THE METROPOLITAN SALOON,
BY M. O'NEIL,
No. 158 NOTRE DAME STREET,
Corner of St. Jean Baptiste Street,
MONTREAL.

This Establishment has been opened to meet a requirement which has been long felt and admitted in Montreal, i. e.,

A First Rate Saloon and Restaurant,

where every article has its cost affixed on the Bill of Fare, and is furnished according to order, and at which every procurable delicacy should be constantly kept; while the management should be such as would secure the most perfect privacy, if desired. In carrying out these views, the Proprietor believes his success to be certain, and every day affords him fresh proofs that private families of the first respectability have found they can be supplied better and cheaper at his establishment than they could have been in their own houses.

THE TABLE is supplied constantly with the best to be found in the Markets of Montreal, New York or Boston. The WINES, LIQUORS, CIGARS, &c, are uniformly of the best brands.

PIC-NIC PARTIES supplied with every thing requisite on moderate terms.

The FURNISHING throughout is equal in style and comfort to the best Hotels, while, being supplied with a first-rate Cook and Assistants, and attentive Waiters, he is induced to think he can offer accommodations rarely to be met with, and certainly not to be surpassed in Montreal.

N.B.—Breakfasts, Dinners, Luncheons, or Suppers are supplied to order, on short notice, to Large or Small Parties.

MONTREAL,**Manufacturers & Importers of Pianofortes,**

Would respectfully call public attention to their very superior Piccolo and Boudoir Pianofortes. They combine the power, brilliancy, richness of tone, and lightness of touch of the Grand, with compactness, elegance of outline, and great durability. These Instruments were much admired at the "Crystal Palace," London, and obtained the first Prize (against competition), at the Provincial Exhibition, September, 1853.

BOSTON and NEW YORK PIANOFORTES of the most celebrated and esteemed Makers.

J. W. H. & Co.'s long experience in Canada, both as Importers and Makers, gives them advantages in selecting Pianos in the United States few others possess.

Tuning, Repairing and Regulating executed with despatch, in a superior manner; the arrangements in this department being more efficient than in most other houses on this Continent.

In Sheet Music and Musical Publications they possess many advantages, having made arrangements with several large European Publishers for the early transmission of Choice copies for the purpose of Reprinting. Also, for a weekly supply of every Novelty as soon as it appears in Europe or America.

He is constantly manufacturing the Piccolo and the celebrated Cottage Piano of the same scale for which he received the prize of 1851. All the above Pianos will be sold at unprecedented Low Prices.
