Rockefeller refuses to second VP Nixon

CHICAGO (AP) — Governor Nelson A. Rockefeller of New York headed for this convention city today at odds with fellow Republicans on several points including his refusal to second the nomination of Vice-President Richard M. Nixon at the Republican national convention.

Every current sign points to Nixon's nomination by acclamation at the convention that opens July 25.

But Rockefeller, hailed by Republicans as a bright, new light in the party after his upset election victory in New York in 1958, has kept himself out of this mainstream of Republican activity.

Although agreeing that Nixon "for all practical purposes" is the nominee, Rockefeller has kept himself open to a draft. Some think his arrival today with a large corps of advisers and consultants marks the beginning of a last-ditch effort to win the nomination.

Rockefeller is chairman of the 96-vote New York convention delegation, which he so far has held neutral. He may clarify his position today at a press conference.

SPEAK TO COMMITTEE

Rockefeller will appear Tuesday before a committee drafting the 1960 Republican platform.

Rockefeller will urge the committee to adopt his views on subjects ranging from nuclear testing — he wants it resumed — to medical care for the aged — he thinks it should be handled through existing social security machinery.

On these and several other points, he is in conflict with the national Republican administration. He has said much has been left undone in the fields of civil rights, national defence and foreign policy, among others.

Rockefeller has refused consistently to endorse Nixon. In a television interview in New York, Rockefeller said he had turned down an invitation to second Nixon's nomination. He declined to say who extended the invitation.

Rockefeller repeated his long-standing statement he would not become an active candidate for the nomination or accept second place even if President Eisenhower asked him.

Barriers down

Secret data to Kennedy

NEWPORT, R.I. (AP) — An obstacle to President Eisenhower supplying Senator John F. Kennedy, the Democratic presidential nominee, with secret national security information appeared today to have been cleared up.

Through a spokesman, Eisenhower made it plain late Sunday that he was willing to make such confidential data available during the campaign to Kennedy and his running mate Senator Lyndon B. Johnson of Texas, on this condition:

They — as well as the leaders of the Republican ticket — had to accept it personally and not through go-betweens. Kennedy had indicated he planned to have representatives accept it on his behalf.

A few hours after the president's terms were outlined to Kennedy, the Massachusetts senator's press secretary, Pierre Salinger, read a vague statement to reporters at Hyannisport, Mass., Kennedy's summer home.

Asked whether it meant Kennedy and Johnson were accepting the Eisenhower condition, Salinger replied: "I would say yes."

DATA AVAILABLE

Kennedy previously had announced plans to have Adlai Stevenson, twice-defeated presidential candidate, and representative Chester Bowles (Dem. Conn.) receive the confidential security information on his behalf.

CONVENTION GATE-CRASHER — Mary Kramer, 23, of Elizabeth, N.J., inspects a Kennedy button worn by Les Cohen, 19, of Timmins, Ont., who managed to crash every session of the Democratic national convention at Los Angeles except the one on opening day. His method? Join up with demonstrators carrying banners and signs: "Just look as if you belong, and yell louder than anyone." At one point, Cohen was wearing a "Kennedy" straw hat, a "Johnson" button, an "Adlai" badge, a "Meyner" button and a sign reading "a time for greatness." Cohen, who hitchhiked from Timmins to Los Angeles on \$2.56, says he's heading for Chicago to try the same techniques at the Republican national convention. (CP Wirephoto)

Anti-Red demonstration

'Cuba si, Russia no'

HAVANA (AP) — "Cuba si, Russia no!" shouted crowds of Catholics following an anti-Communist mass Sunday at Havana's cathedral. It was the most spectacular anti-Red demonstration since Fidel Castro's regime took the turn to the left.

In a switch from the "Cuba si, Yankees no!" chanted by Castro's followers on every occasion, churchgoers vented their feelings against the government trend following a mass dedication to "victims of Communist persecution."

A handful of hecklers had to be rescued by a police car when they shouted "Cuba si! Yankees no!" at the throng that poured into cathedral square following the mass. Men and women pounded on the police car with fists and pocketbooks as the hecklers were escorted to safety.

Two uniformed but unarmed militiamen got the same treatment and had to be rescued by police.

Prime Minister Fidel Castro, reported mending after a lung infection, continued silent as the thorny dispute between his regime and the United States moved into world regional organizations.

Cuban Foreign Minister Aurelio Roa was to present a two-hour complaint against the United States in the UN Security Council today, charging U.S. economic and military aggression against Castro's revolution. U.S. delegate Henry Cabot Lodge had a one-hour defence ready.

After the exchange of speeches, the two Latin American members of the council, Argentina and Ecuador, planned to propose referring the dispute to the Organization of American States (OAS). The Havana Communist newspaper Hoy said any attempt to place the Cuban-American dispute before the OAS rather than the UN was a trap.

Cuban Defence Minister Raul Castro, Fidel's brother, arrived in Moscow Sunday. He is believed to be seeking more economic and military aid from the Soviet Union.

Soviet Premier Khrushchev, who will visit Cuba soon, already has pledged help for the island nation in its dispute with the United States. The U.S. administration in turn has warned that the United States will not tolerate Communist interference in Latin American affairs.

British informants in London said they expect Cuba and Communist China to exchange ambassadors soon.

The Chinese Reds today promised "all-out support" against U.S. intervention in Cuba. An economic mission from Peking, now in Havana, is expected to agree to large purchases of Cuban sugar to offset some of the effect of U.S. cancellation of 700,000 tons of its previously anticipated purchases.

Capt. Perez Mendez, 41, was scheduled to fly to Miami, Fla. Ten minutes out of Havana he pulled a gun on his friend and co-pilot Guido Colli, locked the door to the passenger compartment and changed course to Kingston. The plane was carrying 56 passengers.

The pilot said he was a nephew of Esther Mendez, owner of the Cuban daily Advance which has been seized by the government. He said he belonged to the movement for the restoration of the revolution, which is dedicated to the overthrow of the Castro government.

"I had to flee Cuba because the Communists have taken over my country," he said.

POSING AS TOURISTS

Mendez claimed that Russian, Polish, Chinese and Czech technicians posing as tourists were supervising the construction of military bases in Cuba.

Premier Fidel Castro, he charged, plans to take over the Caribbean and eventually the whole of Latin America.

Belgians refuse to remove troops unrest continues

STANLEYVILLE, The Congo — (AP) — Maj.-Gen. Carl Von Horn of Sweden today took command of United Nations military forces in the Congo as Congolese officials threatened to ask Russian troops to intervene.

Van Horn and his staff arrived in Leopoldville from Palestine, where he has headed the UN truce mediation commission. Troops for his force were already on hand from four African nations — Ghana, Tunisia, Morocco and Ethiopia — but most of the job of trying to restore order still fell on the 6,000 Belgian troops fanned out over the vast new Central African nation.

UN Secretary-General Dag Hammarskjöld asked five more countries to send troops. Sweden said today that it was one of the nations asked. Others were reported to be Ireland, Yugoslavia, Burma and Haiti.

WEST IS WORRIED

The continued presence of the Belgian troops angered the government of Premier Patrice Lumumba, and a cabinet minister announced that the Soviet Union would be asked to send troops unless Belgium withdrew her forces within three days. The Belgians made no move to comply. But Western officials were gravely concerned over the development.

The Congolese minister charged the UN force was not competent to deal with the situation.

As Van Horn and his staff landed at Leopoldville, confusion reigned in the temporary military headquarters set up in the airport control tower. No one was sure of the task of the newly arrived UN forces.

Belgian paratroopers continued to occupy Leopoldville airport. They manned approaches to the

Forest fires spread

KAMLOOPS, B.C. — (CP) —

A B-17 Flying Fortress, capable of carrying 2,000 gallons of water, joined 15 other aircraft today as the battle against spreading forest fires entered its 12th critical day in the Kamloops forest district.

The aircraft, on loan from the United States, can drop its load as a single 2,000-gallon shower or as two separate 1,000 gallon drops.

A temperature of 102, highest this year in the Kamloops area, Sunday brought urgent appeals for more firefighters to join an army of men that was expected to be more than 1,500 today.

The forest service ran out of volunteers from Kamloops and late Sunday drafted men off the streets in Princeton, 80 miles to the south, to fight a blaze in the Spus Creek area, the largest so far.

One police officer suspected arsonists in many of the fires here.

"Starting a forest fire is an old depression method of making some money," he said. "Today a forest firefighter gets 75 cents an hour and board."

NO RELIEF SEEN

No break is immediately seen in the hot spell and firefighters fear the number of blazes will go much higher than the present 275 in the Kamloops district. Sixty-six new fires sprang up over the weekend.

Most of the fires are the direct result of a lightning storm July 13 which resulted in a patch of destruction 220 miles long and 50 miles wide.

Surgeon dies

NEW YORK (AP) — Dr. Aaron N. Gurelik, internationally-known heart surgeon, died early Sunday from a cerebral coma. The doctor, who would have been 59 today, was stricken Friday night.

RB-47 crew partied?

LONDON (P) — British and American counter-intelligence agents have been investigating a party thrown by the six-man crew of the RB-47 American reconnaissance plane the night before the Russians shot them down.

The party was at the picturesque 16th-century inn, the Elephant and Castle, in the village of Bampton — in the — Bushe, beside the Thames.

"But I don't think we were the only people visited by the security men," said innkeeper Arthur Scott-Norman. "I think they were probably making inquiries over a wide area."

There were reports that ever since the Russians announced the shooting down of the RB-47 U.S. intelligence agents have wondered if Soviet spies in Britain got word of the flight.

NOT IN HIS BAR

If they did, Scott-Norman is satisfied it didn't happen in his bar, where the airmen celebrated after a dinner party.

"You can take it from me they were not merry or anything like that," said the 40-year-old innkeeper. "They were as discreet as ever, not saying a word about where they were going."

21 hurt
in E.T.

Five persons died and twenty-one were injured in weekend accidents in the Eastern Townships.

At Windsor, a 38-year-old local blacksmith was killed in a two-car collision which injured seven other people early Sunday morning.

Elodien Camire, father of two children, died when the car which he was driving struck another driven by Jean Marc Bergeron of Victoriaville near the Canada Paper Company mill in Windsor.

Injured were Mr. and Mrs. Alfred Beaudoin, Mr. and Mrs. Alde Beaudoin, and Mrs. Raymond Roy, all from St. Georges de Windsor. Bergeron, driver of the other car, was also slightly injured.

Three people were killed and one other was seriously injured in a three car crash near Thetford, Saturday afternoon.

Dead are Mr. and Mrs. Gilles Boulet, both 35, of St. Pierre de Broughton, parents of six children, and Mr. Honorius Pomerleau, 73, R.R.5 Sherbrooke.

Injured was Mrs. Gerard Vachon, 45, St. Pierre de Broughton, who was taken to St. Joseph Hospital in Thetford Mines, suffering from internal injuries. Hospital authorities said last night that her condition was serious but not critical.

The car driven by Mr. Boulet struck Pomerleau's car, glanced off and struck a car driven by Donat Ducloux, of Thetford Mines. Passengers in the latter vehicle escaped injury.

At Drummondville, a 17-year-old Marieville youth died in a drowning accident. Further details of the accident which took the life of Gerard St. Jean, were not available.

Fourteen persons were taken to hospital as the result of three separate accidents at Granby over the weekend. Two were allowed to return home, but the other 12 remained in hospital to undergo tests.

None of the injured are in serious condition.

A Richmond man, Herve Lacroix, and his uncle, Gaudens Viens, Greenlay, escaped injury when the car in which they were riding went out of control and overturned in a ditch near Richmond yesterday afternoon.

Overwhelming approval

Ikeda elected

TOKYO (AP) — Outspoken Hayato Ikeda was elected prime minister of Japan today and immediately faced an explosive crisis at a strife-torn Kyushu coal mine.

The 60-year-old financial expert won overwhelming approval over two socialist opponents in both houses of parliament to succeed Nobusuke Kishi, who stepped out after 3½ years in office. Kishi is recovering from stab wounds in the thigh inflicted by a rightist assailant July 14.

Ikeda began selecting his cabinet for installation within a few days.

A continuation of pro-Western policies through alliance with the United States is assured, although the government is expected to be short-lived. New nation-wide parliamentary elections are planned this fall.

TO RESTORE PRESTIGE

Ikeda, trade and industry minister in Kishi's cabinet, has pledged to restore Japan's international prestige damaged by riots in May and June, to pursue a "soft" policy of negotiation with the socialist party.

INCREASE EXPECTED — Canadian health officials expect a high number of polio cases this year because a high number always follows an epidemic.

The 1,870 cases in 1959 was much higher than the average pre-1955 year and was topped only by the close to 4,000 cases in 1953.

Salk vaccine was introduced five years ago and federal health officials say the only reason polio is widespread in any community is that the people aren't vaccinated.

Pulitzer winner dies

NEWBURY, Mass. (AP)—John P. Marquand, Pulitzer prize-winning novelist, died in his sleep at his ancestral home on Kent's Island Saturday. He was 66.

The noted author, who made his home here for the last 22 years, had been working on a new novel. He had been in good health.

His literary standing was firmly established with the novel, *The Late George Apley*, in 1937. This gained him the Pulitzer award. It later was a successful play and movie.

His first job on leaving school was as a \$15-a-week reporter for the Boston Transcript, now defunct, but a newspaper of high repute in its heyday.

"I took up writing because I was not good at anything else," he told an interviewer.

Threatened by officer on Montreal highway

MAGOG — (Special) — An amazing story of a wild chase and a threatened assault by an individual later identified as a member of the Quebec Provincial Police was recounted today by Johnny Dionne, a Magog motorist.

According to his story, Mr. Dionne had been visiting the Knowlton area last Tuesday afternoon and was returning to Magog. When he reached the narrow underpass at South Stukely, a car stopped immediately ahead of him in the centre of the underpass, blocking the highway. The occupant of the parked car left his vehicle and came walking toward Mr. Dionne, who had halted his car in the meantime.

"I reversed my car and backed up, realizing the man in the other auto meant me harm," said Dionne. "With traffic piling up, he moved on, holding me behind him until we arrived at Eastman. There he again stopped and attempted to reach me by foot. I avoided him by manoeuvring my car over a lawn and made a run to escape the man in the 1959 Buick."

"He overtook me of the flat just before the sharp curves in the road near Orford Lake," Dionne continued. "I was travelling at top speed to avoid the man chasing me, in fear of what he would do to me. Why he was chasing me, or trying to assault me, was unknown to me, as he was a stranger whom I had never seen before."

"As I was travelling at top speed attempting to escape, this strange car and driver passed me, causing considerable damage to my car and nearly causing me to plunge to my death. I am sure that at the speed I was travelling, I would not have survived an accident."

"After side-swiping me, he sped on to stop at the Manor Orford hotel. I continued quite shaken, stopping only to take the license number of my pursuer's car. He again appeared and immediately took up the chase. I barely made the Mountain Lodge, where I summoned aid from the Provincial Police in Sherbrooke and waited until aid arrived."

"To my amazement, the officer sent to investigate the case identified the man as a fellow Provincial Police officer in civilian clothes."

Through the intervention of the uniformed officer, Dionne was able to continue his journey to Magog without further interference.

2 Asbestos nuns said in safety

ASBESTOS, Que. (CP)—Two Canadian nuns in the Congo have taken refuge in Leopoldville with others of their community, it was learned Sunday.

Mrs. Albert Gendron, mother of Sister Marie-Celine, said she has not heard from her daughter in more than a month. However, she received a telephone call from Rome recently and was told that nuns in the Congo have been placed under police protection in Leopoldville.

The family of Sister Marie-de-la-Paix said they have had no news of her.

The call to Mrs. Gendron came from the mother-house of the Roman Catholic religious order to which her daughter belongs, she said in an interview.

Trade school at Waterloo in September

WATERLOO — The Provincial Department of Youth is opening an English-language trade school in Waterloo next September, and it is hoped that a prospectus of the school will be available to interested people in the near future.

Mrs. Frank R. Graves, president of the Waterloo Home and School Association stated in an interview that she has been assured that the Trade School will be ready for pupils early in September, that it will be located in the Mon Homme Hall for the coming year, and that the Department is planning on having a school bus service in connection with the Trade School.

It is hoped that the enrollment from the whole district will be large, and that the English-speaking people of the Eastern Townships will avail themselves of the opportunities such a trade school offers them, both in the learning of a trade, and in the employing of the skilled labour this School will be turning out.

She expressed the gratitude of the Waterloo Home and School Association to all of those people of the area who gave their support to the locating of the Trade school in Waterloo. And most particularly to Mr. Armand Russell, Mayor of Waterloo and MPP for Brome County. Without Glen Brown, of Knowlton, MPP for Brome County. Without the help and co-operation of these two men the hope of having an English-language trade school in Waterloo could not have been realized.

Provincial aid

Municipal group to seek subsidies

The Quebec Union of Municipalities at its next annual convention will be asked to adopt a resolution asking the Provincial Government to provide financial assistance to municipalities through a system of statutory grants.

This announcement was made over the week-end by Mayor Armand Nadeau, honorary president of the organization, following a conference of the Union's executive held at Ville Estelle on Saturday.

The suggestion was presented by Mayor Nadeau and received the unanimous approval of the executive.

The directors also decided to reduce, if possible, the number of resolutions to be presented to the convention for adoption. Mayor Nadeau continued.

In suggesting this course of action to its members, the executive stressed that it was not intended that resolutions presented by the various municipal bodies be scrapped. Rather, it was hoped that only resolutions of major importance be submitted to that there would be a better chance of obtaining a favorable response to those proposals that were adopted.

Mayor Nadeau was named chairman of the resolutions committee at the executive meeting. A suggestion by Mayor Nadeau that newspapermen be admitted to all meetings of the executive was also adopted.

Kesseling is dead

BAD NAUHEIM, Germany (AP)—Field Marshal Albert Kesseling, commander in chief of Nazi forces in the west in the last months of the Second World War, died Friday night. He was 74 and had been under treatment in a hospital for a heart ailment.

A tough Bavarian whose military career stretched over 40 years, Kesseling was an early advocate of the co-ordinated air-ground assault that Germany used so devastatingly in the early stages of the war.

He was a close friend of Reichsmarshal Hermann Goering and helped build up the Luftwaffe. Allied officers credited him with the shrewd use of terrain, artillery and limited forces in fighting a rearing action in the Italian campaign. The battle of Cassino was cited as an example of his skill.

Kesseling was in and out of favor with the Nazi regime before he was named to replace Field Marshal Karl von Rundstedt as commander of Hitler's armies in the west in March, 1945.

DECORATED SOLDIER

He was said by Germans to have been shot down in aircraft three times and to have suffered eight accidents during the war. His decorations included one of Nazi Germany's highest military honors—the Knight's Cross of the Iron Cross with swords and diamonds.

After the war he was sentenced to death by the British for war crimes on the Italian front. The sentence later was commuted to life in prison and subsequently reduced to 20 years. He was freed in 1952 because of his health.

In his memoirs, Kesseling criticized Hitler and the German high command for not envisaging the invasion of England when the attack in the west was decided on in the fall of 1939. He blamed the German navy for primary opposition to the invasion.

Howard, Dr. Gerard Lemieux, MPP for Wolfe, Aldermen Carrier Fortin, Paul Gervais and Gerard Berard, Mayor Roland Brousseau, of East Angus, J. C. CALGARY (CP)—The 1960 Calgary Stampede ended Saturday night with authorities announcing a move to help the family of a cowboy fatally injured in Friday night's event. Don Chapin of Calgary fell from his seat in the chuckwagon race and dropped beneath the wheels of a following rig. It was the first time a participant has been killed in the 37-year-old chuckwagon race. George Edworthy, chairman of the Stampede board, said the board will contribute \$5,000 to a fund for the widow and seven children of the feed lot foreman.

Municipal impasse results from electoral disinterest

FOSTER — The failure of Foster citizens to elect three members to the village council at the nominations last Wednesday was not due to the desire of the retiring Councilors to quiet their posts but rather resulted from something in the way of over-confidence. When the nominations failed to produce any candidates for the seats formerly held by Leo Dagenais, Alfred Wing and Georges Dallaire, it was assumed that these men did not want another term and that no one else was ready to fill their posts.

But later it was revealed that

Knobby knees hit by inspector

OAKVILLE (CP)—Knobby knees peeking from beneath Bermuda shorts are indecent for waiters and bartenders, says an indignant liquor licence board inspector.

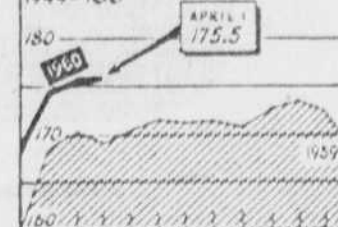

The unidentified inspector was shocked Friday when he walked into the Royal Oak Hotel and found Manager Harry Shapiro had his staff dressed in the shorts, black knee-socks, white shirts and ascot ties.

Today the staff is back in conventional, uninteresting long trousers pending a man-to-man talk between the inspector and Chief Inspector George H. McLean.

In February 1950 Mr. Burris was transferred to Toronto Sales Branch where he was responsible for sale of all Company products to the Pulp & Paper Industry. UN FLAG HOISTED

Alexander flew from Leopoldville to this picturesque city 775 miles north of the capital Sunday to hoist the UN flag and confer with Lumumba and Kasavubu.

The disclosure that the Congolese leaders were planning to invite Russia to send troops came from Jacques Lumumba, one of nine secretaries of state in the government and leader of the left wing faction in the regime.

Shocked by the leakage of his government's strategy, Lumumba upbraided Lumumba before newspaper men and told him, "I will take the most serious measures against you."

The 34-year-old premier did not deny the plan, and it was learned reliably his government has drafted a telegram for sending to Moscow.

Miss F. Pawley feted at shower in Massawippi

MASSAWIPPI — Mrs. John Saanum and her daughter Sandra were hostesses at a delightfully arranged shower in honor of Miss Frances Pawley, on Friday evening, July 8, at their home.

Twenty guests assembled in the living-room, which was decorated with garden flowers. The bride-to-be was escorted to the traditional chair, where gaily colored balloons suspended overhead, when punctured showered her with confetti. She was then presented with many useful and lovely gifts which were passed around and admired. Miss Pawley thanked everyone for the gifts and good wishes.

The guests then participated in a hilarious game relative to the bride-elect's forthcoming marriage to Wesley Whipple. Mrs. Saanum gave an entertaining reading.

The dining table laid with a lace cloth was centered with a decorated cake in the form of a double-ring, flanked by white tapers in crystal holders. Refreshments were served by the hostesses, assisted by Miss Esther Saanum.

Vaniers aboard Day of firsts

ABOARD H.M.C.S. BONAVENTURE — Governor-General Georges P. Vanier was on the way to Prince Edward Island Sunday night as this 20,000-ton Canadian aircraft carrier steamed through a calm Atlantic.

It was a day of firsts for the 73-year-old governor-general and Madame Vanier. The couple had a ride in a helicopter for the first time. They had their first cruise in an aircraft carrier and they were preparing for their first visit to Prince Edward Island. They also saw their first air display by carrier-borne aircraft.

Some things were happening to the Bonaventure for the first time as well. She has never had a governor-general aboard and she will pass through the Northumberland Strait for the first time on the way to P.E.I. The governor-general, continuing a tour of the Atlantic provinces which started at Fredericton July 1, will spend today and Tuesday in Charlottetown before boarding Bonaventure for St. John's Nfld.

A BRIEF FLIGHT

The governor-general's first helicopter flight was a brief mile-long run from the front lawn of Keltic Lodge at Ingonish Beach, N.S., where he had spent the weekend, to the carrier anchored in the bay.

A royal guard of 100 sailors stood at attention while the helicopter, piloted by Lt.-Cmdr. William Frayn of Kingston, Ont., set down on the flight deck. Governor-General and Madame Vanier were welcomed aboard by Captain John Charles O'Brien, 41-year-old skipper of Canada's biggest warship.

A bouquet of roses from the ship's personnel was presented to Madame Vanier by Able Seaman Gerard Masterson, of Dublin, Ireland, and St. John's Nfld.

Later, the ship's band played on the flight deck and Madame Vanier waved to a group in an RCMP cutter at the entrance to Ingonish Harbor. She wore an H.M.C.S. Bonaventure cap tally in her hair.

A display of helicopters, anti-submarine tracker aircraft and Banshee all-weather jet interceptors was held in the afternoon, with the Vaniers watching from the carrier's island.

Following the air display, Madame Vanier asked an officer where the aircraft were going when they disappeared under the flight deck. She was taken down the big elevator that lowers the aircraft into the hangars below.

Sunday night the party had dinner with a group of senior officers. But Madame Vanier sent a personal invitation along to a petty officer, P. O. John DeSala, a distant cousin of Madame Vanier through her mother's family and an aircraft radio technician aboard Bonaventure, was meeting Madame Vanier for the first time.

NIECES AND NEPHEWS.

QUILLIAMS — I wish to express my sincere thanks to Dr. Cooper, Dr. Wells, the nurses and nurses' aides on the second floor of the Sherbrooke Hospital. Also those who sent flowers, gifts, cards, and came to visit me. Your kindness will always be remembered.
MRS. ORVAL QUILLIAMS,
Waterloo, Que.

ROSS — We wish to thank all our many relatives and friends who did so much to assist at the time of the death and funeral of our dear beloved son, Dennis. We would like to mention Mrs. W. Baker and Mr. Ted French, as well as the many others who came to assist so willingly at Bailey's. Pond. Our hearts are touched by the large numbers who sent flowers, cards and food; and by the many who called to offer their sympathy.
Our special thanks go to Rev. W. E. Walker and Rev. G. L. Norris to the members of the choir of St. Paul's Church, of St. Alban's of Scotland, to the boys who acted as bearers; to Mr. G. A. Boynton for his many kindnesses; to Mr. Edouard Couture and Mr. Paul Paquin for arranging for the car which carried the flowers.
There are many, many others who did kind, thoughtful deeds which help to make the world a better place. At such a time these friendly acts become treasured memories.
MR. & MRS. RAYFIELD ROSS

Makes a man feel ten feet tall! What does? Why, having money in the bank, of course! When you've got a nice pad of savings behind you, you can take advantage of sale prices. And when you spot something you want, you can pay cash for it. Or, if someone in the family gets sick, it's nice to know the money is right there to look after him. The fact is, everything in life looks better when you've got cash in the bank. And it doesn't take long to run up a nice sum when you make small but regular deposits. Yes sir, money in the bank really does give a man that ten-feet tall feeling. Do you know where I save my money?

Mr. and Mrs. John LeDuc marked their 50th wedding anniversary with a Mass of thanksgiving and the renewal of vows and later a reunion at the Sherford Hotel. Their son-in-law, George Morin, who is a member of the local S.C.P. staff, planned the event, which may well be one of the highlights of the social season here. Nine sons and six daughters, with 20 children, making 53 grandchildren and great-grandchildren, joined the festivities.

Senators' Serge Cabana Drives In Winning Run To Edge Yankees 4-3, Red Sox And Tigers Clash Tonight

Senators are slowly edging in to second spot in the Little League standing. Saturday morning they took a close 4-3 win over the Yankees. Tonight the Red Sox and Tigers meet at the Parade Grounds game time 6:30.

Saturday's tilt went right down to the wire before a winner was declared. It was young Serge Cabana, Senator shortstop, who knocked in the winning run in the sixth inning.

Senators, in the bottom of the opening inning, got away to a one-run lead. Two bases on balls and a single by Martel driving in the run. Top of the third Yankees went into the lead getting two runs. Beerworth, Gerard, McLeod and Planche all hitting safely.

Senators tied it up again in

Willie McCovey Shipped Back To Minors

SAN FRANCISCO (AP) — A San Francisco Giants hero in 1959 as the National League's rookie-of-the-year, Willie (Stretch) McCovey today headed back to the minors.

Slumping at bat and in the field this season, the 22-year-old Negro first baseman from Mobile, Ala., Sunday was optioned to the Giants' Pacific Coast League farm club at Tacoma, Wash.

"When a guy is fielding bad and isn't driving in any runs, what are you going to do?" asked manager Tom Sheehan. Although he hit .354 with 13 home runs last year after being called up from Phoenix on July 30, McCovey was hitting only .244 with 11 homers when sent down on 21-hour recall.

"I'll get a chance to play and maybe that will help," the disappointed McCovey said after Sheehan told him of his demotion. "This is the first time I've experienced anything like this for a season."

Piersall Is Tossed Out

CLEVELAND (AP) — Jimmy Piersall was thrown out of the game with Washington in the first inning Saturday. Cleveland general manager Frank Lane said later the excitable outfielder would pay double for any fines levied by the league.

Piersall was thrown out for the fifth time this season when he protested a called strike by umpire Cal Drummond. The freshman umpire said later that Piersall had used abusive language. However, no league fine is expected in this case.

Lane, angry over Piersall's ejection, said: "No player is any good to us in the clubhouse. We have a right to fine a player for loss of his services. Maybe this is the only way to curb Jimmy."

Toronto Takes Double-Header From Montreal

MONTREAL (CP) — Toronto Maple Leafs hammered out a total of 17 hits Sunday to take both ends of an afternoon International League doubleheader 5-4 and 7-1 from the slumping Montreal Royals.

Powered by bases — empty home runs from Charlie Thompson and w in n ing pitcher Rip Coleman in the nine — inning opener, the Leafs managed to stay ahead of the Royals and halted an eighth — inning Montreal drive to tie the game.

Two home runs by outfielder Jim King — his 21st and 22nd of the season — helped the Leafs in their crushing defeat of the Royals in the second game. A six-hit four — run barrage in the final put the game on ice.

REMEMBER WHEN . . .

Cliff Lumsdon of Toronto won the Atlantic City 25-mile swim by just half-a-stroke over Tom Park of California four years ago today. Lumsdon's time of 9 hours 51 minutes was just 1-5 second ahead of Park, who had won the two previous years. Lumsdon won against last year, with Park again second, but this time Park was 75 yards behind at the finish.

Fuller Downs Brompton 6-1 Saturday, Ties Kist Sunday 6-6, Coaticook-Brompton Royals Fixture Postponed

Standings remained unchanged after a weekend of Junior baseball with only one game being chalked up on the charts. Fuller downed Brompton 6-1 Saturday night in Windsor while Sunday evening at the Municipal Stadium, Fuller and Ruel's squad battled to a 6-6 tie after eight innings.

The tilt between Coaticook Canadians and Brompton Royals was postponed due to rain. In Saturday's fixture, Roger Duquette was the winning hurler, walking six men and allowing three hits while Mike Raymond, Brompton's pitcher, gave out 11 free passes to first and had six hits against him.

After a scoreless first frame, Fuller clicked for three runs and then ran the total to five in the third. Both teams went runless until the six when each brought in one point.

Luc Gregoire and Gerry Menard were the standouts for the winners, Gregoire getting a double and a single and Menard doubled.

In the Sunday evening tilt, Wayne Nugent was on the mound for Fuller, striking out nine men, walking three, and giving up

Canadian Wins Top Honors At Bisley Shoot, Gunnar Westling Of Vancouver Wins, Capt. Ed Warner Places Third

BISLEY, England (CP) — Gunnar Westling of New Westminster, B.C. Saturday won the highest award at the Bisley shoot — the Queen's Prize — and his Canadian countrymen carried him on their shoulders for a mile in joyous celebration.

"Wonderful, wonderful, wonderful," said the 52-year-old welder in a Vancouver boiler factory after he scored 280 points out of a possible 300 in the final round of the famous rifle shoot that started July 2 with 1,800 entries from all over the Commonwealth.

Capt. E. L. Warner of Lennoxville, Que., an accountant, captured third place with 276 — just one point behind Maj. D. L. Langley of the Royal Marines.

Maj. R. W. Hampton of Alliston, Ont., a regular army man attached to the Canadian School of Infantry at Camp Borden, Ont. finished eighth with 274.

Wilkinson was part of a 12-boy Canadian cadet team that took more than 50 places on the prize list, and only 10 of them were in categories reserved for newcomers.

Until the Queen's prize competition started Friday, Wilkinson was running neck and neck with Cadet Ronald Brehm of Wadena, Sask. In the 29 events in which the team took part before the Queen's Prize, the two cadets each hit the prize list 10 times, while James Thomson of Winnipeg and Don Scotland of Hull, Que., each accounted for five prizes.

But it was Swedish-born Westling's performance that captured the eyes of all. He drilled shot after shot into the bullseye at a distance up to 1,000 feet.

A Scottish pipe band led Westling into the awards tent where the Earl of Home, secretary of state for Commonwealth relations, gave him the great prize. It was so heavy it took four men to carry it to a truck.

Westling also got £250 (\$367) cash, a signed portrait of the Queen and a gold medal from the National Rifle Association.

Mrs. Leary, a reporter on the Victoria Colonist and a reserve army lieutenant, never had shot a .303 rifle — the type used in the competition — before.

In Europe on a newspaper assignment, she simply went out and bought one and entered the Bisley tournament. She entered a dozen or so events and only failed to hit the prize list twice. Her prize money totals about £50.

Sherbrooke's Mike Daniels Belts Two-Run Homer, Paul Legendre Hurler For Victors, Locals Lose Sunday

Sherbrooke PONY League All-Stars romped to a 17-6 victory over the All-Star Team from Laval des Rapides Saturday afternoon in Sherbrooke and then went on to meet the St. Jerome All-Stars Sunday. In the tilt Sunday, the local squad was defeated by a count of 5-2.

Paul Legendre was the winning hurler for Sherbrooke whiffing 11 men, walking none, and allowing eight hits while Vanier, who was replaced by Sequin in the third, had five strike outs, no walks and four hits against him. Replacement pitcher Sequin for Laval racked up six whiffs, no walks, and had ten hits chalked up against him.

Outstanding in the hitting department was Mike Daniels of Sherbrooke who belted a two-run homer over the inside fence of the park in the first inning. Third baseman Daniels spearheaded the six-run Sherbrooke attack on Laval in the primary frame which saw Normand Lachance, Denis Labrecque, Mike Mooney, Paul Legendre, and Guy Boisvert coming home in addition to slugger Daniels.

In the second, Laval managed to squeeze out two runs while in the top of the third, Sherbrooke drove in a tremendous 10 runs thanks to eight hits. In this third inning, the locals just couldn't be stopped and smashed hit after hit off pitcher Sequin.

Lachance, Labrecque, Daniels, Mooney, Legendre, Boisvert, Tossel, and Palmer chalked up the points with Daniels and Legendre crossing the plate twice each.

The fourth saw the visitors rack up one point while neither club tallied in the fifth. However, in the sixth, the Laval squad made it six runs for them while Sherbrooke All-Stars chalked up a single point in their half when Mike Tossel made the rounds.

LOCALS LOSE SUNDAY
Sunday in St. Jerome, the local All-Stars dropped a 5-2 decision to the St. Jerome All-Stars in a well-played tilt that saw Desjardins on the mound for the hosting locals. Hurling for the visiting locals was Gilles Boisse who turned in an excellent game but who found the hosts' hitters just too much.

The loss by the Sherbrooke PONY League All-Stars puts them out of contention for further playoff action but the team certainly deserves praise for the win they chalked up. It was the first year that a squad from Sherbrooke has participated in Provincial playoffs and officials of the circuit were well-pleased with the showing the club made.

Kiddie Korps Commencing To Roll For Red Birds, Take Two From Chicago, Pirates Divide As Braves Win 7-3

If the St. Louis Cardinals keep on winning, Scully Hemus will be in line for a bonus instead of the bum's rush.

Hemus was a Red Bird on a hot seat a few weeks back when the Cards had lead in their wings. His job was in danger as the St. Louis "youth movement" flourished.

By winning 13 of their last 17 games, the Cardinals suddenly have become a factor in the National League pennant race. Two victories over Chicago Sunday 6-0 and 8-1 left them in third place, only six games off the pace.

Ray Jackson, "old folks" on the staff at 29, pitched the shut-out, a four-hitter, and 19-year-old Ray Sadecki, a \$50,000 bonus boy, won the second with a six-hitter.

Winnie Schelt Cut From Olympic Boxing Team

VANCOUVER (CP) — Canadian amateur lightweight boxing champion Winnie Schelt of Vancouver was dropped from the Olympic boxing team Friday because he lacks Canadian citizenship.

The German-born 18-year-old fighter had been a unanimous choice of Olympic selectors after his victory in the Dominion Championships in Montreal in May.

Schelt emigrated to Canada from Berlin with his family nine years ago but his family did not apply for Canadian citizenship.

Under Olympic regulations a competitor must be a citizen of the country he or she represents. "Winnie was stunned," said his manager Bert Lowes. He has always thought of himself as a Canadian. He was completely in the dark as to his status."

Jackson's first game victory was his 11th of the year. The Cards chased Dick Ellsworth in the fifth when they scored five runs. Rookie Julian Javier drove in two with a single and Ken Boyer tripled with the bases loaded. Bill White hit home run No. 10.

Sadecki completed the job on the Cubs who scored a total of two runs in their four-game series at St. Louis. Musial's hits were the big noise but White had a double and single to drive in two in the defeat of Bob Anderson.

U.S. Davis Cuppers Blank Canada, Bedard Is Standout

Puts Up Brilliant Fight In Defeat To Barry MacKay, Wins One Set; Godbout Loses In Straight Sets

QUEBEC — (CP) — The United States Davis Cup team cleared the first roadblock of a long journey back to Australia Sunday when it completed a five-match sweep of its North American series with Canada on the clay courts of the Civil Employees Tennis Club.

Big Barry MacKay of Dayton, Ohio, and Bernard (Tut) Bartenzen, Dallas, Tex., gave the U.S. the sweep with victories in the last two singles matches.

MacKay, towering six-foot, three-inch power hitter, was in great form as he beat Bob Bedard of Sherbrooke, Que. 6-3, 6-3, 3-6, 6-3 in two hours and 18 minutes before a crowd of 1,500.

Bartenzen, veteran of the team at 33, was never in serious trouble as he disposed of 22-year-old Francois Godbout of Waterloo, Que., in straight sets, 6-1, 6-1, 6-3.

CLINCHED IT SATURDAY

The U.S. had clinched the round Saturday when Earl Buchholz and Charles McKinley, two 19-year-olds from St. Louis, Mo., beat Bedard and Don Fontana of Toronto 14-12, 6-3, 6-2 in the doubles.

The U.S. is seeking to recapture the prized cup which it lost to Australia at Forest Hills, N.Y. last September.

Next stop along the cup trail will be Mexico City Aug. 6-8 when the team meets the Mexicans in the North American zone semi-finals. If the Americans win that round they will then be host to New Zealand or Venezuela in zone finals at Cleveland Sept. 16-18.

Assuming they win the North American zone, the U.S. would have to meet the Philippines Dec. 3-5 and the European zone winner Dec. 10-12 before playing the Aussies in the challenge round at Sydney Dec. 28-29.

TOUGH BATTLE

Bedard, Canada's No. 1 singles player stretched Bartenzen to five sets before bowing out 5-7, 4-6, 6-0, 6-2, 6-2 after developing cramps above his right knee in the opening singles match Friday.

Bedard's only tournament prior to the matches was at Hackensack, N.J., where he won the Eastern United States clay court singles championship earlier this month.

McKinley and Buchholz were stretched to 26 games by Bedard and Fontana in the first set of Saturday's doubles before winning. They never trailed in the remaining two sets.

Bedard kept Canada in the first set and almost won it with his backhand shot on two occasions.

The U.S. team and 17-year-old Dennis Ralston of Bakersfield, Calif., were to leave early today for Chicago where they will participate in the United States clay courts championships starting tomorrow.

Italy Routs England In Davis Cup

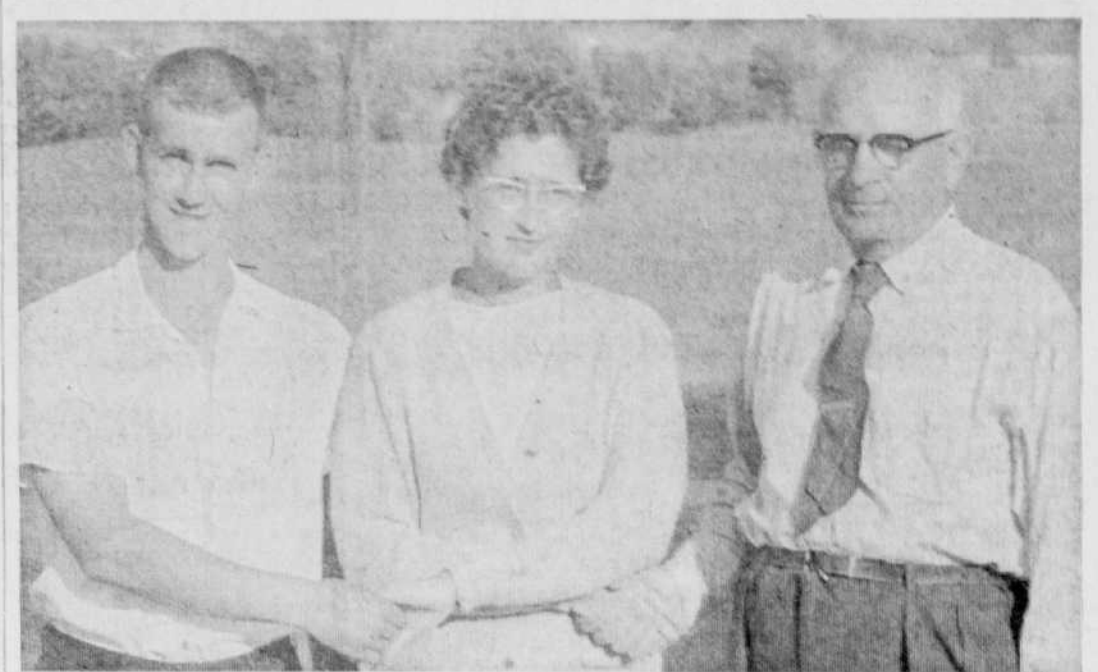

LONDON — (AP) — Italy completed its rout of England in the European zone Davis Cup semi-finals Saturday but the other finalist was not determined when rain forced a postponement of the Swedish-French matches at Baastad, Sweden.

Italy, in the European final for the sixth straight year, advanced by a 4-1 margin. Bobby Wilson of England trimmed Sergio Tacchini, Italian reserve, 3-6, 6-3, 8-6, 6-2, for Britain's only point.

Sweden, winner of both opening-day singles matches Friday, was leading 2-6, 6-4, 6-4 in the doubles when the rain came. Jan-Erik Lundquist and Ulf Schmidt made up the Swedish tandem with Jean Noel Grinda and Claude Molinari playing for France.

The European champion will go to Australia for the inter-zone finals which will determine a challenger for cup-holding Australia.

REMEMBER WHEN . . .

R. James Speers, the dean of horse racing in Western Canada, died at age 75 in Winnipeg five years ago today. He pioneered the daily double type of bet in North America, starting it at Calgary in 1931, and in 1939 he introduced the first closed automatic starting gate on the continent. His memory is perpetuated in the Speers Memorial Trophy race run annually at Assiniboia Downs at Winnipeg.

Mike Bryson Downs Patrick Henri To Score Upset In City Of Sherbrooke Tennis Tourney, Ten Matches Tonight

Mike Bryson scored an upset victory over Patrick Henri in the City of Sherbrooke Tennis Tournament over the weekend when he posted a 6-2, 6-4 win over second-seeded Henri to enter the quarter-finals against Claude Metras.

In an exciting men's doubles match, Denis Royer and Claude Metras won the right to enter the quarter-finals when they defeated Jean Guy Dion and Pierre Bruneau 6-1, 6-1 and Andre Lord and Andre Durocher 6-3, 6-2.

Richard Royer encountered difficulties in disposing of Normand Gagnon in a singles match last night but finally downed him 6-2, 8-6. Gagnon displayed signs of nervousness in his tilt against the more experienced Royer and several points scored against him were due mainly to his inexperience.

In other doubles matches, Richard and Raymond Royer posted a 6-1, 6-1 victory over B. Murray and P. Bruneau while Andre Lord and Andre Durocher downed P. Yergeau and J. Sylvestre 6-4, 6-4.

Roland Godin Wins Exhibition From Ralston

QUEBEC (CP) — Roland Godin of Canada's Davis Cup team came from behind to defeat 17-year-old Dennis Ralston of Bakersfield, Calif., 3-6, 6-3, 11-9 Saturday in an exhibition tennis match on the clay courts of the Civil Employees Tennis Club.

Godin of Montreal won the decisive set with sparkling defensive work.

Ralston, who teamed with Raphael Osuna of Mexico to win the men's doubles championship at Wimbledon three weeks ago, is with the U.S. Davis Cup squad here but was ineligible to play in the series with Canada.

Stan Leonard Of Vancouver Pulls Surprise In Extra-Hole Victory In Western Open Over Art Wall Jr.

DETROIT (AP) — Stan Leonard has been playing so badly that he almost cancelled his entry in the Western Open. When he showed up he said "the last thing in my mind is winning."

But the balding, 45-year-old Vancouver veteran, who had to wait until he was 40 before he could afford to join the professional tour, defeated Art Wall Jr. on the first extra hole of a sudden death playoff Sunday.

Leonard won it with a six-foot birdie putt after Wall just missed an eight-footer. They tied at 10-under-par 278 after 72 holes.

It took a sensational stretch run by Leonard and a stunning slump by Wall to force the playoff. Wall, 36, a former Masters champion, had not been over par in his last 10 rounds.

His 204 total after 54 holes—helped out by a record-breaking 66 in the second round—gave him a four-stroke lead. Leonard was tied with five others, six shots back.

Leonard started rolling in birdie putts—and Wall kept slipping. Wall lost it on the 18th, his

six-foot putt rimming the cup for a bogie-five after he was in a trap with his second shot.

Wall finished with 74, two-over-par at Western Golf and Country Club's 6,800-yard layout. Leonard, who got in only nine holes of practice here before the \$25,000 tournament began, closed with 68.

Leonard's \$5,000 triumph was his first on the U.S. circuit since April, 1958, when he won the Las Vegas Tournament of Champions. Wall collected \$2,500 for second.

THIRD PLACE TIE — Doug Sanders and Gene Littler finished in a tie for third, one stroke behind Leonard and Wall at 279. Each won \$1,750.

Jerry Barber, Dave Ragan and defending champion Mike Sou-chak were another stroke back at 280.

Al Balding of Toronto just managed to make the list of money-winners. He had a 294, good for \$115.40, with rounds of 74, 72, 72 and 76.

Leonard is the first Canadian and the oldest man to win the Western.

Success Lionel - Lafayette Pay \$346.70 For Double Saturday Night

Brown Flash H. With Florent St. Denis Up, Sweeps Main Event Last Night At Local Track, Prices Good Saturday

The double Saturday evening won as Lady's Leon rolled a few feet from the wire but he was pulled back on his feet without gaining any ground and was sold at the wire to retain his first place finish.

Beauchemin's Lady's Leon paid the top price for a win finish, \$27.60, while \$16.90 was collected for Success Lionel's finish in the first. In the tenth the winner, First Rosecroft, paid \$10.10 for a show ticket.

On Sunday night the prices remained low as the rail-birds came up with the right choices. The only double winner on the card was Xavier Maurice's big trotter, Brown Flash H. who swept both ends of the "C" Trot and Pace.

Florent St. Denis made no mistake and with the heavy going he managed to keep his steed on his feet and staged a rally to round the field and win over the heavy favorites.

On the first trip he was clocked in 2:13 3/5 while on the second journey it was 2:14 2/5. He paid \$12.30, \$11.60 and \$7.20 across the board. The top place bet was \$17.60 for Corporal Worthy in the second.

Pre-Season Favorites Are Coming Through In American League, Chicago Half Game Away From Indians In Race

When Chicago White Sox were in spring training in Sarasota, Fla., the experts said Roy Sievers' hitting and pitching of men like Bob Shaw and Early Wynn was going to help them win another American League pennant.

Wynn didn't win a game until May 18. Sievers was batting .182 on May 30 and Shaw had been just so-so.

But the White Sox are rolling now, in third place only half a game behind runner-up Cleveland Indians and two games behind New York Yankees.

Sievers extended his consecutive-game batting streak to 20 Sunday with a game-winning single in a 2-1 first-game victory over Baltimore Orioles and a two-run homer and single in the 14-2 second-game romp.

Shaw won the opener with a six-hitter and Wynn won his fifth behind an 18-hit attack in the second.

LEADERS WINLESS
The Yankees and Indians both continued their slumps. Detroit Tigers knocked off New York 12-2 and 3-2 and Washington Senators thumped Cleveland 3-2 and 5-3.

Boston Red Sox ran their winning streak to seven with a 4-2 victory over the Athletics at Kansas City, where pitcher Tom Brewer won his sixth and also hit his first home run of the year.

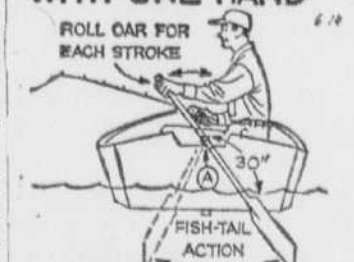

Saturday, the Orioles edged Chicago 4-3, Cleveland defeated Washington 9-5, Yankees beat the Tigers 11-2 and Boston squeaked out a 1-0 victory over Kansas City.

Two walks by loser Steve Barber and a sacrifice set the stage for Sievers' game-winning single at Chicago Sunday. Sievers slammed his 14th homer with a man on in the first inning of the second game. Gene Freese added a three-run blast in the sixth.

Frank Lary, a non-winner since June 15, beat the Yanks in the first game as the Tigers rapped Ralph Terry and two successors for 11 hits including homers by Rocky Colavito and Norm Cash.

FANS DELAY GAME
The second game at Detroit was delayed for 10 minutes when fans threw programs, beer cans and pieces of bleacher seats to the field in protest of a ruling that Bill Skowron's two-run

Sonny Liston Favored Over Sora Folley

DENVER (AP)—Sonny Liston, of Philadelphia rules an 11-5 favorite over boxing stylist Sora Folley for their scheduled 12-round heavyweight fight tonight in the Denver Coliseum.

Most experts here pick Liston, weighing 212, to knock out Folley, 195, from Chandler, Ariz., in less than seven rounds. But Folley has plenty of backers who point to his experience, ability and a knockout punch that has flattened 29 opponents in 56 pro fights.

Folley has lost three bouts and has two draws on his record. Liston has kayoed 20 opponents in 30 bouts. His only defeat was a 10-round decision to Marty Marshall in 1954.

There is no radio or television coverage of tonight's fight.

Liston is ranked No. 1 and Folley No. 2 in Ring magazine's latest rating of challengers to heavyweight champion Floyd Patterson.

The winner is expected to earn an early shot at the heavyweight championship. There is no rematch in the Folley-Liston contract.

Janis Kzasovski Of Russia Sets Pole Vault Mark

MOSCOW (AP)—Janis Kzasovski, a 24-year-old crew-cut Soviet soldier, set a European pole vault record Sunday with a jump of 4.85 meters.

The leap, equivalent to 15 feet 1.86 inches, broke by one centimeter (3/8 of an inch) the European record held by a fellow countryman, Vladimir Bulatov, who established it in 1959.

While impressive, Kzasovski's jump was considerably under the world record set earlier this month in Palo Alto, Calif., by 29-year-old Don Bragg, who topped the bar at 15 feet, 7 1/2 inches (4.80 meters).

Kzasovski set the new European mark on the third day of a four-day meet at Moscow's Lenin Stadium where the Soviet Union team for the Rome Olympics is being selected. Six hundred athletes are participating and the best three in any one competition will go to Rome.

WEEK-END STARS

Hitting — Roy Sievers, White Sox, extended consecutive game hitting streak to 20 with game-winning single in first game victory over Baltimore 2-1 and two-run homer and single in second game 14-2 romp.

Pitching — Larry Jackson and Ray Sadecki, Cardinals, boosted St. Louis into third place in National League race with 6-0 and 8-1 victories over Chicago. Jackson pitched four-hit shutout and 19-year-old Sadecki allowed six hits.

First Landing Wins \$112,000-Added Monmouth Park Handicap But May Miss Brooklyn Classic On July 30

Trainer Casey Hayes said today First Landing, winner of the \$112,000 Monmouth Park Handicap, may skip the \$100,000-added Brooklyn Handicap July 30 because Eddie Arcaro won't be available to ride the C. T. Chenery's colt.

Arcaro, who was First Landing's regular pilot in 1958 when he was voted top two-year-old won his fourth Monmouth Handicap in five years with a well judged ride in the mile and one quarter race.

But he is the regular rider of Brookmeade Stable's Sword Dancer, who is pointing for the mile and one quarter Brooklyn at Aqueduct.

Arcaro showed the Monmouth crowd why he's been called "The Master" as he went 3-for-3 during the afternoon. In blistering finishes he won with Rose (\$10)

and Seven Corners (\$8.60) before booting home First Landing, the \$4.20 favorite. First Landing carried top weight of 123 pounds, six more than second - place Sword Dancer.

On the west coast C. V. Whitney's Dotted Swiss won the \$162,100 gold cup at Hollywood Park by about three lengths over Bagdad.

A MAJOR UPSET
Dotted Swiss, ridden by Eddie Burns, had only 107 pounds, and paid \$4.60 as the favorite. Bagdad carried high weight of 122 pounds.

There was a major upset at Delaware Park where Hal Price Headley's Rash Statement won the \$64,512 Delaware Oaks by two lengths over Sarcastic. The latter got second by a nose over Berio, the favorite.

Rash Statement paid \$90.40. At Chicago the Brookfield Farm's Intentionally nosed out Dancer in the \$35,250 Equippoise Mile at Arlington Park. His time was 1:34 2/5, and he paid \$4.80.

Carleton H. Palmer's Tharp, an Irish-bred grass specialist, won the \$29,550 Sheepshead Bay Handicap on the Aqueduct grass course and paid \$21.40. W. W. Carroll's Charlie Boy (\$11) took the \$7,500 Mount Washington purse at Rockingham Park.

Keith Morgan Drops Ace At Massawippi Club

Keith Morgan from Sherbrooke playing at the Massawippi Golf and Country Club sank his tee shot at the ninth hole—127 yards—with a number nine iron.

This is the first this season at the club. With Morgan were Estel Blanchard and Gordon Riley, pro at the Club.

Pirates' Groat Gets 1000th Major Leave Hit

PITTSBURGH (CP)—Team captain Dick Groat of the National League-leading Pittsburgh Pirates got his 1,000th major league hit Sunday in the opener of a doubleheader with the Cincinnati Redlegs.

The 29-year-old shortstop reached the milestone in his first trip to the plate in the first inning, smashing a double off Redleg pitcher Bob Purkey. He was stranded at second as Purkey retired the side.

Groat, in his seventh season with the Pirates, came to them in 1952 direct from Duke University where he was a star basketball player. He was in military service during the 1953-54 seasons.

Currently among the top batters in the league, Groat went into the doubleheader with a .316 average on 113 hits in 358 trips.

Fifteen Athletes Gain Berths On Canada's Olympic Track And Field Squad, Harry Jerome Is Standout

SASKATOON (CP)—Harry Jerome of Vancouver, who Friday night became the second man to run 100 metres in 10 seconds, will run the same race for Canada in next month's Olympics at Rome.

The slight, 19-year-old Negro was among 11 men and four women announced Sunday as Canada's Olympic track and field team. The selections were made after two days of trials which concluded Saturday.

Jerome will bear Canada's colors in both the 100- and 200-metre races at the Olympics. He will be joined in both events by Lynn Eves of Victoria. George Short of Saskatoon was named for the 100-metre distance only.

Terry Tobacco of Cumberland, B.C., is a second candidate for the 200 metres and will be Canada's only entry in the 400 metres.

JOE MULLINS NAMED
The Olympic selection committee gave the nod to three men as Canada's 800-metre representatives: Sig Ohlemann of Vancouver, Ergas Leps of Toronto and Joe Mullins of Glace Bay, N.S.

Doug Kyle of Calgary, at 27 still Canada's best distance runner, is down for both the 5,000 and 10,000 metres. George Dickson of Hamilton will tackle the

marathon and Alex Oakley of Oshawa the five- and 20-kilometre walking events.

The four women selected were: Nancy Lewington, Hamilton, 100 metres; Eleanor Haslam, Saskatoon, 200 metres; Sally McCallum, Vernon, B.C., 80 metres and broad jump, and Valerie Jerome, Harry's sister, 100 metres.

The women will also run together as Canada's 400-metre relay team.

Jerome, son of a CNR porter, shaved one-tenth of a second off the recognized world mark of 10.1 for the 100 metres.

SET CANADIAN RECORD
The only other man in history to hit the 10-second mark is Germany's Armin Hary who ran the 100 metres in that time in Zurich last June 21. His mark is up for world recognition.

Jerome came up with another good run Saturday when he ran the 200 metres in 21.2, breaking the Canadian record of 21.4.

His only previous start in major international competition has been the Pan-American games in 1959. He failed to place in the finals.

Buenos Aires—Giacomo Spano, Italy, and Horacio Acavallo, Argentina, lightweights, drew, 10.
