One of Mr. Fainer's most important activities was in the realm of Hebrew education. She did notable work for the ladies' auxiliary that was later organized and as a mark of tribute, she was elected honorary vice-president. She was also a prominent member of the Sisterhood of Shaar Hashomayim Congregation.

She is survived by her husband, C. B. Fainer, three daughters, Mrs. Max Gruber, Beatrice Fainer and Lillian Fainer; four sisters, Mrs. William Lustgarten, Mrs. J. Dinovitzer, Mrs. F. Cohen, Mrs. I. Ornstein, and one brother, Nathan Fickler.

## WESTMOUNT JEWRY MEMORIAL TRIBUTE TO LATE MONARCH

### Rabbi Julius Berger Conducted Services at Shaar Zion Synagogue Tuesday Forenoon.

At Shaar Zion Synagogue, Clarendon Avenue, Rabbi Julius Berger conducted services in memory of our late King George V., at 11 o'clock Tuesday forenoon. In his address, "Jewry Under the Reign of King George V.," the rabbi eulogized the late monarch, saying, "In Jewish history, the name of King George V. will be enshrined in the enthusiastic affection even of generations yet to come. Three sentiments like a threefold golden thread will run through Jewish history.

First, by his noble acts, our late King emphasized the truth that unity of an Empire was not the combination of a people based on blood heritage. This explains why a Jew, Lord Reading was Viceroy of India and why in addition to Reading, there were Montagu, Mond, and Herbert Samuel in the British Cabinet.

Secondly, the moral mission of Great Britain brought forward by our good, humane, prudent, and religious King George V bears a striking similarity to that of the Prophets in Bible days. It is the moral mission of Right, Justice, democratic Equality, Law, and Order. This is of especial blessing for the world in this age when dictators spring from nowhere and yet become everything. They are anti-Judaism, anti-Christianity, anti-democratic Equality, in the guise of revenge for former injuries.

Thirdly, the interest which our late King manifested in Israel's endeavour to establish in Palestine a National Home for the Jewish people. By the Balfour declaration, England under our late King has played a role that is truly Biblical. In the Book of Ezra (1:2-3), the Bible records,—

"Thus, saith Cyrus, King of Persia. The Lord God of Heaven hath given me all the kingdoms of the earth; and He hath charged me to build Him a Home at Jerusalem which is in Judah. Who is there among you of all His people? His God be with him, and let him go up to Jerusalem, which is in Judah, and build the house of the Lord God of Israel. We have only to put instead of 'Cyrus, King of Persia,' 'George V. King of England'; and instead of 'A Home at Jerusalem,' 'The Jewish National Home in Palestine,' to make clear the analogy between the two monarchs and their two historical acts.

The sum of \$15,642 was forwarded to Toronto for the missionary and maintenance fund, an increase of \$1,921 over last year. Revenue for congregational purposes increased by \$1,483.

J. E. McLurg was elected president of the board, with E. Howard Cliff as vice-president; George Hunter, secretary; Lemuel Cushing, treasurer; Allan H. McDougall, assistant-treasurer, and H. M. ## SHAAR HASHOMAYIM SCENE OF MEMORIAL SERVICE FOR GEO. V

At a solemn memorial service held at Shaar Hashomayim Synagogue, Kensington Avenue and Cole Road Tuesday morning, the Jewish population paid impressive tribute to His Late Majesty, King George V. Over 2,500 people, including representatives of three faiths and seven nations, joined in the service conducted by Rev. Arthur Super and Dr. Herman Abramowitz.

In his sermon, Dr. Abramowitz compared King George to the great monarch of biblical history, King David. Like David, the late king understood the power of his position and also its limitations, and he knew not to abuse the power, or overstep the limitations. "He understood that his royal office," commented Dr. Abramowitz, "was not so much to give power, but to render distinguished service. Indeed, he preferred to appear before his people not in the light of ruler, but of servant. And a true servant of his people he has been, giving them no end of public service.

"It was characteristic that at his recent jubilee," the preacher continued, "that he should ask that the event be marked, by the creation of funds in every part of the empire, so that humanity should be served for years to come. As a result his name will ever be linked with service to humanity as well it should be."

In the course of his sermon, Dr. Abramowitz affirmed the loyalty of Jewry to the new king and to everything which Britain stands for. "While we pay loving tribute to the king who is no more," he said, "let us also offer up prayers for him who by the grace of God will reign in his stead."

The service was concluded with a special prayer of tribute to the late king.

## MASONIC LODGE HELD MEMORIAL AT CALVARY CH.

### Human Virtues, Jewels in Crown of George V., Rev. T. W. Jones Tells Assembled Brethren.

The Annual church service of the Montreal Kilwinning Lodge No. 20 held Sunday night in Calvary Church, Westmount, took the form of a Memorial Service for His Late Majesty King George V., and coincided with the 50th anniversary of the establishment of the church.

Bro. the Rev. T. W. Jones, M.A., B.D., officiated at the service at which visiting lodges were largely represented. He extended a hearty welcome to the Masons before delivering his sermon "Jewels in the King's Crown."

From the earliest days of recorded history, whenever a man was set apart as chief or leader of a tribe or nation some distinguishing mark was placed upon him as a symbol, Mr. Jones said. It was in this symbolic sense that the theme, "Jewels in the King's Crown," had been chosen, relating the lessons and suggestive truths associated with the symbol to the memory of the late King.

"It is of the abiding jewels of character in the King's crown, for which he was rightly renowned among his own people and among the nations of the earth, that I would speak in sincerity and simplicity," the preacher said, "And I do so the more whole-heartedly in this service; in the presence of the members of the Masonic Order, because these jewels of character which our beloved King so worthily exemplified in his own life, embody the very qualities of

character which true Masons should ever practice." Immediately following the sermon, scenes of Buckingham Palace, Westminster Abbey, Windsor Castle with the Royal chapel were shown, in addition to pictures of Her Majesty the Queen Mother and the King broadcasting his Christmas Message from Sandringham.

Officers of the Kilwinning Lodge present were: S. G. Helleur, Immediate Past Master; E. P. Hoover, S. W.; H. Gilbert, J. W.; H. J. Warr, treasurer; A. E. Bryant, secretary; Benard Edmond, S.D.; W. ## WILLIAM FORBES IS RE-ELECTED HEAD OF MELVILLE Y.P.S.

### Peggy Stewart Elected Vice-president And Jeanette Neilson, Secretary-Treasurer At Annual Meeting.

William Forbes was re-elected president of the Melville-Young Peoples' Society following a hectic evening of nominations and balloting when that group gathered for their annual meeting in Melville Presbyterian Church last Thursday. Appreciation of Mr. Forbes' excellent management in 1935, the society's first year of re-organization, brought him back to the post by popular vote.

Other officers elected were: Peggy Stewart, replacing Jean Cornfoot as vice-president; Jeanette Neilson taking Cay Stewart's post of secretary-treasurer; Howard Rhys, relieving Basil Starke of Educational Conventorship; Cay Stewart as membership secretary in place of Nan Mutch and Dorothy Bennett acclaimed as Howard Rhys' successor to Literary Conventorship.

W. B. Bennett, Honorary President and Rev. Wm. Orr Mulligan, Honorary Patron, were retained by acclamation.

After considerable discussion it was decided the post of Social Conventor be dropped and the duties connected therewith be given over to the vice-president.

Officers were installed immediately after the elections. The meeting continued with the reading of reports and minutes by secretary Cay Stewart, followed by an outline of the club's activities during 1935, by Miss J. Neilson.

Included in an outline of the Badminton Clubs activities by John Channon was an explanation of the Tournament how under way. "We are the only group entering two teams in this tournament," Mr. Channon said, "our hope being that eliminations will narrow it down to an all-Melville final."

Two one-act plays originally scheduled to be presented by the St. Lambert Y.P.S. at this meeting were cancelled in respect of the late monarch's death. Wm. Forbes was in the chair.

## "For Children Only" Is Saturday Feature Title At Krausmann's

"For Children Only," a program of entertainment presented for and by the children of Montreal, is announced as a new Saturday afternoon feature at Krausmann's Lorraine Grill.

Commencing Saturday, February 1, and every Saturday afternoon thereafter, the Lorraine Grill invites all boys and girls to participate in an amateur hour of songs and dances. Talented youngsters will be given an opportunity of appearing in public, while others interested in learning to dance or sing will be given instructions and advice by principals of the Lorraine Revue.

The children's party, which commences at 3:30 o'clock, will be preceded by the regular Lorraine Revue, a one hour presentation of songs, dances and music. At 4:30 the floor will be turned over

to the children, with George Sims, leader of the Lorraine Orchestra, acting as master of ceremonies. This presentation will continue until 5:30 p.m.

Instructors for the opening party will be: Singing, Miss Gerry Hambro and Gene Paul; ballroom dancing, Charlie Brett and Hazel Young; acrobatic dancing, Beth Calvin; Wynn Miller and Dan Hurwyn; tap dancing, Elvira Gomez and Marion Paul.

Children are requested to be accompanied by adults and the management announces a delightful afternoon tea will be served from three o'clock at a nominal charge. All participants will receive prizes.

A special invitation is extended to pupils of dancing and singing schools.

## Particularly for WOMEN

By F. G. H.

Let us look at the governments of the world to-day — first our neighbors on the South. The Presidential Chair is occupied by a man who has overcome great obstacles, a man of courage and determination. But I trembled for him when he was elected President as he has a great name to live up to — the name of Roosevelt. People expected and hoped for another Theodore Roosevelt but there will never be another. Few men have been gifted with or have acquired through diligent effort, such dynamic force. So we give credit where credit is due; and, being an exacting people, we expect more than we should.

One man can only do his best; but to allow good citizens of a nation to flee the country for safety and the criminal and alien who caused it all given more than a fair chance for life hardly gives the Nation the high standing it should have. Crime seems to be rampant in the States and what is more, the States seem to be a haven for criminals.

Most of us have read of the late Senator Huey Long. Was he a man of integrity and strong morals that he could honor the title of Senator? He was not! He was the lowest type of politician and nothing more than a gangster with a bodyguard of gunmen. When such a man has a finger in the Nation's affairs, one cannot have a high regard for that Nation's Government. And see what rapid strides Huey Long was making towards the Presidential Chair when a bullet stopped him.

Militarism is rampant in Italy and Germany. It is all very well for a young boy to be trained to crack his heels together and stand at attention to salute — but — there should be something more than a militaristic government to salute. There should be a government with a soul to salute.

There is always an uprising in the French Government. The Spanish Throne was vacated through force. A resume of the governments will show dissention, dissatisfaction, lack of freedom; but let us now look at our own British Government. Good King George ruled over a happy, contented people — about one-half of the world — for, twenty-five years. The British Nation recognizes first and foremost, Christianity and Religion; the firm foundation necessary to the building of a strong, respected government. Not only the people under British Rule are mourning the loss of a wonderful Leader and King, but the whole world is mourning the loss of a wonderful man, a great statesman, a fine sportsman.

In his son, King Edward the Eighth, we have the finest of a long line of fine rulers; a man who knows the world, who is above all human, a man who is loved by all, a strong man who is capable of leading a strong nation — a Nation with a soul. Long live King Edward the Eighth!

## STRALORNE PLAYERS PRESENT PRODUCTION

Three Plays Will Be Offered To West End Audience At Victoria Hall On Feb. 6.

With the date set for the show, Thursday evening, Feb. 6, hardly a week away, Stralorne Players have a busy time ahead of them. Rehearsing for the three one-act plays which will contribute to the programme has gone on now for the past three weeks, members of the different casts meeting regularly twice weekly. During the coming week the schedule will be stepped up and rehearsals have been called for every night, except Sunday, with Saturday afternoon set aside for a complete dress rehearsal.

From present indications, and to judge by the sincerity displayed by all members in mastering their parts under the careful guidance of James Chesney, it is confidently expected that the forthcoming show will be an even greater success than their initial performance was, early in December.

The three plays offered contain a wide divergence of material ranging from delightful satire in A. A. Milne's "Wuzzel-Flummary," tense drama of the revolutionary days in Russia as portrayed in "The House with the Twisted Windows" by Mary Pakenington, to the very human complexities unfolded in "Mr. Sampson," Charles Lee's well-known success.

Complete casts for the three plays follow: "Wuzzel-Flummary"

## TRINITY MEMORIAL MAKES FINE REPORT

All Activities Are Flourishing at Local Church, Annual Vestry Meeting Is Informed.

A surplus \$1,632.46 on ordinary revenue for the past year, as compared with a deficit the previous one, was reported by the wardens of Trinity Memorial Church at the Annual vestry meeting held Monday evening under the chairmanship of Ven. Archdeacon John M. Almond, Rector. While the mortgage redemption fund showed an additional surplus of \$106.45, the report pointed out that a principal payment of \$5,000 on the mortgage was not made although due.

Revenues amounted to \$24,210.75, of which \$14,333.85 was the Missionary Apportionment, while \$2,360 was contributed by the Women's Association. Total surplus stood at \$241,857.11. In submitting the financial report, Warden H. A. Cobbett stated that the church could look forward with a spirit of optimism to a continued improvement in the financial position. Parochial activities were all reported in flourishing condition.

In his report to the directors the Ven. Archdeacon John M. Almond paid particular attention to the work done for the youth of the parish and tribute to the work of the Women's Association as well as to his assistants, both clerical and lay, and to the church wardens.

B. T. Campbell was reappointed Rector's Warden while H. A. Cobbett was re-elected People's Warden. Other officers chosen were: Delegates to the Synod, J. C. C. Almond and W. S. Campbell;

## Where The Music Goes!

Almost everybody reading the title of this editorial is immediately going to jump to conclusions and say ah!—he's going to tell us that the music goes down and round. Well, the song says it does. Let's see. "Music" says Webster, "is a succession of sounds so modulated as to please the ear." Oh Yeah! Music must be made by some sort of an instrument. Again we refer to Webster (what sins are committed in thy name) who says "an instrument is a utensil" So that's why some of our orchestras sound as if the majority of the musicians (?) were playing meat-grinders. We have heard some musicians referred to as lyres, this is an error, the lyre we find is an instrument, not a musician. The tune 'the music goes down and round' was, so they say, written for a bass-horn player. No, that shouldn't be spelled 'base' although most of the exponents of the instrument are. Bass—according to Webster (what, is he in again) means the lower part of musical composition, as we suspected. It also means 'deep tone,' while we always thought it meant deep-mean or groan. Oh well, we're learning.

## ON THE AIR COMMENT ON CURRENT Radio Programmes and Stars

By Jack Hirshberg

RADIO . . . THE EDUCATOR!

If you are one of those people who think that cream is heavier than milk just because it appears thicker, then you are humbly requested further to peruse this article, and to gain some appreciation of the great educational role being played by radio today.

Taking to heart the many letters which cram the daily press with complaints that the majority of broadcast entertainment is a dire insult to the public intelligence, Jerry Delcher and Parks Johnson took upon themselves the task of determining just what the intelligence quotient of this much-abused listening public might be. And after four years of interviewing the man in the street they reached some amazing conclusions!

According to Johnson three men out of five don't know that a pretzel has three holes; four out of seven say they favour a law prohibiting protoplasm, but don't know why; scarcely ten percent of those questioned knew that 5 times 5 times 0 times 5 equals zero; and only two per cent knew the latest way to fold a diaper!

It's only human to scoff at your neighbours' ignorance and smile securely when contemplating your own vast store of knowledge. However, if you find it hard to come down to earth we suggest you try your powers of deduction and analysis on the following test, allowing yourself approximately half a minute per question:—

1. On what side is Africa bounded by the Pacific Ocean?
  2. If a doctor gave you three pills and told you to take one every half hour, how long would it take you to take all three pills?
  3. Write eleven thousand, eleven hundred and eleven.
  4. Which is larger, U.S.A. or Canada?
  5. How many wheels on a box car?
  6. Which is the right bank of a river?
  7. If Canadians and Mexicans are Americans what are citizens of the U.S.A.?
- Now take an aspirin and glance at the end of this column for the correct answers.

George Temple, dramatic veteran of the national airlines, is one of the busiest airline actors in Canada. You'll remember him as the M.C. of "Summer Follies." Over 20,000 people have visited NBC's new Hollywood studios since they were opened several weeks ago. That new Bing Crosby program is one of the more disappointing additions to airline entertainment. Somehow or other, it just lacks fire.

Lionel Damaais, of the Lyric Trio, is in Gotham for a Metropolitan audition. So is Kitty Carlisle, of the movies; but Kitty's attempt for operatic fame seems doomed to failure. Farley and Riley, of "Music Goes Around" fame, have given birth to a new number, "Clap Your Hands." Phil Baker says radio comedians winter in Florida because they like to watch their drawing power bring in the tides! John Charles Thomas, has memorized the words of over 100 songs.

### 3 Games Separate Westm't 'Y' Cagers From Section Honors

Meet North Branch Y.M.C.A. Next Saturday — Should Win "B" Section Play-off Position Handily — Maroon Team With Seven Wins And No Losses Reveal Remarkable Record—Have Scored 331 Points To Date — Ross Louchs, Johnnie Crombie, Johnnie Eaves And Bill Grindley Chief Point-getters.

The Westmount 'Y' cagers will rest on their laurels until next Saturday, when they meet the North Branch five on the north-end gym. The following Saturday they entertain the M.A.A.A. team here and on February 18th they wind up their schedule at Dominion-Douglas.

And unless the unexpected happens the local Y.M.C.A. entry in the "B" Section of the City League should not only win the sectional honors, but prove a strong contender for the Intermediate Basketball crown in the play-offs, bearing out the prediction made in this column last November.

The maroon team to date have compiled a creditable record indeed, winning all of their seven games to lead their three sections in the Intermediate loop, with a total of 14 points. Amassing a total of 331 markers, the Westmount boys come a close second to the Ukrainian Cossacks of Section "C", who with six wins and one loss have scored 335.

That the local quintette is growing stronger with every game was demonstrated Saturday when it took the measure of Southwestern 'Y' by the score 68-28. The contest was Westmount's all the way through, and the boys from below the track found difficulty in coping with the fast plays and tricky foot-work of Coach Mill's well-drilled team. The maroon defence too, proved a stumbling block to the scoring ambitions of their opponents' forward line.

Only six Westmounters turned out to the game, but they made it worth their while by fattening their already rotund scoring averages. Ross Louchs and Johnnie Crombie found the loop for 19 markers apiece, while Johnnie Eaves and Conal Davidson connected for 12 and 10 respectively. Jack Falconer scored 6 and Bill Corbett 2.

Singer, Wheeler and Norman worked well for the Southwestern team.

Following is a list of the individual point-getters to date:

G.	F.	T.	
R. Louchs	31	10	72
J. Crombie	31	7	69
J. Eaves	21	6	48

### Westmount Seniors Were Defeated Monday By LCC

Allan, Returning After Three Week's Illness, Puts The Bee On Coach Smith's "Invincibles" — Lower Canada Scored Second Goal While One Man Short — Summary.

Bringing to a sudden halt the march of Westmount High School's Senior hockey team towards the league championship, Lower Canada College defeated George Smith's Purple and White puckchasers Monday afternoon at the Forum.

Shortly after the start of the second period with the Westmounters idling along on a goal by Allan with less than two minutes to play, Allan was playing his first game after a three week's illness.

The Westmount team seemed headed for its fourth straight victory in the first period when Wright scored a goal on Johnny Johnson in the Lower Canada nets.

Seven minutes after the beginning of the second session Hellyer took Anderson's pass to make it two-nothing. Then Lower Canada began to press; Beveridge sped down the right wing, rounded the Westmount defence and rifled home a shot that had O'Hara licked before it left his stick. Three minutes later, Brooks duplicated the effort, his goal being scored while his team was one man short.

A little more than a minute and a half of play remained when Allan slammed home the winning goal. Horwood carried the rubber in on an inoffensive looking play, swerved suddenly and passed out to Allan who was parked directly in front of the net.

### With the Boys at The Westmount 'Y'

Hockey Murray Park was a scene of activity last Saturday when twenty-five 'Y' Preps braved the sub-zero weather to play two games of hockey in their regular league.

The Hurons started well in the first game with Don Ellis, who carried most of the play, scoring a well-earned goal. Cayugas, however, fought desperately and came from behind to score a smashing 3-1 victory. The Crees proved their superiority over the Senecas in the second game to the tune of 6-0 for a shut-out by Ian Fraser.

The teams were: Cayugas: Ian Pollock, Junior Taylor, Allen Lebaune, Hunter Wilson, Ian McCallum, John Pitblado, Don Logan, Neville Lefcoe. Crees: Robert Mahon, Ken Lindsay, Ian Fraser, Hugh Harkness, Charles Laurendeau. Hurons: Don Ellis, Gordon Wainwright, John Tyler, Robert Powell. ### Curling Comment

By "Sandy" Many old-timers will match brain against the brawn of their juniors in the Heather Trophy Competition, the first matches of which will be played this evening. Keen interest has always been displayed in these games, and an interesting card has been drawn up.

Prof. Clive Carruthers of McGill University will address the regular weekly luncheon meeting tomorrow, taking as his subject "The Language of Tomorrow."

Of the 36 rinks to be entered in the Lachine Bonspiel, Heather leads all entries with 9. Games will be played at the rink today and tomorrow, with prizes to be given to the rink with the highest plus average and to the club scoring the highest number of points. There will also be consolation prizes.

Successfully defending the Metropolitan Trophy against Caledonia Wednesday night, Heather will next meet St. George and Royal Montreal in an attempt to retain the cup. In the seven-game, home-and-home fourth-round match, Heather showed smart work in topping Caledonia 4-3, with rinks skipped by J. M. Norton, C. J. A. Cook, G. Dow and W. S. Campbell the victors.

### Hi-Y Juniors Trim Grads In 8-7 Bout

Lead Changed Hands Many Times In Brilliant Game At Murray Park Saturday

Snarling at memories of their previous 8-3 defeat at the hands of the Hi-Y sextette, the Hi-Y Grads entered the ice at Murray Park on Saturday determined to give their "juniors" a taste of their own medicine but failed by a narrow margin. In a contest that featured beautiful stick-handling, good team-play, stellar solo rushes, and stiff checking, the Hi-Y boys eked a close 8-7 win by virtue of Johnnie Phillips' overtime goal.

#### McGILL ATHLETIC NOTES

Boxing The boxing eliminations started in spectacular fashion at the Field House on Saturday. The mittmen eschewed nobby-pamby tactics in their battling. The first bout, between Shuster and Annett ended in a knockout in favour of the former in the third round of a scheduled three round bout.

The second feature was a knock-down-drag-out affair between Watson and Montgomery. Watson had the upper hand all through the battle and was awarded the decision. George Hand, freshman, defeated Len Brisson on points in the 155-lb. Class by a narrow margin.

Macaulay and Royer then put on three rounds of slugging and Royer was handed the verdict. It was difficult to pick the better of these two men.

The game was a see-saw affair that saw the lead change many times. At half-time the score was 4-3 in favour of the junior squad, but the Grads pressed to gain the lead only to lose it on two occasions.

For the Hi-Y, Johnnie Phillips, George Robinson, and Wright were best, while Jim Patrick, Jim Mills and Cliff Brown kept the Grads in the running.
