Brome Lake First Responders on duty 24/7 Making a life or death difference

By Frank Nixon

While those who freely give their time to help in schools, libraries, churches and museums play a vital role, not every volunteer can say that what they do, quite literally, could mean the difference between life and death. However, some 35 members of the Town of Brome Lake First Responders can.

The first responder team offers pre-hospital medical services, 24 hours a day, seven days a week. Their mission is to stabilize people in need of medical assistance while waiting for the arrival of an ambulance.

Each first responder has undertaken 60 hours of training and must take three recertification courses of four hours each per year. First responders do not need to live in Brome Lake but when in service they must remain in the territory of TBL.

What happens when a person makes a call to 911? "The person making a call to the 911 service is answered by 911 in Sherbrooke," says Pierre Laplante, head of the first responders and director of the Brome Lake Fire Department. "The call is then redirected to the pre-hospitalized services of Longueuil, who will take the necessary information to forward the proper services to adequately answer the call."

Salamander Camp broadens horizons

FRANK NIXON

An "end-of-summer party" was held on Friday, Aug. 19, where some 120 Salamander campers, ranging from 5 to 12 years old, enjoyed a day of games, skits, great memories and a few surprises at Centre Lac-Brome, in Knowlton. The seven-week bilingual summer camp had plenty of hands-on activities that helped the kids keep their minds and bodies active and engaged before school starts. Some of the fun summer events included a circus workshop with "Les Ateliers en piste," camping at Douglass Beach, karate lessons, visits to the library, kitchen workshops, and weekly outings to places such as the Granby Zoo, Bromont Waterslides and the Montreal Science Centre.

Sixteenth edition of the Tournée des 20

Just 75 kilometres southeast of Montreal, nestled between Quebec's major wineries and the northern tip of Lake Champlain, the Tournée's eclectic mix of one-of-a-kind studios are sprinkled throughout unique heritage sites and quaint little villages and hamlets, all within short, scenic drives of each other.

For four colourful fall weekends, September 17-18, September 24-25, October 1-2, and October 8, 9, and 10, you're invited to this year's 16th edition of an annual favourite, the fun-for-all Tournée des 20. Don't miss the creative workshops of the passionate, gifted artists and artisans who live and work in Quebec's bucolic Brome-Missisquoi region.

Find inspired works, with eight new participants for 2011, as well as new offerings from old favourites as you take in the spectacular autumn colours. Enjoy! Welcome to the 16th edition.

Pet of the week — Marmaduke

Hi, hi! I am an 11-month-old guy - my fur is tan with white on my chest, and look at the tip of my tail - it's white too!

I'm tall and lean and weigh about 50 pounds. Energetic and spirited is what they say about me - exercise and a challenge is what I need! Could you provide that for me? Eight of my friends from here were adopted at the Adoption Day in Knowlton - that means there is hope

for each and every one of us! From all of us to all of you who made it possible - thank you! Regards from the SPCA Montérégie, 178, ch. du Vide, Ste-Angèle-de-Monnoir (exit 37 on autoroute 10).

Adoption hours are 2 p.m. to 4:30 p.m. Thursdays and Saturdays.

First responders

CONT'D FROM PAGE 1

Due to the confidential nature of the job they do, first responders are unable to give specific details on the emergencies they have been called upon to carry out.

However, Laplante recently gave Brome County News an overview of the number and kinds of medical situations first responders have encountered over the past couple of years.

In 2009, the service responded to 311 medical situations. In 2010, the number was 316. The top three reasons for an emergency call are for chest pains, accidents and respiratory problems.

The Brome Lake First Responder service has been in operation since March 2003. The rules regarding the setting

up of a first responder service are set out in "La Loi sur les services préhospitaliers d'urgence."

The service is financed by the Town of Brome Lake with the assistance of a number of sponsors, and also relies on fundraising events organized by members or town citizens. The 2011 operating budget approved by Council was set at \$79,000.

"If you live in the Town of Brome Lake and would like to give some time to this group, contact us and we'll be happy to fill you in on the details of getting started," said Laplante.

For more information or to apply, e-mail: pierre.laplante@ville.lac-brome.qc.ca, or call 450-243-5789.

Benefit tennis-golf outing

COURTESY

Left to right, Mathieu Baker, Josée Carpentier, George Courville, Sonia Smith, Hugo Lizotte.

ABOUT TOWNSHIPERS

Welcome to newest member of the TA team

Organizing Townshippers' Day each year is a rewarding experience, but also one that requires a large number of hours of work and a whole lot of dedication, both from Townshippers' Association staff members and volunteers. Thankfully, with a great team of people, this huge feat can be accomplished, and we can offer a fun, family event to the English-speaking community of the Eastern Townships every year. This year, since the beginning of August, we have been lucky enough to have a new team member in the Townshippers' office to help us out with this task: Jess Fraser.

A native of Ste-Anne-de-Prescott in Ontario, and a recent graduate of Bishop's University, Jess has been living in Lennoxville since 2006. She is an avid snowboarder and fan of jigsaw puzzles, but also a huge fan of living in the Eastern Townships.

Jess will be joining Kate Wisdom and the rest of the Townshippers' Day committee to help put together this year's edition of this very special event. With plenty still to be done before September 17, Jess' arrival has been eagerly awaited at both our Lennoxville and Knowlton offices. Once Townshippers' Day is over, Jess will continue working with Kate Wisdom on arts and culture projects throughout the Townships, and will split her hours between our Lennoxville and Knowlton offices.

Still looking for silent auction items

We are still looking for items for the Townshippers' Day silent auction, with the hopes of having a table full of great prizes again this year. If you would be interested in making a donation, please contact Mary Gunter at mg@townshippers.qc.ca or 819-566-5717. We are searching for businesses and individuals that

have items they would like to donate. In past years, attendees of Townshippers' Day have won free travel on VIA rail, stays at local bed and breakfasts, boat tours and appliances, as well as countless small items and gift certificates from local businesses, ranging from pizza, to dog grooming, to golf.

We would ask that all those interested in making a donation supply us with the dollar value of the item they are donating, in order to help us determine the starting bids.

We at Townshippers' are all looking forward to meeting you on September 17 in Stanstead! In the meantime, if you have any questions about Townshippers' or about Townshippers' Day, don't hesitate to give us a call: 819-566-5717 (toll free: 1-866-566-5717) if you are in the Estrie, or 450-242-4421 (toll free: 1-877-242-4421) if you are in the Montérégie.

The Great Rock Raffle

Fundraising for this year's Townshippers' Day will also include a very special raffle - the Great Rock Raffle! The first three raffle prizes are made of granite and valued at over \$2,000: they are a coloured, painted granite wall etching, a granite coffee table, and a granite bench. In addition to these three prizes, ticket holders will also have a chance to win a one-night stay at the Domaine les Boisés Lee Farm in Stanstead, a beautiful ancestral home that once belonged to the family of Lady Banting, wife of Dr. Frederick Banting.

Tickets for the raffle are \$2 each,

MICHELLE LEPTRE

Recently in Lennoxville, Jessica Fraser was sorting through T-Day signs, getting them all organized and ready to be put up for Townshippers' Day 2011.

three for \$5 or ten for only \$10. They are now available at Townshippers' Association's head office and at the Stanstead town hall, but will also be sold on T-Day. The drawing will take place in Stanstead, at 2 p.m. on the T-Day entertainment stage, Saturday, September 17, 2011.

A world-class education is not a world away in Waterloo, Quebec

By Laura Kolbe
Part 3

Since a good primary education is the cornerstone of a successful life, I embarked on a two-continent search for my child's education. He had grown up in Orlando, home of all things that fascinate children, but not to a primary school that met our standards.

It was no small feat, but we got into the world-renowned Reggio Emilia schools in Italy. Our final choice however, was an extraordinary school, which amazingly was right here in the Eastern Townships.

According to Nobel Prize winning economist James Heckman, both cognitive and socioemotional skills are important determinants of success. Waterloo Elementary brilliantly fos-

ters both!

My five year old instinctively felt the completeness of Waterloo Elementary, loving it from day one. Every day I asked what the highlight and low point of the day had been. And oh to a mother's joy, my son responded; "It was all highlights!" Exclaiming it is the best school he has ever been to.

Outwardly, it is a modest school and I wondered what was so engaging? I discovered that many of the school's methods were similar to those observed in world-renowned schools. Additionally, the school has warmth and soul, as reflected in mottos such as, "Hand in hand together we can" and "Kind words are the music of the world." This warmth, along with the continuity and stability of Waterloo Elementary create an environment where teachers and children interface with minimal stress. It stands to reason that a child learns better where he is not stressed. So what I see as magic, a scientist may articulate as a school that is doing what makes sense; minimizing

stress. It stands to reason that a child learns better where he is not stressed. So what I see as magic, a scientist may articulate as a school that is doing what makes sense; minimizing

1st Wedding Anniversary

On the 14th day of August, 2010 there was a magical and memorable wedding day for Dustin Sherrer and Kathleen Desrochers. United as one in front of their family and friends.

A first year Happy Anniversary of good wishes are sent to the both of them. Dustin and Kathleen reside on the fourth generation Sherrer Family farm on Perkins Road in Sutton.

Love you both very much,
Gramp & Grammy Sherrer

In Memoriam...

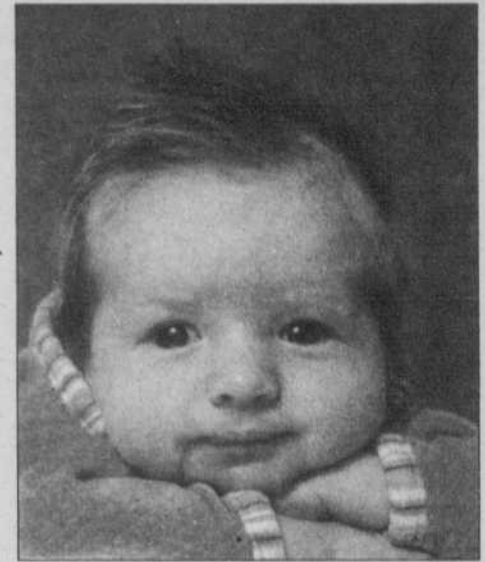

Consider a charitable bequest to research in epilepsy

www.epilepsy.ca

Card of Thanks

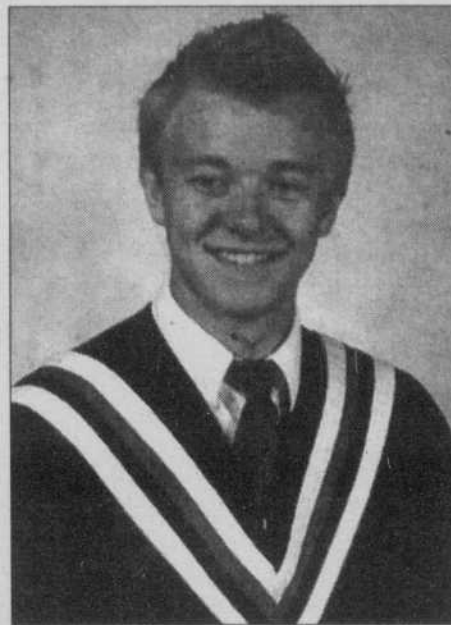

MILLER - A special thanks to Elva Lockwood and friends for the delicious tea and corsage, and bouquet of flowers, given to me for my 93rd birthday. Also thanks for the many birthday cards and gifts received.
Affectionately,
CHRISTINE MILLER

Birth

ST. ONGE - Devin Dwayne arrived on March 7, 2011 at 11:28 p.m. at the BMP Hospital, weighing 8 lbs. 4 oz. and 21 1/4 in. long. His brother Loik Martin and sister Leila St. Onge, parents Krystine Martin and Jason St. Onge were happy with their little bundle of joy!

GRADUATION

SCOTT BOWMAN

Son of Andrew Bowman and Janice Cook, grandson of Jean Sager Cook, graduated from Queen's University with a B.S.C. Honors degree in Biochemistry.

Scott is now attending McMaster University in Hamilton, Ontario, working towards a Masters Degree in Biomedical engineering.

Cards of Thanks

FOSTER - A big thank you to my students and their families for a wonderful send-off honouring my retirement from Knowlton Academy at the end of June. Your kindness and generosity will never be forgotten. I wish all of you a super 2011-2012 school year. I will miss you.

MRS. JUDY FOSTER

KNOWLTON THUNDER - On behalf of the Knowlton Thunder, the team would like to thank Jen Menec, Jen Owen and Dan Robinson for their time and coaching. Congratulations to the entire team for a successful season. The team would also like to thank the organizers, sponsors and volunteers for the Brome Lake tournament.

Thank you all,
THE KNOWLTON THUNDER

Waterloo

Brock, Ann, Kyle and Briar Dunsby of Waterdown, Ontario, were here for the day recently.

Sincere sympathy to the family and friends of Bobbi Joe Tracey who passed away recently.

Congratulations to Ron and Sadie Talbot on the birth of a new granddaughter.

Captian Mark Chamberlain of Val Cartier called on us recently. He had recently returned from eight months in Afghanistan and had spent the weekend with John and Darlene Davies in Knowlton.

Elvia Johnson of Foster called me and asked if I could send in the following news. Recently her family and friends arrived at her home to have a barbecue, this being an early celebration for Elvia's birthday which does not happen until November. Knowing that November weather is not the kind to have a barbecue, they decided to do it now much to Elvia's surprise. Present were children, great-grandchildren, their wives and

husbands plus many friends. There to celebrate were Rose and Jenny Johnson who tended the barbecue with the help of Mr. and Mrs. Larry Padner. Elvia and granddaughters, and great-granddaughters and their husbands were Kelvin Jones, Bonnie Johnson and Kane, Diane, Kenny White and children, Kooper and Katherine of Alberta, Claudia and Darryl Cunningham and children, Adam, Bradley and Kelly of Nova Scotia, Mr. and Mrs. David Lodge, Mr. and Mrs. Erwin John, Linda and Steve Simpson of Pierrefonds, Mr. and Mrs. Corey Johnson and Kate also from Pierrefonds. Mr. and Mrs. Boivin, Barbara Roy, Marilyn Booth of Cowansville, Cindy and Debbie. Elvia wishes to thank everyone who organized and worked to make this party a success and also to all relatives and friends who attended. A big surprise for Elvia and much appreciated.

Corey Dalton, son Adam and daughter Megan of Toronto spend the weekend of August 20 with us.

World-class education

CONT'D FROM PAGE 4

the resistance between children and learning.

Both students and parents had reasons they enjoyed Waterloo Elementary. These included:

- School is like a family.
- Helpful behaviour of older children toward younger children.

- Outstanding leadership of Principal Renalee Gore.

- Principal's Assistant Linda Brasseur treats each child with the attention of mother and friend.

- Dedicated, caring staff respected and loved by parent and student alike.
- Mr. Allen, the much-adored teacher,

has been known to drive students home when Mom forgot.

- Mrs. Badger, the beloved primary teacher, manages to keep even an entire field trip class educated, happy and unscratched.

- Engaging, interesting curriculum and bilingual environment.

- Variety of free activities, including creative arts, piano and martial arts

- The innovative use of "Brain Gym."

- Award winning lunches and Chef Wanda who tends to each child.

- Caretaker, Julie, minds the school, all the while looking out for the children's needs.

Why, the entire team at Waterloo Elementary acts as though children are the most important things in the world! If

the goal is ethical, thinking, successful children; is that not just the way it should be?

Waterloo Elementary registration information is available at gorer@etsb.qc.ca or 450-539-0162.

Community Buletin Board

CONT'D FROM PAGE 5
