Spring Cleaning Real Problem For Mrs Taylor In Swoop Shop

By CY FOX

Spring-cleaning is a real problem for Mrs. C. B. Taylor of the Swoop Shop, 319 Victoria avenue. She deals "swoop-wise", which means shelves filled with all sorts of household paraphernalia, ranging from chinaware to crutches, fascinating in their disorder.

Evidently, people like to swoop odds and ends from around the house in hopes, for instance, of picking up the cup or plate that may complete a china set. Or they do it for the fun of exchanging things they no longer need for anything in Mrs. Taylor's shop they might fancy. Antique hunters make up the balance of the trade.

"People bring along their articles and we evaluate them," Mrs. Taylor explained. "They take away things to the same value and pay a cash commission of 20% on the exchange."

A studio photograph of Bernard Shaw, a drawing of Edward VIII, a line of lamps and lampshades, a collection of golf-clubs in one corner and an array of cutlery in the other — such is the Swoop Shop. And a gold-fish tank, also for swoop, stands opposite Mrs. Taylor's desk.

The business was started 18 years ago by a Mrs. Dumaresq with whom Mrs. Taylor worked as assistant in a shop on Victoria Avenue just below Sherbrooke. In 1951, Mrs. Taylor took it over and moved to the new premises.

"It is an unusual business, I suppose," she remarked. Somebody told her recently there was a swoop-shop in Toronto; but she wasn't certain. A friend had

seen another such establishment in Venice, Florida. Apart from these, Mrs. Taylor knew of no others.

She finds that lamps, chinaware and glassware are most popular with her customers. Some people have credit at the store — swoop-credit, so to speak. They send their odds and ends over in lots, and then take things away in exchange as they want them.

Westmount Students Named Winners In Essay Contest

Two Westmount students were among the prize-winners in the annual essay competition sponsored by the Royal Empire Society. There were 860 essays submitted by boys and girls across Canada, dealing with aspects of life in the Commonwealth and Empire.

Jim Boake of Westmount High School won second prize in the "A" division (for entrants of 16 to 19 years of age). He and Jeanette Fowler of Verdun High School, who was awarded first prize, wrote on "Problems Arising from Nationalism in the Commonwealth and Empire".

In class "C", for younger entrants, Patrick Phillips of Selwyn High School, Westmount, was second, behind Lorraine Trynchuk of Manville, Alta. Both were asked to describe a visit to a farm in another part

of the Commonwealth and Empire.

First prize in Class "B", the 14 to 16 year old group, went to Thomas G. Anderson of Toronto. Westmount was also represented among children receiving honourable mention.

The essay of the first prize winner in each class is sent to the headquarters of the Society in London to compete with the best entries from all over the Commonwealth and Empire. It is estimated that the total number of essays written for the competition each year is over 10,000.

Operating Costs Ending Reddy Back To Public

An anonymous gift of \$100,000 was announced last week at the annual meeting of the Reddy Memorial Hospital. The grant, payable over a period of five years will be "applied to the ordinary operations of the hospital."

The reports of the president and executive director submitted to the annual meeting Friday, spoke of new material improvements, increased demands on hospital services and an ominous rise in costs.

In 1955, the Reddy operated at a deficit of \$174,150. Net-proceeds of the annual appeal for funds were \$73,600, leaving over \$100,000 to be found. It was only through the aid of provincial government grants and support from the Federal Department of Health that the hospital was able to meet its expenses.

The executive director, Dr. T. Barry, explained that the outpatient clinic, with 19,000 attendances last year — many of them able to pay only part of the cost of their treatment, or nothing at all—had to be run at a loss.

In addition, the cost of inpatient care rose by \$28,000 over the figure for 1954, due mainly to the increases in salaries and wages granted some of the staff. This year, there would be "at least an equal and inevitable increase."

Dr. Barry said that, although hospital bills may seem stiff to the average patient, they do not, in many cases, meet the full cost of treatment. Allowance has to be made as well for the charity patient whose hospitalization each day costs the institution \$10.

Both the executive director and Hospital President Wilfrid Bovey emphasized the importance of the campaign now being held to raise \$200,000 for Reddy Memorial Hospital. It wasn't possible for any hospital, providing a full range of services, to meet expenses without an increase in charges such as no ordinary patient could afford. A generous public and an enlightened government therefore had to be relied on to advance enough money to keep the Reddy going.

The past year saw the addition of a post-operative recovery

Interest High In Weredale Scout Activities

WEREDALE SCOUT TROOP now comprises four patrols with a total embership of 29. They are pictured above: kneeling in front, Ken Moore; second row (left to right), Roy Best, Edward Eby, Scoutmaster H. Wilson, Michael Cooke and Ronald Duffy. Third row, Peter Hanson, Robert Eby, Duncan McMillan, Grant Grimsdale, Gordon Riddick, Walter Pankiw; back row, Claude Moreau, David Gains, Ross Holden, Bill Chapman, Phillip Goernert, Edward Lienin, Donald Goernert, Paul Downie and Richard Bradley.

Patrol Leader Ronald Duffy (right) receives semaphor message of Scout Edward Eby during one of instruction classes at weekly meetings.

Pictured at left is Ted Harrison photographer, who is writing the feature stories on Scout Troops and Cub Packs in Westmount which will be continued in later issues.

The present strength of Weredale Scout Troop is 28 members with Scoutmaster H. Wilson in charge of the four patrols - Cats, Beavers Nighthawks and Chipmunks. The boys meet every Wednesday evening in the Weredale gymnasium and the interest and enthusiasm shown is very keen.

Every summer all boys of Weredale attend Camp Weredale at Lac L'Achigan which is registered at Scout Headquarters as an Official Scout Camp. Signaling, swimming, hockey and hikes are every popular activities with the members. Both Scoutmaster Wilson and Troop-leader Moore attended the World Jamboree last year, representing this troop.

The first Weredale Troop was formed in 1916 and was known as the 50th Montreal Troop. This troop, which was formed when the Home was on Mountain Street, was disbanded, due to

lack of a trained leader, in 1921. The second troop was started in 1932 under Scoutmaster C. E. C. Rush who became widely known throughout the Scout movement and will be remembered by many old Scouts as camp director for many years at Tamaracouta.

During the years of the second troop, a fife and drum band, made up of 20 members, was predominant in scout activities in this city. When the late King George VI and Queen Elizabeth visited Montreal in 1939 the band performed for the royal couple. The troop at that time was regarded as one of the best in the city and in 1938, members of Weredale Troop were selected for a movie, produced by the Canadian Council, to be used for Scoutmaster training which was shown all over Canada.

The Swim Team was awarded the Sir Edward Clouston Trophy

Door Closed Saturday On "Y" Hobby Exhibit

The annual Westmount Boys and Girls Hobby Show, which attracted over 1,200 spectators during its four-day run, was officially brought to a close Saturday night by Frank B. Common Jr., president of the first event, held in 1956.

Commenting on the development of the show, since its inception 20 years ago, Mr. Common compared it to the growth of a 20-year-old man from babyhood. He expressed the wish that, in the next 20 years, the show would "continue to grow and expand in its scope and quality."

President of the show executive, J. Boake, introduced members of the committee to the crowd of over 200 and thanked all who had contributed to the success of this year's event. In all, 50 students from the community took part in the planning and execution.

A Grade 11 student from Westmount High School was named winner of the D. C. Abbott Trophy, awarded for the best exhibit in the show.

Tony Liersch, Grade 8, Westmount Junior High, won the P. J. Usher Grand Aggregate Cup while Karen Keator, Grade 7, Study School, received the Frank B. Common, Jr. Junior Aggregate Cup.

life saving, an award they hold. Another distinctive trophy to the second troop was presentation at one ceremony of five King's Scout Badges to members. When war broke out all five joined the services and two were lost in action.

Mr. Rush left the troop in 1953 to join the Royal Canadian Mounted Police and ex-Weredale boys attempted to keep the troop together but this was unsuccessful and the troop was disbanded in 1952.

The present troop was started in 1953. Scoutmaster Wilson had a resident boy at Weredale for nine years and remembered the training and the help he had received when a Scout. This along with his interest in Scouting was a great help in organizing the new troop and with the cooperation of the director, eight boys were chosen to form the nucleus of the third Weredale troop.

Mr. F. McAdam, director, has been associated with Weredale since 1917. He has always encouraged Scouting for the boys and taken a keen interest in Scout matters. He stated that the Scout training received by any of the old boys in the two troops had been wonderful training for the many reflected on many occasions years later when the boys had left Weredale. The work and enthusiasm of the boys coupled with the leadership of the present Scoutmaster and the interest of the director are all healthy signs of a strong Scout future in Weredale Boys Home.

Easter III

By Rev. Canon R. K. Naylor
Rector, Trinity Memorial Church

Now that Easter is over we may consider for a moment what the fact and its revelation mean to us. I separate the two things quite deliberately — fact and revelation — just as they are separated in all our experience of God. There always was the fact of God, but there had to be a revelation before He could become known to man. So it has been with this mighty act of God — the Resurrection. God could have raised Jesus of Nazareth from the dead and left the disciples without any clear evidence of the fact. Their belief in Him then would have been a matter of pure faith. But God was more generous than that, so that St. Peter could say: "This Jesus nath God raised up, whereof we are his witnesses," St. Paul does the same thing — he lays emphasis not only on the fact of the Resurrection, but equally on the roll-call of the witnesses.

St. Paul goes on to consider what the effect would be if there had been no Resurrection. He states it quite baldly: "If Christ be not risen then is our preaching vain, and your faith is also vain." The great Hebrew scholar, Rabbi Klausner, recognizes that it was the Resurrection which made the Christian Church possible. It is certainly true that if the Apostles had not been convinced of the Resurrection they would have had neither reason nor courage to believe in Jesus and to commit themselves wholeheartedly to preaching Him.

The importance of the Resurrection can be better seen if we consider it negatively. What would the world be like if there had been no Resurrection? In the first place there would be no Christian Church. We may belittle the Church and its influence in the world when we are depressed about the world; but a moment's reflection would indicate a far grimmer world if there was no Church in it.

In the second place if there was no Christian Church we should probably still be offering animal sacrifices to strange gods; and quite possibly Judaism would also be offering sacrifices to Jehovah. At any rate Judaism would be very different if there had never been a Christian reformation within Judaism. For it is a simple fact that when a great religious movement takes place — like the Christian movement within Judaism, or the Reformation within the Western Church, or the Wesleyan movement within the Church of England — the older group is almost as such affected as the new.

It was the impact of Christianity on the Arab Tribes that produced Islam. And it has been

that same influence in India which has brought about reforming movements within Hinduism. Few thinkers would deny that Christianity has changed the world; and the power behind Christianity is the faith that Jesus has risen "who is the beginning, the first-born from the dead; that in all things He might have the pre-eminence."

Ottawa Alert Musical City Frances Goltman Discovers

By FRANCES GOLTMAN

Although I went to Ottawa to attend the Ontario Registered Music Teachers' Silver Anniversary Convention, I was fortunate in meeting two outstanding personalities outside the agenda activities.

Marion Dunn, born in Elgin,

Ontario, is one of Canada's two women television producers and an Arts Graduate of the University of Toronto. A vibrant individual with an ingratiating manner, Miss Dunn proceeded to New York where she studied the technique of television for two years and after intensive training in this field, returned to Toronto where she was engaged in script writing. For the past three years Marion Dunn has been in Ottawa where she is producer of many Church Services, Press Conference and "The Magic of Music" with Eugene Kash.

Toronto born Eugene Kash is a notable figure in the world of music who began to study the violin at five years under the late Dr. Luigi von Kunits, distinguished violinist and leader of the Toronto Symphony, until he won a scholarship to the Curtis Institute in Philadelphia.

A prodigy, Eugene Kash toured Ontario when he was nine years old. Following his Curtis schooling he went to Vienna, studying composition under Josef Polnauer. Concert tours in Austria, Switzerland, Italy, France and England proved highly successful and he returned to Canada to become Music Director at the National Film Board. A dynamic young man, with a jovial style, he is one of Canada's best known violinists, who resigned his post with the Film Board in 1950 to assume permanent conductorship of the Ottawa Philharmonic Orchestra.

Specially successful with young people, Kash has directed Children's Concerts for the past ten years with audiences of 1100. The "Magic of Music" has proved a great attraction for young people every Tuesday at 4:30 on

CBC Television, which he directs and is produced by Marion Dunn. Eugene Kash has been soloist with the CBC, BBC in London, England, and the Orchestra Nationale de Radio Diffusion Française in Paris. On May 7th, he will conduct the CBC Symphony on Trans-Canada network.

Marion Dunn and Eugene Kash are two interesting Canadians.

High School Students Will See Parliament During Special Event

High school students from the west end of the City will join nearly 200 others from across Canada in the Rotary Club of Ottawa's annual "Adventure in Citizenship", May 14 to 17.

Since the scheme was launched in 1951, a total of 788 young Canadians have visited Ottawa as guests of Rotary. There, they see the sights of the capital, hear talks by well-known speakers, meet national leaders, participate in group discussions, and, finally, receive from the Prime Minister himself Certificates of Canadian Citizenship.

The only obligation incurred by those taking part in "Adventure in Citizenship" is, on their return home, to accept invitations from school and church groups, service clubs, etc., to speak about their experiences and observations.

Bishop F. Sheen Forum Speaker

Bishop Fulton J. Sheen, one of this continent's most widely known radio and television personalities, will be in Montreal tomorrow night to speak at the Forum.

Bishop Sheen was originally scheduled to come to Montreal last month, having been invited here by the Montreal Club of Printing House Craftsmen to open Printing Week. His flight was unable to leave New York when the worst snowstorm of the season struck that section of the United States.

Bishop Sheen is one of the best known lecturers and speakers in North America — his years as a lecturer and preacher having given him complete mastery of the art of public speaking. All his talks are made without script or notes, yet, in a quarter of a century of broadcasting, he prides himself that he has never finished more than two seconds early or late.

Salary Increase Seen For Staff At Lower Canada

An increase in salary for members of the school's teaching staff was forecast Friday by A. M. Minnion, chairman of the Lower Canada College board of directors, speaking at the Old Boys Association annual dinner.

Mr. Minnion said the raises would come into effect within two years while pointing out also that the board was determined to do its best to maintain the building and equipment at the highest possible level.

"I would like to say that this college is in a very good state of health," he added, "thanks to the hard work of the staff, the Old Boys and to the many friends of the school."

D. S. Penton, headmaster, noted that 98 boys would apply for scholarships awarded by the college. These include the scholarship given annually the past four years by the Old Boys' Association.

He discussed the visit he paid to Dr. C. S. Fosbery, founder and first headmaster of the college, who is living in England. Dr. Fosbery celebrated his 90th birthday last year.

Quebec MAKES NEWS

Even from outside the Province an overwhelming new victory is predicted in Quebec for the National Union Government and its leader, the Hon. Maurice L. Duplessis.

Here is what some publications have to say about it:

"Quebec held its last provincial election in July, 1952. This province which traditionally sends an overwhelming majority of Liberals to Ottawa, gave the National Union of Premier Maurice Duplessis sixty-eight of the ninety-two seats in the Provincial Legislature. There is every indication that Mr. Duplessis will do as well or better this summer."

Raymond Daniell,
New York Times, February 26, 1956.

"We would still prophesy that if or when Mr. Duplessis holds his election he will come back with a bigger majority than he has now."

The Ottawa Journal, January 21, 1956.

"Duplessis' return is a virtual *Fait Accompli*. Who can doubt that Premier Duplessis will do it again when the provincial elections come next spring? There is nothing in sight which would indicate that Maurice can be beaten by any combination... Duplessis has now been in power since 1944 longer than most other premiers..."

The Monetary Times, Toronto, February, 1956.

Combined Appeal For The Blind Urges Support For Its Campaign

Few of us ever stop to consider how fortunate we are. We take it for granted, as a just right, as our due. With the exception of those who devote much of their leisure time, at considerable expense and personal sacrifice to themselves and their families, it all seems to be a case of "let the other fellow do it."

Perhaps these unselfish individuals have been exposed to the problem as we have never been, and, having been exposed and having realized the plight of our blind fellow Montrealers, they have seen their duty and are doing it. But the care and rehabilitation of the blind is just as much our responsibility as it is theirs.

Many of us have neither the time nor the opportunity to play a full part in this vital work. But there is 'One Thing' which we all can do to help — and that is to give, and give generously. Every fifty cents, every dollar, makes a difference. Please let your contribution be one of those which will make that difference.

Earlier we said, "How fortunate we are!" Fortunate is hardly the word. Can you imagine yourself not being able to see your lovely wife, your precious children, not being able to watch them grow and not sharing with them fully in such important occasions as a new party dress, a graduation, the winning of a sporting event? All of these, we are privileged to witness.

Montrealers have given generously to the Blind Appeal in the past, but regrettably not enough to meet the minimum requirements of the three major organizations charged with caring for the blind in Greater Montreal: the Canadian National Institute for the Blind, the Montreal Association for the Blind and L'Association Canadienne-Française des Aveugles, Inc.

Help us put the 1956 Combined Appeal for the Blind over the top. Back this One Appeal so that thousands of your fellow Canadians may receive training, occupational services and employment. Give them the opportunity which you enjoy — to live a useful, self-dependent life with comfort and inner happiness.

Last year, the three units making up the Combined Appeal for the Blind cared for thousands of blind men, women and children. Your contribution will make their lives happier and will give you pleasure in the knowledge that you, personally, have helped to make this possible.

This year's objective is the same as last year's — \$200,000.

Daily Vacation Schools 5-Week Training Course

A five-week training course for new and experienced members of the staff of Daily Vacation Schools, a Red Feather agency, will be held commencing Saturday, April 21. The agency operates a summer program for children 5 to 14 years old. The staff members, mostly high school students, will receive instruction in such things as storytelling, group singing, handicrafts, games and kindergarten activities.

The sessions will be held from 9 a.m. until noon each Saturday morning in Victoria School, 1822 St. Luke Street. Applications for staff are still being accepted and persons with musical training are in particular demand. General Supervisor of Daily Vacation Schools is Mrs. W. J. Scott, who can be reached at Wellington 9211.

Unfortunately, the 1955 goal was not attained, leaving a deficit of approximately \$22,000; but we are confident that the renewed effort on the part of our volunteers and your support will bring success this year.

How can YOU benefit from
having a Current Account?

You'll find it much easier to keep an accurate record of your current expenses when you have a Current Account.

When you pay all bills by cheque on your Current Account, you receive back, at the end of each month, all your cancelled cheques as well as a bank statement showing every withdrawal and every deposit you have made. The cancelled cheques serve as receipts—and are accepted in court as evidence of payment of the amount shown. Furthermore, they are much easier to file away than receipts and take less room to store. With them and your bank statements, you'll find it far easier to get an exact picture of how you spend your money.

So it's a good move to use a Current Account for paying all current bills—and keep your Savings Account for actual savings.

Athabasca Diocese Work Is Discussed

"The valuable contribution which the W.A. makes to the general work of the Church of England cannot be overstressed," declared Mrs. R. S. Newman, wife of the Rev. Canon Newman, in discussing their work in Athabasca Diocese.

Mrs. Newman was the guest speaker at the bi-monthly meeting of the Evening Branch of the W.A. of Trinity Memorial Church. Mrs. Newman illustrated her address with colored slides showing the beautiful countryside a great part of which lies in the Peace River area. She stressed the tremendous distances the clergy and other churchworkers had to travel in order to cover their territory and to bring the ministry of the Church to its members, in so many instances having to travel 40 to 60 miles over often very bad roads which became impassable after heavy rains.

W.A. organizations in this area, the speaker stated, were making excellent progress but here, as elsewhere, the great need is for yet more workers as Bishop's Messengers, deaconesses and clergy were greatly overworked.

Isabel McConnell Aux.

The monthly meeting of the Isabel McConnell Evening Auxiliary of Stanley Presbyterian Church will be held in Franklin Hall Memorial at 8:15 on Monday, Mrs. Goertzen of the Chinese Mission will be the speaker.

Calvary W.M.S. Service

The Women's Missionary Auxiliary of Calvary United Church will hold a special church service at Calvary Church, Greene Ave. and Dorchester St., on Sunday, at eleven o'clock in the morning. The guest speaker will be Miss Bessie French, of St. Columba House in Montreal. Her topic will be "My Father's Business". The service will be conducted by Miss Gladys B. Watson, president of Calvary Auxiliary, assisted by Mrs. E. Sisson and Mrs. E. Roberts.

Unity Club 16 Points Up In Cage Play With Ottawa; Complete Series Tomorrow

Three Unity Boys Club basketball teams returned from an invasion of Ottawa this week boasting a 16-point lead in their annual inter-club series with the Ottawa Boys Club for the right to the Goodwin Trophy.

The teams clash in the second game of the total-aggregate-points series at Unity tomorrow, with the first game getting underway at 1:30.

Reports from Ottawa reveal that the three-game set was a hard-fought affair with the Biddy squad picking up the most substantial margin of victory in its 17-7 conquest.

The Bantams eked out a close 49-48 win while the Midgets were forced to come from behind to grab a 74-69 victory to complete the clean sweep.

The bantam encounter was easily the most thrilling affair as the lead changed hands constantly throughout and victory was assured only by a basket in the last second of play.

Ottawa held a 23-22 lead at the half-way point and that was a good indication of the closeness of the play. Ian Gill paced the attack with 14 points while Ray Kouri was top man for Ottawa with 18.

In the midget action, Unity broke out with a scoring splurge in the second half to snatch the win. Ottawa was in the lead at half-time with a 32-27 margin and maintained the upper hand until the final four minutes of the game when the visitors struck to gain the nod.

Richard Simmons and John McDonough were the big guns in the Unity cause, picking up 23 and 22 points respectively. John McAskin netted 25, to pace the Capital crew, and Barry Darch helped out with 18.

The Biddy squad moved into a 9-5 lead at the half and never looked back as they piled up an additional 8 points while holding their opponents scoreless. Bobby Stewart was high man with 7 points.

Unity Director Maurice Marisane shows no feeling of complacency over the win and looks for a tough struggle to maintain the lead in the windup tomorrow.

Following the games, a banquet, complete with entertainment will be tendered the teams. The Unity players will be honored specially and a number of guests will be present. They will

include C. A. Wylie, executive director of Montreal Boys Association; William Allison, Unity vice-president and W. G. Moxley, past president.

Unity Lineups

Biddy: John Forbes, Buddy McKaig, Fred Power, Brian Power, Frank Robinson, Stuart Adams, Wayne Dallas, Ray Mader, Bobby Stewart.

Bantam: Ken Annable, Paul Genereux, Ian Gill, David Taggart, Bobby Agard, Keith Gavin, Roger Pate-naude, Douglas Rowland, John Westlake.

Midget: Richard Simmons, John McDonough, Rodney Wilson, Richard Cessford, Douglas Gavin, Fred Simms, Eric Mason, Kenneth Armour, Guy Adam, John McGivern.

the most exquisite examples of applied art to be found anywhere—and this is exactly what will be on view April 24 and 25 at Victoria Hall.

With a canvass of loose, high quality linen, and a palette of multicolored cotton threads, Mrs. Fletcher is able to present a pictorial composition that has the depth of oils, the texture of oils, and reproduces them faithfully—although at some sacrifice of time and patience it is true—many of the old masters.

Looking around the 'Guyton' exhibition, one will see reproductions of the Cezanne 'Card Players', the Toulouse-Lautrec 'Salon', the Valadon 'Grandmere' and many others.

Needlework is nothing new to Mrs. Fletcher. As a child in Paris she studied at the Convent of the Sisters of St. Vincent de Paul, and if you looked today, you would still see an altar-cloth embroidered by her in the old St. Medard church in Paris.

Problems of light and shade, perspective and texture are all solved by this master of the art of needlework, and needlepainting, whose works will be shown here, at Victoria Hall.

Wheeler's Overtime Tally Sinks MacRae, Cop Rondeau Trophy

Just when it seemed that Wheelers had lost the magic touch that carried them through to first place in the St. Laurent Intermediate Hockey League's regular season, they regained enough finesse to chalk up one more win.

That was last Thursday, and was their most important of the season, for it gave them the final series over MacRae Electric and possession of the Dr. Rondeau Trophy in their first year as an entry.

The finals couldn't have been any tighter. The teams were tied at one win apiece, with one game tied, and Wheelers won the final 3-2 in overtime.

Coach Lorne White was a proud poppa when that marker came, for it was his son Norm who potted the winning tally, after 1:42 of the first overtime session.

Drury, a scoring star for

Wheelers in the tilt, assisted White. Drury also set up Gary Gagnon with the tying marker late in the third period, and counted the opening goal of the game.

It was a tough loss for the defending champs, and just as equally a well earned win for Wheelers. The teams had battled closely all season.

Drury opened the scoring in the second period after the teams session, taking passes from Gagnon and Peter Mitchell at 6:58. MacRae came back strong and Pat Lomasney tied the count from Ross Murray at 9:57. Phil Martin put the Electricians ahead with a goal at 12:31. Bud Selby picked up an assist.

Wheelers came back just as strong in the third canto and Gagnon took Drury's pass to score at 9:01. Then came the winning marker in the overtime session, for the championship.

The game was rather clean and tame compared to its predecessors, with only two minor penalties being dished out. Murray got the only penalty of the first period at 14:59, while Drury was banished at 14:21 of the second.

Wheelers: goal Scurrah; defence Drury, Langshaw; center Gagnon; wings Mitchell, White; subs. McManaman, Dell'Elee, McCulloch, Campbell, Pinck, Molson, Hibbard.

MacRae: goal D. Brambell; defence Murray, Beasant; center McCowan; wings Lomasney, Turner; subs. R. Brambell, Martin, Simmons, Selby, Paineaud, Gray, Dunbar, Brown, McCarthy.

NDG YMCA Swimmers Win City Wide Meet

NDG YMCA swimmers took top honours in last week's city wide YMCA swim meet. The winners who played host to five Montreal YMCAs ran up an aggregate total of 112 points. Southwestern YMCA held the runner-up spot with 68 points. International "Y", Westmount, Lachine and Southwestern Extension finished in that order.

The NDG swim teams came out on top in the Junior and Senior events while Southwestern "Y" took the laurels in the Intermediate division.

Doug Rogers, International "Y", won the individual championship in the senior division. Peter Ferry and Paul Rowe of NDG "Y" came second and third respectively in this age group.

Dave Grant of Southwestern led the individual competitors in the Intermediate events. He was followed closely by Evan Black of the Westmount YMCA.

The NDG Junior aquatic entry displayed plenty of power as the first five places in the individual results were occupied by the local "Y" swimmers. First place went to Don McKee. Dave Reed, Steve Moran, Ron Blofield and Jim McKeen took the next four positions in that order.

Events in the meet included free style, breast stroke, back stroke, medley, both individual and team, relays and diving.

Close to 75 boys took part in the meet and officials expressed high praise for the program.
