

RUSSIAN ARMIES HAVE BEEN LINKED UP AGAIN

Now in Solid Front From the San to Bukowina. Highest Military Authorities Describe the Russian Position Facing the Germans as Highly Satisfactory. Italians in Austrian Territory of Riva. French Make Progress Along Road Between Angres and Ablain.

The highest authority in Petrograd describes the Russian position facing the Germans as highly satisfactory.

RUSSIAN ARMIES LINKED UP AGAIN.

New York, June 29.—(Special)—A cable to the Herald from London says: Grand Duke Nicholas has accomplished what not one London military observer in ten thought possible of accomplishment. He has effected a retirement from the Dniester and linked up his armies from the San to Bukowina in a solid front, without the loss of a man from the troop disorders that are regarded as inevitable in any great retreat.

From the despatches sent out of Galicia, it seems certain the last three days of the Dniester battle was an engagement organized to cover the retirement of the army that had defended Lemberg to its positions behind the Bug and Zlota Lipa Rivers. The evacuation of the whole Dniester line was hastened, however, by the Austro-Germans who crossed the stream north of Zurawno.

The necessity for falling back at that point placed Halicz in a position where it could be attacked from three sides, and as a consequence that town was abandoned by the Russians yesterday, and according to Berlin was occupied by the Germanic allies. For more than three weeks Halicz had resembled the fulcrum of a scales, with great armies swaying on each side, but the town itself was maintained solidly by the Russians.

The retreat from the Dniester has ended temporarily at least on the Gniza Lipa River, which flows northward south before Rohatyn, and which offers an exceptionally strong first defence. But military authorities do not expect heavy fighting along that river. They expressed the opinion, the next serious battle probably will occur along the Zlota Lipa, which runs parallel to the Gniza Lipa, fifteen miles further to the eastward, where the Russians would benefit by the railroad with which the Tarnopol line connects.

RUSSIAN SITUATION SATISFACTORY.

London, June 29.—(Special)—The correspondent of the Daily News at Petrograd telegraphs:

"Three German armies have been detached to settle the troublesome Russians along the Dniester. The Russians have separated and rejoined along the River Gniza Lipa, holding Halicz and the southern limits of the Dniester. Since his failure to cover his rear, Field-Marshal von Mackensen began a tentative movement northward, but the Russians here are preparing for him.

RUSSIAN CENTRE REFORMING.

London, June 29.—(Special)—The Russian centre in Galicia is rapidly reforming behind the River Gniza Lipa, before General von Linsingen's drive across the Dniester, but this retreat, in the opinion of London military critics, is almost entirely due to the battle in the Lemberg region, where the positions of the Russians made retirement inevitable. These movements have strengthened the Austro-German line and have consolidated the hold of the Teutons on the regained Galician capital.

FRENCH MAKE PROGRESS AT ABLAIN.

Paris, June 29.—(Special)—The French War Office this afternoon gave out a report on the progress of hostilities which reads as follows.

"In the territory to the north of Arras there was a continuance last night of the cannonading, particularly to the north and to the south of Souchez, and in the north of Neuville. An infantry engagement made it possible for us to make progress along the road between Angres and Ablain.

"In the Argonne, at Bagatelle, yesterday witnessed incessant fighting with torpedoes and hand grenades.

"In the Vosges an attack by the Germans was successful in forcing back for the moment our advance posts located on the slopes to the east of Mezera. We at once delivered a counter-attack and reoccupied part of the ground lost.

"On the remainder of the front the night passed quietly."

ITALIANS HAVE ENTERED AUSTRIAN TERRITORY SOUTH OF RIVA

Brescia, Italy, June 29, via Paris.—Despite the Austrian reinforcements along the whole frontier the Italians have entered the Austrian territory south of Riva, on the western side of Lake Garda, through the Nona Val Passes, about 5,000 feet high, descended the precipitous cliffs of Carone Mountain, over 8,000 feet high, entered the Ledro Valley and reached the Ponale River. The Ponale River runs for five miles from Lake Ledro, which has an altitude of 2,000 feet, to the shore of Lake Garda whose altitude is 700 feet. This river has water falls at which is produced the electricity produced at Riva, the only important town on Lake Garda in the hands of the Austrians. The same electricity is used by the Austrians for charging their wire entanglements.

ZEPPEL HANGARS AT FRIEDRICH-SHAFFEN ATTACKED

Paris, June 29.—The following official communication was issued last night:

"The day has been relatively calm on the whole front. There has been an artillery action to the north of

DISCUSS BALKAN SITUATION

German Chancellor and Foreign Minister in Vienna For That Purpose

IT IS NOT KNOWN WHETHER RUSSIA'S OFFER TO ROUMANIA WILL BE SATISFACTORY.

Berlin, via London, June 29.—Special.—Inquiries made in various diplomatic and official quarters tend to confirm the announcement made yesterday by the Frankfurter "Zeitung" that the chief purpose of the visit of Chancellor von Bethmann-Hollweg and Foreign Minister von Jagow to Vienna is to discuss the Balkan situation.

BUSINESS AT CITY COUNCIL

Salary Tax Petition From Ratepayers Turned Down By Aldermen

BY-LAW INTRODUCED TO PROVIDE \$9,000 FOR PERMANENT ROAD WORK—EMPLOYEES DISMISSED FOR "JOY RIDING."

The adjourned meeting of the City Council under the presidency of Mayor Mackinnon was held last night. The aldermen present were Fortier, Ewing, Genest, Forest, Edwards, Danault, Gauvin, Brault and Tetreault. WELCOME TO AID. TETREAU.

In welcoming Aid. Tetreault, who took his seat for the first time as one of the aldermen for the west ward, the mayor observed the council would be very glad to have his assistance. The position of alderman entailed quite a sacrifice for any man, and Aid. Tetreault would probably not receive all thanks, but would get some criticism.

Ald. Tetreault was assigned to the same committees as the late Aid. Prunier.

DISMISSAL OF TWO EMPLOYEES.

Ald. Brault, chairman of the electric department, submitted a report from the committee in reference to the accident which happened to the electric runabout of the department on Sunday, June 20th, when it plunged into the St. Francis River and was very much damaged. The committee recommended the dismissal of the two employees, Breton and Thibault, who were responsible, and that the opinion of the city attorney be taken as to what means should be adopted respecting the damage done to the auto. Carried.

MR. BODREAU'S SUCCESSOR.

The report of the fire committee relative to the appointment of a machinist in the fire department was read by Aid. Ewing as follows:

"Moved by Aid. Gauvin, seconded by Aid. Fortier, that this committee recommends that the application of T. O. Bourque for the position of machinist in the fire department be favorably received, and that the said applicant be engaged by the council. This appointment to be a monthly one at a salary of \$83.33 per month.

"Alderman Ewing dissenting to the above for the reason that he would recommend to the council that A. M. Boudreau be reinstated in the position he held in the city fire department on May 3rd last before he left."

Ald. Edwards presumed the fire committee had given this matter very careful consideration, and although he did not approve of their finding, he presumed it would be useless to attempt to block it. However, he noticed it was proposed to pay the same salary to the new man as to an old and experienced employee of the city, whereas it was customary to start at a lower wage and give a chance for promotion. He moved that the salary be not more than \$60 per month.

Ald. Ewing disagreed with this. If they had a mechanic capable of performing the duties Boudreau performed, he should be worth \$1,000 per year. Ald. Ewing was satisfied a mistake was being made in rejecting Boudreau, because he built the apparatus, and while there may be other men as good, every man had got to learn. Boudreau made the boxes, did the repairs and machine and electric work, and understood the whole thing. The city would sustain a loss by the change. He moved (Continued on Page 6)

WILL E. T. LADS FILL VACANCIES

Fifty Men Wanted From Townships for the 5th Rifles

AN APPEAL TO YOUNG MEN WHO HAVE SERVED IN LOCAL MILITIA.

The last call is being issued for recruits for the 5th Canadian Mounted Rifles, now at Valcartier. Some fifty men are wanted as already announced.

These should come from the Eastern Townships as this regiment is known as the Eastern Townships Regiment.

Among the local militia, either in Sherbrooke or the surrounding districts are many young men who have worn the uniform either in the 53rd or E. T. Cavalry Brigade and they have here an opportunity to serve their country in a regiment which largely represents this section of country.

Applications must be made at once as vacancies are being filled now.

Those desiring to join the service should apply to any one of the following physicians:

Sherbrooke—Dr. Gordon Hume. Danville—Dr. Stevenson. Stanstead—Dr. Stockwell. Sutton—Dr. R. C. MacDonald. Cowansville—Dr. Pickett. Burr—Dr. Macdonald.

JUDGMENT IN REAL ESTATE DEAL

Action Against J. W. Gregoire by Dr. Noel Dismissed By Court

HELD THAT BELMONT COMPANY WAS NOT PROPERLY ORGANIZED AND COULD NOT TRANSFER STOCK.

Mr. Justice Hutchinson rendered judgment this forenoon in an interesting real estate transaction. The parties are Dr. J. E. Noel, plaintiff, and Mr. J. W. Gregoire, defendant. The latter is sued for the sum of \$7,700, being the amount which the plaintiff lost through the failure of the defendant to transfer to him 260 shares of the Belmont Real Estate Company of Sherbrooke, according to a notarial agreement.

The defendant denied liability. The court went into the case very fully, and in giving judgment said: "Considering that the Belmont Real Estate Company was incorporated under Letters Patent bearing date the 4th of July, 1912, with a capital of \$50,000, and of 500 shares of \$100 each, that the following parties petitioned for the incorporation of the said company and subscribed for the whole of the stock of \$50,000, namely: J. W. Gregoire, plaintiff, for \$24,600, or 246 shares; Edouard Boudreau for \$8,000 or 80 shares; Arthur Gendron for \$500 or 5 shares; B. A. Dugal for \$6,000 or 60 shares; Marie Louise Archambault, authorized by her husband, M. A. Montminy, for \$14,000 or 140 shares, and S. Fortier for \$1,900 or 19 shares.

"Considering that by the said charter it was authorized to purchase from J. W. Gregoire, defendant, certain real estate known as Belmont Farm, at or near Sherbrooke, and pay for the same in money or duly paid-up shares of the said company.

"Considering that on the 23rd of July, 1912, a meeting of the said shareholders was held, at which meeting directors were elected, to wit: all of the said incorporators, with the exception of Madame Montminy, and by-laws of the company were adopted. On the same day, to wit, the 23rd of July, 1912, a meeting of the directors was held, at which the said J. W. Gregoire was elected president, and A. Gendron elected secretary, and the president was authorized to sign notes and cheques, and to engage sub-agents, make sales, and also engage carpenters to make subdivisions of lot 729 in the East Ward of the city of Sherbrooke.

"DID NOT COMPLY WITH LAW. "Considering that, although the said business was transacted, there was no compliance with Article 6019 of the Revised Statutes of Quebec, which requires that 'the company shall not commence its operations or incur any liability before 10 per cent. of its authorized capital has been subscribed and paid for, and a declaration under oath by the secretary of the company, establishing such fact, has been deposited in the Department of the Provincial Treasurer.'

"Considering that on the 7th of November, 1912, by special resolution of the directors, the capital of the fully paid-up shares of the said company was given to each of the five directors, this being contrary to the requirements of Paragraph 5 of Article 6036 of the Revised Statutes of Quebec. Further, it was decided by resolution, duly adopted, that the company should purchase from the said J. W. Gregoire, the said Belmont Farm, therein, and in consideration thereof the company should transfer to the said Gregoire 495 fully paid-up shares of the said company, and also pay to the said Gregoire \$8,000 in one year after date, and the company to assume all obligations of the said Gregoire towards Dame Hugh Connor, the former proprietor of the said farm, and particularly an obligation to pay her the sum of \$14,000, with certain interest accrued; and at a meeting of the shareholders held on the same date this purchase was ratified and confirmed.

"DIRECTORS TRANSFER STOCK. "Considering that on the same day, namely, the 7th of November, 1912, another meeting of the directors was held, and the following transfer of shares was accepted, namely, from J. W. Gregoire, plaintiff, to the following: to wit: Mrs. A. Montminy, 140 shares of the capital stock of the said company; to B. A. Dugal 59 shares; Edouard Boudreau 29 shares; to M. Gregoire 259 shares (M. Gregoire it appears is in reality J. W. Gregoire himself, and therefore this transfer would seem to be a nullity especially as this transfer is not entered in the transfer book of shares); to S. Fortier 4 shares, and to A. Gendron 4 shares of 100 paid-up shares of the said company.

"Considering that although these transfers were accepted by the company on the 7th of November, 1912, they are entered in the transfer book under date of last of April, 1913.

"NO CALLS ON SHAREHOLDERS. "Considering that no calls were at any time made upon the shareholders, to wit: the said incorporators who had subscribed for stock in the company, and no money was paid by any shareholders on the shares subscribed, and no resolution by the directors was passed to cancel any of the stock subscribed.

"NO SHARES LEFT IN TREASURY. "Considering that it is true that the company transferred to J. W. Gregoire 495 fully paid-up shares of the capital stock of the company, but as the whole of the capital stock of the company authorized by the charter was subscribed, the company had no shares left in the treasury to transfer to any one; although the 246 shares subscribed by J. W. Gregoire

ARRESTS MADE IN CAPELTON MURDER CASE

Jos. Care and Tom Ceminero Will Be Held For Coroner's Inquest

CARE TOLD OFFICERS THAT HE SAW BRIGHT AT THE SPOT WHERE CALARCO WAS FOUND.

Jos. Care and Tom Ceminero, Italians, were placed under arrest last evening in connection with the murder of Catano Calarco at Albert Mines, Capelton, on Saturday evening. They are held as material witnesses for the inquest which will open again on July 7 at Capelton.

BELIEVE THEY HAVE MAN.

The authorities believe they have the man that committed the deed. One of the two, Jos. Care, gave evidence before Coroner Bachand after he had been taken to jail last night. His testimony was very much against his companion, Ceminero.

ROW AT BOARDING HOUSE.

The evidence was taken in camera, but it is learned that Care stated that on Saturday evening he and Ceminero went to an Italian boarding house at the Albert Mines. There they met the deceased, and an altercation arose between them. This was the outcome of a row which took place about six weeks ago in the same house, when the deceased was so badly used up that he was laid off work for some days. Ceminero was also quite seriously injured at that time, and kept up a grudge against Calarco.

THREATENED TO KILL.

About nine o'clock the party separated, and Care and Ceminero started down the road to their boarding house, which was in lower Capelton. Care states that he saw the two young ladies sitting on the verandah of the priest's house. During the conversation on the way home Ceminero stated that he would kill Calarco. Care replied that if there was to be any killing he would get out of the way.

ROW RESUMED.

They were then overtaken by Calarco, and the trouble between the two started up again. Care says he walked ahead, and while he did not see a blow struck he heard the sound of them as they were delivered on Calarco. He then proceeded to his boarding house, followed by Ceminero.

FURTHER DEVELOPMENTS EXPECTED.

It is expected that further developments in connection with the case will arise before the inquest reopens. Ceminero was not questioned.

EVIDENCE STRONG AGAINST CEMINERO.

The two men were taken into custody by High Constable Moe, of Sherbrooke, and Detective Boucher, of Quebec. From the facts which they have in their possession and those disclosed by Care, they are of the opinion that the man who struck the fatal blow is Ceminero.

HOW ARREST WAS MADE.

When the officers started on the trail of the murderer yesterday morning, it was learned at the office of the chemical works that Ceminero had not turned up to work on Sunday morning, but sent word that he was confined to the house through illness.

BOARDING HOUSE KEEPER RETIRED.

The High Constable went to his boarding house, but was informed by the landlady that no such man boarded there. He went to a neighboring house, and was again informed that the man he wanted boarded at the house he had first visited. He got the same answer on going a second time to the house. Finally he went to the works and found the husband of the landlady of the boarding house, who accompanied him back again. On entering the house they found Ceminero sitting in an outhouse off the kitchen. He was taken in charge and brought down to the office of the company and detained there.

In the meantime Detective Boucher had got in touch with Care, and from certain admissions he made it was decided to take both men into custody.

SMART WORK OF OFFICERS.

The officers who had the case in hand are deserving of considerable praise for having effected an arrest so soon after the commission of the crime.

NO CHARGE UNTIL AFTER INQUEST.

No formal charge will be laid (Continued on Page 6)

CANADIAN TRADE CONDITIONS AS AFFECTED BY THE WAR

Interesting Address by Mr. H. T. Meldrum Before The Associated Boards of Trade at the Bedford Meeting.

Lines of endeavor which a manufacturer should follow assiduously today:

- 1 Reduction of costs
- 2 Research work relating to our resources
- 3 Strengthening his position in the home market by aggressive advertising
- 4 Export trade

An important address on "Trade Conditions and the War" was delivered by Mr. H. T. Meldrum, Assistant Secretary of the Canadian Manufacturers' Association, at the recent quarterly meeting of the Associated Boards of Trade at Bedford.

After expressing his thanks for the privilege of addressing the meeting at which he had scarcely expected to see such a large and representative attendance, Mr. Meldrum said:

"The subject on which you have asked me to speak is one comprising many interesting phases. In the few moments allotted to me I can only touch lightly in a few points, and I have selected for discussion those which seemed to present the most practical application to our industrial and commercial future.

"Looking back to the year 1909 you will recollect that there started at that time a tremendous industrial boom. The great influx of immigration into this country, both east and west, caused an unprecedented demand for all kinds and classes of goods. The requirements of the home market became so great as to tax our industries to the limit. There followed the extension of existing plants and the building of new—the laying down of an immense quantity of new permanent equipment. But the manufacturers had, if you can so express it, looked too far ahead. It became over-reached the normal demands of our restricted home market. Then came the war.

DIRECT EFFECT OF WAR

"The direct effect of the war on Canadian industry is difficult to estimate in general terms. Many manufacturers have been working overtime all winter on army equipment and supplies, and without this business held to a normal condition from the fact that the agriculturists of Canada, who are a great purchasing power, had received greatly enhanced prices for their products. But again many manufacturers saw their supplies of raw material cut off; those who were engaged in export trade found themselves unable to get shipping facilities—financing was undoubtedly made more difficult. Taking all things into consideration, however, there has been very much less unemployment and distress in Canada during the past year than there would have been had the war not broken out. The reason being, first, the work offering through special causes, and secondly, because of the fact that 75,000 men have been drawn from this country to aid in the Empire's battle. To look after the families of these men, the men of wealth and even those of only moderate means, have contributed much more generously than they would have done for any charitable cause.

WHOLE CONDITION OF WORLD'S TRADE WILL BE CHANGED

"But the war has brought in its train possibilities of a much broader nature. The whole condition of the world's trade will be changed, and I believe that if Canadian producers will deal with the situation aggressively, that the time is not far distant when they will be able to step into the markets of the world and take their share. In so doing they will, by the increase in employment, and the decrease of the overhead charges to the Canadian consumer, confer an immense benefit on all Canada.

"Let us look at the possibilities of this general situation. As you know, the dominant industrial interests of the world's markets besides Great

Britain, have been those of Germany and the United States. Both countries have built up huge industries behind a high protective tariff wall—organizations big enough to go boldly into foreign markets. Germany assisted the development of export trade by facilitating financing and by subsidizing steamship services. She had a practical monopoly of the Russian market, exporting thence in 1913 upwards of 300 million dollars worth of manufactured goods.

GERMANY HAS LOST DOMINANT POSITION

"Today Germany has lost that dominant position and it is questionable if she will ever regain it. Impoverished by the war, she will be unable for many long years to finance her undertakings abroad, in the way that she has done in the past; she will have to train a new staff of skilled employees; and she will be practically barred from what have been her best markets, those of the European continent. To support this assertion I will quote a statement made by the Russian Minister of Finance some two months ago following a conference in Paris with the Ministers of Finance of France and England.

Mr. Bark said: "We must not be obliged some day after the war is ended to pay a sort of indemnity to the Germans by leaving open to them a means of recouping and enriching themselves at our expense in our own markets. Germany, having demolished the factories in Belgium, Poland and Northern France, perhaps thinks to force us to buy from her goods we cannot make ourselves. Let her be quite sure that our markets are closed to her forever."

CONFIDENT OF RESULT

"We look only for one result of the war. We are confident that whatever may be the cost, Germany will be so completely crushed that never again will she feel in a position to defy the world. The first question then will be—who is to pay the cost? No matter what indemnity is imposed, each of the warring nations will be many billions of dollars poorer. The meaning of Mr. Bark's statement must be taken to be that one outcome of the war will be a fiscal entente among the allied nations, and that goods of German and Austrian manufacture will be practically prohibited from entry into those markets. It is reasonable to suppose that this will provide for preferential tariff arrangements among the nations of the allies, in order that their peoples may have the fullest opportunity to pay the imposts which will be laid upon them.

CANADA'S OPPORTUNITY

"This will be Canada's opportunity. Our manufacturers and other producers will be enabled to enter the great markets of Europe as parties to this entente. They are markets with great possibilities, and our manufacturers, properly organized, can take their share. Comparatively few of them are big enough and strong enough financially to enter the export trade single-handed, but I am happy to say that a powerful organization is being formed, to represent all Canadian producing interests abroad. It will operate as a joint stock company to be known as the Export Association of Canada Limited, and will embrace all classes of Canadian producers.

"The function of the Association will be—

- First: To create a favorable strategic position in foreign markets for Canadian industry as a whole.
- Second: To do the work of a commission agent in the sale of Canadian goods.

Word has been received at "Fairview Farm" that Mrs. W. A. Morrison (Florence Bowen) has, with her two children, reached her distant home at Rosetown, Sask., in safety. Mr. Roy Woodward left a few days ago for Washington, D.C., where his marriage to Miss Mary Richards, of that city, took place on Monday, June 28th. The dancing assembly which was

arranged by Mr. Hubert Albee, and which was held in the Foresters' Hall was well attended and proved to be a very pleasant event. Miss Pauline Bradley, of Sherbrooke, for a short stay at the home of her cousin, Mrs. A. E. Bowen; Mrs. Hewton who with her only son, Howard, has spent the past few months at the home of her parents, Mr. and Mrs. Howe, has opened her cottage on the west shore of Lake Massawippi for the summer; Mr. and Mrs. W. Chalk and family, of Westmount, arrived on Saturday at Mrs. Chalk's parents, Mr. and Mrs. Howe; Mr. and Mrs. H. H. Brown and Miss D. Brown at "Hillcrest Cottage," after a motor trip through Northern Vermont; Mr. Roy Bowen, of N. Hatley, for the week end at "Brookbank."

Mrs. A. E. Gage, whose serious illness has been reported from time to time, is now making satisfactory progress towards recovery. Mrs. Kendrew and Mrs. Glidden, who have likewise been suffering from continued ill health, are slowly recovering. The funds of the local Patriotic Society are somewhat depleted at present owing to the constant demand for materials made upon them, and any contributions towards them, however small, will be gladly received.

BISHOP'S CROSSING Arrivals and departures include: Miss N. Gilbert home from Montreal for the summer; Mrs. Dale and daughters, Fern and Retta, and Master Lloyd, of Farnham, guests of her parents, Mr. and Mrs. R. Grixton and sister Mrs. W. R. Rief; Mr. T. E. STANSTEAD COUNTY W.C.T.U.

Notes Regarding Annual Meeting Held at Hatley

RESOLUTIONS ADOPTED - ATTITUDE REGARDING TOBACCO AND THE ARMY

The Stanstead Co. W.C.T.U. in connection with Hatley Town Union, met in the Methodist Church, East Hatley, June 24 and 25.

Large and representative delegations were present from every Union. Mrs. Searles of Beebe, who has been President for 30 years, occupied the chair. Great enthusiasm and unanimity prevailed throughout the session. It was decided to make a special effort to raise the fund for our county union in aid of the Red Cross. It is hoped to take form in a lunch counter at the Ayer's Cliff Fair. Reports from unions and superintendents showed excellent work accomplished during the Stanstead No-Licence campaign besides assisting in many charitable and worthy undertakings.

A good increase of membership in all the unions was reported. Hatley and Fitch Bay have reorganized with a good prospect of success. The total membership of the county is now 194, honorary 18. A pleasant episode of the afternoon was the presentation of a substantial sum to Mrs. Searles in recognition of long and useful work as President, and her zeal and activity in every good word and work. The large audience at the evening meeting was delighted by the address of welcome by Mrs. H.M. Emery, response by Mrs. Trueman of Stanstead College. Miss Colby read an interesting and thoughtful paper on "Peace and Arbitration," making an earnest appeal for men and means to make peace possible. Mrs. McCurdy of Sherbrooke County gave an inspiring address. Beautiful songs were given in the days and evening by Mrs. Fred Rider of Fitch Bay and Mrs. Johnson of Ayer's Cliff, and several selections by Hatley choir.

The following resolutions were adopted: Resolved: That we hereby express our admiration for those Canadians who have willingly joined the forces of the allied nations. Also, that we express our tender sympathy with the relatives and friends who mourn the loss of dear ones whose lives have been sacrificed in this cruel war.

Resolved: That as our trust is in the Lord of Hosts, to Him continually shall our prayers ascend in faith that He will go before the allied armies, to protect, guide, strengthen and bless them, ultimately crown their arms with success and usher in a world abiding peace. Resolved: Whereas the ballot for women is still a live issue in our county, we will do our share in helping on the work in any way considered most useful. Resolved: That the thanks of this Convention are due and are hereby given to the ladies of Hatley for their sumptuous entertainment and the hospitality of their homes; and to the Methodist Church trustees for the use of their church; to the gentlemen who so kindly assisted; to the choir and all others who in any way contributed to make our 36th County Convention a success.

PLAN OF WORK As the first aim of Evangelistic work is the deepening of spiritual life we urge more prayerful attention to be given to this Department. That a Department of Peace and Arbitration be formed. That this county furnish a banner to be given to the union making the greatest gain per cent in membership during the coming year. That a Loyal Temperance Legion organizer be appointed. That our county express our willingness to conduct a lunch counter at the county fair for the Red Cross Fund, if suitable arrangements can be made. The copies of the anti-cigarette law be distributed and more effective means be used to enforce the law. We recommend the appointment of a local superintendent of legislation and petition in every union in order to gain special and exact information re law enforcement, especially in regard to the Canada Temperance Act. That we pay more attention to medical temperance.

NAMES OF OFFICERS President—Mrs. Searles, Beebe Vice-President—Mrs. Drew, Ayer's Cliff. Vice-President—Mrs. Jenkins, Smith's Mills. Sec.—Mrs. H. P. Morrill, Sherbrooke. Rec. Sec.—Mrs. McConnell, North Hatley. Fair Work—Mrs. Davidson, Ayer's Cliff. Franchise—Mrs. O. W. Brown, Fitch Bay. W. R. Leaflet—Mrs. Manning, Magog. Evangelistic—Mrs. Moore, Ayer's Cliff. Medical Temperance and Narcotics—Mrs. McConnell, North Hatley. Parlor Meetings—Miss Clara Wyman, Fitch Bay. Legislation and Petition—Mrs. Hovey, Rock Island. Flower Mission—Mrs. Hamby, Coaticook. Scientific Instruction—Mrs. Johnson, Ayer's Cliff. Peace and Arbitration—Miss Gage, Hatley. Medal Contests—Mrs. Haines, Hatley. Banner—Mrs. Fisher, Rock Island Press and Literature—Mrs. St. Dizier, Massawippi.

RESOLUTION RE TOBACCO It was moved by Mrs. Hepburn, seconded and supported by a number of ladies and resolved that, while we would shrink from interfering in the slightest degree with the comforts, the pleasures or the indulgences of the poor soldiers in the trenches—the brave boys who are fighting for

HAPPENINGS AT DANVILLE

Mr. E. E. Philbrick Sustained Serious Injuries By a Fall on Steps

HIS ARM WAS FRACTURED, THUMB DISLOCATED AND SEVERELY SHAKEN UP.

Danville, June 29.—(Special)—Mr. E. E. Philbrick met with a rather severe accident Saturday evening. He was coming down the steps of his residence when his cane slipped, causing him to fall on his hip, fracturing his arm and dislocating his thumb. He is confined to his room at present from the severe shaking up he received as well as from the other injuries. Hopes are entertained for his speedy recovery.

BARBER—COLCLOUGH. The marriage took place in St. Augustine's Church on Monday evening of Mr. Robert C. Barber, of Trout Brook, Que., to Miss Mary Jane Colclough, of Swampscott, Mass. Rev. G. H. A. Murray officiated. The ceremony was private, only a few intimate friends being present.

MASONS GO TO RICHMOND. About twenty-five members of Doric Lodge, A.F. & A.M. attended the Masonic church parade of St. Francis Lodge, Richmond, on Sunday afternoon. The day was beautiful and the trip greatly enjoyed by those who went.

NOTES. The little son of Mr. and Mrs. C.B. Cleveland received the rite of baptism in St. Augustine's Church, on Monday afternoon. Capt. H. B. and Mrs. Cleveland were the sponsors. The infant received the name of Bissell. Rev. Rural Dean Murray officiated.

A Patriotic service was held in the Methodist Church on Sunday morning. The service was well attended. Rev. Mr. Hamilton's subject was "Loyalty," which was ably dealt with. Rev. Rural Dean Murray left for Quebec on Tuesday morning. He has gone to that city for the purpose of taking up his duties as a deputy examiner of Superior Schools in the Province of Quebec.

Mr. Burns, who has purchased a lot of land on Academy street, nearly opposite the Rectory, is clearing the same preparatory to erecting a residence thereon. Dr. Brown who recently purchased the residence and practice of Dr. McKee, is moving into the house and will soon take up his residence in our midst.

The Misses Mabel and Edna Frothingham are spending a few days in Montreal the guests of Mrs. Moore.

us—if they find comfort, or solace, in the use of a poisonous weed, let them continue it (while the war lasts), and let their friends who can conscientiously do so, contribute the same; but we, as Christian temperance women, must reaffirm for the sake of our youth, our unalterable opposition to the use of tobacco.

And let us renew our endeavors to secure the enforcement of such laws as we now possess to prevent the sale of cigarettes to minors. If it is not generally known that we have such a law in our Dominion, it may be because we have grown weary in well-doing, and ceased to work for its enforcement. Meanwhile the destructive little missile is doing its deadly work in the home-field, under the seeming sanction of a sympathetic public. Its poisonous gases are being inhaled by ignorant youths as well as by unthinking men.

If they are not as suddenly fatal as the late diabolical invention of the Germans, they are known to be very effectual in undermining health and morals. Also, it was moved by Mrs. Fred Rider, seconded by Mrs. Trueman, and carried unanimously, that this convention in closing session assembled desire to express its unbounded admiration and appreciation of the services of Mrs. M. E. McCurdy, of Lennoxville, the speaker of the evening, also grateful for valuable assistance during the day sessions.

We would advise any W. C. T. U. or other Society, wishing for a logical presentation of well-arranged facts, given in a clear, rapid and concise manner, to secure Mrs. McCurdy for a lecture and also try and secure a large audience to listen to and profit by her words.

SOUTH DUDSWELL. Arrivals and departures include: Mr. and Mrs. Rob. Neal of St. Armand, and Mr. and Mrs. Archie Macintosh, of Flanders, Que., guests of their cousins, Messrs. E. F. and S. P. Orr, on Friday; Mr. and Mrs. Neal are leaving shortly for their future home in Seattle; Messrs. Lewis and Dalby Orr, Mrs. F. Anderson and Miss Maude Orr, Wednesday in Sawyerville; Mr. H. Cunningham and daughter, Miss Marie visiting in this place Friday; Miss Maude Orr the week end with friends at Fern Bank Cottage, Magog.

RANDBORO. Arrivals and departures: Mr. and Mrs. Jos. Parke and family from Boston, visiting relatives; Misses Elsie Swail and Della Speck to Lachute to attend the Teachers' Training School; Mr. Albert Bellevue from Angus for the week-end; Mr. and Mrs. F. Kent to Bury, visiting friends; Dr. and Mrs. S. T. Law from Colbrook, N.H., with Mr. and Mrs. E. Cable; Mr. and Mrs. V. Swall and family to Island Brook recently; Mr. Smiley from Lennoxville, guest of his sister, Mrs. H. Planche. The Red Cross Workers will hold the meeting in the church on Thursday at 1 p.m.

Mr. Moyman, of Farnham Centre, and Mrs. Lewis, of Warden, guests of Mr. and Mrs. Douglas last Tuesday.

Mrs. Fred Hall entertained the Guild of St. Augustine's Church on Friday afternoon. A large number were present and sewing was done for the Red Cross. Refreshments were served.

Mrs. Jas. Buchanan, Farnham Glen visiting her sister in Springfield, Mass.

WARDEN.

Mr. John Kennedy, of Minneapolis, Minn., is visiting his sister, Mrs. J. Talbot, and other relatives in this vicinity. Mr. Kennedy was born near this town, but has been absent from it for 49 years.

Miss Bryant, Principal of Knowlton Academy, visited her uncle and aunt, Mr. and Mrs. Alvin Bryant recently; Mrs. Carmi Martin guest of her sister, Mrs. A. L. Whitcomb.

Mr. and Mrs. Percy Boright gave a party for their daughter, Irene, on Friday, June 25th at their home. A happy afternoon was spent by the young people who attended.

The funeral services of the late Geo. Moyman were held on Thursday last at the home of Mr. A. L. Whitcomb. Very much regret is felt in this community for the death of so good a

man. He was one of the most useful and honorable men in the town of Waterloo, where he lived for many years, always being on the side of right. Mr. Moyman had been in poor health for a year.

STANBRIDGE EAST.

The young people of Stanbridge East gave a very pleasant surprise party in the form of a dance as a farewell for the popular young high school teacher, Miss A. C. McLeod, who is leaving for her home at Gould, Que., to spend her holidays, but will return to school here for another year; also to the very obliging assistant postmistress, Miss Sarah J. Beckwith who is leaving for her old home at Douglastown, N.B., in company with her nephew, Master Clifford Rhicard. The number and social standing of the guests show the esteem in which the young ladies are held. A dainty lunch was served at midnight and dancing continued until daylight. A very nice selection of all the latest airs was rendered by Martindale orchestra.

Meetings of the newly formed lawn tennis club were held in the Parish Hall on Thursday and Friday evenings. The club is now organized and members meet for play on the rectory lawn. The following are the executive: Miss Jessie Corey, president; Mr. W. Henderson, vice-president; Miss Hazel O'Dell, sec.-treas.; Mrs. M. Allan Cornell, official court marker, and Rev. R. Atkinson was elected on the ground committee.

SUTTON

Rev. H. Mingle, M.A., LL. B., Secretary of the Lord's Day Alliance, preached in the Methodist Church, on Sunday, in the interests of the Quebec branch of the Alliance.

Rev. Ivor Mills of East Bolton, spent two days with Rev. and Mrs. Hayden at the Parsonage, returning to Bolton on Thursday.

A resolution of sympathy was passed by the Methodist Ladies' Aid to Rev. and Mrs. Hicks, of Lennoxville, who recently lost their daughter by drowning in the St. Francis River.

Mr. Sidney Tryhorn fell from a stage on his barn Thursday, injuring himself quite badly.

A strawberry social was held at Mrs. Stephen Breesee's on Friday afternoon by the ladies of the Methodist Church.

Mr. Harry Shufelt of the Bank of Toronto staff was a guest of his aunt, Mrs. J. R. Benham, also visiting other friends in Knowlton.

All the stores of Sutton will be closed on Dominion Day.

MELBOURNE RIDGE.

Arrivals and departures include: Messrs. A. and W. Stevens to their home in Trout Brook, after a few days with relatives here; Miss G. Ewing, of Melbourne, the guest of her cousins, the Misses Stevens; Miss G. Stalker, of Granby at Mr. William Stevens; Miss M. Darby, of Granby with her sister, Miss H. M. Darby; Mr. R. Stevens to Trout Brook; Mr. Chas. Ross to Trout Durham, to attend the Nixon-Griffith wedding; Mr. R. Pariseau to Bethany by auto; Mr. J. S. Davidson to Richmond; Mr. and Mrs. Geo. Robinson visiting friends here.

Quite a number attended the ice cream social in Lower Flodden Friday evening, and report a very enjoyable time.

The Misses M. Stevens and M. Pariseau left for Lachute, Monday, to attend the Training School there.

DELIGHTFUL SUMMER DRINKS—MANY TEMPTING BEVERAGES FROM THE SAME BOTTLE.

One of the very pleasant features of a bottle of Montserrat Lime Fruit Juice is its versatility.

The ordinary Montserrat beverage is made with half a wineglassful of Montserrat, some sugar, broken ice and a glassful of water. This is delightful and quenches the thirst.

Another Montserrat beverage can be made by using soda water instead of plain water. It gives a little more snap. Golfers like it.

Montserrat can also be used instead of lemons for flavoring frozen punches and ice creams.

Montserrat is not common Lime Juice. It is pressed from fresh, cultivated limes from the beautiful island of Montserrat.

WEST SHEFFORD.

Mrs. D. L. Allen, of Waterloo, the guests of Mrs. P. M. Hayes for a few days; Mr. and Mrs. E. L. Hall, of East Farnham, in town on Saturday; Mr. August Marchessault the summer months in Valcourt, where he is assisting his uncle, Mr. Pelletier in notarial work; Rev. Mr. and Mrs. Ogden to Montreal for the week end.

The lawn social held on St. John's Church grounds, Thursday evening, proved a success, although the weather was somewhat unfavorable. The Granby Band furnished music for the occasion. The net proceeds were \$55.

Miss E. Fessenden guest of her sister, Mrs. A. Spencer, for the summer; Mrs. G. A. Barker and two children, of Springfield, Mass., the guests of Mrs. Barker's parents, Mr. and Mrs. Wm. Cunningham for a few weeks; Miss M. E. Marchessault from the Ursuline Convent, Stanstead; Miss Edith Enright from Waterloo Convent; Messrs. Victor and B. Normandin from Sherbrooke College, home for the summer holidays.

NORTH SUTTON.

D. O. E. to Install Bed in Canadian Hospital at Clivedon

WILL BE KNOWN AS THE MOONEY-HAWLEY BED IN MEMORY OF LOCAL BOYS.

Cowansville, June 29.—(Special) At the memorial service in the Congregational Church, held in memory of the late Pte. Harold Mooney, the collection, amounting to \$26.30, was to be used as a memorial for him.

This amount was handed to the Eccles Hill Chapter of the I.O.D.E., who supplied further amount necessary to install a bed in the Canadian Red Cross Hospital at Clivedon, England. The bed is to be known as the Mooney-Hawley bed in memory of the two brave boys who have fallen in the service of their country, Pte. Harold Mooney and Corp. Carleton B. Hawley.

The members of this chapter, with constantly increasing membership, are continuing their work with enthusiasm during the summer months.

Although the regular work is being continued, a large amount has been contributed to the Provincial Red Cross Society: 130 pillow cases, 10 flannel shirts, 6 bed jackets, 15 surgical bags, 1 knitted nightgale, 1 pr. knee caps, 20 rolled bandages, 25 triangular bandages, 5 T bandages, 15 handkerchiefs, 10 prs. bed socks, 9 pneumonia jackets.

The I.O.D.E. met Wednesday afternoon in Trinity Church Hall. Quite a little of the time was taken up arranging for the lawn party to be held next Wednesday evening, June 30. Mrs. R. Curley has kindly offered her grounds for the occasion, and the members are working hard to make the evening a success. Refreshments will be served, and a musical programme is being arranged for.

CONVENT CLOSED.

The Convent of the Presentation, Sweetsburg, closed for the summer vacation on Friday. The usual forms and distribution of prizes took place in the forenoon and part of the afternoon, and in the evening the pupils left for their respective homes.

WEDDING ANNIVERSARY.

Mr. and Mrs. F. X. A. Giroux celebrated an anniversary of their wedding. Mrs. Giroux entertained at dinner Rev. Mr. Lafond, her brother, who is a professor at the Seminary of St. Hyacinthe, and who made the visit for this occasion before leaving for California; Rev. Mr. Messier, Mr. and Mrs. E. P. Patenaude and Mr. J. O. L. Boulanger. In the midst of all a telegram was received from their son, Mr. L. A. Giroux, who was in attendance upon Lieut.-Governor Leblanc in Montreal, but who was unable to be present.

NOTES.

There will be a strawberry social on the Church grounds on Wednesday evening, June 30th. All are cordially invited.

You Can Distinguish A Piano made by Heintzman & Co. by its pure vibrant singing tone.

The reasons for this are well known to those who are familiar with the structure of the instrument, and with the strict methods of the Heintzman & Co. factory.

The MATERIALS : Every piece of metal with the slightest flaw, every piece of wood imperfect in its grain, or not thoroughly seasoned, is rejected—it is not tried out to see if it will do—it is not even given the benefit of a doubt.

The WORKMEN : Each workman, too, brings to his task skill of the highest order, and that skill is still further developed, and kept to the highest possible standard by the rigid discipline, for which the Heintzman & Co. factory is noted.

Its durability and the continual increase in the beauty of its tone as it ages have caused all the world-great artists on their visit to Canada to use this piano exclusively.

LETTERS TO THE EDITOR

GOOD ROADS IN ASCOT.

Sir,—In regard to the meeting of the ratepayers of Ascot, called in the Town Hall, Lennoxville, on Thursday evening, June 24, to discuss the question of improving the public roads, I wish to say that a false impression was given in the letters recently published in your columns. While all present were in favor of bringing up our roads to a first-class standard, the difference of opinion was as to the method. A few in the Council were in favor of obtaining money under the 41-year bond system; the majority were of opinion that good gravelled roads could be made on our most travelled lines, and the ratepayers on less travelled roads who had sufficient interest in good roads to give a small per cent. of gratis labor could receive small grants that would enable them to much improve their roads, instead of the large sums now expended, where labor is much higher than the standard wage of the municipality. Any wishing to dispose of their farms would not be handicapped by a 41-year mortgage.

There are three ways at present by which the Government is helping the good roads movement: By the 41-year bond system; by obtaining money by accepting Government grants, agreeing to place dollar for each dollar we contribute for the purpose of roadmaking. The third way is by getting the Government to build trunk lines through our municipality, the municipality paying less than one fifth the cost of such roads, thus securing much better roads at less cost and better grades than would be possible for Ascot to build alone.

With the last two ways the majority of the Council was in favor. One such road is nearly completed to Capelton. A request to build a gravelled road to Milby is favorably received by the Government. A third from the Experimental Farm to Megantic might reasonably be expected in the near future.

The objections to the 41-year bond system, upon which the real estate owners will vote on June 30, are that the large amount of money placed upon a few divisions would give rise to dissatisfaction among the ratepayers; would necessitate employment of foreign labor; would place a 41-year mortgage in the face of prospective buyers and would handicap any desiring to sell. Also, instead of providing for the future of our children, we shall leave them to pay a debt which we have contracted.

Every real estate owner in Ascot is requested to express his opinion on this subject at the poll on June 30.

G. G. McCURDY.

solemn service. The Rev. Father Couture will say his first Mass tomorrow at the Monastery of the Precious Blood, and the Rev. L. P. Genest will celebrate at the Cathedral.

Mrs. Norreys Worthington, of Toronto, formerly of Sherbrooke, took a prominent part in the recent "Rose Day" in the Queen City, when \$2,000 was raised for a local charity. A picture appeared in a Toronto Sunday paper, showing Mrs. Worthington in a magnificent car, garlanded from end to end with roses, and accompanied by a number of bright and pretty Toronto girls, who worked under her direction. It will be remembered that owing to Mrs. Worthington's initiative the Imperial Order of the Daughters of the Empire was founded in Sherbrooke, and she was the first Regent of the King George V. th and of the Municipal Chapters. A Toronto Chapter is now benefiting by her energy and experience.

CELEBRATION ON DOMINION DAY.

Arrangements are all complete for the celebration to be held here on Dominion Day. At ten o'clock a five-mile race will start and at half-past one a parade of decorated automobiles will take place through the streets and then proceed to the Exhibition grounds. The sports and games will start at two o'clock.

PLYMOUTH CONGREGATIONAL CHURCH.

The annual picnic of the Sunday School will be held on Dominion Day to North Hatley, leaving by the regular train of the Boston & Maine at 11 o'clock and returning at 6 o'clock by special train. Special rates for those who wish to join the excursion. The mid-week service has been withdrawn during the months of July and August.

The union services of the Methodist and Congregational Churches will commence next Sunday. During the month of July they will be held in Plymouth Church.

LATE MRS. PARE

The funeral took place Friday at St. Michael's Cathedral of the late Mrs. Joseph Pare, born Marie-Francois Savage, who passed away after a long illness at the age of 78 years.

The family of Mr. Joseph Pare came to Sherbrooke shortly after the death of the late Dr. Frederick Pare, whose home for many years was on King Street and who was one of the most widely known, skillful, and popular physicians in the vicinity. In spite of his many charities and his generosity, he left a considerable estate to his only brother, Mr. Joseph Pare, who is ill at present and who is deeply afflicted by the death of his life's companion.

The late Mrs. Pare, besides her husband, leaves five children, Mrs. L.H. Collet, Miss T. Pare, Messrs. Michel and Joseph Pare of Sherbrooke, and Mrs. Marsolet of L'Achigan.

MONTREAL LIVE STOCK MARKET

REAL GOOD CATTLE WERE IN DEMAND Owing to SHORTAGE OF SUPPLY. Montreal, June 29.—Real good cattle were in demand on the local market yesterday, and as there were none to trade the prices were stronger and showed an advance of 50c cwt. over last Wednesday's quotations. For round lots the actual prices paid were \$8.75. A few odd cattle were traded at \$8.85, and a couple of pairs of very fine steers were offered at \$9 without being sold, up to noon.

Butcher cows were selling well, and the prices were firm at last week's level. Old sheep were steady under a fair demand, but packers were taking \$1 cwt. off for bucks and culls. Lambs were steady and sold readily. Fat ewes only brought 5c lb., as they were not wanted, but those weighing 100 to 125 pounds brought 6c to 6 1/2c.

Hogs were stronger and showed an advance of 25c cwt. over last week. Calves were steady. Demand fair. Butcher steers—Very choice, \$8.25 to \$8.75; choice, \$7.50 to \$8; good, \$7 to \$7.25; and medium, \$6.50 to \$6.75. Butcher bulls, \$4.75 to \$7.50 cwt. Butcher cows—Very choice, \$6.50 to \$7; choice, \$6 to \$6.50; good, \$5.50 to \$5.75; fair, \$5 to \$6.25; poor to medium, \$4.50 to \$4.75 cwt.; milk cows, \$3.50 to \$1.00 each.

Sheep—Old sheep, choice, 6c to 6 1/2c; fat ewes, 5c; lambs, 4c to 11c, and bucks and culls, 4c to 5c lb. Hogs—Selects, \$9.65 to \$9.75; roughs \$9 to \$9.25; sows, \$7.65 to \$7.75, and stags, \$4.50 to \$5 cwt., all weighed off cars.

Calves, each, \$2 to \$10, according to size and quality.

TORONTO CATTLE MARKET. Toronto, June 29.—In spite of a heavy run of cattle at the Union Stock Yards yesterday, trade was active and stronger, with buyers from local abattoirs and outsiders buying freely. Lambs were active and sold 25 cents higher. Sheep not enough buyers to make a market.

Receipts: 2187 cattle, 106 calves, 181 hogs, 306 sheep. Butcher cattle, choice, \$8.25 to \$8.75; do., medium, \$7.25 to \$7.75; do., common, \$6.75 to \$7.25; butcher cows, choice, \$7.25 to \$7.75; do., medium, \$6.50 to \$6.25; do., canners, \$4 to \$4.25; do. bulls, \$7 to \$7.50; feeding steers, \$7 to \$7.25; stockers, choice, \$6.50 to \$7.25; do. light, \$5.50 to \$6; milkers, choice, each, \$65 to \$90; spring choice, \$50 to \$85; sheep, ewes, \$6 to \$6.50; bucks and culls, \$4 to \$5.50; lambs, \$11 to \$11.75; sows, off cars.

BOARD OF TRADE MEETING

The second three-quarter hour meeting of the Board of Trade will be held at the Art Hall this evening, and it is hoped that the members will turn out in good numbers.

The circular letter recently sent out to all the members with regard to the small attendance at the last meeting has promoted a storm of comment. From some quarters this is favorable, while from others it is very critical. Some of the letters which have been received will be read at tomorrow's meeting, and the situation of the Board and its possibilities, together with its merits and its failings, will likely come in for a very interesting discussion.

If the day is very warm necessary steps will be taken to have the Art Hall properly cooled off.

The meeting will begin sharp on time at five o'clock and will end at a quarter of six.

ST. PETER'S SUNDAY SCHOOL.

The annual picnic of St. Peter's Sunday School and the West Side Mission was held Saturday at Victoria Park and was one of the most successful in the history of the school. Over 150 members of the school, with all the teachers, assembled at the Church Hall at 1.30 p.m. and immediately boarded three special street cars, which had been chartered, for a ride to Lennoxville, around the city and to the Park, which is now at its summer best and looked cool and attractive. An exciting programme of sports had been arranged by the Rev. W. H. Moorhead and his assistants, which was joined in by the children with the greatest enjoyment, both girls and boys participating. Prizes were awarded to everyone's satisfaction, and the winners were applauded by the spectators, including many grown-ups, parents and friends, who had been specially invited to join the pleasant party.

Towards five o'clock an ample and substantial tea was served, provided by the teachers, long tables being laid, decorated with wildflowers, fruit, etc. The feast was crowned with ice cream, and the older visitors were also served with nice refreshments, which were heartily appreciated. After tea a little more play was indulged in, and the street cars again conveyed a happy company, this time to their homes after a charming outing.

Berlin, via London, June 28.—(Special)—The town of Halicz, in Galicia, on the Diester river, has been occupied by German troops, according to the announcement given out today by German military headquarters.

RUSSIAN FORCES RETIRE.

Petrograd, June 28.—(Special)—The Russian forces have retired to the Grila Sipa river. This river flows south from above Rohatyn, branching from the Diester river near Halicz, and with steep banks and bluffs provides admirable facilities for defence. Further eastward the Zelota Lipsa, another tributary of the Diester and paralleling the Grila Lipsa at a distance of 15 miles would, in the opinion of Russian critics, offer even a stronger obstacle to a German advance, since besides having natural advantages it is supported with a good railroad line.

The most important point of the present front is that portion of the Vistula, just north of the river San. Here the Germans in considerable numbers are attempting to force the river, and by so doing flank the Russian positions along the Tanew, which as yet have shown no signs of yielding to the frontal attack.

nasium Class combined with the Committee men took place. Seven autos lined up in front of the building at two o'clock and were speedily filled by thirty-one enthusiastic men. The joyful aggregation motored through Lennoxville and Eustis to North Hatley, where they took possession of the baseball diamond and lined up two formidable teams. The game was most exciting and the sides were evenly matched as far as errors were concerned. One of the star performances of the afternoon was a single somersault made by Mr. G.L. Platt, who tripped him up and landed him unscathed on his solar plexus during a rush for the home plate. Referee Neilson ruled Platt safe, and LePan out of further danger. Another star performance was enacted by Mr. E. J. Page, the official scorer, who managed by the rules of high finance to keep the score fairly even. At the end of the 9th inning the score stood 15 to 15, to be played off next year. This game was followed by a visit to Glen Villa where wild strawberries were picked and enjoyed, after which the party motored to Fairview Inn where something more substantial was very ably provided by the management, and after a sumptuous supper and a few remarks by the President, General Secretary and others, the party retired to the autos for the return journey, which was made along the new Sherbrooke to Stanstead highway, arriving home about 8.30.

WINDSOR MILLS WON ANOTHER. Windsor Mills, June 29.—(Special)—Windsor defeated Capelton here in a regular league fixture, on Saturday afternoon, by a score of 9 to 8 in a very exciting game. The feature of the game was the brilliant fielding of the Capelton outfielders, who robbed the Windsor batters of safe hits several times. Landry, Windsor's catcher and most dependable batter, had his thumb broken in the fifth by a foul tip. His absence will be considerably felt by the Windsor team as he will be out of the game for the rest of the season. Stevens' home run in the 4th was one of the longest hits made here this season.

The line-up was as follows:—Capelton Windsor

GOLF

The winner of the medal play handicap match at the St. Francis Golf Club held on Saturday was Mr. D. L. Herbert, who turned in a card of 67 net. The above was the result of the contest in the first division for players whose handicaps are under 15. Entries in the second division did not fill.

Considerable interest is being manifested in an innovation for this club, which is an innovation for this club. The ladies also are arranging a similar event. Those desiring to compete should append their names to the chart at the club house especially prepared for them.

On Thursday, Dominion Day, the qualifying round for the Turnbull cup (Medal play) will be played, the eight best net scores to qualify. The semi-finals and finals will be run off as soon as possible after that date.

It should be able as well to render important service in connection with arrangements for overseas transport, and for banking facilities necessary for foreign trade.

It is proposed to open an office at once in London and also in Russia, to get in connection with war business, while laying the foundations for a permanent export business as soon as shipping conditions may make itself possible.

Plans are also being made for adequate representation in other parts of the British Empire. We have reason to hope that the preferential arrangements now existing with New Zealand, South Africa and some of the West India Islands, will soon be extended to embrace all other British Dominions.

This new organization appears to me likely to be one of the biggest factors in our prosperity during the next few years. As I stated earlier, we are getting along fairly well in Canada despite the war. But unless we are equipped to jump into the foreign markets on the conclusion of the war, then we will suffer from a reaction which will be most severely felt. The prevailing high prices will go down with a thud; we will take stock of our added obligations and I fear, the prospect will, to many of us, be alarming. Therefore, while I think we have so far weathered the storm very well indeed, we must very carefully prepare for the future.

We cannot rest on our oars, in the simple hope that the prosperity of the past years will return. We must make such preparations as will place us industrially in a strong position no matter whether times be good or ill. I heard a friend remark the other day that a man was a fool to buy an industrial stock. That is a dangerous feeling to get abroad.

In conclusion I will state the lines of endeavor which I think a manufacturer should follow assiduously today:

- 1 Reduction of costs
- 2 Research work relating to our resources
- 3 Strengthening his position in the home market by aggressive advertising.
- 4 Export trade

These lines are being urged among the manufacturers. They are investi-

ACTION WAS PRESCRIBED

Lumber Company Sued For Sum Alleged to Have Been Overpaid

DID NOT FIND OUT ALLEGED ERROR UNTIL SEVEN YEARS AFTER THE SETTLEMENT.

In the Superior Court this forenoon judgment was rendered by Mr. Justice Hutchinson in the case of the St. Maurice Lumber Co. against R. B. Scott et al., Scotstown. The plaintiff claimed the sum of \$540, which it was alleged was overpaid the defendants in payment of a lumber transaction in 1900. It was stated for the plaintiff that the error was not discovered until the 7th of January, 1907, and the action was not instituted until the 24th of July of the same year.

The defendants pleaded that they did not owe the money; that the partnership which then existed had been dissolved, and, further, that they were in no way liable for the amount sued for.

The Court held that the action of the plaintiff was prescribed by lapse of time, to wit, five years, before it was instituted. The action was dismissed with costs.

WATER ROSE ALL DAY AND AT MIDNIGHT WAS 38 FEET ABOVE LOW WATER MARK.

Edmonton, June 29.—(Special)—Flood conditions on the Saskatchewan river here at midnight were practically unchanged.

The river rose gradually all day, and at 11 o'clock was 38 feet above low water mark.

All the low land in the flats surrounding the city are covered with water and it is estimated that eight hundred families, mostly of the poorer classes, who live in shacks along the river banks, are temporarily homeless.

EXHIBITION OF PAINTINGS AND GARDEN PARTY ON WEDNESDAY AFTERNOON.

Whatever the weather, plans will be carried out to make a great success of the exhibition of paintings and garden party at 56 Dufferin Ave., Wednesday afternoon and to turn over a generous amount to the Red Cross Fund.

A finer private collection of paintings is not to be found outside of the larger cities, and it is a generous

thought of Mr. Morey to put these on view for the benefit of the Red Cross. The beautiful garden in the rear offers an unusual setting for a Garden Party. Refreshments will be served there. Sweet music of mandolins and guitars will add to the scene and a large attendance is anticipated. Admission twenty-five cents. The committee in charge is working hard and hope that they will be able to hand in a generous amount of money to the Red Cross as a result.

NO NEWS FROM MEXICO CITY

Washington Has Not Heard For Six Days, And Then Conditions Were Serious

MEXICAN CAPITAL IS CUT OFF FROM TELEGRAPH COMMUNICATION WITH OUTSIDE WORLD.

Washington, June 29.—(Special)—For practically six days there has been no word received here as to what has happened in Mexico City.

Latest news came to Vera Cruz by courier and reached here several days old, when conditions were described as extremely critical. What has happened since then no one knows, because the Mexican capital has been cut off from telegraphic communication with the outside world.

The aid advised that the Zapatistas had defeated General Gonzales and taken a good deal of ammunition and other military supplies.

It is feared here that the fighting may have been carried into the capital, thereby jeopardizing the lives of foreigners.

ed an amendment that Boudreau be reinstated.

This amendment was not seconded.

Ald. Denaull wanted some information as to the new applicant was to work as foreman also. If he was satisfied he was capable and no injustice was being done to an older man, well and good, but he would second Ald. Edwards' motion unless he got some information that the man was really worth \$21 per week.

Ald. Fortier said the committee took the view that Boudreau was a good man and understood the electric apparatus very well, but for the last two or three years he had caused a lot of trouble and he had been warned. He left at the beginning of May without giving notice, and now made a new application. It looked as though he thought the city could not get along without him. The young man now recommended was a good electrician and first-class mechanic.

Ald. Edwards said he had a precedent for making his amendment in the case of Chief Couture, who was being paid \$800 less per year than former Chief Hebert. However, as Bourque pretended to be an expert electrician and worked seven days a week, he would alter his amendment.

Ald. Denaull agreed to the alteration. On the amendment being put to read \$18 per week.

Against—Genest, Fortier, Braut, Gauvin and Tetreault.

The main motion was carried on the same division.

CLAIM FOR DAMAGES.

A notice of claim for \$600 damages was read on behalf of Onesime Simard, who alleged his property on Alexander street had been damaged by the sewer emptying into the cellar. Referred to sewer and road committees.

PERMANENT ROAD WORK.

The council adopted a report of the finance committee approving of a by-law for a loan of \$9,000 for permanent work on roads, to be expended as follows:
Improvements on King, Galt and Brooks street..... \$7,200
Gully tops to be used on streets..... 500
Repairs to city property on Galt street..... 1,000
Sidewalks and improvements on Strathcona Square..... 300

Ald. Forest subsequently introduced the by-law which was read a first time and left on the table.

WAGES OF POLICE AND FIREMEN

Ald. Genest mentioned the names of the men in the Police and Fire departments who were entitled to an advance this year under the schedule prepared by the late Chief Hebert and ratified by the Council. It was stated that owing to changes in the departments no new appropriations were necessary. Referred to Finance Committee.

GRANT TO EXHIBITION

A recommendation of the Finance Committee that the sum of \$3,800 be set aside for a grant to the E. T. A.A., providing the City Solicitor advised it was legal to do so, was adopted.

THE SALARY TAX

The Finance Committee presented their report upon the petition recently presented to the Council against the salary tax. The report reads:—

"The petition from several ratepayers asking the Council to consider the cancelling of sections 7 and 8 of the by-law regarding salary tax was considered.

"Whereas the revenue from salary tax has been included in the appropriations for the current year, your committee cannot recommend that the tax be cancelled but recommend to the Council that the Secretary Treasurer make another request for the statements required regarding salary tax, and if they are not received that the city solicitor be authorized to issue an ultimatum calling for their books to be open for the city's inspection."

The report was adopted.

AUTHORITY TO BORROW

A resolution was passed authorizing the Mayor and Secretary Treasurer to borrow up to \$20,000 against current taxes.

Germany Notified of Departure of Vessels Carrying Passengers and American Flag

THIS IS DONE SO THAT THERE MAY BE NO REPETITION OF ATTACK AS TOOK PLACE ON GULF LIGHT

Washington, June 29.—(Special)—The United States has adopted the practice of notifying the German Admiralty through Ambassador Gerard of the time of departure of every passenger ship sailing the American flag and approximately the hours during which it will pass through the war zone.

This precaution is being taken in order that German submarine commanders may be on the watch for American vessels and prevent a repetition of the attack upon the tank-ship Gulf Light, which was torpedoed by a German submarine commander, who supposed the vessel was a British ship because it was in company of two British patrol boats and the American flag was not observed until after the torpedo had been fired.

Mayor for a further period of three months.

THE NEW GAS PLANT

The Council accepted the report of the Finance Committee as follows:— "Your committee recommends the acceptance of the Gas and Electric Department's statement of revenue available for the erection of the proposed new gas plant, providing same is satisfactory to the city solicitor."

ROUNDABOUTS ON SUNDAY

Ald. Edwards drew the attention of the chairman of the Police Committee to the recent installation of merry-go-rounds on the Magog River bank near the Paton Mill, which were reported to be operating on Sunday. It was all right to run them on week-days, but not on Sunday, and he had great sympathy with the working men living near who were annoyed by the noise on that day.

Canadian Box and Shook Mills Ltd. Gets Exemption From Taxation For 10 Years

NO POLL DEMANDED AT RATEPAYERS' MEETING—PROVISIONS OF THE BYE-LAW

The meeting of the real estate owners of the city to decide if a poll be held in connection with the bye-law to grant exemption from taxation for ten years to the Canadian Box & Shook Mills Ltd., was held this morning at the City Hall.

At seven o'clock no demand for a poll had been made and the Mayor therefore declared the bye-law duly carried.

Under the provisions of the byelaw the company is to erect a factory on lot 943 in the North Ward at a cost of \$10,000 to \$15,000, pay annually in wages the sum of \$12,000, and employ 30 hands and over.

The negotiations with the company were carried out through Mr. W. Robinson Browne, of Berlin, N.H.

QUALITY **RICHARD'S DRUGS** SERVICE

TO WHOM IT MAY CONCERN

When you employ a physician you doubtless select the one that you think the most capable.

After he has studied the case and decided just what remedies are required to relieve the trouble, he probably writes a prescription for you to have compounded.

It is then your privilege to again exercise your best judgment as to what pharmacist shall prepare the remedy.

The fair-minded physician will not attempt to influence you in this decision, that is purely a matter for your own judgment. No reliable physician will ever question your right to choose the druggist who is to supply your drugs and fill your prescriptions. Whenever an attempt is made to deny or thwart this right, some one is thinking more about your money than your health.

The physician quite likely will write the prescription on whatever blank he has at hand; perhaps on one we have furnished or on one supplied by some other pharmacist.

This is not to influence your choice, because it is your privilege to take the prescription to the pharmacist upon whose blank it is written or to any other.

If it so happens that for your convenience the physician is to telephone or leave your prescription to have it sent up, it is your privilege and your right to instruct him as to what particular drug store you want your medicine to come from.

A prescription brought to us is certain to be compounded in the most scientific manner possible.

We fill prescriptions without fear or favor. We give no commission, prizes, premiums or rake-offs to physicians. Our prices are based upon the cost of the ingredients, the time and skill required to compound them, so that if you bring your prescriptions to our pharmacy you are certain of a superior quality of service at the most moderate cost. Hoping to serve you in this connection as well as whenever you have need of anything in the drug line,

We remain,
Yours very truly,
GUSTAVE RICHARD.
