UN FORCE EXPULSION HINTED

Biggest Pageant Ever Planned By France As The Queen Arrives

PARIS — (AP) — Queen Elizabeth arrived today for a four-day state visit which France is joyously determined to make the most colorful pageant the republic ever has staged for a monarch.

President Rene Coty and other top-hatted French dignitaries beamed happily as the Viscountess's airliner carrying the Queen and Prince Philip touched down at Orly Airfield.

An audience estimated to be one of the biggest in France's history watched on television, and the airport and streets were jammed with crowds waving small British and French flags. About 1,000 persons were in the official welcoming party.

A guard of honor of white-gloved French troopers stood at rigid attention and President Coty and his party strode briskly to the ramp to the four-engined airliner.

SUNNY WEATHER
A bright sun shone and a brisk breeze was blowing, from the direction of the English Channel.

The Queen stepped smiling from the plane in a beige ensemble. Prince Philip wore the uniform of an RAF marshal.

The Queen's second visit to Paris was last here nine years ago as Princess Elizabeth—has put the city in a mood of excitement and gaiety. Almost everyone, from the government to the man-in-the-boulevard, is regarding the royal visit as a symbol of Anglo-French solidarity following the joint action by the two nations over the Middle East crisis.

It is the first state visit by a reigning British queen since Victoria was here in 1855 and the French capital is prettied up as never before. An estimated 500,000 flags decorate the city.

TRAFFIC JAM
Sidewalk hawkers peddled small Union Jacks for the crowds to wave as the Royal Couple was driven about the French capital.

Excursion boats on the River Seine were filled with Parisians looking at the decorations going up along the quays for a royal boat ride Tuesday night. At the western end of the Ile de la Cite, groups rehearsed the medieval carnival which will be in full swing as the royal barge floats by.

Motorists apparently threw caution and gasoline ration tickets to the wind. Long lines of cars virtually immobilized traffic on the main streets.

SPECTATORS CHILLED
Persons waiting to welcome the Queen stamped their feet and flapped their arms to keep warm in the biting wind at the airport.

The Queen inspected the guard of honor, pausing to stand at attention while the two national anthems were played.

Surrounded by an escort of 21 police motorcycles, the Queen and Coty drove from the airport in a closed car. Philip followed in another car with Defence Minister Maurice Bourges.

Paris newspapers today blossomed into red, white and blue to welcome the sovereign. All but the Communist party newspaper L'Humanite expressed a welcome.

ST. HUBERT, Que.—(CP)—Sixteen military chiefs of staff of NATO countries arrived here Sunday for a three-day visit to Canada for a three-day visit to Canada. The group flew from Washington.

MONTE CARLO, Monaco — (Reuters)—Jean Bruchesi, secretary of state for Quebec province and a member of the Monaco Literary Council, arrived here Sunday to help select the winner of a 20,000,000-franc (\$56,000 prize) which Prince Rainier will award to a French writer Thursday.

LONDON—(CP)—The conference of Commonwealth prime ministers, scheduled for this summer, is expected to take place in London in the last week of June or the first week of July. One important factor in deciding the period will be the timing of the Canadian election, for which June 10 or June 17 are considered likely dates.

DENVER, Colo.—(AP)—A new spring storm, heavier in some areas but lacking the punch of the recent blizzards, buried the Great Plains of the United States with snow for the third time Sunday in two weeks.

SAN FRANCISCO—(AP)—An aftershock of the strong March 22 earthquake jolted the western area of San Francisco at 8:20:36 a.m. Sunday. There were no reports of damage. The March 22 quake caused widespread but minor damage in the Westlake and Daly City communities along the Pacific shore on San Francisco's western limits.

LONDON—(Reuters)—Nearly 400 Canadian war veterans Sunday marched to the cenotaph, Commonwealth memorial to the war dead, to commemorate the 40th anniversary of the Battle of Vimy Ridge where 12,000 Canadians died during the First World War.

JOHANNESBURG—(Reuters)—The Dutch Reformed Church, which generally supports the ruling South African Nationalist party, will oppose the government's plan to apply racial segregation to churches, The Rand Daily Mail says.

Weekend Of Violence

Death Car — Marcel Dionne, 33, of Dunham, died Friday night in the wreck of his car which is shown above after it went out of control on Cowansville's main street, flipped over onto a large tree stump. In another weekend tragedy, Bristol Smith, a Customs officer, was killed by a train in Coaticook. Police Escort For Thieves \$25,000 Market Haul Taken At Kingston

KINGSTON, Ont. — (AP) — Ontario Provincial Police were searching today for two gunmen who got away with the biggest holdup in Kingston's history Saturday night, under the noses of two unsuspecting detectives.

In a manner reminiscent of a 1955 robbery in Cornwall, one man forced a supermarket manager to open the store's safe while his wife and two small children lay bound and gagged under the watchful eyes of the second gunman. They escaped with more than \$25,000.

In Cornwall, Nov. 28, 1955, a store manager's family was held at gunpoint while he went to the store with one of the thieves to open the safe. The bandits netted \$20,000.

Harold Gilroy, manager of the Loblaw supermarket, his wife and their two boys, Robert, 12, and Jack, 10, were watching television at their home here Saturday night about 8:30, when there was a knock on the door.

Jack answered it and a man, shielding his face with one hand and holding a black automatic in the other, forced the family to lie on the floor.

REVEALS COMBINATION
Then he and his accomplice bound them with friction tape and dish towels. Threatened with death, Gilroy gave them a key to the store and wrote out the combination of its safe.

One gunman left for the store while his companion stood guard. Shortly after he returned, he had been unable to open the safe. Gilroy was untied and, a gun jammed into his back, forced to drive 12 blocks to the store.

He opened the safe and loaded 35 canvas bags of money into shopping baskets and began transferring them to his car.

Then two detectives—Vin Kilen and James Sheridan—spotted the pair in the brightly-lighted window and stopped their cruiser.

"Watch your step," the bandit told Gilroy. "Remember what you've left at home."

POLICE ESCORT
Gilroy told the detectives he was taking the cash to the bank. They suggested they drive behind him to the bank. The bank was closed and back the two cars drove to the store, after Gilroy said he would return the money to the safe.

Once there the bandit ordered Gilroy to carry three of the smaller money bags into the store. Then the detectives watched as Gilroy and the bandit drove off with bags containing \$24,000 in cash and \$2,300 in cheques concealed on the car floor.

At home he was bound hand and foot again. Just after 10 p.m. Gilroy and his wife managed to get free.

Stiff Brush, Strong Disinfectant
ATLANTIC CITY, N. J. (AP) — Walter P. Reuther says labor must clean house with the "stiffest broom and brush and the strongest soap and disinfectant" it can find.

Reuther's reelection as president of the UAW, which he has headed since 1946, apparently is assured. Voting will be held Wednesday.

A caucus, filling a hall with a 2,000 seating capacity, also pledged Reuther supporters to vote for his key proposals. These include an increase of 50 cents a month in basic union dues of \$2.50 and changes in bargaining procedure to permit skilled trades groups to negotiate supplemental contracts within the industrial union's structure.

Commons In Home Stretch

OTTAWA — (AP) — Parliament today moves into what is virtually certain to be the home stretch. Dissolution is expected Friday for a general election June 10.

Prime Minister St. Laurent told the Commons Saturday he hopes the election will be held June 10.

"But that will not be possible," he added in reply to questions from Howard Green (PC - Vancouver Quadra), "unless we can arrange for prorogation for the end of next week."

The Commons then quickly passed a miscellany of legislation including:

1. An amendment to the Prairie Farm Assistance Act increasing federal payments to farmers hit by crop failures to a maximum of \$4 an acre from the previous \$2.50.

2. Spending estimates of \$151,772,334 for the post office department for the fiscal year that opened April 1.

EXTEND GUARANTEE
3. Extension to June 1, 1958, of the federal guarantee on bank loans to Prairie farmers for farm-stored grain, doubling the maximum loan to \$3,500. It leaves the interest rate — previously a maximum five per cent — to be set by cabinet order.

4. A measure authorizing the CNR to spend \$318,707,000 this year for capital works.

The Commons gave second reading — approval in principle — to a measure ratifying the North Pacific Fur Seals Treaty among Canada, the United States, Japan and Russia. It was referred to the House fisheries committee for detailed study. It provides that Canada get 15 per cent of the annual fur seal kill.

It also has focused world attention on the machinations of a handful of irresponsible men in the U.S. Senate who are adept, through long practice, at character assassination and are free, through the inflexibilities of the American system of government, to operate above and beyond the law.

It is no exaggeration to say that responsible and thinking Americans, and that includes most—if not all—officials of the U.S. government, have been horrified by the suicide in Cairo last Thursday of Dr. E. Herbert Norman, Canadian ambassador to Egypt, and the circumstances which prompted him to take his life.

The American reaction is indicated by newspaper editorial comment, which has been overwhelmingly sympathetic to Dr. Norman, and by the hundreds of telephone calls Canadians here have received from Americans expressing their condolences.

Hero Aged 7 Dies
MONTROSE, Pa. — (AP) — An heroic seven-year-old boy, who pulled a kite away from his younger brother as it neared a high tension power line, was killed by the electric shock Sunday.

William Kropa apparently was aware of the danger and grabbed the kite string from his four-year-old brother, Ronald, just before the kite hit the power line.

Noranda Strike Threat Ended
NORANDA, Que. — (AP) — The United Steelworkers of America (CLC) has decided in an 11th hour vote not to strike against Noranda Mines Ltd., in their contract dispute. The union accepted company offers.

The offer on which the settlement was based includes a five-per-cent wage increase, a 40-hour work week, an improved vacation plan and a weekly indemnity, with a two-year contract.

Norman Case Puts Strain On Canadian-US Relations
WASHINGTON — (CP) — The Norman case has severely strained Canadian relationships with Americans on the more-personal level and the United States government is helpless to do a thing about it.

Egypt Angered By Israel Oil Shipment; Suez Canal Now Clear

CAIRO — (AP) — United Nations salvage crews today completed clearance of the Suez Canal by lifting and hauling away the sunken Egyptian frigate Abukir.

But a new crisis loomed as speculation mounted that President Nasser may demand withdrawal of UN Emergency Force troops from Sharm-el-Sheikh on the Gulf of Aqaba as a result of an American tanker's trail-blazing trip through the disputed waterway with oil for Israel.

The 10,411-ton Kern Hills pumped Iranian oil into water-front tanks in Israel's port of Elath while Israeli soldiers stood guard with machine-guns.

HISTORY MADE
The Kern Hills sailed into Elath Saturday under the U.S. flag after a voyage through the disputed Tiran Strait. She is the first tanker and the biggest ship ever to anchor at Elath.

The Israelis hailed the voyage as a forerunner of others to come on a regular schedule. They insist the Tiran Strait, mouth of the Aqaba Gulf, is an international waterway. Egypt and Saudi Arabia, which command the strait's shoreline, declared passage is through Arab territorial waters. They have served notice they intend to block Israeli commerce as that of any enemy nation.

Egypt used Sharm-el-Sheikh as an artillery position to keep Israeli shipping out of the gulf until Israel captured the Egyptian coast in her invasion last fall. The Israelis destroyed the Egyptian shore guns and turned the coastal position over to the UNEF forces last month.

Egypt claims UNEF has no legal right there, but says she has allowed the force to remain as a courtesy. Cairo sources said the Kern Hills' voyage made it virtually impossible for Nasser to continue ignoring Sharm-el-Sheikh.

Removal of the Abukir, last major block in the 103-mile waterway, opens the canal to ships up to 20,000 tons — provided the Egyptian government gives a go-ahead. Before removal only ships of under 10,000 tons could go through.

The government-backed Cairo newspaper Al-Gumhuriya today warned Israel against trying to send a test ship through the Suez Canal lest it "result in Israel's destruction."

The paper said, "there is no doubt that the provision of international law afford Egypt the right to prevent Israeli ships passing through the canal. In view of all this, it is certain Egypt will not yield to any pressure designed to make her give up her firm stand in the matter."

Life So Good Brother Comes To Prison Too
—(Reuters)—When a prisoner escaped recently from a police station in one of the remotest parts of Northern Rhodesia, the other convicts were so infuriated they organized themselves into a search party.

They did not find him. But two days later the prisoner turned up and said: "I have been to my village to let my people know where I am."

"I told them that life is good in jail and my brother asked me if he could come with me—here he is."

Red Woman Sentences 3 To Death
BUDAPEST — (AP) — A Communist woman judge today handed down three death sentences—one against a 25-year-old woman medical student—in the first big Hungarian show trial growing out of the anti-Russian revolt.

Judge Matilde Toth sentenced eight other defendants to prison terms ranging from six months to 10 years.

The woman defendant, Gizella Ilona Toth, who presumably is not related to the judge, paled when she heard her death sentence. She had confessed to injecting gasoline into the neck of a suspected secret policeman at the hospital where she worked.

Boston MDs Examine Eden
BOSTON — (AP) — Doctors today were to resume examination of Sir Anthony Eden who arrived Sunday by plane after cutting short a New Zealand vacation because of failing health.

Lady Eden accompanied her 59-year-old husband on the hurried 11,000-mile air trip.

Eden was examined about 8 p.m. Sunday night, about eight hours after his arrival, and he was reported resting comfortably.

The former British Prime Minister is being attended by Dr. Richard B. Cattell of the Lahey Clinic, who just four years ago operated on him for a gall bladder condition.

Vicar's Surplice Target For Birds
ALDEBURGH, England — (Reuters) — Vicar Rupert Godfrey did not bid his parishioners farewell as usual on the church porch Sunday night.

He had given the reason in advance in his parish magazine. He wrote: "The vicar has had to give up standing in the porch after evensong on Sundays because the birds in the rafters like using his white surplice as a target."

"Laundering at two shillings a time works out expensive."

Flirt Barred
CAIRO — (AP) — An Egyptian woman has been barred by the high court from making a pilgrimage to Mecca on the ground that she "is known to be a flirt" and might "damage Egypt's reputation abroad."

US Calms Desperate Refugees

VIENNA — (AP) — Restlessness eased somewhat Sunday among Hungarian refugees who had been plunged into despair by reports of a stoppage in the United States refugee resettlement program.

Austrian social workers said the announcement of a U.S. state department spokesman in Washington that there had been no decision on the question did much to calm the camps of the disturbed fugitives from communism.

Camp officials and Red Cross doctors, however, kept a close watch on their 31,000 charges for possible new suicide attempts.

Depression among the refugees, most of whom want to go to the United States, has been blamed for 42 attempts at suicide — four fatal — in the last three months.

Most of Vienna's morning newspapers headlined a statement from the U.S. consulate here Saturday that refugee transports to the United States would be halted next weekend. By that time the United States will have accepted 32,000 of the Hungarians.

In Ottawa, an immigration department official said the possibility exists that Canada may be able to accept more than the 28,000 Hungarian refugees it has committed itself to accepting. Of this total, about 18,400 already have arrived.

67 Dead In Brazil Accidents
RIO DE JANEIRO (AP) — Sixty-seven persons, all believed to be Brazilians, were killed and 13 were injured Sunday in a plane crash, train collision and a landslide.

The plane, a two-engine Varig airliner, burst into flames shortly after taking off from Bage, in Southern Brazil, and crashed near the airport. The airliner, with 35 passengers and five crew members, was en route from Livramento to Porto Alegre. All aboard perished.

Twenty persons were killed and 13 were injured in a train collision near Magno Station, in a Rio suburb. The stationmaster said one train had halted in an early morning mist some distance from the station and the second train plowed into it.

Twenty tons of rock and earth, loosened by heavy rains, plunged down a hillside and buried a house in Petropolis, 26 miles north of Rio. Seven persons were killed.

Milby Guild Entertained By Mrs. E. A. Orr

MILBY — The March meeting of St. Barnabas Guild was pleasantly entertained at the home of Mrs. E. A. Orr. The meeting was opened in the usual manner by the 1st vice-president, Mrs. E. A. Orr and the minutes were read by Mrs. A. E. Allen. The treasurer's report showed a good sum on hand and a net profit of \$19.15 earned at the sugar-on-snow social. Mrs. Campbell moved a vote of thanks to Mrs. K. Orr for convening the social and all those who helped.

The cleaning of the church and also the fixing of the hall was discussed.

It was decided that the meetings be held on the 4th Thursday of each month.

The next meeting which will be held at the home of Mrs. K. Orr, will be a card party for the members and friends.

General Notes

Fish Hatchery Planning Committee Coaticook Town Council Donates To

COATICOOK — The regular meeting of the Coaticook Town Council was held in the Council Chambers at the Town Hall with Mayor R. Frechette presiding.

One hundred dollars was voted to assist the committee concerned with making the government fish hatchery at Lake Lyster a tourist attraction.

The Council plans to study the question of the water rate charges at an early meeting but have not indicated whether the rates will be increased or decreased although it is possible that dwellings not presently occupied will be given consideration and that owners will not be taxed for water not being used.

PUBLIC SPEAKING CONTEST
For the second year in a row Coaticook has had the honor of having a contestant win the regional trophy in the public speaking contest sponsored by Junior Chamber of Commerce groups of the Townships.

This year, Coaticook was represented by Norman Viens and at Warwick last Sunday, led the group of contestants, defeating the runners-up, Ernest Dubeau of Princeville and Bertrand Gagnon of Asbestos.

Mr. Viens was accompanied by Mr. and Mrs. Lucien Bouchard, Mr. Fernand Houle, president of the Coaticook Junior Chamber of Commerce, and Mrs. Houle. He will now enter an inter regional contest at Granby.

ODDFELLOWS LODGE
At the regular weekly meeting, held in the lodge hall on Main Street West, members of Victoria Lodge I. O. O. F. had the pleasure of seeing the officers for the coming year installed in an impressive ceremony.

Bro. James Barron was installed as Noble Grand; Bro. James Smith, as vice-grand; Bro. Stanley Cromwell, as financial secretary; Bro. Guelph Parker, as treasurer and Bro. Frank Hansford as recording secretary.

BIBLE SOCIETY
Rev. E. Ralph Adye, District

Secretary, of the Montreal Auxiliary Bible Society, has indicated the itinerary for his annual visits to branches in this area to be as follows, subject to approval of the local officers concerned or to previously arranged events.

On Monday evening, May 27th, the meeting of the Compton and Moe's River branch will be held at Moe's River; on Tuesday evening, May 28th, in the Anglican Church at Dixville; Wednesday evening, May 29th, in the Guild Hall, Coaticook, and on Thursday evening, May 30th, in the Baptist Church at Barnston.

Mr. Ayde, as usual on his annual visits, will in some cases conduct worship services, at other branches this will be combined with a meeting and in some there will be a meeting only. Sound, colored films of the work of the Society will also be shown where conditions permit.

General Notes
The Girls' Basketball team of the Coaticook High School met a team from the Ayer's Cliff High on Friday evening. The visitors were victorious but spectators found it an interesting game despite the fact that the local girls failed to hit the hoop as often as the Ayer's Cliff players.

The fifth in the series of Lenten sermons being preached by Rev. Frank Cant at the Sisco Memorial United Church will be given on Sunday, April 7th, the theme being, "Enthusiasm and Cold Water." On Sunday morning, April 14th, a special service of Easter praise presented by the choir will be given. The Communicants class will meet at 10.00 a.m. on Sunday morning.

Mr. Lyle Mark, of Montreal, was a recent business visitor in town.

Friends of Master Donald Patenaude are sorry to learn that poor health has forced him to discontinue his studies at the High School for the time being.

Mr. Omer L'Heureux, a traveler for the J. W. Kilgour and Bro. Ltd. firm, from Three Rivers, visited the Coaticook plant during the past week.

Mr. Cecil Meade and Miss Louise Bolduc visited the School for Retarded Children in Sherbrooke, where Mr. Meade played a number of piano selections for the children.

Master Robert Beerworth was a guest of his uncle and aunt, Mr. and Mrs. Gordon Beerworth, in Magog.

Mr. George Cunningham, of Montreal, was a business visitor in town.

Mr. Guelph Parker visited at the home of Mr. and Mrs. Goodin in Canterbury over the week-end.

Mr. Armand Grenier was in Asbestos and had a visit with Mr. Norman Brown, formerly of Coaticook, and also went through the Johns-Manville plant on the invitation of another former Coaticook resident, Mr. Ross MacAllister.

Larocque Leads In Waterloo Bowling Season

WATERLOO—Final results in the Bowling season find the Commercial League led by Larocque with 82 games out of 96. O'Keefe holds second place in the League with Mack Molding third.

Individual records have been made by Delbert Willey whose 228 is the men's high single, and Muriel Martin leading the women with a 179 single. Raymond Fournier shows a 553 triple to lead the men and Roma Boyd heads the ladies with a triple 421.

In the Industrial League, the National Hotel holds top honours with 65 games out of 96 with Slack Brothers and Roxton Mill close behind in second and third places respectively. High triple is held by Raymond Fournier with 568 and Roland Meunier with 253 boasts the high single. Semi-Finals are now in the process of being played off.

General Notes
Three pupils from the Waterloo School of Ballet went to Montreal for their preliminary Ballet examination before a panel of four judges. All were successful. They were Susan Flood, Martha MacIntosh and Louise Graves, who were accompanied by Mrs. M. MacIntosh, pianist for the local Ballet School and Miss Gabrielle Labelle, who was examined for her teaching certificate. The party was driven by Mr. Robert Flood. In several weeks these girls will be entered for their final examination in Montreal to be judged by an examiner from the Royal Ballet. Teacher at the Waterloo School is Miss "Bunny" Steppins, of Montreal.

Mr. Frank McAskill, Manager of the Waterloo branch of Bates Manufacturing Co., and Mayor Amand Russell, of Waterloo were in Lewiston, Me., where they conferred with Mr. Curtis, general manager of the parent company in the hope of finding some solution to the difficulties now facing the Canadian subsidiary.

SAWYERVILLE — Mrs. Guy Waldron spent her birthday in East Clifton with her great nephew, Master William Bain who also celebrated his birthday the same day.

Miss Trudy Evans, of Sherbrooke, spent the week-end with her parents, Mr. and Mrs. Morton Evans.

Eight Teenagers Injured In Saturday's Car Crash Reported In Improved State

The conditions of the teenagers involved in the two-car smash-up on the Sherbrooke-Bromptonville highway early Saturday morning in which three lost their lives were reported as improved by hospital authorities this morning.

Provincial Police Sgt. Eugene Morin said that the coroner's inquest would be held when the accident victims were well enough to testify.

DRIVER CYR

He also noted that the driver of the car in which Dick Hetherington, 19, of 1111 Kingston St.; Valmont Cyr, 32, of 109 Wellington St., and Edward Graham Allcorn died was driven by Cyr, contrary to previous reports.

Meanwhile, at the Sherbrooke Hospital the injured are reported to be in the following conditions:

DAVID BRECKENRIDGE, 16, of 2261 King St. West, is "doing fine";

STEVEN WARK, 17, of 171 Quebec St., is in "reasonably satisfactory" condition.

EARL QUINCEY, 17, 51 Queen Blvd. North, is in "fair" condition.

At the St. Vincent de Paul Hospital:

JIM WRAY, 20, of Lennoxville, on the critical list, has improved, according to medical authorities.

GAETAN ROY, of 971 McMan-

day.
Following the investigation into the causes of the accident, Sgt. Morin, of Provincial Police, stated that one of the cars was swerving from side to side on the highway before the collision. He added that one of the drivers was definitely responsible for the mishap.

The accident occurred about two miles from Bromptonville, some 500 feet from a curve.

A 1954 Mercury driven by Cyr, loaned to him by Miss Ruth Bennett, of 109 Wellington St. North, was travelling towards Bromptonville when it came into collision with Quincey's car, a 1952 Ford, going in the opposite direction.

The passengers in both cars were thrown from the machines by the impact of the collision. Provincial Police recovered two victims at some distance from the accident near the Canadian National Railway tracks.

FUNERALS

Funeral services for Graham Allcorn were held at 2:30 this afternoon in the Grace Chapel. Tomorrow afternoon at 2 p.m. in St. Peter's Church, funeral services will be held for Dick Hetherington while services for Valmont Cyr will be held tomorrow at 9 a.m. in St. Michael's Cathedral.

THIRD KILLED

VALMONT CYR

any St., is also reported in improved condition.

The two girls, also at the St. Vincent de Paul Hospital, **BERYL WILLIAMS**, 16, of 633 London St., and **TERRY CARLETON**, 16, of 1003 Courcellette St., are reported as "much better."

A fourth person **DONALD CHUTE**, of 200 Peel St., was released from the hospital yesterday.

Princeville Hold-Up Cleared

Adelard Riendeau, 28, of Montreal, held in connection with the \$1,400 armed-robbery of the branch agency of the Canadian Bank of Commerce in Eastman recently, has confessed that he was involved in the Princeville bank hold-up last fall, it was announced by Sgt. Eugene Morin of the Provincial Police this morning.

Riendeau is also a suspect in series of other thefts and robberies, Sgt. Morin said, but so far, no charges have been laid. Last week, Riendeau and his sister, Mrs. Gaetan Lafond, also of Montreal, were arrested three hours after a hold-up of the Eastman bank agency.

IODE Provincial Meeting Here

The 33rd Annual Meeting of the Provincial Chapter of Quebec, I.O.D.E., will be held in the Mayfair Room of the New Sherbrooke Hotel on Wednesday and Thursday, April 10 and 11, commencing at 10.00 o'clock in the morning of Wednesday.

Mayor Nadeau is expected to bring greetings from the City of Sherbrooke, and Rev. Guy Marston will lead the assembled delegates in the recitation of the Prayer of the Order.

At the dinner to be held in the Mayfair Room on Wednesday evening at 7.30, Mrs. A. K. Richardson, of Toronto, 1st Vice-President of National Chapter, will be the guest speaker. Tickets are available all day Wednesday from the Ticket Committee at the Hotel.

Community Concerts Banquet Starts Membership Campaign

The annual membership campaign of the Sherbrooke Community Concerts Association got underway last night as workers, officials and guests attended a dinner at the Hotel Sherbrooke.

Lewis Rosenbloom, president of the Association, was chairman of the banquet and introduced head table guests, representatives of various musical organizations, and officers of the Association.

Maurice Ginguet, M.P., addressed a few words to the gathering, mentioning the contribution which the Community Concerts have made to the culture of Sherbrooke, congratulating the members on their successful cam-

aigns in the past and wishing them continued success. Alderman Carl Camirand, representing Mayor Nadeau, also spoke briefly.

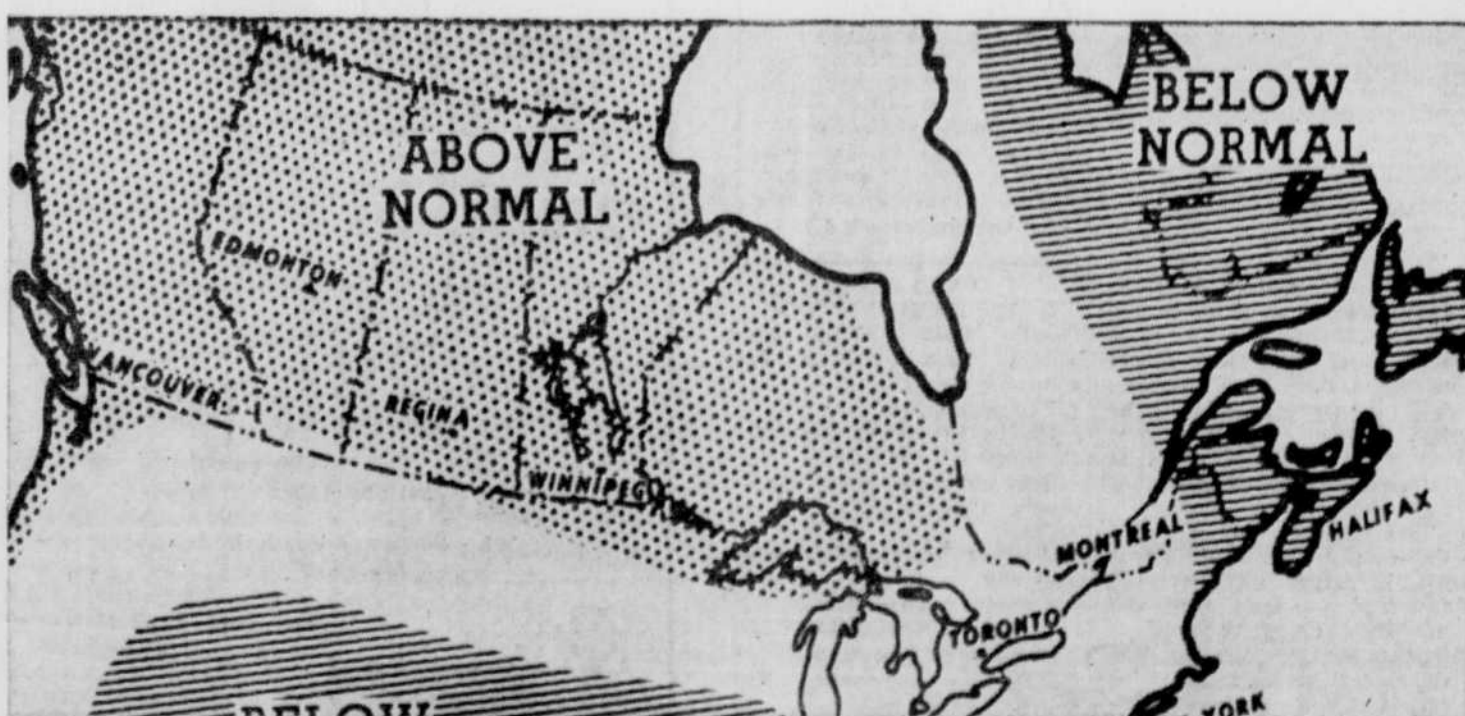

AIMS

Leo Bernache, Canadian Manager of the Community Concerts Association, explained that the aims of the Association were to bring courage, confidence and opportunity to artists. A performer needs an audience, he said, and he termed the organized plan which Community Concerts has, the most inspired idea for promotion of musical events yet devised. It also assures a community of the finest musical entertainment for the least pos-

sible price, he said.
Chairman of the membership campaign, Mrs. Cesaire Gervais, outlined the campaign procedure to the workers.

Seated at the head table l'Abbe Gerard Patenaude, Mrs. Paul Fortier, Alderman Carl Camirand, Mrs. Maurice Ginguet, Georges Sylvestre, honorary vice-president, Mrs. F. H. Bradley, honorary president, Mr. Bernache, Mr. Rosenbloom, president, Mrs. Gervais, Maurice Ginguet, M. P., Paul Fortier, chairman of the reception committee, Mrs. Camirand and Charles Emile Belanger, first vice-president.

A moving picture on "The Carollers," was shown at the close of the dinner.

Temperature Outlook — United States long-range forecasters predict temperatures will be above normal during April for Canada west of the Quebec border. This map, based on the U.S. weather bureau temperature outlook for April, shows that eastern Quebec and the Atlantic Provinces can expect below-normal temperatures. Near-normal readings are expected between Lake Superior and the mouth of the St. Lawrence River. (CP Photo) 1957 (Toronto Telegram)

Customs Officer Tumbles Under Train Wheels, Dies

A 61-year-old Canadian Customs officer died in Sherbrooke Hospital Saturday night a few hours after falling under the wheels of a freight train he had been inspecting at the Coaticook railway station just prior to going off duty.

Dead is Bristol Smith, a lifetime resident of Coaticook, and a Customs Officer for 36 years.

There were no witnesses to the accident, but Smith himself regained consciousness in Sherbrooke Hospital, and described what had happened.

He said that he had just finished inspecting his last train for the day — a CNR freight from Island Pond, Vermont — to make sure that all the doors were sealed, and after working down the train from the front, had hopped onto the caboose for the quarter mile ride back to his station office.

HIT CART

At the station, Smith said he jumped from the moving train for the platform, and hit a stationary baggage cart parked there. The force of the collision knocked him backwards and under the wheels of the caboose.

There were no other trains in the station.

Smith was found a few moments after the accident by fellow Customs Officer Jacques Laurence. He was taken first to the Coaticook Hospital, and then to Sherbrooke Hospital, where

X-rays were taken, and immediate preparations made to operate. However, although fully conscious, Smith died from internal bleeding before an operation could be carried out.

The dead man was to have finished his day's work about 30 minutes later, and then gone on a three-day leave.

VETERAN

Mr. Smith was a veteran of the First World War in the 35th Battery, 22nd Regiment, 2nd Brigade, and a 25-year member of the Canadian Legion, Branch 26. He received his 25-year pin last January.

He is survived by his wife, the former Dorothy Dougherty. They had no children.

The funeral service will be held in St. Stephen's Anglican Church, Coaticook, on Wednesday, at 2 p.m. Members of the Canadian Legion will be in attendance. Interment will be in Mount Forest Cemetery.

Remains are resting at Knapp's Funeral Home, 56 Baldwin Street, Coaticook.

Attends Outboard Motor Function

Don Clowery, of Don's Repair Service, has just returned from Montreal where he attended the annual Dealer-Distributor Day conducted by Outboard Marine Corporation of Canada.

Guest speaker at the luncheon was John Fisher, Director of the Canadian Tourist Association.

The luncheon followed a program of clinics for the province's Johnson, Evinrude, Elto and Lawn-Boy dealers and distributors. The impact of the company's current 3-million-dollar plant expansion was discussed by T. P. McMillan, assistant to the president of the corporation, also the company's recent purchase of Industrial Engineering Limited of Vancouver.

Find Body Near Paper Mill Dam

The body of Leopold Tremblay, believed to have drowned in the Magog River late last year, was recovered by Provincial Police Det. Rene Coupal and Chief of Police Rene Lemire, of Bromptonville, near the Richmond Pulp and Paper Co. dam yesterday afternoon.

Tremblay had been released from a mental institution shortly before his disappearance, police said. But no information was available about him until his body was found by a fisherman yesterday.

The body was brought to Sherbrooke and identified by his sister.

Taxation Overhaul Needed

The directors of the Canadian Chamber of Commerce have issued a statement in which they express disappointment at the content of the Gordon commission report on Canada's economic prospects.

The forecast development did not consider, the chamber said, the general question of taxation. It was difficult to see how such long-range forecasts were made by the commission in its preliminary report could be considered without discussing the problem of taxation.

The evidence presented to the Gordon commission during its extensive hearings made it clear that personal and corporate income taxes at present rates created problems respecting investment by Canadians in the industry of their own country.

The Chamber of Commerce believes that both personal and corporate taxes are too high. It said so in its submission to the Gordon commission. Failure to discuss the problem is an omission of fundamental importance, in the chamber's words.

During the past two decades, the tax structure of Canada has been erected like a series of cumbersome and often unrelated additions on top of the Canadian economy. The trend to centralization which was fostered by the wartime emergency and the present reaction by the provinces against centralization have created tensions within the nation. The time has come for a general review of taxation policies with a view to simplification and encouraging the development of Canada by Canadians.

Foot-In-Mouth Diplomacy

The strange ways of American Secretary of State Dulles must make diplomats of friendly countries despair and bring joy to the hearts of his enemies.

An American news analyst has outlined the difficulties newspaper reporters have with the Secretary. The only way to avoid a denial of a story the day after it is printed, apparently, is to get Dulles' statement in writing, preferably signed.

Mr. Dulles has the habit of taking a transcript of his press conferences, editing them and changing his own words to suit himself. In this day of world-wide communications this results in the utmost confusion.

When a man in such an important position as Mr. Dulles makes a statement on foreign policy to the press, it is news. As such it is distributed by wire services and correspondents to

newspapers throughout the world for the information of the public. Foreign diplomats and governments also rely on the newspapers in many cases for news of developments in Washington. But when Mr. Dulles comes out with his edited transcript the next day and denies the published reports, all is confusion.

The Washington press corps has protested to Mr. Dulles, but he maintains his right to change his words "in case I make a blunder inadvertently which does damage to international relations." This is like locking the barn door after the horse has been stolen, for the damage has already been done.

What Mr. Dulles should do, and what most trained diplomats do, is to choose his words more carefully. Relations in the West would be so much easier if Mr. Dulles would only learn to keep his foot out of his mouth.

Letter To The Editor

The Sherbrooke Regiment

Editor, Sherbrooke Daily Record.
Dear Sir:

I would like to compliment you on the outline you published covering the history of the Sherbrooke Regiment. There were however, a few discrepancies which in the interest of those concerned should be corrected.

It was in 1914 not 1899 that Major Harry Sampson and a full company (250 officers and men) volunteered for service at the outbreak of hostilities. This unit went to England and France with the first Canadian Division. Again in 1939 Lt.-Col. Watson, then O.C. of the Regiment formed

a unit of some 200 officers and men from the Regiment as soon as war was declared, and went to England with the first Canadian troops.

Further, I cannot quite agree with the statement that this "training in the early 1900's was endless drill and target practice". It is true there was not the variation in arms and technical training there is today. The battalion was however, (1909-10-11) always at full strength of about 1,000 and they were all qualified as good shots before being paid. At least one all-day tactical exercise with blank ammunition was carried out locally each year, as well as brigade

training in camp for one week. At one such camp in 1911 there were 15,000 cavalry, infantry and artillery, the whole constituting a much greater potential effort than is carried out today with all the extra facilities available, as compared to the "old drill hall and parade ground". At this time the battalion had a brass band of some 55 pieces as well as drum and bugle compliment of about 20, so you can see the unit was quite a going concern as compared to the present 180.

K. B. JENCKES, Lennoxville.

Ed Note: The information in the story came from regimental files.

CANADIAN ACCENT HANDICAP

(Ottawa Journal)
There died in London the other day a distinguished actress, Miss Lena Ashwell (Lady Simson), the daughter of Commander Pocock, RN, who resigned from his ship in 1880 and came to Brockville to be a minister.

Miss Pocock, who took the stage name of Ashwell, was educated in Toronto and later went to schools in Europe before joining a Henry Irving theatre company in London in 1895. The Times obituary had this observation:

"But she still had her craft to learn and was handicapped by a strong Canadian accent of which it took her some time to rid herself."

Miss Ashwell did overcome the accent to become a notable personality of the stage, the wife of a surgeon, Sir Henry Simson, and active in many good works in Britain. We join others in honoring her memory and we pause for a moment to reflect on a fact we seldom consider — that a Can-

adian accent in certain circumstances can be a handicap. On the London stage a Canadian accent having a national stature evidently is given recognition although at home we have thought of variations in tone between Toronto, Vancouver, Montreal and the Maritimes.

If there is indeed a national accent we have come further along the way of unity than some have believed and what might be a handicap on the London stage should be a passport to understanding in ten provinces.

WRITING OUR LAWS
(Peterborough Examiner)
Fat-head prose makes fat-head laws. Loose, foolish, slapdash writing is the product of loose, foolish, slapdash thinking — for writing is thinking and the style is a reflection of the writer. We live in a country which has small respect for good prose — which reflects its lack of concern for clear thinking.

Two or three of Canada's ablest writers are employed in

the Civil Service. But, alas, several score of its most irresponsible abusers of the King's English draw their pay there, as well.

PLENTY OF ROOM
Halifax Chronicle-Herald
The 12.5 percent drop over the last five years in the amount of land used for farming purposes in Nova Scotia, as reported by the Dominion Bureau of Statistics, should arouse a measure of concern. But even more alarming is the fact that only one-quarter of the 2,775,642 acres listed as farmland is actually used for food production.

The 1951 census revealed there was in this province only 661,975 acres of improved farmland — land that was producing crops or used as pasture for farm animals. The remainder of that listed as farmland at the time — 2,511,716 acres — was not producing.

10 Years After Death

Henry Ford Debate Continues

By DAVID J. WILKIE
Detroit — (AP) — When Henry Ford died an era in rugged individualism ended.
A decade after his death at 84 on April 7, 1947, historians, economists, industrialists, financiers and sociologists still are trying to evaluate his place

in industrial history. They do not all agree.

Some say it was a force of circumstance that made him the outstanding figure in the automotive industry; that he appeared on the scene at exactly the right moment, that had he not developed mass production of motorcars some other individual would have done so.

Some of Ford's critics say he was ruthless when he forced minority stockholders out of the company in 1919 by threatening to sell his own holdings and start a new company.

Other acquaintances describe him as a dedicated individual — dedicated to an obsession that he was placed on earth for a definite purpose — to provide jobs for his less fortunate fellow men.

They point to his action in boosting wages from an average of around \$2.40 a day to \$5 a day in 1914, which he described as "a matter of simple justice."

It was my good fortune to have been acquainted with the elder Henry Ford for many years. To me Ford was an intensely warm individual, easy to talk with. Yet he was never unkind of the fact he was the outstanding industrial figure of his era. He was convinced his great wealth would enable him to do things that were impossible.

His peace ship, aimed at ending the First World War, was impossible. He chartered the steamship Oskar II in 1915 and led an expedition of 160 pacifists to Europe. The party wandered from capital to capital and finally disbanded. The venture cost \$400,000.

Similarly impossible was his effort to break the 1932 depression by raising wages to increase spending capacity.

Ford had seen an initial investment of \$28,000 by himself and a dozen acquaintances grow into a billion-dollar industrial empire.

Once asked the automotive pioneer what he considered his outstanding achievement. Without a second's hesitation, he said: "Winning the Selden patent

suit; without that victory there would have been no automobile industry as we know it today."

Ford alone refused to pay royalties to the association holding the patent issued to George B. Selden, New York lawyer, for an automobile engine.

It is no secret that the fortunes of the empire were in a decline when the elder Ford vacated the presidency in 1945, in favor of his grandson, Henry Ford II. A company statement some months ago said the company was losing money at the

Realistic Cancer Care Approach At Sherbrooke Hospital Clinic

Editor's Note: This is the third in a series of articles dealing with cancer diagnosis and treatment in the Eastern Townships.

Doctors at the Cancer Detection Clinic at the Sherbrooke Hospital have taken a realistic approach to the diagnosis and treatment of cancer, and it is one of the hospitals in the country which insists that all cancer patients be screened by a cancer clinic committee consisting of Dr. Hector McDougall, Dr. T. J. Quintin and Dr. J. Silny.

It means that every cancer patient, public or private, admitted to the hospital will be carefully studied by a committee of experts who, after making a careful diagnosis in consultation with the attending physician, recommend the course of treatment to be followed.

No charge is made to the patient for this consultation service. The doctors on the consulting staff of the clinic endeavour to keep posted on all new methods in the battle against cancer. New methods of diagnosis and treatment are studied and are made available to the patient and his doctor whenever possible.

Consultations between the private practitioner and the cancer detect committee are mutually invaluable. The committee learns the complete medical and social background of the patient while the attending physician is kept posted on new methods of recognition and control.

All this development will lead

PUBLIC NOTICE By-Law No. 933

PUBLIC NOTICE is hereby given that on the first day of April 1957, the Municipal Council of the City of Sherbrooke has adopted By-law no. 933, of the Municipal By-Laws of the City of Sherbrooke, concerning barber shops.

That the original of said By-law no. 933 is kept at the City Hall, in the Municipal Archives, where everybody can take communication thereof.

Given at Sherbrooke, this 2nd day of April 1957.

to early diagnosis and adequate treatment for the patient as near as possible to his home.

Something of the element of fear is taken away when the patient is treated in familiar surroundings by doctors whom he knows have a personal interest in him.

The Sherbrooke Detection Clinic has recently had, provided by the hospital authorities, complete equipment, including Geiger-counters and scintillating counters for the use of radio-active isotopes in the detection and treatment of certain types of cancer.

Dr. Maurice Home, professor of physics at Bishop's University had co-operated with the hospital by working out for the physicians the physical problems of radio-active materials.

The Webster Fund is being used by the hospital to send Dr. John Taylor to undertake post-graduate studies in the use of radio-isotopes in cancer work. Dr. Taylor will take charge of this section of the clinic on his return to Sherbrooke.

The Sherbrooke Hospital also operates a tumor clinic registry and handled more than 140 new cases of cancer during 1956. Each case is carefully classified and catalogued and each card lists the type of cancer, the treatment administered and the results obtained.

The registry is used as follow-up. Following preliminary treatment a patient may be asked to report back to the hospital for

vived the drugs prescribed for her during the last week of her life. A defence expert had challenged this contention.

The attorney-general said Adams had been quoted as telling a Scotland Yard detective he wanted the cremation of the woman to "go smoothly." He declared: "If he killed her, there was an obvious reason for wanting that—no possibility of a post mortem or discovering how much heroin and morphia there was in her body."

JUDGE SUMS UP

In his summing up, the judge said there was a good deal of discussion about circumstances in which doctors may be justified in administering drugs which would shorten life such as cases of severe pain and helpless misery.

"If the first purpose of medicine—the restoration of health—can no longer be achieved there is still much for the doctor to do and he is entitled to do all that is proper and necessary to relieve pain and suffering even if incidentally shorten life."

The judge told the jurors there is no evidence on which they could properly come to the conclusion that any drug was administered to Mrs. Morrell over and above the injections recorded in notebooks kept by the widow's nurses.

Freed Priest Fears Reds Follow Him

HONG KONG. — (AP) — Rev. Fulgence Gross, Roman Catholic missionary freed after six years' detention in Red China, says he expects to be dogged by the Communists everywhere he goes.

The 53-year-old priest from Omaha, Neb., arrived Sunday night from Shanghai aboard a British ship. He was freed 10 days ago after completing a sentence for alleged espionage. He served most of his term in a prison but was transferred to house arrest toward the end.

Asked whether he had confessed to the espionage charges when he was arrested March 29, 1951, he told reporters: "I prefer not to answer. I don't trust any of you. Some of you might be Communists. I cannot trust anyone."

EAST ANGUS —

The March meeting of the Rangers met at the home of Mrs. R. Beattie with Miss Audrey Hall as joint hostess. Bridge and 500 were played with prizes being won by Mrs. G. Grey and Mrs. E. Rowland in bridge and Miss Al Waldron and Miss Margaret Rowland in 500. Refreshments were served by the hostesses. The next meeting will be held at the home of Mrs. Bruce Rowe with Mrs. R. Grenier and Mrs. A. James as co-hostesses.

Mr. and Mrs. Cyril King and family, of McMasterville, spent the week-end at the home of Mr. King's mother, Mrs. R. Joyce, and Mr. Joyce, before leaving for Vancouver Island where he is being transferred. Other guests at the same home were Mr. and Mrs. Fred Clark, of Bromptonville.

Additional treatment and observation from time to time. If he fails to appear a nurse is sent to the home to find out why he did not.

It is possible to cure or arrest many types of cancer providing that an early diagnosis of the disease is made. Great strides in the battle against cancer have been made in the fields of radio therapy, chemotherapy and surgery and their application to cancer control but early and proper diagnosis is still the most effective weapon against the disease.

The Canadian Cancer Society, apart from providing the bulk of funds for all cancer research projects in Canada conducts a never-ending education campaign to bring the warning signals of cancer to the entire country. There are 30 sections of the Society in the province of Quebec and more than 3,000 doctors, laymen, and women volunteers work unceasingly to bring the cancer story to the residents of their sections.

On April 7, the Sherbrooke section of the Society, of which Herbert Plow is president, will launch an appeal for \$15,000 in the Eastern Townships for funds to carry out the Society's three-fold program of education, research and welfare.

Controversial Cardinal Dies

MADRID. — (AP) — Pedro Cardinal Segura y Saenz, long a storm centre in the Roman Catholic Church and former primate of Spain, died today after a long illness. He was an outspoken foe of democracy, the Franco government and Protestantism.

The 76-year-old cardinal had been ill for more than a year. His death reduced the college of cardinals to 59 members. At full strength it was 70.

Cardinal Segura had been a cardinal since 1927 and archbishop of Sevilla since 1937. Because of the severity of his views and sharp differences with Generalissimo Francisco Franco's government, the Vatican had relieved him of his administrative functions in Sevilla two years ago, turning them over to his coadjutor, Archbishop Jose Maria Bueno y Monreal.

Former Premier Of B.C. Dies

VICTORIA. — (AP) — John Hart, 78, the soft-spoken Irishman who introduced coalition government to British Columbia and headed the provincial government during the war and early post-war years, died at his home Sunday.

The province was governed by Liberal-Conservative coalitions for almost 11 years — six of them under Mr. Hart — until the present Premier, W. A. C. Bennett led Social Credit to victory in the 1952 general election.

Popular Couple Feted By Friends At Massawippi

MASSAWIPPI. — Mr. and Mrs. Frank Humphrey were pleasantly surprised when 40 relatives and friends attended their 40th wedding anniversary party, given by their three children.

Cards were played and singing by Mrs. Lizzie Bailey and Mr. Jack Brown, of Coaticook, was much enjoyed.

Mrs. Humphrey was presented with a carnation corsage and Mr. Humphrey with a carnation boutonniere. They also received a dozen red roses from Mr. Humphrey's niece, Mrs. Audrey Jordan and family, of Ingersoll, Ont.

Mrs. Humphrey's sister and her husband, Mr. and Mrs. Archie Grady, of Rock Island, presented them with a salad bowl in a wrought iron stand.

The presentation of a purse of money from those present was made by Jack Brown.

Guests were present from Montreal, Knowlton, Rock Island, Coaticook, Dixville, Lennoxville, Waterville and North Hatley.

General Notes
Recent visitors of Mr. and Mrs. Donald Bowen were Mr. and Mrs. Leonard Swallow and three children, of Lennoxville and Mrs. Fannie Bowen, of Knowlton, who was an overnight guest.

Guests of Mr. and Mrs. Frank Humphrey were Mrs. Gladys Wiggert, of Lyndonville, Vt., and Miss Carpenter, of St. Johnsbury and Mrs. Edith Childs, of Montreal.

J. S. Mitchell Satisfactory Year Reported

The annual report of the J. S. Mitchell Co., Ltd., as submitted to the stockholders in the district, shows the maintenance of a satisfactory financial position, even in the face of the considerable expansion of facilities and personnel in opening a new office in Thetford Mines, not to mention an additional warehouse in Sherbrooke.

Although the earned surplus for the year rose somewhat from 1955, net profit was only slightly lower in spite of increased depreciation and slightly less profit from all sources before income taxes.

Dividends for both years have remained the same. The working capital on December 31, 1956 was higher than the previous figure and the company's properties have been maintained in good condition throughout the year.

GOULD

Mrs. K. N. MacIver has returned from Quebec City, where she spent a week at the Chateau Laurier with her sisters, Mrs. K. MacDonald, of Stotstown, and Mrs. E. Johnson, of Clapham.

Little Brenda Annesley, of Dorval, is spending a few weeks with her grandparents, Mr. and Mrs. Ruel Annesley, Mr. and Mrs. Bert Dinning, of Maple Grove, were week-end guests, and other visitors at the same home included Mr. and Mrs. Randolph Annesley and family, Mr. and Mrs. Arnold Morrison and Mr. Aylmer Morrison, of Sherbrooke, and Mrs. Collin Morrison, of Lennoxville.

Mr. and Mrs. R. Rowland and Peggy Ann, of Angus, were week-end guests of Mr. and Mrs. Roscoe Morrison.

Mr. and Mrs. Eric Beaton, of Sudbury, Ont., were guests for a few days of the former's parents, Mr. and Mrs. Alex Beaton. Visitors at the same home were Mr. and Mrs. Henry Nicholson and baby Allen, of Bishopton.

A fire of unknown origin completely destroyed the home of Mr. and Mrs. A. Bourgaud, parents of eleven children. The fire was noticed by a neighbor who gave the alarm to the sleeping family, who narrowly escaped in their night clothes. This was the farm known as the John Smith farm and was one of the old landmarks of the community.

In Memoriam

HARRISON — In loving memory of a dear husband and father, Ernest (Ernie), who passed away April 8, 1956.

We are sad within our memory. Lonely our hearts are too. For the one we loved so dearly. Has forever been called away. Ever remembered by —

GUNSE, (wife), AND FAMILY.

LUXFORD — In loving memory of our dear son and brother, Pte. Lieut. Floyd Luxford, R.C.A.F., who gave his life for his country, April 24, 1945. This month brings back sad memories.

Of a sorrow too great to be told; But to us who loved him, This memory will never grow old. Remembered always by —

DAD, MOTHER & SISTER, East Angus, Que.

PATTON — In loving memory of a dear mother, Mary R. Patton, who passed away April 1956. A wonderful mother. Loving and kind to the end of her days.

The dearest mother, so loyal and true. One in a million, dear mother, were you.

MR. & MRS. J. H. ROARKE, MR. & MRS. D. H. PATTON, MR. & MRS. A. W. PATTON.

Cards Of Thanks

ANDERSON — I wish to express my thanks and appreciation to all who so kindly sent flowers and cards during my recent illness. Special thanks to Dr. Hill, Dr. Dougan, Miss Whittle, the 3rd floor of the Sherbrooke Hospital staff, the Women's Missionary Prayer Group of Grace Chapel, the L.S.C.F. club, and my class mates of S.H.S. for the Sunshine basket.

MISS ELIZABETH ANN ANDERSON, 864 Esplanade, Sherbrooke.

MACRAE — We wish to express our sincere thanks to our many friends who showed us so much kindness during the illness and burial of our dear father, Mr. George MacRae.

We especially wish to thank Dr. J. R. D. Bayne and the nurses on the second floor of the Sherbrooke Hospital, our two good neighbours Mrs. Kenneth MacDonald and Mrs. Russell Morrison, the Rev. J. MacIver and St. Paul's Presbyterian Church Groups, Lewis Lodge No. 53, L.O.O.F., and all those who sent food and messages of sympathy.

A special thanks to the boys from Dell for opening the road into the Dell Cemetery.

MRS. GEORGE MACRAE AND FAMILY.

SIMONEAU — I would like to express my most sincere thanks to all my relatives, neighbours and friends who remembered me while a patient in the Hotel Dieu Hospital, Sherbrooke, with cards, letters and gifts as well as the kindnesses shown Mrs. Simoneau during my absence. Also to those who have remembered me since my return home. Your thoughtfulness will always be remembered.

WALTER SIMONEAU, Rock Island.

LEISHMAN
CANADA'S MOST DISTINGUISHED CLOTHES

Leishman's Mr. Dillmann Returns From England Wearing "the goods" — a Netting Tweed Jacket

Always on the move to uncover the newest in fabric and style trends for our customers, our Mr. Dillmann recently returned from the Old Country and the Continent, where he consulted with trend-setting stylists and visited world-famous woollen mills. A striking example of one of these new materials is the sports jacket Mr. Dillmann wears so casually and comfortably. It is called Netting Tweed—and only Leishman has it in Canada. It is a Scottish product and is woven loosely with an open mesh weave. The colours are strikingly different, yet in the best of taste. Light in weight, comfortable and correct—a Netting Tweed sports jacket in your choice of many colour variations will be as individual as your own signature.

Witnesses Send Letter To Russia
 COATICOOK — Harold Howitt, presiding minister of the Coaticook congregation of Jehovah's Witnesses, has made public the contents of a letter recently sent to Premier Bulganin of the U.S.S.R.
 Charging that Soviet officials "may perhaps be found fighters actually against God," the strongly worded letter of protest from officials of the Watch Tower Bible and Tract Society, legal governing body of Jehovah's Witnesses, was sent to the Russian premier. Mr. Howitt cited the wholesale arrests and mass movements of Jehovah's Witnesses to slave labor camps in Siberia.
 The letter was written to accompany a composite petition that had been adopted over a period of nine months by a total of 462,936 Jehovah's Witnesses. It called attention to the 7,000 Jehovah's Witnesses known to be in slave camps in the Soviet Union and, requesting their release, proposed that a delegation be permitted to proceed from the Society's headquarters in Brooklyn, N.Y., to Moscow.

Another grass fire occurred on Wednesday forenoon, being quickly put out by the fire brigade. Four such blazes in the past eight days, but fortunately none made sufficient headway to inflict much damage.

Easter Supper Planned By Ayer's Cliff Guild

AYER'S CLIFF. — Mrs. Galen Vance and Mrs. Weldon Dustin were co-hostesses at the Vance home when they entertained the regular semi-monthly meeting of St. George's Guild.

Rev. H. C. Denton opened the meeting after which the president, Mrs. N. C. Whitcomb, presided over the business period.

Plans were made to have an Easter supper on the 25th. Arrangements were also made to hold a rummage sale on May 11.

The next meeting will be held in the hall and Rev. H. C. Denton will give a demonstration of the work accomplished by the Altar Guild, which should be interesting to the members.

Mr. Denton announced that the Easter Service would be held at 9:30 in the morning.

The ladies were pleased to have Mrs. Jacobs of Sherbrooke, present at this meeting which concluded with a social hour and the serving of tea by the hostesses.

LADIES LIBRARY COMMITTEE

Mrs. Edna MacIntyre was hostess, recently, at her home, on Ontario St., for members of the Ladies Library Committee.

Mrs. Thomas Walker, president, was in the chair and prior to the business meeting, she voiced the regrets of the committee on the occasion of the death of Mrs. George Lothrop, a past president, and expressed deepest sympathy to the members of her family.

Arrangements were discussed for the Sally Lunn and salad tea, to be held in the MacKinnon Memorial, Montreal St., Tuesday afternoon, April 30, from 3 to 6 p.m.

Following the business session, refreshments were served by Mrs. MacIntyre, assisted by members.

Paris Offers These New Silhouettes

Current in the Paris collections are the column and egg silhouettes by Pierre Balmain. The floral column (left) is reminiscent of the 1930's. White crepe is splashed with roses. Bodice is bloused over a narrow black belt. Back is cut into a deep V. Suit of violet-and-white checked wool (right) in the egg silhouette has a completely soft and feminine look. Short jacket has an oval look and pegged skirt narrows down at the hemline.

France Receives Royal Visit

French Countess To Be Queen's Hostess

PARIS (AP) — A tall, blonde step on her visit, ready to do whatever is required.

TO BREAK IN SHOES

The countess plans to spend Sunday breaking in new shoes she has bought to wear on the job.

For every occasion but one, the countess will be dressed by carven. For the first evening at the opera she will wear the same evening gown she wore at the Queen's coronation, a beige satin embroidered with autumn leaves by the late Jacques Fath.

Mme. de Crouy de Chanel knows England well. Her husband was counsellor at the French embassy there from 1950 to 1955. She brought back to Paris the blue velvet footstool she sat on for the coronation, and she treasures a recipe for Cumberland ham.

She tried to visit England every Easter at least with her four English-speaking children, two boys and two girls aged 13 to 6. The children are enchanted with their mother's royal job and tease her about being a cover girl.

Life has been a whirl of photo-

graphers, dress fittings and protocol since the choice of the countess was announced three weeks ago.

To meet the Queen, the countess will wear an all-beige outfit. An emerald green satin coat will cover the coronation dress that night. She has her own diamond tiara for all formal occasions.

A white tulle, flower-printed, was her choice for the royal excursion to Versailles. With it goes a bronze coat and turban of blue, white and beige. For the ball at the British embassy her dress is of draped white chiffon. Her gown for the final ball at the Louvre is pink lace, off the shoulder and with a huge skirt.

Officers Named At Beta Meeting

The regular meeting of Quebec Epsilon Chapter, Beta Sigma Phi, took place on Monday, April 1, at the MacKinnon Memorial, with Mrs. W. M. Bradshaw presiding.

The new slate of officers for the coming year was presented as follows:

President, Mrs. A. W. Timmouth; Vice-President, Mrs. J. G. Lacroix; secretary, Miss Dooreen Wilson; treasurer, Mrs. F. White; corresponding secretary, Mrs. P. Panet-Raymond; extension officer, Mrs. I. Sanderson.

A financial report on the fashion show was given by Mrs. G. Curphey which showed that this event was a financial success.

Mrs. P. Beaudry, vice-president, announced that the Founder's Day banquet would be held on April 30.

The program chairman, Mrs. R. Blackmore introduced the speakers for the evening, Mrs. L. Curtis who read an article entitled "Debating", was thanked by Mrs. W. P. Charlebois. Mrs. P. Beaudry presented a paper entitled "Voice & Vocabulary Reflect the Inner You." She was thanked by Mrs. P. Panet-Raymond.

Following the closing ritual, refreshments were served by the hostesses.

It was announced the next meeting would be held on April 15, at the home of Mrs. W. P. Charlebois, Quebec St.

House Of Fath May Close

PARIS (AP) — The fashion house of Fath will not present a winter collection this year, a spokesman for the house said Friday, and may decide later to close her fashion department.

Mr. Edouard, the only name he uses, director of the Fath fashion department, said:

"I am authorized to say that Mrs. Genevieve Fath has decided not to design nor present any winter collection."

These are normally shown in August.

Edouard added that reports she might close her fashion department completely are "premature." He added, however, "Mrs. Fath has not yet definitely made up her mind although it is likely she will decide to close."

Little tykes may get a thrill out of hand washing if mother shows them how a "magic formula" of soap and water can make dirt completely disappear.

My, Whatever Happened To That Beautiful Bride?

Women are forever complaining about how men change after marriage.

Women change, too, according to the men, and not always for the better. Here are some of the not-so-happy changes, from a man's point of view.

Before marriage she thought his job was important and utterly fascinating — or so she led him to believe. After marriage she starts in to convince him he is overworked and underpaid. She resents the demands his job makes upon time she thinks ought to be hers.

Before marriage she talked in glowing terms of "when we have a home of our own." After marriage she talks about how bored she is with housework and the same old routine, day after day.

Before marriage she let him be himself. After marriage she starts in trying to change him.

Before marriage she was gay and vivacious. After marriage she quit trying to amuse and entertain him.

WHO CARES ABOUT HIM?

Before marriage she looked her very best for her husband. After marriage she only dresses up for other people.

Before marriage she laughed gaily when he was in one of his "life of the party" moods. After marriage if he cuts up a little she tells him that he made a fool of himself.

Before marriage she tried her best to charm his family. After marriage his parents became her in-laws and a cross to be borne.

Before marriage she seemed as ready for adventure as he. After marriage she started referring to his dreams as "crazy schemes."

Before marriage her job was just a job. After marriage it is the career she gave up for him.

That's how marriage changes some women — and for the worse, from a man's point of view.

A Daily Walk Keeps Figure Trim

A very important factor in holding down your weight (aside from cutting calories) is an old-fashioned but still reliable remedy: the daily walk.

All of us tend to take to transportation of any kind readily. Yet most of us have legitimate reasons for the daily walk and it's the daily walk that helps to keep the figure in trim.

If you're the kind who won't just take a walk for the pleasure therein, combine your walk with necessary errands for the family, household or yourself. Just be sure that you don't skip a day. And don't let the weather give you an out. Umbrellas, boots and raincoats were invented to protect you from spring showers.

The way in which you apply facial cream or lotion is fully as important as how often you apply it.

If you put it on with downward motions, the result will be sagging facial muscles.

To get the right result, start from the base of the throat and apply the lotion with an upward and outward motion. Work from the chin outward to the temples on each side of the face and upward over the forehead. The idea is to work against the lines of the face, not with them. But make the strokes light and gentle.

It's best to proceed with caution until you get the idea. You'll find that with a few applications, you'll have a complete grasp of the procedure.

The coming of spring brings with it a switchover in skin care. Winter requires richer facial creams and hand creams. With spring, you can change to the lighter lotions for both hands and face. The notion of one type of skin care the year around is an old-fashioned one.

The kind of skin lotion you pick for daily use in spring depends to a great extent on your skin type, just as it does in winter. But so many lotions are available now that you will have no trouble finding one that's

Homemaker Turns Artist

LONDON, Ont. (AP) — When Mrs. Reginald Reynolds decided to become an amateur artist her home took on a new look. The living-room and dining-room have become a gallery for her oil paintings and pastel sketches.

As a young matron, 30 years ago, she vowed she would take up painting as a hobby. But it was about 25 years before she was able to find time to achieve her ambition.

Now, while recognizing that she may never be a great artist, she has the satisfaction of knowing that she has something special to leave to her seven grandchildren—a picture they each love.

Mrs. Reynolds began with pastels, and after learning the rudiments ventured into work with oils. Her "workshop" is at a desk in her husband's downtown restaurant, where she serves as cashier. She says her success is due to her husband's confidence in her ability.

To Mrs. Reynolds, a picture "has to be a thing of beauty and something you can live with." She is no devotee of the abstract. Many of her works are mountain scenes.

"I used to live among the mountains in western Canada," she explained. "There is something awe-inspiring about them, and they do make beautiful pictures."

OBITUARIES

MRS. RUPERT C. VAN OF MILAN

Mrs. Rupert C. Van passed away at the Wales Home on March 10, 1957, where she and Mr. Van had gone to reside on March 1st.

Mrs. Van, the former Mary Macdonald, daughter of the late Murdoch Hardy and Annie Buchanan Macdonald, was born on August 26th 1875, at Spring Hill. She was the youngest of a family of seven children, all of whom have passed away with the exception of Annabelle, Mrs. Neil Macaulay, of Concord, N.H. Her sisters, Isabelle, Mrs. George Carter and Annie, Malcolm, Donald and Neil predeceased her several years ago.

Mary Macdonald and Rupert C. Van were united in marriage on May 24th 1905, at Littleton, N.H., and four children were born of this union, Raymond, of Arvida; Helen, Mrs. Earl Gaulin, of Scotstown; Catherine, Mrs. Harold E. Parsons, of Camborne, Ont.; Jean, Mrs. Kenneth A. Ross, of Milan.

Mr. and Mrs. Van purchased the John A. Macdonald farm at MacLeod's Crossing in 1907, where they spent the greater part of their married life. Mrs. Van took an active part in community life, especially the Sunday School of which she was superintendent for a number of

years. They also owned the Norman Beaton farm in Victoria, Que. After selling these farms they purchased and moved to the former Charles Nodding homestead in Scotstown.

Surviving are her husband, her four children, a daughter-in-law and three sons-in-law, twelve grandchildren, Jocelyn, Allan and George Van; Tony, Janet, Mary Van and John Gaulin; Donald, Mary Jean, Hazel, Rupert Van and Malcolm Ross; a great-grandchild, Deborah Van, a sister, Annabelle, three sisters-in-law, Mrs. Neil Macdonald, of Scotstown, Miss Gladys Van, of Montreal; Mrs. Ted Van, of Columbia Falls, Montana and a brother-in-law, Mr. Roderick Van, of Kamloops, B.C., four nieces and five nephews, Mrs. Russel Day, Springfield, Mass., Mrs. Everett Merrill, Concord, N.H.; Mrs. Kenneth Foley, Hanover, N.H.; Austin Macaulay, Littleton, N.H.; Mrs. Rene Lemieux, of Quebec City and Rupert M. Macdonald, of Ottawa, Ont.; Alex Lambert, of Montreal, Clifford Macdonald, of Drummondville and Ronald Macdonald of Lake Megantic, and a number of great nieces, nephews and other relatives.

Mrs. Van possessed a sincere charming manner and made friends easily and had the gift to retain her friends.

She had been in failing health for many years, and was devotedly cared for by her husband until his own health failed.

The funeral service was held in St. Andrew's United Church, following prayers at the home of her daughter, Mrs. Gaulin, with Rev. Dr. Pounder officiating. The hymns sung were "The Lord Is My Shepherd" and "Lead Kindly Light" with Mrs. J. B. Scott as organist.

The bearers were Messrs. George and Norman MacRitchie, William Buchanan, John and Peter Matheson and John N. MacKenzie. Interment was in Riverview Cemetery.

Among those from out of town attending the funeral were Rev. Harold E. and Mrs. Parsons, Camborne, Ont., Messrs. Raymond and Allen Van, Arvida, Mr. and Mrs. Kenneth Ross and son, Donald, of Milan, Mr. and Mrs. Kenneth Foley, of Hanover, N.H., Austin Macaulay, Sr., of Littleton, N.H., Austin Macaulay, Jr., of Lancaster, N.H., Mr. Ronald Macdonald, of Lake Megantic, Mr. and Mrs. William Buchanan, Mrs. Malcolm Ross and Miss Dorothy Ross, of Sherbrooke, Mrs. George Macdonald, Miss Mary MacLeod, Mr. A. LEONARD R. DAVIDSON, OF HAMILTON, ONT.

(Formerly of Millfield and Bury, Que.)

INVERNESS — Leonard R. Davidson, aged 51 died suddenly at his work in Oakville, Ont., on March 5th, following a heart attack.

He was born at Millfield, Que., youngest son of the late Thomas Davidson and Sarah Ashcroft. In 1935, he married Murdena Macdonald, who survives him. Of this union five children were born (Dawn) Mrs. Norman Chamber-

lain, Jr., of Stanstead; Robert, now serving in the R.C.A.F.; Shirley, Mary Lee, and Billy, of Brantford, Ont. The three eldest being present at the funeral.

The remains were brought to the home of his younger sister and brother-in-law, Mr. and Mrs. Dan Melrose, where the funeral was held on March 8th.

Rev. Mr. Crook, of the United Church in Inverness, spoke words of comfort to the many sorrowing relatives and friends assembled there.

The beautiful flowers were silent tokens of love and deep regard held for the deceased. The bearers were, Earl Robin-

son, Cromarty Cruickshank, Guy Davidson, Herbert Little, Archie Cook and Howard Ashcroft. Interment was in the family lot in Boutelle Cemetery.

Besides his own immediate family he leaves to mourn, four brothers, Arthur, of Lowell, Mass.; Lawson, of Ames, Iowa; Dawson, of Detroit, Mich.; and Wesley, of Inverness. Six sisters, (Laura) Mrs. Dunstane; (Vangie) Mrs. Kendall; (Olive) Mrs. Watkins, all of Concord, N.H.; (Edna) Mrs. Patterson, of Glen Murray; (Winnie) Mrs. Cox, of Elizabeth, N.J., and (Eva) Mrs. Melrose, of Inverness; a son-in-law, Norman Chamberlain, Jr., of Stanstead and grandson Christopher Chamberlain, brothers-in-law, sisters-in-law, many nephews, nieces and cousins.

Relatives and friends here to attend the funeral were from Brantford, Ont., Stanstead, Ayer's Cliff, Lennoxville, Cookshire, Bury, Quebec, MacIndoes Falls, Vt., Ste. Agathe, Kinnear's Mills and Thetford Mines.

CHESTER ALBERT DRAFFIN, OF NOYAN.

NOYAN — The communities of Clarenceville and Noyan were shocked to hear of the sudden

passing of Chester Albert Draffin on Monday, March 11th. He was stricken with a heart attack in the morning and was rushed via ambulance to the Montreal General Hospital where he passed away in the late afternoon.

Mr. Draffin was born in Noyan, November 9th, 1907, the youngest son of the late William Draffin and his wife, and spent his entire life on the family farm on the shore of the Richelieu River. Besides the farm he had many outside interests and served as secretary of the St. Thomas parish for 13 years.

Left to mourn his passing are two brothers, Jasper, of Urbana, Illinois, and Alexander, of Alburg, Vt., a sister, Ruby, with whom he made his home, and three sisters-in-law. Four brothers pre-deceased him.

Funeral service was held in St. Thomas' Church in Noyan on Thursday afternoon, March 14th, conducted by the Rector, Rev. William Sellwood, assisted by Rev. Cecil Randall and Rev. Selwyn Willis, both of Montreal.

The mayor and council attended in a body and the pallbearers were Messrs. Glendon MacCai-

Ultra-modern Construction Calls for CANADA CEMENT

Concrete is the modern construction material for all types of buildings. Pleasing new architectural lines can be achieved with it at the most reasonable construction cost. Concrete structures are built quickly, are fire-proof and permanent. Whatever the project may be, quality concrete calls for good workmanship, first-grade aggregates and cement of assured quality.

When specifying materials for new structures, Canadian architects, engineers and contractors prefer "Canada" cement. They know that it is made on the basis of almost fifty years experience in making cement under Canadian conditions—and that its makers have a priceless reputation to protect.

Look for the Canada Cement trademark. It is your guarantee of quality.

Sponsored By Art Centre

Cowansville — A hobby show and private collectors exhibition, held at the Bruck Club, closed yesterday after an impressive 10-day showing of local talent and collectors items. The event was sponsored by the recently formed Cowansville Art Centre.

Mrs. L. S. Lee, president of the Art Centre, welcome the guests at the opening ceremonies and thanked those who had loaned so many articles of interest and value for others to enjoy. Mrs. J. G. Gibson introduced Mr. Gerald Bruck, who spoke in praise of the many fine exhibits, and was thanked for the use of the clubhouse by Mr. Milton

Kastello of Sweetsburg. The exhibition included a very fine showing of oil, water color, pastels and charcoal drawings and paintings by Townships artists from Bedford, Cowansville, Sweetsburg, Farnham, Sutton, Knowlton and Mansonville.

Also on display was a salon exhibit of photographic studies by local photographers, silvercraft, leathercraft, hand made plastic functional containers, wood carvings, art weaving, needlepoint work, hand loomed and hooked rugs, stamps and coins.

There was an impressive collection of hand made dolls and a miniature doll's house, furnished in complete detail down to the smallest of everyday household items, all in miniature, attracted much interest.

The outstanding display of private collectors' items included two miniatures by Sargeant and one by Sir Joshua Reynolds, a rare Portland vase, an American Empire chair of tiger maple-wood, a chest which came to this country with some of the survivors of a plague ship from Ireland in 1847 and many others of equal interest.

A demonstration and talk on sculpture was given by Mrs. Gwendolyn Fuller of Montreal during the exhibition, also one on oil paintings in French and English. Tea was served both afternoons.

Pupils from schools in the surrounding district were especially welcomed by members of the Art Centre and many took the opportunity to view the fine collection.

Mrs. Robert Morse was convenor of the committee in charge of the project, other members including: Photography, Kim Ayan; dolls, Mrs. W. T. Pickering; collectors' items and antiques, Milton Kastello; paintings, Mrs. H. O. Fabricius; press, William Kennedy; rugs, Mrs. Dale Morrison; weaving, R. W. Gunson. Outlying district organizers were: Knowlton, Miss Annette Fleury; Farnham, Mrs. J. Gauthier; Sutton, Mrs. N. Stuart, and Bedford, Mrs. Van Horne.

Other exhibitions and displays, addresses on art, etc., will be held during the spring and summer at the Art Centre, the next event being an exhibition of non-objective paintings by a group of Montreal artists known as La Galerie Actuelle, which will open on Saturday, April 13.

BACKACHE May be Warning

Backache is often caused by lazy kidney action. When kidneys get out of order, excess acids and wastes remain in the system. Then backache, disturbed rest or that tired-out and heavy-headed feeling may soon follow. That's the time to take Dodd's Kidney Pills. Dodd's stimulate the kidneys to normal action. Then you feel better—sleep better—work better. Get Dodd's Kidney Pills now.

WE STARTED TO LIVE BETTER THE NIGHT WE SMELLED SMOKE—

"The smell of smoke is a frightening thing. Thank Heaven, we caught it in time—the Fire Chief told us hundreds of Canadian families every year aren't so lucky.

"The electrical contractor told us a previous owner had wired the outlet that was smoking with a piece of extension cord.

"He also told us: *Three out of five homes in Canada are inadequately wired or have faulty wiring such as he found in ours.*

"No wonder they have trouble," he said. "Folks pile today's heavy appliance load on wiring ten to forty years old . . . never give it a thought. Their cars depreciate more in one year than a good, once-in-a-lifetime rewiring job would cost. They want all the wonderful new electric appliances . . . want to be modern without modernizing. When 15 amp fuses start to blow they replace them with 20 then 30 amp. Soon circuits get over loaded, wires get hot, insulation falls off between the walls . . . then s-w-o-o-s-h . . . it would have cost less to have called an electrical contractor!"

"He was right. Rewiring didn't cost much. And we financed it on a Home Improvement Loan. Our new wiring and lighting is the talk of the neighborhood. Our toast is ready faster, the kettle boils quicker—all our appliances operate better—and our light bills are lower. With full HOUSEPOWER we're not only safe . . . we LIVE BETTER—ELECTRICALLY!"

HERE'S WHAT TO DO!

- Call an electrical contractor at once. Have him do an ELECTRICAL SURVEY on your home, building or plant wiring for safety, efficiency and HOUSEPOWER rating. Most contractors do this work at no obligation to you.
- Ask your contractor about Home Improvement Loans . . . how they finance wiring improvements at low interest.
- Contact your Electric Utility for advice.
- Contact your Nearest Electric Service League for free literature or advice; or write to the Institute of Electrical Living, 126 Davenport Road, Toronto, Ontario, for informative literature on full HOUSEPOWER for old or new homes.

Inco Research helps Canada grow

Last October, with spring coming on in Little America, thirty-eight massive sleds began snaking their way across shelf ice, carrying hundreds of tons of supplies on a rigorous

600-mile trek to a U.S. geophysical expedition at an outpost near the South Pole. The sleds were especially designed and built right here in Canada. Essential parts of the sleds are

made of ductile iron, a relatively new alloy developed by Inco metallurgists after years of research. These ductile iron parts have withstood the severe Antarctic conditions in fine style.

Lifeline for Antarctic Expedition

Ductile iron, a research development of Inco, is used for parts on Canadian-made sleds carrying supplies to South Pole.

For generations, metallurgists and foundrymen had been trying to develop a metal as strong as steel and as easy to cast as ordinary grey iron.

After years of research, Inco metallurgists came up with the answer in the development of ductile iron.

Ductile iron is a type of cast iron that can be twisted and bent without breaking. It has many other remarkable characteristics. For example, in these heavy duty sleds, used by the South Pole

expedition, the ductile iron parts withstand heavy stresses at temperatures as low as 70° below zero F.

Ductile iron is only one of many important products developed by Inco research. For research is as much a part of Inco's operations as the production of metals.

Through research, Inco helps stimulate the growth of Canadian industry and provides jobs in Canada.

Council Favors Beer Licences At Rock Island

ROCK ISLAND — Several resolutions were made by the mayor and aldermen of the Town of Rock Island at their April meeting. Routine business was disposed of and bills voted paid.

In regard to the applications from grocers for licences to sell beer, inquiry made by the mayor noted that these permits must be granted by the Quebec Provincial Liquor Commission. However the Town Council drew up a resolution stating it is in favor of the licence act in the town and a copy of the resolution and the letters of application from the grocers will be forwarded to Quebec for action. The number of permits and to whom they will be granted will be the sole decision of the Quebec department.

It was moved that application be made to the Quebec Liquor

Legion L. A. Plans Rummage Sale At Rock Island

ROCK ISLAND — Twenty six members of the Ladies' Auxiliary of Stanstead Frontier Branch 5 of the Canadian Legion met for the April meeting at the Rock Island armoury. With the president in the chair, reports were given and several "thank you" notes for gifts sent to Veterans or their family were read.

The president read a copy of a letter from Quebec Command in regards to assistance for Polio patients. This copy of names and addresses for help was placed in the secretary record book if needed for reference. It was noted that a polio victim will receive help whether a veteran or member of his or her family or any other person so afflicted. Other copies of this information has been made to all local medical doctors.

Reports of committees were given by Mrs. Maud Probert and Mrs. Mary Bronson, Sunshine.

Mrs. LePitre presented the renewal application for membership of Mrs. Gertrude Stewart, the latter being given a welcome by her comrades, Mrs. Ruth Putney and Mrs. Ada Curtis each reported having remembered Veterans who were ill.

Ways and Means, Mrs. Lillian Clark announced that the rummage sale will be held in the Rock Island Town hall on Saturday morning, April 13. Mrs. Mary Bronson offered to pick up in Rock Island and Stanstead, Mrs. Mary Brewer and others in Beebe, Mrs. Gladys Chartier, in Grantville, several others offered to work at the hall on Friday evening and again on Saturday morning.

A complete report will be brought in at the May meeting on the raffle prizes selection, after which tickets will go on sale.

Mrs. Ada Curtis was appointed to act with Mrs. Joyce Jarvis on the committee of "Veterans and their family gifts" for Stanstead area. Honorary President, Mrs.

Asbestos Meteors Win Provincial Intermediate Hockey Championship

"The Rocket" Leads Way With Four Goals To Dump Bruins 5-1 In Opener; Second Stanley Cup Game Tomorrow

MONTREAL — (CP) — Boston Bruins, shaken by the awe-some something that struck them, sought a quiet workout today without being haunted by the National Hockey League's oldest player.

Maurice (Rocket) Richard, who will be 36 next August, made a mockery of the vaunted Bruin defensive setup Saturday night with a four-goal spree. The personally conducted tour by the Rocket led Montreal Canadiens to a 5-1 win over the Bruins in the first game of the Stanley Cup final.

Richard and mates will set out to make it two straight Tuesday before the best-of-seven series moves to Boston for two games.

The Rocket's four goals fell one short of his record for playoffs, set in 1944 against Toronto. In that game the sprightly Rocket, scarcely out of the rookie class, scored three goals in the second period. Saturday night, 13 years later, the venerable Rocket did exactly the same thing.

ERASED DEFICIT
The classical hat trick thoroughly squelched the Bruins, who had jumped into a 1-0 lead earlier in the second period on a goal by Fleming Mackell. After Richard's second goal, Bernie (Boom Boom) Geoffrion injected another Montreal goal before the Rocket came back with two more.

"I don't think I have ever seen Richard play a better game," said coach Milt Schmidt of the Bruins who faced the Rocket many a time before retiring in the 1954-55 season to pilot the Bruins.

"We made mistakes and I think our players were tired from their train trip, but I'm not trying to take anything away from the Canadiens and the Rocket. This isn't the first time we have trailed in a series. We

Chicago Cubs Despite New Pilot Still Look Like Eight-Place Club; Manager Scheffing Makes Changes

MESA, Ariz. — (AP) — Even with new manager Bob Scheffing and a group of players from their championship Los Angeles team, Chicago Cubs still look pretty much like last year's eighth-place National League club, to wit:

Ernie Banks and eight other guys.

The smooth, clutch-hitting Banks missed the first 10 games of the spring exhibition season because of a sore throwing shoulder. The Cubs struggled to a 3-10 record and one of those victories came on Bank's two-run pinch single.

Banks took over his shortstop job March 21 and the Cubs won four of their next five games with Ernie slamming 12 hits in his first 20 trips, including four homers, and driving across eight runs.

Scheffing didn't take over by announcing that nobody's job was safe. He just pitched right in and proved it by shifting players all over the place.

Scheffing watched his two advertised third-base candidates, Ray Jablonski, acquired from Cincinnati, and George Freese, one of his Los Angeles boys, per-

form. Then he moved veteran second baseman Gene Baker to third.

In a more surprising move, outfielder Walt Moryn was shifted from right field to first base last week, making veteran Dee Fondy cool his heels. At Baker's second base spot, Casey Wise, another ex-Angel, has a chance to make the big league grade.

If the Cubs don't deal for an established outfielder before the season opens, Scheffing may be in just as much hot water as the man he succeeded, Stan Hack.

Gale Wade, Solly Drake, Jim King, Bob Speake and Ted Tappe, not to mention a fine rookie, Bob Will, all are listed as outfielders. But King was the only one of the more or less unproven lot who was with the Cubs all last season. Speake could wind up at first.

The Cubs have a complete new catching deal this season with ex-Yankee Charley Silvera, ex-Cardinal Ray Katt and rookie Cal Neeman. Unless Silvera and Katt start humping, Neeman could steal the job.

The Cub pitching ace is veteran Bob Rush, a 13-game winner

Dressing Room Comments

MONTREAL — (P) — Two one-time hockey stars in the earlier days of Maurice (Rocket) Richard shook their heads and wondered how the Rocket still does it.

Montreal Canadiens had just grabbed a 5-1 win from Boston Bruins in the opening game of the Stanley Cup final and the 35-year-old Rocket had supplied four of his team's goals.

In Canadiens dressing-room, coach Toe Blake, a former teammate on the famous line of Richard, Elmer Lach and Blake, said: "The Rocket's speed was amazing. Particularly when he scored his second goal, cutting in around Fleming MacKell. I don't think I have ever seen him go faster in my life."

In the Boston room, coach Milt Schmidt, who played against the Rocket many a time, said "he played tonight as well as he ever did."

The Rocket was surrounded in the Montreal room by players, club officials, photographers and newspaper men. He was nursing a sore left cheek as the result of a bump from Vic Stasiuk's shoulder when the Rocket was checked.

The Rocket was happy but not effusive.

"Some nights you play well and the goals come along; sometimes they don't," he said.

Coach Blake said he was particularly pleased with his team's defensive play.

Coach Schmidt said the train ride from Detroit, where the Bruins won their cup semi-final against the Red Wings, took something out of his players. The team arrived Saturday morning, 12 hours before the game.

"We have trailed in a series before and have come back," said Schmidt.

Goalie Simmons said the defeat — particularly Richard's four-goal spree — was "humiliating." He said he had quit worrying about it, though, and looked for the Bruins to win Tuesday's game.

Barons Knock Over Bears To Reach Finals

CLEVELAND (AP) — Scoring twice in a 10-minute overtime period, Cleveland Barons defeated Hershey Bears 5-3 here Sunday and won their way into the Calder Cup finals of the American Hockey League playoffs.

The Barons took the series four games to three as Boris Bo Elik, the Barons' big rookie left wing, scored on an assist from Ron Ingram at 5:53 of the overtime. In the closing minute, with goalie Gerry MacNamara of Hershey withdrawn, Fred Glover fired a long shot into the open net.

The final best-of-seven series between Cleveland and Rochester Americans begins here Tuesday. Cleveland and Rochester tied for second on points in the regular seasons, but Cleveland won the runner-up spot by more victories.

last season, flanked by two great young prospects, Moe Drabowsky, who formerly played in the Maritimes, and Don Kaiser.

Scheffing also hopes to make a starter of Elmer Singleton, an 18-game Seattle winner. Other newcomers are Tom Poholsky and Jackie Colom from the Cardinals, Jim Brosnan, Turk Lardin, Vito Valentini and such Los Angeles products as Gene Fodge, Dave Hillman and Johnny Briggs.

TEMPERS FLARE — Hectic action in the first game of the Stanley Cup final series between Boston and Montreal led to this flare-up. Bob Armstrong of the Bruins and Dickie Moore of Montreal have their arms wrapped around each other at the left while Maurice Richard of the Canadiens and the Bruins' Fleming Mackell do a bit of fencing off to the side. Cleveland's Kerby Farrell Caught With No Third Baseman Despite Good Showing In Spring Exhibition Tilts

Kerby Farrell, Cleveland Indians' rookie manager, was indeed caught in a cross-current today.

You might say the fellow didn't know whether to laugh or weep.

His club has won nine of its last 10 exhibition games including Sunday's 8-17 decision over New York Giants. His pitching staff has been coming around. And this is the first year since he has been training with the Tribe that Rocky Colavito won't require more seasoning.

Colavito already has hit seven homers this spring, three of them in Sunday's triumph.

That's the good news.

THE CATCH
But his problem—finding a third baseman to replace the retired Al Rosen—still is haunting Farrell.

The thought he had it about solved when he shifted Al Smith from the outfield to third base. It turned out, though, that Smith wasn't happy there, not sure of himself.

"So," sighed Farrell, "from now on he's the centerfielder. I don't want him disturbed about anything. He's too good a ball player. I'm back where I started from. I really don't know who is going to play third."

While Farrell continues his hunt for a third baseman, manager Birdie Tebbetts of Cincinnati Redlegs finds himself in his usual plight of trying to get along with plenty of hitting and no pitching.

GET FIVE HOMERS
The Redlegs defeated Washington Senators 9-7 Sunday on home runs by Don Hoak, Ed Bailey (2), Gus Bell and Frank Robinson. But they had to come from behind. Starter Joe Nuxhall gave up five runs and eight hits before his mates found the fences.

Hard-luck Don Zimmer, Brooklyn Dodgers' infielder and heir-apparent to Pee Wee Reese's shortstop job, who already has been benched twice, was hit on the leg by a batted ball while running the bases in the Brooks' 4-3 loss to Milwaukee Braves. He'll be out at least a couple of days. The Braves won the ball game when Frank Torre singled home Bill Bruton in the ninth.

Elsewhere, Detroit Tigers edged Philadelphia Phillies 5-4; New

Bobby Morrow Sets Pace In World Relay

AUSTIN, Tex. — (AP) — Bobby Morrow, mighty man of the 1956 Olympic Games, led a record-shattering Texas relay with one of his greatest performances as two world marks were bettered and another tied Saturday.

Morrow, from Abilene Christian College, carried his term to a world mark of 40.2 in the 440-yard relay around two turns and tied the world's mark of 9.3 in the 100-yard dash.

The other world mark came Friday night when Texas ran the 880-yard relay in 1:22.7.

Abilene Christian set the world's record in the 440-yard, two-turn relay by beating Texas, holder of the mark at 40.4.

Texas holds the unofficial world's record for the 440-yard relay around one turn at 40.1. Texas already held the official world mark of 40.2.

Flin Flon Cops Western Junior Opening Playoff

FLIN FLON, Man. — (P) — Flin Flon Bombers grabbed a 3-0 lead and then coasted to a 4-2 win over Fort William Canadiens Sunday night in the first game of the Western Canada junior hockey final.

Flin Flon, easy winners of the Saskatchewan Junior League, took a 2-0 first-period lead over the Thunder Bay champions and made it 3-0 in the second.

Massawippi Champs Post 3-1 Win Over Trois-Pistoles Lions; Play To Scoreless Tie Saturday Evening

By LEN O'DONNELL
RIMOUSKI — Asbestos Meteors rallying in the third period to notch two goals and break a 1-1 stalemate emerged the Provincial Intermediate Champions when they downed Trois-Pistoles Lions 3-1 before a sell-out crowd of 2,985 fans to win the two-game total-point series by the same score. In the first tilt Saturday night the teams played to a scoreless draw.

The game was marked by outstanding goal tending by Paul Bouchard of the Lions and Claude Bergeron of the Meteors. Saturday evening it was a battle between these two boys and both came up with outstanding saves to keep their teams in the thick of the battle. In yesterday's game it was Bergeron who stole the spotlight as time after time he stopped the Lions cold with his saves.

Immediately following the game yesterday afternoon Lionel Fleury, president of the Quebec Amateur Hockey Association, presented the Q.A.H.A. trophy to captain Richard Champagne of the Meteors. He congratulated the winners for their fine showing and sportsmanship in playing such a clean game to win their first crown. The Lions also congratulated the Meteors for winning the title.

Playing coach Percy Glauze evened the count after Denis Fillion, former Sherbrooke Saints player and now coaching the Lions, tallied the first goal of the game. This stood up until the closing minutes of the middle session when Glauze let go with a hard slap-shot from just inside the blue-line to tie the count. Bouchard had no chance. In the third period Paul Perron notched the winning marker and later in the game Albert Moore came up with the spectacular goal of the game to register the insurance tally.

Moore broke in from centre ice with big Bob Normand back. He deked him almost out of his skates to walk in on Paul Bouchard. The young goalie made his move and then Moore rounded him to bat the disc into the open net. This goal took all the drive out of the Lions and gave the Meteors more life. They held on until the final siren with some fine defensive work.

The battle was close the whole way and it was only in the third period when the Meteors potted two goals, that the outcome was decided. The teams were evenly matched but the Massawippi League champions came through in their usual starchy fashion to wrap up their first Provincial championship and they did it in a fashion which was a credit to their league. Only six penalties were called, all minors. The Meteors picked up four but nothing happened during their absence.

In the opening tilt Saturday evening the Lions jumped to the attack from the opening faceoff but the Meteors despite their long trip "down the river" held on. Richard Champagne was the first to test young Paul Bouchard but his attempt was turned aside.

Benoit Grenier was the first to get thumbed off when he was tagged for holding. The Lions, paced by their playing coach Denis Fillion, moved to the attack. Percy Glauze broke away when he stopped a drive near the blue-line but his drive missed the corner from close range.

Claude Bergeron came up with a couple of nice saves when Larrievie walked in. Larrievie was then tagged with a tripping penalty and it was the turn of the Meteors to take over. Jack Ilick tried a tip-in on Bouchard's doorstep but the agile net minder came up with the save. Harrison was the next to move into the sin-bin but even then the

Massawippi champions couldn't take advantage of their extra man power.

Bert Lepage was the top man for the Lions and gave Bergeron plenty of work. He tested the lanky boy from all angles but the Asbestos goalie made the saves. Twice he was alone in front but his efforts were blocked. Guy Lussier came up with a beautiful save when he snared the rubber just as it was headed for the open cage. Bergeron had blocked a hard drive and was down when someone lifted the rebound for the open space but it was stopped just in time.

Bergeron came up with three hard saves in a row as the Lions were hopping. Champagne and Moore were away but Bouchard came up with the rubber. Ilick tried again right in front but he also was blocked off.

Lepage was back twice in a row with some nice stick handling but he was turned aside by Bergeron. Vachon went off for roughing along the boards but his mates held the fort until he returned.

In the third period both teams were going all out in an effort to try and break the deadlock but the respective goalies were on the job. Perron was tagged for hooking but nothing happened during his absence, although Lepage tried twice on Bergeron but he made the saves.

Perron, on his return, was in twice but Bouchard kicked his drives aside. Champagne was thumbed off for holding. Larrievie let go with a hard drive but Bergeron made the save, taking it on his arm. He came right back with another which eluded Bergeron's hand but it hit the goal post. It was a close call.

With both sides at full strength the teams were trying to get into the scoring column. The Meteors were trying their best to hold on for a stalemate. The signs of their long trip were really showing. Ilick got away but Bouchard slid out to block his drive. It was a nice save on Bouchard's part and saved what looked like a sure goal. The teams were checking very close and just watching for breaks but nothing happened and the siren sounded with a scoreless dead-lock in the first tilt.

Dupas To Meet Vince Martinez

NEW ORLEANS (P) — Ralph Dupas, sixth-ranked lightweight boxing contender, takes on No. 6 welterweight Vince Martinez tonight in a bout that has stirred considerable controversy.

Dupas, a 21-year-old New Orleans veteran of 77 fights, is a fancy-moving boxer with speed to spare, while Martinez, 27-year-old Paterson, N. J., counter-puncher, has more steam in his blows.

Dupas last week parried statements that he is a Negro and as such is barred by Louisiana law from meeting Martinez, a white fighter.

The State Athletic Commission decided after two sessions of hearings that there was no evidence to warrant calling off the fight. It also held in effect, that there was no substance to claims that Dupas is a Negro.

Yankees Picked For American Crown With Detroit Tigers, Chicago And Cleveland Finishing As Contenders

NEW YORK — (AP) — New York Yankees, who spread-eagled the field by nine games last year, should win the American League pennant again in 1957, but not without a man-sized scare from Detroit Tigers, easily the most improved club in the junior circuit.

The race shapes up as a two-team struggle between the player-rich Yankees and the youthful Tigers, with Chicago White Sox and Cleveland Indians battling for third place and Boston Red Sox leading the also-rans at the top of the second division. Detroit's youths, with their established power and improving pitching, should prevent the Yankees from making a run-away race.

The Yankees are not necessarily the popular favorites, but they are going into the race with the most important asset in their favor: they are the team with the most good ball players. They also are the most versatile team in the game, extremely confident by seven pennants in eight years, and cautioned against complacency by baseball's master juggler and its most successful manager, Casey Stengel.

The Yankees are a solid team with the possible exception of third base and left field but habitually they come up with what it takes. Young hopefuls such as Bobby Richardson and Tony Kubek could cement these loose ties. This year they appear to have come up with tremendous pitching, with Johnny Kucks and Tom Sturdivant ready to challenge Whitey Ford for staff supremacy. Behind this trio are Don Larsen, Bob Turley, Art Ditmar, Bobby Shantz, Bob Grim, Tommy Byrne and rookies Ralph Terry and Al Cicotte.

THEN THERE'S MANTLE

All that pitching and Mickey Mantle and Yogi Berra, too. Not to mention Hank Bauer, Gil McDougald, Billy Martin, Bill Skowron et al.

HOW THEY'LL FINISH:

1. New York, 2. Detroit, 3. Chicago, 4. Cleveland, 5. Boston, 6. Baltimore, 7. Washington, 8. Kansas City.

The Tigers rate No. 2 spot partly because of their strong finish in 1956. They were the best team in the league after mid-season, posting a 48-30 record compared with 45-31 for the Yankees.

Detroit has more than mere wonost statistics to back up its claim. There are three established pitchers in Frank Lary, Billy Hoft and Paul Foytack and three youngsters who have looked impressive this spring, Duke Maas, Jim Bunning and Don Lee.

Four regulars, Harvey Kuenn, Charlie Maxwell, Al Kaline and Ray Boone, hit over .300 last year and Maxwell, Kaline and Boone pack the long-ball punch. They have added Eddie Robinson and Jim Finigan for bench strength.

SPEED WILL HELP

The White Sox, because of their better speed, a more set lineup and a deeper bench, should edge the Indians for third place. The pitching, headed by Billy Pierce, Jack Harshman,

England Wins International Match Against Invading Scotland Saturday

LONDON (Reuters) — England Saturday fought from behind a one-goal deficit at London's Wembley Stadium to defeat the invading Scots 2-1 and carry off the home countries international football championship.

The English team battled a double enemy for almost half the game — the tough, speedy Scots and their own lack of cohesion.

In the first minute of the game, Scotland's left-winger, Tommy Ring, feinted English goalkeeper Alan Hodgkinson and drove in to score. The 20,000 tartaned Scots in the capacity 100,000 crowd that filled Wembley's bowl let out a tremendous roar.

Inside left Derek Kevan, a newcomer to home countries competition pounded the ball into Scotland's net with a beautiful header in the 63rd minute.

Twenty minutes later, left half Duncan Edwards scored England's second tally.

Quebec Aces Top Chics In Playoff Tilt

QUEBEC — @ — Quebec Aces struck for three early goals Sunday and made them stand up as they defeated Chicoutimi Saguenens 4-2 in the opening game of their best-of-seven Quebec Hockey League final playoff series.

Defenceman Brent MacNab and forwards Billy O'Ree and Bob Backett each triggered goals before the game was six minutes old to give the Aces a lead they never relinquished.

George Leger counted for the Saguenens late in the first period and rearguard George Roy potted the second period's only counter to narrow the count to 3-2. Marcel Bonin of Quebec scored the insurance goal in the final stanza.

Second game of the series will be at Chicoutimi April 10.

Toni Sailer Wins American Skiing Crown

SQUAW VALLEY, Calif. — Austria's Toni Sailer flashed with apparent ease over a tricky, treacherous course of ice and snow to win the downhill race of the North American alpine skiing championships Saturday.

Italy's 22-year-old Carla Marchelli finished first in the women's downhill during a day of spills that sent six men and four women to the hospital with injuries, none believed severe.

In the first major test of the ski runs to be used in the 1960 winter Olympic games at Squaw Valley, only 19 men finished out of 34 starters.

Sailer, winner of three Olympic championships, sped over the course of 1.9 miles with a 2,600-foot vertical descent of 2:7.3. He reached speeds of more than a mile a minute.

Doug Fords Wins Masters Golf Crown; Sam Snead Second; Leonard Fails In Bid To Become 1st Canadian Winner

AUGUSTA, Ga. — (CP) — Doug Ford, who likes a spot of gambling with his golf, hit the jackpot Sunday in a daring stretch drive that won him the 21st Masters tournament.

He had a final round 66 that was filled with acrobatics and fine putting as well for a 72-hole total of 287. The 35-year-old pro from Mahopac, N.Y., conquered the great Sam Snead and picked up an \$8,750 cheque, while Snead settled for \$4,375 second-place money with a 72-hole total of 286.

Stan Leonard of Lachute, Que., caused a sensation by showing signs of becoming the first Canadian ever to win the Masters. He was blazing hot Saturday, only one stroke behind Snead, who led at the 54-hole mark. He was still keen in early play Sunday, being only one-over-par for the first nine holes. But he blew up on the 10th and 11th holes.

Leonard, five-time winner of the Canadian Professional Golfers Association title, slipped to 78 final round to finished with a total of 293, tier in ninth place with Marty Furgol. Both won \$940.

EXPECTED BETTER FINISH

Leonard, whose 68 Saturday was the best round of the day, said after the tournament "I didn't expect to win, but I wish I had done better after getting in such a good position."

His card was 75-72-68-78—293, 10 strokes back of the winner.

Al Balding of Toronto ended in an 11th-place tie with four other golfers and picked up \$778. His 73-73-73-76—295 was matched by Mike Fitchick, Mahopac, N.Y.; Byron Nelson, Roanoke, Tex.; Fred Hawkins, El Paso, Tex.; and Billy Casper, Bonita, Calif.

"I had three good nines and three bad nines — a very peculiar tournament for me," said Balding.

He had putting troubles. He either three-putted or took three shots from the fringe on six holes.

FANTASTIC SHOT

Ford, a tireless golfer and perhaps the busiest on the professional circuit, ended the final round with an amazing explosion shot that came out of the sand and plunked into the 18th hole.

He threw his club high in the air as the ball dropped and yelled "That was the greatest shot I ever played."

It was the second big golf triumph for Ford, who has been a pro since 1949. He won the U.S. PGA in 1955, beating Cary Middlecoff in the final.

Ford had rounds of 72-73-72-66 over the 6,980-yard par 36-36. 72 Augusta National course. He did not have to sweat it out long

Successfully Defend Title Against Hard-Fighting Trois-Rivieres Crew; Hull Edges Shawinigan In Finals

Quebec High School Senior boys basketball team, 1956 winners of the Visser Trophy, emblematic of The Provincial Senior Boys' Basketball Championship outside the Island of Montreal, successfully defended their title against a hard fighting quintet from the Trois-Rivieres High School, by a score of 49-48 in a Saturday evening thriller at Bishop's University gymnasium.

In the MacLeod Trophy finals, held shortly before the Visser playoff between the Hull High School girls and the girls of Shawinigan High, the Hull cassettes came through with a solid 48-33 win to capture the crown the first time.

In the Visser final, the outcome was in doubt all the way. It was a case of matching an accurate shooting team from Quebec against a Three Rivieres squad which could penetrate the Quebec defense almost at will. Had the Trifluvians been more accurate, they would have taken the game.

The first quarter was very fast, almost too fast, and consequently many shots were missed, it ended with Trois Rivieres ahead 12-7.

In the second period, Alex Talbot, sharpshooting left winger from Quebec City, and top scorer in the tournament, began to find his range to help his mates into the lead. Unable to penetrate the Trois-Rivieres guard, Quebec had to resort to long set shots which provided the margin of victory. At half time the score stood at 26-21 in favour of Quebec High.

Throughout the third and fourth quarters, Trois-Rivieres threatened again and again but

Middleweight Champion To Get \$100,000

CLEVELAND — (AP) — A \$100,000 guarantee to the winner of the Gene Fullmer-Sugar Ray Robinson middleweight championship fight for a title match here next summer with the winner of the upcoming Joey Giardello - Rory Calhoun bout was announced Saturday by promoter-matchmaker Larry Atkins.

Atkins said the offer had been wired to the managers of Fullmer, who holds the middleweight crown, and Robinson.

Fullmer and Robinson will meet in a return match at Chicago stadium May 1.

Giardello and Calhoun meet in a 10-round bout at Cleveland arena Tuesday night, April 16.

In the semi-finals: played during the afternoon at the University Gymnasium: Quebec City defeated Aylmer, 62-59; Trois Rivieres defeated Stanstead Wesleyan 43-42. In the playoffs for the MacLeod Trophy, the following games were played: Shawinigan High over Granby, 46-38; Hull High over Lennoxville High 60-22.

Looks Like More Of Same In 1957, Yankees Vs. Dodgers, For World Series; Other Teams Still Hunting

By ED WILKS
NEW YORK (AP) — It looks like more of the same in the 1957 major league pennant races. In the National League, it's Brooklyn, Milwaukee, Cincinnati and pick 'em. In the American, only injury — not Cleveland, Chicago or Detroit — appears capable of interrupting New York Yankees' reign.

The National League goes into its 82nd season in two weeks with this question for Brooklyn's defending champions — can the old men do it again? Specifically, can Sal Maglie come anywhere close, at 40, to the magnificent Maglie of last season? Is Roy Campanella's hand back in business? Can Pee-wee Reese, bothered by injuries all spring, stay in one piece at 37? Can the Dodgers get along without Jackie Robinson — and Carl Erskine, if his arm proves helpless? They have southpaw Johnny Podres back from the navy.

For Milwaukee Braves, who went to the final day before losing the 1956 pennant to the Dodgers, the question is whether the Braves have come of age? Has manager Fred Haney, with his talk of "potential" and "hustle," convinced Milwaukee's annual runners-up they have matured?

Can Cincinnati Redlegs, who matched the one-season major league home run record with

221 last year, stay explosive enough to cover up a pitching staff that could be a dud?

A comeback by Joe Nuxhall, a repeat by 19-game-winner Brooks Lawrence, another fine bullpen job by Hershel Freeman and help from a "sleeper" somewhere on the pitching staff are musts. There are five other clubs in the league, of course, but except for St. Louis Cardinals and, possibly, Philadelphia Phillies, they should just make for an interesting season.

In the American League the race is for second place. If anything scares the Yankees it's threat of injury to Mickey Mantle, who knocked down the 1956 batting championship, home run crown, runs-batted-in title and a \$60,000 salary.

Detroit Tigers got a big ride in winter speculation, but they still need a first baseman, a solid catcher and a No. 4 pitcher.

Cleveland has pitching, period. Chicago White Sox have defence, good enough power and almost enough pitching.

The virtually forgotten team is Boston Red Sox, who made spring headlines with a "million-dollar offer" for Cleveland's Herb Score and Ted Williams' appraisal of the Marine Corps.

All of which leaves the world series right where it was last October — in Yankee Stadium and Ebbets Field.

Al Balding Has Own Pet Theory About Golf And It Is Proving Successful; Earnings Take Jump

TORONTO (AP) — Al Balding has his own pet theory about golf and it is suddenly paying off. The Toronto shotmaker says its simple: start a tournament with the idea of finishing from 15 to 20th and zingo, you'll invariably end up with money in your pocket.

Balding isn't becoming rich by knocking a golf ball around in the big-time U.S. pro circuit, but he's making more money than ever before simply by using his new-found method.

Writing in the monthly Professional Golf magazine, bible of the U.S. Professional Golfers' Association, Balding said in the February issue:

"When I first went on the tour (three years ago) I kept shooting for the top spots among the finishers and found out I was nothing but a bundle of nerves trying to display a superior brand of golf which was not in me at the time.

"I decided before going into a tournament to try to finish from 15th to 20th and schooled myself mentally to the idea of specifically aiming for that spot. Almost like magic, I found myself making the great golf shots which had previously eluded me."

The ink was hardly dry on the issue when the 33-year-old comparative newcomer on the trail started a gradual climb in the money winners' circle. In March alone he picked up \$2,500 to bring his 1957 earnings to \$4,222. His biggest chunk — \$1,200 — was earned in winning the \$7,500 Miami Beach open March 24 over a field that included such established pros as Chick Harbert, Dick Mayer, Vic Ghezzi, Walter Burkemo, Lloyd Mangrum, Julius Boros and Lew Worsham.

In 1956, Balding's total earnings were \$3,610.

With the Stanley Cup series in full swing, it might be worth noting that Montreal Canadiens once changed hands for \$11,000. It happened in 1921 when Leo Dandurand and the late Joe Cattarinich bought the club from the estate of George Kennedy.

Fourteen years later Dandurand and Cattarinich sold out to Ernest Savard for a reported \$200,000. Today, the Canadiens, or any National Hockey League club, is a million-dollar enterprise.

Scotty — Regina Leader — Post Melville takes note of the publicity given the United States supreme court ruling that the National Football League was subject to anti-trust laws and says that baseball and hockey are in the same boat.

"Pro sports are much like the armed services," Melville says. "You sign on, get paid, do what you are told and go where the

Czechoslovakia To Play First Davis Cup Match

ZURICH, Switzerland (AP) — Czechoslovakia will play its first-round Davis Cup tennis match against Switzerland in Lugano April 26-28. Some members of the Swiss team refused to play in Communist-dominated Prague.

Officials of the Swiss Tennis Federation said Wednesday continuing indignation over Russian suppression of Hungary led to the feeling against athletic participation in Communist countries.

FIRING LINE—Illustrating one of the Brooklyn club's stronger points, nine members of the pitching staff lay down a barrage at Holman Stadium, Vero Beach, Fla. They are, left to right, Don Drysdale, Sal Maglie, Clem Labine, Carl Erskine, Ed Roebuck, Don Bessent, Ken Lehman, Fred Kipp and Johnny Podres. There are others, too, including Don Newcombe and Roger Craig.
