indignity, what shame! After serving the gleaming rails for 82 years, to be driven off along an ordinary road, what utter lack of consideration for my feelings! However, when our little station arrived at its destination, you may be sure it felt quite at home again, amongst all its old friends, some of whom it would not have seen for many years. And it did end its years in a blaze of glory, the television cameras were there to record the farewell. Star reporters wrote about it and now it has made the pages of The Gleaner, what more could one ask! The station, built in 1880, on the line that originally formed part of the Lake St. Louis and Province Line Railroad which was completed from Caughnawaga, Quebec to Moers, N.Y., in 1852. At Caughnawaga the railway connected by train ferry with the Montreal and Lachine Railroad and at Moers with the Plattsburgh

 Unit 1: Women of the Church of St. Paul's met on Tuesday, January 12th, for their regular meeting with their Leader, Mrs. Earl Forrester, in the chair.

Mrs. Austin Anderson conducted the worship service, in theme of guidance. Annual reports were received.

The same committee as last year along with Mrs. A. Cavers and Mrs. O. Elliott are to plan and Montreal Railroad. A century ago this was renamed the Montreal and New York Railroad and it formed part of the principal rail-steam route between New York and Montreal.

Week-end Visitors
 Miss Lona Hodsman of Montreal spent the week-end with Miss Cynthia McKough at the home of Cynthia's parents, Mr. and Mrs. John McKough. Miss Hodsman is a student at Marianopolis College with Cynthia.

LACOLLE
 Miss Lorna Boyse has taken a position in Montreal and at present is staying at the Julia Drummond Residence.

Mr. Brian Boyse is expected home by the end of January. He has spent the last year in Korea with the U.S. Army.

The community has lost a fine citizen in the death of Mr. D'Arcy McGee, who passed away on January 15th at his residence.

Mr. and Mrs. Don Robinson spent the week-end at Cookshire as the guests of Mr. and Mrs. Don Parsons.

Miss Margaret Boomhower of Chateaugay was a week-end guest of her parents, Rev. and Mrs. Boomhower.

Miss Dixie Ferguson was a visitor to Lacolle this week-end.

Mrs. Don Robinson entertained the Home Dep. meeting on Thursday. Mrs. E. Robinson was co-hostess. Refreshments were served to ten.

Mr. and Mrs. Albert Morin visited Mr. and Mrs. Don Watson at Glenelg on Sunday.

Mrs. Quintin Delaney is much improved in health after her stay in a Montreal Hospital.

James Lamb.
 Mr. and Mrs. Merle Lindsay and family of Ormstown were Sunday night supper guests of Mr. and Mrs. Keith Dickenson.

'65 PONTIAC
 the new look of success...

Pontiac is excitingly new and different this year. And more luxurious than ever. With its striking new styling, sleeker, lower profile and majestic new grille, Canada's Success Car has outdone itself beautifully for 1965. And there's so much more than good looks to Pontiac's success story. It's the best handling, smoothest riding, roomiest and most comfortable Pontiac yet. A new extra-strength perimeter frame, new wider track, new suspension and steering are just a few of the things that make this the greatest Pontiac ever. Here indeed is the new look of success for 1965!

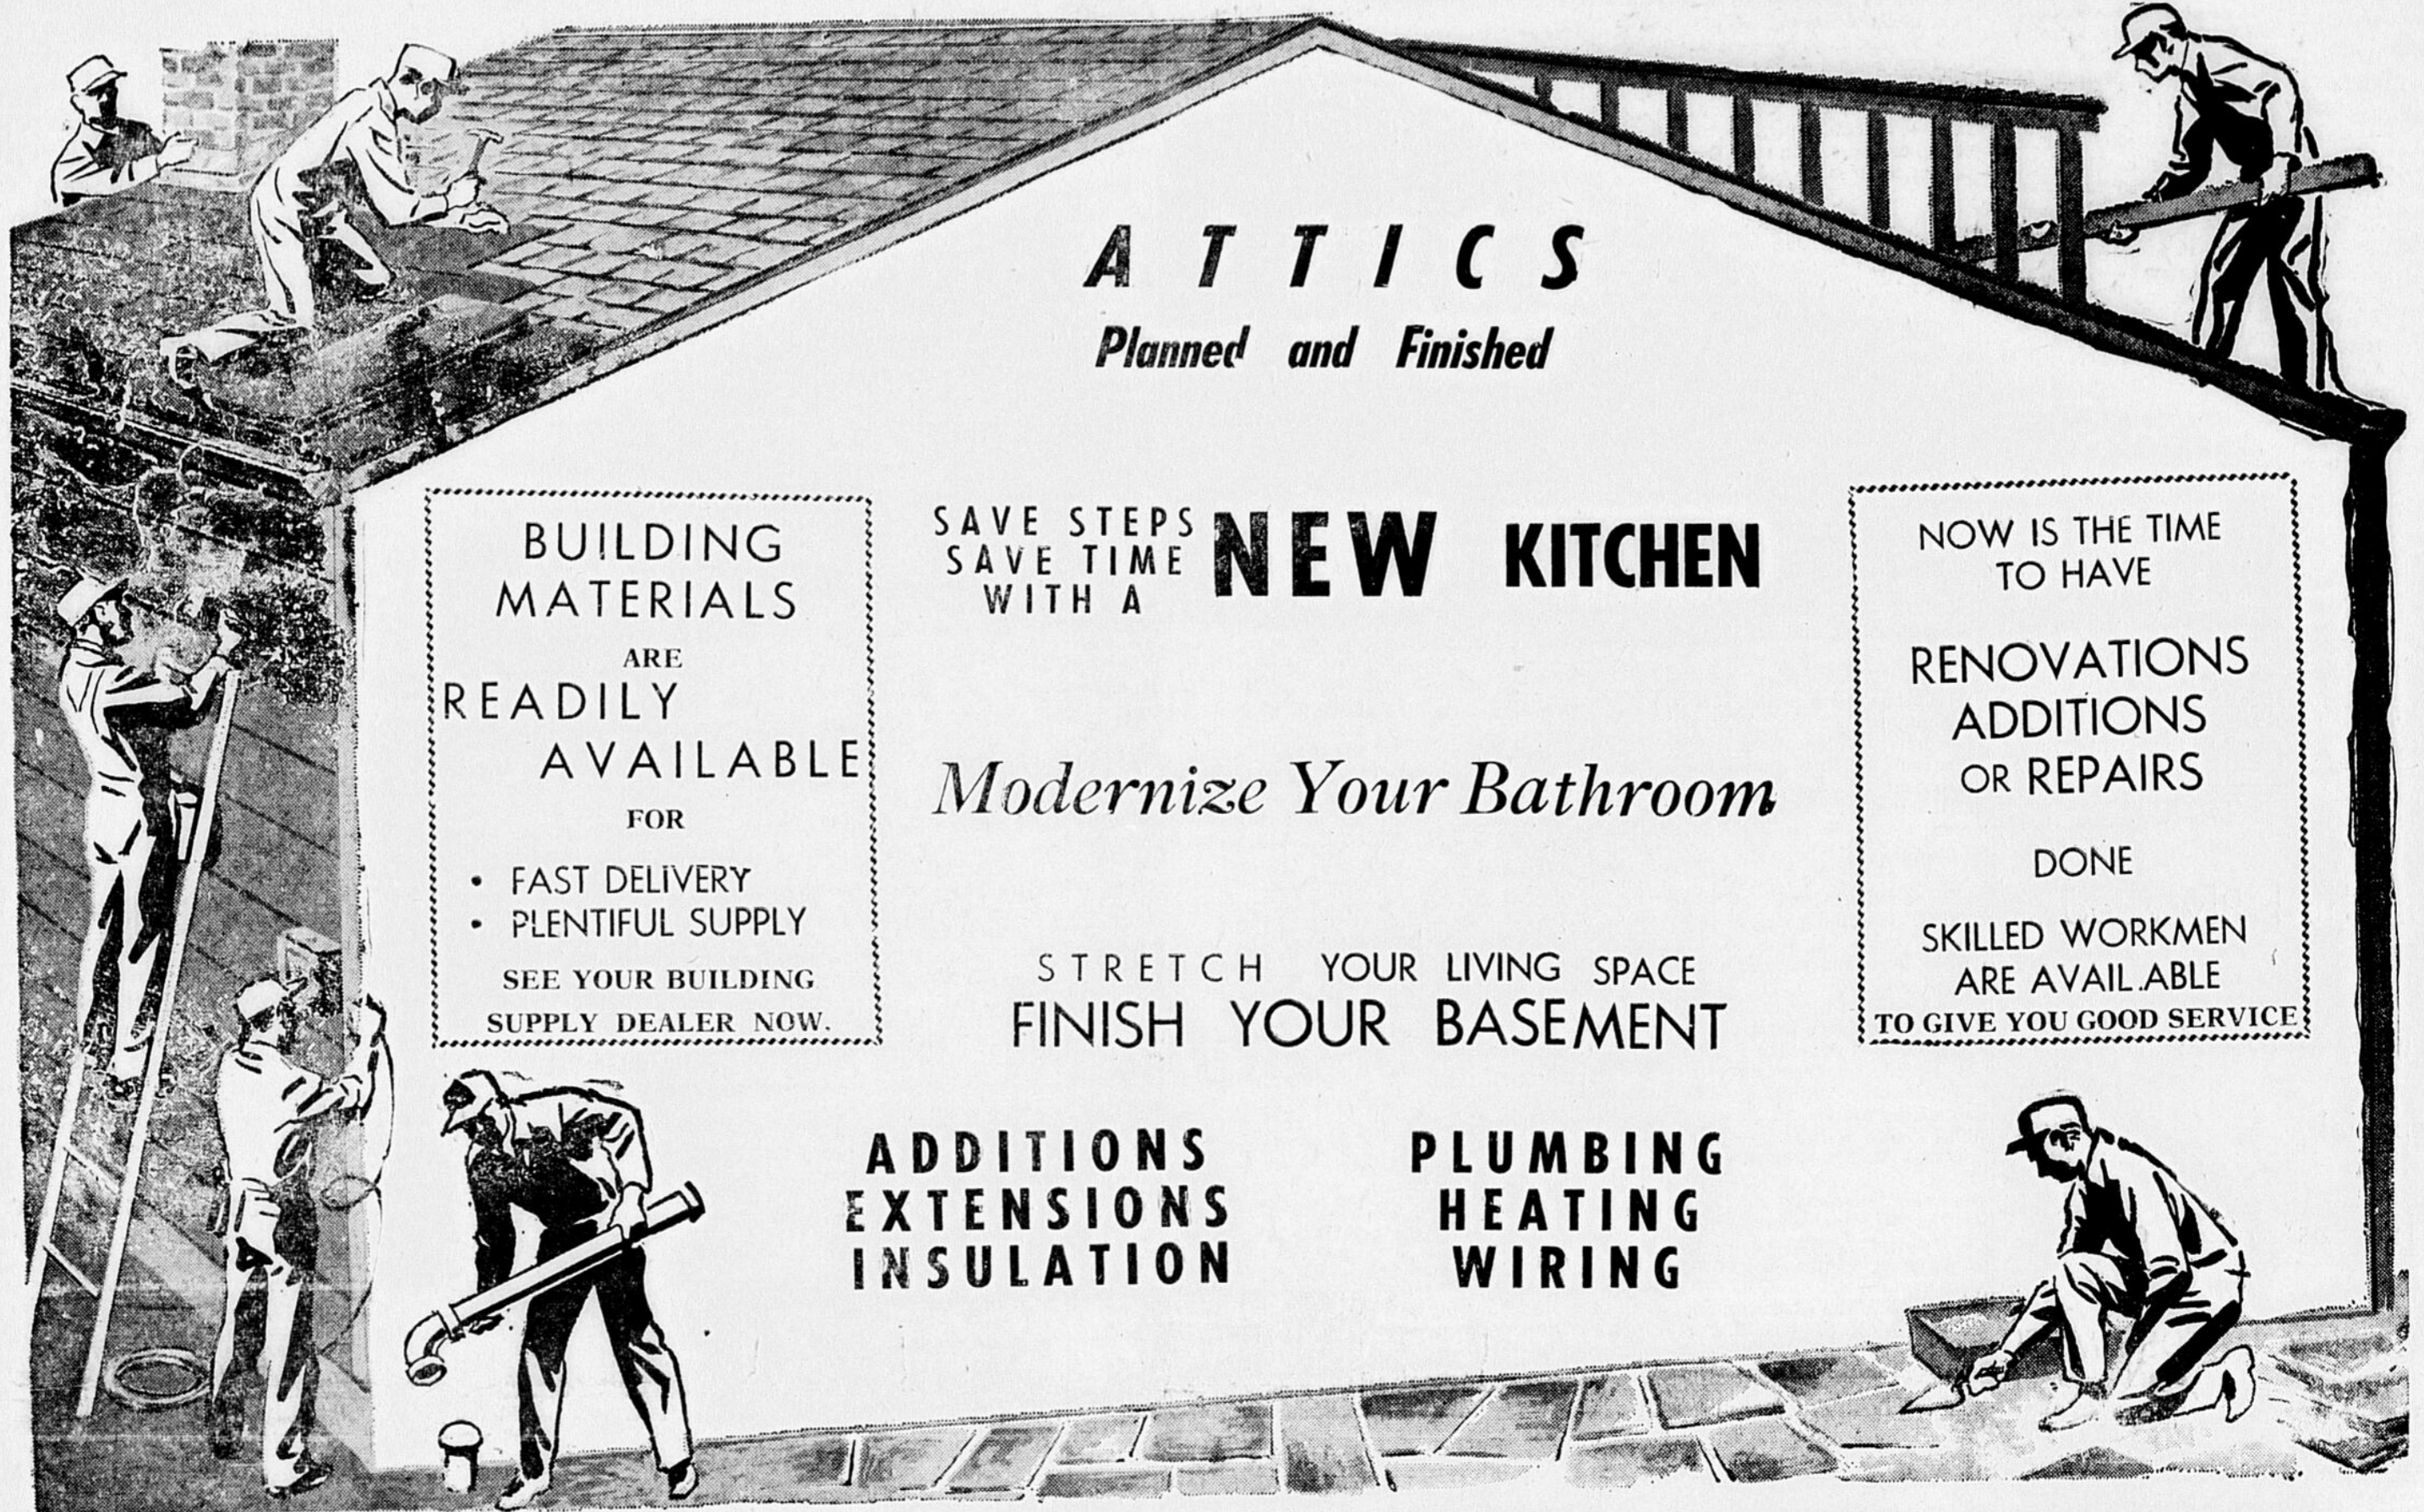

Be sure to watch "Telescope" and "The Rogues" now showing on television. Check local listings for time and channel.
