## Westmount Parking Laws Tightened

### Manager Says Amendments Are Sweeping

The Westmount City Council has announced important changes in the Westmount traffic bylaw 501, affecting nearly every leading street in the city.

The announcement, made by T. J. Hughes, city manager, said important changes in parking hours will go into effect as soon as new parking signs are ready, possibly within a month. Some of the amendments will go into effect immediately.

At present, parking is prohibited on the south side of most of the principal thoroughfares from 7 a.m. to 10 a.m. and on the north side from 4 p.m. to 7 p.m. Experience has shown the period of prohibition is longer than necessary.

Under the new regulations parking will be prohibited on the south side of a larger number of streets from 8 a.m. to 9.30 a.m. and on the north side from 4.30 p.m. to 6.30 p.m. Signs indicating this change will be ready within a month.

Other changes which go into effect immediately are as follows:

No vehicle will be allowed to park—

1. Within 25 ft. of any fire hydrant (formerly 15 ft.).

2. Within 25 ft. of the driveway entrance to a fire station (formerly 15 ft.).

3. Within a radius of 25 ft. of any street excavation or obstruction (formerly 20 ft.).

4. Within 40 ft. of an intersection (formerly 25 ft.).

5. Within 30 ft. of a bus stop sign or a tramway stop sign, unless the sign is within 60 ft. of an intersection, in which case the vehicle shall not be parked within 60 ft. of the intersection (formerly 75 ft.).

6. Within 125 ft. of the approach side of an intersection where there are automatic traffic signal detectors, and within 75 ft. of the far side of such intersection (no change on the approach side—formerly no regulation on the far side).

7. In front of a private driveway or within 25 ft. of any entrance or exit to or from a theatre, public assembly hall, church, hospital or school (formerly "in front" only).

The complete list of the streets affected by the new parking regulations follows with new "no parking" times in brackets:

### D. Hannaford Talks On Stock Market

Derek Hannaford, of the firm Dawson and Hannaford, was the guest speaker at a meeting of the Westmount High School Current Events Club Tuesday.

After being introduced by John Seely, Mr. Hannaford explained to the club the stock market, its operation and its relation to current events. First of all he defined a stock, then explained how the exchange itself facilitates the market. In the relation with current events, he showed the members how supply and demand can influence the price of stocks, and how

During the past week Club Officials have been busily engaged registering members for the various club groups, athletic and craft classes. Volunteer workers have been contacted and in many cases opening dates have been established. Club members are urged to register immediately for the craft, hobby or sport of their choice. The Club is offering unlimited opportunities in a recreational and educational program.

**PROGRAM NOTES**  
Miss Peterson's Group Piano class will have their opening session on Saturday, October 3rd. The advanced pupils are asked to report at 9 a.m. and the beginners at 10.30 a.m. There are several

vacancies due to graduation and Miss Peterson is anxious to have replacements. Registrations are being accepted at the Office.

Louis Thomas' Art Woodcraft class began last Wednesday evening and will continue to function every Wednesday evening and Saturday morning, the former at 7 p.m. and the latter at 10 a.m.

To-night a creative crafts class for girls 8 to 13 years of age will get underway under the leadership of Mrs. M. Mariasine.

Next Wednesday, October 7th, at 7 p.m. the lathe work and woodwork classes will resume activities under the instruction of Mr. A. T. Stikeman.

Club members, 17 years of age and over are reminded that a special organization meeting takes place this evening at 9 p.m. with the viewpoint of forming a social club for senior members.

Next Tuesday, September 29th at 6.45 p.m. Herb. Davies will present the first movie of the season. Its entitled the "Half Breed". Chapter No. 1 in the current serial Radar Patrol vs. Spy King is also on the bill.

**STAFF ADDITION**  
It was announced this week that Russell Skinner was appointed Boys' Work Supervisor replacing Roland Hamel who assumed a new position with the John Howard Society. Mr. Skinner has been connected with the Air Cadet movement for the past ten years, was responsible for the organization of the No. 564 Verdun Squadron Air Cadets and has been its Commanding Officer since the Squadron's inception. His present rank is Pilot Officer. Mr. Skinner began his duties at Unity last Monday.

**Elizabeth Leese Opens New Studio Of Dancing, Music**

One of the most modern dance studios in America opened its doors this month when Elizabeth Leese began her 1953-54 season at 326 Victoria Avenue, Westmount. Equipped with spacious dressing rooms with showers for both boys and girls, a large luxuriously-furnished waiting room for parents and two separate dance studios, all colored harmoniously in black and grey, the work of designer-architect Jean Fournier de Belleval, the Studio was designed to meet the wishes of Miss Leese and plans were based upon her own observations in New York and in Europe.

In addition to Miss Leese herself, the teaching staff includes the Honorable June May, Fellow of the Imperial Society of Teachers, and the only qualified Ceschetti teacher in Eastern Canada; Miss Juliette Fischer, who spent the past summer studying with Martha Graham in New York and at Connecticut College, where she also studied with Jose Limon and Doris Humphrey, will also teach children and adult modern dance. The studio is able to offer a Teachers Course in Cecchetti Ballet, conducted by the Honorable June May, a course in musical theory by Otto Mueller, and professional classes under the personal direction of Miss Leese.

Along with her teaching, Miss Leese continues to stage the choreography and dance in the bi-weekly Television show, "Chants Et Danses du Monde", which enters its fourth month as one of the most popular features being offered by Canadian Broadcasting Corporation. The Television show is produced by Roger Racine, with Otto Werner Mueller as musical director.

## Holy Name Society Rally Set For Forum on 4th Of October

Representatives of more than 350 parish and diocesan organizations met at Congress Hall Monday night to discuss plans for the mass public rally of the Archdiocesan Union of the Holy Name Society at the Forum Sunday, October 4.

Praising the work of the Holy Name Society in the organization of the rally, Bishop Lawrence P. Whalen, auxiliary bishop of Montreal, told the assembly that at the original meeting 20 years ago, at which he was present, only six parishes were in attendance.

"From that modest beginning," he said, "the public rally has grown over the years from an event attended by 700 persons to one which nearly 20,000 participated in last year. None of the organizers could possibly have imagined this development. With that record of achievement there need be no fear for its future success."

George Bolton, president of the society, in welcoming the executive officers of the various religious societies of the city, said their presence at the meeting was encouraging to the organizers of the rally and he asked for their continued support in the program arrangements.

The forthcoming public rally had its aim the greater honour and glory of God, said Rev. John Purcell, pastor of St. John Fisher Parish, Valois, and spiritual director of the society. For that reason we have chosen the words

"Hallowed Be Thy Name" as the rally theme, he stated.

Other speakers included Monsignor Gerald McShane, pastor of St. Patrick's Parish, who extended the full co-operation and support of his parish in the success of the rally.

Plans for the ceremony include the setting up of one of the largest altars ever used in the city; the rosary enacted by 66 children; St. Genesius Glee Club Choir directed by Rev. S. L. Wiercinski; the Knights of Malta dressed in their colorful regalia; a guard of honor of the Knights of Columbus and Boy Scout and Girl Guide troops. A sign 40 feet by six feet will blaze the theme "Hallowed Be Thy Name" and colorful drapes in red, wine, silver and gold will decorate the interior of the Forum.

## Stamp Club Notes

There was a very large attendance at the opening meeting of the new season at the Westmount Stamp Club held at Victoria Hall on Thursday, September 17th, when over 80, registered at the meeting.

The president, Mr. Reg. Haldimand, announced the following appointments: Assistance Secretary, Mr. John B. Poole; Sales Manager, Mr. Leon Bronstein; and Chairman of the Programme Committee, Mr. Ernest Hoare.

An interesting programme of events is being prepared including the visit of Mr. L. M. Lamouroux, President of the Canadian Philatelic Society on the 24th. On October 1st, delegates to the British North American Philatelic Society's Convention and Exhibition which is being held at the Sheraton Mount Royal Hotel from October 1st to the 3rd are being invited to visit the Club. Preparations are now underway for the organization of special events for Canada's National Stamp Week which is being celebrated from November 8th to the 14th.

## 4 Are Injured In Motor Crash

Four people were seriously injured in an accident that occurred Sunday at the corner of Western and Claremont.

A car driven by Stanley Mica, 512-3rd avenue, Verdun, collided with another auto driven by Jean B. Remillard, 2447 Notre Dame Street West. Damage was extensive to both cars.

Injured were Mr. and Mrs. L. O'Neil, 2518 DeLisle Street, Mrs. Jean B. Remillard and Mr. John Ronald McVichie, Bainsville, Ontario. Mr. O'Neil suffered severe cuts about the head and arms, Mrs. O'Neil an injured left arm and leg, cuts about the head. She was released after treatment.

Mrs. Remillard had a possible concussion and an injured left shoulder. McVichie was cut about the left arm and suffered shock.

All were taken to the Queen Elizabeth Hospital, by ambulance and Westmount Police Car 100.

## 17 Events For 25,000 Happy Kids

Seventeen events have been arranged by the members of the three Kiwanis Clubs in the Montreal area to provide entertainment for some 25,000 children Saturday, National Kids' Day.

Four of the events will be handled jointly by the Montreal, St. George and Kiwanis Clubs — free moving pictures at 10 o'clock on Saturday morning at the Belmont, Granada and Corona Theatres, through the courtesy of United Amusements, and the three hour sports programme at the Forum at 2 o'clock, organized by Ernie Hamilton and through the courtesy of the Canadian Arena Company.

The remaining 13 events will be carried out by groups of Kiwanians and their wives visiting various boys' clubs, orphanages, schools, hospitals and nurseries, providing the boys and girls there with entertainments and refreshments. In addition there may be two or three football games arranged by the Police Juvenile clubs in the Q.R.F.U., details of which are not yet finalized.

The celebration of National Kids' Day will start tomorrow at 1:30 at the School for Crippled Children, where the Montreal Kiwanians will stage an entertainment and provide candies. At 7:30 tomorrow evening St. George Kiwa-

nis members will visit the Julius Richardson Convalescent Hospital to entertain there.

These are the organized entertainments by the three clubs, but it is hoped that many other groups and individuals will arrange to do something to entertain some under-privileged children during the day to show their interest in youth welfare, and will take some youngster to church on Sunday to appropriately wind up the celebration.

**West-End Members Flock To MRT List**

The Montreal Repertory Theatre's office is being kept busy with the results of its campaign for new members in Montreal's West-end.

The decision to give all five productions at Westhill Auditorium this season was reached only after careful weighing of pros and cons by the board of directors. One of the factors the board felt to be of major importance was the development of residential streets in N.D.G. and Cote St. Luc. As this area continues to expand and to settle its roots of family living, MRT hopes to add a vital contribution to its growth.

Although the theatre is not an art to be restricted by boundaries or nationalities, it nevertheless reflects the community in which it lives. It is also, particularly in the case of little theatre groups, to a considerable extent the result of the active participation of its audience and workers.

Encouraged by the results of its first step towards interesting west-end residents, MRT is looking to the enlargement of its corps of voluntary workers. MRT believes that there are many in this district who will welcome the opportunity of taking an active part in the operations of Montreal's oldest little theatre.

West-end residents who want to know more about the opportunities for active work with MRT should get in touch with the theatre's General manager, Mrs. Jean de Savoy, herself a voluntary worker.

## Blood And Taxes

### Why Not Make Blood Donations Income Tax 'Deductibles'?

Securing sufficient blood donors to keep the Red Cross going is a continuing headache. Above all it means that those who work for the Society without pay must in turn be constantly pleading with others to volunteer their blood. Here is a suggestion that might help considerably, given the co-operation of the government, of the management of the society and the public at large.

Why not make blood donations deductible for tax purposes?

Blood certainly has value. Back in the days before the Red Cross got into the business a handful of healthy Canadians used to let their blood for cash, and were thought kindly for it. It would be returning charity with justice if the pint of vital fluid now given free were considered as a donation in kind to the Society's treasure.

There shouldn't be too much trouble setting a value for each donation. In earlier days a donation of 400 cc was considered worth

\$25. At today's price that would be about doubled, but a price of \$35 should be agreeable all around. Between wars the Red Cross call on each blood donor only twice a year. It would be deserved, and appreciated, if these volunteers could add another \$70 to their charitable donations on the income tax form.

The cost to Ottawa in lost tax revenue would be small; there is a limit to the blood that hospitals can use and the more donors who applied, the fewer times any individual would be called. It would make it easier and less embarrassing for the Red Cross to keep up a steady supply of suppliers and would have not \$70 cash to donate, a justified sense give the donors themselves, many of whom of accomplishment.

## 'Well-Meant Incoherence'

### Mrs. Roosevelt Forms New Committee But What Is Its Purpose?

Mrs. Eleanor Roosevelt, back from her world tour, went to Washington to launch a new political organization, the National Issues Committee.

Her insistence that it would be composed of "liberals" caused reporters to ask what she meant by the term.

She replied: "A person who is willing to look at any subject from both sides and to realize one is in a changing world and if we want to go forward we must be willing to accept changes — save the best from the past but go forward."

This kind of well-meaning incoherence, very common in the free nations today, explains why Russia is making them jump through the hoop.

in this type of organization will be inaugurated. This will be held in the parlours of the Church.

Wednesday at 6 o'clock the Business Women's Club will meet for its re-opening meeting, starting with a supper and an address by the Minister, Rev. Walter J. Spence.

## Christian Science

"Reality" is the subject of the Lesson-Sermon to be read in Christian Science churches on Sunday.

This Lesson-Sermon teaches that nothing is real but what God has created to express His divine nature; therefore an understanding of reality and its laws is gained only through discernment of that which is Godlike.

The Golden Text is from Philipians: " whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things."

Bible citations include the following from Luke: "Then Jesus answering said unto them, Go your way, and tell John what things ye have seen and heard; how that the blind see, the lame walk, the lepers are cleansed, the deaf hear, the dead are raised, to the poor the gospel is preached."

Correlative passages from the denominational text book "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following: "The mission of Jesus confirmed prophecy, and explained the so-called miracles of olden time as natural demonstrations of the divine power, demonstrations which were not

## Trinity Play Reading Resumes Next Mon.

Trinity Play Reading Club announces that it will reopen activities for the season on Monday, at 8:15 p.m. at Trinity Memorial Hall, Sherbrooke west at Marlowe. At that time Sheridan's famous comedy "School for Scandal" will be read aloud by such well known members of Trinity Players as Vivian Hayes, George Woods, Harold Kelley, Jim and Peggy Brown, Ann Fafoutakis and Dorothy Pfeiffer.

## Westmount Baptist

"The Greeks had a word for it. This will be the title of the morning sermon in Westmount Baptist Church Sunday. In the evening Dr. J. A. Johnston will begin a series of — "Why Don't You" sermons. These addresses will be personal, pertinent and practical. The series will include such questions as these: — 1. "Why Don't You — Investigate for Yourself?" 2. "Why Don't You — Make Up Your Mind?" 3. "Why Don't you — Break that Habit?" 4. "Why Don't you — Smash that Idol?" 5. "Why Don't You — Get off the Hobby Horse?" Visitors are welcomed at all services. Students are especially invited.

## Calvary United

There will be two features of special interest in Calvary Church, Westmount, on Sunday evening, the first, the Minister, Rev. Walter J. Spence, B.A., will continue the series of sermons on "WHAT GOD HATH JOINED TOGETHER" under the title FREEDOM AND RESTRAINT. This is a very timely and intriguing theme which all young people should hear. The second special feature is that the First Fellowship Hour of the season will follow the evening service in the Ladies' Parlours. Last season these Fellowship Hours proved very worth while. Come at 7.30 and enjoy these two outstanding services!

At the morning hour of worship Mr. Spence will preach. The Nursery Class will care for the little children during the hour of service, but the Sunday School for this week only will be in the afternoon at 3 o'clock, when the special Rally Day Service will be held. All parents and friends of the scholars are invited.

On Monday at 8 o'clock a Bible Class for those who are interested

understood. To-day the healing power of Truth is widely demonstrated as an immanent, eternal Science, instead of a phenomenal exhibition. Now, as then, signs and wonders are wrought in the metaphysical healing of physical disease; but these signs are only to demonstrate its divine origin, — to attest the reality of the higher mission of the Christ-power to take away the sins of the world."

## DUNN — CHALMERS

The marriage of Phyllis Elsie, daughter of Mr. and Mrs. Norman H. Chalmers of N.D.G. to Mr. Douglas Burton Dunn, son of Mr. and Mrs. Howard S. Dunn, took place on Saturday, September 12, in Stanley Presbyterian Church, the Rev. J. D. Wilkie officiating. Miss Doris Killam played the wedding music and Mr. Walter Clapperton sang during the service. Tall standards of peach gladioli were used for decoration.

Given in marriage by her father, the bride wore a ballerina length gown of imported lace and tulle.

pointed sleeves and full gathered skirt of tulle over taffeta. Her veil of tulle illusion was held by a Juliet cap-of lace and she carried a bouquet of Sweetheart roses and stephanotis.

The attendants were dressed alike in frocks of aqua figured nylon, turquoise over taffeta fashioned with ankle length skirts with headdresses and sashes of matching tulle and carried bouquets of feathered white carnations and pink Sweetheart roses. The little flower girl wore a short tiered frock of white figured nylon over gold taffeta, a band of golden garden flowers adorned her hair and she carried a basket of the same.

Mrs. Peron, mother of the bride wore a floor length gown of rose-wood faille and lace with matching hat trimmed with feathers, and a corsage of white feathered carnations. Mrs. Jacobs, mother of the bridegroom wore a powder blue triple sheer with lace sleeves and yoke, large navy velvet hat with navy accessories and a corsage of pink roses.

The reception was held at the Feller Institute where Sweetheart roses and larkspur were used to decorate.

Later for travelling the bride wore a navy and white corded silk dress suit and matching duster with red accessories and a corsage of white carnations. Upon their return Mr. and Mrs. Jacobs will reside at Macdonald College.

The out-of-town guests were Dr. and Mrs. P. Schwager, and daughters, of Waterton, Ont.; Dr. and Mrs. E. Frencheth, of Worcester, Mass.; Dr. and Mrs. J. C. Forbes, of Richmond, Va.; Mr. John St. George of College Park, Maryland; and Mr. S. Belanger and son of Ottawa.

Her circular veil of tulle illusion was held in place with a Juliet lace cap trimmed with iridescent sequins and pearls. She carried a semi-cascade bouquet of white gladioli with feathered white carnations.

Miss Joan Kinna, R.N., as maid of honour, Miss Jean MacKenzie, R. N., and Mrs. D. Dunn, sister-in-law of the bride, as attendants, wore identical gowns of turquoise silk taffeta with pelisse turquoise jackets having Elizabethan collars. They wore headdresses of gladioli to match their semi-cascade bouquets.

Mr. Donald Dunn acted as best man for his brother and the ushers were Messrs. Ronald Price, Gordon Naylor and Walter Baril.

Mrs. Chalmers, the bride's mother, wore a Dior blue silk taffeta gown with a navy blue feather hat and a pale pink glamelia corsage. Mrs. Dunn, mother of the groom, wore a gown of navy corded silk with a navy blue velvet hat and a deep red glamelia corsage.

The reception was held at the Berkeley Hotel. Later the bridal couple left by motor for Quebec City, the bride travelling in a maroon and grey tweed suit with grey accessories. On their return they will reside in Ann Arbor, Mich.

Hardly anybody seems to have a kind word to say for bats. But down in Texas the people of one city have erected a tall tower and put a sign on it "For Bats Only". They did that to show their appreciation for the way the little night-flyers control insects.

Even the Romans called the bat "an obnoxious fowl". Very wrong. Actually bats are mammals. They can fly better than birds, and a single busy bat can account for 250 mosquitoes in one night's work. Their wings act like a short-wave receiving set, picking up reverberations from the air waves so accurately that they can navigate in total darkness.

One species of Canadian bat is luxury loving. Each winter he heads south to Bermuda for the opening of the bug season there. Others just pick out some handy cave, hollow tree or belfry, and hang there upside down till spring.

One thing about bats, they're always thirsty. That's tough on the bat because to quench his thirst he has to find a river or lake and take it on the wing, swooping down and scooping up the liquid. We're luckier. When we feel a thirst coming on we can skip the swooping and scooping. All we need to do is sit back and murmur "Make Mine Molson's"; And in less time than it takes to say *pipistrellus pygmaeus* (bats to you) the famous long green bottle is on the table. Much easier. And nicer.

by MARTY GOODMAN

THIS Monday is the annual High School Football Carnival, and once again it will take place at Molson Stadium. Around the various schools, there are posters advertising this event, and right in the middle of each is a letter addressed to students. It cautions them against the disorderly conduct which has been so predominant the past few years at high school football games, and failure to comply with the notice will result in the event being terminated.

This Carnival has been a lot of help since its inception. Not only does it serve to give the coaches a line on their teams for the coming year, but the income all goes towards the upkeep of high school football. Grounds are rented, referees are paid, and many other costly duties are taken care of.

There is actually no reason for the rowdiness that takes place at these games. School spirit is a different thing entirely and it does not involve injurious pranks. The notice should be read and heeded by each and every student who intends to be a spectator at the proceedings. This misconduct was the actual reason the senior A league was forced to stop playing the popular Friday night doubleheaders at Molson Stadium; now the Carnival is endangered for the same reason, and if it keeps up, a similar ultimatum may be expected from the Westmount Athletic Grounds.

### First Intercollegiate Game

The McGill Redmen have added a double wing formation to the regular T they used last Saturday for tomorrow's game against the McMaster Marauders. Coach Vic Obeck has had Len Shaw working in the tailback position, and big Len has looked mighty impressive at times. This will be the real test for the Redmen, and aside from marking their initial 1953 intercollegiate start, it also will be the first regular senior intercollegiate game for Al Smith's Marauders. The Hamilton mentor has a good team this year, 19 holdovers from last season's team which did so well in every game. In fact, he is so loaded down at some positions that Ed Parente, a pre-season choice for all-star rating at quarterback, has been shifted to fullback, and last year's second stringer Joe Kosakowski will handle the bulk of the field-generalizing.

This gives the Marauders two men in the backfield who are real triple threats, Parente and Lorne Wrigglesworth, and a third dangerous passer in Kosakowski. The

proceedings should be very interesting, and the results very indicative of how the Redmen will shape up for the rest of the year.

### Coaching School Success

There was a story in last week's Examiner about the success of a coaching plan in Scotland for track and field participants, to the effect that no less than 80% of all the boys who placed in the first three of each event had received instruction under the plan. The meet was this year's Scottish Schoolboys Athletic Championships, held at Edinburgh, and pointed out very clearly the value of a well-organized coaching plan to improve results in track and field.

Another such coaching plan took place recently right here in Canada, when the Canadian Olympic Training plan went into effect with a picked group at the Canadian National Exhibition grounds. It is still too early to pick out any meets which would prove its worth, but enthusiasts may be sure that the athletes who attended learned much from the excellent coaching, which included many well-known personages from the United States as well as local experts. All of the Montreal boys who participated were very enthusiastic over the idea, and the results will undoubtedly be a lot more apparent in next summer's season.

THIS IS HOW: Getting the lowdown on the pigskin pastime at a Westmount practice are these gridiron stalwarts (l. to r.) Paul Zwinge, Don Ferrier, Bob Job, David Woodman, and Chris Carr. That's coach Ron Sharp doing the talking.

## Bantams Practice For Coming Clash

While their elder brothers are getting ready to make their last showing in senior A football, the Westmount Junior bantam team is also prepping for their own clash in Monday's High School Carnival against St. Leo's. Undeclared in two years, the Junior High is defending city champion.

Coach Hugh Stratton, now in his third year with the squad, figures he has a pretty good team built upon a nucleus of five holdovers. Edward Flegg, an end, George Young and Ronnie Taylor, both right halves, Peter Haley, quarter, and Gordon Smith, a center, all saw service with last year's titlists.

There is a weight limit of 136 pounds in bantam football, and a couple of players who are young enough to play are ineligible. These stalwarts will do their gridiron cavorting for the junior team that is being sponsored by both the junior and senior highs.

Stratton has his opening line-up pretty well set for Monday's 20 minute exhibition, and is fairly certain of the team he will carry throughout the year. They are, of course, subject to change after the Carnival.

Gordon Smith will start at center, flanked by Ronald Ledbetter and Ron Seltzer at guard. Roger Ackman and Galvin Woodford will hold down the tackle positions, with Ed Flegg and Steve Nutik at end.

Pete Haley will mind the quarterbacking, Peter Souquet at left half, George Young at right half, and David Gilmore at full will take their places on the half line. Bruce Hutchison will play wingback.

### 26 On Roster

Behind these 12 stalwarts, Strat-

ton has named 14 others to complete the roster. Ted Evans at center, guards Bill McEwan, Peter McKergow, and Laurie Seybold, tackles Arnold Barkoff and Tom Deachman, and ends Warren Franklin, Ted Ireland and Marvin Singer complete the line. Geff Plomer at quarter, Jim McGivern, John Reed, John Rogers, and Ron Taylor are the backfield reserves.

### Westmount Wanderings

Westmount cricket team finally was definitely eliminated from the title race, but it took a game called on account of darkness to do it. . . . At least the locals didn't continue the game under flashlight power as one other squad did this year.

## Loss Eliminates Title Hopes Of Cricket Squad

Hopes entertained that the Westmount cricket club would emerge league champions were rudely jolted Saturday when the local crew took it on the chin from Adastrians 202 to 176 for 8 at Westmount Park. The win gave the Adastrians full revenge for their Davidson Cup loss the previous week.

The loss dispelled any chance Westmount had for the championship, and since Verdun beat West Indies it just about assures Verdun of the title. They are tied with the West Indies on top, and have an easy game to play this Saturday.

### Close Match

The Westmount game was close, ended because of darkness. Milson led the winners with 59, followed by McLauchlan with 56. Good bowled four for 15.

Kemp scored 79 for Westmount and B. Taylor 22. Dyas took four wickets for 40.

Verdun defeated West Indies 161 for eight, declared, to 40. In other games, Maisonneuve ran up 113 for two wickets to defeat Adastrals with 111, and Southshore downed Mount Royal 74-61.

The last game of the 1953 Montreal cricket season will be played Saturday when Southshore meet Verdun in a game postponed from Aug. 8. A draw or win will give them the title, a loss a tie for the championship with West Indies.

# Seniors Get Ready For Annual Football Carnival

By MARTY GOODMAN

Opponents of Westmount High's decision to compete in senior B football this year are taking quite a beating, especially when they take a look at the amount of material coach Ron Sharp has to work with. Some of the high school mentors sit up night after night, trying to figure out which cuts will hurt the team least, but not Sharp.

A grand total of 26 players are working out at Westmount Park nightly as the seniors prepare for their last fling in senior A competition — the annual High School Football Carnival this Monday night at Molson Stadium.

Not only does the Westmount mentor not have to worry about who or who not to

cut, he doesn't even have to figure out new plays and advance learning for a battle-hardened crew of veterans. There is only a sparse group who performed for last year's squad; the rest are all new with most of them having graduated from junior or bantam ranks.

This turnout demonstrates very explicitly the sagacity of the Westmount move.

### Versus Montreal High

Montreal High will provide the opposition in the carnival, and the game will be of 20 minutes duration, one of several on the program, which gets underway at 7.30 p.m. Fred Urquhart of the High School always has a good team, one reason being the large enrollment.

Coach Sharp has his starting line-up pretty well lined up, and he is confident that his charges will display a good type of ball this season.

### Linemen

Bob Job will start at center,

backed up by Anderson. Chris Carr and Dave Woodman are the starting guards, Decarie in relief. Ed Fox and Ian Warnock are at tackle, along with Woodall, Page Fairchild, Talbot Nelles and Bennetts. Grant Gill and Evans are at the ends of the line, Dave Smart, Larratt and Mack providing additional strength.

Don Ferrier will handle first string quarterback duties, ably assisted by Perry, Dick Christensen, Bruce Wilson and Paul Zwinge will go on the half line, John Smart at wingback completes the backfield.

McKergow, Dick Grant, Drake, and Peter Molson complete the roster.

### Two Formations

The Westies have been working out of both a T and short punt formations, and are working hard on

both passing and running. Some of the boys have looked very good, and Paul Zwinge and Bob Ferrier both seemed headed for good seasons along with Bob Job and Ed Fox.

Tickets for the Carnival cost \$0.50 if bought at school, \$0.75 at the stadium.

## May Craig Wins Putting Tourney

The Westmount Putting League ended the season's competition Wednesday with a sealed tournament sponsored by Paquette who donated golf bags as prizes.

Mrs. May Craig was again ladies' winner with a score of 104 which equalled that made by one of the men players, Messrs. Montagne, Runnquist, Cairns, Jack Smith. Mr. Smith emerged victor in a playoff.

This past season has been extremely successful one, prizes were given out, and on whole the weather has been

### Touch Football

The City of Westmount Municipal Touch Football season is now under way, with more teams competing than ever before.

There are 24 teams to date and a possibility of more coming in within the next day or two.

Never before has Westmount had so many teams participating in this sport.

Each boy has been given a set of rules to study.

The elementary schools have helped considerably in organizing these teams, and also the high schools in Westmount.

Eligibility to play is controlled by the grade a boy is attending at school. That is, teams are made up in 4th, 5th, 6th and 7th grades to play against the same grades in the other schools.

Boys 15 years of age and over in the high schools have made up their own teams.

Each of the elementary school age teams will be coached by an older boy from the high schools. Referees will also be volunteers from the high schools.

### OH! THOSE GREMLINS

The legendary gremlin, now resigned to the fact that peacetime may afford mischievous opportunities too, may have been responsible for the error that appeared in last week's Examiner. It was reported that John Garland had been appointed head of the city's playgrounds, when he actually serves as supervisor of playground activities.

## Scottish Enter Toronto Tourney

Plans have been completed to send the Westmount Scottish to Toronto for the big rugby weekend that will take place there Oct. 10. Teams from New York and Prince Edward Island will be there, along with many other American squads.

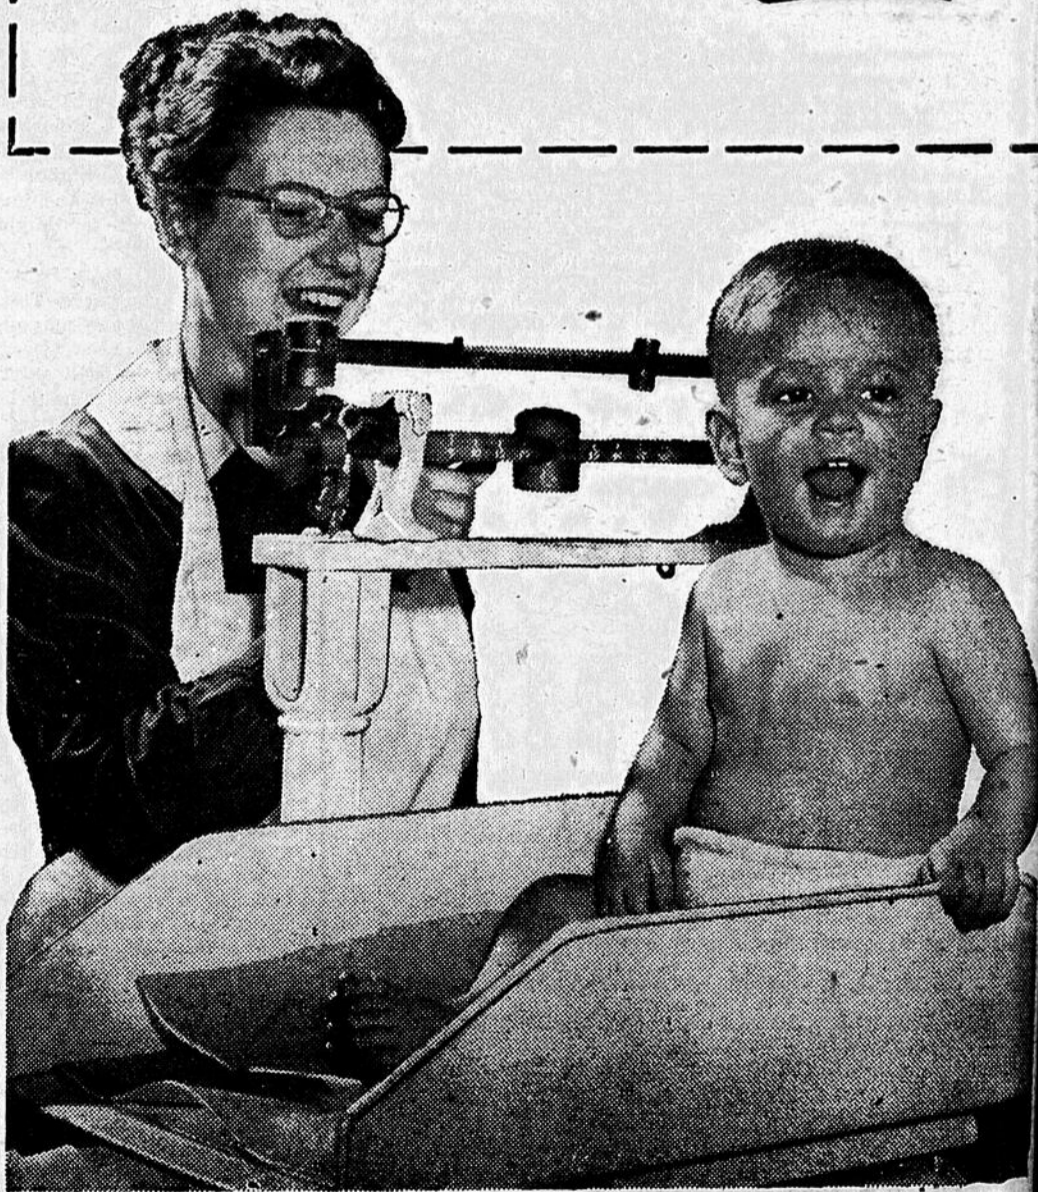

Club officials also hope that a fixture may also be arranged the same weekend between McGill and the Barbarians.

### Last Scrimmage

The teams will hold their last big scrimmage before entering competition this Saturday at Westmount Park, when an inter-club game will take place. It has been proposed that the week after the Barbarians go to Ottawa to play the Bytown Beavers, while other games have been lined up with Dartmouth, Harvard, MIT, and McGill.

Team officials stress the point that anyone who is interested in the game can still come out, and hope that all those who wish to play will turn up Saturday.
