No. 39 91st Year | Shawville Que., Wednesday, October 16, 1974 | per copy 15c

Danny Stewart, youngest of a family of eight who all participated in the annual Pontiac Plowing Match on Calumet Island Saturday, was also the youngest plowman in the contest. At age five Danny is too young to attend school but finds lots to do at home - what with the fall plowing and all! This and other photos of the Plowing Match were taken through dense fog and drizzling rain with the 420 Polariod which is now available from Keith Horner's Store in Shawville.

Ross Stewart's team was alone in the horse class, probably due to the fact that perennial contestant Bill Hodgins was away getting married on Saturday. Here Ross and the Association president Alex Bertrand take a ride around the field after the horses had done their plowing for the day.

Dumouchels and Stewarts share all ten trophies at Pontiac County's annual plowing match Saturday

The weather on Pontiac Plowing Match day wasn't up to its usual splendor, in fact one might say it was downright miserable, but nevertheless forty four plowmen convened at the farm of Alexander Bertrand on Calumet Island and competed for prizes and trophies.

The largest class in the match was for tractor with 3 furrow hydraulic plow which attracted eleven contestants. Richard Dumouchel won first place and the Lawn Trophy and Reneaud Dumouchel came second and took the Imperial Oil Trophy. Others in the order in which they placed were Howard Letts, John Stafford, Roy Pickle, Victor LaSalle, Ronnie Ostrom, Philippe LaSalle, Phillippe Dumouchel, Charley Lance and John Clarke.

There was also a good entry in the tractor with four score hydraulic plow class which was won by Russell Stewart followed by Tommy Stewart, Claude Dumouchel, Martin Dumouchel, Ronnie Stewart who won the Bank of Nova Scotia Trophy, and Jack Stewart and Brian Telford.

Only one contestant, Ross Stewart entered the class for horse drawn plow and won the trophy donated by Mr and Mrs Gerald Stewart.

The youth class for 3 furrow plow was divided into a section for those who had plowed in competition before and those who had not. The experienced group was led by Jerry Stewart who won the Johnston Trophy, followed by Henri LaSalle, Paul Bertrand, Wayne Stewart, Brian Stewart and Rodolph LaSalle.

The novice entrants 16 years and under were Danny Stewart who won the Mrs Francine Cameron Trophy, Ray Clarke, John Keleher, Darl Stewart, Luc Lance and Bruce Peck.

In the two furrow section for boys 16 and under Danny O'Brien took top honours followed by Jimmy Black, Jeffery O'Brien and Tommy O'Brien.

The class for girls 18 years and under was also divided, but not as to experience. The division was between trailing and hydraulic plows. The trailing clas was won by Pierrette Dumouchel who was awarded the Crawford Trophy, followed by Chantal Dumouchel, Darlene Stewart and Joanne Stewart. Both trophies in the hydraulic section for girls 18 or under went to the Stewart family with Helene taking the Poisson Trophy and Mrs Beverley Stewart taking the Bank of Montreal Trophy.

The advanced competition with two furrow trailing plow was won by Gaetan Dumouchel who won the Royal Bank Trophy, followed by Carl Ostrom and David Ostrom.

As can be seen the trophies did not all go to the winners of each class but to individual skills and special situations such as best crown, best ridge, best outfit, best finish, oldest plowman and youngest plowman. Arnold Sloan was in charge of the records of the event and the president, Alex Bertrand was in charge of arrangements.

The Farmerettes of Calumet Island provided a hearty meal for all contestants and spectators and a refreshment booth on the grounds also provided extra sustenance to all who braved the weather to participate or spectate at this annual event.

On Monday night at the Calumet Island Parish Hall the awards were announced and given out and a special presentation was made to Eric Brown who retired this year after having been president of the Pontiac Plowman's Association for 16 years.

Stabilization price for slaughter cattle to be determined next August

Enquiries are being received regarding cattle sold for slaughter and whether these cattle qualify for a stabilization payment.

In reply to these queries Mr. Doug MacMillan, Agronomist for the County of Pontiac, has provided the following statement.

The Canada Department of Agriculture will determine on August 11, 1975 whether the national average selling price for A1 and A2 steers and heifers was below the price of $45.42. If the average selling price is below $45.42 all farmers selling A, B and C cattle will be entitled to the same stabilization payment on a dressed weight basis and according to grade for cattle sold up to next August 11.

Scale tickets will be used to make claims and it is the responsibility of farmers to keep scale tickets so that claims can be made. Farmers must apply after it has been determined if a payment will be made.

The national average selling price will be determined on the Toronto, Winnipeg and Calgary markets.

(A word to the wise farmer: August 11, 1975 will be too late to start scurrying around trying to find your scale tickets so start now keeping them in a good safe place.)

St. Andrew's Presbyterian Church choir from Ottawa will sing in Shawville

On Sunday, October 27th at the United Church, under the direction of Carman Milligan, the Senior Choir of St. Andrew's Presbyterian Church, Ottawa, will present a sacred concert in the sanctuary at 7:30 p.m. This choir has given several similar concerts by invitation in other communities and has gained for itself considerable distinction as a choir.

Mr. Carman Milligan is well known for his ability as an organist and choir director, and therefore those who have invited him to Shawville look forward with keen anticipation to this musical event.

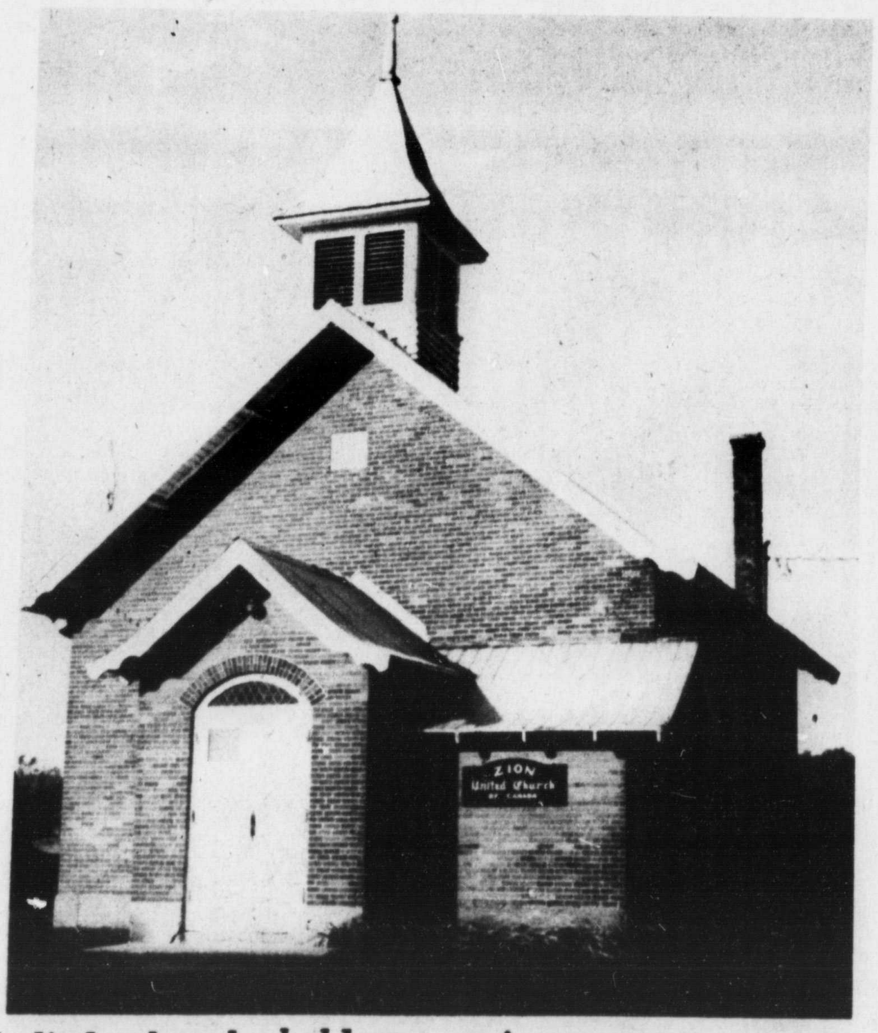
The program will be varied to include choral items, duets and solos. Mr. Milligan will also give a brief organ recital.

There will also be congregational participation in singing some of the great hymns of the church.

The public is cordially invited to come and share this evening with the Shawville United Church congregation, and strongly urged not to miss hearing this talented group of choristers.

Free-will offering will be collected to defray expenses and the proceeds thereafter will go in aid of St. Andrew's Presbyterian Church Choir fund.

Mark the date on your calendar - Sunday, Ot éth, and come early and get the seat of your choice.



Historic little church holds an anniversary

Zion United Church Anniversary Service will be held on Sunday, October 20th at 3 pm. The guest speaker will be The Rev Earl Walsh, Pastor of Riverside Baptist Church, Huntsville, Ontario. Guest singers will participate. A cordial invitation is extended to everyone.

Shawville's music store suffers second break-in and serious theft

Four years ago Andy's Music Store was robbed of about $1500 worth of musical instruments, all of which were traced to ajuvenile offender and returned after an investigation by the Quebec Police Force (at that time called the Quebec Provincial Police).

Once more the police are investigating a robbery at the same place. This time thieves took four thousand dollars worth of tapes, guitars and stereo components as well as other merchandise.

The present robbery took place during the night between Friday and Saturday of last weekend, probably early Saturday morning. Access was through a small glass pane in the door which was broken. The space is small which would suggest that again it was the work of small boys, or that the thief had a small accomplice. Having gained entry, the thieves discovered they couldn't open the door, even from the inside so they were obliged to break open another window to get the large objects out.

All this took place in relative silence as Mr and Mrs Andy Devine, the proprietors, slept through the entire event in their house next door to the store, as did all other residents on Center Street.

Another Shawville citizen was robbed of gas and hunting equipment that same night.

Police are investigating and a reward has been offered by Andy for the safe return or information leading to the safe return of the articles stolen from his store.

In Memory

Last week my father, Kenneth Leslie, died.
Among other things, he was a poet.
The last poem he wrote was called "The end of folly and of care" and its message makes it impossible for any who loved him to grieve.
It is as a memoriam to him that we publish this poem now, along with some others on the same subject. [*R.D.*]

THE END OF FOLLY AND OF CARE

To death I count the hours day by day,
To fading memories of my tears and laughter.
Unto no sleep, no waking, take my way
To less than nothingness forever after.

So I arrive within the final hall
That leads nowhere, unmoving, filling no need,
To nothing, absence, nil, so let me fall
Out of the last door, to airless air be freed.

I've swum the North West Arm, slept on the grass
And turned some minds from harsh to gentler ways;
And I have struck four jewels from a lass
From which came four times four to bless my days.

I race now breathless down the last steep stair
To greet the end of folly, and of care.

HAPPY ENDING

I would be home for my last sleeping
where quiet is stressed by a cricket's cheeping
and nightfall under the pasture bars
gathers the dew and the low red stars.
Breath of the rose and breath of its fall
and the snow's clean breath, to be breathing them all,
to grip no more with the tired hand,
to climb with the cloud and to lie with the land,
lying so low there'ld be no more falling,
climbing beyond all reach of calling, -
that would be sweet and happy ending
of too long wearing and too much mending.

REQUIESCAM

I must have peace, must have it undisturbed,
quiet and deep, must have it in my soul,
deep in my soul. But let no noise be curbed,
let every restless thing escape control
and find its freedom in its own sweet groove!
Let eagles storm the sky, let the worm creep,
let all things move the way that they must move,
but let me rest awhile and let me sleep!
And do not chide me for my weary eyes,
nor scold because my hands have lost their grip.
Some arrows they have aimed still climb the skies,
some hands shall not forget their comradeship.
I must have sleep and leave the quickened clay
to answer if sleep bring another day!

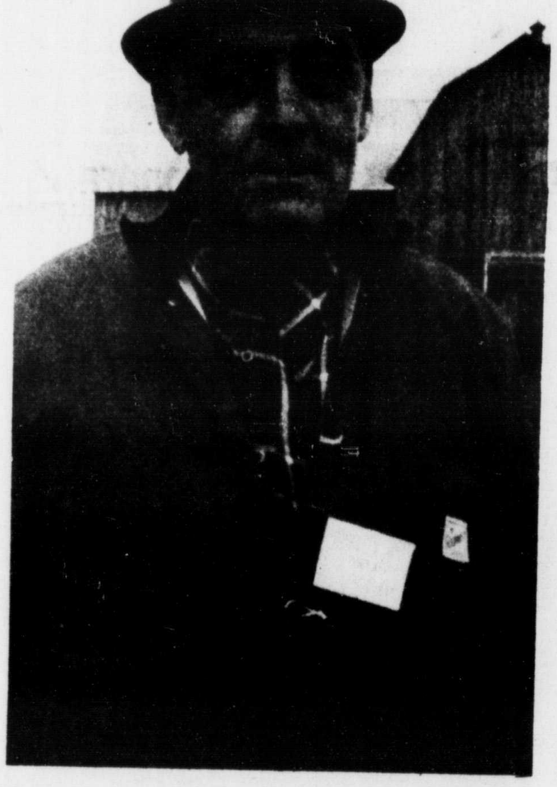
On the occasion of his appointment as Resident Manager of Wabush Mines, Pointe Noire Operation at Sept Iles, Bill Brandum received a congratulatory letter from the Premier of Quebec, the Hon. Robert Bourasse, and the letter was in English. This encouraging bit of news comes from Bill's mother, Mrs. Margaret Brandum who lives in Shawville and is understandably proud of her son; and particularly pleased that the note from Quebec came in a language she could read. Roses for Bourassa - and belated congrats from all here to Bill!

The landscaping class at Pontiac High is again this year looking for properties to draw plans of and help with the landscaping in the spring. Because of time and travelling problems these places should be in Shawville, preferably with little or no landscaping done to them. If interested please call Pontiac High and leave your name.



Plowman's Association president Alex Bertrand was the busiest man at the Match on Saturday and will be appearing on the "Pontiac Now" TV show over CHOV at 11:30 pm some Sunday night soon.

Stopping for lunch, the Stewart team gets a snack of hay and oats off the wagon.

All entries weren't necessarily horse-drawn or child-driven, as witness Charley Lance of Campbell's Bay who plowed a neat section with this brand new and very modern International.

Sea Pie and all the fixings were served to hungry plowmen and spectators by the Calumet Island Farmerettes including Mrs Cecile Gauthier who cooked the main dish and Mrs Mavis Pigeault, president of the club.

The Editors

Dear Mr and Mrs Dickson

I am sending some material to the Equity if you wish to publish it some of the readers of the Equity will appreciate it.

I feel the Equity does more for the country than people realize.

Also I'd like a favour, when I was in the lumber camp for Gillies Bro I wrote a song called "The Picanock Trail" . I have lost the words to this song and if any of THE EQUITY readers have a copy I'd appreciate it if they would send a copy to me. I wrote this song 1938 or 39 and there are some men in the country with the words as I wrote out this song every evening in the camp for the men.

Thanks again.
Andy Lusk

In case you missed the plowing match . . .

Aylmer East Women's Institute meeting for October was held at the home of Mrs. C. Wright on the Aylmer Road together with the Gatineau County Fall Convention.

Also discussedc were arrangements for serving tea and cookies at the upcoming winter fair when the three county branches will participate on October 18th.

As the Branch meeting concluded the meeting was turned over to the County convention with Mrs. B. McDowell, County President, presiding. Mrs. McDowell extended a welcome to all and the roll call showed five members from Wright, four from Rupert, twelve members and two visitors from Aylmer.

Mrs. R. Leach read the minutes of the Annual Convention and gave the financial report. Cards were signed by all present to be sent to Mrs. Fuller, Mrs. Nesbitt and Mrs. Holmes.

The winter fair plans were discussed at length. Wright branch will be hostess for the spring convention. There was a contest won by Mrs. Robinson and Mrs. Gibson. A Small Town

A small town is where you don't have to guess who your enemies are. Your friends will tell you.

A small town is the only place on earth where people past middle age are called by their first names whenever they saunter down the street.

A small town is where everybody knows everybody else's car on sight . . . and also where and when it goes.

A small town is where few people can get away with lying about the year they were born. Too many other people can remember.

A small town is where people with various ailments can air them properly to sympathetic ears.

A small town is where, when you get the wrong number, you can talk for 15 minutes anyway.

A small town is where the ratio of good people to bad people is something like 100 to one. That's nice to remember.

A small town is where it is hard for anybody to walk to work for exercise, because it takes too long stopping to explain to people who honk, stop and offer a ride.

A small town is where city folks say there is nothing to do, but residents don't have enough nights in the week for all the meetings and social functions.

A small town is where everyone becomes a "neighbor" in time of need.

A small town is where businessmen struggle for survival against city stores and shopping centres.

A small town is where those same businessmen dig deep many times to help with countless fund-raising projects.

A small town is where it's nice to be when you're rearing a family, and where it's nice to be when your family's grown up and gone.

A small town is where you don't have to lock your door every time you leave the house.

A small town is where many teenagers say there's nothing to do, only to learn that their big-city peers are saying the same thing.

A small town, when all is said and done, is just a nice place to live.

A good breakfast start can brighten your day

Part of the secret of feeling good in the morning is attitude — an interest in the world around you, in other people, in your work, in your hobbies. But there is more to it than attitude.

Good health can make you feel full of vitality, ready for action and challenge. So-so health can make you feel listless, lazy, indifferent, irritable.

Without a proper diet, adequate sleep, frequent exercise and a satisfying balance of work and recreation, it is impossible to achieve and maintain good health.

Unfortunately, says the Kellogg Nutrition Council, many people throughout the world are poorly nourished and go through life with an unnecessary handicap. A recent study of 2,400 grade nine students by Nutrition Canada found that 39 per cent of the boys and 70 per cent of the girls had poor to very poor diets.

It takes more than attitude to feel great in the morning. Good health, of which good nutrition is a vital component, is necessary for a sunshine start in the mornings.

Nutritionists attribute part of this surprising statistic to the fact that many people do not know *what constitutes a proper diet. Since* there are over 60 known nutrients in food, nutritionists recommend eating a well-balanced variety of foods at regular intervals at least three times a day.

They also stress the importance of beginning the day with a good breakfast. After many hours without food, the body is in greater need of nourishment than at any other time of the day.

With a fruit or juice rich in vitamin C, a bowl of corn flakes or other ready to eat cereal, milk and bread with butter, it's easy to fulfill the nutrient needs for the first meal of the day.

WHY...

Michelin pioneered and invented the steel-belted radial in 1948. Since then, thousands of satisfied customers have proven Michelin's exceptional value, often getting over twice the mileage of conventional tires, while saving on their gas bills.

A reputation like that, speaks for itself. That is why, for over 25 years, Michelin has enjoyed the reputation of being the world's largest manufacturer of steel-belted radial tires.

Wyman W.I.

Mrs James Campbell entertained the Wyman W I on Thursday, October 10. The meeting opened with the Collect and the Ode.

The minutes were read and approved and the treasurer's report given.

Fourteen members and four visitors answered the roll call "Your pet peeve on store products", the chief of which were "false front" hiding the flaws underneath, pressure cans that won't work and several price labels on the same article, and continuous rise in price in goods bought at lower prices.

Convenors outlines were distributed and a letter was read from the Provincial president. We are reminded to send our pennies for friendship by February also that the Tea Room Fund be sent to the County Treasurer this fall.

Convenors items -"Portable Education," which pointed up the unfairness of the present system of the different standards in each province, "Insect Pie" and the "Status of Women".

Mrs Duff gave the highlights of the County Semi annual meeting.

Wyman W I will entertain the annual county meeting in May.

A new order of the Wyman cookbook has just been received.

A gift was presented to a member who has just celebrated her 50th wedding anniversary.

There was some discussion on what could be done about unsafe housing.

Mrs Kelley, home economics convenor, introduced our guest, Mrs W Cotie, who showed slides of her trop to Austrailia, New Zealand and the Fiji Islands. She told of life in the desert of Australia and the Fijis. One very interesting point was that everyone, even the children of the Fiji's could speak at least three languages.

The next meeting will be at the home of Mrs Robert Johnston in Renfrew.

Mrs Roland Graham closed the meeting with a poem on autumn.

Mrs Campbell served a delicious tea, assisted by Miss Sarah Campbell and Mrs Mayhew.

Miss Linda Culleton of Ottawa spent the weekend with her parents Mr and Mrs Edward Culleton.

Mr and Mrs Michael Morin and Leah of Aylmer were recent visitors with Mrs Mary McGuire and Mr and Mrs Michael Morin of Chapeau.

Mr Barry Ryan of Ottawa was a recent guest of his parents Mr d Mrs Lyola Ryan.

Mr Lloyd Kelly of southern Ontario spent the weekend visiting with his family here.

Once again this area has been hit by "The Rustlers" without fail for the past few years some farmer or other is minus a steer from his herd. This time the loser was Mr E Tierney. All visible signs were left on the road where the animal was slaughtered and in broad daylight this was done. We sympathize with Mr Tierney as any loss is a big one in these times of high food prices and low farm income.

Text: Psalm 37:5,6 -1ICor 2:14

Everywhere in my travels, I meet defeated people. They are conscious of their defeat - they confess it - they deplore it - and they are ashamed of it. Often so severe is the issue that bitter tears are shed. Yet so often their failure continues on and on. Why? I believe that there are reasons as to why failure lingers on. People fail to put their trust in the living Saviour. People fail to give God the glory that belongs to Him.

By reading today's text I find that there is no excuse for defeat. True we are all prone to defeat, but if we put our trust in Him we can overcome and have victory over all circumstances, discouragement the world, and self. God has made provision for us to live undefeated lives. One is the Word of God. The Word of God is our overcoming weapon in the hour of temptation. His Word offers wisdom and direction to His people (Proverbs 6:22). Tow, was by the supreme work of Christ on our behalf, of the pouring out of His Life. The life is in the blood that was shed for us. And three, is by our identification with Christ. By union with Christ in death and resurrection we are now living on this side of the cross and the tomb identified with Him, walking with Him in the newness of Life.

In concluding one can overcome all defeat if they would learn the power of prevailing prayer and put their trust in Jesus Christ.

In Memory

GREER - In loving memory of my dear father Emery Greer who passed away October 20, 1962
In my heart your memory lingers
Always tender, fond and true,
There's not a day, dear Father,
I do not think of you.
Sadly missed by Robert
5099X016

GREER - In loving memory of a dear husband and father Emery G reer who passed away October 20, 1962.
Time rolls on and I am reminded
Of a day my heart was crushed.
When God took you, oh so quickly
And we all in gloom were thrust
In the bloom of life death claimed you.
In the prime of manhood days
But I hope some day to meet you
And to be with you always.
Sadly missed by wife Jessie and family.
5097X016

PRESLEY - In loving memory of a dear grandfather, Claud who died suddenly October 16, 1973.
We do not need a special to bring you to our mind
For the days we do not think of you
Are very hard to find.
If all the world were ours to give
We'de give it yes and more.
To see the face of dear grandfather
Come smiling through the door.
Sadly missed by Grandchildren Pat and Judy and great grandson Robbie.
