Convent Fire Claims Three Lives - Premier King Returns Home

Giant Dirigible Early Today Bid Farewell To U.S.

Graf Zeppelin today headed its nose into breaking dawn and toward its distant hangar at Friedrichshafen, Germany—After speedy trip up coast from Naval Air Station at Lakehurst, N.J., dirigible left land behind as it flew swiftly over Nantucket Sound—Aboard were three score men, including three officers of United States Navy, one woman and a little cargo of freight—Was flying at an altitude of about 1,600 feet and travelling at a speed of eighty miles an hour when last seen from land.

(Associated Press Despatch)
GREAT POINT, Nantucket Island, Mass., Oct. 29.—The Graf Zeppelin, greatest ship that ever rode the air, bade farewell to the United States, which for fourteen days had been its host, and headed its nose into the breaking dawn and toward its distant hangar at Friedrichshafen, Germany, at 6:05 o'clock this morning.

After a speedy trip up the coast from the naval air station at Lakehurst, N.J., the dirigible left land behind as it flew swiftly over Nantucket Sound, nearly midway between Great Point Light, on the island, and Monomoy Light, on the long spur which juts out from the southeastern tip of Cape Cod.

Aboard were three score men, including three officers of the United States navy, one woman and a variegated cargo of freight. After having hugged the coast line since it quit the air station, the zeppelin struck boldly out to sea, heading southeast.

TRAVELLING AT SPEED OF EIGHTY MILES AN HOUR

A group of early hunters, who with the lighthouse keepers glimpsed the big ship, estimated it was making close to eighty miles an hour and that it was flying at an altitude of about 1,600 feet.

The groups on either side of Nantucket Sound were not the last to see the giant craft. The honor went to Eugene Larsen, keeper of the lonely Santaky Light, the first beacon sighted by incoming trans-Atlantic liners.

SOON HEADED ITS NOSE TOWARD FRIEDRICHSHAFEN

The zeppelin was reported over lower Manhattan at 3:15 a.m., and from that time until it left the mainland there were but brief intervals when those on shore were out of sight or sound of its progress.

It held its course over Long Island Sound and then picked up the Rhode Island shore. A few minutes later it was steering a course over Vineyard Sound and for a short time it appeared as if it might head northeast for Provincetown. But it soon straightened out, picking up its bearings, and held east until it had passed through.

PASSENGERS BUNDLED ABOARD, CHATTING FEVERISHLY AND GRINNING, WITH APPARENT DESPERATION IN SMILES

(Associated Press Despatch)
NAVAL AIR STATION, Lakehurst, N. J., Oct. 29.—The German dirigible Graf Zeppelin, imprisoned for days by contrary winds heaved off its bonds early today and headed back for its home port at Friedrichshafen, Germany. It left at 6:05 a.m.

All day yesterday departure of the zeppelin on its return flight had remained in doubt. Zero hour for the ground crew of sailors who have been in constant attendance on the great ship since its arrival from Europe two weeks ago today was first set for five o'clock in the afternoon and then advanced to midnight. But even then no one seemed really to believe that the ship would leave. But midnight came and action followed with breathless swiftness.

The passengers were bundled aboard, chatting feverishly and grinning with something of desperation in their smiles. The ground crew, more than three hundred sailors trained to such events by frequent handling of the Los Angeles, marched to their posts and grasped the air monster as unceremoniously as a mother pushes a baby carriage. The great east doors of the hangar ground open on their tracks and the night wafted into the hangar with its invitation of limitless space to be traversed by those who dare.

An officer barked a terse command. The great ship stirred through its whole length of 718 feet, its 111 tons of weight seemed to heave and rise. It was like a giant sighing at the thought of activity expected of him, activity that cannot be postponed.

Out of the hangar the sailors walked the Graf Zeppelin. At 1:35 the Graf Zeppelin was clear of the hangar, and so had passed one of the most perilous moments of any flight. For one of the greatest dangers is the possibility of some errant gust of wind pushing the ship against the hangar walls and ripping its silver flanks against the steel bulkheads.

Out in the night the zeppelin was a great black monster with a tin of silver down its back where the moon struck. It twisted toward the north and moved ponderously, under the sailors' expert guidance, to a hollow far enough from the hangar so that there would be no danger of being blown against the towering steel structure. And then

SALUTE FIRED ON BIRTHDAY OF REPUBLIC

Ten Years Ago Yesterday Since Czechoslovakian Republic Entered into Family of Nations—Have Decided to Have Jewish Bible Translated into Czech Language.

(Associated Press Despatch)
PRAGUE, Czechoslovakia, Oct. 29.—One hundred cannon thundered forth yesterday from the Prague garrison to announce the tenth birthday of the Czechoslovakian Republic which came into the family of nations on October 21, 1918. All the big financial, commercial and civic institutions throughout the country have contributed and co-operated with citizens to make it one of the greatest in the history of the young republic.

To commemorate the tenth anniversary in behalf of Czech Jews, the supreme head of Jewish communities has decided to translate the Jewish Bible, or Torah, into the Czech language—the first time in the history of the world that such a translation has been attempted.

BRIG-GEN. McQUIGG DEAD

CLEVELAND, Ohio, Oct. 29.—Brigadier-General John R. McQuigg, 62, commander of the 112th Engineers, 37th Division, during the Great War, and national commander of the American Legion in 1925, died last night.

Canada Best Country In World Said Premier King In Interview Yesterday

Hon. W. L. Mackenzie King Tells of High Regard Held for Dominion—Returns With Pride in Native Land Enhanced—Most Prosperous and Happy of All—Europe Back to Normal.

(Canadian Press Despatch)
QUEBEC, Oct. 29.—Nothing brings the realization to a Canadian of the fact that he is a citizen of the finest country in the world than a trip abroad, was a note which the Rt. Hon. W. L. Mackenzie King sounded as the Empress of Scotland of the C. P. R. steamship services, moved up the St. Lawrence to dock at Quebec.

"Never felt better in my life," declared the Premier as he paced up and down the deck of the liner, chatting to the newspapermen who had met the ship at Father Point. He talked enthusiastically of the place which Canada has acquired amongst the nations of the world. Asked as to the possible entry of the United States into the League, the Premier said that the idea of the nations is to leave the matter to the United States.

Lord Beaverbrook Tells Foreign Office To Look To Dominions—Voting In Bye-Election

Voters in Ashton-Under-Tyne Went to Polls Today to Elect a Successor in House of Commons to C. W. Homan, Conservative, Who Was Disqualified for Failure to Comply With Regulations Regarding Bankruptcy.

(Canadian Press Despatch)
ASHTON, Lancashire, Oct. 29.—Voters in Ashton-Under-Tyne went to the polls today to elect a successor in the House of Commons to C. W. Homan, Conservative, who was disqualified for failure to comply with the House regulations regarding bankruptcy. The candidates were Gordon Touche, Conservative; N. Gilbert Greenwood, Liberal, and Albert Bellamy, Labor.

Lord Beaverbrook assisted to fire the last shot in the hectic campaign, describing Ashton as "the corner stone of the Empire, where in 1910 Andrew Bonar Law came to hoist the flag of Imperial tariff reform." Lord Beaverbrook was elected to parliament from Ashton when as Max Aiken he first came to reside in England, representing the constituency from 1910 to 1917.

Replies to Lloyd George. The Canadian born newspaper magnate was speaking at a meeting on behalf of Touche. He said Lloyd George had asked him whether he believed the survival of the Liberal party was essential to the well-being of the nation. "I answered that the survival of the Liberal party is essential to the well-being of the nation, but Lloyd George cannot ask Ashton to take on its shoulders the survival of that party," said Lord Beaverbrook.

"The people here are not tied to any party, but make the policy for the party and will make the policy for the Conservative party."

Lord Beaverbrook continued that Lloyd George had also asked whether he was still of the same opinion about the foreign policy of Britain.

Foreign Policy. "If Lloyd George means do I approve of an alliance or entente with France, I answer him at once that I do nothing of the sort," Lord Beaverbrook declared. "Nor do I approve the foreign policy of the Socialist party under MacDonald when he proposed to make an alliance with Russia. If I had to make a choice between the two I should choose the God fearing people of France, but I imagine I speak to all electors of Ashton when I tell the foreign office to turn and look to the Dominions. The Liberals and Socialists have turned their backs to the Empire."

The vote in the 1924 election was 8,971 for Homan, Conservative; 7,451 for C. L. Malone, Labor, and 6,292 for H. T. Greenwood, Liberal.

A BIG RECEPTION TO PREMIER KING AND PARTY AT QUEBEC

Rt. Hon. W. L. Mackenzie King Returns Home After Absence of Nearly Three Months in Europe, Where He Preached Gospel of Peace on Earth, Good Will Towards Men.

(Canadian Press Despatch)
QUEBEC, Oct. 29.—Canada's Prime Minister, Rt. Hon. W. L. Mackenzie King, returned home Saturday night after an absence of nearly three months in Europe where he preached the gospel of the peace on earth and goodwill to men. Around the conference table at Geneva he spoke of the practical working out of disarmament on this continent, of the racial concord existing in Canada and the preservation of the rights of minorities. The message he took to the Old World was that disarmament not only is the secret of peace, but is the secret also of prosperity, and that, he said, is the lesson the countries of Europe have to learn.

The Hon. Mr. King attributed prosperity in the United States and Canada to the fact that these countries are settling their differences

COLUMBIA IN READINESS FOR OVERSEAS HOP

Destination Unknown, But This Morning Famous Trans-Atlantic Monoplane Was Pronounced "Ready to Go."

(Associated Press Despatch)
LOS VELL, FIELD, N.Y., Oct. 29.—The trans-Atlantic monoplane Columbia last night was posed for an overseas hop, destination unannounced.

The Columbia was reconditioned in just eight working days following her recent crash in an attempt to fly to Rome.

The Columbia was pronounced "ready to go" by her owner, Charles A. Levine, yesterday, as he supervised the loading of 200 gallons of high test gas. Another 300 gallons will be placed aboard early today and the take-off then will be dependent only upon the weather.

Roger Q. Williams, pilot, and Pietro Bonelli, navigator, who will seek a new distance and endurance mark in the Columbia, agreed the hop would not be made until Tuesday or Wednesday.

are spending their money in the development of industry by reason rather than force, and in the building up of competing armies and navies.

Large Crowd at Dock.

The Prime Minister was accompanied by the Hon. Raoul Dandurand, Government Leader in the Senate, and Hon. Charles A. Dunning, Minister of Railways and Canals, who went with him to Europe. They returned on board the C. P. R. liner Express of France, and were accorded a most cordial reception by the great ship sailed to her anchorage, and was brought alongside by the tugs. At the landing stages awaiting the returning statement were Hon. Ernest LaPointe, Minister of Justice, and acting Prime Minister during Mr. King's absence in Europe; Hon. Lucien Cannon, Solicitor-General of Canada; Hon. L. A. Taschereau, Prime Minister of Quebec, members of the Government of Quebec and of the Dominion Parliament and the Legislature of Quebec.

Supporting them were some two thousand citizens of the Ancient Capital and students at Laval University who sang chansons as the "Empress" was being towed to the quayside. From the deck of the liner Premier King and his colleagues acknowledged the acclaim of people ashore and after waiting aboard for the official reception committee, with whom they exchanged handshakes and greetings, they disembarked amid roars of welcome from the populace.

Glad To Be Back In Canada.

There was no mistaking the fact that they were glad to set foot again on Canadian soil. Mr. King spoke of a concert on board the ship and said nothing moved him more than the words of the old song, "Home Sweet Home."

The welcome at the dock was only the preliminary. The real welcome came yesterday afternoon at a great demonstration in the armories where the Prime Minister and his colleagues were greeted by a crowd of four or five thousand people. It was at this gathering that the Hon. Mr. King spoke of the mission of himself and colleagues overseas. It was at this meeting that

LORD ALLENBY PAYS VISIT TO WASHINGTON

He and Lady Allenby Lunched With Hon. and Mrs. Vincent Massey at Canada House—Are Spending Some Time With Old Friends.

(Associated Press Despatch)
WASHINGTON, Oct. 29.—Field Marshal Viscount Allenby paid a visit to Canadian soil yesterday when he lunched with Hon. Vincent Massey and Mrs. Massey at Canada House. The famous British campaigner and Lady Allenby paying a brief visit to Washington have been entertained by military officers and were received at the White House by President and Mrs. Coolidge.

A cosmopolitan group which assembled at luncheon at Canadian Legation included Belgian ambassador, Prince de Ligne, and Princess de Ligne, Hon. Andrew Melon, secretary of the treasury, Princess Candace, of Washington, Sir John Hanbury Williams, of London, Sir Edmund Lutiens, famous British architect, Mr. and Mrs. Sampson Garey, of Washington, the Irish Free State Minister, Dr. Timothy, Ronald Campbell, first secretary of the Canadian Legation, W. D. Herridge, of Ottawa, Mr. and Mrs. Shepherdson, of New York, Mrs. Clarence Wilson, Miss Wilson, Mrs. Henning Jennings, of Washington.

The Allenbys are staying awhile in Washington with the Sampson Garays, who are old friends of Field Marshal Allenby's in Egypt.

GERMANY TO COMMUNICATE WITH OTHER GOVERNMENTS

(Associated Press Despatch)
BERLIN, Oct. 29.—Instructions were issued yesterday to the German diplomatic representative in Paris, London, Rome, Brussels and Tokyo to communicate verbally to the governments concerned, the conditions under which Germany hopes the projected conference of reparations experts may be successfully conducted. The German embassy at Washington will appraise the United States Government of the progress of these steps.

King Asked To Settle Controversy Between Jews And Mohammedans Over 'Wailing Wall'

Leading Hebrew Daily Proposes that Solution of Question Be Entrusted to Commission of Two Jews and Two Arabs, With Viscount Robert Cecil as Chairman, Which Would Meet at Geneva.

JERUSALEM, Oct. 29.—The King has been appealed to directly to settle the controversy between the Jews and the Mohammedans over the Wailing Wall. The chairman of the Supreme Moslem Council has cabled to the King a statement that the Jews were trying to take the Mosque of Omar, erected on the site of Solomon's Temple.

Both chief rabbis here have sent to the King a denial of this charge and an appeal to him to use his influence to obtain for them unrestricted right to hold services at the Wailing Wall.

Dayo Hayom, a leading Hebrew daily, proposes that the solution of the question be entrusted to a commission of two Jews and two Arabs, with Viscount Robert Cecil as chairman, which would meet at Geneva.

THREE NUNS LOST LIVES WHEN A CONVENT AT GATINEAU POINT WAS DESTROYED BY FIRE EARLY TODAY

Fire Chief States that Three Victims Were at Head of Fire Escape Screaming for Help When He Arrived—They Did Not Come Down Fire Escape, However, Presumably Because They Were in Their Night Attire, But Re-Entered Blazing Building and Perished—It Is Thought They Were Seeking Their Clothes.

(Canadian Press Despatch)
OTTAWA, Ont., Oct. 29.—Three Sisters of the Grey Nuns of the Cross, a French order of the Roman Catholic Church, met death this morning when a frame convent the order occupied at Gatineau Point, Que., an eastern suburb of Hull, was burned to the ground. Another nun was badly injured and was taken to the hospital.

The three victims had escaped in their night apparel, eye witnesses state, and had returned to get their clothing. They evidently were trapped in the upper storey and fell to their death when the building collapsed.

The dead are: Sister Superior Ste. Cyrille, formerly Miss Ondeline Demers, of St. Nicholas, Que., aged sixty-four years. Sister Annette, formerly Miss Annette Gervais, of Montebello, Que., aged thirty-four years. Sister Margaret Marie, formerly Miss Juliet Huneault, of Hull, aged twenty years.

The Sister who was seriously injured and is in hospital is Sister Rose de la Croix.

VESSEL BADLY DAMAGED BY A LARGE WAVE

Third Officer Suffered Fatal Injuries—Height of Wave Estimated at Between Fifty and Sixty Feet.

(Canadian Press Despatch)
VICTORIA, B.C., Oct. 29.—The ocean transport steamer Choyo Maru limped into port Saturday, the victim of a terrific battering suffered one thousand miles out in the Pacific on October 20th, when a huge wave struck the vessel during a gale and left a mass of wreckage in which third officer T. Miyazaki suffered fatal injuries and five others lesser injuries. A heavy starboard list, her wheel house gone, tackle ripped off and railings and iron work a mass of twisted metal, bore testimony to the severe trial of the vessel, when she tilted at Esquimalt drydock.

The steamer left Port Alberni on October 16th, with a cargo of 5,855,000 board feet of lumber and 1,073 tons of wheat aboard, bound for Osaka, Japan. At eight o'clock on the morning of the 20th, a great wave, estimated at between fifty and sixty feet high, struck the vessel abeam, ripping off the wheel house and shifting the heavy deck load of lumber enough to throw the ship out of trim. The third officer and the injured men were in the wheel house.

The housing on the officers' deck was carried overboard. All tackle was ripped off the derrick booms and five stairways were reduced to splinters. Starboard and port lights were lost, as was the steering gear itself, and other damage was done. By means of rough carpentry, a wooden cross was fitted to the steering wheel post, enabling the ship to steer after a fashion. One compass was found undamaged.

A temporary electric bell was fitted up for communication with the engine room and a canvas and wood structure was raised over the wheel. Thus equipped the Choyo Maru slowly made her way into port.

A SPEEDY TRIP

Speed is one of the essentials of modern business. Nobody can deny that. The salesman regards speed in travel as one of the salient considerations for his success to say nothing of his comfort. The old time story of a week on the road for a run in Ontario that one sometimes hears related is only an amusing tale now. The Canadian Pacific Railway have instituted one of the finest train services between Ottawa, the Capital of the Dominion, and Montreal. The service is noteworthy for comfort and speed. Many are availing themselves of this excellent service for week-end trips to that city, which is regarded as one of the most beautiful in Canada. The Federal Parliament Building tend to it much of the prestige for which it is noted. Any information regarding train rates or schedules can be obtained at Canadian Pacific ticket office or from J. BEWARE THE COUGH OR COLD THAT HANGS ON

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the infected membranes and stop the irritation and inflammation which the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

and a happier, brighter boy. "I have great pleasure in informing you that Kruschen Salts have worked wonders for me. I have been a great sufferer of liver and kidney trouble, and after trying one bottle I am a different woman. I had to give up my work, but thanks to Kruschen Salts I am back at work again, and I give my son a little every morning, and I don't hear of the little complaints now which a child generally gets. He is happier and brighter. I have enclosed a snap-shot of son and self. I am 43 years, boy 6 years. I shall always highly recommend Kruschen, and I would not be without them myself in a hurry." GROVES' BROMO QUININE

Can't sing with a cold

Opera stars, actors, public speakers . . . have you ever noticed how infrequently they seem to have colds?

They just can't afford to be disabled by sniffles and sneezes. At the very first warning symptom—headache, chilliness, soreness in swallowing, tickling dryness in nose or throat—most of them take GROVES' BROMO QUININE.

The result is that their audiences are never disappointed by postponed performances. "The show goes on," as the tonic and laxative benefits of the genuine GROVES' BROMO QUININE tablets help them either to side-step the cold entirely or to throw it off quickly. . . . To be sure you are getting the world's leading cold and grip tablets, emphasize GROVES' when asking for GROVES' BROMO QUININE. Price 30c.

DEFENDANTS IN MEXICAN TRIAL ARE DISCHARGED

Twelve Persons Implicated in Criminal Attempt on Life of President Calles and Military Officer Will Face Court Again.

(Associated Press Despatch) MEXICO CITY, Oct. 29.—Two defendants have been released and ten others held for trial by the district court after a preliminary hearing of charges in connection with a frustrated attempt to poison President Calles and General Alvaro Obregon and the explosion of dynamite bombs in the building of the chamber of deputies and in the Obregon political headquarters. The twelve had been previously discharged from charges of complicity in the assassination of General Obregon, a crime for which Jose de Leon Torral and Mother Superior Concepcion are to face a court soon. Those released were a nun, Josefina Aveledo de Liata, a sister of Mother Superior Concepcion, and Fernando Amor Villapardo. The court found insufficient evidence to warrant their detainer in custody. Among those questioned at the hearing was Maria Eleana Manzano, who was selected to poison president Calles and General Obregon by scratching them with an infected needle while dancing with them. She told the court that the close guarding of the officials prevented her from carrying out the plot.

UNKNOWN PARTY CAUSED DAMAGE AT BIRCHTON

Valuable Steer Belonging to Mr. Charles McMurray Was Found Dead in Pasture—Head Had Been Crushed In, Throat Cut and Carcass Partly Skinned.

(Associated Press Despatch) BIRCHTON, Oct. 29.—Mr. Charles McMurray, a farmer residing on the Government highway, about a mile from this town, yesterday afternoon had the very unpleasant experience of finding the body of one of his four-year-old steers in the pasture, the helpless animal having been brutally killed. The animal's head was crushed by a blow, apparently from an axe, while the throat was cut and the body partly skinned. The animal had been seen at the pasture fence just before dark on Thursday evening. Mr. McMurray has no idea who was responsible for this act, nor can he give any reason for the killing. From all appearances the killing was done on Thursday night, but the party or parties were evidently frightened away before they had finished skinning the animal. This fall Mr. McMurray refused \$125 from cattlemen for this steer.

"TALKIES" NOT LIKED BY BROADWAY QUEEN; LIKES APPLAUSE MUCH BETTER

Texas Guinan Has Been Surrounded by Californian Cameras and Microphones for Several Months—Does Not Care for Hollywood—Too Many Salesmen.

(Associated Press Despatch) CHICAGO, Oct. 29.—The "talkies" may please some folk, but Texas Guinan, Broadway's night club queen, would rather hear the applause that follows her "give the little girl a hand," she said yesterday, when she waved her hands, surrounded by news photographers cameras and microphones, on her way back to the Whoo-

A HAPPY BIRTHDAY after all in spite of the worst an ugly cold could do

ALL the coughing and sneezing that bothered her so yesterday are gone today. She's rid of the ugly little cold that threatened to spoil her birthday party. Best of all, Mother checked her cold externally, without upsetting her digestion as too much "dosing" might have done.

Thanks to this Modern "Outside" Treatment

Now she can enjoy the ice cream and cake with a good appetite and mother can let her little guests assemble without fear of spreading colds all through the neighborhood. And all because, last night at bedtime, she rubbed her daughter's throat and chest with Vicks VapoRub. Its quick double action began right away. Like a gentle but effective poultice, it warmed and stimulated her chest and "drew out" all the tightness and soreness. At the same time, its soothing vapors, released by the warmth of her body, were breathed right in, straight to her nose and throat and lungs, making her comfortable again, helping her to get to sleep. And by morning, the worst of her cold was over.

For all the colds of all the family! VICKS VAPORUB

For Mother and Father, too

MOTHER knows that even little colds are "catching" and that this same quick double action will stop her own colds, or her husband's, from spreading through the family and growing into big ones. Vicks is just as good for adults as it is for children. For free sample, write to Vick Chemical Co., No. 2 Church Street, Greensboro, North Carolina, U. S. A.

NOW OVER 21 MILLION JARS USED YEARLY

For Early Morning Lions

LIONS are not all in Africa. Perhaps you've had an early-morning lion at your breakfast table. Particularly when the constant use of drug stimulants, such as tannin and caffeine, found in certain mealtime beverages, cause fitful, restless sleep. Then comes that grumpy, grouchy, growly hour before and during breakfast. Then nerves, jangled by tannin and caffeine, turn many into early-morning lions.

Tannin and caffeine are harmful. With you these agents may work fast or slow. But, sooner or later, their poisonous effects are certain, sure! Drink Postum. This good family beverage is healthful to body, nerve and brain because there's not a trace of any drug stimulant in it. Postum is an appetizing, satisfying hot drink, instantly made in the cup, at a cost of about half a cent. Or there's Postum Cereal, made by boiling or percolating twenty minutes. Get Postum at your club, restaurant or on the train. Read Carrie Blanchard's generous free offer. Mail the coupon today.

Carrie Blanchard's Offer. I want you to try Postum for thirty days. I want to start you out on your test by giving you your first week's supply (sufficient for 21 cups). It seems to me that it would be a wise plan for mothers, particularly, to think of this test in connection with the health of their families. Will you send me your name and address? Tell me which kind you prefer—Instant Postum, made instantly in the cup, or Postum Cereal (the kind you boil). I'll see that you get the first week's supply right away.

Postum

You know how many children do not like the taste of milk. You know how they like to have the same drink as the "grow-ups." You know, too, how good it is for them to have a hot drink! Make Instant Postum for them, using hot milk (not boiled) instead of boiling water! They'll like the taste immediately! And they'll get the added nourishment of milk in a hot drink that is economical and so easy to make.

MADE PLEA FOR LIFE OF FAITHFUL ACTIVITY
The services at Plymouth Church yesterday were well attended and the sermons delivered were appropriate to the harvest festival. Dr. Read conducted both services and in the evening was assisted by the Rev. Norman Coll, M.A., B.D., secretary of the Young People's Department of the United Church for Eastern Canada and Newfoundland.

At the morning service Dr. Read made a plea for a life of fruitful activity. Taking his text from Ecclesiastes II, "In the morning sow thy seed, and at evening withhold not thy hand", he appealed to the young people of the congregation to undertake a life of service in the morning of life, and to those who had passed beyond life's meidian to make the eventide rich in good works.

In the evening Mr. Coll's sermon was a call to a life of contact with and adventures for Christ. Men were seeking new things in the way of religious thought and activity, but the greatest and most challenging thing had been done by Christ nearly two thousand years ago. He had given men the supreme revelation of life in Himself. Nothing could surpass that, and no one could

come into the realization of the true life apart from Him.

The choral music at both services was very helpful and finely rendered. At the morning service the choir sang the anthem, "Ye Shall Dwell in the Land" (Stainer) with soprano solo by Miss Davey and bass solo by Mr. Whitehead, and in the evening West's anthem, "The Woods and Ever-Set-Smelling Trees", soprano solo by Mrs. W. R. Southgate and tenor solo by Mr. Conrad Jameson. At the morning service Miss Davey sang "With Verdure Clad" (Haydn) and at the evening service Mrs. Alberta Adams sang Vanderwater's composition, "The Lord is My Shepherd".

SLIGHT SNOW FALL HERE THIS MORNING

Sherbrooke was being furnished with another slight snow fall this morning, although it was not sufficient to make any noticeable change and no sooner had the little white flakes reached the ground than they disappeared.

While the weather could not be termed cold, there was nevertheless a decidedly fall-like feeling in the air, which made heavy top coats rather comfortable.

The past week-end was a fairly comfortable one, so far as weather was concerned. Yesterday morning was rather chilly, although not unpleasant. During the early afternoon the sun put in an appearance and warmed up things considerably, but towards evening the feeling was decidedly cold and in the evening there was a cold chiller rain, which in a short time turned to snow.

Weather forecasts for today and tomorrow were mostly fair but cool.

THREE SMALL ACCIDENTS OVER WEEK END

Three small accidents were reported by the authorities of the Sherbrooke Hospital over the week-end.

On Saturday afternoon, George Blandford, 21 Esplanade avenue, received an injury to a finger of his right hand in a fall in the Canadian Connecticut Cotton Mills. On arrival at the Sherbrooke Hospital it was found necessary to amputate the tip. Dr. George Hume performed the operation.

J. P. Dorrbridge, 64b D'Artigne street, Quebec City, was brought to the Sherbrooke Hospital on Saturday afternoon suffering from an injury to his ankle received while playing football in Lennoxville. The exact extent of the injury is not yet known.

Eli Patry, 99a King street west, received a scalp wound and several minor cuts and bruises when he was struck by a car on the Cookshire road, near Lennoxville, yesterday afternoon. The injured man was brought to the Sherbrooke Hospital, where his condition this morning is regarded as favorable.

POST-COMMUNION SERVICE HELD AT ST. ANDREW'S PRESBYTERIAN CHURCH
A Post-Communion service was held in St. Andrew's Presbyterian Church yesterday morning. The minister, Rev. Joseph Corder, preached on "A New Testament Church", text Acts II, "And when the day of Pentecost was fully come they were all with one accord in one place."

The speaker's outline was as follows: They were all present. It was a general assembly, and what was more, every person present was a commissioner. And when Church members of this day realized their great privileges and their consequent responsibility, there would be much better filled churches. They were in the place of the presence. It was the same place in which they had waited and worshipped in the past.

They were there by prescriptive right, for they were carrying out one of Christ's Commands: "carry ye in the city of Jerusalem until ye be ended with power from on high". It is always safest to be just where God wants us to be. It is not enough to sing, "I'll go where you want me to go dear Lord", etc. We must be willing either to go or to stay.

There were there in remembrance of a great promise. That promise that they could be "ended with power from on high". They were there "with one accord". Various motives move men and women to come together in these days. Some people come together to air a grievance, some to criticize or condemn, but the church of tomorrow, the Church that God will bless and use, is the Church in which there is a healthy harmony and a united spirit. They were there in prayer and they prayed prevailing. They "prayed through", and received the blessing. They were "filled with the Holy Spirit". They began to speak. "As the Spirit gave utterance". This world of ours wants the witness of those who have received the Holy Spirit.

IDEAL CONDITION
"How are you getting on with your husband, dear?"
"Oh, splendidly. I never find him at home, and he never finds me out."

RUMORS ABOUT OLIVIER AND GENEST BLOCKS

Stated that Business Block Owned by Mr. Valere Olivier Has Been Sold and that New Concern Has Rented Genest Block for 25 Years at \$10,000 Per Year—Nothing Definite in Either Case.

Rumors were in circulation this morning that the business block on Wellington street, owned by Mr. Valere Olivier, had been sold and also that a new company had leased the Genest Block, on Wellington street, for a period of twenty-five years at a rental of \$10,000 per year.

Inquiries were made in connection with each of these rumors and it was learned that there was nothing definite.

Mr. Olivier gave the impression that an offer had been made for his building, but declined to state who the interested party was. In part, he simply stated that so far there was nothing to report on the matter.

So far as the Genest Block rumor was concerned it was also learned that there was nothing definite. The new concern which is coming to Sherbrooke and which, it is stated, will take over the Changnon Block, was said to have rented the Genest Block as well. In this block are situated Alexander's Candy Store, Lambert's Store and a number of offices and apartments. The name of this new concern is not known, although it is stated that they operate a five cent to one dollar store.

CONSTRUCTION VERY ACTIVE AT PRESENT TIME

Several Important Additions Being Made to Business Concerns and New Buildings Being Erected—Two Large Mother Houses on Programme, Also Civic Hospital, Apartment Houses and Smaller Buildings.

Quite extensive building operations are at the present time going on throughout the city, which will provide considerable employment during the fall and winter months.

Chief activity, so far as building is concerned, is restricted to the business section of the city. The new \$45,000 business block which is being erected by the Ross-Keeler Electric Company started a few days ago, and while still in its early stages, the work is showing signs of progress and it is expected that the building will be ready for occupation about December 15th. Then there is the addition which is being made to the Julius Kayser factory on Frontenac street. This new section will cost in the neighborhood of \$120,000, and will provide considerable additional space for machinery, which when in use and fully equipped will also provide employment for a number of additional employees.

Work has been in operation for some time past and is now practically completed on another new section to the Panther Rubber Company plant on the east street. This addition cost in the vicinity of \$8,000 and provides additional space for the progress which this concern is making.

The building programme also includes two apartment houses. One of these, now completed, is situated on Wellington Street south, and is a very fine looking brick building with stores on the ground floor and apartments on the upper stories. It is owned by Mr. C. Gervais and cost in the neighborhood of \$30,000. The building is now ready for occupancy. So far as the other apartment house is concerned there is still considerable work to be done. The excavation work has been completed and the wooden walls have been erected. Mr. D. Farnston is having this building erected on Melbourne Street, and when completed will contain a number of very modern apartments. The cost is said to be about \$50,000.

One of the outstanding items on the building programme is the motherhouse which the Sisters of the Holy Family are building on Drummond Street. The cost of this building is placed at \$1,000,000. Work was started some time ago and very satisfactory progress is made, it is understood, although

Social And Personal

Mr. Harry Mulvena, of Montreal, spent the week-end in town, a guest of his sister, Mrs. T. M. Hawkins, Quebec Street.

Mr. and Mrs. Thomas Sheridan, of Toronto, New York City, after being called here by the illness and death of her father, the late Mr. V. E. Morrill.

Miss Marion Morrill returned on Saturday to her studies at Columbia University, New York City, after being called here by the illness and death of her father, the late Mr. V. E. Morrill.

The many friends of Master Kenneth Downes, Woodward Avenue, will be pleased to learn that he is making favorable progress after the recent operation on his ear and throat at Dr. Darche's Hospital.

The Hallowe'en dance given in the Masonic Temple on Saturday night, under the auspices of the United Postal Employees (Sherbrooke Branch) was well attended, about two hundred and fifty being present. The excellent programme was provided by the Midnight Serenaders, and the evening's festivities were in charge of a committee composed of Messrs. P. W. Powers, W. K. Foss, J. H. Shorten, W. E. Levesque, W. R. Sawyer, Geo. Dunsmore, and P. E. Choquette. Mr. Fred Pearson also assisted during the evening. The dance hall was attractively decorated with orange and black streamers, shaded lights, witches and cats, all arranged with good effect. The dance was in every way, a decided success.

MARRIAGES

SHERIDAN—McMANUS
The marriage of Miss Norine McManus, daughter of the late Mr. and Mrs. W. J. McManus, to Mr. Howard J. Sheridan, of Fort Lee, N.J., son of Mr. Thomas Sheridan and the late Mrs. Sheridan, of Thetford Mines, was solemnized this morning at St. Patrick's Church at 7 o'clock, the Rev. Father Fiset officiating.

The church was decorated with white roses and baby mums for the occasion. Mrs. Shea, a aunt of the bride, presided at the organ, and the soloists were Miss Kathleen Shea, who sang an "Ave Maria" by Jacquet, Miss Betty Steele, "Sancta Maria" by Faure, and Mr. Hation Unsworth, who sang "Sub Tuum" by Rousseau.

The bride, who was given in marriage by her uncle, Mr. F. R. Darche, wore a gown of Gainsborough blue georgette. Her coat and hat were of the same shade, the coat being trimmed with moleskin. She carried an arm bouquet of bridal roses. Mr. Thomas Sheridan acted as witness for his son.

Mr. and Mrs. Sheridan left immediately after the ceremony for Quebec and Thetford Mines. They will return to Sherbrooke for a few days before leaving for New York, where they will reside.

PRINCE CHRISTOPHER TO WED PRINCESS FRANCOISE

Marriage Will Take Place at Orleans Family Estate at Palermo Next January.

(Associated Press Despatch)
ROME, Oct. 29.—Prince Christopher of Greece, widower of the late Mrs. W. B. Leeds, of Cleveland, O., is engaged to Princess Francoise, a second daughter of the Duke of Guise, pretender to the French throne. The marriage will take place at the Orleans family estate at Palermo, next January.

Formal announcement of the engagement is to be made at Brussels by the Duke of Guise.

Prince Christopher is a brother of the late King Constantine of Greece, and was born at St. Petersburg (now Leningrad) on July 29, 1888. He married Mrs. W. B. Leeds, widow of the tin plate manufacturer, in February, 1920. She died in London in August, 1923. William Leeds, her son by her first marriage, married Princess Xenia of Russia on October 9, 1921.

Princess Francoise is the second daughter of the Duke of Guise, and was born at Paris on Christmas day, 1902.

there still remains much to be done.

Another similar building, at an estimated cost of \$200,000 is being built by the Sisters of the Sacred Heart on Bowen Avenue. The excavation work on this building, as well as the footing, has been completed so far.

The new theatre is also another valuable factor in the building activities. Work in this connection has been in progress for several months and now the actual construction work has been fairly well completed, although there remains practically all of the interior work to be done. This building is situated on Wellington street and is very attractive. The total estimated cost of the building is \$110,000. It is expected that the building will be ready for use by the end of the year. Work of repairing the Civil Hospital has also been started and this is another important item on programme. This is to cost in the vicinity of \$28,000, which will put the present building with certain additions, into fine shape and enable it to better serve its purpose.

Apart from these more outstanding items, there are also a number of smaller private homes, while alterations or improvements to several other buildings too are in progress.

Hon. Mr. Nicol is in Montreal to-day on business.

Mr. and Mrs. A. R. Wentworth, from Newport, Vt., were in town over the week-end visiting friends.

Mrs. Kenneth Smith, Wellington street, arrived home Saturday from a six weeks' visit to the New England States.

Mr. and Mrs. C. S. Cornell, of Morrisville, Vt., were week-end guests of Mr. and Mrs. George Armitage, "Strensallwood", Montreal Road.

Mrs. Brosseau, of Montreal, was in town over the week-end to attend the Sheridan-McManus wedding.

Judge E. A. Long and Mrs. Long are spending some time in Sherbrooke renewing old friends. Judge Long was born in Sherbrooke, but has not been here for the past thirty-seven years and consequently notices many changes. They now reside in Bethlehem, N. H.

Mr. James Page, M.B.E., Commander of the Order of St. John, and Mrs. Page, from South Shields, England, who have been the guests of Dr. and Mrs. George Hume, Montreal street, and other relatives, left on Saturday for Montreal, and will sail for England on Friday on the "Duchess of Bedford".

Miss Norine McManus, whose marriage took place this morning, entertained at a tressouze tea on Saturday afternoon, also yesterday afternoon, at the home of her aunt, Mrs. F. R. Darche, Ball St. A number of friends of the bride-to-be were present and were pleasantly entertained. Mrs. Darche and Miss McManus were assisted by Mrs. Brosseau, of Montreal, and Mrs. J. A. Cameron.

On Saturday afternoon last a most successful "The Dansant" was held at the University of Bishop's College, on the occasion of the visit of the Quebec Swimming and Athletic Club rugby team. The event took place in the gymnasium of the college after the game. The room was prettily decorated with autumn leaves and streamers. About twenty-five couples were present and enjoyed this social event of the rugby season. The music was furnished by the Midnight Serenaders.

A pleasant social afternoon was enjoyed by all who attended the tea on Saturday afternoon at the home of Miss Muriel Hall, Bowen Avenue South, under the auspices of the Young Women's Missionary Auxiliary of Trinity United Church. The hostesses for the tea were Miss Van Vliet and Miss Muriel Hall, who were assisted in their duties by Mrs. Hall, Mrs. J. C. Smith and Miss Hutchinson. Mrs. Lennon presided at the tea table, which was centered with bronze baby mums, and those assisting during the tea hour were Mrs. Farr, the Misses Gladys Lennon, Olwen Davis and Vera Hall. The proceeds were most gratifying.

A successful tea was held on Saturday afternoon at the Federation St. Jean Baptist, King Street West, in aid of L'Assistance Maternelle. Mrs. G. L. Delottville, president of the organization, received the visitors, and other officers and members assisted during the tea hour. Flowers and red candles were used for decorations, and presiding at the tea table were Mrs. Louis Codere and Mrs. H. Hebert. During the afternoon, Mrs. L. E. Codere gave piano selections, and vocal numbers by Miss Blanchard added to the pleasure of all those present. The proceeds from the tea were very gratifying.

A very enjoyable evening was spent on Saturday at the home of Mr. and Mrs. Harvey MacIntyre, when a "500" card party was given in honor of Mrs. Fred Whiting, of Stanhope, Que., on the occasion of her birthday. Carus were played throughout the evening, the prizes being won by: Ladies' first, Mrs. Henry Leech, and consolation, Mrs. Charles Wright; gentlemen's first, Mr. Charles Wright, and consolation, Mr. Henry Leech. Mr. Leech on behalf of her friends, presented the guest of honor with a silk umbrella. Mrs. Whiting thanked her friends for their gift and good wishes. Refreshments were served by the hostess, assisted by the Misses Muriel MacIntyre, Lillian and Vima Brownlow.

NOTICE IS HEREBY GIVEN THAT IN

accordance with the judgment of Mr. Justice C. D. White, sitting at the City of Sherbrooke, in the Superior Court, for the District of St. Francis, rendered on the 23rd day of October, 1923, a meeting of the relatives and creditors of the late William James MacLeod, will be held at the Court House, at the City of Sherbrooke, in the District of St. Francis, at ten o'clock in the forenoon, on the 6th day of November, 1923, for the purpose of appointing a curator to the vacant estate of the late William James MacLeod.

Mr. MacLeod was united in marriage with Miss Helga Macdonald, also of Gisle in October 1920 by the late Rev. Malcolm MacLeod. They gave up farming and moved to Hanover, N.H., in August 1923, and were greatly liberal supporters of St. Luke's Church of Hampden and an excellent citizen and his untimely death has cast a gloom over the community.

He leaves to mourn his sad death his wife and two little sons, Allan and William; two sisters, Margaret and Christie and three brothers, Norman, Donald and Angus to whom the sincere sympathy of this community is extended.

Interment took place in Hanover, N.H. on Friday.

His parents, two sisters—Mary and Katie, and brother, William, predeceased him.

MR. GEORGE NEWELL LOWELL, NORTH HATLEY, Oct. 29—On October 18th, there passed away one of the oldest residents of this place in the person of Mr. George Newell Lowell.

The late Mr. Lowell was born on May 11th, 1843, and was a son of the late Abner Lowell, and his wife, Nancy Bacon Lowell, the residence on the Jim Mensley farm on the lake road. His two sisters, Sarah and Louise, and three of his brothers, Albert Moses and Alvin, predeceased him. His eldest brother, Amos, was living in Sutton, N.H., the last time he was heard from some eighteen months ago. His youngest brother, Ezra, lived here with deceased. He also left seven nephews and two nieces, Mrs. Walter Thornton, (Lizzie), Mrs. Frank Millett, (Myrtle), and Messrs. Alden, Wesley, Ernest, Gordon, Fay and Vernon Lowell and Fred Moulton.

When a young man, Mr. Lowell went to the States and worked at bridge-building about twelve years.

CAR STALLED ON CROSSING; FIVE WERE KILLED

Whole Family Wiped Out When Express Train Struck Automobile—Driver of Car Not Expected to Live.

(Associated Press Despatch) SEWARD, Pa., Oct. 29.—Five persons comprising an entire family were instantly killed early today when an automobile in which they were riding was struck by an express-passenger train on the Pennsylvania Railway east of here.

The dead are: George Zahoroch, his wife, Anna, their two minor children and Mrs. Zahoroch's mother, Mrs. Homala, a widow, all of Johnstown. The driver of the machine was Joe Tsch, of Charles, who suffered fractures of both legs and arms, a fractured skull, internal injuries, lacerations of the abdomen and face and head. He is unconscious at the hospital.

According to reports the machine stalled upon an open crossing as the Pittsburgh-Philadelphia express, eastbound, bore down upon them. Before any of the occupants could escape from the machine it was struck and demolished. Some idea of the force of the impact can be gleaned by the fact that two of the victims were torn from their shoes, the footwear being found in the wrecked machine, each holding a foot.

Both women were decapitated and one of the youngsters was rent in two. Police learned that the party was returning from a christening at Tsch's home when the accident occurred.

ARREST FOLLOWS HOLDING UP OF CIGAR STORE

Man Giving His Name as George Anderson, Alias Izzard, of England, Was Successful in Carrying Out 'Silent Robbery,' But Had Gone Only a Short Distance When He Was Arrested.

(Associated Press Despatch) WINNIPEG, Man., Oct. 29.—In an attempt to duplicate the "silent robbery" feat of the lone bandit who secured \$5,000 from the Royal Bank of Canada here Friday, provided unsuccessful Saturday night.

Walking into a downtown cigar store, a man handed a small bit of paper, a clipping of a newspaper photograph of the recent "lone" robbery of the Royal Bank hold-up, to the clerk. It read: "You are covered, hand it over."

Also, as in the bank robbery, a gun protruded from under the man's arm.

CHICAGO AGAIN SCENE OF BRUTAL ASSASSINATION

Stepped Out of His Office Near "Death Corner" to Meet by Hail of Bullets—Died on Way to Hospital.

(Associated Press Despatch) CHICAGO, Oct. 29.—Shotguns Saturday eliminated one of the candidates for the post held by Tony Lombardo, head of the powerful Illinois society, Unione Siciliana, who was assassinated on a loop corner a few weeks ago. The man removed from further consideration for Tony's job was Peter Rizzuto, thirty-two, merchant in mat, hops and brewery accessories. He stepped out of his office near "death corner" in Little Italy with his six-year-old son to be met by the hail of leaden pellets from two saved-off shotguns in the hands of two assassins, who fired from a distance of ten feet. His assassins threw away their guns and fled. Rizzuto's son rushed to his side. He died on the way to a hospital.

GOVERNMENT OF NEWFOUNDLAND BEING DECIDED

Elector Casting Their Ballots to Determine Whether United Newfoundland or Government Party or Opposition Group Would Be Put into Office—Women Over Twenty-Five Years Have Vote for First Time—Heavy Vote Anticipated.

(Canadian Press Despatch) ST. JOHN'S Nfld., Oct. 29.—Nearly twice as many electors who voted in any previous contest were casting their ballots today to determine whether the United Newfoundland or Government party led by Premier F. C. Alderice, or the opposition, led by former Premier Sir Richard Squires, would be returned to power in Newfoundland. For the first time, women over twenty-five exercised the franchise. The number of male voters was placed at 68,265, and female 52,043. A heavy vote was anticipated.

BISHOP'S SCORE VICTORY OVER QUEBEC TEAM

Locals Outplayed Visitors to Tune of 12 to 1—Quebec Player's Ankle Fractured.

With ideal weather for rugby prevailing, a fairly large crowd of football fans turned out last Saturday afternoon to see the University of Bishop's College squad crash through to a 12 to 1 victory over the visiting Quebec Swimming and Athletic Club team in an exhibition game on the Lennoxville campus. The game was somewhat marred by a serious accident when in the final period Dodridge, of Quebec, suffered a fractured ankle.

Although the field often proved too slippery to get away to a flying start, nevertheless some very interesting rugby was at times in evidence.

With the opening whistle, Bishop's swept away up the field to open the scoring with a touch. Quebec failed to get in stride, and Bishop's again pushed up to kick for one point on a rouse. In the second quarter Bishop's pressure was again telling on the Quebecers, play once or twice coming too near the latter's goal line for comfort. Some clever field running, however, averted the danger, and towards the end of the first period, the visitors were working better. In the third quarter both teams worked hard and kept the other from scoring. Quebec proved a fast team. In the last period, Bishop's making yards repeatedly, shoved up the field for a second touch, which was converted. After this, Quebec pressed down the field and in the last minutes of play kicked for a rouse, their only tally.

The Bishop's aggression turned in a great game, working together as well as they have this season. The line held well, and showed up the field repeatedly for yards. McMorran went over for both touches. Fuller, Skelton and Glass on the backfield made effective plays, the first doing some pretty booting. Blinco, at quarter, played his usual steady game.

The players from the Ancient Capital proved a fast team. What they lacked in other departments, they made up for in clever runs. Cannon, their flying wing, was a speedy man. Waddell repeatedly carried the ball through Bishop's men with clever tactics. Amaron, their quarter, was a deadly tackler. Bishop's kicked off to start the battle at 2.30 p.m. Before Quebec had time to settle down, Bishop's trashed them off their feet and sent McMorran over for five points on a touch. Fuller's foot failed to convert. The Quebec line had not settled down and failed to hold back the purple and white onslaught, despite some hard tackles by Amaron. A pretty end-run sent Bishop's up the field and Fuller kicked for a rouse. Both teams were fighting hard when the quarter whistle switched them around. Score 6-0 for Bishop's.

Quebec kicked on third downs, and Skelton carried the ball back forty yards on a neat run. The Bishop's twelve slowly and surely pressed Quebec into their own danger area. Cannon narrowly averted scoring. Quebec, however, broke away on Waddell's brilliant run. Bishop's twice lost the ball by fumbles, but Quebec could not keep Bishop's from gaining yards, and the locals demonstrated their ability for end-runs on steady passing. Towards half time Quebec visibly were playing better, but the whistle sounded without any further change in the score sheet.

The third quarter opened with both teams going hard. Play was even. McOwen, a Quebec half, showed flashes of speed. Waddell also kept up his fast game. Bishop's got away on a beautiful end-run, but it ended up with a fumble, and Quebec grabbed the ball. Both lines held well, and it took a lot for either to concede an inch. The score was still 6-0 at the end of the third quarter.

As the last period opened, Bishop's dramatically and steadily pushed up the field, making yards continually. On the way up, however,

an unfortunate mishap occurred when Dodridge, of Quebec, suffered a broken ankle. About half way through the quarter, McMorran plunged over for his second touch. Fuller neatly converted it. With only three minutes to go, Quebec changed the story and shoved Bishop's back, until Waddell was able to kick for a rouse. With the final whistle the score was 12 to 1 for Bishop's.

The line-up was as follows:

ATHLETICS WON FROM LACHINE ON SATURDAY

Black and Gold Squad Tallied 10 to 3 Victory at Expense of Visitors in Q.R.F.U. Contest—Sherbrooke Now in Second Place.

Sherbrooke Athletics now share second place with Westward in the Intermediate Q.R.F.U. standing as a result of the black and gold's 10 to 3 win over Lachine in a scheduled contest staged on the Parade Grounds on Saturday afternoon.

Sherbrooke obtained an early lead, scoring three rouses in the first half, which they further increased by five points with a touch-down in the third stanza. In the same session the Lachine squad chalked up their only points tallied in the contest by a drop kick. The remaining two counters tallied by the locals came in the final quarter, when the Lachine squad were caught twice behind their own line with the pigskin.

The weather was ideal for rugby and a large number were on hand when Sherbrooke opened the game by kicking. The black and gold boys were on their best behavior and Duffy commenced the Athletic offensive by a fifteen yard gain. Lachine were forced back towards own line to allow Hammond to kick for a rouse.

In the second quarter the Athletics were forced to give ground to the visitors. A fumble by Lachine, however, relieved the pressure and the play went to midfield, only, however, to gradually creep into Lachine territory. Hammond drove the pigskin twice across the visitors' line for rouses to end the scoring for the half. Score, Sherbrooke 3, Lachine 0.

It was in the third quarter that the black and gold counted up five points on a touch-down. In the opening of the session field running by Hammond and Cook, coupled with strong line plunging by Wolfe and Duff, brought the Sherbrookers within striking distance of the Lachine line, with the result that Gough culminated the good work of the locals by carrying the pigskin around the end for a touch, which, however, was not converted. Lachine tightened up and a few minutes later notched up three points on a drop kick when Magnan scooped up a Sherbrooke fumble and sent a well-placed drop kick over the cross bar. Score, Sherbrooke 3, Lachine 3.

The honors of the final quarter went to the Sherbrookers. The Lachine boys made a strong bid to hold back the locals, and although they prevented them from tallying points on major plays, were unable to prevent Hammond and Cook from each driving the oval over the Lachine line for a rouse apiece to make the final tally read 10 to 3 for Sherbrooke.

UNITED CHURCH GROWTH SPOKEN OF AT MONTREAL

Membership Increased by 37,283 in Two Years, Says Rev. Dr. Peter Bryce, of Toronto, in Address at Dominion-Douglas Church Yesterday—Success of Union Stressed.

MONTREAL, Que., Oct. 29.—How success has attended Church union was the theme of a large group of visiting leaders in the church from various points of Canada who occupied city pulpits yesterday. A wider range of activity, increased membership, more qualified Sunday school teachers, and fewer ministers without charges, with a stronger sense of the large task yet confronting the church, were some of the points brought out in sermons.

The United Church of Canada has experienced a gratifying growth, both physically and spiritually, during the past few years, Rev. Dr. Peter Bryce, of Toronto, secretary of the missionary and maintenance fund of the United Church of Canada, stated in an address at Dominion-Douglas Church yesterday morning.

In the past two years the membership of the church has increased by 37,283, an increase of over 26,000 families, Dr. Bryce declared. This growth was making itself felt particularly in the Sunday schools, he continued, five hundred new ones having been opened since church union. In three or four years, Dr. Bryce predicted, there will be one million children in the Sunday schools of the United Church. A corresponding increase in the number of Sunday school teachers had taken place. While before union there had been only 1,700 teaching certificates granted yearly by the three churches, last year the United Church had distributed over 8,000 certificates.

WEST PALM BEACH, Fla., Oct. 29.—Six weeks after a tropical hurricane, Red Cross officials yesterday announced their official casualty estimate, placing the number of dead at 1,836 and of injured at 1,870 for the entire storm area.
