SOMETHING TO OLD AND YOUNG.
PROFESSOR WOOD'S
HAIR RESTORATIVE.

THIS preparation, although less than two years before the public, owing to its wonderful effects upon the human hair and scalp, has already obtained a celebrity and sale perfectly unparalleled. It has, without the ordinary appliances used for such purposes, won its way and been heartily welcomed to most of the cities and towns in the United States, the Canadian, and the West India Islands. It is this result surprising when it is remembered that

tray hair to insular color, produce a luxuriant growth upon the heads of the bald, prevent the hair from falling out, and when used as a toilet article produce a continuance of the natural fluids; and thus render the hair soft, glossy and wavy, destroy diseases of the scalp, and expel dandruff, the certificates of distinguished gentlemen assure in every part of the country, who have tried it, that it cures the scalp, if it will move, most fully cured. The proper use of this preparation will be to wash the scalp with it and retain its natural color to almost a perfect whiteness, and retain the natural color to almost a perfect whiteness, by removing the cause of disease from the scalp—no matter of how long standing—the concurrent testimonials of the press and the certificates of numerous respectable individuals of both sexes, to the

Brookfield, Mass., Jan. 12th, 1855.
 Prof. Wood—Dear Sir—Having made trial of your restorative, it gives me pleasure to say that its effect has been excellent in removing inflammation, dandruff and a constant tendency to itching with which I have been troubled from childhood, and has also restored my hair which was becoming gray, to its original color. I have used no other article with anything like the same pleasant result.
 Yours truly,
 J. K. BRAGG,
 Pastor of the Orthodox Church, Brookfield.
 Carbyle, Ill., June 27th, 1855.
 I have used Professor Q. L. Wood's Hair Restorative

have admired its wonderful effect. My hair was coming, as I thought, prematurely gray, but by the use of this "Restorative" it has resumed its original color, and I have no doubt permanently so.

SIDNEY BRIEFSE,
Ex-Senator United States.

Prof. Wood—Dear Sir—My hair commenced falling out three or four years since, and continued to do so till it became quite bald. I tried all the popular remedies for the hair, but to no effect. At last I was induced to use your celebrated Hair Restorative, and I am very happy to say it is doing wonders. I have now a fine growth of my hair, and cheerfully recommend its use to all suffering afflicted.
