Historical Society Honorary President

At their last meeting the Pontiac Historical Society unanimously elected Richard Earl Dagg, D.D.S. as their Honourary President.

A former practising dentist in Shawville, Dr. Dagg was born and raised in Clarendon.

His wife is the former Nellie Imison of this Village.

Graduating from McGill in 1927, Dr Dagg has for many years occupied a Chair in Dentistry in that institution. He was honoured a few years ago by a Fellowship in the Canadian College of Dentistry.

Dr Dagg has always been a keen student of local and Irish history as well as being an accomplished genealogist.

The Society meets next Monday at Pontiac Protestant High School.

Nova Scotia students coming to Shawville on cultural exchange

Fifty-three visitors are coming to Shawville for a two day visit on Tuesday, May 8th. The group is made up of fifty, Grade 11 students and three teacher and parent chaperones from Baddeck, Nova Scotia. The group is on a ten day tour that will take them to Halifax, Quebec City, Montreal and Ottawa as well as Shawville.

During the fall and winter they worked at various projects and raised $3,000 themselves. The balance of the money needed was provided by a travel grant from the Youth Branch, Canadian Dept. of Citizenship.

One of the provisions in receiving such a grant was that the group spend some time in a community somewhat similiar to their own.

To that end, and as they had a contact with Mr George Stones, Shawville was selected.

While here the group will visit Hilton Mines and the Chenaux Hydro Dam among other places.

The group will arrive Tuesday afternoon and leave Thursday morning. Students at Pontiac High School will be asked to billet these visiting students in their homes. Hopefully enough billets will be found in homes. If this is not possible the visitors will use sleeping bags on the gymnasium floor at the High School.

Mr M. Macdonald teacher in charge from Baddeck is most anxious to have an opportunity to host a return visit from Shawville should the opportunity arise in the next year.

Fire extinguished by alert citizen

Quick thinking on the part of Neil Sharp saved the day for the Devine family on Monday afternoon when their car took fire on Center Street in front of the Pontiac Printshop in Shawville.

Earl Devine and his wife and mother-in-law and daughter and son-in-law and also his son Andy of Andy's Music Store, were all passengers in their station wagon when its engine suddenly burst into flame.

Neil raced to the scene with a fire extinguisher and put out the fast burning blaze before it got to the gas tank and even before the Devine family had all vacated the vehicle. Andy who is paralyzed from the waist down, was carried out by his brother-in-law, Ernest Gregory.

Within five minutes the confusion was all over and Neil was back at work setting type for this issue of THE EQUITY. This was the second time that his fast work with the extinguisher has prevented what could have been a serious calamity in Shawville.

Pontiac Fish and Game Protective Association now restocking lakes

The first official trout stocking of Kelley's Lake on Calumet Island took place last Saturday, April 12, by a group of people interested in conservation in Pontiac County.

After years of discussion by the Pontiac Fish and Game Protective Association a total of five thousand speckled trout were finally placed into the lake. This was done under a Quebec Department of Tourism, Fish and Game stocking permit.

To bring this project to fruition took the work and co-operation of many people.

The Pontiac Association purchased forty bushels of grain and distributed it to starving deer in the Ladysmith area during the winter months.

Also during 1972 the Association constructed and distributed 48 duck houses throughout the County and another four dozen are under construction for 1973 distribution.

Later this year several bushels of Giant Wild Rice will be purchased for fall planting in various duck marshes throughout the County.

Working with Quebec Department during 1972, the Pontiac Association arranged for the inspection and stocking of Tulip Lake, Lawless Lake, Leslie Lake, Claude Lake and the Pickanock River.

Recent negotiations with the Department have resulted in ten more lakes to be inspected during 1973 for a possible stocking during 1974 or 1975.

The executive of the Pontiac Association feels that it would be in the best interests of sportsmen and sportswomen throughout the County to support their organization and they solicit membership from individuals or other clubs and groups now organized.

The Pontiac Association is strongly established and has made important contacts with Government officials and boards.

President of the Pontiac Fish and Game Protective Association is Kevin Stanton and the Membership Secretary is Don Kucharik, who just happens to hold the only Quebec Games medal in Pontiac, won for marksmanship. Don is proprietor of the Shell Station across from the Oasis Motel on Highway 8 at Bryson. Membership in the Pontiac Fish and Game Protective Association is $3.00 a year.

Portrait of whole town

For the first time ever, anywhere, a town is going to have its portrait taken.

And where better than Shawville for this innovation to take place; and when better than in its Centennial year?

Every resident of the Village of Shawville is invited to be in this town portrait which will become the most valued souvenir of the entire year. Arrangements will be made to have enlargements made so the two thousand people will be distinguishable.

The portrait will be taken on the first Sunday in June unless it is raining, in which case it will be the next fair Sunday.

Everyone will be asked to come to the Shawville Centennial Park on Highway 8 beside Young's Carwash where they will be told by a team of ushers exactly where to stand so that everyone will be seen in the picture.

The photographer will take the picture as soon as everyone is in place. If everyone co-operates the portrait should not take too long. It is estimated that it will take until four o'clock at the latest, providing everyone arrives at two.

Everyone is to wear their normal modern clothes, not old fashioned costumes. This is to be a portrait of Shawville in 1973.

More details of this town portrait will be published in the weeks to come.

Centennial banquet for 75's and over

Shawville Centennial will entertain the older citizens of the village at a Centennial banquet to be held on Wednesday, June 6th at six o'clock in the United Church Hall.

To be sure they don't miss anyone, the committee is already collecting names of people who will be 75 years or older on that date. The names should be sent to the town clerk, Mrs Dale, at the Town Hall as soon as possible.

Attending the banquet, along with the guests and their escorts, will be various local dignitaries and a prominent guest speaker. Escorts will not be required to be 75 or older and where there may be an elderly citizen who has nobody to accompany him or her to the banquet, an escort will be provided.

It is the intention of the Council that every person who has reached the three-quarter century should be at the banquet if it is at all possible.

Transportation will be arranged if necessary.

New hymnals at Quyon United Church

Easter Service at Quyon United Church took on a special significance with the dedication of a full complement of the new hymn books recently approved for use in all Anglican and United Churches in Canada.

These hymn books were made available through the generosity of over forty members and past members of the congregation, some of whom are long since removed from the area. Yet all responded generously, many donating sufficient for the purchase of several books. These are inscribed on the fly-leaf with the donor's name and in most cases in memory of some loved one or some one who contributed much to the life of the church and the community.

Mrs S. Wyman MacKechnie, president of the U.C.W., on behalf of the donors, presented the books to the minister, Mr Max. Priesler, who accepted them on behalf of the church. After the dedication ceremony four young men ushers gathered the old and time honoured Hymnarys, reverently placing them at the rear of the church while the girls from the choir, descended into the aisles distributing the new hymn books to the pews. From that point in the service the anthems and hymns were from the new books, as will be the case in the future, thus marking the beginning of a new era in church music.

Ayrshire Day at Campbell's Bay

by: W.S. MacKechnie.

Bonnie Elms Farm of Crawford Bros, Campbell's Bay was the scene of the Pontiac Ayrshire Club's annual barn meeting, Tuesday of last week.

Over 200 turned out to inspect this herd, one of Canada's most outstanding, consisting of over 80 high producing milk cows, many of which are classified "Excellent" or "Very Good" and housed in, what is perhaps, the most modern dairy barn to be found anywhere with immaculate milk room containing bulk tank and other milking equipment, the reception room or office panelled in knotty pine from which was dispensed coffee, donuts and cheese, courtesy of the Pontiac Ayrshire Club, the Western Quebec Milk Committee and the Crawfords.

As the visitors viewed all this and the two long rows of spotless milking cows in the 220 foot long barn, the walls of which are lined with white metal and a deep red metal ceiling with three continuous rows of florescent lighting, fresh air perfectly regulated and thermostatically controlled, they must have been impressed by the degree of comfort, and provisions for health afforded the cows at Bonnie Elms Ayrshire Farm and the quality of milk produced there.

Mr R Roy Simmons of Memory Lane Farm, Finch, Ont president of the Ayrshire Breeders Association of Canada, was the guest speaker. He joined with all the others in congratulating the Crawford family on their fine herd and its ideal accommodation. He went on to outline some of the programs currently being conducted by the National Association, referring to the many high milk producers in the Ayrshire breed at the present time, many of which have surpassed all previous records.

He was introduced by S. Wyman MacKechnie, who is a past president of the Ayrshire Breeders Association of Canada and one who has known Mr Simmons since he was a boy and has followed his carreer with the greatest of interest, noting his great achievement in the show ring and in breeding high producing cows.

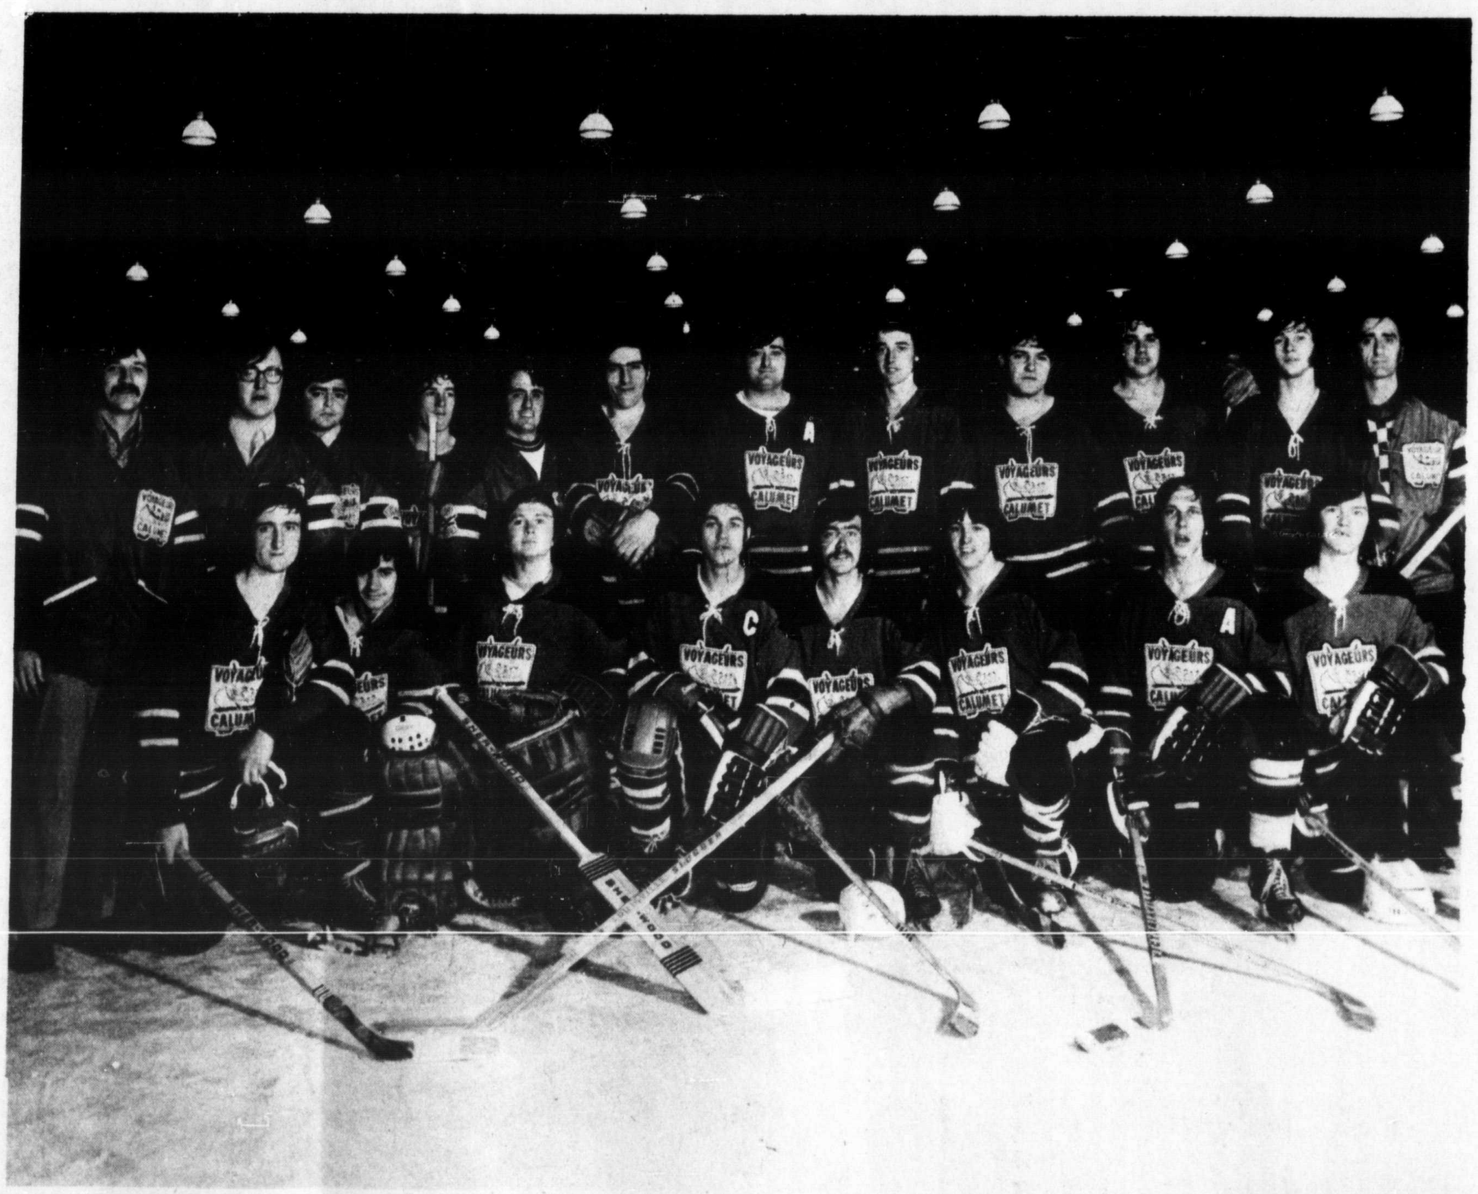
President Simmons was thanked by Benson Moffat, president of the Pontiac Club and the one in charge of the entire program. Other speakers included Mr Doug MacMillan, agronomist for Pontiac County.

Mr Simmons, a nationally recognized Ayrshire judge, conducted the judging competition, the results of which were compiled by Ronald MacKechnie, secretary of the club, assisted by Mr Robert Dalton, of the Quebec Department of Agriculture. First prize in the mens class went to Terry Knox, winning the model Ayrshire cow donated by Harry Wilson of Pembroke. Runners up included Donnie Duff, Ronnie Russell, and Bruce Schock. In the ladies division Mrs Ronnie Russell was the winner with the prize for the boys going to Calvin Johnston.

Grant Russell was awarded a special prize for coming highest in Canada in the 4-H section of the All-Canadian Ayrshire Judging Competition recently conducted by the Ayrshire Breeders Association of Canada.

Door prizes were won by Isidore Lance, Bill Crawford, Sharon Scullion, Garry Graham and Donat Lance.

Donors of trophys and prizes included Harry Wilson and Earl Saar of Pembroke, Advanced Farming Systems Ltd, Shawville Milling Co and Russell Service Centre of Shawville and Harold Wilson and Dubeau's Service of Campbell's Bay.



CALUMET ISLAND VOYAGEURS

The members of the Calumet Island Voyageurs played in the finals for the PONTIAC CUP which was eventually won by the Bryson Braves. This young team, managed by Bruno Meilleur, promises to their fans that they will be winning the cup in the very near future. They are, left to right, standing, Jean-Marie (Johnny) Gauthier sec. treasurer, Bruno Meilleur manager, Claude Gauthier, Michel Pieschke, Philippe LaSalle, Etienne Mantha, Germain Asselin, Jackie Hamelin, Denis (Hoss) Newberry, Rémi (The Man) Ryan, Gérald Pieschke, Marcel Pigeault instructor-coach, and in the front row, left to right, Damien Mantha, Joe Pieschke, Raymond Bérard, Arnold Pieschke, Al (Mozart) Boisvert, Bobby Gauthier, Michel Lemay and André Newberry. Absent when the photo was taken was Gérald Lemay. Andai Photo.

CO-OPERATION ESSENTIAL FOR EITHER PLAN TO WORK

Two good things are now happening about unemployment. The Province of Quebec has reorganized its system of welfare payments and is emphasizing getting welfare recipients back into the labor force wherever possible. Also the Government of Canada has instituted a great program to help people receiving unemployment insurance to find jobs.

These two programs will work well on one condition, and one condition only. This condition is the co-operation of the officials at all levels.

Co-operation between welfare and unemployment officials would seem simple enough. All they need to do is communicate regularly, permit crossfiling of cases and access to information. If they are conforming to the intent of their positions as well as the letter of the law, they will find co-operation possible.

There is no room in these fields for officials whose interests are anywhere else but with their clients, that is to say the public, and their employers, again the public.

WHAT WILL YOU DO WITH YOUR DAYLIGHT SAVED TIME?

Shorter mornings and longer evenings start this weekend. Daylight Savings Time, as usual, will get everyone to church on time, or maybe an hour late, depending on whether they changed their clocks on Saturday night.

By Monday morning we should all have settled into the new routine and all will be well for another six months.

The summer time is not so marvellous for morning people who would prefer extra early daylight to get all sorts of things done but it's great for night people. Everyone can be pleased.

Given an extra hour of daylight after supper, lets hope we use it well. We hate to keep harping on that same old corny "What are you going to do for Pontiac this week?" but then, with an extra hour in every day there's seven hours a week. Some of them might be spent for the benefit of the area, or even just thinking about it!

BIRTHDAY BEAUTIFICATION

Expecting visitors for the birthday party in July, Shawville is putting on its best. To help property owners in the big cleaning job which must come before the fixing up and painting up the Shawville Council will make its truck available during Wednesday, Thursday and Friday on May 2, 3 and 4.

This special collection will be for heavy garbage not usually picked up at the regular garbage collection days. Anything to be picked up should be placed at the street line in front of your property.

Sportifs Outaouais mercredi le 25 avril

L'association des professionnels de l'activité physique du Québec rendra visite aux professionnels de la région de l'Outaouais mercredi le 25 avril prochain.

En effet, dans le but d'informer les éducateurs physique, animateurs de sport, entraîneurs, administrateurs du sport amateur, l'A.P.A.P.Q. déléguera ses têtes dirigeantes à Hull, M. Rodrigue Langevin, président de l'association; M. Jean Lafleur, directeur de l'information; M. Justin Bournival, président du congrès de l'APAPQ 73, seront présentés tour à tour pour dessiner les grandes lignes et les dossiers que mènent l'association et présenter le tableau du prochain congrès. M. Jean Pierre Faubert, responsable de la division plein air de l'association annoncère la tenue de prochains stages et les interventions que la division apportera lors du congrès et pour les mois à venir.

A cette occasion la population intéressée au sport amateur et à l'activité physique pourra rencontrer l'exécutif de la Commission Sportive Régionale qui sera alors représenté par M. Pierre Gagné, président et les deux vice-présidents, M. Marc Grégoire et M. Jean Pierre Faubert.

La Commission, nouvellement créée et qui s'avérait un voeu des secteurs scolaires et municipaux, dressera les grandes lignes d'action qui l'animent et presentera les dossiers qu'elle a déjà en main soit les Jeux du Québec et l'aménagement des plateaux sportifs dans l'Outaouais.

C'est donc un rendez-vous mercredi 25 avril à 4:30 p.m. à l'école Gamelin un rendez-vous qui s'adresse tout spécialement aux éducateurs physiques, aux administrateurs et animateurs de sport, aux membres des organismes de loisir et tous ceux que l'activité phsique et "le sport amateur" intéressent.

Nous profiterons de cette rencontre pour remettre un méritas "APAPQ", à une personne qui dans la région à su consacrer ses énergies et son temps à la cause du sport amateur et de l'activité physique.

N.B. L'Ecole Gamelin est situé tout près de l'hopital Sacré Coeur 250, boulevard Gamelin, Hull, Québec.

* Prime Minister Trudeau and Mexican President Luis Echeverria signed an agreement to promote trade and investment between Canada and Mexico, at the end of the President's five-day visit.

* After the House of Commons Committee on food prices tabled an interim report recommending the establishment of a special review board to monitor and publicize price increases, Herb Gray, Consumer Affairs Minister, stated that the report deserves priority consideration by the Cabinet.

* Hon. Marc Lalonde will be holding meetings with his Provincial Counterparts in the welfare field this week in a cross-country tour. These meetings will consist of an exchange of views regarding Federal Government proposals in advance of the Federal-Provincial Conference on Welfare in Canada, which will be held in Ottawa, April 25th, 26th, 27th. The meetings are an important part of the total review of Welfare Programs in Canada as outlined in the speech from the Throne.

* According to Health and Welfare statistics released on March 30, a total of 8,958 illicit narcotic users were known to the Department in 1972. The important factor seems to be the decline in the number of users of hallucinogens. In 1970, a total of 3,399 new users of hallucinogens were know by the Department in comparison with 2,411 in 1972, a reduction of almost 30%.

* Health and Welfare Minister Marc Lalonde announced on March 30 that the Federal Government has agreed in principle to provide financial support for a guaranteed income experimental project to be carried out in cooperation with the Province of Manitoba. The Federal Government will provide 75% of the cost, Manitoba 25% and will be responsible for the operation of the project. Mr. Lalonde stated that this reflects the interest that both governments have in testing the impact of guaranteed income plans. The Manitoba project will study the impact of such a plan on work-incentive and how income-tested programs can be efficiently and fairly administered. The Manitoba project will be the first major social experiment in Canada in the field of guaranteed income.

* Alastair Gillespie, federal Minister of Industry, Trade and Commerce said: "We believe that it is important we bring industry to underdeveloped parts of Canada so that Canadians don't have to come to our already overcrowded industrial centres in search of work". He listed three of the Federal Government's fundamental commitments.: 1: That Canada must have a strong internationally competitive manufacturing sector. 2: That people in all parts of our country should share in our economic wealth. 3: That Canadians should have greater domestic control over our own economy.

* The Consumer and Corporate Affairs Department in Canada is relatively new. It was created by the Liberal Government in 1967. It is interesting to note that Canada is the only country in the world, except for Norway, that has a full-time scale department of consumer affairs at the national level headed by a cabinet minister. In addition to making legislation and promoting information programs, the Federal Government has created a central mailing point, "The Consumer, Box 99, Ottawa".

* Agriculture Minister Eugene Whelan announced today that the demand by farmers for long-term mortgage loans from the Farm Credit Corporation showed a record percentage increase in the fiscal year ended March 31, 1973.

- Quebec: 862 loans for $21,968,100 48% increase. -

* New growth stimulant for beef cattle proven effective: A growth stimulant implant for beef cattle, recently approved for use in Canada, should be a welcome aid to cattlemen, according to research by Agriculture Canada. The newly-approved product is called "Ralgro" It can be used as an implant to increase rate of gain in suckling and weaned beef calves, growing beef cattle, feedlot steers and feedlot heifers, but is not to be used in breeding animals or veal calves. ...and in the morning

She was a beautiful woman, and had been vain,
So she lifted the hem of her soft blue robe from the dew
As she and the other women came to the tomb,
On the morning after the Sabbath day of the Jew.-

But the stone was gone, and a Being
In white robes rimmed with gold, sat by the tomb.
'He is not here; He is risen,' the echo rolled,
And echoed and rolled away in the garden's gloom.

So Mary stood and wept. Forever gone?
He who had lifted her up from her sin's despair?
Only the week before she had anointed His feet,
Wiping them carefully dry with her own red hair.

(For she had lain in the dust while they howled like wolves -
Howled for her blood like wolves on that dreadful day-
-'Til,' He who is sinless among you, cast the first stone'
He said: and they slunk away.)

' Mary', soft as a whisper. She turned, but she knew Him not,
For under the olives the dark was not yet in retreat-
'Do you not know Me, Mary?' She knew Him then.
'Rabboni !' cried Mary, and fell at the Master's feet.

Oh ye who mourn at the grave of a vanished hope,
Or weep in the long night watches, remembering shame,
Ever amid the darkness, keep still a listening heart,
That ye, as Mary, may hear when He calls your name!

Whenever you are thinking how hard it is to be bilingual, think of 110 year old Caesar Paul who is trilingual, speaking English, French and Algonquin with equal ease!

Wouldn't it be lovely if we could give as much enthusiasm to other people's projects as we wish they would give to ours! Wouldn't it be marvellous if we could support plans for development in neighboring towns for the benefit of the whole area! Wouldn't it be great if denominational, linguistic, economic and other differences could be overcome long enough to do some of the things which can't be achieved without total co-operation? One Pontiac is the dream-could it become a reality?

Like the visitor to Ireland said, "All they have here are Catholics and Protestants; where are the christians?" We might well ask, "Where is the Pontiac man of 1973?"

A former Vancouver Lions Football player, Nick Krushniski, will be in Shawville to-night. He will be telling of his Missionary activities in Tiawan (Formosa) and showing coloured slides of that country. Recently he has had opportunities to lecture in various churches, High Schools, and Universities in the Ottawa area. This is his last appearance in the valley before he goes to Vancouver en route to the Mission Field again. There is no admission. The public is welcome.

The name of Brian Stanton was left off the list of directors for St. Joseph's Manor as published last week.

Referring to the list of young people received from Confirmation Class in last issue of Equity. The name of Janey Campbell was inadvertently omitted.

SATURDAY IS GIRL GUIDE COOKIE DAY!... would your believe?

Many of you have just received your cookies, if you ordered them through the Brownies. We very much regret the delays and general confusion that seems to have reigned this year. The explanation is simply that general headquarters were three weeks late delivering said cookies!

Shawville Girl Guides will be selling cookies on Saturday, April 28th, now that they have them in their hot little hands, they remind you again that proceeds this year will go into the Shawville library.

Health and Welfare Minister Marc Lalonde today announced New Horizons grants totalling $969,140 to 155 new projects across Canada. The projects involve more than 25,000 persons.

New Horizons is a program of the Department of National Health and Welfare designed to give financial assistance to projects developed and operated by retired persons for their benefit and the benefit of the community. In Quebec there are now 35 New Horizon projects, none in Pontiac County. Initiative for each program must come from the community. The smallest grant in Quebec is $200 for card tables at Les Cèdres and the largest is $30,911 for a seasonal employment office at St Jean.

Curling season closing events

by: Mrs Josie Tipping.
Publicity Secretary.

The Fashion Show held at the Curling Club on Wednesday, April 11th, was a huge success, thanks to everyone who participated. The Club House was packed to capacity to view the beautiful spring and summer outfits from Kay's Style Shoppe, which were modelled in a professional manner by Valerie Clarke (our Centennial Snow Queen) Susan Clarke, Peggy McDowell, Wendy Wickens, Gwen Armstrong, Edith Howie, Gwen Hayes and Margaret Michaud.

These girls did a great job!

An interesting note was struck by Edith Howie, who showed her great aunt's (Mrs J. Welsh) wedding dress worn in 1909 and a garden party gown of the flapper era.

We would like to take this opportunity of extending our sincere appreciation to Kay's Style Shoppe and their commentator, Mrs Margaret Campbell. Also a special vote of thanks to Hardy Plants for the superb flowers that enhanced the platform and to Ray Sheppard for his delightful organ recital.

The Closing Party and Prize Distribution took place on Saturday, April 14th. There was an excellent attendance and all present enjoyed the day's curling followed by a delicious pot-luck supper and dancing to the music of Ray Sheppard.

The following trophies were presented:-

President's- Martin Black Skip, Rita Barber, Alfie Bretzlaff, Una Hayes.

Hayes- Andy Michaud, Ross Finnigan, Hewitt McCredie, Ven Crisostomo.

Fraser- Bill Orr Skip, Margaret Michaud, Owen Hill, Brenda Smith.

O'Keefe- Art Kilgour, Marie Finnigan, Don Lavallee, Gwen Strutt.

Pat-Lid Pins- Art Kilgour, George Gionet, Bill Hobbs, J.C. Dupont.

A special prize was presented by Corby's Distillers Ltd. to the following team- Andy Michaud Skip, Edith Howie, Fern Alarie, Grace Johnston.

This rink obtained an 8-ender in one game during the season (as previously reported), a very unusual and difficult feat.

A draw took place for the coloured TV and Arthur Kilgour was the lucky winner.

The Ladies held their A.G.M. on Tuesday, April 17th, during which the new Executive Committee for 1973-74 was elected:

President- Margaret Michaud, 1st Vice- Gwen Hayes, 2nd Vice- Doris Hodgins, Secretary- Elsie MacLachlan, Treasurer- Lois Hill. Chairman Match Committee- Doris Hanna.

Margaret Michaud took the chair and presented the retiring President, Idena Orr, with a gift of a Centennial Tray as a token of appreciation for all her efforts throughout the past season.

CARDS OF THANKS

We wish to express our heartfelt thanks and appreciation to our many friends, neighbours and relatives for the many acts of kindness, floral tributes, donations to different organizations, messages of sympathy and food donated during the recent loss of our beloved husband and uncle August Arthur Rose. Especially do we wish to thank Dr. M. Morissette, Venerable M. K. Roberts also the Hayes Bros.

Mrs. Ethel Rose and Lois. 26x

To our many wonderful neighbors, friends and relatives, we wish to extend our sincere thanks and appreciation for all the help since the fire which destroyed our garage and equipment on March 9th. Bryson and Campbell's Bay Firemen and the men who cotrolled the fire. The men who came with trucks and equipment to clean up. The ladies that brought food to the house. Coyne boys who loaned us musical equipment. The people that worked to make the benefit party for us on March 14th; Bryson Lions for their donation and use of hall; Lionettes for serving the lunch; Donie Gilchrist and his dancers for the entertainment; the musicians who supplied the music; The Bryson Recreation Association for their donation of musical supplies to replace some which were destroyed by the fire. To all the people who donated money or helped in any way, thanks again.

Sincerely
Lloyd and Jean Ostrom 81850b

We wish to thank all those who assisted in putting out the grass fire late Friday night near our house. A special thanks to Mr. and Mrs. Albert Trafford and to Leonard Roy for making us aware of the fire.

Elizabeth Angus and Joan 48x

IN MEMORIAM

BROWNLEE — In loving memory of a dear wife and mother, Mrs. Evelyn Brownlee, who entered into rest April 24, 1971.
Wonderful memories woven in gold
This is a picture we tenderly hold.
Deep in our hearts a memory is kept
To love, to cherish, to never forget.
Lloyd and Family 42x

FIEROBIN — In loving memory of our dearest sister Shirley Fierobin who passed away April 16, 1960.
God took our beloved sister from us,
With a reason of his own,
But he always takes the fairest
When calling angels to his throne
So though our hearts are heavy
With a pain that's hard to bear,
We still have your memory sister;
And you'll never leave us there.
May her soul rest in peace.
Sadly missed by
Elsie, Manson, Dwayne and Connie 81822b

HODGINS — In loving memory of Mrs. Lemuel Hodgins who passed away April 25, 1972.
The Family x

HORNER — In memory of Clifford Horner. Cherished memories of a loved one. Respected as a man, Admired as a Christian, cherished as a friend, and loved as a husband and father.
Dear Clifford
Though we part at the end of a perfect day
And years since we met intervene
We cherish the joy of that perfect day
And we think of what might have been
While God knows best why our paths must part
And one takes the lonely way
Still we pray hand in hand in that perfect land
We may walk i God's perfect way.
Missing you so much
Wife Thelma and family 19x

KNOX — In loving memory of a dear brother Hiram Knox who passed away April 27, 1972.
Gone is the face we loved so dear
Silent is the voice we loved to hear;
Too far away for sight or speech,
But not too far for thought to reach.
Sweet to remember him who once was here,
And who, though absent, is just as dear.
Sister Margaret and family 36x

ZIMMERLING — In loving memory of Frederick Zimmerling who passed away May 3, 1972.
Time may heal the broken hearted,
Time may make the wounds less sore,
But it cannot fill the longing
For the loved one gone before.
Who shall say the grief is lessened
Though smiles may hide the tears
Memories keep the wounds still open,
With the passing of the years.
Remembered by his daughter,
Eleanor, Paul and Jimmy Stafford 81852b

WYMAN W I

The annual meeting of the Wyman W.I. was held at the home of Mrs Wyman MacKechnie on March 8, the exact day and date of the organization meeting sixty years ago.

The slate of officers was presented and accepted.

Past president- Miss Hilda Graham. President- Mrs Stephen Fitzsimmons. Vice-president- Mrs Donald Duff. Secretary- Mrs Roland Graham. Assistant Sec.-Mrs Alex MacDonald. Treasurer- Mrs Melvin Stewart. Convenors- Agriculture- Mrs D. Duff. Citizenship- Mrs S.W. MacKechnie. Education- Mrs P McNeill. Home Economics- Mrs M. Kelley. Publicity- Mrs G. Graham. Welfare and Health- Mrs W. Marks. Social- Mrs H Fulford, Mrs R. Trudeau, Mrs M. Campbell.

The program committee submitted a most interesting program for the coming year. This program to be typed and sent to the County Secretary to be forwarded to the Q.W.I. office for printing.

Mrs McNeill reported that we had received the name of a pen-pal from British Columbia. Much of the meeting was taken up with discussion of our 60th Anniversary Celebrations to take place early in May.

Mrs MacKechnie served a special anniversary banquet in honour of the occasion.

The April meeting was held at the home of Mrs S. Fitzsimmons in the afternoon of April 12th. The roll call was answered by 12 members- name a handicapped person who has made a success of overcoming the handicap. It was a surprise to learn just how many local people are living a successful life in spite of a handicap.

Our Anniversary Cook Books were presented. The committee reported a very gratifying early sale. A copy can be obtained from any member.

Cancer Society receipt books and lists were distributed- the collecting to be done sometime in April.

Mrs Donald Duff was named delegate to the County Semi-annual meeting and to the Provincial Convention at Macdonald College, the latter part of May. The County spring meeting will be held at Fort Coulonge on May 2.

Plans for the Anniversary Banquet, May 8, are getting more and more interesting.

Mrs W Marks, convenor of Health and Welfare, gave a most informative reading on problems of rape in the country- especially the problem of redress in cases of rape.

She entitled her reading, "Surgery Desperately Needed" She closed with a poem- a paraphrase of "Breathes there a man with soul so dead"- in a lighter vein.

Convenors items were heard.

Parcels of cookies were brought for the Ade Memorial Home.

A delicious tea and social chat were much enjoyed.

Campbell's Bay

by: Mrs Mary Baird.
Correspondent.

Mr and Mrs Glenn Carey and girls from Ottawa visited with Mr and Mrs Hillis Smith.

A lovely bridal shower was held in honour of Miss Elizabeth Brown, on Friday evening, at the home of Mr and Mrs Asa Smith.

A wonderful lunch was served and a good time had by all.

Another bridal shower in honour of Carolyn McTiernan was held at the home of Venetia Crawford. Bingo games were played and lunch was served.

The Youth group of the Free Methodist Church held a get to-gether at Rev. Mainprize's home last week. Games were played and lunch enjoyed.

Nice to see Mrs George McLean back in town after spending the winter months in Ottawa.

Get well wishes to Sam Moorehead, Tom Burrows, David Andrew Belanger who are in the hospital.

A Pioneer Day Dinner was held at St Johns Elementary School. Many children came dressed in old time long dresses, lumbermen's outfits, etc. and each of the teachers and supervisors also were appropriately dressed. At noon hour the total pupil population were fed a hot meal of baked beans, hot macaroni, home baked breads, johnny cake, etc. This was a very successful event held during the education week.

Another event during education week was the exchange of teachers with teachers from Campbell's Bay going to Vinton, Otter Lake, etc.

Volunteer firemen are busy on call with grass fires. One at the Old Age Home, one near Roland Haley's and one at Mel Browns bush.

Pre-natal courses are being held now at the Community Services Building.

Easter drama at Shawville United Church

An appreciative audience witnessed the moving drama "Christ in the Concrete City" on Good Friday evening in the local United Church.

The actors were a mixed group of men and women of the Brittania Chancel Players, Ottawa.

Rev. A Macintosh set the pace for the production with the reading of Scriptures depicting the smug self-righteousness of the Scribes and Pharasees.

The acting was superb as they inter-changed their parts taking various roles of well-known Bible characters. It was a realistic presentation of the events leading to the crucification of our Lord.

As the story unfolded it portrayed the passion in the garden of Gethsemane, the carelessness of Christ's followers, the shameful betrayal by Judas, and the forsaking of the Master by His friends. Then came the mocking trial, the cruel sentence, the carrying of the Cross and the scenes at the Crucifiction. Last but not least the victory of the empty tomb was realized. It was to say the least a shocking, and dismaying but heart searching story.

Many came away with a new picture of the Christ's sacrifice for sinful man and the barreness of modern living. It was a reproach to mankind searching for satisfaction in self-centered possessions and the irresponsible pleasure-seeking of the mob.

The presentation was sponsored by the Pontiac Christian Education Group. Mrs Phoebe McCord introduced the audience to the theme and purpose of the play. A good crowd attended.

Music Lessons

In early 1972, we were asked to teach some music students in Shawville which were enrolled by a previous teacher. We agreed to teach a trial period and for the last year, we have been travelling from Petawawa, Ont. to Shawville, a distance of 60 miles to teach accordian and guitar.

Most of these students have proven very faithful to us by attending lessons every week. However we do not have sufficient students to warrant two teachers to travel this distance weekly unless we have more enrollments. There is no joining fee and you pay only $2.50 for a private lesson.

It is not too late. If you are interested, you can enroll now. We will be teaching until the end of July. If you prefer, enroll now for our fall program. In any case, act now.

If we get a favourable response before the end of our teaching season, we would like to keep teaching in SHAWVILLE.

However, if there is not sufficient interest shown for this type of teaching, we will have to discontinue our lessons in the fall.

We provide an instrument for an 8 week trial period. For further information, call Petawawa (613) 687-2852 collect or see us in the basement of the Town Hall every Monday evening.

SHAWVILLE WAS ABOUT THIRTY YEARS OLD WHEN THIS PHOTOGRAPH WAS TAKEN (contributed by Kay Woodley)

Who can remember John Alexander and his 1914 aircraft?

In 1914 John M Alexander is reported to have attempted to fly an aircraft which he had built in Shawville, according to Mr George Alexander Fuller of Montreal who is doing some research.

Mr Fuller's research is for a history of aviation in Canada before the first world war. He is anxious to obtain some first hand accounts of Mr Alexander's aviation activities.

Anyone who can help out with any information whatsoever about this matter may sent it to THE EQUITY and we will see that Mr Fuller gets it.

If anyone has a picture of Mr Alexander or his 1914 aircraft it would be of particular interest; but any memories of the episode at all would help.

SUNDAY SERVICES -1923.

When Shawville celebrated the 100th Anniversary of the founding of the community and the 50th year of incorporation, the Churches took part. A Special Service was held in the local rink on Sunday afternoon and evening to wind up the party. Between six and seven hundred people were in attendance. The order of the service was listed on leaflets. Music was supplied by the recently reorganized Citizen's Band for singing and Dr. Powles led the large Union Choir. Chairman for the services was Rev. Mr. Robinson of the Methodist Church.

On the platform was Rev F. Tripp, W.B. McCallum, Harry A. Naylor, Carl Allum, Mr Wiley, J.D. Ellis and Edward Crane.

The speaker for the afternoon session was the Venerable Rev. Carl Allum whose ministerial labors had begun over 60 years ago in Clarendon and was therefore qualified to speak on the pioneers of the early days. Rev. Allum was followed by Rev H.A. Naylor (eldest son of the late Ven. Archdeacon Naylor) who re-called memories and impressions of this neighborhood.

The evening service started with a song service and was addressed by Rev. Edward Crane who gave a lengthy address. Rev. Mr Tripp, now of Montreal, followed with a few appropriate remarks. Rev. Mr McCallum was in the chair. Other ministers on the platform were at the afternoon service, and also Rev. Mr. Ball of Portage du Fort.

75 Years Ago
in The Equity

April, 1898.

Mr G. M. Judgson who lived in this county over 60 years passed away in 89th year. He was a man of culture and high educational attainments.

50 Years Ago
in The Equity

April 1923.

Mayor Hodgins was appointed Chairman, and Geo W. Eades as Secretary, as citizens organize a Committee to celebrate Shawville's 50th birthday and Clarendon's centenary of settlement.

It was decided to have a joint effort.

The Acedemy suffered $900.00 fire and water damage. The Methodist Church bell sounded the alarm. The Equity called for an organized Fire Dept with ladders, axes, ropes, hooks, pails, etc. and a competent director.

The funeral of the late John A Armstrong of Clarendon Front was held at Shawville Methodist Church and Cemetery. Rev. M.I. Robinson officiated.

Owing to illness of Justice Philomen Cousineau the Assizes at Bryson had to be adjourned. 15 cases are on the docket. One of cases is that of a man shooting his nephew at des Joachim, for calling him a dirty name.

Québec vous informe

Une entente d'ordre administratif vient d'être conclue entre le gouvernement fédéral et le gouvernement du Québec; aux termes de cet accord, le gouvernement du Canada mettra à la disposition du Québec une somme totale de $70 millions. Cette participation financière est destinée à permettre au gouvernement québécois de consentir, au cours de l'année 1973, des prêts pour la réalisation de projets de construction d'habitations pour les familles à faibles revenus et les personnes âgées, ainsi que de résidences pour étudiants et de foyers pour l'enfance inadaptée.

Les services veterinaires du ministere de l'agriculture du Quebec entreprendront sous peu, avec l'etroite collaboration des bureaux et laboratoires agricoles regionaux, une campagne d'information visant a prevenir les maladies des bovins de boucherie. Un travail de sensibilisation a peu pres demblable a deja ete complete a l'endroit des veaux.

Quels sont les buts de ce programme que vient d'annoncer le directeur des services, le dr Albert Lavallee?

Sur le plan provincial, le programme veut repondre aux desirs du gouvernment qui, dans son optique de satisfaire les besoins du marche, de diversifier les productions et d'utiliser a leur maximum les sols du Quebec, reconnait la necessite d'accroitre la production du boeuf au Quebec.

A long terme, il vise aussi une augmentation de la consommation du boeuf au Canada et aux Etats-Unis.

Apres avoir mis en place le systeme d'assurance-sante animale contributoire et l'avoir complete par l'organisation d'un centre de distribution de medicaments veterinaires, les services veterinaires s'attaquent a la prevention des maladies animales qui, chez les bovins de boucherie comme pour les autres productions animales, constitue un facteur absolument essential de rentabilite.

La regie des marches agricoles vient d'autoriser des augmentations de prix pour deux syndicats de producteurs de bois des laurentides et de labelle.

Il s'agit d'une augmentation raisonable, vu le tarif actuellement adopte par la majorite des companies de pates et papiers au Quebec.

Afin de favoriser le retour au travail des beneficiaires de l'aide sociale, le ministere des affaires sociales, a modifie ses reglements.

Les beneficiares pourront, desormais, continuer de recevoir de l'aide sociale, selon un taux decroissant, durant les trois premiers mois de leur retour au travail.

Leur securite materielle etant davantage assuree, les interresses seront alors plus enclins a rechercher et accepter un emploi.

EN VOYAGE? L'ASSURANCE-MALADIE VOUS SUIT...

Q.: En voyage hors du Québec, j'ai dû me faire soigner par un médecin. J'ai payé le médecin. La Régie va-t-elle me rembourser?

R.: Les québécois ont droit aux services assurés partout dans le monde. Vous avez droit à un remboursement mais, attention, la Régie va payer pour les services assurés **au prix ou ils se donnent au Québec,** selon le tarif en vigueur ici. C'est là que se situe le problème, car une opération aux Etats-Unis par exemple, peut coûter plus cher qu'au Québec. S'il y a une différence à payer, c'est le bénéficiaire qui doit l'assumer.

Q.: Que peut-on faire dans ces cas?

R.: Les gens qui voyagent hors du Canada peuvent prendre une assurance privée pour compenser pour la différence des coûts des services médicaux entre le Québec et les pays étrangers. C'est permis par la loi.

Q.: Que dois-je faire pour être remboursé si j'ai reçu des soins hors du Québec?

R.: A cette fin, fournissez à la Régie tous les renseignements justifiant le paiement demandé. Plus on a de détails plus le remboursement s'effectue rapidement. **Il est donc important** d'obtenir du médecin qui vous a soigné, la description détaillée des soins qu'il vous a rendus et un reçu ainsi que tous les détails qu'il a l'habitude de fournir aux compagnies d'assurance.

Q.: Si je reçois des services assurés hors du Québec et que je n'ai pas les moyens de payer le médecin qui m'a soigné. Que faire?

R.: Dans ce cas, fournissez un état de compte du médecin, suffisamment détaillé, et la Régie émettra le chèque de remboursement à l'ordre conjoint du bénéficiaire et du médecin concerné. Le bénéficiaire endosse le chèque et le fait parvenir au médecin.

Q.: Les professionnels de la santé d'autres provinces du Canada peuvent-ils adhérer au régime québécois?

R.: Oui, ceux qui dispensent à des résidents québécois des services médicaux assurés par la Régie peuvent adhérer au régime en remplissant les formules prévues à cette fin. Ils sont alors rémunérés directement par la Régie selon le tarif en vigueur au Québec.

Q.: Comment puis-je savoir si un médecin accepte d'être payé par la Régie?

R.: La loi oblige les professionnels désengagés et les non-participants à informer le patient au tout début de l'entrevue. Ce renseignement doit être affiché bien en vue dans le bureau du professionnel.

Q.: Qu'entend-on par professionnel désengagé et professionnel non-participant?

R.: Les professionnels de la santé sont libres d'adhérer au régime d'assurance-maladie en vertu d'une entente entre les professionnels de la santé et le gouvernement.

Le professionnel désengagé est celui qui accepte d'être rémunéré suivant les tarifs prévus mais il exige ses honoraires de ses malades. Ces derniers sont ensuite remboursés par la Régie. Notez que le médecin ne peut réclamer de ses malades aucune autre rémunération que celle qui est fixée par l'entente.

Quant au professionnel non-participant, le coût des services assurés qu'il dispense est entièrement à la charge des bénéficiaires, sauf les services assurés qu'il serait dans la nécessité immédiate de donner en cas d'urgence.

Q.: Pour obtenir plus de renseignements, où dois-je m'adresser?

R.: N'hésitez pas à communiquer avec la Régie, elle est là pour vous aider. Dans toute correspondance avec la Régie, indiquez toujours votre numéro d'assurance-maladie ou votre numéro d'assurance sociale et, si vous n'en avez pas, indiquez simplement votre nom, votre adresse et votre date de naissance. L'adresse est la suivante:

Régie de l'assurance-maladie,
C.P. 6600,
Québec 2, Québec.

Un comité interministériel, dont la création vient d'être autorisée par le Conseil des ministres, défendra les intérêts du Québec dans la mise en oeuvre de certains programmes fédéraux tels que "Perspectives-jeunesse", "Initiatives locales", etc..

Présidé par le ministre Robert Quenneville, le comité étudiera les projets soumis au gouvernement fédéral, avec pour mission d'évaluer l'intérêt qu'ils comportent pour le Québec. A la suite de cet examen, le comité transmettra à l'administration fédérale ses observations et recommandations, conformément aux ppolitiques, aux programmes et aux intérêts du gouvernment du Québec.

A compter du mois de juin 1973, les beneficiares d'aide sociale recevront leur allocation mensuelle au plus tard le 5 de chaque mois plutot que le 20. Cette mesure ne s'applique cependant pas aux beneficiares qui resident dans la ville de Montreal.

Le ministere des affaires sociales a voulu ainsi effectuer le paiement aussi rapidement qu possible apres la fin du mois sur lequel il est base. Il pense aussi que les beneficiares ont avantage a ce qu'il en soit ainsi pour etre en mesure de planifier leur budget le mieux possible.

Une autre modification importante dans le paiement des allocations :

Ce cheque provient desormais du ministere des finances du Quebec et non plus du ministere des affaires sociales, ce qui evitera que les beneficiaires soient necessairement identifies comme tels.

Cette modification s'accompagne toutefois d'une condition importante. Les beneficiaires doivent absolument completer l'endos du talon de cheque qu'ils recevront ces jourci et le retourner dans l'enveloppe affranchie qui leur est fournie. En ne le retournant pas, ils risquent de ne pas recevoir leur prochain paiement.

Un depliant contenant des informations completes sur ces nouvelles mesures accompagne le cheque que les beneficiaires recevront cette semaine.

THIS CLASSIC PHOTO IS OF THE FUNERAL PROCESSION FOR TWO YOUNG BOYS IN SHAWVILLE AROUND THE TURN OF THE CENTURY. IT WOULD BE DIFFICULT TO IDENTIFY THE PEOPLE IN THE PROCESSION BUT IT IS BELIEVED THAT THE COW AT THE LEFT, SHOWING LITTLE CONCERN FOR WHAT WAS PROBABLY THE LARGEST CONGREGATION OF PEOPLE YET WITNESSED IN SHAWVILLE, BELONGED TO THE DALE FAMILY. Thank You

The Shawville & District Snowmobile Club would like to thank everyone who allowed trails through their property this season. It was through the sale of memberships, fund raising parties and bean suppers that the Club on its own, purchased and paid for two snow machines designed for dragging trails.

These machines were operated by volunteer help of club members. The Club did not receive a grant for the maintenance of the trails this year. If anyone has any claims regarding fence repair on trails used by the club, please notify Maurice Lemay.

Outaouais Regional Community

The Police Commission, comprising members of the Outaouais regional Community, has been directed to make a study of the possible coordination of police and fire protection services, in conformity with paragraph "C" of article 107 of chapter 85 of the statutes of 1969.

In the course of its mandate, the Commission may request the collaboration of the Association of the chiefs of police of our area, as well as the representatives of the Police Unions and the Association of firemen of the ORC region.

The Executive Committee of the Community will request the Quebec Police Commission to delegate a representative who would act as councillor on the Community's Police Commission.

It may be noted that by virtue of article 107 of chapter 85 of the statutes of 1969, the Outaouais regionale Community may, by by-law, exercise its competence in the coordination of police and fire protection services.

According to the Executive Committee of the Community, it is of general interest to proceed with a study of the said competence, to obtain suggestions and recommendations to the Community's Council, if necessary.

CREATION OF A REGIONAL URBAN PLANNING SERVICE:

The Executive Committee of the Community shall take the required legal steps to proceed with the creation of a regional urban planning service in the territory of the Outaouais regional Community.

It may be recalled that the Outaouais regional Community has, by virtue of its by-law number thirteen (13), created a Planning Service. This service has proven very useful to a number of municipalities which have appealed to its competence in urban matters.

According to the Community's Executive Committee, such a regional planning service would be advantageous to the municipalities in the matter of urban planning.
