SKEPTICISM GREET'S PROMISE OF GERMANY TO END SUBMARINE WAR

British Press, Recalling Previous German Breach of Bar on Poison Gas, Demands that Effective Means Be Taken to Abandon Submarine Building—League Estimates World Defence Expenditures Have Increased Half Billion Dollars in Past Year.

London, June 26.—The press greeted with skepticism today Sir Bolton Eyres-Monsell's disclosure in the House of Commons that Reichsfuehrer Adolf Hitler has agreed to renounce "unrestricted submarine warfare."

Open doubt as to how ironclad Hitler's promise would prove to be under the stress of war was voiced in Lord Beaverbrook's Express.

The newspaper pointed out editorially that Germany promised at The Hague convention of 1899 not to use poison gas in wartime, "But April 22nd, 1915, a dark cloud rolled from the German trenches on through No Man's Land toward the French and Canadian trenches."

"Without warning," the Express said, "men were choked and blinded and their lungs burst with poison gas. If a gray hull of a U-boat slides out of water and fires her deadly torpedo toward some helpless merchantman in mid-ocean it won't do the skipper much good to murmur reminiscently, 'In 1935 they said they would never do it again.'"

The Telegraph hailed Hitler's pledge to "forewear the system of warfare which was responsible for the destruction of more than eleven million tons of British and other shipping and the death of 16,000 non-combatants at sea."

The News-Chronicle urged that a "proper ending to this dark chapter of naval history should be abandonment of building by agreement generally of all naval powers."

"The difficulty in the way of this solution is that some smaller powers still believe a small coast submarine their only effective weapon for defence of their ports against powers with great navies."

HALF BILLION INCREASE IN WORLD ARMAMENT COST

Geneva, June 26.—Nations of the world spent \$500,000,000 more for national defence in 1934 than they did in 1933, the Armaments Year Book of the League of Nations disclosed.

Outstanding in the publication was the fact that Soviet Russia has an army of nearly 1,000,000 men, far larger than those of other powers.

At the end of 1934 the strength of the Red Army was 940,000 men, but this figure does not include reserves and non-combatant forces. In 1933 the Soviet had 504,000 men and 30,200 officers in uniform.

Great Britain's land forces, exclusive of India but including general colonial and naval troops, were placed at 460,920.

Japan's army in 1934 was estimated at 299,824 men and 13,899 officers. Navy effectives for the Empire were 139,688.

The army of France last year was given as 360,496 in home territory with a total, including overseas forces, of 550,678.

The Year Book gives Germany's old armament figures, placing the army at 102,000 as of January 1, 1934, and says nothing about the new army and navy which the Reich is now creating.

Italy's average conscript army was given as 390,000.

The book places the United States army at 137,679 men as of June 30, 1934. National Guard and reserves brought the number up to 439,240.

Total world warship tonnage in 1934 was estimated at 5,830,000 tons, as against 5,900,000 in 1935 on the eve of the outbreak of the World War.

The book said world expenditure for national defence last year was \$4,900,000,000, compared to \$4,400,000,000 in 1933, based on the old parity of the gold dollar. In 1925 the total cost was \$3,500,000,000.

UNITED STATES DEFENCE COSTS REACH RECORD SUM

Washington, June 26.—The United States mapped plans today for its army, navy and marine corps during the next year. The total is \$375,604,833 more than this year.

Warships, planes, guns and men will be added to the fighting forces when President Roosevelt signed the \$466,184,379 navy bill.

The army already has been granted \$34,348,204 for military and departmental expenses for the 1935 fiscal year contrasted with 259,829,289 in 1933.

With these sums at its disposal, the Government plans to construct twenty-four warships, 655 navy planes, 400 army planes and add five thousand men to the navy and forty-two thousand to the army.

THE WEATHER

PARTLY CLOUDY WITH THUNDERSTORMS.

A disturbance is moving north-eastward towards Hudson Bay from Manitoba and pressure is low to the immediate west of the Great Lakes, while pressure is high over British Columbia and the far west states and along the Atlantic coast. Showers have occurred in some parts of Ontario while in other Districts of eastern Canada the weather has been for the most part fair. It has been cool and unsettled in the West with showers.

Forecast: Southerly winds; partly cloudy, followed by thundershowers tonight and on Thursday.

Temperatures yesterday: Maximum, 79; minimum, 53. Same day last year: Maximum, 69; minimum, 55.

NO DATE SET FOR THE TASCHEREAU-HEPBURN CONFERENCE.

Quebec, June 26.—Premier L. A. Taschereau states that no date or place has yet been fixed for his prospective meeting with Premier Mitchell F. Hepburn, of Ontario. Nothing has been decided as yet, the Premier declared, on being asked when the conference would take place. A despatch from Toronto yesterday stated Premier Hepburn expected to meet the Quebec Premier probably this week-end. When they meet it is believed the two Premiers will discuss newspaper, electricity and other important problems.

Premier Taschereau left here this morning for Montmagny on the south shore to participate with His Eminence Cardinal J. M. Rodrigue Villeneuve in religious ceremonies there today. The weekly cabinet meeting, usually held Wednesday, will take place tomorrow morning.

1,000 GREEK ARMY OFFICERS OUSTED

Athens, June 26.—Nearly 1,000 officers of the army, 292 of them superior officers, were ousted today for their activities during the March revolt. There were 935 officers in all. A number of civil employees likewise were removed from office.

CLASH ON JEHOI-CHAHAR BORDER AGGRAVATES NORTH CHINA CRISIS

Eighty Members of Manchoukuan Border Patrol Reported Battling Some Seven Hundred Chinese Soldiers—Japan, Although Failing to Send Regular Troops into Fray, Presents New Demands in China for Withdrawal of Troops South of the Great Wall.

Tokyo, June 26.—A manchoukuan frontier patrol of eighty men was battling a Chinese force of seven hundred soldiers along the Jehoi-Chahar frontier today, it was reported in advices to the Manchoukuan War Office.

Rengo Japanese News agency dispatches from Hsinking said the Manchoukuan patrol was the same that first encountered five hundred Chinese troops Monday, two hundred more Chinese having arrived from Tushikou while a larger Manchoukuan detachment was under orders to hasten to the battle-ground.

The advices to the War Office, also coming from Hsinking, capital of the Japanese-ruled State of Manchoukuo, said the conflict was taking place north of Tushikou on the ill-defined north China frontier.

Japanese regulars in garrison at Jehoi-Chahar, headquarters of the Japanese army High Command in Manchoukuo was depending on the Manchoukuan to chastise alleged invaders.

Major General Kenji Doihara, chief political negotiator for the Japanese military, was instructed from Hsinking to present fresh demands to the Chinese "for establishment of peace and order in Chahar," including withdrawal of all Chinese troops in Chahar to points "south of the Great Wall."

Which section of the Great Wall was meant was not specified. One section crosses Chahar just south of Kalzhan while the other skirts the southern border of the province.

The High Command spokesman said the Japanese army in Manchoukuo to settle the affair locally, as it was fully empowered to do.

The fact that Manchoukuan forces were detailed to punish the Chinese was held to be a violation of the Japanese army in Manchoukuo had been ordered by the Tokyo High Command to stay out of north China territory in order to avoid international repercussions.

The War Office spokesman denied that any such orders were issued, but non-Japanese authorities pointed out that there was little difference whether Japanese regulars or Manchoukuan forces were engaged, since the latter are under the command of the Japanese military.

NEWS RECORDS SEVERAL DEATHS

The following deaths were recorded in today's press despatches to the Record:

New York: Mrs. Owen D. Young, wife of the chairman of the board of the General Electric Company.

Toronto: Mrs. Gideon Miller, 68, wife of Col. Gideon Miller, president of the Salvation Army Retired Officers' League.

Fort Williams: Robert E. Ward, 50, Montreal and New York sales representative of Ducharme Inc., silk importer from Lyons, France.

Pembroke, Ont.: Hugh N. Leckie, 78, former mayor of Allumette Island and former warden of Pontiac County.

LARGE SUM FOR CHURCH BUILDING

London, June 26.—A sum of more than \$90,000 was donated as special offerings for church building in London's fast-growing suburbs on the occasion of the fiftieth anniversary of the ordination of the Bishop of London.

Rev. Hon. A. F. Winnington-Ingram sat in St. Paul's Cathedral all day yesterday to receive the offerings. He has been Bishop of London for thirty-four years.

LAVAL ACTS TO HALT ACTIVITY OF FASCISTS

French Government Worried by Reports of Mass Movements of Cross of Fire Organization—Claimed Army Officers Involved in Party.

Paris, June 26.—The French Government today launched an investigation into alarming reports from Leftist deputies of Fascist activities, concentrating particularly on rumors that members of the army were participants in the movement.

Premier Pierre Laval heard yesterday that Col. Francois de la Roque's Cross of Fire and allied organizations had enlisted active army officers and had obtained airplanes for their movement. The Leftists said the planes were being maintained with funds diverted from Government subsidies supposed to be paid for tourist propaganda.

The Government was particularly anxious over the reports on the ground that public order must be maintained during the programme of financial reconstruction inaugurated by the new administration.

M. Laval expressed surprise over the extensive mass meetings held by the Cross of Fire, meetings held with such secrecy that police learned of them only after they had occurred. The Premier assured the Leftists he would speak on the subject in the Chamber next Friday. Soon thereafter he is expected to read the decree of dissolution, adjourning Parliament for the summer.

URGES CAUTION IN ADVANCING REFORM POLICY

Upset of N.R.A. in United States Serves as Warning Against Government Exceeding Constitutional Powers, Says Sir Thomas White.

Toronto, June 26.—Although admitting that certain changes were undoubtedly needed in the relations between the Dominion and the provinces, the disastrous ending of the N.R.A. experiment in the United States was held up as a warning to Canada against attempted regimentation of trade and industry in this country.

Sir Thomas White, former Minister of Finance, Canada would do well to take haste slowly, he said, and take no step by way of constitutional change without full appreciation of the diversity of economic conditions, the scope of the work, and the failure of the attempt at the border.

"In my opinion," he said, "Mr. Bennett has acted wisely in strictly confining his progressive measures relating to trade and industry within the limits prescribed by the federal authority by the British North America Act."

Mr. Bennett was a perfect instrument never to be changed, but he submitted its provisions relating to the division of powers between the federal and provincial jurisdiction should not be lightly changed, and especially without deliberate consideration of the widely differing conditions in the various provinces.

On account of the changes that have taken place in social and industrial conditions, however, he believed certain subjects now under provincial jurisdiction should be added to the federal jurisdiction, and instances child labor, national health, and industrial sanitation.

THREE ONTARIO MINERS KILLED IN ROCK SLIDE

Five Other Members of Gang Working in Shaft at Froid Mine Managed to Escape without Injury as Earth Fell.

Sudbury, Ont., June 26.—Caught in a fall of earth in No. 22 stope at the 2,000-foot level of the Froid Mine of the International Nickel Company of Canada, three miners were killed early today. Search for the bodies continued all morning.

The dead are: Patrick Powers, aged thirty-two years, single, East Templeton, Que.; Tony Honorzny, thirty-two, married, Sudbury; Izidor Slomka, thirty-two, married, Sudbury.

A crew of eight were working in the stope when the earth with a low rumble engulfed the three. The other five quickly raced for safety and were uninjured by the fall of earth.

Coyner J. S. McKesock announced an inquest would be held but the date would not be announced until an Ontario mining inspector visited the scene of the tragedy.

COATICOOK LAD SUCCUMBED TO HIS INJURIES

Leopold St. Pierre, Fifteen Years Old, Died Yesterday from Injuries Suffered Last Week-End when He Was Crushed Under Heavy Boulder

Coaticook, June 26.—Injuries suffered last week-end when he was crushed under a heavy boulder had today proved fatal to Leopold St. Pierre, fifteen-year-old son of Wilfrid St. Pierre, of this place. The youngster succumbed at his home yesterday afternoon. He had been confined to his bed since the accident, suffering from internal injuries.

Leonidas Bachand, of Sherbrooke, district coroner, held an inquest last evening when a verdict of accidental death was returned.

Evidence placed before the Coroner's Court revealed that on Saturday afternoon last young St. Pierre and several companions left to go swimming in the La Roche Brook. Leopold St. Pierre was descending the embankment to reach the brook when a large boulder, loosened by the heavy rains, became dislodged and thundered down the slope. The rock struck young St. Pierre and rolled over him, crushing him severely. Medical aid was immediately summoned and the boy was rushed to his home. His condition was considered hopeless from the first, but the lad fought a brave battle against death until yesterday, when he succumbed to his injuries.

NEW BRUNSWICK PARTY LEADERS CLOSE DEBATE

Electors in Maritime Province Go to Polls Tomorrow to Decide Between Tilley Conservative Administration and Dysart Liberal Opposition.

Saint John, N.B., June 26.—Final pleas for election were prepared in New Brunswick today. The answer will be given at the polls tomorrow, and most of the ninety-eight candidates will wind up their campaigns tonight.

Some of the candidates, including Premier L. P. D. Tilley, appeared on a platform last night for the last time before election day. The Liberal leader, A. A. Dysart, planned to give his final addresses at Chipman, Queen's County, and Minto, Sunbury County.

A review of his government record and intentions was heard from the Premier at Chipman last night while Mr. Dysart, at Moncton, hurled charges of "deceptive tactics, broken promises, treachery, extravagance and incompetence" against Conservative administration in New Brunswick since 1925.

NEW RADIO-ACTIVE MICRO-WAVE DISCOVERED

Berlin, June 26.—Nazi newspapers today reported a new radio-active micro-wave had been discovered in Germany.

Scientists declared the new ray were more powerful than the Hertzian rays and would be of great value in signalling the approach of ships. A ship coming into contact with the ray-beam would immediately signal its location through a loud-speaker installed on the vessel sending out the waves, it was said.

WILD RIOTING IS CONTINUED IN EDINBURGH

Hundreds of Mounted Police Succeeded in Dispersing Huge Crowd of Protestant Extremists After a Night of Turmoil.

Edinburgh, Scotland, June 26.—Hundreds of mounted policemen patrolled the streets of Edinburgh today after a renewal of anti-Catholic rioting.

The area in which the outbreaks occurred widened, but police succeeded in dispersing a crowd of fifteen thousand Protestant extremists after a night of turmoil in which one of the mounted officers was injured.

The religious rioting broke out anew last night when Protestants attempted to break up an organized procession of the Blessed Sacrament members of the Catholic community, being held in connection with a Eucharistic Congress.

The night before, three thousand Protestants flung bottles and stones at Catholic women and priests, resulting in the conviction of seven men of creating a breach of peace. They were fined \$5 each.

Several more persons were under arrest today as officials of the Protestant Action Society appealed to all Protestants to help maintain order.

PREMIER BENNETT FORCED TO REST THIS MORNING.

Ottawa, June 26.—Prime Minister R. B. Bennett was indisposed this morning and it was announced he would not leave his apartment until this afternoon. He was suffering from a slight abdominal disturbance, it was stated.

Mr. Bennett's place as chairman of the select House committee on the Grain Board legislation, was taken by E. E. Perley, Conservative member for Qu'Appelle.

TWO TIMMINS RESIDENTS HELD FOR RELIEF FRAUD

Timmins, Ont., June 26.—Romeo Deluca and Henry Perrault, Jr., were committed to stand trial by Magistrate C. Atkinson last night on a charge of fraud charges involving \$17,000.

They will be tried at the next assizes at Cochrane.

Deluca took the stand to admit falsifying payroll entries while clerk in the engineer's office. It was his duty to enter the time of those working on relief.

Perrault, who was assistant to the town clerk, was the prime mover in the fraud, Deluca declared. Deluca said Perrault obtained most of the money, and said his share was between \$2,000 and \$3,000.

CHALLENGE GOVERNMENT TO APPLY MARKETS BILL IN THIS PROVINCE

Natural Products Marketing Act Withstands Attack of Liberal Forces Following Declaration of Minister that Over \$40,000,000 Worth of Products Are Already Dealt with Under Scheme—Quebec Liberal Declares Farmers Will Not Submit to Bureaucratic Legislation.

Ottawa, June 26.—Compulsory features of the Natural Products Marketing Act survived a new attack by Liberal members in the House of Commons last night, when an amendment to the law stands for third reading today. The change which drew the fire of the critics was one which puts the onus of proving the origin of certain products on persons accused of violation of the Act and orders made under it, but the whole principle of punishing a man for dealing with his own products in his own way was assailed by the Opposition.

Hon. Robert Weir, Minister of Agriculture, said marketing schemes were only placed in effect where producers desired them, and if marketing was to be regulated there had to be penalties. He cited numerous other statutes where an onus of proof was placed on accused persons, and said this was nothing new.

The Ontario Liberal members of the House of Commons last night, however, that Italy and Britain were in agreement on the possibility of maintaining their united front with France, set up in principle at the Stresa conference.

Morning newspapers treated the conference as a mere formality, an attitude considered indicative of Italian Government reaction.

Naval circles disclosed that Premier Mussolini, as Minister of Marine, had organized an East African naval division.

A despatch from Addis Ababa to the London Daily Herald said that American women, wives and daughters of missionaries, left Ethiopia today, fearful of impending hostilities when the rainy season ends in September.

The Italo-Ethiopian Conciliation Commission will convene at The Hague with conferences expected to continue for several weeks.

PESSIMISM PERVADES ALL LEADING BRITISH OPINION

London, June 26.—His conversations with Premier Benito Mussolini indicated, Anthony Eden, Minister for League of Nations Affairs, left Rome today for Paris. But the menace of war between Italy and Ethiopia remains.

Press dispatches from Rome are heavy with pessimism. Sir Sydney Barton, British Minister at Addis Ababa, who is due to leave here, has been officially requested to remain at his post.

The official communiques of the peace conversations are uninformative and colorless in the extreme. And these communiques British official circles decline either to supplement or interpret.

Prevalent opinion, however, is that Italy no longer will be content with "trivial concessions" and economic readjustments. The Italian plan, it is reported, is that Ethiopia shall agree either to accept a mandate or a protectorate, or Italy will undertake a campaign of conquest.

This plan—if it really was submitted by Mussolini—has met with reception here. In the first place, it is questioned how one member of the League can hold a mandate for another member. Secondly it is felt that an Italian campaign in Ethiopia might endanger peace down the Danube.

"Italy's claims," editorially comments the Manchester Guardian, "depend upon might in Africa and devious diplomatic bargaining in Europe, and neither of them deserve consideration in 1935."

In Paris, Capt. Eden will renew his conversations with Premier Pierre Laval, begun on the way to Rome. Then Laval had a number of questions to put concerning the British idea of procedure on the projected "Air Locarno."

Eden could only give a provisional reply. The cabinet today had the matter under consideration. Tomorrow Eden will be able to speak with more definite instructions. He also will report to Laval the results of his conversations with Mussolini.

Britain has requested Germany to furnish more details about her proposed four-story plan of the Peace Conference. The German reply is received, it is not proposed to begin conversations with French naval experts.

Philadelphia, June 26.—Fire swept a four-story plant of the Pico Radio and Battery Company today, causing damage estimated by company officials at \$400,000. Several adjoining buildings occupied by the company were endangered.

MUSSOLINI RE-AFFIRMS DEMANDS FOR PROTECTORATE IN ETHIOPIA

British Representative Fails in Effort to Modify Attitude of Italy Concerning East Africa—Believed Only Future Course Open to Britain Is to Find Formula to Allow Italy to Remain in League if War Should Break Out in Ethiopia—Three Nations Determined to Maintain United Front.

Rome, June 26.—Official sources intimated today as Anthony Eden departed for London, that the British diplomat's conversations with Premier Mussolini had not changed it Duce's determination to make a "complete solution" to the Italo-Ethiopian problem.

Capt. Eden's farewell, if anything, was cooler than the cool welcome he received upon his arrival. He had a short talk with Fulvio Suvich, Under-Secretary for Foreign Affairs, at the railroad station.

Diplomatic circles were of the opinion the only course left for Capt. Eden was to find some formula for the League of Nations under which Italy could remain a member should war break out in Ethiopia. This formula would have to be based, these sources pointed out, on charges that Ethiopia had not fulfilled the conditions under which she entered the League. The League, it was said, would send Ethiopia a note requiring her to accept the assistance of some power in order to fulfill these conditions.

Should Ethiopia refuse such aid, as these observers consider likely, the League's hands would be considered clean and Italy could go to Ethiopia without receiving the condemnation of the League.

Capt. Anthony Eden concluded today his conferences with Premier Benito Mussolini and other high Italian authorities—conversations pronounced "worthwhile" by British official circles.

Great Britain's Minister for League of Nations Affairs bore a full portfolio of reports emphasizing Italy's determination not to back down in her dispute with Ethiopia but pointing out the possibility of continued solidarity among Britain, France and Italy.

Italian official circles described Capt. Eden's conference with Mussolini on the East African controversy as one "of greatest frankness," insisting Mussolini asserted a full protectorate over Ethiopia was the only solution he could accept under the circumstances.

An official communique indicated, however, that Italy and Britain were in agreement on the possibility of maintaining their united front with France, set up in principle at the Stresa conference.

Morning newspapers treated the conference as a mere formality, an attitude considered indicative of Italian Government reaction.

ALGOMA REGION
NEW CENTRE OF
MINERAL DRIVE

Over Hundred Prospectors to Establish Headquarters at Kapuskasing in Federal Government Mineral Discovery Plan.

Ottawa, June 26.—The largest contingent in Minister of Mines W. A. Gordon's plan to extend geological search for areas favorable to prospecting for gold and other minerals is organizing this week at Kapuskasing, Ont.

Dr. L. J. Weeks, of the geological survey, who is to head a force of 105 men, left Ottawa yesterday for Kapuskasing to start the project, which is being financed from the parliamentary appropriation of \$1,000,000 for geological surveys in the Public Works Construction Act, 1935.

Dr. Weeks will have in his organization ten chiefs of parties each in charge of two or three of five men. The whole organization will comb over an area of 4,000 square miles in the northern Ontario clay belt in search of rock outcrops. Indications will be sought from which to delimit areas which could possibly contain gold or other minerals of economic value.

The rectangular area in which the search will be carried on extends to the north from Kapuskasing to a point west of Hearst, Ont., on the Algoma Central railway, to the approximate southwest corner.

The whole area is practically unknown geologically, but promising rocks for gold deposition are known to occur along some of the water routes, notably the Missinabi River, and a gold discovery is reported to have been made near Kapuskasing this spring. Development of properties staked for gold is taking place around Oba.

Dr. Weeks, it is stated, will have the unique distinction of directing the largest single organization that has ever been placed in the field in Canada to make geological surveys.

NEW STREAMLINING STYLE
IS COPIED FROM METEORS

The Lens, Instead of the Fish, Is Shape of Latest Stratosphere Streamlining.

Minneapolis, June 26.—A new kind of streamlining, copied from the meteors, that men may adopt when they fly the stratosphere was outlined to the American Association for the Advancement of Science today.

The lens, instead of the fish, is the shape of stratosphere streamlining. And the lens fits broadside on, just the opposite of anything which travels in air or water.

These meteoric streamline principles were pointed out by Prof. H. H. Mininger, director of the Colorado Museum of Natural History, Denver.

He reported studies of the shapes of six thousand meteors picked up after their fall to earth. Nearly five thousand were stony material, the others mainly iron.

But almost all had the same conformation—the flow lines of their melting showing that they had travelled broadside on. Not one in one hundred had the tapering tail of present style streamlines.

In the unbelievably thin atmosphere where they did most of their earthly flight thirty to seventy miles above the surface, they presented their broadest side and never twisted thereafter.

A new red ray which is just beyond the edge of visibility to human eyes, and plays a big role in plant life, was described by E. D. McAllister of the Smithsonian Institution, Washington.

The ray is 7,600 angstrom units, meaning a wave length that is just about between red light and heat. The sun and tungsten lamps emit a lot of it.

UNITED STATES ENDS YEAR
BETTER THAN ANTICIPATED

Revenues Totalled \$3,743,000,000 as Compared with \$3,711,000,000, the Year's Estimated Figure.

Washington, June 26.—The United States Government's income yesterday popped above the figure forecast by President Roosevelt for the financial year ending in just a week, but the spending was nearly \$3,500,000,000 greater than the income.

All classifications of expenditures for the months closing June 30, however, were running far below official estimates. Despite its size, even the deficit was nearly \$1,500,000,000 below the \$4,869,000,000 total predicted six months ago by the President.

The National Debt stood at \$28,646,898,605. This compared with \$27,085,000,000 at the close of the last fiscal year.

All revenues totalled \$3,743,000,000 as compared with \$3,711,000,000, the year's estimated total, and the \$3,055,000,000 figure for last year.

The aggregate of all expenditures for this year was \$7,146,000,000, while the Budget estimates contemplated outlays totalling \$8,581,000,000.

QUEBEC'S PLAYGROUNDS OFFICIALLY OPENED

Quebec, June 26.—Quebec's playgrounds were officially opened for the summer season yesterday with Rodrique Cardinal Villeneuve presiding over the ceremony, assisted by Mayor J. E. Greigore and representatives of a number of Quebec parishes.

More than two thousand children warmed over the playgrounds. Father Raoul Cloutier is in charge.

BISHOP OF LONDON FETES
JUBILEE OF ORDINATION

Rt. Rev. Arthur F. Winnington-Ingram Has for Thirty-Four of Fifty Years Held Spiritual Charge of Vast Diocese of London.

London, June 26.—Rt. Rev. Arthur F. Winnington-Ingram, Bishop of London, yesterday celebrated the golden jubilee of his ordination. For thirty-four of those fifty years he has had the spiritual charge of the vast diocese of London.

His Lordship marked the anniversary by sitting all day in his robes at the chancel steps in St. Paul's Cathedral to receive gifts for church building in the enormous suburban areas springing up all around the metropolis.

Before him was a great aim dish, which was soon piled high with envelopes, bulky or slight. People thronged the nave all day to present their offerings. More than three thousand envelopes had been handed by noon.

A German woman brought a gift from several German women, "in recognition of English courtesy." Another gift came from a leper colony in Japan.

FEDERATION OF UNITY IS
ADVOCATED FOR AUSTRALIA

Premier Collier, Who Has Strongly Supported Western Australia's Efforts to Secede from Commonwealth, Says "I See No Future for Australians Unless We Stand Together."

Perth Australia, June 6.—The people of Australia, and especially of Western Australia, today speculated on the significance of a declaration of Premier Phillip Collier of that state.

Speaking at a state dinner, the Premier said: "I stand for a federation of unity. I see no future for Australians unless we stand together."

Through the actual practical effect of these words was still uncertain, they were a striking reversal from previous utterances by the Premier, who has warmly supported Western Australia's efforts to secede from the Commonwealth.

London, June 26.—The Government is embarking upon a planned industrial policy as an aid to employment, political circles learned. Intentions of the cabinet were learned when Sir Horace Wilson, chief industrial adviser to the Government, was transferred to Premier Stanley Baldwin's own staff.

The Government's recent decision to give railroads \$40,000,000—about \$20,000,000 for improvement of transportation facilities around London, it was understood, was the first step in the general planned policy.

The Government does not intend to launch large schemes merely to give employment, but will examine all practical methods which would benefit the country, it was said.

GREAT BRITAIN PLANNING
WIDE EMPLOYMENT DRIVE

Grant of \$200,000,000 for Railroad Improvement First Step in Nation-Wide Development Work Programme.

London, June 26.—Presentation of reports from thirty-one dioceses in which the Catholic Women's League of Canada has five hundred active branches, was expected today at the national convention.

Delegates were to be guests at luncheon of Saint Joan of Arc and Saint George's subdivisions of Canadian martyrs.

In the afternoon C. W. L. Juniors were scheduled to meet for a panel discussion with Mrs. A. Tinker, of Montreal, as chairman.

The juniors were to hear addresses on "The Dignity of Girls" by E. Weholt, of Montreal; "The Mission of Girls" by Grace McKenna, Calgary; "The Girl and the Future" by Nora Arguin, Sherbrooke; "The Girl and the Church" by Agnes Munro, Ottawa; Catherine McGrath, of Edmonton, is to review questions raised in the addresses.

The convention last night heard Rev. Captain W. L. Murray, M.C., of Campbell's Bay, Ont., score paganism as tending to lower stability and standards of home life. The home had too often become a railway lunch counter which produced sons and daughters characterized by snobbery and conceit, the distinguished war parent said.

Lack of parental responsibility and interference of the state with rights exclusive to the family were causes, he added. New ideals not new deities were needed.

BOROTRA HAS NO COMMENT TO MAKE ABOUT AFFAIR
London, June 26.—Jean Borotra, French tennis star, said today that pending receipt of his challenge to a duel with Didier Pulaín, Paris sports writer, "it is wiser to say nothing."

Borotra asserted he first heard of the challenge yesterday at Wimbledon, where he is playing in the all-England championship, "from a friend who heard it from somebody else."

"You see, it is second-hand information," he said. "I know nothing official yet."

TORONTO LADY ADVANCES IN PENNSYLVANIA TOURNAMENT
Philadelphia, June 26.—Behind a volley of accurate placements, Miss Jean Burritt, of Toronto, advanced yesterday into the quarter final round of the Pennsylvania and Eastern States Women's Tennis Tournament. The Canadian court veteran scored with ease over Mrs. Alfred Hunter, of Philadelphia, by scores of 6-2, 6-1.

In the first round of doubles play Miss Burritt and Miss Edwards, of Bridgeport, defeated Miss Woodward and Miss McMullin, of Philadelphia, without the loss of a game.

Edmonton, June 26.—On the chance arrival of a letter from Austria, Mrs. Bonner, of Saskatoon, had her hopes of learning the cause of the mysterious death of her husband, former major general in the Austrian army. He died in his wife's arm last Saturday shortly after receiving a letter from his home land. "Somebody" he said had poisoned him.

Analysts today were examining the body of the veteran soldier today for traces of poison. There was a mysterious connection between the letter, which sought Saskatchewan's services to lead a drive against Poland to recover lost Austrian territory, his wife believes, and the poison.

A nephew of the poet whose name he bears, and whose writings did much to aid oppressed Ukrainians under Polish influence. Shashkevich received countless decorations for war services with the Austrian army. He was a soldier at fourteen and an officer at the age of eighteen years.

His wife fought side by side with him in the Ukraine in 1918-19. Shortly after they moved to Czechoslovakia and then to Canada. "Some day, those people will write again," his wife said today.

C.W.L. CONGRESS IN OTTAWA

Tends to Lower Stability and Standards of Home Life, Delegates to Catholic Women's League of Canada Convention Are Told.

Ottawa, June 26.—Presentation of reports from thirty-one dioceses in which the Catholic Women's League of Canada has five hundred active branches, was expected today at the national convention.

Delegates were to be guests at luncheon of Saint Joan of Arc and Saint George's subdivisions of Canadian martyrs.

In the afternoon C. W. L. Juniors were scheduled to meet for a panel discussion with Mrs. A. Tinker, of Montreal, as chairman.

EARTH, GETTING HOTTER ALL
THE TIME, MAY BECOME STAR

Tiny Atoms, Whose Energies Modern Physicists Say Exceed Greatest Force which Mankind Ever Envisioned, Making Earth Hotter and Hotter within.

Los Angeles, June 26.—The earth is getting hotter all the time. Some day it may take its place among the stars.

That was the picture presented last night by one of the world's famous geologists, Dr. Bailey Willis, seventy-eight year old president of the Pacific Division, American Association for the Advancement of Science.

Tiny atoms, whose energies modern physicists say exceed the greatest force which mankind ever envisioned, are making the earth hotter and hotter, within, he said.

Half the earth, the central core, four thousand miles in diameter, consists of heavy elements such as iron, nickel, the precious metals and radium, heated to a temperature of many thousand degrees.

"This heat is far beyond that at which any substance can remain solid, unless the enormous pressure of two to three million atmospheres kept it from melting," he said.

CHANCE LETTER TO SOLVE
MYSTERY EDMONTON DEATH

Former Austrian Major-General Died in Arms of Wife Following Receipt of Letter from Homeland—Wife Charges Poisoning.

Edmonton, June 26.—On the chance arrival of a letter from Austria, Mrs. Bonner, of Saskatoon, had her hopes of learning the cause of the mysterious death of her husband, former major general in the Austrian army. CARDINAL STRONGLY URGES
PATRIOTISM TO RELIGION

Excessive National Patriotism Attacked by Cardinal Villeneuve During Address at Dinner of Saint-Jean-Baptiste Society of Quebec.

Quebec, June 26.—Patriotism not only to country, but to religion was recommended last night by Rodrigue Cardinal Villeneuve in an address given at a dinner of the Saint-Jean-Baptiste Society of Quebec.

The dinner was presided over by Jean Gravel, general president of the society.

Cardinal Villeneuve attacked excessive national patriotism and showed that it was lacking discipline. He also asked if it was necessary for the French-Canadian to retire from Confederation to preserve his character. Answering his own question, he emphasized it was not necessary for the present. He said he would let the future take care of itself.

The speaker was thanked by Ernest Drolet.

BEDFORD WON OVER GRANBY
IN INTER-CLUB MATCH

Granby, June 26.—Local tennis enthusiasts were treated to an interesting and closely fought exhibition match between the Bedford Tennis Club and the local team for the first programme of the home and home series. The visitors emerged victorious, capturing five of the seven matches.

Four contests required three sets before a decision was reached, while a fifth fixture went to extra games before victory was achieved in straight sets.

The detailed results of the matches follow: Men's singles: M. S. McCaw, Bedford, defeated H. Guild, Granby, 6-0, 6-8, 6-4; E. G. Taylor, Bedford, defeated R. McDonald, Granby, 6-0, 6-3; R. McDonald, Granby, defeated E. Gould, Bedford, 9-11, 6-3, 6-3; G. Steel, Bedford, defeated J. Ramsey, Granby, 5-7, 6-4, 9-7.

Men's doubles: H. Guild and W. McDonald, Bedford, defeated M. S. McCaw and E. G. Taylor, Bedford, 6-4, 8-6; F. Derick and G. Steel, Bedford, defeated D. Martin and J. Bess, Granby, 6-3, 6-0.

Ladies' doubles: Misses M. Steel and B. Smith, Bedford, defeated Miss M. Horner and Mrs. Ross, Granby, 2-6, 6-2, 8-6.

SUPPORTS MOVE
TO ESTABLISH
GRAIN AGENCY

President of Manitoba Wheat Pool Favors Single Body to Market Entire Crop of Prairies.

Ottawa, June 26.—Paul F. Brett, Kenny, Man., president of the Manitoba Wheat Pool and director of the Canadian Co-operative Wheat Producers Limited, yesterday joined with his fellow "dirt farmer" from Saskatchewan, L. C. Brouillette, president of the Saskatchewan Pool, in supporting the establishment of a Grain Board which would market the entire wheat crop of the prairies.

Throughout the forenoon and most of the afternoon sitting, L. C. Brouillette, defended the operations of the pools and also the steps taken by John I. McFarland since he entered the Winnipeg grain pit, at the behest and with the support of the Government, to stabilize prices. He supported the bill in its entirety, and would have been pleased had it gone farther and provided that when the board took over a farmer's wheat it should advance him a minimum price instead of just a payment on account.

The measure, he thought, better suited the Canadian situation than the practice in Argentina. The present proposal is that the Board would buy all the crop and sell it through the Government.

In Argentina the board only buys wheat goes below a pegged price and sells it as soon as possible, absorbing any losses.

FARM CREDIT PROVISIONS
EXTENDED TO FISHERMEN

Ottawa, June 26.—Fishermen of Canada, whether operating along the Atlantic and Pacific coasts, the Great Lakes or in other inland waters of the Dominion will probably soon be able to borrow money subject to similar conditions to those governing farmer debtors under the Canadian Farm Loan Act.

In the House of Commons last night, Hon. Grotte Stirling, acting Minister of Fisheries, introduced a bill to provide for long term mortgage credit for Canadian fishermen. Under its terms the Government would be authorized to subscribe an initial capital to a maximum of \$300,000. The Minister of Finance, through the Canadian Farm Loan Board, would administer the Act.

The bill sets forth security which shall be required for loans, and also purposes to which money borrowed may be put. First mortgages on the property of the borrower, not exceeding fifty per cent of the actual value of these lands and building thereon as appraised by the Board, constitute this security. Purchase of boats, equipment, discharge of liabilities already accumulated, or other purpose which in the judgment of the Board may be reasonably considered as for fishing" form the use to which borrowed money may be put.

EXTEND TAYLOR'S TENURE
AS PENSIONS BOARD HEAD

Bill Will Be Introduced into Commons to Permit Mr. Justice Fawcett Taylor to Act for One More Year.

Ottawa, June 26.—Mr. Justice Fawcett Taylor's tenure of office as acting chairman of the Canadian Pension Commission is being extended one more year. Tomorrow Hon. D. M. Sutherland, Minister of Pensions and National Health, will introduce a bill into the Commons to this end.

Judge Taylor was co-opted from the Manitoba Supreme Court Bench a year ago to replace Colonel John Thompson on the Pension Board. Colonel Thompson was elected to the post of Dominion Franchise Commissioner. The appointment of Judge Taylor was for one year, leave having been granted for that period by the Government of Manitoba.

WOMEN'S GOLF SHORTS ARE
REGARDED AS DYING VOGUE

Skirts Loom as Favorite as Gong Sounds for Annual Battle of Skirts Vs. Shorts for Women Golfers.

New York, June 26.—The gong for the annual battle of skirts vs. shorts for women golfers sounded today, and skirts looked as the favorite.

A sportswear designer said she has crossed off women's golf shorts "because they're neither practical nor pretty," and the Women's Metropolitan Golf Association said, "shorts haven't been mentioned around here this season."

"Apparently they're a dying vogue," commented an official of the Association, which last year requested its members not to wear shorts when being entertained by member clubs.

The request has not been repeated this summer, said the official: "We have not found it necessary."

AUSTRALIA'S INTERNAL LOAN
WAS UNDERSUBSCRIBED

Canberra, Australia, June 26.—The Australian Commonwealth's \$212,500,000—approximately \$80,760,000—internal loan for the redemption of Treasury bills and for public works was undersubscribed, it is announced.

The sum of \$1,700,000 was left with the underwriters. More than ten thousand persons subscribed to the loan.

Issued at 9 1/2%, it bears interest of 3% per cent. and matures on October 15, 1949.

TO APPLY MARKETS BILL
IN THIS PROVINCE

Continued from Page 1. readings, although it was not printed or distributed to members.

On motion of Hon. Grotte Stirling, acting Minister of Fisheries, first reading was given a bill to provide for long term loans to fishermen. The loans will be made through the Farm Loan Board and may be used to finance the purchase of fishing equipment.

Today the House considers supplementary estimates and bills remaining on the order paper.

Ottawa, June 26.—With an imposing agenda before it, the Senate Banking and Commerce Committee today reconvened.

For its consideration are bills amending the Canadian Radio Broadcasting Act and the Combines Investigation Act, additional to amendments to the Criminal Code. The broadcasting measure is to extend until March 31, 1936, the life of the Canadian Radio Commission. The bill amending the Combines Investigation Act would transfer administration from the Minister of Labor to the proposed Dominion Trade and Industry Commission. Like the Combines bill, the Criminal Code changes are based on recommendations in the report of the Royal Commission on Price Spreads.

When the Senate meets later in the day, it will probably push along the proposed extensive changes in the Companies Act, and set up the Dominion Trade and Industry Commission. Both bills in a night sitting yesterday were accorded initial reading; but further progress was held over until today. The introductory reading to them, through second reading stage and send them to the Banking and Commerce Committee.

Some ten measures were pushed along last night as soon as they came over from Commons.

OPENING GAMES

Dorothy Round, Helen Willis Moody, Helen Jacobs and Hilda Krahwinkel Spelling Survived First-Round Matches in Wimbledon Tennis Tournament Yesterday.

Wimbledon, England, June 26.—Favorites survived their first-round matches in the women's singles of the all-England tennis championships yesterday as Canada's two female representatives, Eleanor Young and Caroline Deacon, of Vancouver, remained idle, having drawn byes into the second round.

Dorothy Round, of Great Britain, the defending titlist, Helen Willis Moody and Helen Jacobs, of the United States, and Hilda Krahwinkel Spelling, of Germany, all opened with straight-set victories as rain washed out all but eight of the seventy scheduled matches.

Mrs. Moody, campaigning to regain the Wimbledon title she has formerly held, scored a 6-0, 6-1 victory over Mile. A. Baumgarten, a red-haired Hungarian. The former tennis queen, appearing here for the first time since 1933, displayed a powerful forehand that blasted out points for her almost at will. After falling twice on the slippery grass, Mrs. Moody domped socks over her shoes.

Miss Jacobs, another formidable invader, gave a powerful-hitting performance as she experienced little difficulty in winning by 6-3, 6-2 over Nelli Adamson, Belgian champion.

Miss Round found a hard-fighting opponent in Miss A. E. McCos-trich, but won by a count of 8-6, 6-3, while Mrs. Spelling, the German girl who is French champion, had an easy time with Mrs. R. Brazley, of England, defeating the British woman by 6-0, 6-3.

Play was confined to five courts. The remainder were under water and, as a result, the first round men's doubles match between Bobby Murray and Laird Watt, of Montreal, and Ritchie and Nigel Sharpe, of Great Britain, was postponed.

Some of the men's doubles matches, however, were played. The top-seeded combination of Wilmer Allison and John Van Ryn won easily from H. F. David and Dr. P. D. B. Spence by scores of 6-4, 6-1, 6-3, but another American team, Henry Culley, of California, and Wilmer Hines, of Columbia, S.C., won the clever teamwork of Hideo Nishimura and Jiry Yamagishi, of Japan, losing to the tune of 6-4, 6-1, 6-3.

H. W. "Bunny" Austin, British Davis Cup singles player, opened today's men's singles competition with a 6-2, 6-0, 6-2 victory over the Norwegian J. Haanes in a second round match. Sidney Wood, blond New Yorker, swept into the third round at the expense of G. E. God-se, of Great Britain, winning by scores of 6-3, 6-3, 6-2, while Jack Crawford, top-ranking Australian, had to travel four sets to eliminate Vernon Kirby, of South Africa, to the tune of 6-1, 6-0, 5-7, 6-2.

FUGITIVE SERIOUSLY HURT
WHEN MOTOR OVERTURNED

Quebec, June 26.—Badly injured when the automobile in which he and two companions were fleeing from police overturned near Valcour, Que., an unnamed man was taken to the hospital here last night and placed under police guard.

The man was captured when police picked him up unconscious from the wreck of the stolen automobile after his two companions had fled into the woods and evaded capture. He was charged with being implicated in the robbery here over the weekend of the St. Joseph street confectionery store of Mozart, limited, in which more than two thousand worth of merchandise was stolen.

Country and Dairy
Products Prices

Montreal, June 26.—Prices were a little firmer on the local egg market yesterday. Graded shipments arriving in carlots or l.c.l. lots were 22 1/2¢ for A-large, 20 1/2¢ to 21¢ for A-medium, 19-20¢ for B, and 17 1/2¢ to 17 1/2¢ for C. Small lots to the retail trade were quoted by wholesale jobbing houses at 20¢ for A-large, 24¢ for A-medium, 23¢ for B, and 21¢ for C, packed in cartons, and 1¢ less when bought loose. Dealers say there are not enough A-1 eggs coming in as yet to form a market.

The regular weekly auction of butter and cheese will be held at 12:30 noon today at the Board of Trade.

The butter market was generally quoted 19 1/2¢ to 19 1/2¢ per lb. for carlots or l.c.l. lots of No. 1. Small lots to the retail trade were quoted by jobbers at 20 1/2¢ for solids and 21 1/2¢ for prints.

The cheese market was unchanged at 10 1/2¢ to 10 1/2¢ for No. 1 Ontario and 10¢ for Quebecs.

The potato market was unchanged. New potatoes are quoted \$4.50 to \$4.75 per bbl. for Virginia, and \$1.25 to \$1.50 for No. 1 Bermudas per 50-lb. crates. Old potatoes are 33-35¢ for Quebecs, 37-40¢ for New Brunswicks, and 40-45¢ for Prince Edward Islands, per 50-lb. bags.

The poultry market was steady. Quotations to the retail trade on small lots dressed poultry were as follows on A grade stock: B grade being two cents per pound less: Turkeys 22-23¢ Milked chickens 24-27¢ Selected chickens 21-24¢ Fowl 15-19¢ Broilers 22-26¢ Geese 13-16¢ Brome Lake ducklings 24-26¢ Domestic ducklings 17-20¢

CLOSING HELD BY SWEETSBURG GIRLS' SCHOOL

Attractive Programme Presented at Closing Exercises of Girls' Industrial School—Other Items of Interest from Sweetzburg.

Sweetzburg, June 26.—The closing exercises of the Girls' Cottage Industrial School were held Thursday afternoon when about one hundred citizens of Sweetzburg, Cowansville and Montreal were present. Seats were placed on the spacious lawn and the exercises were carried out there. Mr. Campbell, of Montreal, chairman of the budget committee on request of the president of the Board, acted as chairman, and in his opening remarks congratulated the superintendent, Miss Elliot, on the splendid appearance of the pupils, the school and the surroundings, which are most happily situated in the heart of the beautiful Eastern Townships.

The following programme was given by the pupils in a most charming manner: chorus, "O Canada"; "Sword Dance"; "K. Harris in Highland costume"; "Flower Drill"; sixteen girls; "Russian Dance" by sixteen girls; "Russian Dance" excellently rendered by four girls in elaborate Russian costume; chorus, "Lullaby" by the school.

The programme was followed by the distribution of prizes for highest standing as follows: grade II, Madeline Montpetit, 83; grade IV, Doris Williams, 82; grade V, Annie Benoit, 85; grade VI, Annie Vozna, 75; grade VII, Annie Smith, 86; grade VIII, Marjorie Buska, 79. Special prizes were awarded for: marked improvement in general standing, conduct, effort, etc. Doris Williams, high standing on house honor rolls, Tillie Pinks, Lena Goodman, Irene Roid and Mary Adair, equal, Miss Elliott and Mrs. Stearns both expressed their pleasure at the large number present and the interest manifested in the school, which is local residents.

A distinguished visitor was present in the person of John Robillard, of Montreal, who in a brief address congratulated the superintendent on the splendid demonstration of the excellent standing of the school, which he attributed largely to her efforts, assisted by a very capable staff. He appealed to the pupils to make the most of the opportunity to acquire an education and he had no doubt they would be able to look back on the days spent there as the happiest in their lives and closed with the wish that they might be blessed with good health and good will.

A table of fancy work which the pupils under the superintendency of Mrs. Biggs has made was on sale. Afternoon tea was served. A special prize was given K. Harris for her splendid "Sword Dance".

General Notes. Week-end guests of Mr. and Mrs. H. G. Lomas included Mr. Cowan and the Misses Haight, of Scottstown. Mrs. E. S. Reed accompanied by Miss Alice Hunter, of Bondville, left last week for Macdonald College to attend Summer School, where lectures are being given on all kinds of organized church work. Rev. Mr. Reed left on Tuesday of last week for the same institution and both Rev. and Mrs. Reed are on the programme to give lectures on various types of church work among the young people. Rev. A. T. Love, a former rector, is also on the programme for Bible study.

The many friends of Mr. H. J. Stevenson are sorry to learn that he is ill and a patient in the local hospital. FINE LECTURE WAS DELIVERED AT WATERVILLE

Rev. Palmer, of Kangra District Mission, India, Interested Large Audience in Jubilee Hall—Waterville Notes.

Waterville, June 26.—Rev. Palmer, of the Kangra District Mission, India, gave an illustrated lecture in the Jubilee Hall. Rev. George Pye introduced the speaker. Before showing the films, Mr. Palmer made a few remarks. He stated that the Kangra District, which has an area of ten thousand square miles, is the responsibility of the Canadian mission of the Church of England. It has a population of eight hundred thousand of which only seven hundred are Christians. The work is carried on mostly through institutions, schools and hospitals. Among the interesting slides were pictures of the ordinary life of the villages and work of the Christian people. The Industrial School, Girls' School and the work of the Boy Scouts.

The evening was made more interesting, Mr. Palmer having a copy of the New Testament in the language Urdu and several articles of interest showing the gathering, following the pictures, members of the audience were privileged to ask any question. These were ably answered by the speaker. Mr. Pye expressed his thanks on behalf of those present for the enlightening lecture given by Mr. Palmer. Mr. Palmer left for Quebec City, where he spent a week-end before going to Prince Edward Island and New Brunswick where he will remain until August when he returns to India to resume his work.

YOUNG PEOPLE FROM RANDBORO PRESENT PLAY

Comedy "Green Cheese" Presented at Sawyerville Brought Much Applause—Sawyerville General Notes.

Sawyerville, June 26.—Randboro talent gave a most pleasing idea of their entertaining ability when they presented the operetta, "Green Cheese," in the I.O.O.F. hall here. The play, representing festive scene in a Swiss village, was of a mirth-provoking type, and each and every member of the cast, under the able direction of Mrs. Oliver Hamilton, Mrs. Vernie Montgomery and Mrs. Fred Robinson, carried out their parts in a creditable manner.

The plot was as follows: Jimmy Sheriff, son of an American cheese manufacturer, arrives in the Swiss village of Uppendown. He is primarily interested in securing Johann Bimmer, a Swiss village, as an experimenter in cheese formulae, as an appendage to his father's plant. Through the suspicion of Hans and the groundless dreams of Freida and Irini, his mission is variously conjectured. Ultimately, however, he redeems himself, and Johann refuses the offer of an American contract and Jimmy plans to return home without him.

The list of characters follows: Jimmy Sheriff, Emerson Parker; Johann von Bimmer, Fred Robinson; Irini Shultz, daughter of the mayor, Johann's girl friend, Edith Cairns; Hans, Johann's pal, comical character, Lee Hardmann; Frieda Irini's pal, Hans' girl friend, Gertrude Bellevue; Eric von Brimmer, cheese manufacturer, Leslie La Fleur; Peter Shultz, mayor of Uppendown, Charles Banks.

Besides those already mentioned the following grown-ups assisted with the numerous choruses: Mrs. Fred Robinson, Mrs. Vernie Montgomery, Mrs. Charles LaFleur, Norman Winslow, William Hall, Dalton Montgomery, Graydon Montgomery and Vernal Cook and the children, who added no small amount to the evening's entertainment were Truth Hamilton, June and Paul, while the three milk-maids were Joy, Dorothy and Margaret Hamilton. Mr. Charles Banks acted as chairman and Mr. Lee Hardmann gave an excellent impersonation of "Charlie Chaplin," which feature of the evening produced roars of laughter and thunderous applause. An informal dance concluded a most successful evening.

General Notes. Mr. and Mrs. F. C. French, Mr. James French, Mr. Harry French and Miss Elsie French were visiting at the homes of Mr. Harry Scott, North Stratford, N.H., and Mr. Bert Blodgett in Colebrook, N.H. Miss Muriel Gaulin has returned to Sherbrooke to resume her duties as nurse-in-training at the Sherbrooke Hospital.

SHERBROOKE, WEDNESDAY, JUNE 26, 1935.

Summer Scene.

Betty L. Cole.

White clouds floating across an azure sky
Make shadows on the rolling land below, where I
Stand in a field of tall white daisies swaying in
the breeze.
While I'm absorbed in the beauty of the scene, my
eyes see
A brook—dancing, leaping, over rocks and through
the wood
Out into the open—'til it comes to a waterfall where
stood
Once long ago, a watermill. And there
It flings itself recklessly to the swirling pool
below, where
Lie in the shadowed water, long slender rainbow
trout.
While on the bank the lacy fern and moss twines
itself about
Tall trees that rise, dark green against the blue sky.
And small trees—the children of those tall ones, by
Them stand, in unruly yet gay array. And as I
Turn my footsteps homeward, through the coming
night,
I thank Thee, Lord, that I've been granted such a
sight.

In the Light of the Past.

People may jeer and hoodlums may leer at the politicians who seemingly put it over the banks and all those who have their savings guarded by the ten chartered banks of Canada.

The original disturbance of our sound banking system was a peevish and vindictive vendetta declared because the bankers, the custodians of our savings, grew strong and insistent in their advice to all governments to reduce expenditures lest they exhaust the money of the whole country.

There were intelligent and far-seeing people who, in the early parts of the eighteenth century denounced the speculative bubbles of John Law in Paris, and of the Earl of Oxford with his South Sea Bubble in England. They were scoffed at, though they were right.

Perhaps our readers will recall the reception of our first campaign against the railway management of Sir Henry Thornton, with all its splendour and extravagance.

Wait until you hear the horrible details of Canada's losses in the wheat market under political management. We denounced that experiment in its beginning.

British Columbia now wants us to fly to the rescue of the Pacific and Great Eastern Railway, which starts from nowhere and ends there, meandering through forests, across the rivers and along the valleys and mountains where nobody lives.

The idea seems to prevail that the Federal Government is the present address of King Midas, and that his subject subjects are the tax-payers and wage-earners throughout the Dominion.

Surely, in the light of that which is past, a change of view has swept over Canada, and that those who make the miserable errors should pay for them.

With Placid Effrontery.

Quebec stands for stability, for sobriety, for safety and sound money; and the pointed request from the Premier of British Columbia that we add their jobbed railway to our other deficit-bearing railways is a bit of effrontery on the part of the author of the paid-for appeal to Eastern Canada.

Ontario has her expensive Hydro-Power, her Nipissing railway, whilst the Maritimes have their never-profit Intercolonial. We bear a share of these burdens.

The Pacific-Great Eastern of B.C., is an unjustifiable piece of railway building folly entered into when that Province knew of the gigantic failures in other provinces.

Why should we assume the follies entered into simply to create collapsible booms in Vancouver? There is neither sense nor reason in such an appeal, and it has not even the skill of being plausible, let alone sensible.

It was a criminal thing to do when that Province let loose a few thousand of its Weary Willies who do not enjoy a speaking acquaintance with work.

More Money Can Be Burned Up in Peat Exploitation.

Every few decades some so-called expert enters the field of speculation with a glowing promise of freedom from coal, electric and gas thralldom in the presentation of peat as a substitute.

Thousands of good dollars have been wasted in the passing decade on attempted developments of the peat fields scattered about the land. No success has been achieved. But many losses have been sustained by those who can ill afford to lose their money.

On a tonnage cost to the householder there can

be no thought of success from the ever-advancing price, even in a comparison on the heat unit cost. It has been tried often, and has never approached the line of success.

There is a new process, now under investigation, which has been favourably reported upon by a former engineer for the Ontario Hydro-Power. Yet after a diligent perusal of a two-page report we should be inclined to view it as a return to the old woodpile, or perhaps to the sod-covered huts of dear old Ireland.

Let us hold our peat bogs in reserve until we have exhausted our coal mines, or until our white and clean coal in the form of electric power has been lessened by the denudation of our forests. By that time, our peat bogs may, in the natural process of the ages, be turned into anthracite.

Editor's Note Book.

Visions of gold ingots may dance before the eyes of the narrow-visaged persons who framed the "Exchange Fund Act," now before the Canada Senate. Our only salvation for recovery from the maelstrom of debt from the national railways and what gambling speculation lies now with the men who have been accorded the reputation for wisdom by being called to counsel in the Senate of Canada. Pray that they arise to the occasion, and withhold consent to an iniquitous folly.

City gas and electric bills for the current month are much higher than they were a year ago, previous to the vaunted "reduction" in the cost to consumer. This is a product of the secret sessions, in which the aldermen study diligently how they can put it smoothly over the taxpayer. We find the net increase over ten per cent. as compared with previous years. The more governed we are the more the individual pays. That is a truism. But why play pussy-in-the-corner about it, diving into secret rooms in the City Hall and then pronouncing what they do not perform?

The managers of the National Park on the Canadian side of Niagara Falls have courageously closed and sold out the scenic railway which paralleled the Niagara River cliffs for sixteen miles. The road did not pay. It was advertised for sale and was sold. No fuss. No disturbance. A losing venture became an asset, and is no longer a daily leaking liability. The managers of the Canadian National Railway pause before taking such an easy course of conversion. What would become of their salaries? And their jobs up in the \$28,000-a-year class?

Hon. J. L. Ralston and Hon. Edgar N. Rhodes who are both adamant in their determination to retire from the House of Commons at the conclusion of the present session, were boyhood friends and political opponents. They were schoolmates in their native province, and at the university fought on the athletic field for their alma mater. They have upheld the higher standards of the Maritime Provinces, and should occasion ever bring them back to the political field, they will both receive that glad welcome which ever acclaims men of integrity and of superior intelligence.

An investigating inventor says he would gladly work on a substitute for gasoline if he had any assurance that it would not be jumped on by a new tax. With a gasoline war in Montreal, caused by the importation of the Roumanian oil, the motorist may rejoice even when the cost of "filling her up" equals the cost of the six cents a gallon tax. If Maurice Duplessis would reduce his policy to the point of the explicit in taxes he would make a stronger impression. Finding fault is not as powerful as telling what he proposes to do. After the big election comes the little election, but the time is now to prepare and label the ammunition.

Joseph Alfred Metivier, the popular city agent for the Canadian Pacific, has gone to Mexico for a vacation jaunt, there to judge whether there is any relation between a Mexican peon and a Canadian peony. A master of English and a professor of French, Mr. Metivier will broaden his linguistic attainments by being able to talk Spanish in that soft and ravishing manner which marks the Gentleman from Madrid. On his arrival at the favourite home of Montezuma, the greeting Mex likened our distinguished "Met" to both the prancing Pizarro and the dread Cortez. As his bodyguard Mr. Metivier was accompanied by his wife.

A German army in Africa was defeated by the rebel leader, Marengo, losing all their arms and ammunition. The Magog Council offered L. A. Audet, \$15,000 for the water system that he owned in that town.

BOUND WATER IS CHIEF ELEMENT IN HUMAN LIFE

Scientist Claims Equilibrium Between "Bound Water" and Its Environment in Body Holds Secret of Eternal Life.

Minneapolis, June 26.—Man is made mostly of water, but it is solid water, really a form of "hot ice." Experiments with "bound water" which show this were described to the American Association for the Advancement of Science by Dr. R. A. Gortner, of the University of Minnesota.

"Bound water" is the scientific term to describe the water which is part of the cells, or living flesh. There is similar "bound water" in all plants, animals and insects. If, said Dr. Gortner, science could learn how to set up an equilibrium between "bound water" and its environment in the body, it would probably be easy to solve the problem of eternal life.

"Ponce de Leon's spring," he remarked "would be found."

In this "bound water" of the tissues, he said, it appears that the water molecules assume a lattice form, the molecules being from the crystal lattice which is ice, but similar in that it makes the water more or less solid. This "bound water" would not dissolve in sugar.

FIRST TRACES OF SEVERAL MALE PERSONALITY CHEMICALS

Minneapolis, June 26.—The first traces of several new male personality chemicals were reported to the American Association for the Advancement of Science yesterday.

These personality chemicals are hormones, products of ductless glands, which account for the low-pitched voice, strong muscles, burly shape and all the traits which contrast with femininity. It used to be thought only one, the male sex hormone, or possibly two of them, made the differences in personality, but evidence now are probably five and possibly more was given by Dr. F. C. Koch, of the University of Chicago.

UNUSUAL PLUCK SHOWN BY CRIPPLED NORTH BAY GIRL

Life-Long Series of Operations and Realization She Will Never Walk Again Failed to Dampen Enthusiasm of Nineteen-Year-Old Girl to Achieve Success.

North Bay, Ont., June 26.—A life-long series of operations, the realization she would never walk again, that her bones were so brittle that the slightest jar would break them, all this—and yet Dorothy Gray, aged nineteen, has not despaired.

Today she labors to educate herself, and with renowned success. And not only in the field of learning has she succeeded. Success has come to her in the field of music. She has developed a voice which has drawn the plaudits of many a crowd at a North Bay social event.

At the age of four she went to Toronto, but was too weak to be operated upon. She returned home to build up her strength. A year later both her legs were operated on but the treatment failed.

At the age of ten a Toronto specialist operated, removing certain bone structures in her leg, between the knee and the thigh. The operation was repeated a year later on her other leg.

Her legs were straightened, but her bones were too brittle to bear her weight. But Dorothy would not admit defeat. She studied through the correspondence division of the Ontario Department of Education. In August, 1934, she was notified she had won her entrance examinations to college.

Since then she has continued her studies. She is an avid reader, and displays talent as a writer. Her great ambition, however, is to teach music. She learns more in one lesson than others do in two, her teacher says. She has played at many concerts. Her voice has definite possibilities.

And through it all she smiles, she refuses to give up.

A U.S. CITIZEN WHO WAS A LITTLE BEHIND THE TIMES

Surprised to Learn R. B. Bennett Was Prime Minister of Canada — "I Thought a Man Named Laurier Ran Things Up Here," He Remarked.

Ottawa, June 26.—J. S. Brown, Liberal member for Lisgar, Manitoba, was chuckling today over the questions put to him by a visitor from the United States who wandered into the sitting of the House Committee on the Grain Board Bill yesterday.

Mr. Brown left before the meeting was over and the visitor followed him out to ask, "Who is that man at the head of the table asking so many questions?" "Are you a stranger in these parts? That is the Prime Minister," Mr. Brown replied. "Well what is his name?" the visitor queried. "R. B. Bennett."

"I thought a man by the name of Laurier ran things up here."

DUKE OF YORK ILL

London, June 26.—The Duke of York, second son of the King, was ill in bed today, running a temperature above normal, but physicians said his condition was not serious and that he would resume his engagements in the near future.

MAN KILLED IN EXPLOSION AT SHIPPING YARD

Seventy-Five Palatial Pleasure Craft Destroyed in Blaze that Swept Fort Lauderdale Basin Following Blast.

Fort Lauderdale, Fla., June 26.—The death of one man and destruction of a palatial fleet of seventy-five pleasure craft were charged today to a blaze that swept Pilkington's Basin near here, causing damage estimated at upwards of \$1,000,000.

Apparatus was placed to pump water from the half-sunken houseboat Seminole to allow firemen to search for the body of Captain R. C. Abel, aged twenty-eight years, of West Palm Beach, who was below yesterday when a terrific blast ripped through the 110-footer.

From the Seminole, owned by the John S. Phipps estate of Palm Beach, the blaze raced through the close-packed fleet in summer storage owned by Gar Wood, America's premier speedboat racer; William "Bill" McCoy, Lawrence Schwab, the producer, and others.

John B. Thomas, of West Palm Beach, who was thrown through the shed's open front, over a moored barge and dropped on a sandbar, suffered burns, lacerations and a leg fracture, said he detected gasolene fumes as he and Abel boarded the Seminole. He warned his companion, Abel went below, turned a switch, Thomas said, and the blast immediately followed.

HUNDREDS LOST HEAVILY IN INVESTMENT RACKET

Sums Ranging from \$1,000 to \$100,000 Deposited with One-man "Investment Service" Who Promised Profits as High as 1,860 Per Cent.

New York, June 26.—Testimony revealing a one-man "investment service" which operated from coast to coast and which promised investors profits as high as 1860 per cent. was presented yesterday to the grand jury investigating the business affairs of William F. Peterson, missing New York stock broker.

Department of Justice agents conferred with Assistant Attorney General Ambrose McCall, who obtained a court order requiring Peterson's appearance and submission of books and records of the Isco Service Corporation allegedly operated by Peterson.

McCall said at least one hundred persons dealt with Peterson in sums ranging from \$1,000 to \$100,000.

Peterson's service, McCall said, was a form of stock market manipulation. The client would deposit a sum of money and in return receive a note for the full amount payable at five and a half per cent. interest in a year. With this, McCall said, went an agreement whereby the investor was to receive one hundred per cent. profits every month, half in cash and half in reinvested funds.

SOLDIER OF MANY BATTLES HAS LOST HIS LAST FIGHT

Sergeant Edward Harris, Who Fought His First Campaign Fifty-Seven Years Ago, Passed Away in Toronto at Age of Seventy-Six Years.

Toronto, June 26.—Sergeant Edward Harris' last battle was over today. He fought his first campaign fifty-seven years ago. For two years he has waged his last. He died last night in Christie street Hospital. He was seventy-six years old.

Born in Feckenham, England, "Sarge" as he was known to a host of friends, enlisted in the regiment now known as the South Staffords when he was eighteen years old. A year later he was on his way to fight under Sir Evelyn Wood.

He served throughout the Zulu campaign and returned in time to be sent to Egypt to serve through the campaign of 1882 there.

He then came to Canada, taking part in the Northwest Rebellion with the Toronto Company of the Royal Canadian Regiment. He was wounded at Fish Creek. At the outbreak of the Great War he enlisted with the 58th, pioneers, Battalion and went to France. After serving two years he was wounded.

His only son, Ernest Harris, was wounded in the Great War, and later died in Christie Street Hospital. He received the Zulu Medal of 1878 and 1879; the Egyptian Medal of 1882; the Northwest Medal, of 1885; the Great War General Service Medal, the Great War Victory Medal and the Egyptian Star, 1882.

INFANTILE PARALYSIS EPIDEMIC

Raleigh, N.C., June 26.—With eleven new cases reported, infantile paralysis today had appeared in forty-five of North Carolina's one hundred counties.

A total of 295 cases has been reported since the first of the year, practically all of them being in the east central part of the state. The total for June so far is 146. Eight deaths have been recorded.

FATHER AND DAUGHTER ARE REUNITED AFTER 48 YEARS

Story Reading Like Fiction Has Had Happy Ending at Edmundston, N.B., with Reunion of Fifty-Year-Old Woman and Her Aging Father.

Edmundston, N.B., June 26.—A story reading like fiction has had a happy ending here with the reunion of Mrs. Angelina Vuturilli, fifty years old, of New York, and her aging father, Angelo Volpe, of Edmundston, after forty-eight years of separation. For years the daughter had thought her father dead.

When Fortunata Volpe was two years old the father, then living in Italy, left her in care of an aunt while he sought his fortune in the new world. That was the last they saw of each other for almost half a century.

During the years he has lived here Volpe tried vainly to locate his daughter. Finally, by information secured from his native town in Italy, he traced her to New York, where she lived with two daughters and four sons.

Paris, June 26.—In tribute to the memory of Paul Painleve, former Premier and Minister of Air, Gen. Victor Denain, present Air Minister, has named the ministry's new reception building after the late statesman.

The new building—to be known as the Pavillon Painleve—will be formally dedicated by Gen. Denain on June 28th in the presence of members of the Painleve family, representatives of parliament and the late minister's friends.

The hall of honor of the new building contains many souvenirs recalling M. Painleve's activities in the interests of aviation.

CONSECRATED FIFTH BISHOP OF DIOCESE OF QU'APPELLE

Dignitaries of Church and State Attended Solemn Ceremony in Regina when Rev. Edwin Hubert Knowles Was Consecrated.

Regina, June 26.—Rev. Edwin Hubert Knowles, who once broke Saskatchewan soil as a pioneer, yesterday was consecrated fifth bishop of the Anglican diocese of Qu'Appelle by his predecessor, His Grace H. M. Harding, Archbishop of Rupert's Land. Dignitaries of church and state attended the solemn ceremony in St. Paul's Church, Archbishop Harding conducted Holy Communion, the Very Rev. W. T. Ballam, Bishop of Saskatoon, read the epistle, and Very Rev. H. J. Hamilton, of Toronto, retired Bishop of mid-Japan, read the Gospel.

DENY FORMER POLICE HEAD CHALLENGED GODIN TO DUEL

Political Opponents Charged With Having Cooked Up Story About Jean Chippie, Candidate for Presidency of Paris Municipal Council.

Paris, June 26.—Close friends of Jean Chippie, former police prefect, denied today that Chippie had challenged anybody to a duel and that the challenge had been refused.

Political opponents, they said, had cooked up the story that Chippie, now candidate for the presidency of the Paris Municipal Council, had challenged Pierre

Godin, former president, and that Godin had refused to fight on the grounds that Chippie had lost duels rights by refusing to meet a Corsican editor in 1932 on the "field of honor." They characterized it as all a conspiracy to injure Chippie's prestige with the public.

UPWARD TREND IS MAINTAINED IN POPULATION

Present Population of Sherbrooke Placed at 29,512, which Comprises 13,832 Males and 15,680 Females.

Sherbrooke's present population, according to the municipal census just completed is 29,512, which is an increase of 228 over the 1934 total and 480 higher than the figures for 1933.

There are 13,832 males, 15,680 females and 6,068 families in Sherbrooke. That is according to the City Hall figures.

In some cases, however, it would appear as though the city figures were slightly amiss. Glancing at the table below it will be noticed that there are but twenty Scotch people in the North Ward.

The City Hall officials would not admit that the figures might be somewhat off in many cases, although they would not say that their figures could be taken as absolutely authentic.

The following figures give a detailed analysis of the city's population showing the classification of the different nationalities according to wards:

SUNNY SKIES WELCOMED BY E. T. FARMERS

Field and Garden Crops Received Great Impetus as Result of Splendid Weather Conditions which Climaxed Two Weeks of Rain.

Field and garden crops had received a great impetus today as the result of the fine, sunny weather which yesterday and today climaxed a two-week period of rain.

The change in the weather came in the nick of time, for many low-lands in the Eastern Townships were inundated and today conditions generally were being retarded.

Experts at the Lennoxville Experimental Farm stated to the Record today that the hay crop is fair for this time of the year. The grain is also fair, although the prospects are not so bright for the low lands and in those areas the crop has suffered somewhat.

The precipitation to date this month is 4.25 inches, compared with 3.73 inches during the corresponding period of the same month last year. The total rainfall for June, 1934, measured 8.86 inches - less than what has already fallen this month.

The strawberry crop in Ontario is a hundred per cent. larger than last year in some districts and eighty per cent. for the province as a whole. Although the average crop in Ontario will be below average, the total yield, according to official agricultural reports, will show an improvement over last year. Peaches show tremendous improvement in Ontario.

INTENSIVE DRIVE IS ON AGAINST SLOT MACHINES

Severe Measures Will Be Enforced Against Repeated Offenders, Crown Prosecutor Stated to Record Representative - Alleged Operators of Whiffle Boards Face Court Today.

When prizes are offered for high scores recorded on whiffle boards, the instruments become gambling machines and the operators are liable to a fine and confiscation, the Crown is contending today before Judge J. H. Lemay in the Magistrate's Court.

Paul Raymond, Delphis Goyette and Arthur Reade, are today before the local court on charges of having operated "disorderly houses and gambling halls," the Crown alleging that they had in their possession whiffle boards which they used for gambling purposes.

Raymond, Goyette and Reade are among the fourteen persons summoned before the court as a result of the police drive against slot-machines and other gaming devices in the Eastern Townships. The other accused are: George Edmond Maynard, Lennoxville; Jean Paul Dumon, of Cookshire; Albert Wadsworth, Lloyd Bowen and Armand Baron, of Sherbrooke; and Jean Therrien, of East Angus - appeared before the court this morning and were remanded to court next week.

The authorities appear determined to wipe out these gambling devices once and for all. Slot-machines have become a veritable scourge in the Eastern Townships during the past few months. The recent seizures which have been made have had a marked effect in curbing this form of gambling, but offenders in the future will be severely dealt with.

Playing a game in which they are bound to lose, many perpetrators are able to afford to do so have been known to bet heavy sums, sometimes their whole pay-checks, on these automatic vending devices. Machines were seized and replaced usually immediately. The offenders usually appeared in a Judge's private chambers, quickly paid the fine of \$10 and were nothing more was heard about it. Some offenders, it is alleged, have appeared before a Magistrate on second or third offences and have escaped with the usual fine of \$10 and costs.

But a different procedure will now be followed. A recent representative was assured by Wilfrid Lefebvre, K.C., Crown Prosecutor, this morning. The accused are no longer appearing in private chambers. They are being paraded before the open court. Repeated offenders will be heavily fined or jailed.

"This slot-machine racket has to be abolished once and for all," Mr. Lazure declared. "Numerous complaints reached my office that slot-machines had become a real menace in this district, and as soon as I realized the true condition of affairs I notified the Attorney-General at Quebec and suggested that stricter measures than in the past be used. I received a telegram from Quebec today to carry on the prosecutions. First offenders will be given a fine. The cases will be heard in open court. Offenders will be fined \$10 and costs; but second offenders - or those persons who appear repeatedly before the court on these charges - will find that things will go hard with them. Heavy fines will be imposed upon these persons, and if we should find it, we will even recommend jail sentences with no option of a fine."

George Bolduc, alias Leo Gosselein, and Edward Davis, Admitted Guilt Before Magistrate This Morning - Several Other Cases in Local Court.

George Bolduc, alias Leo Gosselein, of St. Samuel, Frontenac County, ex-convict, and Edward Davis, of Montreal, pleaded guilty before Judge J. H. Lemay in the Magistrate's Court this morning to a charge of theft with infraction at J. Aristide Robert's store at Lake Megantic early on the morning of June 20th last. Zephin Lapierre, of Montreal, charged with being an accomplice after the fact in connection with the same robbery, pleaded not guilty. Judge Lemay will sentence Bolduc and Davis next Wednesday. Approximately \$2,000 worth of merchandise, including men's suits, shoes, neckties, shirts and underwear, comprised the loot carried away by the robbers and later recovered in Montreal following the arrests of the trio by Provincial Police detectives.

Armand Talbot, eighteen years old, plant to be sent to St. John's, Nfld., today to possession of burglar's tools. Talbot is suspected of being one of three young men in the motor car which Detective Gustave Masse pursued along the Rock Road on Friday evening last. Operating an automobile which carried no license plates, the trio escaped into the woods after ditching their car. In the wrecked auto was found a kit of burglar's instruments.

Joseph Vaillancourt, of Coaticook, was fined the costs of the court when he pleaded guilty to having operated a car without a driver's license.

Another "pro forma" arraignment of Lucien "Red" Morin, of Barnston, took place in the Magistrate's Court this morning. Morin is co-accused with Kenneth Brown, of Milton, Vt., of the murder of Willis Keith, a winn of Baldwin's Mills. Brown's extradition from the United States

Social and Personal

Mr. A. A. Pope, of Bridgewater, and Mrs. M. E. Buxton, of Kingston, Mass., who motored to Sherbrooke to spend a few days with their sister, Mrs. H. W. Edwards, and Mr. Edwards, have returned to their respective homes.

Mr. and Mrs. Findlay Bennett, of Bury, Que., announce the engagement of their daughter, Helene Florence, to Rev. Aubrey Eric, son of Mrs. Godwin and the late Mr. Godwin, of Luston, England, the marriage to take place early in July.

Miss Lois Rapley, of Montreal, who has been the guest for a week of Mr. and Mrs. P. M. Robins, Quebec street, is leaving tonight for North Hatley, where she will be a guest for a few days, of Mrs. Gordon Hume at her summer home on Lake Massawippi.

Mrs. J. T. Hawkins, Fulton avenue, carried off the honors in the "no alibi tournament" for class "B" players at the Sherbrooke Country Club yesterday. Owing to the condition of the greens, the approaching and putting contest scheduled for class "A" players had to be postponed.

Mrs. Leonard Barlow and Mrs. Fred Harvey were hostesses at a successful card party, given yesterday afternoon at the home of Mrs. Barlow, 1000 St. James street, for the benefit of the Catholic Women's League. Bridge was played at eight tables, the prizes being won by Mrs. Cordeau and Mrs. Bachelier, while the consolation was awarded to Mrs. Smith. At the close of the game, a delicious afternoon tea was served by the hostesses, assisted by Mrs. Stebbins and Miss Stewart.

The christening of Alan Robinson, infant son of Mr. and Mrs. A. J. Buckland, of Waterloo, was the raison d'etre for several delightful social gatherings in the family. The ceremony took place on Sunday, June 23rd, at the United Church in Coaticook. Rev. Albert Johnson officiated and the sponsors were Mr. and Mrs. A. C. Jenks, of Coaticook, following the religious service, Miss Mary Buckland, Baldwin street, entertained at dinner, and later in the afternoon the christening tea was held at the residence of Mrs. Claribel Buckland.

Mrs. A. R. Marchant entertained at a miscellaneous shower and card party at her home on Minto street in honor of her step-daughter, Miss Doris Marchant, whose marriage takes place shortly. Cards were played at three tables, the prizes being won by Mrs. N. J. Marchant and Miss L. P. Marchant, the consolation being awarded to Mrs. Spackman. The bride-to-be was "showered" with many pretty and useful gifts, accompanied by the best wishes of her friends for her future happiness. Among the guests were Mrs. John Combs, of St. Johnsbury, Vt., sister of the bride.

Mr. and Mrs. E. J. Hatch and their daughter, Miss Verna Hatch, Brompton Road, and Mrs. MacKenzie Page, of Windsor Mills, left yesterday afternoon for Shawinigan Falls to attend the McLeod-Lang wedding, which is taking place today. During their stay they will be the guests of Mr. and Mrs. William Coffey in La Gabelle.

Mr. and Mrs. Walter Byham were pleasantly surprised on the twenty-fifth anniversary of their wedding day, when several friends assembled at their home on Walton avenue to join in celebrating the happy occasion. After felicitous greetings and congratulations had been extended, cards were played, the prizes being won by Mrs. W. Byham and Mr. S. Astbury. At the conclusion of the game delicious refreshments were served, including a lovely wedding cake which was cut by the bride of twenty-five years.

During the evening Mr. W. Balantyne, on behalf of their friends, presented Mr. and Mrs. Byham with a lovely silver rose bowl, voicing in a felicitous manner their best wishes for many happy returns. Included in the many gifts of silver received by the bride and groom was a beautiful case of flat silverware. Among the guests was Mrs. John Combs, of St. Johnsbury, Vt., sister of the bride.

Sherbrooke Fair. June 29th to July 5th. The 51st Annual Sherbrooke Fair will begin on June 29th. On Sunday it will be going full tilt and on Dominion Day! Crowds from all parts of Eastern Canada and the United States.

There'll be heaps of competition for hogs and steers and loads of rivalry for cakes and pies. There'll be rides and sights galore for the young folks and enough romance of an evening to suit any lad or lass in the 'teens! Sports and thrills and shows for all the family. A grand time for everyone, with many of the best things free.

There will be horse racing every day with bands and comedians and other entertainment between each race. Excitement and fun every minute of the day. But that only begins to tell you what you'll see. A Fair like this will drive away the very bluest of the blues. Make a note of the date. The Fair is earlier this year. Ground Admission: 25c. Grandstand, 25c, 50c, 75c.

DOMINION DAY

—Canada's National Holiday, is becoming increasingly an Out-of-Door Festival.

The development of summer resorts, increasing activity on the part of the transportation companies, the improvement of highways and the rapid growth of automobile traffic have tended to bring the population of cities and towns out to the waterside on that day.

And, perhaps, it is more fitting that the birthday of our great country should be celebrated so. For the Canadian character is one which expresses itself more naturally in leisurely vacationing than in din, parades and public meetings.

And so, this week-end, there will be little fuss and fury to commemorate that great day on which our far-flung provinces were welded into the beginnings of a mighty nation. But there will be many an hour of peaceful enjoyment beside our smooth lakes and our winding rivers to remind Canadians of their glamorous part.

DEATHS REPORTED

MRS. WILLIAM S. MOY, SHERBROOKE. Paying their last tribute of respect to a lady who in her own quiet way had brought joy and assistance to the many with whom she came in contact, a large number of residents of Sherbrooke and vicinity assembled on Wednesday afternoon for the funeral services of Mrs. William S. Moy, nee Jennie Burton, whose death occurred last Monday following a long period of suffering.

The service was conducted by Rev. J. R. Graham, pastor of St. Andrew's Presbyterian Church, of which Mrs. Moy has been an almost life-long and devoted adherent. In his final tribute, Mr. Graham referred to Mrs. Moy as one of "God's Hidden Ones" and stressed the important work that she carried on, especially for those in need. Most of this had been performed, he said, without the benefit of publicity, efforts to assist others only being made to herself and her God. Despite her frail body, no one ever left her home in need. And in addition to the care she gave to the needy, she was a source of blessing and encouragement. Her passing, he concluded, left memories deeply cherished by her family and those who knew her.

Mrs. MacKay, Mrs. Turner, Mr. Donald MacKay and Mrs. George Robbins rendered "Abide With Me" at the funeral.

The pall bearers, all neighbors or old friends of the family, were J. H. Walsh, G. D. Wadsworth, A. H. Bradford, J. T. Hawkins, W. G. Cross and A. A. Gunning. The bearers, at the special request of the deceased, were to employ the Quebec Central Railway, of which her beloved husband had been a life-long employee, retiring on a pension shortly before his death in February, 1930. Those who bore the flower-covered casket to its last resting place in Elmwood Cemetery were Mr. W. L. Wilson, A. S. Coleman, J. A. Cameron, W. J. Nutbrown, Angus Smith and C. J. Rose. The funeral arrangements were in charge of Glen Sampson.

Mrs. Moy was born in Liverpool, England, one of a family of three children, the second child, and married at an early age. In addition to her brother and sister, she is survived by three children, Nellie, Mrs. W. J. Crawford, and Mr. Crawford, and Gordon S. Moy, of Sherbrooke, and S. Arthur Moy and Mrs. J. St. Paul, of Montreal, three grandchildren, Edith Crawford, of Sherbrooke, and Marilyn Moy, and William Moy, of St. Paul, and several brothers and sister-in-law, Mrs. Edna Wadsworth, of Sherbrooke, George Moy, of Dixville, Me.; and Mrs. Dave Moy, of Bridgeport, Conn., and Mr. and Mrs. A. W. Kenney, of Raynham, Mass. One daughter, Edith, predeceased her in 1922.

Among those from out of town attending the funeral were Mr. and Mrs. Guy Newell and Cyril Drouin, of Whitefield, N.H., and Mr. George E. Moy, of Dixville, Me. Her mother, Mrs. St. Paul, who paid his mother an extended visit shortly before her death, was unable to be present at the funeral.

MRS. G. W. BORIGHT, COWANSVILLE. The funeral of Lydia Loelach Farmer, widow of George W. Boright, took place on Saturday, June 22nd, in Trinity Church, Cowansville. Rev. E. S. Reed, rector, officiated and was assisted by Rev. A. T. Love and Rev. F. T. Norman, of Montserrat, and Rev. W. H. McPherson, of Bury. Campbell Boright of Magog, and Thomas Boright, Jr., of Minneapolis, and one great grandchild, Joan Capel, of Cowansville.

Four children were born of this union. One child died in infancy. Mrs. Boright died in 1918. Those surviving are Edith, Mrs. Hawley, of Bury, and Thomas, of Minneapolis, Minn. Other survivors are eight grandchildren, Mrs. Flannery and Patricia Hawley, of Montpelier, Vermont; Mrs. Gordon Capel, of Cowansville; William and Robert Boright, of Bury; Campbell Boright of Magog, and Thomas Boright, Jr., of Minneapolis, and one great grandchild, Joan Capel, of Cowansville.

Among the relatives present were Mrs. Frances Farmer, of Knowlton; Mrs. H. Clarence Swett, of Gilman; Mr. and Mrs. Fred Chapman, of Brome; Dr. and Mrs. Pickett, of Swanton; Mrs. May Boright and Mr. Guy Boright, of Montreal; Mr. Hawley, Bury; Mr. Ernest Farmer, of Swanton; Mrs. Percy Boright, of Brome; Mr. and Mrs. W. H. Boright, of Bury; Mr. and Mrs. Gilmore, St. Johns; Mrs. R. T. Macdonald, Montreal; Mrs. D. A. Rodger and Dr. Sherman Rodger, Cowansville. The bearers were Gilbert Boright and Rev. R. Flannery of Montreal, Gordon Capel, of Cowansville, Rupert and William Hawley, of Bury, and Campbell Boright, of Magog.

A few of the friends present from a distance were Mrs. A. T. Love, Bertram Love, Mr. George Watts, of Montreal, and Mrs. Parker, of Smith's Falls, Ont.

Many beautiful floral offerings were received from relatives, friends and societies with which Mrs. Boright was connected.

Mrs. Boright's long life was filled with good works and kind deeds which shall long be remembered. She was a devoted member of the Anglican Church and no sacrifice was too great for its welfare.

Sincerest sympathy is extended to the family, who have been bereaved of a loving mother and grandmother.

MRS. H. W. FOWLER, MELBOURNE RIDGE. Melbourne Ridge, June 26.—One Sunday morning, June 9, there passed peacefully away at her home, Adela Matilda Armitage, dearly beloved wife of H. W. Fowler, following a long illness which was borne with much patience and Christian fortitude.

Mrs. Fowler was born at Tremholville, September 29, 1861, and was the third daughter of the late

Mr. and Mrs. Jabez Armitage. On January 29, 1889, she was married to H. Wheeler Fowler and moved that year to the home at Melbourne Ridge, where they lived together until his death and where Mrs. Fowler leaves a very large circle of relatives and friends who will ever cherish her memory.

She is survived by her husband, H. W. Fowler, five sons, namely, Henry, of Kingsbury; Dwight, of Drumbo, Ont.; Dwight, of Shelburne, Ont.; at home; Welden, of Orillia, Ont.; one daughter, Ruth, Mrs. Leonard Driver, of Kingsbury; eighteen grand children, three sisters, Emma, Mrs. F. B. Cramer, of Richmond; Minnie, Mrs. E. Rankin, of Sonningdale, Sask.; an adopted son, Frank, of Melbourne Ridge; three brothers, Edwin Armitage, of Spinney Hill, Sask.; Arthur Armitage, of Minneapolis, Minn., and Porter Armitage, of Lanigan, Sask., besides a large number of nephews and nieces and many friends.

The funeral services were held at the United Church, June 11, held at the United Church, where Mrs. Fowler was always an active member as long as her health permitted, was conducted by the pastor, Rev. S. G. Brown, and Dr. H. C. Sutherland, of Richmond. The impressive services were attended by a large congregation of friends from far and near.

Rev. Mr. Brown in his address referred very feelingly to the life of the deceased and spoke words of comfort and assurance to the bereaved. Favorite hymns, "Sweetly and Peacefully," "Abide With Me," "This Will Be Done," also a solo, "Face to Face," by Mrs. C. R. Boast, of Richmond.

The church was decorated with pretty plants and flowers and the casket was covered with beautiful flowers.

Among the relatives and friends attending the funeral from a distance were Mr. Wilbur Fowler, of Drumbo, Ont.; Mr. Welden Fowler, of Orillia, Ont.; Mr. A. Crank and Mr. and Mrs. D. J. Fowler, of Kingsbury; Mr. and Mrs. J. Rankin, of Sonningdale, Sask.; Mr. Fred Clark and Miss Ellice Clark, of Bethany; Mr. and Mrs. E. N. Wilkins, of Melbourne; Mr. George Armitage, Mr. Walter Armitage, Mr. McGibbins and Mr. and Mrs. G. Cross, of Sherbrooke; Mr. W. Rickard, of Montreal; Mr. and Mrs. E. A. Healy, of Richmond; Mr. and Mrs. E. J. Newell and Mr. and Mrs. Gordon Healy, of Richmond; Mr. and Mrs. S. L. Fowler, of Lennoxville; Mrs. J. Dunn, of Montreal; Mr. and Mrs. C. Chamberlain and Mrs. Hancy and daughter, of Newport, Vt., besides a large number from Bethany, Valcourt, St. Mary's, Tremholville, Richmond, Melbourne and Kingsbury.

The bearers were the five sons and son-in-law, Mr. and Mrs. E. L. Lang, who lovingly carried their mother to her last resting place in the United Cemetery.

MRS. JULIA AURILLA THAYER, FITCH BAY. Fitch Bay, June 26.—There passed away at her home, Fitch Bay, Mrs. Annie Rollston on June 25th, a well-known and much respected resident for nearly sixty years of this community in the person of Mrs. Aurilla Thayer, nee Fitch, who died at the age of 84.

The funeral was held at the Rollston home on Monday, June 10, Rev. B. Watson officiating. The house was filled with a large number of relatives and friends who had met to pay their last tribute of respect to the late Mrs. Thayer. The church sang three favorite hymns, "Safe in the Arms of Jesus," "Peace, Perfect Peace" and "Rock of Ages." In his brief address Mr. Watson paid a touching tribute of respect to the character and life of the deceased.

The bearers were Messrs. J. H. Simcock, Arthur Gothrop, William Young and Hiram Brevoort. The interment took place in the family lot in Apple Grove Cemetery beside her husband, the late Ira Thayer, who passed away on October 2, 1924.

Mrs. Thayer, who was born in Mansonsville, leaves to mourn her death her daughter, Mrs. Rollston; one son, Charles Thayer, also an adopted son, Walter Thayer, of Manchester, N.H.; another son, James Thayer, passed on a few years ago. She also leaves ten grandchildren and four great grandchildren, five brothers and three sisters.

Among those from out-of-town present were Mr. and Mrs. Rufus Brown, Mr. and Mrs. Eben Brown, Mrs. Cora Morse, Mr. Jonah Brown, of Newport, Vt.; Mr. Henry Thayer, Mr. and Mrs. Harry Thayer, of Coventry, Vt.; Mr. and Mrs. Charles H. Thayer, Mr. and Mrs. Bert Thayer, Wallace E. Thayer, of Mansonsville; Mrs. Claude Thayer, Misses Alice and Nora Thayer, of Magog; Mrs. Bessie Brown, Mrs. Roy Brown and daughter, of Vale; Mr. and Mrs. Walter E. Thayer, of Manchester, N.H.

There was a profusion of beautiful flowers.

WEST SHEFFORD AND VICINITY GENERAL NOTES

Annual Confirmation Service Held at West Shefford Anglican Church—Other Items of General Interest from District.

West Shefford, June 26.—Rev. John Farthing, Bishop of Montreal, paid his annual visit to the parish of St. John's, West Shefford, last week. Evensong was said by Rev. M. Lidstone, B.D., rector of Granby. The Bishop congratulated those responsible for the excellent state of affairs in the parish. He gave a very practical sermon on "Talents" stressing the fact that what one does not use is not good for anyone. Life is meant to be expressed in terms of service and love. With the ringing challenge to dedicate themselves to Christian Service a very helpful service concluded with the Episcopal Benediction.

During the Bishop's stay in Shefford, he was entertained at the home of Mr. and Mrs. F. Vincent Hayes. On Wednesday afternoon he left for the parish of Foster.

In the parish Church of St. John's Rev. E. F. Macklin performed the office of baptism for Michael Edward Charles, infant son of Mr. and Mrs. Albert Collier.

Additional improvements are being effected, the residence of Mr. Walter Taylor.

Miss Patricia Campbell was a guest for a few days of Mr. and Mrs. M. Campbell.

MacFAYDEN TOOK PIRATES INTO CAMP HANDILY

Boston Pitcher, Seeking to Regain Former Prestige, Limited Pittsburgh to Eight Scattered Hits Yesterday — Giants and Cubs Divided a Double-Header.

Perhaps it was nostalgia that caused the decline of pitcher Danny "Deacon" MacFayden. At any rate since he returned to Beantown with the Boston Braves he has taken a new lease on life and bolstered his sagging mound record.

MacFayden first went up with the Boston Red Sox in 1926 in 1931 he won sixteen games and lost twelve and so impressed the New York Yankees' management that they gave Henry Johnson, Ivy Andrews and a considerable sum of money for him. When he left Boston he left his pitching effectiveness behind.

He had lost two and won but a single game when he joined the Braves on June 13. Since then he has won three and lost two. Yesterday he turned in a sterling victory over the second-place Pittsburgh Pirates, holding them to eight scattered hits and two runs while his mates ran up a total of seven tallies.

A five-hit barrage which netted three runs in the opening inning, followed by three more tallies in the third frame, gave southpaw Ralph Birkofer to the showers and brought Waite Hoyt into the game. Hoyt stopped the Braves effectively for the balance of the game, holding them to six hits and one run.

The New York Giants and the Chicago Cubs divided a double-header with the Giants winning the first game by three to two in ten innings and dropping the second fixture by ten to two after Charlie Grimm, of the Cubs, had exhausted his managerial strategy, using eighteen men.

The opening act was an exhibition of fine pitching by Clyde Castelman and Larry French plus some timely hitting in the late innings. Castelman limited the Cubs to seven hits, while his mates punched French's deliveries for thirteen safeties. The nightcap was pretty much a give-and-take affair with the Giants holding a five-four lead going into the eighth chapter. Carl Hubbell showed signs of wavering when Gabby Hartnett led off with a single. Before the inning was over Manager Bill Terry called in Stout, Smith, Gabler and Fitzsimmons from the bullpen, while Grimm used three pinch-hitters and two pinch-runners.

Paul Dean came back to break his three-game losing streak by pitching the third game to a six to four victory over the Brooklyn Dodgers. Driven from the mound in the first inning on Monday, Dean returned and held the Dodgers to seven hits, three of which were collected by Jim Bucher. Van Mungo allowed the world champions eight safe blows and struck out seven while Dean was fanning five.

Elyvester Johnson limited Cincinnati to eight hits to give the Phils a ten to one victory over the Reds in the other National League game. The Phils outdid three Cincinnati pitchers for fourteen hits to end a five-game losing streak. It was Johnson's sixth triumph of the year against two defeats.

In the American League the Cleveland Indians staged a two-run rally in the ninth stanza to defeat the New York Yankees by five to four and reduce the league leaders' margin to three games. The Indians were out-hit by two to one, the Yankees getting to Mel Harder for twelve hits while Johnny Allen was yielding only six safeties. Cleveland's veteran right-hander kept the blows well spaced except in the first chapter when the New Yorkers bunched four hits to score three of their runs.

The Washington Senators took to the offerings of Lynwood "Schoolboy" Rowe like a duck to water and hammered the big right-hander for eleven hits to defeat Detroit by seven to four. The Nats scored all their runs off Rowe, registering three points in the third inning and four in the fifth frame. They rapped him for four doubles and a triple in addition to Schultz's homer with a runner on. Elton Hoggsett kept the Senators well in check for the last four innings.

IRISH ACADEMY PICNIC PROVED GRAND SUCCESS

Seventy-Nine Students of St. Patrick's Academy Enjoyed Outing Sponsored by Old Boys' Association at Wright's Beach Yesterday.

Tired limbs, sunburned backs, faces, arms and legs, and the customary stomach aches were the not-too-pleasant memories seventy-nine students of St. Patrick's Academy retained of the picnic they attended yesterday at Wright's Beach, Magog. It was a weary but happy gathering of youngsters when crawling into bed last night after taking full advantage of the outing sponsored by the Old Boys' Association. They had enjoyed themselves to the utmost and were quite satisfied to call it a day when the time came to start the homeward journey.

Favored by perfect weather, the pupils found Wright's Beach a delightful spot for the day's recreation. During the day they played games, participated in races and splashed in the water under the watchful eyes of the Old Boys and members of the Academy teaching staff. Free ice cream and soft drinks were served with the lunches the boys brought, and many found that the spirit was willing but that the flesh was weak from overeating when the time for the athletic events arrived.

Valuable prizes were offered for the various events which resulted as follows:
Boys eight years and under:
30-yard dash: 1 John Walsh, 2 Neil Stewart. Three-legged race, John Walsh and Bobbie Marois. Wheelbarrow race, J. Barlow and B. Dupont. Potato race, J. Barlow and G. Marois.

Boys twelve years and under:
50-yard dash: 1 R. Chilvers, 2 J. Unsworth. Three-legged race, H. Veilleux and G. Lary. Wheelbarrow race, G. Irwin and L. Lebrun.
Boys fourteen years and under:
75-yard dash: 1 E. Udall, 2 G. Gendron. Shot put, 1 H. Blue, 2 G. Lary. Swimming race 1 E. Udall, 2 R. Rousseau. Wheelbarrow race, E. Blue and H. Morgan.

Boys sixteen years and under:
100-yard dash: 1 C. Vincent, 2 M. Grigsby. 220-yard dash, 1 C. Vincent, 2 M. Grigsby. Shot put, 1 V. Murphy, 2 M. Grigsby. Swimming race, 1 M. Grigsby, 2 E. Udall.
Senior boys:
100-yard dash: 1 S. Gunning, A. G. Smith. 220-yard dash, 1 S. Gunning, 2 G. Smith. Shot put, 1 B. Veilleux, 2 G. Smith. Swimming race, 1 G. Smith, 2 S. Gunning.

A special prize was awarded to Maurice Foucault, a crippled youngster who has been one of the most ardent supporters of athletic activities in which the Academy takes part. In presenting the prize it was mentioned that young Foucault had been a constant attendant at all hockey and rugby games played by the Academy and had contributed his support to every athletic movement.

Among those who were in charge of the boys yesterday were Rev. Brothers Benedict, Feim and Stanislaus and John Simms, Bill Steele, Austin Workman, Eddie Wolfe, Frank Kenalty, Tom Bonner, Paul McMahon, Ray Olivier, Howard Simms, Buster Olivier, Harold Shields and many others.

PHILADELPHIA GIANTS HERE FOR EXHIBITION
Anxious to maintain their present form by practicing faithfully in preparation for their league game in Sores on Sunday, the Sherbrooke nine will clash with the Philadelphia Colored Giants on the Park avenue diamond tomorrow evening. The Giants, a "colorful" and comical aggregation, can always be counted on to provide plenty of spice for the spectators, particularly in their infield practice.

Paul Drapeau will not be available for duty in right field, his twisted ankle still causing him considerable pain. It is understood that the local management is negotiating for another local player to fill Drapeau's berth until the hard-hitting outfielder returns. In order to rest Sarto Roy and "Nippy" Joyce for next Sunday, it is probable that "Babe" Camire will be sent to the mound against the darkies.

YESTERDAY'S STARS
Hank Leiber, Giants, and Billy Herman and Augie Galan, Cubs: Leiber's tenth inning single gave the Giants the first game. Herman and Galan drove in six runs with seven hits in the second.

Danny MacFayden, Braves: Checked Pirates with eight hits and two runs in the tenth inning.
Bill Delancey, Cards: His home run drove in deciding tallies against Brooklyn.

Hal Trosky, Indians: Tripled in the ninth inning to drive in tying run and then walked home with deciding tally against the Yankees.
Jimmy Wilson, Phillies: Led attack on Reds with a double and two singles, driving in three runs.
John Stone, Senators: Found Detroit pitching for a double and two singles.

COTTON STARTS DEFENCE WITH SUB-PAR ROUND

British Open Golf Champion, Who Shared Leadership of Qualifying Round, Produced Four-Under-Par Card Over Rain and Wind-Swept Muirfield Course Today.

Muirfield, Scotland, June 26.—Henry Cotton, the twenty-eight-old British professional, started defence of the British open golf championship today with a four-under-par sixty-eight over the wind and rain-swept Muirfield course.

Cotton's sixty-eight, fashioned from nines of thirty-three and thirty-five, tied Bobby Jones and Walter Hagen for the second lowest score ever made in the first round of the championship. Hagen had first rounds of sixty-eight in 1923 and 1933 and Jones turned the trick in 1927. The all-time first round low was turned in by Cotton a year ago when he shot Royal St. George's in sixty-seven.

The defending champion's par-shattering performance gave him a lead of three strokes over his closest pursuer, P. M. Branch, another British pro, who carded nines of thirty-six and thirty-five for a seventy-one—one under par. Both were among the early starters.

Cotton played the first four holes in a cold dreeze and the last four in a downpour of rain. His round, in view of the adverse conditions, ranks as one of the most remarkable ever played in the history of the tournament.

The rainfall on the last few holes appeared to affect his grip but he pulled his drive badly off line. Even then he might have saved a four but the fact that he tried to get too much distance from the bunker caused him to top the shot and the ball hit the front bank of the trap and stayed in. He finally produced a six on the last hole.

With more than half the field accounted for the wave of low scoring started by Cotton had produced ten rounds of par or better. Tied with Cotton for second place at seventy were Eric McRivie, the twenty-five-year-old British Walker Cup player, and the veteran Alf Padgham, who finished third last year. P. J. Mahon, of Ireland, joined the bracket at seventy-one and Eric Green, Bert Gadd and the formidable Percy Allis came in with seventy-two.

After being eleven strokes over par for sixteen holes, Joe Kirkwood, the trick-shot artist from Chicago, tore up his card and withdrew from the tournament. British shotmakers took command of the situation as the qualifying round was completed yesterday. Cotton, who registered a dazzling victory to win the title a year ago, again demonstrated his class. He tied with a young competitor, Richard Burton, for the medal in the qualifying competition at 141.

Shooting a two-under-par seventy over Gullane to add to Monday's seventy-one at Muirfield, where the championship proper started today, the champion justified four-to-one odds placed against him by many bookmakers. The twenty-seven year old Burton's successive rounds of 70-71, the former at Muirfield on Monday being a new course record, permitted him to share honors with the defending champion.

The field was cut from 250 to one hundred for the championship route of seventy-two holes. Amateur honors were carried off by young Hector Thompson, the 1934 Irish champion, who produced a fine seventy over Gullane yesterday for a total of 144. Jock McLean, Scottish amateur title holder, got under the wire with 74-76—150.

The veteran Macdonald Smith finished in a tie for third place with Jack Bueson, a young British Ryder Cup team hopeful. They were a narrow squeeze. His rounds of 78-74 for an aggregate of 152 was only one stroke under the qualifying limit.

CHALLENGE IS MADE AGAINST JEAN BOROTRA

"Bouncing Basque" of French Tennis Fame Challenged to Engagement on Field of Honor by Paris Sports Writer.

Paris, June 26.—A challenge to an engagement on the field of honor was flung today at Jean Borotra, "Bouncing Basque" of French tennis fame.

Didier Pulain, sports writer for the newspaper Auto, issued the call to arms to Paris' favorite tennis player, just as the capital's favorite politician, Joseph Chiappe, prepared peaceful settlement of another projected duel.

The proposed encounter between Chiappe, president of the Paris Municipal Council, and his predecessor, Pierre Godin, was expected to be called off because of "insufficient grounds." Chiappe, former Paris police prefect, challenged Godin because of criticism of his police administration.

Borotra and Pulain have been engaging in a war of words in Paris newspapers, and Pulain accused the tennis star of insulting him in the columns of the writer's own newspaper. Pulain charged Borotra with "letting down France" by declining to play singles in the Davis Cup competition, and sent his seconds to Wimbledon, where the "Bouncing Basque" continued on page 4.

LOUIS KNOCKED GIANT ITALIAN INTO OBLIVION

Twenty-One Year Old Detroit Boxer Scored Spectacular Six-Round Knockout Over Primo Carnera and Ended Italian's Career as Factor in Heavyweight Picture.

New York, June 26.—The ringing echoes of the fistic dynamite set off by Joe Louis in the midst of the greatest fight crowd in five years reverberated today with the conviction that the "Brown Bomber" is well on the road to becoming one of the greatest heavyweight punchers the world has produced.

The twenty-one year old Detroit negro, who signaled his metropolitan debut by scoring a spectacular six-round knockout victory over giant Primo Carnera last night in the Yankee Stadium, unquestionably stamped himself the biggest drawing card pugilism has developed since the boom days of Jack Dempsey's prime.

In a setting reminiscent of the fight game's blindest days, with a crowd of 60,000 yelling with old-time lustiness for the "kill," Louis slugged the 260-pound Italian into a helpless, tottering mass and justified the gaudiest predictions of his backers.

Carnera was knocked down three times for short counts—four, four and three seconds—before Referee Arthur Donovan stopped the fight with only twenty-eight seconds of the sixth round left.

The defenceless giant was bleeding from the mouth and was thoroughly shell-shocked at the end of a one-sided match. It undoubtedly marked the end of Primo's career as a factor in the heavyweight picture.

Promoter Mike Jacobs, one-time associate of Tex Rickard, promptly announced Louis will be matched with Max Baer, former heavyweight champion, in New York this fall. Louis told Jacobs he would be willing to fight once a month. The promoter said he would seek a match in late July or early August.

The fight world acclaimed the sensational negro youth as the latest successor to such dusky greats as Peter Jackson, Sam Langford and Jack Johnson, only negro to hold the world heavyweight title and a witness to the triumph of the "Chocolate Clouter" last night.

James J. Braddock, newly crowned king of the heavies, also was a spectator. It remains to be seen whether the "Brown Bomber" fights his way to the position of logical contender by the time Braddock is willing to consider title defence, some time next year.

The gross receipts, \$340,000, fell below expectations, but marked a new high for a non-title match in the last five years. They far surpass the "gate" for the Baer-Braddock championship bout. The net receipts were set at \$277,000.

Not since Jack Sharkey and Max Schmeling fought for the heavyweight title in the same ring in 1930 has there been such an outpouring of the faithful. No non-title match has challenged last night's card in attendance since Jack Dempsey, in his comeback, knocked out Sharkey in the Stadium in 1927. The gate receipts that night ran over \$1,000,000.

A beautiful clear summer night provided a perfect background for the huge crowd. The fact that Louis lacked 64-1-2 pounds of Carnera's left scaling only 196 to Primo's 260-1-2, dampened the enthusiasm of the Detroit youngster's supporters not at all. After a brief period of wavering yesterday afternoon, when Louis looked woefully small beside the former champion, the odds on him rose again and he stood an eight to five favorite as the programme opened.

Celebrities crowded close to the ringside. The usual quota of state, screen and stage stars, and the former champions, Gene Tunney, Jack Dempsey and Max Baer, arrived at propitious moments. Baer took a verbal beating from the bleacher fans that was almost as bad as the physical trouncing Jim Braddock administered in the Garden Bowl nearly two weeks ago.

NO PROTEST FROM EITHER CAMP OVER OUTCOME
New York, June 26.—Here is what the fighters had to say after Joe Louis, the "Detroit Bomber," had knocked out Primo Carnera in six rounds at the Yankee Stadium last night:
Carnera: "He hits harder than Maxie Baer. He is the hardest hitter I ever met. His rights hurt every time they landed. He is a good boy and some day he may be champion."

Louis: "Carnera did not hurt me. His left bothered me some, but not much, I was just waiting for a spot."

NOTED BRITISH SPORTSMAN HAD COLORFUL LIFE

Probably No Other Person During Last Hundred Years Had More Adventures and Hairbreadth Escapes than Sir Claude Champion de Crespigny, Who Died Today at Age of Eighty-Eight

London, June 26.—Sir Claude Champion de Crespigny, famous sportsman, died today at his home in Maldon, Essex, at the age of eighty-eight years.

Probably no British sportsman during the last one hundred years had more adventures and hairbreadth escapes in all parts of the world. The description once applied to him of "a modern d'Artagnan" seems inadequate.

In India he got into and out of the coils of a python. On another occasion he shot and wounded a tiger that had trapped him in the jungle.

In East Africa he killed a charging rhinoceros by breaking its neck at a distance of two paces with a soft-nosed bullet. He was the only European who ever swam the narrow channel between the islands of the Mishaps were many. He broke both legs in a balloon accident. On the hunting field he broke his arms three times, and his ribs three times in stepple-chasing. His fingers were broken several times in boxing. All this he regarded as a small price for gratifying his passion for hazardous adventure.

At the age of seventy-three he challenged his cousin, Lord Kenyon, to a duel with any weapons he liked. Lord Kenyon refused to take the matter seriously. Sir Claude celebrated his eighty-fourth birthday by taking a somersault dive from a height of thirty feet into icy water.

Her Ladyship, who died in February, at the age of eighty-five, was almost as daring and certainly as charming and witty as her husband.

Sir Claude's ancestors were crusaders and Champions of the Dukes of Normandy. In youth he served both in the navy and the 60th Rifles. Then he became a newspaper correspondent, covering engagements up the Nile in 1889, in South Africa during the Boer War and then in British East Africa.

Champion Lodge, the gracious manor house where he lived, was filled with armor and books on chivalry—a truly appropriate setting for the passing of one whose record of daring achievement could compare with any of the knights of old.

I told my managers after the fourth round that if I did not finish him in the fifth I would in the sixth, I did."

AL-NIGHT CELEBRATION IN HARLEM FOLLOWS VICTORY
New York, June 25.—Harlem, crooning Hallelujahs for Joe Louis, at dawn today was a happy picnic ground of fried chicken and two-bit gin.

Louis' victory over Primo Carnera started a celebration that danced past sun-up under the watchful eyes of a blue-coated policeman at every corner of Lenox avenue.

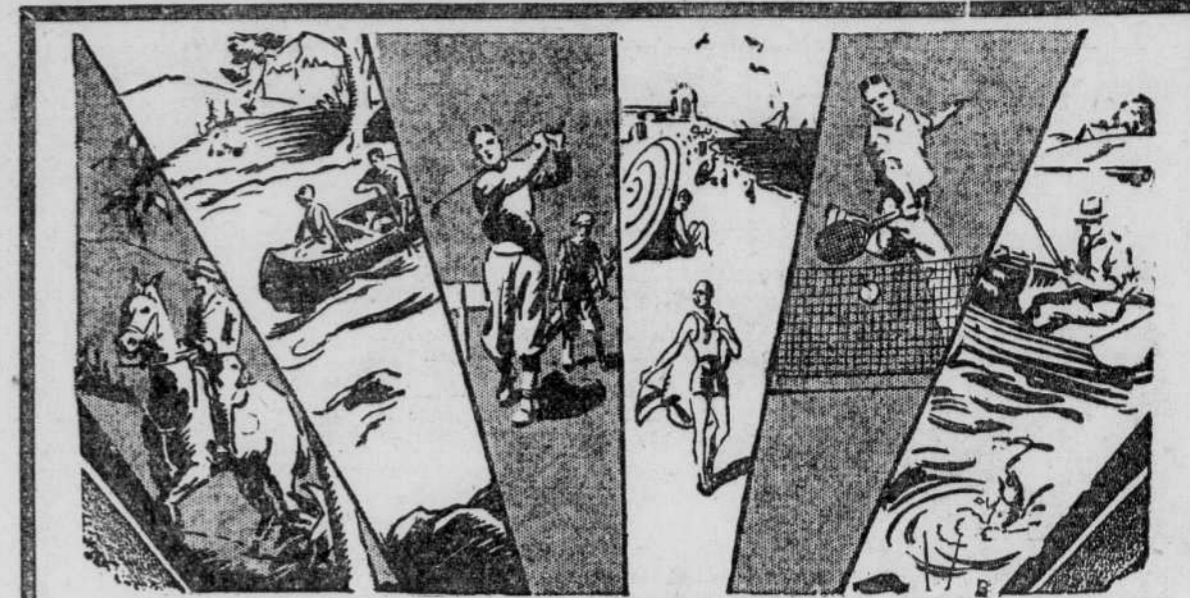

The negro sho' goin' to town, all right! Newt said as he greeted Harlemites and Louis' Detroit friends at his breakfast dance emporium—one of many such places.

The Detroit friends flaunted resplendent gold badges modestly attached to wide blue ribbons bearing the legend: "Joe Louis' Boosters Club of Detroit."

The negro maids, chauffeurs, laundresses, chorus girls, bellhops and other inhabitants of the 125th street neighborhood must have felt confident from the start of the fight at Yankee Stadium.

Jack Johnson was there, dazzling in his chocolate-hued sport jacket and wide-brimmed Panama hat. He was greeted with a clack-clack of palms that sounded like the rhythmic staccato of bones at a Saturday night social.

Coming all the way from Hollywood movie studios, Bill Robinson, unofficial mayor of Harlem, keeper of Lenox avenue's good luck tree and king of dancers, was the first man to leap into the ring after the fight and shake Louis' hand.
