

there. Mr. Edward Gurne
manufacturer of Toronto, ga

It is stated that Mr. Fleming is a well-known barrister, is to be appointed to the Judgeship to be made vacant by the superannuation of Judge Tamm. Mr. Fleming has been recommended for the appointment,

much to the benefit of the party, the latter will also rejoice with confidence, there can be no doubt, as it has repeatedly been shown, that a sufficiency of palpable evidence will enable the party to what the rival translation company is capable of doing in the charges in the absence of a petition. Common gratitude, therefore, should dictate, in the lines for future use, a party's part, whenever occasion for the one, which, at such sacrifices, has succeeded in the of ocean telegraph without bounds. Moreover, the same offered by the Direct Cable Co. its connection here, are equally

On motion to go into special session, Mr. COLBY rose to move the resolution to agree in reference to case No. 1. Upon this article had been character for many years wrong to the consumers in the time the duty was actually disproportionate, but by might be said it had grown, sent time exceedingly disproportionate amount manufactured in the past year was 5,135,595 gal, subject to an excise duty of 10¢ per gallon, and the quantity imported into the United States was 491,060 gal.
