German Clash at Calais Met Staggering Repulse; Are Also Thrown Back 30 Miles From Warsaw

RIGHT WING OF ALLIES AGAIN ACTIVE; ENEMY DRIVEN BACK TOWARD MUELHAUSEN; FALL OF PRZEMYSL SAID TO BE IMMINENT

ACTIVITY ON RIGHT WING OF ALLIES.

Paris, Oct. 15.—(Special)—The right wing of the Allies is now beginning to show activity, according to reports reaching Paris this morning. There was yesterday an almost continuous firing of heavy artillery along the frontier. A force of Germans delivered a spirited attack on French troops, in which a number were wounded. As night closed this force of the enemy was driven back in the direction of Muelhausen.

REPORTS LACK CLEARNESS.

Lt.-Col. Rousset, the French military critic, in his article to-day, declares that the recent official communications are lacking in clearness and that it is impossible to find in them any indication, even an absolutely harmless one, of the present military situation.

GERMAN STEAMERS SEIZED.

London, Oct. 15.—(Special)—Athens newspapers assert that the Russian fleet in the Black Sea has seized two German steamers loaded with cereals, bound from Galatz for Kustendje, Roumania.

GERMANS THROWN BACK AT WARSAW.

London, Oct. 15.—(Special)—"I hear that the enemy approached to within ten miles of Warsaw, but were thrown back to a distance of thirty miles," says the Times' Petrograd correspondent.

FALL OF PRZEMYSL IMMINENT.

"The fall of Przemyśl is imminent. The garrison there is being decimated by cholera. Private advices received here say that the main forces already have been taken by the Russians."

MUST WORK AT FORTIFICATIONS.

Vienna, Oct. 15, via Paris.—(Special)—It is reported from Trieste, Austria, that all able-bodied men in Austria are being forcibly compelled to assist in constructing fortifications. Any man refusing to do this work is arrested. The people are expressing indignation because of this.

FALL BEFORE ALLIED FORCE

GERMANS MAY REACH OSTEND, BUT WILL MEET WITH STUBBORN RESISTANCE.

London, October 15.—While it is fully expected that the Germans will reach Ostend and other ports in the northwest of Belgium, if they have not done so already, they will be met with a very stubborn resistance in their attempt to extend the right wing of their main army through Flanders to the French northern ports. They have, in fact, fallen back in this region in the face of the Allies' offensive.

A few days ago the German cavalry were fighting as far west as Hazebrouck and Cassel, but yesterday, according to the French official communication issued yesterday afternoon, the front of this battle extends from La Bassée through Estaires to Bailleul on the Belgian frontier, while across the border the Allies have occupied Ypres. This is a very distinct gain for the Allies and shows that the German attempt to work around their left has failed, the German right being bent back toward Lille and Courtrai, both of which places the invaders hold with strong forces. It is here that the heavy blows, that both sides hope will bring about a decisive result in the long-drawn-out battle will be struck, and it is for this reason that the Germans will be able to make their way to Ostend, although even there some troops have been left to inflict what damage they can before joining the larger body further south.

SMASHING BLOW PREPARED. The censorship has prohibited any mention of the operations to the north of Arras, which is probably responsible for the belief that the Allies have prepared what one military critic declares is "a smashing blow, which the longer it is delayed will be the more crushing in its effect."

Of the recent fighting elsewhere, the French communication simply says that the operations are proceeding normally on the left wing as far as the Duse; that the Allies' progress in the Berry-Au-Bac region is confirmed, and that on the right wing there is nothing new.

DENIES GERMAN CLAIMS.

For the first time, however, the French General Staff takes notice of and denies some claims put forth by the Germans. It is denied that two French cavalry divisions have been destroyed, and it is asserted, on the other hand, that the aviators with the French cavalry inflicted heavy losses on the German cavalry. It is also declared that the Germans have not come into touch with the fortress of Verdun and that attempts to do so have failed, while in their effort to traverse the Meuse at St. Mihiel they were outflanked.

CAN CALL 5,000,000 MEN.

German reports coming through Rome say that the real struggle is only just beginning and that, if necessary, 5,000,000 men can be called upon for compulsory service, while many volunteers are also available.

DENIES EVACUATION OF LEMBERG.

Vienna makes the claim that the Russians have evacuated Lemberg, while the Russians deny a similar report that they had given up the siege of Przemyśl. It would not surprise military men if the Russians withdrew from Galicia to concentrate all their forces for the supreme struggle which, with the advance of the Austro-German armies into Poland, is now upon them along the Vistula River from south of Warsaw to their southern boundary.

NO NEWS FROM EAST PRUSSIA.

Nothing has come through concerning the battle on the East Prussian frontier, but the activity of the German fleet in the Baltic and the Gulf of Finland may presage the arrival of German reinforcements, which it was reported some days ago were being embarked at German Baltic ports. A German squadron, the flagship of which is flying the flag of Prince Henry of Prussia, has been cruising in the vicinity of Åland Island, and only a day or two ago the Russian cruiser Pallada was torpedoed by German submarines, two of which were lost. The presence of the German ships would probably prevent the Russian warships from coming out to interfere with transports, should there be any about.

TURKEY AND PORTUGAL DRAWN IN.

There was every indication yesterday that Turkey and Portugal would be drawn into the war. Portugal has not declared war on Germany, as was reported, but a partial mobilization of her forces will be ordered to-day, and martial law has been declared in Portuguese Congo.

PORTUGAL AND GERMANY.

Portugal has an alliance with Great Britain, but this is purely a defensive one and was negotiated for the protection of Portugal and not with the idea that Portugal should ever be called upon to come to the assistance of Great Britain. However, the sympathy of that country is known to be with the Allies, and she has had some small difficulties with the Germans in Africa. A short time ago a German officer, suspecting that the Portuguese were investigating unrest among the German natives of East Africa, crossed into Portuguese Nyassaland and killed a Portuguese sergeant and four natives.

SPILL MANNED BY GERMANS.

The former German cruisers Goeben and Breslau, which sought refuge in Turkish waters when driven out of the Mediterranean by the British and French warships, may be responsible for the involvement of Turkey. Although these ships were ostensibly sold to Turkey, they are still officered and manned by Germans, and have been cruising off the Rumanian and Bulgarian coasts of the Black Sea, where the Russian Black Sea fleet has been for some days, and should the Russian warships sight the Goeben and Breslau an engagement would be possible.

SOUTH AFRICAN REBELLION NOT SERIOUS. General Botha, the Premier of the Union of South Africa, has sent a force to deal with Col. Meritz and the rebels under his command. According to an official telegram from the South African Government the rebellion is not as serious as was feared. It is said that the men under Meritz do not exceed 500, including Germans, and that as the Dutch farmers are flocking to Gen. Botha's standard, Meritz is not likely to receive any large acquisitions.

GERMANS MADE DASH ON CALAIS

MET WITH STAGGERING BLOW WHEN THEY ADVANCED ON POSITION

Calais, October 15.—(Despatch to the London Daily Chronicle)—The position of the left wing, which is now by far the most important section of the gigantic battle line, grows day by day more satisfactory from every point of view. The Germans have been pushed back as far as (censored), where they are entrenching, and it appears that in this particular part of the war area they will make an endeavor to hold the line between Blankendurge, Bruges and Courtrai. There can now be little doubt that it was their intention to advance on Calais, a move which was timed to be coincident with the taking of Antwerp. They intended to score a second "blow at English prestige" by planting the German flag within sight of the shores of Great Britain. They advanced in considerable force on Harzebruck, Montcassel and St. Omer. Our guns, however, were advantageously placed on an eminence at Montcassel and almost before the enemy was aware of the serious nature of the opposition they were meeting with the Allies were working most serious havoc on the oncoming German ranks.

A considerable force of Germans advanced, and while well forward were amazed at being met by the raking side-fire from the trenches on their right, which they had not noticed. The execution was deadly, and the enemy fell back with many hundreds killed and wounded and in some disorder. The advantage gained was followed up during the two following days, the result being that the German front in that region was thrown back over the Belgian border. The Germans were undoubtedly taken by surprise.

GERMANS HURLED BACK

MET WITH SERIOUS DEFEAT AT WARSAW.

Petrograd, Oct. 15.—(Despatch to the London Daily Chronicle)—It is reported that the first attack of the Germans on Warsaw has been hurled back to the north in the region of Grodno and Suwalki, where the Germans suffered a great defeat.

A rumor is widespread that the Kaiser himself is in command of the troops and is directing operations.

OFFICIAL STATEMENTS

GERMANS PRESSED BACK. London, Oct. 15.—The official press bureau last night issued the following statement:

"British troops have been engaged with the enemy towards the left of the allied line (in France), with the result that the Germans have been pressed back slightly on their flank. 'The nature of the country in which the fighting has been conducted, being a mining centre, makes rapid progress difficult.'"

NO MODIFICATION.

Paris, Oct. 15.—The official communication issued last night by the War Office says:

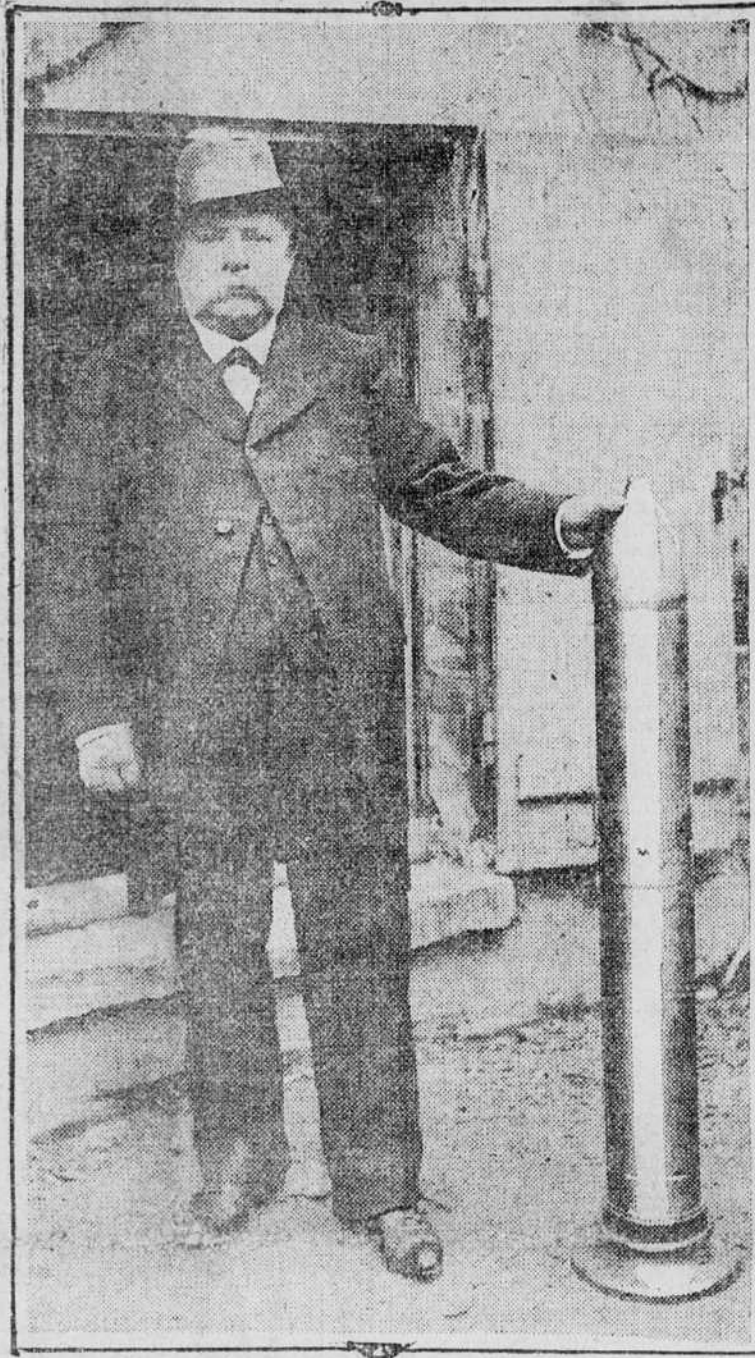

"The reports received last night, which are in very general terms, indicate no important modification in the situation."

TOOK TWO COMPANIES.

Petrograd, Oct. 15.—The following official communication from the general staff was issued last night:

"On the left bank of the Vistula along the roads leading from Warsaw to Ivangorod, our troops on Oct. 13 successfully pressed back the German forces. One of our regiments captured two German companies."

ATTEMPT ON LIFE OF PRES. POINCARE CHANGES IN THE CABINET

German Aviator Dropped Bomb on Headquarters of French Staff Will be Appointed to a Portfolio

INFORMATION AS TO VISIT OF PRESIDENT WAS FURNISHED BY A SPY.

London, Oct. 15, 2.40 a.m.—The Paris correspondent of the Exchange Telegraph Company, in a despatch dated Wednesday, says:

"Now that the headquarters of the French staff has been changed, it has become possible to announce that when President Poincaré visited General Joffre last week at Romilly-sur-Seine, a German aviator dropped a bomb into the town, doing no damage."

"The news of the approaching visit of President Poincaré had been communicated to the enemy by a spy. One of their best pilots was sent out with a bomb, which he was ordered to drop on the quarters occupied by the President and General Joffre. A French aviator named Framnz immediately pursued and brought down the raider. Framnz was rewarded by M. Poincaré, who pinned the cross of the Legion of Honour on the aviator's tunic."

AUSTRIA AFRAID OF ITALY

Rome, via Paris, Oct. 15.—(Special)—The Messagero to-day published a telegram from Vienna which says that the appointment of General Seupelli as Italian Minister of War is causing some apprehension in the Austrian capital, the fear being entertained that General Seupelli, who comes from Capo D'Istria, Austria-Hungary, will favor the joining of

CANADIANS AT PLYMOUTH

Contingent For Great Britain's Expeditionary Force Reaches Britain

WERE GREETED WITH ENTHUSIASM BY CROWDS OVERLOOKING THE SOUND.

Plymouth, via London, Oct. 15, 3.40 a.m.—To Plymouth, with its wonderful history, has fallen the honor of welcoming the Canadian volunteer contingent for Great Britain's expeditionary force.

As soon as it was known on Wednesday morning that the transports were arriving, great crowds hurried to all points overlooking Plymouth Sound and greeted the men swarming the decks with enthusiastic cheers, to which the Canadians heartily responded.

The vessels anchored off Devonport. The bands aboard played lively tunes and sounds of merriment came across the water all day long as the succeeding ships came to anchor. The last of the transports arrived at nine o'clock at night.

The voyage was safely accomplished, and the officers and men are in excellent health. As the ships entered the harbor, the Royal Garrison Artillery Band played "The Red, White and Blue," and "The Maple Leaf Forever," while the skirl of the bagpipes was much in evidence. A few of the officers came ashore last night for a short time. The whole of the troops will be landed to-day, part at Plymouth, and the remainder at another port not yet announced.

EXPORTATION OF PETROLEUM FORBIDDEN.

London, Oct. 15.—(Special)—A Reuter despatch from Amsterdam says the exportation of petroleum from the Netherlands has been forbidden by royal decree.

BRIGHAM

Mrs. Edwin Johnson passed sudden-
ly away on Friday, October 2nd, at
the age of thirty years. The funeral
service was held on Sunday afternoon
October 4th, at the Congrega-

al Church, and was conducted by the
Pastor, Mr. W. O. Watson. The
Church was filled to overflowing with
friends and neighbors from far and
near, who came to be present to
show their sorrow and deep sym-
pathy. The floral tributes were beau-
tiful and testified to the esteem in
which she was held. The choir sang,
"Saved by Grace" and "Abide With Me."
The bearers were Messrs. O. Scribner,
M. Boyd, J. Kennedy, Wm. Crosby,
C. Linstead, and R. Thompson. The
interment was in the family lot with
her little daughter, who passed away
not quite two years ago. The late
Mrs. Johnson, whose death occurred
when just entering upon womanhood,
was a great shock to her many
friends. The deceased was highly re-
spected by all who knew her as she
had a sweet and loving disposition,
kind hearted, always and ever ready
to lend a helping hand, and will be
greatly missed, both in her home and
by a large circle of friends. The late
Mrs. Johnson, whose maiden name
was Miss McKay, was born in Prince
Edward Island in 1834 and came to
Manchester when a young girl to re-
side with her aunt, her parents both
being dead as well as one sister. She
leaves to mourn her loss a sorrow-
ing husband and an infant son, four
brothers, one in Prince Edward Is-
land; two in Winnipeg, and one in
Alberta, all being unable to be pre-
sent at the burial service.

GO TO HALIFAX (OR SHERBROOKE)

(New York World)

This country seems to have been a little shy of the spirit that moved Canadian business men in the capital of Nova Scotia to declare through a full page notice in the Canadian prints:

"We, the undersigned merchants of Halifax, desiring to serve the best interests of the city and country, pledge ourselves to do our utmost with a view toward controlling prices in Halifax, that they may not increase beyond the means of citizens during the war."

"We firmly believe that the merchant who attempts to defraud the public at a crisis such as this is as much a traitor to his flag as the men who sell the plans of a fortress."

"Despite the fact that the great nations of the world are engaged in war and Canada is at war, the people of Canada can sleep, eat, buy clothes and carry on the usual routine. It doesn't mean ruinous unless the small-minded merchants seek to take advantage of their fellow citizens on account of the present conditions. We are all going to stay in business and do everything to protect our customers. It is not necessary to purchase all your stock at once."

"Forget the war during business hours."

A few more proclamations of this sort would have been immensely more gratifying to the pride of New York than vigilance committees to prosecute price boosters.

The above proclamation, quoted by the New York World, is the same as has been issued by many leading merchants in Sherbrooke and the Townships, to their customers. In many other cities in Canada merchants have taken a similar position. This stand by patriotic Canadian merchants has made it impossible for any others who might have been desirous of taking advantage of the situation to secure extra profits to work their plan successfully.

Moorhead.

Microbes in Your Scalp

Authorities say that a microbe causes baldness. If you are losing hair try our remedy at our risk.

Professor Unna, of Germany, and Dr. Sabouraud, the great French Dermatologist, claim that a microbe causes baldness, and their theory has been verified by eminent scientists. This microbe destroys the hair follicles, in time causing the scalp pores to close and the scalp to become shiny. Then, it is believed nothing will revive the growth. If treated before this occurs, baldness may be overcome.

We know of nothing that has given such universal satisfaction in treating the scalp and hair as Rezal "98" Hair Tonic. It has been designed after long study to overcome the cause of falling hair as discovered by Prof. Unna, Dr. Sabouraud and other scalp and hair specialists, and we believe it will do more than anything else can to remove dandruff and stop falling hair; and, if any human agency can promote a new growth of hair it will do that, too.

We want you to make us prove it. We will pay for a month's treatment of Rezal "98" Hair Tonic used according to directions, and are not thoroughly satisfied. When we will do this, you surely should not hesitate to at least try it.

Start the treatment today. Your mere request will get your money back if you want it. Two sizes, 50c and \$1.00.

PRESENTATION TO BEDFORD PASTOR

Work of Rev. Mr. Ward Appreciated By His Congregation

CONSIDERABLE BUSINESS WAS TRANSACTED AT REGULAR MEETING OF MUNICIPAL COUNCIL.

Bedford, Oct. 15.—(Special)—Occasion was taken on Saturday evening by members and friends of the Bedford Methodist Church to manifest to Pastor A. J. Ward their appreciation of his efforts to improve the Church property, now happily completed. A well ordered supper was served in the Church Hall at which a goodly number sat down and after full justice had been done to the good things provided, the Rev. Robt. Bell, on behalf of both present and absent friends, gave expression to the gratitude all felt for the good work done and on the eve of the pastor's departure for a well earned holiday, expressed the hope that he would return to them in vigor and energy, and further asked his acceptance of a purse containing the sum of \$80 to enable him to return to their midst.

Pastor Ward who had been taken completely by surprise, complimented the meeting on their ability to keep word of their purpose had reached his ears. He took the evening's proceedings to mean that the people were to some extent satisfied with what had been done by him and assured them that he was more pleased by the evidence of their friendship and kindly feeling than by the intrinsic value of the gift. He hoped to return well fitted out for a strenuous winter's work and urged all during his absence to sustain the work of the church in each department.

Mrs. Butler spoke a few words expressing the pleasure it gave her to

participate in the little send-off for Mr. Ward. Mr. Nelson Davis, a former principal of the local Academy, and now of Westmount, was also glad to be present and called attention to the many improvements now in evidence in connection with the church property.

Owing to the death of a prominent adherent of the church and the illness of several others the proceedings were made very brief.

Mr. Ward left on Tuesday morning for Quyon in the Ottawa Valley, his old circuit, where he will spend a couple of weeks visiting friends.

THE LATE ALEX. WATSON, MYSTIC.

The death of Mr. Alex. Watson, of Mystic, occurred on Friday morning, at his home, aged 85 years.

Some four years ago he suffered a severe shock from which he never recovered, and latterly he has been compelled to take to his bed, and as stated above, his illness terminated fatally on the 9th inst. Mr. Watson was a native of Argyle, Scotland, from whence he left with his parents and other members of the family at the age of seven years. On the way out his mother died aboard ship below Quebec. His father found his way to Pike River where the deceased grew up, eventually succeeding to the farm. Here a large family was born to him and the Watson household was a centre of much social life in days gone by.

A large congregation assembled in the Mystic Methodist Church on Sunday afternoon to pay respects to one so well known. The service was conducted by Pastor A. J. Ward and special music was rendered by a quartette composed of Messrs. Henry Capsey, Raymond Sulley, K. Struth, and Ernest Werner. The pall-bearers were Dr. Clark, Messrs. M. Smith and H. Thomas, sons-in-law; Mr. J. Watson, brother-in-law; Mr. Murray Thomas, grandson, and Mr. William Mason, nephew. The interment took place in the Pike River cemetery.

There remains to mourn his loss, one son, William, of Brooklyn, N.Y., and five daughters: Mrs. Holmes, of Hartford, Conn.; Mrs. Thomas, of Richmond, Vt.; Mrs. Jas. Ewing, of Vancouver, B.C.; Mrs. Clark, of

Montgomery Centre, and Miss Lillian Watson, of Mystic.

HOWARD F. PARKER.

Mr. Howard F. Parker died suddenly at his home in Bedford on Friday afternoon from an attack of heart trouble and the news came as a distinct shock to the whole town, where deceased was widely known and held in high esteem, having occupied at one time the position as Mayor.

Much sympathy is extended to the bereaved widow, Mrs. Parker, and son, David, in the loss they have sustained.

The funeral service was held in the Methodist Church on Monday afternoon and was conducted by Pastor A. J. Ward, after which interment took place in the Mystic cemetery. The pall-bearers were Messrs. S. Coslett, T. S. Laraway, O. S. Bedard, V. B. McKenny, C. O. Jones and H. N. Corey, and Mr. E. F. Currie, director.

OPPOSED LICENSE TRANSFER.

A meeting of the Town Council was held in the County building with Mayor Smith presiding, and all the Councilors present as follows: T. Poirier and G. R. Hulburd, representing the Centre Ward; J. J. Creller, and Jos. McAleer, the South Ward, and W. J. Pendleberry and A. A. Lent, the North Ward. Mr. A. T. Gould, secretary-treasurer, was also present.

A petition was received for the transfer of the liquor license from Messrs. J. T. and H. A. Sewell, of the Central Hotel to Mr. Joseph O. Bonneau. A deputation of ladies, representing the Bedford branch of the W.C.T.U. was present, and with pastor A. J. Ward of the Methodist Church as spokesman, a petition was filed asking the Council not to grant the above transfer. The Council on motion by Councilors Hulburd and Creller, decided that the petition for the transfer be accepted and filed to be dealt with according to law which calls for the laying over of same for a period of at least two weeks.

ACCOUNTS ORDERED PAID.

The following accounts were brought up and ordered to be paid: R.S. and W. S. Lea, \$502.02 for services on preliminary work in connection with a water system; H. P. Sherry, \$3;

W. J. Gall, road work for September, \$28.92; F. C. Saunders, stationery, \$2.85; W. J. Cockerline, funeral expenses re family of Fred Jones, \$24; A. Baile, coal, \$74.16; McColl Bros. & Co., for oil, etc., \$44.70; W. Wayne McCombe, for secretary's guarantee bond, \$5; auditor, \$4; Electric Light Co., \$32.

PROTEST AGAINST WATER COURSE.

Mr. R. M. Jones protested on the measurement of the Dutch street Water Course, and the Council therefore decided on motion by Councilors Lent and Pendleberry that the secretary notify Jos. Belanger, Jr., that objection had been made to the measurement of this water course, claiming it was illegally done, and that measurement must be made again with a disinterested assistant, also that each interested party must be notified at least three clear days of date he intends proceeding with the work.

PASSED VOTERS' LIST.

The Parliamentary voters' list was amended as per petitions filed to the satisfaction of the representatives of the two political parties, who were on hand to give this matter their attention. The Council decided to have an electric light placed on Dutch street, near property owned by Dr. Mitchell, and which will be much appreciated by townspeople who travel this part of the town.

\$2,000 FOR ROAD WORK.

The Council authorized the borrowing of the sum of \$2,000 for road work and then adjourned until Saturday evening, the 24th inst., when among other things, the transfer question will be dealt with.

RED CROSS SOCIETY AT WORK.

The ladies of the Bedford branch of the Red Cross Society held another successful meeting on Tuesday afternoon of this week. Much has already been accomplished by the local society and the report of the sale conducted last Wednesday at the store of Bradford & Loisel was most satisfactory and speaks most creditably for not only the generous merchants who made possible the sale, but the officers and ladies who work-

ed so energetically for the success of it, realizing as they did the sum of \$35.

WHAT E. T. WOMEN ARE DOING FOR PATRIOTIC FUND

PRACTICAL WORK AT DUNHAM.
Dunham, Oct. 15.—(Special)—On Tuesday afternoon the first general meeting of the Patriotic Association was held in the Town Hall. Two sewing machines were placed there for use and a good supply of articles for the soldiers were made. Those who were not able to sew devoted their time to knitting. About twenty-five ladies were present. It is the intention to meet every Tuesday afternoon in the Town Hall from 2 to 5 p.m. to sew and knit for the soldiers.

WHAT LENNOXVILLE HAS DONE.

COLLECTION AT STANBRIDGE EAST

Stanbridge East, Oct. 15.—(Special)—The collectors for the soliciting of subscriptions for the Patriotic Fund were Messrs. R. Kidd, G. W. Curran, C. H. Hibbard, T. W. Judd, C. M. Blinn, H. Beatty. This municipality has now been canvassed with the result that between \$250 and \$300 have been raised for the fund. Besides this, the collection at St. James Church recently, amounted to \$40, and the patriotic entertainment held on Saturday night resulted in giving proceeds to the amount of over \$31. The total amount up to the present is thus in the neighborhood of \$850 at least. The ladies who have formed a patriotic club are enthusiastic over their work of sewing and knitting and meet every Friday afternoon for work in the Town Hall.

Arthur Smith Found Guilty of Obtaining Money by Conversion

SOLD BUTTER BELONGING TO THE WEST DUNHAM CREAMERY AND KEPT THE MONEY

Sweetsburg, October 15.—(Special)—The whole of Tuesday was taken for the trial of Arthur Smith for theft by conversion, who was found guilty after a few minutes deliberation by the jury.

The accused, a buttermaker, and owner of a dairy factory at West Dunham, was also salesman of the same. In September, 1913, he sold two lots of butter to one Marcy, and received two cheques of over \$500 and \$600 respectively but failed to turn over the money to the secretary of the Creamery for distribution among the patrons. He disappeared for a while, but his whereabouts having been found, he was promptly arrested with the result above mentioned.

The case of Henry Stone was taken up yesterday. John Ingalls, upon the charge of serious assault, pleaded guilty, and was sentenced by the imposition of a fine of \$15.

The term will likely end in a couple of days.

SUPPORT GIVEN TO GEN. BOTHA

Many Are Rallying to Back Him From Unexpected Quarters

MEN MENTIONED BY MARITZ HAVE NOT DENIED ACCUSATION OF TREASON

Johannesburg, Oct. 15.—(Dispatch to the London Daily News)—While there is confidence in the ability of the Union Government to subdue the rebellion led by Maritz, the situation contains a big element of gravity. The unsettling feature is the maintenance of silence by the men whose disavowal of association with Maritz in the scheme would go far to relieve the anxiety as to probable developments. There is not the slightest sign of wavering on the part of the Government, and a widespread feeling exists that Premier Botha has made adequate dispositions to grapple with any emergency.

The brightest feature of the situation is the astonishing rally to Botha from unexpected quarters and the absolute solidarity of individual centres, where political divisions have disappeared in a united effort to justify South Africa. In this connection the offer of service by Mr. Creswell, the labor leader, is much appreciated.
