**MONTREAL DAY, BOARD, AND EVENING
ACADEMY,
CRAIG STREET, NEAR BLEURY STREET.**

JOSEPH T. DUTTON, PRINCIPAL,
(*Corresponding Member of the National Institute of the United States.*)

THE plan of Instruction and discipline in this ACADEMY is such as is eminently calculated to impart practical and complete information on every subject, and to induce those habits of promptitude, punctuality, energy, order, economy, and honorable independence, which are so essential in successfully training, and preparing youth for stations of usefulness and respectability in society.

The system adopted is based on the Word of God, and on those great principles of civil and religious liberty which form the basis and bulwark of the British Constitution, but to the exclusion of every thing sectarian or partizan.

Respectable accommodation is provided for a limited number of BOARDERS, who are, in every respect, treated as members of the family.

Further particulars, with respectable references, may be obtained on application to the Principal.

ALEXANDER FLECK,

Blacksmith & Agricultural Implement Manufacturer,

11 ST. PETER STREET, MONTREAL,

Respectfully intimates to Agriculturists throughout Canada, that he has for a considerable period devoted his attention to the Manufacture of all kinds of implements employed in husbandry and agriculture; and that he has now on hand

SCOTCH PLOUGHS,

Made after Wilkie & Gray's pattern,

Universally acknowledged to be the best, which he offers for sale at reasonable prices; guaranteed of a superior quality of metal, of unsurpassed workmanship and finish, and warranted equal, in every respect, to any that can be imported.

He would particularly recommend to the notice of Agriculturists, his improved

SUBSOIL GRUBBER,

as an implement well calculated to facilitate the labor of cross ploughing,—performing, with the same draft power, the work of the common plough in one-third the time; it is much used in Scotland, where it has superseded the use of the Scuffler, Horse Hoe, and Cultivator.

A. F. HAS ALSO AN EXTENSIVE VARIETY OF

Drill Ploughs, Scufflers, Drill Harrows, &c.

Of the latest and most approved patterns.—Also,
CHEESE PRESSES MADE UPON THE AYRSHIRE PATTERN.

Agricultural Implements of every Description made to order.

WE, the undersigned, certify that we have carefully inspected a variety of Farming Implements manufactured by Mr. A. FLECK, of St. Peter Street, Montreal, and we feel great pleasure in recording our unqualified opinion that they are very much superior to any article of the kind which we have seen manufactured in this country, and equal to any imported.
