Barges landing bricks, cordwood, sand and hay allowed ten running days in which to discharge their cargo, on which the above wharfage rates will be paid. After that delay they will pay one half of one cent per day on their registered tonnage for every day that they remain at the wharf.

Goods remaining on the wharves or in the sheds for more than four clear working days after the complete discharge of the vessel from which they have been landed except as hereinafter provided, shall be subject to additional charges as follows:— For each of the first four days, an amount equal to the wharfage paid on said goods, and— For each of the second four days double the amount of the wharfage paid on said goods, and— For each and every day thereafter, five times the amount of wharfage paid on said goods. The Commissioners may remove and store at the expense of whomsoever it may concern, all goods not removed within eight clear working days after the complete discharge of the vessel from which the goods were landed. Consignees who may claim that their goods could not be removed within the above delay on account of the action of H. M. Customs shall furnish to the Commissioners a certificate signed by the Collector of Customs, setting forth the cause of the delay and the date that their goods were released by Customs.

Goods requiring to be gauged by H. M. Customs shall be allowed a further delay of four days for removal, in addition to the four days above mentioned, before the additional charge will be made.

The agent of every vessel discharging in the harbour the cargo of which is subject to the payment of wharfage dues shall deliver at the Office of the Commissioners, within twenty-four hours after the final discharge of the vessel, a certificate to the effect that immediately after the expiry of five days after the final discharge of the vessel, a list of the goods not removed, with their weight or measurement, marks and the names of the consignees as appear on the manifest of the vessel from which the goods were discharged.

After the expiry of the delay given for the removal of goods from the wharves, the Agent of any vessel shall not deliver to the consignee such goods as may not have been removed, unless said consignee produces a certificate from the Secretary of the Commissioners that the additional charges have been paid, and when the delay granted by said certificate for the removal of goods has expired, the Agent of any vessel shall discontinue the delivery of said goods until the consignee produces another certificate from the Secretary that the further additional charges accrued have been paid.

Green fruit landed on the wharves and sold by public auction shall be liable to additional charges as herein provided, unless removed within five clear working days after the date of the auction sale of the cargo of the vessel from which it was landed.

No fish is allowed to be sold on the property of the Harbour Commissioners.

Wharfage rates on goods exported are payable at the Custom House within twenty days from the date the vessel by which the goods were shipped left the harbour, and all wharfages not paid within the said delay shall be subject to an additional charge of twenty-five per cent. of the rates herein provided.

No claim for refund of wharfage will be entertained unless made, in writing, within thirty days of the payment of said wharfage.

Lumber landed on the wharves ex barge or steamer shall be allowed a further delay of three days for removal in addition to the four days above mentioned, making seven days in all before the additional charge will be made.
