ANIMAL GRAVING DOCK.

GOVERNMENT OF BRITISH COLO-
MBIA are prepared to receive Tenders
construction of a Graving Dock, at the
Nelson, Esquimalt Harbor, under the
provisions of the TWENTY Section
terms of Union of this Province with
Union of Canada, which Sections in

Dominion Government shall guarantee cost for ten years from the date of the issue of the license, \$100 per annum, on such annual, not exceeding \$100,000, as may be required for the construction of a Resoluble Graving Dock at it.

It shall be of masonry, and of not less following dimensions—

Length on Floor, 270 feet.

“ over all, 400 feet.

Breadth between joistings, 60 feet.

“ on floor, 45 feet.

“ of entrance, 63 feet.

A depth of 20 feet in the sill, to not less than 25 feet at high water spring, and to be partially constructed to its approval or disapproval, as may be provided by the tender may be accepted.

Particulars as to site, joistings, &c., obtained from C. A. BULKLEY, Esq., Engineer to the Government, upon application to the Chief Commissioner of Works.

will be completed, and must be accompanied by drawings and descriptions showing dimensions, materials and mode of construction of proposed dock.

Seals are to be sealed, superscribed "Tenderment of the Government," addressed to the Chief Commissioner of Lands and Victoria, British Columbia, and delivered to his office before noon of the 15th November, 1872.

Who may consider the above guarantee themselves at liberty to tender any of such supplemental guarantee by the said Government, or upon such other conditions as may be determined by the Government do not bind themselves to lowest or any tender.

The tender must be received by the Contractor, and two sufficient copies of the proposal must be submitted by him to the Tendering Committee, his heirs and successors, conditional fulfillment of the Tender which is required, provided the same is made within the said 15th November.

GEO. A. WALKER,
Commissioner of Lands and Works,
and Works Office,
April 27th, 1872. my18
