Two U.S. Boxcars Collide And Crash Over West Germany

World News In Brief

Ottawa (CP) — The government has reduced tariffs on a number of items for temporary periods at the request of Canadian manufacturers who require the materials in their factory production. Imports affected come mostly from the United States. The items range from synthetic filaments used in making cigaret filter tips to welded strip steel for saw blades.

Charlottetown (CP) — Four persons were killed and six others injured when a truck and an automobile bearing Maine license plates collided Wednesday night, 10 miles from here on the Trans-Canada highway.

Ottawa (CP) — Jacques Normand, 32, of Trois-Rivieres, Que., Wednesday was appointed organization secretary for the Progressive Conservative party in Quebec. A graduate of Quebec City's Laval University, he has been an assistant since 1953 to Leon Balcer, Commons member for Trois-Rivieres, in his capacity as party organizer in Quebec.

Montreal (CP) — Mr. Justice Theodule Rheaume, for more than 17 years a member of the Montreal Superior Court and one-time Liberal member of Parliament and of the Legislative Assembly, died Wednesday in hospital after a brief illness. He was 79.

Ottawa — The first of the navy's new anti-submarine destroyer escorts will begin builder's trials Aug. 15, the navy announced Wednesday. The ship, to be commissioned HMCS St. Laurent, is being built by Canadian Vickers Ltd., Montreal. The test in the St. Lawrence river off Murray Bay is expected to last three weeks.

St. Johns, Que. (CP) — Hon. Alcide Cote, Canadian postmaster-general since 1952, was buried Wednesday in the family plot here after a state funeral. Government officials, friends and neighbors crowded the cathedral in this town 15 miles south of Montreal and overflowed onto the grounds of the city hall and the front of the cathedral.

Ottawa, (CP) — A delegation of Russian farm experts now touring the United States will arrive in Montreal Aug. 25 for a 10-to-15 day stay in Canada, the federal agriculture department said Wednesday. They will spend a day in Montreal, then go on to Fredericton and Granby, Que., arriving in Ottawa Aug. 27.

Southampton, England — (Reuters) — The ashes of Capt. Dan Parker, skipper of the tug Turmoil of Flying Enterprise fame, who died after a fall on his ship earlier this week, will be scattered in the English channel after the funeral service here Sunday. The Turmoil was on a voyage from Halifax, N.S., to Hamburg when Parker, 63, fell from a ladder as the ship passed through the Straits of Dover.

New Trouble In Argentine

Buenos Aires (Reuters) — A number of demonstrators were arrested in Buenos Aires Wednesday night, following a Radical party meeting, when 700 persons marched through the city and defied police orders to disband. In a rowdy five-hour session at the same time, the lower chamber of Congress approved by 96 votes to nine a committee of defence recommendation to turn down a Radical party question on American ships tracking the Argentine navy.

Stuttgart, Germany — (Reuters) — Wiesbaden headquarters of the United States Air Force said that 67 men were killed when two Flying Boxcars collided in the air today over the Black Forest.

Eyewitnesses said the two huge transports were flying in a tight formation with a third plane when the one on the right rammed the one in the centre.

They said both planes plunged out of control. First reports said there were between 40 and 50 men in one of the transports which has a normal seating capacity of 67.

Police said the two crashed planes were taking part with eight other aircraft in a transport exercise and had taken off from the U.S. airfield at Echterdingen, at Stuttgart.

The crash occurred near Edelweiler, a village in the Black Forest near Freudenstadt.

The two giant aircraft were 119s — main transport carrier of the U.S. Air Force.

The worst air disaster on record was on June 18, 1953, when a U.S. Air Force C-124 crashed and burned near Tokyo, killing 129.

Ont. Forest Fires Rage Underground

Ten big fires raged unchecked early today in the northern Ontario forestlands, where flames still burrow deep below ground. Another 80 were under control.

Rain drenched the southern corner of the province Wednesday but, continuing the ironic seasonal pattern, largely bypassed the north.

Firefighters, despite lightning storms and high temperatures, put out 20 small fires Wednesday.

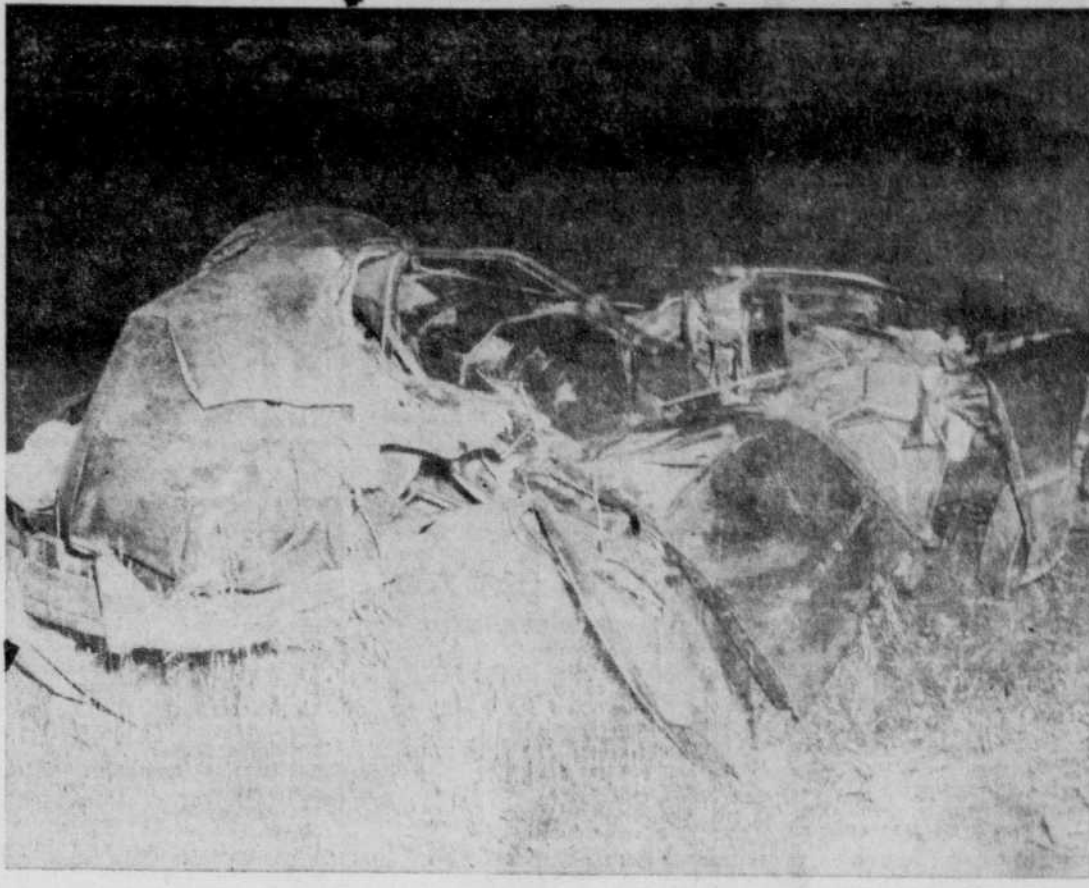

A few scattered showers helped ease the fire siege in the central Sault Ste. Marie area, the weather bureau reported, but no appreciable rain fell in the far north areas of Cochrane and Kapuskasing, where seven of the biggest fires burn unchecked.

The largest, a 15,000-acre blaze at Bradley township, continued to advance through sparse bushland. Flames in some northern areas still burn a foot underground. Only heavy rain can reach them. But no prolonged rainfall is forecast. The Cochrane-Kapuskasing areas still are barred to non-bush personnel.

US Recruits More Nurses In Polio Fight

Boston (AP) — An appeal for nurses went out today as Massachusetts' polio emergency was labelled for the first time an epidemic — a "mild epidemic," in the description of Dr. Joseph P. Reardon, state epidemiologist. The Massachusetts State Nurses Association said it hopes to recruit 43 nurses in North Shore communities and Cape Cod to serve in four Boston hospitals where staffs are taxed. If not enough nurses respond, a state-wide appeal is in prospect.

The 1955 total of polio cases passed 1,000 Wednesday in Massachusetts — a figure that Dr. Roy F. Feemster, director of the state public health departments' communicable diseases division, had described as "the floor of an epidemic."

Two Were Killed — A crumpled heap is all that remains of this car in which two died early this morning following an accident on the Belvedere Road a mile from the city. Driver Bruce McCrea of Milby lived until police arrived but his companion, Miss Stella McElreavy of Sherbrooke, was killed instantly. (Additional pictures, story on page 3). (Studio Breton)

Soviet Scientists Near Solution Of Nature's Feeding Methods

Geneva — (AP) — Soviet scientists told the atoms-for-peace conference today that they believe they are on the verge of solving the mystery of photosynthesis — nature's ingenious method of feeding the world.

A. L. Kursanov told the 72-country meeting that the Russians, using radioactive isotopes as tracers in plant studies, have found out a number of things about the process in which green plants under sunlight convert carbon dioxide and water into the sugars and starches that men and animals eat.

Men of science have long sought the secret of this process, hoping to duplicate it artificially as a help with the world's food problems.

Kursanov described the Soviet findings as "preliminary to the decisive step in the direction of disclosing the mystery of photosynthesis and of mastering this process."

"This probably will take place in the near future," he added. Kursanov reported that the Russians have found that proteins as well as carbohydrates are direct products of photosynthesis in plant leaves. He said that carbohydrates are formed under the influence of the red and yellow parts of sunlight while proteins are formed under the influence of blue light. This latter finding, he said, could be used in hothouse design to influence the quality and quantity of plants.

The Russians also told how they prospect for uranium and thorium under a state plan which relies largely on aerial scouting.

V. I. Baranov said "several de-

posits of industrial significance" were discovered through aviation. Scout planes first select the areas to be covered. Then the prospecting plane, flying at about 150 feet, follows a grid 25 miles long with the parallel flight lines 300 yards apart. Radioactivity is recorded on delicate instruments and aerial photographs are taken.

The United States and Canada also reported on extensive aerial prospecting in addition to their widespread ground prospecting.

Four By-Elections In Sept. Three In Quebec Ridings

Ottawa — (CP) — Federal by-elections will be held Sept. 26 in four traditionally Liberal constituencies. Three are in Quebec, the other in New Brunswick.

The contests, to fill four of six Commons vacancies, may give some indication of voters' reaction to such questions as the sale of wheat and butter to Communist countries. Two of the Quebec by-elections result from the appointment to the Senate of Hon. C. G. Power, wartime air minister who represented Quebec South 38 years, and of Jean Francois Pouliot, member for Temiscouata for 31 years. The third results from the appointment of J. Philippe Picard, member for Bellechasse since 1940, as Canadian ambassador to Argentina.

The New Brunswick constituency of Restigouche-Madawaska became vacant last spring through the death of L. G. Boucher, elected for the first time in the 1953 general election.

Date of the by-elections was learned yesterday from an official of the chief electoral officer's office. He said writs for the by-elections were issued Aug. 5 and that nominations will close Sept. 12.

Ultimate Path Of Connie Still Remains In Doubt

Wilmington, N.C. — (AP) — Hurricane Connie bore down on the Carolina coast today with centre winds of up to 120 miles an hour. The eye was about 120 miles southeast of Myrtle Beach at 9 a.m. EDT.

Winds were near hurricane force of 75 miles an hour near Cape Fear, some 30 miles south of this port city. The eye crept along at about five to seven miles an hour toward the northwest.

A long stretch of coastline from Georgetown, S.C., to Cape Lookout, N.C., braced for the mounting fury of the storm as Connie threatened the whole eastern United States seaboard from Savannah to Block Island, R.I.

Even as Connie whirled her menacing winds off the Carolinas resort area devastated last October by hurricane Hazel, another tropical storm was developing in the Atlantic about 400 miles northeast of San Juan. The Miami weather bureau said the new storm, named Diane, has winds of 50 to 60 miles near the centre and gales outward 100 miles. It is expected to grow stronger steadily, continuing its generally northwest movement at about 14 miles an hour.

The 9 a.m. weather bureau bulletin on Connie pushed hurricane warnings down the South Carolina coast as far as Cape Romain, about 50 miles northeast of Charleston. The red and black flags were up as far north as the Virginia capes.

The Frying Pan shoals lightship, 45 miles off the mouth of the Cape Fear river and 60 miles southeast of Wilmington, pitched and tossed in winds up to 90 miles an hour and raging seas as early as 8 a.m.

Paul Moore, forecaster in the Miami storm warning centre, noted that Connie was spreading out somewhat, thereby reducing peak wind velocity near the centre. But she is far from a dying storm, he warned, and "we don't want anybody to let down their guard."

There still is no positive indication of the eventual path of this first big blow of the season. However, the Miami weather bureau's hurricane staff this morning said Connie probably would continue to move slowly for the next six to eight hours and cause no great change in conditions along the Carolina coasts during that time.

"Since the hurricane is in a position to bring dangerous winds to the coast very quickly if it begins to show a definite movement toward the north or northwest, all interests should remain on the alert and continue all precautions," said an early-morning advisory.

Mayor Frank Collier, whose vacation resort of Carolina Beach, N.C., was almost destroyed by hurricane Hazel last October, reported increasingly high winds and water during the night.

Gusts which he estimated reached 75 miles an hour sent heavy swells rolling over boardwalks and lapping at summer cottages, some of them only recently rebuilt.

Officials at Wrightsville Beach, some 12 miles south of here, reported water lapping at the city hall and almost inundating the lower half of the mile-long beach.

Connie, which was spotted first as a tropical storm last Friday, has churned along for the last three days off the coast, giving ample time for persons along the Atlantic seaboard to prepare.

The Red Cross and civil defence have hundreds of workers standing by, and the highway patrol, the civil air patrol and amateur radio operators have set up an emergency communications system.

Most of the popular beach resorts along the coast have been evacuated, along with many of the small towns in the possible path of the hurricane.

And Wednesday night, while all attention was focused on

Toronto Is Ready

Toronto (CP) — Residents of the Humber valley were ready today for full-scale evacuation of the area flooded by hurricane Hazel last fall as meteorological forecasters warned that hurricane Connie now is following the same path.

Connie, an unrelated tornado ripped through eastern South Carolina, injuring at least six persons and damaging numerous small buildings.

Three hurricanes bombarded the eastern coast last year, taking 250 lives and causing countless millions of dollars of damage.

Hazel, which claimed almost 200 lives in the U.S. and Canada, proved the worst. And Connie's early path and hesitant wait before lashing the coast was reminiscent of Hazel's actions.

"Call Girl" Ring Cracked In Montreal

Montreal — (CP) — The morality squad, under vice-buster Pacificque (Pax) Plante, claims to have smashed a million-dollar-a-year "call girl" racket involving some 300 personable young women, including businesswomen.

Assistant City Police Director Plante said Wednesday night that the racket, in which the otherwise self-supporting women were lured into prostitution, was broken with the help of the RCMP narcotics squad and Quebec Liquor Commission police following three months investigation.

The morality squad reported uncovering a recording system in which the names, addresses and telephone numbers of 300 women were listed.

Plante said "It is appalling to see names of so many business and office girls, all of them working for reputable, decent firms, who have been supplementing their income in this fashion."

"Every one of the girls is being watched, and we are watching particularly the public relations men of many big firms, as well as some professional men who were in on this thing. We have their names."

The first break in the case came May 13 when the morality squad, headed by Lieut. Leo Lequin, swooped down on a Park avenue cottage and arrested a woman identified then as Anita Raymond. The name has subsequently proved to be an alias, police said.

The woman pleaded guilty to charges of operating a disorderly house and was fined \$200 and costs or one month in jail.

FBI Breaks NY Quartet Of Robbers

New York — (AP) — The FBI says it has cracked the largest cash bank robbery in history, seizing two men as alleged members of a smooth-working quartet and held up a Queens bank to the tune of \$305,000.

Warrants were issued for two other men thought to have been the ringleaders in the carefully planned holdup. A fifth man has been held as a material witness.

Arraigned Wednesday were James McCoo, 36, and Frank Cocchiaro, 34, both of Astoria, Queens — not far from the looted Woodside, Queens, branch of the Chase Manhattan Bank.

McCoo, accused of taking part in the robbery, was held without bond. Cocchiaro was held in \$50,000 bail, charged with aiding and abetting the stickup.

Cocchiaro's wife, Mildred, was a teller at the Woodside bank when four bandits appeared on the morning of April 6 and made off with the record haul without firing a shot. Mrs. Cocchiaro since has resigned.

Paul W. Windels, assistant United States attorney, said none of the stolen money has been recovered. Windels also said the hold-up was partly an inside job but did not point a finger at any employee.

Big 4 Ministers Meet In October

Paris (Reuters) — The Big Four foreign ministers will meet in Geneva Oct. 27 to tackle the agenda prepared for them by last month's summit conference, the French foreign ministry said today.

1st Div. Counterattacks In Operation Rising Star

Camp Gagetown, N.B. (CP) — The 1st Canadian Infantry Division today hurled a counter-stroke at the enemy in Exercise Rising Star.

Purpose of the thrust at the enemy centre was to drive such a deep gap that the enemy's right flank would be put in a precarious position, forcing him to retreat.

The supposed three-division enemy is represented by only one battalion, the 2nd Black Watch, but the platoon is considered to be a company and one company a brigade.

The weather promised to be sunny and hot and 48 naval planes which have flown hundreds of sorties as part of the exercise were expected to be out in full force again.

The division was given local air superiority for a limited time.

The Doofer Family

By Alma Sioux Scarberry

TOOTH STORY

Gussie Doofer was having a bad toothache, but she was afraid to go to Doctor Toofer, the dentist. So Dollie Doofer had tricked her into going by pretending that Ooofie-Gooofie had a toothache and that baby Jollie needed to have her teeth examined. But even after Ooofie had his teeth fixed and cleaned, Gussie still shook her head stubbornly.

She was very silly! Finally Doctor Toofer picked one-year-old Jollie up and put her in the chair. Then he smiled, "Well, I guess it's your turn, big girl. Open your mouth wide."

They were amazed when the baby understood. She laughed and clapped her hands as if she thought it were a wonderful game. Then she opened her little mouth wide. The Doctor examined her little teeth very tenderly.

Women's Institute Picnic Meeting

Sweetsburg—Mrs. G. B. Cousins was the hostess at a picnic meeting of the Cowansville Women's Institute with Mrs. Eula White presiding.

The motion was carried to ask the Cowansville Town Council to place refuse containers for waste paper and other articles which disfigure the streets, in convenient places throughout the town. A scholarship for Grade IX of the Cowansville High School was also approved by the members.

Four conveners of departments spoke briefly on their subjects: Citizenship—Mrs. Mary McClure, dealing with fatalities, traffic accidents and drownings; Mrs. H. M. Smith, agriculture, spoke on shrubs, plants, etc.; Mrs. Bruce Miner, for health and welfare, explained why canned goods should be left in tins until the full amount is used, because the can has been sterilized before being filled, whereas perhaps the glass jar has not been sterilized; Mrs. W. D. Smith, education, spoke on a summer school at Gaspe and a French school for nature study at Algonquin Park, Ont.

Mrs. J. G. Gibson, who with her husband, spent the past winter in and around London and Liverpool, England, gave an interesting talk on her travels.

The September meeting is to be entertained by the president and her daughter-in-law, Mrs. Robert White, Church Avenue, Cowansville.

General Notes

The members of St. Patrick's Society of this village joined with the St. Patrick's Society of Granby, in holding a day of fun and friendship at Sweetsburg Beach in the form of a picnic for families and friends of any age group. Prizes were given for the young participants in field and water events. The joint chairmen were Messrs. George Besette, of Sweetsburg, and Peter Dunn, of Granby, and Mr. Charles Byrne was in charge of transportation of the Granby citizens to Sweetsburg.

Mrs. Ovila Lamoureux, of Knowlton's Landing, and Mr. Eugene Ethier, of Bolton Centre, were guests of Mr. and Mrs. Harold Williams.

Cloud Of Question Marks

Considerable misgivings were voiced over Marshal Tito's future course after Soviet leaders visited Yugoslavia this spring. But Tito then was at pains to assure the West he had not been lured back into the Russian fold. He still is insisting that amicable relations will be preserved. But his recent comments and actions must cause us to view these reassurances with more skepticism than formerly.

For example: Tito says he thinks his country, Greece and Turkey, three Balkan lands which were about to embark on a firm defensive military pact, should now abandon that project and relax their efforts.

Now, if Tito were a starry-eyed neutralist, such an attitude would be understandable. But he is a hard-boiled realist trained in the Moscow school of communism.

Therefore he must know that the Russians have done nothing yet to warrant letting down the guard against them.

Tito has also indicated a readiness to revive relations with the Russian Communist party. He says Yugoslavia will not go back to its pre-1948

position in the Soviet bloc. But Western diplomats cannot help worrying at this warming up of an old contact.

The Yugoslav leader flatly declared there is no present danger of a Soviet war against the West. He indicated, too, that he believes the current Russian masters have abandoned ideas of world domination.

There is always a chance, naturally, that Tito's assessment of Soviet purposes is accurate. After all, the Western leaders themselves probably would never sit down at the negotiating table with the Russians again if they did not steadily keep the door open to the prospect of such a change.

The point is, however, that the West must have concrete proof, unassailable evidence, before we relax or in any important way modify defensive arrangements that were so hard won over the difficult years since the Soviet Union showed its post-war colors.

Tito has not seen fit to wait for this proof. By that measure, he has lessened the trust the West can have in him as a potential bulwark against Kremlin aggression.

And The Fields Turned Green

One of the most impressive sights for humans — especially those who have been forced to look on mud-colored, snowy streets of a city for the winter months — is the wonderful carpet of green which Nature lays over the land in the spring. But spring is not the only time that fields, or even lawns, can turn green. This phenomenon also occurs, if there are timely rains, during the summer months.

When farmers complete their hay harvest, they want a nice rain, because this means the second growth will come along fine. One has only to remember the happenings of the past few days to realize the amazing manner in which a brownish field,

from which the hay has been taken, quickly turns to a luscious green if there is sufficient moisture.

The same happens after harvest on a field which has been seeded down to alfalfa, clover or other hay or pasture crops. Then, too, a good rain can perform miracles. The clover soon peeps up among the stubble and submerges it.

The summer rains are important as they help provide autumn pasture, new green fields coming to the assistance of the pasture fields brown and scorched by the summer's sun. And, of course, late summer rains are of great advantage to fall plowing. Plowing is at its best when the land has moisture.

me smallholders and at least 200 are at work in the small rice fields in Malay villages from one end of the country to the other.

On estates, holdings of more than 100 acres, the value of mechanization is more apparent. It is estimated that twice as much mechanized cultivation now takes place on these estates as five years ago.

In the rubber industry, most important to Malaya's economy and at the same time most vulnerable to market changes, there is evidence that the swing towards mechanization is increasing, particularly for costly operations like replanting.

The government is determined that rice production in Malaya shall increase.

The rate of opening up new land for the settlement of smallholders, however, must depend upon the rate at which small farmers become available. Most of them are poor men and the conversion of an average of four acres from jungle or swamp to a rice-growing area is an arduous task.

It takes him an average of four or five years to bring this four-acre plot to full production unless he is given substantial financial help, tractors and other equipment.

Soviet Pioneers Left In Lurch, Paper Complains

Moscow. — (P) — Many of the thousands of pioneers the Soviet government has sent to farm in central Asia and Siberia are not getting enough shelter and living conveniences. This is reported in Trud, organ of the Soviet Trade Unions Council.

These people were packed off to the far reaches of the Soviet Union to push Nikita S. Khrushchev's drive for more grain, more meat, more butter, more of everything edible.

"While some good work has been done in the construction of houses, barns, bakeries and many other structures, there are construction trusts which do not fulfill their assigned plans," says Trud.

JACOBY On Bridge

TOO LITTLE, TOO SOON IN BRIDGE

It takes an expert to beat South at five diamonds in today's hand. The defence isn't difficult, really, but it goes against the average player's grain.

When the hand was actually played, East won the first trick with the ace of spades, cashed the ace of trumps, and got out with a trump. He then sat back and hoped that another trick would develop somewhere or other.

East is still waiting for that other trick. South took the top hearts and ruffed a heart, thus

establishing dummy's 10. He could later discard a club on the 10 of hearts, and dummy had two trumps for his two losing spades.

East muffed the defence at the second trick when he led the ace of diamonds. Instead, he should lead a club, right up to dummy's strength. This lead sets up a club trick for West.

Even then South still has a try for his contract. He takes the ace and king of hearts and ruffs a heart, setting up dummy's 10. He then ruffs a spade to get to dummy and leads the 10 of hearts. East must ruff with his low trump to prevent South from discarding. South is then washed up.

It's difficult for West to lead a club up to dummy's ace-ten, but the play is unlikely to cost anything. If South has the queen and jack, he will eventually finesse even if East doesn't lead the suit. If South has only one picture card, the lead costs nothing. If South has the king and jack, East's lead saves him the trouble of guessing the location of the queen.

Only in the last case does East lose anything by his lead, and in many cases it is vital for East to act at once to develop a club trick before it is too late.

Jamaica Making Strong Bid For Summer Tourist

Kingston Jamaica. — (P) — This Caribbean island has turned its sand and sun and scenery into a major industry.

Last year more than 120,000 tourists visited Jamaica. The tourist board hopes within five years to double the volume.

Top salesman for the group is Abe Issa, a Jamaican whose holdings include two large resort hotels, shirt and shoe factories, and Kingston's largest department store.

The new market for which the tourist board is aiming is the summer tourists. Said Issa:

"We want to reach the workers.... who have two week summer vacations."

Six years ago when every resort hotel automatically closed its doors at the end of the winter season, Issa built a hotel on Jamaica's north coast and kept it open the year around.

Since then all other hotels have followed suit.

Summer trade still is slow. Although during the December-April period every one of the hotels (with combined bed capacity of 3,500) is booked solid, the average occupancy for the year is only 40 per cent.

During the heat-wave months in the United States it often is cooler in Jamaica. Some of the mountain homes use fireplaces.

AVID READERS
Norwegians have always been known as great readers, perhaps because of long winter nights.

LINOLEUM SALES
Canada imported more than twice as much British linoleum in the first half of 1955, compared to 1954.

If Trees Could Talk!

Bygone Days

THIRTY YEARS AGO
From the Record of Tuesday, August 11, 1925.

Complete accord has been reached between Great Britain and France in connection with guarantees for the boundary of Germany, following the Allied evacuation of these areas. The agreement provides for a series of mutual assistance pacts.

Reports from Montreal indicated that fresh negotiations have been opened between the United States banking interests and the Canadian asbestos mining companies looking towards a merger of the producing concerns.

Large areas of Western Germany and Holland have been devastated by a tornado which has rendered thousands of people homeless and taken many lives.

A number of operators of smaller stores throughout the city have been victimized during the past few nights by robbers who have entered their premises. Apparently the thieves were in search of money as no merchandise was stolen.

TEN YEARS AGO

From the Record of Saturday, August 11, 1945.

An authoritative diplomatic source said at noon today (7 a.m., E.D.T.) that Britain, the United States, Russia and China were still exchanging views on the Japanese surrender offer. He said he expected some sort of announcement from the Big Four during the day.

Donald Gordon, Chairman of the Prices Board, said today that the ending of the Pacific war would not result in a wholesale lifting of rationing restrictions nor in any immediate relief from all shortages.

Congratulations are today extended to Rev. A. H. McGreer, Vice-Chancellor and Principal of Bishop's University on the occasion of his birthday.

Questions and Answers

Q—Upon whose discoveries were the English claims to North America based?

A—John Cabot's. In 1497 he discovered the coast of North America and took possession in the name of King Henry VII.

Mechanization Entering Malayan Farming Slowly

SINGAPORE. (Reuters) — Mechanization is coming slowly to rubber planting and rice cultivation in Malaya, where manual labor has always been the rule.

Throughout Asia, the sight of lines of men, women and children bending in mud to plant life-giving "padi" or standing in the sun to harvest the rice crop, has been traditional.

In the rubber industry, thousands of laborers have been employed tapping rubber or weeding the huge estates.

To date only about 1,000 tractors

are used for agricultural work in Malaya. This is 10 times the number in use five years ago but it still puts Malaya far behind other countries which are attempting to mechanize agriculture.

A detailed count shows that 740 tractors are in use on estates and the rest on small holdings, mainly growing rice. This total exceeds the number brought into the country for mining, road-making and civil engineering.

Government assistance is making the tractors available to so-

Report On Oka Property

The Company owns approximately 232 acres, consisting of Mining Claims M-6888, 6889, 6890 and M-6747, 6748, 6749, Oka Mining Area, covering Lots 286 to 291 inclusive, in the Parish of l'Annonciation, County of Deux-Montagnes, Quebec.

LOCATION

The property is centrally located in the Oka Mining Area, four miles north of the Town of Oka which is thirty-five miles west of Montreal.

ACCESSIBILITY

A good motor road coincides with the south boundary of the property making it readily accessible.

TPOGRAPHY

The property is partially wooded, and overburdened high ground which slopes from west to east.

GEOLOGY

The property is underlain by rocks of the Grenville series, which consist of granite and crystalline limestone.

On the Kennecott Copper-Molybdenum Corp. and other properties close by, mineralized zones in the crystalline limestone contain pyrochlore and magnetite with columbium-uranium values in commercial quantities.

Cerium and other "rare earths" prevail in sufficient quantity to materially increase the gross value of the ore.

The iron content will be a valuable by-product as there is demand for a high grade magnetite concentrate.

Swimmer's Benefit — Among those attending a dance held last evening to raise funds to aid Lorenzo Lamontagne meet the cost of participating in the championship swim at the Canadian National Exhibition at Toronto were public officials and sports leaders shown above. From left to right, front row, are: C. Richer, manager for Lamontagne; Maurice Ginguet, M.P.; Lorenzo Lamontagne; Mayor Armand Nadeau; Raymond Charlebois; Mrs. Nadeau and Municipal Judge Richard Crepeau.

GEO-PHYSICAL SURVEYING

On account of there being an appreciable amount of magnetic iron and uranium-thorium present, the ore zones of the Oka Area are readily indicated by magnetometer and scintillometer surveys.

From these surveys, anomalies are established, showing the most favorable places to search for ore bodies by diamond drilling.

From a study of the conditions surrounding the Oka-Bathurst property, it is apparent that the ground offers possibilities of mineral occurrences similar to those already found in the Kennecott Copper-Molybdenum Corp. and adjacent properties.

MINING ACTIVITY IN THE AREA

Kennecott Copper-Molybdenum Corp. recently reported having one of the largest reserves of columbium on the North American continent, with one zone alone said to contain 30,000,000

tons of material ranging from 0.10% to 2% columbium and probably 0.5% uranium.

Bouscadillac, about one mile east of Oka-Bathurst, has recently reported over 3,000,000 tons, indicated by diamond drilling and similar to the Kennecott Copper-Molybdenum Corp. ore.

Main Oka, St. Lawrence River and Coulee-Headway are presently outlining large tonnages of similar ore by diamond drilling.

CONCLUSIONS

The Oka-Bathurst Mining Corporation is fully justified in completing a magnetometer-scintillometer survey (now underway) and diamond drilling in an attempt to locate and develop ore bodies similar to those already revealed by the other operators in the immediate area.

COWANSVILLE—

The officials of Emmanuel United Church have received a bequest from the late Mrs. E. H. Conrie, by which her estate pays \$100 a year to Emmanuel United Church for 20 years, the amount of the bequest being \$2,000.

The Woman's Association of Emmanuel United Church are providing flowers for use in the church at the regular morning services at 11 o'clock, during the month of August. In September, the Fordey Ladies' Aid are intending to supply flowers for the same purpose in the United Church here.

Miss Kathleen Moore, of "Sunset Rest Home," in Sweetsburg, who spent the past five months in the Sweetsburg Hospital as the result of a broken hip, was in Fordey, a guest of her brother and wife, Mr. and Mrs. James Moore, who also entertained guests from Hardwick, Vt.

Guests of Mrs. F. C. Pettes during the week included Mrs. Emma Pettes, of Montreal, who spent her vacation at West Brome; Mrs. Iris Wedge and daughter, Karen, of Knowlton.

Mrs. Annie Sparkling has gone to Metis Beach, where she will be employed for a month.

Deaths

ALEX GUILMETTE

OF RICHMOND

Richmond — One of Rich-
mond's highly respected resi-
dents, Mr. Alex Guilmette, be-
loved husband of Georgiane Hill,
passed away at his home on
Craig Street recently, after a
brief illness. Mr. Guilmette was
sixty-seven years of age.

The deceased was born at St.
Christine, Que. on July 26, 1888,
and married Georgiane Hill,
daughter of Mrs. George Hill and
the late Mr. Hill of Richmond.
Of this union two daughters and
three sons were born. Mr. Guil-
mette retired in 1953 after being
employed by the Canadian Na-
tional Railways for more than
thirty years.

The funeral took place from
Fleury's Funeral Home on
Monday, July 18th to the Holy
Family Church, where the pro-
cession was received at the en-
trance by Rev. Father Roland
Bacon.

The high requiem mass was
conducted by Rev. Father Bacon,
assisted by Rev. Father Desile
and Abbot Andre Colard.

Many beautiful floral tributes,
masses, and letters of sympathy
were received, indicating the es-
teem in which Mr. Guilmette was
held.

He leaves to mourn his passing
his wife, the former Georgiane
Hill, two daughters, Mrs. Rou-
ville Dionne, Alexandrina; Mrs.
Ernest Petit, Laurette, of Rich-
mond; three sons, Albert Guil-
mette, of Asbestos; George Guil-
mette, of Cornwall, Ont.; and Ro-
bert Guilmette, of Richmond; two
sisters, Mrs. Lucien Dupont, of
Waterbury, Conn.; and Mrs. A.
Cardin, of Acton Vale; one brother,
Ernest Guilmette, of St.
Christine, and a number of
grandchildren and other relatives.

The bearers were, J. Parker,
R. Morin, J. O. L. Michaud, F.
Dunn, A. Durocher, E. Martel.
Interment took place in St. Bi-
blaine's Cemetery.

MRS. MARY C. WESTON, OF

MARBLETON.

Marbleton—The community was
shocked to learn of the sudden
passing of Lottie Weston on July
4, 1955. She had been in failing
health for some months but was
able to go out in the car and to
do small household tasks.

Mary Charlotte Weston was born
at Lennoxville on October 20,
1872, daughter of Edward J. Ben-
nett and his wife, Catherine Hygh,
and was predeceased by her sister,
Annie, and brother, George.
She was married to Emerson O.
Weston on September 28, 1893,
and lived all but a few months of
her married life in this village.

The funeral service was held
in St. Paul's Anglican Church,
Marbleton, on July 7, with Canon
H. O. N. Belford officiating.
Three favorite hymns were sung
by the choir. The bearers were
Robert Pudden, Douglas Gilbert,
Joseph Mackay, Richard Thorne-
loe, Lloyd Mackay and Worth
Bishop.

The church was filled with sor-
rowing relatives and friends, who
came to pay their respects. The
floral tributes were numerous
and beautiful and were sent from
both far and near. She was laid
to rest in St. Paul's Cemetery.

Mrs. Weston leaves to mourn
her passing, her husband, Emers-
on; two sons, Roy and Clinton;
their wives; three granddaugh-
ters; a grandson; two nieces, their
husbands, and one grandniece.

DR. R. D. BOAST, OF

WINNIPEG.

Formerly of Richmond,
Trenholmeville—The funeral ser-
vice for Dr. R. D. Boast, of Win-
nipeg, Man., was held in Tren-
holmeville United Church on Sat-
urday, July 23. Dr. Boast, who
was in his 69th year, passed away
suddenly at his home on July 20.

The deceased was born in De-
Smet, North Dakota, son of the
late Mr. and Mrs. G. E. Boast, of
Richmond. He spent his boyhood
and youth in Richmond, and stud-
ied at the Ontario Veterinary Col-
lege, which was then in Toronto.

He married Mary Belle McLe-
lan, of Montreal, and Dr. and
Mrs. Boast resided in Winnipeg
for 37 years. Dr. Boast was em-
ployed by the federal department
of agriculture in the health of

animals division for more than
42 years. In recognition of his
service, he received a scroll from
the Rt. Hon. J. G. Gardiner when
he retired last January.

The funeral service was con-
ducted by Rev. J. Leslie Dean.
Bearers were F. Wintle, F. Blan-
chard, E. Comiskey, W. McMor-
ine, E. Davis and R. Hall. Inter-
ment took place in the Trenholme-
ville cemetery.

Dr. Boast leaves to mourn his
loss his wife; two daughters, Mrs.
J. O. Maitland (Marion), of Ot-
tawa, and Mrs. D. Milne (Shirley)
of Winnipeg; five grandchildren;

Marriages

SANVILLE-BLAIS

Derby Line Vt.,—St. Edwards Church at Derby Line was the scene of a pretty wedding on Saturday morning, August 6, at half past nine o'clock, when Pauline Lucienne, daughter of Mr. and Mrs. Antonio Blais of Derby Line, became the bride of Ronald Andrew Sanville, son of Mr. and Mrs. Alexander Sanville of South Troy, Vt. Rev. Father Armand Fortin, parish priest, officiating at the Nuptial Mass and the marriage ceremony. The wedding music was played by Miss Bernadette Fortin and vocal selections were rendered by Mr. and Mrs. Mathias Duquette, of Williamstown, Vt. Multicolored gladioli were used to decorate the Altar and Communion table.

The bride was given in marriage by her father and wore a gown of imported Chantilly lace over bridal satin, designed with a fitted bodice finished with a Peter Pan collar and long sleeves ending in points over her hands, and a ballerina-length skirt featuring tiers of lace and nylon net. Her fingertip-length veil of nylon net, edged with lace, was held in place by a coronet of seed pearls and sequins and she carried a bouquet of red Sweetheart roses with white satin streamers knotted with rosebuds. Miss Doris Blais, as maid of honor for her sister, and Miss Isabelle Sanville and Miss Lorraine Sanville, sisters of the groom, were bridesmaids. Miss Blais, in blue and the other attendants in shell pink nylon net over taffeta, wore gowns styled alike with fitted bodices and ballerina length skirts of tiered taffeta and net and toning flower headresses. The maid of honor carried a bouquet of pink carnations and the bridesmaids, light blue poms.

Mr. Roger Armstrong was best man and the ushers were Mr. Gilles Blais, brother of the bride, and Mr. Eddy Sanville, cousin of the groom.

Mrs. Blais, mother of the bride, was attired in a frock of navy blue dacron, trimmed with light blue and she wore toning accessories and a corsage of white poms.

Mrs. Sanville, mother of the groom, was in a frock of brown printed crepe and she wore brown accessories and a corsage of white poms.

The reception was held at the North Troy parish hall, where the wedding breakfast was served. The bride's table was centered with the three-tier wedding cake made by Mrs. Ben Blais of Derby Line.

Later Mr. and Mrs. Sanville left on their wedding trip, the bride wearing a pearl gray frock of nylon-wool with blue accessories and a corsage of red roses. Mr. and Mrs. Sanville will reside at South Troy.

Guests attended from Maine, Quebec, Massachusetts, the Eastern Townships and Vermont.

PEASLEY MILLER

Montreal, Que. — In St. Luke's United Church, Montreal, the wedding took place on Saturday afternoon, July 23, at four o'clock of Laura Elizabeth, daughter of Mr. and Mrs. William Miller and George Albert Peasley, son of Mr. Alden T. Peasley of Stanstead and the late Mrs. Peasley. Rev. E. D. Errey officiated at the double ring ceremony and the wedding music was played by the church organist. Multicolored gladioli were used to decorate.

The bride, who was given away by her father, wore a cocktail length gown of white nylon net and Rose Pointe lace over bridal satin, designed with a double skirt of net featuring bands of lace. The strapless bodice of lace and net was topped by a jacket fashioned of lace and net finished with a pointed collar and having long sleeves ending in point over her hands. Her Chapel-length veil of net embroidered with flowers and tinted sequins was held in place by a shell-shaped cap of satin, trimmed with pearls and sequins and she carried a Colonial bouquet of white gladioli.

Miss Joan Peasley, sister of the groom, as maid of honor, wore a cocktail length gown of forget-me-not blue satin and nylon net, the strapless bodice, being topped with a jacket of net and sequins and she wore a bandeau of satin and net trimmed with pearls and carried a Colonial bouquet of white and yellow gladioli.

Mr. Robert Miller, brother of

the bride, was best man and Mr. Dean Watson acted as usher.

Mrs. Miller, mother of the bride, was in a frock of blue and white figured sheer over taffeta with which she wore navy blue velvet accessories and a corsage of red gladioli.

The reception was held in the Laurel Room of the Laurentien Hotel, where summer flowers were used to decorate. The bride's table was centered with the three-tier wedding cake topped with a miniature bride and groom.

Later Mr. and Mrs. Peasley left by motor for their wedding trip to Niagara Falls, Ont. They have

taken up residence at "Rolling Hills" Farm, Dufferin Heights, Stanstead.

Out of town guests attending the wedding were Mr. J. A. Peasley and Mr. Alden T. Peasley, grandfather and father of the groom, Mrs. Douglas Mayhew, Mr. Norval Lowell, Mr. John Ferguson, all of Stanstead; Mr. and Mrs. Leslie Dale, of Shawville, Que., and Mr. Harley Standish, of Ayer's Cliff.

Your baby will love their fresh, bland flavor. So send me a note TODAY . . . to Confidentially Yours, 1411 Crescent Street, Montreal—for your own FREE coupons.

Hot Weather Ahead! That makes it still more important that your baby should have the very best milk formula—the one that's easiest for him to digest. Wise mothers are asking their doctor which of the FARMER'S WIFE formula milks is best for their darling. Whole Milk (Red Label); or Partly Skimmed Milk (Blue Label); or Skimmed Milk (Yellow Label). . . This high protein, low fat milk is used in more hospitals than any other formula milk. You can use the same milk at home and know that you are giving baby the best that money can buy. All Farmer's Wife formula milks are packed in a golden-lined tin—to protect the fresh, natural quality and wholesome nourishment.

Here's A Way . . . for getting a wonderful effect with almost no work at all! I wish you'd just try GLIDE LIQUID STARCH—and see how professional it makes your ironing look. And how white the clothes are—because of the blue in Glide. See, too, how smoothly the iron glides over your garments because of the wax in Glide. Once you've tried it, I'm sure that, like me, you won't want to be without it again. So easy to use—simply add water to Glide, hot or cold—that's all! You can get it in the 32 oz. bottle, or the giant economy size—64 oz. jar—and have a very useful container for pickles—or for picnics! Do buy Glide this week!

Nothing More Aggravating . . . than getting a cold in these hot summer days! Yet it can happen so easily! If it does—do remember the comfort you'll find in MENTHOLATUM. . . Use Mentholum when your nose is clogged and you find it difficult to breathe—just insert a little of this soothing medication inside the nostrils with your little finger . . . so the Mentholum will cover the inner surface. Then breathe deeply to draw the cooling vapors back into your nose and throat passages. . . Such a relief! Won't you send for a GENEROUS FREE SAMPLE of Mentholum? Write me at Confidentially Yours, 1411 Crescent St., Montreal.

Thank You Gentlemen! . . . Thank you, Mr. Chase and Mr. Sanborn for the magic perfection of iced coffee on a hot summer's eve—a perfection that comes only with your INSTANT CHASE & SANBORN! Full-flavored—refreshing—stimulating—cooling! As I sip in enjoyment I hear Mr. Chase: "That superb flavor, Miss Sanders, comes, as you know, from my matchless skill in brewing!" . . . Then, Mr. Sanborn: "But, my dear fellow, you have to have the top quality beans I'm so insistent on—before you get that fine coffee flavor!" I sip in enjoyment and think, "You're both right! And don't forget the 100 years of coffee knowledge back of you!"

Out-Of-Doors Living—with the sun and the wind and the dust—means that more than ever your hair needs the protection of Woodbury Shampoo—the natural oil shampoo. For little girls . . . and big girls too . . . there's no finer shampoo than Woodbury—for it washes hair shining clean—but does not "dry" it by removing the natural oils. And one's hair is so easy to manage—even right after a WOODBURY COCOANUT OIL SHAMPOO . . . glossy, soft, prettier than ever! You've got a very special chance to get this wonderful shampoo for your family now—at a special bargain! The big \$1.20 size is only 59¢—for a limited period. Get your Woodbury Shampoo today!

Talk Of The Wonders Of Science! I feel I have one of them right in the kitchen sink every night, when I pour in a cap of the new liquid detergent GAY. For there are the frothing, fragrant suds—so pleasant to work with! There's the result in silver, glassware and china that sparkles with cleanliness. And there—because Gay has extra grease-cutting powers, are the pots and pans scrubbed fresh and shining with so little effort. And yet—and this is so important!—science has created Gay so that it's easy on the hands—doesn't dry the skin. Economical too—one bottle does fifty dish-washings. Hooray for Gay!

Utterly Delicious! An ice cold—delicate—yet nourishing dessert!

It's Amazing! . . . You'll be delighted with the rich, true fruit flavors of the new ROYAL INSTANT puddings or pie fillings—Yummy Strawberry Cream—and Banana Cream! You make them in a jiffy—and they taste as if you had made them with the fresh fruit themselves! And do try the new Royal Instant Caramel pudding or pie filling—made from an exclusive recipe which can't be copied. I find that all the new super-homogenized Royal Instant puddings are smooth and creamy . . . with never a lump or sticky taste. These are the three new and perfect Royal Instant hot weather desserts—so quick—so delicious! Do serve them often!

My Vote's For The Seaside every time it's holiday time! I know of no air so relaxing. Another thing that helps me to relax is the knowledge that my jewelry and irreplaceable mementoes are in the steel-strong security of a BANK OF MONTREAL Safety Deposit Box. Not even the sea could relax me if I left them behind in an empty house or apartment—at the mercy of thieves—especially in August, the year's biggest holiday month. A Safety Deposit Box gives you full protection from fire, loss and theft. It costs so little—less than two cents a day—yet it gives the sense of security counts for so much! If you are going away this month, why not ensure that your vacation is as carefree as possible by renting your BoM Safety Deposit Box today.

Modern Rolling Hills Motel Is Situated On Stanstead Highway Near Lennoxville

It looks as if the motel has become a distinctive part of the Canadian and American scene.

"Rolling Hills Motel" a long, lean line of white and green which has sprung out of the green hills on the Stanstead highway outside Lennoxville, is another facet to cope with the increasing influx of tourists to the Eastern Townships.

Sherbrooke hit a tourist record last week when over 600 visitors sought information at the Tourist Bureau here in one day. This is the highest ever recorded at the office and is at least 100 over last year's peak.

With this in view it's no wonder Rolling Hills Motel, with its cool, colorful rooms and fine cuisine, finds business booming after only a few weeks of operation.

The official opening of the road side inn is to be held this Friday, August 12, from five to nine in the evening and a gala "open house" is being planned by owner and manager A. Hill.

for all who wish to take a look at the premises.

The 300-foot long building is designed at an obtuse angle, with two wings sweeping away from the main building which comprises a roomy television lounge furnished in "Old Canadian" with pale yellow and maroon upholstery against a background of knotty pine panelling. The dining room and kitchen are also in this part of the building. The dining room seats 40 guests and is run by A. Burns who has the restaurant concession for the motel.

The cuisine which features steaks and barbecues is under the direction of chief cook Mrs. Hattie Bell formerly of Armitage's and of a Florida resort restaurant. She is assisted by Royaula Desloges and two waitresses Miss Jane Hamilton and Mrs. Ann Grinham.

Motel staff include Miss Lena Jacques, Mrs. Dora Hunting and Mrs. A. Hill.

The living accommodation

provided at the motel includes 24 units, each with private entrance and bathroom with shower. The units line both sides of the two wings and alternate, one with a big double bed and the next with twin beds. The interior decorating, which was done by a Montreal firm, is cheerful yet conservative, with gray and light cherry forming two of the basic colors. The paneling in one wing is in knotty pine with "Old Canadian" furnishings. The other wing is painted a clear color with furniture in the "Swedish modern" design.

During the hot weather, a motel is a most popular place for tourists, especially one such as the Rolling Hills Motel. With its magical setting among the green hills, and its proximity to Sherbrooke and to the resort areas on Lake Massawippi, this roadside inn draws both visitors from afar as well as local guests seeking good food served under pleasant and comfortable conditions. Far enough away from the city to escape the intense heat, it is also close enough to provide easy access to Sherbrooke's cosmopolitan places of amusement and its wide scope as the commercial centre of the Eastern Townships.

Tourists Find Ideal Accommodation At Rolling Hills

A spacious television lounge is one of the major features of the Rolling Hills Motel which is having its official opening this Friday. The lounge is furnished in bleached "Old Canadian" centered around a large red brick fireplace. The walls are half in knotty pine and half in pastel.

Dinner Specialties Add To Attraction Of New Modern Motel

This is the month for our "rush and hurry" visitors from across the border, according to Sherbrooke's Tourist Bureau.

Tourists are being cagey this year, though, a bureau spokesman told the Record. This is the peak year for numbers of visitors from both at home and abroad, but people just aren't spending as much money as in former years.

Tourists to Canada are most often people coming for a second or third time. The initial wonder of a new place is gone and this time they are here to see the places they know are worth seeing and they expect to get their money's worth for their holidays. They realize the best way to do this is to stay away from the cities as much as possible and in this realization lies the secret to Canada's booming motel industry.

Rolling Hills Motel, situated five miles from Sherbrooke and eight miles from North Hatley, is an ideal spot for the wise tourist to stop. Here is comfortable accommodation, excellent food, an incomparable setting, and all for a moderate price.

But it's not only the newcomer who can appreciate "Rolling Hills." It's an ideal spot to stop for a light supper on the way back from the lake. Or if you're the hungry type you might try one of the dining room specials, such as a steak, or something from the barbecue. The restaurant concession is run by Al Burns, owner of Jack's Restaurant on the Sherbrooke-Lennoxville road, and the cooking is done by Mrs. Hattie Bell.

Quiet after-dinner recreation is available in the cool roomy television lounge which adjoins the dining room. The lounge features

bleached "Old Canadian" furniture, a red brick fireplace, and comfortable lounging chairs.

Another unique aspect of the motel is the "Hobby Shop" which is to be set up shortly, both as an advantage for local craftsmen and hobbyists who wish to display their work and for visitors who wish to see and buy. It will feature all sorts of crafts and hobbies and whether the work is sold or not will not be as important as whether it gives a true picture of the work done in the Eastern Townships, according to owner A. Hill.

Sixty Guests Attend Miscellaneous Shower For Sweetsburg Bride-Elect

Sweetsburg — About 60 ladies of Sweetsburg and vicinity attended the miscellaneous shower held in the parlors of Christ Church in honor of Miss Joan Ruiter, a bride-elect of the month.

Miss Ruiter, who had accompanied Mrs. W. Austin Lee to the parlors on the pretense of selecting dishes for the wedding reception, was completely surprised when the lights were turned on and the strains of the Lohengrin Bridal Chorus, played by Mrs. Arthur Tanner, were

heard. After the bride-to-be had been presented with a corsage of yellow carnations she was escorted to a seat before a wishing-well, handsomely designed to yellow and mauve crepe paper, surrounded with small umbrellas. The well was the work of Mrs. Lee, who also acted as mistress of ceremonies for the evening.

Mrs. Bryce Douglass and Miss Edna King, of Cowansville, assisted the guest of honor and her sister-in-law-to-be, Mrs. Lee, in unwrapping the lovely gifts.

Miss Ruiter expressed her thanks and much fun was created when the single girls unwound the large ball of ribbons from the engagement ring, the ring going to Miss Pauline Tanner.

A humorous reading was given by Mrs. James Williams and refreshments were served by the members of Christ Church Guild and W.A., headed by the president, Mrs. W. A. Lee.

TO EXHIBIT PAINTINGS

On August 17, 18 and 19, Mrs. Lawrence B. Fuller, of 16 Severn Avenue, Westmount, is holding an exhibition of hand-paintings and sculpture at the Bruck Silk Recreational Clubhouse in Cowansville. The opening will take place on August 17 at 3 p.m.

Major-General C. B. Price, of Knowlton, will be present to open the exhibition and introduce Mrs. Fuller, a well-known artist and former resident of Cowansville, formerly Miss Gwendolyn Norris. Mrs. Fuller expects to exhibit 10 pieces of sculpture and about 30 paintings.

The paintings are of the Eastern Townships, England, Ireland, Montreal and California. There will be no admission fee.

A HAND-SHAKE is all that's needed...

... to make these boys feel at home! They've come to Niagara-on-the-Lake from all parts of the earth — over continents and seas, by air and rail and ship — to attend North America's

first World Jamboree ... Ten thousand of them, they stem from sixty nations, yet speak a common language — the language of Boy Scouts the world over.

"MY BANK" ATTENDS THE Jamboree!

Canada's First Bank is happy to extend a special hand of welcome to the Scouts at Canada's first World Jamboree. For the B of M is playing its part in making the boys feel at home by providing a banking service on the Jamboree grounds ... a service designed especially to take care of their away-from-home banking needs. The pleasure which Scouts take in being of service to others is no greater than the pleasure which the B of M takes in being at the service of Boy Scouts.

Garry Kolod Turns In Fine Hurling Job To Down Thetford Mines

Fans 14 As Locals Post 9-4 Win; Jim Mulby And Rocky Chambers Clout Homers; Meet Again Tonight

Garry Kolod's stand-out pitching coupled with two circuit blows by Jim Mulby and Rocky Chambers was sufficient power for the Indians to post their second straight win over the Miners of Thetford last night in the Mining Town.

Weather permitting the teams are slated to clash this evening at the local stadium. Jackie Price, baseball's top comedian, is also on the agenda. He is slated to commence at 7.30 just prior to the game at 8.00.

In the other tilts St. Johns walked off with a double win over the Phillies of Three Rivers, 3-1 and 8-4. At Burlington the A's came through with a surprise victory when they stopped the Braves of Quebec 6-2.

Garry Kolod's stand-out pitching and a pair of homers with two men on base each time made the difference as Sherbrooke downed Thetford Mines on the Miners' home grounds.

Kolod fanned 14 men, scattered six hits and walked only two batters for his sixth win in 13 tries. Jim Mulby and Rocky Chambers backed him up with two-on-homers in the fourth and eighth innings respectively.

Bob Miller, who yielded the Thetford Mines mound to Charlie Moore in the ninth, now has an 8-11 pitching record.

At St. Johns, Walt Hardy looped out a full-house homer in the seventh inning of the second contest to give the Canadiens an 8-4 decision after they took the first game 3-1.

The home crew brought in three runs in the fourth inning to wrap up the abbreviated opener. Bullock and Semproch won the distance for the win and loss respectively, each giving up five hits.

Dean Lakatosch doled out nine hits in the second game for his 14th victory against only three

losses. The loss went to Bill Rink, who was reliever by Arlen Leslie in the seventh.

In Burlington, Jack Hale yielded only five hits to earn his 14th victory against four defeats as the Athletics reached three Quebec hurlers for 11 safeties. Starter Phil Misley was the loser.

Jack Braithwaite and Chick Longest batted in all the runs for the winners. Braithwaite had two hits in four times up and Longest three in five.

International Moves Down To Wire With Royals Holding Slim Margin Over Leafs; Both Won Last Night

The International League pennant race is coming down to the wire with a three way scramble for first place. With little more than three weeks remaining only 2 1/2 games separate the first three teams today.

The Montreal Royals held on to their one game margin over the Toronto Maple Leafs Wednesday night by defeating the Rochester Red Wings 8-1 as the Maple Leafs edged the Buffalo Bisons 1-0 in a 5-inning game called by rain.

Both teams gained a half game on the idle Havana Sugar Kings. The Syracuse Chiefs, Columbus Jets and Richmond Virginians were also idle.

The Royals, who took over first place from the Leafs Sunday, have 34 game left. Toronto has 30 and the Cubans 32. The season ends Monday, Sept. 5 Labor Day.

Montreal backed lefty Ken Lehman's four hit effort against the Red Wings with a 15-hit attack. The Royals stopped a five game Rochester winning streak and dropped the Wings 11 games back.

Toronto's Mario Picone and Buffalo's Ben Flowers were locked in a pitchers duel when the rain came. The game was called after a 45 minute delay. The Leafs scored an unearned run in the fourth inning.

Brompton Lake Fishing Derby Won By Dr. T. H. Southwood; Forty-Two Competed For Prizes In Annual Event

Richmond — Despite bad weather and a rough lake, the Brompton Lake Fish and Game Club held its annual Fish Derby Sunday afternoon with over 42 adult entries recorded and many children.

The participants were forced to battle stormy waters and were drenched by a heavy storm but this did not hinder their eagerness to go after the "big ones".

Commencing at noon the derby went on until 7.00 in the evening, with over 50 fish registered. The club had the pleasure of having on hand J. B. S. Huard, pres. of the E. T. Fish and Game Club who acted as one of the judges. Others were Euclide DeCoste, past pres. and Roland Pouliot, Game Warden.

The following list of names shows the winners in the derby. Dr. T. H. Southwood of Sherbrooke compiled eight points and was awarded the Roger Trudeau Trophy, a miniature trophy and

32,448 See Lions Edge Argos 30-24

Vancouver — A record 22,448 delighted fans saw British Columbia Lions win their second game Wednesday night as the Western Interprovincial Football Union club clawed out a 30-24 exhibition win over Toronto Argonauts of the eastern Big Four.

Lions did it with a stone-wall line and a backfield full of flinging quarterbacks. Last season, their first in the WIFU, Lions won one game.

For Argos, their first venture west of the Rocky mountains was costly. Ken Foster and Maury O'Callaghan were taken to hospital.

Trainer George Stockwell said Foster, a 25-year-old halfback, suffered a broken ankle and O'Callaghan a fractured clavicle.

Quinella Pays \$132.50

Adelard Dumas' little brown mare, Mary G. Herbert, despite "Indian File" handicap and the combined efforts of six other drivers came home the winner in both ends of Wednesday's feature at the local track last night. Driver Louis Fraught teamed the favorite in a closing drive to the wire to pick up his two wins in 2.12 2/5 and 2.11 2/5.

Dr. Charles Taylor who started with Direct Song in second spot, in the unique style, took the lead each time and held on until the home stretch when Mary G. Herbert came through with her usual burst of speed to nose out the Ayer's Cliff combination. The finish was so close that each time a photo was required to determine the winner.

The outcome was a decided affair from the start as the majority of the railbirds picked the little mare on the pari-mutuel. In the first trip the Dumas mare paid \$4.70, \$3.50 and \$2.70 while the second time \$4.20, \$3.20 and \$2.90 was picked up by her backers.

The big upset of the evening was registered in the final class of the evening, the ninth, when Bomber Grattan came home the winner to pay \$26.10 \$20.10 and \$5.30 across the board. The quinella was also tops of the evening when Miss Pauline Cote's steed teamed up with Jennie Frisco A to pay \$132.50.

In the sixth the quinella of Buddie Miller and Brooke Evans

Bob Bedard Moves Into Semi-Finals For Quebec Title

Quebec — Jacques Giguere of Quebec extended first-seeded Bob Bedard of Sherbrooke, Que., to five sets Wednesday night before bowing out in the semi-finals of the men's singles in the Quebec City and district tennis championships.

Bedard took the match 4-6, 6-4, 4-6, 6-1, 6-4 after countering stiff opposition from the Quebecer in the form of accurate placements and hard service returns.

Henri Rochon of Montreal easily won 6-0, 6-0, 6-2 against Jean Marois of Quebec and will meet Bedard in the finals today.

In the women's semi-finals, Anne Barclay of Vancouver downed Gilberte Morin of Quebec 6-3, 6-4. She will go against Eleanor Dodge of Montreal, who made the finals by beating Raymond Warren of Quebec 6-2, 6-1.

Eskimos Wallop Tiger-Cats 21-6

Edmonton — Edmonton Eskimos displayed some of the championship form that won them the Grey Cup last November as they whipped Hamilton Tiger-Cats 21-6 Wednesday night before about 10,000 boosters.

Edmonton worked out of the split T formation with Jackie Parker in the quarterback slot. Don Getty, with University of Western Ontario Mustangs last year, called the game for brief spells.

All-Stars Top Drummondville in Exhibition

Richmond — Rollie Letourneau hurled the Richmond All-Star team to a 4-2 verdict over the Aramis, Club from Drummondville.

A small crowd watched the game with both teams fairly even. Aurel Durand hurled for Aramis giving up eight hits and was credited with eight strikeouts. He walked only one man while Letourneau allowed only three hits, fanned six and walked four men.

P. Fortier opened the scoring for Drummondville on a walk and counted on Jack Illick's three-bagger in the fourth inning. Bob Beaudet started the victory run for the locals when he slammed a three-bagger which counted Ken Dubois and Roger Beaudin to give the town crew the lead. Johnny Viens singled scoring Beaudet to give Richmond a 3-1 lead ending the fifth frame. Fortier added a second run in the sixth stealing home on Rod Cabana's error at third, to cut the margin by one run.

The sixth-inning had Letourneau starting with a double; Jean Beland flied out to the catcher, Dubois fanned and Beaudin doubled scoring Letourneau for the fourth run. Catcher Gilbert Gagnon flied out to center-field for the third out and ended the scoring for Richmond.

The visitors were scoreless in the seventh frame and the game ended after that. Roger Beaudin of the Prospect squad had three hits, one run for three times at bat with Letourneau getting one run, one hit and striking out once.

Roughriders Post Easy Win Over Als

Montreal — Ways and means of setting up a solid pass defence became No. 1 problem today for coach Peashead Walker of Montreal Alouettes.

The reason was obvious. Coach Frankie Filchuck's Saskatchewan Roughriders bowled over or sifted through the Montreal line with surprising regularity Wednesday night and, with a fair-amount show of offensive alertness, stomped out the Als 12-3.

There was a minimum of spectacular play and 20,276 fans who sat through a light but steady rain hadn't a great deal to enthuse about. What stood out was a powerful defensive line the westerners trotted out, a line that cracked through the Montreal front wall a-plenty and all but ran passers Sam Etcheverry and Joe Zaleski ragged.

Yanks Forced 13 Innings Before Nosing Out Red Sox; Indians Take Over As White Sox Stopped By A's

Whoever thought the Kansas City Athletics would have a voice in the American League pennant race? Yet it's been the A's who have had the big say in the snarled flag chase over the past two weeks.

In that span, Lou Boudreau's sixth-place also rans have thwarted the big contenders in five of nine meetings. And Wednesday night, they rapped the Chicago White Sox out of first place with a 5-4 decision — leaving the way clear for Cleveland to claim the lead for the first time since May 21 as Ralph Kiner smacked a ninth-inning grand slammer to trim Detroit 6-4.

That left the Tribe two percentage points ahead of the White Sox, who in turn are four points to the good over New York after the Yankees' 3-2, 13-inning victory over Boston. The defeat sent the Red Sox two games behind.

The A's, who took 2-of-3 from Boston and split a four-game set with the Yanks before matching Chicago 1-1 in their three-game series, belted the Chicks for two first inning runs on back-to-back triples by leadoff man Vic Power and Enos Slaughter. Hector Lopez then put them beyond reach with a home run and single that made it 5-2. The Sox got two more runs in the eighth, one on Bob Niekman's homer.

Cleveland had home runs by Al Rosen and Hal Naragon (his first in the majors), but trailed the Tigers 4-2 on the strength of Earl Torgeson's two-run shot off Mike Garcia in the seventh. Then after pinch singles by Hoot Evers and Hank Foiles and Al Smith's bunt single, Kiner put Al Aber's first pitch over the left field fence.

An error by Billy Klause and a drawn-in outfield, that enabled Andy Carey to line a run-scoring single over the head of Ted Williams, broke up the Yank-Red Sox duel. Don Larsen, making it three straight since returning from the minors 11 days ago, took it over from Frank Sullivan after New York had matched Grady Hatton's two-run single in the second with a pair in the third.

Rain postponed Washington at Baltimore in the only other AL game on tap.

In the National, Brooklyn topped New York 5-4 in a game called in the seventh by rain; St. Louis put second-place Milwaukee 15 games back, 7-2; Pittsburgh edged Philadelphia 3-2 in 10 innings, and Cincinnati took two at Chicago, 7-2 and 6-3.

Gil Hodges drove in three runs with a double and single as the Dodgers packed their scoring in the first two frames. The Giants scored twice in the first without a hit against rookie Roger Craig. Karl Spooner won in relief after Craig went wild again in a two-run Giant fifth.

St. Louis smacked 11 hits, three each by Stan Musial and Alex Grammas, while Tom Poholsky held the Braves to six. Musial got his 1,000 extra base hit with a double.

Ted Kluszewski hit his 37th homer (his 200th lifetime) and the Cubs' Ernie Banks tied Brooklyn's Duke Snider for the major league lead with his 38th in the second game as the Redlegs snapped Chicago's six-game winning streak. Rookie Don Gross won his first major league decision in the opener.

A bases-loaded single by Jerry Lynch won for the Pirates, who had an early 2-0 lead on Frank Thomas' two-run homer.

Marlene Stewart Leads Classy Field Into Quarter-Finals For Open Title

Victoria — (CP) — Eight top-notch golfers went into the quarter-final round of the Canadian women's golf championship here today after surviving a testing second round.

Leading the eight were: Defending champion Marlene Stewart of Fonthill, Ont., who Wednesday defeated Betty Stanhope of Edmonton. Alberta junior champion 5 and 3 and today meets Sheila Collins of Dundas, Ont.

Medalist Mrs. Edean Anderson of Ithaca, N.Y., 1952 open champion, meets Mrs. Katie Wilson of Lethbridge, Alta., after beating British Columbia champion Dorothy Herbertson of Victoria 2 and 1.

Rae Milligan of Jasper, Alta., Ontario and Alberta champion, who said she had to lose her temper at the 16th hole before over-coming a bad start and beating Mrs. H. McIntyre of Victoria at the 19th.

Miss Stewart said she played one of her toughest competitive matches in beating Miss Stanhope. Both played par golf until the Edmonton miss conceded the 15th hole and thus the match after going into a sandtrap.

Miss Milligan had plenty of troubles early in her round. One down at the turn, there was more misfortune when her ball went out of bounds on the 10th. At the 15th, she was three down.

"Then I got mad," she explained later. Slamming ramrod-straight drives from the tee and putting fiercely but accurately, Miss Milligan tore down the Victoria woman's lead with three birdies in a row and then won the match with a par four on the 19th.

Mrs. Doreen Brown of Winnipeg beat Noreen Laing of Toronto, runner-up in the Ontario championship this year, after coming from behind in the back nine.

70 Pros Tee Off For CPGA Title

Ancaster, Ont. — (CP) — Seventy-seven golfers from across Canada — the largest entry in the history of the event — tee off today in the first round of the 54-hole Canadian Professional Golfers' Association tournament.

The field will play 18 holes today and wind up with 36 Friday in the chase for \$3,500 in prize money. Medal play will prevail and the general feeling here is that a score of 207 or 208 should be sufficient to win the tournament, taken last year by Stan Leonard of Vancouver, who is not entered this year.

Coaticook United Church Centennial Celebration Dates Deferred To Oct. 29

Coaticook — A meeting of the Anniversary Committee of the United Church met at the Manse on a recent evening to make plans for the Centenary celebration of the local church this Fall. Present were Bob McAlpine, George Engelhardt, Mrs. Marsha Walker and Stan Beerworth.

The dates of the celebration were changed to October 29 and 30 so as not to conflict with a previously-planned event at another church.

The anniversary week-end celebration will be marked by a banquet on Saturday evening, at

which a former pastor of the church will be the guest speaker and a special morning and evening service on Sunday at which two former ministers will preside. Other churches in the area will be invited to join in the special services and at the morning devotional period a new pulpit Bible will be dedicated to all those who through the years have founded and maintained this particular House of God in the community.

A special invitation will be sent out to former members of the congregation who are now

living in other communities to be present and it is hoped that the event may be an old-fashioned family gathering.

The committee is preparing a souvenir booklet giving the history of the present Coaticook United Church as well as the two preceding Methodist Churches and this should be of interest to many.

An invitation is to be extended to the President of the Montreal-Ottawa Conference, Rev. T. D. F. Everett, to conduct the Sunday service at the following week-end and a congregational social during the week may also be held. Anyone who can assist the committee by supplying addresses of former resident members will greatly aid in the task.

GENERAL NOTES

The Coaticook Police Department report for July shows there were 70 police calls recorded, 3 arrests were made and one serious automobile accident was investigated, as well as five less serious ones. Eleven traffic tickets were handed out for various offenses. The patrol car travelled 6,600 miles during the month and 22 permits for new construction were issued.

Mr. and Mrs. Waldo Paige, of Canaan, Vt., Mr. and Mrs. William Earle and children, of Concord, N. H., and Mr. and Mrs. Emerson Paige, of Ottawa, were recent guests at the home of Mr. and Mrs. B. N. Robinson.

Mr. and Mrs. Gordon Beerworth, Richard and John, were week-end guests at the home of Mr. and Mrs. Stanley Beerworth. Master Richard Beerworth is spending two weeks visiting relatives in Coaticook.

Mr. Frank Turnbull and three children, of Picton, N. S., were callers at the home of Mr. and Mrs. Nelson Turnbull. Mr. Jack Turnbull accompanied them to Montreal for the evening to visit their relatives.

Mr. and Mrs. Percy Pearsall and Mr. and Mrs. Eric Foster, of Demorestville, Picton, Ont., were callers at the homes of Mr. and Mrs. N. Turnbull, Mr. and Mrs. Stan Cromwell and Mr. and Mrs. S. Beerworth.

The Sunday morning service at the Ayer's Cliff United Church was conducted by Stanley Beerworth during the absence of Rev. Harold Boomhour on vacation. Mr. Bob McAlpine rendered a very enjoyable vocal solo, "How Lovely Are Thy Dwellings", accompanied by Mrs. Wm. Rexford at the organ.

Recent communications from Cecil Meade to his parents, Mr. and Mrs. S. A. Meade, of Coaticook, reveal that he is in good health and enjoying his visit to Australia and New Zealand. Cecil reports that his piano recitals recently in the country "down under" have met with very gratifying response by the citizens.

Mr. George Engelhardt, Mr. Bob McAlpine and Mr. S. Beerworth were in Sherbrooke recently.

Rev. and Mrs. Frank S. Cant and family are taking a two-week vacation. The services for the next two Sundays at the United Church will be conducted by Stan Beerworth.

Mr. and Mrs. Stanley Cromwell and daughter, Irene, were in Sherbrooke on Saturday afternoon.

Miss Miriam Brown, daughter of Mr. and Mrs. Jack Brown, entertained a number of her young friends on Thursday afternoon on the occasion of her birthday. Extensive repairs to the streets of the town were made this past week by men and machines of the O'Connell Co. Ltd.
