Floor revolt undermines move

OTTAWA (CP) — A floor revolt led by a western MP at the Conservative annual meeting here has undermined a carefully-planned move to give the party association the right to review the leader's tenure every two years.

Jack Horner, the fiery Commons member for Crowfoot, led the attack Tuesday night on the change proposed by the association's constitutional committee after more than a year of study.

Mr. Horner proposed his own amendment to the association constitution on leadership review. It was far more limited than the committee proposal which would have each general meeting vote automatically on whether to have a leadership convention within a year.

General meetings would be held every two years. Delegates will choose today by secret ballot between the two options. The association presidency will also be decided from among four contenders.

An attempt to decide the leadership review issue at Tuesday night's session died when one of the scrutineers said he was unsure of his count in a standing vote on the Horner amendment.

DOORWAYS CROWDED

Confusion reigned as people moved in and out of the hotel convention hall. Others stood in doorways, making it difficult to know whether they were voting or not.

It was finally agreed to defer the vote to today because of its closeness. Results of the invalid

vote were not disclosed but from the press table it appeared the Horner forces had won.

From a floor microphone during the hectic fight over the leadership review, Mr. Horner said that under certain circumstances the committee proposal could result in the party fighting an election with a substantial minority on record as opposed to the leader.

The proposal from the constitutional committee, headed by Heath Macquarrie, MP for Hillsboro, could cripple party candidates in the field, Mr. Horner said.

"Don't blame me if we stay in the opposition for the rest of your lifelong days," he told the delegates, whose numbers gradually dwindled through the long evening.

The Horner proposal suggested the first general meeting after an election could vote on whether to have a leadership convention, but not if the party had increased its Commons seats by more than 20 per cent.

Nor would the provision apply when the party was in power. In that event any general meeting could deal with a resolution for a leadership convention only when the office is vacant or the leader has lost the confidence of the party's parliamentary group.

There was much support also for the Macquarrie committee proposal, David Macdonald, MP for Egmont, said "a straightforward and simple device" was needed.

Bertrand declines talk on television bill

QUEBEC (CP) — Premier Jean-Jacques Bertrand declined comment Tuesday night on the federal government's education television bill, which received first reading in the Commons Monday.

He told reporters the Quebec position in educational and cultural matters has been explained often enough.

He referred to a speech last November in which he said that "in broadcasting, including television, it is evident that Quebec

must reserve its exclusive role in formal education matters and a necessary role in cultural and educational matters in the broadest sense."

The federal bill makes it possible for provincial governments to broadcast educational programs using federal facilities operated by a special agency.

The agency is to finance, build and run broadcasting stations in the provinces for educational purposes. Programs are subject to provincial approval.

News in brief

Road program is backed

HALIFAX (CP) — A 10-year, \$833,000,000 arterial highway building and upgrading program has been recommended by the premiers of the four Atlantic provinces.

The premiers, in a report to Transport Minister Hellyer on Atlantic transportation needs released today, say the long-term program should be preceded by a detailed statistical study of which highways merit up-grading and in what priority.

They call for the federal government to pay 90 per cent of the cost of the first five years of the program, with further costs to be negotiated later.

In the meantime, while priorities are set for the long-term highways program, the premiers say that the federal government should go ahead with an immediate two-year building program costing \$66,600,000.

Of that figure, \$20,000,000 each would go to Nova Scotia, New Brunswick, and Newfoundland, while Prince Edward Island would get \$6,600,000.

The premiers' report also recommends changes in highway regulations aimed at improving road transportation in the Atlantic area.

URGES CONSISTENCY

It says there should be consistency, where possible, between federal and provincial motor carrier regulations, and uniformity in these regulations within the four Atlantic provinces.

It also says federal or provincial authorities should establish and improve regulations requiring highway carriers to provide adequate and suitable accommodations and equipment for the handling of all traffic offered for carriage.

Provincial taxation policies as they affect the motor carrier industry should be reviewed "with the objective of providing a greater degree of uniformity

This would be some of the roughest weather U.S. astronauts ever have landed in. If they had to wait any length of time for pickup, they could become uncomfortable in their bobbing spacecraft.

Recovery day forecasts from the main recovery ship, the carrier Guadalcanal, were more pessimistic, with winds ranging up to gale-force 32 miles an hour and six- to eight-foot seas.

Union leaders react bitterly to de Gaulle

PARIS (CP) — Union leaders reacted bitterly today to President de Gaulle's tough speech Tuesday night following nationwide strikes and violent police-clashes.

Political observers said the country faced increased social political tensions after de Gaulle strongly attacked labor leaders in a radio and television broadcast.

Labor unions felt Tuesday's general strike and a big demonstration in Paris would put pressure on the government into raising its wage increase offer above the four-per-cent limit. The unions are asking for 10 to 12 per cent more.

But de Gaulle stood firm, warning that France is just starting to recover from the crippling effects of last spring's student-labor turmoil. He said strikers would not be allowed to threaten the franc with devaluation and throw the country into chaos again.

ACCUSES LABOR LEADERS
The 78-year-old French leader accused the labor bosses of unleashing "a new offensive" threatening to bring down the currency the economy and the republic.

"Do I need to declare they will be firmly defended?" he asked.

The wage negotiations deadlocked when the government insisted anything beyond a four-per-cent wage increase would result in inflation and might force devaluation of the franc.

Among the first to reply to de Gaulle was Georges Seguy, leader

of the powerful Communist-led Confederation Generale du Travail (CGT), who said that although the unions were still willing to continue wage negotiations with the government "the head of state is hurling ill-willed and gratuitous accusations" against them.

Andre Jeanson, leader of the militant Roman Catholic union grouping, said de Gaulle had "dramatized events to such an outrageous degree as to take away the credibility."

MORE ACTION PLANNED

The militant Catholic unions maintain Tuesday's strikes are only a beginning. And the CGT said further action will be called for but did not specify what form it will take or when.

The 24-hour strikes paralyzed almost every branch of industry, reduced public transport to skeleton services and closed many government offices.

There were huge demonstrations for better wages by tens of thousands of workers in provincial cities while in Paris some 200,000 workers marched through the streets to the Place de la Bastille.

The workers dispersed without incident but about 5,000 extremist students then occupied the square and began hurling bottles and stones at riot police.

After a half hour of defending themselves with shields, police charged the students with rubber clubs in a show of violence

not seen in Paris since the riots of May and June, 1968.

About two dozen students were pinned to a wall, their hands behind their heads and noses streaming blood. Among them was a middle-aged woman, her face a mass of blood.

Police today released 232 persons arrested during the demonstration. Two persons were being held for alleged violence to police.

STANSTEAD — The drama festival and Movie Montage presented here at the school on Friday evening for students and Saturday evening for the general public was well attended despite the inclement weather and not so good highways of Saturday evening.

The Bald Prima-Donna by Eugene Ionesco included a cast of six characters: Mr. Smith portrayed by G. Gale; Mr. Smith by Barry Dewey; Mr.

Martin, by P. Smith; Mrs. Martin by P. Burden; firechief by J. Novotny and maid by M. Stead.

It was a one-act production and the setting was the drawing room of a middle-class home in a suburb of London, England. To hear the cast one would think they might have been flown over from London, so good was the English accent.

The second play, The Ugly Duckling, by A. A. Milne had a cast of seven. D. Cochrane portrayed the King, with all pomp and vanity, while the Queen was Doug McDade; Chancellor, D. Shapiro; Prince and Princess were J. Lush and J. den Hartog; Carlo, Don McDade and Dulcibella, B. Hodge. This was also a one-act and

the scene setting was the throne room in an imaginary castle in an imaginary country.

There's a great deal to be said for all the actors who presented supreme performances, especially the boys who portrayed the parts of the women in the plays.

In both plays there were several others, both staff and students, who served "behind the scenes".

Between the plays, Movie Montage was presented. These were films produced by the Movie Club of the school. The films included the introduction and flight, pictures taken from a plane of Newport, the Border communities, Lake Massawippi and points between, then of the sports of the autumn season.

the February winter carnival and a few others, all of which were very good.

To make the February listing on the Headmasters list are: Grade 12, N. Sandberg, C. Swift and B. Wallace; Grade 11, I. Morantz, P. Schram, D. Slack and N. Wallace; Grade 10, E. Dempster, H. Spinner; Grade 9, W. Craighead, S. Etcheverry, J. Van Wagner, C. Agnew, M. Elder, P. Wayne, Junior School: J. Deacon, D. Fowles, R. Ho and S. Scholefield.

Raymond Lester, Headmaster and George Banks, bursar, will be in Montreal on March 13 to attend an executive meeting of the College Board.

Mr. Lester was a week in New York, where he represented and spoke for the Canadian

Headmasters Association.

March 19 is the date for the Athletic awards for the basketball, hockey, and ski season.

Alex Philip, Director of Athletics is making arrangements for a speaker.

March 17, the Inspector of Schools, Department of Education, will be here at the school.

Mr. Lorne Shewfelt, the new headmaster of Albert College, Belleville, Ont., a co-ed school of the United Church of Canada, will spend a couple of days here at Stanstead College. Mr. Shewfelt will assume his new duties in September.

The hockey teams season ended on Saturday, March 8, with a successful two games played with Kimball Union Academy, of Dartmouth College, Meridan,

N.H. The games were played on Bishop's ice at Lennoxville between the Varsity teams. Coach Peter Boyd, says it was one of the best games he has coached since he came to Stanstead a few years ago. There were thrills and suspense from beginning to end of the game, which ended with a score of 7 for Stanstead and 6 for the visitors.

The Junior Varsity game was also an excellent one, says coach Andre Lebel, and that this game was the best of the season.

Scoring for Boyd's team Andre Hardwick accounted for three goals, Steve Mitchell for two, and one each was made by A. Lester and S. Waugh. In the Juniors, Dave Black made the two scores for Stanstead, the visitors had one goal.

Stanstead's ski team will be participating on March 12 Ski Meet at Bishop's in Lennoxville. Rev. William Hutchinson will be the guest speaker at chapel this week. He is pastor of the Universalist Church, Derby Line.

Area survey meeting held at Grace Chapel

Saturday March 8, representatives from the different assemblies of the Christian Brethren Church in the Eastern Township, met at Grace Chapel in Sherbrooke, to present reports of their progress during the past year.

N. J. Gentry from Huntingville, outlined plans for the building of a new church to accommodate the growing attendance at Sunday services and youth work. F. Warnholtz from Cherry River reported on the progress being made in the development of Parkside Ranch, a 150 acre recreational and conference centre adjoining Mt. Orford park. Already in partial operation, facilities are being rushed to completion to make it an around year Youth Centre.

Accounts of the work at Brookbury, Ayer's Cliff and Stanstead were given by F. Hatch, G. Coburn, and J. Walker respectively.

For Grace Chapel Mr. C. Haley reported on Youth and Christian Education activities; Mrs. R. Paulette on the women's work; Don Fish on Fellowship and Young Couples;

Miss Suchard on Sunshine Clubs for boys and girls; and R. Beckwith on Missionary interests.

Spencer Dible, presently on furlough from Nigeria, gave a timely message on missionary work.

Dr. W. J. Klinck presented an account of Grace Christian Home at Huntingville where 40 elderly folk are in residence; and also with R. Gurnett, a report on the Maplemount Home in Cookshire where 21 children are being cared for.

H. Munkittrick in his report as manager of Frontier Lodge Camp on Lake Wallis, announced that between 500 and 600 children and young people attended the different camps throughout the summer.

N. J. Gentry presented the

work of Boys' Brigade and Pioneer Girls which is carried on jointly by Huntingville Christian Church and Grace Chapel, Sherbrooke.

A. J. Reynolds gave the report on the work of the French assemblies. A very interesting feature of the conference was a panel composed of W. J. Klinck, N. J. Gentry, John Klinck, A. C. Hill, W. Scott and C. Haley when questions submitted from the floor were discussed and answered. H. A. Welch acted as moderator.

Dr. A. C. Hill was chairman of the afternoon session; R. Beckwith of the evening session, and in between an excellent supper was provided under the supervision of Mrs. H. Munkittrick.

Special music was provided by the Marksmen Chorale from Cherry River, and the conference closed with R. Gurnett giving a brief summation of what had been given in the different reports.

Rock Island to have property evaluated

ROCK ISLAND — At the meeting of the Rock Island Town Council held on March 3 in the Town Hall, it was agreed to engage Morin-Tessier and Associates of Sherbrooke professional property evaluators to make a complete valuation of the Town properties.

For a sum of \$5,500 the company will make a complete valuation, 100 per cent valuation, this year with revisions in 1970 and 1971.

A sum of \$25 was voted to the Boy Scout Troop.

The audit for the 1968 year was adopted. This showed the Council had operated within their 1968 budget with a small surplus.

Bills were presented and voted to be paid and communications given attention.

The police report was the same for Rock Island and Stanstead. In February 178 calls were received of which 29 were emergencies. One arrest, four investigations made. There were 45 traffic tickets issued of which 26 were paid by the end of the month. Miles patrolled were 2052.

Lake-side drinking and arrest precede return of RCMP satchel

Three defence witnesses told of harassment, drinking bouts and ultimately two middle-of-the-night arrests by two Royal Canadian Mounted Police officers yesterday in the second day of Conrad Forand's trial on charges of attempted bribery of a police officer and theft of

Canadian government property. The accused, his wife and his brother Guy, testified that Sergeant Ronald Cormier and Constable Yves Gascon of the RCMP came to Conrad Forand's camp after they had earlier boarded his 28-foot pleasure boat to seize liquor.

They said the police, dressed only in swim trunks and carrying sidearms, offered to return all the liquor if they would return a briefcase the officers said they had left on Forand's boat after the raid.

The witnesses said the two men remained for over two hours and Mr. Gascon took one of the liquor bottles from the patrol boat and along with the two Forand brothers had four dixie cups full of the vodka while Sergeant Cormier restricted himself to two beers.

During this time, they said, the police continued asking about the briefcase and Constable Gascon, putting his hand on his gun twice threatened to show them what prison was like by handcuffing them and taking them away.

Later that night, they said, at about 2 a.m. both Forand brothers were arrested, their hands

handcuffed behind their backs, and taken away for a night in jail with no warrant.

Andre Langlais, crown attorney, cross examined all three of the witnesses repeatedly asking them if they were sure they were telling the truth.

Richmond Chief of Police M. E. Perreault said this morning the boy's father came to the station to report the death. He said he started to conduct the investigation and then called QPP homicide.

Homicide Inspector Richard Masson said agents J. Gaboury

Red faces displace crosses?

QUEBEC (CP) — Emilien Lafrance (L-Richmond) complained Tuesday that pictures of Mao Tse-tung and Che Guevara had replaced crucifixes in certain Eastern Townships schools.

He asked Education Minister Jean-Guy Cardinal if he has any intention of holding an inquiry into "the very strange situation."

Mr. Cardinal said he had received no information from regional school boards concerning Mr. Lafrance's charge.

With winter staging what the average citizen hopes is a last desperate effort to keep its grip on the Eastern Townships, political activity at the constituency level is more or less restricted, but with the first real break in the weather provincial politicians, at least, may be expected to come out of their hiding places.

Thoroughly convinced that Premier Bertrand will call a snap election late this spring or early in the summer, the Liberals are planning a series of nominating conventions to

Trudeau should demand Kierans' resignation

Speaking in the House of Commons last Friday, Prime Minister Trudeau indicated he was planning to take a personal part in attempting to bring some sort of order out of the chaos now existing in the Canadian postal service — a situation that is growing worse with each passing day.

If and when the Prime Minister gets around to taking some positive action perhaps his first move should be to dismiss Postmaster General Eric Kierans and replace him with a man more amenable to reason in his dealings with the postal employees and the public.

Partly as a result of cost-cutting programs instituted by the Minister the post office has reached the nadir of inefficiency. No longer can Canadian businessmen expect to carry on speedy communications through the use of the post office facilities. Letters mailed from the smaller centres in this area to Sherbrooke are likely to be three or four days en route. Five days has become the accepted time for delivery here of a letter mailed in Montreal and seven-day service between Toronto and Sherbrooke is not unusual.

This compares with the overnight service between these points which was in effect not many months ago.

Faced with a complete breakdown in employee morale, the Postmaster General seems to delight in going out of his way to aggravate conditions, threatening legal sanctions against employees engaging in wild-cat walkouts at a time when it is obvious that conciliation should be the order of the day.

In face of the increasingly strained relations between the Minister and the workers it is apparent that improvements in service can be expected only by the resignation of Mr. Kierans or by a complete change in the staff across the country.

Certainly Prime Minister Trudeau should find it easier to name a new Postmaster General than seek to recruit a new staff.

Most impatient person in the world is the fellow waiting for you to finish your tale of woe so that he can begin to tell you his sad story.

More zoning publicity

In his attack against the alleged secrecy surrounding the proposed re-zoning plan for the Duvernay area of the North Ward, Ald. Gaston Roy is voicing the concern being expressed by many proprietors over the manner in which zoning regulations are amended.

Secrecy may be a rather strong word to use in referring to the amending procedures but there certainly is a lack of information for the proprietors of the areas affected.

Unless by some chance some unusually observant proprietor manages to get word of the planned amendments the first thing the residents learn is that a by-law to effect the changes has been adopted by the Council and that a public meeting will be held to approve or reject the plans.

And the notices are conveniently vague, merely stating that Bylaw No. 9046 has been adopted to amend the regulations for certain zones without giving any idea of the extent of the proposed changes which could entirely change the character of a neighborhood.

Admittedly any set of regulations which are as tightly restrictive as the Sherbrooke zoning bylaw need periodical revision in the light of changing conditions.

But some scheme should be devised whereby the residents of the district can gain complete information on the nature of the proposed changes and register their views before, not after, the amending bylaw is approved.

People who have all their marbles at 50 were much better at the game than we were during our mids-shooting years.

Gov't confesses to 'devious' bookkeeping

OTTAWA OFFBEAT

OTTAWA — This has got to be the ultimate in something. Ridiculous could be the best word for it.

For now the Commons Estimates Committee has it on the word of Treasury Board President Charles "Bud" Drury that the government's bookkeeping has been "deliberately devious."

As if it were something to boast about, he cheerfully conceded that while the government hadn't actually cooked the books, it had made the entries "confusing and vague" on purpose.

The government's books are the Treasury Board's Estimates. These are supposed to outline, item-by-item, job-by-job, project-by-project, department-by-department, precisely where the government proposes spending the almost \$12,000,000,000 — that's twelve billion — it is taking in taxes this year from you and every other working Canadian who pays annual tribute to National Revenue.

The Commons Estimates Committee exists for the purpose only of making sure you get your tax-money's worth from the government.

FALL GUY
But the Estimates this year are being doubly doctored.

Not only is the government skipping many of where-who-what details of its multi-billion dollar spending plans, but presenting big blank cheques to Parliament for its signature.

There are two motives:
1. Omission of the who-what-

where details make it impossible for parliamentarians or anyone else to determine which deputy minister, director-general or even public relations flack got how big a salary increase in these days of government-proclaimed pay "restraint".

(And not knowing, how can any Opposition MP ask why or what's going on?)

2. The presentation of blank cheques is intended, Mr. Drury explains with pride, to keep the civil service in the dark in pay negotiations.

(The catch is that, as Bud Drury terms it, "this policy of concealment" also keeps Parliament in the dark. Who says so? Bud Drury, that's who.)

The blank cheque way of doing government business came

to light in the presentation of more than \$222 million in what is called "supplementary" Estimates.

Difficult as it might be for the taxpayer to believe, the government never budgets for enough, and so has to keep coming back to Parliament — and indirectly, you — for more.

Of that \$222 million-plus, \$105 million was for coverage of civil service pay increases.

"WE'RE SOFT"
But there was just the lump sum on the cheque.

No details of who in what department might be getting how much.

A howl of protest went up from the Commons Estimates Committee with even its Liberal members joining the clamor of com-

plaint.

Too bad the government had to be so "deliberately devious," Bud Drury tried to soothe the committee. But if the MPs could tell from a glance at the Estimates how much the government expected it would have to raise pay for what jobs in which department — "well, wouldn't the heads of the civil service unions be able to tell, too?"

And when it comes to collective bargaining with its own employees, former Finance Minister Mitchell Sharp has publicly confessed, no boss could be a softer touch than the government.

The power of the public service unions — the former Pearson government brought in col-

lective bargaining — "scared" Mitchell Sharp.

So on that basis, rationalizes Bud Drury, the government feels it has to so fix the books as to confuse these unions even at the price of misleading Parliament.

It doesn't seem to be working with the civil service. They're not so "confused" by Bud Drury's doctored books that they're not bumping the payroll from \$2,197,000,000 to \$2,393,000,000, for a fine fat additional \$196,000,000. And that's not counting "expense" allowances running into the multi-millions.

Seems like only Parliament's being "confused" by the government's self-confessed "deliberately devious" bookkeeping.

TEN YEARS AGO

"Julius Caesar," William Shakespeare's most popular play with students, will be presented in Pierce Hall, Stanstead College.

Full of color, excitement and action, "Julius Caesar" was chosen as the College Drama Club's annual project because it appeals both to young people brought up on movie and TV westerns and to adults who appreciate the finer points of Shakespearean tragedy.

This year's production as last year's very successful "Twelfth Night" is under the direction of Peter Mellors, the head of the college's English department.

FIFTEEN YEARS AGO

St. Monica's Guild held its monthly meeting in St. George's Hall with 27 members present.

Mrs. N. Hunting, the president, was in the chair and welcomed three new members, Mrs. Ivan Saunders, Mrs. H. Hunting and Miss Nancy Lawrence to the group.

Conveners were appointed to make arrangements for the Christmas sale. Mrs. L. Memory will be in charge of the novelty table. Mrs. E. Siveright aprons and Mrs. L. Jenne and Mrs. T. Mills knitted articles.

The business meeting was followed by a social evening after which the hostesses served refreshments.

TWENTY YEARS AGO

Parents night was held in Knowlton Composite High School. Almost 100 parents took advantage of this opportunity to meet with the teachers and discuss with them the progress of their children.

An added attraction was the display of scientific equipment in the laboratory, where several pupils carried on experiments, actually performed in regular lab periods.

Many parents visited a manual training shop where several boys under the directorship of their teacher, Glen Brown, were busy at work on various projects.

Both teachers and parents felt the evening had been mutually beneficial and expressed hopes that the Parents night would become a regular feature of the school program.

Co., near the Birmingham airport, where he first bought a 243 Remington. He returned the next day, to get a more powerful Remington Gamemaster.

Why would he have risked making an exchange which would fix his appearance in the minds of others? Why would he have decided on a more powerful weapon? The 243 would have been just as deadly, say some hunters.

HELPED IN ESCAPE?

10. Ray's published accounts of his escape from the Missouri State Penitentiary say he scaled the wall with the aid of a long-handled kitchen tool. Examination of the inside of the wall indicates this was a highly fanciful account. Had he indeed gone over the wall at the point he claims, he still would not have been out of the prison because there is an additional supervised area he would have had to negotiate. Prison authorities still contend he got into a bread-box with the aid of one or perhaps more prisoners. If so, who helped him?

11. After the slaying, Ray managed to obtain a passport in Toronto under the name of Ramon George Sneyd. There are conflicting versions of just how his passport was obtained, especially since the Bureau of Vital Statistics in Toronto has no record of sending a duplicate "Sneyd" birth certificate to him. One was sent to Ray, as "Paul Bridgman," but it was returned, unrecieved. Without any document to show his identity, it remains a mystery as to how Ray was able to get the passport in the name of Sneyd.

12. Once he went abroad and arrived in Portugal, Ray was safe from the long arm of American law. The United States has no extradition agreement with Portugal involving such capital cases and he would have been safe there. He went to London. Why?

There are other questions, pertinent but in a way, secondary. The answers to these key questions may have emerged had witnesses been called and evidence presented, and had Ray been on the stand for cross-examination.

Way is clear for circling the moon

HOUSTON (AP) — Apollo 9 apparently has cleared the way for three Americans to circle the moon 63 hours in May — three times longer than the Apollo 8 pilots spent in lunar orbit at Christmas time.

While a final decision will not be made until all data from Apollo 9 is reviewed late this month, project officials say privately a comparatively long flight around the moon appears to be the most likely choice for Apollo 10.

With their Apollo 9 journey barely past the half-way point, astronauts James A. McDivitt, David Scott and Russell L. Schweickart already have completed nearly all their mission objectives.

But enough questions remain — particularly about navigation around the moon — that a decision to land on the lunar surface on the next flight stands only "a small chance," said Lt. Gen. Samuel C. Phillips, Apollo program director.

MUCH TO COME
Phillips said the current flight "has served its main primary purpose, namely to get the lunar module — LEM — into manned operation and to demonstrate a large number of the important manoeuvres the LEM must do" when it ferries spacemen from an orbiting command ship to and from the moon's surface.

Friday's successful rendezvous flight between the Apollo 9 command ship and its LEM proved the efficiency of engines that will be used to land astronauts on the moon and rocket them back into lunar orbit.

That risky six-hour test also showed that the LEM's guidance electronics, radar, life-support equipment and other critical systems worked perfectly, this eliminating the need for another LEM flight in earth orbit.

Current plans call for astronauts Thomas P. Stafford, Eugene A. Cernan and John W. Young to blast off May 17 in Apollo 10 with Stafford and Cernan flying a LEM to within 50,000 feet of the moon's surface, but not landing.

The first astronauts to walk on the moon are expected to

be Neil A. Armstrong and Edwin E. Aldrin, who are to guide their LEM to a touchdown near the moon's equator about July 18 while Michael Collins flies the Apollo 11, command ship in lunar orbit.

JUNE IS POSSIBLE
By sidelining the May Apollo flight, which has a LEM too heavy to settle to the lunar surface, and going directly to Apollo 11, the moon landing could be moved up to about mid-June.

Important navigation questions arose during the around-the-moon flight Apollo 8, however, that may make the moon-landing risk too high without another moon orbit flight, Phillips said.

"When we started to get altitude from the measurements we took from Apollo 8, we had two measurements with a telescope and one measurement with a sextant, and they did not correlate," said Christopher C. Kraft Jr., director of flight operations.

On a landing flight, the command ship's exact altitude must be known so that the astronauts, blasting off from the moon, can find the ship which will return them to earth.

Kraft said flight planners are considering having the Apollo 10 crew circle the moon 63 hours so enough data can be obtained to predict exactly what must be done on Apollo 11.

SUTTON (Special) — Created by Mayor and aldermen in conjunction with the Recreation Club as a welcome spot for Sutton juveniles, the new Youth Center at the Town House already is a success. Many teenagers are enjoying its fine facilities.

Open for their use on Thursday, Friday and Saturday evenings of each week, the youths of the town hold meetings of

Youths like it

SUTTON — (Special) — Due to the generosity of the council, there is no rent charge for the Youth Club for use of the beautifully equipped rooms at the Town House, and everything practical is being done to afford many happy hours for Sutton juveniles.

Besides that, provision is also made for use of the rooms at specified times by members of the Golden Age group of senior citizens.

With a fine bilingual free library open several days every week in another part of the same building, adults and teenagers and young children are given a full opportunity to read the works of popular authors in either language of their choice.

So, with so much there for youthful enjoyment, the Town House has indeed become a favorite haunt for Sutton's younger generation.

Fishing derby

STANBRIDGE EAST — (Special) — An estimated 3,000 cars were on the ice of Lake Champlain on Mar. 2, the closing day of the 17th annual Fishing Derby, sponsored by the Royal Canadian Legion Branch No. 82, Phillipsburg.

The Derby opened Feb. 22 and was well supported throughout the nine-day event. Ticket sales were high in the Eastern Townships, Montreal and across the border assuring financial success, competition was keen as each day's catch was weighed in at the Phillipsburg and Venice weigh-in points.

Prizes for the largest fish caught in each class were as follows: Dore, first prize \$15 was won by Yvon Landry of Drummondville, 5 lbs. 3 oz.; second prize, \$5, Michel Poirier, Cowansville, 4 lbs. 8 oz.; Pike, First prize, \$10, Michel Lafrenier, Point aux Trembles, 8 lbs. 10 oz.; second prize, \$5, Michel Poirier, Cowansville, 5 lbs. 13 oz.; Perch: First prize, \$10, Real Patenaude, Cowansville, 1 lb. 3 oz.; second prize, U. Monthly meeting

COWANSVILLE — (Special) — The Cowansville Branch of the Women's Institute met at the home of Mrs. W. Beattie March 4 with an attendance of 24. The roll call was answered by the payment of dues.

Miss K. MacIntosh reported on the County Board Meeting which was held in Fordyce, February 12. Her dues and a donation was received from Mrs. Baird, a member who now lives in Maine.

A collection was taken to buy articles to fill the Christmas ditty bags Mrs. R. Jenne, Mrs. A. Bibby and Mrs. Beattie were appointed as purchasers.

As this was the annual meeting, the conveners gave their year's reports. Mrs. L. Lewis reported for agriculture, Mrs. K. Winsor for citizenship, Mrs. A. Gibson for education, Mrs. G. E. Phelps for home economics, Mrs. MacIntosh for publicity and Miss Symons for welfare and health.

The treasurer's report showed a satisfactory balance. All the officers and conveners, who had done excellent work during the past year, were re-elected to their same offices for the coming year.

Mrs. A. Bibby and Mrs. R. Jenne were appointed as delegates to the Provincial convention to be held at Macdonald College June 23-27. It was announced that the County convention would be held in Dunham on May 13.

Business is discussed at the March meeting of South Bolton's WMC

SOUTH BOLTON — (Special)

— The March meeting of the WMC of the Bethel Pentecostal Church, South Bolton, was held in the home of Mrs. Ruth Levey on Mar. 4 at 7:20 p.m.

The meeting was opened by the president, Mrs. A. Willey, and the singing of the WMC

Chorus. Mrs. Willey read the monthly bulletin and the lesson on Frustrations — The Mastery of the Thought Life, after which the members participated each in their turn in reading verses of Psalms 139, and then they went to group prayer.

The minutes were read by acting secretary, Mrs. M. Bray,

in the absence of Miss Juanita Willey. Mrs. A. Cameron moved they be accepted as read and seconded by Mrs. J. Le-pouce.

At the WMC church service held previously, Mrs. Elsa Chiarelli, missionary, suggested missionaries Ernest Sprengler family be adopted instead of the Chiarelli's as she felt that

someone else needed the aid throughout the year more than they did.

The secretary will write the Sprenglers in this regard. After the monthly offering was received it was decided that the WMC would contribute towards runner rugs for the church aisles. The group was told that the WMC Church service offering was turned over to the head office in Toronto.

It was decided to wait until fall to work out the Bible college graduation gift of a quilt.

A parcel consisting of two pairs of pillow slips and four dish towels made by members of the group was sent out Mar. 3.

The work program for the evening was put in scriptures of various languages on used Christmas cards.

The meeting closed in prayer by the president at 9 p.m.

... they also hold annual service

SOUTH BOLTON — (Special) — The Bethel Pentecostal Church WMC, South Bolton, held their annual church service program February 22 — the public had been invited.

Honorary president, Rev. Mrs. Malcolm A. Eby gave the opening prayer followed by singing the WMC Chorus Workers Together. Hymnal singing, led by Miss Juanita Willey, Granby, of Bringing in the Sheaves and Speak My Lord was accompanied

by Messrs. Russell Coates on the guitar and Walter Hendrykowski on the accordion.

Mrs. William Tracey, Waterloo, gave bible reading of Acts 9:36 to 42. President, Mrs. Albert Willey explained to the audience how the WMC got started and its progress to-date.

Misses Willow Tracey, Waterloo, and Candy Coates aptly handled the large attendance as usherettes.

Mrs. Elsa Chiarelli, Montreal, who wore a hand-made native costume of colorful patterned cotton with a full length shoulder shawl of the same material (this dress is worn only on special occasions in Africa), was guest speaker and also presented the film Work of the Missionaries in Kenya, Africa.

Mrs. Willey closed in prayer after which the group presented Mrs. Chiarelli with a pair of hand-made pillow slips.

Party for silver anniversary

BEEBE — Mr. and Mrs. James Elliott were pleasantly surprised recently when 26 relatives assembled at their home to help them celebrate their silver wedding anniversary.

A presentation of an electric fry pan was made by Donald Elliott, a nephew, while Miss Jean Elliott presented her parents with several gifts as well as a purse of money.

A three-tiered decorated cake was also presented to the celebrants. The honored couple expressed their appreciation for the pleasant event.

The cake was made and decorated by Mrs. Robert Elliott.

Following a social hour light refreshments were served to terminate a pleasant evening. Among the guests were the

mothers of the guests of honor, Mrs. Jessie Elliott and Mrs. I. Drew, as well as relatives from Glens Falls, N.Y., Montreal, Dixville and the local area.

James Elliott and Doris Drew were married on March 8, 1944. They are the parents of three daughters, Wendy (Mrs. R. White) Jean and Janet.

Couple makes exotic dishes

TORONTO (CP) — While his wife stays home thinking up one exotic menu after another, ceramicist David Long of Toronto designs colourful dishes to enhance them.

They advise each other—he on how her cooking affects his taste buds, she on how his new designs appeal to her.

Dave's friends say he has "an ear for food."

"A souffle dish designed by Dave," says his wife, "couldn't be better because the throwing

rings—near the top of the dish—help to keep the souffle from falling."

Mrs. Long says she couldn't cook a thing before she went to England three years ago. There she found her inspiration in the wife of Dave's ceramics trainer, a woman with a considerable reputation as a gourmet cook.

Now the Longs dine on gourmet food several times a week.

"We analyse each dish," says Mrs. Long, "taking it apart with

tooth and tongue, to find out how it can be improved, gastronomically and esthetically."

Teacher - learner relationship important

The emphasis today in Christian education is moving away from curriculum and content to the relationship between learned and teacher or group member and group leader. Mrs. R. A. Cameron told the World Day of Prayer, Friday at Trinity United Church.

Mrs. Cameron, the wife of Rev. R. A. Cameron of Richmond was guest speaker at the ceremony.

She said knowledge is expanding at such an accelerate rate that what was taught yesterday may be obsolete tomorrow. "So vast has become the body of knowledge in a field of discipline that no individual can hope to gain mastery of his subject. But the individual must be enabled to find his way through the accumulated knowledge of centuries and of today.

"He is helped to discover what it is he wants to know, a process which leads to an unlimited number of discoveries. This kind of learning is centered on the learner."

Said Mrs. Cameron: "If you are to grow in Christ, you must be willing to venture forth into new fields of thinking and feeling — of listening and responding."

"If only we know how to look at life as God sees it," concluded the speaker, "we would realize that nothing is secular in the world — everything contributes to the building of the Kingdom of God."

"To have faith is not only to raise one's eyes to God and to contemplate him; it is also to look at this world with Christ's eyes."

Foster bride - elect feted at shower

FOSTER — Miss Sandra Taylor was feted recently at a miscellaneous shower at the parsonage of St. James' Church, here. The hostesses were Mrs. Garth Durrell, Mrs. Howard Salisbury and Mrs. Kathleen Durrell.

Miss Taylor had planned to spend the afternoon serving at a silver tea, being brought to the parsonage by her mother who also was to assist serving. Upon arriving she was surprised to find about 60 friends and relatives gathered to honor her.

Personals

The Ladies Sherbrooke Curling Club tea of Mar. 18 will be convened by Mrs. S. M. Gillman. Other hostesses will be Mrs. Gordon Loomis, Mrs. G. F. Ranshousan, Mrs. Art Wright, Mrs. D. J. O'Keefe, Mrs. Ross Planche, Mrs. Virginia Gilbert, Mrs. Robert Paterson.

Pourers will be Mrs. E. J. Wolfe, Miss Leslie Fales, Miss Mary Wolfe, Mrs. Lorne McCone.

For table reservations, members may call Mrs. A. L. Vallee at 563-5453 or Mrs. Philip Mathias at 569-3358.

Sherbrooke Hospital Nurses' Alumnae meeting will be held Tuesday at the Norton Residence at 8:15 p.m. Hostesses for the evening will be Miss Marjorie Beckwith, Mrs. J. Atto and Mrs. Chas. Smith Jr. Wm. Lyon, C.A., will speak on Income Tax.

The bride was presented with a corsage of yellow and white carnations and escorted to a table laden with gifts. After being seated, Miss Taylor was showered with confetti from the balloons overhead. A pink paper umbrella and pink and white bells were used in decoration. Miss Taylor was assisted by the matron of honor Mrs. Howard Salisbury.

The bride-elect thanked the guests and expressed her appreciation to all. The hostesses then served lunch assisted by the Misses Helen and Audrey Streeter, Mrs. Raymond Streeter and Mrs. Harold McAuley.

Mrs. Taylor and Mrs. Whitehead poured tea and coffee at the tea table which was centered with a shower cake, made by Mrs. Raymond Streeter and beautifully decorated by Mrs. Myrtle Hilliker, aunts of the prospective groom. The cake was served by Miss Taylor and Mrs. Salisbury.

Out-of-town guests were from Lennoxville, Cowansville, Sutton Jct., South Stukely, Fulford, Knowlton, Waterloo, Montreal and Jacques Cartier.

Miss Taylor will be married to Stewart Whitehead, in May, at St. James' Church, here.

DUKE OF WELLINGTON CHAPTER IODE

The Duke of Wellington Chapter IODE held the monthly meeting recently at the IODE rooms on Moore Street.

Regent, Mrs. P. A. Dauncey, presided and the meeting opened with the prayer of the order. The minutes of the last meet-

ing and the annual general meeting were read by Mrs. C. S. Hawketts.

Treasurer, Mrs. D. A. McGuire, read the financial report which showed a satisfactory balance.

Services at home and abroad secretary reported that three knee rugs and two pairs of knit-

ted slippers had been made by members for the Katerie Indian Hospital.

World affairs convener, Mrs. J. L. Killoran, read an interesting article on the Caughnawaga Indians of Quebec.

Members reported the distribution of library books to patients at the Sherbrooke Hospital in February.

Mrs. P. A. Dauncey reminded members of the Provincial annual meeting to be held in Montreal on April 16 and 17. It is hoped that several members will attend.

The chapter will hold a dessert bridge at the Moore Street rooms on April 29.

The meeting was adjourned and refreshments served by Miss Frances Macdonald and Mrs. A. A. Munster.

Engagements

Mr. and Mrs. Donald Skinner of 465 Nelson Street, Petrolia, Ont., wish to announce the engagement of their daughter Nancy Ann to Ronald Kenneth Wood, eldest son of Mr. and Mrs. Kenneth Wood of Sherbrooke. The wedding has been arranged to take place April 5 in St. Andrew's Presbyterian Church, Petrolia.

The engagement is announced of Miss Laura Lister, only daughter of Mrs. Agnes Lister of Sawyerville and the late Norman Lister, to Reginald Statton, son of Mr. and Mrs. Walter Statton of Sawyerville. A May wedding is planned.

How about Portuguese egg breads for Easter?

Easter breakfast should be particularly pleasant—unhurried, gracious and containing at least one surprise food.

These egg breads, traditionally served in Portugal on Easter morning, are perfect for the occasion.

PORTUGUESE EASTER BREADS

6½ to 7½ cups unsifted flour

1 cup sugar

1 teaspoon salt

2 packages active dry yeast

1 cup milk

¼ cup water
¼ cup (½ stick) margarine
3 eggs (at room temperature)
8 hard-cooked eggs

In a large bowl thoroughly mix 2 cups flour, sugar, salt and undissolved active dry yeast. Combine milk, water and margarine in saucepan. Heat until liquids are warm. Gradually add to dry ingredients and beat 2 minutes at medium speed. Add the 3 eggs and enough flour to make a thick batter. Beat at high speed 2 minutes. Stir in enough additional flour to make a soft dough. On lightly floured board knead until smooth and elastic, about 8-10 minutes. Let rise in a warm place until doubled in bulk, about 1 hour.

Divide dough into 8 pieces. Take about one-quarter of each piece and set aside. Shape larger pieces into

round balls. On greased baking sheets press large pieces of dough down into circles, ½-inch thick. Place a hard-cooked egg in center of each. Divide each of the remaining 8 pieces of dough in half. Shape each into a 6-inch rope. Using 2 ropes, cross in an "X" over each egg and seal ends underneath dough. Cover, let rise in warm place until doubled in bulk, about 1 hour.

Bake in 350-degree oven for 20 to 25 minutes. Makes 8 individual breads.

QUEBEC SCENE

'First' Que. agreement is signed with provincial police association

QUEBEC (CP) — A five-year collective agreement, the first in Quebec's public service, was signed by the government and the Association of Provincial Policemen Tuesday.

The contract was signed by Premier Jean-Jacques Bertrand, justice minister, Marcel Masse, minister without portfolio in charge of negotiations for civil servants, and Andre Gagnon, president of the policemen's association.

Mr. Gagnon said the contract for his 2,700-member association is exceptional.

For the first 18 months of the agreement salaries will range from \$6,200 to \$8,200 for constables; \$8,800 to \$9,200 for corporals; and \$9,900 to \$10,300 for sergeants.

Former salaries for the same

classes range from \$5,382 to \$7,082, \$6,627 to \$8,751 and \$8,451 to \$8,751.

In the second 18 months, salaries will increase by 7 1/2 per cent. And in the fourth and fifth years, policemen will receive an increase based on the average raise given seven other forces for the same period.

The forces used for comparison will be the RCMP, the Ontario provincial police, and local forces in Montreal, Winnipeg, Edmonton, Vancouver, and Toronto.

A formula

MONTREAL (CP) — A Quebec cabinet minister said Tuesday he has suggested a formula under which Quebec could accept money from the federal government for recreational programs.

Gabriel Loubier, minister of tourism, fish and game also responsible for sports and recreation services, said Ottawa has not responded to his suggestion since it was suggested to Health Minister John Munroe last January.

He told a suburban businessmen's association that the federal government could help finance Quebec-based recreation organizations and the province would contribute 40 per cent of the amount granted.

Uncover cache

MONTREAL (CP) — Quebec Provincial Police Tuesday uncovered a cache of weapons in a suburban Montreal apartment and arrested two men in their late 20s.

The apartment was said to belong to a man arrested after crossing into Canada Monday night.

The guns seized included a shotgun, a 300 magnum rifle, a revolver, a magnum revolver, a 22-calibre revolver with silencer and two "snub nose" special issue revolvers.

All the guns were fully loaded. There were also several hundred rounds of ammunition.

Also found were \$940 in American currency, credit cards, a set of 1969 Georgia licence plates, 10 sets of car ignitions and a police officer's badge.

George Williams University left Tuesday for Quebec City for talks with Education Minister Jean-Guy Cardinal and Opposition Leader Jean Lesage.

The four-man delegation led by the student association president, Manny Kalles, and President-elect Bill Schwartz is to give the government its view of the events that led to the riot and destruction of the computer centre at the university on Feb. 11.

In control

MONTREAL (CP) — Power Corp. of Canada Ltd. has acquired controlling interest in Canada Steamship Lines Ltd., it was announced Tuesday.

Jean Parisen, executive vice-president of Power Corp., said this was achieved through the sale by Trans-Canada Corp. Fund, a subsidiary of Power Corp., of Provincial Transport Enterprises Ltd. for \$3,820,000 and 400,000 common shares of Canada Steamship Lines.

The transaction increased Power Corporation's control in the steamship company to 1,501,880 common shares, or 50.3 per cent, and 939,840 preferred shares, or 51 per cent.

Power Corp. had about 47 per cent control of Canada Steamship Lines before the latest deal which left all of Power Corporation's transport interests under one administration.

Provincial Transport provides bus service to a number of centres in Eastern Canada. Canada Steamship Lines, besides operating a merchant fleet, has considerable interest in land transportation through its holdings in Kingway Transport Ltd.

Meet premier

MONTREAL (CP) — Judge Guy Guerin said Tuesday he will meet with Premier Jean-Jacques Bertrand soon to discuss

his future as president of Radio-Quebec.

He said in an interview the meeting will be held sometime during the current session of the national assembly.

Mr. Guerin said that when he was named president by order-in-council, he told the late premier Daniel Johnson that he would accept the post for a one-year period. He has been president since Feb. 22, 1968.

Slightly down

RIMOUSKI, Que. (CP) — Quebec Telephone reported Tuesday a net income of \$2,579,032 for the fiscal year ended Dec. 31, 1968, compared with \$2,599,209 in 1967.

Net gain on capital asset transactions was \$1,158,686 or 45 cents a share, compared with \$835,338 or 32 cents a share in 1967. Gross revenue was \$129,307,886, six-per-cent less than in 1967.

Higher costs

(Continued from page 1)

fare for the unemployed which will amount to \$172,800,000.

Total net spending estimates, including ordinary and capital expenditures plus interest on the provincial debt, is forecast at \$3,113,069,400.

This amounts to an increase of \$384,708,000 over the net spending estimated for the fiscal year ending March 31.

The total gross estimates of \$3,374,940,100 include contributions by the government of Canada for joint programs and reimbursements on long-term obligations.

ASSUME HIGHER COSTS
The provincial government is assuming the increase of \$134,000,000 in the operating costs of school boards because most boards already are taxed at government-set limits.

The increase of nearly \$43,000,000 in the cost of health insurance is due to higher wages, improved services and expansion of hospitals.

Spending on foreign relations was increased, along with spending on Radio-Quebec, but

expenditures of the government's information office were cut slightly.

The intergovernmental affairs department will operate with a budget of \$6,722,700, including nearly \$3,000,000 for "co-operation with other governments."

STRESS CO-OPERATION
The increase over the department's budget of \$5,639,000 for the current fiscal year is due mainly to a \$500,000 boost in spending on international co-operation.

Radio Quebec, which the government plans for both educational broadcasting and other programming, gets \$7,000,000, an increase of \$2,000,000 over 1968-69.

About \$430,000 was lopped off the budget of the government's office of information and publicity which gets \$5,253,000 in 1969-70.

The roads department plans to reduce spending by more than \$6,000,000 in its budget of \$290,012,000.

The decrease is due to a planned reduction in capital spending on road and bridge building, but spending on maintenance of existing roads will increase.

Kirkdale ACW holds meeting

KIRKDALE — The Kirkdale ACW met at the home of Mrs. C. S. Bogle on Feb. 12.

The meeting was opened by the president with a devotional period.

Mrs. Stanley Weare mentioned having sent a church plate to Rev. Semeny McDonald prayer partner in Johannesburg, South Africa.

Several donations from various companies were on display and were bought by some of those present.

Several dozen plate hangers are ordered to be sold along with the church plates still available.

Successful card party held

DANVILLE — A large and highly successful card party was held in the IOOF Hall on Feb. 28 when 500 was played at 16 tables.

At the close of the game, prizes were presented by the chairman of the Community Welfare Committee, Mr. Roy Monahan as follows:

Ladies' first, Mrs. Melvin Taylor; second, Mrs. Ronald Stevens; consolation, Mrs. John Philbrick.

In the men's department first prize was won by Mr. Harold Robinson, Windsor Mills; second, Roy LeDrew and consolation, Graydon Heath.

Mr. Monahan expressed the appreciation of the group for the wonderful response made for their appeal and then the lucky numbers for the drawings were held with the first name being Pierre Piche, Asbestos; Austin Graham, Richmond; second, with Dale Philbrick winning the last draw. Miss Gladys Johnston of Charney held the winning ticket for the door prize.

Members of the Community Welfare Society served refreshments, bringing to a close a pleasant evening.

The nursing bursary is for \$120, this is the Mabel Stockwell Nursing bursary given annually as a memorial to the late Mrs. H. Stockwell, R.N., who was the Chapter's first regent.

DOMINION STORES AGREES:

Quebec Knows how

Shop Quebec First!

DOMINION IS A BIG PURCHASER OF QUEBEC PRODUCTS, SERVICES AND FACILITIES!

MILLIONS FOR SERVICES — Landlords, public utilities, transport, newspapers and other services receive the benefit of a large and continuing investment spread throughout the many communities of the Province.

2992 JOBS CREATED — Aside from the employment stimulated in many industries by Dominion's huge purchases in Quebec, the company's progress has created approximately 2128 full-time and 864 part-time jobs in stores, offices and distribution centres. Dominion's annual payroll in Quebec is \$13,553,533.

CONTINUED EXPANSION PLANNED — Dominion's development programme in the Province of Quebec has resulted in the investment of many millions in land, buildings, supplies and equipment — and further expansion is planned, with its resultant benefits to the Quebec economy.

LARGE ADVERTISER — In the daily press, on local radio and television stations, as well as in magazines, household circulars and in other forms of display, a further large investment is made by Dominion in the conduct of its business.

Dominion takes a great deal of pride in joining with the other food merchants of Quebec, to highlight during the month of March this worthwhile campaign. We salute the farmers, food processors and manufacturers of Quebec and will continue to do our part as distributors of Quebec Products — not only with the Province itself but in other Provinces as well.

Dominion sells Quebec products across Canada... for YOU!

Ken Johnston and Charles Robinson cooked the sugar and several of the members assisted in serving it. Mrs. E. H. Parker sold tickets. Mrs. S. Merrill and Mrs. L. Nutbrown were in charge of the sales table where many novelties were on display. The proceeds for the evening were very satisfactory.

The following committees were appointed for 1969:

Christian education and program committee, Mrs. Mary Todd, Mrs. Betty Williams and Mrs. Diana Langworth; friendship and visiting committee, Mrs. Roberta Smith and Mrs. Eva Page; flowers and decorating committee, Mrs. Marguerite Grapes and Mrs. Alice Drake; kitchen committee, Mrs. Ellen Geake, Mrs. Elizabeth French, Mrs. Rhena Williams, Mrs. Violet Gibson and Mrs. Marjorie Pinchin; soliciting committee, Mrs. Gwen Robinson and Mrs. Marjorie Pinchin; work committee, Mrs. Mary Nutbrown, Mrs. Alice Merrill and Mrs. Helen Johnston; representative to the Manse, Mrs. Marjorie Pinchin; representative to the Official Board, Mrs. Wilmoth Rothney.

Christmas Club play Hearts at meeting

BISHOPTON — The Christmas Club met at the home of Mr. and Mrs. A. Guille in Marleton, with a good attendance.

In keeping with the Valentine theme the evening was spent playing Hearts. The prize winners were Mrs. Roy Betts and Mrs. Horace Ainsworth.

Several members received gifts from their secret sisters. Refreshments were served by the hostess assisted by Mrs. Lloyd Betts.

The next meeting will be with Mrs. Lloyd Harrison.

DOCTOR'S MAILBAG

Effective Treatment Depends on Cause

By WAYNE G. BRANDSTADT, M.D.

Q—What causes a burning feeling on urination? What will relieve it?

A—The cause may be cystitis (inflammation of the bladder), a highly acid urine or a bladder stone. Your doctor must discover the cause before he can prescribe effective treatment.

Q—I have a bladder infection, an aftermath of a difficult childbirth. I am taking Gantanol, which helps, but as soon as I stop taking it the trouble returns. Is there anything I can do to clear up this infection?

A—Gantanol is a sulfa drug that is usually effective against urinary infections. It is necessary to continue its use for at least 10 days after the symptoms are relieved or the infection is likely to return. If you have recurrences in spite of this precaution, yours is a deep-seated infection that may require the services of a urologist.

It may help to have a urine culture to determine what organisms are causing the infection. Then your doctor can select drugs known to be effective against these germs. In stubborn cases, several drugs have been found to be beneficial—nitrofurantoin, nitrofurantoin, nalidixic acid (NegGram) or sulfamethizole. Sometimes treatment with these drugs has to be continued uninterrupted for a year.

Q—Whenever I become excited or nervous I have to

urinate so frequently that it is embarrassing. Is there anything I can do to get over this?

A—This is a common complaint. Frequency may be due to a variety of causes, but if nervous tension is the cause you may need a short course of a tranquilizer and lessons in how to relax.

Q—In 1964 I was operated on for a bladder tumor. Ever since then I have had bladder stones. Is there any cure for this condition?

A—If the stones are too large to pass through your urethra a urologist can introduce a cystoscope into your bladder and through this tube, using another instrument, he can crush the stones. Salicylates can then be given in carefully controlled dosage to prevent the formation of further stones.

Q—In a recent column you stated that chewing tobacco would cause the same damage as cigarettes. How can chewing tobacco cause lung cancer?

A—It can't. I should have stated that it has the same effect on the heart, blood pressure and circulation.

Victoriaville protests Payette's presence

Payette helps lead Beavers to impressive 7-2 romp over Tigers

SO SIMPLE — At least this is the way it looks as Bruce Cline of the Beavers is outplaying Jean-Guy Morrisette to chalk up his second goal of the evening. Two Victoriaville players

are rushing in in an effort to stop the shifty forward but they arrived too late.

(Record photos: Gerry Lemay)

EVERYBODY IN ACT — There seems to be some confusion but Yvan Lacoste and Guy Black, centre, are not trying to embrace each other, as the picture shows, but they were the main actors in a minor bout last evening at the Sports Palace.

Pierre Potvin, (15), and Joe Hardy, (10) are the other Tigers while Bob Foster, (4), is rushing in. The linesmen are trying to break up the fracas. Sherbrooke won over Victoriaville 7-2 to even the series.

Sherbrooke Minor Hockey playoffs have commenced

Larocque edged Chalfoux by a single point to win the top spot in the St. Pat's Pee Wee League "A" championship. They amassed a total of 40 points to beat out the runners-up by one.

Each club had the same number of victories, 18, but the difference came in the number of ties and losses. The winner didn't lose a game but had four ties while Chalfoux finished with one loss and three ties.

In the CHLT Midget loop playoffs have commenced with St. Francis posting a 4-2 win over the Tigers in Series "A". Jacques Tremblay posted a hat-trick while Richard Blais potted the other. For the losers Claude Gaudreau and Renald Mercier each tallied.

In Series B the Olympics came through with a 3-1 win over the Senators. Mario Ouellette, Daniel Doyon and Alain Paquin each scored once. Mario Bernier got the lone marker for the Senators. In the other tilt the Olympics went down to a 4-1 loss and dropped the series in two straight.

In Series C the Cardinals shut-out the Eagles 2-0 with Pierre Caron earning the blanking job. In the second tilt St. Francis posted a 5-3 win over the Tigers. Louis Jutras picked up two goals while Richard Blais, Jacques Tremblay and Paul Ducharme getting the others.

In the Pee Wee B section Larocque finished strong well ahead of the second place St. Esprit by ten points. Sylvester and Chalfoux were deadlocked with 15 each. Larocque posted a 4-1 win over Marymount. Alain Charlebois averted the shutout with Marymount's lone tally.

In the Optimist Mosquito League the Canadiens and the Hawks finished deadlocked with 22 points each. The Aces were third with 21 and the Barons 18. In Section B the Senators were the winners with 31, 11 more than second place Olympics. The Lions were third with 18 and the Leopards next with 15.

Playoffs have already commenced in the CJRS Atom League. The tilt between the Lions and the Leopards was called off after two over-time periods with the score 2-2. The Senators edged the Canadiens 3-2 while the Hawks dumped the Tigers 5-2 and the Aces eked out a close 2-1 win over the Barons. Gravel managed to tally Chi-

Hawks finished with a seven-point spread over the Tigers, who held six points over the third place Laporte squad. The Cardinals were next with 28. The Hawks walloped the Canadiens 12-1 to end the schedule. Yvan Bergeron saved his team from a shutout.

Richard Gendreau came up with a six-goal effort as Chalfoux belted Assomption 17-0. Pierre L'Heureux came up with the shutout.

Granby Vics post 7-4 win over Sags to tie series

GRANBY — The Granby Vics proved they aren't to be counted out of Series B of the Quebec Provincial Senior Hockey League here last evening when they blasted the Sags of Chicoutimi 7-4. The win deadlocked the series at a game each since Phil Watson's crew posted a 5-2 victory in the opener Sunday.

The series now shifts to Chicoutimi Friday night for the third tilt with the fourth back in Granby Sunday evening at 7:30. The Vics was a different club with an outstanding job by Yvan Letarte in the nets held the upper hand during the fray. Claude Houde opened the scoring in the initial frame when he beat Claude Cyr, Sags' netminder, on a hard drive. It was the only tally of the period. Four minors were handed out but they didn't effect the scoring as it this stage both goalies were at their best.

In the middle session the Vics jumped to the fore and chalked while the Hawks dumped the Tigers 5-2 and the Aces eked out a close 2-1 win over the Barons. Gravel managed to tally Chi-

ganes potted the Sags, second tally but before the end of the frame R. Belisle put the Vics further ahead. Three penalties were called during the frame with two going to the Vics.

The Vics added one more in the third frame right after the face-off and when Roy and Therrien were sitting out majors Bob Bedard joined them in the box leaving the Vics short two players but the Sags couldn't capitalize on their man advantage. With both clubs back at full strength Fanta came through with the final marker for Granby but then the Sags came to life. Labadie and Desgagnés tallied within a minute but the rally came to late as the siren sounded announcing the end of the game before anything happened.

The Vics bombarded Claude Cyr with a total of 17 shots in the opening frame compared to seven which Letarte stopped. In the middle session the Sags took over and Letarte blocked 13 while Cyr had only three. In the third Letarte had 11 fired at him with Cyr blocking nine.

THE WORLD OF SPORTS

Henry Crochetiere, president of the QAAA, said a decision will be rendered shortly. Article 20 of the constitution of the CAHA states explicitly that in such a case Sherbrooke is permitted to use Payette. Jacques Monette, suffering a knee injury, was examined yesterday and under a doctor's order was placed on Sherbrooke's disabled list.

Sherbrooke opened the scoring at 18:16 of the first period, Bruce Cline slapping his own rebound by Morrisette. Cline dug the puck out from behind the Tigers' net, skated in front and backhanded a drive at Morrisette. The Tigers' netminder made the initial save but Cline made no mistake on the rebound. Andre Lagueux and Lionel Robidas assisted on the goal.

Twenty-five seconds later Andre Lagueux set Cline up all alone in front of Morrisette and the veteran again made no mistake. Deking the Tigers' goalkeeper, Cline tricked the puck into the open side of the net to put the Beavers ahead 2-0. Robi-

a pass from centreman Andre Lagueux, skated down the left side and blasted a high, rising slapshot by Morrisette into the top right-hand corner of the net. Bruce Cline picked up an assist on the goal, as well.

Victoriaville narrowed the margin to 4-2 at 5:50 of the third period, club captain Johnny Mentis deflecting Aubry's blueline drive past Payette from just in front of the net. Besette also assisted on the goal.

Victoriaville then took over play and stormed Payette for five shots within a few short minutes. The Sherbrooke goaltender held his ground long

enough to spirit the Beavers' forwards and his efforts paid off at 8:03.

Club captain Rene Pepin, after a scramble in front of Morrisette, picked a loose puck and rifled it into open net. Line-mates Bill Dupre and Roland Sawyer assisted.

At 11:14 Yvan Lacoste broke around the Tigers' defence. He went in on Morrisette and slide the puck just inside the left-hand post. Morrisette, it appeared, made the original save but the puck apparently hit Lacoste as he skated by the net and lodged just inside the goal line. Bouchard and Beckman as-

isted.

Sherbrooke's Rollie Leclerc rounded out the scoring for the Beavers at 19:41 of the final frame, beating Morrisette on a three on one break. Pepin and Sawyer assisted.

Referee Louis Primeau, in this newspaper's point of view, missed the boat last night. He allowed the game to get far out of hand in the first period and it is only pure luck that several players on both teams were not seriously injured.

Knees, high sticks and elbows flying from left field marked the opening 15 minutes of play. Playoff hockey, it is understood,

NHL approves ownership of Oakland

NEW YORK (CP) — Clarence Campbell, president of the National Hockey League, announced Tuesday that the transfer of ownership of Oakland Seals has been approved by the NHL board of governors.

Campbell said in a statement the final step to complete the switch from San Francisco Seals Ltd. to Niagara Frontier Hockey Inc. will be March 21 when formal papers are signed. The team will remain in Oakland.

Eighty per cent of the stock of Niagara Frontier Hockey, Inc., is owned by Trans National Communications. TNC is headed by its board chairman Ellis E. Erdman. The TNC board also includes Edward C. (Whitey) Ford, former New York Yankee pitching star; and Pat Summerall and Dick Lynch, former New York Giant football standouts.

William N. Creasy Jr., who serves as president of TNC Networks Inc., a subsidiary of Trans National Communications, will serve as president of the Seals and will represent Oakland on the NHL board of governors.

The remaining 20 per cent of Niagara Frontier Hockey, Inc., is owned by Seymour H. Knox III and Northrup R. Knox of Buffalo. Seymour H. Knox III will serve as alternate governor on the NHL Board.

The NHL brothers had hoped to get NHL approval to transfer the franchise to Buffalo.

NHL record is becoming outdated, three new ones set, Habs win 3-0

Fans might be wise to throw their copies of the 1968-69 National Hockey League Guide into the nearest garbage pail—the book rapidly is becoming outdated.

NHL players, not the book's editors, are to blame. Many of the records listed in the guide already have been broken and several more may fall before the season ends March 30.

The latest assault on the record book took place in Minneapolis Tuesday night when Phil Esposito extended his points-to-total—every time he gets a point he breaks a record—Danny Grant set a record for rookies, and Bobby Orr tied a record as Boston Bruins and Minnesota North Stars played a 3-3 tie.

Meanwhile, Montreal Canadiens defeated St. Louis Blues 3-0—the Blues are winless in 14 starts against the Canadiens since entering the NHL last year.

HAS 68 ASSISTS — Esposito collected two assists for Boston, he now has 68, the previous mark was 62, and he has 109 points, 12 more than the previous single-season high.

The Boston centre's 68 assists shattered the record of 67 held jointly by Stan Mikita of Chicago Black Hawks and Dickie Moore when he was with Montreal Canadiens. Their totals included playoffs.

Grant scored two goals for Minnesota, his 30th and 31st of the season, to become the highest scoring rookie in NHL history, breaking Bernie Geoffrion's record of 30 set in the 1951-52

season.

Orr scored one goal and assisted on another for Boston to bring his season point total to 59, tying the mark for most points by a defenceman in one season. Pierre Pilote, then with Chicago, collected 59 in 1964-65.

Orr is just a goal shy of tying the record of 20 set by Flash Hollett with Detroit Red Wings in 1944-45.

Centre Ray Cullen had the other Minnesota goal Tuesday night and left winger Ron Murphy picked up two Boston goals.

Minnesota earned the tie when a shot by defenceman Bob McCord bounced into the Boston net off Cullen at 13:47 of the final period.

The tie left the second-place Bruins two points behind first-place Montreal in the Eastern

Division, but with two games in hand Minnesota trails the fourth-place Philadelphia Flyers by three points in the struggle for the final playoff berth in the Western Division.

A crowd of 14,869 saw Minnesota outshoot Boston 46-23.

Yvan Cournoyer and Henri Richard started Montreal off with first-period goals on power plays. Rookie Mickey Redmond added a second period goal for the Canadiens and Gump Worsley gained his fifth shutout of the season.

Cournoyer opened the scoring at 5:04 on a long, bouncing shot which skipped past St. Louis goaltender Glenn Hall, with Blues' defenceman Bob Plager in the penalty box. It was Cournoyer's 40th goal of the season.

Curran kept the team—which took the ice after 26 hours in transit without sleep—in the game in the early stages. He was nearly asleep in the dressing room afterwards.

"They don't shoot all that hard, but they tire you out," he said. "They work in so close and they keep coming at you."

"And mostly it's wrist stuff snapped right off a pass. They don't often wait, wind up and slap shoot. They showed us a lot, the score proves that."

Czechs shellack U.S. 11-0 in exhibition, Curran stars

PRAGUE (CP) — The team that will represent the United States in the world hockey championship in Stockholm next week played together for the first time Tuesday and absorbed an 11-0 exhibition shellacking from the Czechoslovakian national team.

But it was Mike Curran, slightly-built goalie from Green Bay Bobcats of the U.S. Hockey League, who drew the cheers from the capacity crowd of 18,000.

MacLeod provincial cage tourney slated for weekend at Bishop's

Lennoxville High School Senior Girls basketball squad, defending MacLeod Trophy champions, are once again favored to capture the coveted award this year, emblematic of provincial senior girls basketball supremacy.

The MacLeod Trophy championships will be staged this weekend at Bishop's University, starting Friday evening and finishing with the final game scheduled for 3 p.m. Saturday afternoon.

Knowlton High School, having beaten LHS in a close match this season, and Sunnyside High of Stanstead, are also favored to upset the defending champions.

Laurentian Regional High School are figured to be the top out-of-town team entered in the round-robin tournament.

This year marks the first

time a Catholic high school will participate in the tourney. Vaudreuil Catholic High of Montreal, besides being the first Catholic school to participate, is the first high school team to compete in the championship from Montreal.

Previously, only teams off the Island of Montreal were allowed to compete. The tournament is still under the sponsorship of the Provincial Association of Protestant School Administrators.

A banquet will be held after the tournament finale at 5:30 p.m. at Bishop's University.

Following is the tournament schedule:

FRIDAY NIGHT

7:00 p.m.

Chambly High vs Knowlton, Bishop's

Sunnyside vs Vaudreuil, Lennoxville

8:30 p.m.
Quebec High vs Lennoxville, Bishop's
Philemon Wright vs Laurentian, LHS

On Saturday the winners of the first two games will meet at 9 a.m. at Bishop's University. The winners of the second two games will meet at 10:30 a.m.

The tournament finale will be played at 3 p.m. Saturday afternoon at Bishop's University.

In the consolation round, the losers of the first two games will meet at 9 a.m. Saturday at Lennoxville High School. The losers of the second two games will meet at 10:30 a.m. again at LHS.

The consolation finale will be played at 1:30 p.m. Saturday at Bishop's University.

FINALISTS — Shown above are the two rinks who met in finals of the Border Business Girls Friendly Day Bonspiel held last Saturday. The St. Lambert rink won out over the Wentworth quartet, both

from Montreal. The event was played on a percentage basis. In front is the Westworth rink of Miss Cathy Wardlaw, Miss Jane Wardlaw, Miss Terry Thompson and Miss Jean Craig. Stand-

ing is the St. Lambert quartet of Miss Fran Schmidt, Mrs. Rox Shepard, Mrs. Helen Edgar, chairman of the Bonspiel, Mrs. Jean Bouthillier and Mrs. Phyl Lewis.

Border Business Girls stage annual Friendly Day Bonspiel

BOUNDARY — The Business Girls Friendly Day Bonspiel was held Saturday, March 8, at the Border Curling Club and was one of the most successful ever staged.

There were eight rinks entered from Granby, Sherbrooke, Magog, Lennoxville, St. Lambert, Danville, Wentworth and Heather of Montreal.

The games started at 9:30 in the morning with each team playing two games. The games were very close and were enjoyed by all the competitors.

Based on percentage basis the St. Lambert rink were winners, but only two points separated them from the runners-up, the Wentworth Club. Magog was next with one point less, Sherbrooke just behind Magog, Lennoxville and Heather tied

as did Granby and Danville.

At noon a luncheon was served by the hosting Business Girls and in the evening a sherry party and an excellent chicken pie dinner were served.

Mrs. Rachel Pellerin, ladies president, presided at the dinner and extended a hearty welcome to all the visitors. She called upon each skip to introduce their respective rinks and they voiced their appreciation for the wonderful day and thanked the various committees for making it so.

Mrs. Helen Edgar, chairman of the match committee, presided at the presentation of the prizes to the winners and runners-up. A door prize went to one player of each losing rink. Miss Viola Moranville, vice-president, drew the names

for the winners. Mrs. Pellerin thanked the Border Club Business Girls for a terrific job of entertaining and this was followed by hearty applause. Mrs. Anne Denney, also voiced appreciation to the Border Girls, especially to Miss Arlene Probyn for the grand work of decorating.

The committee in charge of the day's arrangements, which went off so successfully, were Mrs. Anne Denney and Miss Vivian Clark, co-chairmen, Miss Laurette Davignon, Mrs. Olive Wells, Miss Cecile Dutil, Mrs. Micheline Langevin and Mrs. Lib Miller.

Assisting Mrs. Edgar on the Match committee were Mrs. Esther Baldwin and Mrs. Marianna Carruthers.

Hatley Guild holds 500 party

HATLEY — The Ladies Guild held a very successful 500 card party in the Anglican Church Hall on Mar. 1. Cards were played at nine tables.

Prize winners for the evening were Mrs. Leslie Bliss, Fairfax and Mr. Percy Clark, Way's Mills, for high score and Mrs. L. MacFaul and Mr. Jimmy Whipple, Ayer's Cliff, for low score. Mrs. P. Davis, Fairfax, won the floating prize.

Refreshments were served by the Guild members at the close of the games. Another card party will be held in the hall on Mar. 15.

Sawyerville

Mr. and Mrs. Bernard Chase, Berlin, N.H., were weekend guests of Mr. and Mrs. Clement Lowry.

Recent guests of Mrs. W. Hurley and Mrs. Mary Ashe were Mr. and Mrs. Everett Luce and Nelson, Moe's River. Other guests were Mr. and Mrs. W. Smith, Thetford Mines, Mr. and Mrs. Earl Hurley, Mrs. Howard Price and Miss Bertha Sargent, Sherbrooke.

Mr. Garth MacKay and Mr. Roger Dougherty have returned home after spending two weeks in Florida.

Mr. and Mrs. Lloyd Shaughnessy accompanied by Mr. and Mrs. Edward Dawson and Bonnie were in Picton, Ont., and were overnight guests of Mr. and Mrs. Donald Dawson.

Mr. Kenneth Dawson has received word of the death of his brother-in-law, Mr. Tracy Stevenson, on Feb. 27 in St. Petersburg, Fla.

Danville

Mr. and Mrs. David Lockwood and son, Christopher, of Pierrefonds, spent a weekend as the guests of Mr. Lockwood's mother, and on Feb. 22, they were joined by Mr. and Mrs. Bert Lockwood and family, of St. Felix de Kingsey. On Feb. 24 Mrs. Nellie Lockwood joined the Bert Lockwood family in St. Felix for a few days — observing her birthday there on Feb. 25.

Allegro Unit holds meeting

STANSTEAD — The February meeting of Centenary United Church Allegro Unit was held at the home of Mrs. Charles Merriman, with Mrs. E. C. Middleton and Mrs. Malcolm Morrison the assisting hostesses.

Mrs. George Hood presided and the meeting was opened with a period of devotion. All were reminded of the World Day of Prayer service that was held on Mar. 7 at Stanstead South Church in Rock Island at 7:30 p.m. A special speaker was heard and special music.

Two thank-you notes were read, one from Rev. and Mrs. G. Joyce and from the McMullens.

Several lovely aprons were turned in for a sale of the Unit. A few months ago the Centenary Foster Parents of Jin Sung, a Korean lad was completed. The Unit has now written to the Foster Parent people asking for a girl, preferably in South America.

The March meeting will be held at the home of Mrs. Howard Majury where a silent food sale will take place.

Mrs. Patrick Deslandes, leader of the Unit for five years was presented with a gift in appreciation of her excellent leadership and ideas and hard work.

Moe's River

Mr. Alfred Sayer, Lowell, Mass., spent a week at the home of his brother and sister-in-law, Mr. and Mrs. Syd Sayer. Other visitors at the same home were Mr. Sayer's sister, Mrs. Winifred Way, Lennoxville, and Mr. Stephen Sayer, Rosemont.

St. Paul's men cook and serve supper recently

BURY — A most successful and enjoyable pancake supper was held on Shrove Tuesday in the Legion Hall by the men of St. Paul's church, when a most delectable supper of pancakes, maple syrup, sausages, baked beans and doughnuts were cooked and served most capably by the men of the congregation.

The supper was followed by a card party. Cards were played at 16 tables. Prizes were won by Mrs. Adolphe Lariviere, Mrs. Edwards, Cecil Ross and Clarence Goodwin.

The financial proceeds of both were highly gratifying.

Lady honored at farewell party

STANSTEAD — The evening of Feb. 25 Miss Catherine Comeau, Stanstead, had been invited by Mrs. Lawrence Galvin to give an embroidery demonstration at the Sacred Heart Parish hall.

When Miss Comeau entered the hall she was pleasantly surprised to find some 40 of her lady friends assembled and herself the guest of honor for a farewell party, for the middle of March Miss Comeau and her brother, Father Pierre Comeau will be leaving Stanstead and Sacred Heart Parish to make their home in the Maritimes.

A corsage of white carnations was presented to Miss Comeau by Mrs. S. Beaulac. The evening was spent playing cards. The prize winners were Mrs. Bert Delisle, Mrs. Jean Paul Grenier, Mrs. Paul Ricard, all of Stanstead; Mrs. Victor Morin, Beebe; Mrs. Conrad Roy, and a consolation went to Mrs. Gonzaire Cote, both of Stanstead. A special prize was claimed by Mrs. Victoria Vigneault, Mrs. O. Martin and Mrs. Donat Goulet.

Mrs. Paul Tellier sang a solo she had composed about the Maritimes, dedicating it to Miss Comeau. Mrs. Conrad Roy also sang a solo.

Mrs. Galvin, speaking for all the friends attending and several unable to attend spoke words of farewell to Miss Comeau and wished her happy days in Yarmouth, N.S.

Miss Comeau voiced her appreciation and invited all to visit her and Father Comeau whenever they are in the Maritimes.

Refreshments were served. Those who organized the party were Mrs. Edward Thompson, Mrs. H. L. Doyon, Mrs. Roland Roderigue, Mrs. Lawrence Galvin and Mrs. S. Beaulac.

Society discuss possible Flower Box Contest

STANSTEAD — A meeting of the Stanstead County Horticultural Society met in the County Building hall at Ayer's Cliff in February, where president, Kenneth Dean presided.

The directors discussed the possibility of holding a Flower Box Contest this summer at the contestants homes and arrangements to have boxes to be no less than three feet long, prizes to be \$10, \$7, \$5, \$3 and five prizes of \$2 each. All members may enter and anyone not a member wishing to participate may do so by paying the secretary, Mrs. Gordon Shipway, of Massawippi, a \$2 membership fee. This will also entitle the member to exhibit at the Ayer's Cliff Fair in 1969.

As the final decision will be based on the response of the public, those interested are requested to contact, Mrs. Shipway before Mar. 31.

Roland Bowen, Douglas Johnston and Harold Riches were named to the building committee to assist Richie Harrison.

Revision of the prize list for the Ayer's Cliff Fair exhibition took place with some changes made to include two new specials, namely, Class VI, section

6A roses, 1 Hybrid tea rose, named; for new exhibitors in the gladioli class, Gladioli, 6 spikes, one color in one container; gladioli, six spikes assorted colors. It was decided at an earlier meeting that all new exhibitors be allowed to exhibit the first year, free of membership ticket, also that 10 per cent deduction will be eliminated.

A sugar-on-snow party is being held at the sugar place of Mr. and Mrs. Clifford Curtis, Hatley, during the sugar season, date to be announced later.

It was announced that the winners of the Christmas raffle were Mrs. Paul Fortin, Magog, first; Mr. Gordon Bailey, Magog, second; Mrs. Ed Bervaldi, Hatley, third; and Mrs. Ruth Waite, Ayer's Cliff, fourth.

Try not to look at the East and West hands before you plan your play at four hearts. If you do, you will see why Dorothy Hayden in her new book, "Winning Declarer Play," gave the hand the title, "Cherchez la Femme."

You have no problem at the start since West cashes the ace and king of spades and continues. You ruff the third spade and draw trumps. It takes just two leads to do this since both opponents follow.

Then you see that you can make five odd by successful

finesses in both clubs and diamonds. You have only a one-way finesse in clubs, and a two-way finesse in diamonds. You will have to be lucky to make the overtrick, and very unlucky to go down. If you do go down you won't be the unlucky one. It will be your partner.

The reason is that this hand is a sure thing. You simply play out the ace, king and jack of clubs. It won't matter which opponent takes the queen, or what is led back.

If a diamond is led back the queen is a dead card. If any other suit is led back you simply ruff in one hand and discard a diamond from the other.

This old type hand has been included in every book of play from Foster and Work through this one. It has also appeared in the Jacoby and every other bridge problem.

It is called an elimination play because you eliminate all cards in certain suits before giving up the lead. In this case your opponents eliminated spades and you eliminated clubs.

You also eliminated all losing chances when you did this.
