## World News In Brief

Montreal, May 8.—(C.P.)—Mr. Justice Wilfrid Lacombe rejected in Court of King's Bench today a defence motion for postponement until the fall assizes the trial of Fred Rose on a charge of conspiring to communicate information to the Soviet Union.

The Labor-Progressive member of Parliament for Montreal-Carrier is scheduled to appear for trial May 20.

Frankfurt, May 8.—(P)—Four thousand United States troops paraded today with two machine-guns and a few hundred rifles in this bomb-scarred city in observance of the first anniversary of VE-Day. Shabbily-dressed German civilians watched in stony silence.

The parade in the headquarters city of the United States occupation zone featured only two armored vehicles, both light patrol cars. German on-lookers exchanged amazed whispers. A few doffed their hats when the American flag passed.

London, May 8.—(C.P. Cable)—Lord Elton said yesterday in the House of Lords that there appeared to be about 300,000 marriages in danger of shipwreck at the present time.

Opening a debate on the separation of married servicemen and their wives, Lord Elton said it had been revealed that 48,000 applications for divorce were awaiting hearing and that chaplains and welfare officers had indicated many men who had heard of the infidelity of a wife were waiting until they returned home before taking action.

New York, May 8.—(P)—Two "quite severe" earthquakes shook, probably centring in the South Pacific, were recorded today on the Fordham University seismograph. Officials said the tremors occurred about 9,700 miles from here, probably between the Dutch East Indies and New Guinea.

A "very strong" earthquake was recorded at Weston, Mass., where officials said tremors continued four hours.

Location was estimated at about 9,600 miles from Weston, north of Java, in the Banda Sea.

New York, May 8.—(P)—Generalissimo Joseph Stalin, in a message sent to the American-Russian Institute, dinner last night, lauded the late President Franklin D. Roosevelt as "that great statesman" to whom "humanity should be thankful."

The Soviet Premier said the world owed a debt to Mr. Roosevelt "for outstanding services in the routing of the German-Japanese aggression" and added that "the people of our countries" should be grateful to the former President for the development of friendly relations between the United States and the Soviet Union.

## New Soviet Boycott Likely As U.N. Takes Up Iran Case

New York, May 8.—(P)—The United Nations Security Council tackles the Russian-Iranian issue again today with prospects of a heated session and a new Soviet boycott.

The Council meeting is the first since the Monday deadline for withdrawal of Red Army forces from Iran under a Soviet-Iranian agreement of April 5.

The members were uncertain whether Soviet Delegate Andrei A. Gromyko would attend and if he did whether he would leave the chamber, as he has threatened to do if Iran is mentioned.

There were questions also as to whether Russia would submit a report on the progress of Red Army evacuations and whether Iranian Ambassador Hussein Ali would file a statement that might throw new light on whether the Russian evacuation is complete.

## 21-Nation Parley Proposed To Study European Treaties

United States and Britain Reported to Have Opposed Russia on Every Major Point at Foreign Ministers' Conference—German Problem Not Expected to Be Reached at Present Meeting.

Paris, May 8.—(P)—State Secretary James F. Byrnes of the United States was said by a British informant today to have proposed to the Foreign Ministers Conference that a 21-nation conference be held in Paris beginning June 15 to discuss European peace treaties.

It was conceded, the informant said, that the foreign ministers of Britain, Russia, France and the United States could not agree on the treaties at the present conference.

There was no immediate acceptance of Mr. Byrnes' proposal for the peace conference, but the other three ministers were said to have accepted another Byrnes suggestion that their deputies draw up a list of points on which they have agreed and another list on which they have disagreed.

The list, it was conceded, would show that the United States and Britain had opposed Russia on every major point, with France sometimes siding with Britain and the United States and occasionally taking a position halfway between that of the western allies and the Russians.

The foreign ministers will break up and go home after their next meeting at 5 p.m. (noon A.D.T.) tomorrow, it was reported.

It appeared that the ministers would not reach the German problem, last on their agenda, at this meeting. At tomorrow's meeting the deputies were to have ready the list of agreements and disagreements. Foreign Secretary Bevin of Britain also asked that the reports of expert committees be ready at that time.

At this morning's meeting, the ministers again found themselves deadlocked on the Italian reparations question, the British informant said. The Russians, Americans and French all presented divergent views.

British experts headed by Oliver Harvey, deputy under-secretary of State, and French officials headed by Herve Alphand, chief of the Foreign Office's economic section, met at the Foreign Ministry in an effort to reconcile views on the ultimate settlement of the Rhineland and Ruhr questions.

France has proposed that the area be detached from Germany, both economically and politically, while Britain has suggested that the regions be separated from the Reich economically but left under German sovereignty.

Foreign Secretary Bevin submitted two proposals last week as a guard against German rearmament. One provided for the socialization of Ruhr industries by an international Allied commission which would regulate output. The other would establish a neutral Ruhr-Rhine state within a federalized Germany.

This Allied Commission would be composed of representatives of Great Britain, France, Belgium, Holland and Luxembourg—and notably, neither the United States nor Russia.

Initial French reaction to both these proposals has been described as cool.

The Big Four yesterday, in two sessions, came up with three agreements, five discords, and, for the first time since their meeting began in Paris, referred two issues to the proposed 21-nation peace conference.

These latter issues were the disputed Greek-Bulgarian frontier and Bulgarian reparations to Greece.

## British Troops In Trieste

While Big Four Foreign Ministers, meeting in Paris, debate the future of Trieste, these British Tommies and khaki Scots troops march through the area of the Adriatic port being guarded by Great Britain, Britain and U.S. reportedly favor return of Trieste to Italy. Russia prefers control by Yugoslavia.

## City Is Not Interested In Operating Local Airfield

Through lack of co-operation from Trans-Canada Airlines, which has refused to assure city authorities that the T.C.A. service would be extended to Windsor Mills if the airport is taken over, the city is not interested in either operating the airfield as a municipal project or improving its facilities, it was learned today.

City Clerk Antonin Deslauriers stated this morning that draft of the lease on the airport has been received from the Federal Department of Transport and will come up for study at the adjourned meeting of the City Council tomorrow night, and will likely be referred to the airport committee consisting of Mayor Guy Bryant and Aldermen Paul Hamel, Hector Lanctot and Armand Fiset.

It was learned on good authority today, however, that if the lease is taken over, with the city renting the airfield for a five-year period at a nominal fee of one dollar per year, the council will then offer the field to some private group or corporation to assume administration responsibilities. It had been hoped that T.C.A. would extend its facilities to Windsor Mills and include the airfield on its regular Montreal-Marlboro run if the field were improved and brought up to standard requirements but no such assurance has been forthcoming and the Council does not feel that it should go ahead with any airport development plan under existing conditions.

The two local groups interested in re-taking the airfield from the City of Sherbrooke are represented by Harry Grandy, heading the R. C. A. F. veterans, and Eddie Blouin, local businessman, who is prepared to back a bond up to \$50,000.

The veteran group proposes commercial lines between Sherbrooke-Montreal, Sherbrooke-Quebec and possibly, Sherbrooke-Boston, with stop-offs at Theford Mines and Three Rivers. Thus the Eastern Townships would have available to various commercial and industrial groups, service to outlying districts.

Mr. Deslauriers said today that "we are now ready to discuss disposition of the airfield with the 24 veterans who have approached us with a view to setting up a commercial line." This group is expected to be given first option on the field after the city has signed the government lease.

## U. S. Fleet Ready For Atomic Test

Aboard U. S. S. Mt. McKinley, May 8.—(P)—This flag ship set out today from San Francisco to fathom some of the mysteries of the atomic bomb and its influence on tomorrow's navy.

First port of call for the Mt. McKinley, amphibious command ship of the atom bomb test expedition, was Pearl Harbor, where nearly all 74 target ships were being anchored, awaiting inspection by the fleet.

Thirty-three ships awaited sailing dates in west coast ports. At Pearl Harbor, Bikini or en route were 177 others.

## Nazi Methods Used By U.K., Admiral Says

German Fleet Head Declares British Sailors and Nazis Fought War in Almost Identical Fashion.

Nuernberg, May 8.—(P)—Charges that British warships and planes attacked German sailors in lifeboats or swimming in the sea were submitted to the International Military Tribunal by Grand Admiral Karl Doenitz today in an effort to show that the Allied and Nazi navies fought the war in almost identical fashion.

"It is not my intention to criticize any war measures by the Allied powers," defence counsel Otto Kraunbuehler told the tribunal in his argument asking that the documents be accepted as evidence.

"I want to show what naval warfare was really like. I would not do that by showing only German methods. I must also show Allied methods in order to prove that German practices, like those of the Allies, were legal."

Doenitz, who as Adolf Hitler's successor surrendered Germany to the Allies a year ago, sat stony-faced in the prisoners' box as his fight for life began.

The prosecution already has challenged the relevance of a large portion of Doenitz's documentary evidence.

One of Britain's naval heroes, Rear Admiral Philip L. Vian, who commanded the destroyer H.M.S. Cossack in a bold attack on the German prison ship Altmarrk off Norway February 20th, 1940, was among those accused of tactics rivaling those charged to Nazi U-boats.

The defence cited the Altmarrk's fate as evidence that the British were not guilty of the charges.

## Police Still Seek Murderer Of Child

Minaki, Ont., May 8.—(P)—Inspector T. R. Wright, investigator of the Ontario Provincial Police, "sorted out" clues today as the body of three-year-old Jean Smith, abducted and slain here Saturday night, went forward to Winnipeg for burial.

Her body was released after a post mortem examination by Dr. A. E. Alin of Fort William established the cause of death as a fractured skull and that she had not been sexually attacked.

As police hinted at "striking developments" but gave no indications what they might be, Inspector Wright had these puzzles to solve.

Who kidnapped the blond, blue-eyed tot, stripped off her pyjamas and then pounded her head against a rock only about 100 yards from the home of her parents, Mr. and Mrs. Herbert E. Smith.

How did that person enter the house, windows of which were sealed and the doors difficult to open, without being heard by a maid in an upstairs room or being caught by a dog whose devotion to Jean and her younger brother was a by-word in the community?

Why was it done and where are the pyjamas she was wearing.

## Bombs, Guns In Montreal's Crime Wave

Police and Gangsters Trade Shots in Running Battle — Strike Violence Still Rife.

Montreal, May 8.—(P)—Montreal's current shooting and bombing wave continued unabated last night and early today as police and gunmen traded shots in a running battle in the north-central section of the city and two bombs were hurled into the National Breweries railway terminal on downtown St. James Street. No injuries were reported.

Constables Eugene Leclerc and Gilbert Trepanier of the radio police department were called to the Ledue drug store on Maplewood Avenue and as they approached were met by a burst of fire from two men in a nearby automobile which accelerated and shot off, pursued by the police.

A running battle, punctuated by bursts of gun shots from the gunmen and police, took place for several blocks before the police located their quarry at Laurier Avenue and Cote St. Catherine Road.

The bombing, third against National Breweries property since April 30, occurred early today as two separate packages of dynamite were hurled into the St. James Street terminal. The three bombings, although causing damage, did not injure anybody.

One of the bombs exploded causing a hole 30 inches square but the other was rendered harmless by Constable Charles Francoeur of the C.N.R. police who removed the missing fuse.

Following the explosion, municipal police threw a cordon around the premises as they believed the packages were thrown from inside the grounds. No arrests were reported.

Meanwhile, police intensified their search for the gunmen, who eluded them Sunday following an island-wide gun battle and for the perpetrators of a \$2,000 snatched jewelry store robbery who injured a municipal policeman when he returned their fire.

A partial strike has been in effect at four National Breweries plants here since March 25, but company officials have branded the strike illegal and production has been brought up to normal. The strikers are asking wage increases and shorter hours.

Both company and union officials have condemned the use of violence.

## Drastic Strike Continues As Lewis Refuses To Budge

Washington, May 8.—(P)—John L. Lewis and his United Mine Workers (A.M.W.) refused to budge an inch today from their original contract demands, forcing even more stringent government controls over the United States' fast-dwindling soft coal supplies.

Industry was hit harder. Ford Motor Company suspended "virtually all operations" indefinitely because of the coal strike. The shutdown hit 110,000 workers. Chrysler Corporation indicated it may follow suit. The Association of American Railroads reported about 51,000 railroad men had been laid off in its ranks, and another 250,000 in industries it serves.

Against such a background, federal mediator Paul W. Fuller redoubled efforts to break the negotiation deadlock between Mr. Lewis and the mine operators and said the 38-day-old stoppage is keeping 400,000 miners idle.

Mr. Fuller met with no success in his first efforts to formulate an agreement on the question of \$3,600,000 in holiday overtime which the miners insist is due them.

In legislative circles, congressional tempers grew shorter, and support gathered behind demands that strike control legislation get No. 1 priority unless a prompt end to the coal shutdown is effected.

Toronto Board of Control today will consider a recommendation that the heat be cut off in public buildings in Toronto as a coal conservation measure—one of many repercussions as the six weeks' old soft coal strike in the United States began to have serious effects on Canadian industry.

At Fort Colborne, Capt. R. Scott Misner, president of a lake steamship concern, said that "all ships on the Great Lakes would be tied up" unless some move is made shortly to break the deadlock and re-open the United States mines. A large proportion of the lake fleets are already tied up for lack of bunker supplies.

The Dominion Fuel Controller, E. J. Brunning, is planning to allocate shipments to soft coal from the Alberta producing area to meet

## Prosecution Ends Lister Charges

Amsterdam, May 8.—(P) Cable—The prosecution today completed its case against Brig. J. F. A. Lister, B.C., of Quebec City and Victoria, B.C., and the court was closed to consider a defence submission that three of the four charges against the officer involving misuse of an Amsterdam house be dropped.

A decision on the submission on behalf of Brig. Lister, former chief-of-staff of the Canadian Forces in the Netherlands, will be announced at 2:30 p.m. G.M.T. If the court agrees with defence counsel Lt.-Col. C. H. Gage, the only charge on which the defence will represent evidence is improper use of requisitioned premises. Other charges against Brig. Lister are that he fraudulently misemployed the property causing food and coal to be delivered to the address, or alternatively that he converted public property in the form of food and coal to his own use; and that he utilized for private purposes the services of four Dutch civilians paid from public funds.

## Emphatic Approval To U.K. Loan Accorded By Commons; "Bill Of Rights" Debated

By GEORGE KITCHEN  
Canadian Press Staff Writer  
Ottawa, May 8.—(CP)—The Commons yesterday gave emphatic approval to the \$1,250,000,000 Canadian loan to Britain and then resumed consideration of a Progressive Conservative amendment to incorporate a "bill of rights" in the Canadian citizenship bill.

A long, drawn-out debate on the loan, featured by the opposition of a handful of French-speaking members, was concluded when the House voted 167-5 to give the enabling bill third and final reading. The measure now awaits approval in the Senate.

The discussion on a bill of rights developed at the night sitting when John Diefenbaker (PC—Lake Centre) opened debate on his amendment to incorporate in the citizenship bill provisions guaranteeing freedom of religion, speech and the right of peaceable assembly and non-suspension of habeas corpus.

The amendment also would provide that no one would be required to give evidence before any tribunal or commission at any time if denied counsel or other constitutional safeguards.

The debate was adjourned by Justice Minister St. Laurent after State Secretary Martin said he could not accept the amendment. At the House opening, Mr. St. Laurent announced a defence

## Rotary Foundation Discussed In Address Before Local Club

The history, purpose and objects of Rotary foundation were covered in an address last evening by Douglas A. Stevenson, chairman of Rotary Foundation Committee of Rotary International, speaking before his fellow members of the Sherbrooke Rotary Club at their regular session at the New Sherbrooke House.

Mr. Stevenson first gave a brief outline of the history of Rotary foundation from its beginning in 1916 when Arch Klump presented to the R.I. Board the idea of a Rotary endowment "for some great educational service to mankind" and traced the various events leading up to the last review of the various aspects of Rotary foundation as presented to the Board of Directors of R.I. by the Foundation Committee in 1945.

In this final analysis "it was the unanimous opinion of the members of the Foundation Committee that there is a definite need for the foundation and that its principal objective should be the furtherance of the fourth object of Rotary, 'the advancement of international understanding, good will and peace through a world fellowship of business and professional men united in the ideal of service,'" the speaker declared.

Mr. Stevenson went on to tell his listeners that the greatest progress to date in the implementation of the fourth object of Rotary was through the extension of Rotary into foreign countries and through the efforts of the institutes of international understanding.

Mr. Stevenson said, "it would seem that this is the place where foundation can and must be effective. As an independent body with the structure of Rotary, it can enter activities on a large scale, in the same way that Rotary

clubs undertake local projects within their own communities. It would not be in conflict with Rotary Clubs, as its objective would be beyond the scope of any club. And yet it would be a partnership of all clubs because their contributions would provide the funds with which to operate."

Summarizing the recommendations drawn up by the Foundation Committee, Mr. Stevenson noted that they called for an administrative body which can function either independently or as a coordinating and assisting agency to supplement the activities of individual Rotary Clubs and of Rotary International "because much of the work lying within the scope of the fourth object of Rotary calls for co-ordinated action beyond the possibilities of a Rotary Club or a group of Rotary Clubs, or even Rotary International."

Mr. Stevenson listed the objectives of the Foundation of Rotary as: 1—Rotary Foundation Fellowships for advanced study. 2—The extension of institutes of international understanding in countries where they have not been developed. 3—Fostering of any tangible, practical and effective projects which have as their purpose the furthering of better understanding and friendly relations between peoples of different nations. 4—Providing means of emergency relief for Rotarians and their families wherever war or other disaster has brought general destitution and suffering.

Concluding, Mr. Stevenson stated that an examination of the financial situation of the foundation revealed assets of slightly over half a million dollars. Of this, over \$100,000 consists of contributions earmarked for relief of war-affected Rotarians and \$250,000 was transferred from R.I. surplus. About \$150,000 represents contributions to the foundation proper while some \$38,000 or more has been expended for administration and raising funds, he said.

Introduced by E. E. Goodenough, the speaker was thanked by George Marshall.

## LAST TRIBUTE WAS ACCORDED J. W. WOODSIDE

Final tribute was paid John W. Woodside, a resident of this city for the past sixty-two years, during which time he served as a director and secretary-treasurer of the J. S. Mitchell Company hardware store, at funeral services conducted at Blake's Funeral Home by Rev. E. A. Wright, assisted by Rev. Norman McLeod, of Lennoxville, yesterday afternoon.

Mr. Woodside died at his home here on Saturday night following an illness of two months. He was in his eighty-second year.

Born May 24, 1864, at St. Sylvestre, Mr. Woodside moved with his parents to Coaticook at an early age. He came to Sherbrooke at the age of twenty and joined the firm of Luske and Mitchell. He remained with that firm when the name changed to J. S. Mitchell and Company.

He was an honorary member of the Sherbrooke Snowshoe Club and a member of the Wolfe County Fish and Game Club and of the Opeanga Fish and Game Club.

Pallbearers were: A. J. Shaw, C. S. Ives, James Corfield, Arthur Farr, G. W. Murphy, Sr., and J. A. Albert.

Bearers were: L. P. Masse, W. F. Steele, A. L. McLean, Donald MacLean, H. Woodside and R. Woodside.

Following the service here, the remains were taken to Coaticook where interment was made in the family lot in Mount Forest Cemetery.

Mr. Woodside is survived by several children, including J. W. McKee, of Sherbrooke; J. H. Woodside, Mrs. R. Lipsey, Mrs. J. Brown and Abram McKee, of Lennoxville; Stephen Poocek, Mrs. Walter Snow, John Woodside and the Misses Lottie, Hattie and Violet Woodside, of Waterville; James Poocek, of Seattle, Washington; Rev. ## BUILDINGS NOT TO BE DISPOSED OF AT PROFIT

The clause in the War Assets Corporation contract regarding resale of the Lord Sherbrooke Training Camp buildings stipulates that these properties shall not be disposed of at a price higher than that paid for, Mayor G. W. Bryan stated today in correcting a report in yesterday's Record regarding this transaction at Monday night's Council meeting. The Record erroneously reported that the clause in question prevented the city from selling the buildings at a price lower than that paid.

Mayor Bryan explained that this clause was inserted in War Assets Corporation contracts to safeguard against resale of government properties at high profit by unscrupulous individuals.

Commenting further on the Record's account of Monday night's meeting, Mayor Bryan said that there had been no "wrangling," as stated. Adjournment of the meeting was made, not because the councillors had wasted time in needless argument, but because four members were absent in Quebec attending the Finance Officers' Association convention, and it was felt that they should be present before final decision was taken on a number of important matters before the council.

the guest speaker and president, J. A. Archambault, were, L. W. Dixon, Fred Sangster, Henry Downs, Jr., George Marshall, Emilien Gingras, E. E. Goodenough, Francis Hoyer, D. J. McManamy and J. T. Hawkins.

Visiting Rotarians were S. S. Salter, of Westmount, Harold Budreau, Boston and Andre Beaudry, of Three Rivers. Other guests included Walter Mutchler and William Davis, of Sherbrooke.

## Galt Street May Be Extended To Provide For Construction Of Bridge Across St. Francis

Extension of Galt Street below Wellington may possibly be the site of an approach to the proposed new bridge to link the East and West Wards, it was learned at City Hall today.

Gaetan Cote, City Engineer, admitted that a preliminary survey had been made but due to the many obstructions it had been thought advisable to call in outside aid in deciding on both the site and subsequent construction.

In addition to the Canadian National Railway tracks, there is an obstacle on the other side of the St. Francis River in the form of the convent which prevents a direct contact being made with Woodward Avenue. To follow this proposed route and by-pass the convent, the bridge, plus the length of the approaches would be in the neighborhood of half-a-mile long, Mr. Cote said.

## Plans For Membership Appeal Are Made By Local Red Cross

At a general meeting of the Sherbrooke Branch of the Red Cross Society last night, first organizing steps were made for the 1946 membership drive which will open here May 15 and run through to the end of the month. The meeting was held in the Red Cross room at the back of the Bank of Commerce on Dufferin Avenue, with Forest T. Keene, chairman of the organizing committee in charge of the drive, and other members of the executive present.

Citizens interested in helping with the drive had been invited to attend, and lists were drawn up in preparation for the house-to-house canvass that will be conducted.

A second meeting will be held in the rooms on Thursday at 4:30 p.m.

Subscriptions to the first peace-time Red Cross membership drive are received at the Dufferin Avenue headquarters of the Sherbrooke Branch of the Canadian Red Cross Society throughout the day, every day this morning.

Classification of membership plans as follows: Ordinary member, one to five dollars annually; contributing member, five to ten dollars annually; sustaining member, ten to twenty-five dollars annually; and supporting member, twenty-five dollars or more, annually.

## LENNOXVILLE TEA ATTRACTS MANY GUESTS

Members of the Lennoxville Women's League of St. Andrew's Church served a most attractive and delicious chicken patie tea to a very large attendance last evening, using the Girl Guide room in the Women's Institute room in the Lennoxville Town Hall.

Mrs. J. G. Tremblay, president of the group, welcomed the many guests. Mrs. G. B. Christison presided at the head table, which was centered with daffodils and ivory tapers. The small tea tables with their white covers were centered with vases of daffodils, giving a springlike atmosphere.

The members were assisted in their duties by several young ladies who served the guests most efficiently. This annual event was most successful.

## RED CROSS GROUP ACTIVE

The regular monthly meeting of the Lennoxville Branch of the Canadian Red Cross was held in the workroom on Monday with Mrs. H. L. Wallace presiding.

Mrs. E. W. Gilbey, secretary-treasurer, read the minutes and financial report, as well as several items of correspondence, including a letter from the local high school, thanking the senior workers for aid given the juniors in their sewing.

Mrs. Wallace reported aid given to a local veteran and his family, and stated that servicemen's wives and families were being met, also that all information of their arrival is received by her and will be passed on to the next of kin as soon as it is received. Anyone wanting information should contact her, not Montreal.

During the past month Red Cross workers have made a large number of garments consisting of boys' pants, shirts and sweaters, and girls' skirts, dresses and jumpers, also baby garments. This, with other donations, made up three large cartons which were sent to the Unitarian Service Committee of Canada in Montreal.

The first consignment of peace-time work was received last week, consisting of towels and babies' vests which are being made. The room is being used by the Red Cross on Monday and Wednesday and by I.O.D.E. members on Tuesday and Thursday.

Women's war work pins have been received and workers may call for them at the work room. Several items of business were discussed and the meeting adjourned.

## CITY FINANCE OFFICERS HEAR C. MIGNAULT

Delegates to the fourth Quebec provincial conference of the Municipal Finance Officers' Association of the United States and Canada, held in Quebec City, heard in their closing session yesterday an address by Charles de L. Mignault, of Sherbrooke, president of the Quebec Municipal Commission, who dealt with the ever-growing deficit of the Montreal School Commission.

Among those who heard Mr. Mignault's remarks were four delegates from Sherbrooke, Aldermen Armand Fiset, Albert Charpentier and J. D. Tremblay and City Treasurer Maurice Cormier.

A deficiency in the financial structure of the School Commission was blamed by Mr. Mignault for the deficit. He pointed out that the structure was made for primary education only, but was extended up to superior education without an increase in financial means.

Mr. Mignault said the government's decision, at the last session, to increase school taxes and to issue new bonds bearing a 3 1/2 per cent interest rate to replace school bonds bearing interest from four to six per cent would settle the problem, as would be no real loss for bond holders because of the new bonds being guaranteed by the government itself. He said, however, that the new legislation was not being imposed on all but only on defaulted school corporations.

A resolution by E. T. Sampson, treasurer of the City of Outremont, asking establishment of a special study course for finance officers, was adopted unanimously.

The three-day meet was under the chairmanship of Laetance Robitaille, director of finance for Montreal, and a Canadian director and provincial chairman of the association. Some 200 delegates from Quebec, Ontario, Nova Scotia and the United States, attended. No election was held for Quebec officers which will be appointed at the international meeting of the association in Richmond, Va., in June.

Among main discussion topics was a suggestion by J. R. French, director of finance of Verdun, that Quebec municipalities work through the federal system of annuities for a pension fund. The suggestion was in reply to a resolution last year asking the study of possibilities for establishing a provincial pension fund. Mr. French said Verdun was working under the federal system successfully and his suggestions were taken into consideration.

## Better Accommodations For Co-Eds At University Needed

The staff of the Campus, Bishop's University's fortnightly newspaper, held its second annual banquet last evening in the Chateau Frontenac in Sherbrooke, at which the Principal and Vice-Chancellor of the University, the Rev. Dr. A. H. McGreer, in reply to a toast to the ladies, spoke of his awareness of the overcrowded conditions which they had to contend with at the University, and voiced the hope that their position might be bettered "as soon as circumstances permit." He also stressed the value gained by the students taking part in extra-curricular activities, which served to enhance their powers of concentration, increased their work potential and aided other students and the University materially.

With reference to the Campus, Dr. McGreer spoke of his earnest wish for the paper's success, two years ago and stated that he had not really expected the venture would grow to such a healthy size. The part played by the ladies in the publication was noted and linked up with the record of the splendid work done by lady graduates of the university, particularly in the teaching profession. He cited the present Campus staff, and the recent success of the Dramatic Society as examples of their initiative and drive. In conclusion the Principal stressed the value and importance of academic responsibility.

Professor J. D. Jeffers, M.A., Ph.D., President of the Campus, who acted as chairman of the event, introduced the various toastmasters after proposing a toast to the King, and Fred Kaufman, one of the co-founders of the paper, its first managing editor, in introducing the guest of honor, George Whalley, M.A., lecturer in English at the University, and former Bishop's Rhodes Scholar, eulogized his successors who had carried on so successfully since last year.

Mr. Whalley spoke humorously but briefly on "Spot the Journalist," which was a disquisition on the subtle distinctions which have to be considered in a journalist's character and appearance, laying particular stress on the latter.

Paul Beaudry, another of the

Over thirty present and former members of the Campus staff attended, along with the principal, Professor J. D. Jeffers and Mrs. Jeffers, Mrs. Lee and others. A photograph and an announcement of a forthcoming ten page issue of the Campus wound up proceedings.

DOROTHY DIX

Husband Wants Fling

Wife Will Free Him For His Fun But Opposes Divorce

DEAR MISS DIX: My husband and I have been married four months. He is 20 and I am 18. He has been discharged from the army in which he served five years. He told me the other day that he wanted me to give him a divorce because he had not had his fun yet. He wants to have dates and go out like the other guys. He runs around with boys who are not married.

I told him I would give him a separation and let him have his fling. I don't want a divorce because I love him, and I hope he will come back to me after he gets tired of running around. Do you think that I have done right?

ANSWER: I think you have shown a wisdom far beyond your years in handling this situation. There would be no happiness for you in binding the lad's body to you when his heart and desires were elsewhere. You would make him feel that you were holding him a prisoner and he would hate you for it, whereas he will be bound to admire your generosity and bigness of soul in letting him go. In many cases it pays the wife to drive with a loose rein.

RESULTS OF EARLY NUPTIALS But your plight emphasizes the plea I make so often in this column to boys and girls not to marry until they have had their playtime. For the desire for excitement, for pleasure, for laughter and frolic and merry-making is something that is implanted in us by Nature, and if we deny it in our youth, it comes back to plague us in our age. For the things that boys and girls can do innocently enough become crimes when they break up homes and wreck the lives of others.

DEAR MISS DIX: We are three sisters, 20, 21 and 22, who have fine positions and are quite happy in our work. Because of the fact that we don't have dates with boys our mother is forever nagging us about it. When we try to explain that there is a man shortage, she proceeds to tell us that the neighbors' daughters have plenty of boy friends and she can't understand why we haven't.

What can we do to stop this continual nagging, as it is really getting us down?

THREE OLD MAIDS. ANSWER: Why do you call yourselves old maids while you are still in the very early twenties? You will not be entitled to that distinction for 20 years yet, and by that time you will probably be Mrs. instead of Misses.

Why mothers who have self-supporting daughters are so anxious to get them married off is one of the mysteries of feminine psychology that no one can explain. Considering that one marriage out of four ends in divorce and that few of the other three are anything to brag about, it looks as if marriage is a pretty risky business and that there is no good reason for mothers to be so eager to wish it on their daughters.

But they do, and the average mother seems to think of it as a sort of personal disgrace if her daughters remain single. This is hard on the daughters, but there is no help for it, and there is no way on earth to stop a nagging mother from nagging. Only death can silence her.

DEAR MISS DIX: I am a young girl who has been having an affair with a married man for some time. I recently found out that he is stepping out with three young girls, but I have not let him know that I know this. He tells me that I am the only one he loves.

I am hurt and I want to hurt him and his wife. If I tell his wife on him, will I be doing right? I want to spoil her happiness and his, too.

ANSWER: Why take out your jealousy of the three young girls on the man's wife? She certainly is not to blame for her husband's new lady love any more than she is for you.

Don't you think that any woman whose husband is unfaithful to her, and who runs around with girls young enough to be his daughters, has enough trouble without your going out of your way to add to it?

The Record will be pleased to receive any letters to this Dorothy Dix column. These will be forwarded to Miss Dix who will answer them as quickly as possible.

Matthias Church on Friday evening, April 26, at seven o'clock, with Rev. A. E. Godwin officiating, when Marilyn Mae, youngest daughter of the late Mr. Allan K. Gibson, of Halifax, and of Mrs. Kathleen Gibson, was united in marriage to Mr. Emerson H. Wood, son of the late Mr. Andrew Wood and Mrs. Wood, of this place. The church was filled with relatives and friends of the young couple.

The bride entered the church to the strains of Loehgrin's "Wedding March," played by Mrs. C. P. Rider. She looked very charming in a softly shirred dress of pale blue sheer, with a white flower hat and white accessories and carried a bouquet of "Happy Time" roses. She was given in marriage by her uncle, Mr. Wallace Sheldon, of Magog.

Miss Marilyn Bacheider, of Georgeville, acted as bridesmaid and wore an aqua colored crepe dress, a small white hat and white accessories and a corsage of red roses.

The groomsmen were Mr. Mansell Smith.

Following the ceremony a reception was held in Canon Gustin's Hall.

Among the out of town guests were, Mrs. R. L. Dean, Mrs. George Wiggins, of Waltham, Mass.; Mr. and Mrs. E. W. Sheldon, of Lennoxville; Mr. and Mrs. Ralph Sheldon, Mr. Wardell Sheldon, and Mr. and Mrs. Thomas Aulis of Beebe.

MIND YOUR MANNERS

The Situation: A woman is seated in the living room with a lady who has called at her home. The hostess's husband, who does not know the guest, enters the room. Wrong Way: The hostess jumps to her feet to make the introduction.

Right Way: Both the hostess and the guest remain seated while the introduction is made.

MARRIAGES

CUNNINGTON-NICHOLSON

Coaticook, May 8.—A quiet but pretty wedding took place at the home of Mr. and Mrs. W. H. Nicholson, on Saturday, April 27, when their daughter, Dorothy May, was united in marriage to William Guy Cunnington, of this place. Rev. Gorman officiated at the ceremony.

The bride was attired in pale blue sateen and wore a corsage of roses and carnations. She was attended by her sister, Miss Ida Nicholson, who wore blue crepe, with a corsage of tulips.

The groom was supported by his brother, Mr. Durwood Cunningham, of Sherbrooke.

After the greetings and congratulations had been extended to the bride and groom, refreshments were served in the dining room, where two tables were prettily decorated.

That evening a reception was held, when their friends and relatives gathered to extend congratulations and best wishes. Dancing was enjoyed.

Many useful gifts were presented to the young couple, who left the next day for a week's holiday in Rock Island and vicinity with relatives.

**MR. EARL B. MANDIGO, OF QUINCY, MASS., FORMERLY OF BROME**

Brome, May 8.—His many friends throughout the Eastern Townships will learn with regret of the sudden death at his home in Quincy, Mass., of Earl B. Mandigo, in his fifty-third year.

Born on May 30, 1893, in Brome, he was the younger son of Mr. I. I. Mandigo and his wife, the late Mrs. Nettie Shufelt Mandigo.

The deceased had lived in Quincy, Mass., for thirty-five years. He was manager of the

P. F. Carey Furniture Company, of that place, and a member of the Rural League of Masses, Quincy Rotary Club and Bechany Congregational Church.

Survivors include his widow, nee Isabelle Laing; one daughter, Barbara, Mrs. Malcolm Walker, of Quincy, Mass.; an aged father, Mr. I. I. Mandigo, who is ninety-one years of age and resides at Walpole, Mass.; three brothers, Mr. Clifford Mandigo, of Charetey, Mass.; Mr. Leon Mandigo, of Roxboro, Mass.; and Mr. Edson Mandigo, of Magog; and four sisters, Elizabeth, Mrs. A. J. Marsh, of Wolcott, Vt.; Louise, Mrs. William C. Woodbury, of Mansfield, Mass.; Helen, Mrs. Howard Owens, and Grace, Mrs. E. H. Parker, of Walpole, Mass.

Funeral services were held at the Bethany Congregational Church, Quincy, Mass., with Rev. George E. Gilchrist, officiating. Burial was made in Blue Hill Cemetery, at Braintree, Mass.

**MR. PETER DELAIRE, OF MONTGOMERY CENTRE, VT., FORMERLY OF BROME**

Brome, May 8.—Funeral services were held on Thursday, April 18, in St. Isidore Roman Catholic Church, at Montgomery Centre, Vt., for Mr. Peter Delaire, a former resident of this town, who passed away at his home in Vermont, after a painful and prolonged illness. He was in his seventy-second year.

The remains were received at the church by Rev. Father L. Gingras, Parish Priest, who also sang the solemn Requiem High Mass.

The cortege was headed by his widow, Mrs. Peter Delaire, and his sister, Miss Emma Delaire, of Brome. There was a large attendance at the church of friends and relatives.

The remains were laid to rest in the family lot in St. Isidore Cemetery.

A large number of beautiful floral tributes and spiritual offerings were received.

Hicks Funeral Home, of St. Albans, Vt., represented by Mr. E. G. Sweeney, had charge of the funeral and all arrangements.

Mr. Delaire was the second son of the late Edward Delaire and his wife, Celina Dufresne, of Brome, and was born at St. Etienne de Bolton, on August 8, 1874.

He married Miss Elizabeth Lemoir, of Montgomery Centre, Vt., on January 13, 1903. Of this union seven children were born, George Delaire, of Underhill, Vt.; Louise, Mrs. M. Moffatt, of Bristol, Conn.; Eva, Mrs. Cedric Lumbr, of Montgomery, Vt.; and Albert, Edward and Robert, who reside at home; and Charles and Anna, who died in infancy. There are nine grandchildren.

For forty-one years the deceased served as a mechanic. He was in the employ of the Nelson and Hall Company, at Montgomery, Vt., for twenty-nine years, entering the service of the Atlas Plywood Company, at Richmond, Vt., in 1932, where he worked for twelve years.

He was a member of the League of the Sacred Heart and of the Independent Order of Foresters. Of a quiet nature, Mr. Delaire particularly enjoyed the company of his old neighbors, all of whom held the deceased in high esteem as a valued friend.

Within ten months of the death of his brother, Mr. Delaire, who was ill at the time, died without receiving the news of his brother's death.

Those from a distance who attended the funeral were Mr. and Mrs. George Delaire and family, of Underhill, Vt.; Mr. and Mrs. Mahlon Moffatt, of Bristol, Conn.; Miss Emma Delaire, of Brome; Mr. Frank Delaire and son, Joseph, of Sutton; Mr. and Mrs. Peter Mayhew and Guy McQuinn, Mr. and Mrs. Wallace Domina and son, Royal, of Richmond, Vt.; Mr. and Mrs. Albert Lemoir, of St. Albans, Vt.; and Mr. and Mrs. William Moffatt, of Vermont.

The deceased was born in Rawdon, on June 3, 1872, a son of Samuel and Rebecca Smiley. His family moved to Lennoxville and bought the William Glenday farm, where he has since resided, with the exception of several years spent in the United States, where he was engaged in carpentry work.

On June 18, 1924, he married Miss Mabel Evelyn Taylor, daughter of the late Mr. and Mrs. Frederick Taylor.

service with comforting Scripture texts followed by prayers of Worship and consolation. Tribute was paid to one who was well known and highly respected by all. One of the deceased's favorite hymns, "Abide With Me," was sung by Mr. Fred Fox, of Lennoxville.

The casket was borne by six friends and neighbors acting as bearers, Messrs. Frank Green, Henry Woodside, Robert McFadden, William Mitchell, William McCurdy and Tom Freeston. Interment took place in Malvern Cemetery.

**Schwartz excels in ROASTING!**

In custom with their Dutch ancestors, W. H. Schwartz & Sons have always set great store by their coffee roasting. Lately they have installed the Thermo low-temperature system of roasting—which creates wholly new standards of coffee excellence.

The Thermo roasts the coffee bean evenly RIGHT TO THE CENTER. The result is a more uniform roast and a richer beverage. There is more body—a deeper, winey color. Even when the cup cools the fine flavor is still there.

Do try a pound of this more fragrant Thermo roast. Get it in the Schwartz vacuum-packed tin and follow the directions. Then you'll truly have "the cup you can't forget!"

## Presentation Made To Men And Women Who Saw Service Overseas

Richmond, May 8.—Over 150 guests attended a banquet and presentation for returned service personnel of this section which was held in the Brunswick Hotel. The committee in charge of the arrangements consisted of Messrs. Henry Armstrong, Aubrey Carson, Everett Lyster, Harry McLeod and Fred Wintle. The servicemen entertained were from Trenholmville and district. Rev. Mr. Foreman, of Kingsley, acted as chairman, and Rev. T. N. Mitchell made the presentations. In proposing the toast to the servicemen and women present, Rev. Mr. Mitchell said: "We are gathered here to welcome back and do honor to our brave boys and girls who gave up the many comforts of home for the sake of their country." Reference was made to those who had made the supreme sacrifice. "We hallow their memory," said the speaker. Mrs. F. W. Dyson gave two very humorous readings in her usual pleasing manner, and Mr. W. R. Whitehead's solos were very much enjoyed. Before presenting the gifts, Rev. Mr. Mitchell pictured vividly how the servicemen had stood between us and a dismal fate under foreign oppression, and expressed our thankfulness to them that we could hold such free gatherings as

## NEW PROJECT IS STARTING AT RICHMOND

Work is being started this week on a 32 x 42 foot addition to the Myra Theatre in Richmond, in which the proprietor, M. E. Lodge, plans to install four bowling alleys, a recreational hall for young men, and billiard and pool tables. Survey work in connection with the project was completed recently by A. C. Crepeau, of the Sherbrooke firm of Crepeau, Cote and Lemieux, and the actual arrangements is being carried on according to plans drawn up by Alphonse Belanger, Sherbrooke architect. The bowling alleys, to be installed in the basement of the addition, will be built of regulation size, fully equipped and sound-proofed. Entrance to them will be from Main Street, through the west side entrance to the present theatre block. There will also be a restaurant and lounge. It is expected the alleys will be completed by October 1st.

## PROGRAM FOR TREE PLANTING IN RICHMOND

Full recognition of the Provincial Tree-Planting Week is being taken in Richmond, with the municipal authorities having ordered some 200 young trees for the beautification of various properties throughout the community. According to the requests of the citizens who wished to add a bit of extra beauty to their property, Town Secretary Marveau Alexander stated that with the co-operation of the Department of Forestry and through the efforts of the Junior Board of Trade which cooperates in a general embellishment program each year, tree-planting experts will supervise the placing of the trees where required. This year Richmond ordered 50 Blue Spruce, 50 Silver Spruce, 100 Butternut and 100 Silver Maple trees for planting during Tree-Planting Week. Elizabeth in January, 1946: Able Seaman Clarence Wentworth joined the Navy in 1943. He journeyed from Newfoundland to Ireland and arrived home in November, 1945; Pte. Ardice Taylor joined the C.W.A.C. in 1941 and went overseas in 1942. She arrived home on the Lady Nelson in June, 1945, Continued on page 9

## RICHMOND FARM TAKEN OVER BY JERSEY RAISER

Richmond, May 7. — Many people think that beautiful pastoral scenes form no small part of the summer attractions of the Eastern Townships. These people will be glad to see again thoroughbred Jersey cattle enjoying the rich river side meadows of the old Richmond Jersey farm at Upper Melbourn. There is a splendid view of this farm from the Sherbrooke-Richmond highway across the river just before entering Richmond. The homestead is opposite the Elmhurst creamery. Agricultural men in Eastern Canada will know it better as No. 2 farm of the Richmond Jerseys Inc., the homestead occupied by the late J. Lee Alexander, when that well known firm was promoting the breeding of Jersey cattle in this district. Former ministers of agriculture from Western Canada will also have pleasant recollections of their visits at this farm with the charming hosts, F. E. M. Robinson and J. Lee Alexander. Officials from nearby agricultural experimental stations often came to examine the crops and cultivation methods of Mr. Robinson, who made that subject a great study. After Mr. Robinson moved to Western Canada, the farm was unoccupied for some time, then sold to Gedeon Grogore, of Kingsley, and now has been purchased by Aubrey A. Carson, well known Drummond County breeder of Jersey cattle, who obtained his foundation stock from the Richmond Jerseys Inc., and has built up a valuable herd. Most people born in the county and loving country life like to see rural scenery devoted to agriculture. Continued on page 9

# MINSTREL SHOW IS STAGED IN RICHMOND HALL

Richmond, May 8—Windsor Mills "Sunny South Minstrel" directed by Mr. William Morrison presented a varied program in the Town Hall at which over \$120 was realized.

Mrs. Eleanor Hills, president of the local Branch of the Auxiliary to the Legion, which sponsored the entertainment, wishes to thank all the members who sold tickets, and the citizens who so generously helped to make the event such a success and also the firm of R. A. Marcotte who loaned the stage furnishings.

The show started with Mrs. Dick Ross as "The Spirit of the Play" and Mrs. Ellen Mitchell, "The Spirit of Minstrelsy," introducing the various parts.

The veterans of previous shows, who acted as end-men were Bill Morrison, Douglas McCourt, Herman Conley and Dick Ross. The interactor was Rev. V. M. Gilbert.

A former resident of Richmond, Mrs. Gordon Noble, very capably presented two comic songs. The other soloists were John Scartin, Dick Ross and Gordon Campbell, assisting in a trio. The accompanist was Mrs. E. Dunn.

There was a very pleasing exhibition of ball room dancing by Mr. and Mrs. Fred Leger, and a chorus of four, Misses Carol Witty, Evelyn Simms and Elizabeth Finley with their director, Mrs. Leger, presented a smart dance.

A very well cast play directed by John Scartin, concluded the pro-

### Hollywood Highlights

By Bob Thomas

Hollywood, May 7.—(AP)—There was scant celebration when Howard Lindsay and Russell Crouse learned they had won a Pulitzer Prize for their play, "State of the Union."

The play wizards received the news in the Warner Brothers commissary and were told by their general manager that the Chicago "State of the Union" company will not be shut down by the coal shortage as it has a generator.

Lindsay and Crouse are here to supervise the filming of their "Life With Father" and they are taking their task seriously. In fact, they are on the set from morn till night and eye every production detail meticulously.

The Biltmore Theatre last night opened "Oklahoma!" The opening was given Hollywood treatment with searchlights and such spectators as Van Johnson, Joseph Cotton, William Bendis, Ginger Rogers, Jack Oakie, etc.

It looks serious between Goy Madison and Gail Russell. He flew to see her at "The Angel and the Outlaw" company in Sedona Valley, Ariz.

Jerry Colonna leaves June 15 for a tour with Billy Butterfield's band, Bonnie Lou Williams and Tony Romano. Count Basie will play in the Hollywood Bowl this summer.

Arne Bastier wants to play summer stock at Cape Cod. It would be after she married John Hodiak in June.

**BACKACHE**  
The Plague of Outdoor Men

The outdoor man, whether he be farmer, truck driver, or railway operator, is often subject to backache. This may be the result of exposure to cold and dampness or the result of strain from the jolting and bumping of the vehicle he rides.

To many people, women as well as men, it would be great to be free of backache—one of the most common and annoying of ailments. And here is how you may be relieved of backache and other symptoms of poisons in the blood.

The treatment suggested is Dr. Chase's Kidney Liver Pills. By reason of their stimulating action on both the liver and kidneys, you have two chances to one of getting relief from your backache by using Dr. Chase's Pills. The torpid liver is aroused to action, the kidneys are stimulated and consequently these organs help to purify the blood of the poisonous impurities which bring pains and aches and tired feelings.

Keep regular and keep well by using Dr. Chase's Kidney Liver Pills, 35c. a box.

**ORGAN DONATED TO CHURCH AT NORTH HATLEY**

North Hatley, May 8.—An anonymous donor presented the North Hatley Universalist Church with a Hammond electric organ as a memorial. The announcement of this gift was made at the morning worship service last Sunday by the minister of the church, Rev. Albert Q. Perry. Installation and dedication will take place as soon as possible.

This surprise donation came just as the efforts of the church to raise funds for such an organ had nearly reached the half-way mark.

The organ fund committee had met recently and decided that it would be impossible to raise sufficient funds for a Hammond organ this spring. Plans had been made to make some temporary arrangements until fall. Then on Saturday, Rev. Mr. Perry was given this pledge, which will cover the complete cost for the finest type of organ for the small church.

Strangely enough, the donor is completely unknown to the major portion of this North Hatley Church, and asks only the humble privilege of knowing that this memorial to someone very dear will be a source of pleasure and inspiration to the North-Hatley people.

Mr. Ashley Jackson, together with other representatives, will go to Montreal to investigate possibilities of immediate purchase and installation.

V-E Day! At 9 o'clock (Eastern War Time) on the tense morning of May 8, 1945, the news became official. Hostilities ended, with the exception of isolated pockets in Czechoslovakia, at 6:01 p.m., Eastern War Time. That night, one year ago today, there was worldwide joy, dancing in the streets—restrained only by knowledge that there was still a war in the Far East.

### Surprise Development Closes Church Co-Operative Project

North Hatley, May 8.—The Ladies' Aid of the North Hatley Universalist Church met at the Community Hall. The meeting was called to order by Mrs. James McCrae, the president, who turned the meeting over to Mrs. Perry that she might lead in a prayer written by one of the members.

Mrs. Henry Taylor, the secretary, reported that a communication had been received from the Ladies' Guild of the Anglican Church, which withdrew an invitation previously sent by the Guild asking that the Ladies' Aid work with them in the annual joint bazaar.

This surprise development brought to an end one of the unique co-operative projects of the Eastern Townships, and it was received with regrets by the Universalist Ladies. None-the-less the Ladies' Aid determined to continue its efforts for harmony between the towns churches and also voted to re-double its efforts to hold a Fair. The committees which had previously been appointed to work in the joint bazaar were confirmed and plans were made for different activities this year.

Following the meeting a salad tea was served by Mrs. C. N. Hawes and Mrs. Blanche Turcott.

#### A WELCOME HOME PARTY

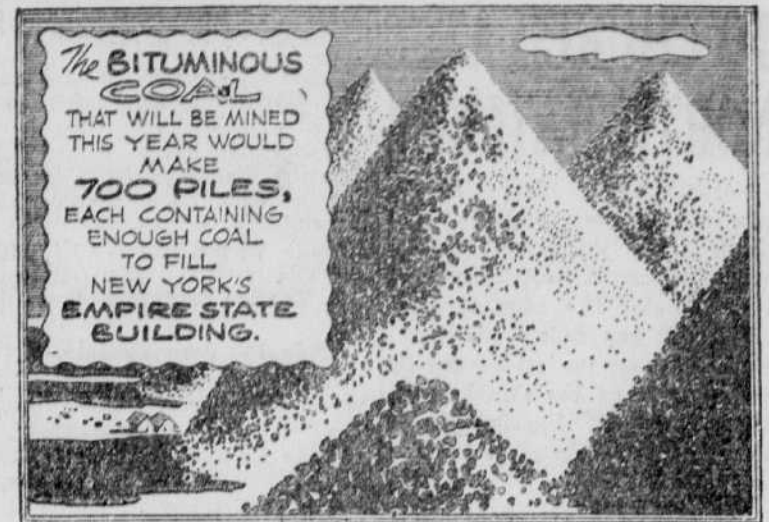

The Community Committee of North Hatley met at the Community Hall one evening to make plans for the "Welcome Home" which will be given local servicemen in the near future. In the absence of Mayor Frank Johnson, Mr. Johnson Seguin was in the chair, and Mr. Arthur Dutton acted as secretary.

A new date was set for this celebration, which is tentatively June 15. Mrs. Arthur Dutton was re-appointed to take charge of the banquet. Mr. Frank Johnson and Mr. John MacKay were authorized to purchase gifts, and Mr. Joseph Seguin and Mr. Stanley Cuthbert were appointed to plan the entertainment and program for the day.

#### PROMPT APPENDECTOMIES SAVE MANY LIVES

By William A. O'Brien, M.D.

An infected appendix was first removed 60 years ago, and since that time millions of lives have been saved by appendectomies.

When should the appendix be removed? Surgeons recommend that it should be taken out when it is acutely inflamed, or after an attack, to prevent a second one.

The appendix is a blind tube attached to the bowel on the right side. It shuts off its own circulation when it becomes swollen; as the tissues are further deprived of their blood supply, they become gangrenous and rupture.

The ultimate outcome of an attack of appendicitis is always in doubt in the beginning stages, and many lives are saved by an early operation.

Operation No Cure-All

Vague persistent pains in the lower portion of the abdomen on the right side are seldom relieved by removal of the appendix. Repeated attacks of abdominal pain, fever, nausea, and vomiting, which allow fairly complete freedom between attacks, and for which no other cause can be determined, are relieved by removal of the appendix.

Deaths from appendicitis continue to decline as more people consult surgeons for abdominal pain instead of taking something for their bowels. A marked reduction of death rates followed the use of sulfa drugs and penicillin for complications.

If acute appendicitis is suspected, nothing should be taken by mouth until the physician has had a chance to examine the abdomen, as cathartics which stir up the intestines may cause a rupture of an inflamed appendix.

Attacks Tend to Recur

While an attack of appendicitis may be followed by complete healing, usually there is a tendency for the condition to repeat itself, and patients should not be lulled into a sense of false security by their recovery from an attack without operation. The second attack may be more serious than the first.

Failure to relieve right-sided abdominal pain by the removal of the appendix usually means that the trouble was in the bowel, urinary organs, or elsewhere. (Persons with irritable bowels often complain of pain in the side.)

If permanent relief follows removal of a normal-appearing appendix, or even one which shows scars, it is most likely due to relief of anxiety over the possibility of appendicitis.

## SIXTH SHERBROOKE SCOTCH TROOP

The Sixth Scouts met as usual on Friday night under their Skipper, Stan Loke, assisted by A. S. M. Les Marshall. With the Scouts were the Cubs of the Sixth Pack under their Baloo, Eva Humphries.

The evening was primarily a Parents' Night and twenty-four parents turned out to see their boys go through the various ceremonies. The meeting opened with Flagbreak and Grand Howl by Scouts and Cubs respectively.

Inspection followed in the Patrol and six corners. The Scouts held a game, "Do This, Do That," while the Cubs had instruction in their corners. Next the Cubs had a game while the Scouts had instruction.

The Group was then formed up and proceeded with the big event. First Cub Richard Hatch was invested into the Pack. Then Cubos Emsey Elkas and Bobby Beckwith were bade farewell by the Pack and welcomed into the Troop, going into the Wolf patrol and Eagle patrol. In the Scouts, two boys, Philip Bradley and Johnny Loughheed, were invested in an impressive service.

The following badges were presented; Fireman to Bill Loke and John Turnbull; Safetyman to Bill Loke, Stuart Donaldson and John Turnbull; Debater to Gordon Davidson.

A game followed in which both Scouts and Cubs joined in. Four short skits were put on by the Troop, when the parents heartily enjoyed. Then the first surprise of the evening came when the Patrol Leaders had the parents get up and play a game of musical chairs. At the closing of the meeting the second surprise came. Two boys, Gordon Davidson and John Turnbull, read a poem specially for

Mother's Day. Then the smallest Scout and smallest Cub presented each of the mothers present with a letter from the Troop and Pack with a Mother's Day message. The Group then gave three hearty cheers for the mothers.

After a short prayer by the Chaplain of the Troop, Rev. Mr. Wright, the meeting was closed. Then came the third and last surprise. Patrol Leaders, Seconds and Sixers served tea and cake to all the parents, which was very much enjoyed, after which Mrs. Knapp thanked the Leaders, Scouts and Cubs for the very wonderful evening. Present at the meeting was District Cubmaster, Les Humphries.

Nine holes are now open for use at the Country Club, but official opening of play will not be until Saturday, May 18, when the traditional President vs. Vice-President match will be played.

A big year is expected at the Country Club, where many Eastern Townships tournaments will be played.

## Spare Hand Homers To Lengthen Red Sox Streak To 12 Straight

Leon Culberson, a spare hand who never quite made the varsity, is Boston's fair-haired boy today because of his 14th-inning home run with the bases loaded that stretched the Red Sox streak to 12 straight victories.

Although Culberson has been with the Sox for three years and played in 97 games last season, Manager Joe Cronin has used him primarily for defence and switched to luster sweaters when he needed runs.

The 26-year-old Georgian has played all the outfield positions.

Even yesterday, his day of glory, he started the afternoon on the bench, coming in to bat for third baseman Eddie Pellagrini in the third frame. He didn't hit as a pinch-hitter but he remained in

## FEAR HAMPDEN UNDER ARCARO IN PREAKNESS

Baltimore, May 8.—(AP)—Around race tracks, horsemen who should know tell you that Eddie Arcaro "moves any horse up 10 pounds"—he's that good.

So they say Hampden will be speaking a mighty loud piece, come Saturday and the 56th running of the Preakness, because heady Eddie—Arcaro—a rider with a stopwatch for a brain—will be piloting him.

The Texas terror, Assault, still is the fair-haired galloper for this richest race in American turf history—\$141,620 gross value—because he won by eight lengths in the Kentucky Derby last Saturday.

And he got off the train here from Louisville yesterday with no indication he couldn't repeat against 11 others who figure to be in the Preakness field.

But when Arcaro said he'll be aboard W. Dupont's front-running Hampden instead of Mrs. Elizabeth Graham's Lord Roswell, with whom he failed to win his fourth Derby last Saturday, it immediately re-shuffled the odds. It moved him right up back of the Texas stopper because the Kentucky hooter is admittedly the head-man of them all.

Buffalo—Joey Maxim, 182½, Cleveland, outpointed Charley Eagle, 182½, West Cheshire, Conn., (10); Jim Marson, 152, Toronto, outpointed Alex Boguski, 145, Niagara Falls, N.Y., (6).

Elizabeth, N.J.—Billy Arnold, 156, Philadelphia, knocked out Freddie Farrell, 157½, Newark, (9); Harry Preston, 142½, New York, outpointed Roger Whynott, 151½, Quebec, (¼).

the game at the hot corner. Cronin never made a wiser move.

As the Red Sox rallied and finally tied the score, 6-6, Culberson still was hitless. But in the 14th inning, the Red Sox walked. Dr. Maggio singled and Hal Wagner drew an intentional pass. Culberson drilled Tex Shirley's first pitch into the left field screen for a 10-6 Red Sox edge over St. Louis.

Boston goes after a team record today in a game with Chicago. No Red Sox team ever has won more than 12 in succession.

The triumph for reliever Clem Dreisewer boosted the Red Sox first place margin to 3½ games over the idle New York Yankees whose series finale with the White Sox was postponed because of threatening weather.

While the Sox were cementing their advantage, St. Louis Cardinals were taking undisputed possession of first place in the National, trimming Boston Braves, 6-4, Brooklyn, which started the day with the Red Birds, was kept idle by cold weather in Pittsburgh.

Catcher Ray Mueller's consecutive game streak was snapped at 233 when Manager Bill McKechnie benched him for Ray Lamanno in Cincinnati's 2-1 edge over New York. The Chicago-Philadelphia tilt was rained out.

Detroit downed Philadelphia, 7-2, on Paul (Dizzy) Trout's ninth-inning effort. Hank Greenberg's fourth homer helped the cause.

Washington took out a 2-1 verdict over Cleveland in 10 innings.

## Royals Only Half-Game Behind Chiefs In International Race

By blasting out 170 hits in 17 games and averaging eight runs a contest, Montreal Royals are beating their way toward the top of the International League.

The Royals vaulted into third place yesterday, one-half game behind the pace-setting Syracuse Chiefs and 12 percentage points behind the runner-up Baltimore Orioles, by nosing out the Newark Bears twice, 10-9 and 5-4.

Montreal, which has tallied 137 runs and clouted 18 homers—tops in the league—probably would be leading if it weren't for the unimpressive performance of its hurling corps.

Both Montreal victories over Newark yesterday were decided in the final innings. In the opener, the Royals scored two runs in the last of the ninth to overcome a 9-8 Newark lead and in the nightcap Montreal broke a 4-4 deadlock with a single courier in the last of the seventh.

In the only other contest, To-

## RING REVIVAL TO BE STAGED IN THIS CITY

Five bouts will be presented at the Belvidere Street Armory next Wednesday night in a revival of big-time boxing under the auspices of l'Amicale des Veterans of the Fusiliers de Sherbrooke, and supporters of the marly art of self defence are hoping that a good card will get the sport away to a successful start.

An Eastern Townships lad, K.O. Boisvert, of Asbestos, will trade punches with Bill Sparks, of Halifax, in the eight-round feature attraction of the evening. Boisvert has been setting up a good record in the middleweight division since getting out of the army, while Sparks boasts victories over such notable fighters as Leo Maher, Babe Beatty, Jackie Dubois, Bert Hardy, Joe Hartnett and Al Sparks.

In two semi-final encounters, Bill Connelly, of Sherbrooke, will meet Bill McIntyre, of Halifax, and Eddie Boldue, also of this city, will be pitted against Marcel Lamarche, of Orleans, Vt.

Two four-rounders will be seen at the start of the card. Young Loisele, of Rock Island, will fight Dan Richardson, of Sherbrooke, with Pit Greiner, of Rock Island, opposing Joe Mignatore, of Sherbrooke.

## League Scrap Starts Sunday At Granby — Local Opener Wednesday

Sherbrooke and Granby are having a hard time getting their exhibition baseball series completed. Because of the wet condition on the Victoria Stadium playing field, tonight's tilt has been postponed until tomorrow night at eight o'clock. So, bring on the sun and dry up the diamond.

A change has been made in plans for opening regular play in the Border League, it was learned this morning from Lucien Robichaud, Business Manager of the Canadians. The locals will visit Granby Sunday for the initial tilt of a 120-game schedule, idea behind the change from Tuesday night being to take advantage of a week-end date and thus draw a larger crowd.

Official opening in Sherbrooke will be on Wednesday night, when the Granby nine will return the compliment and tangle under the floodlights with the local entry.

Sherbrooke will play two exhibition games before the official opener Sunday. Following tomorrow night's engagement with Bill Siler's Red Sox, the Canadians will journey down to Messina N.Y., old stamping grounds of Coach "Pappy" Smith, where they will be in action on Saturday, moving up to Granby the next day to start the title chase.

Coach Smith will have his men going all-out here tomorrow night to please home-town supporters and even the score with the Sox, who chalked up a 3-0 victory on their own field last Saturday.
