LIBERAL ADMINISTRATION RETAINS POWER AFTER CLOSEST FIGHT IN QUEBEC'S POLITICAL HISTORY

Final Returns Indicate that Liberal Government in Power for Past Thirty-Eight Years Will Have Majority of Six Over Combined Opposition Groups in Next Legislature—Two Ministers Defeated as Opposition Made Big Inroads into Great Liberal Majority in All Parts of Province—Lawyers Predominate in New House—Never Before Have Scales of Popular Favor Been So Evenly Balanced.

Louis Alexandre Taschereau still sits in the Premier's chair of Quebec today, but with less ease than at any time during his fifteen years of occupancy. The Liberal party after thirty-eight years in office was given a new lease on life in yesterday's election, maintaining itself in power by the slim margin of six seats according to final returns compiled by the Canadian Press. Liberals were returned in forty-seven of the province's ninety constituencies, one Independent Liberal was elected, while the joint Conservative-Action Libérale Nationale opposition captured forty-two seats between them.

By party designations, the Conservatives under Maurice Duplessis won sixteen seats, and the A.L.N., directed by Paul Gouin, was victorious in twenty-six constituencies.

The three leaders were elected with comfortable majorities: Premier Taschereau in Montmorency, the constituency he has represented continuously for thirty-five years; Mr. Duplessis in Three Rivers, and Mr. Gouin in L'Assomption.

Including Premier Taschereau, eight Cabinet Ministers were successful at the polls, while two were defeated, both in Montreal Island ridings. Hon. Irene Vautrin, Minister of Colonization, bowed to Ald. Henry L. Auger, City Council leader and Conservative, in Montreal-St. James, and Hon. C. J. Arcand, Minister of Labor, went down to defeat in Maisonneuve. His opponent was William Tremblay, a former Conservative M.L.A., who ran under the same banner. Mr. Tremblay is president of the Montreal Butchers' Association.

In a statement after announcement of results Premier Taschereau declared the recent trend was definitely against all governments, which probably explained at least in part the cut in the large Liberal majority at dissolution of the last Legislature.

From Mr. Gouin came the statement there would be contestations in at least three constituencies. He said the Duplessis-Gouin joint organization were sure to contest are Montreal-St. Louis where Peter Bercovich, Liberal, was elected by acclamation; Montreal-St. Lawrence in which Joseph Cohen was re-elected on the Liberal ticket, and Montreal-Mercier where Dr. Anatole Plante was returned as a Liberal. Mr. Duplessis said he had no statement to make at present.

The agreement between Mr. Duplessis and Mr. Gouin was that if their combined forces were successful the former would become Premier and Mr. Gouin would choose the majority of Cabinet Ministers. As it is Mr. Duplessis will continue to lead the Opposition in the House with a larger support behind him than any previous Opposition leader since 1897, when the Liberals began their uninterrupted reign.

Never before since Confederation have the scales of popular favor been so evenly balanced. Instead of the overwhelming majorities behind successive Liberal governments for thirty-eight years, it will be necessary for Premier Taschereau to count noses before he risks a vote. Election of Mr. Gouin will reduce the Liberal majority to five.

Of especial interest was the rejection of the Government in the province's two largest cities, Montreal and Quebec. In the metropolis four Liberals out of fifteen were elected, while in only one of the four traditionally Liberal seats in Quebec was the Government endorsed.

In Montmagny, where political history was made by the active participation in the campaign of a priest, Mayor J. E. Grezouire of Quebec, the A.L.N. candidate, was consistently defeating Fernand Choquette, Liberal.

Throughout the campaign Duplessis and Gouin were given the backing of Hon. J. C. E. Ouellet, Legislative Councillor and former member of the Taschereau Cabinet, and Hon. Elsie Theriault, Legislative Councillor. Both praised the Duplessis-Gouin union and remarked that Mr. Gouin, like his father, the late Sir Lomer Gouin, Premier of Quebec from 1900 to 1920, was destined to play a major role in provincial affairs. Sir Lomer handed over the reins of government to Mr. Taschereau in 1920.

Maurice Duplessis, Conservative M.L.A., for his home town of Three Rivers since 1927, was chosen Conservative leader at a convention in Sherbrooke in 1933. He succeeded Camille Houde, then as now Mayor of Montreal, who was defeated with his party in the provincial election of 1931. He is a lawyer and a bachelor.

In the turnover three former Conservative members of the House were defeated; Hortensius Beique, Mr. Duplessis' right hand man, was beaten in Chambly by Alex Thibaut, Liberal, and in Two-Mountains, thirty-year-old Paul Sauve was defeated by a small majority by Jean Rochon, Liberal. Mr. Sauve, the baby of the last House, is a son of Senator Arthur Sauve, former Postmaster General. Hull went back to the Liberal fold. The seat was formerly represented by Aime Guertin, who decided not to run when he was defeated in the same constituency in the Dominion election as a Reconstruction candidate.

The agricultural class will be well represented in the new House, all farmers up for re-election being successful. Included in their number is Hon. Adelaire Godbout, Minister of Agriculture and a professor at the agricultural college at Ste. Anne de la Pointe, who retained his seat in L'Islet.

Hon. R. F. Stockwell, Provincial Treasurer, fared better in this contest than when he first presented himself in 1931. In the last election he squeezed through 25 votes ahead of his Conservative opponent, but this time he worked up a majority in Brome of about five.

NEW EVIDENCE IN LINDBERGH CASE RUMORED

Newspaper Story Claims Investigators Have Found Wood They Believe Identical with That Used to Build Ladder and Handwriting Samples Matching Ransom Notes.

Boston, Nov. 26.—The Globe, in a copyrighted story, says investigators, seeking new evidence in the case of Bruno Richard Hauptmann, convicted kidnapper of the Lindbergh baby, have discovered, in Massachusetts, wood they believe identical with that from which the kidnap ladder was constructed and handwriting samples they believe match the ransom notes.

The Globe copyrighted story says the investigators also have discovered bills they hope to prove as some of the ransom money. The wood upon which they plan, in part, to base demands for a new trial was discovered, the copyrighted story says, in the little town of Ashby, five miles from Fitchburg.

The money, which, the Globe says, Hauptmann attorneys have in their possession, is said to have been passed in Boston by a man who, it is alleged, is now directly under suspicion of the kidnaping. The Globe copyrighted article said the investigation had been going on secretly here for a month and that the paper learned that the Hauptmann defence planned to reveal new evidence uncovered in Massachusetts before Hauptmann's appeal is heard by the Supreme Court.

VETERAN PREMIER RETURNED

HON. LOUIS ALEXANDRE TASCHEREAU

Returned to power by the narrowest majority ever given a Government in the Province of Quebec, Hon. L. A. Taschereau today embarked on another term as Premier of Quebec Province. The Premier scored a personal victory in Montmorency where he was first elected in 1900 and has represented ever since. He was first named Premier in 1920. Premier Taschereau, now sixty-eight years old, was practically born into Quebec public life. He is the son of Jean Thomas Taschereau, a noted politician in his day who became Justice of the Supreme Court of Canada, while this mother was a daughter of Hon. R. E. Caron, a former Lieutenant-Governor of the Province.

ROWDYISM WAS RESORTED TO IN MANY QUARTERS

Pistol Shots Fired, Ballot Boxes Stolen, Numerous Fights, Impersonations and "Telegraphing" in Keenest Provincial Election Ever Held in Quebec.

Montreal, Nov. 26.—Outbreaks of violence left an aftermath today to one of the most hotly contested provincial elections ever held in Quebec.

Pistol shots were fired by one of a gang of men who attacked two election officers in St. Sauveur division in Quebec City yesterday and grabbed the ballot box they were carrying. The box was recovered when bystanders came to the assistance of the election officers.

In Laval constituency, Montreal, three men forced their way into a polling booth, ordered three returning officers aside and made off with the ballot box.

Three men were to appear in court here today after a disturbance in a restaurant where windows were broken. Seven members of the Provincial Police force were having luncheon in the restaurant when a group of men entered and shouted insults at the officers. The intruders were ejected, but returned to break the plate glass windows.

The three whom police claim were involved in the disturbance are Charles Cousineau, 32, Julian Morand, 32, and Rene Dubois, 35. Cousineau was taken to hospital for treatment to cuts from the glass.

Armand Lafamme, election organizer for Ald. Henri Auger, successful Conservative candidate in Montreal-St. James, was arraigned yesterday before Judge Jules Desmarais on a charge of having incited others to cause a disturbance at Premier Taschereau's meeting here on November 20. He was released on \$2,000 bail.

Charged with impersonation twenty-two men were arrested yesterday. Eight will be sentenced today as they pleaded guilty.

Approximately 150 men and women were arrested by city and provincial police on charges of impersonation and nearly fifty thousand "telegraphing" cards were seized.

While the city police reported the arrest of twenty-six persons on charges of impersonation and disturbing the peace, the provincial police refused to say how many they had arrested. From an authoritative source, however, it was learned that

LAVAL ACCEDES TO DEMANDS OF THE LEFTISTS

Today Agreed to Disband Nationalist Forces, Such as Veterans' Croix de Feu, to Save Franc and Defend His Cabinet Against Threat of Overthrow.

Paris, Nov. 26.—Premier Laval today yielded to the demand of the Leftists for the disbanding of nationalist forces, such as the war veterans' Croix de Feu, to save the franc and to defend his Cabinet against threat of overthrow.

The Cabinet agreed on a proposal, now pending in Parliament, to appeal to the Chamber of Deputies "patriotism" for immediate discussion of Laval's financial measures. This decision means Laval will demand an immediate vote of confidence for his decree laws which are intended to defend the franc against speculation and the budget uncertainty now causing a heavy outflow of gold, with danger of eventual devaluation of the franc.

The Premier will ask the Chamber to take up the battle against political troops after he disposes of the interpellation of his financial policy. The Cabinet's decision to support a proposal to disband "seditious leagues" without naming the Croix de Feu, taken in the face of a warning from friends of Col. Francois de la Roque, its leader, that such action would lead to a "brutal shock and perhaps civil war."

Confronting political and financial difficulties simultaneously, announced he would ask public support in an address tonight. He let it be known his Government would choose to fall rather than depreciate the franc.

The Government goes before the re-elected Chamber of Deputies on Thursday. Former Premier Edouard Herriot, Secretary of State and leader of the dominant Radical Socialists, met with the Cabinet. He announced that

MAJORITY OF EASTERN TOWNSHIPS SEATS TURN OVER TO OPPOSITION

Brome, Drummond and Wolfe Alone Remained True to Liberal Cause—Eight Ridings Returned Five Action Libérale Nationale and Three Conservative Candidates—Two Veteran Parliamentarians, Alfred Bissonnet and S. E. Desmarais Defeated—Provincial Treasurer Increased His Majority in Brome.

The provincial political apocryph was not only given a severe jolt, but its contents scattered in all directions as the result of yesterday's general elections as far as the Eastern Townships constituencies are concerned. Since 1912 the eleven Eastern Townships seats have been loyal supporters of the Liberal administration, the lone exception being Sherbrooke, which for eight years, 1923 to 1931, was in the Conservative column.

In yesterday's voting no less than eight of the eleven supporters of the Taschereau administration went down to defeat before the combined attack of the Conservatives and the Action Libérale Nationale candidates. Not only were the Government members defeated, but the majorities for their opponents ranged into the hundreds, and in one or two instances topped the thousand mark. Three Conservatives and five Action Nationales today comprise the Opposition representation.

The list of successful candidates in the Eastern Townships ridings and their majorities follows:

County	New Member	Party	Majority
Brome	R. F. Stockwell	Lib.	500
Compton	Payson Sherman	Cons.	266
Drummond	Dr. A. Rajotte	Lib.	26
Frontenac	P. Tardif	A.L.N.	1,000
Megantic	Tancrede Labbe	A.L.N.	460
Missisquoi	Frank Pouliot	Cons.	460
Richmond	A. Gaudreau	Cons.	660
Shefford	H. Choquette	A.L.N.	542
Sherbrooke	Col. J. Bourque	A.L.N.	1,646
Stanstead	Rouville Beaudry	A.L.N.	500
Wolfe	Thomas Lapointe	Lib.	105

Hon. R. F. Stockwell and Thomas Lapointe are the only retiring members who were re-elected in yesterday's vote.

First signs of the turnover were given in Sherbrooke county returns, where the first two or three polls to report showed Col. Johnny Bourque, Action Nationale, leading his opponent, the retiring Liberal member,

Emery H. Fortier, by a substantial margin. Later reports only tended to increase the lead of the Opposition candidate, every ward in the city voting against the Government, the final count placing Bourque's majority at 1,646, the largest ever obtained in a Provincial election in Sherbrooke county. Fortier won the 1931 election by a margin of 394 over Armand Crepeau, Conservative.

Compton was the next district to record a reverse, the Liberals early in the evening conceding the election of Payson Sherman, Conservative, over the retiring member, William J. Duffy. This morning Sherman's official majority was placed at 256. In the previous general election, Duffy was elected for the first time, defeating Abel Marion, Conservative, by 469 votes.

Frontenac County, the principal town of which is Lake Megantic, provided the greatest surprise in the way of upsets when practically completed returns gave P. Tardif, Action Nationale champion, a majority of over one thousand as compared with a majority of 938 obtained by the Liberal candidate, Louis H. Gagnon, in the last election. In the previous battle Gagnon faced Antonio Drolet.

Reports of discontent in the Liberal ranks in Megantic county were authenticated by early returns from this division, these showing the Opposition candidate, Tancrede Labbe, mayor of Thetford Mines, leading J. E. Lafontaine, Liberal, by a ratio of two votes to one. This marks somewhat of a startling comeback for Labbe, who was most definitely trounced in the last provincial campaign by Hon. Laurent Lapierre, now Sheriff of Quebec, Lapierre running up a majority of 1,635 votes.

Frank Pouliot, of Farnham, who has fought many a losing battle for the Conservative party in Missisquoi, received his reward yesterday when the voters decided to send him to Quebec with a majority of 469 over Anatole Gaudet, the official Liberal nominee, and Maxime Coupland, an Independent-Farmer candidate. Post not felt before Alexander Saurette by 377 votes.

Returns from Richmond, Shefford and Stanstead continued to tell of additional upsets in this district. Liberal since the beginning of the century and represented by a Bissonnet, father and son, for over

ATTLEE TO LEAD OPPOSITION IN BRITISH HOUSE

Re-elected Chief of Parliamentary Labor Party—Sir Archibald Sinclair Succeeds Sir Herbert Samuel as Liberal Leader.

London, Nov. 26.—C. R. Attlee will be leader of the Opposition in the new British Parliament. He was today re-elected chief of the parliamentary Labor Party.

Opposition Liberals chose Sir Archibald Sinclair as their parliamentary leader to take the place of Sir Herbert Samuel, who was defeated in the general election of November 14th. Sir Archibald was already head of the Scottish Liberal Federation and in the general election campaign he acted as Sir Herbert Samuel's chief lieutenant.

While the Opposition were rallying their forces for the session, Prime Minister Baldwin called a meeting of the key Cabinet Ministers at which the present position of economic sanctions against Italy is understood to have been discussed.

Unanimously and with loud cheering the new House of Commons meeting for the first time this afternoon re-elected E. A. Fitzroy Speaker of the House.

It is Mr. Fitzroy's fourth term in the Speaker's chair and he had some homely advice for the members of the new House. He recalled that when last elected he urged shorter meetings for the House. He believed a debate should have the qualities of a debate.

In his view, said Mr. Fitzroy, a debate ought to be a debate—in other words a discussion with one speaker following another giving argument for or against the question before the House. He believed a debate should have the qualities of a debate.

"I have noticed rather more in recent years," he said, "that there is a growing tendency for debates to become the delivery of a series of set speeches. That is not carrying out the true meaning of the word. If that becomes the custom I am sure that interest in the proceedings of this House will suffer."

CABINET REVIEWS FUTURE COURSE OVER SANCTIONS

London, Nov. 26.—British key ministers met in Downing Street today in an important conference in which they reportedly discussed the sanctions situation.

Meanwhile Clement A. Attlee, Labor leader, was re-elected head of the Labor Opposition parliamentary group in the House of Commons.

Summoned by Prime Minister Baldwin, Alfred Duff Cooper, new Secretary for War, Foreign Secretary Sir Samuel Hoare, Chancellor of the Exchequer Neville Chamberlain, Sir Bolton Eyles-Moncell, First Lord of the Admiralty, Anthony Eden, League of Nations Minister, and Dominions Secretary Malcolm MacDonald came to the meeting.

Also present were Ernest Brown, Minister of Labor, and the President of the Board of Trade, Walter Runciman.

The presence of the latter two ministers gave the impression that the sanctions questions was gone into not only on its international side, but also as it affected British trade and British labor.

DANVILLE HIGH SCHOOL PUPILS GAVE BANQUET

Over 250 Persons Attended Enjoyable Supper and Presentation of Prizes Sponsored by Pupils of Danville High School.

Danville, Nov. 26.—A very enjoyable supper was held in the Town Hall, Danville, under the auspices of the staff and pupils of the Danville High School. About two hundred and fifty persons sat down to the tables which were very prettily decorated with the school colors, blue and white. The waitresses all wore the school colors, the whole presenting a very pleasing spectacle.

After the tables were cleared away the principal, H. G. Greene, B.A., gave a report of the academic year of 1934-35. He remarked that the attendance was larger this year than formerly and especially in the high school grades. The progress of the school during the past year was satisfactory, both academically and in the outside activities.

The prizes were then presented, both sports and school. After this Mr. Long gave a short talk on "Examinations," at the end of which he moved a vote of thanks to the principal and staff for their efforts on this occasion. This was seconded by the Rev. Mr. Wood. The pupils then sang the Danville "School Song" and gave a very rousing school yell, after which a very pleasant evening was closed by the National Anthem.

General Notes: Nearly sixty members of the Danville-Asbestos branch of the Canadian Legion of the B.E.S.L., attended the banquet held in the Danville Hotel on Armistice Day. The dining room was effectively decorated with flags and bunting and the long tables were lit with red tapers. After the delicious dinner and various toasts had been proposed, the president, Capt. P. R. Bartleman, with a few chosen words introduced the guest speaker, E. C. Struthers, vice-president of the Quebec branch of the B.E.S.L. Mr. Struthers made a short address appropriate to the occasion and presented Col. J. H. Beattie with a past president's badge which Col. Beattie expressed thanks for. Following the banquet a thanksgiving Armistice ball was held in the Town Hall under the auspices of the Legion. This was largely attended, not only by local citizens, but by many people from out of town. This was an unequalled success both socially and financially.

Mrs. W. Boulthouse and Mrs. J. McCallum entertained the members of St. Augustine's Guild as well as several visitors on Thursday afternoon. A pleasant social afternoon was spent. Tea was served by the hostesses who were assisted in serving by Mrs. H. Cleverland, Enid Wood and Miss Thelma Phillips. Home Guide Aids In Lifting Heavy Burden of Colds

Brings Better Control of Colds for the Family—Easy to Follow.

A GREAT HELP TO MOTHERS

Much of the heavy burden that colds impose upon Canadian families can now be avoided—with the help of Vicks Vapo-Rub for Better Control of Colds. This practical home guide to fewer and shorter colds has just three simple steps:

1. To Help Build Resistance to Colds. Live normally — avoid excesses. Eat simple food and keep elimination regular. Drink plenty of water. Take some exercise daily—outdoors preferably. Get plenty of rest and sleep.

2. To Help Prevent Many Colds. At the first warning nasal irritation, snuffle or sneeze, use Vicks Vapo-Rub — just a few drops up each nostril. Vapo-Rub is especially designed for the nose and upper throat — where most colds start. Use in time, Vapo-Rub helps to prevent many colds—and to throw off head colds in the early stages.

3. To Help End a Cold Sooner. If a cold has developed, or strikes without warning, rub throat and chest at bedtime with Vicks Vapo-Rub. Vapo-Rub acts two ways at once: (1) By stimulation through the skin, like a poultice or plaster; (2) By inhalation of its penetrating medicated vapors, direct to inflamed air-passages. Through the night, this combined vapor-poultice action loosens phlegm, soothes irritation, helps break congestion.

The worth of Vicks Plan to others has been demonstrated in clinical tests among 14,702 people—further proved in everyday home use by thousands.

What this commonsense, medicinally sound Plan can do for you and your family can be proved only by trying it. You'll find full directions for following it in any package of Vicks Vapo-Rub or Vicks Vapo-Rub.

SHERBROOKE, TUESDAY, NOVEMBER 26, 1935.

ADVERTISE.

Is the business outlook bad? Advertise. Think the money market mad? Advertise. Grumbling never pays the rent, Worry does not yield a cent, If on profits you are bent, Advertise.

HOW TO RESTORE CONFIDENCE AND TO BRING BACK PROSPERITY.

Private enterprise is the only solution of the recurrent periods of depression. We have been having the business measles every little while since we allowed the ego and the envy of the small politician to prey upon the rigid rules of trade which have been in vogue since Joseph and Benjamin aroused the hatred of their less successful brethren.

Millions of dollars are being deposited in the banks, there to lie inactive and dormant because the depositors are too timid to put the money into activities which would cure unemployment.

Recovery must be allowed to grow naturally. It cannot be forced. There is a Confidence which is essential to recovery. There is the fundamental fact to be observed that people can earn more as they produce more; and sound recovery is a spontaneous process based on genuine confidence engendered among business men, investors and consumers.

That the industrial people of Canada are the stronger element, the more numerous, is amply proven by the resilience of trade and commerce in Canada after being battered and banged by the destructive men who called themselves the antithesis of what they are: reconstructionists.

Small hucksters who call themselves politicians forget even that investors will not risk their money in enterprise until capital can earn a "living wage," as well as labour.

Another solution of our problem is drastic economy in government through refraining from the set-up of departments which are purely altruistic and never profitable.

THE BANKING BULWARK OF CANADA.

The year 1935 can be marked down as a prosperous year, for all the signs of the return of prosperity have been recorded from time to time. Along comes the last proof when the directors of the Bank of Montreal receive the report that there has been an increase of \$46,000,000 in the deposits in the bank during the year.

That merchants and manufacturers are being cautious and careful in the rebuilding year is shown by the fact that their borrowings from the

bank have been less than in the previous year by some nine millions of dollars.

A feature which also points a moral is that the bank has, during the year, been mulcted of over \$1,000,000 in taxes. That surely is "pouncing" down on our money. Fortunately, the Bank of Montreal was able to stand the loss, for their gross earnings totalled \$4,007,302, which amount was some \$198,000 less than the previous year.

So that the annual report should bring joy to the sound investors and satisfaction to those whose envy of success makes them unhappy and vindictive.

All in all there lies the fact that this banking bulwark of Canada sustains the note of optimism and confidence which are the necessary attributes to a continued climb upward, even while it is a rebuke to the wasteful extravagance in public expenditures.

THE ISLAND COLONY.

Dean Suckling, formerly manager of the Bank of Montreal in Sherbrooke, last week re-visited some of his many friends in the city. He is now the manager of the Bank of Montreal in Newfoundland, a colony which has been passing through a crisis due to wasteful expenditures by a series of bad governments.

Under the British Government reconstruction Commission the Island Government has had a fairly satisfactory year. The foreign codfish markets are good, shipments going forward steadily. Indications are that herrings will be plentiful. The paper mills are operating to capacity, and mining operations are being fully maintained.

The Government revenue for the month of October was \$936,086. The public railway deficit was \$28,929, which was a betterment over last year, when the losses were \$137,000. The increase was in freight shipments. The total trade for the year was \$46,469,850, and the goodly increase inclined the Commission to undertake an improvement of a stretch of the highway along the coast.

READING ALOUD.

Many people realize that poetry gains an added beauty by intelligent reading aloud. It is obvious that it should be so, for poetry, even more than rhythmic prose, has a musical element that needs vocal expression, either actual or imaginative.

Those people who like poetry generally are willing to hear it read aloud. But it is rarely so with prose—largely, one suspects, because the poetry-reader is often a person of education and sensitive imagination, whereas the man or woman who reads prose aloud too often lacks both these gifts.

"Reading aloud" nearly always means "to an audience," whether of one or more; the audience of one is often a defenceless invalid who cannot escape the well-meant attention of the determined reader. The audience of many is often a collection of people forming a Mutual Admiration Society.

In order to interpret well, the reader should be practised in the technical accomplishment necessary to interpretation. As a musician must practise in private before he can perform publicly, so the really good reader should practise his art, so that he learns how to modulate his voice properly, control his breathing, cultivate a pleasant tone, varied without being over-emphatic and calm without being monotonous.

Reading aloud to oneself gives an ease and confidence which are necessary before one can give real pleasure to other people by reading aloud to them. The practised reader is a real addition to society. One has only to contrast him with some well-meaning persons one has met—persons who have insisted on reading aloud to one—to understand the immense difference between the art as properly practised and the usual bungling that is substituted for it.

How many of us have suffered from the prosy reader; from the man who gets so absorbed that he goes on reading to himself in silence and leaves his audience waiting; from the over-emphatic reader, or from one who stumbles and corrects himself?

It can be one of the pleasantest of social arts. The reader first ascertains the tastes of his audience, and selects a book likely to prove attractive to them. He waits till his hearers are comfortably settled; he reads quietly, unaffectedly, with expression but without over-emphasis, so that he, as a man, is forgotten, and only the book remains, directly conveyed to the mind of the hearers. Only when the reader pauses and closes the book do they realize how perfect a medium for the author his voice and personality have been.

Done in this way, reading aloud is one of the most delightful of social entertainments. It is soothing, revealing; it draws the audience out of themselves; it interprets fully literature which, to casual glance, has not been fully revealed. It forms the bond between man and man, author, reader and hearer, that is one of the most precious gifts of literature.

MARKED CHANGE DISPLAYED IN U.S. ATTITUDE REFUSE LONGER SENTENCE FOR FORGERY CASE

Talk of "Coming Boom" Replaces Discussions on Methods of Easing Depression in Government and Labor Circles.

Washington, Nov. 26.—The words "coming boom," uttered distinctly, even if cautiously, by the American Federation of Labor, called attention today to a major shift of emphasis that has taken place in the United States capital almost overnight.

Many of the pronouncements that stream from Washington presses and mimeograph machines, official and otherwise, show a change from depression psychology to a "better times" psychology.

Government reports, like the A. F. of L's and others, stress indices of better business. Officials who, only a few short months ago, spoke mostly of ways to combat the depression, now talk of methods of controlling expansion.

ALBERTA CABINET PLANS CODE FOR RETAIL TRADE

Provincial Secretary Admits Proposed Code May Be Regarded as First Actual Step Towards Application of Social Credit Ideas.

Calgary, Nov. 26.—The Alberta cabinet during the coming week will consider a general code governing the retail merchandising industry in the province, Hon. E. C. Manning, Provincial Secretary, disclosed in an interview here.

The Provincial Secretary, spending the week-end here, said the move, in a sense, might be regarded as the first actual step toward establishment of Social Credit principles in Alberta but added the proposed code was general in scope and only remotely connected with Social Credit.

At present the provincial executive was concerned only with the setting of a "master code" which would govern all retail activities, he continued. Supplementary codes to govern each branch of the retail trade would have to be evolved later. A similar code was being planned for the wholesale industry, Mr. Manning added.

SMALL PIECE OF STRING MAY SOLVE YOUTH'S DEATH

Body of Twenty-Year-Old Ontario Lad Discovered Just Before Dusk Yesterday After Intensive Search Had Been in Progress Since Last Thursday.

Midland, Ont., Nov. 26.—Upon a small piece of string tied to his one foot, police pinned their hopes today as they sought to solve the shooting which led to the death of Clark Tobey, twenty-year-old Honey Harbor youth.

Object of a wide search since last Thursday when his hunting companion, Phileas Moreau, aged nineteen, was found after becoming lost when he set out to bring help to the injured lad, Tobey's body was discovered last before dusk Sunday with a string around one foot.

It was believed he had been wounded by a bullet from a "set" gun placed in the woods by Indians to hunt deer. The gun could not be found.

"Why don't you like dancing with George?" "Oh, George is all right; but he won't let his right foot know what his left one is doing!"

Crown Appeal in Jacobs Case Rejected when Appeals Court Ruled Trial Judge Was within Rights in Imposing Short Sentence.

Montreal, Nov. 26.—Appeal of the Crown against sentence of twenty months imprisonment imposed in the case of Isidore Jacobs by Judge J. O. Lacroix on six charges of forgery was dismissed by the Court of Appeals yesterday. Appeal was based on a claim of inadequacy by James Crankshaw special Crown Prosecutor.

"Our jurisprudence" Mr. A. R. Hall, declared in rendering the court's decision, "is now well settled in the sense that the court of appeals should not interfere with the sentence of a trial judge unless it is clearly disclosed by the circumstances that he made a manifest mistake in law or had improperly exercised his discretion. There is, in our opinion, nothing in the present record which would justify such a conclusion."

He declared it was impossible to assert Judge Lacroix "wrongly exercised his discretion in declining to postpone sentence" until formal evidence of Jacobs' previous convictions was produced.

"As the respondent contested application for his extradition he was detained in custody in New York from October 1934 to April 1935 and although he brought that term of imprisonment upon himself he did so in the undoubted exercise of a constitutional right," Mr. Justice Hall ruled.

He intimated Jacobs, while in police custody here, had given information in connection with a general smuggling conspiracy and had been of assistance to authorities in checking the conspiracy.

The local authorities made amends by consenting to have the saint melted down and converted into a dozen busts of Chancellor Hitler and Air Minister Goering, to be placed in the different police stations.

COLORFUL PAST TO HISTORY OF THIS PROVINCE

Since the Year of Confederation Quebec Has Nobly Played Its Part in the Upbuilding of Canada.

Again the people of old Quebec Province have spoken. The nineteenth provincial election since Confederation has passed into history.

As this issue of the Record speaks from the press to anxious readers the excitement of the 1935 election runs high. The will of the people has been expressed, but there is the interest of studying the detailed results of the campaign.

Since the time of Confederation in 1867 this province has been under seventeen Lieutenant-Governors who have represented and acted in the name of His Majesty the King.

The previous administrations of the Province have been as follows: 1.—Hon. P. J. Chauveau, Premier, July 15, to February 21, 1872.

While the people of Quebec Province have been left with the administration of their own affairs, free to a large extent from the government at Ottawa, His Majesty the King has been represented in Ottawa by the following Governors-General:

FINE BULLETIN SERVICE VERY WELL RECEIVED

Hundreds of Enthusiastic Citizens Gathered in Front of Record Building to Hear Up-to-Minute Returns Last Night—Amateur Programme Proved Very Successful.

It was doubtful last night whether the enthusiastic crowd which gathered in front of the Sherbrooke Record office to hear the latest Provincial election returns "got more kick" out of the actual ballot statistics or out of the impromptu amateur programme which concluded the evening's activities.

There was no hitch in the Record's system. As fast as the results were made known over the teletype machine and over special means of communication the Record installed for the occasion, they were transmitted to the waiting audience over the loud speakers.

One of the highlights of the evening was the brief address by Sherbrooke's new member, as Colonel Johnny Bourque, who in an open car he stopped his entire retinue in front of the Record building and took advantage of an invitation to thank the citizens of the city for their support.

Col. Bourque's election was conceded when half the returns had been received. As soon as the results started to pour in at Return-Quebec, the "victory" headquarters on Bank street, it was evident that Bourque would win the county by a heavy majority.

Col. Bourque, war veteran and popular businessman, thanked the electors of Sherbrooke County through the intermediary of the Sherbrooke Daily Record today.

The Colonel was a busy man this morning. A Record representative visited him in his office. The new member for Sherbrooke was not relaxing after his victory in any strict sense of the word.

In the meantime the linotypers and pressmen were wasting no time in preparing the Record's special election edition which made its appearance on the street at ten o'clock. A short time later the street was practically deserted as the Record's patrons returned home to digest the information the extra edition contained.

And another election day was concluded locally when the entire group which participated in the Record's amateur entertainment joined in rendering the National Anthem.

RECORD MARGIN CHALKED UP BY COL. J. BOURQUE

Majority of 1,646 Obtained by Action Libérale Nationale Candidate Over Emery Fortier Greatest Ever Piled Up in Provincial Election in Sherbrooke County.

Col. Johnny Bourque, formerly a staunch Liberal who renounced the Taschereau administration months ago to affiliate himself with Paul Gouin's Action Libérale Nationale group, is today the new representative for Sherbrooke County in the provincial legislature.

A newcomer to politics, Col. Bourque carried the county in a veritable avalanche of votes, chalked up majorities in all but sixteen of the twenty polls.

The City of Sherbrooke was almost unanimous in its endorsement of the policies of the Action Libérale Nationale candidate. Only six city polls gave Fortier majorities.

Two of these were in East Sherbrooke, Fortier's ward, one in the South Ward and three in the West Ward. The Centre Ward and North Ward voted solidly for Johnny Bourque.

The electorate visited polling booths yesterday in larger numbers than in the last provincial election in 1931. Voting was carried on in an orderly manner and Chief Clerk's bluecoats were not called upon to make any arrests.

Col. Bourque's election was conceded when half the returns had been received. As soon as the results started to pour in at Return-Quebec, the "victory" headquarters on Bank street, it was evident that Bourque would win the county by a heavy majority.

RARE ABILITY DISPLAYED BY YOUNG ARTISTS

Grade Seven Pupils of Mitchell School Quickly Transform Nickels into Dollars with Novel Programme to Raise Funds to Pay for Books.

Again proving the old adage that "mighty oaks from little acorns grow," the pupils of Grade Seven of the Mitchell School yesterday afternoon staged their first "amateur hour." And it went over in a big way.

One shiny little nickel was all that was needed as the price of admission, but at the end of the afternoon the young performers had a neat little sum, nearly twenty dollars, for books which were purchased recently for the school.

Yesterday's programme was novel. There was something new about it that immediately won the applause of the large audience, which comprised, apart from parents and friends, the principal, Miss Horton, and the children from the other grades.

The programme was presented under the direction of Miss Doris M. Gillis and Miss Muriel MacLaurin, with Mrs. Norris Robins acting as accompanist.

It was from Good Will Station S.M.S. that yesterday's broadcast originated with John Southern providing a most capable announcer and Donald Jackson acting as secretary.

All the celebrities were there. "Major Hoople," John Davy, and his amateurs impersonated their roles in fine style. They left little to be desired.

How could anyone expect to keep a straight face when the Pink Pajama Brothers of Magog City, Stewart Miller and Doug Gallinger, strutted about, their voices blending in perfect harmony?

Popeye the Sailor from over the Sea, Jeffrey Wilson, was also right in tune, while the imitation by William Lavallee, as Wallace Beery of the Bronx, left little to be desired.

The page dance by Helen Wiggett and Jean Richardson, as Shirley Temple and Jane Withers of Hollywood, was another headliner, as were the dances by Carol Jamieson and Shirley Walters, two Dainty Damsels celebrities.

Then there were piano selections, the artists being Jean Lavrabee as Mary Gray of Quebec Phyllis Armstrong as Mildred Brown of Victoria, and Joyce McLeod of Brompton City.

Lionel Roland Deane and Alf Simpson as the Simpson Brothers of Siam, and Barbara Davy as Orphan Annie of Hamilton could not have done any better in their respective numbers.

The programme also included a quartet of an hour of dramatics: Grace Fye as "The Victim," "How do you do"; Freda Stevenson as Jean Harlow of New York; Joan Crawford of Los Angeles recited "Soldiers' Dream"; Peggy Graham as Mimi Hopkins of Beverly Hills; and "The Way at the Way out."

Muriel Mandigo as Grace Allan of New York concluded the recitations with "Peace Offering."

The S.M.S. Glee Club sang "Home on the Range" and "There's a Tavern in the Town," after which Grade Seven pupils completed the programme with the following selection: Song, "Lonely Cowboy Tex" by Gordon McLachlan from Texas; piano solo by Hazel Gifford as Hazel Gill from Newtonville; dance, "Pickin' Sisters" by Adelaide M. Greca and Theresa Fountain of Jacksonville.

Selection by Lynden Morrison, rope spinner from Nashville; piano solo by Ashton Hallam from Nashville; song by Alexander Udall as Silvin Star of Trail, B.C.; musical selection by James Strickland and his two-piece orchestra from the City; piano selection by Eta Mittleman of Radio City; paper harmonica tune by Gordon Ross of Montreal.

It is our intention to remedy this situation, and to force the Government to reduce its taxation, especially as regards municipalities. This can be done if the Government is operated on an economical basis.

Under the gracious patronage of Mrs. F. H. Bradley, wife of Sherbrooke's Mayor, who opened their Christmas sale, the Women's Auxiliary of the Canadian Legion Branch 10, B.E.S.L., sponsored a most successful event for the benefit of their relief fund.

The president, Mrs. G. Kennett, received, the tea table was in charge of Mrs. E. Buck, with members of the Auxiliary, and the fund-raising, which delighted the children, was looked after by Mrs. B. Tinker.

Beautifully decorated in the Legion's colors, the main booth was laden with an attractive assortment of useful and fancy articles, the sale of which augmented the satisfactory proceeds.

During the evening cards were played at four tables, the prizes being won by Mrs. W. Davis, Mrs. F. Shorten, Mrs. E. Davis and Mr. G. Kennett.

Although Mr. Leech is making a good recovery, he will be confined to his room for some weeks yet.

The close of which Ernie Johnston placed their thanks and appreciation to Mr. William G. Dinning, who was the president, Miss Eileen Dunsmore, presided, and later bowling and badminton tournaments were continued with unabated interest.

RENDERED A VERDICT OF ACCIDENTAL DEATH

A coroner's jury under the presidency of Leonard Bachand this morning rendered a verdict of "accidental death" in connection with the automobile tragedy which claimed the life of Leon Girouard, twenty-seven years old, of Athabaska.

Girouard was almost instantly killed on Sunday night when the automobile in which he was a passenger collided with another vehicle on the Brompton road two and a half miles from this city. The car containing Girouard was operated by J. A. Carboneau, of this city, and the other vehicle involved in the collision was driven by Joachim Dubreuil, of Stoke Centre.

BOY STRUCK BY MOTOR TRUCK

Paul Lessard, nine years of age, residing at 18 Bowen avenue north, was removed to the Hotel Dieu Hospital last evening after being struck by a motor truck at the corner of Bowen avenue and King street east.

The lad in crossing the street stepped into the path of a truck driven by Wilfrid Samson, of Cookshire. Samson tried to swing aside, but was unable to avoid the accident. X-ray examinations of the victim are being made to determine the extent of his injuries.

The condition of Clark Gale, of Asbestos, injured in an automobile accident last week, was reported as slightly improved by Sherbrooke Hospital authorities this morning. Gale has a fractured skull. Ronald Sampson, thirty-one years old, of North Hatley, injured in the same mishap, is also recovering satisfactorily.

"MENDELSSOHN" PROGRAMME ENJOYED BY SCHUBERT CLUB

Members of the Schubert Music Club were delightfully entertained last evening by Mrs. L. E. Codere and Mr. John Codere at their residence on King street west. "Mendelssohn" was the composer selected for the occasion and the programme was exceptionally pleasing, several members participating who have not been heard recently, including Miss Mildred Lergie, solo pianist, whose brilliant interpretations of Mendelssohn's works proved an outstanding feature of last evening's recital.

Miss Lergie played, Rondo Caprice, Op. 14; Songs Without Words, Op. 19, No. 3, Hunting Song, Op. 30, No. 3, Consolation, Op. 102, No. 3, Presto, Op. 67, No. 4, Spinning Song and Scherzo, Op. 16, No. 2.

The instrumental trio, "Andante con moto tranquillo," from the trio in D, Minor, Op. 49, No. 1, by Miss Frederica Bradley, violinist, Francis W. Smith, cellist, and Miss J. Brumwell, pianist, was a delightful number, as were the vocal duets "I Would That My Love Could Silently Flow" and "O Wert Thou in the Cauld Blast," sung by Mrs. J. Keith Edwards, soprano, and E. J. Armitage, baritone, accompanied by Miss J. Brumwell. The lovely vocal trio, "On Song's Bright Pinions," arranged by N. Clifford Page, was charmingly rendered by Mrs. F. H. Bradley, Mrs. H. S. Armstrong and Mrs. J. G. Ranshouan, accompanied by Mrs. W. G. Cross.

At the close of the programme delicious refreshments were served, Mrs. J. G. Ranshouan and Mrs. J. K. Edwards presiding at the beautifully appointed table, which was artistically centered with natural flowers.

ST. ANDREW'S Y.P.S. ENJOYED TALK ON "ESPERANTO"

Members of St. Andrew's Young People's Society were most interestingly entertained at last evening's meeting in the church hall by Mr. Bert Williams, Choosing "Esperanto" as the subject of his remarks, the speaker held the attention of the members throughout his clever and interesting address, at

During the evening the guest of honor was presented with a basket, prettily decorated in white and silver and filled with a "shower" of miscellaneous gifts, accompanied by the best wishes of her friends for her future happiness.

At the close of the evening the hostesses served dainty refreshments.

Mrs. G. A. Bradford entertained at her home on Laurier avenue in honor of Miss Eva Seveigny, R.N., of Montreal, who is her guest. Bridge was played at two tables, the prizes being won by Mrs. Albert Temple and Mrs. Frank Edwards. A special prize was also presented to the guest of honor. The tea table, covered with a lovely hand-embroidered cloth, at which Mrs. J. A. McLean presided, was centered with yellow mums in a silver basket and matching tapers in silver holders. Miss Noreen Dunsmore assisted in serving.

A delectable chicken-pie supper served by the Belvedere Women's Institute at the home of Mrs. J. V. Gilles was the culminating event in the keenly fought card contest between ladies and gentlemen, which was won by the former by a large majority. Right royally did the losers pay their obligations, the ladies coming to their rescue by convening the delightful supper party.

The table was attractively adorned with bronze and yellow mums and upwards of fifty guests enjoyed the lavish hospitality of the losing gentlemen who, with Mr. Chas. Drummond acting as chairman, were most attentive hosts.

After supper a short programme of musical numbers and recitations was put on by the losers. The prizes for the best contributions to the evening's enjoyment were awarded to Mr. J. E. Gilles and Mr. Astbury, while Mr. Irwin Smith, who gave a short reading, presented the ladies with a large box of chocolates and a basket of grapes as slight tokens of appreciation for the delicious supper.

SHERBROOKE THE SCENE OF MANY KEEN CONTESTS

Political History of Sherbrooke Has Many Colorful Chapters Showing How Both Liberals and Conservatives Have Fought to Gain Coveted Riding to Their Folds.

In the early days following Confederation the County of Sherbrooke was regarded as a Conservative stronghold. Each successive election for a time saw a Conservative candidate given the mandate both at Ottawa and at Quebec.

But as time went on the situation changed and both parties have had to make strong bids for this coveted seat. Sherbrooke has always been a much-sought-after riding and has been the scene of many lively contests.

In 1800 Hon. J. G. Robertson went to Quebec as spokesman for Sherbrooke County in the provincial capital. Hon. Mr. Robertson served as Sherbrooke member until the election of 1822.

In 1822 he was succeeded by L. E. Panneton, later Mr. Justice Panneton. It is interesting to note that then, as now the people of Sherbrooke took their politics seriously. Mr. Panneton defeated Hon. Mr. Robertson, a Conservative, and J. Broderick, Liberal candidate, by only twelve votes.

In 1827 Mr. Panneton was again successful in carrying the county, this time defeating L. C. Belanger. In 1900, Dr. P. Pelletier, later Agent General for the Province of Quebec in London, England, was the county's deputy, and he held this honored position until 1908. At the time of his first election Dr. Pelletier had as his opponent L. E. Panneton, and in this fight secured a majority of ninety-one, while in the two successive elections, in 1904 and 1908, Dr. Pelletier was returned by acclamation.

In 1911 the county again elected its deputy by acclamation, this time the honor going to C. E. Therrien, Liberal, later sheriff of the district, who made his debut in provincial politics at a by-election on August 17, 1910. In the following year Mr. Therrien was again the choice of the county, securing a majority of 938 over the Conservative candidate, Mr. Hebert. In the next election, which occurred in 1916, Mr. Therrien was re-elected. Mr. Therrien was succeeded in 1919 by another Liberal candidate, J. H. Lemay, who

now holds the position of Magistrate of the district.

In the elections of 1923 activities were more brisk in the county, and when the electorate made their way to the polls they had to decide between three candidates, Moise O'Bready, Conservative, L. Forest, Liberal, and C. C. Cabana, Independent. The victory went to Mr. O'Bready, who had a majority of 296. However, shortly after his election, Mr. O'Bready passed away, leaving the county without a representative. A by-election was held on November 5, 1924, with Mr. Armand C. Crepeau, Conservative, and C. E. Therrien, Liberal, as candidates. Mr. Crepeau went to Quebec as deputy with a majority of 204.

In the election of 1927 Mr. Crepeau was again the Conservative candidate, this time being opposed by J. C. Morin, Liberal. In this contest Mr. Crepeau was given a majority of 406. The election of 1931 saw the entry into the provincial arena of a new face in the person of Emery Fortier, Mr. Fortier, the Liberal choice in that election, went to Quebec with a majority of 438 over his Conservative opponent, A. C. Crepeau, who had represented Sherbrooke since 1924.

Mr. Crepeau's defeat was especially significant owing to the fact that at the time he was Conservative party organizer and a strong figure in the ranks of the provincial Opposition.

Sherbrooke County yesterday again changed its party allegiance, Emery Fortier going down to a crushing defeat at the hands of Col. Johnny Bourque, Action Libérale Nationale candidate, who obtained a majority of approximately seven-hundred votes.

BLIND WRITER PLEASSED WITH ISLAND BEAUTY

Helen Keller "Sees" Jamaica's Beauty Spots, which She Said Is "So Varied in Its Beauty."

Kingston, Jamaica, Nov. 26. — After visiting Jamaica's beauty-spots, Miss Helen Keller, blind American writer and lecturer, had praised the island's scenery, which she said was "so varied in its beauty."

Accompanied by her teacher and old friend, Anne Sullivan Macy, and her secretary, Miss Polly Thompson, the distinguished author spent one week in Jamaica and visited St. Ann's Bay, Roaring River Falls, Echo River and Fern Gully.

The beauty of the contrasting scenery she was able to see through the eyes of Mrs. Macy, the friend who years ago transformed her from a blind, deaf-mute and helpless child into a ten-year-old girl so highly intelligent she was hailed as a prodigy.

At Fern Gully, Miss Keller said she touched the wonderful fern growth and at Roaring River had been thrilled when she dipped her hand in the cool water.

Before leaving she said she would do something for Jamaica's blind, particularly the older ones who cannot learn Braille. She promised to send books and gramophone records so they might be able to hear the great works more fortunate persons read.

Asked what book she would send first, Miss Keller replied: "The Bible."

"I will send a novel or perhaps 'Pilgrim's Progress' afterwards," she concluded.

The service was conducted by Rev. Mr. Cooke, of Marlton, who spoke comforting words from the text "O death, where is thy sting." The interment took place in the Anglican Cemetery at Dudswell Centre.

The bearers were four personal friends of the deceased, J. R. McFadden, Elwin Barter, William Andrews and Howard Andrews. The choir, composed of H. Harrison, E. Evans, Mrs. Elliott, Mrs. Carl Bishop, Mrs. Angus Smith and Miss Freda Harrison, with Mrs. B. W. Jenkinson as organist, sang three hymns, all favorites of the deceased. "Lead Kindly Light," "Sometime We'll Understand" and "Peace, Perfect Peace."

Relatives from a distance who attended the funeral were, Charles Stevens, Dan Stevens, Melvin Covell and Wilbur Covell, of Colebrook, N.H.; Loren W. Covell, Lancaster, N.H.; Francis Covell, Pittsburg, N.H.; Mr. and Mrs. H. D. Willard, North Hatley; Mr. and Mrs. N. Lacey, Mr. and Mrs. Ollie Jenkinson, Dr. and Mrs. Macdonald, Sherbrooke; Curtis Jenkinson, of Stoke; W. T. Oughtred and Ernest Munkittrick, of Marlton.

A spray of carnations was sent by Arnold Munkittrick, nephew, of Shawington Falls, and a telegram of sympathy from Mrs. Laura Carlton, cousin, of Atlantic, Mass.

Mr. Covell was a good worker, a prosperous farmer and his passing will be keenly felt by a large circle of friends. The sympathy of the entire community goes out to his bereaved sister, Miss Ada Covell, who is left alone in the home.

He was the youngest son of the late J. M. Covell and his wife, Florence Willard Covell. Two brothers, Elwin and Walter, and a sister, Freda Munkittrick, pre-deceased him. The only surviving member of the family is Miss Ada Covell, who tenderly cared for him during his last illness and was ever faithful in the home to assist him in any way.

E. T. POLITICAL HISTORY DIVIDED BETWEEN TWO DISTINCT PERIODS

Historical Review of Provincial Politics in Eastern Townships Shows District Overwhelmingly Conservative Prior to 1897 and Liberal Forces Holding Sway Since That Date—Results of Elections in Eleven Constituencies Since Confederation.

The political history of the Eastern Townships, insofar as the provincial field is concerned, can be divided roughly into two distinct periods. In the first, from Confederation until 1897, the Conservative party held control of the district, generally carrying all the ridings in this area except Megantic and in the later part of the period Drummond County.

The second period dates from the Liberal wave that swept the Province and the Eastern Townships in 1897 and has since held sway. In 1912 the last Conservative stronghold, Shefford, was captured by the Liberals and for twenty-three years not a Tory member has been sent to the Legislature from the Eastern Townships except for the period of 1923 to 1931 when Sherbrooke returned temporarily to the ranks of the Opposition.

In the following historical summary of the results in the Eastern Townships seats are after the date indicates the result of a by-election held in that year.

BROME COUNTY.

In the first election following the signing of the British North America Act, Brome county returned Christopher Dunkin as a Conservative. Mr. Dunkin sat for a single term, being succeeded by William Warren Lynch in 1871, who held the seat until his appointment to the bench in 1889. Mr. Justice Lynch was succeeded by another Conservative, Rufus Nelson England, the latter being defeated in 1897 by Henry Thomas Duffy, the first Liberal to be elected. Since that day Brome has registered an unbroken series of Liberal victories, some by acclamation and some by small majorities, as in the 1931 campaign when Hon. R. F. Stockwell was returned by a majority of only twenty-five. The history of the county follows:

1867—Christopher Dunkin, Conservative, elected by acclamation.

1871—Wm. Warren Lynch, Conservative, elected by acclamation.

1875—Wm. Warren Lynch, Conservative, elected by acclamation.

1878—Wm. Warren Lynch, Conservative, elected by majority of 244.

1897—H. T. Duffy, Liberal, elected by majority of 551.

1900—H. T. Duffy, Liberal, elected by acclamation.

1903—John Charles J. S. McCorkill, Liberal, elected by majority of 338.

1912—W. F. Vilas, Liberal, elected by majority of 433.

1916—W. F. Vilas, Liberal, elected by majority of 938.

1917—William Robert Olivier, Liberal, elected by acclamation.

1919—W. R. Olivier, Liberal, elected by majority of 1,410.

1923—W. R. Olivier, Liberal, elected by majority of 490.

1923—Carlton James Oliver, Liberal, elected by majority of 693.

1927—C. J. Oliver, Liberal, elected by majority of 625.

1931—R. F. Stockwell, Liberal, elected by majority of 25.

FRONTENAC COUNTY

The election of 1912 saw Frontenac County first appear on the electoral map of the province, the new riding being cut out of the east end of Compton and the southwest sections of Beauce. Returning a Liberal at the first election, Frontenac has remained true to the Liberal party ever since:

1912—George Stanislas Greigore, Liberal, elected by 327 majority.

1916—G. S. Greigore, Liberal, elected by 830 majority.

1919—G. S. Greigore, Liberal, elected by acclamation.

1923—C. Baillargeon, Liberal, elected by majority of 30 over G. S. Greigore, Liberal, and of 558 over V. Lincoirt, Conservative.

1927—C. Baillargeon, Liberal, elected by majority of 1,250.

1931—H. L. Gagnon, Liberal, elected by majority of 938.

MEGANTIC COUNTY

Contrary to other ridings in the province, Megantic has been traditionally Liberal, limiting its Conservative support to the elections of 1876, 1886, 1890, 1892 and 1908, when Conservatives were returned by narrow margins. The detailed election results follow:

1867—George Irvine, Liberal, elected by majority of 285.

1871—G. Irvine, Liberal, elected by acclamation.

1875—G. Irvine, Liberal, elected by acclamation.

1876—Andrew Kennedy, Conserv-

1921—Jacob Nicol, Liberal, elected by acclamation.

1923—S. Edmond Desmarais, Liberal, elected by majority of 303.

1927—S. E. Desmarais, Liberal, elected by majority of 738.

1931—S. E. Desmarais, Liberal, elected by majority of 950.

COMPTON COUNTY

Compton county has been represented by a long list of distinguished members, like the other Eastern Townships ridings all Conservative until 1897, when James Hunt had the honor of being the first Liberal elected. Since then the Liberal party has predominated the elections, Allen W. Giard, who sat from 1900 to 1912, being the sole Conservative in this period. The results of each election since 1867 follow:

1867—James Ross, Conservative, elected by majority of 194.

1871—William Sawyer, Conservative, elected by majority of 276.

1875—W. Sawyer, Conservative, elected by acclamation.

1878—W. Sawyer, Conservative, elected by majority of 453.

1929—A. R. McMaster, Liberal, elected by majority of 239.

1931—William J. Duffy, Liberal, elected by majority of 469.

DRUMMOND-ARTHABASKA

Drummond county, formerly Drummond-Arthabaska, has been the most consistently Liberal of all Eastern Townships divisions, returning Conservatives on only three occasions. It has also witnessed the somewhat unusual feature of a man, William John Watts, elected as a Conservative in 1874, gradually turning to an independent Conservative and then a Liberal, being re-elected by large majorities irrespective of what his party colors. The victors in the original and divided counties follow:

1867—Edward John Hemming, Conservative, elected by majority of 181.

1871—Wilfred Laurier, Liberal, elected by majority of 750.

1874—William John Watts, Conservative, elected by majority of 668.

1875—W. J. Watts, Independent-Conservative, elected by majority of 549.

AMERICANS WON INTERNATIONAL MILITARY JUMP

Wampum, Chestnut of the United States Army Team, Won Feature Event on Royal Winter Fair Horse Show's Programme Last Night.

Toronto, Nov. 26.—The international military jump, over a hand course that required skilled maneuvering of mounts on short turns and cross-criss jumps, was won by Wampum, chestnut of the United States Army team, ridden by Captain C. C. Jadin, in the feature event on the Royal Winter Fair Horse Show's programme last night.

Wampum showed only three faults, while four faults were registered by the Chilean Army team entry, Chincol, with Captain Augusto Silva, as up. Third place was awarded to Babe Warthem, ridden by Lieutenant H. S. Isaacson, a member of the United States Army team.

Second, third and fourth place horses all were tied with four faults, but time was taken among winners were determined on that basis. Chincol was nine seconds faster than Babe Warthem.

Cacique, ridden by Captain Enrique Franco of the Chilean Army team, who was fourth, was five seconds slower than Babe Warthem.

Fifth was Red Hugh, with Captain D. J. Conry, of the Irish Free State Army team, up. Red Hugh showed six faults, Lisette, ridden by Captain Andre Joussemaux, of the French Army team, was sixth with eight faults.

Twenty-seven horses entered the semi-final round after clean performance the first time around, and only six were left with their record of faults intact when the final jump-off came.

In the semi-final round two Irish horses were forced from further competition, Owen Roe, ridden by Captain J. J. Lewis and Limerick Lace, ridden by Commandant J. G. O'Dwyer, up. Owen Roe showed three faults and Limerick four.

Four Chilean horses also were eliminated in the semi-final. Salitre, ridden by Captain Eduardo Yanez, showed four faults; Xysme, with Captain Yanez up, withdrew after knocking down the first jump; as did Caupulcan, ridden by the same officer. Toqui, ridden by Captain Augusto Silva, also went off via the knockdown route.

French horses fared no better and two were forced to the sidelines in semi-final competition. Volant III, ridden by Captain Pierre Clave, went out on faults, and Amandon, also ridden by Clave, showed four errors.

QUEBEC HOCKEY PROTEST WILL BE DISMISSED

President of Canadian Amateur Hockey Association Claims No Appeal Against Decision to Send Port Arthur to Olympic Games Would Be Considered.

Toronto, Nov. 26.—No appeal against the decision to send the Port Arthur Bearcats to the Olympic Games would be considered, E. A. Gilroy, president of the Canadian Amateur Hockey Association, stated last night in addressing an informal dinner given by the Central Ontario Branch of the Amateur Athletic Union of Canada.

"If we were to consider the Montreal Royals," President Gilroy said, "we must also consider the North Battleford team. They were semi-finalists in the Allan Cup competition, the same as the Montreal Royals."

The Port Arthur team occupied the same position in the west as the Halifax Wolverines held in the east. Therefore the Bearcats are the logical selection since the Halifax club found it impossible to keep the Wolverines intact and make the trip. This was decided at the meeting in Halifax and it was the opinion of the members of the committee who considered the question.

"This is definite and the only thing left to be considered is the players who will be picked to strengthen the Bearcats. This has been left to a committee to decide and an announcement concerning it may be made in the near future."

A NEW THREE-STRING MARK SET BY JOBEL

Local Veteran Posted Three-String Aggregate of 876 in Y.M.C.A. Inter-Church Bowling League Fixture Last Night — Had Eighteen Strikes and Eleven Spares.

One of Sherbrooke's veteran trundlers, Art. Jobel, is today credited with what is considered to be the highest three-string five-pin bowling aggregate ever achieved on a local alley. Playing in the Y.M.C.A. Inter-Church League last night, Jobel chalked up the startling total of 876, surpassing by seventy-six pins the record recently posted in the senior five-pin circuit by Jack Hillman.

Jobel made no less than twenty-nine strikes in his St. Andrew's quintette, practically clinched the championship of the first half of the schedule. In his first string the Presbyterian ace failed to break once, recording eight strikes and four spares for a single string total of 335 which was nine pins higher than the former record of 326 held by a team-mate, Guy Smith.

The new record-holder broke twice in the second string. He made four strikes and four spares, but posted a fifteen in the eighth box and an eight in the tenth frame. But there was still enough energy left in Jobel's arm for an appropriate climax. After starting off with a fifteen Jobel settled down and made a strike and two spares before he was faced with a split and could only obtain a thirteen. He finished off with four strikes and a spare to beat Smith's three-string mark of 756 by no less than 120 pins.

An analysis of Jobel's playing last night revealed eighteen strikes, eleven spares, two fifteens, a thirteen and an eight.

The Presbyterians, with Jobel hitting the kingpin with such consistency, did not miss the services of their fifth man as they blanketed the Trinity aggregation and were credited with a new team record of 2,970. This total was 140 pins better than the former St. Andrew's mark of 2,830.

In the other game on last night's programme, Plymouth Church captured two strings from St. Paul's and moved ahead of Trinity and St. Peter's into third position in the standing.

CHALLENGE FOR AMERICA'S CUP IS WITHDRAWN

Prospective British Challenger Withdraws with Protest Against "Big Money Rings that Control the America's Cup Race"—No Series Likely Before 1937.

London, Nov. 26.—The Royal London Yacht Club has withdrawn its challenge for the America's Cup, making it unlikely that the ancient yachting series will be resumed until 1937 at the earliest. Announcement of the withdrawal of the challenge, which was made on August 19 on behalf of Commodore Charles Fairrey, was made yesterday.

Shortly after the challenge was filed the Royal London Yacht Club made known that it was Fairrey's desire to conduct the series with Class "K" yachts—slightly smaller than the "J's" used last year by T. O. M. Sopwith, the British challenger, and Harold S. Vanderbilt, of New York. Replying that the America's Cup should be "raced for" by yachts of the largest and fastest class racing at the time and eligible under the deed of act, the New York Yacht Club responded that with at least six "J" vessels in the waters of Great Britain and the United States the "present political and economic situation" makes it unpropitious at this time to start a new class of yachts.

Fairrey withdrew his challenge after learning, he said in the course of a newspaper interview, that the New York Yacht Club did not wish to race for the historic trophy with Class "K" yachts. In the interview Fairrey protested against the "big money rings that control the America's Cup race."

"The race has now been reduced to a contest between expensive yachts which only syndicates can normally afford," the newspaper quotes him.

"American entries all are syndicated whereas the British yachts are privately entered. If the American attitude is to remain unmodified, it is difficult to see how any private owner will be able to afford to compete."

There was speculation here as to whether Sopwith, unsuccessful challenger last year with the Endeavour, would challenge again now that Fairrey has withdrawn. Sopwith had ordered a new class "J" yacht from Charles E. Nicholson, designer of the last three challengers.

George A. Cormack, secretary of the New York Yacht Club, in announcing Fairrey's withdrawal, said: "We feel that it would be far more appropriate that the next match for the America's Cup should, as in the past, be sailed between the fastest eligible yachts racing in Great Britain and were at the time of the match and that a race between yachts both smaller and undoubtedly slower than yachts now racing regularly on both sides of the Atlantic would not be consistent with the traditions of past matches for the America's cup."

COCHRANE HAS VISIONS OF THIRD STRAIGHT PENNANT Miami Beach, Fla., Nov. 26.—As Mickey Cochrane sees the situation today his Detroit Tigers' chances of winning their third straight American League pennant are good.

The champions' catcher-manager, newly confirmed in his job and given added responsibilities as vice-president in charge of sale, trade, purchase and release of players, gave his opinion here.

"It will be tough going, however," Cochrane remarked at the winter estate of the Tigers' new president, Walter O. Briggs, Detroit industrialist who bought the late Frank J. Navin's half interest to become sole owner.

"Boston will be much stronger. The New York Yankees will be good. And so will Cleveland. The St. Louis Browns, if they start next season like they finished the last, will be strong competition."

"The Chicago White Sox? Give them another good pitcher or two and they will be hard to beat. They were a good ball club last year."

WAR VETERANS HELD MONSTER FAMILY PARTY

Characterized by Addresses Striking High Note of Service, Patriotism and Loyalty, Tenth "Birthday Party" Held by Canadian Legion in Ottawa Last Evening Attended by 1,200

Ottawa, Nov. 26.—Canada's national memorial on Vimy Ridge will be unveiled on Sunday, July 26, 1936, Hon. Ian MacKenzie, Minister of National Defence, said here last night. The announcement was made in the course of the minister's address at the tenth "birthday party" of the Canadian Legion, celebrated by a monster banquet at which 1,200 ex-service men, their wives and friends were present.

The function was characterized by addresses all striking a high note of service, patriotism and loyalty. The huge gathering sang the old-time marching songs of the Canadian Corps and listened with great enthusiasm to the reading of numerous telegrams, cables and letters of congratulation from every corner of the Empire.

In the chair was Brig-General Alex. Ross, C.M.G., of Yorkton, Sask., Dominion president of the Canadian Legion. General Ross, recalling that yesterday the body of Earl Jellicoe, grand president of the British Empire Service League, had been interred in St. Paul's Cathedral, opened the banquet by calling for a period of silence, out of respect for the memory of the deceased admiral.

The addresses were numerous and of a high order. Hon. C. G. Power, Minister of Pensions, surveyed the whole field of ex-service men's problems. The chief of these, said the Minister, centred on the veteran who, through misfortune, unemployment, inability "to grasp the hard realities of civilian life, are not in the happy position of being able to re-establish themselves."

"There are 40,000 of our comrades on the roll of the unemployed, and 12,000 more, in receipt of small pensions for war disabilities, are on departmental relief. Many—far too many," continued the Minister, "will never again be given an opportunity of handling a pay envelope or a salary cheque. They are no longer employable in an age of keen economic competition. Their plight has attained the proportion of a national problem."

Without "wishing to shift the burden of responsibility," Major Power called upon all Legion members to give him the "closest co-operation."

"In other words," he said, "it is our job, yours and mine. We must find a solution. I pledge myself to do my part."

Two women had a heated argument at an "at home." Later one of them confided in a friend. "You know, I don't like Pansy," she said. "She's not fair."

"No," said the other, "but she's dying to be."

GOVERNMENT COMPETITION IS PROTESTED

Washington, Nov. 26.—Overwhelming opposition to Government competition with private enterprise and to Government spending without relation to revenue was recorded in a poll of the Chamber of Commerce of the United States.

The Chamber made public results of the poll on these and other questions which it submitted recently to the membership.

The questions and the vote on each: 1.—"Should there be extension of federal jurisdiction into matters of state and local concern?" Yes, 45, No, 1,796.

2.—"Should the Federal Government at the present time exercise federal spending power without relation to revenues?" Yes, 22, No, 1,845.

3.—"Should there be Government competition with private enterprise—for regulatory or other purposes?" Yes, 56, No, 1,825.
