Miss Myrtle Hodgins

Miss Myrtle Hodgins retiring teacher honoured

A banquet was held on Saturday evening, May 31st at Pine Lodge, Bristol, in honour of Miss Myrtle Hodgins who is retiring after 35 years of teaching. One hundred and five guests attending including Myrtle's brother Jimmy, her sister and brother in law, Ida and Heman Woolsey; and fourteen nieces and nephews. Myrtle was presented with a plaque from the Western Quebec Teachers Association and engraved silver tray from the Pontiac Protestant School Board.

Myrtle received her Elementary education at Clarendon No 9 school and went to High School in Shawville. She attended Macdonald College in 1939-40. She has taught 35 years in Pontiac County in the municipalities of Clarendon, Thorne, Leslie and Bristol. Her teaching career began at Clarendon No. 14 School, followed by three years in Thorne, one in Leslie and eight in Bristol. Then, with consolidation, Myrtle moved to the present Dr S.E. McDowell School where she has taught for twenty-two years, mostly at the Grade 6 level. Her final year has been with Level 4 which she has enjoyed very much.

For several years during the 1950's, Myrtle worked on the Examination Committee of Pontiac and Gatineau Local Teachers' Association. The duties of this committee were to review examinations made by the teachers of both locals for Pontiac and Gatineau students in Grades 4 to 6. She has been on the Staff Council of the McDowell School for two years.

Her many friends and fellow teachers join in wishing Myrtle the very best in her retirement.

A million dollars for roads in Pontiac County alone

The Minister of Transport for Quebec, Mr Raymond Mailloux, has announced paving contracts for a total of four million dollars covering 136 miles in West Quebec, one quarter of which are in Pontiac.

The work in Pontiac has been given out to Deschenes Construction Ltd, being the lowest bidder for the job.

The work will include 15.7 miles along Highway 148 and a total of 21.9 miles of paving in the municipalities of Chichester, Allumette Island, Shawville, Calumet Island, Clarendon and Thorne.

A total of $238,000,000.00 will be spent on roads throughout the Province, which is half the construction budget available to the Department of Transport.

Anniversary Services

by S. Wyman MacKechnie

The 50th Anniversary of the founding of the United Church of Canada was observed on the Quyon Pastoral Charge with special services being conducted Sunday morning, June 8th in the Wesley United Church, Beech Grove under the pastorship of the minister, the Rev R.E. Boggs, M.A.

Special speaker for the occasion was the Rev Basil E Long of Orono, Ontario, a former minister. Mr Long came to Quyon, his first charge, in January 1949 where he remained for seven and a half years, at which time he was called to Orono in the Oshawa Presbytery where he has remained ever since.

Following the church service a congregational picnic was held at the Lions Hall at the Quyon Beach, providing Mr and Mrs Long with an opportunity to renew old acquaintances and make new ones.

Further services commerating church union will be held in September and October of this year when Dr Geo W Goth of London and Rev Fred Elson of Mount Bruno, both former ministers will conduct services at the Quyon United Church and at Zion Church in Eardley.

Standing left to right are: Hugh Manuell, Lloyd Hodgins, Dean Young, Alex Mucha, Florimond LaSalle, Robert Hortie, Mine Manager, and Terrence Mulligan, Local Union President. Holding the flat are Lee Hodgins and Simon Malette.

This is the second consecutive year that Hilton Mines has won this award and it makes for five times in all.

Judy Hynes eldest daughter of Arnott and Arminta Hynes of Shawville, is shown with her Special Award at local Pentecostal Sunday School Rally. Clarence Sparling, Superintendent, presented the Trophy for fifteen years of perfect attendance at Sunday School.

1975 Graduates

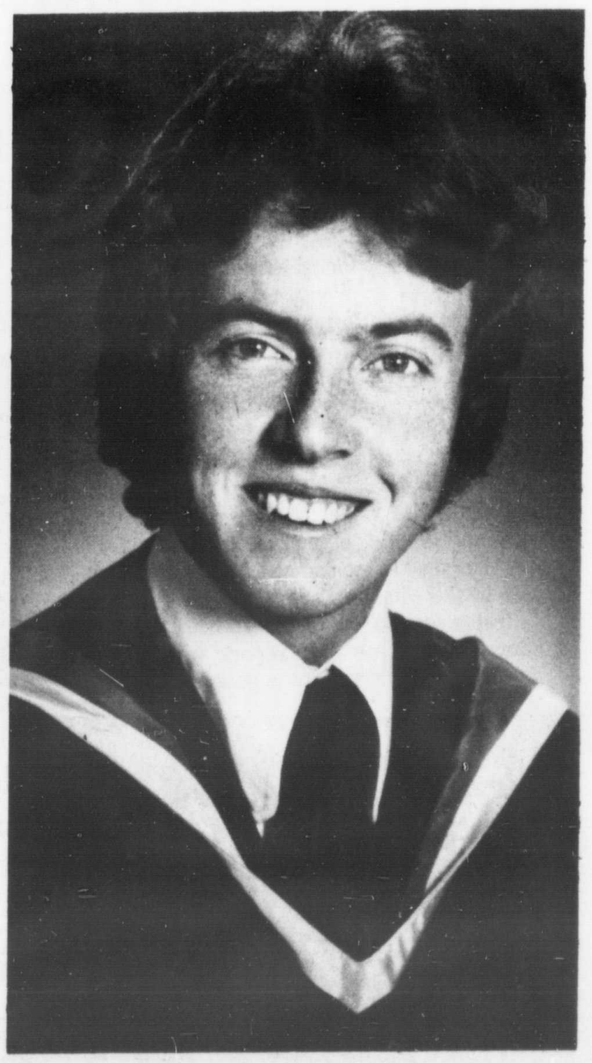
Mr Ellard R. Perry graduated on June 3, 1975, with his Masters of Education Degree, from Ottawa University. He previously received his Bachelor of Arts Degree in November 1972 from Carleton University. He will be employed with Pontiac Protestant High School for the forthcoming year. Ellard is the son of Mr and Mrs George A. Perry of Westmeath, Ontario. Ellard and Kathryn (nee Horner) have two sons Timothy and Paul.

On Saturday, June 7, 1975, Debra Florence Stones graduated with distinction from Nova Scotia Teachers College, Truro, N.S. She graduated from Pontiac Protestant High in 1971 and the following year from Grade 12 at Baddeck, N.S. The next three years were spent at N.S.T.C. where she specialized in early childhood. In September she will be teaching in Baddeck, N.S. Debra is the eldest daughter of Mr and Mrs George Stones.

At the graduation ceremonies Debra was presented with a scholarship to Mount St Vinscent University in Halifax, N.S.

Jim Carruthers of Charteris took this photograph of the fire at Larry Tremblay's last Thursday. He reports that nobody was injured in the fire which is thought to have been started by faulty wiring.

Daniel Louis Roy graduated from Laurentian University, Sudbury, Ontario, with a Honours Bachelor of Arts Degree in Political Science. He obtained his High School in St Mary's, Quyon, Quebec and Opeongo, Cobden. He is presently employed at Hilton Mines, Shawville, Quebec and will continue his studies at the University of Toronto in September. Dan is the son of Mr and Mrs Emmerson Roy, Cobden, Ontario and formerly of Bristol, Quebec.



Terry Neil Stewart, son of Mr and Mrs Lloyd Stewart, graduated from the University of Guelpy on Friday, May 23rd, 1975. He received his Honours Bachelor of Science in Agriculture Degree, majoring in Animal Science. Terry has been accepted into the Faculty of Education at the University of Western Ontario.

PEOPLE'S RIGHTS

Why, one might ask, are the people on the Eardley Road so upset about the expropriation of their homes to make way for the new and improved Highway 148? Well it isn't the expropriation that is bothering them, it's the way it is being done.

They are being asked to leave their homes and seek other living arrangements without knowing how much money they will be paid for their present residences. This is no way for a government to treat the people for whom the government is supposed to be working.

The high handed way the government of Quebec has told the people their property no longer belongs to them, that they will be paid an amount mutually arrived at, then told to get out before that mutual arrival has taken place, just doesn't suit our idea that the government should be the servant of the people.

Unfortunately some people in positions of authority go crazy with power and treat ordinary citizens like some sort of second class inhabitant of the earth. We hope those people on the Eardley Road will be duly consulted about a just price for their property and paid for it soon so they can make their plans and let the road building proceed but if it takes a year to get satisfaction we should all be willing to suffer the inconvenience so they can stand fast until the government recognizes their rights.

FRATERNISATION

Now here's an interesting idea. It comes to us from the West Quebec Tourist Council which is called "Conseil du tourisme de l'Outaouais".

During the ten days between July 10th and July 20th they are going to conduct something called "Rallye Caravanes" throughout the region. Families will be travelling about seeing what the rest of their section of Quebec looks like.

These families will be spending their evenings in the homes of other families. This is what they call "soirée de fraternisation".

Any family in the area who would be interested in welcoming one of these rallying families into their homes for supper or the evening, or both, should get in touch with Monique Prieur, (Hull 770-2480) or write to the Conseil du tourisme, 111 Carillon Street, Hull.

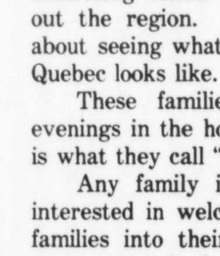
You could contact Miss Prieur also if you are interested in being one of the rallying families.

The whole project is being organized right now so if you are interested you should see about it as soon as possible. Nobody is going to expect a feast or any more special supper than you would prepare for your family anyway, you'll just have to make twice as much as usual and set another few places. No pay is involved; it's just for friendship and fun.

If anyone in Pontiac takes part in this regional project they will be likely to have a good experience. Meeting strangers may not seem like such a marvellous idea at first but those outgoing people who make a practice of it can tell you it is often surprisingly interesting.

And if your family happens to be English speaking, and you receive a French speaking family, or vica versa, the event could also be culturally broadening and highly amusing.

If anyone takes on this challenge and takes part in the "Rallye Caravanes" or the "Soirée de fraternisation", we'd like to hear from them afterwards so we can report whether Miss Prieur's project has been a success.



Letters to the Editor

Shawville 10 June 1975.

To the Editor of the Equity,

The campaign to raise pledges for funds to move the Shawville station to the Shawville Fair Grounds for a Museum, is going badly.

We need $4000.00 and pledges so far total $280.00. Does they mean that the public is not interested in a Museum or are they preoccupied with summer activities and haven't got around to send in their pledges? We hope it is the latter and urge everyone interested to send in their pledge now!

This is probably our last chance to have a Museum for the Pontiac.

J.L. Armstrong, Vice-Pres.,
Pontiac Historical Society.

Grist and miscellaneous items

At Campbell's Bay Monday, June 16th, St John's School, 8 p.m. there will be a public meeting, bilingual, to explain what the CRDO is, what it can do for Pontiac County, and how its services can be used by our people. A lot of our tax money goes to support this group and we should be deriving some benefit. Now here's a chance to find out how.

Every Municipal Council should have at least one representative at the meeting, as well as other oganizations and business people. To gain their grants to operate they use the population of Pontiac as part of their service area, but apparently they can't provide any service here without contact people...now they are trying to improve this situation. Their work includes government liaison, tourism, industry, co-ops, planning and management and they hope to meet a good segment of the population at Campbell's Bay on Monday next.

One of the projects promoted and sponsored by the CRDO is the International Classic Canoe Races to be held July 25-26-27 on the Lievre River from Mont St-Michel to Buckingham with ten thousand dollars in prizes. Anyone wanting any information about this 122 mile event should contact the CRDO at 111 Carillon, Hull, Telepone 770-2480. There are to be shorter races along the way and many other celebrations to make it a three day party for canoe enthusiasts.

The June 14th (Saturday) meeting of the Protestant Regional School Board of Western Quebec, will be held in Shawville at the Pontiac High School, starting at nine o'clock in the morning. This School Board covers the Counties of Abitibi East, Abitibi West, Gatineau, Hull, Papineau, Rouyn-Noranda, Temiscamingue and, oh yes, also Pontiac. They meet in different parts of the area from time to time and this month it is Shawville's turn. So if you ever want to meet the school board, now's the time.

The results to date of the attempt to get public support for the new Museum Project has not been encouraging. The Historical Society has accumulated considerable papers and records, antiques and artifacts, which should be housed in a permanent building and made available to the community. Thoughout Canada there is an increasing awareness of our precious heritage and individuals and organizations are actively engaged in preserving their history. It would be a discredit to Pontiac County if they fail to do their part. The P.H.S. still hopes the people will have a vision of the part they should play in preserving the past. Pledges may be made by phoning 647-2826 or 647-2810, Shawville.

Recent cash donations to the Pontiac Community Hospital Bryson Lionettes $140.00, Shawville Lionettes $71.65, Central Hospital Auxiliary $800.00.

Low income families and people on welfare have been holding meetings in Hull recently and are oganizing some useful activities such as a co-opeative buying system for the necessities of life at greatly reduced costs to members, help for unwed mothers and daycare for children of working mothers, information meetings about the rights of people in Quebec, courses on economical meal planning and good housekeeping. Anyone in Pontiac County who might be interested in getting some of these good things started would receive all sorts of help and encouragement from the Social Animator, Eugene Pigeon, at the Community Services Center, Campbell's Bay. If you have trouble contacting him leave a message at THE EQUITY office in Shawville (647-2205) and we'll get him to contact you.

Heritage

The oak that bends above it lovingly,
Was no more sturdy than the sturdy pioneer,
Who fashioned this house, log by log,
Built it four-square and true;
To so endure, year after waning year.

It sleeps in sun, as it withstood the storm,
So cunningly and truly was it made;
A house for family and love and life,
For friendly firelight- oh, houses die!
And even, even sweetest memories fade!

Bright with bright paint, chinked level, straight, and warm-
Within, the cherished things of yesteryear;
Wide-boarded floors, and quilts, and on the wall,
Framed pictures of the pioneer himself
[And wife]- old, old, but oh, so dear, so dear!

A lilac bush blooms here, spring after spring,
As it bloomed bravely when the house was new-
[When the young voices and bright laughter rang]
Remembered how to thrust out fragrant sprays
Waiting for spring, even when winter blew!

Always the flowers, tended and cherished, too,
Here golden glow, touched fondly by the sun,
And by work-hardened, beauty-loving hands,
The hands that scrubbed and swept, and kept the homes,
And keep them still, through all the years that run.

Stand proud again, oh heritage made new!
Built of the pine and odorous cedar beams,
Holder of fondest memories of home,
Home early raised beside an emerald lake,
Under the ancient pines; keeper of dreams!

Shawville Lionettes celebrate Third Anniversary, install two new members and new executive

Tuesday, June 3rd, the Shawville Lionettes celebrated their third anniversary with dinner at Albert's Hotel at Calumet Island. The club had twenty-three members this past year with an average attendance of nineteen. Two new members, Sandra Murray and Laurel Stanley were inducted at the anniversary dinner by Past President Lionette Muriel Imison. Lionette Joan Gray resigned because she is moving to Three Rivers. She was presented with a "lion" for her charm bracelet from the Lionettes.

President Gwen Hayes assisted by secretary Marguerite Carmichael, presented eleven charter members with 3-year perfect attendance pins, five mer·bers with 2-year pins and one member with a 1-year pin.

The new executive for 1975-76 was installed by Muriel Imison. They are Past President-Gwen Hayes, President-Ann Rogers, Secretary-Marguerite Carmichael, Treasurer-Marlene Sylvester, First Vice President-Jane Hayes, Second Vice President-Marion Musgrove, Pianist- Gladys Black, Directors:- Two year-Una Hayes and Merle Thomson, One year-Judy MacIntyre, Lionette Tamer-Sylvia Hodgins, Tail Twister- Gwen Hayes.

The regular meetings are held the first Tuesday of each month at the home of a Lionette. After the meeting, the hostess serves a light lunch.

Last summer the Lionettes assisted the Lions with their Annual Beef Barbeque. They also sold tickets for the Lions Money Draw at Shawville Fair. Also at the Fair a Money Teddy Bear was raffled. Each Lionette worked one or more shifts in the booths in addition to donating baked beans. Some of the Lionettes assisted in drawing up the blue prints for the new Lions Booth.

In November the Lionettes joined the Lions at a dinner and dance to celebrate their 25th anniversary. On this occasion they presented the Lions with a framed scroll and a cheque for $250.00.

The December meeting was held at Bob Smith's Restaurant and following the dinner, members went to the home of Bonnie Potvin and packed the Christmas gifts for approximately twenty-five children. Each member donated something new for a designated child plus items from home such as clothing and toys. These gifts were delivered to the various homes a few days before Christmas.

A Christmas Cheer Dinner was held on December 18th for Senior Citizens who have no families to celebrate Christmas with. The Lionettes cooked and served this turkey dinner with all the trimmings at the Anglican Church Hall, donated rent free for this occasion. Entertainment was provided and Santa arrived to present each guest with a gift.

On New Year's Eve the Lionettes helped organize and donated food to a Smorgasbord Supper served at the Lions New Year's Dance.

In February they looked after the hospital cart every Tuesday and Friday.

In April they hosted the 14th Annual District Rally with 115 Lionettes in attendance.

May they adopted a child through Cansave- Canadian Save the Children Organization. They are also paying for the child's education.

The Lionettes donated an anaesthetic cuff, sponge forceps, two enamel bowl stands and a Sypgmomanometer for children at a cost of $460.50 to the Pontiac Community Hospital, $25.00 to a family that had been burned out, $20.00 to Girl Guides and Brownie Association and $20.00 to the Boy Scouts.

Cookbooks are still being sold, a "Bring and Buy" sale was very successful. At each meeting old pocket books are sold. Other means of raising funds during the year were Chinese Auctions, fines surprize packages and a birthday bank.

At present each member is working on a "Talent Money" Scheme. This will be completed by September.

Each member is on a committee and working for the betterment of our community.

Pentecostal winners

The Garrison Sisters Quartette, with Donna Sparling accompanist, have captured a music award. They were judged best in their class for Eastern Ontario and Quebec at the Pentecostal Youth Convention last month in Ottawa.

The talented young ladies who sing Gospel music are daughters of Arnold and Penny Garrison of Shawville. Sandra is holding the Trophy, Donna at piano; Sharon is standing; Susan and Shelly seated at front.

Winners of prizes at the Pentecostal Enlargement Campaign were: Jo-Anne Sparling, First Prize; Timothy Stevens, second place; Joan Craig, Special Mention, and Shari-Lynn Rooney. The average for the eight week Campaign was 200 per week. An all-time high attendance of 280 was reached. The above children were awarded for bringing in visitors.

40th wedding anniversary for Rev and Mrs J. Leslie Dean

A 40th wedding anniversary on Sunday, June 8th was a happy day for Rev. J. Leslie Dean and his wife, Ethel, when they were honoured by their congregation of Tabernacle United Church, Belleville, Ontario, with congratulations and a presentation, following the morning service.

Later, on reaching their cottage in the Tweed district, on Scoba Lake, they received happy greetings from over sixty relatives, ranging in age from a very few months to over 70 years of age. They came from all directions, from Montreal, Richmond, Quebec, from Ottawa, Perth, Carleton Place, Renfrew, Belleville, Lindsay and Guelph, Ontario, and nineteen from Shawville.

A sumptous smorgasbord was set up under a canopy of trees in the peaceful setting, with the weatherman co-operating beautifully. Food disappeared as if by magic. After the ceremony of cutting the cake, a toast was proposed by their son in law, Bill Stevens and ably replied to by the honoured couple.

Mrs Secil Sly then expressed the happiness of all present in having the privilege to share this happy event and recalled some memories of the Montreal wedding so many years ago. Lawn furniture and other gifts were presented as a momento of this happy occasion. Cameras clicked as the scene was recorded on film and pictures.

Time for reminiscing then and renewing relationships, greeting old acquaintances and meeting for the first time new members to the "Dean" clan.

As the gathering dispersed, best wishes were left to the host and hostess with the hope that they enjoy many more years of health and happiness in their chosen vocation.

MUNICIPALITY OF SHAWVILLE

NOTICE

The Shawville Council has recently made an inspection tour of the village and they hereby request that all residents, whose property is cluttered with old cars, machinery etc., dispose of these eyesores as soon as possible.

Buildings should be kept painted and grass on vacant property cut regularly.

The town tractor and mower are available upon request.

"If we all do our part, Shawville will be a nicer place in which to live."

Moving day at the Community Services Centre

At Campbell's Bay, the building owned by the Pontiac Social Planning Council has been the scene of movings about and will see even more of the same in the next few weeks as the following changes take place.

The Welfare Office from Aylmer will be moving computers and office machinery into the building which will become their head office for this region.

The Legal Aid office will be moving out, as will the Canada Manpower office, both moving to the Mousseau Block.

Enlarged Social Service offices will occupy the entire second floor.

The Community Library and the Used Clothing Centre in the basement will remain as is for the present.

Beat Bancroft

Shawville Pentecostal Sunday School defeated Bancroft in an attendance competition. Clarence Sparling, local Superintendent is shown accepting plaque from Clarke Gaebel of Bancroft. Rev Orville White, pastor of Bethel Pentecostal smiles his approval. The competition will be an annual event. Mr Gaebel is Superintendent of the Bancroft Sunday School.

Farming is a New Ball Game

by D. MacMillan

Over the past twenty years farming has gradually changed from a way of life to a way of making a living. Most farmers have encountered serious problems in trying to decide the size and type of operation, the arranging of financing, putting into operation new concepts of farming and at the same time trying to keep the wolf away from the door.

About ten years ago the quota system was established for dairy farmers and at the time most farmers opposed the quoto system. Fortunately no serious hardships were created when this system was put into effect as every farmer was given a quota for the amount of milk he was shipping at the time even though there was a surplus of milk for the Canadian market. Today farmers producing milk are enjoying financial security and financial stability which has not been seen in the past for farmers.

Beef farmers did not have the opportunity of a quota system and find themselves in the opposite situation compared to the dairy farmer financially. Quebec has implemented a beef subsidy program but even with this program there is a lack of financial stability and lack of financial security. The beef farmer competes with the American and Western Canada farmer. If we compare a profit of about $500.00 per year per dairy cow the equivalent in beef would be finished cattle at $925.00 per finished steer or about $92.50 cwt. It is obvious that beef farmers have a long way to go to reach financial security. If financial stability is lacking all programs suffer such as growing good crops, feeding animals properly and having right equipment for the right job.

The Quebec Department of Agriculute offers farmers programs and direction which have succeeded in the past and will continue to succeed in the future if a serious effort is made by each farmer. It is not good enough today to hope for yesterday or hope for tomorrow. Each farmer has to make his own decisions and take the responsibility for his own operation.

County Council of Mayors regular quarterly meeting

All the Mayors of the 22 remaining municipalities of Pontiac County were on hand in Campbell's Bay for their regular summer meeting on June 9th. The plaques on their desks had been moved together, closing the gaps where "Onslow" and "Onslow South" used to be and "Aldfield" was also removed from the head of the list. Mayor Burke of the new Municipality of Pontiac was seated at the desk still marked "Quyon".

The mayors all had an opportunity to ask specific questions regarding the road conditions in their own municipalities of two officials from the Department of Transport of Quebec who visited Council. The officials were very patient and the mayors were explicit and the answer to most questions was that the Department of Transport had studied the matter, was studying the matter or would study the matter.

They stated that the entire policy on highways would be changed late this ummer so that municipalities would have more responsibility for those roads which pass through their jurisdiction. Meanwhile they are busy patching and gravelling where needed.

They plan to gravel some roads in Eardley (Pontiac) this summer and have started to study the paving of Mountain Road but have found that in some places the rock crops out on the roadway so they plan to expropriate some properties, change the course of the road and pave it later, meanwhile they'll put on more gravel.

At Portage du Fort where they have been patching up potholes on the steep corner of Church and Main Streets they intend to "hot patch" it this time so the patch won't be washed out as all the others have been.

Several bridges, notably at Rapides des Joachims, in Bristol, and at Chichester, and at Cayamant, will have to wait for steel to arrive which has been ordered for some time.

Some sections of the highway on Allumette Island which are lower than the ditches and fields on either side will be repaved. Mayor Patrick Fitzpatrick suggested raising the road at least a foot this year and then paving next year but the official of the Department of Transport simply said they had decided to pave it this year.

Otter Lake Mayor Basil Quaile asked for asphalt on some sections of the road there and was told, "next year maybe".

Mayor Reg Boucher of Rapides des Joachims told of the cracking, crumbling, pot holed roads there and was told that the situation would be studied, that last summer the Department didn't have an asphalt plant in the area of Pontiac and Rapides des Joachims was too far to go.

The road to the proposed Leslie Park was discussed and the official said "Ithink there is a study." Mayor Burke asked if they could at least have information about the route the road would be taking to the park so that Hydro lines could be put in but Mr. Paquette of Transport said he didn't know the route but he felt they must have some plans in the Aylmer Survey Office.

Mayor Sterling Hodgins of Clarendon asked about the road to Yarm and Mr. Paquette said "We have to make a study."

Mayor Pigeault of Calumet Island had questions about a blocked ditch, Mayor Piche of Bryson asked about water running off the highway onto private property, Mayor Vibert of Campbell's Bay wanted a solution to a blocked ditch which gets washed out each year but never permanently fixed. Mr Paquette said requests should be sent to Aylmer or the Mayor could get in touch with the foreman and he would do the work.

Mayor Shrankler asked if the graders could be put on the roads earlier in the spring but Mr Paquette said he was required to follow orders from Quebec and the law is the law.

After all these and other complaints and suggestions, Mayor Sterling Hodgins of Clarendon told Mr. Paquette he felt the Department had done a good job in Clarendon last year and thanked him for attending County Council, to which the official said he would be willing to return to County Council and discuss roads at any time he was asked.

After a dinner recess the Industrial Committee report revealed that the one hope for a new industry in the County was falling through because of lack of co-operation from the Provincial Government. They were told by the president of the company which hoped to come here that the grants were not forthcoming "because Quebec told him his industry would require too much manpower for this area, 54 employees". This was just hearsay from a reported telephone conversation but it was discouraging news. Apparently the company was hoping to come to Pontiac to escape union problems in its present location.

County Council was approached by an industrial consultant who wants to help Pontiac locate some new industry here. They will meet with him and consider the proposition later this month.

Meanwhile Pontiac is having difficulties with Les Estimateur, the firm they have engaged to do all the valuations for the entire County. They have questioned a revision bill from them for over eight hundred dollars and also have an opinion from their lawyer that they have been overcharged an amount of six thousand dollars. These matters will be straightened out after more legal advice.

Rapides des Joachims served notice that they wish to have their entire municipality revaluated this year. Bristol sent in a protest of all their valuations. A petition from forty Clarendon residents protested their valuations and also a number of complaints from Mansfield were reported. Fred Metcalfe of Bristol termed the valuations "Windshield Evaluation" because he said they just drove past the properties and looked at them through their windshields. He also said the municipalities could have done a more educated job and wanted to know what was the basis of their factor of increase. Did they just multiply the old valuation by three, or what?

County Clerk Clifford Robillard said there were 224 complaints to be processed and said the Estimateurs had requested him to do the work on these complaints. He also asked Council for help in paying his own office staff and was told they would consider it at the next budget meeting.

He also reported that an inquiry about a watercourse on Allumette Island was made to the Department of Agriculture through the Agronome in Shawville who has given no definite answer.

Mayor Lornie Bechamp of Chapeau lodged a complaint about the inability of the new Sanitary Inspector to understand or speak English. Mayor Vibert of Campbell's Bay said Mr Cote had promised to try to speak English and that it wasn't his fault if he couldn't. Mayor Hereault of Mansfield said it had taken six years to get a health inspector for Pontiac so they shouldn't complain. Nobody supported Mayor Bechamp's wish that Pontiac could have a bilingual sanitary inspector so the matter was dropped.

Mayor Leo Piche of Bryson asked for more game wardens, there only being four at present. He said Pontiac needs ten. Mayor Quaile seconded this request. No vote was taken.

Then the meeting was adjourned.

Clarendon Council minutes

Clarendon Council met on June 2, 1975 at a regular monthly meeting in the office of the Secretary-Treasurer. Present Mayor Hodgins and Councillors McCleary, Brown, Hanna, Greer, Barber and Telford.

Minutes of the last regular meeting were read and approved on motion Crs Hanna and Greer.

Messrs Sonny Smith and Ira Greer met council re speeding signs at Charteris, Quebec, also street lights and a slow sign at Yarm, Quebec.

Mr Colin Campbell met Council re proposed survey at Sand Bay.

Mr Frank Mead met council representing Sand Bay Association re several things at Sand Bay.

Mr jason Howard met Council re hill at Lloyd Elliott's.

Correspondence for the month was read and discussed.

Mr Ted Hodgins, Building Inspector, met Council and turned in eight Building Permits. ($73.00).

Motion Crs Brown and McCleary that the Municipality of Clarendon will co-operation with the Municipality of Shawville in requesting a government grant for assistance in a full time employee as a Recreation Director.

Motion Crs Brown and McCleary that the Secretary be instructed to write Siores Bros., Ottawa, Ontario, to have their line fence erected by June 12, 1975. If not council will have this work done and charged to Siores Bros.

Motion Crs Brown and Greer that this Council request Municipal Council of Portage du Fort, to have person or persons blocking Sofie Lane, unblock same immediately.

Motion Crs Brown and McCleary that two Vapor Lights be installed at Charteris by Hydro Quebec.

Motion Crs Greer and McCleary that the Department of Roads, Aylmer, Quebec, be requested to place thirty (30) mile speed limit signs at Charteris, Quebec, and slow signs at Yarm, Quebec.

. Motion Crs Greer and Hanna that this Council will accept plan of Subdivision of Lot Pt 13, Range 1, owned by Colin Campbell and Beverly Campbell-- four lots with access to main road and, at the present time, Council feels it is not feasible to build a new road around crescent.

Bills in the amount of $7,193.17 were presented to Council for payment.

Motion Crs Telford and Barber that these bills be paid.

Shawville Council Minutes

Minutes of Shawville Council held on June 3, 1975. Present were Mayor Young and Councillors Black, Hodgins, Hobbs, Orr, Schwartz and Richardson.

The minutes of the previous meeting, as circultated, were adopted on a motion by Clrs Hobbs and Orr.

There was a request from Télébec for a resolution to approve plans for work which they propose to execute in the municipality. Télébec is to be asked to confirm, in writing, that they will eave the streets in the same condition as that in which they found them before the work was done. When this confirmation is received, it is resolved that the plans of Télébec to do this work be approved.

Correspondence was read- Ecodyne Limited have made recommendations for improvements in the sewage disposal system. Copies of letters received from Marathon Realty have been forwarded to the Historical Society.

Resolution passed that this council endorses the project of the Pontiac Historical Society to establish a museum.

Following inspection of property by the Councillors, the secretary is asked to write to property owners whose property requires cleaning up. Notice is also to be inserted in the Equity. A letter to be written to the Agricultural Society requesting that they lock or board up the horse stables, at the west end of the Fair Grounds, or else have them demolished. At present there is concern that this place is a fire hazard.

Accounts amounting to 10,908.21 were approved for payment on a motion by Clrs Hodgins and Orr.

Following discussion of the water line on Queen Street, it was moved by Weldon Hobbs and seconded by Carson Hodgins that a 6 inch water line and a hydrant be installed on this street, from Centre Street westward.

Moved by Allan Black and seconded by Edgar Schwartz that three litter can lids be ordered.

A letter of thanks to be written to Mr George Stones. The pump at the Wading Pool is to be repaired.

Resolution that the Municipality of Shawville sponsor a float in the Quen Centennial parade, which will include the band, and that the councillors and their wives be suitably attired for the occasion.

Clr Hobbs gave a notice of motion to introduce, at a future meeting, an amendment to the building by law, concerning the erection of signs.

Adjournment moved by Clr Hodgins at 11:10 pm.

A Sarah Coventry Jewelry Party was held at the home of Mrs Elsie Murphy on Thursday evening. It was a well attended party and a delicious lunch was served.

St Andrew's United Church celebrates its anniversary Sunday. This service was in the evening with Rev Mortlock, the guest speaker and various members from Shawville choir leading the singing and taking part in solos. Refreshments followed.

Tracy MacCullum of Pembroke spent the weekend with her grandmother Mrs Grace Smith.

Mr Hillis, Anna Brown and boys, Danny, and Jamie, Jill and Stacey Smith attended the trade fair in Pembroke Saturday evening.

Melanie Smith spent the weekend with her mother Mrs Bernice Smith.

It is nice to see Mr Bob Smith home after her operation. We wish her a speedy recovery.

Saturday a Walkathon was held to help raise money for our park or recreation area. This walk was started with about 27 walkers, walking in the rain. one of the first walkers was Mayor Cecil Vibert. The walkers walked approximately 25 miles to the cemetery on Calumet Island and return.

Congratulations to Mr and Mrs Gillie Letts who were married during the weekend.

Sunday, June 8th was the day chosen to honor the Sisters of St Joseph who have served in this parish for fifty years. The Ladies of St John Evanglist Church or rather CWL all worked hard to put on a fabulous tea for the sisters who came from far and near to attend. Some were Sisters who had served in the parish for years. Other Sisters attended because of the friendship and service they had felt when working with the sisters.

The auditorium of St John's Elementary School was tastefully as well as beautifully decorated. Almost a hundred sisters would be attendance. This will indeed be a day for the Sisters of St Joseph to remember as hundreds of people turned out to wish them well on their future endeavors. Many friends, old and new had a wonderful visit. But is is a little sad to know that the Sisters of St Joseph who have been in our community fifty years will be leaving the end of June. We wish them "Bon Voyage". To the ladies that made this day possible we say a special thank you for a job well done. A special plaque was presented to the Sisters honoring their 50 years of service. Also a resume of the first convent and the number of sisters who started the job at hand.

The Choir presented Sister Hilda with a portabel TV for the appreciation of her undevoted service to helping make the choir the success it was.

D.H.A.S. Milk production program

Your local Quebec Department of Agriculture office in Shawville in collaboration with the Regional office in Buckingham is studying the possibility of improving and encouraging D.H.A.S. in Pontiac.

This service has been offered to Quebec dairy producers for several years and over the last few months there has been increased interest particularly in region number 8. Over the past year 800 new herds in Quebec have enrolled on this program.

For a cost of about one cent per cow per day ($4.20 per cow per year) the D.H.A.S. fieldman makes visits monthly and a complete report on each cow for milk production, fat and feeding is provided.

It is particularly important that dairy farmers get maxiumum production per cow, and keep only the best according to milk production is an essential element and weighing milk for each cow is the only way of knowing not only how much feed the cow should receive but also whether a cow should remain in the herd.

All dairy farmers should make a serious effort to improve their production of milk per cow and the sure way of achieving this objective is to use the D.H.A.S. program.

Any farmer wishing to use the D.H.A.S. program should contact the Shawville office of the Quebec Department of Agriculture.

Please submit your entire week's program when making changes. We will print it as you write it. There is no charge for this free service, which is provided as a public service by THE EQUITY.

In Memory

LEPINE— Ir. memory of a dear mother and grandmother Mrs Bridget Lepine who passed away June 15, 1973.
Two long years have come and gone
Since you left us all alone
We've tried so hard to hide
The lonely hours we've known
But each day brings us nearer
To the time we shall meet
In that wondrous place called Heaven
At the Blessed Saviour's feet.
Sadly missed by
Son Raymond and family.
7430XJ11

LEPINE- In loving memory of my dear mother Mrs Bridget Lepine who passed away June 15, 1973.
Thinking of you today, Mother
But then that is nothing new
I thought about you yesterday
And the day before that too
And I will think of your tomorrow and
Each day as they come and go
I will think of you forever
I miss and love you so
To know you never said Goodbye
Will always bring regret
But the heart that loved you dearly
Is the heart that won't forget.
Sadly missed by
daughter Edna
7430XJ11

LEPINE- In fond and loving memory of a dear mother and grandmother Mrs Bridget lepine who passed away June 15, 1973.
Two years have passed since that sad day
When one we loved was called
God took her home it was his will
Within our hearts she liveth still
The years may wipe out many things
But this they wipe out never
In memory of those happy days
When we were all together.
Ever remembered and sadly missed Daughter Laura and grand daughter Debbie.
6199BJ11

LEPINE- In loving memory of my dear mother Mrs Bridget Lepine who entered into rest June 15, 1973.
A dearest and sweetest mother
This world could hold
With a wonderful smile
And a heart of gold
To those who knew her all will know
How much I lost two years ago
What I would give if I could say
I'll go and see my mom today
To see you laugh and see you smile
To sit and talk with you awhile
A million times I've needed you
A million times I've cried
If love could have saved you
You never would have died
If I could have a lifetime wish
A dream that would come true
I'd pray to God with all my heart
For yesterday and you
But I know your happy
And one of the blessed angels above
Cause you're the dearest sweetest flower
In God's great garden of love
So you who have a mother
Cherish her with care
God only knows how much I miss her
When the family meets and she's not there.
I'll never forget you dear mother, daughter Mildred.
6225BJ11

SMITH- In memory of our dear parents Mr and Mrs William James and Elizans his wife who passed away -Mother June 6, 1970 and father July 29, 1972.
We do not need a special day
To bring you to our minds
For days we do not think of you
Are very hard to find.
Sadly missed by son Charlie and Eileen and grandchildren

IRELAND- In memory of a very dear father Carmen Ireland who passed away June 11, 1962.
Always remembered and loved.

SMITH- In loving memory of our dear husband and father Charlie Smith, who died suddenly June 10, 1970.
There is a family who misses you sadly,
In our home where you used to be
A family who wanted to keep you,
But God willed it not to be,
You fell asleep without goodbye,
But the memories of you will never die
No one knows the grief we bear,
When the family meets and you're not there,
You are with us in all we do,
Your love will guide us and see us through,
Tho' absent you are very near,
Still loved, still missed, still very dear.
Sadly missed wife and family

SPARLING- In loving memory of a dear father Heman Sparling who passed away June 12, 1965
There is a gift in life we cannot buy
That's very rare and true
It's a gift of a wonderful father
Like the one we had
The many things you did for us
In your kind and loving way
You gave us many years of happiness
No one can take that away
It's lonely here without Dad
We miss you more each day
For life is not the same to us
Since you were called away.
Ethel and family and grand children.
