5th Army Troops Smash Against Cassino's "Gustav Line" Defences GERMANS SUFFER TREMENDOUS TOLL IN RUSSIA

Important Rail Centre Of Kalinkovichi Taken In Great Soviet Drive

Red Forces Forge on Twenty More Miles Westward Through Frozen Priwet Marshes—Germans Abandon Many Guns, Lorries, Stores of Ammunition and Military Supplies.

By JAMES F. KING,
Associated Press Staff Writer.

London, Jan. 15.—(AP)—Gen. Constantine Rokossovsky's Army in Southern White Russia captured the important rail junction of Kalinkovichi and the nearby regional centre of Mozyr today, inflicting "tremendous losses" on the fleeing Germans, and forged on 20 more miles Westward through the frozen Priwet Marshes, Moscow announced today.

Another Red Army under Gen. Nikolai Vatutin crossed the Horyn River, 46 miles inside pre-war Poland, and extended its front in the area by the capture of Stepan and more than 30 other towns and villages. Stepan is 17 miles South of Tutovichi and 33 miles North of Rovno (Rowne).

Both these drives were advancing along the only two East-West railroads in the Priwet Marshes. Rokossovsky's drive captured Skragolov, only 40 miles from the old Polish frontier on the South bank of the Priwet River, as it rolled on toward the industrial town and waterways centre of Pinsk, only 95 miles away. The two railroads are 60 miles apart.

More than 40 other populated places were overrun by the white Russian advance, including the rail station of Kotsury, 16 miles West of Kalinkovichi.

The midnight Moscow communiqué, recorded by the Soviet Radio monitor, said of this sector: "The enemy sustained tremendous losses in manpower and equipment. Retreating in disorder the Germans abandoned many guns, lorries, stores of ammunition and military supplies. A considerable number of prisoners were taken."

More than 3,000 Germans were wiped out, 27 tanks and 40 big guns destroyed, the late bulletin said. "Vatutin's left wing, pounding South toward the Ukrainian Bug River and the Rumanian frontier, stood firm against reinforced and ceaseless German counter-attacks."

West and Southwest of Novograd-Volynski in the centre of Vatutin's line advances were made after several German counter-attacks were repulsed.

Mozyr and Kalinkovichi, 12 miles apart, were captured on the fourth day of an offensive that tore through a heavily defended area upon which the Russians said, the Germans placed "enormous importance."

At the same time Moscow Radio reported Cossack cavalry speeding over the snow-covered ground well West of both towns, cutting off the escape route of Germans fleeing from the bastion cities.

The twin victory was particularly impressive as a demonstration of Red Army power in the face of the strongest fortifications the Germans could erect over a long period of

BRITISH HOUSE PREPARING FOR HEAVY SESSION

Government Expected to Give Some Insight into Its Policy for Europe After War and Discuss Balkan Situation.

By ROSS MUNRO
Canadian Press Staff Writer
London, Jan. 15.—(C.P. Cable)—Parliament faces a heavy session when it reassembles soon after the Christmas recess, with new progress reports on the war expected from the Government and several important debates pending on controversial domestic problems.

It is unlikely that Prime Minister Churchill, who suffered an attack of pneumonia after the Middle East conferences, will appear in the Commons immediately but from his convalescent headquarters in a warmer climate he is sharing in the long-range direction of the Government and his views will be presented to the House by Cabinet colleagues.

Some members anticipate the Government will give some insight into its policy for Europe after the war and statements may be made on the Balkan situation, the Russo-

Canadians In Prelude To Invasion

Canadians in England are training day and night, under the most realistic conditions, for the invasion of Hitler's continental fortress. Above, a TNT charge explodes spectacularly on an English beach as a Canadian landing party hustles ashore. Two men were hit in this practice landing.

Powerful Aerial Armada Of 1,400 Planes Hammers Rocket Gun Coast

Berlin Reported in Worse Shape Than Hamburg and Six or Seven More Saturation Raids May Obliterate City.

London, Jan. 15.—(AP)—The R.A.F. threw its full weight into the pre-invasion campaign to exterminate the German air force, burying the central German city of Brunswick under a heavy load of explosives last night as an after-stroke to the American daylight attack last Tuesday when heavy bombers fought one of the great battles of the war to bomb the Messerschmitt plant.

The heavy R.A.F. bombers dumped 2,000 long tons of bombs upon the plane-manufacturing city in what the Air Ministry termed "a very heavy attack." This and other operations cost thirty-eight aircraft.

Great fires were left burning. As this main force was over Brunswick, Mosquito bombers returned again to attack Berlin, and other planes bombed Madgeburg, Southwest of Berlin, and targets in Northern France.

The overnight blow at Nazi defence fighters swung the Allied aerial offensive into a round-the-clock attack again, following by only a few hours' lull. The attack was a day-long assault on military targets in Northern France by strong formations of Allied heavy, medium and light bombers, fighter-bombers and swarms of fighters.

Nine enemy craft were destroyed in the daylight raids by American heavy bombers, and eighteen more by Allied medium and light bombers and their escorts. Allied losses in yesterday's daylight operations were sixteen planes, three of them heavy.

Hundreds of U. S. heavy bombers were included in the mixed aerial armada that struck the massive blow against Northern France.

The German announcement of the new attack on the Reich said Nazi night fighters offered strong resistance to the British bombers.

Stockholm reported that a brief alert was sounded in jittery Berlin shortly after 1 p.m. yesterday but no bombs were dropped.

For the British-based American heavy bombers the operation marked their first attack against the continent since the mammoth air battle over Germany Tuesday when a record number of 60 heavy bombers and five fighters were lost and 152 German fighters were shot down.

They were escorted by fighters which executed today what appeared to be a new tactic of sweeping the target area clean of opposition so the bombers could make uninterrupted runs.

Crews on the heavy bombers crossed the Channel, eager for another fight but only a few Nazi pilots came up to face their filled-in ranks. First reports from bases indicated the losses were small.

R.A.F. Dominions and Allied medium, light and fighters bombers escorted and covered by R.A.F. Dominions and Allied fighters joined in the assault.

All day long the attacking force roared back and forth across the Channel and the sound of their engines echoed along the Southeast coast of Britain.

Uncover Time Bombs Hidden Among Fruit NELLIES TO HAVE NO COMMAND AS SUCH IN LONDON

By ROGER GREENE,
Associated Press Staff Writer
London, Jan. 15.—(AP)—Time bombs hidden in cargoes of long-coveted oranges shipped from Spain have delayed distribution of the fruit in Britain, the Ministry of Food announced today, and the Foreign Office has asked the Spanish Government to determine the background of the plot.

Britons, who now seldom see an orange or other citrus fruit and who have paid as high as £15 (about \$67.50) for a single lemon sold at a war benefit auction, were jolted harder by the news of the delay than by the word that the fruit was garnished with bombs.

Two of at least three orange ships en route to Britain were found to have secret caches of explosives.

An explosion aboard one of the vessels about 10 days ago destroyed between 200 and 300 cases, each containing 60 pounds of oranges.

No casualties were suffered by the crew but there was damage aboard.

An examination of the next ship's cargo revealed a time-bomb secreted among the fruit and it was announced that a third ship laden with oranges which has not yet docked will be carefully searched.

The bombs were described as small time, probably not much bigger than an orange.

Some of the fruit came from Palestine, but most of it came from Spain. The bombs were believed to be the work of Nazi agents in the Spanish port of Valencia.

Special precautions were being taken by unloading dockers who were being paid a bonus for handling the dangerous cargo at a Scottish West Coast port.

Newly-Appointed Senior Flag Officer Will Sit on Some Kind of Allied Naval Invasion Council if One Is Set Up.

Ottawa, Jan. 15.—(AP)—Canada completed its line-up of invasion chiefs today with the appointment of Vice-Admiral Percy W. Nelles to the New Canadian rank of Senior Flag Officer in Britain.

Appointment of Admiral Nelles, succeeded as Chief of Naval Staff by Rear Admiral George C. Jones—follows recent announcements which sent Lt. Gen. Kenneth Stuart to Canadian Military Headquarters in London and made Air Marshal L. S. Broadner, Air Officer Commanding-in-Chief of the R.C.A.F. Overseas, Both were Staff Chiefs of their respective services at Headquarters here.

As Navy Minister Macdonald put it in making today's announcement, "the sending of Nelles, Stuart and Broadner to Britain is a sign that we mean business over there."

A naval release on Admiral Nelles' appointment said that "in view of the impending great events it is felt that the Senior Canadian Naval Officer in Britain should be an officer of high rank."

After resting of the prosecution's case, the accused medical officer was in the witness chair yesterday. The defence called only three witnesses in a brief afternoon session, Maj. W. O. McDonald, R.C.A.M.C., diabetics specialist from Saint John, N.B., Capt. G. A. Wilson, psychiatrist member of the Medical Board which examined Smith, and Staff Sgt. Harold Burden, in charge of the army dispensary at Fredericton Military Hospital.

Conclusion of Littner's trial will be followed next week by that of Lt. Col. H. E. Baird, Officer Commanding the Military Hospital here, where Smith died. A court-martial case against Capt. G. G. Allen, charged with failing to have Smith examined further, opened on Thursday of last week and he was acquitted on Saturday. The charge against Col. Baird will be unknown publicly until the start of his trial.

Although Smith claimed he had diabetes, Capt. Littner testified, the witnesses had not believed this. He concluded the man was suffering from influenza. The defence has contended that no one knows what caused the death.

Admits Paying For Deferments

Toronto, Jan. 15.—(AP)—Evidence that during May of last year he paid Naiffe Stephen a total of \$1,050 to obtain deferments for three of his friends who had received military call-ups was given here yesterday by H. Kirshenbaum as the trial continued of Stephen, R. A. Allen, R. A. Irwin and Robert Douglas, charged with conspiracy in connection with obtaining deferments from military service.

Earlier today another Crown witness, N. Bouter, testified he paid Stephen \$400 to obtain a deferment.

Allies Slug Doggedly At Maze Of Weapon Pits, Barbed Entanglements And Minefields Guarding Cassino

By WES GALLAGHER
Associated Press War Correspondent

Algiers, Jan. 14.—(AP)—Allied 5th Army troops advancing yard by yard from the Southeast slugged doggedly today at the maze of weapon pits, barbed entanglements and minefields comprising the "Gustav Line" defences of Cassino, Nazi stronghold on the main road to Rome in Italy.

German resistance was extremely fierce in this final three-mile defence belt before Cassino, and Lt. Gen. Mark W. Clark's American troops fought off an enemy counter-attack on the captured village of the Cervaro Wednesday night before they could continue their frontal assault. British and French troops fought in toward Cassino from the South and Northeast, respectively.

The ground offensive was coupled with a typical Allied air blow at Nazi airbases in the Rome area. Three fields from which German planes have been taking off to intervene on the ground struggle were reduced to flaming wreckage.

Heavy and medium American bombers left smoking ruins from one end to the other of the modern Guidonia experimental airport, 15 miles Northeast of Rome, and at

Centocelle, seven miles East of the Italian capital. The bombers and their fighters escort shot down eight out of forty Nazi planes that rose to challenge them, against a loss of three American fighters. Other bombers blasted an enemy field at Perugia, 90 miles North of Rome.

An Allied officer, reviewing the bloody fighting of the past ten days in which the Allies captured the villages of San Vittore and Cervaro East of Cassino, predicted that the battle now beginning would be harder still. Two crack German divisions are defending Cassino, Gen. Alphonse Juin's French forces, advancing two miles on the 5th Army's mountainous right flank, captured several more peaks and now hold all high ground North, Northeast and Southwest of the village of Aquafredda, seven miles Northeast of Cassino.

Day and night patrolling was reported on the Canadian front on the Adriatic coast just South of the Arielli River, about four miles Northwest of captured Ortona.

A recapitulation by Allied Headquarters revealed that more than 8,000 Nazi prisoners had been captured by the Allied 5th and 8th Armies since the original landing in Italy last September 3.

Fredericton, Jan. 15.—(AP)—Taking of evidence was completed yesterday afternoon on the fifth day of Capt. Ner Littner's general court-martial on a charge of failing to assure proper medical attention for Pte. Charles Fraser Smith, thereby endangering his life, and an alternative charge limited to alleged failure of assuring such attention.

Summing-up addresses will be delivered today by the Prosecuting Officer, Capt. A. S. Fergusson, and the civilian defence counsel, P. J. Hughes, K.C. Smith died a few days after admission into the army.

After resting of the prosecution's case, the accused medical officer was in the witness chair yesterday. The defence called only three witnesses in a brief afternoon session, Maj. W. O. McDonald, R.C.A.M.C., diabetics specialist from Saint John, N.B., Capt. G. A. Wilson, psychiatrist member of the Medical Board which examined Smith, and Staff Sgt. Undetected Nazi Plane Scores Hit

Huns May Have New Type of Soundless Plane, Bombing from Stratosphere—Seven Killed as Movie House Struck.

London, Jan. 15.—(AP)—Seven persons were killed and 31 injured when a German plane making a freak raid without an alert being sounded dropped a bomb squarely on a suburban London movie house last night.

The sound of the plane's engines was heard, then the whistle of a bomb and, the Daily Express said, it scored a direct hit on the crowded theatre. Everyone in an adjoining dance hall escaped.

The movie audience kept calm. Most did not know what the blast was as they had no warning of a raid flashed on the screen.

No gunfire was heard and the bomb hit the centre of the theatre roof. It missed two balconies and landed just back of the orchestra pit, blowing at least 25 seats into the air.

It was the first time in several years that a known German plane was able to get as far as suburban London without detection by the elaborate coast defence radio location system.

Failure to sound an alert, The Associated Press said, raised immediate speculation that the Nazis have a new type of soundless plane, possibly bombing from the stratosphere, and it escaped detection.

An adjoining grocery store was also hit by the bomb which screamed down shortly before midnight. Properties were destroyed in suburban London.

There were indications that only one enemy plane came over. More than 3,000 people were in the theatre when the explosion occurred just after the finish of the feature picture, "Wintertime," starring Sonja Henie.

The theatre manager through a microphone on the stage told the audience to remain seated until the lights were put on and then advised them to leave. Some tried to depart while the manager was speaking but three young girl ushers calmed them.

The theatre lobby became an emergency casualty station. A score of ambulances arrived within minutes.

Police said reports showed all were civilian casualties except one British soldier.

Poland Invites Britain And U.S. To Intercede In Boundary Controversy

London, Jan. 15.—(AP)—The Polish Government in London after four successive days of Cabinet study of Russia's Curzon Line boundary proposal announced today in a conciliatory statement that it was asking Britain and the United States to bring Poland and Russia together to discuss all outstanding Russian-Polish problems.

The Polish announcement, which in effect asked Britain and the United States to mend broken diplomatic relations between the Polish Government and the Soviet Union, was hailed immediately in official British quarters as "an encouraging response" to the Soviet Government's January 11 declaration suggesting the Curzon Line as the Russian-Polish boundary.

"In their earnest anxiety to safeguard complete solidarity of the United Nations, especially at the decisive stage of their struggle against the common enemy, the Polish Government consider it to be preferable now to refrain from further public discussions," said the Polish statement.

Through the mediation of Britain and the United States an early settlement of the dispute is expected in London.

The statement was the Poles' reply to the Russian proposal that Poland accept as her Eastern boundary

a line projected in 1919 after the First Great War by an Allied Commission headed by Viscount Curzon, then British Foreign Secretary.

A copy of today's Polish statement was given to the Russians before its publication. The new declaration came after a cabinet session which lasted throughout Friday morning and was followed by another meeting between Foreign Secretary Eden and Polish Premier Tadeusz Romer.

The swinging of the Poles so quickly to a statement conciliatory in tone indicated their desire for erasure of one of the knottiest of United Nations' problems.

A spokesman close to the Polish Government said the Poles felt they had made a major concession in refraining from attacking assertions in the Soviet Jan. 11 statement reflecting unfavorably upon the Polish Government.

Washington, Jan. 15.—(AP)—The United States State Department announced today it had received and was giving immediate attention to the request by the Polish Government in London for aid in solving Russian-Polish problems.

The request was made of both Britain and United States governments to help bring the neighboring nations together for a discussion of ways to achieve "permanent co-operation."

Closing Of 25 Aluminum Production Lines In U.S. Is Said Recommended

Washington, Jan. 15.—(AP)—Representative Walt Horan (Rep., Wash.), said today that Joseph B. Eastman, Director of the Office of Defence Transportation, had recommended the closing down of 20 of the 25 aluminum production lines in the United States Pacific Northwest.

The representative said Eastman advanced "a transportation squeeze" as the reason for his request.

The O.D.T. Director did not name the lines he suggested closing.

"It is just another phase of the current aluminum 'squeezing,'" Horan said. "We of the West coast delegations do not want any shutdowns in the United States as long as the Shipshaw project in Canada is allowed to run full blast. Our delegations are asking Eastman the cost of transporting aluminum to the United States."

Horan said Eastman made his recommendations to the W.P.B. in reply to a request from the W.P.B. for his views on shutdown of aluminum production lines.

Representative Homer Angel (Rep., Ore.) later said Philip D. Wilson of the Aluminum and Magnesium Division of the W.P.B. had assured him there would be no more reductions in aluminum production until after he had conferred with members

of the Congressional delegations of Washington and Oregon.

Wilson in a letter told Angel the W.P.B. had not yet gathered the information it believed should be considered before ordering more closing of production lines.

Angel described in the House of Representatives W.P.B. proposals to close down aluminum production and said there was "a grave question as to whether our present supply of aluminum justifies the curtailment of production."

Soldier Ballot Plan Rejected

Washington, Jan. 15.—(AP)—Congressional advocates of a federal "war ballot" for the armed services suffered another reversal today when the House of Representatives Elections Committee, rejecting this idea, approved 7 to 5 a measure leaving the problem of soldiers' voting up to the states.

Since the Senate already has taken a similar stand, the chances for a federal ballot appear doubtful although these new moves to bring

WIDELY-KNOWN AYER's CLIFF RESIDENT DIES

Death Removed Edwin E. Temple, Former President of Stanstead Agricultural and Horticultural Societies.

Ayer's Cliff, Jan. 15.—One of the grand old men of Stanstead County passed away at his home yesterday in the person of Edwin E. Temple, well known in agricultural circles for the past half century, former President of both Stanstead County Agricultural and Horticultural Societies, and Secretary-Treasurer of the Stanstead County Wool Growers and Sheep Breeders Association for the past thirty years.

In his ninety-third year, Mr. Temple had retained an active interest in all his work until the very last, only the past few weeks' illness necessitating his remaining away from his daily contacts with the citizens and friends to whom he was a well-loved advisor in many fields of activity.

His tall, lanky figure and earnest voice were a distinct and unforgettable part of every I.O.O.F. meeting in the county, where his unfailing offered kindly and deeply appreciated advice to the younger generation.

In close contact with the varied workings of the County Agricultural and Horticultural Societies, Mr. Temple was never absent from a Directors' meeting unless through illness, and his presence in raising garden produce was not only evident in his showmanship at the annual Ayer's Cliff Fair but also in his exceptional home garden, which he tended with meticulous care up to the last year of his life.

Born in Waterloo on June 19, 1851, Mr. Temple came to the Ayer's Cliff district in 1901, settling on the home farm occupied by his son, Gordon, and located halfway between Ayer's Cliff and Fitch Bay. He moved into the village of Ayer's Cliff in 1915, and from that time took an active part in all local activities.

He was instrumental in having a post office service and the telephone service extended to the Brown's Hill district, and served in many a capacity for the municipality as well as on the Ayer's Cliff School Board.

An elder of Beulah United Church, Mr. Temple was also at one time Superintendent of the Sunday School. Surviving him, in addition to his wife, Elvora Whitney, of Beebe, are five children, two others having predeceased him several years ago. He leaves two daughters, Nettie, Mrs. F. E. White, of Concord, N.H., and Edna, Mrs. George Curtis, of Brown's Hill, and three sons, Albert, of Concord, N.H., Homer, of Windsor, Vt., and Gordon, who resides on the home farm just outside of Ayer's Cliff Village.

Funeral services will be held on Sunday afternoon, from Beulah United Church at 1:30 p.m., with the I.O.O.F. attending. Mr. Temple having been a member of Alexander Lodge, No. 59, for many years.

At the conclusion of the service the body will be taken to the Crystal Lake Cemetery vault at Stanstead, and interment will take place at Fitch Bay.

There are nearly 2,000 species of lizards in the world.

MISSING

W.O. Dennis Albert McCabe, whose parents, Dr. and Mrs. A. W. McCabe, of Richmond, have received word that he is missing after air operations Overseas on December 30 last.

Twenty-one years of age, W.O. McCabe joined the R.C.A.F. in October, 1941. He received his training at Toronto, Trenton, Belleville and was awarded his Navigator's wing at St. John's in September, 1942. He proceeded Overseas a month later. Kirshenbaum said he did not have any dealings with Irwin, Allen or Douglas. The trial is continuing.

Continued from Page 1.

The new operations followed an R.A.F. Mosquito attack against Western Germany Thursday night, the specific objectives of which were not immediately disclosed. This was the first foray for Mosquitoes since Monday night when they bombed Berlin.

Even before an announcement was issued on the daylight operations the Hilversum radio left the air, while the German agency D.N.B. halted broadcasting "for technical reasons," signalling possible early night missions by the R.A.F.

Crewmen returning from the day's operations said big and blue smoke flashes marked hits on some of the targets.

A well-posted industrialist told the Associated Press correspondent in Stockholm that Berlin was in worse shape than Hamburg and that six or seven more saturation raids might obliterate the German capital. He said more than 2,000,000 residents of Berlin had been evacuated and that more than 500,000 were homeless.

"Life" is the subject of the Lesson-Sermon to be read in Churches of Christ, Scientist on Sunday, January 16th.
The Golden Text is from I John 5:11. "This is the record, that God hath given to us eternal life, and this life is in his Son."
Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And Moses was an hundred and twenty years old when he died: his eye was not dim, nor his natural force abated." (Deut. 34:7).
The following passage from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Except for the error of measuring and limiting all that is good and beautiful, man would enjoy more than three score years and ten and still maintain his vigor, freshness, and promise. Life is eternal. We should find this out, and begin the demonstration thereof. Life and goodness are immortal. Let us then shape our views of existence into loveliness, freshness, and continuity, rather than into age and blight." (Page 246).

WORLD-FAMOUS JERSEYS BRED ON E.T. FARM

Jersey cattle bred in the Eastern Townships have given world fame to many a farm-owner for production records that have seldom been surpassed, stated Donald Rowat of Montreal, owner of the famous Glensheen Farms, in a statement to the Record today.

In mentioning several well-known breeders, Mr. Rowat paid particular tribute to Albert Quinlan of Wardens, who has bred two world-famous Jerseys within thirty miles of Sherbrooke, his Aggie Girl Beauty, which Mr. Rowat purchased three years ago, being of the finest Jerseys in the market.

Mr. Rowat, who is offering for sale a particularly fine specimen of Jersey bull calf, states that he has always taken a keen interest in Townships breeding and farming methods, as he has done most of his cattle buying in these parts. He practised in Richmond, following his present profession as a notary, in 1902 to 1912, and bought most of his cows on the Melbourne Hills. He informed the Record that he is particularly interested in production without losing sight of type, and has shipped bull calves to Beauce, Nicolet and Richmond counties, as well as to the provinces of Ontario and Saskatchewan from his Glensheen Farms. At present he owns seventy-five splendid Jerseys in his well-kept farm.

Sire of his calf he is selling, Golden Creek Prince, was also bred by Albert Quinlan, and sold to W. Elmo Ashton, another Eastern Townships Jersey breeder from Foster. Mr. Rowat purchased Golden Creek Prince from Mr. Ashton, and states that he has more production behind him, in his dam and two granddams, than any Jersey bull ever raised in Quebec Province, comparing favorably with most bulls in America as regards production.

Outstanding achievements of Eastern Townships breeders have been significantly portrayed at the Sherbrooke Fair Stock Shows and Sales, with top prices paid for some of the finest cattle on the hoof, shown as products of the ever-increasing interest in finer stock being bred by local breeders. Cattle buyers and packers from Montreal and Toronto point, with particular pride to the records of Townships cattlemen, who have been given new impetus to finer breeding through the means of the annual Sherbrooke Show.

To the Southeast Gen. Nikolai Vatutin's 1st Polish Army was 40 miles into old Poland, and the capture of Tutovichi and had an 80-mile front across the former frontier from North of Tutovichi to Kikiliev, giving the Red Army control of over 2,000 square miles of old Poland. The Russians were also increasing pressure on Rostov (Rovno), 50 miles South of Sarny; Luck, 65 miles to the Southwest and Kove, 80 miles to the East.

Vatutin's Southern wing continued fighting back the most important German counter-attack on the entire front as the Nazis struck time and again to halt the Russians spreading down toward the Ukrainian Bug River and the Rumanian frontier.

postwar jobs for soldiers.

"I tell you they are coming home to the worst mess in the nation's history," said Jack. The firm came into news prominence in 1942 when its habit of paying large bonuses to workers and granting other benefits on a lavish scale was studied by a House of Representatives Committee. The company defended such practices as a spur to production.

"It must be borne in mind," said the War Department today, "that the company's business was financed principally by the Government which purchased its entire output. It is regretted that Jack and Heintz, Inc., has not seen fit voluntarily to contribute to the war effort by a measure that war production shall not provide a source of excessive profits."

Star-Packed "Thousands Cheer" Offers Comedy, Drama, Music And Romance

A drama packed musical which offers everything from symphonies to circuses is M-G-M's "Thousands Cheer," lively Technicolor tunefest spotlighting Gene Kelly and Kathryn Grayson, John Boles, Mary Astor and Jose Iturbi. The film comes to the Granada Theatre, tomorrow.

Lively production numbers, skits featuring Judy Garland, Eleanor Powell, Red Skelton, Mickey Rooney, Virginia O'Brien, Ann Sothern, Lucille Ball and many others appearing as guest stars highlight the story.

Nelles To Have

ner went to his Overseas post to succeed Air Vice-Marshal Harold Edwards.

The Navy Minister's press conference also disclosed:
1.—Two Royal Navy escort aircraft carriers will be manned by Canadian sea officers and men but will have British aircrews and aircraft.
2.—Canadian officers and seamen now are in training in preparation for taking over two gift British medium cruisers of the latest type.
3.—U-boat menace has considerably abated but there still are undersea raiders to be dealt with.
4.—British Columbia naval facilities at Esquimalt and Prince Rupert are being improved and new machine shops are being established at Esquimalt.

Mr. Macdonald said Admiral Nelles will remain senior ranking Naval Officer and will have "general oversight" of Canadian naval forces Overseas. The present Senior Canadian Naval Officer in London—Capt. F. L. Houghton—will likely become a member of Admiral Nelles' staff. Admiral Jones, only 48, will take over general control of naval affairs. No successor has been appointed to the Vice-Chief's post which he formerly occupied.
Admiral Jones, attending a meeting of the Joint Defence Board in New York today, had nothing to say on his new appointment.

Mr. Macdonald said Admiral Nelles would have no command "as such" for Canadian units would be intermingled with other Allied Forces. It was possible, the Minister said, that Admiral Nelles would sit on some kind of Allied naval council if one were set up.

The arrangement by which Canada provides the sailors and sea officers for the two British carriers was interpreted here as an indication that the Dominion has decided against immediate establishment of an exclusively-Canadian Fleet Air Arm.

Mr. Macdonald said the two Canadian-sailed "flat-tops" probably will begin their job as convoy escorts in the Atlantic within the next few months. Later, they might go to the Pacific.

The two spanking new cruisers which Britain is giving Canada are worth between \$10,000,000 and \$15,000,000 each and already the Canadian crews training to take them over have seen cruiser action.

Mr. Macdonald said Britain made the gesture in recognition for the great amount of mutual aid she has received from Canada.

The Navy Minister spoke of the record made by Capt. H. T. W. Grant, of Halifax, who, as Commander of the British Cruiser Enterprise, scored against Nazi destroyers in the Bay of Biscay.

of an army colonel's daughter who falls in love with a private in the ranks.

As the officer's dazzling daughter, lovely Kathryn Grayson turns in the most important performance of her screen career. Her style-setting costumes are the handwork of Irene, famed fashion authority, and Kathryn's songs run the gamut from operatic arias to popular ballads.

Making another long stride toward stardom, Gene Kelly, already bracketed as one of Hollywood's most promising and popular leading men, is seen as Kathryn's romantic but recalcitrant doughboy.

In this fast-paced romantic musical, the celebrated conductor-pianist, Jose Iturbi, makes his initial film appearance. Iturbi plays himself in the picture and adds to its tune-filled sequences several orchestral numbers and piano solos.
Mary Astor, as Kathryn's mother, and John Boles, marking his return to the screen as her army colonel father, round out the featured cast of the film. They, however, by no means complete the roster of stellar entertainers limelighting the production. In one of the most spectacular sequences of the story, an USO show at an army camp. Judy Garland gives out a peppy boogie-woogie refrain in which she is accompanied by Iturbi at the piano.

Polish border dispute and some aspects of the coming Western invasion.

There has been increasing agitation in many parts of the country for a more clearly defined Government policy for post-war Britain in home field and this is likely to find response in ministerial speeches on food, housing and rehabilitation.

A number of Cabinet changes may be announced while Parliament is sitting and an effort is believed underway to strengthen the Coalition Government by bringing some new talent into the Cabinet as well as switching some members from their present posts.

There have been reports in political circles that Canadian-born Lord Beaverbrook, Lord Privy Seal, might replace Sir James Grigg as War Secretary and that Sir James would return to the civil service to direct a long-planned reorganization.

Among the first items to be considered by Parliament will be the Tomlinson bill dealing with unemployment of disabled service men and women. There is general agreement on the measure because members of all parties are anxious to make certain that service casualties are not thrown on the industrial scrap heap. But details of the bill will be debated vigorously.

The education bill will be one of the legislators' chief concerns and R. A. Butler, President of the Board of Education, is faced with formidable obstacles in getting the bill on the statute books. The bill would make sweeping changes in the educational system.

one about were launched today. 1.—Senator Millard Tydings (Dem., Md.), introduced a measure which would give a federal war ballot to members of the armed services only after their home states declare them eligible to vote.

2.—The Senate Election Committee began efforts to work out some compromise acceptable to both sides in the hot controversy.

The principal arguments advanced by each side, with each disputing the soundness of the other's contentions, are:
Backers of federal ballot—If soldiers and sailors are to vote, the only practicable way is to furnish them a uniform federal ballot.

Opponents—A federal ballot would constitute an invasion of the constitutional right of each state to fix its own qualifications for voting.

President Roosevelt joined the debate by saying in his annual message that the "overwhelming majority" of fighting men would be deprived of the right to vote if it is left to the states.

YUGOSLAVS AND GERMANS STAGE TOUGH BATTLE

Strategic Island of Pag Off Upper Adriatic Coast Objective of Pitched Battle Near Karlobag.

London, Jan. 15.—(P)—A pitched battle between Yugoslav Partisans and German forces was reported to be raging near Karlobag on the upper Adriatic coast opposite the Island of Pag, recently recaptured by the Forces of Marshal Josip Broz (Tito).

Tito's communique, as broadcast by the Free Yugoslav Radio, did not make it clear whether the Germans were trying to recapture the strategic island which flanks the Germans' approach to Fiume or whether the Partisans had landed on Pag and were attempting to obtain a beachhead on the mainland.

The bulletin also reported heavy fighting continuing along the 30-mile road between Banja Luka and Prijedor to the Northwest in Central Bosnia. Here the Germans were increasing their pressure, but everywhere else, Tito said, the Partisans were on the offensive.

Tito's communique said a coal mine had been destroyed at Bitol and a lead mine occupied at Skopje, and announced an outbreak of warfare in a new area, near Djedjelija on the Greek-Macedonian frontier, where it was said 30 Bulgarian soldiers were killed.

Mayor Ross And City Clerk Leave
On Monday For Chicago Convention

Mayor A. C. Ross and City Clerk Antonin Deslauriers will leave Sherbrooke on Monday for Chicago, where they will attend the annual convention of the United States Conference of Mayors on January 19, 20 and 21. Mayor Ross received a personal invitation to attend the convention from F. H. LaGuardia, Mayor of New York and President of the Conference.

The City Council delegated the Mayor to attend the party to further his rehabilitation and reconstruction studies as the conference will deal with post-war problems. Leading officials of the United States Government will participate at the meeting.

Mayor Ross will accompany a delegation of Quebec Mayors to the party. These include Mayor Raymond and J. C. Asselin, of Montreal; Mayor Merrill, of Westmount; Mayor Wilson, of Verdun. Only nine other mayors from across Canada, all executives of the Canadian Federation of Mayors and Municipalities, also will be present at the convention. The Canadian Mayors were invited as in former years as a means of improving municipal co-operation between the two countries.

Mayor Ross will accompany a delegation of National Executive of the Canadian Federation of Mayors and Municipalities, being elected to this office at the last meeting of the Dominion organization held in Ottawa.

NOTE FURTHER
INCREASE IN
SALE OF SEALS

Five other Christmas Seal Committees have reported their receipts. They are: Kamouraska-L'Islet, \$2,207 (no campaign last year); Drummondville, \$2,000, (\$1,700 last year, same date and campaign over); Temiscaming, \$1,990.45, (\$905.72 in 1942, same period, and \$1,196.67 campaign over); Val d'Or, \$454, (no campaign last year); Thetford Mines, \$511.90 (\$459.21 in 1942, same date and campaign over).

The receipts reported on January 3 by twenty-two committees, out of twenty-nine, excluding Montreal, reached \$60,000.17. Last year the amounts subscribed within the same territory reached \$38,333.93 on the same date and \$43,336.02 when the campaign was closed.

VOICE APPEAL
IN BEHALF OF
GREEK RELIEF

Mayor D. Brown Hopkins and the Aldermen of the Town of Coaticook today issued an urgent appeal to citizens of that municipality and environs for assistance in the Greek Relief drive, which is being conducted by the ladies of the Red Cross Branch and others. Used clothing and shoes, woollen and cotton goods, bedding and towels in fair state of repair are being collected in the campaign.

Officials of the drive announced that receptacles will be placed in all factories and in Beerworth's Store on January 19, 20 and 21, as well as in all churches on the 23rd.

Those unable to go otherwise may advise their telephone operator and donations will be called for while the drive is in progress.

"Nearly 100,000 children in Greece are practically destitute of clothing and adults are in the same plight," Mayor Hopkins said. "Public assistance is solicited so that the drive in aid of our faithful and brave ally may be successful," he added.

JOBLESS INSURANCE
PAID OUT \$2,500,000

Quebec, Jan. 15.—(By Louis J. Trotter, President of the Unemployment Insurance Commission in Canada, told newsmen here last night that "during the past two years, some \$2,500,000 has been paid out in unemployment insurance benefits, or about \$400,000 a month."

Mr. Trotter added the organization has already on hand a reserve of \$165,000,000 which, he said, "will be of immense value in the days following the war."

Benefits From Blue Cross Plan

First among Quebec telephone employees and members of their families to benefit by enrolment, effective this month, in the Blue Cross Hospital Plan of the Quebec Hospital Service Association is Miss Elizabeth Readshaw, daughter of W. Readshaw, of the Bell Company's plant department at Waterloo, pictured with her nurse at the Sherbrooke Hospital where she was admitted on December 29, to undergo an acute appendectomy. Mr. Readshaw had enrolled himself and his family on the hospitalization plan during the initial period of applications among Quebec telephone workers, between November 25 and December 17. The plan became operative on January 1. Miss Readshaw's sudden illness occurred between Christmas and New Year's and the Blue Cross benefits dated from January 1 in line with the terms of the contract. Over 2,100 Bell employees, mainly Montrealeers, completed applications during the initial enrolment period to protect some 4,000 individuals, it is reported.

EARLY MAILING
URGED BY CUPID

In view of the fact that this is "Leap Year," large amounts of "love" are already on their way Overseas and the girl with a "fella" abroad ought to join the throng mailing Valentines by Monday at the latest, if she wants to be sure that her greetings arrive for February 14.

Aiding cupid with his wiles because of Leap Year, postal officials here said today that cards and letters should arrive in time, and the best way to achieve this was to mail the love-letters by tomorrow.

Dealers in Sherbrooke report that the sales of cards are brisk of what they have with particular interest shown in the type of card for service men.

Many of the husbands and sweethearts abroad have not seen their girls for more than four years.

Persons mailing cards to friends in Canada are warned that Valentine Day falls on Monday this year and early mailing is advisable to cope with the week-end rush in the mails.

ANNUAL SERVICE
SCHOOL HELD AT
MARTIN MOTORS

J. H. Hickey, General Parts and Service Manager, Chrysler Corporation of Canada, Limited, Windsor, has just announced that top-seventy annual service school for training dealer service and repair personnel, is being held at Martin Motor Sales Reg'd., this city, for Chrysler Corporation dealers in Sherbrooke and vicinity.

This Service School, which lasts from January 24 to January 26, is conducted by specially trained service representatives from the Chrysler factories in Windsor. The object is to train certain key men from the various dealers' organizations—such as Service Managers, Service Department Foremen, and top-ranking mechanics so that they in turn may return to their service and repair departments and instruct other mechanics in the latest factory methods of servicing and repairing Chrysler-built vehicles.

The principle of a few skilled men acting as teachers to train groups of other skilled men to go out and instruct less experienced and less skillful operators has been utilized in the Service Schools to provide an ever-growing, more efficient service personnel among the company's dealers.

These Chrysler Service Schools are being held in 26 cities across Canada between the dates of December 27, 1943, and March 31.

Mr. Hickey says these Service Schools are especially important in these war days and have an important place in the current service programme among the dealers. This service programme is dedicated to the principle of "Keep 'Em Rolling" and has met with enthusiastic response from Chrysler dealers from coast to coast—as well as keen appreciation from the more than 250,000 owners of Chrysler-built vehicles in Canada.

FATAL MOTOR
ACCIDENT AT
FRELICHSBURG

Frelighsburg, Jan. 15.—A fatal auto accident occurred on a hill just at the edge of the village on the Bedford road.

Mrs. Lucille Gynes, of the R.C.A. E. Observation Station of St. Johns, and Gunner Edward Murdoch, of Three Rivers, stationed at St. Johns, were motoring here from St. Johns to spend a few hours' leave with Mr. and Mrs. Paul Benoit, when their car collided head-on with a car driven and owned by Mr. Messier, of Franklin, Vt. Mrs. Gynes and Sgt. Murdoch were thrown clear. Sgt. Murdoch suffered a fractured skull and died at the St. Johns' hospital. Sgt. Murdoch was buried at Three Rivers.

INJURED IN MOTOR MISHAP

While on their way to Cowansville to spend New Year's Day with relatives, Mr. and Mrs. J. Van Antwerp, Miss Frances and Master Norton Van Antwerp, Mrs. J. Wales met with an unfortunate experience before they had left the village, when they sideswiped the end of the incoming bus from Montreal. Mrs. Van Antwerp received a broken arm from the impact. None of the others were injured. All were able to proceed on their journey. Upon arriving in Cowansville a doctor was called and Mrs. Van Antwerp's fractured arm was placed in a cast.

Mrs. L. R. Copsey entertained the Women's Guild of Bishop Stewart Memorial Church one day. There was a good attendance of members and two visitors. Mrs. Murray was asked to accept the office of Honorary President, which she graciously accepted. It was decided to hold a food sale in place of the next meeting. Dr. Millman opened and closed the meeting with prayer. The business was conducted by the President, Mrs. E. M. Shepard. The hostess served a delicious tea at the close of the meeting.

Mrs. J. Stocks, of Cowansville, spent a day here with her parents, Mr. and Mrs. A. J. Shepard.

Miss Childhouse, of Dunham, has accepted a position in the office of the Mississquoi and Rouville Fire Insurance Company.

Miss Frances Van Antwerp spent a weekend in Knowlton with Miss C. Guilford, who spent the weekend with her parents.

Mrs. S. Kovalchuk is a guest of Mr. and Mrs. J. Owens, of Grenville.

Mr. and Mrs. H. A. Lackey and two sons were guests of Mrs. Lackey's parents, Mr. and Mrs. Hodge, of Stanbridge East.

Mrs. E. M. Shepard spent a weekend in Cowansville with Mr. and Mrs. H. Drennan.

I.O.D.E. GROUP

The monthly meeting of the Aldershot Chapter I.O.D.E. was held at the MacKinnon Memorial, and opened with the raising of the Standard and the Prayer of the Order, the Regent, Miss Helen Ross, in the chair.

Correspondence was read followed by a report by the Treasurer, Miss Gwen Hurn.

The Regent advised all officers and conveners that their reports were to be prepared to be read at an executive meeting, previous to the Annual Meeting in February.

The members were informed of the weekly dances being held at the Y.M.C.A. every Wednesday for the Armed Forces. All girls wishing to attend must give their names to Miss Brent.

It was brought to the attention of the meeting that all 1944 fees are to be paid at the annual meeting.

LENNOXVILLE
GUILD NAMES
NEW OFFICERS

The annual meeting of St. Monica's Guild was held at the home of Mrs. R. Clarke on Prospect St., Archdeacon Jones opened the meeting with prayer and annual reports were given by the Treasurer and Secretary which were most satisfactory, also the report of Red Cross work done during the year. A note of thanks was extended to Mrs. L. Jenne for the donation of four quilts for Red Cross and to Mrs. H. Nichol who attended to the sale of Christmas Cards.

The retiring President, Mrs. H. Nichol, voiced her thanks to the officers and members who had shown such splendid co-operation during the past year and extended her best wishes to the new officers in their work in the new year. A vote of appreciation was extended to Mrs. Nichol for the interest shown and good work done under her leadership by Mrs. R. Clarke, and to the senior Guild for successful work done during the year.

Archdeacon Jones took the chair for the election of officers and thanked the Guild for their help given in church work and work on the rectory and also for their efforts in Red Cross work.

The new slate of officers follows: Honorary President, Mrs. A. Jones; President, Mrs. J. E. Herold; First Vice, Mrs. R. Baker; Second Vice, Mrs. S. Messenger; Secretary, Mrs. B. Blake and Treasurer, Mrs. H. Downs, Jr.

This slate was accepted as read and the newly elected President took the chair for the business session. An auditor's committee was named and a renovation committee to look after any needs of the Rectory. Plans were made to hold a supper on February 10, with an apron and food table. The next meeting will be held at the Rectory.

The hostess then served dainty refreshments with Mrs. H. Nichol and Mrs. J. Herold pouring at the lace covered table which was centered with pink carnations.

Assisting were Mrs. L. Jenne, Mrs. B. Clarke and Mrs. N. Huntling.

Can Obtain Special Permission To
Serve A 3-Month Notice On Tenant

A copy of the new rentals order received at the local office of the Wartime Prices and Trade states that although all eviction notices in the hands of tenants of multiple dwellings are now null and void, a landlord may get special permission to serve a three-month notice on a tenant.

A practice that has become common in some cities has now been prevented as a result of the new order. A landlord who lives in one of a group of apartments may not serve notice now on a tenant on the grounds that he needs the apartment for his own use. However, if the owner lives in a private single dwelling he may serve notice on one of his apartment dwellers on the ground that he wants the apartment for his own use.

The landlord, however, may give to the tenant a second notice on a form provided by the Board and obtainable at the local W.P.T.B. offices, if he desires the accommodation as a residence for himself, for a period of one year from the date on which the notice directs the tenant to vacate.

It was explained that eviction notices served on tenants in multiple dwellings after October 1, 1943, and prior to January 6, 1944, ordering them to vacate so that the owner or his relatives might move in, are now null and void. The special three-months' notice must be authorized by the rentals appraiser in the municipality in which it is sought.

pleased to welcome Mrs. Lane's mother, Mrs. McKee, who has been unable to attend for some time.

The annual reports followed the roll call and the Treasurer, Mrs. Sutherland, announced the satisfaction of all that the allocation of \$325 had been forwarded in full to head office. The sale of Christmas cards had netted the fine sum of \$77.55.

Mrs. Hyndman, Missionary Monthly Secretary, reported that forty-two subscriptions to the paper had been sent for, an increase over last year.

February is the month members are to pay their fees and plans are to be made for a tea.

After the business meeting Mrs. McCurdy assisted, by Miss Scott, reviewed a chapter of the study book, "For All of Life."

The meeting closed with repeating the Mizpah, after which the hostess served delicious refreshments and a very pleasant meeting came to a close.

Decline In Price Of Eggs Is Recorded On Lansdowne Mart

Slippery roads yesterday seemed no obstacle to farmers arriving at the Lansdowne Market and there was a fairly good showing of produce. Eggs, however, were again reduced in price, and one was told that there may be a serious shortage of them in the spring if they go much lower.

Eggs seem to be getting more plentiful all the time and the majority of stands are now featuring them. The farmers are commenting that there should be a "floor" as well as a ceiling price on them. It was reported yesterday that large eggs sold as low as thirty-eight to forty-eight a dozen, which, of course, did not go over with many of the vendors who were apparently holding out for the price quoted. However, there certainly were no complaints from the customers.

Farmers told a Record reporter that the cost of feeding and keeping the fowl apparently practically equals any profits made, and may be the cause of farmers to kill their hens now, thus reducing the egg supply for spring. The price of eggs are dropping each week.

There was some delicious-looking rhubarb, which sold readily to many of the housewives who were purchasing low much the family would relish a rhubarb pie for Sunday dinner.

In the vegetable market there was quite a large variety. Parsnips were in abundance, but celery is getting scarcer and will soon be through it was reported, although there was a nice supply on display.

There were no cooking onions or sweet Spanish onions, but the supply of green onions was unstinted.

OBITUARIES

MRS. EDGAR SCHOOLCRAFT, OF CHERRY RIVER

Cherry River, Jan. 15. — Mrs. Edgar Schoolcraft passed peacefully away at the home of her eldest son, Clarence Catchpaw, on December 30.

She was born Loretta Richardson, on June 7th, 1870, at Cherry River.

In the year 1885 she was united in marriage to Aaron Catchpaw, who predeceased her thirty-eight years ago.

From this marriage there were five children, Clarence, Wallace, Lucy, Mrs. George Smith, Elizabeth, Mrs. Roy Aldrich, of Sherbrooke, Addie, Mrs. Lloyd Whittier, who passed away twenty-three years ago, and Harvey, all residing in this community.

In December, 1907, she married Edgar Schoolcraft, who survives her.

There are twenty-three grandchildren and fifteen great-grandchildren, besides one brother, Melvin Richardson.

The funeral was held on January 2nd, at St. Paul's United Church, Magog. The service was conducted by Rev. P. Mathams. Interment was made at Cherry River.

LORON MCGEE, OF SOUTH ROSTON

South Roston, Jan. 15. — This community was shocked by the death, on December 13, of Loron McGee, at the age of five years and four months, only son of Clifford McGee and his wife, nee Martha Smith.

Although in failing health for three years no one realized that the end was so near.

The funeral service was held at the home and was conducted by the Rev. Thomas Scott, of Granby, who spoke words of comfort to the sorrowing parents and relatives. The floral tributes were beautiful.

After the service the funeral cortege proceeded to the cemetery, where the last words were spoken and the body was laid to rest by the side of his grandfather, the late Mr. Loron Smith, who preceded him twelve years ago.

He leaves to mourn his loss his mother and father, one sister, Marjorie, and his grandmother, Mrs. L. Smith.

The hymns, "What A Friend We Have in Jesus," "When He Cometh" and "Safe In The Arms of Jesus," were rendered by several members of the Granby United Church choir.

The bearers were Messrs. J. C. Sanborn, W. Reynolds, W. Robichaud, N. McGee. The funeral director was John Patterson, of Waterloo.

Many floral letters and telegrams of sympathy were received from friends and relatives, who were unable to attend the funeral.

PO. WALTER SHEPPARD, OVERSEAS, FORMERLY OF ST. ARMAND

St. Armand, Jan. 15. — Word has been received by Mr. and Mrs. J. Thomas from Mr. W. F. Sheppard, of Victoria, B.C., that his son, Walter, was killed on the night of December 18 in a raid on Germany.

He was born in Calgary in 1915 and attended school in Kerrobert, Sask., where he graduated from High School. Later he lived with the Thomas family near Cosine, Sask., and accompanied them to St. Armand seven years ago. He was employed by the Torrington Company, Bedford until shortly after war was declared, when he enlisted in the R.C.A.F.

He served as instructor in airplane construction for some time, later transferring to the Bomber Command. He went overseas in 1942 and had since been navigation officer in a Lancaster bomber and was killed over Germany during a raid on that country.

During the years he had lived in St. Armand he had made many friends who today deeply regret his untimely death. He was a general favorite and his genial disposition won for him friends wherever he went. He, as so many others have done, gave his life for his country.

One of every 1,000 children born in the United States dies in its first year of life as the result of an accident.

RAND MEETS WINDSOR AT ARENA TOMORROW

Charlie Duncan Scores Five Goals As Windsor Wins 11-7

In an exhibition game played at the Windsor Mills Arena, the Paper Makers ran wild to defeat the Army squad by an 11-7 score. The game, in which the Grantmen chalked up two goals in the first period, six in the second, and three in the last, was played last night before a crowd of some four hundred persons.

Charlie Duncan, tricky Windsor centre, led the scoring parade by ringing up five goals and being credited with an assist for a sixth. Points for the game. Charlie was really "hot" last night as he rode roughshod over the opposing Army forwards to plunk the puck past Dion on five different occasions. This was Charlie's best game of the season, and if he keeps going like he did last night, he will prove a strong threat to the present leaders of the scoring race during the remainder of the season.

Also starring for the Windsor men was Pee Wee Leblanc who rapped in three goals and set the stage for three others. One of Pee Wee's goals came on a penalty shot after David had tripped him as he was sweeping in on Dion. This, incidentally, was the first penalty shot of the season in the Intermediate League.

The other three Windsor markers were shared evenly between Morey, Ernest Leblanc and Guilbeault.

For the Army, Boileau, Brosseau and Tarte were the outstanding players, each scoring two goals. The other Army goal was counted by David.

The Windsor squad scored two goals in the first period and the Army's one, and play was just about even.

But in the second period the Windsor boys ran amok and slammed six goals past Dion while the Army lads were able to add only three to their total. Thus, Windsor was leading 8-4 at the end of the second frame.

Windsor added three more in the last frame while the Army also added another three. In this period the Army seemed to find themselves, and tried desperately to avert a defeat. However, the Windsor lads were too

THREE MATCHES PLAYED IN "Y" BOWLING LOOP

B'nai B'rith, K. of C. and the Board of Directors emerged victors in regular matches of the Y.M.C.A. Five Pin Bowling League. The Y's Men lost their chance to move closer to the league-leading Maple Leafs when they dropped two strings to the Knights of Columbus after winning the first string. High man in this match was Larry Pergau, who won the high string by a high aggregate. Pergau rolled a single of 231 and followed up with a three-string total of 611.

In the second match, the Board of Directors captured two strings from the Philip Carey crew, and dropped the last one. In this match, the high string was carried off by H. O. Terrey with a score of 268, while his team-mate, H. Simm, won the high aggregate with a score of 619.

In the last match of the evening, the B'nai B'rith trundlers won over the newly-entered Sherbrooke Machinery men. S. Echenberg took the honors in both the high single and high three-string total with scores of 238 and 703.

LAMOTTA WINS DECISION OVER FRITZIE ZIVIC

Detroit, Jan. 15.—(AP)—Jake Lamotta of New York punched out another victory last night over former welterweight champion Fritz Zivic of Pittsburgh, taking a 3 to 1 edge in their series. Lamotta, big and younger, finished strong to gain the 10-round decision.

The decision of Referee Sam Hennessey and the judges was unanimous, but there was considerable dissension from the 10,834 fans who paid \$29.274 for Matchmaker Nick London's card at Olympia Stadium. There was no knockdown.

La Motta lost the second and fourth rounds because of low punching, but after the fourth he had almost a clean sweep on official score cards. Zivic seemingly was headed for a knockout defeat in the seventh and eighth but he rallied magnificently in a wild-swinging 10th.

Hennessey gave Zivic only three rounds, including the two he won on fouls, and called another even. Judges Michael (Bud) Butler and Elmer (Slim) McClelland marked flat-footed Fritz with two rounds each.

Canadian Sport Snapshots

By CHARLES EDWARDS, Canadian Press Staff Writer.

By CHARLIE EDWARDS, Canadian Press Staff Writer

Toronto, Jan. 15.—(AP)—Reports are current that the National Hockey League is thinking of breaking off relations with the Canadian Amateur Hockey Association but Red Dutton, N. H. L. Managing Director, favors continuance of present relations.

Chief point of objection by some N.H.L. governors is the agreement to pay \$500 to the C.A.H.A. for each Canadian amateur making good in the major league. The agreement was made originally with the idea that the development would come along in the natural course of things as it always did.

Elmer (Montreal Herald) Ferguson writes: "Those who would scrap the agreement, or scrap-paper it, takes the stand that every Canadian kid wants to play hockey, that the National League is his goal, and that the payments aren't necessary for the development would come along in the natural course of things as it always did."

Dutton takes the stand that \$500 is cheap for a player making good in the big time and therefore worth the big money and therefore worth the big money and therefore worth the big money.

And amateur hockey is just reaching the big money bracket. Already there have been cases where amateurs have refused big league offers because they were making more money as amateurs. A good job paying perhaps \$2,500 a year plus a hockey bonus of \$2,000 is not unusual for an amateur star. That isn't "hay" in the N.H.L. either—and on top of the gravy, the amateur is establishing himself in business.

HARRY ALLEN STILL LEADS SCORING LIST

Harry Allen, speedy Rand centreman, has jumped into undisputed possession of first place in the Eastern Townships Intermediate "A" Hockey League scoring list. Allen picked up three points last Sunday when he scored the winning goal for the Rand team.

Allen has now scored in five goals and has ten assists to his credit. Roger Roy, last week's leader, has dropped back into a second-place tie with fourteen points. Roy also picked up three points last Sunday. Roy has eight goals to his credit and has set up plays for six others.

Normand Dussault, young Rand speed merchant, has climbed six notches since last week. Dussault got an assist last Sunday and added three more Tuesday night as well as getting a goal. The young center is now sharing second place with Roger Roy. His fourteen-point total is made up of four markers and ten assists. He is now tied with Harry Allen for honors in the play-making department.

Emile Letarte, of the Rand, also moved up since last week and is now in a third-place deadlock with Jimmy Planche and Eddy Emberg, of the Flyers. These three men are now holding down the third-place position with 13 points each.

Pete Brosseau, of the Army, moved up to fourth place with 12 points, while the Flyers' Guilbeault and Brosseau each have eleven points.

Bad man of the league is Robert "Bob" Bergeron, of the Rand, who now has six points. Bergeron is the cooler. Running a close second for the dubious honor is "Pop" Leroux, veteran Rand rearguard.

Gravitational pull of the moon upon particles of the earth is three that of the sun.

said Dutton. "Don't you think a fellow like that deserves a little help?"

Reports say the amateur-professional dispute was brought to a head by the case of Johnny Horek, recently discharged from the Army. It appears Horek had been on New York Rangers' negotiation list before he enlisted and, after discharge, Lester Patrick was prepared to offer the player a good contract.

However, Eddie Shore of Buffalo Bisons obtained title rights to Horek in the deal which sent Bob Dill to Rangers. Then Horek crossed them all up by locating at Ottawa and stating he wished to remain there and play for Commandos.

No matter how annoyed, however, the N.H.L. will not sever relations with the C.A.H.A. because it can't get along without co-operating with that body. The C.A.H.A. has international affiliations which will exert some measure of control over transfer of hockey players to Europe when hockey booms there after the war.

If the N.H.L. severed relations it would have to compete in player salaries not only with European rink owners, but with the Canadian amateur clubs which actually are professional in everything but name.

And amateur hockey is just reaching the big money bracket. Already there have been cases where amateurs have refused big league offers because they were making more money as amateurs. A good job paying perhaps \$2,500 a year plus a hockey bonus of \$2,000 is not unusual for an amateur star. That isn't "hay" in the N.H.L. either—and on top of the gravy, the amateur is establishing himself in business.

NATIONAL LOOP CLUBS FACING FULL WEEK-END

A full week-end is ahead for the teams in the National Hockey League with five matches scheduled to be run off. In the Saturday night games, the Toronto Maple Leafs entertain the Detroit Red Wings at the Maple Leaf Gardens while the celebrating New York Rangers visit the Boston Bruins.

Sunday night, all six National League teams swing into action, with the Maple Leafs going to Detroit for a return match and the Bruins travelling to New York for the second week-end match with the Rangers. In the other scheduled games, the league-leading Canadiens play at Chicago against the fifth-place Black Hawks.

In tonight's game at Toronto, the reinforced Red Wings tackle the second-place Maple Leafs. Tonight's game will really test the skill of the players. The Leafs' new goal, Conny Dion, recently acquired after his discharge from the army, is a goal-scoring machine. He is expected to be seen as Dion and Dion oppose each other in the nets. Bibeault, who recorded his second shutout of the year Tuesday night against the Canadiens, will be out to make it his third.

While Dion will be striving to keep up the good work he started Thursday night when his brilliant goal-keeping held the mighty Canadiens to a two-all tie.

In the two games between Boston and Rangers, the Bruins will seek to draw even with the Leafs and the Rangers will be striving to keep up the good work he started Thursday night when his brilliant goal-keeping held the mighty Canadiens to a two-all tie.

There seems to be little doubt as to who is favored to win the Boston-Rangers games this week-end, although the New Yorkers may score twin upsets and surprise the home fans as well as the rest of the National League boosters.

In the Sunday game at Chicago, the Canadiens, whom many believe are now in a slump, will try to regain their reputation of being the hottest team in the league. But their performance Thursday night convinced sportswriters that the high-flying Canucks are slowing down.

Little, As Dink Carroll, of the Montreal Gazette, said, the Canadiens are beginning to look a little "stale," and he should know. The Hawks will be trying to move out of the fifth-place position which they won over the Canucks. The Chicago Blackhawks are slowing down.

Mr. J. Frégeau motored to Farnham one day recently. Eighteen inches of snow fell here on the afternoon and evening of January 6th, and shovellers and snowplows have been busy ever since clearing the walks and roads.

Skiing is in full swing since the snow came and many have been to the ski chalet near Hillsdale Farm. Miss Yvonne Lacroix, of Sherbrooke, and Pte. Ovide Lacroix, of Gaspe, were at home over a week-end with Mr. and Mrs. George Lacroix and family.

AC. M. Shover, of St. Catharines, Ont., and Mrs. Shover, of Farnham, were holiday guests of Mr. and Mrs. Shover and Mr. Stanley Peron.

Miss Mabel MacMillan, who was a patient in the Brome-Missisquoi Perkins Hospital, has been removed to a convalescent home in Farnham much improved in health.

SUSPENSION OF WATSON LIFTED BY RED DUTTON

Montreal, Jan. 15.—(AP)—Managing Director Mervin (Red) Dutton of the National Hockey League announced last night that suspension of Canadiens' centre Phil Watson "had been lifted after all circumstances had been taken into consideration."

Watson had been suspended after "having allegedly struck linesman Jim Primeau" during a melee at Toronto.

Mr. Dutton added in his statement that "all clubs and players are warned that in future similar incidents will be very severely dealt with."

CITY FATHERS MAKE DEBUT AS CURLERS

Bedecked with Scottish Tams and Displaying Keen Enthusiasm, Aldermen Indulge in Roaring Game.

Doning Scottish kilts, which are part and parcel of curling, five members of the Sherbrooke City Council made their appearance on the ice of the Sherbrooke Curling Club last evening and entered wholeheartedly into the roaring game.

It was indeed a roaring game so far as the game went. Four ends were all that the municipal stalwarts could stand. After that the curlers even their brooms failed to hold them up and they retired from the ice to enjoy the more comfortable atmosphere of the Club's reception room, where refreshments were served and verbal curling indulged in.

City Clerk Tony Deslauriers and Aldermen O. Deziel, J. A. Robert, Armand Fiset and Alphonse Trudeau tripped onto the ice, broom in hand, and immediately began to handle the stones. Their enthusiasm ran high; their voices resounded throughout the rink; their brooms went into action as they forgot all about taxation, sinking fund, increased revenue or any of the many other angles of municipal administration. Even the city water question was forgotten for the moment.

Keen rivalry existed from the very start of the game and Skips Bruce Miller and Hubert Johnston had a difficult time keeping the enthusiastic curlers from over-sweeping their stones. There was even an argument or two when one curler would put his stone in the "house" only to have his opponent bang it out. Deciding the counting stones at the end of each end also required considerable figuring and measuring as each enthusiast swore that his stones were the counting ones. But it all ended to the satisfaction of all.

Alderman E. Gervais, Chairman of the Finance Committee, accompanied the group, but he played his curling from behind the window and did not venture on the ice. He kept a close watch, however, on his conferees.

This was the first visit members of the Council have made to the Curling Club, but it is a safe bet that they will be back again. They appeared to enjoy every minute of their time and the Club members were pleased to be able to help them.

Paper Makers Seeking To Cut Circo's Four-Game Win Streak

Only one game is scheduled to be played in the Eastern Townships Intermediate "A" Hockey League this Sunday with the Windsor Mills Paper Makers invading Sherbrooke for a tussle with the league-leading Rand squad.

Gerry Wiggett, President of the League, announced today that this would be a league game and would count in the official league standing.

Fans can be assured of seeing a good match tomorrow afternoon, for a hard fight is expected to be put up by these two teams. The Rand, who are now leading all teams in the circuit by at least seven points, will have a hard time to dispose of the fast-skating Windsor Mills Paper Makers. The Grantmen looked like a new team last night as they trimmed the Army squad 11-7 at Windsor in an exhibition game. Should this be a new style of play that the Windsor Mills team is going to adopt, the Rand had better keep a sharp eye on their seven-point lead, or it might dwindle very fast.

The Windsor men are reinforced on the defence by the arrival of Vitkuske, long-awaited in the Windsor camp. Vitkuske, weighing two hundred and fifty-eight pounds, is quite a help to the Windsor rear-guard, especially since there are no indications that "T-Bone" Lacroix will be back soon. It is thought that Lacroix may not be back in action before the play-offs, so the Windsor team has need of a good man like Vitkuske.

"Pop" Leroux's men, four of whom are in the first four positions in the league scoring race, will be out to stretch their lead tomorrow to nine points. In spite of the fact that the Windsor crew seem to be playing hang-up hockey, Leroux is confident that his charges can take the Paper Makers for a ride. "Pop" seems to have good grounds for his cock-sureness, for so far this season the Rand players have shown that they will be a team to reckon with when the play-offs roll around.

So, both teams go into the game tomorrow with an even chance of winning the game, and it will be anybody's game from start to finish.

CANADIENS AND SEMINARY TEAM PLAY TOMORROW

The Canadiens and St. Charles squads clash tomorrow afternoon in the only junior game scheduled in the Sherbrooke Junior "B" Hockey League. The match will be played at the St. Charles Seminary rink and is slated to start at 2:30 o'clock.

This game is expected to be very closely contested as the two teams are of quite equal strength. To date this season, the two squads have opposed each other twice, and each team has walked off with a win. Under their belt. At the present time, the St. Charles crew is at the top of the league standing with six points. The Seminary lads have played four games, winning three and losing one. However, the Canucks are only two points behind and have a game in hand over the St. Charles squad. A win tomorrow for the Seminary will pull them up into a first-place tie with the St. Charles crew.

NELSON AHEAD IN FIRST ROUND OF TOURNAMENT

San Francisco, Jan. 15.—(AP)—Racking an eagle three and playing faultless golf except for one hole, Byron Nelson of Toledo, Ohio, shot a four-under-par 35-38—68 today to lead the field at the end of the first round of the 72-hole \$10,000 San Francisco Victory Open tournament.

Nelson, former National Open and Professional Golfers' Association champion, was one of very few entries who took the long Harding Park public course to pieces during the opening round of the battle for bonds.

Others included Lloyd Mangrum, Monterey Park, Calif., who posted a 33-35—68, a score equalled by local favorite, Art Bell, who tackled together nines of 36-33.
