MERCHANTS and **MANUFACTURERS** will please note that this Company issues the only **FIRE POLICY** in Canada granting permission to keep **UNLIMITED** quantities of Oils or hazardous goods *incidental to their trade* **Without Endorsement.**

SPECIAL features of **LIFE BRANCH** are gaining for it a preference over all other Companies. This is the only Canadian Company dividing its surplus *annually* among Life Policy Holders in reduction of next premiums. Send for a table of rates. Life Branch entirely distinct in Funds and Management from other Branches.

THE "CITIZENS" is the oldest Guarantee Company in America, and offers unquestionably **TEN-FOLD THE SECURITY** of any other Company. All Railways and Public Companies, Banks, Building Societies, Government and Municipal Officers, etc., in **Canada** and the **United States** should hold the indisputable bonds of this Company in preference to all others, as they have had a long trial, and not found wanting. No other form of security is half so satisfactory. Special rates to large Companies.

ACCIDENT POLICIES covering indemnity until cured, and all other popular modes issued at very moderate rates.

Eight volumes, 12mo,	Cloth extra, black and gold, . . .	$10.00
" " "	Cloth extra, gilt top, laid paper, . . .	12.00

Each set put up in a neat paper box.

This edition has been prepared at large expense expressly to meet the demand for really good and cheap edition of this standard work. The type is new, clear and readable, the paper of a good quality, the size the now popular 12mo, and the binding neat and durable. The price has been made very low to ensure a large sale, and will commend the work to all those desirous of possessing the best History of England extant.

Attention is directed to the following opinions of the work, particularly to that of President Porter, of Yale College.

"The best History of England for the general reader is Knight's *Popular History*. For a single history which may serve for constant use and reference in the library, or for frequent reading, it is to be preferred to every other."—*Noah Porter*, D.D., LL.D.

"We very cordially recommend these volumes to the readers whom they seek. We know of no History of England so free from prejudice; so thoroughly honest and impartial; so stored with facts and fancies; and therefore none so well adapted for school or college as this."—*London Athenæum.*

"Its literary merits are of a very high order; indeed, nothing has ever appeared superior, if anything has been published equal, to the account of the state of commerce, government, and society at different periods."—*Lord Brougham.*

"Mr. Knight's book well deserves its name; it will be emphatically popular, and it will gain its popularity by genuine merit. It is as good a book of the kind as ever was written." — *Westminster Review.*

"The best history extant, not only for, but also of the people."—*All the Year Round.*

"A standard book on the shelves of all libraries." —*London Spectator.*

"The last and greatest literary work of his life. This history will remain, for many a long day, a standard work."—*London Times.*

"This work is the very best History of England that we possess."—*London Standard.*

CHARLES KNIGHT'S

Popular History of England.

THE ONLY COMPLETE STANDARD HISTORY OF ENGLAND.

Eight volumes, 12mo, Cloth extra, black and gold, . . . $10.00
" " " Cloth extra, gilt top, laid paper. . . . 12.00

Each set put up in a neat paper box.

This edition has been prepared at large expense expressly to meet the demand for a really good and cheap edition of this standard work. The type is new, clear and readable, the paper of a good quality, the size the now popular 12mo, and the binding neat and durable. The price has been made very low to ensure a large sale, and will commend the work to all those desirous of possessing the best History of England extant.

Attention is directed to the following opinions of the work, particularly to that of President Porter, of Yale College.

"The best History of England for the general reader is Knight's *Popular History*. For a single history which may serve for constant use and reference in the library, or for frequent reading, it is to be preferred to every other."—*Noah Porter*, D.D., LL.D.

"We very cordially recommend these volumes to the readers whom they seek. We know of no History of England so free from prejudice; so thoroughly honest and impartial; so stored with facts and fancies; and therefore none so well adapted for school or college as this."—*London Athenæum*.

"Its literary merits are of a very high order; indeed, nothing has ever appeared superior, if anything has been published equal, to the account of the state of commerce, government, and society at different periods."—*Lord Brougham*.

"Mr. Knight's book well deserves its name; it will be emphatically popular, and it will gain its popularity by genuine merit. It is as good a book of the kind as ever was written."—*Westminster Review*.

"The best history extant, not only for, but also of the people."—*All the Year Round*.

"A standard book on the shelves of all libraries."—*London Spectator*.

"The last and greatest literary work of his life. This history will remain, for many a long day, a standard work."—*London Times*.

"This work is the very best History of England that we possess."—*London Standard*.

Give Preference to Montreal's oldest Insurance Company, "The CITIZENS"

JUST PUBLISHED:

CHARLES KNIGHT'S
Popular History of England.

THE ONLY COMPLETE STANDARD HISTORY OF ENGLAND.

Eight volumes, 12mo,	Cloth extra, black and gold, . . .	$10.00
" " "	Cloth extra, gilt top, laid paper, . . .	12.00

Each set put up in a neat paper box.

This edition has been prepared at large expense expressly to meet the demand for a really good and cheap edition of this standard work. The type is new, clear and readable, the paper of a good quality, the size the now popular 12mo, and the binding neat and durable. The price has been made very low to ensure a large sale, and will recommend the work to all those desirous of possessing the best History of England extant.

Attention is directed to the following opinions of the work, particularly to that of President Porter, of Yale College.

"The best History of England for the general reader is Knight's *Popular History*. For a single history which may serve for constant use and reference in the library, or for frequent reading, it is to be preferred to every other."—*Noah Porter*, D.D., LL.D.

"We very cordially recommend these volumes to the readers whom they seek. We know of no History of England so free from prejudice; so thoroughly honest and impartial; so stored with facts and fancies; and therefore none so well adapted for school or college as this."—*London Athenæum.*

"Its literary merits are of a very high order; indeed, nothing has ever appeared superior, if anything has been published equal, to the account of the state of commerce, government, and society at different periods."—*Lord Brougham.*

"Mr. Knight's book well deserves its name; it will be emphatically popular, and it will gain its popularity by genuine merit. It is as good a book of the kind as ever was written."—*Westminster Review.*

"The best history extant, not only for, but also of the people."—*All the Year Round.*

"A standard book on the shelves of all libraries."—*London Spectator.*

"The last and greatest literary work of his life. This history will remain, for many a long day, a standard work."—*London Times.*

"This work is the very best History of England that we possess."—*London Standard.*

CHARLES KNIGHT'S

Popular History of England.

THE ONLY COMPLETE STANDARD HISTORY OF ENGLAND.

Eight volumes, 12mo, Cloth extra, black and gold, ... $10.00
" " " Cloth extra, gilt top, laid paper, ... 12.00

Each set put up in a neat paper box.

This edition has been prepared at large expense expressly to meet the demand for a really good and cheap edition of this standard work. The type is new, clear and readable, the paper of a good quality, the size the now popular 12mo, and the binding neat and durable. The price has been made very low to ensure a large sale, and will commend the work to all those desirous of possessing the best History of England extant.

Attention is directed to the following opinions of the work, particularly to that of President Porter, of Yale College.

"The best History of England for the general reader is Knight's *Popular History*. For a single history which may serve for constant use and reference in the library, or for frequent reading, it is to be preferred to every other."—*Noah Porter, D.D., LL.D.*

"We very cordially recommend these volumes to the readers whom they seek. We know of no History of England so free from prejudice; so thoroughly honest and impartial; so stored with facts and fancies; and therefore none so well adapted for school or college as this."—*London Athenæum.*

"Its literary merits are of a very high order; indeed, nothing has ever appeared superior, if anything has been published equal, to the account of the state of commerce, government, and society at different periods."—*Lord Brougham.*

"Mr. Knight's book well deserves its name; it will be emphatically popular, and it will gain its popularity by genuine merit. It is as good a book of the kind as ever was written."—*Westminster Review.*

"The best history extant, not only for, but also of the people."—*All the Year Round.*

"A standard book on the shelves of all libraries."—*London Spectator.*

"The last and greatest literary work of his life. This history will remain, for many a long day, a standard work."—*London Times.*

"This work is the very best History of England that we possess."—*London Standard.*

IT is well-known that there is no city—of the extent of Montreal,—wherein such a quantity of inferior work is done under the designation of Wood Engraving. Numerous persons of late years, without possessing the artistic knowledge to warrant it, style themselves Designers, and profess to do all kinds of Engraving in the highest style of the art. To that portion of the public who can understand what constitutes a good Wood Cut, and who are really desirous of obtaining it, I would respectfully intimate that my long experience as a Draughtsman and Wood Engraver, will enable me to give satisfaction, and my charges do not exceed that of others.—J. H. WALKER.
