TO COMBAT LIQUOR EVIL.

Premier Says Legislature May Deal With Question Shortly.

SAYS GOVERNMENT WAS DESIROUS OF REDUCING DRINK EVIL.

Quebec, May 12.—Legislation to combat the evils of intemperance is on the Government programme for the near future. Premier Gouin, in the course of an address he made to a delegation of hotelkeepers of the province, came out strongly for temperance reform in Quebec, and intimated that legislation might be taken up this session of the House, or at least the next session.

The Government was partisan to the cause of temperance, said the Premier, and the desire was to reduce the drink evil in the province. Sir Lomer made several comments on early closing, giving his preference to 11 o'clock, remarking that if it worked well in Ontario it should work well in Quebec.

It was, on the whole, the most outspoken temperance speech ever heard in Quebec, and made a decidedly deep impression on the minds of the delegation, who saw that they must prepare for a change in the law.

The delegation numbered over seven hundred people from all parts of Quebec, but mostly from Montreal. They met at the Auditorium before coming to see the Premier, and adopted several resolutions. It was announced afterwards that they were opposed to any concession as to early closing. As regards the reductions in liquor licenses they would favor that, done judiciously, provided there was compensation to those deprived of their business.

THE LATE HENRY BORIGHT.

PIONEER IN BUILDING UP OF TOWN OF SUTTON.

Sutton, May 12.—(Special)— The death occurred, as reported in the Record, yesterday, at his home in Sutton, Que., of Mr. Henry Boright, in the 87th year of his age. The late Mr. Boright was one of the best-known men in the Bedford district, where he was held in the highest esteem. In early life he was engaged for a time in business in New York, but more than sixty years ago he returned to Canada, taking up his residence in Sutton, near his birthplace, where he continued ever after to reside. He may, indeed, be considered a pioneer in the founding and upbuilding of that now flourishing town, the growth of which has been due in no small degree to his enterprise, public spirit, and constant devotion to its municipal welfare. For nearly half a century Mr. Boright was a leading merchant in Sutton. He has held practically every municipal office, and in the discharge of public duties displayed a mind marked by impartiality, a keen sense of justice, foresight and judgment. Although devoid of personal ambition for parliamentary honors, Mr. Boright was an active supporter of the Conservative party, and no one more than he relished the excitement of an election campaign. His work for his party's candidate was untiring, effective and always disinterested. In religion Mr. Boright was an adherent of the Episcopal Church. The family has been for years one of the best-known in the Bedford district, Mr. Boright's brothers, Nelson, Sherman and Sheldon, having all carried on business at Mansonville, Sutton and Richford respectively; and four sisters, Mrs. Reid, Mrs. Painting, Mrs. Peabody and Mrs. Holly, also residing in the district. Mr. Boright's brothers all pre-deceased him, and now at a ripe old age, with faculties unimpaired to the last, Henry Boright, a landmark and leader in the townships, has passed away. The funeral will be held at Sutton Friday afternoon.

KING'S DEATH DUE TO WORRY.

His Physicians Issue Statement to the Public.

HEALTH HAD NOT BEEN GOOD FOR SOME TIME.

London, May 12.—That King Edward's death was partly due to worry over the political situation is officially declared in a statement regarding his illness which his physicians, Sir Francis Laking, Sir James Reid and Sir Richard Douglas Powell are publishing over their signatures, in the Lancet to-day. The statement says:

"His Majesty had for some years suffered from emphysema, with attenent bronchial catarrh, signs of which were permanently present at the bases of the lungs. On several occasions digestive disturbances had caused his medical attendants to realize that His Majesty no longer had the reserve constitutional power, which had stood him in such splendid stead after his serious operation in 1902, and that any intercurrent catarrhal or bronchitic attack of a serious kind would at once call upon both heart and lungs for their fullest effort.

"It must be here said that those around him know how earnestly he was concerned at the present strained condition of political affairs, and this fact should not be lost sight of in an all-round consideration of the King's health."

Referring to the King's recent visit to Biarritz, the statement says:

"The first night in Paris His Majesty had a severe attack of acute indigestion, with subsequent dyspnoea (shortness of breath). On his arrival at Biarritz this developed into a bronchitic attack, causing his physicians great anxiety. This passed off, and His Majesty returned better in every way, but he contracted a chill at Sandringham while inspecting the gardens."

On his return to London, the statement continues, from May 3rd, the attack of dyspnoea increased, although the King insisted upon attending to business of state as late as Thursday, May 5th.

"On that day," the physicians add, "the attacks became more frequent and distressing, and with increasing cyanosis, gravely suggestive of threatened cardiac failure. With the King's permission the doctors issued the first bulletin on Thursday night, but not until it was seen by His Majesty, who himself modified its terms. From Friday morning his condition rapidly became worse. There were several dangerous attacks and His Majesty only rallied with the use of powerful remedies. At 3 o'clock in the afternoon consciousness failed. The end came at 11.45 o'clock after a prolonged period of perfect calm."

MR. ROOSEVELT ACCEPTS.

Washington, D.C., May 12.—Official announcement was made yesterday of the appointment of Theodore Roosevelt by President Taft as special ambassador to represent the United States at the funeral of King Edward in London on May 20. Cable messages were exchanged last night. President Taft set forth at some length the purpose of the appointment. Mr. Roosevelt replied with the single word "Accept."

KING GEORGE AS A SAILOR.

London, May 12.—(By telegraph to Clifden, Ireland, thence by wireless.)—The Times yesterday prints a letter from a naval officer describing a specific act of good seamanship which King George performed while in command of torpedo boat 79, "where," says the writer, "he shared his small cabin and box of sardines with his sole messmate the gunner.

"During the manoeuvres of 1889," he added, "a small squadron was sent to defend Lough Swilly, and as an attack by the enemy was hardly expected, three attached torpedo boats were sent to sea one night to reconnoitre directly after dark, with orders to return into the harbor at daylight. It was a tough night and while returning towards the harbor, just after daylight one of the three broke down and had to anchor close to the lee shore, where a nasty sea was on.

"No. 79 immediately went to the rescue of her comrade, and the third boat returned to the harbor to report the situation, as the disabled boat was round a corner and not in sight from the senior officer's ship.

"Shortly afterward No. 79 returned, and reported that she had carried away her only hawser and had failed to tow the disabled boat out of danger. The situation was critical and immediate preparations were made for rescuing the disabled boat, but the commander of 79 was so keen to have another try, notwithstanding the fact that he had been up all night, that it was decided to give the young sub-lieutenant a chance of winning his spurs, so he was provided with a brand new hemp hawser, and was sent out again to rescue his friend, which he did, and towed him safely into the harbor.

"It was a smart piece of seamanship, which would have done credit to an officer who had far wider experience in this sort of work than Prince George then enjoyed.

"There were no special correspondents of newspapers present, and it was well known that the modest commander was not one of those who play to the gallery, it being sufficient for him to know that he had done his duty, and done it well."

The writer of the letter signs it, "The Senior Officer Present," and concludes:

"May one add, with all due respect that perhaps His Majesty will make none the worse King for being a good sailor."

FOUND DEAD AT WINDSOR MILLS.

Coroner and Jury Investigate Death of Charles F. Ross.

VERDICT OF DEATH FROM NATURAL CAUSES WAS RETURNED.

Windsor Mills, May 12.—(Special)—An inquest was held last evening on the body of Charles F. Ross, who was found dead in the barn attached to the Chateau Windsor. Coroner Dr. L. C. Bachand, of Sherbrooke, presided at the inquiry, and the following gentlemen were sworn in as jurors: Messrs. Remi Hebert (foreman), Clovis Roy, H. G. McDowell, G. M. Proulx, G. G. Millette and A. Clark.

Fred Moore, bus driver at the Chateau Windsor, testified that he had known the deceased for 12 years. He went into the hay loft at 5.15 in the afternoon and found the deceased apparently sleeping. He turned him over and found he was dead. The deceased was 30 years old last fall and lived with his married sister. In answer to the foreman, witness said that deceased complained to him on Tuesday of being unwell.

Dr. McCabe was called and said that he had been summoned by telephone to the Chateau Windsor, and saw the deceased lying on some hay in the barn. On examination he found him dead, and was of the opinion that he must have been dead for forty or sixty minutes. There were no external marks of violence of any kind, and death was apparently due to syncope.

Mr. Emile Duchesneau said that he last saw the deceased about a quarter to one on Wednesday afternoon. The deceased had worked with him during the morning, but he told him he should not work in the afternoon. He slept the previous night at Mr. Dunn's house, in whose employ he was.

Mr. P. F. Dunn said that deceased occasionally worked for him, and that he found him sleeping on his sofa in the kitchen that morning. He worked for him about two hours in the morning. Deceased was a quiet man and never quarrelsome at any time.

The verdict of the jury was as follows:

"That the said Charles F. Ross on the 11th day of May, 1910, was found dead in the hay loft of the Chateau Windsor Hotel at Windsor Mills, and that the jurors agree and are of opinion that deceased died of syncope of the heart."

BOY SENT TO REFORM SCHOOL.

Case of Theft Against Woman Dismissed.

FINED FOR ILLICIT POSSESSION OF LIQUOR AT CHESHAM.

Mrs. Z. Valliere was tried this morning before Judge Mulvena, charged with having stolen $37 from a man by the name of Picard. The complainant gave evidence, as also did the accused on her own behalf.

At the conclusion of the hearing of the evidence Mr. J. S. Broderick, who represented the Crown, stated that the evidence was so conflicting that he could not ask for a conviction.

The Court discharged the accused, holding that there was sufficient of a reasonable doubt to dismiss the case.

FOUR YEARS IN REFORM SCHOOL.

A. Bisson, a boy twelve years of age, was sentenced to four years in the Reform School in Montreal on a charge of theft.

It appears that the boy, who belongs to Windsor Mills, ran away from home and came on to Brompton, where he went to stay with a Mr. Seaward. While there he stole a silver watch and left. The authorities in Sherbrooke were notified and on his arrival here he was placed under arrest. He at first gave his name as St. Jean and said that both his father and mother were dead, and that the former had only died a couple of weeks before. He stated that he was on his way to St. George, Beauce, where his grandfather lived.

The authorities got into communication with his father, who in his evidence stated that the boy had run away from home and had stolen the contents of a tool chest, which he sold.

The Court sentenced the boy to four years, as stated above.

ILLICIT SALE OF LIQUOR.

L. Protean, of Chesham, was fined $50 and costs, or three months in jail, on a charge of illicit possession of intoxicating liquor. It was learned that the liquor came from Lake Megantic, which went "dry" on the first of the month. It was not long in Chesham, however, when it was discovered and seized, with the above result.

DECIDED TO GO ON WITH CELEBRATION.

MAY 24TH WILL BE OBSERVED AT BEDFORD AS PLANNED.

Bedford, May 12. — (Special) — A meeting of the business men and citizens of the town of Bedford was held Tuesday evening.

It was decided, after much discussion, to continue with the celebrations on the 24th, as other places are doing so. The Mayor was also requested to proclaim a civic holiday during the hours of our late King's funeral.

A baseball game between Frelighsburg and Bedford will be played in the morning. This will excite considerable interest as these two teams were tied for the championship of the League two years ago. They are old rivals on the field, so an exciting game is anticipated. Immediately after in the morning will be a parade. In the afternoon the main amusement will be field sports of various kinds.

It was decided that the entry to the grounds be free as a good sum has been raised by subscriptions.

A Band will be in attendance all day.

The Rev. H. Darche, of St. Michael's Cathedral, assisted at the exercises of the Forty Hours' Devotion at St. Elie d'Orford, which closed to-day.

CHAMBRE DE COMMERCE ELECTS OFFICERS.

Mr. F. H. Hebert Was Last Night Elected President.

CONSTITUTION WAS ADOPTED—QUESTION OF AMALGAMATION DID NOT COME UP.

About forty members of the Chambre de Commerce met at the Monument National, last evening, for the purpose of accepting the constitution and by-laws as drawn up by the provisional committee appointed at their first meeting. Mr. S. Fortier presided and Mr. Omer Chaput acted as secretary pro-tem.

The report of the committee appointed to form the constitution was adopted and the election of officers proceeded with. Messrs. J. E. Genest and L. A. Dufresne were appointed scrutineers and announced that the following officers had been elected:

President:—F. H. Hebert.
Vice-President:— Neree Lacroix.
Secretary:— J. S. Tetreault.
Treasurer:— T. Belanger.

The following were elected governors:

P. Boucher, J. Masse, S. Fortier, V. Archambault, M. Allaire, J. E. Genest, E. S. Milette, Dr. L. C. Bachand, M. A. Laine, J. Robitaille, and Geo. F. Moore.

The newly elected president in taking the chair, thanked the members for the honor they had done him and promised to do all he could to further the object of the Chambre de Commerce and expressed the hope that all would co-operate with him in working for the best interests of the city. He intimated that they should all join in doing their best to dissipate the idea that the Chambre de Commerce would be antagonistic to the Sherbrooke Board of Trade. Mr. Hebert stated that such was not the case and that it was only to join with them in working for the city's interest.

Messrs. Lacroix, Tetreault and Belanger also briefly addressed the meeting, thanking the members for electing them to such important offices.

It was moved that the meeting adjourn to a later date out of respect to the memory of the late King. The next meeting will be held at a date to be named by the Board of Governors.

The question of amalgamating with the Sherbrooke Board of Trade was not discussed.

JUDGMENT AGAINST LAND COMPANY.

Court Annuls Contract For Purchase of Lot.

PROPERTY WAS NOT IN THE TOWN OF SASKATOON AS REPRESENTED.

Mr. Justice Demers rendered judgment in the Superior Court, this morning in the case of T. Delisle against the North West Land Co., and Mr. H. H. Morency. This was an action to set aside a contract which the plaintiff had entered into with the company defendant, through its agent, Mr. H. H. Morency.

The plaintiff bought a lot of land in Saskatoon for which he agreed to pay the sum of $240. It was represented to him that the land in question was within the limits of the town of Saskatoon, but he afterwards learned that it was some distance from the town limits. By his action plaintiff asked that the contract be annulled, and that he be refunded the amount he had paid to the company.

The Court maintained the action against the company, but dismissed that against H. H. Morency, holding that the latter could not be held responsible for the actions of the company, and that he had sold the lots in good faith.

ACTION FOR $100.

In the Superior Court, yesterday afternoon, evidence was heard in the case of J. A. Bengle, D'Israeli, against F. X. Labranche and others of Thetford Mines. This was an action where the plaintiff sues the defendants for $100, which he alleges is due him under a contract.

It appears that the plaintiff had a lot on which the defendants got an option. They were to pay $100 down and after exploration if asbestos was found on the property the full value of the property would be agreed upon later. The defendants claimed that they never explored the property, and that, therefore, they were not liable for the amount sued for.

The case was taken in deliberc.

TRAPPED LARGE BEAR.

Scotstown, May 12.—(Special) — Mr. Morrison noticed about a week ago a number of bear tracks on his property. He then made up his mind that he would endeavor to get a bear if he could. Not being an expert at the business, there was some doubt in his mind as to being able to land anything. Nevertheless Mr. Morrison took great pains in setting a large trap which would surely hold anything that would get into it. There was no sign of anything doing until last Tuesday morning. When Mr. Morrison went to visit his trap he found it was gone, but there was no need of guessing as to what had taken it, as it was plainly seen that Bruin had put his foot in it and had dragged the trap away with him. Mr. Morrison found the bear about three acres away from where it was set. It took three shots from Mr. Morrison's rifle to lay Bruin out. On examination it was found that the trap had broken the bear's leg.

He says that she called him a liar, but that he did not touch her. He only told her to go along and go into the school. The girl and a companion with her swore that the accused struck her on the face. The accused swore that he did not, and one of the neighbors who was looking out of the window swore that he did not see him. The justices held the offence to have been proved, but inflicted the smallest penalty of one dollar and the costs.

PRESENTATION AT COATICOOK.

DR. FINNIE REMEMBERED BY ODD FELLOWS AND FORESTERS.

Coaticook, May 12.—(Special)—The members of the local court of Foresters and the local lodge of Odd Fellows took advantage of the approaching departure of Dr. J. H. Finnie from Coaticook to Westmount to present him with tokens of their friendship and esteem. On Tuesday evening, at the regular meeting of Victoria Lodge No. 16, I.O.O.F., he was presented by C. G. Johnson, Noble Grand, with a watch charm emblematic of the order and suitably inscribed. In the course of the address Mr. Johnson expressed the hope that it would cause him to remember the Lodge, as they would remember the valuable services he had rendered. Continuing, he said, "The inscription will remind you of your obligation to the order, and may you ever be guided by our motto, Friendship, Love and Truth. We regret this parting, but you leave with our whole-hearted wishes for unlimited success and prosperity in your new field of service. The ties that bind us are not lightly broken, and while we will miss your presence in the lodge room we trust you will sometimes think of old Victoria and never forget that a warm welcome awaits you here."

Dr. Finnie responded and introduced Dr. Fraser, his successor at Coaticook, and also an Odd Fellow. Expressions of regret at the departure of Dr. Finnie were made by Rev. D. W. Terry, Principal Hunter, W. B. McCutcheon, P. L. Baldwin, J. N. White, E. A. Akhurst and others. Refreshments were served and a literary and musical programme closed the evening.

The next day, at a regular meeting of Court Coaticook 341, I.O.F., a similar presentation was made on behalf of the Foresters. Mr. A. A. Woodman made the address and presentation, the address reading as follows: "Learning of your intended removal from Coaticook and the consequent severance of your connection with our Court, we feel that in justice both to you and ourselves we cannot let such an event pass by unnoticed. In that by your removal you are entering into a larger field of usefulness and prosperity, we congratulate you. Yet from a personal standpoint and the interest of our Court, we much regret your intended departure. We wish to take this opportunity to testify to you our satisfaction as to the way you have for many years performed the duties of Court Physician, our appreciation of the services rendered, and the cheerful and ready manner in which they have always been given; and as a small token of our esteem we ask you to accept this pin emblematic of our order. And while you may leave us in body, rest assured that you will ever be bound to the Court and its members by the ties of L., B. and C. and that our best wishes for the continued success and prosperity of you and yours will ever follow you."

Here again, refreshments and friendly intercourse between the members closed a very pleasant evening.

Cautionary Note: Be sure you get this stove—see that the name-plate reads "New Perfection."

Many Women who are Splendid Cooks

dread having to prepare an elaborate dinner because they are not sufficiently strong to stand over an intensely hot coal range. This is especially true in summer. Every woman takes pride in the table she sets, but often it is done at tremendous cost to her own vitality through the weakening effect of cooking on a coal range in a hot kitchen.

It is no longer necessary to wear yourself out preparing a fine dinner. Even in the heat of summer you can cook a large dinner without being worn out.

New Perfection
WICK BLUE FLAME
Oil Cook-stove

Gives no outside heat, no smell, no smoke. It will cook the biggest dinner without heating the kitchen or the cook. It is immediately lighted and immediately extinguished. It can be changed from a slow to a quick fire by turning a handle. There's no drudgery connected with it, no coal to carry, no wood to chop. You don't have to wait fifteen or twenty minutes till its fire gets going. Apply a light and it's ready. By simply turning the wick up or down you get a slow or an intense heat on the bottom of the pot, pan, kettle or oven, and nowhere else. It has a Cabinet Top with shelf for keeping plates and food hot, drop shelves for coffee, teapot or saucepan, and even a rack for towels. It saves time, worry, health and temper. It does all a woman needs and more than she expects. Made with 1, 2, and 3 burners; the 2 and 3-burner sizes can be had with or without Cabinet.

NYAL'S STONE ROOT COMPOUND

For Kidneys, Bladder and Liver

When the kidneys are diseased they cease to do their important work, and instead of cleansing the blood of impurities the waste products remain in the blood until the whole system is affected.

In the long list of serious diseases that follow the impairment of the kidneys are Bright's Disease, Diabetes, Inflammation of the Kidneys, Gravel or Stone in the Bladder, and the terrible Addison's Disease.

Stone Root is a well known kidney remedy—its use being followed more uniformly with good results than any other medicinal ingredient in prescriptions for Kidney Trouble.

Nyal's Stone Root Compound acts on the Kidneys, Bladder, Liver and Urinary Tract—invigorating, stimulating and restoring to healthful action the organs that filter the blood and remove the waste products therefrom.

If we knew a better remedy for the kidneys than Nyal's Stone Root Compound we would not hesitate to recommend it, but when results are considered Nyal's stands head and shoulders above any other kidney remedy before the public. Price 50c and $1.00.

CLARENCEVILLE.

A North Hero, Vt., contemporary has the following in connection with the success of a Clarenceville boy:

"A wireless telegraphic station is being installed at the State Agricultural and Mechanical College at Stillwater, the aerial being already in place. The apparatus is being received from New York. Expectations are that messages can be received from a great distance. The negative system, with double receiver, is being used, the station to be ready in ten days. The work is being done under direction of Prof. Little of the college faculty, and a number of students will be taught wireless operating."

"The above was taken from the Fort Gibson Post, published at Fort Gibson, Okla., of Feb. 15th. Prof. Little or plain, every day Arlington Pearl Little, as he is best known here, spent his boyhood days in this town and attended the Jerusalem district school until about 15 years of age, after which he took a course in the Clarenceville, P.Q., Academy and then entered the U.V.M. at Burlington, where he graduated with high honors as an electrical engineer, in 1901. His first position after graduating, was in the A. and M. College at Stillwater, Okla., where he remained three years, resigning to accept the position of associate professor of electrical engineering in the Syracuse University. He stayed with that institution three years, and last winter was induced to return to his old place at Stillwater, Okla., as head of the electrical department in the State Agricultural and Mechanical College, where is now permanently located."

Mr. Little was born within three miles of Clarenceville village where he has many relatives and friends.

Mr. Buzzell with the pupils and teaching staff of the College were in possession of the church hall of the Church of St. James the Apostle, Montreal, on Tuesday and today (Wednesday), the reason for their vacation being the holding of the bazaar, which was mentioned several weeks ago in these columns for the benefit of the gymnasium and infirmary to be erected in connection with the college.

The College is soon to take unto itself new vigor and usefulness. The trip to Montreal was a treat for the pupils and it is hoped will result in much good for the institution. MINISTER WHO TESTED ZAM-BUK

Read His Deliberate Opinion!

Rev. P. F. Laugill, "The Manse," Carp, Ont., writes: "Some considerable time ago I began using Zam-Buk with a view to testing it thoroughly. I am troubled with eczema, which is always worse in the early part of winter, and seems to leave me about spring. I tried Zam-Buk immediately my hands started to break out, and am pleased to say that it checked the disease, which is more than I can say for anything I have ever before tried. We now have Zam-Buk in the house continuously. The children use it for scratches, cuts, and any skin injury or disease, and I carry a small sample box in my pocket. One evening I happened to look in where an old man had met with an accident a week before, and had lost a finger nail. His wife was dressing the wound. I dressed it with Zam-Buk, and left the little sample box with them for the next dressing. I have seen the old gentleman since, and he has now the same high opinion of Zam-Buk as myself and my family have.

"On another occasion a farmer called at 'The Manse,' and I noticed a rag on his finger. Enquiring about the injury, I learned that he had somehow taken a piece of flesh off, and the wound had started to fester. He was afraid it would turn to blood-poisoning. I gave him about a third of a box of Zam-Buk and he applied it. A few days later I saw him, and he said 'That's great salve of yours; my finger is now doing fine.'

"This is a Scotchman's opinion; it has taken a good while to convince him, but he wanted to make sure of Zam-Buk's merit before endorsing it. "It is well worth recommending."

This is exactly the kind of testimony we most appreciate. Test Zam-Buk! Don't go by hearsay! You will find it gives the best results in all cases of eczema, ringworm, festering sores, piles, cuts, burns, face sores, eruptions, and all skin injuries and diseases. All druggists and stores, 50c box, or from Zam-Buk Co., Toronto, for price, but refuse cheap and harmful substitutes and imitations.

The Junior Auxiliary of St. George's Church, Lennoxville, will close their season with a sale and tea in the church hall on the afternoon of Saturday, 14th inst. In the evening an entertainment will be given, for which a good programme has been prepared, including several dramatic numbers, to begin at 7.30.

The residents of the little village of D'Israeli are filled with regret at the approaching departure of the Champoux family from the parish, where they have been so prominent, and of which they were the founders. The earliest settler of D'Israeli was John Champoux. He cut down the first tree of the virgin forest, as his father had cut the first tree of the parish of Somerset. The following year he was joined by his courageous family, a mill and a saw mill were erected and their enterprise and perseverance were awarded. Their lumber camps in the winter and their mills in the summer have given employment to hundreds of workmen, who, however, will probably be taken on by the new owners. It is understood that the energies of Champoux Bros., will be now concentrated upon their vast holdings at the Baie des Chaleurs, and that they have recently acquired new mills and timber limits in New Brunswick. The family is composed of Mr. John Champoux, President of the late company, Messrs. David and Calixte Champoux living at Restigouche and Directors of the Chaleurs Bay Mills Co.; Alexander Champoux, Superintendent of the D'Israeli Company; Petrus, of D'Israeli, and Theophile Champoux, of Weedon.

A lot more stone to be given away at St. Louis Hotel.

CROSSED THE DEAD LINE:

New York, May 11.—For the third time in four weeks an attempt to make an arrest in the territory of the notorious car barn gang, at 97th Street and Second Avenue, brought on a riot last night in which bricks and bullets flew thick in all directions and a policeman of the East 104th street station was assaulted by a mob of men and women of the gang that recently established a "dead line" beyond which the police were warned not to show themselves. The injured policeman will probably die.

COUNCIL OF PUBLIC INSTRUCTION.

Adopted Report in Favor of Increase in Inspectors' Salaries.

MUNICIPALITIES WILL HAVE POWER TO DEAL WITH SCHOOL BOOKS.

Quebec, May 12.—(Special)—There was a meeting of the Council of Public instruction yesterday, at which it was decided to report in favor of increasing the salaries of school inspectors from $1,000 to $1,400 a year.

A recent judgment of the court, by which it appears that each municipality has the right of enforcing uniformity of school books within its limits, was discussed. Archbishop Bruchesi wanted to have an amendment by which the religious organizations should be exempted from the law, but the amendment was withdrawn, as it is understood that the Government will introduce a law giving to each municipality the power of regulating the question with the religious societies.

He leaves to mourn his loss two sons, Mr. James McVeety, of Cookshire, and Mr. John McVeety, of this place, with whom he lived: two daughters, Mrs. John McKee, of Leeds, and Mrs. Little, of Barre, Vt. His wife pre-deceased him about twenty years ago. He had also buried four daughters and a son.

ALFRED DEARDEN, WINDSOR MILLS.

Windsor Mills, May 12.—News of the sudden death of Alfred Dearden came as a dreadful shock to the town of Windsor Mills. He had not been well for the past two weeks but was out as usual, and Tuesday morning walked to the home of his sister, Mrs. N. Gagnier. He remained there for the afternoon resting. At four o'clock he was noticed to be breathing heavily and it was seen that he was in a critical condition. Medical aid was secured and the priest administered the last rites of the Church. He passed peacefully away at eight o'clock.

The late Mr. Dearden was 45 years of age and a life long resident of Windsor Mills, where he worked as a mechanic in the paper mill. He afterwards opened up a blacksmith shop and was well known as a horseshoer throughout the Townships. He had been connected with the Band since its inception and was Bandmaster for ten years. It was mainly owing to him that the Band had reached its present state of efficiency. The members of the Band were practicing for a concert to be given in McCabe's Hall when the news of his death reached them. The concert has been postponed.

Mr. Dearden married Miss Broderick who, with four children, the youngest a week old, survives him. The widow is in a critical condition.

Arrangements for the funeral have not yet been completed. The Band will turn out in a body and a special rehearsal was held last night.

The funeral of the late Bandmaster Alf. Dearden will take place Friday morning at 10 a.m. Service will be held at St. Philip's Church and the body will be conveyed to the Roman Catholic portion of Windsor Mills cemetery. The Windsor town Band will head the procession, playing Handel's "Dead March in Saul."

E. N. SHAW, WATERLOO.

Waterloo, May 12. — (Special) — Mr. E. N. Shaw, one of Waterloo's most respected citizens, passed away on Sunday morning about 5 o'clock after a few months' illness due to kidney trouble which had kept him confined to the house for some time. He went to Montreal accompanied by his eldest son, Mr. R. F. Shaw, about three weeks ago to consult a specialist and remained there about two weeks, but on account of his advanced age it was not considered advisable to undergo an operation and he returned home in a very weak condition on Thursday of last week, where the best medical skill and most careful nursing could be given to a kind and loving husband and father, surrounded by his bereaved widow and children.

The deceased was born near Kingsey, Que., nearly 80 years ago. Had he lived until Saturday, the 14th inst., he would have passed the four-score mark. He married about 50 years ago Miss Wilcox, of Kingsey, Que., and came to Waterloo about that time and established a jewellery business in 1862 from which he built up a large and profitable trade. He was known far and wide and highly esteemed by all for his honest straight-forward dealings, and his genial smile will be missed. He took a deep interest in all public matters pertaining to the good and welfare of the town and served several terms as Councillor and School Commissioner, and was Mayor of the town for a term.

The funeral which was held Tuesday afternoon from his late residence to the Methodist Church was very largely attended by friends and relatives from far and near, all desirous of paying a last tribute of respect to an old and faithful friend who was always ready to help the needy and assist those in distress. The casket was covered with floral tributes. Those of his relations from out of town who attended the funeral were: His two brothers, Messrs. Philander Shaw of Kingsey; Craig Shaw, of Danville, and his sister, Mrs. Davis, of Berlin, N.H.; Mrs. F. W. Gibson, niece, of Danville, Que.; Mr. H. Shaw, nephew, Kingsey; Mr. and Mrs. C. Wilcox and son, of Richmond, Que.; Mr. D. Wilcox, of Laconia, N.H.; Mr. Jas. Wilcox, of Merideth, N.H.; Mr. and Mrs. Delormier, niece and nephew of Berlin, N.H.

Rev. E. W. S. Coates preached an able and eloquent discourse after which the remains were deposited in the family burial plot. The bearers were Messrs. George E. Robinson, H. E. Allen, M.P.; Frank E. Taylor, C. E. Tenny, J. E. McFarlane and E.J. Raymond.

There are besides his bereaved widow, three sons, Mr. R. F. Shaw, who was in business with his father; Mr. Jutson Shaw, of Boston, Mass.; and Mr. H. L. Shaw, of Richmond, Que., who mourn his demise deeply, and the heartfelt sympathy of the entire community go out to them in their sad bereavement.

MRS. MACDONALD, LENNOXVILLE.

On Wednesday afternoon, about 5 o'clock, the bells of St. George's Church solemnly tolled, announcing the death of one of the old and highly respected townspeople of Lennoxville, in the person of Mrs. Macdonald, who had been ill for some little time.

Deceased was 86 years old. Mrs. Macdonald leaves three sons to mourn her loss who are Messrs. Ronald Macdonald, advocate, and Thos. Macdonald, of Lennoxville, and Mr. John Macdonald of New York.

TRAGIC POISONING CASE.

Eganville, Ont., May 12.— Word comes from Rockingham, in Brudenell township, thirty miles from here, of a tragic double poisoning case, the victims being Mrs. Kinder and Soseph E. Kinder, wife and son of Dr. Kinder, the former 75 years of age and the latter 30.

On Wednesday of last week each took a dose of what they supposed to be epsom salts. That evening the son was found on the roadside by a neighbor unconscious and the flesh darkening. He was taken to the neighbor's house and his father summoned, but he was beyond relief. Next morning he was removed to his home, where he died that evening. The mother lingered until Tuesday morning, when death resulted.

The father purchased his drugs from an Ottawa store, and his theory is that in filling this order some kind of poison was by mistake mixed with the salts. He has sent what remained in the bottle to Toronto for analysis.

WANT NEW SCHOOL HOUSE.

HAMPDEN SCHOOL COMMISSIONERS HEAR PETITIONS FROM RATEPAYERS.

Scotstown, May 12.—(Special)—A meeting of the School Commissioners of Hampden was called to take action on a certain protest to a petition which had been signed by some of the ratepayers of School District No. 5. The petition asked for the moving of the present school house to a more central location in the district.

The protest was accepted by the School Commissioners. When the Council resumed business after dinner a new petition asking for the building of two school houses for district No. 5 was presented. This was signed by seven ratepayers of the aforementioned district. After much discussion in regard to the advisability of this action, the Commission finally decided that this would not be advisable unless the people of that section were willing to bear all the expenses of the erection of these new buildings.

After some further discussion the petition was laid on the table.

MARRIAGES.

BARIL—LINEHEN.

The marriage took place yesterday, at St. Michael's Cathedral of Miss Margaret Mary Linehen, of Richmond to Mr. Lewis S. Baril. The ceremony was performed by Rev. J. Ha Roy, Rector.

In the afternoon the newly-married couple left for New York and other American cities and after a sojourn of two weeks will return to Richmond.

MOQUIN—REACHOR.

Eastman, May 11.—(Special)—A very pretty wedding took place in the Catholic Church at seven yesterday morning, when Mr. M. A. Moquin, the only son of Mr. J. A. Moquin, was united in the bonds of holy matrimony to Miss M. Reachor, the eldest daughter of Mr. and Mrs. Reachor. The ceremony was performed by the parish priest.

The bride entered the church on the arm of her father, while a beautiful wedding march was played by Dr. Gosselin. She was beautifully gowned in a pure white silk dress, hat and gloves to match. After the ceremony the happy couple proceeded to the C.P.R. station, where the bride and groom took the 9.15 train for Montreal, Toronto and New York. Upon their return Mr. and Mrs. M. A. Moquin will reside in Eastman.

BOWMAN—WILSON.

Richmond, May 12. —(Special)—A very quiet wedding took place at high noon, Tuesday, when Miss Agnes, Sibyl Wilson, youngest daughter of Mr. and Mrs. Thos. Wilson, was joined in matrimony to Mr. John Hall Bowman, chartered accountant of New Jersey. The ceremony was performed by Rev. H. Carmichael. The bride, who was given away by her father, was attired in a tailored costume of brown broadcloth, with cream lace over silk blouse and hat to match. After the ceremony dainty lunch was served. Only the immediate friends and relatives of the bride and groom were present. Among those from a distance being: Mr. and Mrs. Bowman, of Scotstown. The couple were the recipients of a number of beautiful gifts, showing the high esteem in which they are held by all. Mr. and Mrs. Bowman left on the afternoon express for the Southern States where they will spend their honeymoon and on their return will reside in New Jersey.

BISHOP — WESTCOTT.

The Press, Utica, N.Y., says:

Miss Mabel Field Westcott and Leon Perry Bishop were married last evening at the home of the bride's parents, 34 Clinton place. The ceremony was performed by Rev. Geo. O. Phelps, acting pastor of Plymouth Church, at 7 o'clock, and was witnessed by an assemblage of about 100 invited guests.

The interior of the home of Mr. and Mrs. Arburtus J. Westcott presented a beautiful appearance, lavish decorations of palms, smilax and apple blossoms, the last mentioned being the chief feature, adding to its attractiveness, and the wedding scene was a most charming one.

Miss Rena A. Westcott, sister of the bride, was maid of honor, and Frank C. Shippey was best man.

The bride was handsomely gowned in white satin with duchess and rose point lace, and pearl trimming. She carried a shower bouquet of lilies of the valley and bride's roses. The costume of the maid of honor was of pink embroidered chiffon and she carried Killarney roses. Mrs. Westcott's gown was of lavender crepe de chine and she carried sweet peas and orchids. Each of the ribbon bearers carried an American Beauty rose. The wedding music was by Mrs., M. L. Coggeshall and Mrs. Lelia Ryan Schilz, violin and piano.

At 8 o'clock the wedding supper was served. A handsome appearance was presented by the dining table, which was decorated with Killarney roses, maidenhair ferns and pink satin ribbon. The supper was served by Caterers Owens & Beyer.

Among the very many wedding gifts was a check from the bride's father, a chest of silver from her mother, a framed picture of the Sistine Madonna from the children of the beginners' department of the Plymouth Church Sunday School and a set of Coalport plates from the Plymouth Club. The groom's gift to the bride was a pin of diamonds and pearls set with platinum. The gift of the bride to the maid of honor was a pearl pendant and charm, and pearl studs were presented to the best man and ushers by the groom.

Mr. and Mrs. Bishop will reside at 39 Clinton place; their wedding cards read, "At home after October 1."

fessed having shot down in Chaboillez street last Friday night. Timothy Candy entered pleas of guilty to both charges, and was remanded until next Wednesday for enquete. The enquete will be brief, and when two or three witnesses have been examined he will be committed to stand trial before the term of the Court of King's Bench next month on a charge of murder. Whether or not Candy pleads guilty when called for trial before the term of the Court of King's Bench, a jury will have to be sworn to hear the evidence and return a verdict, as a plea of guilty is never accepted in a murder case.

MR. BALFOUR MAY VISIT CANADA.

Winnipeg, May 12.— Asked on his return to the city yesterday as to the leading men he met in Great Britain, Hon. Robert Rogers said "Well I met at a dinner given by Sir Gilbert Parker a number of prominent people, all of whom were interested in Canada and many of them eagerly sought information about Canadian affairs. Mr. Balfour seemed particularly interested and he discussed at considerable length the proposed 'free wheat for the colonies.' He told me with evident eagerness that he proposed, if he could possibly find the time, to visit Canada this summer. He expressed an especial desire to see the Canadian West. Lord Strathcona was present, and Hon. Alfred Lyttelton, Hon. Walter Long, Lord Beresford and Lord Ridley, who were also guests, seemed interested in Canada."

TARGET PRACTICE RESULTS IN DEATH OF SIX YEAR OLD GIRL.

St. Johnsbury, May 11.— While shooting at a target Sunday afternoon at his home in North Danville, Louis Martell, aged 16, shot and killed his six-year-old sister, Mary Beatrice Martell. With a number of children, young Martell was shooting at a target with an old-fashioned shot gun. Just as he had taken aim the child ran in front of the gun and received the volley of shot in her head, near the temple. She lived about an hour. The little girl was one of the nine children of Mrs. Cyril Martell. The family lived in St. Johnsbury until last week when they moved to North Danville.
