## HOPES FOR NO TAX INCREASE

### Hi-Y Officers Installed at 'Y' Ceremony

On Thursday evening, May 4th, the induction of the officers for next year's executive of the Westmount Girls' Hi-Y took place at the Westmount Branch of the Y.M.C.A. It was an impressive ceremony, and will be long remembered by those who saw and took part in it. All club members were present and the mothers and school teachers of the members were invited.

The meeting was opened by a short business meeting which wound up all the club activities, followed by the ceremony marking the occasion. The advisor, Mrs. Junke, spoke first to the new officers of their responsibilities to the club.

The new president, Marilyn Smith, then received the gavel from the past president as a token of her leadership. The secretary's records and the treasurer's records and funds were then handed to the new secretary, Diane Lemieux, and treasurer, Margaret Tucker, respectively. There was a prayer of installation by the vice-president and all joined in to repeat the "Lord's Prayer".

All members repeated the covenant and everyone present sang one verse of "Lead Kindly Light". Refreshments were served and the advisor, Mrs. Joan Junke, and the past president's mother, Mrs. G. Robertson, poured tea.

### Portable Altar for Mission Field

The portable altar shown above was constructed by members of the Diocesan Anglican Young People's Association which includes in its numbers many Westmounters. The fine workmanship was much admired. The altar will be used in the Western Canadian mission field by clergymen in remote districts where no such facility is available.

### Mayor Cameron Tells Meeting Hard to Budget

Mayor J. S. Cameron, in answer to a question at the annual spring meeting of the Westmount Municipal Association, held in Victoria Hall, on Tuesday night, stated that he was hopeful that it would not be necessary to increase the taxes this year.

He hoped that it would be found possible to balance the budget, but he held out little hope that taxes could be kept down, if the demand for extra services kept increasing.

Mayor Cameron was the guest speaker at the meeting, which was presided over by J. R. Fenwick, president of the association, assisted by vice-presidents James De Lalanne and Eric Slessor.

The meeting was attended by approximately 300 members of the association, who followed with keen interest the history of the City of Westmount given by Mayor Cameron, who was introduced by president J. R. Fenwick.

The meeting on Tuesday night lacked some of the fire which featured the fall meeting, due probably to the fact that questions had to be written out which cut off debate from the floor.

**Sunday Sports Not Questioned**  
Considering all the controversy which has been caused over the Sunday sports question, it was strange that the matter was not brought up by any of the members present.

The removal of the comfort station at the intersection of St. Catherine street and Lansdowne avenue was loudly criticized by a member at the back of the hall.

Mayor Cameron explained that the maintenance of the building had become impossible, and that the Montreal Tramways Company offered no objection to the demolition of the station.

The population of Westmount has only increased by about 1800 during the last ten years, and now stands at approximately 27,000 Mr. Cameron stated.

Mayor Cameron promised to try to cut down the volume of the P. A. system used for concerts in Westmount Park on Sunday afternoons.

He also promised to attend to a complaint, regarding a temporary comfort station being used by workmen, at the sub-station be-

### Putters' Club Close Season

With one of the largest turn-outs of the season, the Putters Club concluded the year's indoor activities with movies, colored slides by Bert Alford, and refreshments. This will be the last night in the Oak Room of the Victoria Hall for this season.

Lionel Fournier, recently appointed Superintendent of Recreation for the City of Westmount was introduced to the group by the president, George Cairns, and gave a brief talk. E. J. Anderson, Superintendent of Parks, also spoke briefly on the coming summer programme.

### Warning Given Regarding Dogs on Leash for Summer

Director Robert Byford of the Westmount Police Department announced today that all dogs must be on leashes during May, June, July, August and September. According to Section Seven of By-law 535 "any dog found in a public place and is not held securely on a leash not more than six feet in length, the keeper of such dog, as well as the person who caused such dog to be in such place, shall be deemed to have infringed the law."

Director Byford said that the law would be strictly upheld by the Westmount Police Department.

### Westmount Financial Statement For Year Ending December, 1949

The financial Statement of the City of Westmount, including the Balance Sheet and, in concise form, a statement of the City's Revenue and Expenditure for the year ending December 31st, 1949, is published for the benefit of those citizens who may not have received a copy.

Accompanying the statement, was a letter from Mayor J. S. Cameron giving certain information pertaining to the report, most of which is covered in his address to the Westmount Municipal Association, which is summarized in another column of this issue of The Examiner.

### Man Must Live Longer to Pay Higher Taxes

Mayor Cameron remarked at the conclusion of his address to the Westmount Municipal Association on Tuesday night, that he understood from actuarial tables and medical statistics that the span of human life had been increased by 10 years.

The Mayor had just been dealing with the financial statement of the City, particularly with the tax question.

He gave it as his opinion that it was very necessary for a man to live longer now, if he was to be able to pay his taxes.

### Three Residents Fined For Dumping Rubbish

Following a warning from Director Robert Byford of the Westmount Police Department, three residents were brought before the Westmount Recorder's Court for dumping dirt and rubbish in the gutters.

Two weeks ago, Chief Byford announced that offenders would be brought before the Court for infringement to this law, and instructed his officers to be on the look-out for offenders.

The three residents who were accused, pleaded guilty before Recorder C. A. Hale and were fined for the offence.

### Westmount Girl Arrested By Anti-Subversive Squad

Aline McGregor, 19, of 8 Lorraine Avenue, Westmount, pleaded not guilty to distributing so-called subversive leaflets at St. Catherine and University streets on Friday night.

Released on bail she was later re-arrested in a car with two men identified as Joe Elbling, 22 of 4813 Park Avenue and Homer Smith, 20, of no given address.

The trio were charged with operating a car without a license when neither of the three could produce auto licenses or registrations. The car bore a Nova Scotia license plate and allegedly contained several of the subversive pamphlets.

Joe Elbling, pleaded guilty before Judge Gerald Almond to the charge of driving an auto without a license and was ordered to pay a fine of \$100 and costs.

Miss McGregor and Homer Smith, pleaded not guilty to a

similar accusation and were released on parole pending trial today.

Police claim that the car in which the trio were arrested was owned by a prominent Ontario Communist.

**KEEPING THEM CLEAN**  
 Much of the pain, discomfort and poor appearance due to unhealthy teeth is preventable. Dental care should begin at an early age and children should be taught to brush their teeth carefully after every meal. A visit to the dentist at least twice a year is a "must" in a dental care program.

**HI-TRI MEETING**  
 The mysteries of the telephone will be demonstrated in everyday language at an open meeting of the Trinity Memorial Hi-Tri Club to be held Tuesday evening at 8.15 in the hall. Refreshments will be served and guests are welcome.

**Westmount High Student to Tour Great Britain**

Richard Swan, a student of Westmount High School, was named among the group of 50 Canadian boys to visit Great Britain this summer as guests of W. Garfield Weston, it was announced by Y.M.C.A. officials today.  
 Sponsored as part of a program by a Canadian-born industrialist, George Weston, to cultivate closer relationships between the two countries, Swan was one of the 13 representatives picked from the Province. Like the others, he was picked by a special committee of the Y.M.C.A., which is working with boys' groups.  
 The son of A. W. D. Swan, Secretary - Treasurer of the City of Westmount, Richard is president of the Westmount Hi-Y Club; the Westmount High Glee Club; Senior 'A' Football team; Students' Council, as well as an active participant in the Westmount Y.M.C.A. and Trinity Memorial Church.  
 The boys will sail from Quebec, July 12, and will spend a month touring Great Britain before arriving back in Montreal on August 17th. Leaders of the Y.M.C.A. will travel with the group.

**NO DEAL**

Sandy got into conversation with a fellow traveller in the railway carriage. Sandy was smoking his pipe, and the stranger began to fumble as if in search of something.  
 "Weel, that's awful," he said, "I've come awa' without a match — can ye oblige?"  
 Sandy handed over a match, but the fumbling continued.  
 "Isn't that annoying, I've left me tobacco at home."  
 "Ah weel," replied Sandy, "gie me back my match, ye'll no be needin' it noo."

**WAITED LONG TIME**

## Appointments Announced for Kamp Kanawana

R. D. Locke, director of Kamp Kanawana, the Y.M.C.A. Boys' Camp in the Laurentians, announced this week that Bob Moffat has been appointed director of the Junior Section at Kamp Kanawana. Bob, who is graduating this month from the McGill School of Physical Education, has been acting as physical director at the Westmount Y.M.C.A. during the past year. Old Kanawana campers will remember him as the waterfront director last year.

Mr. Locke also announced that Lydon McKeown, Dave Mackey and John Nourse have been accepted as councillors at the camp this year. These three are members of the Westmount Hi-Y Club.

Clair Buckley will be returning to the camp as director of the Senior Section. Mr. Buckley is also graduating from the McGill School of Physical Education this spring.

It was also announced that "Ma" Cameron will be returning as camp chef again this year. This will be her 13th year at Kamp Kanawana.

In charge of the Bantam Section this year will be Ralph Erskine, assistant physical director of Central Y.M.C.A. Ralph has been business manager of the camp for the last two years.

John Hall, of McGill University, will be the Waterfront Director this year. John was a senior councillor last summer.

The camp will open on Saturday, July 1, and close Saturday, August 26.

## Rabbi Harry J. Stern Lectures at Stanstead

Rabbi Harry J. Stern of Temple Emanu-El, Westmount, represented the Jewish Chautauqua Society when he lectured at Stanstead College, on Monday. Rabbi Stern's subject was "Judaism."

Dr. Stern also attended the Boundary Rotary Club meeting.

The Jewish Chautauqua Society sends Rabbi lecturers to college campuses as part of an educational program.

## Club 360 Dances at St. Leo's

Members of the teen agers club 360 of Ascension Parish in Westmount enjoyed a dance sponsored by the Catholic Mothers' Club on Friday night. The dance was held in St. Leo's School Hall, 360 Clarke avenue, Westmount. The name of "club 360" is taken from the door number of the school.

## Solar System Mysteries Told to Church Group

Part of the solar system was outlined to members of the Young People's Fellowship of Dominion Douglas Church by E. R. Paterson, Professor of Astronomy, Sir George Williams College.

Speaking mostly on the study of the moon, Mars and Saturn, Professor Paterson said that the moon is a dead world where life as we know it is impossible, although it was not always so. He said that the moon rotates so slowly, it has two weeks of our night and two weeks of our daylight.

The speaker said that the enormous temperature changes on the moon is the result of no protective shield from the ultra violet rays of the sun, stating that at noon the

temperature is 212 degrees and at night 250 degrees.

Theories regarding the craters on the moon were also outlined. He said that the first is that they are caused from burnt out volcanoes, formed when the moon was young; second was the possibility that meteorites had showered the moon due to the lack of atmosphere, and third was the theory that they were caused from explosions and violent surface conditions. Some scientists believe they are caused from dried up oceans and seas on the moon.

Professor Paterson said that while Venus was the closest planet to Earth, Mars is the one most known, because it has none of the mass of clouds which surround Venus. He said that while forms of life might live there, they are believed to be of a much lower scale than man because of the thin atmosphere.

Switching to the planet Saturn, he said that while it may be the most attractive planet it was unfit for any kind of life as known on earth, pointing out that it was surrounded by a poisonous atmosphere of ammonia and methane mixed with hydrogen. "Beneath that is a solid sheet of ice about 20,000 miles thick," the speaker said, "under which is the solid core of the planet".

He said the rings which surround the planet are believed to be formed out of former moons which got too close to the planet and therefore smashed into little pieces that now swirl around the mass body known as Saturn.

He said that in thousands of years to come, our moon may also get too close and smash into little pieces which will form rings around our planet.

The speaker was thanked by the Assistant Minister of Dominion Douglas Church.

## Two Westmount Ministers Differ on Sunday Sports

The action of Westmount City Council in allowing the Athletic Grounds to open for sports on four Sundays has been protested by three Westmount Protestant Ministers, whilst a fourth the Rev. J. Ritz, pastor of the Seventh-day Adventist Church, Westmount, was in favour of the experiment. Rev. Charles C. Cochrane of Melville Presbyterian Church, saw the decision based on the will of the people.

The Rev. Ritz found that the decision was "an expression of the times and the opinion of the majority of the people."

He said, "it shows that there is longer as much sanctity attached to Sunday as there used to be."

It should be noted that Adventists observe Saturdays as their Sabbath.

Rev. Dr. J. A. Johnston, of Westmount Baptist Church, deplored the move as against Westmount traditions. "The best tribute we can pay to our civic leaders who have rendered such conspicuous service in the past is to maintain the high standards of civic life which they established", he said.

Dr. Johnston continued: "The introduction of commercial sport in Westmount on Sundays constitutes a weakening of those principles and reflects upon our appreciation of the ends they had in view."

Rev. Canon Sydenham B. Lindsay, Rector of the Anglican Church of the Advent declared: "To have the Westmount Athletic Grounds open for sports on Sunday afternoons, with a charge for admission to be made, is a form of commercialism contrary to the spirit of the Christian Sunday. If

## Westm't May Be One of Offenders In Smoke Dispute

Some Westmounters are wondering whether Councillor Roy Wagar of Notre Dame de Grace was pointing his finger at Westmount when he asked in a letter addressed to Chairman J. O. Asselin of Montreal's executive committee that steps should be taken to compel factories and institutions in Montreal East, Verdun, Outremont and elsewhere to cease sending their smoke in to Montreal.

Mr. Wagar points out in his letter that now that Montreal has a smoke bylaw from which much is expected, the surrounding municipalities should also take action

## Abbott Cleans Up Makes \$46,500,000

Finance Minister Douglas Abbott, member for St. Antoine-Westmount, has revealed that he made a profit of \$46,500,000 in one deal.

Unfortunately for the Minister he couldn't hang on to the nest egg.

Mr. Abbott explained on Monday that the "paper profit" made in his name by the Foreign Exchange Control Board "won't mean a thing to the budget."

The "profit" was made as a result of world currency devaluation. The assets of the Board as disclosed on Monday in its annual report, increased by \$77,800,000 as a result of the higher value of the Board's gold and United States dollar holdings.

From this was deducted \$2,500,000 depreciation in sterling holdings and \$28,800,000 which represented the deficit built up when Canada brought the dollar up to par in 1946.

This left the board with a surplus of \$46,452,000.

"It's all done on paper," said Mr. Abbott. "It doesn't mean a thing to the Government's current revenue and expenditure accounts."

In the Philippines political opponents fired 1,000 shots without scoring a hit. Probably have same result with their speeches.

## Y. M. C. A. NOTES

**YOUNG ADULT SECTION:** The Big Barn Dance, the feature of the week, will be held on Saturday, May 13, sponsored by the Square Dance Club. The dance will start at 8 p.m., and will include novelty numbers as well as regular square dances.

The Bridge Club will hold a regular session on Monday night at 8 o'clock. The Partners Duplicate Bridge Tournament, held last Monday, lived up to the expectations of the first tournament. The winners were: North-South: Walter Ramshaw and Gerry Hastings, East-West: Mary Morton and Agnes Carmichael.

The regular Friday Night Dance will be held tonight at 9:30 p.m., and also next Friday evening.

The Square Dance Club will meet on Tuesday night at 8:00.

The Young Adult Program Council will meet on Monday night at 8 p.m., when the summer program will be discussed.

### Boys' Department

**Boys' Hi-Y:** The Boys' Hi-Y is busy these days printing examination papers. They plan to sell these to the fourth year high school students across the City to help them with their matriculation examinations this Spring. Anyone desiring a copy of these examinations is asked to contact Fraser Lindsay, chairman of the publishing committee, c/o Westmount Y.M.C.A.

The Boys' and Girls' Hi-Y are looking forward to their Spring dance being held at the Westmount High School on Friday, May 5. This will mark the closing of the Westmount Hi-Y activities for the year 1949 to 1950.

### Junior Hi-Y

The Junior Hi-Y is having its closing party on Friday night at the Westmount Y.M.C.A. Bob Hamilton, Bob Matthews and Chris Swan are in charge of the program for the night.

### Gray-Y

The Bears' Gray-Y Club held its closing party at the home of Johnny Roach on Thursday evening. The members invited their parents to this party and performed several plays for their entertainment. Mr. Bill Johnstone, advisor of the Club, and Mr. J. G. Atkinson, Chairman of the Boys' Work Committee of Westmount Y.M.C.A., were present at this fine gathering.

### Swim Schedule

On May 8 there will be swims for all Juniors commencing at 5:00 and Intermediates and Seniors will have their plunge at 5:30. Now that the fine weather is here, we will be playing baseball in the park in the afternoons on

## S. C. Miller Dies, Well Known Here

Funeral services were held for Sidney Crammond Miller, on Tuesday, at the Jos. C. Wray and Bro. chapel, Mountain street.

Mr. Miller resided at 739 Grosvenor avenue, Westmount, where he died suddenly on Saturday. He was in his 64th year.

He was well known in military and civic circles as well as in the field of accountancy.

Mr. Miller was born in Ceylon and was a graduate of Edinburgh University. He came to Westmount in 1911 and has lived here since.

A veteran of two wars, he served overseas during the first world war with the 60th Battalion (Victoria Rifles of Canada).

In the second conflict he was with the R.C.A.P.C., being paymaster of the machine gun training centre at Three Rivers, later being attached to military headquarters in Montreal where he held the rank of captain.

Mr. Miller was a member of the University Club and the Kanawak Golf Club. He was honorary treasurer of the Children's Aid Society of Montreal.

### Boys' and Girls' Hobby Show

The Executive and Committee of the Westmount Boys' and Girls' Hobby Show did an excellent job in organizing the Show down to the last detail. Over 2,000 people came to see the exhibits, the athletics nights, pet show, and music festival. The Committee is now looking forward to next year's Hobby Show and, with the experience they have gained this year, they will be able to put on an even better show next year. Congratulations to John Nourse, Sally Puddicombe, Louise Tollstam, Derek Dawson, Dianne Reusing, Ian MacIntosh, Ann Pow, Jim Heywood, Anne Cadman, and all the rest of the Committee who worked hard to make this year's Show a success.

### Movie

On Saturday afternoon at 1:15 p.m. the movie "Swiss Family Robinson" will be shown. This is one of the outstanding children's movies produced within the last five years, starring Freddie Bartholomew, Thomas Mitchell and Edna Best.

## Red Shield Appeal Opens With \$165,000 Objective

Under Campaign Chairmanship of the Hon. J. Arthur Mathewson, K.C., the Red Shield Drive, with its objective of \$165,000 for Greater Montreal, on Tuesday swung into a two-week fund-raising operation that sees its workers in all sections of the metropolis approaching Mr. and Mrs. Montreal on behalf of Salvation Army Field work that brings hope and comfort to those in adversity the year round.

Mr. and Mrs. Montreal, according to reports from workers, is heeding the plea for the Salvation Army Appeal once again with good grace and they are "coming through" because, as one generous giver stated, "no one else knows the need or can supply the want so well".

Mr. Mathewson again stressed that despite the many heavy demands on the purses of the people it is well-realized that the 24 Red Shield services operating in Montreal are vitally essential and must be kept going if untold suffering and privation in many instances is to be averted.

Records speak for themselves, he said, and the record of the Army is one of splendid achievement where "help for the helpless" is concerned. Over the years a staggering total of destitute people have received desperately needed air and on numerous occasions have been started on the way to rehabili-

tation through Salvation Army intervention.

This goes not only for drifters, but for Montreal residents who have met adversity, it takes in those who have faced police court or have been sentenced to prison, it takes in aid for women and children, hospital services, accommodation and kindly care for the aged, the feeding of families in want, and the finding of jobs for the unemployed.

Mr. Mathewson stressed the splendid service of the Catherine Booth Mothers' Hospital, the work

Service Department.

Helping the young, the old the prodigal daughter or son, the man or woman or family in distress; it's all in a day's work, Major T. L. Carswell, Campaign Director reports. The investment in happiness, Lac L'achigan Fresh Air Camp, should not be overlooked in telling the story of Army work, he stressed. Boys and girls from under-privileged families are afforded opportunity for wholesome outdoor recreation under leadership of high calibre, and physical benefits are obvious.

The Salvation Army will be coming your way. Have your welcome ready, giving endorsement to Red Shield operations in Montreal in a tangible way, by your generous donation to the Appeal for 1950.

## Lachine to Have Caledonian Soc. Games on May 27

Bigger and better than ever is the report received from the Games Section of the Caledonian Society of Montreal regarding the forthcoming Caledonian Games.

Set for Saturday, May 27th, the Games will be held, as in recent years, at the C.N.R. Recreation Grounds, Lachine. Committees for piping, dancing and track and field events have been hard at work since the turn of the year lining up a program of events and it is confidently expected that entry lists for all departments of the Games will be greater than ever.

As in past years, representatives of the Pipers Society of Montreal, and of the W.A.A.F. of Canada, have co-operated both in the preparation of the program and in the running of the Games. The former is also lending financial support in the way of contributions to prizes for the piping events.

### Pipe Band Contest

Through the efforts of the Pipers Society a new and interesting feature of this year's games will be a pipe band contest for which entries already have been definitely promised from several local pipe bands with at least one out-of-town entry hoped for.

Made possible by the pipe band contest will be a massed band march-past at the opening of the games.

Grant, minister of Andrew's United Church, Westmount, pointed out that "for a long time there has been a tradition in Westmount in relation to the institution of the Sabbath which has meant more than words can express to the Christian community in this City and for which Christian people have been most grateful." "Gradually", he said, "the city has been receding from this proud position and the recent decision of the City Council to establish commercialized Sunday sport is another evidence of this trend. Personally, I regard it as a backward step in our municipal life and harmful to the community and to our Christian way of life." Rev. Charles C. Cochrane, of

to stop the smoke nuisance. He also says that if the different municipalities are permitted to pour their smoke into the City of Montreal it cannot be expected that the city bylaw will work out as desired. Councillor Wagar has requested that the attention of the surrounding municipalities be drawn to the situation. Meanwhile the ladies in Westmount near the C.P.R. tracks are still complaining about the condition of their snow white wash on washdays. Maybe Mr. Wagar's letter will have some beneficial effect.

Melville Presbyterian Church, Westmount, saw the possibility that the decision of the City Council was based on the will of the people to express "their Christian freedom from bondage."

"There can be no criticism of the way in which an expression of the people's mind was sought through a plebiscite," he said.

"Our view of the result of that vote will depend on whether we believe it to be the expression by sincere men and women of their Christian freedom from bondage to the law, or an expression of the people's failure to hope in the Risen Christ."

As stated in The Examiner last week the decision to try the experiment in allowing four Sundays for sports was made by the City Council after consideration of the results of a recent poll of citizens which showed that 74 per cent of those who voted, favoured the Athletic Grounds being opened on Sunday afternoons.

## Junior Red Cross To Hold Rally Here Tomorrow

The Junior Red Cross, Quebec Division, is holding a Provincial Rally on Saturday, May 6, at 9:30 a.m. at Westmount Junior High School, 20 Academy Road, Westmount. This Rally is being organized by the Junior Red Cross Inter-High School Council and the co-chairmen will be the President and Vice-President of the Council — Judy Driscoll of Montreal West High School and David Davis of the Town of Mount Royal High School. Junior Red Cross delegates from city and country schools will give short talks on their activities during the past school year.

Colonel Maurice Forget, K.C., E.D., President of the Quebec Provincial Division of the Canadian Red Cross Society will bring greetings to the Juniors from the adult Society; Mr. W. H. Campbell, Chairman of the Junior Red Cross Provincial Committee, will welcome the delegates and Mr. Scott F. Kneeland, Chairman of the Junior Red Cross Teachers' Committee will bring greetings from his group.

Mrs. Mary B. Cardozo, Speech Therapist and Miss Shirley Pidduck, Physiotherapist, whose services are financed by the Quebec Junior Red Cross at the Children's Memorial Hospital, will tell of their work for crippled and handicapped children.

A water safety film entitled "Heads Up" will be shown and exhibits of Junior Red Cross hand work and photographs and Swimming and Water Safety material will be shown in the foyer.

A highlight of the Rally will be the presentation by Mr. W. H. Campbell, of Canadian Red Cross Badges of Service to principals and teacher-directors who have had 15 or more successive years of

## General Meeting Of Queen's H-S

Queen's Home and School Association met last Wednesday in the school gymnasium. Approximately 250 parents and friends attended. The entertainment was provided by the children of Grades 4, 5 and 6, as well as the school choir, and an ensemble of about 40 violins played by pupils from Roslyn, King's and Queen's Schools.

The next general meeting of the Association will be held Thursday, May 11, at 8:00 p.m., in the Children's Section of the Westmount Public Library. Miss Gwendoline McEwen, the Children's Librarian, will address the parents and friends on the subject of children's books.

**Branch leadership.**

The brief three-minute talks by the Juniors will cover a variety of subjects related to Junior Red Cross activities, including health, service for crippled and handicapped children, hot lunches, dental clinics, swimming and water-safety, home nursing courses, toy and favor making, service for veterans, knitting and sewing, international friendship and fund raising.

## Mayor Cameron . .

(Continued from Page 1)

ing constructed at Olivier Avenue.

No one knew how many times the use of the organ in Victoria Hall had been requested during the past year.

Victoria Hall has usually been self-supporting, but in 1949 a slight deficit was experienced.

Alderman Panet-Raymond stated, that he believed that \$30,000 of the sum of \$179,000 budgetted for parks and recreation, would be spent solely on recreation.

Mayor Cameron said that the Council were hoping to be able to extend the playground at Staynor and Clandeboyne Avenues, just as soon as a plan they had in mind could be proceeded with.

A questioner wanted to know, why the garbage collectors would not remove brush if placed in containers, but would gather it up in the lanes. Mr. Fenwick said he didn't know the answer to that one.

### Tribute To City Fathers

J. C. Bonnar, thanked Mayor Cameron for his most interesting address, and paid tribute to past and present mayors and aldermen, for having made Westmount the fine city it is today.

Refreshments were served by the ladies at the conclusion of the meeting.

A partial text of Mayor Cameron's address dealing with this year's program of expenditures and the operations of the various city departments is as follows:

Now as to the mechanics of applying these revenues, let us first look at the Capital Expenditures.

A 5-Year Programme Picture of possible Capital Expenditures is maintained by the General Manager. This is reviewed periodically by the Council and items are tabulated under each year according to the urgency.

The present 5-Year Picture indicates a total possible Capital Expenditure in the order of 4½ million dollars or at a rate of \$900,000. per year.

The paving and widening of our main thoroughfares, such as Sherbrooke, Victoria and Western Avenue, will each run in the order of half a million dollars, in addition to which there is a lot of straight repaving to do without widening, totalling \$450,000. There are also buildings in the order of \$600,000., as for example, the renovation of the Fire and Police Station, the Central Work Shops at Bethune Street Yard and alterations to Victoria Hall.

Part of this year's programme of Capital Expenditures will include the widening and repaving of Sherbrooke Street from the western edge of Clarke Avenue to the eastern limits of the city, improved lighting will be installed on lighting standards similar to those installed between Claremont and Roslyn, extra ducts will be provided for power circuits so as to avoid cutting the pavement in the future and the Montreal Tramways will re-lay their tracks. Another item this year will be the paving of St. Catherine Street from Greene Avenue to the eastern limits. Last year the Montreal Tramways Company relaid their tracks on this section. You will be pleased to note that the Tram poles and hydrants have been moved back from the curb on Greene Avenue and will also be moved back on St. Catherine Street from Greene to Atwater this summer. Victoria Avenue will be widened 10 feet on the east side for a distance of 200 feet south of Sherbrooke Street and we are thinking of a safety zone and loading platform at this point. The central garage, which we are building at the Bethune Street Yard, is now nearing completion; this will house all of our automotive vehicles.

I might mention at this point, that when these works are completed the carrying charges will increase our annual expenditure at the rate of \$39,000. per year, offsetting which we will have a reduction in debt charges of some \$13,000. resulting from bonds which

have matured. The net increase in expenditure will, therefore, be \$26,000. per year.

With regard to our Ordinary Revenue and Expenditures for the Year 1949, our revenue amounted to \$1,811,000. and our expenditures to \$1,784,000, indicating a surplus of \$27,000, or \$1.00 per capita. The net increase in our revenue, as compared to the previous year, was \$10,000. with a net increase in expenditure of \$121,000. The largest item of increase, \$95,000., being in the Roads Department, covering increased cost of snow removal, sanding sidewalks and roughing of streets, including \$20,000. for hired trucks, an increase in street repairs and increased wage rates in this Department.

A review of the operations of the various departments will, I think, be of interest—

### Electric Power

The growing usage of electric power has been apparent in outlying municipalities. In a fully developed area, like Westmount, there is a certain increase but not at such a high rate. During the war years, 1940 to 1944 inclusive, the annual usage per capita was kept down so that there was no increase, this was due to the compliance with the Federal Power Controller's request for conservation. The annual use per capita was in the order of 8,400 k. w. hours. In the five years from 1945 to 1949 inclusive, the annual use per capita has increased by one-third and is now running just over 11,000 k. w. hours. In the early part of last year the Council studied ways and means of increasing our station capacity of 10,000 K.V.A. at the Glen, it was decided to install a sub-station of 5,000 K.V.A. capacity on Olivier Avenue. All of the equipment for this

sub-station has been ordered; a suitable building, to house the switching equipment, has been designed to blend in and be in keeping with this residential section. It is expected that this extra power will be available before the end of the year.

A new contract for power was made last year with the Quebec-Hydro and feeder cables will be run in from their Atwater sub-station to furnish power at the Olivier Avenue sub-station.

If the use of electric power continues to grow, provision may be made in the future for another

sub-station in the northern section of the city.

### Library

Our Municipal Library has had a successful year. Our Chief Librarian was appointed President of the Canadian Library Association, which this year will hold its annual convention in Montreal during the month of June.

Last year improvements were made in the heating of the Library Building, the Children's Room was redecorated and new lighting installed. The administration of the Library is under the direction of a

Committee, composed of 3 Rate-Payers, known as "Trustees," 3 Members of the Council and the Mayor ex officio and the fund for its maintenance are made in the form of an annual grant by the city.

### Recreation

The Athletic Club House was released to us yesterday, with the exception of the top floor which will be occupied by the 3rd Field Engineers until the end of this year. The renovation and rehabilitation of the building for our own use

## TO CUT GOVERNMENT COSTS

### Royal Commission Might Be Answer

"Since both major political parties are talking of the need of finding ways to reduce the cost of government, the taxpayer can hope that the discussion will mean something pleasant for his pocketbook," writes C. J. Harris, Secretary of the Canadian Unity Council, commenting on a radio address by Hon. D. C. Abbott in which the Finance Minister announced that careful consideration would be given to the proposal of Opposition Leader George Drew for a

Royal Commission to devise means of reducing the cost of government.

"The federal government this year will be spending \$2,400,000,000," points out Mr. Harris. "It is almost impossible to effect any economies in departmental expenditures when examination of the spending of this vast sum of money must be made in committee of the whole House. While a Royal Commission might eventually discover means of cutting government spending, a more immediate solution to the problem would be to make use of the machinery that exists to subject government expenses to careful examination — that is, the Public Accounts Committee.

"This Committee was created for this very purpose. The Committee can call witnesses and examine accounts in detail. It does not, but it should, meet every year. In this way the nation's financial business would be subjected to the scrutiny of the members, who are ultimately responsible to the people for all government spending. In their private affairs Canadians make sure they know what they are getting for their money; in their public affairs this is a service Canadians deserve but rarely get."

### Dominion-Douglas

"The Annual Church School Day will be held in Dominion-Douglas on Sunday morning. The front seats will be occupied by scholars and there will be choruses by the Beginners and the Primary Departments. Dr. Lloyd Smith will speak on "What Do You See in Church?"

There will be no afternoon session of the Church School.

In the evening, Dr. Charles Johnston will preach, "On Being Tried in the Balance". The Choir will sing "Good Folk Who Dwell on Earth" by Davis, and Harry Brown will be baritone soloist. Immediately following the service a colorful scenic film entitled "Middle America" will transport the Young People's Union to far-away places.

There will be no further meetings of the Sewing Circle until Fall.

Family and Flower Day Services. On the evening of that day a Double Trio, representing Toronto Bible College, will sing in the Evening Service. The Annual Conference, under the auspices of Toronto Bible College, will hold its final meeting in the Church. This will be addressed by the Rev. Dixon A. Burns and other Members of the Bible College Faculty.

### Church of the Advent

Members of the Guild of St. Agnes will make a corporate Communion at the early Eucharist Sunday morning. This will be followed by a parish breakfast in the church hall.

At Evensong, instead of a sermon, there will be a lantern lecture by Mrs. Harold Laws on the subject of "Dawn over Japan".

### Women's Oral Club Plans '50-'51 Program

The executive of the Oral Club, a public speaking group for women, met over the weekend at the home of the president, Miss Bertha Donald, 4435 Wilson Avenue, to plan the program for the 1950-51 season, which starts in September.

It was noted that, again this year, one of the club members, Mrs. Nora Routledge, placed second in the women's division at the oratorical contest of the Montreal Debating League held recently in the Windsor Hotel.

Enrolment in the Oral Club is of

### Christian Science

"Adam and Fallen Man" is the subject of the Lesson-Sermon to be read in Churches of Christ, Scientist, on Sunday.

The Golden Text is from Psalms 94: 18 "When I said, My foot slippeth; thy mercy, O Lord, help me up."

Among the citations which comprise the Lesson-Sermon is the following from the Bible:—"In the beginning was the Word, and the Word was with God, and the Word was God. All things were made by him; and without him was not any thing made that was made. So God created man in his own image, in the image of God created he him. And God saw everything that he had made, and, behold, it was very good." (John 1: 1 and 3 — Genesis 1: 27 and 31 to first.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook "Sci-

ence and Health with Key to the Scriptures" by Mary Baker Eddy:—

"In the Gospel of John, it is declared that all things were made through the Word of God, 'and without Him (the logos, or word), was not anything made that was made.' In the Science of Genesis we read that He saw everything which he had made, 'and, behold, it was very good.' All that is made is the work of God, and all is good. All creations of Spirit are eternal; but creations of matter must return to dust." (Pages 525, 521 and 287.)

**Spring Showing Of GM 1950 Autos On at Morgan's**  
 In co-operation with Henry Morgan and Co. Limited, General Motors of Canada is presenting a spring show of Chevrolet, Pontiac, Oldsmobile and Vauxhall cars, on the 7th (exhibition) floor of Morgan's department store. The show is open until Saturday, May 6 and is open both Friday evenings and Saturday afternoons, Admission is free.  
 This spring showing of all the General Motors latest models is complete as to body styles, sizes and colors. On the floor are sport coupes, two-door and four-door sedans as well as the brand new trend-setting sedan-coupe models. The Oldsmobile "88" with its revolutionary high-compression "Rocket" engine is also on display and the finely finished Vauxhall, Britain's famous low priced car.  
 In addition to the automobiles themselves there are several truck models on display and a wide range of auto accessories. A picture-sequence along one wall of the exhibition area depicts scenes in the giant manufacturing plants at Oshawa where General Motors cars are produced.  
 General Motors dealers in Montreal are acting as hosts during the show, and attendants are on hand to explain the intricacies of the "Rocket" engine and to answer the questions of visitors to the show.  
 Democracy must again become a moral force in the world before it can become a political success.  
 Public Relations Department of Northern Electric Co., spoke briefly on "Youth".  
 Mr. Richardson's speech was followed by a short musical program consisting of excerpts from the B.B.Y.O. show "Notes to You."

Mrs. D. Thompson, of Beaufort, Que., will be in town to attend the annual luncheon of the Montreal Women's Branch of the Canadian Institute of Mining and Metallurgy on Monday.

The President and Board Members of the Maritime Women's Club entertained the presidents of sister organizations Tuesday afternoon, at the Badminton and Squash Club. Tea was served from three-thirty to five-thirty, and the guest soloist was Miss Maureen Forrester. The guests were received by Miss D. L. Gass, president, assisted by the past presidents, Mrs. A. D. Ross and Mrs. G. R. McLeod. Those who attended were: Mrs. Neil Cameron, Mrs. George Wakeman, Miss E. May Craig, Mrs. Thomas Craig, Mrs. P. W. Wright, Mrs. D. W. Lough, Mrs. J. W. Perks, Mrs. R. Harold Smyth, Mrs. J. B. Hall, Mrs. Chas. Keene, Mrs. Frank Smith, Miss Barbara J. Dougherty, Mrs. A. Wiltse, Mrs. H. S. Jacques, Mrs. A. W. Schell, Mrs. Philip Durnford, Miss Marjorie Torrance.

ney Dakin, sister of the bride, and bridesmaids, Miss Margaret Swaine and Miss Diane Robertson. Acting as best man for his brother was Mr. Arthur Walter. Ushers were Mr. Donald Walter, brother of the groom, Mr. Derek Edwards and Mr. Charles Agnew, brother of the bride.

Given away by her father, the bride wore a gown of white satin made with tight bodice, sweetheart neckline and stand-up collar, long sleeves ending in points over the hands. The full skirt had a slight train. A Juliet cap held in place her fingertip veil of tulle illusion and she carried a cascade bouquet of Joanna Hill roses. All three attendants wore printed blue organdy gowns fashioned with high round necks and puffed sleeves, fitted bodices and bouffant skirts, ballet length, tied at the waist with blue satin sashes. They wore blue satin shoes, bands of pink and blue flowers in their hair and carried nosegays of pink, blue and white flowers.

Mrs. Agnew, the bride's mother, wore a floor-length dress of ice blue tissue faille with navy accessories and corsage of red roses and Mrs. Walter, the bridegroom's mother, a floor-length skipper blue lace dress with matching accessories and corsage of yellow roses.

A reception followed the ceremony at the home of the bride's parents, the rooms decorated with flowers.

The couple left on a six week's trip to Western Canada and from Vancouver will proceed to Alaska by boat. The bride wore for travelling a three piece grey suit with tawny copper accessories, hat of natural straw with tawny copper trimming and a corsage of Talisman roses.

On their return they will reside on Grosvenor avenue.

Out-of-town guests were Mrs. George W. Dewar, of Charlotte-town; Mr. and Mrs. Roy Cromwell, of Glenock, New Jersey; Mr. Alfred Cole, of Toronto; Mr. and Mrs. Derek Smith, of Brantford; Mrs. Fred Moore, of Charlottetown; Mr. and Mrs. Orin Earl and daughter, Pauline, of Kingston, Ont.

The bridegroom is a graduate in Chemical Engineering of McGill University.

## Mr. and Mrs. William Robin Fleming

The bridal couple, pictured as they left St. Andrew's Church, Westmount, after their marriage ceremony. The bride is the former Miss Mary Lou Morison Forbes, daughter of Mr. and Mrs. Kenneth Munro Forbes, of Westmount. The bridegroom is Mr. W. R. Fleming, is the son of Mr. Andrew Fleming and Mrs. Fleming, M.B.E., of Montreal.

### FLEMING - FORBES

The marriage of Mary Lou Morison, daughter of Mr. and Mrs. Kenneth Munro Forbes, of Westmount, to Mr. William Robin Fleming, son of Mr. Andrew Fleming and Mrs. Fleming, M.B.E., of Montreal, took place yesterday afternoon, at half-past five o'clock, in St. Andrew's United Church, Westmount, the Rev. D. M. Grant officiating, assisted by the Rev. R. J. Berlis, of the Church of St. Andrew and St. Paul. Mr. Phillips Motley played the wedding music and white stocks, arranged with palms, and candelabra were used to decorate.

The bride, who was given away by her father, was in a gown of blush slipper satin, fastened at the front to the hemline with tiny buttons, the fitted bodice embroidered in a floral trapunto pattern outlined in crystal beads, having a small, pointed collar with the same embroidery and sleeves ending in points over her hands and the full circular skirt falling into a long train. Her fingertip-length veil of tulle illusion was held by a halo brim of satin and she carried a bouquet of Calla lilies.

Mrs. J. A. Madill, as matron-of-honor for her sister, and Miss Anne McIver, Mrs. D. H. Power, Miss Elizabeth Fleming, sister of the bridegroom, and Miss Lillian Mori-

son, cousin of the bride, attendants were in frocks of tulle, net, with faille bodices, deep-slit necklines with collars, cap sleeves and faille, and skirts of tulle, wore coronets and mittens to match their frocks. The bride carried a bouquet of pink and blue flowers, while the other attendants carried a bouquet of yellow iris.

Mr. George Batten, best man for Mr. Fleming, ushers were Mr. T. W. R. Hunter Wilson, Mr. J.

**Low's Pupils  
Give Attractive Show  
at Church of Advent**

On Friday evening at the church of the Advent auditorium, Miss Low presented her pupils in "Evening of Fantasy". "The Frog Prince" a fairy-tale adventure in three scenes, written and directed by Miss Low, first held the spotlight with Diane Ogulnick as the lead as the spoiled little princess Merrilies. This eight-year-old carried her part with the confidence and assurance of a more experienced actress. Daphne Winans and Lenore Katz portrayed the two calloused, elder sisters in the princess fashion. Phyllis Campbell was a sympathetic queen and Bernard McMurray, guest actor, a sufficiently grumpy and peevish king. Jane Torrey was convincing and attractive lady-waiting and Toril Orre a most lovely little fairy, Golden Heart. The most difficult role, perhaps, that of the Frog who later becomes a prince, was capably handled by Oliva Kimpton.

The second play, a one-act fantasy, "Pierrot's Dream" was expertly portrayed by Annabelle Banks and Jill Levinson, two well-known little actresses in the roles of Pierrot and Pierrette respectively. Miss Marjorie Kirk, guest actress, was an effectively mysterious Weaver of dreams.

In the entr'acts, Irwin Pinkney delivered several vocal solos in his pleasing style and Peggy Roy gave several delightful readings. Rhone Winans, in her ballet costume, The Waltzing Doll, was a beautiful picture in her French costume. Mrs. H. F. Briegel and Mrs. Winans accompanied at piano.

At the Women's Auxiliary of the Optimist Club of Montreal annual meeting held recently, Mrs. John Ayles was elected president for the 1950-51 season. **For The Teenager**

A vest and skirt — to wear together or to mix with other separates to multiply your school wardrobe. The vest can be worn over sweaters or classic shirts, smart with either skirts or slacks.

Copied from a man's suit vest, it's snug fitting and buttons down the front with covered buttons. If you shy away from buttonhole making, your local sewing centre will make the buttonholes for you at little cost.

The vest is shown in velveteen in a leopard design. You could try it in light red wool or in white linen.

The skirt is slim, with trouser pleats at the top and a deep inverted pleat in the front. Here you see it in soft wool flannel.

Publicity Chairman, Mrs. Albert Grimstead.

The retiring president, Mrs. Arthur Donohue, reported a very active and successful year. The four major projects were a rummage sale, held in November; also in November, there was a sherry party; in February, a dance and buffet supper; and in April, a home-cooking sale. A total of \$1,095.25 was realized.

This Auxiliary was founded five years ago and its aim is to help the Men's Club, whose main projects are a Boys' Camp at Brome, Que., and a Boys' Club at No. 9 Police Station, Point St. Charles.

**Increased Membership  
Shown in Reports of  
Homoeopathic Alumnae**

At the recent annual meeting of the Homoeopathic Hospital, it was disclosed in the report of the Alumnae Association, read by the secretary, that the scholarship given by the association for post graduate study at McGill University was raised from \$200 to \$300. This year, the scholarship was awarded to Miss S. Warwick, who is, at present, taking the Public Health course given by the McGill School for Graduate Nurses.

In her report, Miss Gwendolen Ewins, secretary, noted that numerous social events had been held in order to raise money for the scholarship fund. Among these were an annual bridge held in April, and convened by Miss L. Henshaw. Miss M. Henderson was in charge of the dinner held in honor of the recent graduating class, and she also convened the Christmas party held at the hospital.

During the year, the Alumnae Association made donations to various charitable organizations, including the Y.M.C.A. Campaign Fund, the "Save the Children" Fund, the Children's Memorial Hospital, and the Grace Dart Home.

### At The Westmount

Errol Flynn, Greer Garson and Walter Pidgeon form the dramatic triangle in "That Forsyte Woman," the technicolor film which starts Sunday at the Westmount Theatre. Co-starring are Robert Young and Janet Leigh.

HOLLYWOOD, May 4 — I was gabbing with a film oldtimer the other day when he recalled the silent picture in which Douglas Fairbanks, Sr., was a male Pollyanna projecting sunshine into everyone's life.

One sequence required him to bring smiles to the faces of some Bowery bums, and the director hired genuine panhandlers for the parts. However, these unfortunates had suffered so much and heard so many sermons that Fairbanks' cheery talk made them morose rather than gay.

Finally, Fairbanks hit upon a scheme to make the boys laugh. He told them an off-color story — and they roared with loud guffaws. The cameras began to turn, and Fairbanks continued to regale the bums with spicy tales, all of which produced the required laughter. Remember, this was a silent film with titles to carry the dialogue.

Some months later the film was released to the public, only to be greeted with storms

of protest from every corner. Trouble was that many moviegoers were able to read lips, and they could interpret the sizzling stories told by Fairbanks to the bums. It was necessary to recall all prints of the picture and delete the objectionable sequences — but the footage is still available in Hollywood for private parties where lip-reading experts relay the cracks to the assembled guests!

\* \* \*  
 BRIEFS — MGM is shooting a nine part film with Ethel Barrymore, Walter Pidgeon, Gene Kelly, George Murphy and other top-liners featured in the varied sequences . . . Buddy Rogers, in his early 50s, has started a career in television and is drawing \$3,000 weekly for his vaudeville show. Out of this he must pay the cast . . . The forthcoming Mack Sennett biographical film to be lensed by Paramount will touch only briefly, if at all, on the master movie maker's boyhood in Quebec. Incidentally, the Tarzan series will continue for at least another ten years and may soon hit big on television, despite the recent death

### Two Excellent Features At The Westmount, Starting Saturday

As Errol Flynn's vibrant young wife, Greer Garson has a tailor-made role in "That Forsyte Woman," the handsome Technicolor filmization of one of the world's most widely-read novels, starts Sunday at the Westmount.

Cast as a woman loved by three men—Flynn, Walter Pidgeon, Robert Young—Miss Garson fills one of the most demanding roles of her career as Irene Forsyte, the sensitive girl who marries into the snobbish and money-conscious Forsyte family only to find herself considered by her husband as just another of his "properties." The narrative stems from Book One of John Galsworthy's "The Forsyte Saga." The plot follows Soames Forsyte's (Errol Flynn) ardent courtship of Irene, her reluctant decision to marry for security and her ultimate acceptance by the family who had at first rejected her, led by the patriarch, Old Jolyon Forsyte (Harry Davenport) and his granddaughter, June (Janet Leigh).

When June falls in love with the struggling architect, Philip Bosinney (Robert Young), she begs Irene to intercede for him against family opposition. But Irene's attempt to support their match takes a dramatic turn when Philip becomes infatuated with her. The resultant four-cornered impasse, climaxed by Philip's accidental death, is resolved when another member of the Forsyte clan enters the picture in the person of the family black-sheep (Walter Pidgeon), who proves himself to be the most admirable Forsyte of them all.

#### Second Feature

Not since "Casablanca," with which his new picture must inevitably be compared, has Humphrey Bogart had so timely and so impassioned a role as that of "Tokyo Joe."

The film is a trenchant turbulent drama, rich in human values

#### BLONDE BEAUTY

Joan Caulfield, starred in Paramount's "Dear Wife," is considered by artists to be one of the most beautiful blondes in Hollywood's long history.

and filled with the physical violence which keeps audiences tense and expectant.

In that respect, and in the colorful, unexpected background of post-war Japan, "Tokyo Joe" easily is Bogart's greatest screen adventure.

This is the story of THAT Forsyte woman and the three men who were such fools about her!

### Springtime Revue Announced

BETTY SPEIRS

Popular and talented principal of the Speirs-Miller Dance Studios, who announces Springtime Revue for May 19 at Victoria Hall.

### To Be Seen At The Seville

A scene from the film "The Affair Blum," currently playing at the Seville Art Theatre, after a six month run at the World Theatre in New York.

### Speirs-Miller Recital Soon

Spring is here when the Betty Speirs-Peter Miller Studio send out the advance notices for the annual 'Show of Shows'. This year's edition is expected to surpass anything before done, which to us is aiming very high.

The babies will open proceedings with 'Jack and Jill' after which the junior Classes and soloists will be seen in 'Harvest Moon'. The religious scene will be 'Ave Maria' and the senior ballet will feature 'Valse Brilliance'.

This is the brief announcement from the Studio but as the recital takes place at Victoria Hall on Friday May 19th, further details will be forthcoming.

But this we can be sure of, that an evening of pleasant entertainment is in store for the audience when the Speirs-Miller organization present their youthful stars in song and dance.

I'll never forget afternoon tea, Chinese style, at Miss Wong's Santa Monica home years ago when she introduced me to Lin Yutang, famed author, and the conversation concentrated on hockey instead of Chinese philosophy.

Vivien Leigh is the inside choice for femme star in the screen version of "A Streetcar Named Desire" . . . It would mean her coming to Hollywood, possibly bringing Sir Larry Oliver along for an American picture at the same time . . . Bob Hope plays a "gentleman's gentleman" in his latest Technicolor comedy, Paramount's "Fancy Pants." Lucille Ball is Robert's feminine co-star.

### Well Known Comedy To Be Staged Again

A repeat performance of "You Can't Take It With You" will be presented by the St. Cuthbert's Dramatic Club, Friday, May 12, at 8.30 p.m.

It will take place at the Church of the Advent, Westmount. Presented last month to capacity audiences at St. Cuthbert's Church Hall for four nights, the play is well known, being performed on Broadway for a six-year run.

Locally, it is directed by John Farais, who is well known on the amateur and professional stage.

### MRT to Present London, New York Stage Success

The phenomenal success of "The Heiress", the Ruth and Augustus Goetz Play which the Montreal Repertory Theatre is staging as its final major production of the 1949-50 season at the Guy Street Playhouse, May 11 to May 20, was largely due to Jed Harris, one of the greatest men in the present day theatre.

Roberta Beatty, who will direct the play for the MHT, is staging it exactly along the lines which Harris gave it during its year's run in New York and subsequent road tour. The Goetz's adapted their play from the Henry James' novel, Washington Square. In staging the play, Mr. Harris suited the action to an unusual placing of the furniture which drew extensive comment from both critics and the theatre minded audience, by its daring and originality.

In its recent London production, "The Heiress", was as successful as during its New York run of 410 performances.

An outstanding cast has been chosen by the M.R.T. for their final production headed by Mary Douglas, Richard Kronold, Cynthia Michaelis and Richard Gilbert as the lover. Others include Leslie Crombie, Sheila Rogers, Gwyn Williams, Talbot Johnson and Doreen Lewis. Hans Berends has designed the set and Virginia the costumes. The entire production is under the general supervision of Doreen Lewis.

## Fred Hofman Paces Ramblers To 35-27 Win over Trotters

Fred Hofman, hitting the hoop from all angles, led the Ramblers to a 35-27 win over the Trotters in the Westmount Municipal Juvenile basketball league, this week. The win for the Ramblers moved them into third place and guaranteed them a play-off position while the Trotters' defeat eliminated them from any further competition.

Hofman was the high scorer on the floor scoring 20 points. Gerry Pecknold was second high man for the Ramblers with 12 points and Mike Lafontaine banged in 5 points. Ed Kalil snared 8 points for the Trotters; Dermott Murphy, Pat Craig and Ray Beaton all finished with 6 points while Bob Kercher came away with a single.

## Board of Trade Reception To Greet New Members

The Montreal Board of Trade is extending a Reception to some 250 new members who have joined the organization since November, 1949.

The Reception will be held in the Board's Exchange Hall, 300 St. Sacrament street, on Wednesday, May 10, at 4:00 p.m.

The new members will be received by the President, L. W. Haslett and his fellow council members, and generally made acquainted with the activities of the Board.

The trouble with a man who has an open mind is that he doesn't usually keep a closed mouth.

## Wolves to Meet Avenue Stars In Cage Finals

Dave Binmore, playing sensational ball, led the Wolves to a 57-17 victory over the Ding-Bats in the Westmount Municipal Intermediate Basketball League, this week. The win for the Wolves moved them into the finals as they took the two-game total-point series, 90-36.

Binmore scored 11 field goals and 1 foul throw for a total of 23 points. He was followed by Dave Barnard, who dented the mesh for 16 points, Ed Lafontaine came up with 7 points, Marvin Greenbaum sniped 6 points and Wendy Young finished with 5 points. Ken Roberts was the best man for the Ding - Bats, dropping in 7 points; Fred Stevenson snared 4 points, while Erwin Frank, John Handy and George Presho scored a basket each for 2 points.

### Stars in Finals

Led by Jack McKissock and Willie Manolson, who scored 15 and 13 points, respectively, the Avenue Stars advanced into the finals when they defeated the Royals, 38-24. Graydon Easton sniped 2 points for the Stars and Bert Kelly came away with 8 points. Noel Romney was the high man for the Royals with 7 points. He was followed by Harold Young, who sniped 6 points; Logue McDonald and Bill Graham hit the hoop for 4 points each, and Tom Bonner banged in 3 points.

## Number of Bouts Signed For Tenth Annual Show

The card for the Academy's tenth annual boxing show, Friday, May 12th, is beginning to shape up, with a number of bouts already closed.

Representation is expected from such well known clubs as Westmount R.M.R., Polke Juvenile Club, St. Paul's and the N.D.G. Lions Club.

From R.M.R. on St. Catherine St. West will come the brothers, Jerry and Danny. Jerry will meet up with Jimmy Coffey at a 126 lbs. Danny will tangle with Donald Rolfe in a fight, 132 lbs.

Bill O'Brien will bring along four boys to carry the colors of the Police Juvenile Club. Bob Robertson will draw Tommy Rogers or Ross Murray at 147 lbs. André Giroux will try his southpaw slants against bouncing Buster Smart of the Academy, in the 156 lb. weight. Dave Orr will be out to keep the fine fistic tradition of the Orr family to the fore, when he faces Jean Fortin at 118 lbs. Hughie McDonald will engage Claude Trudeau, the last of the Police foursome. This battle will be at 112 lbs.

### Two N.D.G. Fighters

Billy Hurst, coach of N.D.G. Lions Club will bring two willing boys in Al Ferguson and Gillis Hood. Ferguson will meet up with the popular John Foy, in the 126 lbs. class, in a bout that should be one of the highlights of the card. Hood will take on St. Leo's Candy Kid, in the person of Lennie Mulligan. This match will be at 130 lbs.

Lucien Hebert, boxing mentor, will bring along three boys that will satisfy the fistic appetite of Nevil Martin, Ross Murray and Claude Sawyer. This trio will carry the colors of St. Paul's A.C.

At least one local bout will be put on display. Dave Marshall is slated to meet his teammate, Tommy St. James.

As usual, St. Leo's boys will have to sacrifice experience and age when they face the smart club boxers on the program but Coach Andy McGillis has a well-conditioned band of youngsters that will be well able to look after themselves.

### SPORT SHORTS

The Pee Wee and Junior Show will take over on Wednesday, May 17th, and should rival the senior show for action. Close to 30 bouts will feature this show, with a number of the boys participating in bouts with outside boxers. Unless training facilities improve, there is a danger that the name of St. Leo's will pass from the boxing scene. Close to a hundred boys took part in this year's regular classes under cramped conditions and deserve a lot of credit for showing so much enthusiasm in the manly art of self defence. . . . Gerry Ramsey, Johnnie Arena, Wayne Hibbard and Fred Hennessey will meet outside opposition in the Pee Wee and Junior Show on May 17th. . . . Tommy St. James has been one of the pleasant surprises in training and it is beginning to look like St. Leo's will soon have another good southpaw boxer to succeed Terry Rogers. Terry has been giving Tommy the once-over and feels he will do. It is funny how these southpaws stick together. . . . The newly-formed Old Boys' Group have come up with a handsome award, to be presented to the most improved athlete in the school.

The Cub Packs are at Aklavik and at Fort Vermillion, Alberta.

## Marler Warns Delegates Against Advance Promises

George C. Marler, Liberal member for Westmount-St. George, and acting leader of the party in the Quebec House has urged that delegates to the Liberal Party convention to be held in Quebec City May 19-20 should retain complete freedom of action in their choice of a permanent Provincial Leader.

Mr. Marler said that delegates should not commit themselves to support any particular candidate.

He said the Liberal Party has always been a guardian of parliamentary institutions and that "for this reason those who are preparing to elect its leader and to elaborate a program in conformity with present conditions realize that it would be contrary to the traditions of the party for them to commit themselves definitely towards one or another of the candidates."

Mr. Marler further stated that if all the delegates were to commit themselves before arriving in Quebec, "it would scarcely be necessary to hold a convention of the party."

More than 1,000 delegates are expected to attend the two day meeting.

Mr. Marler's words were interpreted as a disapproval of the barnstorming tours conducted during the past few weeks by George Emile Lapalme, M.P., for Joliette - L'Assomption - Montcalm, Jean Marie Nadeau, Montreal lawyer, and Horace Phillippon, Quebec lawyer.

The three men have announced that they are candidates for the leadership of the party.

Mr. Marler's statement appears to indicate that he has reserved until the last day of the convention his decision to accept to be nominated as a candidate.

## Always Train the Boy R.C.M.P. Aim Today

A policeman can become a hero in a child's mind by a single innocent comment on the part of a parent," Constable Archer of the Royal Canadian Mounted Police, told members of the Westmount Rotary at their luncheon meeting on Friday.

Archer, who is connected with the Youth and Police Division of

the R.C.M.P., said that it was this fear of the policeman that the organization is trying to combat, and maintained that a great deal was being done to successfully do so.

Before showing a movie on the importance of camping for young boys and girls, Const. Archer said that a new motto for the R.C.M.P. was "Always Train the Boy." "If we do this," he said, "the Mountie won't always have to get their man."

The speaker said that it must be remembered that to the majority of young people, the policeman is the only form of the law he has a chance to see in action. "It is, therefore, an important branch in which to show the children that we are not to be feared but respected and known as a good fellow."

He said that the R.C.M.P. had certain advantages in promoting this feeling, because the majority of children respect the uniform and the tradition of the force.

is now being planned. Our new Superintendent of Recreation has assumed his duties and we are looking forward to increased activity in athletic events this summer.

#### Parks

While we have had to trim our Current Budget in this Department as well as in others, it is our intention to maintain the services of the parks and greenhouses because we feel that the flowers and shrubbery in our parks and the floral shows in the greenhouses are indeed very attractive and pleasing to all the citizens and visitors to the city. The Easter Show of Flowers has been the cause of many favorable comments.

#### Police And Fire

The Police Department has been maintained at high efficiency, with special attention to traffic problems. During the year four crossing guardians were engaged to control the traffic at school intersections and so far the results have been very satisfactory. A new

pumper has been purchased for the Fire Department and it is pleasing to report that Westmount continues to maintain its position near the top of the list in Canadian municipalities with regard to low fire losses; the latest report indicating a loss per capita in the order of \$1.70.

#### Garbage Collection

For many years we have used horses and carts to collect our garbage. We are now swinging over to the use of automobile garbage trucks, of which we have three in operation and two more on order. The first two that we used were of the bucket type where the truck is loaded at the rear. The latest type is loaded at the side and is equipped with a mechanical press which compresses the garbage. It is interesting to note that one of these automobile collectors replaces four horse drawn carts; the increased cost of operation per year being in the order of \$1,200. per collector. Altogether some 12,700 collections are made per week throughout the city.

Glare from polished tables or desks, or those that have shiny glass tops is harmful to the eyes — similar to the glare from water or snow, or from bright sunlight itself. Colored glasses provide good relief from such glare, but they should not be worn all the time — that is, when there is no glare from which protection is required.

## Funeral Services For Dr. M. Fauteux Held Here Monday

Dr. Mercier Fauteux, internationally-known heart specialist, and a distinguished resident of Westmount, where he resided at 700 Grosvenor avenue, died on Friday in St. Luke Hospital, at the early age of 53 years.

Dr. Fauteux had been ill only a short time and his death came as a shock to his many friends.

The renowned heart specialist had won world honors for his method of heart surgery, developing a technique of joining heart vessels together and of heart resuscitation.

He was born at St. Hyacinthe, Que., in 1897, son of Dr. Homere and Neva Mercier Fauteux and grandson of Honore Mercier, former premier of the Province of Quebec.

Dr. Fauteux was a brother of Hon. Gaspard Fauteux, ex-Speaker of the House of Commons and M.P. for Montreal St. Mary's.

Mr. Justice Gerald Fauteux of the Supreme Court of Canada is another brother.

Dr. Fauteux graduated from the University of Montreal in 1924 with the degrees of M.D., C.M.

He interned for a year at Hotel Dieu and then spent another year at the University of Paris before returning to Montreal to establish a practice.

While still maintaining his private practice he became attached to the medical research department of McGill University.

In the early days of the second world war he continued his research at Harvard University where he was a fellow of the Rockefeller Foundation.

He demonstrated his heart sur-

gery methods at a Paris Medical convention in 1948.

At the time of his death Dr. Fauteux was a professor of surgery at the University of Montreal.

He is survived by his widow, the former Therese Jacques; two sons, Pierre and Jacques, both attending schools in the United States; three brothers, Gaspard, Gerald and Dr. Aime all of Montreal, and a sister, Mrs. Honore

Mercier of Chateaugay.

The funeral service which was largely attended was held at St. Leon de Westmount Church on Monday, with interment being in Cote des Neiges Cemetery.

Alan Ladd's role in Paramount "Captain Carey, U.S.A.," calls for more fights, gun battles and dramatic action than any part he had since his sensational "Gun for Hire."

# HOUSEWIVES EVERYWHERE ACCLAIM RED ROSE TEA

**Winnipeg, Man:**

Frankly I've been buying Red Rose Tea only since Tom's Mother came to visit us; it has always been her favourite tea. There is nothing like a cup of good tea—and after tasting Red Rose Tea I know why Mom prefers it. Red Rose Tea is Good Tea! It makes more cups per pound! It is everything the Red Rose Tea people say it is. Tom's Mother visited us six months ago and I've been a Red Rose Tea fan ever since. I see now that the price has not been increased and I'm telling all my friends.

**Three Rivers, Que:**

I've been buying Red Rose Tea for several years and I wouldn't think of any other tea now. Not only does it have a bright, satisfying flavour, but it actually costs less per cup because there are more cups per pound. A good cup of tea is hard to beat—and Red Rose Tea is Good Tea. To top it all, the price of Red Rose Tea has not been increased. This makes it doubly our favourite tea!

**Hamilton, Ont:**

I would never have believed that there could be such a difference in tea until I tried Red Rose Tea! Red Rose Tea makes the best cup of tea we've ever had at our house and we have voted it the family favourite. It is good and satisfying. Another thing about Red Rose Tea is that it costs less per cup! Red Rose Tea makes more cups per pound. And now that I see that the increase in price does not apply to Red Rose Tea, I am more convinced than ever that it is the tea for us.

**Woodstock, N.B:**

Because of our large family, tea is an important item in our budget. When I decided to try Red Rose Tea I was amazed at its full flavour. It was not long before I noticed that I always got more cups per pound with Red Rose Tea. Red Rose Tea has been our favourite tea for years. Now that I'm told that there is no increase in price on Red Rose Tea I am more convinced than ever before that Red Rose Tea is Good Tea!

**Calgary, Alta:**

About two months ago I thought I'd try Red Rose Tea for a change—we have never had it before. Honestly I was surprised at the bright, flavourful cup it made! I have been buying Red Rose Tea ever since, especially when I discovered that it makes more cups per pound! This is an important consideration when your family drinks as much tea as ours does. And now there is an additional saving; the price of Red Rose Tea has not been increased. So it pays to buy good tea and Red Rose Tea is Good Tea.

# NO INCREASE IN PRICE RED ROSE TEA IS GOOD TEA
