The most difficult task in the beauty pageant in Portage du Fort last weekend was choosing the winner. The eight contestants from this group of eight lovely and talented girls. In the back row (left to right) are Lise Essiambre, Karen McCorriston (Miss Congeniality), Lynne Fletcher and Cheryl Essiambre. Portage du Fort Festival

The Summer Festival that took place in Portage du Fort, the Gateway to Pontiac, last weekend, August 13-16, was a huge success. Sponsored by the Portage du Fort Recreation Association, the enthusiastic team of organizers rose to challenges presented by low temperatures and torrential downpours during the parts of the Festival with ingenious last-minute plans that kept everyone occupied and entertained.

Thursday evening while a euchre party was in progress at the Town Hall, William Devecsery hosted a preliminary juding event for the Miss Portage du Fort content at his restaurant, Parc du Soleil. A bountiful authentic Hungarian meal was served to the 25 guests, and the contestants introduced themselves to the panel of judges and held a secret ballot to select Miss Congeniality.

Friday evening following a comical softball game which ended in a tie between the Renfrew Petites and the Portage Prettiest, everyone gathered in the Town Hall for the Miss Portage du Fort Pageant. Each of the eight contestants modelled casual wear and dress wear, presented a talent event, and provided a brief impromptu answer to a question from the panel of judges. After lengthy deliberations, the five judges, Cecil Vibert, Sylvia Hodgins, Donald Lavalée, Muriel Davies and Elizabeth Dickson, named Janice Eiswald as runner up and Bonnie Tanguay as Miss Portage du Fort. The winner of the Miss Congeniality title, Karen McCorriston was announced.

The great success of the smoothly run pageant can be attributed to the hard work of the two organizers and MC's Frank Sofalvi and Cecile Essiambre, and the participation by Christa Krislaty (manicures), Muriel Davies (make-up), Lison Marie-France Allard (hair styles), Boutique 2000 of Renfrew (clothing), House of Flowers, Shawville (floral arrangements) and McCauley Jewellers, Shawville (jewellery). And last but definitely not least, the eight contestants- Bonnie Tanguay, Karen McCorriston, Cheryl Essiambre, Lise Essiambre, Joan Craig, Janice Eiswald, Wanda McCorriston and Lynne Fletcher. Poise, charm, beauty, and talent were all plentiful.

Also present at the Pageant were special guests Elsie Gibbons, M. and Mme Bob Middlemiss, Denis Lariviere, Kevin Stanton, for Consolidated Bathurst, and Mr and Mrs J J McCallum. Mrs Gibbons expressed pride in Portage du Fort for taking this first step in the area of beauty pageants and expressed the hope that the idea would be picked up by other municipalities in Pontiac so that a Miss Pontiac could be chosen and sent on to represent this region in a Miss Canada pageant some day soon.

Bob Middlemiss, MNA discussed the kind of effort required to get a project like this going and said he hoped that this kind of initiative which is so much a part of life in Pontiac County would spread to the rest of Quebec and throughout Canada.

Shawville calf club

The Shawville Calf Club members did extremely well at the sixth annual provincial calf rally at Richmond, Quebec and sponsored by the Quebec Young Farmers' Federation. Receiving the trophy for first place club aggragate from Jim Curry of the Macdonald College Diploma Program are club president Randy Hodgins and secretary Debbie Pirie.

Over 180 youngsters from all regions of Quebec showed their dairy or beef calves at the rally. Other local winners included Howie Stanley, whose Holstein calf was judged to be the all-breed calf grand champion as well as Holstein grand champion, Sheila Stewart, grand champion beef calf, Sharon Stewart, reserve grand champion showman, and Bruce Rady who was first in his age group for showmanship.

The turnout from the Shawville Club was one of the largest yet, with twenty-one members showing their calves, and many more making the trip to help with the rally organization. The club members did very well in the judging section, and to complete with sweep, they tied with the Howick Club for having the best barn display.

A reunion of the Dahms-Stender families

A reunion of the Dahms-Stender families was held on the first weekend of August.

First meeting was on Saturday at the picturesque setting of the summer home of Patti and Tony Bowen near Ladysmith. A picnic lunch was enjoyed outdoors where the surrounding hills echoed the laughter of children and the voices of acquaintances being made and renewed. The young and the not so young participated in races, tug-of-war and swimming during the afternoon.

In the evening dinner was served, at the TCRA in Ladysmith, to more than one hundred persons. Donald Dahms, eldest son of an eldest son, pronounced the blessing. Following the meal, Cyril (Clarence) Dahms acted as Master of Ceremonies. Various presentations were made. Those who travelled the greatest distance were Alexandra and Kevin Rinfret from Victoria, B.C. and Linda and José Garcia-Lozano and their three little boys from Managua, Nicaragua, where José is in charge of the Save the Children Program. The largest family, of which nineteen were present, was that of Winnifred and Orval Smart. Later piano, guitar and song numbers were rendered and everyone joined in a sing-song.

On Sunday morning St George's Church was filled to overflowing for a special Service of Thanksgiving, conducted by the Rev Cyrus Lang, of Two Mountains, native of Clarendon and now retired. He spoke of the adventures, toil and faith of our forefathers and of our responsibilities now and in the future. Sheila (Smart) Kleinikkink was the organist. At noon a pot-luck luncheon was served at the TCRA.

Of eighty-three direct descendants of Ebahardt Dahms and Lena Stender, sixty-five were present. Relatives came from Ottawa, Orleans, Montreal, Huntingdon, Brockville, Alliston, Toronto, Weston, Millgrove, Mississauga, Hanover, Lambeth, Halifax, Imperial, Sask., Vancouver, Victoria and Nicaragua.

This was an occasion long to be remembered and all agreed that it should be repeated in a few years.

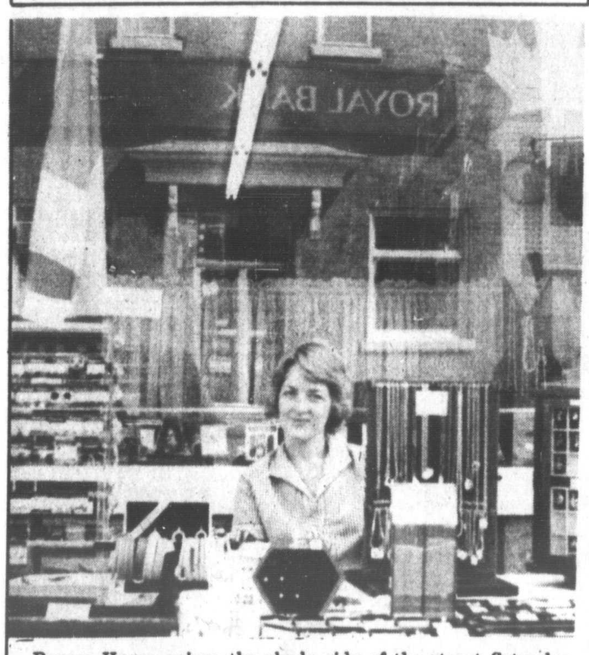
Sidewalk sale in Shawville

An attractive display of money-saving bargains attracted much interest in front of the J.R. Shop on Main Street in Shawville during the sidewalk sale.

EQUITY PHOTO



Rayma Hayes enjoys the shady side of the street Saturday afternoon during Shawville's sidewalk sale. EQUITY PHOTO

Thursday through Saturday, July 30-August 1, Shawville merchants marked prices down and spread their wares attractively outside their shops for the Second Annual Sidewalk Sale. The weekend chosen for this festive event coincided with similar events in Pembroke and Renfrew. Despite this significant competition, merchants in Shawville were happy with the turn-out and felt that it had been well worth the extra work they had invested in the project.

This was a situation where everyone gained. The buyers found many great bargains, merchants increased their business, and stores were able to turn over their summer inventory in preparation for the change of season.

Because of the success of the Shawville Sidewalk Sale it will probably become an annual event. On that subject, numerous ideas have been floating around among the Shawville merchants: (1) organize a more coordinated publicity campaign, (2) choose a theme for the Sidewalk Sale, (3) have sidewalk café style food, (4) have more music and entertainment, and (5) rope off one or two blocks of Main Street and have a Friday night street dance.

This year's Sidewalk Sale was a much bigger success than last year's both in terms of the number of people who attended and in the amount of business transacted. With or without further improvements, it seems that the Shawville Businessman's Association which organized this event is on the right track.

PORTAGE FOR EVER

From time to time we hear youngsters talking down their own home towns and looking forward to the time they can shake the dust.

Often as not these same folks who can hardly wait to get away move mountains to get back. Those who say they don't like their surroundings never will, no matter where they go, and eventually it is borne in upon them that it is themselves they don't like, not the towns where they happen to live.

But this week we are praising the youngsters who know a good thing when they see it, who like themselves, and who love their own home towns. A strong feeling of loyalty towards Portage du Fort among the young people who live there was well exemplified at Portage du Fort by the participants in their summer festival.

Eight teen aged charmers took part in a beauty pageant such as has never been seen in the Pontiac, run on the rules of the famous Miss Canada pageants, and each of them said they'd rather be in Portage du Fort than anywhere else.

Then the boys who make up the musical group "Venus" came on strong with their own version of home town fervor. "We are the boys of Portage du Fort" they sang, and it was like everyone claiming to be Irish on St Patrick's Day, everyone would wish nothing better than to be a Portage boy when they hear this spirited music.

The punch line of the evening also came from the Venus group when they presented "This town is our town, this town is your town . . . . . Portage belongs to you and me." The adapted words were cute and the chauvinism was worthy.

When the kids start out on their lives with this pride of their primary surroundings, they maintain their sense of worthiness wherever life takes them. Meanwhile they are a credit to their home towns and honour the Pontiac by their mere presence here.

THE RIDE AT SHAWVILLE FAIR

On Sunday, September 6th, at three o'clock in the afternoon, for one performance only, the R.C.M.P. will perform their famous Musical Ride at the Shawville Fair.

The cost to the Fair Board to provide this special treat is considerable, but they felt that it was worth it. This year's Shawville Fair is special, in that it is the 125th edition of this important annual event, so they are sparing no effort to make it the best yet.

Black horses and scarlet tunics have become symbolic of Canada and even though the horse may have been reduced to merely part of a ceremony elsewhere in this country, here in the Pontiac the horse is still part of our daily life.

The Musical Ride is part of the RCMP's public relations program. They call it their Equitation Branch and it is made up of volunteers from among their policemen. Most are non-riders prior to their training for the Ride and the RCMP feels that after these policemen have completed instruction they become accomplished riders and also ambassadors of goodwill toward the Force, promoting its image throughout Canada and the world.

In our day to day lives here in the Pontiac we don't come into contact with the Royal Canadian Mounted Police. Viewing the Musical Ride at the Shawville Fair will undoubtedly promote a friendly relationship between the police and the public here. That's their purpose in coming. But probably the prime reason the Fair Board has decided to support them in this public relations exercise in Shawville is to provide a special treat to the horse lovers in this particular part of the world.

Once upon a time there was a group of riders around Shawville who conducted their own musical ride on ponies, and who carried this on to do a complex square dance with horses a few years later. Perhaps the RCMP Musical Ride this year will spur a new group of local riders to get together once more on a similar adventure.

Firestone Canada is looking for a hero among truck drivers to honour for bravery. Last year their truck hero saved a fellow driver during Saskatchewan's worst traffic disaster when a bus collided with a tanker full of hot liquid asphalt. The 1981 truck hero will receive a thousand dollars, an inscribed watch and weekend in Toronto. The person or organization who nominates the winner gets $200. Address your nomination to Truck Hero, Canada Safety Council, 1765 St Laurent Blvd., Ottawa K1G 3V4.

Early in October each school is supposed to call a meeting of its School Committee and add members. These members are supposed to represent parents as advisers to the principal and take part in school activities. Whoever gets on these committees can have a good or bad effect on the schools or can just sit there and do nothing; or the whole committee can fail to meet and thus defeat the purpose of School Committees altogether. Its worth giving a little aforethought. There is also a Parents Committee to advise the school board and one parent is selected to sit on the school board. If you're not entirely happy about how these committees or boards are functioning with relation to your own child's school you could contact the Department of Education regional branch at 170 Hotel de Ville in Hull, phone 771-0594.

On Friday, September 4th at approximately 9:00 p.m. the Shawville Fair will produce a 'Variety Show' on the outdoor stage. Anyone interested in participating in this show should contact Elwyn Lang at 647-3372. The five-piece country and western group R.J. Selle of Douglas will accompany singers and various other artists throughout the program.

Portage du Fort Festival

Continued from Page 1

Denis Lariviere, speaking on behalf of the Central Pontiac Intermunicipal Recreation Association, congratulated and thanked the organizers for their hard work and community spirit.

Background music for the pageant was ably provided at the piano by Eva Brinkworth. During intermissions, the local band, Venus, made a real hit with the spectators by singing some of their own songs about Portage du Fort. Daryl McCorriston, lead singer, also played lead guitar, Jimmie Dunn played bass guitar, Mark Essiambre played guitar, and John Cameron was on drums.

Saturday after a hearty breakfast was served in the Town Hall, the rained-out horse-shoe tournament was converted into dart and euchre tournaments. The 40 or so horse-shoe teams hope to hold the tournament in about three weeks. Saturday evening the Town Hall was packed for a dance to the music of The Laurentians.

Sunday afternoon Sean Troke and Robbie Essiambre won first prizes for nicest and funniest entries in the kids parade, Tom Mosseau won the greased pig race, Jeff McCorriston was the pole climbing champion, Brian Troke won the men's chug-a-lug, and Della Meilleur won the women's chug-a-lug.

To wind up the festival in authentic Pontiac style, an amateur talent show was held Sunday evening with Mac Beattie as MC and all kinds of fiddling, dancing and singing from 7:30 right through until 11:00 p.m.

What an amazingly diverse, entertaining and action-packed Summer Festival for a village of 390!

Karen McCorriston (Miss Congeniality), Bonnie Tanguay (Miss Portage du Fort) and Janice Eiswald (runner up) were the top winners in last weekend's beauty pageant in Portage du Fort. EQUITY PHOTO

Information Section
Shawville Municipal Offices
Shawville, Quebec, JOX 2YO

Gentlemen:

I hope that you can help me. I have recently learned that my husband's great-grandfather moved from Scotland around 1840 and settled in Bristol Twp, Quebec, with his family. His name was Alexander Reid, and his wife's name was Elizabeth. In 1851, they owned a tavern.

I would like to find out more about this family, and I am hoping that you would be able to send me the address of the appropriate Historical Society, that would cover the Bristol Township area. Any other information which you would consider helpful would also be greatly appreciated.

Thank you very much. I look forward to hearing from you.

Sincerely

Luskville, August 14, 1981

Dear Editor:

Now before I'm accused of not supporting youth-work projects I'd like to make it clear that these projects are very necessary but they should have incentives for accomplishment and be planned so that the young person will feel they are important.

I called in at the Quebec Government information booth at Quyon a short time ago and found that there was a good supply of information bulletins, it was clean, and the young girl was very pleasant and co-operative-- that's the good side.

Now the bad side - (a) I didn't find one brochure supplied by commercial or small business firms-- they should be able to take advantage of this outlet -- we are paying for it. (b) I asked the girl for information on the following interesting local sites and she couldn't tell me anything about them.

The Quyon boom. The Moss mine. The gold mine and Gold Mine Lake. The Wilson Lake cave. The High falls. The ragged chute. The Cadieux rapids. The Faley Mine. The rock cut for the Georgian Bay canal project that cost the Government $500,000.00 in 1854-5. The remnants of the old horse drawn railway between Pontiac village and Union village.

Now I admit some of these locations may not have great appeal for 1981 visitors but they all have a great historical importance and could be built into tourist attractions.

I suggest strongly to the government that information booths should be staffed with senior citizens or personnel who have lived in the area for many years.

Tourists should not be disappointed when they visit or drive through this the most beautiful of all areas in Quebec.

Recent changes in the Quebec Civil Code

Marriage agreement (fourth installment of a six-part series)

The marriage agreement is probably the most important contract you will ever have to make. It will determine not only the ownership and administration of property acquired during or before the marriage but also how it is to be dividied at the time of separation, divorce or a spouse's death. Prior to marriage, couples should familiarize themselves with the various types of marriage agreements so that they may choose the one which is most suitable to their own case.

The new Civil Code provides for two types of marriage contracts: (1) partnership of acquired property (which the Quebec government calls acquests), and (2) separation of property.

Spouses may also choose an agreement which makes all property communal, or any other type of notarial contract established by a notarial deed.

Prior to marriage, prospective spouses may choose the type of agreement most suitable to them and have the appropriate marriage contract drawn up by a notary. However, if this is not done before they marry, they will automatically be subject to the legal agreement of partnership of acquired property which takes effect on the day of the solemnization of the marriage.

If spouses have signed a marriage contract with which they are no longer satisfied, they may change or replace it with another, either before or during the marriage. All changes, however, must be made by notarial deed.

The following is a brief description of both types of agreements provided for in the new Civil Code.

Partnership of acquired property (acquests)

In marriage agreements of partnership of acquired property, property is divided into two categories: private property and acquests. The principle is straightforward: property a spouse possesses before the beginning of the agreement, or property he or she inherited, or was given during the time the agreement, is in effect are his or her private property, including property acquired to replace it.

Wages, income from investments or other sources, as well as property acquired with these sums of money, are considered to be acquests.

Each spouse is entirely free to adminsiter his property during the course of the marriage. One exception, however: neither spouse may make a gift of a major portion of his acquests without the consent of the other.

If separation occurs, the acquests are pooled together in order to be divided into two equal parts. Each spouse retains his or her private property as well as having half of the pooled acquests.

Separation of property

Marriage agreements involving separation of property are administered in a manner similar to those involving partnership of acquired property except that, with separation of property, a spouse is free to dispose of his or her property, whether private or acquired, without the consent of the other.

The principle underlying agreements of separation of property is that property acquired by either spouse remains his or her own. Spouses have therefore no say concerning the administration of the other's property. When a marriage is dissolved, each party retains whatever is in his or her name and is not obliged to share it with the other.

As will be described next week in this column, however, absolute separation of property no longer exists because of changes in The Quebec Civil Code regarding family residence. family residence.

Experimental public market in Fort Coulonge

by Claudette Caisse

Recently, a small committee of individuals interested in commercial gardening or hot-house production was formed in the Fort-Coulonge area.

This committee has noted that many people in the area are very interested in buying locally-produced fresh vegetables and plants. Producers of plants and vegetables, whether hot-house or field-grown, have no difficulty in selling their produce locally.

To better explore the potential, the committee decided to organize a one-day experimental public market.

On Saturday, August 29th, from 9 a.m. to 3 p.m. there will be a public market to sell vegetables, fruits and plants on the parking lot of the Hôtel Coulonge in Fort-Coulonge. Any farmer or gardener who has vegetables to sell can set up on the parking lot to sell his produce.

The only restrictions are, firstly, that the vegetables, fruits and plants must be produced locally in Pontiac County, and secondly, that other types of merchandise: crafts, clothes, etc, are forbidden.

The committee invites every one with vegetables to sell to participate in this experimental market. The public is also invited to stock up on local fresh vegetables.

If this initiative is a success, the committee will study the possibilities of creating a permanent stand or market in the area.

For more information, you may contact the committee at 683-2015 or 683-3000.

Luskville Leader

Glad to see Alex Lapierre home again. Hope he keeps well.

Sorry to hear that Kay Mulligan is not up to par these days.

Congratulations to Muriel Bronson who was 95 last month but the W.I. members gave her a birthday cake at the euchre party on Thursday night.

Sincere sympathy to Alma Tracy on the sudden passing of her brother Lloyd Westbrooke of Ottawa.

Luskville Leader

The Mulligan's from the Steele Line gathered together at Edgar's cottage on Thorne Lake on August 1st for a family re-union.

Nearly sixty members of the clan were present and they came from Cambridge, Arnprior, Kitchener, Kingston, Sudbury, Falconbridge, Pembroke, Ottawa, Aylmer, Luskville, Quyon and Shawville.

The day started off by a Mass at the Thorne Lake Chapel in memory of their father, sister-in-law and nephew. Their mother, 90 year old Sister Mary Josephine of the Saint Joseph's Order in Pembroke was unable to attend.

A well-known Mulligan Punch was served, called the Clew Bay Starter (Clew Bay is the place in Ireland where the Mulligans from Castlebar took the boat to the new world and Pontiac). This was followed by a sumptuous buffet.

After eating, there was a round of short speeches which seemed to say that they were a lucky family, born at the right time, in the right place to the right people.

The rest of the evening was spent in sing-song, laughter and re-newing family acquaintances.

I guess everyone in the Pontiac knows a Mulligan. There are thirteen of them, sons and daughters of Joseph Mulligan and Mary O'Reilly--Edgar of Luskville, Terrence and Athol of Quyon, Sister Josephine, Cambridge, Ontario, Frank of Pembroke, Andrew of Quyon, Joseph, Falconbridge, Elizabeth of Sudbury, Bill of Shawville, Brother Barney since left for Australia, Sister Mary Kingston, John and Philip Aylmer.

The grandsons and grand daughters together with the great-grandsons and daughters of Joseph and Mary were nearly all there too. Don't forget there were eight sisters-in-law and one brother-in-law to support the clan.

The re-union started on August 1st in Thorne Lake but as usual it ended on the homestead the next day.

Pontiac coach going all out

by Ron Bedard

After eliminating Ottawa Pypers for the right to represent Ottawa, Ottawa Turpin Pontiacs have established themselves as the most logical team to defend Canada's Capital in the forthcoming Canadian Senior Championships which will be held at Carlington Park in Ottawa. Thirteen Canadian Provinces will be represented and includes the Territories. Sarnia will represent Ontario. The winner of the tournament will take the Canadian honours to the "World Championships".

The City of Ottawa has never before been involved in such Major Fastball. Coaches John Chiarelli and Gerry Post are contemplating at this time in reinforcing their line-up by two players and are in a bind as they must consider such available players as pitchers Hogaboam of Williamsburg, Pioneers, Brad Underwood of Owen Sound, Jim Cowdrey of Agincourt, Dan Yantzi of Kitchener, Ontario, Chris Breesee and Hodgkinson of Cardinal Pats. Two other potentials are Pyper's Dave Dixie and Bob Storing. Ted Hoy of the Pats is waiting on the sidelines should he be needed. The two chosen will dress and join Turpin's pitchers Bill Coveney and Joe Belisle, catcher Wayne Hughes, Clark Christie- first base, Gilles Mallette- 3rd base, Jim Hand- left field plus the rest of the roster. Another asset is in the person of 33 year old Harry Hopkins who has 5 years experience in Canadian Championships, mostly with the strong team from Saskatchewan. Harry is known for his defensive ability and will be at Carlington Park, August 25th to the 30th to show off his talents and credentials. Although a versatile player, John Chiarelli has used him at 3rd base for most of the season in Metro Major League play.

Coach Chiarelli states that he has an obligation to the team's followers and that he will be fielding a team worthy of their support.

After winning or being finalists in four Canadian Tournaments, Quebec City, Bunny Larocque, Ottawa Fastball, and Cold Springs, they have shown that they are one of the strongest senior teams in the Ottawa Valley. This disciplined organization has been in the Metro Major Fastball League since 1972 and has won Championships no less than seven times.

Ottawa Turpin Pontiacs have two games remaining in their Metro schedule and are expected to play these on Tuesday when they meet Hull Volants and Cardinal Pats at Carlington Park. League playoffs are expected to start later this week with Aylmer Merchants meeting the first place team, either the Turpin Pontiacs or Cardinal Pats.

Aylmer Cosmos soccer

The Aylmer Cosmos soccer team in action against Sagueny-Lac St Jean at Aydelu Park this week. The teams participating were divided into four divisions, with the Cosmos, representing the Outaouais region, meeting Sagueny-Lac St Jean twice, Bourassa, and Centre de Quebec. The only game they lost was to Bourassa who went on, undefeated, to the semi-finals and eventually to win the gold medal. The Cosmos scored twenty two goals and allowed only one against in their three wins and one loss. EQUITY PHOTO

Library Tour

When your child gets tired of the books at the neighborhood library, occasionally take him to a different library.

TIPS TO HELP YOU

Budgeting outlays for food, clothing, transportation and recreation. Consider forming car pools to get to work and to take the kids to school. (Walking or biking for local trips is healthier and costs nothing!) Buy clothes and other major items during sales.

Plan to cut heating costs now

THE PRICE OF OIL IS ESCALATING, AND WILL CONTINUE TO DO SO.

The Canada Oil Substitution Program (COSP) is a major part of the federal government's National Energy Program. COSP is designed to help reduce, by 1990, the use of oil for heating purposes to 10 per cent of the total Canadian energy consumption.

For a single family dwelling, COSP offers taxable grants of up to $800. The grants cover half the costs of changing your space or hot water heating system from oil to electricity, natural gas, propane or renewable energy sources such as wood and solar. Multiple-unit dwellings are eligible for taxable grants ranging from $1000 to $5500.

All conversions completed since October 28, 1980 are eligible, providing they meet the criteria already established for the program by the federal government.

Through a recent agreement between the Governments of Canada and Quebec, the program now includes conversions to electricity. After October 1, 1981, however, the Government of Quebec will require that your house meet its energy efficient standards, and that you keep your present central heating system if it is in good working order. These restrictions do not apply at the present time.

Although it is not yet compulsory to insulate your home to be eligible for a COSP grant, it is, of course, a good idea to do so.

HOW TO APPLY FOR YOUR GRANT

- For COSP conversions to electricity; contact your nearest Hydro-Québec business office for application forms and information. If you are serviced by Hydro-Québec, the address and phone number of that office will be on your electricity bill.
- Application forms and information on the possibility of converting to natural gas may be obtained by contacting your gas utility.
- For information on COSP conversions to propane, wood, solar or other renewable sources of energy, call the federal Department of Energy, Mines and Resources (EMR) office located at 605 Dorchester Blvd. W., Montreal, Quebec, H3B 1P4. Call: (514) 283-5632 or toll-free 1-800-361-8025.

Marché public expérimental à Fort Coulonge

par Claudette Caisse

Récemment, un petit comité de personnes qui s'intéressent au jardinage commercial ou à la culture en serres s'est formé dans la région de Fort-Coulonge.

Ce comité a remarqué qu'il y a un intérêt marqué dans la région, pour acheter des légumes frais et des plantes cultivés localement. Ceux qui produisent des plantes et des légumes, soit en serres ou sur le champ n'ont aucune difficulté à vendre leurs produits localement.

Pour mieux explorer le potentiel, ce comité a décidé d'organiser un marché public expérimental d'une journée.

Samedi, le 29 août, de 9 hres à 3 hres, il y aura un marché public de légumes, de fruits et de plantes sur le terrain de stationnement de l'hôtel Coulonge à Fort-Coulonge. Tout producteur ou jardinier qui a un surplus de légumes pourra s'installer sur ce terrain pour vendre ses produits.

Il y a quelques conditions: les légumes, les fruits et les plantes devront être produits localement dans le Pontiac, et on ne permet pas la vente d'autres marchandises comme artisanat, vêtements, etc.

Le comité invite toute personne qui a un surplus de légumes à participer à ce marché expérimental. On invite également le public à venir s'approvisionner de légumes frais cultivés, d'ici.

Si cette journée est une réussite, le comité étudiera la possibilité de créer un kiosque ou un marché permanent dans la région.

Pour plus d'informations, vous pouvez contacter le comité à 683-2015 ou 683-3000.

Invitation aux créateurs et créatrices en arts visuels

Le ministère des Affaires culturelles réitère son invitation à tous les créateurs et créatrices professionnels (les) en arts visuels de l'Outaouais à s'inscrire à leur banque régionale de renseignements pour le programme d'intégration des arts à l'architecture.

Rappelons que ce nouveau programme est entré en vigueur en février 1981. Il oblige à consacrer un certain pourcentage du budget de construction de tout édifice gouvernemental dont le coût des travaux est de 150 000,00$ et plus, à l'intégration de créations originales d'oeuvres d'art à l'architecture. Ces édifices doivent cependant être accessibles au public pour des fins d'information, de loisirs ou d'obtention de services ou de biens.

Tous les créateurs et créatrices intéressés (ées) par l'intégration d'oeuvres d'art à l'architecture doivent s'inscrire le plus tôt possible au bureau régional du ministère des Affaires culturelles. Ceux qui sont déjà inscrits y reprendront leur ancien dossier et devront remplir la nouvelle formule d'inscription et fournir deux (2) exemplaires de dix (10) diapositives représentatives de leurs oeuvres. Quant aux artistes qui n'ont pas de dossier, ils doivent également s'inscrire à leur bureau régional où les documents requis leur seront remis.

Un dépliant explicatif sur le programme d'intégration des arts à l'architecture est actuellement disponible dans tous les bureaux régionaux. Il suffit d'en faire la demande. Le bureau régional de l'Outaouais est situé au 170, rue Hôtel-de-Ville, Edifice Jos Montferrand, 6ième étage, Hull, Québec, J8X 4C2, tél. 770-2118.

Lettres à l'éditeur

Le 13 août 1981

Mr Ross Dickson
The Equity
Shawville, Quebec

Mr Dickson,

A qui le Centre de Jeunes?

Depuis le temps qu'on en parle, vous devez être au courant qu'il y a un Centre de Jeunes à Mansfield et Fort-Coulonge. Vous savez sans doute également qu'il est situé au sous-sol de la Municipalité de Mansfield.

Le Centre de Jeunes a payé son loyer jusqu'en décembre. Il doit donc être considéré comme locataire. Le statut de locataire, même à une organisation, donne certains droits et obligations. Ainsi les jeunes sont responsables du local, du matériel qui s'y trouve, de sa condition et de son entretien. La municipalité, elle doit s'engager à respecter son locataire, à lui assurer une certaine sécurité.

Or, dernièrement, le local a été prêté à une compagnie. Le Centre de Jeunes est d'accord pour que le local soit prêté mais veut qu'il soit remis en bon état avant que l'utilisateur le quitte. Lorsque la Compagnie a utilisé le local, les chaises et les tables avaient été déplacées, il y avait des restes de cigarette et de la cendre par terre, le plancher n'avait pas été balayé et il y avait du sable partout, la porte n'avait pas été barrée et les lumières n'avaient pas été éteintes.

Le Centre de Jeunes a fait connaître ces griefs au maire lors de l'assemblée du conseil municipal du 5 août dernier. Le maire, a nullement tenu compte des droits du Centre de jeunes et a répondu que la Compagnie a plus d'importance que le Centre de Jeunes parce qu'elle engage les contribuables, c'est-à-dire les payeurs de taxe.

Le maire a également ajouté qu'il n'était pas favorable à l'idée d'avoir un Centre de Jeunes au sous-sol de la salle municipale et que si ça n'avait été que de lui, les jeunes n'auraient pas eu ce local.

J'aimerais signaler aux gens que les jeunes qui utilisent le Centre de Jeunes sont aussi les enfants des payeurs de taxes, et que pour cette raison, le service offert par la municipalité aux jeunes est également d'importance pour les payeurs de taxes.

Le loyer du Centre est payé jusqu'en décembre les animateurs payés par un projet cesseront de travailler à la fin de septembre. Il est urgent que les parents s'impliquent et se donnent la main afin d'assurer la survie du seul centre qui offre des services aux jeunes.

A ce stade-ci, on peut se demander qui est responsable des jeunes et de leur avenir? On peut répondre la société. Mais la société c'est tout le monde, c'est vous, c'est moi, c'est aussi les organisations dont les municipalités. A qui le Centre de Jeunes? Et qui s'en occupera?

Ginette Ladouceur

(Note d'éclaircissement: Le Centre de Jeunes ne paye pas de loyer. Leur utilisation du sous-sol de la salle municipale fait partie d'une entente entre trois organismes, la commission scolaire, la municipalité et les Chevaliers de Colomb. Cette entente consiste en une excellente coopération parmi ces trois organismes pour mettre à la disposition des citoyens les lieux publics dont l'arena, l'école et la salle municipale, lesquels néanmoins restent la propriété des organismes entretemps. Le maire personnellement voudrait que le sous sol de la salle municiaple ne soit pas fermée au grand public pendant les quatre soirées utilisées par les jeunes . . . mais quand aux autres soirs la salle est à l'usage de la municipalité seulement, ou de qui en aurait besoin en faisant des arrangements avec le conseil. Quant aux chaises déplacées, aux restes de cigarette, au sable par terre, à la porte non barrée et aux lumières non éteintes, il nous fait grand plaisir de noter que ces jeunes ont un si bon penchant pour la propreté. Tom Lefebvre et l'énergie

Thom Lefebvre, député de Pontiac-Gatineau-Labelle, a réagi favorablement à la récente annonce de l'honorable Marc Lalonde, ministre de l'Energie, des Mines et des Ressources, que le gouvernement fédéral accroîtra de 35 millions de dollars les fonds affectés à la recherche et au développement de crédits qui seront relevés pendant les trois prochaines années.

"Les projets de R et D dans le domaine de l'énergie qui doivent bénéficier de 35 millions de dollars supplémentaires s'inscrivent dans le cadre des recommandations contenues dans le rapport du Comité spécial sur l'énergie de remplacement du pétrole, publié en mai", a affirmé monsieur Lalonde.

Thom Lefebvre a été Président du Comité spécial de sept membres représentant tous les partis, qui a reçu pour mandat de faire les recherches et de rédiger un rapport sur les sources d'énergie, les technologies énergétiques et les combustibles nouveaux pouvant présenter un certain intérêt pour le Canada et notamment sur la possibilité de les utiliser au Canada. Le Comité a préparé un rapport approfondi contenant 65 recommandations dont une visant l'accroissement des fonds destinés à la recherche et au développement dans le domaine de l'énergie.

Programme d'aide financière aux artisans(es) de l'Outaouais

Le ministère des Affaires culturelles invite les artisans(es) et regroupements d'artisans(es), de niveau professionnel, à lui soumettre des projets dans le cadre d'un programme de Formation-Production auquel un budget de 38 000$ a été affecté.

Tous les projets de formation touchant une ou plusieurs facettes du métier d'artisan sont admissibles à l'exception des frais de scolarité à une institution publique d'enseignement et des stages à l'étranger quand il existe un équivalent au Québec. Une subvention maximale de 3 000$ pour un individu et de 6 000$ pour un groupe sera allouée selon la nature et l'importance du projet.

Les projets admissibles au volet Production sont, à titre d'exemple, l'approvisionnement et le transport de matières premières, l'amélioration locative, la recherche sur les techniques: matériaux, équipements, mise en marché, remboursement d'intérêts annuels aux prêts consentis par des sociétés (Société de développement des industries culturelles) ou institutions financières, etc. Comme ces projets sont tous de nature à augmenter l'actif financier des requérants, une participation financière est exigée de la part de ce dernier. Cette participation devra être équivalente à 50% du montant total de ce projet et ce, jusqu'à concurrence de 3000$ pour un individu et de 10 000$ pour un groupe.

Pour être admissible à ce programme, il faudra être artisan(e) professionnel(le), c'est-à-dire avoir acquis une compétence reconnue, faire ou tenter de faire de son métier sa principale occupation professionnelle continue depuis au moins trois ans et avoir participé à différentes manifestations (salons, expositions, etc.) depuis ce temps ainsi que résider dans l'Outaouais depuis au moins un an.

Les demandes doivent se faire en complétant un formulaire du Ministère en y annexant un curriculum vitae, une description du projet et une copie des lettres patentes et du dernier bilan financier, s'il y a lieu, ainsi qu'un budget pro forma (état prévisionnel des dépenses et des revenus), s'il y a lieu.

Les artisans professionels de la zone du Pontiac peuvent se procurer le formulaire aux C.L.S.C. de Fort-Coulonge et de Bryson durant les heures d'ouverture.

La période d'inscription est du 15 août au 30 septembre 1981.

Aylmer, capitale des loisirs de l'Outa-ouais

Fondée en 1816, la Ville d'Aylmer a d'abord été connue sous le nom de Symmes, qui fut l'un de ses fondateurs et qui laissa à la postérité sa maison, un des monuments historiques les plus importants de la région. D'ailleurs, Aylmer est réputée pour ses vieilles maisons de pierres, dont les plus anciennes ont plus de cent cinquante ans: on citera entre autres l'Auberge Symmes, érigée en 1831, et le Palais de Justice, devenu Hôtel de Ville et construit en 1852.

Aujourd'hui, Aylmer offre à tout l'Outaouais une multitude d'activités récréatives: on y dénombre plusieurs terrains de golf et centres d'équitation. Deplus, une piste de course de chevaux et une marina en font le lieu de rendez-vous de plus d'un connaisseur!

Cet été, l'Association Touristique de votre région vous invite à visiter l'Outaouais!

On Sunday, July 26th the parishioners of St Luke's Eardley held their memorial service. It was conducted by Cannon Frank Lawlor who started his ministry at St Luke's and St John's. He left in September of 1955 and everyone was happy to have him amongst us again. After the servie a lovely supper was given at the Poole residence served by Violet and her three daughters and a lot of reminiscing continued almost till dark.

Congratulations to Kathy Draper, this year's Miss Quyon Fair.

On Thursday night we had a talent show and I must say for something that was organized in one week it was really something. I must thank all who participated. They really did a fine job. Special thankse to Cal Cummings for his P.A. System. Glen Meredith used his truck which held the piano and all the strong armed boys loaded and unloaded the piano. Eldon Ostrom did just about everything. The people stayed to listen. Maybe next year we can make it bigger.

Sorry to hear that Lorne Draper fell off a hay wagon. Hope there was no serious damage.

Sincere sympathy to Mr Gauthier on the sudden passing of his wife.

Visitors with Margaret Reside last week were Thérèse Osborne of Hull and her daughter Pauline.

Margaret Reside spent a few days visiting Mrs Alexander Lapierre in Quyon this week.

Mr and Mrs Fred Krose of Ladysmith visited Margaret Reside on Thursday.

Cannon Frank Lawlor of Hawksbury, Ontario, with Margaret Reside at the Memorial service held at St Luke's on July 26th.

Wesleyan church conference

When pastors and delegates from the 28 churches of the Central Canada District of the Wesleyan Church gathered at the Silver Lake Camp grounds, Maberley, Ontario, on Tuesday, July 21st they came with a sense of anticipation which was tinged with sadness. When Christians meet together there is always a sense of anticipation for they are encouraged not only by each other's presence but also by the presence of God. The occasion of the gathering was the Annual Conference. The cause of sadness was the empty chair on the platform. For the first time since 1958 the chair of the District Superintendent was not occupied by Dr James S A Spearman.

Stricken by sickness since January Dr Spearman had had to resign from the position he had held since 1958 and was due to hold until 1982. In the words of a fraternal delegate from the Standard Church an "overwhelming sense of loss" was felt by all who knew Dr Spearman. Words are often inadequate to express the deep feelings of the heart but those who spoke of Dr Spearman did so with words which painted a picture of a man who had devoted his life to the service of One Master, the Lord Jesus Christ. He was variously described as a man of indomitable spirit, as one having a sense of purpose and as one with a heart of passion who was motivated by a deep and real concern for people.

Dr J.S.A. Spearman began his ministry at Waltham, Quebec, in 1937. He was ordained in 1940 and in 1943 he moved to Belleville to pioneer a new church. It seems that God's call to 'J.S.A.' as he is affectionately called, was to church planting, for in May 1964 he moved to nearby Trenton to start another new church. In 1958 he became District Superintendent, having already served as Assistant for ten years. When the work load of his dual role as pastor and superintendent became too heavy he left the pastorate in 1973 to become full-time Superintendent, setting up the District office at his home in Belleville. For 29 years he conducted weekly Bible studies in the Public School system of the area. In 1973 he was awarded an honorary degree of Dr of Divinity by the Wesleyan Liberal Arts College at Houghton, New York.

On the morning of July 23rd Mrs Eleanor Spearman attended conference and heard from the newly elected Superintendent Rev W W Jewell that the District Board of Administration had brought to Conference a resolution to elect Dr James S A Spearman as District Superintendent Emeritus and to make him an honorary member of the Board. She received a cash gift as a token of love from all the churches across the District. Assistant Superintendent Dr Ira Taylor said that we honoured Dr Spearman as a chief executive in administration, as a leader who led us into the fray, as a counsellor who sat by our side, as a man with the heart of a pastor, as a friend who spoke to us and comforted us and as a brother who walked by our side in the work and toil. Dr Robert McIntyre, General Superintendent of the Wesleyan Church spoke for everyone when he said, "God give us many more like Dr J.S.A. Spearman".

Although the thoughts of those present were continually on Dr Spearman the business had to go on, the past had gone and the future lay ahead. In his denominational address Dr McIntyre gave some encouraging statistics but reminded his congregation that the gains, although better than losses, were in reality meager in the light of the need and opportunity. Members needed to have an enlarged vision and an enhanced faith, opportunities must be seen and must be embraced in a larger and more practical way. In the words of Isaiah 54:2 he exhorted them to "enlarge the place of your tent, lengthen your cords and strengthen your stakes".

In the Wesleyan Church across the world current statistics show 23,000 stationed elders, 1000 licensed ministers, 3000 local churches, 127,000 full members and a total membership of 158,000, an increase of 4.1% over the past year. On an average Sunday 196,000 will be in morning worship and 304,000 in Sunday School. In Central Canada total membership is currently 1432.

Dr Spearman's retirement necessitated the election of a new District Superintendent. Votes were cast on July 22nd but much prayer had preceded the election to ensure that God's man was elected. Rev Walter W Jewell was elected Superintendent and Dr Ira Taylor was re-elected as Assistant. Rev Jewell began his ministry in Brockville in 1958, the same year that Dr Spearman had become Superintendent. He was converted under Dr Spearman's ministry in Belleville and before going into the ministry he had been works manager at Stevens Adamson in Belleville. In 1966 he moved to Oshawa where he pioneered the Wesleyan Church in which he has served as pastor for 15 years.

Elected to elder's orders during Conference and ordained on Sunday July 26th were Mrs Helen Wilson of Brockville, Mr Barry Smith of Brockville and Dr Vernon Marples of Trenton.
