Lamp Damaged When Hit By Car

A lamp standard directly at the entrance to Melville Presbyterian Church was badly damaged at 8.50 p.m. on Saturday when it was struck by an automobile driven by Harold Clarke, of 5549 Queen Mary Road.

Clarke told police that his machine struck the post when he attempted to pass another car while proceeding south on Melville avenue. But slight damage was caused the automobile.

MCGILL GROUP GIVES RECITAL AT HIGH SCHOOL

Annual Concert Presented Under the Direction of Irene Nichols, L.R.S.M.

An enthusiastic audience attended the annual Workshop Recital of the McGill Piano classes in Westmount High School last Saturday night. The concert was presented in the auditorium under the direction of Irene Nichols, L.R.S.M.

Thirty children played during the two hour program, many of whom were beginners from the age of five years upwards, who surprised the audience with their evident familiarity of the keyboard. Melodies were harmonized with variations in all keys.

The second stage pupils played their solo numbers from memory with style and musical appreciation. Many two piano pieces were played by the third stage pupils.

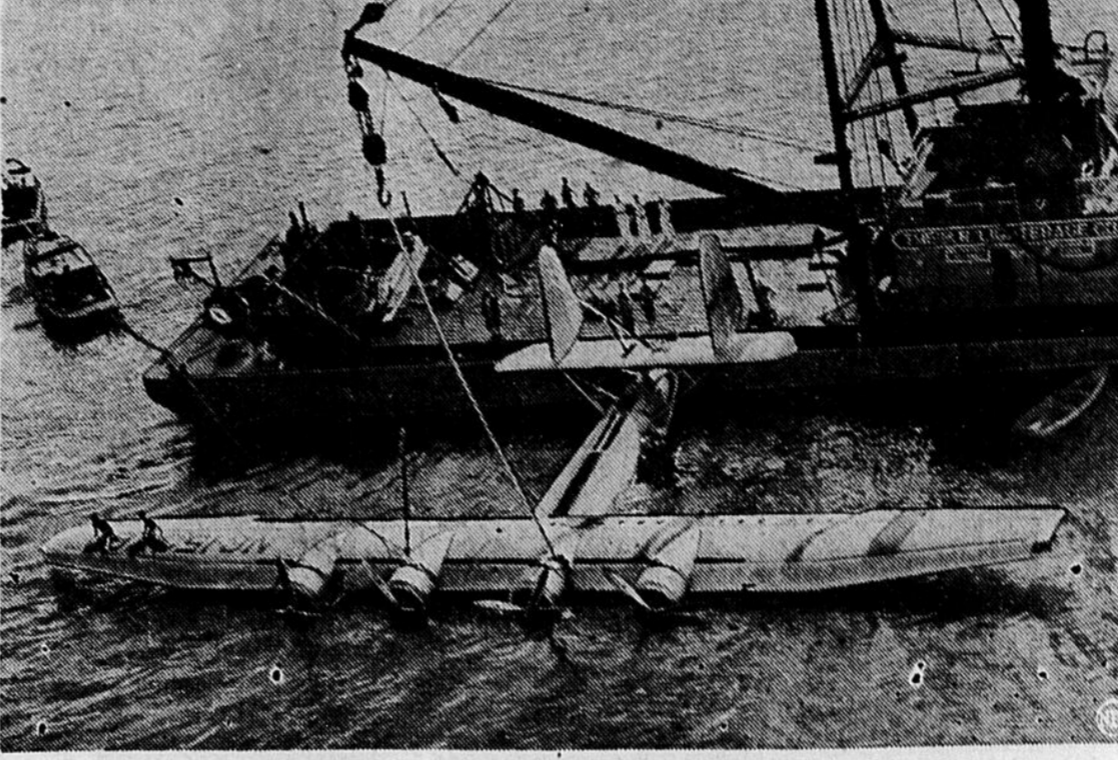

Outstanding Numbers
Among the outstanding numbers were, a trio by the three McLeod sisters, a twelve hand selection by Barbara Allan, Barbara Torrey, Ruth Steeves, Mary Abbott-Smith, Carol Mackenzie and Marjorie Hawthorne, and piano duets by Jean Jones and Colleen Fitzpatrick and Sandy Valentine and Peter Lawson. Solos played by Joan Palmer, Frank McConnell, Donald Burwash and Daphne Atchison were also well received.

Miss Nichols conducted a lesson on the platform, and every child completely mastered a melody not heard before. Some children were able to harmonize the songs with suitable chords and transpose them into another key, during the course of the twenty minute lesson.

Many Took Part
Other children taking part on the program included: David Torrey, Carol Giles, Barbara Chambers, Tommy Smith, Laurie Hutchinson, Angus Simpson, Barbara Wilson, Heward Grafferty, Ann Rubenstein, Anne Sutherland, Anne Elderkin, Linaï Norckit, Elaine Albert, Sandy Cross, Lindsay Graham, Angus McNaughton, Wendy Stevenson, Lois Klein, Ross Higgins, Joan Segal, Ross Rubenstein, Elaine Fisher, Aileen Kearney, Peter Crowe.

Fern Marshall, Doreen Innes, Earla Taylor, David Torrey, Michael Tucker, Betty Hawthorne, Richard Hamilton, Peter Wilson, Brian Drummond, Catherine Chadwick, Esther Pierce, Grace Hogg, Mary McCormack, Sidney Simpson, Barbara Miller, Charles Clark, Wilson Reusing, Peggy Pierce, Priscilla Jones, Estelle Lawson, Helene Reusing, Martha McCabe, Norma Chown, Patricia Pierce, Nancy Johnson, Shirley Butterworth, David Claxton, Barry Scott, Bobby Taylor, Alexa, Anne and Charlotte McLeod.

84TH BIRTHDAY IS CELEBRATED BY MRS. SCOTT

Occasion Marked by Quebec's Pioneer Leader in Women's Rights Movement

Mrs. John Scott, 4275 Western avenue, who celebrated her 84th birthday on Tuesday is of the opinion that the most important thing a woman can do is to cook. Mrs. Scott, who has been a resident of this city for many years is well known as Quebec's pioneer leader in the Women's Rights movement. Mrs. Scott thinks that most of the present day world problems could be solved if people enjoyed three good meals every day.

Her only regret, due to her age is that she can no longer do a "bit of baking on Saturday" and have her family and friends in on Sunday to eat it all up.

Born at New Kilpatrick, near Glasgow on March 21st. This day was appointed as the Day of National Humiliation for the losses in the Crimean War, but Mrs. Scott prefers to remember that her birthday falls on the first day of Spring. Although there are no flowers blooming on the first day of Spring in this country, Mrs. Scott prefers to live in Quebec all year, she will not spend the winter in Florida she said and listen to many people describe (Continued on Page 2)

ATTRACTIONS OF ROCKIES SHOWN

Walter L. Payne Gave Illustrated Lecture at Mechanics' Institute

Walter L. Payne, of the Canadian Pacific Railway, gave an illustrated travel talk on the natural beauty of the Canadian Rockies at the Mechanics' Institute last weekend.

The speaker showed the splendor of the mountains and decried the fact that more people from Eastern Canada did not visit them. The films, which included slides taken by the speaker, were in natural color.

The views included a description of the advance made in railway travel during the past 50 years. The audience was shown the interior of rail cars of the Victorian era and those of the present day.

The natural color motion pictures opened with scenes of the Calgary Stampede and Indian days at Banff, followed by a vivid portrayal of the joys of trail riding and camping in the Rockies. The 1938 annual ride of the Trail Riders Association, which has several Montreal members, and golf week on the gloriously located Banff Springs Hotel course aroused much interest.

WOMAN STRUCK BY STREET CAR

Mrs. Winslow Spragge, of 55 Aberdeen Avenue, Suffered But Minor Bruises

Mrs. Winslow Spragge, of 55 Aberdeen avenue, suffered minor injuries when she was struck by a street car on Sherbrooke street at the corner of Victoria avenue shortly after noon on Saturday.

According to the police record she told officers investigating that she stepped directly into the path of the tram which was proceeding east on Sherbrooke street. The motorman, listed as Joseph Neau-sejour, of 753 Bienville street, stated that he had no chance of avoiding the accident.

Mrs. Spragge was crossing Sherbrooke street from north to south and stated that she failed to notice the street car.

While suffering minor bruises she refused medical treatment at the time of the accident.

ARREST HALTS LIBRARY THEFTS

Goods Stolen From Clothing in Cloak Room Returned to Owners

A number of thefts of articles from clothing left in the cloak room of the Westmount Public Library have ceased following the arrest of a man last week, Miss Kathleen M. Jenkins reported yesterday.

The man, a member of a well-known Westmount family, committed the thefts over a period of about a month. His arrest resulted from complaints made by persons using the cloak room facilities at the library.

The stolen articles included cigarette cases, wallets, pens and pencils, etc. These have now been returned to their owners.

St. Andrew's Church To Mark Anniversary Sunday

On Sunday St. Andrew's Church, Westmount, will celebrate its thirty-ninth anniversary, the minister, Rev. Dr. F. W. Kerr, preaching at both services. The celebration will feature, "Family in Church" day, when parents will sit with their boys and girls and with their married children in the family pew. Guides, Brownie, and Cubs are attending the service in uniform. The junior choir will cluster about the minister on the platform and will lead a professional hymn as well as render their own voluntary.

Another interesting feature of the morning service will be the installation of new members of the junior board, of which Gordon Taylor is chairman, Brodie Shearer, vice chairman and Gerald Cushing, secretary. The eight new members who will be added to the present fourteen members are: Malcolm Loucks, Wilbur Spinney, Lyle McMaster, Warren Reynolds,

Alexander Ross, Jack Miller Howard Hodges and T. Dunbar Robertson. The chairman of the board and managers Mr. W. Stanley Johnson, has issued an appeal for an anniversary offering of five thousand dollars, to meet heavy expenditures on the building.

The present church building was opened for services on April 18th, 1909. Since that date a commodious church school building has been erected at a cost of forty thousand dollars. During its entire history St. Andrew's has had only three ministers, Rev. George Johnson, who died after a brief pastorate of five years. Rev. W. J. Clarke was inducted as minister on March 28th, 1907, and carried on a vigorous and successful ministry for twenty-five years. Upon his resignation and retirement, Rev. F. W. Kerr, D.D., was called from Knox Church, Winnipeg, and was inducted on Sept. 9th, 1932.

EXPANSE IN GOVERNMENT ACTIVITIES SCORED BY SPEAKER AT ROTARY CLUB

Alderman George S. Currie Addressed Regular Weekly Luncheon Meeting in Victoria Hall on Wednesday — Views Certain Developments With Alarm — Cites Railway and Western Wheat Situation

"For the sake of Democracy, I view with alarm certain developments in Canada which, if they represent a definite trend of thought, or of a new organization, lead away from our present form of economic set up and of government," Alderman George S. Currie stated when addressing the regular weekly luncheon meeting of the Westmount Rotary Club in Victoria Hall yesterday.

"Our government is in the wheat business and also in the railway business. We have 400 men elected to Ottawa for five consecutive years responsible for the running of two of the biggest industries in the country, not to mention that for which they were primarily elected, namely the business of actually governing the country," the speaker stated.

One Head Enough
The average businessman, he said, believed that it was vital that there be only one boss. To learn all about one business was about all the average man could accomplish in a lifetime.

"The democratic form of government and of society does not lend itself to the proficient and profitable administration of business," Ald. Currie continued, and "to aggravate the situation still further we find constant recourse to the most popular of all laws, the political expediency." Few companies base their policies on the votes of uninformed shareholders and the course of a sailing ship is not determined by the votes of the passengers, he pointed out.

Some Aid Needed
"Undoubtedly an emergency arose in the West and the government had to step in. We in the East have accepted the consequences cheerfully and realize it is for the good of all. I am not criticizing what has been done, but I would draw attention to what further demands are now being made upon the government, which naturally are to be expected following such action," Mr. Currie stated.

More Spending Proposed
"For the fishermen of Nova Scotia is a proposal from Ottawa that the government pay 75 per cent (Continued on Page 2)

YOUTHS GIVEN 3-MONTH TERM FOR ROBBERY

Took \$19 From Office of Arena Garage — Sentenced in Recorder's Court Monday

Two 17-year-old youths, whose names have been withheld by police, were sentenced to three months in the penitentiary by Deputy-Recorder Grigg in Recorder's Court Monday morning when they appeared before him on charges of theft.

The youths, who both reside in Montreal, pleaded guilty to robbing the Arena Garage, on St. Catherine street, near Elm, on March 14. They entered the building when the cashier was out of the office and stole \$19 from the cash register.

They were arrested by Captain Broden and Constable Lines, of the radio patrol and were held in jail pending sentence.

Both had previous police records but neither had served prison terms. It was the first time they had been arrested in Westmount.

LOCAL CHURCH OPENS BRANCH OF FELLOWSHIP

R. K. Taylor to Address Group at St. Matthias Church on Sunday

During the latter part of last November the Fellowship of the West celebrated its tenth anniversary at St. James the Apostle Church. At that time it was announced that plans were underway to form groups of this organization, whose object is to promote interest in the Missionary work of the Anglican Church in Western Canada among young men of the same religious affiliation in Montreal.

Not long ago a group was formed at St. Matthias Church. One of the items in its programme is to hold meetings open to the public, at which an address is given by one or more of the organizations workers in the field. On Sunday evening, the speaker will be the Rev. R. K. Taylor of the Montreal Diocesan College. Also movies of the Peace River will be presented. This meeting will be held in the Parish Hall at 8:45 p.m. and all interested will be heartily welcomed. The committee also wishes to announce it would welcome any applications for membership, from young men living in the west end of the city.

Minister Will Preach Sermon On Philippians

Continuing the series of sermons on Philippians, Rev. J. Lavell Smith will preach on "Revising Our Religious Values", at the morning service in Westmount Park Church on Sunday next.

Committee To Give Jewish Information

Because of the demand for Jewish information at the present, the Brotherhood Public Relations Committee of Temple Emanu-El has organized a Speakers' Bureau. The members of this speakers committee will address organizations who are seeking authoritative knowledge about Jewish life. Lawrence Marks is chairman of this special committee.

THEATRICAL
ATTRACTIONS

Miss MacDonald and Eddy Coming in "Sweethearts"

The outstanding musical treat of the new movie season which is now playing at the Westmount United Theatre until Saturday is the fifth co-starring appearance of Jeanette MacDonald and Nelson Eddy in "Sweethearts", filmization of the noted Victor Herbert opera and marking the first appearance of the popular singing team in a Technicolor production.

The new picture also marks a departure upon the part of Miss MacDonald and Eddy from such of their previous triumphs as "Naughty Marietta", "Maytime" and "Girl of the Golden West", in being a modern comedy.

W. S. Van Dyke II and Hunt Stromberg, respective director and producer of "Naughty Marietta", again joined forces on the filmization of "Sweethearts", which boasts a supporting cast of such distinguished stage and screen headliners as Frank Morgan, Ray Bolger, Florence Rice, Mischa

Auer, Herman Bing, Reginald Gardner, Fay Holden, Allyn Joslyn, Olin Howland, Lucile Watson, Gene and Kathleen Lockhart, Beron Churchill and little Terry Kilburn, boy star of "Lord Jeff".

Victor Herbert's lovely music abounds in the picture with Miss MacDonald and Eddy heard in musical numbers, among them "mademoiselle", "On Parade", "Wooden Shoes", "Every Lover Must Meet His Fate", "Summer Serenade", "Pretty as a Picture", "Sweethearts" and "Little Gray Home in the West".

The story depicts the famed singing team as a happily married couple who are the reigning musical comedy stars of the Broadway stage. In order to thwart their desertion of Broadway for the beckoning realms of Hollywood, their producer, Frank Morgan, resorts to a strategy in which a "play within a play" becomes a pivotal factor.

THRILLING STORY OF BLUE GRASS

Loretta Young and Richard Greene in a scene from the film "Kentucky" which opens a three day engagement at the York United Theatre starting Saturday.

"DRAMATIC SCHOOL"

A scene from the film "Dramatic School" starring Luise Rainer, Paulette Goddard and Alan Marshal, which opens Sunday at the Westmount United Theatre.

"SUBMARINE PATROL"

A scene from the film "Submarine Patrol" starring Richard Greene, Nancy Kelly and George Bancroft, opening Sunday at the Monkland United Theatre.

"ARTISTS AND MODELS ABROAD"

Jack Benny and Joan Bennett in a scene from the film "Artists and Models Abroad" which will open a three day engagement at the Snowdon United Theatre starting Sunday.

Wealth of Strauss Tunes Heard in "Great Waltz"

From the great score of Johann Strauss music, choice of the most popular of it all was one of the difficult musical assignments during the filming of "The Great Waltz", drama of the life of the composer, currently playing at the Monkland United Theatre until Saturday, with a brilliant cast headed by Luise Rainer, Fernand Gravat and Miliza Korjus.

"The Blue Danube" was unanimously chosen by all concerned with the picture as Strauss' best-known work. From then on various favorites were suggested.

The musical score as it stands in the picture is the consensus of studio opinion of the cream of Strauss music. The numbers are: "Artists Life", played by the M-G-M grand orchestra conducted by Dr. Arthur Guttmann; "At the Monastery", with mixed chorus

and organ accompaniment; "Revolutionary March" with military band and mixed chorus; "One Day When We Were Young", sung by Miss Korjus and Fernand Gravat; "You and You", by Miss Korjus, principals and mixed chorus; "I'm in Love with Vienna", by principals and mixed chorus; Ballet music from "Die Fledermas", by Miss Korjus and mixed chorus; "Tales of the Vienna Woods", sung by Miss Korjus with solo violin and full orchestral accompaniment; and "There'll Come a Time", sung by Miss Korjus, with piano music from Strauss' "Methusalem".

Toscha Seidel, the concertmaster violinist, acted as concertmaster and soloist for this number. All musical arrangements are by Dmitri Tiomkin, the Russian pianist-composer, with lyrics by Oscar Hammerstein II.

Children's Theatre Receives Three Highest Awards In Drama Festival

For the third year in succession, the Children's Theatre, directed by Dorothy Davis and Violet Walters, has received first honors from the adjudicator, Mr. Paul Leysac, of the Dominion Drama Festival. This year, the Children's Theatre received the highest award in the dramatic recital contest, this going to Mona Bronfman, with 100 marks.

Coming second and third in this competition were Joyce Litwin and Laura Mitchell, both pupils of the same school.

Mona Bronfman will be well remembered for her portrayal of

"Queen Elizabeth" in the Mysterious Mr. Parker, and of Mrs. Lippett in Daddy Long Legs. She also distinguished herself in the recent competition held at the Y. M. C. A. where she ranked first in the dramatic contest.

In two other classes of the Drama Festival, highest awards were given to pupils of the Children's Theatre. For the reading of "Vespers", Mary Hall came first with 100 marks, and for "Rock-a-bye Lady" first award was given to Joy Schartz.

Mr. Leysac, the adjudicator was most complimentary in his remarks with regard to the pupils of the Children's Theatre, making reference to their excellent diction, poise and characterizations.

The Children's Theatre are at present rehearsing that delightful story of "Pollyanna" which will be offered next month at Victoria Hall.

Travel Parties Are Now Being Organized

Mrs. H. B. Pope is organizing travel parties to New York, Atlantic City or Washington.

The all expense cost of these tours is reasonable and many interested items are included such as rail transportation, twin bedrooms with baths, sightseeing, N. B.C. Studio tour, dinner at a popular cabaret, tickets to see some of the best known commercial broadcasts and many other courtesies that make these parties particularly enjoyable.

The Atlantic City tour includes five days in Atlantic City and the balance of the time in New York. The Washington party will motor from New York to Washington and have three days of wonderful interest in America's capital.

R.M.R. BAND TO GIVE CONCERT

Event is Being Sponsored By the Vimy Branch of The Canadian Legion

Of interest to music lovers is the announcement that on Tuesday, at 8.15 p.m. the band of The Royal Montreal Regiment (M.G.) under the direction of Lieut. T. E. Jackson and supported by the Canadian National Recreation Association Choral Society, will be heard in a concert of music by Rossini, Gounod, Schubert, Sibelius, Handel, German, Bishop and others. By kind permission of Lieut. Col. J. E. Slessor, E.D., Officer Commanding, the concert will be held in the R.M.R., Armoury, St. Catherine Street, under the sponsorship of the Vimy (Quebec No. 47) Branch, The Canadian Legion, B.E.S.L., and is in aid of the welfare fund of the branch.

During the evening, Major Reverend J. Bruce Hunt, M.C., and Captain, Reverend M. T. J. O'Brien will dedicate the colours of the Northern Electric Branch No. 37 and Vimy Branch No. 47 of the Legion in an impressive ceremony assisted by the band.

Betty Speirs Promises Splendid Entertainment

A season's endeavours for the Betty Speirs' School of Dancing will come to a close with the annual recital at Victoria hall on Saturday evening, April 1st. The final rehearsals are in full swing and we have Peter Miller's word for it that this will be the 'show of shows'.

For the kiddies, Mr. Miller has adapted 'Goldilocks and the Three Bears', and has chosen for his principals Nancy Telfer as Goldilocks, Enid (Chickadee) Pascoe as Mamma Bear, Alister Mount as Papa Bear and Deltry (Eleanor Powell) Beacom as the baby bear.

The scenic effects for this fairy tale include a gaily colored book, almost the height of the stage, from which the various characters will appear as the pages turn. Mr. Miller hopes that the book will survive the enthusiastic rehearsals and be on hand for the actual performance. The kindergarten class of this year is, according to Miss Speirs, the essence of cuteness. Joan McCormick, Mary Entwistle, Rayette Schacter, Lysand Coupal, Mariett Durand and Margaret Creagan will be the soloists in this group.

In the intermediate part of the program the popular young ensemble of the Ogilvie sisters, the Fitzgerald sisters, Valerie Beacom, Audrey Jones, Laura Ross and Ruth Gogo will take the spotlight, while in the senior group 'Ballet du Lys Blanc', the technique of the talented Jean Barnes, Joyce Lozinski, Barbara Nuttall, Joan Melvin, Isobel Ann Rubenstein, Isobel McLellan, Peggy Jean Ross, Mary Ledoux, Doris Jackson, Gene Dufty and Dorothy Fitzgerald will be seen to advantage. Wynna Jacobs, well known young N.D.G. elocutionist will be heard in recitations. Miss Jacobs, who distinguished herself with honors at the recent Festival, has also won for herself a free trip to Toronto as the result of her recent efforts in the competitive field.

In the selected offerings such eminent stars as Eleanor Thompson, Joan Layton, Shirley Hutt, Jean Miller, Peggy Cooper, Heather Williamson, Joan Regele, Nancy Gogo, Margaret Turnbull, Janie Allan, June Sidaway, and Violet Finnick will display their talents.

Boy's As Mounties

The boys' class will be in their element as stalwart members of the Royal North West Mounted Police, and will appear with their girl friend 'Rose Marie' Beacom, and when you see this number you will understand why Peter Miller raves about these little fellows. As is customary in a Betty Speirs' show, no expense has been spared in supplying spectacular scenery and lighting effects to support the efforts of the young artists, which may be one of the many reasons that this annual entertainment has such a huge following.

NORMA DARLING IS PREPARING SPRING REVUE

Montreal Concert Group to Be a Feature of Event

On Thursday evening, March 30 when Norma Darling presents her pupils in their annual spring dance recital, a feature on the program will be the new presentation of the Montreal Concert Dance Group, entitled "The Lorelei".

This is a comedy character ballet based on Sicilian folklore and tells the story of the fishermen's wives who are faced with the problem of errant husbands and empty nets. The musical setting is Mendelssohn's "Italian" symphony, and the choreography has been arranged entirely by Miss Darling.

The Montreal Concert Dance Group will also appear in "Tribulation," "Ballet Egyptian," and "Les Preludes".

The following members of the group will appear in solo interpretations: Phyllis Williams, Joyce Lewis, Joan Chandler, Joyce Christie, Betty Ball, Eloise Ross.

Miss Kathleen Madley, assistant teacher at the school will repeat "Rendez-vous" by request. "At the piano" will be Misses A. Taylor, E. Singer, L. Mus., and M. Kernath.

The performance begins promptly at 8.15 p.m.

New Laughton Is Seen As The "Beachcomber"

Charles Laughton, whose film characterizations have ranged from Nero in "Sign of the Cross" through the role of the ribald, robust king in "Henry the VIII," to Captain Bligh in "Mutiny on the Bounty", delineates a new and entirely different—but definitely "Laughton"—character in his latest picture, "The Beachcomber", which is now playing at the York United Theatre until Friday.

Laughton is seen as "Ginger Ted", English-born "remitance man" and beachcomber, loafing his life away on a tiny island. As Laughton portrays him, "Ginger" is a man who is at odds with the scheme of things in this quasi-tropical civilization. He resents efforts on the part of the authorities to restrain his addiction to drink, and his desire to make friends with the native girls.

Despondent at times, in other moments reisterous, occasionally showing an inkling of the qualities of a gentleman, "Ginger" is a character which only Laughton could create, with such consummate artistry.

As the picture develops, "Ginger" finds himself confronted with a new and different "menace"—a woman who seeks to reform him. It's one Miss Jones, a missionary played in "The Beachcomber" by Charles Laughton's wife, Elsa Lanchester. "Ginger" resents her; he is furious at her—and she despises him. Their two characters the poles apart—yet subtly each begins to feel the impact of the other's personality.

Glamour-Lack Wins Girl Big Role In Film
In Hollywood, where the "glamour standard" takes the place of the "gold standard", vivacious Louise Campbell has the distinction of being the girl who was given her big chance because a producer believed she "lacked glamour".
Producer-Director William A. Wellman, who gave Miss Campbell the feminine lead opposite Fred MacMurray and Ray Milland in his cavalcade of aviation, "Men With Wings", now playing at the Snowdon United Theatre until Saturday, searched six months before he found just the girl he wanted.
"As far as I'm concerned, glamour is a drug on the market," says Wellman, who brought "Wings", "A Star is Born" and "Nothing Sacred" to the screen. "For the lead in "Men With Wings" I wanted a leading woman who could be married to an aviator, sew fabrics on wings, have a baby and get starry-eyed about it, and have a world of faith and trust in the one man she loved.
"I found that glamour has taken such a hold in the motion picture industry that there were few actresses who could play such a role. "This was a fine state of affairs when I wanted a shy, unspoiled little girl who would really suffer deeply when her father was killed in an airplane, who could have ideals and purposes in her life and register extreme faith and depth of emotion. I found Miss Campbell just the girl I wanted for the part."

ENROLMENT OF LIFE BOYS UP
First Westmount Team, Under Robert Beal, Plans New Activities
The First Westmount Life Boys Team, affiliated with The First Westmount Boys' Brigade Company is steadily increasing in membership. It is under the leadership of Robert Beal.
This week leathercraft will be introduced by Robert Morrow, instructor, and some very fine objects will be made by the boys. A display of their work is to be held at the close of the season, on which occasion the boys will also present an evening's program for their parents and friends.
The two tribes, Mohawks and Senecas, are to be arranged so that more even competition can be given and points more fairly distributed. The winning team will be given a wener feed by Captain Richardson, at the end of April.

OWNS HORSE PRINTS
Latest addition to the decorations in Robert Taylor's Metro-Goldwyn-Mayer dressing room are two prints of famous English horses, Babraham and White Nose. The prints were engraved March 10, 1936.

The Way To A Man's Heart

No Neutral, This Swiss Steak Takes Sides With Your Budget

You can look right into the secret of this Savory Swiss Steak. These white onions and hunks of tender round steak are having a grand time with mustard, herbs and ginger.

A savory Swiss steak is just what a skilny budget gives it's blessing.
Savory Swiss Steak
(Serves 6)

Two pounds round steak, 2 tablespoons flour, 1/2 teaspoon ginger, 1/2 teaspoon mixed herbs, 1 teaspoon salt, 1 tablespoon Worcestershire sauce, 1 teaspoon prepared mustard, 1 cup boiling water, 8 to 10 small onions.

Cut steak in serving pieces. Mix flour, ginger, herbs and salt. Roll meat in mixture. Brown the pieces of meat very quickly, a few at a time, and place them in a 1 1/2 quart heat resistant glass saucepan.

Add the Worcestershire sauce, mustard and hot water. Arrange onions over the top, cover the dish and bake in a moderate oven (350 degrees F.) about 1 1/2 hours or until meat is tender. Serve in the same dish.

Spiced Meat Balls
(Serves 6. About 16 balls)
When the night is cold, spiced meat balls keep both the heart and budget warm.

One pound ground beef steak, 1/2 pound ground pork sausage, 1/2 cup mashed potatoes, 1 egg beaten, 1/2 cup milk, 1/2 cup fine bread crumbs, 1 teaspoon salt, 1/4 teaspoon pepper, 1/4 teaspoon nutmeg, 1/4 teaspoon allspice, 1/4 teaspoon cloves, 1 teaspoon dry mustard, 3 tablespoons flour, 1 cup tomato puree.

Mix meat, potato, egg and milk together. Combine bread crumbs, salt, pepper and spices, then blend with the meat mixture. Form into about 16 small balls and roll them in flour. Brown on all sides in a small amount of hot fat in a 1 1/2 quart saucepan. Pour tomato puree over the meat balls. Cover and bake in a moderate oven (350 degrees F.) for about 45 minutes.

Calvary Church Clubs Will Present Play

The Junior Square Circle and Arrow Clubs of Calvary United church, under the auspices of the church bowling league will repeat their production of Ronald Elise's comedy, "Love Incorporated," in the church hall tomorrow evening at 8:15 p.m.

The complications of the play start when Bob Loomis and his friends Leonard Merrick, just out of college, start an agency called, "Love, Inc." The object of this agency is to settle other people's love affairs. However their own heart problems are enough to keep them busy and one humorous situation follows another.

The cast includes Bob Sloan, Lawrence Smith, Gwendolyn Edwards, Edna Banks, Norman McAskill, Gwyn Williams, Lawrence Wright, Beatrice Botha, Magnus Flynn, Iian Hellyer, Richard Robinson, and Kirk Mor-

Jasper Mushrooms Latest Delicacy

Hereafter patrons in hotels and dining cars of the Canadian National Railways who call for mushrooms or who find that edible fungus used in a sauce to garnish a dish, will be served with a company product. The Hotel Department of the National System has taken up mushroom culture and for that purpose a special cave has been constructed as an adjunct to the new greenhouses built as part of the 1939 programme for Jasper Park Lodge. By far the greater part of mushrooms consumed in Canada are cultivated and especially in the vicinity of the larger cities.

God imparts the strength to bear and the courage to dare.

TEA TIME TOPICS

THERE ARE MANY articles with which every housekeeper is familiar that can be made useful in many ways, and some that can lighten labor. None can be better used for so many purposes, with great success and entire safety than ammonia. Most housekeepers think of it only to be used in "smelling bottles" as our grandmothers used to call them. We have gathered together a few helpful pointers on the use of this important time and energy saver. These hints should prove very helpful, particularly at this time of the year, when residents are moving or spring cleaning.

gray and dingy looking, if this method is followed.

FOR CLEANING JEWELRY there is nothing better than ammonia and water. If very dull and dirty, rub a little soap on a soft brush. Brush articles in water to which a little ammonia has been added, rinse in cold water, dry first in a silk handkerchief and then rub with a chamois skin. Their brilliancy cannot be surpassed, when cleaned in this manner, by most cleaning polishes and pastes.

WINDOWS AND MIRRORS will shine beautifully if ammonia is added to the washing water. Drinking glass may also be washed in water to which ammonia has been added. In rinsing the glasses, use warm water.

Megan Taylor to Star in Winter Club Carnival

Championships are commonplace in the life of Megan Taylor, stellar attraction on the star-studded program of the Winter Club carnival to assist the Children's Memorial hospital at the Forum on March 31 and April 1, under the distinguished patronage of the Governor-General of Canada and The Lady Tweedsmuir.

Six major championships are already to her credit and she is only eighteen years of age. Her first came at the age of eleven, her last a year ago when she won the world's amateur skating championship and repeated the victory the last time out.

She started skating at the age of four and a half when, in despair, after doctors had assured her father she could not live for six months, he took her to Switzerland. There, he kept her out in the open air with a small pair of skates, a baby toboggan and a pair of skis as her constant companions.

Her father, a well known skating instructor, who was born in Saskatoon, kept her in Switzerland for months where she soon showed such aptitude for skating that by the age of seven she had won a bronze medal. At eight she won her silver, and at ten her gold medal. A year later, she was British Women's Champion and held the title for three years in succession while, at seventeen, she achieved her desire when she won the world's championship, and again the following year, so her record is perhaps one of the outstanding in skating circles, in the whole world.

Miss Taylor appeared at the carnival in Toronto in the early part of the month and her exhibition won thunderous applause from audiences of over 14,000 every night for five nights.

First-Year Men Form Powerful Team In N.H.L.

This has been such a great season for new talent in the National Hockey League, that a very powerful team of first-year players could be assembled. In fact, for perhaps the first time in National League history, one team alone could produce a powerful complete team of first-season players which would make it difficult for any other assembled team.

The club is the League-leading Boston Bruins. They could trot out seven star first-year men in Goalie Frank Brimsek; defencemen Jack Crawford and Jack Shewchuk; and forwards Roy Conacher, Mel Hill, Terry Reardon and Red Hamill.

If this isn't considered strong enough, the first-year men could produce an extra goaler in Claude Bourque, of Montreal Canadiens, who has to his credit a shut-out win over Boston Bruins. New York American could contribute hard-hitting Wilfie Field to the defence and Jack Adams of the Detroit Red Wings could loan Jack Stewart for the same sector.

For the forward section, Detroit could contribute a high-scoring first-year forward, Gus Giesebrecht, who like Roy Conacher of Bruins has had a triple in his first season in the major league. Canadiens could send along dashing little Bill Summerhill, a right wing who got into action only in a play-off game last season, and

HERE'S A TASTY HOCKEY DISH: BOSTON'S SAUERKRAUT LINE

Bobby Bauer Milton Schmidt Woodrow Dumart

Probably never before in the history of the National Hockey League has a group of players been named for a food. We've never had a "Beef-steak Line," for instance, though steaks form the main dish of hockey players in the playing season. A steak at four is the accepted dietary routine the day of the game. Hockey players drink a great deal of milk, but there's never been a "Milkman's Trio." Now there's a forward trio named for a food, and with a rather clever touch of description. That's the crack Boston Bruins "Sauerkraut Line" of Milton Schmidt, Bobby Bauer, and Woodrow Dumart. They're so-called because all three are of Germanic descent, coming from Kitchener, Ont., which was originally founded by German settlers and was, until the Great War, known as Berlin. Sauerkraut being a favored German dish, it was a natural development that this or some similar term be tagged on the brilliant bevy of Bruins.

St. Sauveur's Juniors Win Laurentian Trophy

Keen competition from large fields of entrants marked the running off of the Laurentian Inter-Village Junior Ski League Meet last Saturday at Morin Heights. Every team showed plenty of fight and the St. Sauveur boys were extended to the limit to gain the year's possession of the coveted trophy.

This inspiration for young skiers to perfect their technique by intensive practice is a great asset to the sport in the Laurentian area. Any village in the Laurentians may enter a team of Junior skiers by registering the names, weights and ages with Mr. L. Fuller, the Sec.-Treas. of the League, at Morin Heights.

The trophy is a handsome silver cup presented to the League by Carling Breweries Limited of Montreal and is to be defended by the winners each winter. It is known as the Red Cap Ale Ski Trophy and will remain in possession of the St. Sauveur Team until some time in March, 1940, when the budding young ski champs will again roll down the snow-covered slopes of some well-known ski-trail to settle its ownership for the ensuing year.

Chicago Has Over 500 Man-Made Skating Rinks

Although right now most of them are covered with from 12 to 24 inches of thick, wet snow, the kind that encourages indoor sports, there are more than 550 man-made, outside, ice skating rinks in the City of Chicago. And when that white blanket is shoveled off, or runs away, they will be swarming again with shouting youngsters.

Lake Michigan, while fine for summer sports, helps none at all in the winter, and Chicagoans, lacking also natural hills, have to make their own cold-weather recreation facilities. The Chicago Recreation Commission has just listed the playgrounds, school yards and vacant lots that have been flooded for skating.

It's an inspiration to those who urge that ample opportunity for clean out-of-doors play will go far to relieve the juvenile delinquency situation. Everybody seems to have a part in the activity, ward aldermen, the Chicago Park District, churches, the Board of Education, Bureau of Parks, civic clubs, and even individuals.

Harvard-Yale Polo

This year's Harvard-Yale polo game, to decide the indoor horse-hockey rivalry of these two eastern teams, will probably be enjoyed more by Chicagoans than anyone else. The game, believe it or not, is to be played right in Chicago, and not at Cambridge, Boston, or New Haven. It's the first time tradition has been broken to allow this contest in the middle west. It was all arranged chiefly as a result of the efforts of Col. C. C. Haffner, Jr., Commander of the 12th Field Artillery, who is a Yale alumnus. The tilt will take place in the regiment's armory. Yale won the 1938 indoor title and Harvard the outdoor crown, both being finalists in both tournaments.

Horton Picks Them

When veteran golfer Horton Smith looked around to see who had tied him for second place in the annual Bing Crosby Tournament at Del Mar, Calif., recently, he saw Byron Nelson of Fort Worth, Texas. Next in the final line-up was Jimmy McHale of Los Angeles.

Horton, who registers from the Oak Park (Ill.) Country Club, beamed proudly, for he remembered that a few years ago at Oak Park he predicted that three youngsters in the game ought to be watched. They were Byron Nelson, Jimmy McHale—and Ernest Harrison, from Arkansas. But where was Harrison? Smith nearly burst, it was said, when he looked over the winner of the \$500 first prize. It was "Dutch"

Newest Conacher Hailed As Best

When Roy Conacher, one of the several sensational rookie stars Boston Bruins have brought into the National Hockey League this season, scored a triple at New York against Rangers on February 10, he won rating with one expert observer as being possibly the best, in one respect, of all three Conachers who have starred in the National Hockey League.

Frankie Boucher, former great Ranger centre on the famous Cooks-Boucher line, was the critic. He was intrigued with the fashion in which Conacher twice feinted Dave Kerr out of position to backhand some his shot, then crossed up the Ranger goaler for the third by driving from fifteen feet out. Said Boucher: "It was the height of cleverness, for Kerr would surely have blocked a third shot of the same type, and Conacher could have tried it, but was too smart. I don't think the kid's shot is as heavy or as hard to stop as Charley Conacher's was, but he is better than Charley ever was at feinting a goalie off balance."

Rookie Roy is now well along in

Drills, Rehearsals and Practices Continue Daily on Gym Floor — Cuban Dancers Setting Hard Pace — Bob McComb to be Absent From Show This Year — Comedy Will be Feature of Exhibition

Final plans are being arranged at the Westmount Y.M.C.A. for the annual Spring Gymnastic Exhibition to be held there on April 1. Feet are hurrying, telephones ringing, sabres clashing; the crowded office of Hugh Noble, Physical Director, is the nerve centre of a far-flung web of humming activity that reaches out to every corner of Westmount and N.D.G.

Night after night, drills, rehearsals and practices continue. Day after day the telephone ring — time after time the dread summons is heard—"Sabre drill tonight," or "Cuban practice Saturday."

Day Set for Canada at Poultry Congress

The executive board of the 7th World Poultry Congress and Exhibition which will be held at Cleveland, Ohio, from July 28 to August 7, 1939, has set aside certain days as having particular significance. These special days will be added to from time to time as new plans develop. At present the following designations have been made:

Friday, July 28—Opening day and registration.

Saturday, July 29—Home country day.

Sunday, July 30—International peace day (Dedication of cultural gardens.)

Monday, July 31—Canadian Day.

Tuesday, Aug. 1—American Day.

Wednesday, Aug. 2—All-States Day.

Thursday, Aug. 3—Baby Chick Day.

Friday, Aug. 4—Poultry Producers Day.

Saturday, Aug. 5—Poultry Marketing Day.

Sunday, Aug. 6—Cleveland Day.

Monday, Aug. 7—Closing assembly and ceremonies.

Scientists from all parts of the world have intimated their intention to be present at the Congress. According to present arrangements, 180 papers will be read during the congress, and of that number more than 60 will be submitted by scientists from countries outside the United States, particularly from Canada, Bulgaria, Czechoslovakia, Denmark, Egypt, England, Estonia, Finland, Germany, Holland, Hungary, Ireland, Italy, Japan, Palestine, Poland, Rumania, Scotland, Union of South Africa, and Sweden.

OUTDRIVE HEADLIGHTS

In 63 accidents at grade crossings reported to the Board of Transport Commissioners for Canada in 1938, motor vehicles ran into the sides of trains, 22 such accidents being during daylight and 41 at night. The report comments that the number of accidents indicates that auto drivers are outdriving their headlights and neglecting Provincial regulations regarding speed and operation when approaching highway crossings.

Fear is an Extremist and magnifies the strength of opposition.

Close Contact Maintained Between Employers, Employees and Patrons.

Personal contact between employer and employee, and in turn, between this group and the many customers and friends of Dupuis Frères, is an accomplishment which has been attained very effectively at the large, busy St. Catherine street department store.

Keeping personal contact between the executives of the store, the some 900 odd employees, and the many thousands of customers is no easy matter, as can be easily realized. However, officials of Dupuis Frères realized the importance of such a contact and have gone to considerable pains to attain this end.

Today, every employee of the huge organization hears a personal message from one of the directors of the firm, outlining and emphasizing the importance of service, and a detailed knowledge of the merchandise offered. The message does not stop here, for each of the employees are urged to become the store's personal emissary, to relay the information to patrons.

An internal broadcasting station is utilized for this important work. Near the office of J. E. Boucher, general superintendent, is located Dupuis Frères own personal broadcasting studios. From this studio Mr. Boucher speaks daily to his employees. It is so located that from the studio he has a wide view of the main floor, and can be seen by the department heads and salespeople.

From this studio the message is carried over 27 loud speakers. Every department is covered and the voice is heard by all from the clerk who sells pins, to the delivery department and furnace room. Daily, at ten minutes to nine the studio "goes on the air" invariably with Mr. Boucher at the microphone.

The general superintendent is assisted in the preparation of the material by H. L. Bernard, publicity director and sales promotion manager of Dupuis Frères.

While store system and store policy are the subject of many of these ten-minute talks, "Service" is the topic which is mentioned most frequently. Pointers, gained from the previous day's business, are passed along to employees, while information concerning special merchandise and sales is also passed along.

These employer-employee talks serve even another purpose. Dupuis Frères has long been known for the harmonious relations between the two groups. For years the store has maintained its own hockey team, conducted its own mutual welfare society, has its own mixed chorus of 52 voices. Annually, in a unique ceremony, a "king and queen" of the staff is elected, and this is always a big event among the employees.

Scores of the games, news of these Dupuis events, and announcements of coming events are also relayed to all departments via the internal broadcasting system. This service alone has proved extremely popular with the workers. "We have a fine spirit of co-operation throughout our organization," said Mr. Boucher "and one which we will fight hard to retain."

"We emphasize to our employees that Dupuis Frères has been in Montreal for 71 years, and that we will be here for a long time yet," the general manager added, "and we must do everything possible to retain our friends and add new ones to the list." As an example of the work of Dupuis Frères is doing, it should be pointed out that special facilities have recently been organized to provide the finest of service for west end residents.

Mr. Boucher, who resides at 5607 Sterling avenue, Cote des Neiges, has been with the firm for twelve years. He joined Dupuis Frères as secretary to the president, and in 1931 became general superintendent.

Mr. Bernard has been with the firm 15 years, starting as publicity manager, being promoted to store superintendent in 1930, and as sales promotion manager and publicity director in 1931. He resides at 2461 Maplewood, Cote des Neiges.

Legionnaires to Discuss Plans for Regal Visit

Several matters of importance are to be discussed at the regular meeting of Remembrance Branch of the Canadian Legion, to be held on Friday evening in the R.M.R. armory.

Probably the most important matter to be discussed will be further plans concerning the veterans' part to be played in connection with the visit of Their Majesties, the King and Queen, in May.

This discussion will probably be linked with further conversation on the proposed Veterans' Survey, which has been entrusted to Remembrance Branch in this district. Plans for changing the location of the Road of Remembrance, to a more permanent site on Shakespeare road, on Mount Royal,

will also occupy the attention of the Legionnaires.

Final plans for the part Remembrance Branch will play in the forthcoming Vimy Banquet, to be held in the Windsor Hotel on Saturday, April 8th, will also be laid. The affair promises to be one of the major events of the forthcoming season, second only to the Royal visit.

Canada's Mineral Production Big

If all the coal produced in Canada in one year were loaded into freight cars and these strung together the train would reach all the way from Montreal in the East to Vancouver on the Western Coast, a distance of nearly 3,000 miles.

If Canada's 1937 copper production were cast in a block the width and height of a railway car the block would be nearly three miles long. A similar block of lead would be nearly two miles long and one of the zinc production would be nearly two and a half miles long. The year's silver production would form a slab a foot thick, 10 feet wide and nearly 240 feet long. The year's gold would make a block a foot thick, 10 feet wide and almost 24 feet long.

ROYAL RESTRICTIONS

In somewhat systematic style—as has become the fashion, of late—the Canadian Broadcasting Corporation this week issued a list of restrictions upon broadcasting during the forthcoming visit of King George and Queen Elizabeth. Though entirely commendable, and designed only to assure Their Majesties the dignity of a sane and authoritative radio reception in this country, the rulings would appear to put private stations at a disadvantage.

Regulations passed and duly blessed by the CBC include a ban on commercial sponsorship of commentaries on the royal visit; and radio's governing body has also declared that it will not be permissible to extend greetings to Their Majesties on any sponsored program. Moreover, no commentary in respect to King, Queen or royal party shall be broadcast prior to or following network reports of the party's progress. Broadcasts of any and all activities of the royal visitors may be made only with C.B.C. authorization.

Despite the handicaps under which private stations will have to operate, it is certain that broadcast coverage of the regal tour will hit new highs in dignity, completeness and authenticity. All American webs are despatching crews of technicians and announcers to Canada for the occasion, and C.B.C. itself, will have two teams of commentators and engineers constantly on the go.

It looks like a field-day for the boys with the mike.
