Thirty-Ninth Year.

DENIES INTENTION OF RESIGNING CONSERVATIVE PARTY LEADERSHIP

Premier Bennett, on Arrival in England, Declared Any Statement on Resignation Would Have Been Made Before Leaving Canada—Hopes for Early Resumption of Active Immigration Policy—Refuses to Comment on Probable General Election Date.

Plymouth, England, April 26.—This famous seaport was bathed in spring sunshine today when the liner Paris with Prime Minister R. B. Bennett aboard berthed just before noon. The Canadian Premier, while not looking exceptionally robust, appeared in good spirits when he told the Canadian Press he had a restful voyage and already felt better for the trip. "I must take things as quietly as I can," he said. "I shall see a specialist while in England. In fact I always do so."

Mr. Bennett readily answered numerous questions addressed to him by a small group of newspapermen. Rumors that he intended retiring were dismissed with the remark: "Ask yourself whether I should make such an announcement here or in Canada. If I had anything in mind I should of course have said it before I left."

The Premier was amused by the suggestion he had already fixed September for a general election. "If I knew the date I should be willing to tell you," he added with a laugh.

"It is always a pleasure to set foot ashore in England and doubly so this time when I bear a message to the King of your country and mine, a message of loyalty and devotion."

"It is particularly pleasurable to arrive in Plymouth, where the first Canadian division landed in 1914," he said.

The Premier said he hoped to be back in Canada for the reassembly of Parliament on May 20th.

The improvement in economic conditions in Canada was gradual and had been maintained for the last ten months. Canada was not in a position to afford large numbers of immigrants momentarily, but was looking forward with other Dominions to the day when conditions would warrant a vigorous immigration policy.

"The more one studies the European situation the more difficult it is to understand," he said. "Why countries which have just emerged from a terrible conflict should be thinking about another is something people in our country find difficult to appreciate. The action taken by the Motherland toward the peace of the world is approved in Canada, which thinks more in terms of peace than of force."

The sole object of his visit, the Premier declared, was to attend the jubilee celebration of the Dominion of Canada. "But of course," he added, "when people get together from overseas they naturally discuss their common problems. We shall talk over our difficulties but in an unofficial way, because no conference of Dominion premiers is planned."

Calgary, April 26.—Premier R. B. Bennett will continue to lead the Conservative party, Hon. R. B. Hanson, Minister of Trade and Commerce, said in an address here last night.

Speaking to 1,300 persons of the constituency the Prime Minister represents in the House of Commons, Mr. Hanson said that primary producers should vote to return the present Dominion Government because Mr. Bennett had stabilized the wheat market and given them a say in marketing of their products.

Other speakers included J. T. Hackett, K.C., M.P., for Stanstead.

HUNDREDS ALREADY AIDED BY MASS BUYING INQUIRY

Winnipeg, April 26.—Retail merchants of Winnipeg today welcomed a forecast by Hon. W. W. Kennedy, M.P., for South Centre Winnipeg and chairman of the Royal Commission on Mass Buying, that legislation implementing recommendations of the Commission would be passed by Parliament after the Easter recess.

Reviewing recommendations of the Commission and declaring prevailing conditions required alteration, Mr. Kennedy spoke last night to a meeting of the Retail Merchants' Association. He said, the same as any sport, required regulation and the law would provide that regulation, said Mr. Kennedy.

The trade commission of five recommended in the report would be in the nature of a police court, making investigations as conditions warranted, said Mr. Kennedy. It would issue orders banning unfair trade practices and, he added, it would not take the Commission long to determine what constituted

THE WEATHER

PROBABLE LIGHT SHOWERS.

Pressure over Nebraska has remained almost stationary with diminishing intensity, and pressure has decreased over Hudson Bay and Ungava. Pressure also continues low on the Newfoundland coast while high pressure covers the western portion of the continent also the Lower Lake region and eastern states. Showers have occurred in some sections of Manitoba, southern Alberta and the Basin River district while in other parts of the Dominion the weather has been fair. Moderate temperatures have prevailed in all provinces.

Forecast: Fair and moderately warm. Saturday—moderate south-west to west winds; partly cloudy, probably some light showers over northwest portion; not much change in temperature.

Temperatures yesterday: Maximum, 56; minimum, 28. Same day last year: Maximum, 43; minimum, 35.

BETTER RESULTS OBTAINED FROM EDUCATION YEARS AGO

Too Heavy Stress on Sport, Too Many Diversions, Selective High School Courses and Unbalanced Curricula Today, Says Prof. Martin, of King's College.

Halifax, April 26.—Education was producing better results thirty years ago than it is today, considering the money and time spent on it, according to Prof. Burns Martin, of King's College.

The blame lies chiefly with disinterested parents, the educationist said in a service club address yesterday. He found the teaching machinery clogged also by some poorly trained teachers and by unprepared pupils.

Too heavy stress on sport, too many diversions, selective high school courses and unbalanced curricula were cited by Dr. Martin as among the other major faults of the modern system.

GERMAN PLANES REPORTED OVER FRENCH AREAS

French Air Ministry Announces that Suitable Action Will Be Taken to Halt Civilian Planes Flying Over Fortified Regions.

Metz, France, April 26.—A sharp watch was being kept along the Franco-German border today for German planes which were reported to have flown over fortified regions at least four times recently in disregard of French regulations.

Newspapers interpreted the announcement of the Air Ministry that "The Government has taken locally all police measures judged necessary" to mean that in accordance with international regulations planes flying over the forbidden area will be flagged down and their pilots requested to produce their papers.

It was said authoritatively that the planes sighted over the fortified regions were all civilian aircraft.

NEW INSTRUCTIONS GIVEN TO RUSSIAN AMBASSADOR

Moscow, April 26.—New instructions cabled to Vladimir Potemkin, Soviet ambassador to Paris, were expected in official circles here to pave the way for early conclusion of the projected Franco-Russian mutual assistance pact. Nature of the new instructions was kept secret.

The Soviet press gave prominence to foreign dispatches on the subject, notably a Warsaw dispatch quoting the Polish press as saying Pierre Laval, French Foreign Minister, has been extending the Franco-Soviet negotiations under pressure from Great Britain and Poland, who are hostile to an automatic assistance agreement between Moscow and Paris.

There they found Bolte critically wounded and Howard dead.

Bolte, rushed to a receiving hospital and reported near death, told police he was unlocking his apartment door when a man whom he did not know shot him in the back.

As he fell, he said he heard another shot and saw the man, later identified as Howard, slump to the floor.

Howard was dead when detectives reached the scene.

WORRIED OVER RABIES

Madras, April 26.—Necessity for effective measures to control rabies in India was urged here by Pasteur experts.

DIFFICULTY OF FIGHT ON DRUG HABIT STUDIED

Dominion-Provincial Health Conference Told that Codein Has Replaced Heroin, Morphine and Paragoric to Great Extent.

Ottawa, April 26.—Restrictions placed on the sale of morphine and heroin had driven drug addicts in Canada to paragoric, Col. G. H. L. Sharman, chief of the Narcotics Section of the National Health Department, told the Dominion-Provincial Health Conference here today. After similar restrictions had been imposed on paragoric the drug addicts took to codein.

Last September Canada had been asked at the League of Nations why this country's consumption of codein was the highest in the world. It was 109 kilos per 1,000,000 inhabitants. The nearest to Canada was France with 107 kilos. In the United States consumption was twenty-three kilos, in Great Britain eleven and in Australia four.

"I suppose your situation with regard to the drug addict is the same as ours with cancer cases," said Hon. Dr. J. A. Faulkner, Ontario Minister of Public Health. "You don't get them until it is too late."

"That is so," replied Col. Sharman. "Is there no way you can get them before they are too late?"

GRANBY POLICE STATION SCENE OF COMMOOTION

One of Five Overnight Guests in Cellar of Granby City Hall Ran Amok Early This Morning and Attacked Companion with Stick.

Granby, April 26.—The hour was four-thirty o'clock this morning. Granby was wrapped in peaceful slumber—its citizens awaiting the dawn of a new day.

But all was not peaceful under the mantle of darkness, and several residents, particularly those who reside in the vicinity of the City Hall, were destined to awaken earlier than they had planned.

From the underground recesses of the City Hall came the noise of a commotion. The cellar of Granby City Hall is converted into cells where the lawless are quartered and where overnight transients are often given a night's rest before resuming their weary travels to the next hospitable centre and another comfortable bed.

Chief of Police Dunn had five "Knights of the Road" as his guests last night. They appeared to be law-abiding wanderers when lights were turned out. But the quiet hours which precede the dawn of a new day apparently awoke from a nightmare.

He was a man who gave his name as Perrier. One of his companions, Esdras Turcotte, who listed St. Jean as his home town, was suddenly awakened.

Perrier, who later divulged that he had been recently discharged from the St. Jean de Dieu hospital, had armed himself with a stick and had selected Turcotte as the target for his blows. Turcotte resented the "treatment," but before Perrier was disarmed the victim had suffered several blows which caused minor bruises.

The bedlam brought Chief Dunn's men to the scene "on the double." Perrier was removed to a cell where he could no more harm, while Turcotte was taken to Dr. Russell's hospital for examination. The victim had recovered and was comfortable at noon today, but Perrier was still in custody.

What action will be taken against Perrier was not divulged, but it was learned that an examination by the police revealed that Turcotte's assailant was armed with several "formidable-looking" knives.

REICH CHARGES MACDONALD HAS MENACED PEACE

Berlin Journal Claims Article by British Prime Minister Increased Difficulties of Negotiations.

Berlin, April 26.—Prime Minister Ramsay MacDonald's criticism of Germany for threatening European tranquility drew a retort from the Diplomatische Politische Korrespondenz today that his own words increased "the difficulties of peace and disarmament negotiations."

"It is a disappointing note that the British Prime Minister was unable to understand the position of the neutrality of Germany for he still expresses doubts of Germany's will to peace. Germany never withdrew her offer to submit to every limitation of armaments to which other nations were ready to submit."

BRITISH OPPOSITION PARTIES CRITICAL

London, April 26.—Prime Minister Ramsay MacDonald's attack on Germany's foreign policy took political circles by surprise, but opposition parties today responded with protests.

George Lansbury, Labor leader and one-time colleague of MacDonald, led the Socialist and Liberal groups in deploring the Prime Minister's strictures in which he accused Germany of threatening the outlook for continued peace in Europe.

"I very much regret the Prime Minister should have written such an article," Lansbury said. "These are days when we should be damping down instead of stimulating antagonisms."

The Liberal weekly, recording the Liberal view, said:

"It was singularly inopportune to give official expression to such a controversial point of view at a critical and possibly decisive moment in the negotiations vital to the cause of peace."

The Herald protested MacDonald's statement that Germany's military expansion "must inevitably force the sound and pacific idea of general collective security into a dangerous form of military alliances."

The newspaper said the public "should be told explicitly" whether Great Britain is being forced into such alliances.

MURDER AND SUICIDE CLAIMED THREE LIVES

Madill, Okla., April 26.—Bill Viers, thirty-two year old field worker, shot and killed his estranged wife, Geneva, twenty-two years of age, and Chief of Police Homer Mose in a restaurant here last night

then committed suicide with the same pistol.

In slaying Mrs. Viers, he kept a threat he had made several times against her life. Mose was killed when he attempted to intervene.

WORST FLOODS IN MANY YEARS SWEEP ALBERTA

Bridges Washed Away, Trapper Missing and Much Property Damage as Alberta's Northwest Today Fought Menace of Ice Jams.

Edmonton, April 26.—Residents of Alberta's northwest today were battling the menace of floods along the Athabasca, Peace and Pembina rivers as ice jams raised the break-up torrents to unprecedented levels in many sections, and D. Warwick, a trapper, was still missing.

Four key bridges in the sketchy communication system in that part of the province had been swept away. At Whitecourt, eighty miles northwest of Edmonton, flood waters were creeping nearer to the town and pleas for dispatch from Edmonton of an aeroplane to bomb the ice jam were renewed.

Preliminary plans were laid late yesterday. The plane was made ready, but it was found impossible to prepare adequate explosives on short notice. It was declared likely that the plane would start today.

Grant McConachie, chief pilot for United Air Transport, would undertake the flight and, flying low, would drop dynamite into the ice.

Bridges over the Pembina at Dapp, sixty-five miles north on the Northern Alberta Railway, and at Pibroch, next station to it, were swept away late yesterday. Spans at Sandguy, sixty-five miles northwest on the Canadian National, and at Smith, fifty-five miles west, had collapsed previously.

Safety of the Northern Alberta Railway steel bridges at Smith was in doubt for a time, but they are now believed safe.

Water in the Whitecourt area is backed up for miles, a survey there today showed, and the area inundated is estimated at five times that of 1926, previous record flood year. In places, only the roofs of houses are shown above the turbulent tide. Water has covered the railway tracks at several points.

FIRE-BIRD—NOT A FIREBUG, CAUSED CONFLAGRATION

Council Bluffs, Ia., April 26.—It was a fire-bird, not a firebug, that fired the home of Mrs. Mabel Gallagher, of Council Bluffs, Fire Chief J. N. Cochran said the blaze was started by a sparrow carrying a lit cigarette into its nest in the attic.

CLAIM MINE LEADER'S BODY WAS CREMATED

Dortmund, Germany, April 26.—Authorities of the Dortmund crematorium, which bodies from neighboring towns are brought for cremation, said today that the body of Fritz Husemann, former president of the Federation of German Miners, was cremated two days ago. They said his funeral was April 20th.

The authority in charge of the crematory said no reason was given for Husemann's death.

SECRET POLICE DENY ANY KNOWLEDGE OF AFFAIR

Berlin, April 26.—The German secret police said today they knew nothing of the death of Fritz Husemann, former president of the Federation of German Miners, reported in Praha to have been killed on April 15th during transfer from Bocu to a concentration camp.

British Vessel, Badly Damaged, Reported Caught in Ice Field 150 Miles Off Newfoundland.

St. John's, Nfld., April 26.—Her stern badly damaged in a heavy ice field 150 miles off Newfoundland, the English steamship Titania reported she needed immediate assistance from an icebreaker today. The sealing ship Imogene, commanded by Captain W. Keane, was rushing under full steam towards the scene.

The message received here indicated that the ice-locked Titania, 4,900 tons, had been seriously damaged in other parts of the hull and probably could only be assisted by an icebreaker.

It was estimated the Imogene would require from twelve to fifteen hours to reach the scene.

Word of the Titania's mishap was received by Lloyd's here, and in absence of any general call for assistance or a further message she was believed to be in no immediate danger. Mariners thought she might escape further damage by not attempting to buck the ice until a lane is broken through the field. The Imogene, like most other sealers, is constructed for ice-breaking.

Owned by W. A. Souter and Company, of Newcastle, Eng., the Titania was on a westward crossing from her home port.

The Titania's plight recalled that less than two weeks have elapsed since the twenty-third anniversary of the Titanic disaster 500 miles off light. When the liner sank after striking an iceberg, 1,490 lives were lost.

A United States cutter, carrying on annual patrol duty inaugurated for the ice-infested waters by international agreement as a result of the Titanic tragedy, was believed to be in the general vicinity of the Titania.

Ice off Newfoundland this spring already is believed to have cost a heavy toll. Days ago hope was abandoned for twenty-five fishermen aboard the Newfoundland schooner Altair, feared to have been crushed in ice, and shipping men believed the same fate overtook the long missing Gloucester schooner Arthur D. Story with eighteen men aboard.

Three stores, the largest in the town, were totally destroyed and two churches were damaged as flames spread from building to building. Firemen, handicapped by scanty

FIGHT AGAINST COMMUNISM URGED BY CARDINAL HAYES

Armaments, Claims Catholic Archbishop of New York, Breed Hatred, Avarice, Injustice and Mass Destruction of Human Life.

New York, April 26.—Patrick Cardinal Hayes, Catholic Archbishop of New York, in a pastoral letter made public today asserts that "a decisive conflict must be fought between Christianity and Communism."

"Communism by its very nature hates the church preaching its gospel of charity," says the letter, which will be read at every mass in the archdiocese on Sunday.

Calling the spirit behind rearmament "incomprehensible," the cardinal says: "Armaments breed hatred, avarice, injustice and mass destruction of human life."

CHARGE NAZIS WITH DEATH OF MINER LEADER

Claimed that Fritz Husemann, Former President of Miners' Federation, Was Killed on Way to Concentration Camp.

Praha, Czechoslovakia, April 26.—The executive committee of the German Social Democratic Party, operating in exile here, announced today that Fritz Husemann, aged sixty-one years, president of the Federation of German miners until Adolf Hitler's seizure of power, was "shot while attempting to escape" as German police transferred him on April 15th from his native city of Bochum to a concentration camp.

The executive committee called the shooting a murder, stating that Husemann told his wife most definitely, just before his transfer, that he would do nothing to create a suspicion of flight.

CLAIM MINE LEADER'S BODY WAS CREMATED

Dortmund, Germany, April 26.—Authorities of the Dortmund crematorium, which bodies from neighboring towns are brought for cremation, said today that the body of Fritz Husemann, former president of the Federation of German Miners, was cremated two days ago. They said his funeral was April 20th.

The authority in charge of the crematory said no reason was given for Husemann's death.

SECRET POLICE DENY ANY KNOWLEDGE OF AFFAIR

Berlin, April 26.—The German secret police said today they knew nothing of the death of Fritz Husemann, former president of the Federation of German Miners, reported in Praha to have been killed on April 15th during transfer from Bocu to a concentration camp.

NUNS REPLACE LAY NURSES IN QUINTS HOSTEL

Sisters of a Religious Order to Take Over Duties Towards End of May, Guardian of Five Youngsters Announces.

North Bay, Ont., April 26.—Judge J. A. Valin announced today that Sisters of a religious order, as yet unnamed, would replace the nurses at present in the Dufour Hospital caring for the Dionna quintuplets.

Judge Valin, newly-appointed guardian of the babes, said Madame Louise de Kiriline had asked to be relieved of her duties. Changes will be made at the end of May.

The Judge, living in retirement here, was named as one of the guardians to the quintuplets by the Ontario Government's legislation making the children wards of the King. The other guardians are Dr. Allan Roy Dufour, physician to the infants, and Olivia Dionne, the father.

Madame de Kiriline is head nurse at the hospital and is assisted by Miss Yvonne Leroux and Miss Pat Mullins. The nurses have become attached to the babies and their work has been commended by visiting specialists.

FIRE LEVELLED MAXVILLE, ONT., BUSINESS DISTRICT

Three Largest Stores and Two Churches Fell Prey to Flames in \$70,000 Conflagration.

Maxville, Ont., April 26.—An entire business block in this town of nine hundred inhabitants lay in ruins today as property owners counted damage estimated at \$70,000 and volunteer fire fighters continued wearily to watch smouldering debris.

Three stores, the largest in the town, were totally destroyed and two churches were damaged as flames spread from building to building. Firemen, handicapped by scanty

MEASURES TO CREATE A NEW POWER SYSTEM FOR PROVINCE SUBMITTED

Bills Before Quebec Legislative Assembly Provide for Creation of Three-Man Commission to Control Electrical Industry and for Development of Power Sites by Running Streams Commission—Would Supply Municipal Systems—To Create Department of Municipal Affairs, Trade and Industry.

Quebec, April 26.—Bills to create a three-man Commission to control electrical matters in the Province of Quebec and also to establish a system approximating the Ontario Hydro Electric Commission so as to guarantee a supply of power to municipalities requesting it were today before the Quebec Legislative Assembly.

The three-man Commission bill, based on the report of a study Commission headed by Hon. Ernest Lapointe, former Dominion Minister of Justice, was debated at length yesterday.

Sponsor of the bill, Hon. Honore Mercier, Minister of Lands and Forests, said the proposed Commission, members of which have not been named, would be unrestricted. It would have to deal with conditions as they arose in the matter of municipalization. It would have control of establishing rate structures and be a sort of appeal court in disputes between companies and consumers.

Distinct from the three-man Commission, the Hydro Commission will be built around the existing Running Streams Commission, which will be authorized under the bill tabled yesterday by Hon. Mr. Mercier to develop waterfalls not conceded to private enterprise and to construct and operate works for transportation and distribution of energy from such falls.

It will have the right to buy up power sites not developed but leased to companies and, with the consent of all parties, may buy plants already in operation.

The Commission will sell power to municipalities applying for it.

Premier L. A. Taschereau issued his bill providing for creation of a Department of Municipal Affairs, Trade and Industry by which it is hoped trade of the province will be increased both in Canada and abroad. The act is to come into effect on the date it is proclaimed.

It is provided that the Minister is to have, in particular, charge of: 1-Supervising, throughout the province, the administration and the carrying out of the laws respecting the municipal system;

2-Favoring, by all the methods and means which he may deem adequate, the advancement and the development of the trade and commerce of the province;

3-Co-operating with the Government of Canada to facilitate the carrying out in the province of the acts of the Parliament of Canada relating to trade and commerce so that the trade and commerce of the province benefit thereby;

4-Suggesting practical measures for the rational sale and utilization of the trade and commerce products of the province, both in this country and abroad.

The employees of the present Department of Municipal Affairs without further appointment may retain their posts with the Department of Municipal Affairs, Trade and Commerce.

DEMANDS ABOLITION OF VICTORIA BRIDGE TOLLS

Quebec, April 26.—Armed with striking figures and the history of the bridge, Hon. George A. Simard in the Legislative Council yesterday called for the abolition of tolls on the Victoria Bridge, claiming that the bridge had been paid for even before it was thrown open to vehicular traffic, and has cost the Grand Trunk Railway Company, now part of the National Railway System nothing whatever, whereas the vehicular portion had been paid for 142 times in thirty-five years.

Since it was recognized that the state should intervene to prevent abuses of private capital it followed also that the Canadian Government should do away with the abuse constituted by the continued collection of tolls on the Victoria Bridge, argued Hon. Mr. Simard.

As to the history of the bridge, Mr. Simard showed that the Grand Trunk Railway Company had been authorized to construct it in 1853, with the proviso that it must be constructed in such manner as to permit enlargements for the passage of pedestrians and vehicles, the company obtaining permission to exact tolls, but receipts were to be kept separately from those of the railway proper. The cost of the bridge was \$6,813,335. In 1897 a subsidy of \$270,000 was granted the company for the enlargements of this bridge, and the bridge was opened to vehicular traffic in 1899, the additional cost having been \$1,883,673 for all enlargements. In 1900 an additional subsidy of \$230,000 was voted the company by Parliament, making a total of \$500,000, the Government on this occasion reserving the right to modify or abolish tolls, and the company was also voted \$40,000 a year in perpetuity, which is still being paid.

The Victoria bridge, Mr. Simard claimed, should never have been a toll bridge, not more than the bridge between Ottawa and Hull, which is free in virtue of a subsidy of \$112,500 voted in 1897, and as was done for the Pont de l'Île to Charlemagne Bridge in 1880, when a subsidy of \$150,000 was granted to provide for free vehicular circulation.

"We do not know of bridges other than the Victoria Bridge in the province which have been given subsidies by the federal Government which are not free. There are thirty counties on the south shore of the river, representing a rural population of 942,264 and an urban population of 271,264 who want the Victoria Bridge to be free, and it is only just that their demand should be granted. These thirty counties represent a municipal valuation of

MAN KILLED IN OREGON STATE CAPITOL BLAZE

Damage in Excess of \$1,500,000 Caused when Flames Destroyed State Government Building at Salem, Oregon.

Salem, Ore., April 26.—A smoldering black shell was all that remained today of Oregon's State Capitol building, destroyed last night by a \$1,500,000 fire in which one fireman was killed.

Through the early morning hours firemen still trained streams of water on the spectacular fire which cost the life of Fireman Floyd McMullen. He was crushed by a falling chimney. A relief worker was injured by falling bricks.

The fire started in the basement. A few personal effects and records were the only articles salvaged from the office of Gov. Charles H. Martin on the second floor.

Equipment and shortage of water which had to be pumped from wells, struggled for more than two hours before they had the blaze under control.

The only casualty was Councilor C. Villeneuve, a fireman, who burned both hands painfully while working at the pumps.

The cause of the fire was not determined. Maxville is fifty-three miles southeast of Ottawa on the Cornwall-Plantagenet highway.

LABRADOR WAS SUBJECT OF A FINE LECTURE

Cowansville W.M.S. Listened to Interesting Address on Missionary Work Being Done in Labrador—Life Membership Certificate Presented to Mrs. James McClure.

Cowansville, April 26.—The Easter thank-offering meeting of the W.M.S. was held at the home of Mrs. H. C. Cotton. This date was also the fiftieth anniversary of the organization and it was fittingly observed by the presentation of a life-membership certificate to Mrs. James McClure. In presenting this certificate Mrs. Stowe observed that a very appropriate selection of a recipient had been made as so many of Mrs. McClure's relatives are closely connected with missionary work in foreign fields, particularly Dr. William McClure, her brother-in-law, of Honan, China. The life membership fund was created at the jubilee celebration in April, 1934, and is intended as a memorial to the charter members who laid the foundations of the work.

The worship period was conducted by Mrs. McQuat, who reviewed the happenings of the week preceding Easter and drew many helpful lessons from that history-making period in the life of our Lord.

Delegates to the Presbyterial at Sutton next month are Mrs. Paintin and Mrs. W. D. Smith. The thank-offering amounted to sixteen dollars. The guest-speaker was Miss Montague, who spent two years in Canadian Labrador under the Quebec department of Protestant Education. Miss Montague spoke in highest terms of the kindness and hospitality of the people on this ice-bound strip of rugged coastland which, with its adjacent barren islands, constitutes the extreme eastern country of the British North American mainland. Labrador streams are rich in excellent food-fish which, with the cod and salmon fisheries of the coast, furnish summer occupations. Valuable fur-bearing animals abound and the trapping of red, white and silver foxes, mink, lynx, otter and muskrat are the principal winter occupations. Dogs and reindeer are the only domesticated animals and both are used to draw sledges—the sole means of land conveyance.

The population, Miss Montague said, is concentrated in small, scattered settlements and the houses are built of wood. The people are very industrious and everything is used to the best advantage.

Miss Montague exhibited a piece of hand-work made of scraps and a home-made hook-on hat, which was perfect in execution, coloring and design. The people are very generous and share everything they have with each other or with strangers. Miss Montague also showed a magnificent specimen of silver fox fur.

Dr. Grenfell has built hospitals at St. Anthony, Battle Harbor, and Indian Harbor and Harrington Harbor, the speaker continued. He lives at St. Anthony, while his hospital ship, the Strathcona, is his summer home. In June every year he starts on his cruise along the coast, on a bleak coast, going ashore to visit the scattered villages. Each hospital has a resident doctor and nurse.

The meeting was closed with prayer by Dr. S. W. Boyd. Dainty refreshments were served. The hostess assisted by her daughter, Mrs. Winsor, Mrs. A. C. Robinson poured tea.

RESULTS OF THIRD TERM EXAMINATIONS LISTED

The results of the third term examinations in the Cowansville High School are as follows:

Grade I, in order of merit: Phyllis Johnson; Shirley Teel, Doreen Longeway, Ruth Gwendolyn Smith and Joan Griss, equal; Dale Morrison, Carl Dunn, Ruth Hastings, Margaret Palmer, Kenneth Stevenson, Daphne Geitz, June Douglas, Russell McAllister, Harold Pickett, Greta Cunningham, Rola Chisholm, Howard Santerre, Marjorie Lewis, Oscar Sanford.

Grade II, possible 7000: 1. Billy Hastings, 677; 2. Francis Scott, 663; 3. Christine Laurin, 651; 4. Douglas Hamilton, 649; 5. Betty Barrette, 643; 6. Reggie Holliday, 579; 7. Dorothy Royce, 544; 8. Roy Powers and Douglas Taylor, 497, equal; 10. Frances Ingalls, 485; 11. Bryce Douglas, 488, absent for two exams, and 12. Jeannette Boucher, 477.

Grade III, possible 1,000: 1. Douglas Smith, 883; 2. Albert Strange, 873; 3. Patsy Taylor, 857; 4. Mary Royce, 829; 5. Betty Craigie and Garth Dean, 793, equal; 7. Kathleen Taylor, 760; 8. Betty Brown 670; 9. Elizabeth Wheelhouse, 653; 10. Norman Saunders, 618; 11. Lillian Boucher, 576; 12. Elizabeth Wheelhouse, 571.

Grade IV, with percentages: 1. Phyllis Buchanan, 92.8; 2. Joyce Cassidy, 89.1; 3. Betty Henry, 84.9; 4. Archie Boyd, 83.7; 5. Arthur Knight, 82; 6. Mary-Gordon Johnson, 81.4;

7. Shirley Hamilton, 80.2; 8. Donna Isaacs, 78.1; 9. Barbara Seal, 76.9; 10. Elizabeth Stockwell, 75.9; 11. Alvin Teel, 74.9; 12. Alfred Forster, 74.3; 13. Joyce Lickfold, 70.9; 14. Billy Shanks, 70.4; 15. Albert Forster, 70.2; 16. Reid Pickett, 69.9; 17. Lorna Stowe, 61.1; 18. John Massey, 49.1; unranked, Peggy Hawke, 77.3; Evelyn Tipney, 70.2; Willard Barrette, 60.4, and Donald Birshey, 54.3.

Grade V, with percentages: 1. Betty Bowles and Beverly Bowles, 86.3, equal; 3. Ronald Gail, 80.4; 4. Maisie Holliday, 79.1; 5. Dale Hauver, 73; 6. Richard Laver, 71.4; 7. William Hamilton, 69.9; 8. John Barrette, 68.9; 9. John Powers, 68.8; 10. Edward Bushey, 66.09; 11. Kenneth Hamilton, 63.8; 12. Blanche Ellis, 63; 13. Mary Wyatt, 62.5; 14. Kenneth Scott, 59.8; 15. Leonard Lickfold, 58.09; 16. Eric Smith, 56.3; 17. Jack Barker, 56.7; 18. Doris Craigie, 47.5; 19. Lillian Wheelhouse, 45.6. Unranked, Joyce Beaudry, 57.4.

Grade VI, with percentages: 1. June Palmer, 90; 2. Winnifred Holliday, 80.9; 3. Kathleen Patterson, 71.5; 4. Reginald Clarke, 71.4; 5. Russell Craigie, 70.8; 6. Jane Powe, 69.8; 7. Myrtle Barrette, 68.5; 8. Cedric Winsor, 65; 10. Reginald Miner, 59; 11. Merlyn Dougall, 56.5; 12. Margaret Scott, 48.5; 13. Lionel Cunningham, 48; 14. Keith Ingalls, 44; 15. Lillian Bristow, 39.5.

Grade VII, with percentages: 1. Edith Hastings, 88.7; 2. Charles Wyatt, 84.5; 3. Douglas Ross, 80.9; 4. Brian Ruiter, 77; 5. Evelyn Ingalls, 74.4; 6. Geraldine Lickfold, 68.6; 7. Grade IX, with total marks: 1. Beryl Henry, 1,123; 2. Ernest Scott, 942; 3. Ernest Pettes, 872; 4. Robert Lauer and Ronald Yates, 834, equal; 6. Eunice Harvey, 814; 7. Doris Martin, 784; 8. Carl Eiton, 770; 9. Eileen Stevenson, 760; 10. Roy 707; 11. Francis Nunn, 481.

Grade X, possible 1,100: 1. Mary Clarke, 998; 2. Doris Shepard, 867; 3. Ella Jones, 845; 4. Frank Winsor, 754; 5. Helen Emmett, 629; 6. Arthur McElroy, 623; 7. Carl Eiton, 586; 8. Keith Scott, 585; 9. Donald Moore, 579; 10. Maurice Isaacs, 502.

"Do not take Latin." Grade XI, possible 1,100: 1. Ralph Asch, 828; 2. Sylvanus Fuller, 805; 3. Margaret Barber, 728; 4. Elizabeth Fuller, 690; 5. Ella Marsh, 635; 6. Clayton Smith, 607; 7. Marjorie Covey, 593; 8. Sybil Craigie, 379.

"Do not take Latin."

Graham MacFarlane, Eric Pickett and Iris Thomas unranked, having missed part of the examinations.

General Notes. Mrs. R. Flanagan and Mr. G. C. Bouchard, of Montreal, were recent guests of Mrs. George Bouchard.

Mr. and Mrs. Cook have moved from Bedford and are making their home with the latter's parents, Mr. and Mrs. A. Belanger.

Mrs. Frankie Worden was a recent guest of her daughter, Mrs. Leo Boucher, and Mr. Boucher.

Mrs. Goddard, of Knowlton, was a recent guest of Mrs. C. A. Paintin.

Mr. and Mrs. Belisle and two children, of Quebec, arrived here by auto last week. They were joined by Mrs. Wilson and Miss Thevet, who accompanied them to their home in Valleyfield.

Miss Edith Soles, of Montreal, was a holiday guest of her parents, Mr. and Mrs. C. Soles.

Miss Florence Hard spent the week-end at her home in Cookshire, where Little Peggy Hawke is recovering from her recent illness.

Frances Robinson, student at St. Helen's School, Dunham, accompanied by a girl friend, is spending the Easter holidays at the home of her parents, Mr. and Mrs. A. C. Robinson.

Sister Jessie Candlish, Grand Instructress of District No. 2, visited the Eastern Star Chapter of Cowansville on Thursday evening of last week. A small gift was presented Mrs. Candlish as a token of appreciation of her visit.

Mrs. Harold Brown and infant daughter are patients in the local hospital.

The many friends of Mr. A. W. Ross will regret to learn that he is in poor health and has been ordered by his physician to take a complete rest for a month. Mr. W. J. Bell is in charge at the post office during his absence. All join in wishing Mr. Ross a speedy recovery.

Mr. and Mrs. Wright, of Montreal, were Easter guests of the latter's sister, Mrs. Percy Smith, and Mr. Smith.

Mrs. Laurie Brown, who spent the winter with her son, Charles, and family near Westover, Mass., has returned home and is assisting in the care of Mrs. Leon Harden, who is confined to her room by illness.

Mrs. Scharfe, of Ottawa, is a guest of her daughter, Mrs. S. W. Boyd, and family.

Service was held in the United Church on Friday evening of last week, while service was held in Trinity Church during the whole afternoon of Good Friday.

Mr. A. W. Westover entertained St. Aidan's Guild with a good number of members and several guests. Meetings had been discontinued during the winter months and this was the first this spring. All officers were re-elected except the secretary-treasurer, Mrs. de la Mare, who resigned.

Mrs. Binaing was elected to succeed her. Mrs. Kirkpatrick and Mrs. Alpaugh assisted the hostess at lunch time. Mrs. Bradshaw and Elizabeth, of Sutton, were visitors here and attended the Guild entertained at an afternoon breakfast for Mr. and Mrs.

Frank Cunningham. Among those present were Mr. and Mrs. Mark Cunningham, Mr. and Mrs. Safford, Miss Jean Crandall, Miss Muriel Pearson, Miss Lois Cunningham, Teddy and Alfred Orr.

Mr. and Mrs. Westover and Mr. and Mrs. Gifford were in Cowansville recently.

The Guild of St. Aidan's Church furnished spring flowers and Easter lilies for the altar. The flowers were sent to shut-ins after the service.

The Misses M. Pearson and Jean Crandall spent the Easter week-end with the Misses Bowker.

Mrs. Kirkpatrick spent the week-end in Bromes with relatives.

Mrs. M. Short sent a box of full bloom petunias to the church on Easter Sunday.

Mrs. Andrew Thompson entertained at a surprise birthday party in honor of her daughter, Mrs. Lloyd Mandigo on April 3. Miss Jessie Morrison won the first prize in "500." Mrs. George Morrison and Little Miss Gloria Mandigo presented Mrs. Mandigo with a basket of gifts. The hostess served lunch, assisted by Mrs. George Morrison and Miss Jessie Morrison. A large birthday cake was served. The guest of honor thanked the hostess and guests for the lovely party given her. The guests departed after wishing Mrs. Mandigo many happy returns of the day.

Mr. and Mrs. Andrew Thompson spent Easter Sunday with Mr. and Mrs. George Morrison, of Sutton.

DUNKIN

All are pleased to see that Mrs. Herman Sargent is home from the hospital and is much improved in health. Miss Rachael Courchesne, of Glen Sutton, is assisting in the work until Mrs. Sargent is fully recovered.

Easter Sunday guests at the home of Mr. and Mrs. Ernest Aiken were their daughter, Miss Hazel Aiken, Mr. and Mrs. Marcott and little son, Roderick, of Newport, Vt., also another daughter, Mrs. Leland Judd and her husband, of North Troy.

Mr. and Mrs. Otis Trux and two children, Sheldon and Barbara, of Glen Sutton, have been spending a number of days with relatives here.

Mrs. E. J. Smith, Sutton Junction, and son, Royal, of Cowansville, were guests of Mrs. Wilbur Fullerton on Easter Monday.

Mr. E. W. Davis, who has been suffering with influenza is not gaining as rapidly as his friends would wish.

Miss Eva Bailey, Cedric Bailey, John Bennett, of Highwater, and Miss Scott, of Mansville, called on Mrs. Lizzie Bailey on Sunday.

Miss Champion went to her home at Highwater for Easter.

Mr. Gordon Badger went to his home in South Bolton during his holidays.

A number from here attended the funeral of Murray Heath at Mansville on Sunday. The family have the sympathy of all in their sad bereavement.

BONDVILLE

Easter guests of Mr. and Mrs. C. P. Hunter included Mr. and Mrs. P. Millinchamp and little daughter, Claire, Miss Margaret Hunter and Mr. R. Millinchamp, of St. Anne de Bellevue.

Miss Agnes Hillhouse, of St. Jovite, Miss Beatrice Hillhouse, of St. Agathe, and Miss Donna Hill, by Mrs. R. K. Smith and family in memory of the late R. K. Smith, and one given in memory of Mrs. Arthur Kent by her daughters.

Among those from Granby who attended the funeral of Mr. Albert Giddings in Montreal were Mr. and Mrs. H. Giddings, Mrs. W. F. Giddings, Mr. A. H. Giddings, Mrs. N. Mitchell, Mrs. G. A. Roberts and Mr. Gordon Roberts.

Mrs. Jolley, of Shefford Mountain, is spending a few days with her niece, Mrs. H. E. Reynolds.

Miss Jean Fulton, of Sherbrooke, who is a student at Macdonald College, spent a few days this week with her uncle and aunt, Mr. and Mrs. W. C. Lee.

Miss Mary Rannels was a guest of her uncle and aunt, Mr. Charles Bird and Dr. Mary Bird, Beloeil, over Easter.

Mrs. D. L. Chabot, Mrs. H. Garcau and daughter, Jacqueline, of Montreal, were guests on Easter Monday of Mrs. F. D. Irwin and daughters.

Easter guests at the home of Mr. and Mrs. N. A. Austin were Miss Gertrude Austin, Miss Annie Yeats, Miss Frances Yeats, Mr. Harry Yeats and Mr. Logan Gallagher, all of Montreal.

Mrs. Frank Safford, of Sutton, and Mrs. James Curley, of Boston, spent a week-end as guests of Mr. and Mrs. G. R. Jackman, of Montreal.

Miss Freda Racicot, of Montreal, is spending a week as a guest of Mr. and Mrs. N. A. Austin.

Mrs. A. T. McKergow spent a few days recently with her mother, Mrs. Watson, and sister, at Selby Lake.

Miss Margaret Tyrrell, R.N., of Montreal, was an Easter guest of her sister, Mrs. D. E. Dozois, and Mr. Dozois.

Mr. and Mrs. Henry Osgeod, who have spent the greater part of their life in Granby, are leaving to re-

calling on Mr. G. Hooper on Saturday.

Mr. and Mrs. James O'Brien and son, of St. Jerome, were Easter guests of Mr. and Mrs. John Jones.

Mr. Perron, who resides on the Farnham Centre Road, disposed of his stock and farm implements by auction sale on Monday.

School re-opened on Tuesday after a brief holiday.

Mrs. William McCullough, of East Farnham, was calling on her sister, Mrs. G. A. David.

Mr. Hollis Hooper has accepted a position in Sutton.

Mr. and Mrs. W. E. Dryden entertained relatives from Montreal over the week-end.

Mr. Alvin Hooper, Miss M. Hooper, Mrs. G. R. Hooper and Miss V. Ladd, of St. Hyacinthe, were in Sutton recently calling at the home of Mr. Arthur Hawley.

Mr. J. B. Moore, of Bromes Centre, was calling at the home of Mr. M. Hearn, recently.

Mr. George Bromby was in Montreal over the week-end, where he was a guest of relatives.

BOLTON CENTRE

Inspector Wells visited the school here and found everything very satisfactory.

The many friends of Mrs. J. H. Peasley will be pleased to learn that she is able to sit up for a short time each day.

Mr. Norman Peasley was home from Knowlton for the holidays.

Miss Evelyn Wright, of Windsor, spent the holidays at "Pine Lodge," as a guest of Mr. and Mrs. Arthur Davis.

Mr. D. Farrell, of Mansville, was a guest in town on Saturday.

Miss Kathleen Farrell has returned to the home of her grandparents, Mr. and Mrs. D. Farrell, Mansville, after spending some time with her parents here.

Miss Ellison Tilton, of Sherbrooke, is spending the holidays with her uncle and aunt, Mr. and Mrs. L. N. Arthur.

Mr. George Taylor, of South Bolton, was calling on friends here one day last week.

Mr. and Mrs. C. C. Martin and little daughter, of Boston, Mass., have been visiting their uncle and aunt, Mr. and Mrs. N. I. Peasley, for a few days. They were accompanied home by Mr. and Mrs. Peasley, who will spend a few weeks visiting relatives in Boston.

Mr. and Mrs. William Peasley, of Waterloo, were holiday guests in town.

On Saturday a deer was seen to dash out of the woods and swim the river into the village. Without stopping, the animal ran the length of a field and took to the river again, disappearing in the bush on the other side.

Messrs. Norman Peasley and Kenneth Elston attended the funeral of Master Murry Heath, Mansville, on Sunday afternoon.

There was a special Easter service in the United Church on Sunday morning. The church was prettily decorated with Easter banners and flowers. The pastor, Rev. John Stark, preached an eloquent sermon to an interested congregation.

Mrs. C. McGee and Mr. Arthur Perry sang a duet and Rev. J. Stark a solo, which were greatly enjoyed.

GRANBY

Two beautiful baskets of flowers were placed in the United Church on Easter Sunday. One was given by Mrs. R. K. Smith and family in memory of the late R. K. Smith, and one given in memory of Mrs. Arthur Kent by her daughters.

Among those from Granby who attended the funeral of Mr. Albert Giddings in Montreal were Mr. and Mrs. H. Giddings, Mrs. W. F. Giddings, Mr. A. H. Giddings, Mrs. N. Mitchell, Mrs. G. A. Roberts and Mr. Gordon Roberts.

Mrs. Jolley, of Shefford Mountain, is spending a few days with her niece, Mrs. H. E. Reynolds.

Miss Jean Fulton, of Sherbrooke, who is a student at Macdonald College, spent a few days this week with her uncle and aunt, Mr. and Mrs. W. C. Lee.

Miss Mary Rannels was a guest of her uncle and aunt, Mr. Charles Bird and Dr. Mary Bird, Beloeil, over Easter.

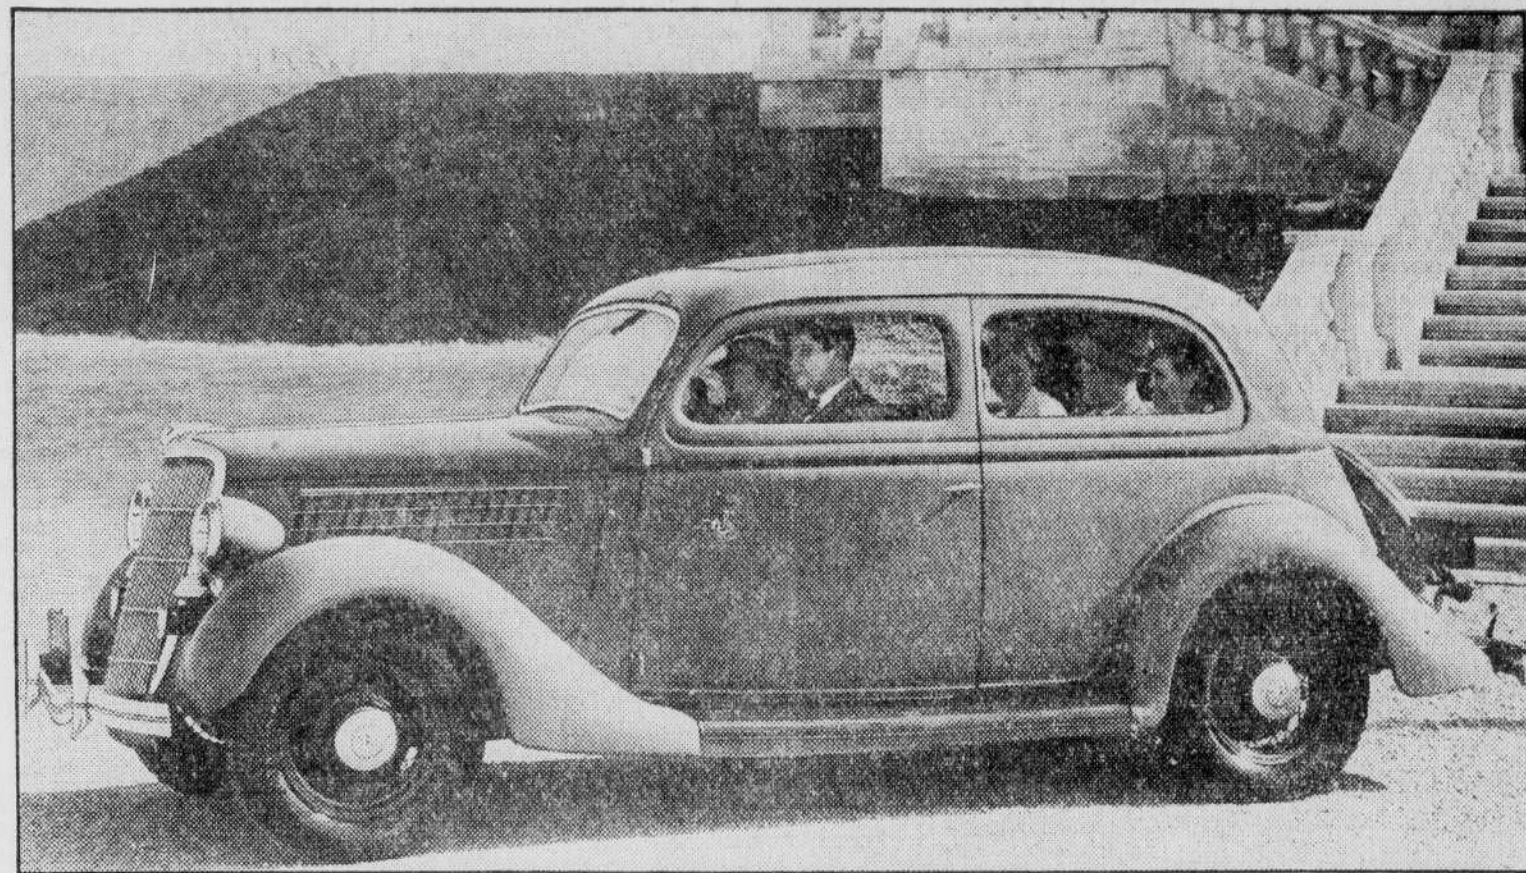

Mrs. D. L. Chabot, Mrs. H. Garcau and daughter, Jacqueline, of Montreal, were guests on Easter Monday of Mrs. F. D. Irwin and daughters.

Easter guests at the home of Mr. and Mrs. N. A. Austin were Miss Gertrude Austin, Miss Annie Yeats, Miss Frances Yeats, Mr. Harry Yeats and Mr. Logan Gallagher, all of Montreal.

Mrs. Frank Safford, of Sutton, and Mrs. James Curley, of Boston, spent a week-end as guests of Mr. and Mrs. G. R. Jackman, of Montreal.

Miss Freda Racicot, of Montreal, is spending a week as a guest of Mr. and Mrs. N. A. Austin.

THE ONLY CAR UNDER \$3500 WITH A V-8 TYPE ENGINE

and the most economical FORD car ever built

FOUR YEARS AGO the V-type engine was priced out of reach of most drivers. It was then Ford engineers decided that the V-8 was the best automobile motor that could be made. We drew on our wide experience and huge resources to perfect and produce it at a price accessible to all.

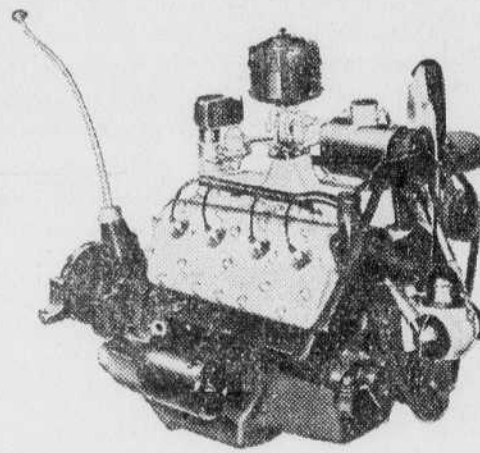

There are 1,500,000 Ford V-8's in active, satisfying service today. Each year has seen a sharp increase. And the Ford V-8 for 1935 is excellent all previous sales records. The enormous power, flashing pick-up and positive economy of this brilliantly performing engine are reasons for this.

With the introduction of the longest, widest, roomiest Ford car ever built comes a host of comfort and convenience features to match V-8 performance. You would expect them only in a very high-priced car. They make it a perfectly balanced car. There is

Centre-Poise riding—achieved by a fundamental change in car design—with new, correct weight distribution, new seat position, and springing. A front-seat ride for back-seat passengers.

Distinctive, modern lines. Wider, roomier all-steel bodies. Safety Glass throughout in de luxe closed types at no extra cost. New quick-stopping brakes. Pillowed seats with softer

springs; new interior finish, upholstery and appointments; easier steering; new easy-pressure clutch. Too many, really, to list here. We and your Ford dealer suggest you make an early opportunity to see and drive the finest Ford car ever made.

Have a Demonstration. Your nearest Ford dealer will be very glad to give you a drive-yourself demonstration in the new FORD V-8 for 1935. No obligation. Visit his premises or phone.

TUNE IN the FORD SUNDAY EVENING HOUR. Symphony Orchestra and celebrated guest soloists. 8 o'clock Eastern Standard Time. Columbia Station. FRED WARING AND HIS PENNSYLVANIANS. Thursday evening at 8:30 Eastern Standard Time. Columbia System.

NEW REDUCED PRICES
\$32 a month and a reasonable down payment now buys a Ford V-8. See the nearest dealer for details.

side with their son, Mr. Arthur Osgeod, and family, in St. Lambert. They expect to leave the latter part of this week. Their many friends in Granby wish them a happy sojourn in their new home.

Rev. Dr. Smythe and Mrs. Smythe, Mr. and Mrs. John Thomas and little son, Ian, of Montreal, were Easter guests of Rev. Thomas Scott and Mrs. Scott at the parsonage.

Mr. and Mrs. W. H. Miner, the Misses Betty and Nora Miner and Mr. John Miner spent a few days at their home here during the holidays.

Mr. Chester Morrison, who is in Bermuda, sent a quantity of beautiful Easter lilies to his parents, Mr. and Mrs. Gordon Morrison. Mrs. Morrison kindly placed them in the United Church on Easter Sunday.

Mr. H. B. Shufelt, of Montreal, spent Sunday with his aunt, Mrs. K. G. Mitchell.

Mr. and Mrs. G. E. Robinson, daughter, Thursa, and son, Gaylor, spent the Easter holidays with Mr. and Mrs. F. A. Ayer in Montreal.

Mrs. James Blampin, of South Rexton, was visiting her sister-in-law, Mrs. F. W. Taylor, and family last week.

Mr. Henry Purdy and Miss Sylvia Purdy, of Sherbrooke, spent the week-end as guests of Mr. and Mrs. L. C. Swett.

Mr. and Mrs. James Gunn, of Montreal, were holiday guests of the latter's parents, Mr. and Mrs. W. W. Sparling.

Mrs. W. L. Bragg, of Toronto, has been a guest for the past few days of her sister, Mrs. P. G. Jack, and Mr. Jack.

Miss Ruth Stewart, of Alma Ladies' College, St. Thomas, Ont., is spending the Easter holidays with her sister, Mrs. N. R. Mitchell, and Mr. Mitchell.

The Ladies' Aid of the United Church met with the president, Mrs. G. A. Roberts, in the chair,

who read the Scripture lesson and led devotions. The minutes were read and confirmed and some items of business were laid over. It was moved and carried that a letter of appreciation be sent to the organizer, Mr. A. M. Sadler, for the appropriate music, Sainer's "Crucifixion," which was given on the Wednesday prior to Easter, and which was enjoyed by a large audience. The programme consisted of community singing, arranged by Miss Clara Seavey assisted by Mrs. A. M. Sadler, Mrs. George Blake and Miss Gladys Nicholson. This quartette also sang "The Old Rugged Cross" and several old favorite hymns were heartily sung by all present. At the close refreshments were served by the following ladies: Mrs. T. Scott, Mrs. S. A. Horner, Mrs. Joseph Maton and Mrs. Annal.

SHERBROOKE, FRIDAY, APRIL 26, 1935.

Beginning to Stir Themselves in the Counties.

When the five counties around Sherbrooke slid gracefully into the Conservative circle in 1930 there was much chagrin in the Liberal camp; the old-timers who had lost touch with the electorate were promptly shunted; the younger and able men took hold and won back all the counties and even the city for the Provincial House at Quebec.

These men claim they did not receive credit or recognition for their herculean efforts and their unqualified success.

Now they are organizing for the Federal fight, and the organization work will be run hand-in-hand with the Provincial men who scored such a success in 1931.

Prospective candidates for the five counties are under review. C. B. Howard, the sole survivor of 1930, the member who was scorned by the Hon. Mackenzie King, may be the generalissimo, but the second and third degrees will be administered by Hon. J. E. Perrault and Hon. Jacob Nicol.

For it is altogether likely that not a month will elapse between the Federal and the Provincial elections.

Stanstead County will be the chief citadel for attack, though no Liberal candidate has as yet been found who will measure swords with John Hackett. Compton County is looked upon as a surer recovery seat, and it is altogether likely that Everett Cox, of Scottstown, will be prevailed upon to enter the lists against Sam Gobeil, the sitting member.

In Richmond-Wolfe, the sitting Conservative member is looked upon as an easy victim. Liberal prospectives are Messrs. Mullins, of Brompton Falls, and "Barney" Quinn, of Richmond. It was in this constituency that the outstanding Liberal of Quebec, the late Hon. Walter Mitchell, was defeated by his impolitic friends.

After his able work and his deep understanding of the needs of his two counties, it will be a mighty problem to find a Liberal strong enough to tackle Dr. Pickel, M.P. for Brome-Missisquoi.

Shefford County, which looked a sure recovery seat a year ago looks good enough for retention in the Conservative column, for the Waterloo postoffice job gave the Liberals a discolored eye. A year ago Shefford's member was teetering on a limb.

Huntingdon could not find an abler or more diligent member than Dr. J. C. Moore, the present representative, a man who upholds the highest tenets of the county.

Beauharnois is calling for a resident member, and sighs for the days when it had "Bergeron, the Beauharnois Boy."

Governmental Vagaries.

Our government, at Ottawa, our Provincial governments and our municipalities keep on piling up debts the while our national revenue, when measured by the value of our old gold dollar, is getting smaller and smaller every year since England went off the gold standard in September, 1931.

Our politicians speak of recovery as though it were the real thing, when, as a matter of fact, all our trade returns and most of the statistics dished out by the Press for the dumb to swallow as being wholesome and solid food, is nothing but corn flakes.

We boast proudly about the quantity or volume of our exports of foodstuffs, of timber and lumber, of pulp and paper products, of minerals, of manufactures and so forth, to Great Britain and other Empire dependencies, as well as to other parts of the world.

The figures expressing the quantities or volume of all these exports, for the years 1933 and 1934, are unquestionably larger, in many instances, than those given for the years 1931 and 1932.

But the farmer, the lumberman, the miner, the manufacturer, in other words, the producer and labourer, who works and toils like a nigger to exploit our natural resources on a larger scale and ships them in the form of exports to foreign countries, does not know that every paper dollar he receives to-day for his produce and labour is worth only fifty-nine cents, and some days less than that.

Then, out of these fifty-nine cents, the farmer, the lumberman, the miner, the manufacturer, the producer and the labourer, is obliged to pay about nine cents in taxation to our governments.

This means that every producer and labourer gets only fifty cents value for every paper dollar received by him.

Expressed in another way, this "gyp" of fifty cents out of every dollar means that the farmer is obliged to double his production and sell it in order

to get one honest dollar containing one hundred cents.

The labourer must double his hours of work in order to receive wages that will have the same purchasing power as those he received before our federal government started the racket of depreciating our money.

Yet our politicians go spouting all over the country that our trade is on the road to recovery and that the country is getting richer.

Laws have been passed to shorten the hours of labour when it is obvious that more toil will have to be shouldered by each and everyone of us if our money is kept depreciated by the money-changers.

The Marketing and Insurance Acts are nothing but economic myths in their application, so long as the Ottawa Government allows the international money manipulators to short change our people.

The national revenue cannot be increased by pauperizing the people. It is a physical impossibility to become richer by artificial monetary devices. Bunco money will breed national bankruptcy! Our governments, just as individuals must do, must balance their expenditures, or else get into trouble.

We shall never gain recovery by the creation of an ignorant bureaucracy and by coercive laws.

Neither will we emerge from the depression by the manipulation of credit and the depreciation of our money. Here we are prostrated by governmental policies which are no more intelligent, and no more workable, than perpetual motion machines or by the alchemists' devices for turning base metal into gold.

Perhaps the Right Honourable R. B. Bennett will bring us back from London some new formula which will completely set the country on its feet or prepare it for a long drawn out economic war.

If we know anything about the formulae of London they will most likely be as remedial as those which the farmer applies to his cockerels with an axe.

Editor's Note Book.

The chairman of the Electric Light Committee thinks that in a few years he may be able to cut down materially on the cost of street lighting, depending more and more on the street lamps of the ex-Mayors.

Winter is over, and in the St. Francis Valley we had no ice jam to speak of. But Sam Gobeil, M.P., still holds that Compton County strawberry jam has a value equal to the maple sugar crop of Beauce.

It does not pay to warn the Federal Government of impending financial disaster to Canada. The Canadian Bankers' Association did it, and they have since been visited with confiscation, deprivation, and further tax imposition. Of course, this is only the report of the first round. Any wise man can foresee the ultimate outcome, which will be the defeat of the government and the revocation of the Bank of Canada charter.

"Twaddle" is Baden-Powell's characterization of the charge that the Chief Scout's organization has a trend towards the inculcation of militarism in the youth of the Empire. Though His Lordship in a general quip against newspaper gossip is guilty of the offence which he charges against the newspapers: that you should not believe everything you read in the newspapers, but to look on both sides of a question. The Editors of the Empire have been very kind to Baden-Powell, and have helped build up for him a world-wide prestige.

To Barbara Heck, known as the Mother of North American Methodism, stands a granite memorial erected to her memory. The quaint and simple little meeting house stands in the centre of a burial ground on the banks of the St. Lawrence river, some eight miles east of Brockville. The wee church, built on the chaste and simple architecture of pioneer days in Canada, may have lost some prestige through the scandalous deprivation of the ancient name of "Methodist." Yet the pallid and prosaic minds, which carried out the destruction, have also left their bucolic touch in the very wording on Barbara Heck's monument, thus:

Barbara Heck put her brave soul "up against the rugged possibilities of the future."

Conceive the lack of culture in the construction of such a phrase for the high purpose intended, to commemorate an historic personage. It was neither a Canadian nor an Englishman who thus phrased it. We can say that with apologies to the little Mother of Methodism who passed on in 1804 and whose resting place was desecrated many years after.

THIRTY YEARS AGO TODAY

From the Files of the Sherbrooke Record.
April 26th, 1905.

Officers elected by St. Peter's W. A.: Mrs. R. Shreve, Mrs. E. N. Robins, Mrs. Frank Grundy, Mrs. Hargrave, Mrs. E. H. Sewell, Mrs. G. H. Bradford and Miss Twose.

Wedding reported: At Compton, Mr. Ernest B. Johnson, of Sherbrooke, to Miss Jeanie Johnson, Rev. G. H. Parker officiating.

Methodist Church adherents at Sawyerville gave a farewell party for Miss Evelyn Jones and Mr. Ezra Jones who were leaving for Lawrence, Mass.

Birth reported: At East Sherbrooke, a daughter to Mr. and Mrs. R. George Price.

A large section of Wellington street caved in following the breaking of a water main.

Mr. and Mrs. A. F. Plant and family, Sherbrooke, left to take up residence in Calgary.

Fred Webster, Sherbrooke, left on a business trip to Vancouver, B.C.

George Van Dyke and K. Whittemore, Boston, were visiting friends in Sherbrooke.

Mrs. James Fuller and Mrs. A. E. Bonner, Sherbrooke, spent the Easter holidays in Cornwall, Ont.

PANAMA WANTS RENT FOR CANAL PAID IN GOLD

Minister of Panama Makes Direct Appeal to President Roosevelt Following Return of Two Cheques Made Out in Devalued Dollars.

Washington, April 26.—Dr. Ricardo J. Alfaro, Minister of Panama, has made a direct appeal to President Roosevelt for the United States to pay the annual rental of \$250,000 for the Panama Canal in gold coin of the standard of 1904 as prescribed in the treaty of that year. Dr. Alfaro acted on the orders of his President, Harmodio Arias.

Twice, on the last two payment days in February, the United States has tendered cheques for \$250,000 in devalued dollars, whereas the treaty is explicit in stating that payment shall be in gold coin of the standard of 1904. The cheques have been returned by Panama.

That and other questions have been under negotiation by Dr. Arias and a mission from his country with Mr. Welles and other State Department officials for six months in efforts to draft another and basic treaty to replace the one of 1904. Indications have been that the United States eventually expected to make payment, with interest, in the equivalent of 1904 gold coin. This would be acceptable to Panama.

It is understood that the Canal rental as prescribed by treaty was not paid because of advice to the White House by the Treasury and Justice Departments in view of general policies flowing from dollar devaluation. Had State Department wishes been followed, it is believed payments would have been made as prescribed because of the broad issue of good faith and possible repercussions from a breach of treaty in the conduct of foreign affairs.

WORLD PRICE FOR WHEAT IMPOSSIBLE AT PRESENT

Head of Government Wheat Agency Believes There Can Be No Such Thing as Long as Production Continues to Be Subsidized on All Continents.

Winnipeg, April 26.—As long as wheat production continues to be subsidized on every continent there cannot be any such thing as a world's price for wheat, in the opinion of John I. McFarland, head of the Government wheat agency.

This was Mr. McFarland's reaction to a London dispatch in which the report of the Liverpool Corn Trade Association suggested that Canada should forfeit the Ottawa tariff preference on wheat because Canadian wheat producers were unwilling to offer wheat at prices not exceeding world prices.

Mr. McFarland referred to a statement he made a few weeks ago when reference was made to Argentine selling her wheat at the world's price.

"The fact is, Argentine sells her wheat at the Liverpool price, and the Liverpool price is almost entirely the reflection of the lowest price at which Argentine wheat is offered from day to day."

"In the true sense of the word, world price regulates production to demand but the price which Argentine marks up on the Liverpool board does not even affect the production effort of her own subsidized producers nor that of the many other countries where production is stimulated and maintained by subsidy measures."

DAUGHTER ACQUITTED OF MURDERING FATHER

Moosomin, Sask., April 26—Gladys Maddock, thirty-four years of age, charged with murdering her seventy year old father at their farm home near here last February 11, was acquitted when Mr. Justice G. E. Taylor took the case from the jury. The Crown had not proved the shooting was not accidental, the judge said. Suicide was not indicated by the evidence, but strongly indicated misadventure.

HEPATICAS

Barbara M. Edmunds.

Dear little harbinger of Spring
Foretelling glad some days,
Hiding in the April woods
What joy to see thy face.

So delicate thy shade of pink,
So frail thy petals are,
More fanciful or vivid hue
Thy loveliness would mar.

So small thy tiny buds,
So pink and white thy flower,
So faint thy faint perfume
Fresh from an April shower.

Dear little harbinger of Spring
How simple—yet supreme
In thine exquisite loveliness
The Hand of God is seen.

RICHMOND TOWN COUNCIL HELD BUSY SESSION

Council Decides to Meet Wishes of Citizens by Adopting Daylight Saving Time—Other Items of General Interest.

Richmond, April 26.—The regular meeting of the municipal council of the Town of Richmond was held in the council chambers with all the councillors present under the chairmanship of Dr. C. E. Manning. The Secretary-Treasurer was also present.

It was decided that the matter of putting in force the traffic by-law be left in the hands of the police committee.

The problem of collecting overdue taxes was discussed. Letters were read from the Railway Association of Canada, La Diva Shoe Co. and the New-Knit Stocking Factory asking for daylight saving time and it was moved and seconded that daylight saving time be adopted to take effect on April 28. Bills were ordered paid and the meeting adjourned.

General Notes

A bridge party was held at the home of Miss Peplar and the prize winners were Miss Eileen Montgomery, Mr. Eric Middleton and Mr. Watson Fraser. Refreshments were served and a social hour enjoyed.

Mrs. John Morey, Jr., was visiting Miss Dorothy Peplar recently.

Mr. Grant Kelley, of Brockville, Ont., was in town recently.

Mrs. C. R. Boast spent the past week-end in Montreal, and was accompanied home by her mother.

Mrs. H. W. Burnett, who had been the guest of Dr. and Mrs. C. R. Boast for a week.

Mr. Stewart Dunbar, of Sherbrooke, visited friends here recently.

Mr. H. E. Bieber spent the past week-end in Montreal.

Mr. Douglas Kerr, of Asbestos, spent Sunday here visiting friends.

Miss Elaine Fee, of Lindsay, Ont., was a recent guest of Mr. and Mrs. Albert Fee.

Miss Jean Allen, of Waterloo, spent a week-end with Mr. and Mrs. J. A. Gray.

Mrs. M. D. Fraser, of L'Avenir, was a guest of Mrs. Ella M. Robinson on Monday.

Miss Mabel Robinson, of Macdonald College, is teaching at St. Francis College for a few days.

Among those from here who attended the funeral of Mr. Castello at Asbestos were Mr. and Mrs. R. F. Lockwood, Mr. and Mrs. G. W. Galbraith, Mr. E. F. Shanks, Mr.

W. A. Smith and Mr. M. T. J. McKee.

Miss Ella Patterson, of Asbestos, was a Sunday guest of her sister, Miss Blanche Patterson.

Mrs. Hazel Semple and son have moved in to the Bedard house near Cushing Brook on Main street.

Miss Clarissa Converse is visiting relatives in Montreal.

The friends of Miss Rose Ivers regret to learn that she is confined to the house with la grippe, and wish her a speedy recovery.

Mr. Angus MacRae visited his brother, Mr. Donald MacRae, in Montreal, over the week-end. Mr. D. MacRae is a patient in the hospital and all join in wishing him a speedy recovery.

Mrs. A. J. Cross visited relatives in Montreal recently.

Mr. Harry Hardy, of Montreal, is visiting relatives for a few days. Mr. William Munroe spent the past week-end in Montreal.

Sincere sympathy is extended to

LAUREATE'S HYMN.

London, April 26.—A hymn of Thanksgiving, written by John Masfield, Poet Laureate, with music by Sir Walford Davies, will be sung by five hundred specially-trained men of the Welsh Regiment at the Aldershot tattoo in June.

Mr. Austin Hall in the death of his sister, Mrs. Charles H. Higgins, nee Jane Ruth Hall, at her home in New York City. Mr. Hall left immediately to attend the funeral.

Mrs. Thomas Fulker is caring for Mrs. McNaughton, Sr., on Clevelmont avenue. Her many friends wish her a speedy recovery.

Mr. Colin Bogie and son, of Ulverton, spent a day in town recently.

Mrs. Harry Wyatt visited relatives in Montreal recently.

UNFLINCHING PROTECTION!

A young brave and a maiden belonging to opposing tribes fell in love and ran away together. For many days the girl's brother searched for the pair to wipe out the dishonour done his tribe. At last he came upon them as they walked the heights above a river. Crouching on the opposite side of the ravine, he drew his bow. The lover, seeing the danger threatening his mate, leaped in front of her and was himself struck down by the fatal arrow.

Red Indian Motor Oil stands between your motor and the hidden dangers of overheating and strain. The hairline clearances and terrific speeds of today's motors make Red Indian, "the Oil of Endurance", more than ever the safest oil to use. Its pure, wax-free, carbon-reducing film gives absolute protection and will not break down no matter how grueling the pace. Discover its matchless stamina for yourself.

Y.M.C.A. CIRCUS AGAIN ATTRACTED LARGE CROWD.

Another capacity house last evening greeted the second performance of the 1935 Y.M.C.A. circus being held in the gymnasium. Once again the spectators were treated to a splendid display of gymnastic and acrobatic feats, with

the boys, if anything in better form than they had been on the opening night.

The fire fly drill presented by the juveniles was again the feature event of the evening and the youngsters were given hearty applause after they concluded their intricate performance. Bingo and Bozo, the clowns, apparently little the worse for their experiences of the previous evening, were on deck again with a brand new bag of tricks and adventures for the audience.

MAY BE WORLD'S LONGEST WILL

London, April 26. — Anxious there should be no dispute over her estate of \$100,000, the late Mrs. Frederica Cook disposed of it in a will of 95,000 words.

Social and Personal

Mr. Wilfrid Lazure, K.C., who has been in Montreal for the past two days, is returning to Sherbrooke this afternoon.

Mrs. A. E. Rowell, London street, returned last night from Montreal, where she was the guest of her daughter, Mrs. W. R. Clarke, and Mr. Clarke for a week.

Mrs. F. C. Churchill, Newton street, has returned from Toronto, where she spent the Easter holidays the guest of her sister, Mrs. Ida R. Brown.

Right Rev. Lennox Williams, D.D., Lord Bishop of Quebec, is the guest of the Rev. Principal Dr. A. H. McGreer and Mrs. McGreer, in Lennoxville.

Mrs. J. M. Jenckes, who is visiting her daughter, Mrs. J. K. Wilson, and Mr. Wilson in Montreal, en route from Florida, where she spent several months, is expected home on Monday next.

Mrs. W. E. Baker spent yesterday in Montreal visiting her sister, Mrs. Augustus Wood, who is a patient in the Homeopathic Hospital. The latter's many friends will be pleased to hear that she is progressing favorably.

Mrs. J. J. Coffey, national president of the Catholic Women's League of Canada, is expected in Sherbrooke tomorrow and during her stay will be the guest of Miss Minnie Mooney and Mrs. D. J. McManamy. Mrs. Coffey will preside over the annual meeting of the Sherbrooke subdivision of the C. W. L., in St. Patrick's church hall.

Mrs. Eric Lennon and Miss May Longway entertained delightfully last evening at the latter's home on Laurier avenue in honor of Miss Eleanor Wheeler, a popular young bride-to-be, and Mrs. Franklin Terry, nee Miss Lydia Hicks, whose marriage has just been announced. During the evening the guests, who numbered about thirty, played a novel game, the prizes being won by Miss Lettie Hodge and Miss Eleanor Wheeler. The guests of honor were presented with lovely gifts, Miss Marion Hall and Miss Dorothy Dean making the presentations on behalf of the guests. Later delicious refreshments were served, Miss Doris Cillis and Miss Luvia Farnsworth presiding at the pretty lace covered table, which was adorned with pink tapers in silver holders and pink sweet peas in a silver bowl. The hostesses were assisted by the Misses Norma and Mildred Longway.

Miss Gwen. Hurn will spend the week-end in East Angus, the guest of Miss Joy Planché.

Mrs. K. B. Jenckes returned last night from Montreal, where she spent several days.

Rev. Cecil King left yesterday for Niagara Falls to attend an Oxford Group house party.

Mrs. Worthington has returned from New York, where she spent two weeks with her daughter, Mrs. Napier Blakeley, and Mr. Blakeley.

Mr. and Mrs. F. N. Conner have returned from Montreal, where they were guests at the Windsor Hotel for a few days.

THE NEW DAY REFRIGERATOR RUNS WITHOUT A WHISPER

Colonel Sam Echenberg Today Announces Agency for the Famous General Electric System of House Refrigeration.

Within the memory of the elder inhabitants of Sherbrooke, there lingers the time when the General Electric Company had their Canadian factory in this city.

Now located in Peterborough, Ontario, with vast works and thousands of workers there is the General Electric Works, one of the largest and most important industries in Canada.

Why Sherbrooke lost the industry is another story, but when the Canadian General Electric was formed there was a Toronto man at the head of it, Frederick Nicholls, and a substantial interest was taken in the organization by the late Senator George K. Cox, President of the Canada Life Insurance Company, and a native son of Peterborough.

The first buildings erected in that city were as large as the present plant of the Canadian Ingersoll-Rand.

The head offices of the Company are in Toronto, but all the factories are still in Peterborough.

The firm of Echenberg Brothers have just been appointed special dealers of the General Electric Refrigerators which are of a type unique unto themselves, and which enjoy a voluminous sale all over Canada, as well as in all the civilized countries of the world where home health and sanitary hygiene are given thought.

In the window of the Echenberg store, on Wellington street, a showing is made of several models of the "G. E." Refrigerator, and during the coming months a complete line of the household models will be shown. With each model sold a home service is given without charge, though it must be admitted that the refrigerators are almost proof against misuse, particularly as to the electric motor system of ice-making which is encased in the monitor top.

Col. Echenberg claims that a General Electric refrigerator will repay its cost with the savings it makes in household expenses, with its longer life, its lower operating costs and its almost negligible service expense. It reinforces its charm as a beautiful bit of kitchen furniture by preserving perishable foodstuffs and by saving an average of five cents on each family meal.

PROMINENT TORONTO MAN HAS PASSED ON.

Toronto, April 26.—John Montgomery Lowndes, former vice-president of the Lowndes Company, Ltd., manufacturing clothing, died suddenly at his residence last night, in his sixty-sixth year.

Mr. Lowndes was a keen sportsman, and a member of the Royal Canadian Yacht Club and the Toronto Hunt Club.

During the war he was an officer in the 48th Highlanders.

COMPLETION OF MAIN HIGHWAY TO CITY URGED

Chamber of Commerce Will Make Representations to Ottawa and Quebec to Have Perrault Highway Completed to Sherbrooke, Lennoxville Road Underpass Enlarged and Three Level Crossings Eliminated.

Both the Dominion and Quebec governments are going to hear from the Sherbrooke Chamber of Commerce.

The authorities at Quebec will be requested to complete that portion of the Perrault Highway from the Prouty Crossing, between Lennoxville and Waterville, right through to Sherbrooke.

Ottawa will be requested to remember this district when it launches the \$33,000,000 Dominion-wide building programme by bearing the cost of widening, enlarging and transforming in a modern viaduct the present narrow and dangerous underpass on the Sherbrooke-Lennoxville road, which has been a bone of contention for a long time.

In its communication to Ottawa the local Chamber of Commerce also intends to call official notice to three highly dangerous level railway crossings in the immediate vicinity. The first is the crossing in Brompton, the second the oft-discussed Ascot crossing and the third the crossing on the Sherbrooke-Cootescook highway, which is familiarly referred to as the Nault Crossing.

These were the resolutions adopted at last night's meeting of the Chamber of Commerce in the Council Chamber of the City Hall. The meeting, which was under the presidency of E. E. Goodenough, was not as largely attended as the last regular session, but those present last night appeared very enthusiastic.

In order to derive the best possible results from these resolutions the Chamber of Commerce will request the Lennoxville, Ascot and Brompton Councils to pass similar resolutions, while copies of the resolutions will be forwarded to John T. Hackett, Member of Parliament for Stanstead, and the other members in this district whose influence could help achieve the aim in view. The Eastern Townships Associated Board of Trade will be asked to take a similar stand at its June meeting.

The Chamber of Commerce turned a most sympathetic ear to the plea of George Duchesne, president of the Sherbrooke Harmony Band. Mr. Duchesne came to plead for bandstands.

In outlining the scheme which the Harmony Band has under way, Mr. Duchesne remarked that today Sherbrooke has one of the finest bands in the Province of Quebec. Its membership numbers seventy-four, yet at the present time there is not a single bandstand within the city limits. The usual summer concerts are scheduled to begin in about a month's time.

It was Mr. Duchesne said, the wish of the Harmony Band to have two bandstands erected immediately, one in Portland Square and the other in Dufresne Park in the West Ward. At some future date it was hoped that a bandstand would also be erected opposite the Exhibition Arena. Mr. Duchesne remarked, although this was not asked for at present.

Mr. Duchesne said he hoped the Chamber of Commerce would support the band's programme. It had already been outlined to the City Council, he said, adding that the aldermen favored the construction of the two bandstands but would like to get an expression of public opinion before taking any definite action. Just such expression of opinion, he thought, could be forthcoming from the Chamber of Commerce.

The meeting was heartily in accord with Mr. Duchesne's plans and a motion approving the project was proposed and unanimously carried.

Chief H. O. Camirand came in for praise. The Chamber of Commerce was heartily approving of the Chief's determined effort to enforce the observance of traffic regulations in the city and to curb speeding.

The Chamber of Commerce members are planning on getting in closer touch with the City Council. Beginning with the next regular meeting of the City Fathers two official delegates from the Chamber of Commerce will attend every Council session. The president and vice-president will start the ball rolling.

The members thought that much good could be derived from following the Council deliberations, and the remark was made that possibly the delegates could in time gain admittance to the secret committee meetings. Some citizens apparently do not know the aldermen.

J. C. McConnell outlined a scheme of tourist publicity for Sherbrooke and the Eastern Townships. He proposed having a new map of the district printed, as well as an informative booklet giving details of the places of interest throughout the district.

The members appeared to favor the scheme, although the opinion was expressed that the cost of these publications might be excessive. It was finally decided to leave the final decision to the City Council. Mr. McConnell has secured full details as to cost and the exact amount of work which this scheme would entail.

The meeting heard a letter from W. L. Waters, a New York engineer, asking for an expression of opinion from the local Chamber of Commerce on the question of unification and co-ordination of Canada's two railway systems.

In view of the store of information available in the Duff Commission report on this matter, which Mr. Waters could make use of, it was decided that the local group would not officially express any opinion on the matter.

Those present at last night's meeting felt that their efforts had been well rewarded. A pleasant and profitable evening was spent in discussing questions of local interest and everyone appeared well satisfied with what had been accomplished.

With the flavour excellence of costlier tobaccos!

You get out of a cigarette what the maker puts into it—no more, no less. In TUDOR you enjoy the rich, fragrant smoke that only comes from choicer, more expensive leaf tobaccos. Mr. White certainly did us a good turn in recommending that Martin-Senour paint. We have the best looking house on the street now.

You said it, darling. And what a relief to know that there will be no more repainting bills for four or five years!

Why 100% Pure Paint looks better... and lasts longer

Whatever you intend to paint, there is a special Martin-Senour product for the purpose. Five of the most popular are:

MULTI-USE ENAMEL for all enamelling, outside or in.

OUTSIDE PORCH PAINT for porch floors, steps, etc.

MARBLE-ITE varnish for hardwood floors.

NEU-TONE (Flat)

NEU-GLOS (Semi-Gloss)

for washable interior walls and ceilings.

Martin-Senour 100% Pure Paint is the most beautiful and economical surface protection for your house exterior, because it is guaranteed to contain only 100% pure ingredients.

These ingredients, all of the finest quality, combine to produce a tough, high-gloss protective film that stands up year after year without cracking, peeling, or losing its color. There is no adulteration to weaken its elasticity and shorten the life of the paint!

IT PAYS TO USE

PARMELEE HELD BOSTON BRAVES TO THREE HITS

Another Member of Giants "Big Four" Mound Staff Turned in Sparkling Performance Yesterday — Brooklyn "Rookie" Hurler Blanked Phillies with One Hit.

If the New York Giants fail to finish at or near the top of the National League standing—and their adherents stoutly maintain there will be no failure this season—it apparently will not be the fault of Bill Terry's pitching "Big Four."

The quartette already has made a highly promising start even though Fitzsimmons has been held out twice. Carl Hubbell has rung up two victories on three appearances; Hal Schumacher cut loose with a great three-hit effort on Wednesday, and yesterday Roy Parmelee, who failed to keep pace with the rest last season, came through with a game that almost duplicated Schumacher's to beat the Braves by two to one.

Parmelee, whose previous appearance was in Sunday's tie game with the Phillies, also limited the Braves to three hits and lost a shutout because of a home run. Wally Berger caught one on the nose in the seventh inning and rode it out of the park after Mel Ott had produced two giant rallies in a similar fashion, clouting his third homer with Manager Terry aboard in the fourth frame. "Babe" Ruth remained at home nursing his cold and did not appear at the park for the game.

The Brooklyn Dodgers, however, continued to outshine the Giants in pitching as well as in other departments and retained the league lead on the strength of an outstanding mound performance by twenty-one year old Johnny Babich. Johnny hurled the second one-hit game of the National League season against Phillies to win by six to nothing. The first one-hit feature was tossed by "Cy" Blanton, of Pittsburgh. Babich had a no-hit, near-perfect game in hand until one was out in the eighth frame. Then Mickey Haskin, playing third because of Vernon's injured finger, singled a single. The Dodgers collected twelve hits off Syl Johnson and Orville Johnson.

Cincinnati's Reds hopped back into third place with a six to nothing triumph over the Pittsburgh Pirates with Benny Frey hurling a six-hit game. It was a day of days for Frey. He blanked the Pirates; had a perfect day at bat; started the Reds' thirteenth and fifteenth double plays of the season, and participated in a double steal in which a team-mate stole home in the second inning.

The Chicago Cubs continued to pick on the St. Louis Cardinals' Dean and Dean combination, nicking Brother Paul for the deciding runs in a seven to five triumph after having defeated "Dizzy" in a similar role on Wednesday. "Duffy" joining his first game of the season, replaced Kleinke in the seventh frame and was hit three times in the two innings he stayed before being supplanted by Heusser. The Cubs bunched their twelve blows successfully, while Charlie Root and Billy Lee, although hit for eleven singles, were backed by good fielding that ruined the effect of the St. Louis batsmanship.

The American League clubs went in mostly for heavy hitting, although two former college stars, Vernon Wilshire, of Indiana and the Philadelphia Athletics and Johnny Broaca, of Yale and the New York Yankees, upheld the prestige of the mound department. Wilshire blanked the Senators with two hits as the A's won by ten to nothing with the aid of an eight-run second inning. The rookie hurler pitched no-hit ball for six innings and let his opposition down finally with only a brace of singles. Bob Johnson, smashing out his third homer of the season, led the A's in the fifteen-hit attack on Stewart Weaver and Coppola.

Broaca hurled a less spectacular seven-hit game against Boston and the Yankees put on a similar rally, scoring seven times in the fifth stanza to smother the Red Sox by twelve to four. All the Yanks except Broaca, who was busy hurling his second victory of the season, hit hard and they received the benefit of a lot of loose play by the Red Sox. Boston, charged with only one misplay in seven previous games, made four errors, tossed in a handful of walks and in general performed like anything but a first-place team.

Another seven-run inning sent the Chicago White Sox along to their fifth victory in six clashes with the champion Detroit Tigers by nine to eight. "Schoolboy" Rowe was the victim of the uprising in the fourth chapter. Vernon Washington, with two doubles and a single, led a ten-hit assault on Rowe, Joe Sullivan and Clyde Hatter which enabled the Sox to come from behind for the second straight day. Wilderness on the part of Vernon Kennedy, who started for Chicago, staked the Tigers to four runs in the second frame, but the onslaught on Rowe in the fourth stanza gave Joe Vance a lead the Tigers just failed to overcome.

The Cleveland Indians captured the junior circuit lead by coming from behind to defeat the St. Louis Browns by seven to six with Hal Trosky's first circuit swat of the season with one on in the seventh frame producing the winning runs. Five St. Louis pitchers were nicked for sixteen hits, including Trosky's homer, three doubles and a single by right fielder Bruce Campbell and three singles by Earl Averill.

TORONTO REGAINS LEAD
One of the things that make

baseball the popular sport it is—the team standing—finds the Toronto Leafs at the head of the International League again today.

The Leafs regained the lead after a lapse of twenty-four hours by taking a six to four decision from the Baltimore Orioles in an affair amounting to eating the dog that bit you. Two days ago the Leafs lost the leadership when they were overwhelmed by eleven to two by the Flock.

Walter Hilcher limited the Birds to seven hits, one of which was Puccinelli's seventh homer of the season. Harry Gumbert gave up thirteen hits, but Baltimore remained ahead by four to three until a wild throw in the ninth frame allowed the Canadians to score three runs.

Montreal's Royals pounded out a twelve to six triumph over Albany after the Senators gathered four runs in the first inning and sent Pete Appleton, Montreal's starting pitcher, to the showers. Chad Kinsley, who relieved Appleton, allowed only four hits and featured the Royals' attack along with Dugas and Thompson by smacking out a triple, a double and a single. Dugas hit for the circuit with the bases empty.

The Newark Bears, yesterday's pace-setters, were swamped by the Buffalo Bisons and consequently slipped to second place, a few percentage points above the Orioles. Owen Powell, former major league pitcher, turned in a three-hit performance as the Herd mauled the New York Yankees' farm club by sixteen to two. Buffalo netted fifteen runs in the first three innings off Kemp Wicker and Lack Larocca.

Rochester registered its second victory in as many days over Syracuse as John Berly held the Chiefs to six hits in a seven to three triumph for his team. The Red Wings pounded Fisher and Merena for eleven hits.

YESTERDAY'S STARS

Outstanding players in yesterday's major league games were:

Hal Trosky, Indians: His homer with one on scored the runs that beat the Browns by seven to six.

Benny Frey, Reds: Blanked the Pirates with six hits, started two double plays and took part in double steal.

Vernon Wilshire, Athletics: Shut out the Senators with two hits, fanning seven.

Chuck Klein, Cubs: Belted a homer with two on base against the Cardinals.

Roy Parmelee and Mel Ott, Giants: Parmelee limited the Braves to three hits; Ott's homer brought a two to one victory.

Vernon Washington, White Sox: Knocked in three runs against the Tigers with two doubles and a single.

Johnny Babich, Dodgers: Pitched one-hit shutout against the Phillies and helped win by driving in two runs.

Jesse Hill, Yankees: Walkoped a homer and two singles, driving in four runs, in rout of the Red Sox.

PRESIDENT NOT WORRIED OVER DETROIT'S SLUMP

Detroit, April 26.—A slump is just a slump, Frank J. Navin said not too mournfully today, and Manager Mickey Cochrane and his champion Detroit Tigers "will just have to suffer."

Mr. Navin does not often reveal how he feels about the progress, or lack of progress, of the club he heads as president. In baseball thirty-one years, he has seen slumps that were slumps, so today he laid the current Bengali slump right in the lap of Manager Mickey and his boys, treated rather roughly recently by the Cleveland Indians and the Chicago White Sox.

"There's nothing much I can do about it," Navin said. "It's strictly up to Cochrane and his players. Breaks of the game have gone against them; there's no particular department that has failed and started them off wrong. It's just one of those things that have to run so long before the team can come out of it. Cochrane and his team will just have to suffer until they do."

The Bengal losing streak, Navin indicated, has not caused him to change his opinion that his team still is the best in the circuit.

PLAYER AWARD PRESENTED TO VETERAN STAR

Hailed as "Greatest Hockey Player of All Time in His Position," Frank Boucher Received Lady Byng Trophy from "King" Clancy's Father at Banquet in Ottawa.

Ottawa, April 26.—Black-haired Frank Boucher, star centreman of the New York Rangers, today placed Lady Byng's National Hockey League Trophy on his mantel-piece after winning it seven times in the eleven seasons since it was donated. The presentation was made last night by Tom Clancy, father of Toronto's famous "King," dynamic defenceman of the Maple Leafs, ninth hitting for President Frank Calder, of the major league, who was unable to be present.

Clancy hailed Boucher as the "greatest hockey player of all time in his position" as he made the presentation at a dinner in honor of Manager Tommy Gorman, of the world champion Montreal Maroons, and three of his players who are Ottawans in their spare time.

Frank Nighbor, twice winner of the famous trophy in 1925 and 1926 when he was the Ottawa Senators' star centre, voiced appreciation of Lady Byng's generosity in giving Boucher permanent possession of the cup and offering to replace it with another for perpetual competition.

Boucher acknowledged the trophy with a speech in which he thanked Walter Gilhooly, Ottawa Journal sports editor, for an open letter in his column which resulted in Lady Byng's decision to give the trophy to him.

SPORTING NOTES

VIKING WON SECOND PRINCE OF WALES TROPHY RACE

Hamilton, Bermuda, April 26.—Eldon Trimmingham, one of Bermuda's foremost yachtsmen, skippered his trim Viking across the finish line in first position yesterday to win the second race in the six-metre class for the Prince of Wales Trophy. The Achilles, piloted by J. E. Pearson, of Bermuda, winner of the Trophy last year, came in three seconds behind the Viking.

Jill, guided by Elizabeth Hovey, of Boston, finished fourth yesterday after winning the first race by a margin of one second from the Viking.

FUTURE OF LOCAL SOCCER AND SOFTBALL AT STAKE

The Sherbrooke Softball League and the Eastern Townships Football Association will decide over the week-end what means are available to continue operations during the rapidly approaching summer. The softball circuit will hold its annual meeting tonight, while the soccer delegates will gather here tomorrow afternoon to decide about the future of their respective sports.

The condition of the Parade Grounds is causing much anxiety among both groups. Municipal authorities have declared that the city's principal playgrounds will not be fit to play on this summer on account of the extensive reconstruction work being done.

The offer of other fields to substitute for the Parade Grounds will be discussed before any final decision is made.

TENNIS

AUSIES DEPENDING ON TWO MEN IN DAVIS CUP QUEST

New York, April 26.—Norman Brookes, Australia's great left-handed veteran of Davis Cup tennis wars, arrived here yesterday on his way to England, bringing with him the prediction that Australia will win the international trophy from England this year, and will do it with two men, Jack Crawford and Vivian McGrath.

Brookes, honorary captain of the team, said that Crawford, who beat Fred Perry in the 1935 Australian championships, is playing the best tennis of his career. Crawford was recognized as the world's amateur tennis champion until Perry whipped him in 1933 at Forest Hills in the final of the United States singles championship.

"Perry was at his best, too," Brookes said. "Crawford should be the sensation of this year's international season."

Brookes said Crawford and McGrath have become Australia's best doubles combination and will play together, as well as the singles, in Cup matches.

Only once has a two-man Davis Cup team captured the trophy. "Big" Bill Tilden and "Little Bill" Johnston won it for the United States from Brookes and Gerald Patterson at Auckland, New Zealand, winning all five matches in 1920.

The court was silent except for the clearest tones of defending counsel. Everyone hung on his words, and many thought that he would easily win his case.

"And now, gentlemen of the jury," he began to wind up, "I ask you—Where could the prisoner have hidden the watch? Not in his pocket. The constable has already told you that the man was searched. Not in his shoes—the watch was too large. Then where was it hidden?"

He paused dramatically for effect, and during the pause the prisoner ventured:

"Please, sir, I put it under my ar."

STUDENT SQUAD EVENED SERIES WITH VICTORIA

Assumption College Cagers Outplayed Blue Ribbons Last Night to Defeat Western Champions and Tie Series for Canadian Men's Senior Championship.

Victoria, April 26.—The smiling band of veterans and youngsters who make up the smart Assumption College Basketball quintette from Windsor, Ont., were firm in their belief today that history would repeat itself in the men's Canadian senior basketball championship series here.

Outplaying the Blue Ribbons, western champions, the Windsor team scored a forty-four to twenty-one victory to even the series at one victory each. The Ribbons had won the first game by forty-seven to twenty-two, and the third in the five-game series will be played Saturday night.

Two years ago the Windsor-Walkerville Alumni won the opening game of their title series with the Ribbons but lost the series. The Ribbons won the first game of the present series, and the Assumption College outfit were determined tonight to repeat their victory of last night and make the first game of the series count for nothing.

LADY BOWLERS CLOSE SEASON WITH BANQUET

Enjoyable Function Last Night Brought Activities of Sherbrooke City Ladies' Bowling League to Successful Conclusion.

Its future success assured long before the end of the schedule, the Sherbrooke City Ladies' Bowling League added an appropriate closing chapter to its freshman season's activities last evening when the first annual banquet was held in the New Wellington Grill. Members and supporters of the circuit to the large number of sixty attended the enjoyable function, which wound up a prosperous season of indoor recreation.

Presiding over last night's gathering was Maurice Parsons, president of the league. At the head of the officials were invited guests, while sitting on both sides of the T-shaped table setting were members and representatives of the six clubs and interested delegates from other Sherbrooke bowling leagues.

The toast to the guests was tendered by Miss Bernadette Langis, while Anatole Choquette, vice-president of the league, proposed the toast to the clubs. Miss Betty Denington, secretary-treasurer of the group, replied to the latter toast.

After outlining the progress accomplished during the season, Mr. Parsons expressed the hope that the Ladies' League would include more entries next winter. The Frontenacs had ranked first in the final standing, with the Choquettes second and the Kayser Reds third. The Kayser Whites had placed in fourth position, followed by the Kayser Blues and the Kayser Greens. In the play-offs the Choquettes captured the league championship, while the Kayser Blues annexed the consolation series title.

Prizes donated by friends of the league were distributed as follows:

Four highest league averages: Misses Margo Lepage, Gabby Choquette, Françoise Choquette and Bernadette Caye.

Four highest three-string totals: Misses Bernadette Caye, 400; Kay Walker, 377; Gabby Choquette and Bernadette Langis, 375 each.

Four highest single-string totals: Misses Françoise Choquette, 168; Bernadette Caye, 154; Bertha Burin, 140; Florence McGuire, 143.

High player average for each club: Misses Bernadette Caye, Frontenacs; Margo Lepage, Choquettes; Juliette Langis, Kayser Reds; Kay

NEW BRUNSWICK DEMANDS MORE SURVEY GROUPS

Premier Tilley Wires Dominion Government Protesting Allotment of Only Four Parties to Province and Twelve to Nova Scotia.

Fredericton, N.B., April 26.—Protesting that arrangements for the Dominion Government for mineral exploration work in New Brunswick are unsatisfactory compared with the consideration given to Nova Scotia, Hon. L. P. D. Tilley, Premier and Minister of Lands and Mines, today wired to Hon. W. A. Gordon, K.C., Dominion Minister of Mines, and followed up his telegram of protest with a letter.

The telegram forwarded by Premier Tilley to Hon. Mr. Gordon was as follows: "Note by paper Nova Scotia has been allotted twelve geological survey parties while New Brunswick only four. This arrangement most unsatisfactory to New Brunswick, as we have seven areas in New Brunswick which are particularly anxious to have investigated. Similar arrangements can be made for seven geological survey parties in New Brunswick. Letter today's mail covering situation."

The Dominion Government plans to spend about \$1,000,000 under the public works plan before Parliament this session as a great national exploration scheme for gold and other minerals, and New Brunswick will be one of the provinces to benefit from the surveying operations which are to be undertaken. The surveying project throughout the Dominion would give employment to many graduate geologists as well as ungraduated students of various universities. Additional data regarding mineral resources, leading to future development in many localities, would result.

NEGRO VOODOO SPECIALIST GETS HIMSELF INTO A JAM

Now Trying to Find a Charm Lucky Enough to Get Him Out of Jail, where He Is Held on Charge of Using the Mails to Defraud.

East St. Louis, Ill., April 26.—James Chapman fifty-nine year old negro voodoo specialist, got mixed in a bad-luck tangle himself and today he was trying to find a charm lucky enough to get him out of jail.

Chapman, who said he learned the voodoo arts on a Mississippi plantation where his parents were slaves, was first arrested suspected of counterfeiting. One of his gadgets, which caused a \$5 bill to jump out of a box after a smaller bill was inserted, may have led to this suspension.

The negro had a suitcase full of mail when questioned by assistant United States Attorney Walter E. Ackermann. In a letter which he is charged with sending out to prospective customers was this price list:

Black cat bone, \$10; black cat chin bone \$25; black cat whiskbone \$50.

Luck for policy, dice, cards, \$5 up; Luck for keeping a rooming house full, \$10 to \$15.

Bringing back powers if any one leaves you, \$10; Eggs to move your enemies, \$5 each; Luck for good jobs \$5.

Ackermann showed a lack of faith in black cats and filed a warrant charging Chapman with using the mails to defraud.

Paris, April 26.—French suffragettes are waging a militant campaign for their candidates in next month's municipal elections.

By a series of mass meetings peppered with pamphlets and speeches and climaxed by the showing of a women's rights film they hoped to win adherents to their agitation for feminine franchise.

Under the direction of Mme. Louise Weiss, who heads the Femme Nouvelle, the campaigners now plan a drive in each of the eighty-nine departments of the republic.

Walker, Kayser Whites; Rena McGinty, Kayser Blues, and Bertha Bouchard, Kayser Greens.

MONTREAL POLICE OFFICER WOUNDS WIFE, KILLS SELF

Woman in Serious Condition Following Domestic Argument which Resulted in Tragedy.

Montreal, April 26.—After shooting his wife with his service revolver shortly after noon yesterday, Constable Arthur Besner, of the Montreal Police Department, turned the gun on himself and died in the St. Luke Hospital at 5:20. Mrs. Besner is in a serious condition at the Notre Dame Hospital with a bullet wound extending from her right jaw to the left side of her neck below the ear. Besner shot her after felling her with a blow from his fist.

The shooting followed a domestic quarrel which started at the dinner table in their rooms at 431 Jarry street, when Mrs. Besner suggested that they visit her mother. The constable refused and an argument followed. Besner jumped from his chair and struck his wife a terrible

blow in the face with his fist. Dazed and screaming, Mrs. Besner rushed into her bedroom where she collapsed near her year-old daughter. As his wife collapsed, Constable Besner is believed to have rushed madly into the bedroom, whipped his revolver from his holster, and fired point-blank at the semi-conscious form of his wife. While the baby cried and crept towards her mother's unconscious form Constable Besner apparently thinking that he had killed his wife, ran into the kitchen and, placing the muzzle of the revolver in his mouth, fired.

Hamilton, Ont., April 26.—One reflection-fighting robin here is believed to have become luncheon for a cat, but two more have arisen to take its place.

A female robin daily now may be seen pecking and flying at a kitchen window of the home of Mrs. N. Leitch; and a male of the species performs alternately, depending on the position of the sun, at the veranda and dining room windows of the home of W. G. Anderson.

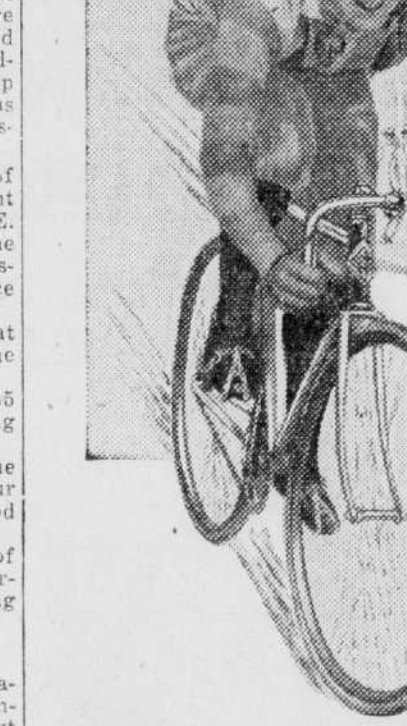

But he wasn't hired

"First come, first served" doesn't apply to a man who neglects his appearance. Lack of a clean shave prevents many a capable man from getting or holding a job. Yet it's so easy to avoid this pitfall—so easy to shave daily, or even twice daily

if necessary, with today's Gillette "Blue Blade". This blade is made for tender skin—scientifically ground, honed and stropped to remove every trace of stubble easily, quickly, and with perfect comfort. Try the Gillette "Blue Blade" tomorrow morning.

BOYS! "Torchy Peden"

**RIDES A C.C.M.
on the Streets and
Highways as well as
on the Race Tracks**

BIG, good-natured Torchy Peden, world-famous 6-day rider, just loves to ride a bicycle. He actually spends more time spinning along city streets and country highways than he does on the race track.

By riding out-of-doors regularly Torchy Peden fills his lungs full of life-giving fresh air, keeps his muscles flexible and his body fit. He says, "The bicycle is a grand conditioner."

And, of course, you'll want to ride the same make of bicycle as Torchy Peden. Anyone who has seen this human dynamo do his stuff in a 6-day bicycle race knows that no ordinary bicycle could stand up for long under his hard riding. Yet Torchy can show you bicycles in his C.C.M. fleet that have gone over 42,000 miles and are still on race-track duty.

All C.C.M. models have the Straight Line Drive which makes the bicycle run so truly that "back and front wheels track like one." They also have C.C.M.'s own weather-resistant, brilliant Enamel; C.C.M.'s own Chromium Plate over a 20-Year Nickel; Triplex Hanger; Rustless Steel Spokes; Endrick or Enamelled Steel Rims; Dunlop "Fort" or Dunlop Imperial Tires. In the long run you save money by buying a C.C.M. Ask Torchy—he knows!

**WHEN BUYING A BICYCLE BE SURE
IT HAS THE C.C.M. TRADE MARK**

VAILLANCOURT APPEAL BEING HEARD TODAY

Local Man Fighting Conviction in Court of King's Bench on Charge of Stealing an Automobile Which Was Under Seizure—Case Being Heard by Montreal Court of Appeals.

The appeal of Robert Vaillancourt, of this city, from the verdict rendered in the Court of King's Bench on November 10th last convicting him of stealing an automobile which had been placed under seizure by officers of the Royal Canadian Mounted Police, is being heard today by the Montreal Court of Appeals.

The Vaillancourt case has been dragging before the Courts for many months now. It was slated to proceed yesterday, but when it was called Antonio Drolet, who is acting for Cesare Gervais on behalf of the accused, asked for an adjournment until the next term. Federal authorities protested, however, declaring that a number of adjournments had already been granted at Vaillancourt's request and that it was only reasonable the hearing should go on. Mr. Drolet asked for an adjournment until today, to which the representatives of the Attorney General's Department and the Royal Canadian Mounted Police agreed.

Mr. Justice Charles D. White did not impose sentence upon Vaillancourt following the latter's conviction, adjourning the criminal term until the appeal should be heard. Vaillancourt has been out on bail. On December 27th last, the Royal Canadian Mounted Police officers entered a local garage and discovered a car they suspected had been illegally driven across the international border. The police were informed that the car had been stored in the garage by Leo Girard. The car was placed under seizure and driven to the R.C.M.P. barracks. Police allege that a few minutes later Vaillancourt drove up in another car, attached the seized vehicle to the automobile he was driving and towed it away. Police gave chase and overtook Vaillancourt, who was in the company of a friend, on the Brompton Road. Vaillancourt claimed that he had received a telephone call earlier in the evening which he thought was from a friend from Three Rivers. Vaillancourt said that he had been asked to tow his friend's car, which was parked on Court street, to a garage in Bromptonville for repairs.

SHARP DECREASE IN BANK CLEARINGS.
A sharp decline in bank clearings, largely due to the double holiday, was noted at the Sherbrooke Clearing House the past week as compared with the corresponding period last year.

Clearings for the past week amounted to \$466,585.27, or \$60,537.24 below the \$527,122.21 recorded for 1934. In 1933, the clearings for the corresponding week totalled \$511,054.98, or \$44,469.01 above this year's figure.

Tea and musicals tomorrow afternoon, St. Patrick's Church Hall, 3-6.

EASTER TEA AND SALE
ENJOYABLE EVENT

The Easter sale and tea given by the Ladies' Guild in St. Paul's Church hall yesterday afternoon was a pleasant social gathering and an altogether successful event. The hall was attractively decorated in the Easter colors with graceful yellow streamers and lovely Easter lilies.

Mrs. John Hall, the president, extended a cordial welcome to the numerous guests, and Mrs. T. Oak acted as treasurer.

A pretty lace cloth, adorned with yellow ribbon runners, covered the tea table, which was centered with a beautiful Easter lily plant. Tea was poured by Mrs. Hargrave, and those assisting included Mrs. M. Johnston, Mrs. S. Farmer, Mrs. F. Payne and Mrs. A. Taylor. Dainty pink roses were used on the small tables, and the food table, which was in charge of Mrs. D. Mandigo and Mrs. H. Saunders, was decorated with Easter lilies. The tea hostesses were Mrs. P. Dunbar, Mrs. Clark and Mrs. F. Cuthbert.

The sale of fancy work was looked after by Mrs. G. Pearson, Mrs. F. Stanford and Mrs. S. Robinson, whose store of pretty and useful articles was quite depleted during the afternoon. Another popular and most lucrative department was the candy table convened by Mrs. B. Thorne. The resumption of social activities following the quiet of the Lenten season was much enjoyed by the members and guests who attended the pleasant opening event sponsored by the Ladies' Guild.

CHANGES IN CONSTITUTION DISCUSSED BY I.O.D.E.

Several important matters were discussed at yesterday's meeting of the Duke of Wellington Chapter of the Imperial Order of the Daughters of the Empire, when the members were entertained by the Regent, Mrs. Robert Newton, at her residence on Victoria street. Foremost among the subjects was the procedure to be adopted at the annual meeting of the National Chapter in Ottawa in regard to the proposed amendments to the I.O.D.E. constitution. The secretary, Mrs. F. C. Churchill, read the communication in connection with the changes which will be voted upon at the coming annual meeting, following which the matter was fully discussed by the members. The secretary also read the report of the municipal secretary, Mrs. A. Reid, on the recent annual Provincial meeting.

The request from headquarters that a petition for "Peace" be inserted in the prayer of the Order used during the opening ceremonies was adopted. The proposal to have a novelty sale table at each meeting of the Chapter was also approved. Members consenting to donate a "novelty" every month for this purpose. The secretary was requested to send a letter of sympathy to Mrs. G. S. Thomson in her recent bereavement and also to Mr. Thomson expressing their gratitude for his valued co-operation in connection with the shipment of books to Saskatchewan. Following adjournment the hostess served afternoon tea.

APRIL SHOWER TEA ATTRACTIVE AFFAIR

The April Shower salad tea given under the auspices of the Women's Association in Plymouth Church hall yesterday afternoon was a most enjoyable and largely attended affair. The lovely decorations were charmingly carried out in pastel shades, graceful screens of streamers topped with tiny umbrellas being used most effectively across each corner

of the hall. Mrs. Fraser Armstrong, the president, received, and Mrs. S. F. MacLagan acted as treasurer.

The dainty color scheme was continued in the artistic tea table arrangements, tulips and snapdragons in the pastel shades forming the lovely centerpiece. Tea was poured by Mrs. A. C. Skinner and Mrs. F. S. Rugg, and for the delectable salad tea the following ladies acted as hostesses, Mrs. A. C. Skinner, Mrs. W. H. Abbott, Mrs. J. T. Reed, Mrs. S. Wood, Mrs. E. N. Fidler, Mrs. F. Armstrong and Mrs. Z. W. Griffith. Another attractive feature which helped in swelling the satisfactory proceeds was a sale of home cooked food in charge of Mrs. T. R. Mackenzie and Mrs. G. D. Wadsworth.

During the afternoon several musical numbers enhanced the pleasure of the guests. They included violin solos by Miss Fredericka Bradley, songs by Mrs. Hubert Armstrong, and piano solo by Miss J. Brumwell, who also acted as accompanist.

AT THE WINTER GARDENS

Thursday, May 2nd, the Jubilee Ball featuring Lee Shelley and his Silver Jubilee Orchestra comprised of 16 incomparable instrumentalists providing music that makes dancing a pleasure De Luxe.

The ball will be augmented by various novelties including "Opportunity" and "Waltz" contests, floor show and exhibition dancing by a well-known dance team.

The special added attraction being the Jubilee Outdoor Girl Beauty Contest. Valuable prizes will be presented to the winners. The finals will be held at the Forum, Montreal. Every lady attending the Jubilee Ball will receive a splendid souvenir from the Outdoor Girl Beauty Products Company.

The "Opportunity" contest should be of special interest to the talented non-professional in the cities, visited by Lee Shelley and the Silver Jubilee Orchestra, as it will give them an opportunity to compete in a radio audition under the direction of persons, who are in search of talent for radio, screen and stage.

The "Waltz" contest is open to both young and old. Those wishing to enter the contests will find a coupon elsewhere in this issue with instructions as to necessary procedure.

Get your name in early — this may be your opportunity. Don't fail to hear and see all. You'll have a "jolly" time at the Jubilee Ball, on May 2nd, at the Winter Gardens.

NEW EVIDENCE IN TAX ACTION AGAINST CITY

Corporation of Township of Ascot Case Against City of Sherbrooke for \$5,000 Taxes Re-opened in Magistrate's Court Today.

For the purpose of introducing new evidence, the action of the Corporation of the Township of Ascot against the City of Sherbrooke in which Ascot is claiming \$5,000 for taxes on the Drummond Power plant, was re-opened before Judge J. S. Couture in the Magistrate's Court this morning. The case had been taken on deliberation by Judge Couture on February 26th last.

Ascot Township contends that the old valuation of the power plant was \$42,000, but that in 1929 the valuation was increased to \$100,000. The City of Sherbrooke has paid taxes on the \$42,000 valuation, but not for the additional amount. Local authorities claim that the valuation was increased when they installed a water-wheel and generator at the plant, and that the Township of Ascot cannot collect taxes on machinery.

New evidence in the case was introduced this morning when J. R. McGregor, superintendent of the Gas and Electric Department, was called to the witness stand by attorneys for the plaintiff corporation. Leonard Prefontaine, City Treasurer, had previously presented a statement indicating the city's total expenditure on the Drummond plant in 1927 was \$87,979.79 and in 1928 \$95,151, making a total for 1927 and 1928 of \$88,931.30.

"Will you examine that statement, Mr. McGregor, and tell us if it is correct?" asked the attorney for the Township of Ascot. "Yes," Mr. McGregor said that the total amount of \$88,931.30 had been spent in 1927.

"So the items marked 1928 were in reality 1927 items paid the following year?" "Yes."

The boundary line of Orford and

LENNOXVILLE

The friends of Miss Carrie Ray will be pleased to hear that she has sufficiently recovered from her recent operation in the Sherbrooke Hospital to return to her home.

Miss D. Stewart and Mrs. John Nichol are motoring to Montreal tomorrow to spend the week-end with friends. They will be accompanied by Mr. Lyndon Nichol, student at McGill University, on their return.

Mr. Douglas Campbell has returned to Montreal after spending his Easter vacation at his home here.

MONGREL DOG SAVED MASTER'S LIFE

Alba, Mich., April 26. — Jack is only a mongrel dog, but William Palmer, his master, owes him his life.

Palmer severed an artery while cutting timber on his farm near here Wednesday and as he lay on the ground, bleeding and helpless, whistled to his dog. He scribbled a note, fastened it to the dog's collar, and ordered: "Take this to Moran's place, Jack."

Jack whinnied and scampered away to the home of A. Moran, more than a mile away. Moran read the note and came to Palmer's assistance before he bled to death.

Ascot is the centre of the Magog River. "What part of the power dam is located on the bed of the river on the Ascot side?" Mr. McGregor was asked.

"I should say three quarters of the dam is in Orford," replied Mr. McGregor, "and one quarter on the Ascot side. That is, approximately."

"How much of this work was done on that part of the plant located on the Ascot side?" "All the work was done on the bed of the river on the Ascot side," replied witness.

Judge Couture asked if the expenditure of \$88,000 included the cost of machinery and witness replied in the affirmative. He said that \$58,710 had been spent on machinery.

In answer to a question put by the city attorney, Mr. McGregor said that the city authorities had a lease with the Township of Ascot for the property on which the dam is situated.

The case is continuing.

SEEKS TO HAVE A CONDITIONAL LEASE BROKEN

Mrs. Osias Rivard, of Windsor, Is Also Claiming Sum of \$561 in Superior Court Action Today.

Seeking the annulment of a conditional lease on a \$10,000 property and claiming the sum of \$561 for payment arrears and damages to the said property, Dame Josephine Cardin, widow of Osias Rivard, of Windsor Mills, is suing Aloysius Simoneau, of St. Francis Xavier de Brompton, in an action being heard by Mr. Justice Charles D. White in the Superior Court today.

On November 12th, 1922, the plaintiff claims, her husband sold Simoneau a property for \$10,000, the payments to be made over a twenty-two year period. The installments due for 1933 and 1934 have not been paid. Mrs. Rivard alleged, and furthermore the defendant's son has removed livestock and farming implements from the premises. She asks that the lease be declared null and void and that she be reimbursed with \$561 for the arrears and damages.

The defendant admits owing the plaintiff for two years' rental. However, as concerns the livestock, he contends that the animals were slaughtered by order of the Dominion Veterinary Department in 1929. He received as compensation from the government the sum of \$478, which he remitted to the husband of the plaintiff, now deceased, to cover arrears which existed at that time. The farming implements which his son removed from the property, he further contends, were his own and were acquired after the lease was signed.

GREAT SINS OF CHURCH.

Sunderland, England, April 26. — Sugary music, doggerel rhymes and fancy furniture and stained glass windows were evidence of the great sins of the church in her contentment with second rate art and beauty, declared the Bishop of Jarrow.

Grade I, maximum 700: Willie Grey 682, Jean Williams 617, Barbara Caswell 591, Edith Shaughnessy 568, John Matthew 518.

General Notes.

Mr. Ervin Rogers passed away on April 23. He was taken seriously ill while working at his sugar camp. As he was away longer than his family expected him to be, his son, Arthur, went to the camp to see what was the matter. He found his father unconscious and lying on the ground. He was taken to his home where he passed away. The sympathy of the community goes out to the family in their sad bereavement.

Mr. and Mrs. Everett Parker motored to South Roxton and spent the Easter week-end with Mrs. Parker's parents.

Mr. and Mrs. John Wood, of Westmount, were Easter guests of Mr. and Mrs. N. R. Wood.

Mr. Newton Jones has been confined to his bed through illness. Mr. Willie Delisle was an Easter guest of his parents.

Miss Eileen Delisle is a guest for a few days of relatives in Sherbrooke.

Mr. and Mrs. Chester Damon, of East Angus, were week-end guests of Mr. and Mrs. Henry Smith. Miss Shirley Smith accompanied them home for a visit.

Mr. T. Swatten and Miss Winston, of Drummondville, were guests at the Gallup home recently.

Mr. H. A. Gallup spent last week-end in Sherbrooke, a guest at the home of Mr. and Mrs. Howard Rogers.

Mr. and Mrs. Hugh McClary, of Hatley, were week-end guests at the home of Mr. and Mrs. W. A. Rogers.

Recent guests of Mr. and Mrs. Stanley Nutbrown included Mr. and Mrs. V. Smith and daughter, Laura, and son, Leo, and Miss Chayton and Mr. Roy Coates, all of Verdun.

Mr. H. A. Smith entertained eighteen of the Bigfoot young people to a suppers-off last week.

Mr. and Mrs. A. N. Todd entertained at dinner on Easter Monday.

Miss Iva Caswell and friend motored from Cambridge, Mass., and spent Easter with her parents, Miss Doris Caswell, of Sherbrooke, and Miss Arlene Caswell, of Magog, spent the week-end at their home here.

Miss Alice Hill, of Montreal, is at home for a while owing to ill health.

Mr. Allen Hill, of Montreal, is at home for the holidays.

Miss Cora Richards is spending a few days at the home of Mr. and Mrs. Morrell Coates in Lennoxville.

Mr. Ivan Richards is visiting friends in Coaticook.

TO KEEP FOLKS WELL.
Peckham, England, April 26.—A health centre combining a medical clinic, research laboratory and social club has been built here by two doctors at a cost of \$175,000.

Grade II: Ruth Bowen 92, Dale White 83, Edna Clark 74; unranked, Cecile Poudrier and Malcolm Bryan.

Grade III: Winston Emery 80, Lloyd Hartwell 75, William Sadler 71, Adrienne Poudrier 67, Monica Bowen 58.

Grade IV: Patricia Pidduck 81, Edward Bowen 70, Roland Bowen 66, Richard Bowen 62.

Grade V: Edith Clark 61, Percy Clark 50; unranked, William Pidduck 69.

Grade VI: Dorothy Emery 84, Murdock Parker 83, Marion Bowen 75, John Bowen 73, Wayne Coates 70; Beaven Bowen and Herbert Meigs, absent for examinations.

Grade VII: Lora Hartwell 88, Nyla White 80, Merle Adam 79, Thomas Bowen 75, Mae Adam 73; Ruby Clark absent for examinations.

Grade VIII: Phyllis Hool 66, Robert White 77, Rhodes Bowen 75, Ruth Hartwell 72.

Grade IX: Muriel Bowen 50, Douglas Thwaites 73, Roger Pellerin 69, Rupert Hall 68, Lloyd Ride 64, Clinton Young 60.

Grade X: Barbara Young 70, Contarina Bowen 69, Hilda Bowen 67.

REPEAL OF MARITAL STATUS
LAW IS PROPOSED IN U.S.

Charge Young Couples in U.S.
Government Service Leading
Immoral Lives Because They
Fear Marriage Would Imperil
Their Positions.

Washington, April 26.—Charges that young couples in the United States Government service are leading immoral lives, because they fear marriage would imperil their jobs, stirred a row today.

At the heart of the controversy was a proposal to repeal the marital status law. This requires that, where husband and wife are employed by Uncle Sam, one of them shall be dismissed when forces are being cut.

E. Claude Babcock, president of the American Federation of Federal Employees, told the House Civil Service Committee he knew of nine couples who were living outside the bonds of matrimony on account of the law.

KISSING IN JAIL BANNED
Seattle, April 26.—Undersheriff Louis J. Forbes, former police chief, has placed a ban on kisses in the county jail.

Forbes said he had discovered some women prisoners were receiving narcotics, smuggled in by men visitors who would place the narcotics in a capsule and place the capsule between the lips, passing it to the inmate during what appeared to be a kiss.

On Easter Sunday, special services were held in the three churches with forceful sermons of a keen spiritual appeal. The ever-beautiful Easter music was splendidly rendered. Holy Communion in St. George's Church was celebrated in the morning at eight o'clock by the rector, Rev. W. W. Smith. At the Beulah United Church during the morning service, the young son of Mr. and Mrs. Clarence Morse, of Brown's Hill, received the holy rite of baptism. After the service the Sacrament of the Lord's Supper was given by the pastor, Rev. H. H. A. Gillingham. In the Advent Christian Church in the afternoon the choir was assisted with music by an orchestra from Beebe. The sermon was given by the pastor, Rev. F. W. S. Walden, of Magog. Suitable decorations of potted plants and cut flowers were used in the churches, which added much to the already attractive interiors.

Mrs. Peter Colt, an eighty-seven-year-old resident, who broke one of her ribs in two places a short time ago, is recovering nicely now.

Mr. and Mrs. A. C. Bissell, of Sherbrooke, are guests of Mr. and Mrs. E. L. Colt.

The sudden passing of Mr. Herbert Rexford, a life-long resident of this community, which occurred at his home here on Saturday, April 20th, caused general regret. The deceased had been in failing health for some years past and since leaving one of the Edgewater farms, where he was employed by Mr. H. A. Norton, he has been obliged to stay quite close to home, but in spite of that, he never lost interest in the town's activities and in the welfare of his family by whom he will be very much missed as well as by his many friends. The funeral service was held from his late residence on Monday afternoon, Rev. Gillingham officiating. Burial was in Ayer's Cliff Cemetery. Deepest sympathy is extended to Mrs. Rexford by the community.

Those from out-of-town attending the funeral of Mr. Herbert Rexford were Mr. and Mrs. Roy Moulton, of Stowe, Vt., Mr. and Mrs. Ray Rexford, of Johnson, Vt., Mr. and Mrs. Archie Rexford and daughter, Gladys, of Derby, Vt., Mrs. J. Blanchard, of Mr. and Mrs. Rexford and Mr. Paul Rexford, of Newport, Vt., Mr. and Mrs. J. Turner, Mr. and Mrs. Homer Worthington and Mrs. Carol Brainerd, of Beebe.

Mr. and Mrs. J. B. Robinson and son, Maurice, of Shawbridge, are spending a few days at the home of Mr. Robinson's father Mr. C. H. Robinson.

Mr. Gordon Watson and Mr. Cyril Watson, of Fitch Bay, are guests this week of their grand-

AYER'S CLIFF AND VICINITY GENERAL NEWS

Many Guests in Ayer's Cliff During
Easter Holidays—Special
Easter Day Services Held in
Churches.

Ayer's Cliff, April 26.—Mrs. Lynn Gothrop and daughter, Pauline, have returned home, after a most enjoyable week spent at the home of Mrs. Gothrop's brother, Mr. Reginald Robinson, North Troy, Vt. While there they attended two miscellaneous showers given in honor of her niece, Miss Florence Robinson, whose marriage takes place shortly.

Mrs. V. I. Adams is spending a month with her daughter, Mrs. R. A. Temple, Mr. Temple and Miss Barbara Temple, in Lyndonville, Vt.

Mr. Guy Brown, of Asbestos, spent the Easter week-end with his parents, Mr. and Mrs. Fred Brown.

Mr. Wendall Cass, of Montreal, and Mr. Stuart Cass, of Three Rivers, were week-end guests of their parents, Mr. and Mrs. R. G. Cass.

Mr. W. Smith, of Coaticook, and Mrs. S. G. Stoddard and two children, of Waterloo, were recent visitors at the same home and Miss Jessie Broadbent, Magog.

Mr. and Mrs. William Temple spent Saturday and Sunday with their son, Mr. Roy Temple, and family, Lyndonville, Vt.

Mr. Ernest Wilson, of Knowlton, was a recent visitor at the home of his sister, Mrs. E. R. Rousseau, and Mr. Rousseau.

Mr. and Mrs. Francis Brown, of Bridgewater, Mass., have been spending a few days with their parents, Mr. and Mrs. F. J. Brown, "Lake Edge."

Mr. and Mrs. H. P. Stone and little son and Mrs. W. A. Stenning spent Sunday in Wakefield as guests of Mr. and Mrs. F. A. Stone.

Miss Irene McFadden, of Thetford Mines, was a recent visitor at the home of his parents, Mr. and Mrs. H. I. McFadden.

Mr. and Mrs. Walter Woolston, of Sherbrooke, spent the Easter week-end with Mrs. Woolston's parents, Mr. and Mrs. J. Wilder.

Mr. and Mrs. George Chamberlain, of Richmond, were recent guests of Mr. and Mrs. A. A. Dean, Mrs. Chamberlain's parents.

Miss Arlene Standish has been spending a part of her holidays with her cousin, Miss Sybil Standish, Rock Island.

Miss Bessie Baird spent the week-end with her parents, Mr. and Mrs. N. H. Baird, Fitch Bay.

A capacity house greeted Stephen A. Haboush, native Galilean shepherd, and Mrs. Haboush last week in Confederation Hall, when they presented the musical travelogue, "The Seven Wonders of Jerusalem and Galilee. The very large audience was very appreciative. Mrs. E. H. Standish, Miss Gladys Dustin and Miss Joyce Rexford were present with a beautiful necklace hand-made from seashells as a gift from Mr. and Mrs. Haboush for their splendid work in selling tickets, while the others were presented with smaller tokens. This travelogue was presented under the auspices of Beulah United Church.

On Easter Sunday, special services were held in the three churches with forceful sermons of a keen spiritual appeal. The ever-beautiful Easter music was splendidly rendered. Holy Communion in St. George's Church was celebrated in the morning at eight o'clock by the rector, Rev. W. W. Smith. KING AND QUEEN WILL
ATTEND CIVIC BALL

London, April 26.—Some of the most memorable scenes at the Silver Jubilee festivities will take place in the Guildhall on May 22, when history will repeat itself at a great civil ball to be attended by the King and Queen.

The ball will be arranged on lines very similar to those for the great ball which, in the same building, commemorated Queen Victoria's Diamond Jubilee in 1897. Invitations are being issued to 1,700 guests.

HERES HOW!...

DAS

PAVE for
Safety
Comfort
Permanence

The more you motor over highway and
byway, the more you appreciate concrete.
For on it you drive with maximum
comfort and safety. Its tire-gripping surface
reduces the skidding hazard, edges are
clearly defined, night-time visibility is
excellent. And it means as well, less wear
and tear on car and tires and a marked
saving in fuel. Concrete paving is permanent.
Where it predominates, road budgets
can be devoted almost entirely to new
mileage. Advocate concrete for highways,
streets, lanes, yards and all traffic-
carrying surfaces.

ALL-CANADIAN
Everything that goes
into concrete—cement,
sand and gravel, crushed
stone, reinforcing
bars and form lumber
— is Canadian and
helps keep your fellow-
citizens on pay-
rolls. Advocate concrete
for every type of
construction.
