PRICE—THREE CENTS

Letter Commends Price For Red Cross Support

Warm praise and appreciation of the work done by the Canadian Red Cross overseas is expressed in a letter of thanks from Sir Ernest Burdon, Deputy Chairman of the British Red Cross Society and Order of St. John of Jerusalem, to Mr. Jackson Dodds, C.B.E., Chairman of the Central Council of the Canadian Red Cross Society.

The letter, which makes special mention of Major General C. B. Price, C.B., D.S.O., M.C., former Canadian Red Cross Commissioner overseas, reads in part as follows:

"I am writing on behalf of the War Organization of the British Red Cross and Order of St. John to express to the Canadian Red Cross Society our warm appreciation of the response the Society made to our urgent appeals both for ambulance drivers and V.A.D.'s."

"At the time of asking for drivers we were barred by existing regulations from recruiting in this country women between the ages of 18 and 41, and consequently were so hard pressed for

suitable personnel that it would have been impossible to fulfil our obligations to transport our sick and wounded had the Canadian Red Cross Society not stepped in to the breach.

"Your drivers were appointed to Army Commands in this country, to special Ambulance Convoys under the control of Headquarters, and, in due course, some went to the Continent of Europe. They worked all hours

J. A. Strain To Instruct 'Y' Public Speaking Group

Mr. J. A. Strain, Personnel Manager of Swift Canadian Company, and an active member of the Junior Board of Trade Public Speaking Group, will be the Instructor of the Westmount Y.M.C.A. Public Speaking Class, opening on Wednesday, February 6th and continuing each Wednesday for twelve weeks.

This course will be limited to twenty and is open to both men and women.

Mr. Strain is a member of the Junior Board of Trade debating team and has given a great deal of time to public speaking.

This course will deal not only with the practical but also the specific psychological aspects of public speaking, and will be found of immense value to business young men and women, who desire to develop their potential possibilities.

Rotarians Semi-Annual Report

Reporting satisfactory progress for the first six months of the Westmount Rotary Club's calendar year, Vice-President P. J. McAndrews reviewed the Club's Service Committees at this week's luncheon at Victoria Hall.

Reading reports submitted to him by the various chairmen in charge of the Club's Service Committee, Mr. McAndrews paid high tribute to the committee heads and requested that they distinguish themselves to the same extent during the next six months.

Members of visiting Rotaries were welcomed by President A. A. Boire.

Canadian Legion No. 39 Install New Officers

No. 39 Westmount Branch, Canadian Legion, held its installation of officers' ceremony at Victoria Hall on the evening of January 16. Mr. Chapman of Provincial Command officiated while Mr. Keith Wooley, Provincial Secretary, acted as Sergeant-at-Arms. The officers and executive of the Ladies' Auxiliary were sworn in also. Short addresses were made by Mrs. Heron, president of the Ladies' Auxiliary, who introduced several officers and ex-officers of the Ladies' Provincial Command; by Mr. Chapman and Mr. Wooley, who gave a very interesting account of the Legion's activities, past and present.

Mr. Frank Hale, newly elected president of No. 39, acted as host and gave an address on this branch's work for the near future. He then introduced comrade MacFarlane, past president, who gave an account of the branch from the time of its inception last March. Canon Oliver, Protestant padre of the branch, stressed the importance of the Legion and generously offered his services any time when called upon.

Some good entertainment arranged by Ozzie Dalzell, was enjoyed by the members and guests

Advent Youth Club Meeting Tonight

The newly formed Advent Youth Club sponsored by the Church of the Advent will hold a meeting in the Parish Hall this evening at 7.30 p.m. to draw a program for future activities. President John Brighton will preside at the session.

To-date the club enlisted a membership of 38, including nine war veterans of World War II. Father Sydenham B. Lindsay, parish priest has been elected Honorary Patron and Father Reginald G. Stewart will act as Vice-Patron.

Alphas Plan Sleighride

Members and friends of the Alpha Omega Society at St. Andrew's Church were privileged hearing an entertaining address on Sunday evening by Terrence O'Dell, chief announcer of radio station CJAD. Mr. O'Dell delivered an informative talk on the growth of Canadian Radio and, particularly, of his work as an announcer in Canada and the United States. A question period was held at the conclusion of Mr. O'Dell's talk.

"An evening of Gershwin" has been planned for the Society meeting for the coming Sunday evening commencing at 8.30 p.m. Recordings of George Gershwin's most popular music will be played. Group A, with leaders, Ian Fraser, Carol Horsburgh, Walter Mingle and Jane Bird will be in charge of the programme.

The Society's annual sleigh ride takes place Friday evening. All young people attending are requested to arrive at Montreal West Station at 8.00 p.m. sharp. At the conclusion of the sleigh ride, members will return to the church for a party, with games, dancing and refreshments.

Health Week Set For February 3

National Health Week, sponsored by the Health League of Canada, is the only means through which the public will learn how to demand proper health legislation, Dr. Gordon Bates, National Director of the league, said recently during a visit to Montreal.

The week of February 3 has been designated by the league as its third annual National Health Week, which has been endorsed by provincial departments of health and education across Canada as well as by Dominion departments, Dr. Bates said.

The Hon. Brooke Claxton, minister of the Dominion Department of National Health and Welfare, is to inaugurate the week campaign in a nation wide radio speech Sunday evening, February 3, the director said, urging all schools, service clubs and departments of health to prepare corresponding programs in health education for their members.

"The demand for health legislation must come from the people," Dr. Bates claimed. He said the league is laying special emphasis this year on compulsory pasteurization and pre-marital examinations for venereal diseases.

PUTTERS CLUB PLAN SOCIAL

The Westmount Putters Social Club is throwing another party Monday night at Victoria Hall replete with entertainment and refreshments. All former putters are invited to attend. The event will get underway a little after eight o'clock.

The group held another session last Monday with a fairly large attendance. As usual cards, singing, music and games rounded out the evening's entertainment. Darts was added to the group's repertoire of games last week.

One Thousand Children Cared For By Agencies

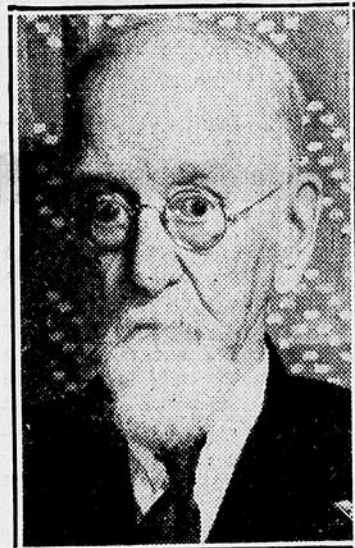

"The Children's Service Association is an expression of the concern of the whole community that all children should have the opportunity to lead normal, happy lives, to become productive citizens, and to share in Canada's wealth and culture," said E. I. Smit, Executive Secretary Children's Service Association and Women's Directory, who gave a Saturday radio address over CFCF under the auspices of the City Improvement League and Municipal Service Bureau.

"Each year the Children's Service Association with its affiliated agencies cares for over one thousand children. One thousand children, everyone with his own personality and problems, everyone the

J. Duncan Reaches 100th Birthday

With the signing of peace last September, James W. Duncan realized an overwhelming ambition to see the end of the war, and today he realizes another ambition—to celebrate his 100th birthday.

Check Your Phone List

More than 140 telephone subscribers in the neighborhood of Cote des Neiges have just had their telephone numbers changed from the Wilbank, Wellington and Fitzroy central offices to Atlantic and EXdale, E. M. Armour, Bell Telephone manager in the west end, announced this week.

Callers are being urged to avoid calling wrong numbers by consulting the new directory before telephoning, and bring desk lists and memo pads up to date.

At the present time, there are no more facilities for additional subscribers in the Wilbank building. That is why some subscribers' lines must be transferred to the Atlantic building.

Acute shortage of dial switching equipment in exchange buildings is the reason why many applications for telephone service must be deferred, Mr. Armour said.

most important person in the world to himself. Some of these children are very young, less than two weeks old, and some are just emerging into young manhood and womanhood. They are of varied racial extractions and nationalities—Anglo-Saxon, Central European, Mediterranean, Negro, Oriental—in fact, a cross-section of the people who populate Canada. One thing they have in common—they are Canadians," he said.

"It is good to be able to say that. They are Canadians, they are our children, they belong to us who are Canadians too. They are our children to feed and clothe, to educate and to bring up in our ideals and national culture, and, according to how well we do the job, they will repay by becoming productive citizens, sharing in turn their Canadian responsibilities," Mr. Smit asserted.

"Few full orphans, that is, children whose father and mother are dead, find their way to 'orphanages,' or, as we now call them, child caring agencies. In 4,000 applications to the Children's Service Association to place children, exactly 8 involved orphans. 3,992 involved children with one or both parents living. If this causes you surprise, remember that relatives step forward in most cases when parents are dead and the children are given the care they need without calling in the services of a child-caring agency," he revealed.

Queen's Alumnae Attend Lecture

A well-attended meeting was held jointly by the Montreal Branch of the Queen's Alumnae and Alumni Associations in the Ritz Carlton Hotel on Monday, January 21st, 1946.

Two coloured movies were shown, "Let's Spin a Yarn" by courtesy of C.I.L. and "New Horizons" presented by the Quebec Anglers Association. The former picture, in addition to describing the processing of raw flake to nylon yarn, illustrated the great variety of materials which are coming in 1946, and the men as well as the women were intrigued by the modelled display of sheer hosiery. In "New Horizons", fly casting in Westmount Park and in the Laurentian Lakes were shown, and both the beautiful mountain scenery as well as the humorous remarks of the commentator were well received.

A social hour followed the presentation of the pictures, during which refreshments were served.

Westmount Highlights

"Tonight," in the words of Peter Johnson, the stocky, brown-haired president of the Skigulls Ski Club, "is the night." The brown-haired fellow could be a little prejudiced but the vast majority of Westmount's younger social set seem to be in agreement with him.

All of which is merely preamble to the announcement that stags will be made welcome to-night at the Skigulls' "dance of the season," scheduled to get underway in the Westmount High gym at nine o'clock.

Pete and his hard-working aides, among them Johnny Draper, Jerry Burke and Bob McAllister, all skiers of note, claim that everything is now in readiness. Ticket sales have been proceeding at an unusually fast pace and it looks as though the under-sized WHS gym is going to be bursting at the seams this evening.

Final touches, in the way of decorating the gym and providing the Westerners Orchestra with a place to park their posteriors and instruments, will be applied this afternoon. Volunteers for these all-important tasks cordially invited. Hecklers urged to remain absent.

Robert Bert Grindley, the maestro of the drink booth, will be in his old familiar stall and he'll have a new assistant. The newcomer to the drink-vending ranks: Peter "Wolfgang" Siemers, president of the Westmount Boys' Hi-Y Club and a basketball player of no ordinary merit.

So, it's nine o'clock in the WHS gym tonight, gentle reader. We'll be seeing you there.

P & W REVUE

Arthur Orrel Voronka, co-producer of the Purple and White Revue '46, was in a particularly jovial mood when we found him guzzling some of the products of Sol's stationary Stationery Fountain the other day.

The producer's handsome features, which are all too often creased with frowns, were filled with dimples as he told us of the auditioning that went on in the junior high auditorium Wednesday afternoon. The auditions were strictly for singers and Arturo was definitely pleased at the wealth of talent unearthed.

Orrel refused to make anything in the nature of a definite announcement but did say that he was very much impressed with the singing of Joan Brown, the doll-eyed young lady who sang "Close As the Pages in a Book" at the November amateur show, and that of Robert Smith, the puck chaser who sang in last year's show.

There were quite a few other warblers on hand. Among them: Jean "Junior's Miss" Van Patter, Patricia Jane Peirce, William Hannington, also a veteran of last year's production, and Marie-Suzanne Wolfkill, the tall femme who's directing the chorus line this year.

The Purple and White Revue's publicity staff has at long last been organized. Your Westmount Highlighter has been chosen as head of this all-important branch of endeavour. Assistant: Patricia Nettelfield, the girl from Toronto. Assistants to the assistant: the Misses Enid French, Jean Van Patter and Beverley Woodburn.

of his grandsons have returned. One, Capt. James W. Duncan, is home after six years service overseas while the other, Cpl. Doug Jones, served three years overseas.

Ignoring the vagaries of Montreal weather this year, Mr. Duncan goes for his daily walk and weathered the 'flu epidemic without even "catching the sniffles".

Born in St. Catharines, Ontario, he is a veteran of the Fenian Raids and has resided in Montreal for the past 82 years. Devoting the early part of his life to the grain and transportation business with the firm of J. and H. McLean, he still follows the mining industry in which later years he became an expert.

Two daughters from East Orange, N.J., Mrs. Joseph White and Mrs. W. L. Russell, have arrived in Montreal to celebrate Mr. Duncan's birthday. In addition to three daughters, he has one son, Dr. James Duncan of this city and several grandchildren.

Scouts & Cubs

By Reg. Groome

By REG. GROOME

Twenty-eight Cubs met in Trinity Hall on Monday and the meeting was started with a new game followed by instruction period. Akela W. Hutchison of Sherbrooke, Que., was a welcome visitor and instructed in First Aid.

Akela Swales of St. Luke's Pack examined in Compass with the following boys passing the test: John Armstrong, Duncan McNeill, Dennis Heathcote and Lorne Falle. A short relay game followed instruction period, with sing-song and the Grand Howl closing the meeting.

Sixer Brian McKeown acted as Pack Leader and the Red Six under Sixer Dennis Heathcote were the duty six, checking the hall for lost articles. Bagheera Darrel Bedford of St. Luke's Pack has now joined Trinity Pack as Assistant Cubmaster. Bagheera Bedford started his activity in Scouting as a Cub in the Trinity Pack, so he is now right at home.

In last week's column, it was stated that St. Luke's Pack had defeated Westmount Park in the Inter-Pack Hockey League by a score of 3-1. This should have read that Westmount Park downed St. Luke's 3-1. Giles of St. Luke's opened the scoring early in the first period, but Petry of Westmount clinched the game for Westmount in the second period, scoring three goals in rapid succession. Last Saturday, Westmount Park won their second game in the league as they trounced Rushbrooke 8-0. With two wins, the Westmounters now stand on the top of their section of the league.

2nd WESTMOUNT WINS

2nd Westmount Pack defeated the unlucky St. Luke's team by the highest score of the season, scoring eight goals before the St. Luke's boys came through for their only goal of the game; the final score was 11-1. Johnston was the leading scorer for the winners, netting three goals, while Swaine netted two, Southward two, Irving three, McKeown one, and Craig potting the lone St. Luke's tally. The winners racked up seven goals in the first period, three more in the second while St. Luke's garnered one, and added another in the final session.

Saturday, Westmount Park will entertain Rushbrooke while 2nd Westmount plays host to St. Luke's. Both Westmount teams are gunning for their second win in the two game home and home series.

No. 18—Clandeboy Avenue (continued)

Thus, then, the lovely Irish resort of Clandeboy, through Lord Dufferin, finds an echo in the naming of Clandeboy Avenue of Westmount, shown on Goad's Atlas extending from Dorchester Street to St. Antoine Street and so including Brooke. A plan, signed by Booth and dated July 7, 1898, shows the holdings on the east side from the C.P.R.

In the summer of 1888 a petition from Macintosh and Hyde as agents, and T. C. Shaughnessy, a director of the Atlantic and North West Railway Company, requested Council erase, as a public thoroughfare, that part of Clandeboy Avenue "which runs across railway property." Action was deferred but a month later the petition was granted.

In May, 1891, authorization was given the Road Master to close up Clandeboy Avenue, leaving only an opening for foot passengers, while in the Fall of the same year was read and granted a petition asking that Clandeboy be graded, macadamized and a sidewalk laid. At the same time a light was also desired placed at the corner of Selby and Clandeboy Avenue.

A letter from David R. Brown, architect, in April, 1893, enquired if the Town had taken over Clandeboy Avenue as he wished a sidewalk laid down from Dorchester Street.

In December, 1902, a by-law was passed establishing building lines on Clandeboy Avenue and the following year a suggestion made that crossings of granite or other permanent material be constructed at Clandeboy on the south side of Dorchester Street.

Playground

It was long after this, in the winter of 1923, when a move was made that the City purchase the property of Mrs. J. H. B. Christie, on the west side of Clandeboy Avenue, the area being 11,000 sq. ft., bought at 75c. per square foot, for playground purposes. One year later, in 1924, it was approved that improvements be made to the Clandeboy playground at a cost not to exceed \$1,000.

It was not until 1930 that authorization came for Clandeboy Avenue to be paved throughout. Further property was bought from the Westmount Realities Company for \$2,500, an area of 2,750 sq. ft. with buildings thereon in 1932 and later the same year about \$1,000 spent on alterations so that it was made suitable for the City's needs. Again, towards winter, an additional commitment of \$1,075 was made for what was to be known as the Clandeboy Avenue Shelter.

First Authorized

Mid-July 1933 saw the conversion of 127 Clandeboy into a two-family dwelling. This was the first authorized on that street. Brooke Avenue was until September, 1824, the lower section of Clandeboy Avenue.

The taking over of Clandeboy and Brooke Avenues by the Town was tackled on September 4, 1894 "that the Town sign the Deed of Cession and Transfer with present owners conveying the

property to the Town."

Events in this direction moved swiftly and seven days later, the deed of cession and transfer to the Town was made from: F. Wolferston Thomas, General Manager of Molsons Bank, Dame Anne Molson, wife of John Molson, Executors of will of the late James Chadwick; in his lifetime of Manchester, England, represented by George Hyde.

Executors of the will of the late Charles John Bridges, in his lifetime formerly of Montreal and latterly of Winnipeg, John Hyde, Curator of the vacant estate of the late Thomas Cramp, in his lifetime of Montreal, merchant, and Thomas Ealker Brooke and George Brooke, both of Winfield, in the County of York, in England, represented by George Hyde acting under power of Attorney.

Such is the brief summary of activities worthy of note in the inclusion of Clandeboy Avenue as one of the historical streets of Westmount.

Lord Dufferin, as stated, became Governor-General of Canada, during the year election had given the Government of Sir John Macdonald renewed power, and in Quebec, the Capital, the second Parliament of the Dominion of Canada, met in March, 1873, for despatch of business.

Montreal Visits

Lord Dufferin's brief visit to Montreal the year previous became necessary for the purpose of unveiling a statue of the Queen, "an appropriate and congenial duty," as the Governor-General remarked at the time.

His speech, a touching tribute to Her Majesty, at the request of the Mayor, His Excellency also addressed the throngs in French, in which he paid some sensible and agreeable compliments to the "race valeureuse et hardie, dont les explorateurs dans l'intérieur de le continent ont permis a l'industrie europeene de s'implanter non seulement sur les bords du Saint-Laurent, mais encore dans les riches vallees de l'Ohio et du Mississippi."

In his first speech from the Throne, read first in English and then in French, Lord Dufferin referred to the very promising aspect of the country's prospects, especially in consolidation of political unity and development of natural resources. He also announced the grant to a body of Canadian capitalists of a charter for the construction of the Pacific Railway.

In 1875 Lord and Lady Dufferin left Ottawa on a visit home, when he again sojourned at Clandeboy. Near Fredericton, N.B., he had built a mansion almost as large and as splendid as Clandeboy.

Lord Dufferin's Governor-Generalship of Canada ended in 1878, and he again visited Montreal on his departure to receive fresh proofs from this city of deep personal regrets at his going.

The famous Gutenberg Bible is still preserved in 41 original copies. Each copy is valued at approximately \$100,000.

The breach of promise suit was barred from Swedish courts, except in cases when a child was involved, several years ago.

The World War II History of the R.M.R.

(Royal Montreal Regiment)

Westmount, Que.

This is the fourth in a series of five instalments of a speech delivered by Major Robert Schwob, M.C., before the Westmount Municipal Association in November, in which he gave a complete history of the R.M.R.'s during World War II. Major Schwob was second-in-command of the First Battalion during the entire campaign and until it was demobbed.

TYRANNY MUST BE REMOVED

Our first job at Army was a Guard of Honour for the Polish C-in-C. Gen. Sosnkowski; this went off very well, and the Polish General seemed impressed.

On the 28th of May a visit was paid to the Area by the Supreme Commander, Gen. Eisenhower. He spoke briefly and informally to the troops. Among other remarks he said, "One reason we are fighting this War is so we can go fishing when we want to. This is not possible if tyranny exists. It must be removed." Then he said "Somewhere on the Rhine we shall meet again and the party will be on me." On the conclusion of his speech a spontaneous three cheers were given which he acknowledged with a broad grin and wave of his hand.

Then came D Day. For some time we had been getting ready for the day and from Secret Documents and Instructions we knew it would not be long, so it was no surprise. The vehicles were waterproofed and we were ready to go. On D plus 9 a part of the Unit left for France. They got there without casualties, although they were heavily shelled during the crossing. Those of us left behind had no time to worry about their safety because the day after they left Hitler started to get nasty again. This time it took the form of what have been variously called V-1, Buzz Bomb, Doodle Bug and a host of other and far less pleasant terms, and they came over our area far too frequently for our peace of mind.

BUZZ BOMBS

I first heard about them from some of the men at breakfast. They had seen them while on their way home from the pub the night before. However, that morning one, the first I had seen, passed over the Camp and crashed and exploded about half a mile away. We got several more during the

W. Hutchison Dies Here, 80

In the passing of William Watson Hutchison, a director of the Canadian Bank of Commerce and former director of the Lake of Woods Milling Company Limited, at his residence, 364 Metcalfe avenue, Westmount loses a citizen who attained great distinction as an industrialist and sportsman.

Born in this city of Scotch extraction, Mr. Hutchison began his business career in 1881 with Ogilvie and Hutchison, flour millers. The following year he joined the staff of A. W. Ogilvie, flour millers, where he introduced several improvements to flour milling machinery throughout the industry.

In 1885 he moved to Winnipeg to join the staff of the Ogilvie Milling Company and was with this firm until 1897, when he opened the Toronto office of the Lake of Woods Milling Company Limited. Two years later he came to Montreal, where he was promoted to assistant secretary of the company. He was made eastern manager in 1904 and the following year was appointed as director. He became vice-president and general manager in 1910. Mr. Hutchison retired in 1931.

A member of the Board of Trade from 1912 to 1917, he served as vice-president of the Transportation Bureau in 1916 and its chairman in 1917. During the First Great War, he served as a member of the Millers' Committee of Canada under the Food Board and was chairman of its committee in 1919. He played lacrosse as a youth and served in the ranks of the 33rd Huron Regiment.

A governor of the Montreal General Hospital for many years, he was a former director of Catell Food Products; International Paints (Canada) Limited; Holland Varnish Limited; A. Ramsay & Son Limited, and Stewart & Wood Limited.

Mr. Hutchison served as a former vice-president of International Paints (Canada) Limited. He was a member of the Navy League, the Montreal Rotary, and former director of Shawbridge Boys' Farm and the Wereldale Boys' Home. He was a member of the

Trade Unions Vital States CCF Speaker

"Trade Unions and Full Employment" was the subject discussed at a capacity meeting held in Victoria Hall on January 17, under the auspices of the Westmount C.C.F. Clubs. The speakers were Dr. Eugene Forsey, Research Director of the Canadian Congress of Labor, and Frank Scott, National Chairman of the C.C.F.

Trade unions are vitally concerned with increasing and maintaining consumer purchasing power, declared Dr. Forsey. This is itself essential to achieving full employment, and trade unions in directing their activities towards achieving this end are fighting on behalf of all other groups in the country. There is an increased sense of responsibility and awareness of the whole economic position of the country on the part of Canadian trade unions. It is apparent within the movement in the stand taken that increases in pay should be graduated, that the poorest paid should receive increases first. Dr. Forsey pointed out that such a sense of responsibility would be increasingly important in an economy which achieved full employment, because trade unions would be in a strong bargaining position, and if irresponsible could start an inflationary spiral. Dr. Forsey attributed this increased sense of responsibility in part to the influence of the Workers Education movement, and in part to the effect of research bureaus such as his own, which had been

set up by the big unions.

Trade unions are our commandos in the fight to bring democracy into industry, and they are on the beachheads, said Frank Scott. Private industry aims to bring down and keep down wages, and the present government has no policy for providing for full employment. Trade unions are the only group besides the C.C.F. concerned with bringing about full employment. He stressed the importance of the purposes of full employment. Were Canadians content to be fully employed in the production of luxury goods, for profit, or were they going to insist on priorities in production for social purposes. Would they insist on first things first. Trade unions do this, put the human needs of housing, food, health and education before the need for luxury. Private enterprise will never build lower cost housing, or preserve our forests, or develop irrigation schemes, because there is no money profit in these things, but there is great social profit, and these things could become realities only if they were undertaken by the state.

A new Canadian five-cent piece, made of nickel instead of steel, will be issued in 1946. The new coin will be 12-sided and similar in other respects to existing five-cent pieces. It will be issued and accepted in addition to the copper-colored nickels turned out in 1942 and the steel coins made in 1943.

A NEEDY CAUSE

One of Montreal's most perplexing problems is the dire lack of suitable free public libraries where the youth of Canada's largest city may satisfy their quest for learning. A number of strides have been accomplished in recent years in attaining this goal, but there still remains a large amount of territory where the surface has yet to be scratched. Of the approximate 190,800 children resident in Montreal, only about 15,000 are within reach of the now existing too few free libraries.

The Montreal Children's Library, who may be regarded as pioneers in this pressing problem, and who will set out next Monday with the hope of raising enough funds to carry this worthy cause through the new year, appeal to you, the citizens of Westmount, to help out. The Children's Library is handicapped from expansion solely through lack of funds. A total of \$1,000 is realized annually from Municipal and Provincial grants, while public subscriptions amount to approximately \$3,000 yearly.

No civic project can be undertaken until the citizens are awakened and informed of the facts.

It is up to you, citizens of Westmount, to come to the aid of your neighbours—lend a helping hand—it is up to each one of us to insure the future of this city. The youth is the future. Your subscriptions will be sincerely appreciated at the Montreal Children's Library, 637 Dorchester street west.

INTOLERANCE IN ONTARIO

Now that we have succeeded in beating down one of the greatest examples of race intolerance in history—the Nazi system—it is encouraging to see that here and there in our own province something is being done to eradicate the same type of thing.

Recently Mr. Justice J. Keiller Mackey, of the Supreme Court of Ontario, rendered null

and void a clause in a deed which stipulated that a certain parcel of land was "not to be sold to Jews or persons of objectionable nationality." The judge said in his ruling that he could find no precise precedents for his decision, but made it on the grounds that such a stipulation was against the broad principles of British Justice.

Then more recently in Toronto, the City Board of Control paused in its business to hear the story of a Negro resident. He said that his son had been refused admission to an ice rink in the city on the grounds of his color. The Negro then apologized for taking up the time of Council, and was told by Mayor Robert Saunders that "I don't know that we have any work more important than trying to overcome things like this." He promised that the matter would be investigated.

Two isolated cases do not make up a trend, at least it shows that there are persons in authority who are willing to sponsor the principle of tolerance. We have had enough of segregation, of narrow prejudice and discrimination. It works like a slow poison on the minds of men, and the terrifying success of Nazi propaganda should be enough to show how easy it is to make it grow and fester.—Cornwall Standard-Freeholder.

THE NEW CARS

A press release the past week carried a comparison of prices of new cars here and in the United States. The difference between what the U.S. customer will pay and what the Canadian will be charged is smaller by a considerable figure than before the war—in fact, the difference is possibly the smallest in the history of the industry. When the new 1946 cars are available to the Canadian public, we will pay something over two hundred dollars more than the U.S. buyer for the lowest-priced cars. This twenty per cent difference compares with about fifty per cent before the war. The reason is, of course, the much more effective system of price and wage control here as compared with the United States.

WOMEN'S DRESS

The belief that women dress to please men is a masculine fatuity. They don't dress to please anybody. A woman dresses to make some other woman burn up; the triumph is achieved when the other woman betrays herself by a certain glint in the eye, a certain cattiness of phrase couched in terms of poisonous sweetness. — Baltimore Evening Sun.

THE FORUM

Conducted by Howard S. Ross, K.C., D.C.L.

In Which Subjects of General Interest Are Discussed

The opinions expressed in this Forum are not necessarily those of this newspaper, and it does not accept responsibility for them.

The Anglican Church in South Africa stated recently that "the effect of color prejudice is cruel, wasteful and dangerous."

Herbert Morrison, one of the leaders of the British Labor Party, declares that the big issue is how the British people can get a good living and build a peaceful and prosperous world. As to the plea of big business that the less the state concerns itself with economic and industrial affairs the better, he states: "This is the policy of letting the big industrialists do as they please in the hope that somehow the public interest will be served. This policy was followed at the end of the last war with disastrous results."

Surely Mr. Morrison has read the history of Socialism in Europe and noted what a failure it has been. It inevitably has led to the totalitarian state-dictatorships.

Our free enterprise thrives for a time on artificial scarcity and chokes on abundance. Soon comes abundance of goods but not enough purchasing power. Unemployment and a depression is sure to follow. There must be a better way and an increasing number believe that Equitism—the work-unit dollar—is the answer. Such an equitable medium of exchange would make everyone well-off.

Fr. Wilfred Parsons of New York recently told the Catholic University forum that "the racism we are fighting to destroy in Germany, Italy, Hungary and France is no different from the racism existing in the United States." He declared the American Negro to be the "foremost political victim of the social disease." Father Parsons criticized our racial nomenclature, saying: "Racism includes all that is suggested by the phrases in common use among us: white supremacy, anti-Semitism, the yellow peril, America for the Americans, no Mexicans (or Irish or Italians) need apply." Concluding that the ultimate cure lies in religion, the priest reminded all that "it is we who have made the Negro and other people race-conscious by the race-consciousness we practice."

My philosopher friend said: "By establishing equal freedom in the use of the earth the fulcrum upon which the lever of oppression rests will be removed."

Herbert Spencer called "equality of opportunity the law of equal freedom," and "the moral law," and defined it as follows: Each person shall be free to do anything and everything that anyone else is free to do—that is, there shall be "equality of opportunity."

My philosopher said recently that women used cosmetics in the Middle Ages, and continue to do so.

Guysboro, N. S. — The lion and the lamb do lie down together. When Clarence Gillis, C.C.F. Member of Parliament for Cape Breton South in the last house, came here to open a political meeting he had no chairman and Edward Aitkens was asked to take over.

After the meeting some firm Liberals wanted to know what Mr. Aitkens thought he was doing. He told them that Mr. Gillis had honored the town by visiting it and he certainly did not want him

to leave feeling he had not found hospitality.

There is a Liberal Association of Guysboro County. Mr. Aitkens is the president.

London. — Sir Alexander Fleming, the discoverer of penicillin, told doctors and surgeons recently that the drug could stop the spread of a carbuncle in two days. He prophesied anyone with a sore throat would just go to a drug store and get a penicillin lozenge and the sore throat would disappear. Enterprising druggists will eventually put a penicillin lipstick on the market. Penicillin is the ideal antiseptic, he said, because it is non-poisonous and because it is impossible to overdose a patient with it.

(From The New York Times)

The recent heavy trading in the common or ordinary shares of the Canadian Pacific Railway reflects in part heavy liquidation by British investors. These shares, held in the United Kingdom, were not commandeered by the British Government at the outbreak of this war, but holders were required to register them with the Bank of England. British investors now are free to sell them upon application to the Bank of England and this usually is granted in a routine manner if sales are to be made in Canada. This usually means a resale by Canadian brokers in New York. Whether the sales here will be sufficient to result in the control of the road passing to United States interest is anyone's guess. Recent figures show that 53.9 of the common shares of Canadian Pacific were held by British subjects in the United Kingdom, 18.2 per cent by Canadians, 21.6 per cent in the United States and 6.1 per cent in other countries. The company has outstanding 13,400,000 ordinary shares.

In Georgia the Callaway plan provides for the operation of 100 demonstration farms. Each farm is financed by a corporation composed of business men, each of whom has contributed \$1,000. It is hoped to prove that when supplied with ample capital and operated according to modern methods, agriculture can be successful in that region.

Hanson W. Baldwin, the super-sober military expert of the super-sober New York Times, not long ago gave his view in The Times as to what his country for the sake of its future security must get out of this war. Canadians should not object because U.S. security is our security.

Here is the list: Bases in Newfoundland, Labrador, Greenland, perhaps Iceland, Bermuda, the West Indies from the Bahamas to Trinidad, the bulge of Brazil, the Galapagos islands, the Hawaiian islands, Alaska and the Aleutians, the Panama Canal and its outlying defences, bases on the Azores and Ascension island, "under certain conditions . . . even the British Isles themselves," a "strong air-land-naval area" in the Philippines, Guam and the Marianas, perhaps the Bonin and Volcano islands (at least Iwo), Okinawa and perhaps others in the Ryukyus, the Kuriles, the Marshalls and Carolines (and the Palau group), Wake and Canton islands, bases in the Admiralty Islands, the Fijis, New Hebrides, New Guinea, the East Indies and Singapore.

The Church Calls to Worship

Westmount Park

The minister, Rev. G. W. Goth, B.A., B.D., will preach at both services on Sunday. In the morning the sermon topic will be "The Eyes of Faith" and in the evening "The White Tower." Last Sunday Westmount Park Forum heard, with much interest, J. M. Sheridan of the Canadian Chamber of Commerce speak on the subject of "Free Enterprise." This week, the other side will be represented by Professor Frank R. Scott, who will take as his topic: "Freedom in a Planned Society."

Stanley Presbyterian

The annual congregational meeting of Stanley Presbyterian Church will be held in Franklin Hall Memorial on Wednesday, at 8.15 p.m., for the purpose of conducting any business relevant to the life and work of the congregation. There will be an election of elders to the Kirk-Session. Reports from the various organizations will also be received and discussed. All members and adherents are urged to keep this evening free, as a large attendance is earnestly hoped for. The Women's Association are serving light refreshments.

Beginning next Sunday, the Rev. J. D. Wilkie will commence a series of studies at morning worship on the fundamentals of our faith, and the meaning of the same for today. The series will cover the Five Points of Calvinism, and will be as follows: January 27, Total Depravity; February 3, Unconditional Election; February 10, Limited Atonement; February 17, Effectual Grace; February 24, The Perseverance of the Saints.

The regular monthly meeting of Stanley Auxiliary, W.M.S., will be held on Tuesday at 3 p.m. in Franklin Hall Memorial. The speaker will be the Rev. J. D. Wilkie. The Women's Prayer meeting is held every Friday morning at 11 o'clock.

Westmount Baptist

Both services of Westmount Baptist Church will be broadcast Sunday, the morning over Station CBM, and the evening over Station CJAD. The church choir, under the direction of Boyd Hayward, will present a program of music.

The morning address will be "A Searching Question and a Startling Answer." The evening address will carry the title "If I Had Only One Sermon to Preach"—Its Text! Its Theme! Its Message. Its Purpose!

The Bible School has its sessions each Sunday afternoon at 3 p.m. and is under the direction of S. C. Simpson. Miss Lois White is the superintendent of the primary department.

The Young People's organization, of which Leslie Carson is president, meets each Monday evening at 8 p.m.

The choir has its weekly rehearsals on Friday, at 8 p.m. Hibbert Troop, the choir director, is convalescing satisfactorily.

Mid-week service is held on Wednesdays, at 8 p.m. The recovery of the lost art of effective prayer is the primary need of the modern church. A Chinese version of the word of the apostle James reads, "The energy released by the prayer of a righteous man accomplishes mighty results." The church which is on its knees before God will be on its feet before men. All who cherish the privileges of fellowship, study and prayer are invited to this service.

Dominion-Douglas

At the morning service at Dominion-Douglas, Rev. R. Graham Barr will speak on "The Ultimate Test of Religion" and in the evening, Rev. A. Lloyd Smith will preach on "The Glorious Strength of Youth." The morning choir music will be "Hast Thou Not Known, Hast Thou Not Heard"; and "Lord, for Thy Tender Mercies' Sake"; and in the evening "They That Wait Upon the Lord." At 3 p.m. the Sunday School and Bible Class as usual and following the worship there will be a meeting of the minister's membership class in the vestry. At 8.45 the Young People's Union will meet for an interesting program.

The Sewing Circle will meet at 2 p.m. on Monday and the Red Cross at 10 a.m. Wednesday. The Red Cross needs a large attendance to undertake a special piece of work which has been allotted to the group.

The annual meeting of the congregation will be held in the Sunday School Hall at 8 p.m. on Wednesday. All church officials and as many members of the congregation as possible should be present.

During the week there will be the usual activities for the young folk—on Monday Brownies, at 4 p.m. and Cubs at 7 p.m. Scouts will meet on Tuesday at 7 p.m. and Guides on Wednesday at 8 p.m.

On Saturday night, the Intermediate boys of Dominion Douglas Sunday School, held a sleigh drive to the look-out on Mount Royal, and even with the temperature at ten below, didn't have much chance to get cold, as Michael Tucker and Peter Clarke, trying to hold on to the only blanket, saw that no one was allowed to sit still.

On return to the Church, hot chocolate and sandwiches were served, and a fast ping-pong tournament followed, in which Bob Chambers nosed out Donald Fenwick in a close and well-fought final.

SOPHY L. ELLIOTT
"Pioneer Women of North America," by a Westmount author, Miss Sophy L. Elliott, Arlington Ave., was one of the two books chosen to be presented to the Comtesse Jean de Pange de Paris, France, when 100 guests were present at a tea meeting of the Women's Branch of the Antiquarian and Numismatic Society on Friday afternoon at the Chateau de Ramezay. The other volume was "Jeanne Le Ber" by the late Marie Beupre, both books being selected for their merit and accurate portrayal of the Canadian scene. The Comtesse, a Princess in her own right, is herself an author and journalist, and her husband, a professor of the Sorbonne, is a direct descendant of Madame de Stael.

the bride of Mr. Edward Hugh Murphy, son of the late Mr. Wm. Murphy, and Mrs. Murphy, of Montreal.

The Rev. Father Frank McMahon, cousin of the bridegroom, officiated at the ceremony, while Brother Patrick, brother of the bridegroom, served Mass. Mr. James Murphy, brother of the bridegroom acted as best man, and Messrs. Gerald McCarthy and Wm. O'Donnell were ushers.

The bride, who was given in marriage by her brother, Mr. Raymond Patton, wore a floor-length gown of deep turquoise blue velvet, having a draped bodice with square neckline, the over-drape skirt falling in soft folds from the left hip. Her silver sequin Juliette cap was adorned with a waist-length blonde tulle illusion veil edged with silver sequins. She wore silver slippers and silver lace mitts, carrying an arm-bouquet of pink carnations. Miss Ursula Kinsella, her only attendant, was gowned in orchid velvet, having a draped bodice and neckline, the skirt with front drape falling in folds to the floor. She wore a gold sequin Juliette cap with shoulder-length blonde tulle illusion veil with gold sequin edging, gold sandals and gold lace mitts, and carried an arm-bouquet of cream carnations.

Mrs. Murphy, mother of the bridegroom, was gowned in black velvet, trimmed with silver metallic braid, a black velvet hat with coq-feathers, and wore a corsage of red carnations.

During the ceremony, Mr. Tom. O'Reilly, brother-in-law of the bride, sang Roseweil's "Ave Maria", and "Panis Angelicus", and Mr. John Tobin sang "Just For Today."

A reception was held for intimate friends and relatives at the home of the bride's sister, Mrs. Thomas O'Reilly, 1142 Brault Avenue. The bride's going-away costume was a two-piece gold crepe dress with black broadtail coat, black accessories, and a corsage of cream carnations.

Mr. and Mrs. Edward H. Murphy will reside in Verdun.

The bride is a former resident of Notre Dame de Grace.

The bride is a former resident of Westmount.

ASCENSION SODALITY MEET AT ST. PAUL'S

The Young Ladies' Sodality of Ascension Parish held its first meeting of the new year on January 21 in St. Paul's Academy.

Miss Joyce Clarke, the prefect who presided at the meeting, congratulated Miss Eileen Meade and her committee on the splendid work done on the Christmas baskets. Twenty-two baskets of food and thirteen of clothes and toys were collected and distributed to needy families. Miss Meade reported that her committee sponsored an entertainment for the patients at the Montreal Convalescent Hospital at Christmas-time.

The closed retreat, held in December under the direction of the Eucharistic Committee, was reported upon by the chairman, Miss Evelyn Lehman. Twenty-two girls were present to enjoy the instructions given by Father Hilary McDonagh, O.F.M. Mention was made of the 1,975 Masses and 1,750 Holy Communions offered for the Triduum to the Pope by members of the Sodality and Ascension parishioners.

A lengthy discussion followed regarding a Welcome Home dance for the boys of Ascension Parish with a tentative date of Friday, February 8, set. Miss Lorraine Fitzgerald gave a short talk on the Information Hours conducted by the Rev. Father George F. Thoms on the life of Christ and stated that the new series of ten lectures would commence in February. Miss Ruth Austin has been appointed the convener of the tea being held in honour of the new members.

An appeal was made by the Catholic Truth Committee for magazines and papers for the collection being sent to families out West. Miss Patricia Mulcair, who is in charge of the Central Catholic Library subscription, stated that the membership was proving very popular and was in constant use. An invitation was extended to all those interested to work at St. Mary's Hospital as hospital and nurses' aides.

Special meetings of those taking part in the Variety Show have been held and it has been decided that the show will be staged during Easter week. The meeting was brought to a close with a mental prayer by Father Thoms, the director of the Sodality.

Bishop Warns Guild Re Peril Of Another "Lost Generation"

At the monthly meeting of the Xavier Apostolate Guild in Congress Hall the speaker was the Most Rev. Gerald J. Berry, D.D., Bishop of Peterborough, who was introduced by the Guild's Moderator, the Rev. E. M. Brown, S.J. and thanked by Mrs. J. B. Bayne.

Bishop Berry told of the work of the Canadian Youth Commission, an organization founded nearly three years ago and inspired by the Y.M.C.A. It deals with the problems of the youth of Canada, from 15 to 24 years of age — English and French, Catholic and Protestant.

There are eleven main topics, said the speaker, which these youthful Canadians embody in their project. These include: religion, employment, civics, health, education, family life, recreation. Reports have also been translated into French and circulated among French Canadian Youth Societies.

Bishop Berry said that the results of a Gallup Poll conducted by the organization show that as a whole youth is not hostile to religion. Among those not active in any religion, there is an indifference which is not antagonistic. About 50 per cent of all Canadian youths go to church.

His Excellency also stated that the influence of the Church is less than it was a generation ago. Yet Canadian youth have at heart a natural religion which seeks the betterment of mankind and the improvement of peoples' relation towards one another.

Must Be Alert

Bishop Berry pointed out that we must be alive to the problems of our day, and take care that of our present youth, we do not produce another lost generation as after the first great war.

It must ever be remembered that youth reflects the problems of all Canadians.

The Bishop had words of praise for the work of the Xavier Apostolate and told of the splendid work done by padres during the war. He quoted an article by Dorothy Thompson which told how nobly Catholic priests had borne the indignities of the concentration camps.

The President, Mrs. J. P. Boyle was in the chair. Miss Claire Ricci sang three solos accompanied by Mrs. T. B. Shea. Mrs. E. A. Thibodeau was in charge.

STANLEY CHURCH WA GIVES \$1,000 TO FUND NAMES MRS. W. HYDE

At the annual meeting of the W.A. of Stanley Presbyterian Church held recently, when reports showed a successful year, a cheque for \$1,000, was presented to the treasurer of the Mortgage Reduction Fund.

Other donations were made to: Grace Dart Home; Royal Edward Institute, Tyndale House, Friendly Home, Children's Memorial Hospital School for Crippled Children, and W. M. S. Peace Offering Fund.

Officers for the current year are:

Hon. President, Mrs. J. D. Wilkie.

President, Mrs. W. J. Hyde.

First vice-president, Mrs. D. K. Gowans.

Second vice-president, Mrs. J. Murray Mitchell.

Rec. Sec., Mrs. F. W. Benn.

THREE'S A CROWD! Van Johnson thinks that two (meaning Esther Williams) is company, but that Frances Gifford makes it a crowd, in this scene from the TECHNICOLOR musical treat, "Thrill Of a Romance," which opens at the Monkland United Theatre on Saturday, playing until Tuesday.

Cummings, DeFore, Scott Star In "You Came Along"

Theatre audiences will get a glimpse of a brand new personality in Hal Wallis' "You Came Along," Paramount film now playing at the York United Theatre until Tuesday night. Besides bringing Robert Cummings back to the screen after an absence of over two years, during which time he served as an army flight instructor, it introduces Elizabeth Scott.

Miss Scott is a tawny blonde with a low-pitched voice. She stars in the first film role of her career—which promises to be a long and successful one, according to insiders who glimpsed Elizabeth at a sneak preview. Her facial contours are remarkably photogenic, they say, with particular emphasis on a pair of hazel-green eyes. Other remarks

indicate that the Cummings charm is still very much in evidence.

"You Came Along" is, more than anything else, a tender love story, poignant, but never mawkish. It concerns three furloughed fliers, Cummings, Don DeFore and Charles Drake, who meet up with Scott when the Treasury Department commissions her to accompany them on a bond tour. The meeting precipitates a romance between the lady and Cummings which is tempestuous but, because of unfortunate circumstances, short-lived.

The problem of war-time marriages with all the attendant uncertainties is answered with the same forthright courage characteristic of many couples in real life.

"CHRISTMAS IN CONNECTICUT," with Dennis Morgan and Barbara Stanwyck comes to the Westmount United Theatre Sunday.

"Reap The Wild Wind" DeMille Sea Epic At The Snowdon

The incredible Cecil B. DeMille has done it again! His rowdy, gusty, lavishly filmed "Reap the Wild Wind" which is now playing at the Snowdon United Theatre in the full blaze of Technicolor and, in the DeMille tradition, it immediately established itself as a hit.

While acting honors go to the trio of stars, Ray Milland, Paulette Goddard and John Wayne, the main credit must go to DeMille himself. It bears his unmistakable "touch," which only the Old Master himself is able to impart to a picture.

"Reap the Wild Wind" is a tale told in bold, heroic strokes of America's fight to rid the Florida Keys of piratical wreckers who preyed on the lifeline of her windjammer merchant marine in the 1840's. DeMille's 66th picture under the Paramount banner, the present truly great film need make no obeisance to any of its predecessors. It outstrips them all for grandeur of conception, startlingly beautiful photography and excellence of story. It's great drama any way you look at it.

The stand-out sequence in this swash-buckling saga of the sea comes when Ray Milland and Wayne, in an old wreck on the bottom of the Caribbean, engage in a nightmarish battle with a giant squid. If your heart doesn't skip a beat or two on this one you'd better take some vitamin pills and get yourself back to normal. This reviewer, for one, did a bit of gasping as the relentless fight progressed.

In the star-studded supporting cast, Raymond Massey plays the heavy villain, King Cutler, chief of the wreckers. Lynne Overman portrays his mortal enemy, Robert Preston, Susan Hayward, Charles Bickford, Martha O'Driscoll, Walter Hampden, Janet Beecher and Louise Beavers do magnificently by their appointed roles. Hundreds of others appear in lesser roles. The film play was

Monkland United Theatre in 20th Century-Fox's magnificent filmization starring Gene Tierney, John Hodiak and William Bendix with a brilliant supporting cast. With "A Bell for Adano," 20th Century-Fox, the studio which more than any other is recognized for its painstaking care and skill in transferring great literature to great screen entertainment, is being credited with another memorable success matching "The Song of Bernadette," "The Keys Of the Kingdom" and "A Tree Grows in Brooklyn."

Universally acclaimed as one of the finest stories to come out of the war, "A Bell for Adano" is the first post-war story to be made out of World War II. The unforgettable story of a man, a woman and a people, packed with a superb drama, glorious romance and matchless emotion, contains no war scenes whatsoever.

Instead, "A Bell for Adano" tells of Major Joppolo who came to the bomb-blasted village of Adano in Sicily and saw a people without laughter . . . a woman without hope, and of how he conquered their fears with his courage, and her heart with his arms. Overwhelming in the emotional might of its poignant drama, the tender warmth of its great love story and in the stirring challenge it holds for all our tomorrows, the film brings the novel's greatness to the screen in what preview critics the country over are hailing as the picture of our era.

ROMANTIC MELODRAMA! Clare Hamilton and James Mason supply romance in "Hotel Reserve", which features an exciting man-hunt on the Riviera, starting Saturday at the Snowdon United Theatre.

Wilde, Keyes, Silvers, Jergens In "A Thousand And One Nights"

After his portrayal of Chopin in Columbia Pictures' magnificent "A Song to Remember," Cornel Wilde came dashing into the straightway of the matinee idol sweepstakes, right up with the pack. Now that advance reports are arriving about him in his latest film, the same studio's Technicolor extravaganza about the days of old Bagdad, "A Thousand and One Nights," in which he is featured with Evelyn Keyes, Phil Silvers and Adele Jergens

and which is now playing at the Westmount United Theatre until Saturday, he seems destined to make a photo finish of it with the best of them. Cornel has definitely arrived, if Hollywood previewers can pick their bets, and they have been known to do so very successfully often in the past.

As a matter of fact, seldom are reports as glowing as those garnered by the entire cast of "A Thousand and One Nights." Evelyn Keyes, of course, in the past

has received much critical praise for her comedy performances with Allyn Joslyn in both "Dangerous Blondes" and "Strange Affair." But this time, she has a role which is said to be the type that brings an actress sudden stardom. The same is supposedly true of beautiful, champagne blonde Adele Jergens, who is comparatively new to pictures but whom snoopers say will outshine the most glamorous, now that she is being revealed in Technicolor and a filmy wardrobe. Phil Silvers was very funny in "Cover Girl," but again information has it that his latest is his most riotous.

Being the tale of Aladdin and his wonderful lamp, the writers and director have treated it with tongue-in-cheek, we learn, and while the pageantry and colorful settings are magnificent, "A Thousand and One Nights" emphasizes its comedy, songs, swash-buckling swordplay and lovely girls as much as it does its elegance. It seems destined to start

Evelyn Chandler Tells About Ice For the Follies

Ice is just ice for most people. But not for Evelyn Chandler and the rest of the Shipstads and Johnson Ice Follies of 1946 troupe which opens its tenth anniversary edition at the Montreal Forum on February 10th for an engagement which concludes Feb. 18th.

When effervescent Evelyn discusses ice, she talks about all subtle sorts and qualities, ranging from great ice to bad ice.

She is definitely not talking about ice cubes which bob lazily in tall glasses, but of the ice she skates on with such boundless energy. Whenever one comes in first off the ice at practice time or show time she said, the first question asked is "How's the ice?" Sometimes the answer is good, sometimes the answer is bad, but you can't always go by the answer. If the skater happens to be skating well that particular day, he'll always say the ice is great, but if he's off form, he's a clinch to blame it on the ice.

"Actually, good ice is made per recipe, but it also depends on the person and the environment. Just like a good cook can be thrown for a loss by a poor stove," she remarked. For one thing, when the ice is being made the arena or room temperature is very important. So is the temperature of the brine. Also the amount of brine used. Then there are other problems of the ice temperature itself, and of the humidity in the air.

"If things go wrong, you get 'bad' ice. Maybe it's watery ice, which is slippery. Maybe it's too brittle, and the ice chips. Maybe it's too soft, and your skate sashes around in the muck," Evelyn said.

"But don't worry about the Montreal Forum ice. The engineer must be a good cook, or something, because his ice is always good," she concluded.

Strathcona Ties WHS Pucksters

Outremonters Hold Locals To 2-2 Draw

By GEORGE COCHRANE

Westmount High's purple and white sweatered men of the ice lines tied their second game in three starts at the Forum Tuesday afternoon in the opener of a Senior "A" Protestant section doubleheader. The locals battled to a 2-2 tie with Strathcona Academy while Montreal High, who had tied Westmount 3-3 two weeks previous, blanked Montreal West, who had previously defeated Strathcona 3-2, 2-0.

The Westmounters, obviously suffering from overconfidence, played a very lackadaisical game Tuesday and can consider themselves fortunate that they came off with an even share of the points.

The scrappy Outremonters fought them and frequently outplayed them. The Purple and White will have to do better if they are to beat West Hill when the two teams meet at the Forum at four o'clock next Tuesday afternoon.

ACADEMY TAKES LEAD

The white-jerseyed lads from Cote St. Catherine Road catapulted into the lead at the 4:37 mark of the opening canto when Bob Russell fooled Freddie Jones with a long angle shot from just inside the Westmount blue line. The disc skimmed along the surface of the ice, hit the far goal post and bounced into the cords.

Rene Trumpler drew an assist on the play.

That goal made the MacRae coached men temporarily come

out of their lethargy—but only temporarily.

The locals managed to tie the count at the 5:29 mark of the first period when, after a neat bit of puck juggling by the 5-6-7 line of Roy Hellyer, Jack McKissock and Frank Read, Hellyer slammed a rebound into the net.

Read carried the puck almost the entire length of the rink and then fed a lovely pass to McKissock who let fly with a blistering 10-foot drive that Martin Greenbaum had to dive to the ice to block. Hellyer, cruising in from the opposite side, slapped the rubber into the twine to make the scoreboard read 1-1.

ANOTHER FOR S.A.

It was only after 25 seconds of play in the middle frame that the Outremonters again went into the lead. The goal was the result of some really good combination work on the part of Strathcona's big line of Rene Trumpler, Bob Russell and Allan Dowbiggan.

The speedy trio passed their way around the Westmount defence. Dowbiggan rifled a shot after receiving the rubber from Russell. Jones stopped it but had to fall to the ice to do so and Trumpler flopped the bootheel over the local netminder's prostrate form.

The score: Strathcona 2, Westmount 1.

LOCALS TIE IT UP

Less than three minutes later, at the 3:55 mark of the same period, the MacRae men managed to tie the count by scoring one of the flukiest goals ever to be recorded in interscholastic puck history.

Bobby Smith carried the puck inside the Strathcona end and then passed to Norrie Masterman who let fly with a high one that hit Moe Zemel's back and bounced into the net.

It had horseshoes all over it but it still saved the locals from a humiliating defeat, for both

ST. LEO'S SPORTS

by DICK GRIFFIN

In a hectic week of hockey, finishing last Sunday, we find that the Academy boys fared very well, winning seven of nine league engagements.

The most pleasing feature of the week was the fine form shown by the Senior B Club, who, by virtue of their victory over Loyola last Sunday, moved into first place in the Senior B Interscholastic League. Jimmy McCarthy and goaler Dave O'Meara were the spark plugs in the win over the Collegians by a 2 to 1 score.

The Juniors broke even on the week by taking Daniel O'Connell 5 to 1, and dropping a 2 to 0 decision to Loyola Juniors. Mickey Bourassa, Bob Lunny, Vince Heney, Louis St. James and Lang Desjardins all displayed good form in the two games.

Academy Jottings

The sports pages of the McGill Daily speak in glowing terms of three former St. Leo's boxers, and consider them the cream of the crop on the University St. Campus. These three fistic warriors are Milton Orr, Johnnie Heney and Johnnie Rogers. Rogers was McGill Inter Faculty Champ of 1945 while Orr received the trophy as the University's best boxer. Heney last year took the local Naval title.

Martin Barry is helping out with the hockey at St. Malachy's Parish and has invited our Bantams to an exhibition game with the St. Malachy's Bantams. Barry will be best remembered as a star center of the Detroit Red Wings.

Yves Hudon is a little disappointed at a few boys who had promised to play for his Midget team and then without even a fair explanation changed their minds. Yves by the way has his St. Leo's Orphans out on top in the Midget B. circuit. Last Saturday the school's nine hockey teams were all in action and there was more traffic around the school than at any time in years.

The school's Pee Wee League schedule is well underway and the Greys appear to be the class of the league as they are unbeaten in their six league encounters to date. Fred Reynolds, the Grey's goaler, now boasts of three shut-out performances.

Our Bantams have again swung out in front of the Bantam A race of the Westmount Q.A.H.A. Bantam League. Harry Wolfe and Ted Budzon have been the payoff men on the Bantams with their timely goals.

In a thrill packed rough battle at Lachine Arena last Saturday our Senior B squad battled West Hill's Senior A club to a three-all draw. Gerry Turbine was the Academy's big threat with two smart goals and an all around smart performance by the Chicoutimi kid who patrols right wing.

Fiery Dave O'Meara, Senior B goaler, allowed himself to become embroiled with one of the West Hill forwards and incurred the first penalty shot of the season against him for fighting. It was a costly mistake on Dave's part as the Red Raiders took full advantage of the penalty shot to score.

Former athletes visiting their 'Alma Mater' this past week were Captain Jack Hennessy of the R.C.A. and Johnnie Pullam, also a Captain, of the 17th Hussars; both boys just recently returned from overseas. So it is welcome back Jack and Johnnie and we assure you your old school is mighty proud of the successes both of you have won.

St. Leo's Tornados Tied For Top Place

Andy McGillis' St. Leo's team and Richard Lord's Tornados are all tied up in the Bantam "A" section of the Westmount Municipal Hockey League. Both clubs have won their only two starts. The students took two decisions last week, both via the shutout route. They defeated Panthers 2-0 and Golden Eagles 6-0. Tornados on the other hand eked out two one goal victories. They downed Golden Eagles 2-1 and Panthers 4-3.

Two first period goals by Harold Wolfe were the deciding factors in the St. Leo's win over Panthers. On two occasions Wolfe intercepted Panther passes at center ice and swept in to beat Johnnie Gillingham in the loser's nets for clean cut counters.

Bert Kelly scored both of the Tornados goals when they downed Golden Eagles 2-1 at the Staynor rink. The last tally came with but five seconds of the game remaining and broke a 1-all tie. Ned Mundell scored the only goal for the losers.

Kelly went on another scoring rampage at Westmount Park on Saturday afternoon as he scored all four goals as the Tornados beat Panthers 4-3 in a see-saw encounter. Bob Buntin banged in two for the Panthers while Bob Forrest added the third.

St. Leo's had very little trouble with Golden Eagles and ran up a 6-0 count. Ted Budzon led the winners scoring brigade with three goals. Harold Wolfe added two more while Neil Walsh finished off the scoring.

A peek at the individual scoring race shows Bert Kelly of Tornados on top of the heap with six points, all goals. Bob Forrest, Panthers, is next in line with five

points followed by Harold Wolfe, St. Leo's, four points.

In tonight's games, St. Leo's will play Tornados at the Staynor rink while Golden Eagles and Panthers will clash at Westmount Park. A doubleheader will be played at Westmount Park tomorrow afternoon, in the first game Panthers will play St. Leo's and in the nightcap, Tornados will play Golden Eagles.

King George Pee Wees Open Play

Grosvenors and Boulevards copped the opening games in the King George Pee Wee Section of the Westmount Municipal Hockey League. Boulevards paced by John Swaine and Dave McDougall, downed Belmonts 11-0 while Grosvenors shutout Victorias 5-0.

In next week's games Boulevards will meet Victorias in the first game while Belmonts will clash with Grosvenors in the second encounter. Both of these tilts will be four-point affairs.

The Greys have taken a stranglehold on first place in the Western Pee Wee Section of the loop. The Greys have won all five games they have played in while the second place Reds have broken even in six games.

Golden Eagles Tie Tornados 2-2 At Staynor Rink

Three midget games in the Westmount Municipal Hockey League were played last week and two were snowed out. In the games played Golden Eagles and Tornados battled to a 2-all tie at the Staynor rink while St. Leo's Orphans took two decisions in the "B" division of the section. The Orphans swamped the Argos 15-1 and shutout Monarchs 5-0.

Tornados and Golden Eagles, the only two "A" teams in the section, waged a close fight at the Staynor rink. Neither club scored in the first period. Soon after the second period started Johnny Choyce intercepted a pass and barged in on Dave Wells to beat him with a fast shot. Not long after Herbert Lafontaine fanned Brian Tiffin with a long, hard shot to tie up the game. Clive Pearce sent the Tornados into the lead with a close in goal only to see Cammie McFadden tie things up once more and on a scramble in front of the Tornados' nets. The third period was played without score.

Louis St. James, Morrie Barre and Mac Mervin all scored three times as the Orphans downed Argos 15-1. Vince Heney got two goals while Lorne Foy, Brian Murphy, Ken Black and Fred St. James added one each. The lone

Westmount 'B' Team Tops West Hill

By MIKE McBEAN

One of the biggest surprises of this young 1946 puck season was recorded at Lachine Arena last Saturday morning, when Westmount's Senior "B" team eked out a 3-2 win over Roy Chesley's powerful West Hill squad.

After playing a loose defensive game against L.C.C. the week before, a game which they lost 4-3, the Purple and White tightened up and literally checked the Red Raiders into the ice.

Taking the offensive in the opening minutes of play, the Westmounters' efforts were rewarded at the 6.02 mark, when Binmore slapped home Jeff Messenger's rebound.

A few minutes later, with Westmount playing a man short, Johnny Waterston picked up a loose

puck at centre-ice, whipped around the West Hill defence, and rifled the disc into the cords.

Waterston scored his second goal in the middle session, when McBean made a perfect pass-out from behind the West Hill cage. That made it 3-0.

The Chesley men finally managed to get their attack organized in the third period, and broke into the scoring record at 4.35, when Tilley put the rubber behind Chuck McCrae.

Woomer made it 3-2 a few minutes later on a pass from McWilliams, when McBean was serving time in the penalty box.

McCrae played a superb game between the pipes for Jim Patrick's team, while Waterston starred up front. Tilley stood out for West Hill.

THE TEAMS

West Hill: Ditrems, Woomer, Gibson, Jones, Knights, McLellan, McWilliams, Maylor, Telfer, Swail, Wager, Williams, Lemoine.

Westmount: Bardwell, Binmore, Fisher, MacMillan, McBean, McCrae, Messenger, Packham, Ross, Smith, Waterston, Woodburn.

losers' counter was tallied by Ken Hale.

Three goals by Morrie Barre paved the way for the Orphans 5-0 win over Monarchs. The St. James brothers, Louis and Fred, also scored goals in the game.

Morris Barre and Louis St. James, both with the section leading St. Leo's Orphans, are tied for the scoring title. Each have six points to their credit. Bob Gough, Monarchs, is next in line with four points.

A postponed game will be played at Westmount tonight with the Orphans and Monarchs meeting in a game that was snowed out on Monday. Tomorrow afternoon an "A" game will be played at Westmount Park with Golden Eagles and Tornados furnishing the opposition. A twin bill is on the card for Monday night with Argos meeting Orphans in the first game and Golden Eagles taking on Monarchs in the aftermath.

Royals Battling Academites For Bantam Honours

George Gough's Royals and George Mulligan's Academites are waging a grim fight for the leadership of the bantam "B" section in the Westmount Municipal Hockey League. The Royals upset the dope last Friday night when they downed their rivals 1-0. In other games played last week Red Hawks and Roslyns played a scoreless draw, Academites shut out Red Hawks 4-0 and Royals performed a similar operation on the Roslyns by a 5-0 count.

A first period goal by John Lough proved to be the only goal of the game in the Royals-Academites encounter. Howie Rosen in the nets for the winners earned his shutout while Vaughn Quinn turned in a good game in the Academites' nets as well.

Roslyns turned in a surprise performance to hold Rene Chatelois' Red Hawks to a scoreless tie. Both goalies, Ronnie Raphael for the Red Hawks and Colin Irving, for the Roslyns, showed good efforts.

Smart passing paid off for the Academites in their game with the Red Hawks as their forwards blasted goalie Raphael from all angles to grab off a 4-0 verdict. Hughie MacDonald and Pete Ciceri split the scoring honors with two goals apiece while Herb Gullfoyle, Jim Cotter, John Foy, Jim McGee, Vaughn McVey and Tom Rogers all drew assists.

Warren and James Lough scored a pair of goals each as Royals shut out Roslyns 5-0. The other counter was banged in by Gerald

Fraser. This was Howie Rosen's second shutout in two days.

Jim Cotter of the Academites is the top man in the scoring race. Cotter has eight points as the result of five goals and three assists. Team-mates Hugh MacDonald and Herbie Gullfoyle are tied for the runner up spot with four points apiece.

Two games will be played tonight at Westmount Park, Royals will play Red Hawks on the east rink while Roslyns will play Academites on the west rink. Tomorrow afternoon the teams will be back for another twin bill. In the first game Academites will meet Royals while Red Hawks and Roslyns will clash in the second tilt.

Unity Leads Juveniles

Hank Henson's Unity team is riding high wide and handsome on top of the juvenile section of the Westmount Municipal Hockey League. The Unity aggregation is undefeated as yet. In the three games played last week, Unity shutout Golden Eagles 3-0, Tornados downed Monarchs 4-1 and Golden Eagles outscored Tornados 3-1.

Goals by Fred Dejean, Jim McCarthy and Ronnie Brambell were enough to turn back Golden Eagles 3-0. This win set up the Unity club as prime favourites to take the title this year after a long reign by Golden Eagle team.

Paced by the fast skating of Rene Chatelois, Tornados outscored Monarchs 4-1. Chatelois banged in three goals while Tom Higgins added the other. Garth Gilhooly scored the Monarchs' only tally.

Some smart goaling by Dougie Brambell, a last minute acquisition of the Golden Eagles, featured their 3-1 decision over the Tornados at the Staynor rink. Harold Young, Cliff McCubbin and Johnny Waterson furnished the scoring for the winners with energetic Rene Chatelois saving Tornados from a shutout.

Rene Chatelois, the Tornados' ace scorer, is on top of the scoring race with five points, all goals. Harold Young, Golden Eagles, has four points while Ronnie Brambell, Jim McCarthy and Jack Martin, all of Unity, have three points each.

One game is slated to be played tonight with Monarchs visiting Tornados at the Staynor rink. On Monday night Monarchs and Golden Eagles will clash at Westmount Park while on Wednesday Monarchs will go back to Staynor to meet Unity in a four point game. This four pointer is the result of Monday's snowed out feature.

Inter-Troop Loop Opens

The Inter-troop section of the Westmount Municipal Hockey League got off to a belated start last week. Mild weather forced a cancellation of the first week of play.

In the first few games played the combined Calvary-Westmount aggregation eked out a 6-5 win over another combined team, the Westmount Park-Temple Emanuel squad; Shaar Hashomayim downed the Westmount United-Temple Emanuel team 5-2; 2nd Westmount outscored 1st Westmount 7-3, while St. Leo's, last year's champs, beat the Sea Scouts 8-5.

Five games are slated to be played next week, on Tuesday, January 29, St. Leo's and 1st Westmount will clash. A twin bill will be staged on Wednesday with Sea Scouts playing Westmount United-Temple Emanuel in the first game while 2nd Westmount and Shaar Hashomayim will meet in the nightcap. On Thursday Calvary - Westminster and 2nd Westmount will play a postponed fixture starting at seven o'clock. Then on Tuesday, February 5, Shaar Hashomayim and St. Leo's will play a single game. All tilts will be played at King George rink.

Golden Eagles Top Legion Reds

Dougie Alexander's Golden Eagles downed the Legion Reds 3-1 on Tuesday night to take a one point lead in the intermediate standing of the Westmount Municipal Hockey League. This win gave the Golden Eagles a one point margin over Bert Dalzell's Royals, who in turn are one point ahead of the Legion.

In one other game played last week, the Golden Eagles and Royals battled to a four-all draw. Two more intermediate games will be played next week, on Tuesday night the Royals and Legion Reds will hook up at Westmount Park while on Thursday night the Golden Eagles will meet the Reds again.

Noel Romney scored two goals for the Golden Eagles in their 4-all tie with Royals. Adrian Lunny and Buddy Read added one apiece. The Royals' scorers were Morrison, two and Tom Browne, Desse Browne, one each.

BOYS' DEPARTMENT

Membership Drive

Bob Gough has received his crest for bringing in a member and three other members of previous years have returned. Boys, there will be no free movie this month, for you are nowhere near the twenty new members assigned you. But line up your prospects, or see me for some hot leads, so that February's story will be different.

Movies

This week we show "Sign of the Cross" which is a very good picture, and well-worth seeing. At one o'clock, the door is open to "Y" members, and at 1.15 non-members are admitted. One thing you must remember — when our limit is reached, whether you are a member or not, you won't be able to get in. So be on time, and be sure of your place.

The "Tarzan Serial" begins this week.

Basketball

The Junior team played the International Junior team last Saturday morning, and won to the tune of 15-14. Not a great lead by any means, but under the circumstances, a remarkable game.

Stamps

Get out your collections and let's get going. If you have a collection you want to sell or trade, here is the place to do business. Boys already in the Club will buy, trade or sell, as is your interest. Come out and be with us every Wednesday night. Beginners, general collectors, specialized collectors—all are welcome.

Looks like we will have plenty of snow for February 15th, so make your plans to include that night at the Park Slide.

Elections

Mr. C. Leslie Copland has been appointed Chairman of the Visual Education Committee of the Westmount Y.M.C.A. Other members of this Committee are: Miss Florence Goode, Messrs. R. O. Bartlett, Ernest Hammond, Murray Parsons, James Patrick and Percy Pinck.

The importance of the moving picture in the field of education is readily recognized today. It is the purpose of this Committee to provide films on many interesting and instructive subjects, that will be made available to all adults in the community.

Resident members of the Westmount Y.M.C.A. have elected six members to represent them on the newly set up Residents' Council. The men elected are: A. F. Lytle, George MacKenzie, P. H. Moore, Murray Parsons, William Stewart and I. C. Thomas.

The Council will plan various program activities for the men living in the building.

Briefs

Health Club activities at Westmount "Y" are all active and going strong. Ladies, if you want to "Keep Fit and Like It", be a regular member of the Morning Ladies' Classes on Monday and Thursday at 10 a.m., or the Business Girls' Classes, Monday and Thursday evenings at 8 o'clock.

Business Men's Gym.

A Round Robin Handball Tournament will be held for all Business Men on Monday, January 28th, starting at 5 p.m. Plan now to be with us.

Boxing

The Boxing Club, under Bert Light, is training regularly Monday, Wednesday and Friday at 7.30 p.m. Attendance has increased this past week. There is still room for a few more in the club.

Weightlifting

Mr. Bill Kennedy instructs the Weightlifters on Tuesday and Thursday evenings at 7.30. There

is also a training period on Saturday afternoons, 2 to 4 o'clock. Mr. Kennedy will be glad to welcome a few more new members.

Saturday House League

St. Andrew's United pulled a surprising victory over the "Y" seniors in the Saturday afternoon House Basketball League, when they defeated them 25 to 22. The sharp-shooting of all St. Andrew's players gained them a three point lead in the first half. The "Y" team tried vainly in the second half to cut down the St. Andrew's lead, but each team scored 10 points.

Saturday afternoon's games ended the first section of the House Basketball League.

Final standings are as follows:

	P	W	L	Pts.	F	A
Y' Juveniles	4	4	0	8	210	53
Y' Seniors	4	2	2	4	130	141
West Baptist	5	2	3	4	130	142
St. Andrews	4	2	2	2	102	117
Dom. Douglas	3	1	2	2	56	88
Calvary	2	0	2	0	16	83

The second section of the League commences this Saturday, January 26th, when the "Y" Seniors meet West Baptist at 2 p.m., and the two juvenile teams play at 3 p.m.

day, and from then on until we left they were a constant nuisance, particularly those which landed near. One of our men was sitting with his wife in his garden in Sutton when a buzz-bomb flattened his house. They were both badly hurt, but this was our only casualty from this source.

After one or two cancellations, the balance of the Company got to France and joined the others at a place called Amblie which was a few miles from the Front. Air raids were a nuisance, but became less frequent after the first few days. The Company carried on with normal duties, but the men were beginning to chafe at the dullness, and longed for a period of front line service. Bearing in mind Gen. Crerar's remarks of several months' before, the O.C. spoke to the D.A.Q.M.G. in order to expedite the arrangements.

Late in August we became hosts to a German General for a few days. He was Lt.-Gen. Menni, and had been captured at Falaise. We put him in a tent under guard, but he was very docile and quite pleasant. While on this subject I might mention that we also entertained under similar circumstances at various times, Gen. Eberding, Gen. Dasser, Lt.-Gen. Blaskowitz, (C-in-C. Holland) and the notorious Seys-Inquart. They were all with the exception of Menni, very unpleasant.

ROUNDING UP THE HUNS

From this time until the first week in September, we, in addition to our normal duties, were engaged in rounding up Germans who had gone into hiding, furnishing protection to cable-laying signallers from the rear areas to the front and disposing of some booby traps encountered on a move. We moved twice in this period, first to Brionne, and then to St. Omer. While at the latter place we received word that we would replace a Company of an Infantry Battalion for a tour of Front Line Service. The change took place the next day.

When we took over our new positions we found they were on a hill overlooking Cape Griz Nez and just outside the village of Wissant. That night an "O" Group was held and the next day the Battalion attacked the Cape. It was a very strong position to attack as there were several huge guns, those used to shell Dover, and these were simply turned around and used with good effect on the attackers. The R.M.R. Company participated in this attack on a limited scale and received one casualty. At night fall the Battalion was withdrawn from the fight. Later the Cape

was taken by a Brigade. The next few days were confined to patrolling with little enemy activity, except heavy shelling. Some civilians were killed, and we had four casualties, all wounded. On 25th of September the Battalion put on a full-scale attack for some high ground west of Calais known as Escalles, supported by tanks and artillery. The attack was a success, and though there were some casualties in the other companies, there were none in the R.M.R. Company. The R.M.R. took about 65 prisoners.

Snowdon Pucksters Tie St. Laurent

The Snowdon Stars battled to a 1-1 with the St. Laurent Red Wings, in the opener of a Montreal Intermediate Hockey League double-header, played at Lachine Arena last Thursday night.

The Stars opened the scoring when Valcamp flicked the rubber into the cage, but it was only a few minutes later that Coleman tied the count for the Red Wings.

Both goalies, Mason, of the Snowdonites, and Coleman, of the Red Wings, turned in starry performances, and were largely responsible for the low score.

In the second game, Park Extension downed Town of Mount Royal, 5-2.

teams failed to score in the remaining one and two-thirds periods.

The Westmounters almost took over the lead in the third period though when, with Westmount rearguard Johnny serving time for hooking, Read broke away, and hit the post with a Richard-like drive.

A few minutes later the Strathconites' Charlie Fyon had a clean breakaway, streaked in on Fred Jones and then shot wide of the net.

Calvary To Donate Money To Damaged Churches

The 69th anniversary of the founding of Calvary Church as an independent congregation was observed at special services held in the church on Sunday with the minister, Rev. T. W. Jones, M.A., D.D., preaching both morning and evening.

The Sunday School, which preceded the formation of the church, celebrated the 87th anniversary of unbroken service, although the first beginning of Sunday School work which eventually broadened out into the present Calvary Church School dates back to the year 1845 and Calvary Church School really celebrates over a century of life and work this year.

The annual business meeting of the congregation was held on Wednesday. Following a devotional service conducted by Rev. T. W. Jones, the secretarial report of the year's work was presented by Bruce MacRae, secretary of the church. The statistical section showed that the membership now stands at 739 resident, 53 non-resident and 19 members on active service.

Reports from all departments of the life and work of the congregation were presented. These revealed much activity, earnest labour and sincere devotion. The spirit of optimism was sounded in the reports of the school and Y.P.U. Women's work was reported in the story of the W.M.S. and the W.A., and in the report of the Red Cross Unit. The Calvary Progress Club (formerly known as the Young Adults) reported a most successful year's work in support of the Minesweepers' Auxiliary Service and other special activities.

The church treasurer's report, presented by T. Haugland, showed that \$13,000 was raised for the local work of the congregation; while the Missionary and Benevolent Funds report of A. Modler, the treasurer of this department, showed a total of \$2,900 raised for these purposes.

The Trustees and Canvass Committee reported through the secretary of the Trustee Board, and showed a very encouraging outlook for the year 1946. The W.M.S. reported an income of \$775, while the W.A. raised a total of \$1,932.

30 Year Fund

In grateful recognition of the 30th anniversary of the opening of the present church a special campaign, known as the 30 Year Thanksgiving Fund, undertaken during the year 1944, was continued during 1945 under the chairmanship of H. M. Wilson. It was planned that the campaign should extend into three calendar years ending with the annual meeting of the church in January, 1946, with the funds accruing from this campaign to be devoted to the placing of a new roof on the church, a new floor in the S. S. Hall, redecoration of the church properties and reduction of mortgage indebtedness as far as the funds would permit. The congregation unanimously agreed that the first charge on the funds contributed to the campaign should be the sending of ten per cent of all monies collected to the special fund for the rebuilding of bombed out churches during the Battle of Britain. The committee reported that a total of \$22,500 had been pledged by individuals and societies and that of this amount approximately \$10,000 had been paid in 1945 in cash or in bonds.

It was reported that constant communication is being maintained between the men and women of the congregation who are still on active service and the groups to which they belonged, as well as by the Women's Association sending parcels to those overseas.

Officers for the year 1946 include: Chairman of Church Board, F. N. Stephen; secretary, Bruce MacRae; treasurer, T. Haugland; Missionary and Benevolent Fund treasurer, A. Modler; chairman of trustees, S. T. Spindlo; chairman of stewards, Harry Gill; chairman of M. & M. Committee, E. M. Roberts; chairman of Music Committee, M. R. Crawford; president of W.A., Mrs. C. Misener; president of the Calvary W.M.S., Mrs. G. A. Sheen; president of the Elizabeth Read W.M.S., Miss Marion Lewis; superintendent of S.S., Alex R. Hasley; president of Y.P.U., Miss E. Moffett; president of Red Cross, Mrs. A. W. Brown; president of choir, S. C. Dobson and president of Calvary Progress Club, D. T. Jackson.

for Jesus Christ." With firm faith in the redemptive power of God's word, they added another objective to help them attain the first—"A Bible in every hotel guest room in America." This was in 1908.

The movement came to Canada in 1911 and for 30 years the Canadian Gideons have worked side by side with the American Gideons in placing God's word in the guest rooms of hotels in their respective countries. In 1931 Christian business men who did not travel were admitted to membership and almost immediately the horizon of Gideon ministry was extended and, in addition to hotels, other institutions were taken into their field of Bible distribution.

C.P. LEGION 96 PLANS AID VETERANS IN CIVILIAN LIFE

The Ladies' Auxiliary Canadian Pacific (Que. 96) Branch, Canadian Legion, met at the club rooms Thursday evening to receive reports for the year 1945.

The president, Mrs. A. Lyle, opened the meeting with the Legion Ritual, extended seasonal greetings to the members, and presented an outline of the activities and aims of the Auxiliary, stressing the fact that the motto of the Legion is "Service", and that they would now endeavor to help veterans to re-establish themselves in civilian life.

Mrs. W. L. Payne estimated that the Poppy Sale in Windsor Station and at Simpson's Store had realized over \$1,000.

Mrs. A. Legault, convener of Welcome Room Staff, reported that over 50,000 members of the forces had registered during the year, many of whom were repatriated prisoners-of-war, whose relatives came to the Welcome Room to meet them. Thanks were expressed for assistance given by Sister Auxiliaries, and the Canadian Pacific Women's Services.

Mrs. N. H. Chalmers, convener of Hospital Committee, reported that, in addition to regular visiting, pyjamas and comforts were provided for aged veterans at Notre Dame de la Merci Hospital (Gouin Boulevard), and for a patient at St. Agathe; \$50.00 donated to the Legion Hospital Committee, and 25 reading lamps provided for patients at the Montreal Military Hospital (Queen Mary Road).

Mrs. W. Gatenby reported visits to sick members, and sympathy extended to those bereaved.

The financial report, audited by Miss E. F. Storrier and Mrs. B. Miller, was presented by Mrs. H. E. Tessier, and showed a substantial bank balance. Thanks were expressed to the Senior Branch which had supported all efforts to raise funds, and to the Canadian Pacific Women's Services for the gift of \$100.

A business session was held and included arrangements for a Rummage Sale to be held in March, and a Military Whist at the Club Rooms on February 16th.

LEGION AUXILIARY INSTALLS OFFICERS

The annual installation of officers of the Senior Branch and Women's Auxiliary, Canadian Railway Veterans' Guild, Branch 16, Canadian Legion, took place recently at the Queen's Hotel. St. Andrew's Pack To Recruit Members

By Gavin Ross

The St. Andrew's Cub Pack under the direction of A. Tifen, shows rapid progress in the badge-passing department. During the past week members of the Pack completed tests for first and second stars. Two new Sixes were added. Gavin Ross was appointed leader of the Brown Six while David Smith leads the Black Six.

John Swift was honored last week when the Pack installed him as Senior Sixer. Bill Fell succeeds Sixer Swift in his former position as a Sixer.

The Pack is presently holding a recruiting drive and any boys ambitious to join the group are requested to report to Mr. Tifen at St. Andrew's Church, 101 Cote St. Antoine Road, at 6.30 p.m. Wednesday.

L.C.C. WIN ONE

Paced by "Beer" Molson, who netted three of the winners' tallies, L.C.C.'s Senior B pucksters had a fairly easy time defeating St. Laurent at the Forum last Thursday afternoon. The Royal Avenue aggregation had the best of the play throughout.

Royal Montreal Curling Club, and the Mount Royal Golf Club.

In 1894 he married Maude Phelps, daughter of Capt. Egbert Phelps, U.S.A., of Joliet, Ill. Mrs. Hutchinson died some years ago.

Funeral services were held at St. Mathias Church. The Rev. Canon Gilbert Oliver conducted the service assisted by Major the Rev. Harry Andrews, senior chaplain of Military District No. 4. The hymns were "Abide With Me" and "Unto the Hills". Chopin's "Marche Funebre" was played by the organist at the conclusion of the service.

Representatives of the city council, the Montreal Board of Trade and the board of governors of the Montreal General Hospital, all of which he had been a former member, attended the service.
