Fatal Auto Accident At Acton Vale—Bank Manager Held

Huge Attendance Was One Feature Of Air Carnival

Mayor Houde, of Montreal, and Col. the Hon. J. L. Ralston, Minister of National Defence, Opened Great Pageant, Which Was Attended by Forty Thousand Spectators—Roads Near St. Hubert Were Blocked and Many People Were Unable to Get Near Field—Forty Planes Competed in or Flew With 1929 National Air Tour.

MONTREAL, Oct. 7.—Airways, roadways and railways carried fully forty thousand persons to St. Hubert Airport yesterday morning and afternoon to witness the most spectacular demonstration and exhibition of aircraft ever before seen in Montreal. Hundreds more were unable to reach the scene of this great attraction, for the roadway became blocked, despite almost herculean efforts on the part of local and provincial police. It is estimated five thousand automobiles were driven to St. Hubert, though many never reached the precincts of the aerodrome and were parked in farmyards and fields while their passengers continued by foot. Several thousand more saw the fleet of over forty planes competing in or flying with the 1929 National Air Tour, which dropped into St. Hubert Airport between three and four o'clock.

Planes of many sizes and hues, Moth training machines to the giant seven-ton Curtiss Condor and Ford tri-motors swooped down from the skies to land and taxi to the perimeter of the field. Twenty-nine actual contestants arrived, and only one was behind its allotted schedule by the meagre margin of two minutes. These were not all, however, for a small fleet of accompanying machines—carrying tour officials, Clarence M. Young, assistant secretary of Commerce for aeronautics, Washington, E. P. Warner, the former secretary and now editor of Aviation, meteorological experts in a special plane equipped with wireless to receive a constant stream of weather reports, press representatives of a number of United States newspapers, and service ships—flew from Ottawa yesterday afternoon.

Other features brought crowds to St. Hubert Airport both on Saturday and Sunday, though the attendance on the opening day was as low as five thousand, many people being under the impression that the aerodrome would be in a poor condition after the heavy rains of the three preceding days. Many complimentary remarks were made about the excellence of the flying field, despite the fact that the first sod was turned only eighteen months ago.

Six Merry Chicago Bandits Turn Hold-Up Into A Two Hour Frolic That Included A Beauty Contest

Official States that Five Convicts Still Have Arms Hidden—Two Prisoners Placed in Solitary Confinement While Investigation Is Carried on into Friday's Outbreak.

CHICAGO, Oct. 7.—Six merry bandits called early yesterday at the Palm Gardens, suburban roadhouse, robbed the patrons and the management of \$10,000 in cash and jewels, and then turned the hold-up into a two hour frolic which included a beauty contest.

It was the sextet's fifth visit in three months to the Palm Gardens, so when a volley of shots announced their latest gall, Cam Fiddle the proprietor simply sighed, punched open the cash register, and stood resignedly aside. The till included about \$800. Sixty patrons yielded the rest.

"This is no funeral," the leader of the bandits shouted, and calling toward the orchestra, "Let's have some music."

THIRTY-FIVE FEARED LOST WHEN SHIPS COLLIDED

(Associated Press Despatch) TRONDJEM, Norway, Oct. 7.—A telegram from Florio today stated that it was feared thirty-five persons were lost in the sinking of the steamer Haakon VII last night after a collision. The steamship company operating the vessel was without details and there was hope that this estimate of the casualties was exaggerated. The Haakon VII collided with the Norwegian steamer Jaarl at Slavsjorden. The Jaarl also went ashore. Salvage ships were rushing to the rescue this afternoon.

Leader Of Quebec Conservatives Predicted Provincial Elections Shortly In East Angus Address

Small Majority Gained by Hon. A. R. McMaster in Recent Bye-Election Taken as Indication that People Are Losing Confidence in Quebec Government by Mayor Camillien Houde — Thanked Residents of County for Support — Prominent Conservatives Present.

(Special to the Record.) EAST ANGUS, Oct. 7.—The 217 vote majority obtained by Hon. A. R. McMaster, Provincial Treasurer, in the recent bye-election in Compton County is taken as an indication of loss of confidence in the Liberal Government at Quebec by Camillien Houde, Mayor of Montreal and leader of the Quebec Conservatives, who stated in an address here last night that the thousand vote loss suffered by the Liberals would mean a general election in the near future.

The meeting, which took place in the Royal Theatre, was one of the largest ever held by the Conservative party here, and was for the purpose of thanking the electors of Compton County, and especially the people of East Angus, who had given such good support to the Conservatives. There were many prominent members of the Conservative party on the platform, among them being Mayor Houde, Opposition leader Major A. L. Pomeroy, Conservative candidate in the bye-election in this riding, William Tremblay, M.L.A., Maisonneuve, A. Blain, M.L.A., Dorion, Armand Crepeau M.L.A. Sherbrooke Aldermen Allan Bray and Alfred Mathieu, Montreal, L. Barre, L'Ange Gardien, Notary Savignac, Montreal, Dr. John Hayes, Richmond, and Lauriat Turcotte and H. E. Andrews of East Angus, the last two being the joint chairmen of the gathering.

WOMAN INJURED IN SMASH NEAR LAKE MEGANTIC

Mrs. Lemieux, of Montreal, Badly Bruised When Car Struck Lumber Truck Near Megantic on Saturday—Car and Lumber Completely Destroyed.

LAKE MEGANTIC, Oct. 7.—On Saturday afternoon at 4.30 o'clock, a Chrysler taxi car from St. Leon, driven by Mr. Dugal, containing six passengers, collided with a truck loaded with lumber, coming from Weburn. All of the passengers were more or less injured, one lady, Mrs. Lemieux, of Montreal, sustaining severe cuts and bruises, her shoulder being badly cut. The injured were conveyed to Dr. J. A. Dube's, who rendered medical assistance, and states that although severely shaken up, the rest of the party would soon recover from their injuries. Mrs. Lemieux, who was visiting relatives in town, had intended returning to her home in Montreal on Sunday morning. The collision occurred on the Weburn highway, about five miles from Megantic. The car was completely demolished, and the truck and lumber caught fire, all being totally destroyed.

PROMINENT MEN OF THE EASTERN TOWNSHIPS

MR. CHARLES B. HOWARD

Although still a young man, Mr. Charles Benjamin Howard, the present Federal Member of Parliament for Sherbrooke County, has had a very active business career and is recognized as one of the outstanding lumbermen of the Eastern Townships and of the Province of Quebec.

He was born at Smith's Mills, now Tomifobia, Stanstead County, on September 27, 1885, the son of the late Benjamin Cate Howard and Helen E. Salls Howard. His ancestors on the Howard side came from Ireland to Barnston County and later took up government homestead land at Apple Grove, four miles west of Beebe, where his great-grandfather, James Howard, lived and died. He and his wife, Mary Ann Williamson, are buried in the Catholic cemetery at Stanstead.

His grandfather, James Howard, took over the farm and married Clara Hunt, daughter of Mehitabel White, a descendant of the Whites of Griffin Corner, whose ancestors came over on the "Mayflower" and moved into Canada after the United States gained their independence. Mrs. Clarinda Hunt Howard is still living and resides at Beebe.

At the age of six years Charles Benjamin Howard moved with his parents to Sherbrooke, where he has since made his home. He was educated at the Sherbrooke High School, now the Cambridge School, and at Stanstead Wesleyan College, Stanstead, also taking special French courses from Reverend Father Godbout, at St. Charles' Seminary, Sherbrooke.

When fifteen years old he entered the employ of his father to learn the lumber business and resided for a time at Valley Junction, Beauce County. He became a partner of B. C. Howard and Company with his father, the late B. C. Howard, and D. J. Salls in 1908. The firm gradually increased their limit holdings in the Counties of Beauce, Dorchester, Bellechasse and Montmagny, disposing of their properties in 1912 to the Brown Corporation.

Mr. Howard pioneered the settlement of Lake Frontiers in Montmagny County and built mills there where his company acquired extensive limits. He then associated himself with Messrs. Charles, Wilfrid and Philip Bienvenu, becoming vice-president of the English Lake Lumber Company, Limited, Lake Frontiers, in 1919, together with his father, he purchased the holdings of Mr. D. J. Salls in the B. C. Howard and Company, Limited.

He became president of B. C. Howard and Company, Limited, on the death of his father, July 27, 1923, and early in 1924 sold the B. C. Howard and Company properties at Lake Frontiers and the English Lake Lumber Company, Limited, to the Bronpton Company, and on July 15, 1924, organized the B. C. Howard Company, Limited, which company was succeeded in 1925 by the Howard-Bienvenu Lumber Company, Limited, of Charny, Quebec, who have mills at Lake Therrien, L'Islet County, Quebec, and La Sarre in the Abitibi district, with dressing plants at Charny and La Sarre, Quebec.

On October 22, 1925, Mr. Howard accepted the Liberal nomination for Sherbrooke County and was elected on October 29, 1925, as Federal member for Sherbrooke by 1,117 majority, and re-elected on September 14, 1926, by 2,942 majority.

Mr. Howard is closely connected with a number of different business concerns, being president of the Howard-Bienvenu Lumber Company, Limited, Charny; Sherbrooke Real Estate Company, Sherbrooke; Sargent, Howard, Latourelle, Limited, Refrigeration, Engineers and Contractors, Limited, Montreal; St. Nicholas Pulp Company, Limited, Baie St. Nicholas, Saguenay County; Union Grains, Limited, Lennoxville.

He is also managing-director of the Howard Real Estate, Sherbrooke; partner of Howards Registered, Silver Black Foxes, Sherbrooke; vice-president of the Abama Mines, Limited, Montreal; the Stanstead and Sherbrooke Fire Insurance Company, Sherbrooke; treasurer of Leumas Realities, Limited, Montreal; director of The Canadian Silk Products, Limited, Montreal; together with Messrs. A. A. Munger, of Sherbrooke, Edgar Thompson, Montreal, and others having founded this company in 1924; director of Trans-Canada Insurance Company, Limited, Montreal; Great Canadian Insurance Company, Limited, Montreal; Eastern Townships Agricultural Association, Sherbrooke; Diversified Standard Securities, Limited, Montreal; Sherbrooke Pure Milk Company, Limited, Sherbrooke; Lacombe & Fils, Sherbrooke; Confederation Amusements, Limited, Montreal; Stewart Construction Company, Limited, Sherbrooke; MacKay Institute for Protestant Deaf Mutes, Montreal; chairman, Industrial Committee, Sherbrooke Board of Trade; governor, Sherbrooke Hospital, and Stanstead Wesleyan College, Stanstead.

The present Federal member for Sherbrooke County is also identified with the Sherbrooke Country Club; the Montreal Reform Club; St. George's Club; the Howard Liberal Club; Sherbrooke Cricket Club; Sherbrooke Curling Club; Sherbrooke Rifle Association; Bellard Snowshoe Club; Tuque Rouge Snowshoe Club; Sherbrooke Snowshoe Club; Club de Raquette, St. Francois; Sherbrooke Canadian Club; Inter-Parliamentary Union; Empire Parliamentary Association and the Sherbrooke Y.M.C.A. His chief recreation is motoring and golf.

Mr. Howard was married on June 3, 1908, to Alberta May Campbell, daughter of Mr. A. G. Campbell, of Sherbrooke. They have two sons, Benjamin Campbell, together with Messrs. A. A. Munger, of Sherbrooke, Benjamin Campbell, and Douglas Stevens. Mr. Howard is a member of the United Church of Canada.

BOY INSTANTLY KILLED SUNDAY AT ACTON VALE

Christian Michel, Six Years Old, Lost Life as Result of Motor Accident — Cars Interlocked When They Passed Too Close — Aged Man Seriously Injured.

ST. HYACINTHE, Que., Oct. 7.—Struck by an automobile on the Montreal-Richmond highway, Christian Michel, six years of age, of Wottonville, was instantly killed, near Acton Vale at eleven o'clock yesterday morning, following a collision between two automobiles. The accident occurred thirty miles south of St. Hyacinthe, and Michel was an inquest today by Dr. J. E. Auger, of Ste. Helene de Gagot.

Information given to the authorities last night was that the child was on an automobile ride with his father. They were travelling on the highway when another automobile was going in the same direction passed too closely and the wheels interlocked with the result that Michel's auto was sent spinning into the ditch where it overturned. The boy's head was crushed by one of the wheels of the auto and when he was picked up he was dead. Dr. Leon Gauthier, of Acton Vale, was summoned and found that the boy had died instantly. The body was removed to the local morgue and the authorities notified.

The owner of the second automobile, A. Parsons, of Richmond, stopped after the accident, and gave assistance to the victim's father, who escaped uninjured. When he stepped into the path of an automobile at St. Jean Baptiste de Rouville, a village twelve miles east of here, at eleven o'clock yesterday, Laurent Laharrie, eighty-two years of age, was knocked down and suffered a fracture of the left leg. He was brought to the St. Charles Hospital here, and it is reported his condition is serious. He was treated by Dr. R. Dragon. Dr. Gaston Daigle, seven years of age, of Montreal, was brought to the St. Charles Hospital here on Saturday afternoon suffering from two fractured arms. He was attended to by Dr. St. Dragon, to whom he told the details of the accident. He said that he was visiting friends of the family at Valcour, a village twenty-five miles east of here, and was playing on a hay-stack with several other boys, when he fell and fractured his arm. His condition is not serious.

JAPAN READY TO CO-OPERATE IN WORLD PEACE

Japanese Delegate on Way to Washington, Carrying With Him Plans for Japan's Participation in World Naval Parley as Announced by President Hoover.

(Associated Press Despatch) SEATTLE, Wash., Oct. 7.—Carrying with him the plans for Japan's participation in the world naval parley announced yesterday by President Hoover, Commander Yamaguchi, of the Imperial Japanese Navy, left here last night for Washington, D.C.

Commander Yamaguchi arrived in Vancouver, B.C., from Japan just in time to make connections with the Great Northern train here. While he was not surprised at the announcement which came from the President's camp in Virginia, following a conference with Premier Ramsay MacDonald of Great Britain, he was surprised that the proposed five-power conference on naval limitations had been made public. He indicated that unofficial invitations had been out for some time.

Commander Yamaguchi will be one of the naval experts representing his government at the conference. He maintained strict silence on the nature of Japan's instructions to the delegates, but acknowledged that he was to make known to the Japanese Ambassador in Washington certain attitudes which Japan would adopt at the conference. Japan, he said, was willing to co-operate with any movement for world peace.

JAMES ROBINSON DEAD. (Canadian Press Despatch) PORT ARTHUR, Ont., Oct. 7.—James Robinson, deputy member of the Dominion Board of Grain Commissioners, died at his home here yesterday. Mr. Robinson retired from the Board of Grain Commissioners this summer, but was chosen as one of the four deputy members following the appointment of the new three member Commission.

Ottawa Is Undecided As To Proper Action Regarding Smuggling

Expected that Question of Liquor Clearances to United States and Whether Dominion Treasury Should Pay Part of Cost of Doukhor Disturbances in West to Be Considered at Tomorrow's Cabinet Meeting.

(Associated Press Despatch) OTTAWA, Ont., Oct. 7.—A cabinet meeting is scheduled for tomorrow and there is considerable expectancy here as to what pronouncements will follow it. The two questions most to the fore relate to liquor clearances to the United States and whether the Dominion Treasury should pay part of the costs of the Doukhor disturbances in the west.

The request of the United States that Canada refuse clearances of liquor intend to be smuggled across the border has been given much consideration by the Cabinet during the summer. Now that the Justice Department has ruled that refusal of clearances could only be done by act of Parliament, the question which, it is understood, the Cabinet has before it is whether the Government should introduce the measure or would it be wiser to allow any such proposal to come before the Commons by action of some private member.

Introduction of Government Bill. Some of the ministers have expressed the opinion that the Government should go boldly ahead and be ready at the next session to introduce a Government bill making the export of liquor to the United States illegal. One member of the Government explained the he favored such a course because he was very anxious to see such a measure become law. He believed it was Canada's duty as a good neighbor to do this and that as a Government bill it would pass whereas it might be defeated if introduced by a private member.

Hon. W. D. Ealer, Minister of National Revenue, upon whom would fall the task of enforcing such a measure, has frequently expressed the opinion that a refusal of clearances would not help the rum running situation. However, it is understood he has made it clear to his colleagues that if they come to the conclusion that Canada should acquiesce to United States request in this matter, he will endeavor vigorously to enforce it.

Anxiety Prevails Over Colorado State Prison As Searchers Find Revolvers Hidden In Coal Pile

After Proprietor and Patrons Had Been Relieved of Their Cash, Orchestra Played and Crowd, Under Orders, Danced, Robbers Joining in Merriment.

(Associated Press Despatch) ANON CITY, Colo., Oct. 7.—Fear hovered over the Colorado State Penitentiary again today, bringing a tense anxiety to the routine of rehabilitating the battle-scarred institution, which only last Friday was in the throes of a bloody mutiny.

Coinciding with commitment of a second convict to solitary confinement, officials discovered two revolvers hidden in a coal pile. One official, unnamed, said he was certain five convicts in the prison were armed, that is, they had arms hidden. The officers would not comment on his reason for such a belief. The noise today dangled close to three heads as a result of investigation of last week's mutiny, in which twelve lives were lost in battle, by message and by suicide.

Two Placed in Solitary Confinement. Charles Davis was ordered placed in solitary confinement. Soon after this action the two revolvers were found, and Leo W. McGenty, 25, Denver gunman, was ordered confined. Both of these men, Warden F. E. Crawford said, were in possession of weapons when the mutiny in the prison broke out. Identity of the third convict suspected was not made known. The weapons believed to be still

BANK MANAGER OF WATERVILLE UNDER ARREST

Clarence A. Tucker Facing Charge of Stealing Securities Amounting to \$1,200—Is at Present in Jail Awaiting Appearance Before Magistrate.

The manager of the Canadian Bank of Commerce branch at Waterville, Clarence A. Tucker, is at present in the local jail awaiting his appearance before the Magistrate to answer to a charge of stealing securities amounting to \$1,200 belonging to the bank.

For several days a bank detective, provincial detective and High Constable L. A. Gaudreau have been on the trail of Tucker, who suddenly disappeared from Waterville. He was traced to Montreal, but there the trail ended as he more was discovered of his whereabouts until word was received at the office of the High Constable here that the accused had been arrested in Magog late Saturday by the assistant chief of police, G. A. Dufresne. High Constable Gaudreau was at once notified and, upon receipt of the news, ordered bailiff J. H. A. Genet to bring Tucker to this city. The accused was brought here Saturday afternoon and appeared before Justice of the Peace Lacombe, who ordered him to appear before Judge J. H. Lemay in the Magistrate's Court on Wednesday next.

No bail was set, as it is not definitely known the exact sum unaccounted for, the bank examiners not having fully completed the audit.

IMPORTATION OF BAYONETS TO CANADA IS PROHIBITED

Are Classed as "Offensive Weapons"—Permission Has to Be Obtained from Minister of National Revenue — Possession Barred to Aliens.

(Canadian Press Despatch) OTTAWA, Oct. 7.—The importation of bayonets to this country has been prohibited except when permission is obtained from the Minister of National Revenue, according to instructions issued to customs collectors over the weekend.

Bayonets are classed as "offensive weapons," and a police permit is required by anyone desiring to have one about his person except in his own home. No alien is permitted to possess a bayonet.

Slayer May Get Temporary Reprieve

These discoveries and developments, coupled with a general uneasiness and turmoil within the prison, may serve to give one condemned man a reprieve. Eddie Ives, slayer, sentenced to go to the gallows this week, may win a temporary suspension of sentence until the situation at the prison quiets and becomes more settled. An execution with the atmosphere of the prison surcharged as it is might result in serious consequences, officials believe.

Fifty men have been examined. Out of hatred for others, the fear of "stool pigeons" or fear of being called that, prisoners tell many and conflicting stories. From all these angles the truth must be sifted. Warden Crawford said many of the convicts were so excited they did not know what had happened. Some may be deliberately lying to incriminate enemies, other officials said.

"Fruit-a-tives" Restores Good Health.

Are you tired? Downcast most of the time? Worried at trifles? Can't sleep? Mr. J. O. Ringheim, Wyndand, B.C., writes:

"My nerves were completely gone. I saw my present good health to 'Fruit-a-tives'."

"Fruit-a-tives" is a combination of intensified fresh fruit juices and the most scientific medicinal ingredients. In a natural, gentle way it stirs lazy liver, bowels and kidneys into normal, healthy action, soothes the digestive tract, and calms the troubled nerves. 25c or 50c boxes at all druggists.

HEALTH & DIET ADVICE

A CONDENSED FOOD LIST

So many correspondents ask which foods are proteins, starches, non-starches, fats, and sugars that I am going to give you a condensed list in this one article. Of course, if you wish to have a correctly balanced diet, it is necessary to understand the different food classifications and the effect of each food in the body.

In tomorrow's article I will give you some rules about combinations, and in Wednesday's article I will explain more about the quantities of these different foods to be used each day, so I would suggest that you save these articles and keep them for future references.

Good Proteins. Lean beef, mutton, chicken, turkey, rabbit, fresh fish such as sole, halibut, black bass, cod, perch and tuna, eggs, cheese, gelatin, frogs legs, turtle and milk.

Good Starches. Potatoes, corn, macaroni, spaghetti, vermicelli, noodles, Hubbard squash, rice, corn bread, corn meal, wholewheat biscuits, wholewheat flour, Shredded Wheat and barley, Non-Starchy Vegetables.

Celery, spinach, string beans, asparagus, summer squash, cucumbers, eggplant, beet tops, turnip tops, beans, carrots, parsnips, turnips, lettuce, okra, zucchini, oyster plant, mallow, kale, chophen, vegetable marrow.

Good Sugars. Sweet fruits, maple syrup, honey, and unrefined cane sugars. Fats and Oils. Cream, butter, avocados, olives,

peanut oil, and all vegetable oil. Acid Fruits. Apples, apricots, peaches, nectarines, pears, grapes, oranges, grapefruit, lemons, plums, loquats, cherries, berries, pineapple, tomatoes, melons.

Stewed Fruits. Prunes, figs, pears, raisins, apples, apricots, berries. Others Not So Good. In the above list I have given you the different kinds of foods which I consider the best for patients to use. Of course, there are many other kinds which could be listed under each heading, and you will notice in my weekly menus that I do name a good many others for the sake of variety. Many of these other foods which could be listed under the above classifications are more difficult to digest or too complicated in their structure containing too many varieties of food elements in themselves which makes it more difficult to combine them with other foods.

In tomorrow's article I will give you some rules about combining the foods I have listed above and in the next day's article I will explain more about the quantities and proportions to be used in each day's menus.

QUESTIONS AND ANSWERS Pain Under Shoulder. Question—Mrs. Mc. asks: "What would cause my husband to have a pain under the left shoulder blade? Several years ago that lung closed for sometime when he suddenly stepped under a very cold shower. Could it be a result of that?"

Answer—Pains under the left shoulder usually come from either heart trouble or from some lung disorder such as you mention. If the lung has remained collapsed it may be possible to open it up by having your husband take deep breathing exercises.

Buttermilk. Question—J. K. G. asks: "Will you kindly tell me the difference between buttermilk and acidophilus milk, and what would you advise taking for an acid stomach or intestinal indigestion?"

Answer—There is some difference between buttermilk and acidophilus milk, but not much difference.

ence in that which is commercially sold. Either of these milks make an excellent diet to take for a short time, excluding all other foods; or a pint of either milk may be used in place of a meal.

Fainting Spells. Question—F. A. N. asks: "Will you please tell me how I can overcome fainting spells, and what causes them? I cannot have a slight pain without turning very weak and sick and unless I lie down under a fan or apply wet cloths to my head I will faint. I cannot even

listen to people telling of operations without having a fainting spell which leaves me weak for a half day. Severe pain will not make me sick or faint, but slight uncomfortable pains always make me sick to the extent that I almost faint."

Answer—You may have some kind of heart trouble, or you may be over-nervous, due to wrong mental and physical training. Of course, I cannot tell you specifically what is causing your trouble without a personal consultation and examination.

... Why you should ANSWER PROMPTLY

BY the time this woman finishes her hand of bridge and reaches the telephone the party calling will have given up. The tardy bridge-player will be told "Sorry — there's no one on the line now, Madam".

Both of them will be annoyed — the person calling and the person called. Both of them have wasted time. Remember — it takes three to complete a call — and she did not answer promptly.

There are over one million local calls in Ontario and Quebec every day which fail to get through. These uncompleted calls mean two million minutes a day wasted — congestion of traffic — constant irritation — a handicap to business.

Some of them are unavoidable and some of them are our own errors. But many of them are mistakes made by the person calling or the person called. It takes three people to complete a call.

We are constantly striving to reduce our own errors. We are now pointing out some of the common errors in telephone usage because our aim is to provide the best possible telephone service * and in telephone service, co-operation is essential.

Answer promptly when your telephone rings. If it is not conveniently located in your home, consult us about it. And when you make a call, wait a reasonable time before giving up and causing a "No one on the line now".

DUNHAM CHURCH HAD NINETIETH ANNIVERSARY

Special Services and Supper Concluded Dunham United Church General Interest from Dunham and Vicinity.

DUNHAM, Que. Oct. 7.—On Sunday, September 29th, the services in the United Church were a continuation of the ninetieth anniversary, which began September 22nd at Stanbridge East and Farnham's Corner. Assisting the pastor, Rev. J. F. Carleton, on Sunday morning were Rev. James Pletts, of Montreal, a pastor on this circuit seventeen years ago, and Rev. A. E. Hagar, of Brownsburg, Que., also a former pastor.

Mr. Pletts preached in the morning, and in the evening Mr. Hagar had charge of the service. Special music for both services was rendered by the choir under the direction of Mrs. Small.

The concluding ceremonies of the event was the harvest home and chicken pie supper held in the class rooms of the church on Monday

DEANERY HELD SESSIONS AT MANSONVILLE

Several Interesting Addresses at Annual Brome District Deanery—General Notes and Personal from Vicinity.

MANSONVILLE, Que., Oct. 7.—On Tuesday, September 17th, the annual business meeting of the Women's Auxiliary for the deanery of Brome was held in the parish hall of St. Paul's Church, Mansonville, the W. A. Ladies of South Bolton entertaining, assisted by the members of the organization in Mansonville. In spite of the rain, which fell heavily all morning, a very satisfactory number of delegates and visitors arrived.

A Communion service was held in the church at eleven a.m., which was conducted by the incumbent of the parish, Rev. A. E. Rollet, and at its conclusion refreshments were served in the parish hall. The tables which were tastefully decorated with autumn flowers, were spread with a varied and attractive luncheon which reflected much credit upon the ladies by whom it had been prepared and which was thoroughly enjoyed by both visitors and local members.

At two o'clock p.m., the business meeting was called to order by the president, Mrs. Cameron, of South Bolton, in the chair, and the Montreal officers also on the platform. A hymn was sung, followed by prayer by the rector, who also spoke a few words of welcome. This was followed by the official welcome given by the president to the Montreal officers, delegates and visitors, after which the minutes were read and approved.

After the election of officers, short addresses along missionary lines were given by Mrs. Strachan, Diocesan president, Mrs. Loiselle, Dorcas, secretary, Miss Leaders, Mrs. Bagley, secretary, junior branch, and others.

It was decided to hold the meeting next year at South Stukely, at the home of the president, Mrs. Martin, Mrs. L. W. Martin, Granby,

day evening, when a bountiful repast was served to two hundred and fifty or more people.

Following the supper a delightful programme of music was given by members of the United Church choir of Cowansville, which was very much enjoyed. Mr. Hagar, who was called upon for a speech, feelingly referred to the time he was stationed here, of the open hospitality extended to himself and Mrs. Hagar, for he had returned from overseas but a short time previous to his coming to Dunham.

For a closing number the quartette sang "Good Night." The soloists were Mr. and Mrs. Riggs, Mr. Parker and Mr. McClure. "God Save the King" brought a pleasant event to a close.

On Sunday morning the youngest daughter of Mr. and Mrs. W. S. McElroy was baptized at the close of the service in the United Church, receiving the name of Alice May.

In the Time of the Caesars

ROME, that ancient centre of culture and luxury; ruler of the countless races which its victorious armies had subdued.

Even here, in the earliest Christian times, the insurance principle was not unknown.

History tells us that, through money-lenders and certain societies, the Roman citizen could sometimes arrange for the payment of a sum of money to his family should he die. Slaves, too, were occasionally insured after a similar fashion. But the need for systematic life insurance was felt for long centuries before the want was really supplied.

Today, through The Dominion Life Assurance Company, thousands of policyholders are enjoying the innumerable benefits of modern life insurance protection. Established forty years ago, this strong Canadian company has acquired an enviable reputation for the security, large profits and service given its policyholders.

The following is an extract from a Roman Book on Law: "And both he, who is his own master, and also he who is in the power of another, may make a stipulation for a payment of money when he should die."

Between the second and tenth centuries of our era, it is recorded that the Romans made contracts resembling contracts of modern life insurance in that they were made to "provide for the payment of a sum of money on the termination of a specified life—whenever it should happen, or if it happened during a certain time or risk."

INTERESTING SERVICES AT TRINITY CHURCH

The services in Trinity United Church were conducted both morning and evening by the pastor, Rev. Dr. W. S. Lennon.

In the morning Dr. Lennon took as his subject "Thinking with Jesus about God". The sermon was largely a practical treatment of Christ's great teaching about the fatherhood

of God. During the service the choir sang "I am He that Liveth", (Simper), and Mrs. Armstrong rendered the solo, "When I Behold", (Edwards).

The Sunday School and the Trinity Brotherhood met as usual at 2:30 p.m. in Wesley Hall.

The evening sermon's theme was "The Gospel", the sermon dealing with the gladness of the Christian message as glad news social reconstruction in the kingdom, glad news of the Grace of God, and glad news of the part Christ plays in human redemption.

The choir's anthem was Bennett's great composition, "God is a Spirit". The mixed quartette also sang the gospel song, "Is Your Life a Channel of Blessing". At both services announcement was made that the church anniversary services have been arranged for Sunday, October 20th, and that the special preacher is to be Rev. W. T. G. Brown, B.A., D.D., of Synham United Church, Kingston, Ont., a former pastor of Trinity Church.

No service will be held in Trinity Church next Sunday evening, so that the congregation may join with that of St. Andrew's Church in the latter's anniversary.

CONVENTION OF TEACHERS WILL BE IN MONTREAL

Sixty-Fifth Annual Convention of Provincial Association of Protestant Teachers of Quebec to Be Held from October 9 to 12—Interesting Programme.

An interesting programme has been arranged for the sixty-fifth annual convention of the Provincial Association of the Protestant Teachers of Quebec, which is to be held in Montreal from October 9th to 12th.

The convention will open at eight o'clock Wednesday evening at the Montreal High School with a meeting of the executive committee. On Thursday morning from nine to twelve o'clock the business session will be held in the Assembly Hall, at which the reports of the different committees will be received. From 10:30 o'clock until noon there will be an illustrated lecture on "Church Architecture", by Prof. Ramsay Traquair, M.A., F.R.I.B.A., and, at two o'clock, the voting in connection with the election of officers will commence. From two to three o'clock moving pictures showing scenic views will be shown in the Assembly Hall, followed, at three o'clock, by grade sectional conferences at which work in connection with the different grades will be discussed.

At eight o'clock Thursday evening a general session will be held at which greetings will be received from the Montreal School Board and the Department of Education, followed by an address by Dr. E. I. Rexford and an informal reception and dance.

From 9:30 to twelve o'clock noon Friday sectional conferences will be held at which important subjects in connection with school work will be taken up. At two o'clock a meeting will be held in the Assembly Hall, followed at eight o'clock by a Canadian history pageant presented by the pupils of the Montreal High School for Girls.

The convention will be brought to a close on Saturday when, from nine to twelve o'clock noon, the final business session will be held, at which unfinished business will be taken up.

STATES FEW ARE REALLY ATHEISTS

Last evening at Plymouth United Church Rev. Dr. Read gave the third of the series of sermons on "Fools," the special theme being "The Atheistic Fool." Taking his text from Psalm 14:1, "The fool hath said in his heart, there is no God," he said that the type of fool the psalmist had in mind was a man whose moral life was at variance with the will of God, a man who had not come to deny the existence of God through reasoning about Him, but denied God in order that he might find a degree of complacency in a life of immorality.

The Bible had nothing to say against a man who sought to know God, feeling his way through doubt to faith, indeed the Bible was a record of man's experience in this very thing.

Dr. Read stated that it would seem that this fool had made his denial of God covertly, as though he was afraid to expose his atheism. Few men are really atheists. To boldly affirm atheism either from moral or rational promptings is to run counter to the convictions of the vast majority of men. It is impossible to shut God out of the universe. Some people are under the impression that scientific thinking was opposed to the idea of God, but, as a matter of fact, the opposite is true.

Dr. Read quoted from Lord Kelvin, Professors Eddington and Haldane in support of this statement. Scientists have moved a long way from the negative thinking of the nineteenth century. They find in matter almost a spiritual aspect, and are committed to a spiritual explanation of the origin of the universe. We may be sure that the intellectual atheism of the past will cease to have much influence in scientific thinking. The greatest problem we have to face today is not this kind of atheism, but the atheism of the immoral fool, who tries to get rid of God in order that he may quiet his conscience.

There is no doubt that many do this because to go to church would bring them face to face with themselves and manifest to them how far their lives are separated from the ideals for which the church stands. They do not want their lives made uncomfortable in this way. They go on living as though they had rid themselves of all moral obligation by a practical denial of God.

In conclusion the preacher said there was a simple cure for the practical atheism illustrated by the fool of the psalm. Let a man open his life to the regenerative power of God's spirit, earnestly desiring to know God in spiritual aspiration and sacrificial service.

The choir sang the anthem, "Be Thou O God," (Van Loer), and Miss Alice Wilson, the special soloist, sang Hosmer's setting of the 91st Psalm, "He that dwelleth in the secret place of the Almighty."

HARVEST THANKSGIVING AT CHURCH OF ADVENT

The annual harvest thanksgiving services were held at the Church of the Advent yesterday, and all services were well attended. The church was beautifully decorated with grain, fruit, vegetables and autumn leaves, while the altar was adorned with flowers.

SALVATION ARMY SERVICES

Interesting services were held at the Citadel yesterday, and a good attendance was noted. The attendance at the Sunday School showed an increase on previous weeks.

At the morning service the standard of holy living was brought before the congregation. At the evening service Captain Lorimer took for his subject, "Foundations". He urged those who had not the true foundation to tear down what they had started and begin afresh.

During the day a welcome was extended to Brother Moulard and his son from Nova Scotia. They have taken up positions in the Band.

Tonight the Band of Love will hold a social in the lower hall for members and ex-members.

BOY SCOUT NEWS

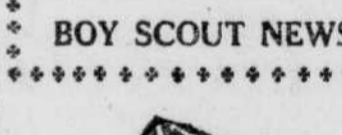

District Parade Held. The annual fall church parade of the Scouts and Cubs of Sherbrooke district was held on Sunday morning at the Baptist Church, at the special invitation of the Rev. R. M. Simmons. Although the attendance was small, some ninety Scouts, Cubs and leaders taking part, it was felt that this was very good considering the short notice given.

Meeting on Bank street, the parade formed up and proceeded along Dufferin avenue and up Montreal street to the church, where they occupied a special section of pews reserved for the occasion. Rev. Simmons gave a splendid address, which was very appropriate to the occasion, while the music and hymns also fitted in nicely with the scouting programmes, and appealed to the Scouts. After the service, the boys marched back to the starting point, where they were dismissed.

SAYS SIGNS OF TIMES INDICATE 'SECOND COMING'

Speaking in Montreal Church Last Evening, Miss Christabel Pankhurst, Evangelist and Former Leader of Militant Suffrage Movement, Says that Awakening of Palestine, Zionist Movement and Other Signs Times Invariably Point to Second Coming of Christ.

(Canadian Press Despatch) MONTREAL, QUE., Oct. 7.—"It is needless to talk about reduced armaments, curtailing of regimental numbers and abolishing of warfare, for peace can never be realized until the human heart is changed," Miss Christabel Pankhurst, evangelist and former leader of the Militant Suffrage Movement in England, told the congregation of St. James' Presbyterian Church here last night, during the course of a lecture in which she warned them to prepare for the second coming of Jesus Christ.

BIG ATTENDANCE AT AIR CARNIVAL

(Continued from Page One) Aeroplanes Club, a programme of races, aerobatics, bombing competitions and landing contests was arranged. One of the outstanding attractions was the formation flying of the nine machines sent here by the United States Army Air Service from the First Pursuit Squadron, Selfridge Field, Mich., to contribute to the success of the show. They swooped and zoomed, and gave a fine performance that delighted spectators.

OTTAWA GOV'T IS UNDECIDED

(Continued from page 1) clearances has yet been reached in the matter. Nevertheless there is a great deal of expectancy that some pronouncement would be made soon. It has been suggested in some quarters that the Cabinet would advise the vote in Ontario provincial elections before coming to a final conclusion. No doubt if clearances are refused the new law would be enforced at the distilleries and breweries, as more effective than at the border. It is believed that then the bootlegging to the United States from Canada across inland waters or land boundary lines would have to be liquor or beer bought from provincial government stores. While this would no doubt boost the sales it would add to the responsibilities of the provincial authorities in preventing such liquor reaching the border, government officials here state.

Dr. and Mrs. Gordon Hume, Melbourne Street, left on Saturday evening for Boston, where Dr. Hume will attend the special fracture clinic at the Massachusetts General Hospital during this week.

Misses Violet and Doris Clark, of Greenfield, Mass., are spending two weeks' vacation in Sherbrooke, guests of their cousins, Mrs. James B. Campbell and Mrs. John H. Murphy.

Miss Florence Millar, Frontenac Street, has returned from Ottawa, where she was the guest of her brother, Judge Rowan Millar. Miss Millar also visited her sister, Mrs. J. Shawkett, in Montreal on her way home to Sherbrooke.

The Ladies' Aid of Trinity United Church held a very successful food sale and afternoon tea in Wesley Hall, on Saturday afternoon. Mrs. R. E. Bradley was in charge of the food table, and the dairy home cooked food was soon disposed of. At the tea hour Mrs. C. B. Howard was convener, and tea was poured by Mrs. A. G. Lennon and Mrs. A. G. Campbell.

Mr. C. B. Howard, M. P., received a telegram on Saturday evening from Sackville, N. B., where his sons, Messrs. Ben Howard and Douglas Howard are taking their first year as students-in-arts at Mount Allison University. The wire contained the announcement that Mr. Ben Howard had been elected president of the "Freshmen". As there are about one thousand students and two hundred and fifty freshmen at the University, it is indeed an honor for Mr. and Mrs. Howard and also for Sherbrooke that Mr. Ben Howard should be chosen president among so many students.

The Junior Girls' Club of St. Paul's Mission held their regular meeting in the church hall on Saturday afternoon, with twenty-six members present and Miss Rhoda Oak, the president, presiding. The meeting opened in the usual way, after which two new members were enrolled and several business matters attended to. Plans were made for a Halloween party to take place in the church hall on Saturday evening, November 2, and a meeting for the Junior W. A. was arranged to take place on Wednesday evening, October 9, at 8:30 o'clock in the church hall. At the tea hour refreshments were served by Miss Marjorie Payne and Miss June Kendall, assisted by Miss Dorothy Robinson and Miss Constance Lewis, and a short social time was enjoyed by the members. The next meeting will be held on Saturday, October 19, with Miss Hilda Robinson and Miss Margaret Stewart as hostesses.

MARRIAGES

MERRILL—ROBINSON A very pretty wedding took place at the Church of the Advent on Saturday evening, September 21st, at seven o'clock, when Ellen Pearl, eldest daughter of Mr. and Mrs. Herbert Robinson, was united in marriage to Mr. Frank Andrew Merrill, second son of Mr. and Mrs. Andrew Merrill, of Lennoxville, Rev. E. H. Humphries officiating. The bride, who was given away by her father, wore a dress of white georgette with shadow silk lace, and a veil worn in cap effect held in place at each side with orange blossoms. She carried a bouquet of pink roses, lily-of-the-valley and maiden hair fern. Her only ornament was a string of pearls, the gift of the groom.

The bride was attended by her sister, Miss Doris Robinson, as maid of honor, and Miss Emily Gillam as bridesmaid, both being gowned alike in rose blush flat crepe, with black felt hats. They carried bouquets of deep pink roses and maiden hair fern. Mr. Perry Humphrey acted as groomsmen. Mrs. James Wark presided at the organ and played the wedding march, also the hymn "O Perfect Love", which was sung by the choir. After the ceremony a delicious supper was served at the home of the bride's parents. The bride's gifts to her attendants were silver compacts, to the organist a crystal necklace, and to the groom a silver watch bracelet. The groom's gift to the bride was a leather bill fold.

After the reception Mr. and Mrs. Merrill left for Montreal and other points, the bride travelling in a dress of rose georgette with Chantilly lace, sand shoes and stockings, with hat and bag to match, and a navy blue tricotie coat with mole-skin collar. The happy couple were the recipients of many useful and beautiful gifts. Mr. and Mrs. Merrill will reside in Sherbrooke.

Violence struck the suburbs of Turf-fountain and Kenilworth yesterday. By a miracle only three persons were seriously injured. Roofs were blown off hundreds of houses.

Personals and Items of General Interest from Foster.

FOSTER, October 7.—The Guild of the Bishop Carmichael Memorial Church was held on Thursday, September 26th, with Messdames F. G. Johnson and C. D. Johnson, with a very good attendance. After the business session lunch was served by the hostesses, Mrs. A. L. Chamberlain and Mrs. L. P. Durrell. The next meeting will be on Thursday, October 10th, with Mrs. Wm. Burns.

The Junior Girls' Auxiliary held a very well attended meeting at the Foster House on Saturday, September 28th. During the afternoon, over hundred Christmas cards were made to be sent to children in schools in the west. The following are a list of officers which were appointed when the Auxiliary was formed: Superintendent, Mrs. M. Blake, president, Miss Mary Thomas; vice-president, Miss Aileen Hillhouse; secretary, Miss Glenna Thomas; treasurer, Miss Dorothy Hillhouse; organist, Miss Doris Denman. The Auxiliary have succeeded in raising nearly enough funds to clothe a child in a home in Ontario.

Mr. and Mrs. G. H. Durrell, Mr. Raymond Durrell, Miss Louise Taylor and Master Kenneth Taylor were in Montreal recently guests of Mr. and Mrs. L. D. Phelps, also calling on Mr. and Mrs. W. BROMPTONVILLE GIRL STRUCK BY AUTOMOBILE

Jeanne Delage, aged six years, of Bromptonville, was brought to the St. Vincent de Paul Hospital yesterday morning suffering from severe cuts and bruises received when she was knocked down by an automobile in front of her home. She was removed to the hospital immediately after the accident, where an examination revealed that her injuries were not of a serious nature. She is the daughter of Mr. and Mrs. Arthur Delage, of Bromptonville.

ALL NIGHT FIRE IN THE CITY DUMP

A fire breaking out in the city dump last evening about eight o'clock kept the firemen from No. 2 station occupied all night. Before the blaze was noticed, the greater part of the paper and boxes lying about had caught fire. Immediately upon their arrival the firemen found it necessary to dig a number of holes around the dump and flood these with water, as the fire was spreading through the bottom of the pile. During this process a large number of rats that make their home in the garbage, were forced out. It was about six o'clock this morning that the all out signal was given and the brigade returned to the station.

HARVEST THANKSGIVING AT CHURCH OF ADVENT

The annual harvest thanksgiving services were held at the Church of the Advent yesterday, and all services were well attended. The church was beautifully decorated with grain, fruit, vegetables and autumn leaves, while the altar was adorned with flowers. At the morning service the Rev. E. H. Humphries preached a stirring sermon on thanksgiving, and suitable music was rendered by the choir with Mrs. James Wark presiding at the organ. The harvest hymns were heartily sung, the congregation joining the choir in songs of thanksgiving for a bountiful harvest. In the evening the church was again crowded and appropriate music was sung. The Rev. Professor F. G. Vial was the special preacher, and his earnest words were listened to with keen attention by the large congregation.

REV. J. CORDNER PREACHED ON 'A SUPREME QUESTION'

"A Supreme Question," ("What Think Ye of Christ," Matt. 22-42) was the subject of the morning sermon preached by the minister, Rev. J. Cordner, B.D., at St. Andrew's Presbyterian Church, yesterday. In taking this subject the preacher pointed out that there was a Christ for the young man, a Christ who laid His hand upon the young man standing in imminent danger, and upon the young man standing in magnificence and splendor, urging him to be manly, noble, independent and strong, saying "Let the world go if it be necessary that the world should go. Rejoice in Me and My appreciation." There is also a Christ for the feeble, the altering and the forsaken, a Christ for the disconsolate and the dying, as well as a Christ who is "all and in all." The music at the morning service included the anthem, "O that I Had The Wings of a Dove" (Smil-ton). At the evening period of worship the sermon was based on "Supreme Answers of a Supreme Question," while the music portion included the anthem, "Sweet Is The Light of the Sabbath Eve" (Eyer), the solo part being taken by Miss Helen Robertson.

been recent guests of Mr. and Mrs. Harry Luce. Mr. and Mrs. Maurice Smith and daughter, Judith, of Montreal; Mrs. J. Allen, Mr. and Mrs. B. R. Mizener, Mr. and Mrs. G. Claude Whiteher and Mr. and Mrs. Maurice Williams met on Monday evening at Mr. G. C. Whiteher's for the purpose of discussing matters prior to re-decorating the interior of the Creek Church. Mr. A. G. Davis, Mr. A. A. McLaughlin, Mr. E. Fleck and Mr. H. Williams were in Sweetsburg on Tuesday, October 1st, on business. Mrs. M. E. Williams is confined to the house through illness.

LABOR OFFICE WILL STUDY EUROPEAN COAL INDUSTRY

Will Take Up Possible Remedies for Ailing Condition of European Coal Industry—Preparatory Technical Conference Will Be Called Early Next January.

GENEVA, Oct. 7.—International Labor Office took a step toward consideration of remedies for the ailing condition of the European coal industry Saturday. Acting on the recommendation of the recent League of Nations Assembly, the Labor office decided to call a preparatory technical conference of the coal producing countries in Europe to meet early next January.

The conference will be made up of representatives of the governments, employees and workers. Its chief work will be to consider a proposal to place on the agenda of the International Labor Conference of 1930 questions relating to conditions of employment in the coal mines with a view of arriving at an international agreement.

GREAT INTEREST TAKEN IN MEETING BETWEEN BORAH AND BRITISH PREMIER

WASHINGTON, Oct. 7.—Washington is looking forward to the conference next Wednesday between Premier Ramsey MacDonald and Chairman Borah, of the Senate foreign relations committee. Senator Borah was among those who suggested to Great Britain, in the midst of the recent conversations looking to naval limitations, that she sink some of her battle-ships as the best means of reaching the proposed parity between the British and United States navies. After that pronouncement the Idaho senator said no more about naval limitations.

Mr. MacDonald and Senator Borah have exchanged correspondence over a period of years. Despite his blunt suggestion as a means of attaining equality of the world's greatest navies, Borah is known to

CANADA'S AIR MAIL SERVICE IS INCREASING

Figures Released by Post Office Department Show that in December, 1927, Total Mileage of Air Mail Routes Was 367 Miles, While Today It Stands Well Above 3,000-Mile Mark.

OTTAWA, Ont., Oct. 7.—Tremendous growth in Canada's air mail service during the past year and a half are shown in figures released yesterday by the Post Office Department.

In December of 1927 the total mileage of air mail routes was 367, while today it stands well above the 3,000 mile mark.

The number of scheduled trips per month has grown from three to nearly three hundred.

When the air mail service was inaugurated in this country the monthly mileage average a little over 1,000 while at the end of last August it had increased to nearly 75,000. The monthly weight of mail carried by air has increased from a little over a ton to a little over thirty tons.

The total weight of mail carried up to the end of August was 552,295 pounds.

PRINCESS MARY CHATELAINE OF HARWOOD HOUSE

Death Occurred of Earl of Harwood, Father-in-Law of Princess, Yesterday—Beautiful Mansion Was Built Three Hundred Years Ago and Then Cost \$600,000.

HARWOOD, England, Oct. 7.—By the death here yesterday of her father-in-law, the Earl of Harwood, Princess Mary becomes the chateleine of Harwood House, one of the most beautiful mansions in Yorkshire.

As far back as three hundred years, when labor and materials were considerably cheaper than they are today, Harwood House cost about \$600,000 to build and it has been enlarged and improved since then. It has been filled with many priceless treasures. Gardens, including one of the finest Italian gardens in the country, were laid out at a cost of \$80,000.

Harwood House is Cornithian in style and its setting among the wooded slopes of the valley of Wharfe adds to its dignity and beauty. Indeed the woodland scenery all round the mansion is considered the prettiest in Yorkshire.

"Follow Thru" Charming Irene Delroy (above) is one of the reasons for the brilliant success of this jolly show. Critics call it a "fast-stepping dance marathon"—you can imagine what hard wear that means for the sheer stockings. Thanks to Lux they now last twice as long!

They all use Lux—Fioretta • Follow Thru • Hello Daddy • Hold Everything • Lady Fingers • Music in May • The New Moon • Paris

Every Great Movie Studio uses Lux to double the life of beautiful screen clothes—from fragile chiffons like Ruth Taylor's charming frock (above) to smart, sturdy sportswear. It's economy to use Lux, the movies say.

Stocking bills cut in half with safe Lux cleansing! Every musical show gets the same results... So can you— STOCKING bills mounting higher and higher... producers of New York's musical shows set out to reduce them— "Try many different cleansing methods, different soaps, wardrobe mistresses were told. And they did... with amazing results. For the musical shows all—without a single exception—found that "Stockings washed always in Lux wear more than double the usual wear... give us twice as many performances!" Now every musical show in New York uses Lux—to double the life of stockings! And if these sheer stockings, danced in night after night, stay like new so much longer when cleansed always with Lux, so will yours! Follow this tested experience with your own stockings... and remember, too, that other famous authorities—the movies, department store buyers in 132 great stores—Fifth Avenue dressmakers also find that "Lux doubles the life of fine fabrics."

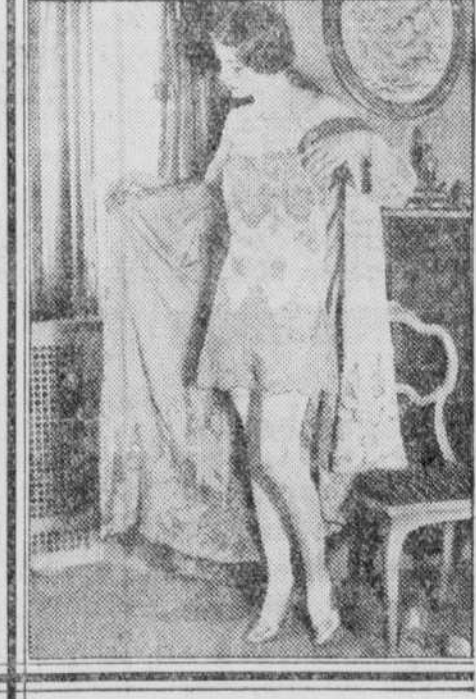

Such stockings as these stay like new twice as long with Lux in every one of New York's dazzling musical shows. As Katherine Reddy, wardrobe mistress of Ziegfeld productions, in which the graceful dancers above are featured, puts it: "I insist upon Lux because it never fades colors or harms delicate threads, and there's no rubbing to roughen or pull. No wonder Lux doubles stocking wear."

"Whoopie" —Ziegfeld success featuring lovely Ruth Eting (above) also reduced stocking bills with Lux. Mr. Ziegfeld specifies Lux for stockings in all his shows. Another producer (Shubert general manager) says enthusiastically—"We would use Lux even if it cost \$1.00 a box—Lux cuts stocking bills in half."

They, too, use Lux—Pleasure Bound • Show Boat • Three Red Robe • Spring is Here • Three Cheers • This Year of Grace • Whoopie

Famous Dressmakers Use Lux to keep mannequins' exquisite lingerie and stockings just like new (see picture above)... And department buyers—92% of those interviewed in 132 big stores—also insist on Lux!

OVER ONE HUNDRED MILLION LOSSES DURING LAST YEAR

PREVENT FIRE!

FIRE Prevention WEEK October 6 to 12

IT TAKES so little—a mere spark—to turn stately buildings, lovely homes, into flaming infernos. Proper vigilance exercised by all of us can prevent this appalling loss by fire.

FIRE PREVENTION WEEK is held from October 6 to 13. During that period protect yourself and your neighbor by throwing out inflammable old rubbish and starting a new era in Fire Prevention.

PUBLIC ASKED TO CO-OPERATE IN FIRE WEEK

Sherbrooke This Week Is Observing Annual Fire Prevention Week—Co-operation of All Is Requested So that Desired Results May Be Achieved—Chief Asks for Public Support.

The citizens of Sherbrooke are again asked to co-operate in the observance of "Fire Prevention Week", which is being observed here this week. In the past years citizens have a willingness to assist in this movement, and it is the hope of the city officials that again this year the same interest will be displayed in every section of the city.

"Fire Prevention Week" has a very significant meaning, and is not simply something which is observed as a fad. During such a period it is the intention of the officials of the fire department to impress upon everyone the great dangers of being careless about fires and the untold damage which can result in this respect.

Sherbrooke is indeed one of the most fortunate centres of the Dominion so far as fires are concerned. The city has not had any serious fire for a considerable time which is a credit to the citizens and a proof that precautions are being taken. However, the need of continued co-operation and carefulness can not be over-stressed.

The city also fortunately has a very efficient and reliable fire department, under able administration, but even with this great advantage, care and attention are absolutely necessary.

Speaking to the Record this morning Chief H. O. Camirand said: "We are now observing our annual Fire Prevention Week, and I confidently hope that all citizens will co-operate and show the same consideration which they have in former years.

"We have a wonderful city, a great deal to be proud of, and it certainly would be a pity to have anything serious happen through carelessness. In asking the citizens to co-operate with us in the observance of Fire Prevention Week we are not asking anything unreasonable or anything which will cause them any individual trouble or work.

"Fires often originate in very strange ways, and frequently what is at first not considered to be serious may develop into a very stubborn conflagration that might easily cause not only heavy destruction of property, but even the loss of lives.

"In the observance of "Fire Prevention Week" citizens are asked to take certain precautions and then after the week has passed to continue observing these simple rules. Placing hot ashes or coals in a wooden box or on the cellar floor near wood or paper is a very dangerous practice and has often caused fires. Dirty chimney or furnace pipes constitute another danger, while leaving matches carelessly about the house is very dangerous.

"The observance of these simple rules and other similar precautionary measures can do a great deal to prevent fires, and I hope that everyone will do his or her share, however small, to help prevent fires in Sherbrooke, not only during this week, but throughout the year."

NOTICE

A shareholders meeting of the Castlebrook Mining Corporation (no personal liability) will be held at the company's business place, town of Magog, Que., on Friday evening, October 18th, 1929, at eight p.m., for the purpose of ratifying By-Law No. 17 of the said Castlebrook Mining Corporation (no personal liability) as below.

By-Law No. 17

Whereas, the Castlebrook Mining Corporation (no personal liability) has been incorporated according to the Quebec Mining Act by letters patent dated the 16th day of March, 1929;

Whereas, the capital stock of the company is composed of 3,000,000 common shares of one dollar each;

Whereas, according to section six of the Quebec Mining Corporation's mining act, any company incorporated in conformity of said act may under certain conditions issue any block of its capital stock at a price different from the one determined by its charter;

It is therefore ordained and decreed that a block of 600,000 shares of the capital stock of this company (Castlebrook Mining Corporation—no personal liability) be issued at 30 per cent. of the par value.

Whereas, the Parish Guild met on Tuesday the 2nd inst. at the usual hour of her mother, Mrs. Thomas Hommel, at an early hour that day. The late Mrs. Hommel would have celebrated the ninety-fifth anniversary of her birth had she lived until October 24th.

Mr. Whitehouse accompanied Mrs. Whitehouse from Montreal to Comog on Sunday and remained there for the funeral.

Mr. and Mrs. J. N. Snodgrass, Mr. and Mrs. J. Robinson, the Misses Wilma Mount, Hazel Beard and Alice Shufelt and Mr. H. E. Teel were among the local citizens who attended the harvest service and chicken pie supper at Holy Trinity Church, Iron Hill, on Tuesday evening, Rev. F. T. Norman, M.A., was the special preacher at the service. The church was very artistically decorated for the occasion and an inspiring service was held. DEATHS REPORTED

MR. WM. McKAY, GOULD, QUE.
GOULD, Que., Oct. 4.—By the death on September 17th, after about a month's illness of Mr. William McKay, of Red Mountain, Lingwick, the Presbyterian Church of Canada, and Lingwick in particular, lost one of its loyal office-bearers.

Born in Lingwick over eighty-two years ago, some years of his early manhood were occupied with lumbering and with railway surveying, but farming was the main calling of his life.

Mr. McKay came under the saving power of the truth when quite a young man and ever since was an outstanding, but humble and unassuming follower of his Lord and Saviour Jesus Christ in his native parish. Over fifty years ago he was ordained as an elder of his beloved Presbyterian Church, the office which he adorned with ever increasing dignity and grace to the very last.

MR. WILLIAM DAWSON IVES, QUE.
IVES, Que., Oct. 7.—Passed away at his home in Ives, Que., on September 30th 1929, an old and highly respected citizen in the person of Mr. William Dawson, after a few days illness. The late Mr. Dawson was born at Ipswich, Mass., March 23rd 1849; and was the son of Frederick and Martha (Wallace) Dawson. His father came from England and settled in Massachusetts, later moving to Wolf's County. He attended the Anglican Church, on November 27th 1877, he married Lucy Breton, they had four sons and four daughters. He was always willing to help in all dealings, he served as Councillor and School Committee member for many years, and was appointed post master at Ives, Que., when the office was established. Early in life he entered into the lumber business, erecting the first circular saw mill in Dudswell, he was owner of large timber limits, and other land properties. In 1913 he retired from business and was succeeded by his sons.

The funeral service which was conducted by the pastor, Rev. Mr. Templeman, was held at St. Paul's Church, Marlton, on Wednesday, October 2nd, and was in charge of Mr. S. H. Bishop.

The bearers were his four sons, Messrs. Ira

B.C.S. CHALK UP WIN AT EXPENSE OF STANSTEAD

College School Aggregation on Saturday Won First Eastern Townships School Rugby League Contest.

Bishop's College School won its first Eastern Townships High School League game on Saturday from Stanstead by a score of 10 to 1.

In the first period B.C.S. worked down to their opponents' two yard line, where, on a fake play, Coristine went over for a touch, which was not converted.

Stanstead then began a kicking game and Boyd's long kick left the B.C.S. back no chance to run it out. The latter kicked over his dead line for Stanstead's only point.

In the second period B.C.S. outsidged got in some deadly tackling, while the line broke through repeatedly to hurry the Stanstead backfield.

McLernon returned Boyd's kicks for long gains. B.C.S. kicked over from thirty-five yards out and when Boyd failed to retrieve the ball Mackay fell on it for a touch. This ended the scoring.

The second half produced much rugged play by both sides. B.C.S. scored two touches, both of which were called back for offside, while both teams incurred penalties for offside, and interference, though play remained clean throughout.

For the visitors Boyd, Moore, Adams and Kneeland played steadily and often brilliantly. On the B.C.S. team Coristine's generalship was evident throughout. Bishop's tackled in deadly fashion and Kenny was always dangerous. The forward pass allowed this year in school football was used three times by B.C.S., on two occasions for gains of about twenty yards.

The officials had a busy time but handled the many offside impartially. The referee was J. Johnson and the head linesman, E. Elime, both of Bishop's University. The teams were as follows:

Stanstead B.C.S. flying wing Kenny, half Macdougall, Hoy Swallow, quarter Grant, Moore quarter Coristine, Tivand Miller, Hulin inside Stovel, Kneeland inside Robb, Adams middle Patton, Farley outside Langston, Jacobson outside Mac I, Jacobson outside Mackay I, Kerwin sub. Bishop, Noble sub. Mackay II, sub. Davis II.

B.C.S. TO PLAY SHERBROOKE HIGH ON WEDNESDAY

On Wednesday, October 9th, at 3:30, Sherbrooke High School team will visit the B.C.S. field in a league fixture, the first meeting this year between old rivals.

HAMILTON AND TORONTO WIN IN 'BIG FOUR'

MONTREAL, Oct. 7.—Montreal journeyed to Hamilton and lost the opening encounter of the Big Four Rugby league to the Tigers by a count of fifteen to nil, while the Toronto Agronauts defeated the Senators at Ottawa by eight to nothing.

QUEEN'S TRIMMED MCGILL

MONTREAL, Que., Oct. 7.—Dimmed in a slight degree since the great tricolor team of four years ago swept through to their fourth straight college title, the star of Queen's championship hopes rose in its ascendancy once again at Molson Stadium Saturday afternoon. Reminiscent only at times of that great football machine of which Harry Batstone was the shining figurehead, another none-the-less powerful tricolor twelve, this year coached by the wily retained veteran, demonstrated its mastery threat to 1929 intercollegiate football honors when it soundly whipped

CHAMPIONS WON OPENING RUGBY CONTEST HERE

C. N. R. of Montreal Defeated Athletics by Score of 25 to 0 on Saturday on Local Gridiron—Game Was Clean.

In the initial encounter of the Quebec Rugby Football Union (Intermediate section) played at the local ball park on Saturday afternoon, the champion Canadian Nationals, of Montreal, defeated the Sherbrooke Athletics by the score of 25 to 0. Lack of experience and team work, and the absence of three of their regulars were factors which contributed to the Athletics defeat.

Fumbles were quite numerous on both sides, the first touchdown for the visitors resulting from an error. The Athletics kicked off and the visitors brought the pigskin down the field aided by a penalty imposed on the locals. Wolfe relieved with a long kick, but the champions right came back and a kick to the dead line gave them their first point. A few minutes later, Quinn, one of the visiting halves, carried the ball to Sherbrooke's five yard line, but the local line held. Shortly afterwards Gilligan fumbled a ball, which the Athletics' goal posts for the first touch of the game. It was unconverted.

In the second quarter, play was more even and to best the visitors could do was to obtain three points on kicks to the deadline to bring their total up to nine.

Quinn Played Well

Play hovered around centre field for ten minutes in the third quarter. Then Quinn broke through and was not downed until he reached Sherbrooke's twenty yard line. On the next play the same player went over for a touch, which was not converted. No more scoring resulted in this quarter and the last frame began with the Athletics attempting to break into the scoring column. The locals brought the ball to the visitors' ten yard line, but a beautiful kick by Quinn robbed them of an opportunity to score. Burton ran back a drop kick by Cook and executed a forty-five yard run to obtain the nicest touchdown of the afternoon. This was also unconverted. Shortly after this the same player duplicated his feat, and Whittall converted to make the score 25 to 0. The game ended with the Athletics' possession in midfield.

Game Was Clean

The game, which was very clean, was witnessed by about four hundred fans. It was in the capable hands of Mr. W. Miller, president of the Q.R.F.U. Union, and Mr. Francis McCaw, of Sherbrooke, for the visitors, Burton, Gilligan, Mullins, Quinn and Whittall starred, while Wolfe, Duff and Cook were the pick of the locals.

Next Saturday the locals will play the Quebec City representatives here and they are out to revenge themselves for the defeat administered to them by the champions.

The line-up of the teams follows:

Athletics Position C.N.R. G. Legie snap C. Clarke J. McCabe l. inside Hollingsworth W. Lilly r. inside M. Gilligan R. Gough l. middle W. Noseworthy L. O'Donnell r. middle J. McBrearty J. Blue l. outside J. Carter G. Dastous r. outside J. Bernfield W. Cook quarter R. Harrison G. Duff r. half M. Quinn D. McCallum l. half E. Whittall E. Wolfe c. half F. Mullins E. Simms flying wing S. Halbert J. Houlden subs F. Burton L. Desautels H. Cavay W. Hall A. Fleming W. Seward B. Gilbin A. Heath J. Giles E. Smith D. Smith R. Tomkins R. Taylor W. Lambton

ped a highly-touted red team before a crowd of 14,000 stunned and badly disappointed McGill supporters. The final score was 11 to 1, and although giving little hint of the closeness of the play, was truly indicative of the decisiveness of the defeat.

FINALS PLAYED BY MEMBERS OF COUNTRY CLUB

In One of Two Important Tournaments Played During Past Week, B. N. Holtham, Club Champion, Was Returned, Defeating P. M. Robins—In Turnbull Handicap Event Gordon M. Armitage Won from B. N. Holtham.

Finals in two of the Country Club's chief tournaments were played during the past week, in one of which, the club championship, B. N. Holtham was returned the winner over P. M. Robins by a count of five up and four to play; and in the other, the Turnbull handicap event, Gordon M. Armitage won over B. N. Holtham by three up and two to play. As a result B. N. Holtham became the holder of the MacKinnon Club Championship Cup and G. M. Armitage of the Turnbull Memorial Handicap Cup.

These two club events have been a prominent part of local golf for several years, having commenced some ten years ago at the old St. Francis course. Each year sees different names added to the cups and on only three occasions have the same names been repeated. Reference to the cups shows that Gordon Miller and Alex Fraser have twice won the MacKinnon Cup, and P. M. Robins' name appears twice on the Turnbull Cup.

These competitions are open to all members of the club and interest in them grows greater every year.

Following a qualifying medal round of eighteen holes, the best sixteen scores as drawn by lot compete in match play elimination until the winner is finally decided. In the club championship event only gross scores are taken into consideration, but in the Turnbull competition allowance is given of three-quarters of a player's handicap.

With the large membership of the present club, more and more players are taking part in the competitions, and the possibilities are that the near future will see the number of qualifiers increased from sixteen to twenty-four or thirty-two.

MISS COLLETT AGAIN WINS TITLE

BIRMINGHAM, Mich., Oct. 7.—Playing the last fifteen holes of her match in men's play, Miss Glenna Collett, the defending champion, won the women's national golf title for the fourth time at the Oakland Hills Club Saturday by defeating Mrs. Leona Pressler, of Los Angeles, former holder of the western crown, 4 up and 3 to play.

Fully 3,000 spectators witnessed the twenty-seven-year-old Rhode Island girl, now a resident of California, make golf history with as fine a brand of championship golf as any one ever played.

SHIPMENTS OF FRUIT AND VEGETABLES ARE HELD UP BY STRIKE OF TRUCKMEN

More Than Three Thousand Cars Containing About Six Million Dollars' Worth of Fruit and Vegetables Clogged Railroad Yards Yesterday—Minor Food Crisis May Be Created in New York.

NEW YORK, Oct. 7.—More than three thousand railroad cars loaded with an estimated \$6,000,000 worth of fruit and vegetables, clogged railroad yards as a result of a strike of union market truckmen, which went into effect Saturday.

So far as the public was informed, little apparently was accomplished toward reaching a solution of the strike, in which the truckmen demand an eight hour day and increased rates of pay for overtime.

With approximately seven hundred additional cars of perishables due daily, observers expressed the belief that by Wednesday the strike will have created a minor food crisis in the city.

FOUR KILLED WHEN WING OF PLANE CRUMPLED

(Canadian Press Despatch) LEONA, Texas, Oct. 7.—A crumpled wing at an altitude of 1,500 feet yesterday plunged to their deaths Lieutenant Jack Brooks, 28, a Dallas contractor, and three passengers in his plane. Leon Lynch and Allen Powell, of Centerville, and Marvin Botter, of Teague, were killed with Brooks.

DAMAGE CAUSED YESTERDAY BY FIRE AT BURY

Fire in Clothing Store of Mr. A. Kalpin Extinguished With Some Difficulty—Stock Total Loss—Discovery Made by Tenants in Building.

(Special to the Record.)

BURY, Que., Oct. 7.—At about 4:45 o'clock on Sunday morning the loud ringing of the bells of the Protestant churches gave the alarm of fire to the sleeping residents of Bury village. The outbreak was in the clothing store of Mr. A. Kalpin situated in the old Post-Office block.

There are seven families living in the upper parts of the building and five business places occupying the basement and ground floors. Mr. Kalpin, in whose clothing store the fire occurred, does not reside on the premises, and the discovery was made by the tenants living immediately above, Mr. and Mrs. W. M. Cathcart, who were awakened by the smoke which had penetrated their apartment to such an extent as to almost cause suffocation. They at once gave the alarm to the other inmates and Mr. Cathcart, running to the English church, gave the first alarm to the residents of the village. Mrs. Walter Dougherty, at the telephone exchange, also gave good assistance with the result that help was speedily on the spot.

Entrance was forced both by the front door and rear windows. At first nothing could be seen but a dense smoke. Mr. T. G. Stokes, one of the first to enter the store, met with an unpleasant accident, fortunately attended with no serious hurt beyond a few bruises. Stepping cautiously through the smoke, he trod on a hot air register, which gave way under him, dropping him through the floor to his arm pits.

The chemical engine, which was brought from the lower village, was put into action, along with a hose connected to the water supply with in the building. A temporary partition and shelving standing almost over the register being torn down, the seat of the fire was discovered and was apparently soon overcome and completely extinguished. The charred woodwork around the register evidently indicated the origin of the fire to be an overheated hot air conduit, which had generated sufficient heat to set the flooring and the partition into a slow smouldering fire.

All danger being apparently over the chemical engine was returned to its base, but several workers remained on the spot and one, happening to look upward, noticed an evening hanging at the other end of the store so that practically the whole of the stock is spoiled, the insurance on which is comparatively small.

Mr. Kalpin, who has only been in business in Bury for about a year, is undecided as yet whether to carry on or not.

BIRTHDAY IS CELEBRATED BY MINISTER OF JUSTICE

French Songs of Old Quebec Rang Through Dinings Rooms of One of Leading Mayfair Hotels Saturday Night as Canadian Delegation on Dominion Law Honored Hon. Ernest Lapointe.

(Associated Press Despatch) LONDON, Oct. 7.—The French songs of old Quebec, for perhaps the first time, rang through the dining room of one of the leading hotels in Mayfair on Saturday night. The Canadian delegation to the conference on Dominion law was celebrating the birthday of Hon. Ernest Lapointe, Minister of Justice for Canada, who became fifty-three years of age yesterday. Many messages from Canada were included in the numerous congratulatory notes he received.

FRENCH FLIERS HAVE BETTERED ITALY'S RECORD

French Aviators, Coste and Beltonte, in Their Plane "Question Mark" Covered 6,158 Miles on Flight from Le Bourget to Manchuria Last Week—Italy's Best Long Distance Record Had Been 4,358 Miles.

(Special to the Record.)

PEIPING, China, Oct. 7.—A telegram received by the French consul at Harbin, Manchuria, from Captain Dieudonne Coste, French aviator, says he and Jacques Beltonte, in their plane the "Question Mark" covered 6,110 kilometers (about 6,158 miles) on their long trip from Le Bourget, France, to Manchuria, last week.

The estimate is 1,800 miles in excess of the previous long distance flying record, established by the Italian aviators, Ferrarin, and Del Prete, in 1928, of 4,358 miles.

Captain Coste's telegram was sent from Tsitsihar, Manchuria, and said they had landed safely in a desert section of Heilungkiang province Sunday, September 29th, and has been able to reach Tsitsihar only yesterday. They left Le Bourget Friday, September 27th. Their flight establishes the first non-stop air communication between France and China. The French consul at Harbin, M. Reynard, left immediately for Tsitsihar to assist them to obtain fuel and make necessary minor repairs so that they could continue their flight. Their original destination was Vladivostok, Siberia.

BRIDE KILLED IN CAR CRASH ON SATURDAY

Mrs. Colin K. Anderson, Formerly Miss H. E. Trower, Succumbs to Injuries—Groom in Serious Condition—Punctured Tire Within Hour of Leaving Home Cause of Fatality.

(Special to the Record.)

MONTREAL, Oct. 7.—Miss Hilda Elizabeth Trower, 24 years of age, daughter of Mr. and Mrs. W. K. Trower, 84 Westmount boulevard, and Colin Kemp Anderson, twenty-eight years of age, son of Dr. and Mrs. Duncan P. Anderson, 4898 Western avenue, were married at four o'clock Saturday afternoon at Erskine Presbyterian Church.

Less than four hours later, the automobile in which the bridal party were driving on their honeymoon was wrecked. Mrs. Anderson died at one o'clock yesterday morning in the Western Hospital from a fractured skull and burns. Mr. Anderson is at home, and is reported to be in serious condition from possible internal injuries and burns.

Following the wedding, a reception was held at the home of the bride. At 6:30 Saturday evening, the newly wedded pair entered a roadster and set out for Lake Placid on the first leg of their honeymoon. The fatal accident came on the King Edward Highway, about four miles north of Nauvville. One of the rear tires blew out. The car skidded. Witnesses report that it went into a ditch and turned over four times, the gasoline tank exploded, and the car caught fire.

PREMIER FERGUSON ASKS LIBERAL LEADER TO GIVE HIS VIEWS ON LIQUOR ACT

"Let Mr. Sinclair Come Out into the Open and Give the People of Ontario, Whom He Seeks to Represent, an Opportunity to See What He Represents, Was Direct Challenge Made by Ontario's Prime Minister.

(Canadian Press Despatch) MIDLAND, Ont., Oct. 7.—Premier G. Howard Ferguson yesterday again challenged W. E. N. Sinclair, Liberal leader, for a declaration whether or not the Liberal party was in favor of the Ontario Temperance Act.

"Let Mr. Sinclair come out into the open," the Prime Minister declared, "and give the people of Ontario, whom he seeks to represent, an opportunity to see what he represents. Let him come out and say whether he is for or against the Ontario Temperance Act, and then he will have the issue straight and clear cut before the people of Ontario. Let Mr. Sinclair answer me, if he dares, whether or not he is for the Ontario Temperance Act."

DANGEROUS DOINGS

Bond Prices Have Declined

—While Underlying Values Have Increased

THE growth of earnings and assets of Canadian corporations has been used as an argument for the purchase of common stocks; but the securities having first call on such earnings and assets have been neglected.

Bonds, on the average, give better returns and a larger margin of investment safety now than for many years past. Current prices are such that bonds can be bought not only for good yields but also with unusual prospects of appreciation in value.

The October issue of *Investment Recommendations* gives particulars of a number of attractively-priced securities of sound utilities and industrials. A copy will be sent you upon receipt of your name and address.

BELIEVES LOW REACHED

NEW YORK, Oct. 7.—The Wall Street Mirror in an article today says: The rally is usually caught a lot of people flat footed. It was a general feeling after the close on Friday that it would arrive today. Now that it is underway, sentiment has undergone quite a change. The market today will try through today if the rally can carry through today it will go much further. One thing now has been established, traders can figure that the low points of the movement have been seen and can govern their commitments to coincide with the lows of Friday.

WHITNEY'S OPINION

NEW YORK, Oct. 7.—The oil group is confirming everything which has been said about it during the September reaction, standard Oil of N.J., Standard Oil of N.Y., Royal Dutch, Pan American and Superior Oil are a purchase at any figures which have been recored this year for major advances. Houston Oil which sold at better than 175 a share in 1924 will be reached its objective until that figure has been surpassed.

Byers Pipe, which sold above two hundred a share, last year, will far surpass that figure.

In the rail group, Erie below 80 must be looked upon as selling at almost a panic price, as must C. P. R., at its prevailing level, while Delaware, Lackawanna and Western is some 40 to 50 points below the price which you were advised to hold it for. This week to use the words of an individual whose word is virtually law in motion picture fields, Radio Orpheum will come into its own.

TRADING FORECAST AND FACTORS

Continuation of the rally is expected in today's session. **BROKERS' OPINION**
Hornblower and Weeks: We do not believe the calibre of the buying Friday was very significant. E. F. Hutton: We think the picture still justifies our suggestion to conserve buying power and not attempt the purchase of stocks in the initial stages of the average rally.

ST. LAWRENCE FLOUR SHOWS STRENGTH

MONTREAL, Oct. 7.—The Financial Service says today: St. Lawrence Flour has been going against the general trend of late, due no doubt in anticipation of a very favorable showing by the company for the year which ended August 31st. The annual statement which was published by Lake of the Woods last week, gives an indication of the progress that was made the past year in the flour milling industry. St. Lawrence Flour, it is understood, participated in this improvement and is expected to show earnings in the neighborhood of \$5 a share on the common stock.

Alberta Pacific Grain, which carried over \$8 a share for the past year is selling around the 40 mark, or at about five times its earnings. The reason for the low price of the issue is no doubt due to the fact that it is generally expected the company will not be able to make a favorable showing for the current year due to the smaller wheat crop. It must be remembered, however, that for the past two years, the company earned nearly \$16 a share on the common, none of which was paid out in dividends, thus making the financial position

PRICE RECOVERY RESUMED THIS MORNING AT NEW YORK

(Associated Press Despatch) NEW YORK, Oct. 7.—The recovery in stock prices which set in Saturday was resumed at the opening of today's market. MONTREAL, Oct. 7.—Stock prices again rallied at the opening of the Montreal Stock Exchange today. Montreal Power led the advance with a gain of 3 points to 168. Dominion Bridge was up 1 1/4 at 104 1/4. National Breweries gained 1 1/4 at 140 1/4, and Brazilian gained one at 69. Fractional advances were registered by International Nickel, Shawinigan, Power Corporation, Canada Power and Paper, General Steel Wares and Massey-Harris. Canada Steamships and B. C. Paver "A" were exceptions, being off fractionally.

NEW YORK PRESS MARKET COMMENT

Furnished by McManamy & Walsh.

Clark Childs and Co. The market look to be at a point which could easily be the critical position of the year. If the decline is allowed to go appreciably further, there would be no repairing of the market structure within many months.

Morris and Smith. We continue to adhere to the policy of selling on all rallies and making new long commitments only on very recessions.

Henry Clews Co. The belief prevails that considerable irregularity will continue to be witnessed in the general list.

Wall Street Journal will say today: Motor output above normal. Price advance for cigarettes. General Electric setting record. Division profit larger in year. Rail efficiency at high point. Supreme Court docket heavy.

VETS TOOK HAND IN FINAL MAJOR LEAGUE GAMES

Connie Mack kept his regulars in final league game yesterday for tuning up before world's series.

(By Hugh S. Fullerton, Associated Press Sports Writer.)
NEW YORK, Oct. 7.—The final obsequies for the 1929 major league baseball season proved to be an amusing rather than a sad ceremony. Few fans and not many ball players abandoned the busy preparations for the world's series long enough to pay much attention to the closing games yesterday but those who turned out were treated to a baseball vaudeville act when the ancient members of the coaching staffs stepped out for a final crack at the game along with the youngsters who were getting trials in anticipation of next year.

The venerable Washington comedian Nick Altrock, stole a march on such comparative infants as Lew Fonseca and Al Simmons, who have been fighting for the American League batting crown, by snatching the very top of the list from them at the last minute. Nick went into yesterday's game toward the end and got one hit out of his one time at bat. It was not enough to win, however, for two young Boston pitchers, Durham and Simmons, held the Senators in check to win by a 2 to 1 count.

Athletics Trimmed Yankees
Connie Mack kept his regulars in the final game for tuning up before the series and he needed them to beat the Yankees. Dusty Rhodes, late of Jersey City, held the champions under control until the seventh inning, when Haas tied the score at 2 with a break home run. The ball glanced off Paschal's glove into the stands. Simmons completed the 5 to 2 triumph in the ninth with his thirty-fifth home run of the year and tied Lou Gehrig for second place in the league standing.

St. Louis and Cleveland gave their younger pitchers a work-out in their closing double-header, and the Brownie youngsters came out ahead each time. Staley, a newcomer from the Texas League, outpitched Brown to take the first 4 to 2, and Kimsy conquered Shoffner in the second 4 to 2.

Chicago's lowly White Sox slammed the ball like their national league neighbors to win the final game from Detroit 8 to 7. The tigers went ahead in the ninth on Dale Alexander's twenty-fifth home run, but the Sox scored twice in their half to win.

Evers and Gowdy Entered Braves
Johnny Evers and Hank Gowdy, coaches of the Boston Braves, tried Altrock's stunt against the Giants to wind up the season. They played only in the last of the ninth and the total result of their efforts was one error for the former Keystone member of the infield combination of another generation of champions.

Evers probably is hoping that the current Cub infield will fare better in the next few days than he did in his lone effort to revive part of the old one. The Giants contributed two young pitchers, who performed well enough to give New York a 9 to 4 victory.

ATHLETICS WILL ARRIVE IN CHICAGO TODAY
(Canadian Press Despatch.)
PHILADELPHIA, Oct. 7.—Connie Mack and his champion Athletics headed westward last night, fit and eager to battle the Chicago Cubs at Wrigley Field tomorrow in the opening game of the world's series. The champions, manager Mack, their sixty-six year old pilot who has developed seven pennant winning baseball outfits, club officials and a number of baseball enthusiasts who have been close friends of the manager for years, boarded a train last night. They expected to arrive

ST. ROCH SPLIT DOUBLE HEADER AT MONTREAL

Dave Major's All-Stars took first contest by 10 to 3 and Sherbrooke second by 10 to 5—Major League Players Took Part in Contests.

(Special to the Record)
MONTREAL, Oct. 7.—Sherbrooke St. Roch completed one of the most successful seasons they have experienced yesterday afternoon when they divided a double-header with Dave Major's All Stars at the Montreal Stadium. The All Stars took the opener by the score of 10 to 3, but the locals came back in the nightcap to take the verdict at 10 to 5 in seven innings. About fifteen hundred fans witnessed the twin bill, many of them being St. Roch supporters. The Sherbrooke lineup was materially strengthened by the addition of Henry, of the Montreal Royals, at first base, while Chief Hogsett twirled the ball for them. On the other hand, Del Bissonette, of the Brooklyn Robins, and Rabbit Maraville, of the Boston Braves, played for the All Stars. Thormahlen hurled the second game for Sherbrooke and struck out ten men. Hogsett fanned six men, Bissonette striking out three times out of four.

The score by innings:
All First game R. H. E.
St. Roch . . . 010 200 000—3 11 0
All Stars . . . 205 000 02X—10 10 2
Batteries: Hogsett and Landry; Calvert and D'Allaire.
Second game R. H. E.
St. Roch . . . 201 601 0—10 9 0
All Stars . . . 203 000 0—5 9 0
Batteries: Thormahlen and Landry; Tarte, Calvert and D'Allaire.

also joined the spirit of the ancients who were closing the season properly and caught part of the game against St. Louis. Despite his efforts and those of Marvin Gudat, who started his second game of the year and finished it well, the Cardinals eked out a 2 to 1 victory.

The champion Cubs let Hank Gramph, who has spent the season pitching for batting practice, start a game, but he did not last long against the runner-up Pirates. He went out in the second inning when Pittsburgh hammered him for six runs. Blake, Carlson and Bush also were ineffective, and the Pirates closed with an 8 to 3 triumph.

EMPIRES SELECTED
(Canadian Press Despatch.)
CHICAGO, Oct. 7.—Selection of William Dineen and Roy Van Cralin, American League umpires for the world series was announced last night. Dineen, a former big league pitcher, is a veteran of twenty years of officiating, but Van Cralin has been on the staff only three years and is making his debut in the championship classic.

William J. Egan and Charles Moran have been chosen by President John A. Heydler to serve as National League umpires for the series. Klem, veteran of a quarter of a century of National League strife, will be serving in his fourteenth series, and Moran, who has twelve years of big league service behind him, in his second.

THEFT AT FRENCH EMBASSY WHILE AMBASSADOR WAS AT STATE FUNERAL YESTERDAY
About \$20,000 Worth of Jewelry Taken—Pearl Necklace, Platinum Ring and Stick Pins Removed from Writing Table.

(Canadian Press Despatch.)
BERLIN, Oct. 7.—Jewelry valued at \$20,000 was stolen from the French Embassy yesterday while Ambassador Pierre de Margerie was attending the funeral of Dr. Gustav Stresemann.

A chauffeur found empty cases in the embassy garden and detectives then discovered that a writing table in the bedroom of the Ambassador had been forced open and a pearl necklace valued at \$10,000 and a platinum ring and stick pins had been removed.

ATHLETICS ARE FAVORITES TO TAKE SERIES

Betting Odds Six to Five, in Some Instances Seven to Five, in Favor of Connie Mack's Team.

(By Alan Gould, Associated Press Sports Writer)
CHICAGO, Oct. 7.—The Chicago Cubs, primed to lead the National League out of the world's series wilderness in which it has been wandering somewhat aimlessly for the past two years, came back to the home town yesterday in scrappy, confident mood to wind up the season, to receive the welcoming cheers of twenty-five thousand and prepared for the opening inter-league battle with the Philadelphia Athletics Tuesday.

If the Cubs were annoyed by the loss of the last regular scheduled game to the Pirates at Wrigley Field, or worried in the least by the fact that the A's, even along Michigan avenue, have been installed as the world's series favorites, they did not manifest it. In the club house after yesterday's game, from the lean, taciturn Rogers Hornsby to the pugacious Hack Wilson and Gabby Yee Hartnett, the Chicago players exhibited the cocky, "rearing to go" sort of spirit that attended the attitude of such victorious series clubs as the Washington Senators of 1924 and the St. Louis Cardinals in 1926.

To justify his assertion that he isn't "worried at all about the outcome of the series," Manager Joe McCarthy came out of a shower bath to greet the eager correspondents, chat about anything they desired and satisfy their curiosity, at least partially, by declaring that his pitching choice for the opening game has narrowed down to a pair of fast ball right-handers, Charley Root and Pat Malone.

The Cub pilot expects George Earnshaw, strong-armed right-hander of the A's, to be Connie Mack's opening selection. Mack, however, has kept his pitching ideas very much under cover.

If the way Field Captain Charley Grimm performed at first base yesterday afternoon is a criterion he has fully recovered from his broken arm and lay-off. Elwood English, shortstop, who has been out with an injured right thumb, also is ready to start.

Betting odds continued last night to favor the A's at 11 to 10 on the opening game and six to five, in some instances as high as seven to five, on the series.

The players were in high spirits and talk and joked with the admirers until the train was ready to pull out. All were optimistic over the outcome of the world's series, but not over-confident.

STAGE SET FOR OPENING GAME OF BIG SERIES

Likely that McCarthy Will Send in Charlie Root, Famous for His Wrinkle Ball, to Pitch First Game Instead of Malone.

(By Alan Gould, Associated Press Sports Writer)
CHICAGO Oct. 7.—Baseball's "biggest show on earth" comes to town tomorrow, featuring the high trained White Elephants of Cornelius McGillicuddy and the Battling McGraws of Joseph McCarthy in the main event of the game's colorful stripping of the bill board phrases, it's the Philadelphia Athletics against the Chicago Cubs for the world's championship. The honors that go with it are perhaps the richest money reward for the participants in series history.

It will be another million dollar party, the first since 1926, if the battle between the American and National League champions goes as far as five games, as it seems quite

likely to do. Six games, at the rate of a shade over \$200,000 per game and a sell-out already assured, might top the previous record "gate" of \$1,207,864 set by the Yankees and Cardinals in 1926. A struggle to the limit of seven games certainly would establish a new money record.

Fully fifty thousand fans, a record for any series game ever played outside of New York, are expected to jam Wrigley field to the limits of its bleacher extensions tomorrow for the battle that renews a baseball rivalry between Philadelphia and Chicago of nineteen years ago.

It marks the re-entry of Connie Mack's Athletics in the series for the first time in fifteen years and the Cubs after a lapse of eleven years.

The batteries for the opening game were expected to be Earnshaw and Cochran for the Athletics, Root and Taylor for the Cubs, thereby putting two powerful right handers against each other in the first pitcher's skirmish.

The anticipated selection of Charley Root, famous for his wrinkle ball, instead of Iron-man Malone, was backed by a record of fine performances under fire. Malone, who has won more games than any of the flingers this year, was slated to take the mound for the first game originally. Root has returned to form in the past fortnight. He has been good in so many tight spots that he may find himself right at home in the opening tannet and rear.

Fans Will Watch Sluggers

LEBRUN EARNED DECISION FROM CLOVIS DURANT
Splendid Comeback by Local Boy in Sixth Round Gave Him Victory Over Montrealer at Armory on Saturday — Several Fine Contests on Card.

Before one of the largest crowds to witness a boxing card in Sherbrooke for many years, Young Lebrun, of Sherbrooke, won a hard earned decision from Clovis (Kid) Durant, of Montreal, in a ten round feature bout at the 54th Armory on Saturday night.

The whole card, promoted by the Tuque Rouge Snowshoe Club, was the best seen here for some time, and the three thousand fans were well repaid for their attendance.

After battling on even terms for the first two rounds of the main bout, the greater experience of the Montrealer began to tell and he outpointed his opponent in the next three sessions. Lebrun showed greater staying power, however, and came back in the sixth to take the remainder of the fight by a narrow margin. Both boys were short, thickset and tipped the scales at 121 pounds.

The semi-final was between Eddie Beauvillage, of Drummondville, 155 pounds, and Jack Petrole, of Sherbrooke, 168 pounds, while the fastest encounter of the evening, lasted only four and a half rounds, the veteran Drummondville fighter easily outpointing his heavier Sherbrooke opponent. Although Petrole offered considerable resistance, the opening of the fifth saw him bleeding and floored twice in the first minute. The referee stopped the bout to save him from further punishment. The referee for these two bouts was Jack Renault, of Montreal.

The four round preliminary between Pat Lebrun and Mike Lebrun, both about sixty pounds, was full of thrills, both youngsters mixing it with a vim that gives great promise for their ultimate fighting abilities. They were justly awarded a draw by the judges.

An added attraction was a four round exhibition bout between Jack Valcourt, 130 pounds, and Jack Bridge, 134 pounds, both of Sherbrooke. Although no decision was rendered, Valcourt proved the better man in every round, but Bridge worked hard and provided an interesting fight. Del Grant, of Sherbrooke, acted as arbiter for the two curtain raisers.

In the first eight round fray Kid Lapointe, of Sherbrooke, weighing 105 pounds, earned a draw with Kid Gariepy, of Montreal, some nine pounds heavier. The Sherbrooke boy took the offensive at the beginning and forced the Montrealer to adopt defensive tactics for the first four rounds. In the fifth, the greater weight and skill of the visitor began to have its effect and Lapointe received an unmerciful pounding for the next three rounds, but came back in the eighth to receive a draw decision.

Rene Loubier, of Sherbrooke, 130 pounds, outpointed Kid Hamel, of Drummondville, 125 pounds, in every one of the eight rounds that they fought. Although the Drummondville lad proved no match for Loubier, he put up a game fight, and the local man was forced to work to the limit throughout. Jos Drolet, of Sherbrooke, refereed the last two fights.

O. Gagne and A. Albert acted as judges.

One feature that favorably impressed the fans was the speed with which one bout succeeded another. As soon as one pair left the ring, another couple stepped in.

The Harmony Band was in attendance and rendered an excellent one hour programme previous to the encounters.
