THE SCHNEEBELG AFFAIRS.

Contradictory statements—The French

newspapers suspect Bismarck of

duplicité—Probable settlement of

the difficulty.

PARIS, April 27.—In semi-official

circles it is believed Germany desires

to expedite the adjustment of the

Schneebelg affair, and that arrangements

are progressing favorably at Berlin for a

prompt and satisfactory settlement, Ger-

many has received all the documents in

the case.

PARIS, April 27.—There was a bitter

feeling on the Bourse at the close in con-

sequence of rumors that Bismarck had

consented to parole Schneebelg.

BERLIN, April 27.—It is stated here

that the result of the inquiry which the

German Government has made into the

Schneebelg affair has been to impress

Prince Bismarck with the view that the

arrest was made on German territory.

PARIS, April 27.—The majority of

French newspapers suspect that Bismarck

has caused delay in the settlement of the

Schneebelg affair in the hope of im-

pelling the French people to commit some

act of folly and then urge no abatement

of the claim which the people have

hitherto maintained under provocation.

LONDON, April 27.—The *Post's* Berlin

correspondent says: "Commissary Gauthier

has been to Berlin to see M. Herbet, the

Berlin correspondent of the *Daily*

News reports that the German Govern-

ment has promised M. Herbet, the French

minister at Berlin, that Schneebelg will be

released if it is proved that he was en-

tered across the frontier. He also says

Comte Bourguenier, the Secretary of the

French Embassy at Berlin, has gone to

Paris and that he carries with him a ver-

bal message to Minister Florentie.

BERLIN, April 27.—The report that

France had demanded the extradition of

Schneebelg is officially declared to be an

invention.

The Schneebelg incident is the Govern-

ment is able to place before M. Herbet,

the French Ambassador, absolute evidence

that Schneebelg had long been actively

engaged in plotting conspiracy and acting

as a spy in France and proof that he was

arrested in German territory. It is re-

ported in official circles that to conciliate

France Germany will offer to release

Schneebelg on condition that he be re-

moted from the frontier post. The papers

to-day make scant reference to the affair.

The *Berlin Courier* advocates the release

of Schneebelg in deference to the French

feeling, even though there be abundant

evidence that he was a spy and a traitor.

Prices on the Bourse to-day were firm

and there was active buying. Inter-

national closed $\frac{1}{2}$ to $\frac{3}{4}$ per cent. better.

Mr. Parnell's Letter to the Ex-Premier

LONDON, April 27.—It has transpired

that Mr. Gladstone, in his speech at the

dinner given by the labor members of

Parliament last night, declared his entire

disbelief in the accusations made against

the Irish leaders. Mr. Gladstone said

that in May, 1882, immediately after

the assassination of Lord Frederick

letter with reference to that crime. The

WHAT TRUE MERIT WILL DO.
The unprecedented sale of Bosche's German Syrup within a few years has astonished the world. It is without doubt the safest and best remedy ever discovered for the speedy and effectual cure of Coughs, Colds and the severest Lung troubles. It acts on an entirely different principle from the usual prescriptions given by Physicians, as it does not dry up a Cough and leave the disease still in the system, but on the contrary removes the cause of the trouble, heals the parts affected and leaves them in a purely healthy condition. A bottle kept in the house for use when the disease makes their appearance, will save doctor's bills and a long spell of serious illness. A trial will convince you of the truth of this. It is positively sold by all druggists and general dealers in the land. Price, 75 cents, large bottles.
