Historic Address

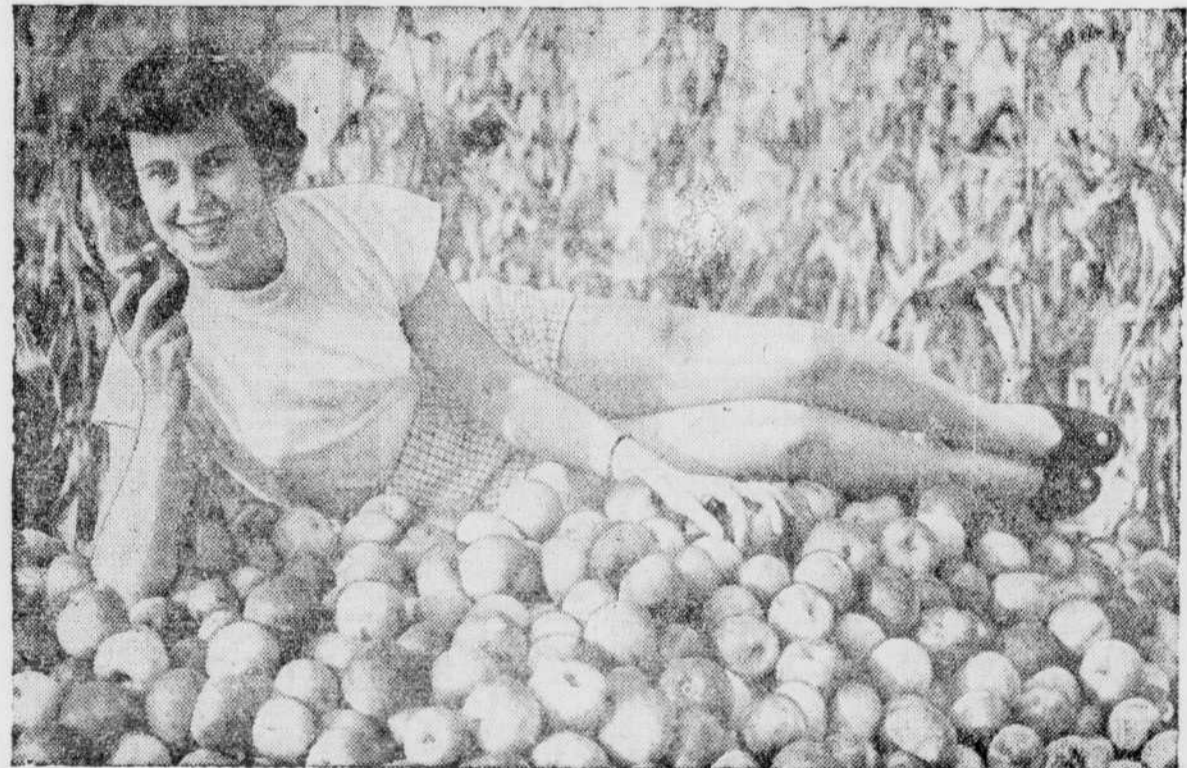

Prime Minister Nehru of India, addressing a joint session of the Canadian Houses of Parliament, said progress as this photo indicates. Mrs. Stenlund is shown with her two daughters and son. Carolyn, on her mother's right, was born first and weighed four pounds, three-quarters of an ounce. Sheryl, born second and weighing four pounds three-and-a-quarter ounces, is on her mother's left. Murray, in front of Sheryl, weighed six pounds, 15 ounces. Miss Betty Wiggins, left, and Miss Eileen Hoyt are the Port Arthur General Hospital nurses in the photo.

Lakehead Trio

Triplets born to Mr. and Mrs. Henry Stenlund of Red Rock, 60 miles north of Port Arthur, continue to progress as this photo indicates. Mrs. Stenlund is shown with her two daughters and son. Carolyn, on her mother's right, was born first and weighed four pounds, three-quarters of an ounce. Sheryl, born second and weighing four pounds three-and-a-quarter ounces, is on her mother's left. Murray, in front of Sheryl, weighed six pounds, 15 ounces. Miss Betty Wiggins, left, and Miss Eileen Hoyt are the Port Arthur General Hospital nurses in the photo.

Apple Honey

Teen-aged Mary MacDougall samples the Essex County apple crop as southwestern Ontario orchards gather the last of a yield that they expect to produce a better-than-average output. Essex county can't match British Columbia or Nova Scotia in the size of its crop—but can they match Miss MacDougall?

East Meets West

The East met the West over a pot of tea in Canada's capital when the wife of the Indian High Commissioner to Canada, S. N. Kirpalani, held a tea party. Left to right are: Mrs. L. B. Pearson, wife of Canada's minister of external affairs; Mrs. Indira Gandhi, daughter of Prime Minister Nehru of India; Mrs. Kirpalani and Canada's first lady, Mrs. Louis St. Laurent.

Scene Stealer

This small, black spaniel, "Chota," stole the show at a reception given by the Indian High Commissioner to Canada, S. R. Kirpalani, in Ottawa. She wagged her tail and was as nice as you please when India's Prime Minister Nehru patted her head and recalled the occasion in New Delhi two years ago when he named her Chota, which in English means "little one." Mrs. T. J. Brooks of Ottawa, owner of the dog, is shown holding Chota as Her Excellency Vijaya Lashmi Pandit, Indian ambassador to the U.S., and Premier Nehru admire the animal.

Dangerous Souvenirs

Lieut. J. Heffernan, of the Royal Canadian Engineers, is shown displaying war souvenirs collected from Winnipeg houses visited by the Prairie Command's bomb disposal group. Winnipeg became the centre of an intensive search for such souvenirs when a 17-pound anti-tank shell was found on its way to the city incinerator.

It Works Too

With an old Model T generator, a 12-volt storage battery, \$35 and several evenings' work, Walter Foster of Toronto built this electric car for his three-and-a-half-year-old daughter, Barbara. Here Mr. Foster checks over the power plant while Barbara, the envy of her playmates, looks on.

Modern Centenarian

Oxcart and horse-and-buggy days are over and now 107-year-old Mrs. Jemima Bowie of Stratford is eagerly looking forward to flying. One of the oldest women in Canada and probably the oldest Negro native-born Canadian, Mrs. Bowie marked her 107th birthday recently. Born in Sullivan Township, she lived most of her life in Owen Sound, moving to Stratford three months ago.

Opens National Tour

The public exhibit of the plans for the development of the National Capital began its tour of the Dominion in Montreal, where it was officially opened on the 26th of October by Prime Minister St. Laurent before a distinguished local gathering. The Prime Minister, lower right with back to camera, is seen being conducted through the exhibit by Jacques Greber, the noted French city planner, and consultant to the National Capital Planning Committee, Federal District Commission, on the long range plans for the development of Ottawa and the 900-square-mile National Capital District into a dignified and well planned Capital for the Dominion. After a period in Montreal the exhibit will be seen in Quebec City, Three Rivers and Sherbrooke. During 1950 it will tour larger centers in the remaining nine provinces. Inset, Mr. Greber is seen explaining a detail of the plans to the Prime Minister and Mrs. St. Laurent.

Editor Honored

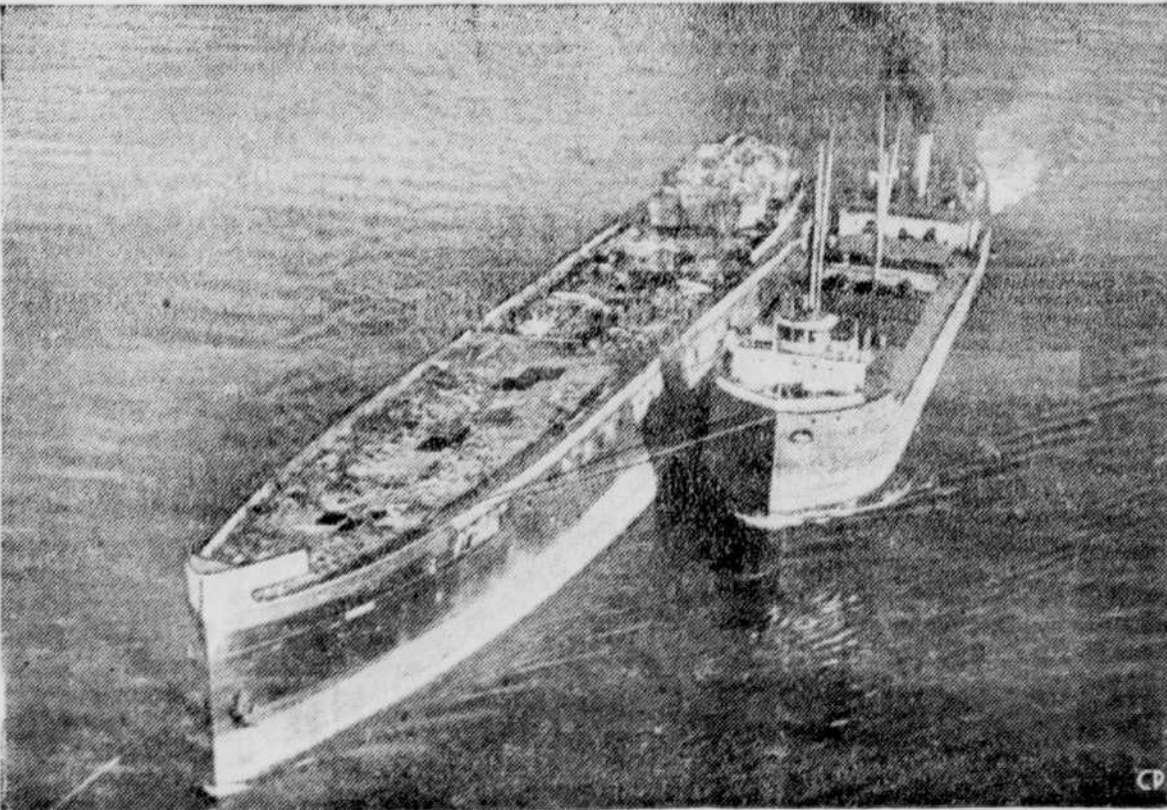

J. H. Cranston, left, veteran Canadian newspaper writer and editor of Midland, Ont., and Dr. John Walter, right, of the department of botany at Glasgow University were given honorary degrees of doctor of laws at the autumn convocation of McMaster University at Hamilton. Dr. G. P. Gilmour, chancellor and president of McMaster, centre, conferred the degrees.

Long-Range "Delivery Wagon" For Armed Forces

Pictured above is a scale model of the XH-16 helicopter now being developed for the armed forces by the Piasecki Helicopter Corp., Morton, Pa. The twin-tandem rotored model will be the largest rotary-wing craft ever built, and is expected to have the longest range of any helicopter. The large detachable compartments, in combination with the main cabin space, will enable the ship to carry large numbers of troops, litter patients or military supplies. The XH-16 is expected to be completed some time next year.

Final Voyage

The Noronic, once queen of the Great Lakes passenger fleet, made her final cruise Saturday when she was towed from the Toronto pier where she burned Sept. 17 with a loss of 119 lives, to Hamilton to be broken up for scrap. This photo shows the hulk accompanied by another Canada Steamship Lines vessel as she headed for Hamilton.

DENISON'S MILLS

Since Rev. W. Walker's departure for Scotstown, in August, services at Holy Trinity Church have been irregular. To date, no new minister has been appointed to Kingsley Mission, but Mr. A. Leaker, theology student, of Bishop's University, Lennoxville, who is residing in Richmond, has been conducting afternoon services several times in the past two months. The Ladies' Guild has held fairly regular meetings and is gradually accumulating church funds. In August, the meeting held by Mrs. T. Demers and Mrs. A. Carlsen, in the Community Hall, was perhaps the largest gathering of members, friends and little folk. It was decided then to present Mrs. Walker with a pyrex teapot, as a farewell gift. Mrs. Colin Andrews held the September meeting and a second food sale was decided upon. Mrs. Donald Frost held the October meeting. Mrs. T. Demers was asked to draw the winning ticket from the many sold. Mrs. Ray Andrews was the pleased recipient of the quilt. Sales from

The Doctor Says:

CARE OF PAINFUL KIDNEY STONES REQUIRES CURE IN TWO STAGES

By Edwin P. Jordan, M.D.
The passing of a kidney stone can be entirely painless but quite often the pain is terrific. A kidney stone may have existed for

many years without producing any pain or other symptoms. Most of them grow slowly and do not cause trouble until they begin to move down the urinary passageways.

Jordan These things which we call stones are not really stones at all but groups of crystals which form into round or irregularly shaped balls. They start in an irregularly shaped space inside the kidney which opens into the ureter or passageway which leads down to the bladder. When stones start down this small passageway, they scrape on the tender sides of the duct, causing spasm and bleeding. It is this which produces the terrific pain and which frequently blocks the flow of urine and causes it to back up behind the stone. Relieving the Pain There are at least two stages in

ticket amounts to \$18. The two food sales brought in more than \$50. Mrs. Forrest Rief has donated a very attractive cushion to be sold to raise money and tickets will be on sale this month. Mrs. Ira Patrick has invited the ladies' to a luncheon meeting at her home in November.

Mr. Kenneth Stevens, of Richmond, is the school bus driver this year, and has a full load. Beginners from this community are Masters Wayne Andrews and Carl Hebert and Gail Patrick. The community is justly proud of Miss Mary Hannan, second daughter of Mr. and Mrs. Cecil Hannan, who passed with a very high standing from Grade X, and won the Women's Institute scholarship of \$25.

Misses Marian and Joyce Frost and Lorne, Norman and Randall Frost and Miss Ruby Stevens are all attending St. Francis College High School this year. They were former Consolidated School pupils. Miss Dorothy Patrick is taking a business course in Asbestos, and is residing with Mrs. W. J. W. Smith, in Danville.

Mrs. Elton Carson enjoyed visits from her mother, Mrs. Penny, of Lovettsville, and her brother, Mr. Penny, of Arvida.

Miss Leah Taylor has been able to move to Richmond for a two-weeks' visit with her sister-in-law, Mrs. George Taylor, and her brother, George, when off duty from the railway. Mrs. Taylor is residing with her father, Mr. Davidson, and her brother, on College Street.

Mrs. Rachel Philbrick, of Danville, was a visitor of her daughter, Mr. Avery Denison, Mr. Denison and family, and attended the Sydenham Church supper, in Ste. Felix de Kingsey.

Mrs. Albert Hughes has been visiting her daughter, Mrs. Duncan Rief, in Montreal.

Mr. and Mrs. Jack Brough, of Montreal, with their two small children, have taken up residence with Mr. and Mrs. "Buster" Lyall. Mr. Brough is employed in Montreal.

Mr. Traill Lyall has been undergoing treatments in Montreal, at intervals for sometime. Friends of Mrs. Guy Andrews, formerly a resident here, will be sorry to hear that she has been confined to her bed for sometime, at her home in Danville.

Denison Brothers have had the misfortune to lose many valuable breeding sheep from attacks by roaming dogs, over a period of several weeks.

the treatment of kidney stones. The first is to care for the immediate pain and other symptoms. It is not safe to leave a stone permanently in the ureter, as damage can be done to the kidney itself. The location of the stone can be discovered by proper equipment and the use of the X-ray. It is possible to assist in the passage of the stone by oiling or other measures. When the pain is severe, it is necessary to relieve the patient and this involves the use of pain-killing drugs, sometimes in large quantities. It is important to know what kind of stones are involved so that

Former Bury Pastor Voices Thanks To Congregation For Loyalty, Devotion

Bury, Nov. 3.—An expression of appreciation for the loyalty and devotion of the congregation of St. Paul's Anglican Church in Bury is contained in letters sent to the congregation and to members of St. Paul's Guild by Rev. W. J. Rowe who has left the parish after ten years in Bury.

Mr. Rowe's letters follow: "To the members of St. Paul's congregation at Bury. My friends and former parishioners: I want somehow to make sure that my thanks and my appreciation reach you all, because of your gracious and generous expression

of regard towards my family and me at the end of ten years together as priest and people. Through these years we have been very happy in the friendly atmosphere of the parish. The women's organizations especially have our warm affection. Indeed we have no recollection of anything but good-natural friendliness in the Christian relationship between us. In offering you my sincerest thanks for this and many other of your acts of kindness and goodwill towards me and in the hope

Puerto Rico's Bid For Tourists

Of striking architecture, this new \$6,000,000 hotel in San Juan, P.R., is one of the results of Puerto Rico's five-year, self-financed industrial battle to stabilize its economy. The new hotel, 10 stories high, with 300 guest rooms in a wide range of rates is part of the island's bid for the Caribbean tourist trade.

that God has blessed my ministry in your midst, I now ask you to extend to Rev. S. R. Foreman, who will soon be among you, the same friendliness that I enjoyed. And may God abundantly bless you, and grant to the parish a quickened sense of devotion, and a readiness to give generously to the growing needs of the church, and (for the sake of the younger generation) share more actively in the social life of the community. This will assure the progress of St. Paul's as the year goes on. With happy recollections and every good wish, yours sincerely, "W. J. ROWE."

Mr. Rowe's other letter is addressed to members of St. John's Guild and the congregation. It reads: "Your parting gifts, and expressions of good will towards Mrs. Rowe and me have touched us very deeply. You are a small congregation, and for that very reason we have been more intimate in all that affects our faith and activities. And I assure you we leave the parish with a warm regard for you all. Mr. Foreman, who comes new to the parish, as I did ten years ago, will soon be aware of something distinctive in loyalty and devotion that marks St. John's congregation and Guild. And he will find, as I have found, that it is a happy experience to know you and work among you.

"Thank you for your generous gifts and hearty good wishes, and may God's blessing be upon the parish—St. Paul's and St. John's—its priest and people, for future days. With our sincerest good wishes, Yours very faithfully, "REV. W. J. ROWE."

A Red Cross Blood Bank Service Has Been Opened In Granby Sponsored By The Granby Junior Board Of Trade

Granby, Nov. 3.—The Granby Junior Board of Trade has been in touch with the Red Cross authorities in Montreal, in an effort to organize a blood bank for the community of Granby, and for the benefit of the local hospital.

Mr. Jules Thibault, chairman of the blood bank committee, has announced that a Red Cross clinic will be held in Granby on November 2, 3 and 4 and a special invitation was sent to all civic and religious authorities, clubs, associations and industries to send representatives to a meeting, which was held on Tuesday morning, October 11, at eight o'clock at the Canadian Legion Memorial Hall, 172 Court Street.

Representatives of the Red Cross Blood Bank Service, Capt. L. M. Poitras and Mrs. R. B. Shaw were present at this meeting and outlined the details of the Blood Bank, which is being organized through the collaboration of St. Joseph's Hospital and under the auspices of the Junior Board of Trade.

Several Showers Have Been Held In Honor Of Miss Betty Fields, A Popular Bride-Elect Of Magog

Magog, Nov. 3. — Miss Betty Fields, a popular bride-elect, was the guest of honor at a party, when Miss Betty Clough, of two more showers this week. Miss Montreal and Ayer's Cliff, gave a

kitchen shower in her honor, at the home of the bride-elect's parents, Mr. and Mrs. George Fields. Miss Fields had gone down town to do some shopping with friends and upon arriving home was very much surprised to find thirty of her friends assembled to extend to her their very best wishes.

She was escorted to the place of honor by her hostess of the evening, Miss Clough. On a table at her side, was an umbrella decorated in silver, pink and white, where strange and attractively wrapped packages were concealed. The umbrella was lined with silver and fine pink streamers. There were white and silver bells, with tiny bows and streamers attractively attached to form a novel presentation, with the thought "may all your clouds have a silver lining."

The gifts were unwrapped and admired by all, after which the bride-to-be expressed her appreciation very sincerely.

Piano selections were played by Miss Patricia Beard, which was very much enjoyed.

A dainty buffet lunch was served by Miss Betty Clough assisted by Miss Ruby Clough, of Ayer's Cliff, Miss Grace Whittier, and Miss Shirley Fields.

Before the guests departed for their respective homes they expressed their personal felicitations to Miss Fields who will be much missed by her large circle of friends, which she has made since serving the local Bank of Montreal.

A CUP AND SAUCER SHOWER

On Tuesday evening, Miss Grace Whittier was hostess at a cup and saucer shower at her home, in honor of Miss Betty Fields.

Miss Whittier called Miss Fields to come over for a minute and she was surprised to find the supposedly empty house filled with more of her many friends. She was escorted to a table where pretty wrapped parcels had been arranged in a shower effect.

The gifts were unwrapped and

DRUMMONDVILLE

A very successful social evening for the families of the congregation was held last week. Games were in charge of Messrs. Rose, Conir and Hole. Entertainment was provided by Aden Gnaedinger (Drummondville's Spike Jones) and Gault Parker, the choir director. The minister led a sing-song, for which a musical accompaniment was provided by Mr. Gault Parker at the Minshall organ and Miss Eunice Morton at the piano. Light refreshments were supplied by the Women's Association. The closing came promptly at 10.30 p. m., with the singing of God Save the King.

The church was packed to capacity at both morning and evening services on anniversary Sunday. Rev. Dr. Kilpatrick delivered inspiring messages. The music by the choir was selected to suit the occasion. The response by the congregation to the appeal of the trustees for \$1,500 has been really encouraging and it is hoped now that by the end of the month the bank note can be destroyed. The social hour after the evening service was attended by 80 people. Among the visitors were Rev. H. M. Church, the newly appointed rector of St. George's Church, Heriot St., Mr. Arthur Holmes, the rector's warden, accompanied by Mrs. Holmes, also the teaching staff of the Drummondville High School. Mr. Robt. Haworth, representative of Drummondville on the Central School Board, Mrs. Haworth. Greetings were read to the gathering on the occasion of the 31st anniversary by Rev. Albert Smith, D.D., and Rev. D. L. Ritchie, D.D., both of Montreal, and retired, both having previously taken an active part in solidifying the church. Light refreshments were provided by the elders' wives under the joint leadership of Mrs. Clifford Wilson and Mrs. W. Rose.

At the last meeting of the Women's Association, with the president, Mrs. Stafford, in charge, the special item of entertainment was a talk given by Miss Eileen Haworth on her recent holiday in Switzerland, which also covered a brief stopover in London, England, where she visited such historical landmarks as the Tower of London, St. Paul's Cathedral, Westminster Abbey, the Houses of Parliament and witnessed the changing of the guard at Buckingham Palace. From London she travelled via Dover to Ostend, in Belgium, and thence from there by train to Switzerland. From Lugano, her first stop, she visited Milan in Italy, and its famous cathedral and saw the original of the famous painting "The Last Supper" by Leonardo de Vinci. She made an

From Lucerne, her second stop, she made visits to Altorg, made famous by William Tell; to Interlaken and many other well known beauty spots. Let's Face It! The cold-weather months are hard on your skin! So—for the very kindest skin-care you can give yourself—I recommend regular use of extra-mild WOODBURY FACIAL SOAP. It's the best beauty treatment I know for skins chapped and parched by winter's winds! You'll never, never have "skin-burn" with this kitten-mild soap, skin-burn is that terrible, itchy, itchy condition of skin robbed of its softening oils. You see, Woodbury Soap contains a skin-smoothing ingredient of fine face creams. It's actually made by skin specialists. So try a Woodbury Facial Soap every day: Massage the creamy lather thoroughly over your face to cleanse and soften. Then follow with two rinses—a warm and a cold—and pat dry.

High Praise and lots of it... for the gal who serves this Feather Spice Cake! Delicate, fine-textured, so moist and tender because it's made with SWANS DOWN CAKE FLOUR, the cake flour you know, that's sifted again and again until 27 times as fine as ordinary flour.

FEATHER SPICE CAKE

2 1/2 cups sifted Swans Down Cake Flour

2 1/2 teaspoons Calumet Baking Powder

1/4 teaspoon salt

1 teaspoon cinnamon

1/2 teaspoon mace

1/4 teaspoon cloves

1/2 cup butter or other shortening

1 cup sugar

2 eggs unbeaten

1/3 cup molasses

1 cup milk

Sift flour once, measure, add baking powder, salt and spices. Sift 3 times. Cream butter, add sugar gradually; cream together until light and fluffy. Add eggs, one at a time, beating thoroughly after each. Add molasses and blend. Add flour in alternately with milk, a small amount at a time, beating after each addition until smooth. Bake in two greased 9-inch layer pans in moderate oven (375 deg. F.) about 25 to 30 minutes.

"My Husband's Favourite Dessert," a reader writes, "is Blanc Manger. And—since I've begun using the Blanc Manger recipe in Jane Ashley's recipe folder—he boasts that I make the best he's ever tasted!" You'll want to give your husband the treat of this excellent recipe, so here it is—courtesy of Jane Ashley of Canada Star's Home Service Department!...

1/2 cup sugar

6 tablespoons BENSON'S CORN STARCH

1 1/2 cups vanilla

Mix sugar, Benson's Corn Starch and salt in a double boiler. Gradually add milk, mixing until smooth. Place over boiling water and cook, stirring constantly, until mixture thickens. Cover and continue cooking 10 minutes longer, stirring occasionally. Remove from heat. Add vanilla; cool. Pour into moulds or serving dish and chill. Make 6 to 8 servings.
