## Shawville's Nominees: What do they think about sewerage for our town?

L. Hodgins

E. McDowell

J. Welsh

A. Dale

M. Hodgins

S. Langford

A. McKay

R. McTiernan

Left to right above in alphabetical order are first the three men nominated for Mayor of Shawville and the next the five men nominated for the three vacant seats on Council.

The citizens of Shawville have from eight in the morning to six in the evening on Monday to make their wishes known about which of the above men will have a hand in the affairs of the town during 1959.

We repeat—the election will take place from 8 am to 6 pm on Monday and anyone who doesn't go over to the poll at Hynes Hall and vote on Monday between those hours will have no business complaining or even expressing an opinion on Council's doings during this year.

In order to form an intelligent opinion on the candidates' feelings toward Shawville's biggest headache (sewerage) we contacted each of the above by phone before press time this week.

Lee Hodgins "definitely sees hope for sewerage—not necessarily this year." Mr. Hodgins said he has held back on the project pending results of this election feeling that if he is re-elected it will be a vote of confidence upon which he will act. He would like to have an engineering firm check the springs supplying water to the town in conjunction with any steps towards sewerage.

Dr. S. Earl McDowell, taken quite by surprise by his nomination, hadn't had much time

to formulate any particular plans but he feels that Shawville will have sewers before long no matter who sits on Council. He also considers sewerage to be Shawville's biggest problem at present.

Joe Welsh, with 20 years of council experience in Ontario behind him feels he must study the town's finances before giving an opinion on sewerage. "You must know how much money you have before you decide what to buy" says Mr. Welsh, currently Shawville's Building Inspector.

Athol Dale said "Sewerage is a must eventually. It is certainly a necessity and deserves careful and immediate study".

Mickey Hodgins hasn't thought over the question of sewerage for Shawville and won't commit himself.

Seily Langford feels sewerage is Shawville's biggest problem and says he would like to see Council get to work on the project as soon as possible.

Allen McKay said the most urgent matter for Council to consider this year "looks like sewerage". He told The Equity he certainly wants sewerage because there is nothing but hard clay and cess pools at his place.

Raeburn McTiernan sums up the consensus of expressed opinion with "Why put off till tomorrow what you can do cheaper today?"

Of the above five nominees, the last three were on Council during 1958 while Lee Hodgins was Mayor.

## Pontiacs Win Two And Gain First Place

By Arnold Garrison  
After suffering a defeat on Wednesday night the Pontiac came roaring back to hand "Remy" army team a 14-4 lesson on Friday.

Richardson started the scoring on a pass from Powell and Red Young while Edmonds was serving a penalty. A few seconds after the face-off Richardson scored his second goal on a pass from O'Donnell. The "Remy" coach saw that he was not going to beat the Pontiacs unless he could slow them down so he sent his team out to stop them any way they could. From then till the end of the second period the army played dirty, hard hockey but they could not stop the Pontiacs.

Nixon drew a penalty near the end of the first period and was still in the box when Red Young scored in the opening seconds of the second period. Thomas, McTiernan, and Finnigan also scored before Shaw finally tallied for the army. B. Murray scored for the Pontiacs and the play was really getting rough. Nixon got his second penalty and while he was off Rutherford drew two minutes.

**Clarendon**  
Mayor—Ira Hanna, Walter Kilgour, Earle P. Fulford, Lennox Barr.

**Councillor**—  
Seat 1—Allan Smith, elected by acclamation.

Seat 3—Lennis Barr, Cedric Elliott.

Seat 4—Lawrence Hodgins, Sterling Hodgins.

**Bristol**  
Mayor—Lewis Harkness, elected by acclamation.

**Councillor**—  
Seat 1—Alex Murray, elected by acclamation.

Seat 2—Merlin McKee elected by acclamation.

Seat 3—Kenneth Tubman, Earl Queale.

**Quyon**  
Mayor—William Burke, Bernard Murdock.

**Councillor**—  
Seat 4—Stephen McCann, Peter Cotte.

Seat 5—Hanlon Young, Basil Murphy.

Seat 6—Terence Mulligan, Eugene Martineau.

**North Onslow**  
Mayor—Harry Foran.

**Councillor**—  
Seat 2—Jack Harrison.

Seat 4—William Alexander.

Seat 6—Alex Lapierre.

All elected by acclamation.

**South Onslow**  
Mayor—John McBane, Herbert Young, Austin Clarke.

**Councillor**—  
Seat 2—Charles Mohr, August Olm.

Seat 4—Raymond Davis, elected by acclamation.

Seat 6—Edward Kennedy, elected by acclamation.

Powell scored for the Pontiacs and shortly after Boice and Laird Murray got two minutes each for high sticking. O'Donnell and Finnigan each scored a goal before Edmonds and Findlay got five minute fighting penalties. Shortly after Finnigan got two minutes for elbowing and Nixon got a ten minute misconduct penalty to end a very stormy second period.

The third period was different and both teams played clean and fast. Finnigan, McTiernan, Finnigan and Barry Murray scored for the Pontiacs giving our boys a 14-1 lead.

With this advantage they started to "coast" and the Remy's managed to get three goals past Ronnie Thomas, Power got two and White got the other.

This is the first game that Rinnie Thomas and Ray Young have played with the Pontiacs this year. They both looked

## Lived In Coulonge 80 Of His 103 Years

Fort Coulonge—Herminigilde Godin, better known in his "home town" of Fort Coulonge as "Maxime" celebrated his 103rd birthday, January 8th, at the St. Charles Home for the aged in Ottawa where many of his family connections gathered to congratulate him.

Mr. Godin was born on Calumet Island and came to work in the lumber camps in this area at the age of 15 years.

He married and settled here and lived in this town for 80 years.

Many of his sons and daughters married and Fort Coulonge was their home town and the Godin Family Tree roots are deeply imbedded in Fort Coulonge.

"Happy Birthday to You" (alho a little late) from relatives and auld acquaintances, and not too too old citizens of Fort Coulonge, Que., Pontiac County.

very good and we hope to see them for the rest of the season.

Last night again the Pontiacs won their game over First Canadian Guards get into first place in the League with only Deep River to worry about as a close second.

In last night's game Ray Young scored with an assist from Burman in the first few minutes of play and in the second period Finnigan from Burman and Finnigan from Smar tand McTiernan scored early in the second period to give Pontiac a 3 to 0 lead.

One goal by Bale in the second period gave the Guards a start in the scoring. Two more goals in the third by Irvine and Hanrahan tied up the score for two minutes until Red Young from Richardson and Richardson from Red Young scored again for Pontiacs. Each team took one more goal in the last minutes of the last period—Leclair for Guards and Smart from McTiernan for Pontiacs leaving the score 6 to 4 in favor of the home team.

These two teams clash again tomorrow night, Friday, here in Shawville.

Two service stations were broken into last Thursday night. Thieves escaped with \$300.00 worth of cigarettes from Rennicks Service Station (Ikes) as well as doing damage to the building.

Thieves were unable to take anything from the Mayelee Service Station, which last Thursday was broken into for the fifth time in two years. In July of the past year Ike had \$700.00 worth of merchandise taken. Front doors of both mentioned Service Stations were damaged.

Constable Earl Bennett of the Campbell's Bay detachment of the QPP is investigating.

## Firemen On Scene In Minutes Fire Extinguished In Twelve

A small fire occurred last Sunday afternoon on the premises of George Towell's grocery store on Main Street, Shawville. First noticed by Don Rooney, a tenant of the Towell's at about 1:25, the Shawville Volunteer Fire Department was immediately called. On the scene within minutes, the fire had been extinguished within twelve minutes of Mr. Rooney's phone call. This may establish something of a record in the fire annals of Shawville!

## New Bridge At Waltham

Ray Johnston, M.P.P. has advised The Equity that the provincial government expects to build a replacement bridge from Waltham to Allumette Island, probably this year. It will be built quite close to the site of the present bridge, but the small change in location will require some road realignment.

## Mrs. J. M. Argue Passes Away At Home

Mrs. Ethel M. Argue, wife of John M. Argue, Shawville lumberman, died Friday morning, January 9th, at her home on King street in Shawville. She was 64.

Born at Carthage, NY, she was the former Ethel M. Smith. She was married 40 years ago and was a talented musician.

She was a member of Shawville United Church, in year gone by was a very active worker in different organizations of the church. Her past few years have been quiet owing to the heart condition that finally proved fatal.

In addition to Mr. Argue, she is survived by one son, Harwood of Shawville, and one daughter, Mrs. Elizabeth Jardine, Toronto; and one brother Dr. Lloyd Smith, California.

The body rested at George Hynes & Son Funeral Home, Shawville, from where the funeral was held Sunday at 2:30 p.m. in Shawville United Church with Rev. I. E. Johnston officiating.

Pall bearers were: Charles Russell, Larry Lamb, Hilliard Sinclair, Reuben Smith, Lem Hodgins and Arthur Lalonde. Interment was in Maple Grove cemetery.

A very great number of flowers were sent from near and far. Mr. Argue has distributed many of these throughout the town to the hospital and the churches.

## Same Old Story Here Service Stations Robbed

Two service stations were broken into last Thursday night. Thieves escaped with \$300.00 worth of cigarettes from Rennicks Service Station (Ikes) as well as doing damage to the building.

Thieves were unable to take anything from the Mayelee Service Station, which last Thursday was broken into for the fifth time in two years. In July of the past year Ike had \$700.00 worth of merchandise taken. Front doors of both mentioned Service Stations were damaged.

## New Calumet Mines Under New Management

C. J. C. Dunlop

New mine manager at New Calumet Mines Limited is Mr. C. J. C. Dunlop. He succeeds Mr. Al Cave, who held that position for some years.

Mr. Dunlop comes to Calumet Island from Haileybury, where he worked as a consulting engineer on exploration

work with Pioneer Consultants Ltd. He is a son of Jack Dunlop, who was the first manager of New Calumet, back in 1943 when construction was started, and was later managing director, in 1954 becoming president.

C. J. C. Dunlop is married, and has one son, Douglas, aged 5 years. They live on the mine site on Calumet Island.

Until 1958, effective control of New Calumet Mines Ltd. was held by Frobisher Ltd., a subsidiary of Ventures Ltd. In that year, the 30% total voting stock held by Frobisher Ltd. was sold to Temiskaming Construction Ltd., of which J. M. C. (Jack) Dunlop and his three sons hold 80% of the shares.

While a change in the voting control of New Calumet Mine has come about, only one change in direct management, namely the appointment of C. J. C. Dunlop as mine manager, has occurred. Otherwise the administration has remained as previously.

**A PROPOSAL FOR RINK NO. 8**

Nearly every winter, about this time, we have been in the habit, because of the appalling condition of Highway No. 8, of writing editorials drawing attention to the dangers of the existing road conditions, and urging, on all who care to read the importance of improving the situation.

Everything we have ever said on this subject applies, most emphatically, again this year. Possibly we feel a little stronger about it this year, having come to grief in highway bounding snow-banks twice in the space of twenty-four hours early this week.

The first inclination is to feel critical of the people who take contracts for winter maintenance of the roads. Their contracts require them to keep the roads plowed, and to sand them when they are slippery. The criticism properly applicable this week was that they had not been sanded, even though extremely slippery.

It seems hardly fair to take the plowmen too severely to task for a situation which has gotten largely out of control because of the very harsh weather conditions we have been experiencing ever since the end of November. Many of the back roads have not yet been opened following our more recent heavy falls of snow, and the plowmen, quite reasonably, are bending all their efforts, in a quite gallant way, to opening these roads.

The present road conditions mean that the principle of winter road maintenance as adopted by the Province of Quebec simply doesn't work. It is an ill-founded principle, whereby the province maintains the roads so long as no snow falls on them. As soon as snow falls, the roads are taken over by the municipalities who let contracts for their maintenance to plowmen of the area. Grants are then made by the province to the municipalities to cover the costs of plowmen's contracts.

This in theory seems to be quite sound. But it happens that plowmen's contracts are paid on the basis of a price per mile of road to be maintained. If the winter is an easy one, the plowmen make money. If it is a severe one, they can and do lose a great deal of money, especially if they do the job they contract to perform. Thus the plowmen are gambling on the kind of winter we are going to get. Since most of the plowmen have no backing beyond their own slender resources, it is quite easy for them to lose their shirts. It ill behoves the provincial government to be party to deals of this kind.

On the other hand there is the problem of Highway No. 8. The entire County depends on this highway for its contact with the rest of the country. Large quantities of pulp are hauled down Highway 8 in all weather. Supplies and salesmen move up Highway 8. It is one of the economic arteries of this area, and should at all times be kept in first class condition.

Because of its prime importance, it is our firm belief that Highway No. 8 should be removed from the jurisdiction of the municipalities, and maintained all the year round by the province through the Department of Roads in Aylmer. Its maintenance in first class condition is too important to leave to the chances inherent in the present system.

There is a move underway elsewhere in the province, notably in Gatineau County, to have the highway taken over 12 months a year by the province. Gatineau County Council has submitted a petition to the province to have this done. Other petitions are in the course of preparation by many other organizations in that county.

Our hope is that our own County Council will recognize the importance of taking action on this matter, and will submit a resolution along these lines to the province. All other organizations which believe it is important to have a good winter highway in Pontiac should likewise adopt a resolution urging the province to take the

highway over. If this plan gets sufficient support from residents of the county we feel sure the province will take the highway over, and that we will enjoy safe driving between Pontiac County and Ottawa.

A suggested wording for a resolution of this sort follows:

Resolved that ..... (name of organization) is in favour of the provincial government taking over the winter maintenance of Highway No. 8, throughout its length in Pontiac County and in Gatineau County from the border of Pontiac County to Aylmer. It is the belief of the members of ..... (name of organization) that the province, being suitably equipped with machinery and staff to perform and-or supervise this work would at all times ensure the safe driving condition of this highway.

Shawville Rotary Club again this year has arranged for free skating for children of the area each Saturday afternoon in Shawville Arena from 1 to 3 p. m.

Every year since the present publishers have printed The Equity there has been a New Years baby story and local stores have presented the first baby of the year with gifts—every year except one. The one New Years baby left out, we have been informed, was one little Hobbs born January 2, 1958. Other New Years babies since 1953 are a son for Mrs. Myrtle Young, a daughter for Mrs. Helen Walsh, a son for Mrs. Annie Sparling, a son for Mrs. Judith Wickens, and little Nancy St. Jean, Miss 1959. To start rectifying last year's omission the Pontiac Printshop will be sending a subscription to THE EQUITY to Mr. and Mrs. Cecil Hobbs, Shawville and hope some of the other businessmen in town will follow suit.

The C.P.R. freight train hit and killed a horse belonging to James Telford, of McKee, on Tuesday evening about 5:00 p.m. The passenger train was delayed for nearly two hours, waiting for the track to be cleared.

Keith Hodgins spent five weeks convincing Ken Smith and Lloyd Stevens to run for council in the current elections in Shawville and then, thinking nominations were open till 5 p.m., turned up after nominations closed to nominate them!

Another "migh. have run" is Allan Black who was nominated for Mayor but hadn't resigned his position on Council first, so was struck off the list on a technicality. This technicality was announced following poll closing time by Sec.-Treas. Mack Hayes much to the surprise of poll officers Mrs. Mack Hayes and Mr. Allan Black, who were unaware of the regulation.

**"Canadian Hospitals Can't Be Beat"**

Tom Barley, administrator at Pontiac Community Hospital, spoke strongly in favour of a national health insurance scheme last Monday night in an address to Shawville Rotary Club.

Speaking on the subject of hospital administration and the problems facing hospitals today, Mr. Barley stated that

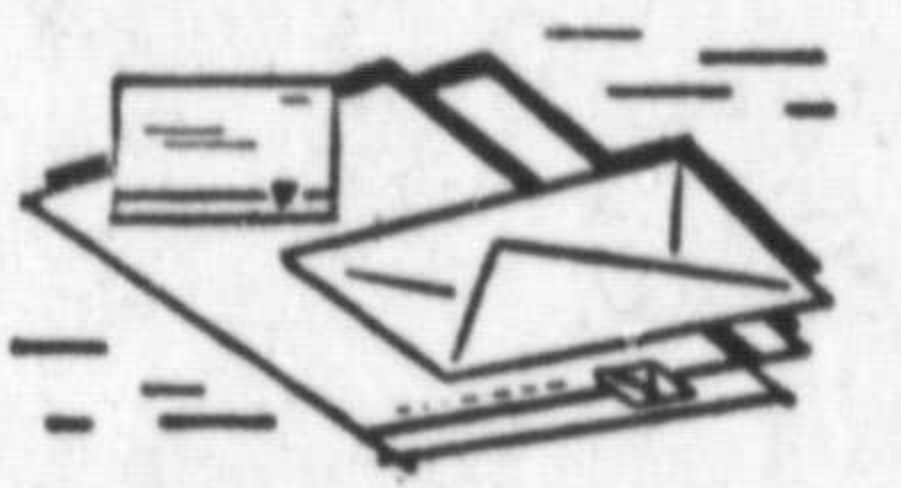

having seen hospitals in Britain, the United States and Canada, he is of the opinion that Canadian hospitals "cannot be beaten". In his experience, Pontiac Community Hospital is one of the best designed and equipped smaller hospitals anywhere. In this connection the speaker paid a fine tribute to the contribution made to the hospital by the auxiliaries.

The speaker was introduced by Lawrence Moore and thanked by Claude Elliot.

Inadequate or faulty circuits in your home can turn electricity into a dangerous enemy instead of a helpful friend.

This unfortunate situation is likely to arise in those homes which were wired many years ago, when few appliances were available, and house circuits were designed merely to carry sufficient current to provide light.

The dimming of lights when appliances are turned on is an indication of inadequate wiring. Burned fuses are a positive sign of overloaded circuits.

Modern home wiring can pay for itself in increased comfort, efficiency and safety.

Your electrical contractor can contribute to your safety by his knowledge of what is sound and what is unsafe in electrical work.

The steady swing to electrified living, with its many modern appliances, has placed upon old circuits loads which they were never intended to carry. The only permanent solution is a rewiring job to provide adequate circuits.

## The true story of one small borrower... and "MY BANK"

A few weeks ago, Julian Janvrin, an Englishman by birth now living in Toronto, came upon this headline in his daily newspaper: "Bank of Montreal Deposits Top the Three Billion Mark". A depositor at the B of M since shortly after his arrival in Canada five years ago, Mr. Janvrin was prompted by the headline to write a letter to Gordon R. Ball, president of the B of M, outlining his experiences as both a depositor and borrower at Canada's first bank. We thought Mr. Janvrin's story of his struggle against adversity was worth repeating, and with his permission, have made it the basis of this advertisement.

## The Success Story of Julian Janvrin...

Julian Janvrin is the last person in the world to say that his is a success story. We think it is. But you can judge for yourself.

FIVE YEARS AGO, shortly after his arrival in Canada with his wife and three children, Mr. Janvrin had occasion to cash a cheque at his local B of M branch in Toronto. "Although I had told the manager that I was just an immigrant," he recalls, "he invited me to open an account, and it was gratifying to me to feel that my confidence in the future of Canada was reciprocated by the Bank of Montreal. Two or three weeks later I opened an account at that branch."

Like most newcomers to Canada, Mr. Janvrin had only enough capital when he arrived to get himself settled, and eventually he found himself short in meeting the final payment on his car, which was essential in his new job as a salesman. So he talked over his problem with his B of M manager, who considered him a good enough risk to advance him the money he needed.

But let Mr. Janvrin continue the story in his own words:

"I mention this because bankers are sometimes charged with being little more than moneylenders and usurers, but in this instance, I knew that the Bank of Montreal was acting as it were on behalf of the people of Canada in helping me to get established in much the same way as in pioneer days the Bank of Montreal must have advanced funds to immigrants to purchase seed, a few implements and maybe a team of horses.

"Soon afterwards I gave up selling, disposed of the car and took a regular job by night, while my wife by day quite literally took the holes out of doughnuts. One of us was able always to be with the children, two of whom were not then of school age.

"Fifteen months later we decided to obtain cheaper rental accommodation outside Toronto. A car, however,

would then be essential. Again the bank went along with us.

"Two years ago the landlord of the house we were renting decided to sell the house. Again the Bank of Montreal helped us and advanced the down payment that prevented our home being sold over our heads.

"This summer my son, having passed through six grades in three years at public school, sat for the competitive entrance examination to a school for which I would have to pay an annual fee . . . For this, too, I am in large measure indebted to the Bank of Montreal, for in June my financial circumstances were such that had I not been confident of my banker's support, I might not have ever considered sending him to this school.

"We have now again moved into Toronto to be nearer the school, but our circumstances have improved, inasmuch as our teenage daughter has now left high school of her own wish and is now working; and as the two younger children are now at school, my wife in the New Year will be in a position to take an office job.

"This is not a success story, for the struggle, believe me, is still on. But our bank account is now in better shape than it has been for the past five years and will now perhaps bear scrutiny.

"I am now, therefore, at last in a position to write to thank My Bank and in particular

my bank manager, for the confidence it placed in us and for the help, encouragement and courtesy it has always extended to us.

"To me it is no surprise that the deposits of the Bank of Montreal should have topped the 3-billion mark, for although from the short term point of view I myself am not yet in a position to make large deposits, it may well be from the long term point of view, that my son, as a representative of the coming generation, may be in a position to do as other sons of Canada are now doing."

The B of M is, of course, proud to have played its part in Julian Janvrin's success story, and is grateful to him for allowing us to publish it to indicate some of the many ways in which Canada's first bank works with Canadians—new and old alike—in every walk of life from coast to coast.

Mr. Janvrin's story provides a sincere and unsolicited testimonial to the fact that "When you ask for a loan at the Bank of Montreal, you do not ask a favour".

When money is a problem with you, why not see your B of M manager? If your proposition is sound and reasonable there's money for you at the B of M . . . at the lowest rates and on the fairest terms.

"Get to know your banker," says Mr. Janvrin. "Your best collateral is his confidence." A spare-time free-lance writer, he spends many evenings at his typewriter while the children study.

Nine-year-old Robert Janvrin, seen with his younger sister, Patricia, is a student at one of Canada's top preparatory schools, thanks to a timely B of M Personal Loan.

An average Canadian family. Mr. & Mrs. Janvrin and the two younger children relax at TV in their comfortable Toronto apartment.

### School Basket Ballers Beat Buckingham

By Albert Armstrong  
Saturday morning, January 10, the Shawville High School basketball teams left for Buckingham. With our spirits high, we chattered and talked all the way down. The first game was the girls, so the boys sat along the side and cheered. The Shawville girls outplayed, out guarded and out shot the Buckingham girls. With the good coaching and changing of players by Mr. Haines, the Shawville girls beat the Buckingham girls by a score of 47-4. Wow-wee! Keep them going Mr. Haines.

The boys game was hard and rough all the way. The Shawville boys played one of the forest games this year, and were behind all through the game until the last two minutes. The Shawville boys merely beat the Buckingham boys 43-37. The coaching was good but the playing was rough.

### Portage Native Dies Out West

Mrs. Anna E. Fitzpatrick, 71, of 97 Bobolink Bay, Whitmore Park, well known Regina hair dressing instructor, died at her home Dec. 29.

Born at Portage Du Fort she came west settling in Lumsden and Bethune and later Regina. She was a hair-dressing instructor for 25 years until she retired six years ago because of ill health.

Predeceased by her husband, Leander she is survived by two daughters, Mrs. Oullia McLeod and Doris, both of Regina; two sisters, Mrs. M. French, Emo, Ont., and Mrs.

### Otter Lake Fire

All that was left of household belongings in a fire which destroyed the two storey home of Leon St. Aubin at Otter Lake, Que. were few articles piled in the snow. Three families were made homeless and Yvon St. Aubin, a son of the owner who was just married at Christmas, lost all his new furniture, including a new television set. Joseph Richard and Alexandre Bussiere also lost everything. Mr Bussiere is away with his family working in Cochrane and had stored his furniture in the Aubin house.

Clara French Bethunes Sask. two brothers, Gerald McLean, Regina and Clem McLean, Bethune. Two grandchildren also survive.

## For Auld Lang Syne At Coulonge W.I.

Fort Coulonge — The Fort Coulonge Women's Institute held its first 1959 meeting at "The Manse", Wednesday, Jan. 7. Mrs. Ira Whalen, President, presided and assisting were the secretary, Mrs. H. Rabb and treasurer, Mrs. L. Neville.

A good attendance recorded and the roll call, "A Hot Supper Dish" was very encouragingly responded to. Mrs. Geo. E. Colton read an article entitled "Do not get angry with your Dry Cleaner" and brought out some interesting facts and the answer to many problems for unsatisfactory cleaning job.

The meeting decided to carry on with Sunshine Baskets, as ways and means of raising funds and the March of Dimes Campaign to be given sincere and hearty support.

The secretary was authorized to write McDonald College for information regarding available demonstrators and free courses and what subjects suggested for 1959.

The reading of Christmas greetings from former members of the local institute and sister County Organizations was another interesting and entertaining feature of the meeting.

By special request, and a reasonable gesture, the members circled with crossed arms and clasped hands and sang Auld Lang Syne. At close of

## Week Of Prayer Despite Bad Weather

Fort Coulonge—Despite the cold blustering windy weather and uncertain road conditions the faithful few attended Week of Prayer services held in the United Church and St. Andrews Presbyterian last week.

Tuesday evening at the United Church, Rev. Robert Percival of Campbell's Bay, minister in charge of United Church in Fort Coulonge and Rev. F. D. Burton, BA, BD, Campbell's Bay Anglican Church minister jointly officiated.

Thursday evening at St. Andrews Presbyterian church with local minister Rev. E. G. MacDonald in charge. Rev. Ludger Emard, Otter Lake French Baptist Church and Rev. A. Atkinson of the Wesleyan Methodist Church, Waltham, took part in services.

## Coulonge United W.A.

Fort Coulonge—A successful and active year was reported by officers of the Fort Coulonge United Church Women's Association at their January meeting held at the home of Mrs. G. E. Colton, Thursday, January 8th. The president, Mrs. Howard Smith presided and assisting proceedings were

## Radford Auxiliary

The ladies of the Radford Hospital Auxiliary met on Dec. 17th for their monthly meeting. Mrs. Leona Eades opened the meeting with a reading on the Christmas story.

The Lord's Prayer was then repeated. The committee appointed to buy gifts for several in-patients, then showed their purchases, then we wrapped them. Collection \$2.00.

The Christmas tree was then unloaded and each lady received a gift in exchange.

Each contributed towards the lovely lunch, which was enjoyed by all.

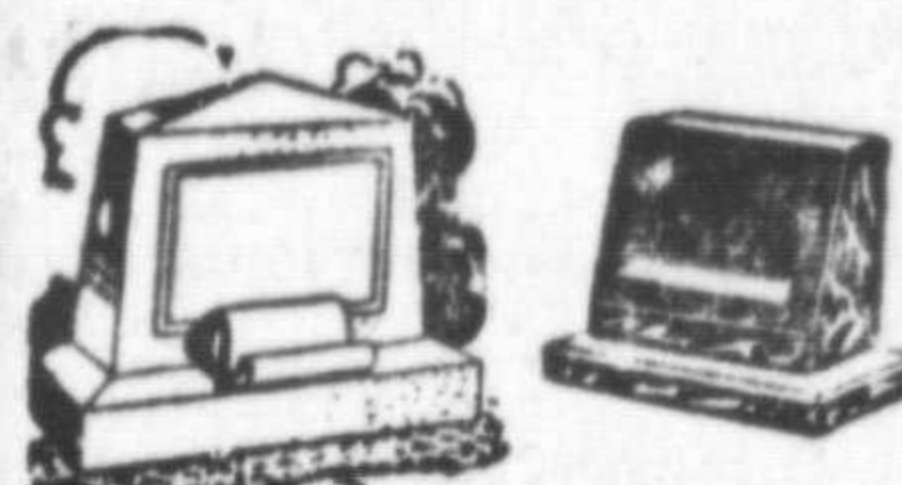

Eleven ladies were present.

## ...so both are borrowing from a bank

Faced with unforeseen household expenses? Want to make some special major purchase? Need money for taxes—or to meet a family emergency? Personal loans to help people meet just such situations are being made by the chartered banks every day. You're not asking a favour when you visit a chartered bank to arrange a personal

loan. The manager welcomes opportunities to make loans, repayable out of earnings in convenient instalments.

And at a chartered bank, you can always count on privacy and courteous consideration, whether you are arranging a loan or using other valuable services the bank provides.
