HUNGARIAN REBELS VICTORIOUS

Ike Gets Medical Approval

WASHINGTON — President Eisenhower, the recipient of a clean bill of health from his doctors and a tongue-lashing from his Democratic opponent during the week-end, heads south today in a bid to recapture Florida, one of the Southern states he won in his 1952 campaign.

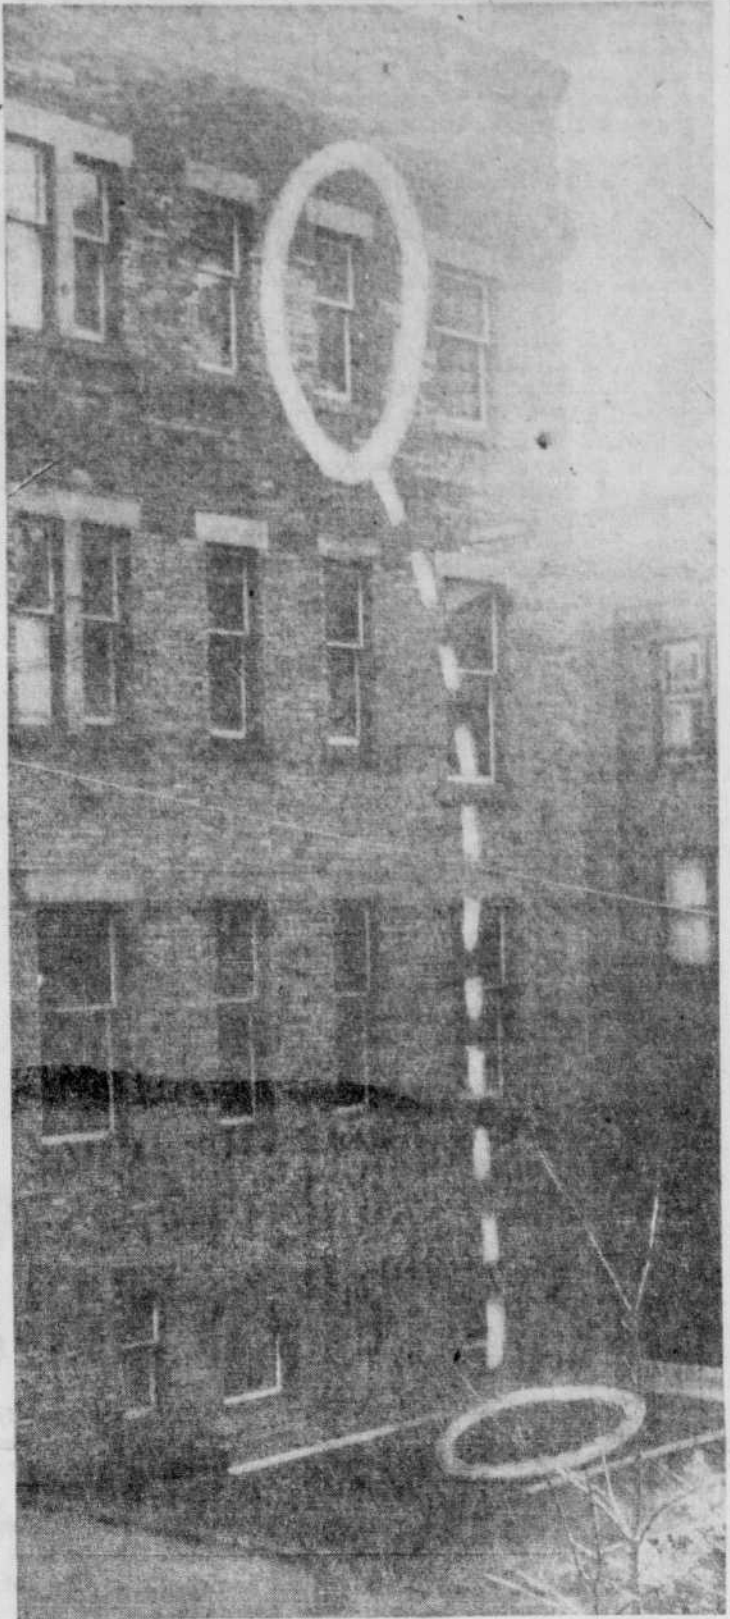

While the president scheduled speeches at Miami and Jacksonville with a stopover in Richmond, Va., on his way back, Adlai Stevenson returned from a swing through California to make his bid for Massachusetts, where Eisenhower beat him by 100,000 votes four years ago.

The consensus of most political observers shows the president leading in both Florida and Massachusetts by a narrow margin as the campaign enters its final week.

Eisenhower, reassured by the report of his doctors that he is "in excellent health" after a week-end physical examination, apparently had been confident that the news would be good. Before the checkup, he had mapped out this week's schedule, calling for visits to six states within four days.

Stevenson, meanwhile, was sharpening his attack. In Los Angeles Saturday night he presented a bill of particulars to support the Democrats' accusation that Eisenhower has been a "part-time president."

He gave a long list of occasions when he said the president had been vacationing on a golf course or elsewhere at times when Stevenson felt he should have been available for consultation on important world developments.

Russian Troops Withdraw, Nagy Bows To Demands

VIENNA — (P) — Sporadic fighting again raked Budapest early today despite Premier Imre Nagy's promise to pull Russian troops out of the bloodstained city and to meet other demands of rebellious Hungarians.

Budapest Radio reported shortly after 10 a.m. that there had been shooting in the capital during the night and that "there still are elements who want to disturb the peace."

The broadcast added that "armed workers' units" searching houses for arms were met with gunfire.

The rebels claimed complete control over a strip of Western Hungary 100 miles long and 50 miles wide, only 19 miles west of Budapest at its northern limit. Rebel banners were reported flying all over Western Hungary and in cities throughout the land.

Budapest Radio announced that Soviet troops had begun pulling out of the battle-scarred capital as Nagy promised. But Russian tanks and big guns still were reported camped in the heart of the city.

The rebel radio at Győr, in northwest Hungary, reported that it had received information from northeast Hungary that a withdrawal of Russian troops in the border area there took place during the night. There was no confirmation of the report from any other source.

There still was no clear answer from rebel leaders to the extensive concessions promised by Nagy's Communist-dominated "Popular Front" government.

These included a promise to open immediate negotiations with Moscow for the withdrawal of all Soviet troops from Hungary. But they did not include any suggestion that Communist-run Hungary would permit free elections or the establishment of a representative government.

The government radio announced that a committee from rebel headquarters in Győr had arrived in Budapest, presumably to discuss the situation with government representatives.

The broadcast said the rebel committee was appealing to the workers in Győr to re-establish calm and order and resume work.

The Budapest station also reported that the food situation in the capital had been secured. But despite promise to reopen communications with the outside world, there still was no telephone connection with Budapest.

With Budapest ravaged after nearly a week of bloody fighting, thousands were reported dead or wounded all over the country. In an earlier broadcast Premier Imre Nagy virtually begged the rebels to lay down their arms, saying that the Russians had agreed to pull their troops out of Budapest. He promised he would negotiate for withdrawal of Soviet forces from the rest of the country and he also agreed to disband Hungary's secret police.

Associated Press correspondent Andre Marton, in a dispatch brought from Budapest to Vienna by a traveller, reported that Nagy was locked in a critical struggle to get the Communist party central committee to back his promises and was ready to quit if they didn't.

Western delegates considered this especially significant, since news dispatches were quoted in the meeting indicating that Premier Imre Nagy's version of the rebellion did not jibe with that of the Soviet Union delegate Arkady A. Sobolev.

There were reports today that Hungary might send a special representative here, possibly the foreign minister, to state the Budapest government's position.

The council met at the request of the U.S., Britain and France to consider "the situation created by the action of foreign military forces in Hungary in violently repressing the rights of the Hungarian people."

Sobolev tried to get the issue thrown out, but nine of the 11 council members overrode his objections. Yugoslavia abstained on this, and on a Soviet effort to postpone the debate. Yugoslavia also sat out the debate without taking sides.

Russian Intervention Draws Wide Protest

UNITED NATIONS, N.Y. — (P) — Western delegates expressed satisfaction today over the world support they received both inside and outside the United Nations Security Council for their effort to end the bloodshed in Hungary.

Messages poured in from governments all over the world backing up the West's demands that Russia halt her military intervention. Some Western diplomats feel that this public pressure, plus the reported demands of the Hungarian government, might produce results.

The council recessed its discussions temporarily after 5½ hours of debate in an extraordinary Sunday session. Private talks were scheduled today to determine what the next step will be.

In the council debate, the Soviet Union failed to rally a single country to support her claim that the United States had started all the trouble in Hungary and that Soviet troops were only helping the Hungarian government restore order.

Hungarian delegates Peter Kos, in a letter to Secretary-General Dag Hammarskjöld, had contended earlier that the events in Hungary "and the measures taken in the course of these events" were a domestic matter outside the jurisdiction of the U.N. But at the council meeting Kos said he would say nothing until he received instructions from Budapest.

Saar Goes Back To Germany

LUXEMBOURG (P) — France and West Germany signed a treaty here Saturday restoring the rich Saar Valley to German control.

The signers were Foreign Ministers Christian Pineau of France and Heinrich von Brentano of West Germany. They also endorsed a score of related agreements and said "The last problems standing between the two countries" have been settled.

Under the treaty, which must be ratified by the parliaments of both nations, the Saarland will revert to German political control next Jan. 1 and will come completely under German sovereignty, as West Germany's 10th state, on Dec. 31, 1959.

In the intervening three years of transition, France will keep certain financial and economic rights in the territory.

The region covers only 991 square miles but it is one of Europe's most thickly populated and highly industrialized localities, crowded between German, Luxembourg and France.

Landmark Gone — Quebec's largest elm tree, near Frost Village, has been cut down. The tree, known as "The Big Elm" to residents of that district, died this summer. Some of the vital measurements were: circumference, 17 feet, 11 inches; height, 105 feet; height to first limb, 28 feet, six inches.

Poland's New Regime Releases Primate After Three Years

WARSAW — (P) — Poland's revamped Communist regime has released the Roman Catholic primate, Stefan Cardinal Wyszyński, from house arrest in a new move to unite the country.

A government communique Sunday night said the 55-year-old church leader has returned to Warsaw and resumed his church functions. But sources close to the government indicated that he has not yet taken up his duties as head of the church of Poland.

The cardinal was confined to a country monastery in September, 1953, after he led a vigorous campaign against Communist infringement on religious freedom. The government of then-premier Boleslaw Bierut, a leading Stalinist who died last March, accused the churchman of constantly breaking a 1950 agreement between the Red Polish government and the Roman Catholic church.

The cardinal never was put on trial.

Cardinal Wyszyński's release leaves two Catholic primates still under confinement in Communist countries. They are Josef Cardinal Mindszenty of Hungary, serving a life sentence since 1949 after being convicted of treason against the Communist government, and Alojzije Cardinal Stepinac of Yugoslavia, "conditionally" released in 1951 from a 16-year sentence for alleged collaboration with the Nazis but confined to his little home town of Krasic.

The Polish government said Cardinal Wyszyński, before his return to Warsaw, conferred with the new justice minister, Zenon Kliszko. As a result of their talk, the communique added, a commission of government and church representatives soon will discuss outstanding issues between the church and state.

Now that the cardinal has won his freedom, the principal issue to be discussed is the church's demand for freedom of religious education. This is banned in Polish schools, and may be given only in churches.

The freeing of Cardinal Wyszyński is certain to arouse fervent enthusiasm from a wide section of the Polish population, about 90 per cent of which is Roman Catholic. The clemency was another move by Wladyslaw Gomulka, the anti-Stalinist restored to power last week as chief of the Polish Communist party, to unite the country for the all-out assault the government must make to ease Poland's economic difficulties.

Meanwhile, indications mounted today that Marshal Konstantin Rokossovsky, Poland's Stalin-installed defence minister, is no longer in direct control of his ministry or of the Polish Army. An informed source said Rokossovsky, one of the Soviet Union's outstanding wartime commanders, is officially "on leave."

Rokossovsky's removal from the Polish scene has been widely anticipated since he was ousted from the Communist party politburo last week in the wake of "independence from Moscow" which brought Gomulka back to office.

Jesse Woods was missing from his jail cell when Police Chief Ed Mullis returned from chasing two speeding cars. There were blood spots on the floor and a bunk was overturned to turn up any clues on the disappearance.

State Governor Leroy Collins asked the Florida sheriff's bureau for a full report, and the FBI said it is looking into the case to determine if it has jurisdiction.

Adjutant-General Mark Lance was asked by Collins to offer National Guard assistance if needed. State highway patrolmen and a few deputies remained on duty all day and night.

Since daylight Sunday, however, all has been quiet in this little central Florida town 75 miles north of Tampa. William A. Fordham, president of the National Association for the Advancement of Colored People, said at Tampa: "From what I've heard it looks like a lynching. It was, we definitely will make an investigation."

Woods was arrested Saturday afternoon at a grocery store, charged with disorderly conduct and drunkenness. Mullis said he had "insulted a white woman."

David Hutto, a clerk at the store, quoted Woods as saying "hello there, baby" to Miss Mary Evelyn Hill, an attractive school teacher. She was not available for comment.

The crowd surrounded the police and charged them several times. Several persons were reported clubbed unconscious, but no one was killed.

CHICAGO — (P) — Jack Dempsey, heavyweight boxing champion of the world from 1919-26, entered St. Luke's Hospital late Saturday for a rest after getting the worst in a bout with fatigue. Dempsey, 61, was ordered by Dr. Joseph A. Davis to take "a complete rest" for a few days.

VATICAN CITY — (Reuters) — Pope Pius XII Saturday night issued an apostolic letter to the Roman Catholic bishops of the world asking them to organize prayers for Poland and Hungary.

EUREKA, Calif. — (P) — Etta Lee Brown, 50-year-old former screen actress, died at her home Saturday. She had played opposite Rudolph Valentino and Douglas Fairbanks Sr. before retiring in 1932.

MELBOURNE — (Reuters) — Two flag-raising mistakes today marred the official opening ceremony at Olympic village, home of athletes for next month's games.

The Chinese Communist flag was raised instead of the Chinese Nationalist flag, and the Hungarian flag was raised upside down.

The village, about eight miles from the centre of Melbourne, was officially declared open by W. S. Kent Hughes, chairman of the Olympic organizing committee.

Safety Belt Broke — Roy Trussler, 59, of 984 Bowen St. south, a janitor of the Quebec Central Bldg. on Wellington St. north, Saturday fell from the fourth storey window, circled above, to the roof of an extension of the Royal Bank of Canada. His safety belt broke while he was cleaning the window. He was taken to the Sherbrooke Hospital suffering from a broken right leg and arm and possible internal injuries. His condition is reported as fair. (Record photo by Gerry Lemay)

Anti-French Violence Infects Arab World

PARIS — (P) — Anti-French demonstrations have spread across the Arab world in sympathy with Algerian rebels trying to wrest independence from French rule.

One man was killed and more than 60 injured in Sunday riots and other violence against the French outside Algeria. A 24-hour general strike to protest recent French actions in Algeria halted work in much of the Arab world.

At the same time, the war persisted within Algeria. Weekend deaths totalled some 95, including 23 French soldiers and eight civilians caught in a carefully laid rebel ambush south of Algiers.

The anti-French violence elsewhere apparently was the result of a call by the Arab League for the 24-hour general strike on behalf of five Algerian nationalist leaders captured by a French ruse a week ago.

Arab mobs burned the French consulate in the Old City of Jerusalem, smashed windows of the French Embassy in Amman, Jordan, and made fire raids on five French-owned buildings in the Syrian city of Aleppo.

Sixteen Arab civilians, two consulate clerks and several policemen were reported wounded in the attack on the Jerusalem consulate. The consular staff took refuge on the roof and was rescued by Jordanian troops.

In Aleppo, a town of 350,000 in Syria, a mob ran wild for three hours, setting fire to four French mission schools and the French information centre. Police shot into the crowd, killing one rioter and wounding 29.

The Syrian government declared a state of emergency and said "some destructive elements" would be court-martialled. It said the Aleppo demonstrations expressed "national feelings in support of Algeria's struggle" but that the destructive elements "used this national day to carry out acts of sabotage and disorder."

The general strike was in protest against the arrest last Monday of the five Algerian nationalist leaders.

Soccer Star Reported Killed In Budapest

VIENNA — (Reuters) — Two insurgents reported at the Austrian frontier Sunday that Hungarian soccer star Ferenc Puskas, one of Europe's most famous players, was shot to death during the fighting in Budapest last Friday.

The two Hungarians, both seriously wounded in the same battle with Russian troops, said Puskas, a major in the Hungarian Army, joined the rebels with his unit and was killed in a counter-attack.

Hungarian Situation Briefs

WASHINGTON — (P) — State Secretary Dulles Sunday described as "tommyrot" Soviet charges that the United States was responsible for the uprising in Hungary. He told reporters he did not know how "tommyrot" would translate into Russian but "I think they'll get the point all right."

NICKELSDORF, Austria — (P) — Hungarian soldiers told Austrians at this border village Saturday night that Russian soldiers in Hungary had traded guns for bread. The Hungarians said a Soviet garrison near Győr, unable to get food from rebelling farmers, agreed to a guns-for-food swap proposed by the rebels.

BUENOS AIRES — (P) — About 500 angry anti-Communist Argentine-Hungarians attacked the Soviet Embassy here Saturday night. Shouting "assassins," the crowd smashed embassy windows and doors and tried to set the Soviet ambassador's car on fire. Fifty Argentine riot police dispersed the crowd.

MOSCOW — (Reuters) — Jamming stations went into operation today to block BBC Russian-language programs containing news of the rebellion in Hungary. It was the first time the Soviets have resorted to such heavy jamming since the visit of Russian Premier Bulganin and Communist party secretary Khrushchev to Britain last April.

LONDON — (Reuters) — Traffic was halted in Whitehall Sunday afternoon when about 300 Hungarians marched to the cenotaph—the memorial to Britain's war dead—and laid flowers. At their head walked a girl in national costume bearing a placard reading "Please help Hungary."

WASHINGTON — (P) — U.S. consul Spencer Barnes at Budapest reported to the state department Sunday that he is considering sending all American legation personnel and dependents except for a few top officers out of Hungary.

LONDON — (P) — British and American churches Sunday

gave \$5,000 to help Hungarian refugees seeking asylum in Austria. Janet Lacey, director of the inter-church aid department of the British Council of Churches, said refugees from the rebellion would be dependent largely upon churches for relief and resettlement.

WASHINGTON — (P) — About 500 persons picketed the White House Sunday with placards denouncing Russian influence over Hungary. Police prevented the well-dressed and well-behaved throng from picketing the Russian Embassy, a few blocks away.

TORONTO — (CP) — The Canadian Hungarian Federation and the Canadian Red Cross Society Sunday announced steps to provide relief in revolt-torn Hungary.

G. G. Temesvary of Toronto, president of the Hungarian Federation, said after a meeting with the Red Cross that substantial relief had already been provided to Hungary from Canadian Red Cross medical and welfare supplies available in Geneva.

11 Injured In Week-End Accidents

The accident toll in the Eastern Townships as at least 11 people were injured, nine in traffic mishaps, in the Sherbrooke district over the weekend.

Most seriously hurt was Roy Trussler, 59, of 984 Bowen St. south, janitor of the Quebec Central Building, on Wellington St. north, who fell from the fourth storey when his safety belt snapped while he was cleaning a window.

Mr. Trussler was taken to the Sherbrooke Hospital with a broken right leg and arm and possible internal injuries. His condition was reported fair this morning.

Yvan Robitaille, 39, of Lincoln St., was taken to the Hotel Dieu Hospital Saturday suffering from serious injuries to the face received when the car he was in collided with another car near Deauville and turned over in a ditch.

Robitaille, his wife and his seven-year-old daughter, Diane, were passengers in a car driven by Leopold Dussault, 43, of 67 Alexander St. when the machine collided with a car driven by Leslie C. Hudd, 60, of Wilson St. swerved into a ditch and turned over.

Robitaille was the only one injured.

Near Richmond, Saturday afternoon, Mrs. Leo Labranche, of Asbestos, and her four-year-old son Serge received slight injuries when the Laramie bus they were in collided with a car. They were brought to Hotel Dieu Hospital in Sherbrooke.

Jean-Marie Grenier, 35, of Sherbrooke, escaped with fractured ribs when the truck he was driving left the road near East Angus and rolled down a 500-foot embankment. Grenier was alone in the truck at the time of the accident.

Louis Riendeau, 18, of Bromptonville, was taken to Hotel Dieu with cuts to the scalp which he suffered when his car collided with a machine driven by Claude Ponton, 17, also of Bromptonville. Local Regiment Sergeants Held Annual Mess Dinner

"Tradition is the backbone of a regiment," Lt. Col. E. P. Hall, CD, officer commanding the Sherbrooke Regiment, 12th Armored, told the annual sergeants' dinner held at the armory Saturday evening. Col. Hall said that a regiment with tradition is usually a progressive unit, and continued that the Sherbrooke Regiment had a traditional background that they could all be very proud of.

Col. Hall traced the development of militia training in Sherbrooke and noted that the first group of soldiers here was formed in 1803 by Sir John Johnston. In 1805 this group received its first call to duty when it served in Missisquoi. In 1836 Major Beckett and a company of volunteers stood ready to fight in the Papineau Rebellion. In 1838 a company, under Capt. Ibbotson took part in the Trent Affair. These early troubles raised the question of organizing a regular unit to be made up of members from the local volunteer group.

In 1859, the Fenians began their raids in this district, and the local unit encountered them at Sawyerville. Following these raids, the importance of a militia unit was very evident, and the appeal for such a force was made to Sir Alexander Galt. This regiment came into being March 22, 1867.

Col. Hall traced the development of the Sherbrooke Regiment from 1867, when Lt. Col. G. F. Bowen, sheriff for the district of St. Francis, became the first officer commanding of this unit. Col. Hall also gave credit to Lt. Col. E. B. Worthington for his efforts in building and helping keep the regiment alive.

WO-1 John Gardner proposed a toast to the unit, which was responded to by WO-1 S. Barnes. Mr. Barnes mentioned that the Sherbrooke Regiment was originally cavalry, later converting to infantry, then to machine guns, back to infantry, and finally to an armored unit. Mr. Barnes also related historical facts concerning the unit.

Sgt. John Goodson proposed the toast to the Queen, and R.Q. Donat Cote asked for a toast to fallen comrades.

Edward Anderson, president of the Sergeants' Mess Life Membership Association also spoke, and introduced two members of his association, Charles Dunsmore and Tom Loughheed, two of the oldest members of the regiment.

WO-2 George Povey, president of the Sergeants' Mess, presided at the banquet, and extended a warm welcome to all those present.

Seated at the head table were Lt. Col. Hall, WO-2 George Povey, WO-1 John Gardner, WO-1 S. Barnes, WO-2 Earl Hallett, past president of the Sergeants' Mess, WO-2 Matthews, representing the 7-11 Hussars' Sergeants' Mess, WO-1 J. O. Lewis, WO-1 H. Smart, representing the 8th Medical Group, WO-2 Donat Cote, Edward Anderson, Sgt. Letourneau, representing the Sherbrooke Radar Sqdn., and Sgt. Murray Price.

Following the banquet, there was a dance, with music being supplied by Irvin Richard's Orchestra.

C., on behalf of the guests, presented them with a pair of silver candelabra and read several letters and telegrams of congratulations. He also referred to the presence of Colonel Lyon's mother, Mrs. E. N. Lyon, and of Colonel and Mrs. Lyon's grandson, David, making four generations present.

The Worm Turns

What a wonderful feeling it is for the ordinary Western man to see Russia squirming for a change.

Yesterday, the West was in a corner. We were the villains. If we fought, the crowd jeered us as a bully. If we ran away, they jeered us as a coward. Whatever we did in the Suez bout, we were wrong from the beginning.

Now it is Russia's turn. If Russia stamps on Poland, she brands herself an aggressor to the outside world. If she lets Poland go, she proclaims her weakness.

If she crushes the revolt of Hungary, she declares to the world that Hungary is a province of Russia. If she lets the Magyars have their way, she invites other slaves to rebel.

So here we are at last, watching over the ropes and cheering.

Whichever happens, we win.

Neutral millions are observing the

contest from the cheap seats. They always cheer for the underdog. And now the underdog, with plain justice on his side, is making a gallant fight.

As much as we would like to pelt the bad man with bottles and tomatoes, we dare not. It would begin a riot.

But we can cheer. And such a loud cheer may burst from the millions of little people all over the world that the bully will retire to his corner, stunned and bewildered.

At any rate, this is the decisive round of the fight. The other side won China. Germany was a draw. Korea was a draw. This is our round, and the other side is bleeding severely.

There is really no referee to stop the fight. But maybe it will stop of its own accord by mutual agreement, and begin again under new rules.

A Propaganda Dud

There is, of course, nothing new in Soviet Premier Bulganin's latest proposal to President Eisenhower — transmitted by letter — that H-bomb tests be suspended.

What is different is its timing, and the fact that Bulganin chose to disclose it to the world via Moscow radio before the President had a chance to read it.

Since this procedure violated all normal and reasonable rules of diplomatic exchange, it is clear that propaganda, not progress in banning nuclear weapons, was Bulganin's main purpose.

We are accustomed to the Russians breaking over the traces for propaganda advantage. But this is the first time they have done it in such a

way as to interfere in an American election.

In the light of the debate currently flaring between the President and Adlai Stevenson on the H-bomb, Bulganin could hardly have been unmindful of the effect his proposal would have.

Both for this reason and because Bulganin delivered a patent insult by not waiting until the President had read his letter before releasing its contents, Mr. Eisenhower reacted with understandable irritation.

Stevenson says he is concerned that the President did not give the Soviet proposal "sober consideration." But reports from his headquarters indicate he agrees that the plan offers nothing new.

Student Action Contrary To Democracy

(Quebec Chronicle)

Earlier this week, a group of students staged a demonstration around the Legislative Building, demanding an audience with Premier Duplessis. In the morning, the demonstration was orderly, and shortly after noon, Ildbert Huard, president of the Laval Students' Society asked the members to disperse. Up to that point, no one could complain. After that, things became somewhat disgraceful.

Police officers sent to stand guard around the Legislature were pelted with tomatoes, eggs and oranges. It is impossible to justify this action in our democratic way of life. And when it became apparent that the crowd would not be given entrance to the building, it moved off to other parts of the city, where it created traffic jams, and caused some

damage to windows along the way. Again, we can find no excuse for such action.

It will always be a question, of course, whether the trouble was not caused by others who infiltrated the crowd in the course of the day. Certainly it has happened before, and the students have had to take the blame for actions other than their own.

Obviously, though, the students could be classified as accessories before the fact. There are other means to present their case rather than a popular demonstration of this sort. If proper arrangements had been made in advance, it would have been possible to arrange an interview at a mutually agreeable time. Unfortunately, the students did not seek to follow the normal channels. And in that

they ignored the ways of democracy, they must accept a large share of the responsibility for the turmoil that raged through the city.

The Provincial Police officers, sent to guard the building, are to be commended for their restraint. We have never been called upon to serve as a target for vegetables of dubious quality, but we doubt if we would have exhibited the patience shown by the constabulary. On the surface, such actions may appear harmless. But the underlying danger is a disregard for law and the principles of democracy.

Student council presidents of the major universities in the province have adopted a motion calling for "positive and concrete" action on the part of the provincial government toward financial aid to universities. It would be well if they were to remind their members that there was nothing, neither positive nor concrete, in the action of the students here the other day.

Let the students prepare their brief and present it in a more orthodox manner. We have no doubts that they will

MAY BE WINTRY

(Stratford Beacon Herald) Despite the fact that farmers' almanacs are already in print, telling in advance what the weather is going to be like on every day in 1957, a lot of amateur weather prophets are busy trying to figure out what kind of winter we are going to have. The confusing part of it all is that no two of them seem to agree.

One housewife, who has been quietly stocking up on canned goods for use if the family is snowed in for an indefinite period, explained to her husband that squirrels are gathering a larger quantity of nuts than usual, and that wild geese are flying South much earlier than is customary. But hubby was unexcited. He said squirrels are always gathering nuts, and he suspected that what she mistook for geese flying South was the honking of automobile horns on the highway. He may have to eat his words—that is unless his devoted wife lets him share in the extra rations she has prudently been laying in.

TELL-TALE FACE AIDED CONTRACT

An opponent's facial expression gave declarer the clue to the winning line of play in today's hand. The occasion was the match between the French and Belgian ladies in the recent European team championship, and a member of the Belgian team was playing the hand at six spades.

West led the four of hearts, and declarer played the ace from the dummy. She drew three rounds of trumps, ending in her hand, and then led a club to dummy's queen, forcing out the ace.

At this stage West looked so stricken that it was obvious that she regretted her failure to open a club instead of a low heart. South noticed this woe-begone expression and immediately decided to play West for a singleton club.

Declarer ruffed the heart return, led the nine of diamonds in order to finesse dummy's jack, and returned a club from dummy. East played low, and South followed her conviction by finessing the seven!

When this maneuver succeeded, declarer led the king of diamonds to dummy's ace and took a second club finesse to assure the slam contract.

West was scolded, justly enough, for betraying too much in-

itor has been asking his readers for their predictions as to what the coming Winter is going to be like. One observant boy replied: "My rabbits are having lots of babies, and the babies have more hair than usual. That indicates we'll have a cold Winter." Another youth opined: "We've had a cool Summer, so I think we'll have a warm Winter."

Another of those questions was a bit more cautious. "I can't tell just yet," he said. "But I'm watching the muskrats build their houses; if they're real big, it will be a cold Winter." To all of which a conformed pessimist adds this cynical clincher: "It won't be worse than any other Winter; they're all cold. There is no escape."

So there you have it. You pay your money and you take your choice. About the only advice we can offer it: "Wait and see."

Canadian Seaman Charged

LONDON (Reuters)—Richard Rhodes Henley, a 26-year-old leading seaman in the Canadian Navy, will appear in court today charged with the murder in the shooting of a Soho book seller.

Henley is attached to the destroyer Iroquois, now berthed at Southampton.

An officer aboard the Iroquois said Sunday night the only address he knew for Henley was Halifax, where his wife is living. The officer said he did not have any home town identification because Henley's papers were not available.

Henley was charged Saturday night with the murder of 36-year-old John Alan Robinson, a well-known figure in Soho, London's cosmopolitan quarter.

Sawyerville Pair Mark 70th Anniversary

70 Years Married—Mr. and Mrs. Robert Statton celebrated their 70th wedding anniversary Saturday at the home of their daughter, Mrs. Leon Desruisseaux, in Sawyerville. Four of the six children on hand for the celebration, are shown above. From left are James, of Lennoxville, Mr. Statton, Walter, of Randboro, Mrs. Statton, the former Harriet Mary Letty, of Sawyerville, Mrs. Alice Martin, Rock Island, and Mrs. Minnie Desruisseaux.

By BETTY BRADSHAW
SAWYERVILLE (Special)—A special anniversary celebration was held here Saturday for Mr. and Mrs. Robert Statton, who were married 70 years ago that date in a small church in Moe's River.

Mr. Statton, who had his 91st birthday last June, and his 86-year-old wife, the former Harriet Mary Letty have spent their entire lives in and around Sawyerville. Now retired, Mr. Statton was a farmer until ten years ago when he and his wife came to live with their daughter, Mrs. Leon Desruisseaux, where the party was held.

While Mrs. Statton suffers from heart trouble and has been confined to a wheel chair for some time, Mr. Statton is in remarkably good health for his age, and suffers only from slight deafness.

The Stattons have 54 direct descendants, most of whom live in the Eastern Townships. A five-generation family, there are six children, 23 grandchildren, 22 great grandchildren and three great-great-grandchildren.

Several members of the family were on hand for the celebration and included all of the six children, who are James of Lennoxville, Walter of Randboro, Harold of Danville, Reginald of Sher-

brooke, Mrs. Alice Martin of Rock Island, herself a great-grandmother and Minnie, Mrs. Desruisseaux, of Sawyerville.

Unfortunately, the fifth generation of Stattons were unable to make the party. They are Susan, Lois and John Dibble, children of Phyllis Martin and her husband, Spencer Dibble, who is a missionary in Africa.

During Saturday's "at home" Mr. and Mrs. Statton received in the flower bedecked living room, in the middle of which was a three-tiered anniversary cake, decorated with a large 70 and ice cream.

GLEN LLOYD—

Mr. John H. Smith of Cardinal, Ont., spent the weekend with Mr. and Mrs. Alger White. Mr. and Mrs. Francis Campbell and Mr. and Mrs. George Robinson and two sons, Duncan and Stuart, of Montreal, Mr. Keith Campbell, of Inverness Village, and Mr. and Mrs. Willie Porter and two children, Eric and Grace, of Theford Mines, were also guests at the same home during the weekend.

Mr. L. Rothney of Danville, spent the weekend with Mr. and Mrs. Roland White and family.

Mr. and Mrs. Clifford George and son, Goldwyn, of Asbestos, spent the weekend with Mr. and Mrs. Fred George and other friends here. Mr. and Mrs. Fred George recently spent a few days in Sherbrooke with friends.

Mrs. R. Jamieson and daughter Cathy, were guests for a few days of Mr. and Mrs. L. Rothney at Danville.

Mr. Roland White accompanied Mr. John Smith back to Cardinal, Ont., on Monday.

Mr. T. D. Small has finished his contract of building the road on the 11th range at Inverness. Friends here of Mr. Real Robinson, of Montreal, formerly of Inverness, and of Mrs. Harry Thompson, who have both been in the Royal Victoria Hospital in Montreal, for surgery, are pleased to hear they are both improving.

by Mrs. Lyle Rand.
Scores of people visited the Stattons during the day, extending their best wishes for the anniversary. Many gifts were presented to the couple and a special congratulatory letter was read from Rt. Hon. Louis St. Laurent, Prime Minister of Canada.

Big Increase In Canadian Air Traffic

QUEBEC—Canadian air-line traffic shows signs of a one-quarter increase this year, an annual meeting of aviation executives was told here today.

E. H. Moncrieff of Winnipeg, president of the Air Industries Land Transport Association made the estimate while at the same time stressing the importance of government policy in maintaining a stable aviation industry.

His presidential report was prepared for delivery during the opening day of AIA's annual conference, bringing together delegates from all parts of Canada.

"... the estimated totals for the first six months show that tonnages carried by the operators are up by 25 per cent over the same period last year and the number of passengers carried is up 33 per cent.

"Preliminary figures for 1955 showed the air carriers completing the year with an operating income of \$6,162,483 as compared with \$1,876,920 in 1954. It is interesting to note that bulk transportation services nearly tripled, largely as a result of the DEW and Mid-Canada radar lines aircraft activity, rising to \$41,540,700 from \$15,149,500 for the previous year. Revenue freight lifted during 1955 was more than double the previous year's figure.

The first settlers at Moose Jaw, Sask., arrived in the spring of 1882.

William Macready chalks up two benefits from progress

High school teacher William Macready speaks with authority about progress in the vitally important field of education. "Today's improved schools," says Mr. Macready, "are the result of years of planning, research and experiment. Modern buildings and equipment make for more effective instruction. New teaching methods help students develop new skills and extra-curricular interests. Today, the teacher's task is more gratifying than ever."

In another field, men like William Macready also benefit from progress in a way vitally important to their families... life insurance. Family men are making greater use of its services than ever before. In proportion to the national income, Canadians own more life insurance than any other people in the world.

Today, life insurance representatives are better trained to help you. Group insurance has brought new security to millions. And many restrictions on obtaining life insurance have been removed.

In these and other ways, the life insurance companies keep pace with the march of progress.

W. M. S. Thankoffering Meeting Held In Knowlton United Church Hall

KNOWLTON. — The Thankoffering meeting of the Woman's Missionary Society was held in the United Church hall with the president, Mrs. E. H. Gray presiding. Mrs. Gray welcomed five guests at the meeting.

The minutes were read by the secretary, Mrs. G. M. Ransom and numerous sick calls were reported made during the past month.

Mrs. Ransom gave a short review of the book "Give and Take" and recommended it for reading. Mrs. Keene, literature secretary, also outlined a few books on the book shelf. Mrs. Gray gave a short talk on Christian stewardship.

The thank offering envelopes and offering was taken up and dedicated.

The study program was in charge of Mrs. G. M. Ransom, Mrs. Walter Fuller and Mrs. E. Bockus, taken from the study book, "Conversations on South-

east Asia and Korea." It was interesting to note the contrast of life there with life here, and that while relief and rehabilitation was still the primary need, self-help projects are becoming more and more necessary.

The worship service was conducted by Mrs. Gray. Dr. E. H. Gray offered prayer, in which he included special prayers for Miss Isabelle Miller, who is leaving next week to take up her duties in the mission field at Rennie's Mills, near Hong Kong.

The hymn "Take Time to be Holy" brought the meeting to a close after which tea was served by Mrs. W. Tibbits and Mrs. W. Fuller.

The meeting closed with prayer after which refreshments were served by the hostesses Mrs. F. G. Raphael and Mrs. C. R. Tetley.

MISSION BAND

Cheerio Mission Band met in the United Church hall with Prudy Perry in the chair. The minutes were read by Marsha

Needham.

Mrs. Gray and Mrs. Bockus told stories taken from "World Friends" and the offering was taken up by Arthur Badger.

The worship service was conducted by Mrs. Gray, who read the story of Jesus' visit to the home of Mary and Martha. Marsha Needham read the Scripture lesson and Prudy Perry led in prayer.

A treat was served after which a friendship circle was formed for the closing prayer.

Fall Fashion For Fillets

Since Pilgrim days, fish has played an important part in menu planning on this continent. But how much easier it is to plan and prepare a fish dinner today than it was in those early times! No longer does Mrs. Homemaker have to clean, scale and bone a fish before she can cook it. She can pick it up filleted and pan-ready from the frozen fish compartment in her nearest food market.

Should she thaw the fillets before cooking them? The home economists of Canada's Department of Fisheries say no... that is if she intends to bake, poach or steam them. Frozen fillets retain juices and flavour better when not previously de-

When Teen-Agers Marry, Parents Should Bow Out

By RUTH MILLETT
If Mama gives her consent to a teen-age daughter's marriage, then Mama ought to step aside and let the young folks run their own lives. This includes even letting them make their own mistakes.

If Mama thinks her daughter can't get along without her con-

stant help and advice, then Mama ought to do all in her power to keep her daughter from marrying until she is old enough to manage without help.

The mother who encourages her daughter to marry young and then continues to act on the theory that "Mama knows best" isn't giving a young couple a fair start in life.

The mother of a son writes: "I am writing about these teenage girls getting married—many of them before they are out of high school."

"Their mothers let them get married. Then, when their young husbands have taken on the responsibility of a home, the mothers still run the girls."

"Because these girls are so young and have been under their mother's thumb before marriage, the mothers often don't seem to realize that they ought to keep hands off the marriage."

"We have a son, married to a teen-age girl. We leave the young people alone, going to their home only when we are invited, letting them make their own decisions without any interference."

"But our son's mother-in-law is always around, always offering advice, always expecting her daughter to accompany her on vacations, etc. She just won't turn loose."

"I've noticed this same tendency in other mothers of teen-age wives. It certainly isn't fair to the husbands or to the marriage."

No, it isn't. And it may well be one of the reasons why young marriages so often end in divorce before they have had a fair chance.

Mrs. Douglas Hall, president, and Miss Monica Veilleux, treasurer, were in charge of the drawing, which was won by Mrs. E. Perras.

R.C.A.C. ANNUAL BALL
The Commanding Officer and officers of the Sherbrooke Regiment, R.C.A.C., are holding their annual Military Ball on Saturday evening, November 10, at the William Street Armoury.

MANNERS MAKE FRIENDS

If you are planning a buffet meal for guests, the most important thing to remember about the menu is to have foods that do not require the use of a knife. Buffet service can be informal and delightful.

But whether or not it is a pleasure for the guests depends a lot on the ease with which the food can be eaten.

With all of the accessories designed for handbags, no woman needs to dig into a bag and fish out a battered compact, a nearly toothless comb. Your handbag accessories should be as neat and immaculate as you are.

Tiger-Cats Wallop Alouettes 50-14 While Riders Eliminate Argos 30-19

Bishop's Gaitors Remain Unbeaten, Wallop College Militaire Royals; John Pratt Leads Way With Two TD's

St. Johns—Combining their best defensive play of the season with a driving ground attack, the conference champion Bishop's University Gaitors crushed the College Militaire Royale Cadets 22-0, on a rain-soaked gridiron here Saturday.

It was obvious from the first play who the eventual winners would be. John Pratt, Bishop's star halfback, took the opening kickoff and ran the ball 70 yards for a touchdown. Laurie Hart added the convert to put the Gaitors ahead 7-0. This was enough to preserve the champions' 15-game unbeaten streak.

Pratt put the game on ice for the Gaitors in the dying minutes of the first quarter. He faded back on the pass-or-run option play and heaved a 30-yard strike to Andy Davis who caught the ball on the Soldiers' 33-yard line and went all the way for the TD. Hugh MacDonald turned a bad snap into a convert when he scampered around the left end for the single point. The Gaitors led 14-0.

In the second quarter the muddy field foiled any scoring major attempts by either team. Hart kicked two singles for the Purple and White; the first on a lofty punt from the 30-yard line and the second on a field-goal attempt which went wide. At half-time the score read 16-0 for Bishop's.

There was no scoring in the third quarter but Andy Davis picked off his second pass interception of the afternoon to put him far ahead of all rivals in that department. Davis now has an average of two interceptions per game for the Gaitors.

The final canto was full of

thrills. Perhaps the most unusual sight was Andy Davis 45-yard run the wrong way. It all began when Davis picked up a Cadet fumble on the Soldiers' 20-yard line. Spun about by the rough line play, Davis hastily gathered up the loose ball and headed off in the direction of his own goal line. The C.M.R. players seemed as confused as Davis and downed him with a driving tackle on Bishop's 45-yard line. Had the Cadets allowed Davis to complete his run they could have gained two points by tackling him in his own end zone.

Bishop's final scoring play came later in the last quarter. Sparked by the tremendous defensive work of John de La Vergne, Brad Mitchell and Sam Poops, the Gaitors recovered a C.M.R. fumble on the Cadets' 35-yard line. Successive running plays carried the ball to the one-yard line where Pratt carried it over for his second major score of the day. A holding penalty nullified Hart's convert but the score was 22-0 and it stayed that way.

BILLINGS SCORES — Making a dash for the ball is Bryce Billings, (43) who scored Sherbrooke's first touchdown yesterday. Lying on the ground at the left is an unidentified Sherbrooke player who made an unsuccessful attempt at grabbing the ball. At right is a Quebec player who fumbled on a kick.

HALF-TIME ATTRACTION — Young Dick Coates, of the Ti-Cats in the Little Big Four is shown on a 60-yard run when the Alouettes and the Ti-Cats played an exhibition game between halves at yesterday's football game in the Stadium.

Rough Riders And Argos Win In Little Big Four

The Argos downed the Ti-Cats 12-7 and the Rough Riders defeated the Alouettes 25-0 as the fifth doubleheader in the Little Big Four Football League was played in a continual downpour on Saturday afternoon.

Argos' victory gave them a slim one point lead over the closest rival, the Rough Riders, in the teams standings. Argos have seven points, the Rough Riders six, the Ti-Cats 5 and the Als 2.

Next Saturday afternoon's doubleheader will mark the end of this season's schedule. In the event of a tie there will be a play-off.

In the first game on the weekend, the Ti-Cats opened the scoring when Dick Coates ran the ball 15 yards for a touchdown. Ken Harrison converted and at the end of the half, the score was 7-0 in favor of the Ti-Cats.

Paul "Butch" Bouchard came through for the Argos with a 50 yard kick return for a touchdown. Bouchard took the ball again into the third quarter for another touchdown to make the final score 12-7 for the Argos.

In the second game, superior offensive plays as well as an all-around weight advantage on the line gave the Rough Riders an easy victory over the Als.

David Covey was the most important player on the Rough Riders' team. He scored three touchdowns and one convert. Ken Pariseau racked up the other one to make the 25-0 upset.

Individual standings are as follows:

U.S. Wins Golf Tournament At Mexico City

MEXICO CITY — (P) — The United States won the Cup of Americas golf tournament Sunday. Mexico upset Canada for second place for the first time in the tournament's history.

The United States scored 29½ points, Mexico 13 and Canada 11½ under the "Scotch four-score" scoring system.

Canada's Joe Magee of Toronto was his team's top scorer with three points, defeating Joe Conrad of San Antonio and Fernando Mendez in an afternoon round, and Mexico's Ignacio Lopez during the morning. In afternoon play Magee birdied seven of the last nine holes.

HUNGARY WITHDRAWS FROM OLYMPICS

VIENNA — (P) — Radio Budapest announced Sunday that Hungary's Olympic team has been withdrawn from the Melbourne games because the revolution interrupted its training.

Sherbrooke Athletics Wallop Quebec 25-0 In Final Game; Jim Fearnley Leads Way With Two Touchdowns

Playing by far their best game of the season the Sherbrooke Athletics whitewashed the Quebec Bulldogs 25-0 in the last scheduled game of the season at the baseball stadium yesterday afternoon.

It was the second win of the season for the Athletics and gave them a second place tie with the Bulldogs in the Eastern Section of the QRFU. The third entry, Trois Rivières, has won all its games and are currently in first place, with not much chance of them being dislodged.

Next week the Bulldogs and Trois Rivières meet in the last game of the league schedule. If Quebec should lose, second place will be Sherbrooke's on the basis of yesterday's score. Sherbrooke has now outscored Quebec by five points on the season's four games played against each other.

Paced by Jim Fearnley with two touchdowns the Athletics yesterday ran roughshod over the visitors, scoring almost at will, and displaying a hard-hitting two way attack. Other point getters for the Athletics were Bryce Billings and Sam Elkas. Allan Anderson garnered one point on a convert.

In the dying minutes of the first quarter Bryce Billings recovered a fumble made behind the Bulldogs' line, counting for the first six points. The convert attempt hit the outer side of the uprights and was unsuccessful.

Earlier in the quarter Fearnley drove to within Quebec's one yard line but the play was called back for holding on Sherbrooke part. It was the first of many, many penalties called against the locals and was later to rob Fearnley of a touchdown in the second quarter.

In the last five minutes of the second quarter Sherbrooke rolled through the Quebec line at will, nothing could stop them. Near the last play of the quarter Fearnley drove through the right side of the line, carrying two Quebec players on his back to score, but once again the referee called the play back for interference. The half-time score was 6-0 for Sherbrooke.

Sherbrooke started off the third quarter with two touchdowns in the first six minutes of play. Sam Elkas went over on a plunge at five minutes and Fearnley made a 40-yard run to count his first touch of the day at six minutes. A pass on the convert attempt to Anderson was good.

In the last minute of play in the final quarter Fearnley made a 20-yard drive to go over Quebec's line for the final touchdown of the game. The convert attempt was no good.

Quebec played a stronger game in the last quarter but were dogged by fumbles and could not seem to get their backfield going.

The Eastern Conference lead was deadlocked when the Cards fell before Washington Redskins 17-14 and the Giants thumped Philadelphia Eagles 20-3. Baltimore defeated the Packers 28-21 for the Colts' second victory in five outings. Cleveland's defending champions were left alone in the Eastern Conference cellar, losing a 24-16 decision to Pittsburgh.

Gerard Cote Runs His Last Race

ST. HYACINTHE, Que. (P) — Gerard Cote, four-time winner of the Boston Marathon, ran his last race Sunday.

The 43-year-old cigar-smoking French Canadian, who started running 25 years ago, quit active competition after taking part in the 12-mile St. Hyacinthe marathon. He finished 11th in the race won by Gordon Dickson of Claresholm, Alta.

Cote said he quit to devote more time to business—he is publicity manager of Clairon Mask-outain, St. Hyacinthe bi-weekly newspaper.

Chics Edge Aces And Whip Royals As Cats Lose 5-0				
--	--	--	--	--

Chicoutimi Saguenens climbed to within three points of the pace-setting Quebec Aces during the weekend by winning their third and fourth consecutive Quebec Hockey League games.

The Saguenens edged the Aces 2-1 Saturday on Del Topoli's goal late in the third period and disposed of Montreal Royals 6-2 Sunday.

Stan Baluik got the Saguenens' other goal in the Saturday game at Chicoutimi while Michel Labadie scored Quebec's lone tally.

Topoli also got a goal in Sunday's game at Montreal. The other Chicoutimi marksmen were Stan Smrke, Jacques Locas, Greig Hicks, Fern Perreault and Jacques Pichette.

Wally Clune and Lulu Denis scored for the Royals.

The Aces continued their winning ways Sunday, whipping the Shawinigan Falls Cataracts 5-0. Orval Tessier led the Quebec attack with three goals, while Bill O'Ree of Fredericton and defenceman Joe Crozier got the others.

Canada's Top Skaters Quit

TORONTO — (P) — Canada's top skating couple and former world pair-skating champions, Francis Davoe and Norris Bowden, announced Sunday they were forsaking world rinks for business careers.

Their retirement from competitive skating means Canada has lost one of its best bets for world and Olympic skating honors.

Lakeshore Flyers Whip Verdun For Football Crown

MONTREAL — (P) — Lakeshore Flyers whipped Verdun Bears 30-12 Sunday to take their two-game total-point series for the Quebec Rugby Football Union championship 44-12. Lakeshore won the first game 14-0.

Kevin O'Neill, Ken Dixon, Max Black and Gord Cowie scored touchdowns for Lakeshore and Marv Bergson kicked two converts, a single and a field goal. Russ Weir and Don Langley picked up the Verdun touchdowns, both unconverted.

The Flyers meet Hamilton Tiger-Cat intermediates next weekend in a sudden death game to decide which team will win the right to meet the Maritime champion.

Tony Curcillo Tosses Four TD's And Plunges Over For Two; Frank Clair, Who Argos Fired, Deals Final Blow

Revenge-minded Hamilton Tiger-Cats turned on Montreal Alouettes for a 50-14 triumph Saturday which made up for their 82-14 shellacking in Montreal last week and virtually assured them of a second-place finish in the Big Four Football Union.

Tiger-Cats wind up the Big Four schedule in Ottawa next Saturday and the Rough Riders, who clinched a play-off spot by defeating Toronto Argonauts 30-19, need a 30-point victory to nail down second place.

In the Western Interprovincial Football Union, top-dog Edmonton Eskimos bowed 33-0 to Winnipeg Blue Bombers in the final game of the season Saturday night. The result had no bearing on final league standings since Saskatchewan Roughriders had already wrapped up second place with an identical 33-0 win over tail-end Calgary Stampeders in the afternoon.

The Tiger-Cats with quarter Tony Curcillo directing a fierce aerial and ground attack, rocked the Als with heavy tackles and forced the usually reliable Sam Etchevery to fumble at critical times. Curcillo, playing with a cast protecting his broken left wrist, tossed four touchdown passes, and twice plunged over the Montreal line.

Hal Patterson scored both Montreal touchdowns on passes from Etchevery who also kicked a single.

Ottawa, coached by Frank Clair, the man Toronto Argonauts cast aside, struck the blow that ended all hope for the Toronto club. It was Argonauts' most disastrous campaign in its long history.

The Riders beat Argos in all four games they played and it was sweet revenge for Clair, dropped by the Toronto club as coach after the 1954 season after leading them for five years and to two Grey Cup titles.

A crowd of 15,534 saw the Argos suffer their seventh straight defeat Saturday in an aerial duel between quarterbacks Arnie Galiffa of Argos and Hal Ledyard. Galiffa tossed a record 52 passes, completing 26 for 430 yards and

with three of them going for the Argo touchdowns. Ledyard threw two TD passes in connecting on 19 tosses in 34 attempts.

Bob Simpson, veteran Ottawa end, scored two touchdowns on passes of 20 and 24 yards to finish off drives of 78 and 75 yards. End Bucky Curtis scored two touchdowns for Toronto.

Saskatchewan, led by quarterback Frank Tripucka's devastating aerial attack, shattered WIFU individual and team passing records for passes completed and yards gained in passing.

Ken Carpenter scored two touchdowns and Pete Thodos and Rod Pantagos one each as the Roughies piled up a 25-0 half-time lead over the Stamps with 17 points coming in the second quarter.

Tripucka completed 14 passes for an unofficial total of 216 completions, beat the old record of 204, set by Indian Jack Jacobs for Winnipeg in 1951.

Edmonton coach Pop Ivy went all the way against Winnipeg with a second-string backfield. Star quarter Jackie Parker was dressed but did not see action while halfbacks Rolie Miles, Normie Kwong, Earl Lindley and Johnny Bright stayed at home.

Buddy Leake and Bob McNamara carried most of the mail for the Bombers, Leake scoring two touchdowns and three converts to take the league scoring title with 103 points.

In the Senior Intercollegiate League Saturday, University of Toronto Blues downed University of Western Ontario 41-7 while Queen's defeated McGill 20-15.

Light Heavyweight Elimination Tournament Set Back By Injury To Willie Hoepner Of Germany

By JACK HAND
Plans for a light heavyweight elimination tournament to provide a successor for Archie Moore—if and when—have been set back by an injury to Willie Hoepner, German import. Hoepner was to have fought Chuck Spieser of Detroit Wednesday in a 12-round bout at Chicago.

The International Boxing Club had to scramble its schedule to fill the date, moving up the Joe Miceli-Carlo Sarlo match from Nov. 7. Hoepner's U.S. debut will be rescheduled when his injury has mended.

As a result of this change of schedule, the first light heavy elimination scrap now will be Tony Anthony-Gordon Wallace at Madison Square Garden, Dec. 7.

The Miceli-Sarlo fight will be beamed on network TV ABC.

Charlie Norkus and Joe Rowan, a pair of heavyweights with records to show they either knock out their man or get knocked out, top the Monday card at St. Nicholas Arena in New York.

Norkus, 28, has been in with the best during his 40-bout career. His record is 26-14 with 16 knockouts. Rowan, 22, has a 28-0 record for 38 starts with 13 knockouts. Each has been stopped four times.

Henry "Toothpick" Brown, the Philadelphia lightweight with two straight first round knockouts to his credit, takes on experienced Paolo Rosi of Italy and New York's Bronx in the Friday bout from Washington. Madison Square Garden will be occupied by the horse show, hence the shift.

Brown's last was a knockout of L. C. Morgan in 1:54 of the first at Chicago, Aug. 8. The Balding Rosi outpointed Joey Lopez in the Garden, July 6 in his most recent outing.

The Brown-Rosi match will be carried on NBC.

Ike Chestnut, a ranking featherweight contender, takes on Gil Cadilli, at Houston in a big Tuesday show. . . Billy (Sweetpea) Peacock, and Rudy Garcia, two Los Angeles bantams, clash in another Tuesday bout at Los Angeles. . . on the same night, Vince Martinez of Paterson, N.J., will attempt to strengthen his welter claims against Jimmy Ford at Miami Beach.

Red Wings Fulfilling Pre-Season Predictions But Canadiens Slipping

Bruins Shutout Canadiens While Wings Post 4-1 Win Over Champs; Leafs Move Into Second Position

Montreal Canadiens and Detroit Red Wings were supposed to run one-two in the National Hockey League race this season. So far the experts are half right.

The Wings are breezing along at the top of the six-team league. But look at those poor Canadiens. They're fifth with only two victories and a tie in eight starts.

The Habs suffered two straight defeats during the weekend. They dropped a 1-0 decision to Boston Bruins at Montreal Saturday and had to endure a 4-1 beating from the Wings at Detroit Sunday night. Bitter, indeed, for the defending Stanley Cup champions who were expected to find most of the other teams easy pickings again.

The Detroiters have a two-point edge over Toronto Maple Leafs, who jumped ahead of New York Rangers into second spot with a weekend win and a dead-lock. Leafs trounced Chicago Black Hawks 5-2 in Toronto Saturday and tied the Rangers 1-1 in New York Sunday night.

The Wings have 12 points, Leafs 10 and Rangers nine. Bruins are fourth with seven points. Canadiens are next with five and Hawks are last — as usual — with one, that on a 1-1 tie with Canadiens Oct. 18.

Canadiens went down to their third straight loss Saturday before 13,794 hometown fans. Cal Gardner's goal at 2:07 of the second period was all goaltender Terry Sawchuk and his Boston mates needed.

The goal ended a Boston power play while Canadiens were short-handed. Jean Beliveau was sitting out a penalty when Gardner swept in for a rebound of Fern Flaman's shot and whipped a short backhand past netminder Jacques Plante.

Sawchuk made 22 stops in scoring his first shutout in seven games this season. Plante also made 22 saves.

At Detroit, the Wings spotted Canadiens a goal in the first 12 seconds of the game and then drove back with four goals. It was the first meeting of the two

Canadian Horse Show Team Heads For National After Winning Trophy At Harrisburg; Second In 5 Years

HARRISBURG, Pa. —(P)—A jubilant Canadian horse show team headed for the National in New York today with a confident "they-can't-beat-us-now" attitude.

That's the way rider Tom Gayford put it Sunday night after Canada won its second trophy in five years at Harrisburg. The victory came through a team performance that was not exceeded in the 10 previous international tests at the week-long show.

"The boys did it," said non-riding Canadian captain Bob Ballard. "It sure won't hurt us any," he said when asked if he thought it would help Canada get off to a fast start in the National Horse Show which opens Tuesday.

Gayford, Douglas Hood and Douglas Cudney, all from Toronto, the second and third riders, were less restrained in expressing their joy.

"The pressure was on. I tell you," said Hood. "We feel a lot better this time than we did last night." Friday Canada lost a trophy by the margin of two seconds.

"We were awfully lucky on a lot of those fences," Hood said. "A lot of luck goes with winning any of these events."

Canada's win in the final international test meant that all five nations entered the winner's cir-

CLAUDE DENAUT SETS MERRY PACE DRIVING SIX WINNERS ON SUNDAY'S CARD; LEADING WAY COPS MAIN EVENT

CLAUDE DENAUT STAGED A ONE-MAN SHOW YESTERDAY AFTERNOON when he drove six winners under the wire to set a new record for teamsters at the local track. He had double wins with Danny Prince Grattan, Show Guy and Leading Way in setting his mark.

In the main event the "C" Handicap Trot and Pace he out-paced Mrs. Menard's Lucky G in the stretch in both heats to emerge the winner. The smooth-going chestnut gelding, owned by Marius Ouellet of Disraeli, just had too much class for the other favorites. He started from the second lane each time and pulled into third position where he remained until after the half when he made his move to overtake the field and then turned on the speed coming down the stretch to nose out Lucky G both times.

In the third race Denault teamed Show Guy home to pay the top price of the weekend and his backers collected \$80.90, \$29.40 and \$11.50 across the board. It was an upset as Guy Desrochers and Dave Adam were rated the duo to beat along with Hauver's Janie Hutch. It was tops for all three departments at the pari.

It formed the big quinella when the sum of \$253.90 was paid for Show Guy and Dave Adam. Denault also formed the double with Danny Prince Grattan in the first with Count Pulaski in the second and paid \$69.95. The second quinella for the sixth paid only \$19.60 for He's It and Buster Huckins' Maryland Queen while in the ninth \$39.50 was picked up for Pat Casey's Peter L. Grattan and Gordon's Ebbie's Boy.

Denault as well as teaming home six winners set the low for the day in the fifth race when he guided Leading Way under the wire in 2:12 2/5. Only six horses started in the main event yesterday and they got away in two lines with Leading Way and Victory Tune forming the second string.

On Saturday afternoon F. St. Denis teamed home four winners to lead the field for the card. William West Kyer and General Gallon, both owned by F&B.

HOCKEY'S BIG SEVEN

Ted Lindsay, 31-year-old captain of Detroit Red Wings, fired a goal and picked up two assists Sunday to cling to a one-point lead in the National Hockey League scoring race.

Lindsay boosted his points total for the season to 10, one more than linemate Gordie Howe, who also collected a goal and two assists.

Dick Duff of Toronto, one of seven players tied for seventh place with five points each, is the leading sniper with five goals. Lindsay's seven assists are tops in that department.

The Leaders: G A Pts.
Lindsay, Detroit 3 7 10
Howe, Detroit 3 6 9

Beliveau, Montreal 4 4 8

MacDonald Paces Reds To Victory

Parker MacDonald, a Sydney, N.S., wing man with Providence Reds, Sunday night got into his second game of the young American Hockey League season and promptly scored three goals.

MacDonald, who played in 62 games for Toronto Maple Leafs of the National Hockey League in 1954-55, is a member of the top Providence line which includes Paul Larivee and Bruce Cline.

The trio scored six goals as the Reds downed Buffalo Bisons 8-3. Larivee scored a pair and Ken Wharram had two for the losers.

Hershey Bears, unbeaten on the road this season, downed the winless Rochester Americans 4-2. The Bears are in first place, two points ahead of Cleveland, which lost at Springfield, 6-4.

Two goals by centre Willie Marshall and spectacular work by goalie Gil Mayer featured Hershey's triumph. Mayer made 44 saves.

Buddy Boone and Ken Schinkel each scored twice in the third period to enable Springfield to come from behind against Cleveland.

Bold Ruler Stumbles And Receives Couple Of Cuts In Garden State Classic; Will Start Next Saturday

CAMDEN, N.J. — (P) — Reports that Bold Ruler suffered severe cuts when he stumbled in the Garden State Stakes on Saturday were denied today by Sunny Jim Fitzsimmons, and the veteran trainer said the two-year-old colt would be able to start next in the \$50,000-added Remsen Stakes Nov. 6 at Jamaica.

Bold Ruler was the leading candidate for the two-year-old championship honors until his mishap in the \$319,210 Garden State which was won by the Calumet arm's Barbizon in an exciting, nose finish with Clifford Lusky's Federal Hill.

"He received a couple of scratches, but nothing serious," said the 62-year-old Mr. Fitz who sent Bold Ruler back to his home quarters at Aqueduct Sunday.

"There are no changes in his plans, which call for the Remsen, and then the Pimlico Futurity in Baltimore Nov. 24." Both races are at the same mile and one sixteenth distance as the Garden State, which brought out a field of 19 for the world's richest scramble.

Barbizon, who never began racing until September but then blossomed almost overnight into a top threat for the 1957 Kentucky Derby and other three-year-old classics, will skip the Remsen.

Jimmy Jones, the Calumet trainer, said however he would send his horses including Barbizon to Pimlico, with a good chance his star juvenile might hook up with Bold Ruler again in the \$80,000 Futurity.

If that fails to come about, their next meeting could be in the two big \$100,000 classics for three-year-olds next winter in Florida — the Flamingo at Hialeah March 2 and the Florida Derby at Gulfstream Park later that month.

Jones was jubilant after Barbizon's spectacular victory, which netted Mrs. Gene Markey \$168,430 — richest purse in racing history.

"I wouldn't trade Barbizon's chances in the Kentucky Derby for any two other colts in the country," Jones said.

Calumet has won five Kentucky Derbies, and the stable is due to grab another. The last was Hill Gail in 1952.

Hanger's Eugenia 2nd, Rank Outsider, Upsets 11 Rivals To Win \$50,000 Canadian Championship At Woodbine

TORONTO —(P)— A rank outsider, W. A. Hanger's four-year-old Chilean-bred filly Eugenia 2nd swept past 11 rivals Saturday to win the \$50,000-added Canadian championship at New Woodbine track. The longest shot on the board, the only filly in the field returned a straight payoff of \$55.50.

She swept to the winner's purse of \$42,700 almost three lengths ahead of F. C. Rand Jr.'s Australian horse, Prince Morvi. About a length behind in the mile-and-five furlong test was Sam Tufano's Wise Margin. The mutuels' 5-2 favorite, Mrs. Ethel D. Jacob's Paper Tiger, finished fourth.

Eugenia paid \$55.50, \$20.60 and \$10.10. Prince Morvi returned \$6.90 and \$5.40 and Wise Margin \$4.70.

The only Canadian-bred horse in the race, Canadian Champ, was a sentimental favorite with the crowd of 20,480. Canadian Champ led for almost half the distance when he apparently tired and finished well back of the pack.

The winner, trained by Horatio Luro and ridden by jockey Juan Sanchez, broke well from the gate but remained behind the early pacemakers. Eugenia 2nd responded well at the backstretch, took the lead and tossed back all challenges.

Prince Morvi, on one stage running eighth after breaking slowly, finished strongly late but never threatened to take the lead. Wise Margin threatened repeatedly but did not have the final burst of speed.
