Minister Quits Over Gas Deal

Ontario Inquiry Ordered

TORONTO (CP) — William H. Griesinger, 62-year-old wartime commander of an infantry regiment, resigned Tuesday as Ontario public works minister because he held shares in a company chartered by the provincial government.

Premier Frost announced the start of a three-pronged inquiry into reports of high profits reaped by people who bought shares in the Northern Ontario Natural Gas Company at bargain-basement prices.

Mr. Griesinger owned Northern Ontario Natural Gas stock. So did former mines minister Philip T. Kelly who quit his cabinet post last summer and disclosed last Saturday he made "a great deal of money" out of the investment.

HUNT FOR IRREGULARITIES

Premier Frost said he will investigate the whole matter personally and will "make appropriate decisions." In addition, he requested Attorney-General Roberts and the Ontario Securities Commission to hunt for irregularities.

Northern Ontario Natural Gas was incorporated in May, 1954, to handle the sale of western natural gas to communities in the northland along the trans-Canada pipeline.

Northern Ontario plans to buy the gas from Trans-Canada Pipe Line Company and resell it via distribution systems between the Lakehead and North Bay.

Meanwhile, Premier Frost said he had no comment on published reports that Provincial Secretary George Dunbar, 80, and Education Minister William J. Dunlop, 76, also will leave the cabinet soon—but because of their ages, not because they owned natural gas stock.

CONSIDERED LEGITIMATE

In his letter of resignation, Mr. Griesinger said he considered his stock ownership "legitimate" but added he did not "want to embarrass the government, my party or yourself." He will keep his seat, Windsor-Sandwich, in the legislature.

Northern Ontario Natural Gas shares were distributed as a concession to some promoters for five cents a share before it was listed on the Toronto Stock Exchange. Its value shot up to about $30 when it went on the market for public sale and now stands at about $13.

Mr. Griesinger didn't say what he paid for his 605 shares or where he got them.

The former public works chief won the Military Cross during the Second World War. He was lieutenant-colonel of the Essex Scottish Regiment from 1941-44.

THEY MISS THE BUSES — Reduced to walking by the bus strike, thousands of Londoners stream across London Bridge on their way to work.

Rail Strike Threatens Britain As Buses Stopped For Third Day

LONDON (Reuters) — Railroad wage - claim talks threatened today to end by stalling the British rail system in strike action while London is crippled by a bus walkout.

Leaders of three unions controlling some 500,000 men and officials of the state-owned British railways headed for a crucial meeting as many Londoners walked to work for the third straight day.

The union chiefs carried a blunt demand for wage increases of at least three per cent. Outright rejection of the claim could result in a rail strike. A rail stoppage would halt the capital's underground system.

Railroad chief Sir Brian Robertson, key man on the employers' side, Tuesday conditionally offered a possible review of wages later this year.

ASKS COMPROMISE

Robertson, chairman of the British Transport Commission, said that if the unions were ready to co-operate in a big plan to economize the government would authorize an extra investment in the railroads over the next two years of £25,000,000.

He said the economies and investment would speed modernization and make possible a wage review later in the year.

The union chiefs, representing engineers and firemen, other wage-earning employees and salaried station staffs, left the meeting bitter and pessimistic.

At a meeting of the union's national executives Tuesday night they agreed to meet again with Robertson and decided to ask for a cost-of-living raise of at least three per cent.

Their original claim was for 10 per cent. Current pay scales vary widely. Engineers and firemen earn basic wages between £10 and £12 for a 44-hour week.

RCMP In Theft Probe

MONTREAL (CP)—The RCMP has joined police forces of two provinces in investigating one of Canada's biggest robberies — the weekend theft of at least $3,750,000 in bonds and $15,000 in cash from the Brockville Trust and Savings Company.

The stolen bonds include at least $2,240,000 in bearer bonds, company officials said. The rest of the loot was made up of registered, non-negotiable securities.

One Montreal report speculated that the total stolen could be as high as $7,500,000, but there was no substantiation by police.

The RCMP's interest in the case stems from the $1,789,000 theft of bearer bonds last January from La Caisse Nationale d'Economie, the banking subsidiary of La Societe Nationale de Fiducie, a Montreal trust company.

FIND DOPE

A recent raid on a Montreal apartment house in connection with that safecracking turned up heroin valued at $1,500,000 on the underworld market in addition to $73,000 of the stolen bonds. Federal officers accompanied city safe squad detectives on the raid.

In connection with the Brockville robbery, Superintendent Edward Brakefield - Moore of the RCMP announced Tuesday his men were "working closely with Montreal and Brockville police forces as well as the Ontario Provincial Police."

"The modus operandi of the Brockville robbery is similar to that used by thieves in the Caisse Nationale d'Economie theft," he said.

"In addition to the narcotics angle, the RCMP also is interested in anything which might crop up during the investigation which falls under the federal jurisdiction, including income tax."

THINK FIVE INVOLVED

Meanwile a man arrested by a Montreal police constable in connection with the Brockville theft was taken to the Ontario city Tuesday night for court arraignment "either Thursday or Friday," Montreal police said.

He was identified as Rene Martin, 31, of Montreal. He was arrested here Monday following an automobile chase. A key found in his car led police to recover about $1,500,000 in negotiable and non - negotiable bonds from a Montreal railway station locker.

Speculation was that at least five persons, including a woman, staged the burglary. Ontario police were reported on the trail of a suspected man in Toronto and a woman in Hamilton.

New Jap Drug

TOKYO (Reuters) — Japanese scientists announced discovery of a new antibiotic that can cure 95 per cent of all acute cases of gonorrhea in three to 24 hours. The drug, called kanmycin, also showed "wonderous" effects in treating tuberculosis patients and healed cases of acute colitis in 24 hours.

Steam Fatal

NEW ORLEANS (AP) — A two-year-old boy suffocated Tuesday after steam from a hot water faucet filled his bathroom. Richard Blackwell, son of Mr. and Mrs. Edward Blackwell, apparently was unable to open the bathroom door, officers said. His parents were asleep.

Bomb Threat Against Queen

KIRKCALDY, Scotland — A bomb threat against the Queen when she visits Scotland June 30 was disclosed Tuesday night.

The threat appeared to come from Scottish nationalists who protest that the Queen should not be called Elizabeth II. The nationalists do not recognize the first Elizabeth as ruler over Scotland.

Two Indonesia Officers Fired

JAKARTA, Indonesia (Reuters) Two senior army officers in restless East Indonesia were dismissed today because they "endangered army discipline and violated the soldiers' oath."

An official statement from army headquarters said the two were Lt. - Col. Engelen, former chief of the army medical service in East Indonesia, and Capt. Hing Latumahina, former East Indonesian army chief of intelligence.

Birthday Flag For Duplessis

QUEBEC — (CP) — Premier Duplessis Tuesday was given a flag similar to those that are to be flown in Quebec this summer to mark the city's 350th birthday.

The flag has a blue field and is bordered in white. Centred on it is a sketch of a statue of Samuel Champlain, founder of Quebec City.

The Case Of The Trapped Lady

A Broken Ankle And Two Dead Fish

LONDON (AP)—What is a lady supposed to do when trapped inside a public convenience?

Caught in this unusual and demeaning position, the lady tried to climb out over the door, using the toilet tissue roll as a foothold.

The roll rolled, she fell and broke her ankle, and she and her husband never did get to the Olympia Hall bird show. Also, two of their tropical fish died.

Was all this the fault of the Harlow Urban District Council, operator of the lavatory? Should the council pay damages?

WEIGHTY CONSIDERATION

The full weight of the British Court of Appeals was brought to bear on the problem today, in the form of a panel consisting of Lord Justice Morris, Lord Justice Omerod and a chairman, Lord Evershed, who bears the court title "master of the rolls."

At the time of the trapping of Mrs. James Sayers, her husband was waiting in the street outside with two delicate tropical fish he was taking to a pet doctor for treatment. Mr. and Mrs. Sayers planned to go on from there to the bird show.

In her testimony, reviewed Tuesday, Mrs. Sayers said she banged on the jammed lock and shouted "help" for a quarter of an hour. No help came. She finally tried to climb out, with disastrous results. Eventually, a lavatory attendant rescued her.

RESTING WEIGHTY MATTER

In all the confusion, the two nervous fish died. The mission to the bird show was scrubbed.

Announcing that the case would be taken under advisement, the master of the rolls asked the council's counsel:

"What would you have done if you were locked in such a cubicle and had tried vainly to attract attention? Would you just sit there, light a cigaret and wait for someone to come along?"

"I trust," replied counsel, "that I would not have put my weight on a revolving toilet roll."

Top Union Officials To Request Delay In CPR Removal Plan

MONTREAL — (CP) — Central government action to avert next Sunday's threatened strike of 3,000 CPR firemen will be sought today by Canadian union chiefs in a conference with Prime Minister Diefenbaker.

The Ottawa meeting is expected to be an 11th-hour bid by the unions to delay — perhaps for two years — a CPR decision to drop firemen from its yard and freight service.

The conference with Mr. Diefenbaker and Labor Minister Starr was requested after a full day of union consultations here, highlighted by:

A top-level meeting of 49 Canadian labor leaders—most of them representing railway unions; the meeting produced an expression of sympathy for the firemen's position and a "desire to do everything possible to assist them."

TALKS INCONCLUSIVE

Inconclusive back-room talks in a midtown hotel on the diesel issue among key union chiefs and CPR President N. R. Crump.

Finally, announcement that the long-standing dispute would be placed before Mr. Diefenbaker and Mr. Starr at 2 p.m. EDT today.

President Claude Jodoin of the 1,000,000-member Canadian Labor Congress, who summoned the union officials to Tuesday's consultations, leads the special group to Ottawa.

With him will be W. E. Gamble, Canadian vice-president of the Brotherhood of Locomotive Firemen and Enginemen (CLC), two influential union executives, Frank H. Hall and William Smith, as well as other labor movement officials.

Mr. Hall is top spokesman for 130,000 non-operating railway employees and Mr. Smith heads Canada's largest transport union the Canadian Brotherhood of Railway Employees.

WAIT FOR U.S.

They are expected to press Mr. Diefenbaker to persuade the CPR to defer its removal plan for diesel firemen—set to start next Sunday—until the question has been settled on United States railroads. This might be about two years from now.

The CNR, which would not be affected by the strike scheduled for Sunday, also plans to shift firemen at its discretion, but a new contract permitting this has not been signed yet.

The Montreal meeting did not spell out how far other rail unions will go in supporting the firemen if their strike goes through. Some rail unions, it was understood, regard a second firemen's strike in 16 months with misgivings.

VE Day Just 13 Years Ago

By DAVE McINTOSH
Canadian Press Staff Writer

Thirteen years ago — at 2:41 a.m., May 7, 1945—the document of surrender ending the war in Europe was signed in the schoolhouse at Reims, France. The war was officially over the following midnight.

They danced the Cokey-Okey in London and drank to victory in Halifax; they wept in Paris and crawled into their hovels in ruined Berlin; they kept dying of pain and malnutrition in Belsen and they planned wider spheres of influence in Moscow; they prepared the Hiroshima atom bomb drop in Washington and they prayed almost everywhere.

A decade later, the political world was topsy-turvy.

Canada was building an air defence system against possible Russian air attack. She was training German pilots—in Canada and West Germany—and giving millions of dollars worth of armaments to Germany and Italy. Canadians had fought in Korea, partly to keep the Communists away from Japan's doorstep.

Nearly 42,000 Canadians never lived to celebrate their victory or witness the irony of rearranged alliances and the biggest peacetime defence expenditures in history.

PRICE OF VICTORY

Of the 1,081,000 Canadians who served in uniform in big or small capacity between 1939 and 1945, 22,964 were killed in the army, 17,100 in the RCAF and 1,837 in the navy.

Nearly 22,000 others had to face the rest of their lives with some war-inflicted handicap. Some had

Romney Predicts Smaller Cars

LONDON (Reuters) — George Romney, American Motors Corporation president, told British radio listeners in a transatlantic interview Tuesday night that the United States automobile industry will "rectify mistakes" and turn out smaller cars.

Interviewed in Detroit by the BBC, Romney said the business recession is "not as serious as you think" and is not responsible for the slump in car-buying.

Fishermen Fired On

TOKYO (Reuters) — Chinese Communist destroyers have fired on and arrested 14 Japanese fishing boats in the east China seas, the Japanese Maritime Safety Board said today. The boats, with crews totalling 171, were operating between 60 and 80 miles east and southeast of Quemoy Island Tuesday night and early today, the announcement said.

Montreal Conference

Textile Industry Told Press For Increased Tariffs, Join Campaign

MONTREAL — (CP) — H. V. Lush, president of the Canadian Manufacturers Association, Tuesday night told the textile industry it should press for higher tariffs and join the CMA's "buy Canadian" campaign to insure its survival.

Addressing a dinner meeting of the three-day Canadian Textile Conference, Mr. Lush said:

'It passes the bounds of belief that this nation of ours, itself seventh among the manufacturing nations of the world, should be the world's largest single importer and consumer of fully-finished foreign manufactured goods. And surely quite fantastic that the value of these should be greater than the value of comparable imports by the United States, a nation with 10 times our population."

NEED MORE OF MARKET

Earlier C. F. Fraser, Montreal economic consultant, said the textile industry needs a "substantially larger" share of the domestic market to survive. Canadian mills now hold 51 per cent of the Canadian market compared with 72 per cent from 1935 to 1939.

President H. Roy Crabtree of Wabasso Cotton Company said Canadian textile manufacturers must continue to urge the federal government to blockade "unfair competition flowing over our borders."

T. W. Kober of Toronto, director of Vickers and Benson, Ltd., said textile makers will have to make their products more desirable.

Mr. Lush said the Canadian textile industry has been left all but "defenceless in the face of unfair foreign competition." Canada was regarded as a "wide open" market for textiles by major textile-producing countries.

RAPS POLICIES

He added: "That so many companies in the textile industry should be in serious trouble is a standing indictment of short-sighted and misconceived national policies, policies which it is to be hoped will shortly be reversed.

"And reversed they must be if the textile industry is not to be overdone by even greater disaster. There is the writing on the wall: 19,000 fewer Canadians employed in the industry than there were six years ago, despite the fact that our population has increased by 3,000,000 over the same period.

Mr. Lush said the CMA is "convinced in our minds that Canadians can be 'sold' on 'buying Canadian,' provided we succeed in making them understand that their own employment and prosperity are involved."

Pleven Ready To Face Vote

PARIS (AP)—Middle - roader Rene Pleven will seek Parliament's confirmation as 25th postwar premier of France on Friday, it was officially announced today.

Speaker Andre le Troquer sent out a call to the deputies of the National Assembly to meet Friday afternoon. Parliament has been on vacation since before Easter, except for its one-day special session which toppled premier Felix Gaillard from office April 15.

Rocket Failed

ROME (Reuters) — Agenzia Continentale, an Italian news agency specializing in news from Communist countries, claimed today that a Soviet attempt to send a rocket to the moon failed on May 2. Fuel in the first stage of the rocket exploded at the moment of launching at a secret Siberian site called Sputnikgrad, the agency said.

NATO Sets Agenda For Talks

COPENHAGEN (AP) — The North Atlantic foreign ministers, firmly resolved to prevent Russia from dictating the ground rules of a summit conference, today put the terms of their decision in the hands of a seven-power drafting committee.

The committee, made up of representatives of the United States, Britain, France, Canada, Italy, Turkey and Belgium, worked through a mid - day recess to shape the final communique of the NATO spring conference.

The communique was expected to express the determination of the Western Big Three to continue negotiations in Moscow on a possible meeting of heads of government, but to resist any attempt of the Soviet Union to impose a veto on the agenda of such a conclave.

The 15 NATO foreign ministers went into the final chapter of their three-day session in full agreement that German reunification, disarmament, the status of Russia's East European satellites—all issues ruled out by the Kremlin—must be discussed if and when the world leaders meet.

The United States won endorsement of its view that a top-level meeting would be useless without thorough preparation and some assurance of action on the essential causes of East-West tension.

NEW HARMONY

The harmony differed sharply from the tenor of last December's NATO meeting. At that time his European colleagues forced State Secretary Dulles to concede the possibility of summit talks as the price for their approval on building U.S. nuclear bases on the continent.

There is no longer any talk in NATO circles of a 1958 deadline for a summit parley. Most diplomats at the current meeting feel Moscow's tactics have killed chances of a get-together before next year. The feeling now is general that there is no rush to the summit, and the ministers agree that the West must quickly build up its defence without waiting to talk with Nikita Khrushchev.

Newly-Wed Dennis Crosby Named By Young Mother

Dennis Crosby, 23, one of the twin sons of crooner Bing Crosby, kisses his bride, showgirl Pat Sheehan, 26, after their marriage at Las Vegas.

HOLLYWOOD (AP)—A pretty Hollywood brunette says Dennis Crosby is the father of her five-months-old daughter.

Dennis, son of crooner Bing Crosby, is honeymooning in Las Vegas, Nev., with blonde show girl Pat Sheehan, 26, he married Sunday night.

Marilyn Scott, 25, Tuesday told her story when newspaper reporters produced copies of Denise Michelle Scott's birth certificate, listing the father as Dennis Michael Crosby.

"I'm sorry that had to come out," she said — "all the more sorry for the effect it will have on my baby's future."

She said she met Dennis in a Hollywood restaurant, began dating him and went with him for a couple of months.

"When I first told him I was pregnant he made no offer to marry me—nor did he offer to support the baby," she said. "So I went to an attorney. The attorney took care of everything."

When reporters asked Dennis about the report, he phoned his family's lawyers in Los Angeles and later told reporters:

"On my attorney's advice, I am not going to comment on the situation. Until I can straighten some things out with a few people, I cannot make any further statements."

There was no word on the matter from Bing, who was reported on a fishing trip.

Arms Plot

CORPUS CHRISTI, Tex. (AP)—A federal grand jury Tuesday indicted 40 men allegedly involved in a Cuban rebel arms plot foiled off the Texas gulf coast March 27. All 40 were charged with conspiracy to export arms and ammunition to Cuba in violation of the U.S. Neutrality Act.

Show Business

By BOB THOMAS

HOLLYWOOD (AP) — Found: The man behind such wildly titled movies as I was a Teen-Age Werewolf and I Married a Monster From Outer Space.

And strangely enough he is articulate, serious-minded movie maker and bearer of a famous name—Gene Fowler Jr.

Young Fowler is fast - moving —he directs his movies in less than two weeks. But I caught up with him on the Monster epic and demanded an explanation of his creative efforts.

"I am making movies for the audience that goes to the theatres nowadays — the teen-agers," he explained. "It's as simple as that.

"For some reason, they like hor or pictures. I saw one which I thought was gosh-awful; no adult in his right mind would be caught dead watching it. But my 17-year-old daughter saw the same picture and thought it was marvellous.

POSSIBLE REASONS

"Maybe they like these pictures because it gives a boy and his date an excuse to snuggle up in the theatre. Maybe they like the emotional release of screaming when they're scared. Perhaps it's an extension of the fairy tale to them, or perhaps they view space as their frontier. That is their frontier, now that the west has gone.

"Whatever the reason, I try to do right by them, as far as the budget allows. I mean I try not to insult their intelligence. Once the science fiction premise is established, I try to keep everything else logical and reasonable. The monster doesn't get out of a tight spot by whipping out an invisible-ray gun."

Fowler fell into this field somewhat by accident. For almost 20 years he was a cutter, often working with the suspense genius Fritz Lang. A year ago he got the offer to direct I Was a Teen-Age Werewolf.

He turned it out in a fast eight days for $82,000. "The picture is expected to make $1,500,000, which makes it a better investment than Gone With the Wind," he said.

He's dreaming up another subject that should be a dilly. He calls it The Day the Adults Died and it concerns a time when all those over 21 perish on earth. The youngsters take over the awesome task of running the world—"and they do a much better job than we do."

Derby Line Club Donating Plaque To New Academy

DERBY LINE — A meeting of the Derby Line Home Demonstration Club was held at the home of Mrs. William Burke, the president, Mrs. Wilson Howe, presiding.

It was decided the gift to the new Derby Academy should be a plaque enscribed with names of gift donors. It was left with Mrs. Rudy Racine to inquire and report at a future meeting what the cost of this plaque would be.

A food sale was planned to be held in Caswell's grocery store on May 10th., at two p.m. A committee of Mrs. Wilson Howe, Mrs. James Stevens, Jr., and Mrs. Raymond Grow were named to work on this project.

Mrs. Raymond Grow demonstrated cutting and pin basting a blouse, Mrs. Lawrence Frank placing and stitching a zipper.

A lunch was served by the hostesses, Mrs. Burke, Mrs. James Stevens, Jr., and Mrs. Bertrice Bowen.

The May meeting will be held at the home of Mrs. William Jonis, when the subject will be "Good food—good health."

Exchange Of Seeds, Bulbs Feature Of Way's Mills Institute Meeting

WAY'S MILLS — An exchange of seeds, bulbs etc., was a feature of the May meeting of the Women's Institute, held at the Heathton School House, with Mrs. Roy Aldrich as the hostess, and Mrs. Avery Davis assisting her.

In the absence of the president and the vice-president, Mrs. John Smith acted as chairman. The treasurer's report showed a good balance after all bills had been paid. Several items of business carried over from the last meeting were discussed. It was noted that the dental clinic which was to have been held at Ayer's Cliff, had been cancelled. One member expressed interest in attending the Leadership Course which is to be held at Macdonald College in May.

The purchase of a flag for the Community Hall was again discussed, but no specific prices had been obtained, and this matter was tabled. Mrs. Loke confirmed the dates of the Work-Shop to be held in September under the direction of Miss Runnells. Other branches have been contracted and plans are going forward.

Mrs. John Smith was appointed delegates to the annual county meeting to be held at Beebe. She was given instructions on several items which will come up for discussion at that meeting.

The correspondence included two letters of thanks. One in reply to a card of sympathy sent to the Colby family, and one from the Unitarian Service Committee, acknowledging the receipt of three layettes, which had been made by this branch.

Conveners reporting were: Agriculture: Mrs. Davis brought to the members' attention a questionnaire on vitaminized apple juice. This was answered, and discussion followed. Mrs. Holmes told of a new spray for killing twitch grass before any cultivating is done. An experiment is being made and she will report on its success later.

Home Economics: Mrs. Loke read notes from a CAC Bulletin. Dominion Textile have new sanforized contour sheets available. It is not advisable to send the new "no iron" shirts to the public laundries, as the chlorine bleach used is harmful. There is to be an advertising display for convention. Members are asked to send clippings with comments, "good, bad, poor taste, etc", to Mrs. Prinn.

Citizenship: Mrs. Mackinnon, had nothing particular to report, but Mrs. Loke told of a meeting she had attended of the Ground Observer Corps. A lecture or demonstration, with pictures is available if desired.

Welfare and Health, Mrs. Aldrich asked members to continue their interest in saving old cotton for the Cancer Clinic. Discussion followed regarding the making of dressings in the meetings.

The new business undertaken was the purchase of a gift for a shut-in, and plans for the annual rummage sale, dinner. The regular June meeting will be held after the dinner, in the Union Hall at Way's Mills, on June 4th, Mrs. Bean and Mrs. Smith are to be the hostesses, with others helping. Mrs. Aldrich is to have charge of the home cooking, Mrs. Smith, Mrs. Loke, Mrs. Oliver and Mrs. Holmes to help with the rummage. Mrs. Loke, posters, Mrs. Hovey to make arrangements for the Hall, kitchen, Mrs. Bean.

Attention was drawn to Bicycle Safety Week, and some of the rules and regulations were read. It was noted that the operator of a bicycle is subject to the same rules as the operator of a car, and is supposed to give all the necessary signals, etc., and they must carry proper light.

The Tweedsmuir Competition, Senator Cairine Wilson's Essay Contest, and the Scrap Book of Quilt Blocks were discussed. Members were asked to save patterns of quilt blocks.

The meeting was adjourned by the chairman, Mrs. Smith, and tea was served by the hostesses, bringing a pleasant afternoon to a close.

"I get MOTHER'S DAY treatment EVERY WEEK at DOMINION

"Every time I go to DOMINION I feel like somebody very special. It's the friendliness, the warm sincerity of the people, always eager to help in any way. I also know that if, for any reason, I'm not completely satisfied with anything I buy, all I have to do is mention it and they'll stand on their heads to make it right. And of course there's the money I save. When you're feeding a growing family, every penny counts. There's convenience too, practically everything I need is at my fingertips at DOMINION. I wouldn't shop anywhere else. My friends feel the same way. If you're not already shopping at DOMINION try it this week and see what we mean."

Bus Fare Boost Drastic

In a letter to City Attorney Albert Rivard announcing that the hearing of the application of Laramee Service Inc., for an increase in its urban autobus fares, scheduled to be held here yesterday, had been postponed indefinitely, the Quebec Transport Board indicated that the rate increases proposed by the company were even more drastic than indicated earlier.

According to its application, the company would discontinue both the sale of tokens at three for 30 cents and 12 for $1, replacing them with a new rate of five for 55 cents, leaving the cash fare at 15 cents.

This represents an increase of almost 32 per cent in token rate.

Drastic changes are also sought in the children's rate, which now stands at five cents cash.

Children carrying an identification card from schools at which they are studying would be able to purchase tickets, valid until 7 p.m. on school days, at five cents each, but would pay 10 cents after this hour.

Children not carrying identification cards would pay 10 cents cash or 17 tokens for $1.

Two Arrested For Theft Of Porkers

Two men were arrested this morning by Provincial Police for the theft yesterday of 11 piglets from the farm belonging to the monastery of the Peres Servites de Marie in Ayer's Cliff.

For the time being the police declined to divulge the names of the thieves, but they admitted this morning that it was on the basis of a tip that they were able to locate and arrest them.

Richmond Fire Levels Garage And Henhouse

RICHMOND. — Fire breaking out shortly after 6 o'clock this morning levelled a henhouse and garage in Richmond North, destroying about 150 hens and a half-ton truck. Damage is estimated at about $4,000.

The fire, starting in a recently-completed henhouse on the property of Andreol Jeanson on the Spooner Pond road, was first noticed by a neighbor, Rosaire Ouellette, who summoned the Richmond fire department.

The structure soon became a mass of flames, spreading to a private garage nearby owned by Donat Mailhot. The garage and a half-ton Chevrolet 1951 truck were also destroyed.

For a time the flames threatened the Jeanson residence, catching on the eaves of a porch at the rear of the house.

However, the flames were prevented from spreading by the work of the Richmond firefighters under Chief Paquin, who took about one hour to bring the fire under control.

Funeral Held At Waterloo For Mrs. Pinsonneault

WATERLOO — The funeral of Mrs. Amedee Pinsonneault, who died suddenly on Saturday at her home on Shaw Street, was held Tuesday morning at St. Bernadin's Church. Interment took place in Waterloo.

Mrs. Pinsonneault, the former Bernadette Deragon, was in her 69th year. She is survived by two children, Jean Paul Pinsonneault and Mrs. Maurice Morin, Yolande, of Waterloo, three sisters, Mrs. Peter Starr, Miss Corinne Deragon, Sister Marie du Mont Carmel, and a brother, Raoul Deragon.

Application Of Rotary Ideals Subject Of Talk

Sherbrooke Rotarians heard a review of the Club's aims and ideals in a talk by Rotarian Jeff L. Mark, chairman of the Vocational Service Committee of the Montreal Rotary Club, who spoke last night at the regular meeting of the local club.

"When an individual enters Rotary he does so as a representative of a particular craft or trade," Mr. Mark said. As a Rotarian, he endeavors to take back to his job or profession the ethics that Rotary stands for.

"He is guided in this by the Rotary Four Way test of the things we think, say or do. "Every Rotarian," he said, "should have a copy of this test displayed in his ofifce or place of business."

The test reads:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendship?
4. Will it be beneficial to all concerned?

The speaker went on to tell of the methods undertaken by his club to assist members in the carrying out of this test. Among those were career talks by members, visits to various places of business and active participation in trade or professional associations.

Mr. Mark was introduced by Past President Lewis Rosenbloom and thanked by David Green.

It was announced that Past President and Mrs. Bob Tait will accompany Sherbrooke-sponsored representatives to the U.N. model assembly at Plymouth, N.H., May 8, 9, and 10.

FIRE AT BISHOP'S

A small fire broke out last night in the basement of the Divinity House of Bishop's University, Lennoxville. Lennoxville volunteer firemen quickly quenched the outbreak and very little damage was done.

Wild Night Concludes In Prison

Monday evening was a rather hectic one for Robert Provencale, of Weedon, involving a series of brushes with the law which brought him up before Judge Edouard Boisvert in Magistrate's Court yesterday on two charges of driving while his faculties were impaired, one of driving in a criminally negligent manner, one of resisting an officer and one of refusing to show his operator's permit to an officer.

Found guilty on all counts, Provencale was fined a total of $200 and costs and sentenced to 14 days in jail, with the possibility of serving another four months if the fines were not paid.

The first charge, that of colliding with a car driven by Euclide Boisvert while his faculties were impaired, brought Provencale a fine of $50 and costs with the option of one month in jail.

On the second charge of driving through Marbleton while his faculties were impaired brought a 14-day jail sentence and a six-month suspension of his license when the judge was informed this was his second conviction.

The negligent driving charge led to a $50 fine and costs, with a one month prison option. Similar sentences were also imposed for resisting an officer in the performance of his duty and for refusing to show his license.

Judge Boisvert ordered that if the fines were not paid, the prison terms should be served consecutively and not concurrently.

Imported Hosiery

False Labelling Racket Uncovered

By LEN RYAN

Imported stockings stamped "Made in Canada" are being sold in Sherbrooke. This was brought to the attention of the Sherbrooke Chamber of Commerce recently.

Robert L. Belisle, Chamber secretary, showed the Record two pairs stamped at the top "Made in Canada," and at the bottom "Made in England."

The Record had them analysed by a local hosiery manufacturer. The results showed that the quality of one was so low that it would not even be acceptable as a substandard. This pair was sold in an envelope stamped "Guaranteed First Quality" ,and priced at 89 cents. A pair of Canadian substandard stockings of better quality sells for around 70 cents, said spokesmen for the company which did the analysis.

The second pair of imported stockings sold for 59 cents and was of slightly better quality. The analyst said it might be worth the price to any woman willing to wear a pair of 59 cent stockings. If this were acceptable, the fact that they were likely to be in shreds after the first wearing did nothing to make them a bargain, he added.

The spokesman went on to say that not only does this racket victimize the public, it was harmful also to Canada's textile industry, already in a serious condition.

The Record turned these stockings and the manufacturers report over to Maurice Allard, M.P. for Sherbrooke and chairman of a committee he formed to study textile problems. He said that he would take them to Ottawa as an exhibit along with other data the committee had collected.

It was doubtful whether the persons responsible for the packaging and promotion of this merchandise could be prosecuted, according to the textile firm spokesman. If the stockings had been finished in Canada, he explained, the Canadian label might not be illegal. Also, at the present time, there are no uniform standards for the "First Quality" label.

A textile industry spokesman pointed out that it is common for partly finished goods to be imported and finished in this country. As long as a certain amount of finishing is done here, the goods may legally be stamped Made in Canada.

There was no question of "dumping", which involves importing goods at a price lower than the goods are sold for in the country of manufacture.

Responsibility for misleading labelling lay with the importer or jobber who sold the goods to the retailer.

The only safeguard that public and the Canadian Industry has, he said, is in buying brand names. Large manufacturers have a reputation to preserve and will not put their names on inferior merchandise, he added.

Mr. Belisle said the store selling the stockings could not be held responsible. The owner was a victim of the racket just as much as his customers, he maintained.

MADE WHERE ? — These stockings stamped at the top and on the package, "Made in Canada" and on the toe "Made in England," were sold in Sherbrooke for 89 cents. Analysis showed them to be of extremely poor quality, unlike the label which reads "Guaranteed First Quality." (Record Photo by Gerry Lemay)

Opposition Unity Held Essential

GRANBY, Que. (CP) — Jean Lesage, candidate for the leadership of the Quebec provincial Liberal party, said Tuesday night Liberals must join with all other groups to beat the electoral machine of Premier Duplessis.

Mr. Lesage, former federal minister of northern affairs and national resources, spoke to delegates of Liberal organizations from Brome, Missisquoi, Rouville and Shefford provincial ridings.

He said he has not yet spoken to former Montreal mayor Jean Drapeau, leader of the anti-Duplessis Civic Action League, about a possible alliance. He would not seek such an interview unless named provincial Liberal chief.

The City Becomes A Banker

Thinly-disguised though the move has been, the City of Sherbrooke apparently has entered the industrial banking business by the decision of the City Council to purchase a local industrial building for cash and then return it to its original owners on a modified deferred payment basis. Stripped of its fancy covering, the net result of the deal is that the City will advance the company $25,000 with which to reorganize its operating structure.

To the average citizen, the manoeuvre will require some explanation. Apparently the owners of the concern are constructing no addition to the property nor do they give any promise of increasing or maintaining their present payroll, the only two conditions that would justify the Council extending financial assistance.

The principle of a municipality providing financial aid for industries is difficult to justify at any time, as it opens the way for prospective firms to play one municipality against another in an effort to obtain the greatest amount of assistance possible.

Provincial legislation years ago outlawed the offering of cash bonuses to new industries and placed strict limits on tax exemptions and commutations. But these laws left the loopholes for indirect assistance in the way of financing building operations. And in recent years there has been a mad scramble to take advantage of them.

But this particular deal seems to stretch the law to the limit, if not actually snap it. The aldermen should make a close survey of their individual positions before they complete the by-law.

Red Carpet For Nasser

President Nasser of the United Arab Republic likes to assure his Western visitors that he is thoroughly independent of Moscow. Now that he's in the Soviet capital, he may have to tighten his muscles to maintain that posture.

When the Russians roll out the Red carpet, you can feel the nap almost at your knees. And that's the treatment they're giving Nasser.

Soviet receptions are staggering. Smiling children run up with flowers. The visitor's flag, big as a ship sail, hangs from every balcony. His picture, bigger than a movie star's in a Broadway ad, stares down at him at every turn.

Every time he picks up a newspaper he sees his picture again, with glowing editorials and biographies.

The crowds of cheering workers, students and children lining the streets make the man think he's running for re-election in his own home town.

Nasser would have to be a pretty sturdy reed not to bend before the agreeable breeze of Russian good fellowship.

Maybe he can stand up to it all. His first words on Russian soil, however, don't sound like a man determined to assert his ramrod independence no matter what. Said Nasser:

"Our people know the Soviet Union stands for peace."

Now that's just exactly what the Soviet Union does not stand for. If it did, then today there'd be no costly nuclear arms race, no contest for outer space, no cold war. There'd be lasting international agreements in writing, a unified Germany and Korea, and a world focussing on the tasks of human betterment rather than upon defense against ruinous war.

Nasser will have to do better than parrot the Russian peace line if he expects future visitors to Cairo to be able to distinguish him from the drooping willows on his home grounds. Even the gullible can take just so much.

Easy On The Throat, Girls

Sometimes help comes from unexpected quarters. Husky-voiced female singers have multiplied to the point of plague. How to arrest the tide?

Dr. Paul Moses, throat specialist at Stanford University says this business of casting the voice into the lower register and letting a lot of air escape to accent the husky tone is going to ruin a good many female vocal cords.

The damage comes, he says, because the enforced huskiness puts too much tension on the cords. It isn't exactly clear what happens to them. Maybe they become frayed — or slack. Anyway, it's not good, girls.

If the girls will just take the warning seriously, then maybe we'll get some singing from them that won't sound as if they'd used a steam boiler for an echo chamber.

Now if some bold doctor would just get up and say that rock and roll shouting and grunting damages the singer's inner ear — or something we'd really be on our way back from our long siege with Music to Give You a Nervous Breakdown.

Press Comment

BROOKLYN BRIDGE
(NY Herald Tribune)

—In this age of glass skyscrapers and futuristic banks, the 75-year-old Brooklyn Bridge still exerts a stronger pull on painters and poets than any other landmark in New York.

There are newer bridges here that ought to gratify our newer tastes—silver ribbons held by slender aluminum shafts. But they are cold creatures, no match for Roebling's stately span.

The bridge has many elements to tempt an artist or photographer —double Gothic arches of stone, an interplay of vertical and diagonal cables, shifting patterns of sunlight, a cathedral effect.

THE RIDEAU HALL POST
(Winnipeg Free Press)

Mr. St. Laurent is ,of course, being too modest when he says that the post of Governor General is not "something one gives to a worn-out politician." In fact, he would do the job admirably.

But that is not the point, and Mr. St. Laurent is wise to remove any doubts and make his own attitude clear.

It cannot have been easy for a man of Mr. St. Laurent's modest nature to place himself on record as not wanting a position that he has not been offered. But by clearing the air as he has done, in a direct and forthright way, he has rendered yet another service to the people of this country.

JAYWALKING
(Port Arthur News-Chronicle)

—Pedestrians who crossed busy street intersections against the red traffic signal have been able to do so without breaking the law if they could make such a crossing safely and without impeding other traffic.

That privilege is being withdrawn by amendments which were made to the Ontario Highway Traffic Act during the recent sittings of the Legislature and which will become law on May 26.

Many people assumed that the traffic signals applied to them just as they did to cars, trucks and bicycles. They did but if it was safe to make a crossing, pedestrians could do so.

GRASS RACETRACK
(Baltimore Sun)

To race-track habitues the color green carries mostly a financial connotation, but now that cheerful hue is being set before railbirds in the form of a new and exciting material: grass.

What's more, Laurel has had enough success with its grass track, set up only a little while ago on a highly tentative basis, to warrant an elaborate new expansion—complete with titlted grassy turns.

Laurel's liking for grass is a direct reflection of its European clientele whose thoroughbred performers, accustomed to the soft turf courses of the old country, go skittish on the bone-jarring dirt tracks routine to the United States.

From The Pen Of E. T. Writers

SALVATION ARMY

A hymn flings up the evening like a blind;
With drums and trumpets marching as to war,
The cross of Jesus going on before,
Three Christian soldiers clinging on behind.
So that which should have been a shroud shall wind;
The loins of one who watches on the shore;
And loaves and fishes feed the crowd once more;
One silver piece of thirty buy a mind.

This is your term; to set a spirit free,
An empty, aching belly must be fed
The wine and wafer of the Pharisee,
A cup of coffee or a crust of bread:
The Son of God was hung upon the tree,
The Son of Man is risen from the dead.

ANOTHER FRUSTRATED SUMMIT TRIP

Roman Catholics Recognize 8 Now

24 More Canadians May Be Canonized

OTTAWA (CP) — The Roman Catholic Church in Canada, with eight Canadian saints, has introduced the causes of a total of 24 other men and women for investigations which may lead to canonization.

All are dead, some for almost 300 years; others for less than 15. The searching investigations into their lives and writings may yet take centuries before final disposition by the Sacred Congregation of Rites at Vatican City.

Canada's first saints, canonized at impressive ceremonies in Rome in 1930, are the eight French Jesuit missionaries martyred by the Iroquois between 1646 and 1649. They are Jean de Brebeouf, Gabriel Lalemant, Isaac Jogues, Antoine Daniel, Charles Garnier, Noel Chabanel, Rene Goupil and Jean de la Lande.

* * *

There are three distinct stages in the procedure for sainthood. First investigations lead to the title of venerable. The second stage leads to beatification and the title of blessed; after two miracles proven to the church's satisfaction have been attributed to the person under study. The final step, canonization, comes after two more such miracles have been recognized.

The preliminary investigations start when a bishop sets up a court to hear witnesses and conduct research into the lives and writings of the subjects. If a diocesan tribunal—called the informative process on reputation for sanctity—reports favorably, the dossier goes to the Sacred Congregation of Rites in Rome.

The Vatican then appoints a new apostolic process to be conducted in the diocese during the general Promoter of the Faith, popularly known as the Devil's Advocate, carefully investigates all the facts.

In the third stage, the findings of the apostolic process go to the Sacred Congregation of Rites for three separate reviews, the last of which is by an assembly over which the Pope presides.

* * *

Canada now has two persons holding the title of "blessed" and another who is expected to be beatified soon; three who have been declared venerable and 13 in various steps leading to this title; and five whose causes have been initiated at the diocesan level.

The two who have reached beatification are:

Father Andre Grasset, a Sulpician priest born in Montreal in 1758, one of 191 martyrs of the French revolution in 1792. He was beatified Oct. 17, 1926.

Mother Marguerite Bourgeoys, born in France in 1620, who founded the Congregation de Notre Dame, a women's teaching order, in Ville Marie, as Montreal then was known. She died in 1700.

When, and if, two more miracles are attributed to them, they may be canonized and called saint.

Mother d'Youville, born Marguerite Dufrost de Lajemmarais in Varennes, Que., in 1701, founded the Institute of the Grey Nuns. The Sacred Congregation of Rites in Rome three years ago pronounced the authenticity of two miracles attributed to her since she was declared venerable in 1890. She will be beatified at an early date.

* * *

The three called venerable are:

Msgr. Francois de Montmorency Laval (1623-1708), a native of France who was the first Bishop of Quebec.

Mother Marie de l'Incarnation (1599-1672), a French widow (Mme. Claude Martin, formerly Marie Guyard) who founded the Ursulines in Quebec, the first teaching community in Canada.

Kateri Tekakwitha (1656-1680), an Indian girl born in what now is Auriesville, N.Y., who was associated with the St. Francis Xavier mission at the Caughnawaga Indian reservation near Montreal.

Others in various stages leading to the title of venerable:

Father Eugene Prevost (1860-1946), St. Jerome, Que., founder of the Sacerdotal Fraternity for men and the Oblates of Bethany for women, whose purposes are to aid priests throughout the world.

Mother Marie - Leonie (1840-1912), born Alodie Virginie Paradis in St. Jean, Que., who founded the Little Sisters of the Holy Family which has almost 2,000 members in Canada, the U.S. and Rome. She formerly was a member of the Sisters of the Holy Cross of Notre Dame in Indiana.

* * *

Mother Marie-Rose (1811-1849), the former Eulalie Durocher of St. Antoine sur Richelieu, Que., foundress of the Sisters of the Holy Names of Jesus and Mary, whose 4,000 members teach in Canada, the U.S., and Basutoland, Africa.

Mother Marie-Anne (1810-1890), the former Marie-Esther Blondin of Terrebonne, Que., foundress of the Sisters of Ste. Anne, whose 2,500 members teach, nurse and care for the poor in orphanages, homes for the poor and hospitals.

Mother de la Nativite (1794-1864), a widow from Lavaltrie, Que., the former Mrs. Jean Marie Jette whose maiden name was Marie Rosalie Cardon, foundress of the Misericordia Sisters, an order with houses in Canada and the U.S. which cares for unwed mothers.

Mother Gamelin (1800-1851), the former Mrs. Jean Baptiste Gamelin, born Marie Emilie Eugene Travernier in Montreal, who founded the Sisters of Charity of Providence, with 3,500 members helping the physically and mentally ill.

Miss Jeanne Mance (1606-1673), a native of France, a nurse who founded the Hotel Dieu Hospital in Montreal in 1642.

Mother Catherine de Saint Augustin (1632-1668), a native of France, one of the early Hospitallers of St. Augustin of the Hotel Dieu Hospital at Quebec City.

Father Frederic Janssoone (1838-1916), a Franciscan priest born in France, who worked in the Holy Land and promoted the shrine of Our Lady of the Holy Rosary at Cap de la Madeleine, Que.

Others whose causes have been initiated:

Father Alfred Pampalon (1867-1897), of Levis, Que., a Redemptorist priest noted for his work among the intemperate.

Brother Antoine Kowalczyk (1866-1947), a native of Poland, a member of the Oblates of Mary Immaculate who came to the missions of Western Canada in 1896 and worked 27 years at St. John's College, Edmonton.

Brother Didace Pelletier (1657-1699), of Ste. Anne de Beaupre, Que., believed the first Canadian to become a lay brother. He was with the Recollect order.

Mother Ste. Cecile de Rome (1897-1929), of Quebec City, the former Diane Belanger, a member of the Congregation of Jesus and Mary.

Gerard Raymond (1912-1932), of Quebec City, who aspired to the priesthood but died before achieving his aim.

NATION OF MEAT EATERS
(Moose Jaw Times-Herald)

There is every probability that beef on the hoof ,and as a consequence over the retail counters, is going to cost more in 1958 than it did last year. The reason is that it looks as though there will be a good market for Canadian cattle south of the International border.

With this propect ahead, though it might not materialize, it will be interesting to see whether Canadians will maintain their consumption of beef of 74.8 pounds per capita this year. Last year Canadians consumed 142.5 per capita of red meat. This is an increase of 20 per cent over the per capita consumption of prewar years, and substantially higher than the average of 133.3 pounds in the five years 1946 to 1950.

The Canada Year Book of 1929 shows the per capita consumption of beef, pork, mutton and lamb in 1927 was 156.30 pounds per capita. The consumption of beef per capita in 1927 was 68.76 pounds; of pork 81.43 pounds and of mutton and lamb 6.11 pounds. However in 1924, Canadians were eating more red meat than they do today, 165.80 pounds per capita. In 1954 Canada's per capita consumption of beef was 72.0 pounds, not so much more per capita than 1957's 74.8 pounds, though it meant more beef consumed by more people last year.

SUPER SAFETY PLAY REWARDS

Here is an example of a super safety play from Marshall Miles' book.

East wins the opening heart lead with the ace and returns the seven. South gathers in the trick with the jack and notes that he is in a mighty good contract. It is a cinch that West doesn't have more than one spade and a five-diamond contract would wind up in the achcan. Hence, if South is a smart duplicate player he will make sure of his nice four no-trump contract.

How does he go about it? Easy if he has seen all the cards and just as easy if he wants to play safe. He leads a diamond and ducks completely in dummy.

When East shows out his caution is rewarded. He must make six diamonds, two hearts and two clubs and his contract. Of course, if East should happen to gather in the trick with a singleton nine or ten, South will have lost a trick but he could well afford it. As mentioned already, South was in a fine contract.

Futhermore, the safety play is not at all far-fetched. East had bid up to four hearts all by himself vulnerable. He certainly would hold at least 11 cards in the major suits and could easly be void of diamonds.

CARD SENSE

Q—The bidding has been:

North	East	South	West
2 Dmds.	Pass	?	

You, South, hold:

Spades A-2, Hearts Q-6-5-4, Diamonds Q-8-6-5, Clubs K-2.

What do you do?

	NORTH ♠ 9 7 5 4 ♥ 6 ♦ A K J 6 4 3 2 ♣ 8	
WEST ♠ None ♥ 9 8 5 3 ♦ Q 10 9 8 ♣ Q 10 7 5 3		EAST (D) ♠ A J 10 8 3 2 ♥ A Q 10 7 2 ♦ None ♣ 9 4
	SOUTH ♠ K Q 6 ♥ K J 4 ♦ 7 5 ♣ A K J 6 2	

Both vulnerable

East	South	West	North
1 ♠	1 N.T.	Pass	3 N.T.
4 ♥	Double	Pass	4 N.T.
Pass	Pass	Pass	

Opening lead—♥ 3

A—Bid three diamonds. You are on your way to a slam but should set the diamond suit as a starter.

TODAY'S QUESTION

Your partner continues with a bid of three no-trump. What do you do now?

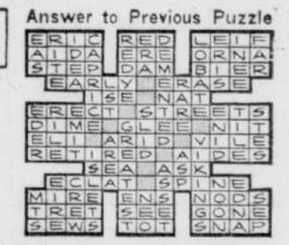
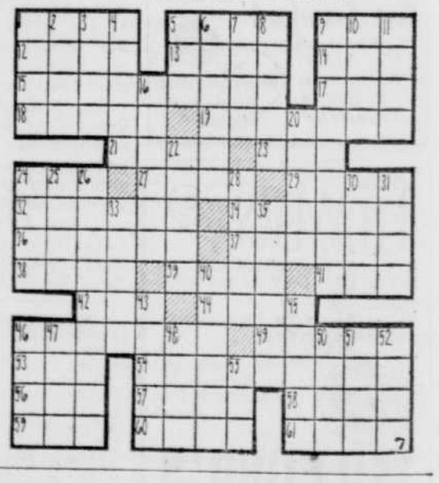
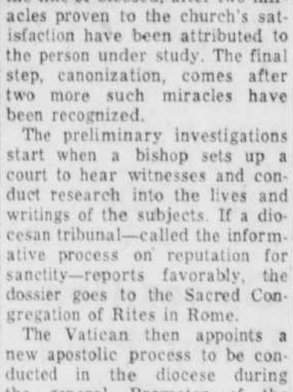
Answer to Previous Puzzle







In 1899, Ransom E. Olds, who had been building engines for farm equipment and experimenting with an automobile, found the streets of Lansing, Mich., too rough and bumpy to test and demonstrate his car. He moved to Detroit, where he built the first factory in the U.S. devoted to manufacturing autos and thus started Detroit on the way toward becoming the automobile center of the world.

Fed. Agriculture Dept. Becoming Sleuth Dept.

HULL, Que. (CP)—The federal agriculture department has entered the field of crime detection.

Department laboratories in this city across the Ottawa River from the capital produce serums by which investigators can tell, almost on the spot, whether blood on the clothing of a suspected slayer is that of a human.

The serums, drawn from the blood of humans and various animals, react only to the blood of the human or animal from which the serum was taken.

One use has been to detect horsemeat in what is sold as hamburg.

CHECK TRAPPERS

The RCMP, who keep a supply of serum, use it to check blood on a trapper's equipment to determine whether he has been taking certain animals illegally. Serum applied to scrapings from a trap will decide the species trapped.

If serum to detect wolf blood is wanted, a sample of the animal's blood is injected into a rabbit, which immediately begins to build up antibodies to the foreign blood. Blood from the rabbit, after chemical processing, produces serum for detecting wolf blood.

This serum will react to wolf blood only. If a trapper says he was trapping wolves but police suspect he was taking some other species, they need only apply the wolf serum to his equipment to learn whether he is telling the truth.

Problems arise, however, in attempting to differentiate between similar species, such as wolves and dogs. That human blood is similar to that of an ape represents more of a problem to African police than to Canadian authorities.

Frost, Drought Harm China's Winter Harvest

By JACK GEE

PEIPING (Reuters) — Recent droughts and frost are disturbing China's planners as they study first reports of winter harvesting and spring sowing.

What is being reported could tip the balance between starvation and subsistence for the farmers. It could mean the difference between failure and success for the country's ambitious industrial program.

A ministry of agriculture official said in the People's Daily, organ of the Chinese Communist party: "The wheat is generally coming up very well. But roughly 10 to 15 per cent of the crop is not up to standard and this is a serious problem."

Official returns forecast that the winter wheat crop in the southern province of Kwantung will be double last year's and that Honan, Central China, will produce 50 per cent more.

SMALLER ACREAGE

But the winter crop was sown last fall during a widespread drought which obliged the government to reduce the area under seed to 59,675,000 acres from the previous season's 67,675,000 acres.

Until the crop is gathered in during June, it will remain at the mercy of renewed drought threatening the valleys of the Yellow River and Yangtze, China's main waterways. In Honan, farmers have been lighting fires in the fields to protect the grain from frosts.

In Northern China, according to the People's Daily, the total rainfall has been only 40 to 70 per cent of what is needed to safeguard the crops in Kansu, Shansi, Shensi, Hopei, Shantung and Inner Mongolia.

The Chinese leaders are doing all in their power to win the battle. Countless city workers, including more than 1,300,000 government officials, have been sent to the country from factories, offices and stores since last fall to swell the rural labor force.

LITTLE LEEWAY

To improve acreage yields, the government is investing 2,940,000,000 yuan ($1,176,000,000) in agriculture this year, 41 per cent more than in 1957. Most of the money will be spent on farm machinery, fertilizers, and tractors, imports of which are to be increased by 50 per cent.

China produced about 755,000 tons of chemical fertilizers last year, buying more than twice as much from abroad. But by 1962, it plans, thanks to big fertilizer plants now being built, to produce 6,000,000 tons a year.

China's fast growing population —between 15,000,000 and 20,000,000 more mouths to feed each year—allows little margin for errors in the calculations of the agricultural planners. During the last five years, the annual crop increase has only just kept ahead of the rate of natural increase.

DUNHAM —

At the regular meeting of the Guild of All Saints Church, held at the home of Mrs. C. Manson, it was planned to hold a rummage sale in the I.O.O.F. Hall on May 7.

The Women's Auxiliary of All Saints Church sponsored a salad tea in the church hall at which proceeds amounting to over $40 were realized. Visitors from East Farnham and Frelighsburg were in attendance.

Friends of Mr. R. W. Paul will regret to learn he is a patient in the B.M.P. Hospital at Sweetsburg.

Bell Reports On Earnings

MONTREAL (CP) — Bell Telephone Company of Canada today reported net earnings of $8,911,879 or 49 cents a share, for the first quarter of this year, compared with $8,937,733, or 58 cents a share, in the first quarter of 1957.

The announcement said the average number of common shares outstanding during the 1958 period was 18,015,836, against 15,542,127 in the 1957 period.

Operating revenues in the first three months of this year increased to $77,411,852 from $71,504,095 in the first quarter of 1957 but operating expenses increased to $56,899,838 from $50,949,158.

President Thomas W. Eadie, in a message to shareholders, said the federal cabinet's decision to rescind a general telephone rate increase authorized by the board of transport commissioners "has serious implications for the company" and a study is under way to determine what action should be taken.

left arms or legs on the battlefield, some would never see again, some needed permanent braces and splints to hold shattered limbs together.

In a single year, the veterans affairs department issues nearly 100,000 appliances ranging from hearing-aid batteries to socks for limb stumps.

On V-E Day, the army had a strength of some 490,000, about 285,000 of them overseas. On the same date, the RCAF had 181,000 personnel and the navy more than 92,000.

When the Japanese surrendered formally Sept. 2, 1945, the demobilization rush was on. By January, 1946, the armed forces were down to a total strength of some 26,000.

With the coming of the cold war, this number had to be laboriously built up again to today's 120,000.

City Ends Toleration Of Building By-Law Breaches

A decision to end tolerance with regards to the enforcement of the building laws was adopted by the city council when the aldermen reviewed a report that Adrien Poulin, a housepainter on St. Esprit St., had constructed a garage in excess of the dimensions permitted by the city building laws.

The staunchest supporter of Mr. Poulin was South Ward Alderman Carl Camirand.

He said Poulin was an invalid with two broken arms and that he had a small income.

Ald. Everett Nicol suggested two steps: Order the building torn down and fine the owner for the infraction.

Ald. Antonio Pinard argued that there were buildings in worse condition tolerated throughout the city.

Has the city ever ordered a building torn down? Ald. Paul Gervais inquired.

No, said Ald. Camirand, but the city ordered one man to stop a construction when the building was half way through the completion.

Director of Services' Charles Langlois brought the discussion back to the original topic when he said that "If you don't stop them, they will continue to pass over the regulations."

Ald. Camirand asked why the infraction had not been reported earlier after it was noted that the building had been standing for six months.

"The building inspector cannot be everywhere," Ald. Marcel Savard replied.

Both Ald. Camirand and Pinard suggested the police check a builder's permit when they see any new construction underway.

Ald. Pinard and Ald. J. M. Jeanson both suggested toleration.

Ald. Carrier Fortin recommended that the matter be turned over to the director of services.

Mayor Nadeau said Mr. Langlois could only apply the law.

Finally Poulin was ordered to tear down that part of the building over the limit allowed by building laws.

ELM TREES

An offer to prune the city's elm trees preparatory to spraying against the Dutch elm blight was studied by City council.

The offer, entered by a local firm, set the price of pruning at $800 or $1.60 each for 490 trees. The city would be obliged to remove the dead branches.

Ald. Everett Nicol said the city should make the spraying of elm trees on private properties obligatory.

LEGAL FEES

The city decided to pay the firm of Duquet, MacKay, Weldon and Tetreault of Montreal, $3,800 for legal fees in connection with a recent bond issue.

This decision was arrived at after, what was later learned, a heated debate from which the press was excluded.

There were three dissenting voices registered.

Lennoxville Art Class Planning Annual Display

The Lennoxville Art Class, which has met throughout the winter on Monday evenings in Douglas Hall of the United Church, will hold their fourth annual Exhibition in the Gertrude Scott Hall, on Wednesday, May 14, from 3.00 to 6.00 and 7.00 to 10.00 p. m.

The membership of the Art Class is community wide and the exhibition is not limited to the members of the Art Class. Anyone wishing to exhibit one of their paintings or other work of Art is cordially invited to do so. Exhibits will be received on May 13, from 7.00 to 9.00 p. m. at the Gertrude Scott Hall. As in former years there is no attempt at comparative rating or judging of exhibits. No prizes are offered.

The exhibition, which has grown in popularity each year, offers amateur artists and students an opportunity to display their work. Many who exhibit never painted before and have surprised themselves and their friends at their hitherto hidden talent. The exhibition is not limited to paintings and sketches, but the entry of hobbies is especially encouraged.

Afternoon tea and evening refreshments will be served. The entire proceeds this year will be devoted to aid the further development of the Community Park Project. The proceeds of the three former Exhibitions were donated by the Art Class to the Fund for the Restoration of the Memorial Stained Glass Windows of the United Church of Lennoxville.

Three Arrested At Granby For Waterloo Theft

WATERLOO — Daring thieves drove off in Maurice Morin's new car early yesterday morning while it was parked in front of his home on Shaw Street.

Mr. Morin had just returned from his work at the C.P.R. telegraph office at Foster prior to attending the funeral of his mother-in-law, Mrs. Amedee Pinsonneault, when Mrs. Morin saw the three youths drive off in the car, a 1958 Ford.

Police Chief Pierre Rochon was notified immediately and Granby and Sherbrooke police were notified of the theft. Ten minutes later the thieves smashed in the wall of the Granby Elastic Webb factory.

Granby police were on hand and promptly took the driver into custody while his two companions boarded a freight train moving slowly along the adjoining tracks. Upon threat of shooting by the police, they disembarked.

The youths, aged 17, 18 and 19, were detained a tthe Granby Police Station for questioning. They stated they were from St. Jovite and were passing through Waterloo en route to Sherbrooke. They had left their car, a Chevrolet, parked on Shaw Street.

Damage to Mr. Morin's car is estimated at $400.

Release Requested

LONDON (Reuters)—A deputation called at the United States Embassy to demand the release of the crew of the ketch Golden Rule Tuesday. The Golden Rule was sailing from California to Eniwetok in the Marshal Islands to protest against nuclear tests when its crew was arrested at Honolulu.

Accountants To Recognize Local Commerce Course

The Institute of Chartered Accountants of Quebec has officially recognized the courses given by the Faculty of Commerce. A student holding the degree of Master of Commerce from the University of Sherbrooke who has completed the full Accounting option will be allowed to write the Final examination of the Institute at any time after graduation.

He will be required to serve two years in the office of a practicing Chartered Accountant in the province of Quebec before being admitted to membership in the Institute.

This decision is greatly welcomed, said Dean Charles Belanger, C.A. To ensure the success of its students, the Faculty of Commerce will establish a coaching course, if required. Thus, the newest University in the Eastern Townships is allowed a treatment comparable with that enjoyed by older institutions in Montreal and Quebec.

Dean Belanger paid tribute to the Director of the Faculty, Dr. Rosario Cousineau, Ph.D., and to the Professors for their heartfelt devotion to education.

Cards of Thanks

NORTON — We wish to express our thanks to our friends and neighbours for their many acts of kindness shown us at the time of the death of our beloved father and grandfather, George W. Westover.

We especially wish to thank Rev. T. E. R. Nurse, the bearers, those who sent flowers, the nurses of the Royal Victoria Hospital. The staff at the Elliott Rest Home, Knowlton, and those who sent cards and letters. Your kindness will always be remembered.

MR. & MRS. GEO. A. NORTON, AND FAMILY,
(Son-in-law and daughter and grandchildren).

SINCLAIR — I wish to express my sincere gratitude and appreciation to all my relatives and friends who were so kind to me while I was a patient at the Sherbrooke Hospital. To all who visited me, and sent cards and gifts. A special thanks to Dr. MacLeod, to nurses and nurses aides on the third floor who made my stay a very pleasant one. Your kindness will always be remembered.

EILEEN SINCLAIR.

Mrs. Edward Holgate has returned to her home on Ontario St., after attending the funeral of her cousin, Mrs. Catherine Campbell which took place in Barre Vt. While there she was a guest of Mr. and Mrs. James B. Stuart.

Miss Louise Brunet, of Coaticook, Que., a popular bride-to-be of the month, was the guest of honor at a charmingly arranged bridal shower at the home of Mr. and Mrs. Wilbur McCurdy, Spring Road. Mrs. McCurdy was assisted in her duties as hostess by Miss Florence McCurdy, of Shawinigan Falls.

To the strains of the Bridal Chorus, played by Mrs. Arthur Coates, the guest of honor was welcomed by upwards of fifty relatives and friends and was presented with an attractively decorated basket filled with varied and useful gifts for her new home. She was assisted in unwrapping the gifts by her mother, Mrs. Edward Brunet and Miss F. McCurdy. Miss Brunet then expressed her thanks to her friends for the lovely gifts and good wishes.

Refreshments were served from the lace covered table centered with daffodils in a large bowl. Assisting the hostesses in serving were Mrs. V. Pierce, Mrs. J. Garfat and the Misses Hazel Pierce and Frances and Virginia Garfat.

Guests present were from Coaticook, Richmond, Brompton Road, and Cookshire.

Practice Makes Perfect, Even in Art of Entertaining

"I am so shy and unsure," writes a young wife, "that I am afraid I am going to be a drag on my husband, who is smart and ambitious and has a good job.

"When I am introduced to a stranger, I can't think of anything to say. And in the three years we have been married I have made excuses for not entertaining, because I hate to invite people to our house for fear I can't make them have a good time.

"Do you have any suggestions that might help me overcome this horrible shyness?"

First of all, you must realize that most people are a bit unsure of themselves, but learn to cover up their uncertainty until they outgrow it.

It will help to put you at ease if you just remember that the person with whom you are trying to make conversation is probably trying just as hard as you are.

Face the Challenge

But the most important thing is to make yourself do the things you are afraid to do — like entertaining — instead of running away by making up excuses.

If your first few parties aren't as relaxed and easy as you would like to have them, what of it? Look on them as practice sessions, where you can learn from experience.

Each time you entertain, entertaining will be a little easier and less of an ordeal. Keep it up, and you will soon begin to enjoy your own parties. And when you do, you can be sure your guests will enjoy them, too.

Never miss an opportunity to do something, however small, for someone else. For the easiest way to forget yourself is in doing something for another person. When you know you are being helpful, you don't have to worry about not being wanted or in being in the way.

Don't give in to your shyness. Fight it. It's just one phase of growing up.

Homemaking

Bake goods that bubble over lead to unnecessary cleaning chores. Prevent extra work by placing a cookie sheet or aluminum tray under pie, cake pan or casserole. After baking, simply wash sheet along with other cooking utensils.

Shopping for groceries without a list leads to interesting discoveries when you get home. Get in the habit of checking all storage shelves to see what essentials need replenishing. This will save a late night trek to the corner store.

ATTEND DEMONSTRATION — Members of the Lennoxville Wing of the Sherbrooke Hospital Ladies' Auxiliary were given some handy pointers about freezing foods yesterday by home economist Mary Bushee. Miss Bushee is shown above serving refreshments to some of the ladies prior to the demonstration at a local frozen foods distribution plant. From the left are: Miss Bushee, Mrs. L. W. Bladon, Mrs. T. P. Hanson, Seymour Jacobson, plant manager, Mrs. W. S. Aird, Mrs. Seymour Jacobson, hostess and, Mrs. R .A. Gilham. (Record photo by Gerry Lemay)

Hints On Freezing Food Given Lennoxville Hospital Group

How do you freeze an egg?

Can meat be refrozen once it has been defrosted?

What happens to peppers or potatoes when they are frozen?

These and a number of other questions were answered by an authority on the subject at a demonstration yesterday afternoon at Sherbrooke Frozen Foods Inc.

Members of the Lennoxville Wing of the Sherbrooke Hospital Ladies' Auxiliary were among those who attended the event.

Miss Mary Bushee, national home economist of Amana Refrigeration in Amana, Iowa, explained the advantages of the freezing process, the methods of freezing different foods and told those that didn't take to this process of preservation.

Boiled potatoes or potato salad, for instance, don't appreciate being chilled to this extent. But bake them or mash them with milk and they'll come out of the freezer in top condition.

Berries are a natural and Miss Bushee showed samples of sliced bananas that were frozen solid but still were perfect in color. She cautioned against trying to freeze whole apples though.

A simple method of freezing eggs she said was to break them into greased muffin tins or into each section of an ice cube tray - and break the yolk she suggested. They'll keep frozen in this manner for six to eight months. Soup could also be frozen in this way she said.

Remove the seeds from green peppers before freezing she advised. Fish will keep longer in an ice block-another tip.

Most meat, once it has defrosted (no ice crystals left) should be partially or completely cooked before refreezing. And Miss Bushee suggested cooking enough for two meals at the same time and storing one for future use.

Cans or milk containers are good for storing as long as they are well sealed the economist said.

Youth Work In Israel Described To Hadassah

Mrs. Charles Eisenstat of Montreal Hadassah addressed the local chapter at the annual Youth Aliyah Dinner held recently at the Synagogue Hall. Mrs. Leah Echenberg introduced the guest speaker.

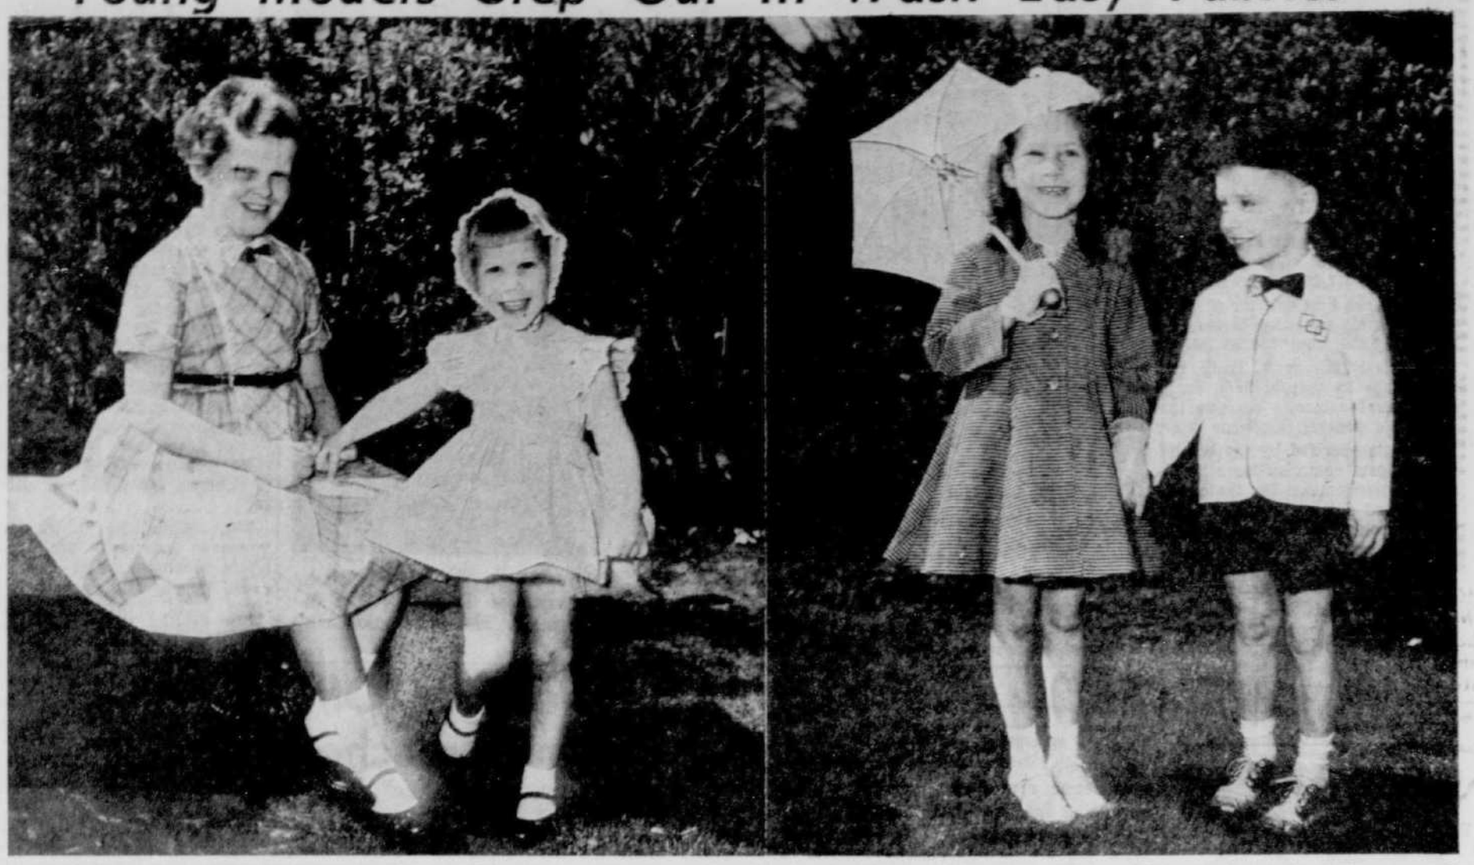
Mrs. Eisenstat spoke of the various works being carried on by Hadassah in Israel, and especially about Youth Aliyah, which is a centre for the rehabilitation of young girls — their health, growth and training towards useful citizens. After having made three trips to Israel in recent years as representative of National Hadassah, Mrs. Eisenstat was able to offer a most interesting and factual report.

Mrs. I. Echenberg thanked the speaker for having given the members an insight into general conditions and way of life in Israel.

Mrs. Max Rothschild, president of Sherbrooke Hadassah, voiced her appreciation to the conveners of the Youth Aliyah campaign and the Ways and Means Committee for having planned and carried out this pleasant social event.

Maytime Fashions

Young Models Step Out In Wash Easy Fabrics



READY FOR A STROLL IN THE PARK — Mary Rice, at left, is seen in a Sunday frock of pastel shaded cotton plaid with lace edged front panel and small white collar finished with neat black bow. Standing beside her is Candy Clark in an adorable everglaze printed pinafore frock with lace trimmed sun bonnet to match. Pictured at the right is Penny Taylor wearing a handsome houndstooth check coat, with tailored velvet collar. The outfit is topped with a dainty powder puff hat of nylon and parasol to match. Her dashing young escort, Tony Davidson, is wearing a tailored Eton jacket of Dan River wrinkle shed fabric, piped in brown to match the shorts. A brown Eton cap and perky tie complete the smart outfit. (Record Photo by Gerry Lemay)

While mother is adorning herself with the new straight lines of the sheath and chemise, the little miss still clings to the full gathered skirts and lacy crinoline petticoats. This was proved by the numerous washable cottons and dacron frocks, from Tot's Town so adorably modeled before a large audience at the Maytime tea, held on Monday afternoon by St. Faith's Guild in St. Peter's Memorial Hall.

In a Maytime garden setting, styles shown for the young miss and her brother included the latest in school togs, play and swim wear, and lovely cottons for that special occasion.

In buying childrens' wear, mother's chief concern is will it launder well and stay as fresh as when purchased. Advances in textile products have made the popular cottons wash proof, requiring little or no ironing and color fast.

Polished broadcloth, everglaze prints and chino for sports wear, were shown to advantage in a wonderful collection of tots' clothes for every occasion.

No professional model ever pirouetted into the hearts of an audience as did the sweet young models on Monday. With their unaffected actions, each one openly vying to win approval, it was indeed a delight to watch.

The ivy league influence, so popular with the college man, has its smaller counterpart in togs for the younger brother, and even little sister has caught a bit of it for her own. Ivy league tan chino pants with contrasting jerseys make smart outfits for school, and when off to a party, navy blue shorts with ivy league drip dry shirts, give that young man a feeling of importance.

Lovely floral and stripe prints, all color fast and washable, were shown in many delightful styles, for the very little girl, gay pinafore dresses with matching sunbonnets are the rage, and for her older sister the new bow-trimmed chemise.

The wide variety of play and swim togs shown are all made of durable and easy care cotton twills and chino, with the daintiest of terry cloth jackets for beach wear.

The young models were Judy Kandalaft, Marlene Kandalaft, Gary and Karen Miess, Beatrice Bennett, Cynthia and Elizabeth Munster, Wendy and Ward Westgate, Penny Taylor, Karen Clark, Tony and Scott Davidson, Janet Savage, Joan Lyon and Mary Rice. Mrs. J. K. Doherty acted as commentator with music supplied by Mrs. P. A. Dauncey.

Prior to the fashion show, tea was served by members of St. Faith's Guild under the convenership of Mrs. C. S. Ives and Mrs. H. Edney.

The handsomely appointed tea table was attractively arranged with daffodils and iris in a silver bowl, flanked by green tapers in crystal candelabrum. Daffodils in crystal vases were used on the small tea tables.

Pourers during the afternoon were Mrs. Guy Marston, Mrs. Russell Bartlett, Sr., Mrs. Fred Simpson and Mrs. Lennox Wilson.

The tea tables were in charge of Mrs. W. G. Hunter and Mrs. Reid Moe who were assisted in serving by Mrs. D. Green, Mrs. R. Cotterell, Miss Doris Giroux, Mrs. A. Ross, Mrs. R. Bartlett, Jr., Mrs. T. J. Quintin, Mrs. T. Southwood and Mrs. H. W. Bough.

Tea replenishers were Mrs. C. K. Bartlett and Mrs. R. J. Wiggett.

Decorations were in charge of Mrs. Lennox Wilson assisted by Mrs. George Kanadalaft.

Guests were received by the president, Mrs. E. E. Goodenough and Mrs. Walter Readshaw and Mrs. George Chapman acted as cashier.

Kitchen duties were taken care of by Mrs. F. W. Jackson, Mrs. C. M. Wiggett and Mrs. C. Williams.

Tables of attractive wares for sale were in charge of: novelties, Mrs. C. J. Timleck and Mrs. A. Spafford; wool, Mrs. Frank Milne and Mrs. W. G. Green; smocked dresses, Miss Luvia Wootten; aprons, Miss Gertrude Fox, Mrs. Guy Bishop and Miss Minnie Giroux; Evening Group, Mrs. H. Clark; food, Mrs. H. L. Pettes and Mrs. James Corfield; greeting cards and novelties, Mrs. Guy Bryant.

Marriages

PATRY—HEBERT

BEDFORD — The marriage took place at the parish church of St. Damien on Saturday, April 19th, at ten o'clock, of Miss Lise Hebert, eldest daughter of Mr. and Mrs. Ernest Hebert, of Bedford, to Mr. Paul Patry, son of Mr. and Mrs. Antonio Patry, of Gatineau Point.

The bride was given in marriage by her father. Mr. Antoine Patry accompanied his son and the Rev. Father Hyacinthe Hebert, Dominican, officiated at the wedding ceremony.

During the wedding ceremony vocal selections were rendered by Mr. A. Velle, of St. Johns and Mr. St. Martin, of Bedford, with Miss Hebert as organist.

The church decorations were carried out with white flowers, similar flowers being used to designate the guest pews. The ushers were Dr. Guy Hebert, of Ottawa, brother of the bride and Mr. Gerard Boyer, while the bride's little sister Mirelle was flower girl.

Following the wedding ceremony, a reception was held at the Riverview Hotel, and later Mr. and Mrs. Patry left on a wedding trip to Washington, D.C. On their return they will take up residence in Ottawa.

Mrs. A. Buzzell Re-Elected President Of Magog Catholic Women's League

MAGOG — Mrs. A. Buzzell was re-elected president of the Catholic Women's League at a regular meeting held recently. Other officers elected are as follows:

First, second and third vice-presidents, Mrs. R. Langlois, Mrs. R. Ethier and Mrs. G. Gauvin; treasurer, Miss Ena Donigan; recording secretary, Miss Mildred Donigan; corresponding secretary, Mrs. W. T. McClements.

Councillors: Mrs. G. Lacroix, Mrs. J. Shaw, Mrs. S. Perrault, Mrs. C. Martel and Mrs. O. Boudreau.

Miss Yvette Campbell, guest speaer, in a humorous and informative manner, gave the highlights of the C.W.L. convention at Saskatoon, Sask., to which she was a delegate. She was thanked by Mrs. George Pott.

The various committees then presented the annual report as follows:

Mrs. C. Baird, food basket conveners: 23 baskets delivered at cost of $210.35.

Mrs. E. Lacroix, welfare convener: Shoe and overshoes purchased to the amount of $23.36, 85 pieces baby clothing; 88 articles of clothing to St. Marguerite's parish, 21 boxes used clothing to Legion, 97 pieces of adult clothing to mission, 84 assorted household articles and clothing to needy persons.

Mrs. W. T. McClements, corresponding secretary, reported on cards and letters received and sent. Miss Patricia Baird, membership convener, stated there were 38 paid-up members in the League. Miss Patricia Roy, press convener, reported on publicity in Sherbrooke and Magog newspapers.

Mrs. Gaston Gauvin, Sisters of Service convener, reported 12 pounds of clothing, toys, etc., and a $5 donation.

Mrs. Romeo Langlois, publicity convener, gave an account of advertising for League activities.

Mrs. R. Ethier and Mrs. J. Shaw, hospital conveners, stated 565 aged persons and 26 hospital patients had been visited by members, 596 French magazines and 363 English publications distributed to shut-ins, 21 Christmas gifts given elderly ladies at La Providence, puzzles, candy and cakes distributed, cards and gifts sent to hospitalized friends and members, 15 hours assistance given Blood Donor Clinic during August and a sunshine basket sent to a Magog lady in a Sherbrooke hospital.

Mrs. E. J. Lapine, entertainment convener, reported on the membership tea and the Christmas tea and food sale. Tea was served at monthly meetings and a food sale also held at one meeting.

Mrs. P. Gauvin, education convener, said $35 was donated for prizes for English classes at Brassard School and Convent and $25 towards text books for needy pupils at the same school.

Mrs. S. Perrault, spiritual convener, reported a Missal donated, masses sung for deceased members and in honor of League patroness, spiritual bouquets for Pope Pius and Bishop Whalen, flowers provided St. Patrick's Church and convent chapel, pamphlet rack installed in St. Patrick's and supplied with literature. Choir and League members and several friends had enjoyed a motor trip to Plattsburg, N.Y.

Mrs. C. Martel, magazine convener, reported three new subscriptions to the Canadian League Magazine and the Magog group forwarded $3.80 to the magazine so that each member should receive the periodical for three months.

Refreshments were served at the close of the meeting by Mrs. R. Ethier and the Misses Donigan.

Changing Face Of Paris; New City Rises Beside Old

PARIS (Reuters) — The face of Paris is changing.

By the time the present 10-year municipal building plan is completed, a modern city will have taken its place alongside the old metropolis. City blocks of concrete, steel and glass will have risen where today crumbling tenements stand, and broad thoroughfares will girdle the city.

In the last eight years, the city's planning authorities have been faced with the challenge of either setting in motion a bold, fast-moving program of reconstruction, or allowing much of old Paris to degenerate into a congested slum. Two years ago, they faced up to the problem and launched this 10-year program.

Greater Paris has a population of 8,000,000 and the total is increasing at twice the rate of the rest of France.

But where the populations of other world capitals tend to make their homes on the fringes of the city or in nearby satellite towns, the tendency in Paris is for the population to gravitate toward the centre and settle as near its heart as possible.

OLD BLOCKS

This tendency aggravates the housing scarcity in a city where the average age of a block of apartments is 100 years, where there are many tenements which have stood for the better part of three centuries, and where old dwellings are becoming uninhabitable faster than new ones can be built.

The new building program is the most ambitious feat of town planning that the city has known since Baron Haussman demolished the teeming slum warrens of medieval Paris 130 years ago to make way for his broad, tree-lined boulevards.

Now, once again entire quarters of the city which have stood for centuries are being marked for demolition.

In addition to slum clearance, the 10-year plan includes an imaginative program of road building. A belt highway for fast traffic will encircle the city, joined at various points by arterial streets.

One of the most impressive landmarks on the new face of Paris will be a 21-storey apartment building on the left bank—Paris' first real "skyscraper." When it is completed next year, the building will be in a class with four other landmarks which rise above all else on the Paris skyline: the Eiffel Tower, Notre Dame Cathedral, the Sacre Coeur Church and the Arc de Triomphe.

GEORGEVILLE —

Mrs. Hubert Dustin entertained in honor of the third birthday of her daughter, Susan. Those who attended to help Susan celebrate were Maurice Drew, David Partington, Susan Keet, Judy Drew and Barbara Thayer. Mrs Dustin served refreshments which included a birthday cake. Miss Judy Drew led in singing "Happy Birthday" with the guests joining in. Susan received many cards and gifts.

Mrs. Ethel Hand, of Graniteville, is a guest of Mrs. Flossie Hand.

Mr. and Mrs. Edward Chaplin and daughter Susan, of Abbotsford were guests of Mr. and Mrs. Courtland Drew.

Meeting Held By Ladies Aid At Rock Island

ROCK ISLAND — The Stanstead South Church Ladies Aid met in the church hall. The president, Mrs. Harry Smith, presided.

Mrs. T. W. Tyson announced the 35 Club will hold its final paper drive the end of May.

The next meeting was planned for May 15.

Mrs. Horace Cordeau gave one of her fine readings. Miss Agnes Greenwood presented gifts to three birthday celebrants, Mrs. Bertha Wallace of Ayer's Cliff, who is always a welcome visitor, Mrs. Alton Hull, of Derby Line, and Mrs. Horace Cordeau, of Rock Isalnd.

Miss Greenwood who celebrated her birthday on May 6, was presented with a gift of money by Mrs. Smith from the friends assembled.

Supper was served with the members being joined by several persons of the villages.

CRYSTAL REBEKAH LODGE

Past Noble Grands' night was observed by Crystal Rebekah Lodge on the evening of April 22, with Past Noble Grand, Sister Annie Waide in the chair. All chairs were taken by Past Noble Grands.

Routine business was conducted and the members voted for an assembly Warden.

A food sale was planned to be held in the Southern Canada Power show room on Thursday afternoon, May 8th, and committees were appointed.

Members were reminded of the assembly session being held in Sherbrooke in May. The round robin was won by Sister Vera Brevoort.

A social hour was enjoyed and refreshments served.

FAREWELL PARTY

Mrs. W. B. Dustin was pleasantly surprised when making a neighbourly call at the home of Mr. and Mrs. Cecil Pierce, to find 12 other friends awaiting her with a farewell party prior to her leaving the end of May to join Mr. Dustin in Germany.

The card game of 500 was played at three tables, with Mrs. Roger Pellerin, the high score prize winner, and Mrs. Ellie Hartley, the consolation.

On behalf of the group, Mrs. Cournoyer, presented Mrs. Dustin with a gift, and wished her Bon Voyage and happiness in her new home in another country. Mrs. Dustin voiced her thanks.

Refreshments were served by the hostesses, Mrs. Pierce and Mrs. Cournoyer.

Tristan da Cunha Folk Suffer Inbreeding Problem

By HAIG NICHOLSON

EDINBURGH, Tristan da Cunha (Reuters) — One of the biggest of the problems confronting F. G. Harris, the administrator of this volcanic island which rises mistily out of the Atlantic about 1,800 miles west of the tip of South Africa, is inbreeding among the 250 islanders.

At present the problem is not serious. But Harris confesses that his fears are for the future of this British possession.

"The average intelligence of the islanders is still quite good," Harris said, "but we must do something before inbreeding really shows. There are obviously two solutions: One is to evacuate the island, and the other is to import new blood."

Since the islanders love their wind-swept home and know no other life, they might be reluctant to leave. The importation of new blood, therefore, seems the more likely solution and Harris is of the opinion that a small group of fishermen, says Portuguese, might make ideal settlers.

But the decision rests with the British colonial office.

SETTLERS SEAMEN

Although the island first was discovered by the Portuguese in 1506, it was not inhabited until after the Napoleonic wars. After Napoleon had gone into exile at St. Helena in 1815, a small British garrison was ordered to Tristan da Cunha to head off any possible French landing there.

When the garrison was withdrawn, one of its members, Corporal Glass of Kelso, Scotland, was given permission to stay.

Two shipwrecked Italian seamen, Gaetano Labarello and Andrea Repetto; Pieter Groen, a shipwrecked Dutch seaman; two American seamen, Hagan and Swain; and a man named Rogers also decided to settle on the island.

They were joined by some women from St. Helena and from these the present population has sprung.

The island has no income tax, no police station, no jail, no law court, no bank, no motorcars and no newspapers. There never has been a case of murder, rape, robbery or serious theft. Adultery is unheard of and money can safely be left lying about.

Living in a small settlement called Edinburgh—where everyone can claim kinship with his neighbors—the islanders' homes are built of stone from the nearby mountains and thatched with New Zealand flax.

The islanders eat mainly potatoes, supplemented by meat from wild cattle and from sheep, and fish.

The islanders suffer from asthma and worms, most of them having one of these ailments, and some both. The island is plagued by rats which came ashore from a sinking ship many years ago.

OBITUARIES

MRS. ALFRED E. EMERY, OF SHERBROOKE

Julia Belle Hill Emery, widow of the late Alfred E. Emery passed away at the Sherbrooke Hospital, Sunday April 27th, 1958.

Mrs. Emery was born at St. Johnsbury, Vt., February 14th, 1878, daughter of the late James A. Hill and Julia M. Joslin. She spent the early part of her life in St. Johnsbury and attended the St. Johnsbury Academy. In October 1898 she married A. E. Emery and in 1908 moved to Sherbrooke, where she had since resided.

Left to mourn her loss are her daughter Marion, Mrs. W. G. LeBeau, and son-in-law W. G. LeBeau; a sister, Mrs. Ina Richardson, Brookfield, Vt.; a brother, W. A. Hill, Chicago, Ill.; and several nieces and nephews. Also surviving are sisters-in-law, Mrs. Grace Hill of Morrisville, Vt., Mrs. Rose Emery, of Concord, N. H., and Mrs. Eva Emery, of Manchester, N. H.

The many floral tributes, cards and letters were silent tokens of esteem and expressions of sympathy.

Funeral service on Tuesday, April 29th., was held in Johnston's Chapel, Rev. Dr. L. Outerbridge officiating. The bearers were Albert K. Quimby, E. Dorman, E. Riff, A. Murphy, U. Middleton and H. Symons.

Among those present were, Mrs. Julia Q. Thompson, Lansdale, Pa.; Mr. and Mrs. A. K. Quimby, Rutland, Vt.; Mr. and Mrs. E. Gifford, Randolph, Vt.; Mr. and Mrs. Smilie and Mr. and Mrs. E. Welch, of Morrisville, Vt.

MRS. J. E. MACVICAR, OF AYER'S CLIFF, QUE.

AYER'S CLIFF — On March 2nd, 1958, the entire community of Ayer's Cliff, and in particular, Beulah United Church, were shocked and saddened by the sudden death of Mrs. J. E. MacVicar, whose contribution of time and talent and personality to many worthwhile projects had endeared her to friends, acquaintances and fellow-workers.

Mrs. MacVicar, the former Alice Bladerstone, was born in Charlottetown, P.E.I. August 10th, 1887. Her early education was received in that city, where her father held the position of auditor-general of the Provincial Government and was connected with the Department of Education.

She first attended Prince St. School, and later Prince of Wales College. Later she went to Mount Allison Seminary in Sackville, where she specialized in Household Science, winning the Gold Medal and a Scholarship which entitled her to a year of post-graduate study at the Lillian Massey School of Economics, in Toronto. In 1912, she went to Montreal, to become a household science instructor under the Protestant School Board, a career which she carried on with marked success until her marriage.

In 1914, she was married to Mr. J. E. MacVicar, also a teacher, and with him made a permanent home in Montreal. The couple had two children, Josephine, now Mrs. Harold Maybank, of Sherbrooke, and a son, Douglas, who was killed in World War II. Mrs. MacVicar's Christian fortitude in facing up to this great sorrow, was an example to family and friends and to other bereaved mothers.

During the early years of their married life, Mr. and Mrs. MacVicar were connected with MacVicar Memorial Church in Outremont, where Mrs. MacVicar taught a class of Young Women in the Sunday School until 1922, when they transferred to the First United Church in the Town of Mount Royal. Here Mrs. MacVicar took an active part in the Women's Work, for more than twenty-five years.

This church had its own Red Cross branch, during the war years, and she headed one group in that. She was a past president of the Woman's Association and held other secretarial offices. She was a charter member of the Woman's Missionary Society in that church of which she was also a past president, and worked in the Sunday School. She was a member of the Maritime Women's Club in Montreal, and served a term as President.

In 1950, she and her husband moved to Ayer's Cliff, where they quickly adjusted to new conditions and became active in church and community life.

At the time of her death, Mrs. MacVicar was President of the W.M.S. of Beulah United Church, secretary of the W.A. and a valued member of the Women's Institute. In addition to a talent for leadership, she possessed that elusive gift of giving confidence to others; if she was connected with a project, one felt it was sure of success.

She is survived by her husband, Mr. J. E. MacVicar, of Ayer's Cliff, her daughter, Mrs. Harold Maybank, Mr. Maybank, and children, Patricia and Bobby, of Sherbrooke, and two brothers, Mr. Theodore Bladerstone of Banff, and Cedric of Charlottetown.

The funeral took place March 5th, from Beulah United Church, where the service was conducted by Rev. A. W. Seaton, pastor of the church, and Rev. W. H. Boomhour, a former pastor. The front of the church was banked with flowers, silent tributes of affection and sympathy.

MRS. HATTIE BRESSETTE, OF SOUTH STUKELY

SOUTH STUKELY — Mrs. Hattie Bressette, widow of Joseph Bressette, passed away on Tuesday, April 8, in her 87th year at the Courville Rest Home, where she had been a patient only five days.

Mrs. Bressette was born on November 1st, 1870, in St. Etienne de Bolton, daughter of the late James Clark and Clarissa Tetreault. She had lived nearly all her life in South Stukely and was a member of the United Church. She was married to Joseph Bressette on October 1st, 1886, who predeceased her on June 14th, 1936.

She leaves to mourn a daughter, Mina, Mrs. W. A. Vaughan, of Springfield, Mass.; three sons, Ernest of Granby, Fred and Paul of South Stukely; a son-in-law, W. A. Vaughan; two daughters-in-law, Mrs. Ernest Bressette and Mrs. Fred Bressette; six grandchildren, 11 great grandchildren; two brothers, Frank Clark of Farnham and D. Clark of Cherry River; two sisters, Mrs. M. Whitehead of Waterloo and Mrs. Alice Samson of Magog; several nieces and nephews. A son, George, died in infancy.

The funeral was held on Friday, April 11, at the Ledoux Funeral Home, in Waterloo, with Rev. W. H. Boomhour conducting the service.

Hymns sung were, "Jesus Lover of My Soul" and "My Heavenly Home." The organist was Mrs. Henry Bowering, and the choir included Mrs. L. S. Martin, Mrs. Arthur Dunsmore, Mrs. Cecil McLellan, the Misses Doris Martin and Joyce George.

The bearers were J. J. Savage H. H. Savage, Sydney McElroy, Henry Bowering, Lawrence McElroy and Errol George. There were many floral tributes.

Interment took place in the South Stukely Cemetery, beside her husband.

Among those present were relatives and friends from Springfield, Mass., Montreal, Farnham, Granby, Magog, Warden, Frost Village, Waterloo and South Stukely.

GRANBY —

Miss Sandra West received the ring of honor, a symbol of high achievement in the Girls' Auxiliary of the Anglican Church in the Diocese of Montreal. She has been a member of the Auxiliary for four years and active in the Altar Guild, the choir, the G.A. in St. George's Anglican Church, and was a member of the Junior W.A. The honor is bestowed by the Bishop of Montreal and Miss West was one of three girls to receive such a one in the Diocese of Montreal.

The Business and Professional Women's Group of St. George's Anglician Church will hold its closing meeting for the current year on Thursday evening, May 8th, in the church hall. This will be a social evening with bridge and 500 for men and women. A large attendance is anticipated.

Friends of Mrs. W. J. Flannery, who is a patient in the Montreal General Hospital, will be pleased to know that she is making a speedy recovery.

Mrs. Bernard McComiskey and her two children, Joan and David, of Moose Jaw, Sask., are visiting Mrs. McComiskey's parents, Mr. and Mrs. A. D. McKenna, on Young Street.

Mrs. Gordon Hutchison who has been visiting her parents, Mr. and Mrs. A. C. Smith, Elizabeth Street has returned to her home in Calgary, Alta.

Mrs. E. J. Babbitt has returned to her home on Elgin Street after visiting her daughter, Mrs. G. H. Brown, Mr. Brown and daughter, Joanne, in Strathmore for several days.

Mr. and Mrs. D. E. Dozois visited Mrs. Doxois' sister, Miss Margaret Tyrell, R.N., in Montreal.

Mr. and Mrs. O. V. Giddings are the guests of their son, Mr. Glen Giddings and Mrs. Giddings, in Toronto.

Reports from the officials of the Granby Zoo state that already this season several thousand people have visited this famous zoo. The animals and birds have wintered well and another busy summer is anticipated.

HOW'S THAT AGAIN? — By the time a motorist finished reading the five signs on this post in Pittsburgh, Pa., he'd probably have gotten a ticket. Now, see if you can figure out those signs. It's what is known as piling confusion on confusion. There is one unqualified statement visible — the speed limit is 25 miles per hour.

Ottawa Chairs; Just Sit And They Become Historic

OTTAWA (CP) — Chairs last a long time in Ottawa and become historic just by being sat on.

Take the old swivel - and - tilt chair in Prime Minister Diefenbaker's study at his residence, 24 Sussex Street. It has accommodated every Conservative prime minister, except one, since Confederation.

The big black leather - and-mahogany chair first belonged to Sir John A. Macdonald, Canada's first prime minister. From him it went to Sir John Abbott, Sir John Thompson, Sir Mackenzie Bowell and Sir Charles Tupper.

It was in the prime minister's East Block suite on Parliament Hill when Sir Wilfrid Laurier came into office May 1, 1896.

Sir Wilfrid and his Postmaster-General Sir William Mulock, as Liberals, decided the chair must be held in trust for the next Conservative prime minister.

Nine years later when Sir William went to Toronto and the bench of the High Court of Ontario, he took the chair with him. In 1911, he handed it over to law student George A. Kingston, who forwarded it to Ottawa that year to be used by Sir Robert Borden.

Mr. Kingston was custodian of the chair through the Conservative reigns of Sir Robert and Rt. Hon. Arthur Meighen.

NOT USED BY BENNETT

R. B. Bennett was the only Conservative prime minister who didn't use the chair.

He said he never received a telegram sent by Mr. Kingston saying the chair was available when he was elected in 1930.

The chair, its custody bequeathed to Mr. Kingston's daughter, Mrs. Walter Evans of Waterloo, Ont., remained in storage 28 years before it was sent to another Conservative prime minister, John G. Diefenbaker.

John F. MacNeill, Senate law clerk, says there is another historic chair in Ottawa and he sits on this one.

Mr. MacNeill has in his office a 91-year-old leather-upholstered chair sat on for the first 65 years of its life by Canada's ministers of justice—from Confederation in 1867 to 1932.

Another swivel, lean-back type, it was also used occasionally by Sir John A. Macdonald when he was acting minister of justice.

Mr. MacNeill got the chair in 1932 when the then justice minister Hugh Guthrie remodelled his office. He has used it for the last 26 years.

HIGH FOREST —

Mrs. Martha Damon is spending a few weeks with her daughter, Mrs. W. McNab, in Sherbrooke.

Mr. and Mrs. Verne Wilson, Mrs. M. Damon, Mrs. L. Taylor and Miss Margaret Wilson accompanied Mr. Charles Banks, of Sawyerville, to St. Johnsbury, Vt., to attend the funeral of their aunt, Mrs. Mary McRae, who passed away on April 25th in her 88th year.

Mrs. Margaret Bailey, of Sawyerville, was a recent guest of Mr. and Mrs. R. E. Lowry. Mr. and Mrs. Lowry also entertained Mr. and Mrs. P. Jackson and Mr. Merrill Jackson of Birchton and Mr. and Mrs. Roland Lowry for supper on April 29th, the occasion being Mrs.. Roland Lowry's birthday.

Mrs. Harry Graham Sr., spent two weeks with Mr. and Mrs. Gordon Bellow in Lennoxville.

Mr. and Mrs. C. W. Sangster of Lake Megantic, spent a couple of days with Mr. and Mrs. V. Wilson. Mrs. Wilson accompanied them to Grand Ligne to visit Mr. Daryl Sangster, a student at Feller College.

Mr. and Mrs. Harry Graham Jr. and family were visiting Mr. and Mrs. F. French in Bury.

PINNACLE —

DOGGING THE DOG CATCHER IS DOGGONEDEST GAME YET---

In Euclid, Ohio, a suburb of Cleveland, the dog catcher is running in circles — not to catch a dog, but to stay away from one. Seems that Ringer, an 8-year-old mongrel, likes dog catcher Joe Clark so much he spends all his time chasing him. Trouble is, says Joe, Ringer usually finds him. Then Joe has to pack Ringer in the dog wagon and haul him back to his owner. "That dog has become a pest, a public nuisance," Joe complains. "Ringer chases me all over. He comes to my home. If I'm not there he heads for the police station. He scoots around the city streets looking for me. He can spot my wagon six blocks away," Joe threw Ringer in the dog pound for a couple of nights but it didn't teach him a thing. Owner Assad Michael has his problems, too. "I try tying him up, but then he barks," says Michael. "When Ringer barks that sets neighbors to barking. I let him loose and he chases the dog catcher. Twice already I got tickets." Clark and Michael are at their wits end. But Ringer seems to think it's the nicest doggone way to spend the day. Looks like only Ringer enjoys playing this game.

Ringer waits for traffic to clear, then starts his daily search for the dog catcher . . .

. . . a friendly lick greets dog catcher Joe Clark as his mongrel pal catches him . . .

. . . then it's back home again to owner Assad Michael for the frustrated eight-year-old canine.

Derby Line Girl Scout News

DERBY LINE

There was talent a-plenty at a show held in the Derby Line village hall by the Derby Line troop of Girl Scouts and Brownies.

The program opened by the advancing of the colours, the Stars and Stripes and Girl Scout flags. The two groups sang three numbers in unison. Helen Murray played a piano solo, followed by a vocal solo by Lexie Bronson, accompanied at the piano by Royce Wilson.

The Brownies presented a delightful dance, with one half in sweet organdy frocks and summer hats, the others in slacks, white shirts and bow ties. Mrs. Kenneth Rice, as pianist played "Easter Parade."

Sandra Rollins, Peggy Huckins and Karen Jenness sang "Sugar Time". Laurel Curtis at the piano played "Frolic". Jackie Hall sweetly sang and tap danced "Where Oh Where".

Tina Darby as an old woman and Sandra Rollins as a man sang the duet "Old Women". Lana Cross, Cheryl Cross and Wendy Rice sang "Little Dutch Mill".

"Kewpie Doll" was an outstanding number of acrobatic stunts by Barbara Brainard, Sara Beadle and Kennie Jenness with their director, Miss Diana MacLean.

Vicki Cowens sang the solo, "I Believe", Tina and Ruthie Darby sang and tapped dance "I Love my Dancing Lessons". Linda and Vera Patten sang the duet "Billy Boy".

"Sail Along Silvery Moon" was a vocal selection by Peggy Huckins, Tina Darby and Laurel Curtis.

A skit "A visit to a Doctor" was presented by Pauline Routhier, portraying the nurse; Karen Jenness, the doctor; Jane Willey, girl; Wanda Roberts, and Vera Patten, friends. The director was Beatrice Aldrich.

Mary Lou Jonis and Cheryl Bacon sang a duet, "Tammy". A piano solo "Melody of Love" was given by Patty Lord. Linda Lithway and Diana MacLean sang a duet "Lollipop", their skirt and blouse adorned with lollipops which they threw to the little folk in the audience.

A march, precision in every step by Eileen Earle, Helen Murray, Heather MacDonald, Sheila Petelle, Patsy and Cathy Berry, Audrey Bowen, Ruthie Darby, Linda Patten and Winona Webster, each carrying a miniature flag. The group was trained by Jackie Laythe.

"He's Got the Whole World in His Hands" was a vocal selection by Mary Ann Lalime, Veronica Roy and Nancy Kelley. A piano solo, "O Sole Mio" was given by Nancy Kelley.

Stealing the show were Lana and Cheryl Cross and Wendy Rice, attired in frocks of the gay twenties, the Flapper stage, singing "ain't she sweet", and dancing of all things "the charleston".

Vicki Cowens sang "Me and my Shadow". Tina and Ruthie Darby gave a tap dance "Samerock Tap". With Joyce Watson at the piano, Paula and Pamela Bedard sang "Catch a Falling Star".

Another outstanding feature of the show was "Baton", Iola Smith, Judy Glodgett and Jackie Hall under the expert direction of Paula Bedard performed to marching music in a most skilful maner, twirling their batons with ease.

"Like a Garden" was sung by Beatrice Aldrich, Diana MacLean, Lana Cross and Wendy Rice. Joyce Watson sang a solo "You Win Again", accompanying herself on the piano.

Marguerite McLean played the piano solo, "Swaying Daffodils". Beatrice Aldrich sang a vocal solo, "Mighty Lak a Rose", and a chorus of Beatrice Aldrich, Wendy Rice, Diana MacLean, Paula Bedard and Jackie Hall sang "Jacob's Ladder".

With all the girls in a group the program was brought to a close by them singing in unison "Whene'er you make a Promise", "Peace" and "Taps".

The head of the show was the troop's leader, Mrs. Ann Aldrich, assisted by Mrs. Harry Thomas, as organizer, Mrs. Kenneth Rice, pianist, Wendy Rice and Diana MacLean, publicity, Mary Millet and Jackie Laythe, tickets, Beatrice Aldrich, program, Paula Bedard and Lana Cross, home made fudge sales.

The hall was filled to capacity with relatives and friends of the program participants and a number of Girl Scouts and leaders from Craftsbury.

The artists of the show and the leaders, received many compliments for their splendid achievement. The money from this show is being added to the trip fund for the Senior Scouts.

SOUTH DUDSWELL —

Mr. and Mrs. Leslie Orr, of Red Rock, Ont., were visiting Mr. and Mrs. Raymond Campbell. They were accompanied by Mr. and Mrs. Percy Hall and Mr. Oren Campbell of Bishopton.

WATERLOO —

Rev. Paul Busing, rector of St. Luke's church, flew from Dorval to London, England on May 5th. A former parishioner invited Mr. Busing to go to London as his guest to officiate at the christening of his second son. The first son in the family was baptized by Mr. Busing when he was located in London nine years ago. While away Mr. Busing will fly to Germany to visit relations. He expects to return to his parish on May 16th.

Mr. and Mrs. George Marshall attended a Golden Wedding celebration in Notre Dame de Grace on April 30th. Mr. Marshall's brother, Mr. Fred Marshall and Mrs. Marshall were the honored couple at a beautifully arranged reception at their home on Harvard Avenue. Their two daughters and sons-in-law, Mr. and Mrs. Cyril Carnell and Mr. and Mrs. George Maxwell invited 60 guests for the evening, which was a complete surprise to the bride and groom of 50 years.

Mrs. David Hughes spent the weekend with her son, Mr. Lawrie Hughes and family in Montreal.

Guests for the weekend at the home of Mr. and Mrs. Romilly Graves were Mr. and Mrs. Richard Anderson and sons, Richard and Dovle, from Dorval, and Mrs. Miles Willett from Cascapedia.

Recent guests of Mr. and Mrs. Fred Boast were Mr. and Mrs. G. R. Boast, Mrs. Pearl Driver, Mrs. Mina Hardy and Mrs. Clara Hanna all of Richmond, Mr. and Mrs. Martin Neville, Montreal and Mrs. Lapierre and friends from Toronto.

Mrs. Percy Tibbitts and son, Wallace, went to Davidson Hill where Mrs. Tibbitts remained for a few days. Her mother, Mrs. Alfred Davidson, returned with her and will spend a couple of weeks as her guest. They were accompanied home by Mr. Wilfred Proulx and Mrs. W. Robinson.

Robert McKergow, son of Mr. and Mrs. Allan McKergow, has returned from the Sherbrooke Hospital and is recovering rapidly.

Mr. and Mrs. Maurice Smith are spending a few days with Mr. and Mrs. Jesse Smith. Miss I. M. Gilmour and Mrs. A. J. Buckland entertained for Mrs. Smith during her stay in Waterloo.

Little Diane Reed celebrated her eighth birthday with a party. Eleven children came and enjoyed the customary games. Mrs. Arthur Reed served her daughter and friends.

Mrs. Lena Lowry was in Cowansville recently and called on two former Waterloo ladies, Mrs. Maggie Morrison and Mrs. Edith Hunter.

Mr. and Mrs. Arthur Reid received for the week-end Mr. and Mrs. Mark Sharp from Cowansville and Mr. and Mrs. Warner Wark and children of Bury.

Mrs. Doug Osborne entertained at a luncheon in compliment to her mother, Mrs. Kent from Birmingham, England. Mrs. Kent is returning to her home May 15th by plane after spending a year with her daughter and family.

Visitors at the home of Mr. and Mrs. Almus Hayes were Mr. and Mrs. Harold Bockus, Mr. and Mrs. Gordon Bockus and Mrs. Alex Bockus, all of Foster. Mr. Hayes is improving after his recent serious illness.

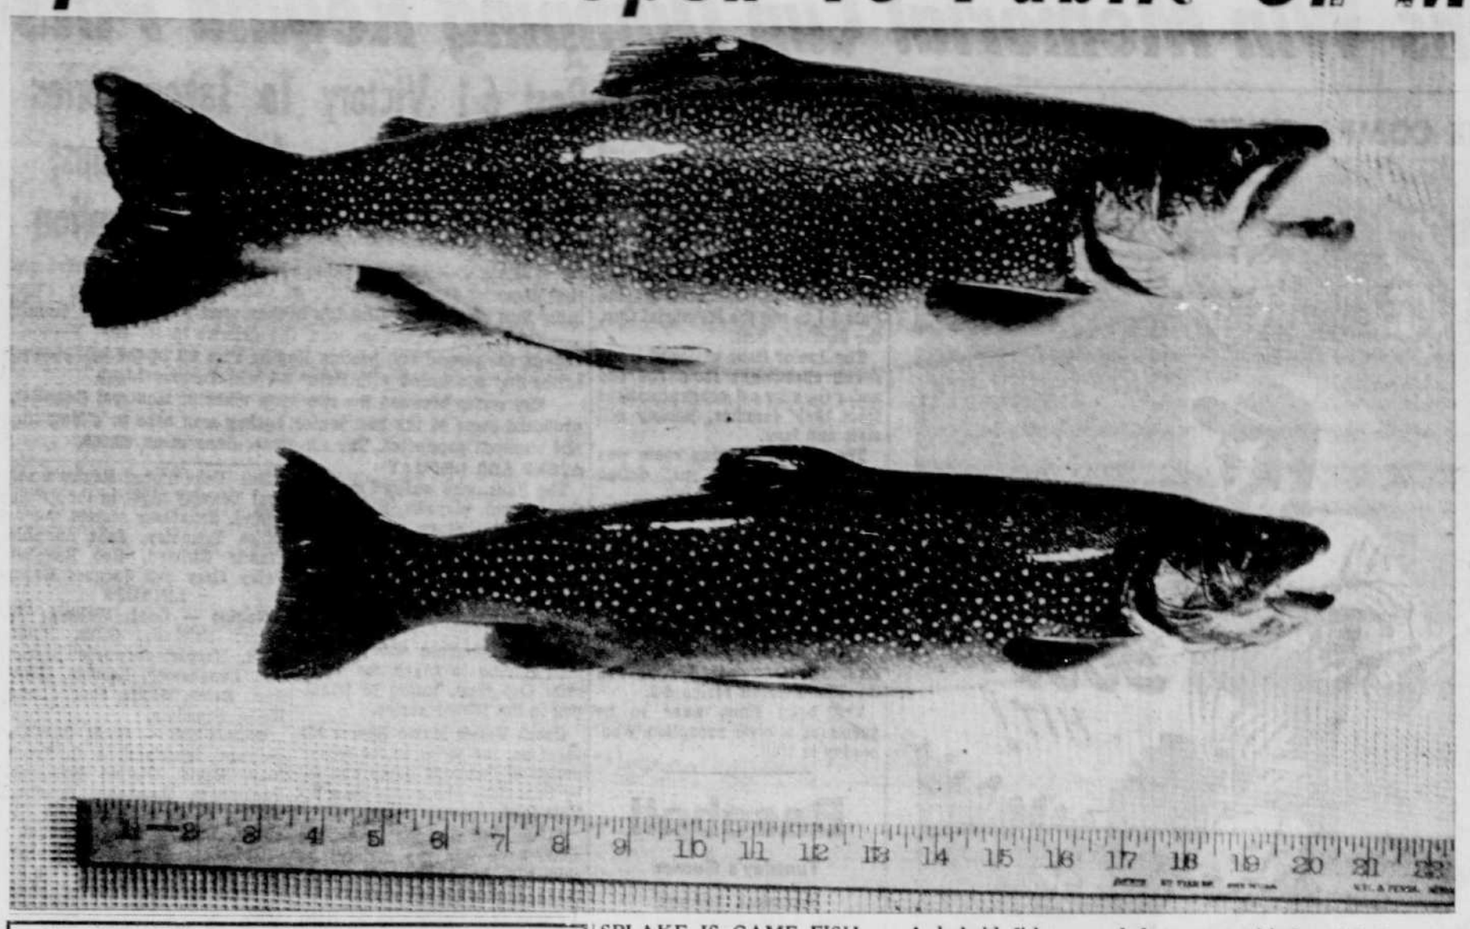
Splake Pond Open To Public On May 11th



SPLAKE IS GAME FISH — A hybrid fish crossed from a speckled and Lake trout, the Splake has developed into a prize among game fish. The 3½-year-old male measuring up to 21 inches, weighing 2½ pounds, and the 3½-year-old female scaling 19 inches and weighing up to 1½ pounds, bottom, are the only species found in the Lake Lyster Fish and Game Club's pond located near Coaticook. Best known among the hybrid at the present, the spake is also called Wendigo, and was first developed in 1887 in the United States. Only in recent years has the species gained fame, and has over the past several years been under study by the Quebec Department of Fisheries. In 1944, 700 splake fingerlings were planted in Lake Lyster, and a year ago a large number of splake were transferred to the Lake Lyster Club's pond. If found satisfactory and popular, other bodies of water will be stocked.

Lake Lyster Club Stocks Pond With New Species

This Sunday anglers from far and near will try their luck at the game splake in the Lake Lyster Fish and Game Club's Splake Pond, near Coaticook.

C. A. GUERIN

Built after the club's formation three years ago, Splake Pond is alive with the hybrid species, transplanted there as an experiment by the Quebec Department of Game and Fisheries.

Sunday's opening will be the first fishing in the pond since it was constructed, and the limit will be 25 to each angler from boat or shore, with a restriction on use of outboard motors and minnows.

Now a going concern, The Lake Lyster Club was formed April 2nd, 1955, with Lucien Maurais as president, and has grown rapidly since then. Its basic aim being conservation and the promotion of good sportsmanship, the group has contributed heavily toward promoting Coaticook's tourists industry, and have loaned their resources to the Quebec Department of Game and Fisheries in experimenting with the splake species.

With 265 paid memberships in 1957, this year the group officials, under the presidency of C. A. Guerin are confident that they will top 500.

Young Mike McCormick Comes Into His Own With Classy Performance To Blank Pirates 7-0; Cubs Take Over

Mike McCormick, the kid southpaw every major league club but Cincinnati wanted when he was an American Legion whiz back home in the Los Angeles area, finally has come into his own with the San Francisco Giants.

The big teen-ager who signed for $65,000 in 1956 was as classy as anyone ever expected him to be Tuesday night, giving up just three infield singles for his first major league shutout, a 7-0 job that tripped Pittsburgh out of a share of the National League lead. He walked but one, fanned four.

The Chicago Cubs gained a full share of first as Glen Hobbie gained his first shutout in pro ball, a four-hitter that beat Cincinnati 4-0. Milwaukee took second with a 12-8 fling at St. Louis. And Los Angeles moved past Philadelphia into sixth with a 7-6 victory over the Phils in 14 innings.

Hobbie got a 3-0 lead in the first when Bobby Thomson tagged loser Joe Nuxhall for a two-on homer. Hobbie's fast ball and curve took it from there, giving up nothing but singles while striking out seven. He stopped Johnny Temple's hit streak at 14 games.

A two-out single off the left field screen gave the Dodgers the edge at Los Angeles with Don Drysdale, the expected ace who lost his first five decisions, finally winning one in relief. Charlie Neal walked and scooted home from first with the winning, unearned run. Dick Farrell was the loser.

The Braves blew most of a 7-0 lead built in the first two innings, but after the Cardinals had closed to 7-6 in the eighth, Milwaukee cashed five in the ninth. Bob Bohl, backed by three-RBI performances from Bob Hazle and Frank Torre, won his fourth with relief help. Lindy McDaniel lost.

Billy Pierce Hasn't Won A Game This Season So White Sox Are In Cellar; As Red Sox Bump Him 7-5 To Move Up

Southpaw Billy Pierce still hasn't won a game this season and the Chicago White Sox still are last in the American League race.

That about tells the story on the White Sox, who have won but four so far and only two of their last 11. That puts them seven games behind the first place New York Yankees on the lost side.

Pierce (0-2), the only member of the Sox staff with a complete game, escaped defeat Tuesday, but didn't last two innings in a 7-5 defeat at Boston. It was the fifth victory in six games for the Red Sox, and hoisted them into sixth place ahead of Detroit.

The Tigers, like the rest of the league, were idled again by rain.

Pierce gave up consecutive home runs by Dick Gernert and Frank Malzone in a three - run Boston first. Then he walked the first man in the second and gave way to Ray Moore, who was shackled with the defeat when the Red Sox cracked him for three in the fourth after Chicago had tied it 4-all.

Three singles loaded the bases against Moore in the fourth. Malzone then singled for the tie-breaking run off reliever Bill Fischer. An infield out and a wild pitch got the pay-off runs home.

The White Sox made their move against Mike Fornieles, who left when three singles scored a run in the fourth. Murray Wall relieved, gave up a walk that loaded the bases and Nel Fox' run-scoring fly, then allowed just four hits and one run the rest of the way for his first victory.

Kid Howard, Canadian Lightweight Champion, Scores Unanimous Nod Over New York's Baby Beau Jack

HALIFAX (CP) — Canadian lightweight champion Richard (Kid) Howard of Halifax scored a 10-round unanimous decision over rugged Baby Beau Jack of New York in a non-title bout on the season's first boxing card here Tuesday. Howard weighed 138, Jack 133½.

There were no knockdowns. Both fighters finished unmarked.

The 29 - year - old Howard had trouble solving Jack's puzzling bobbing style that at times brought boos from the 4,500 fans. Jack withstood a terrific assault of punches in every round but the fourth and eighth.

However, the New Yorker connected with a left hand from three feet out in the seventh that turned out to be the best punch of the night.

In an eight-round semi-final, Maritime lightweight champion Jackie Hayden of Westville, N.S., won by unanimous decision over Puerto Rico's Asan Santiage.

Digger Jackson, 158, Halifax, scored a technical knockout over Jack Noon of Toronto at 1:32 of the third in one of two, four round preliminaries.

HARD HITTER — Dick Mayer, blasting out of a sand trap, hasn't played in too many tournaments since winning the United States Open and World Championships last summer, but professionals know that the one-time Greenwich amateur definitely is one of those to beat in this year's Open over Tulsa's Southern Hills, June 12-14. He has all the equipment.

B. C. Centennial Invitation Golf Tournament To Draw Top Players; $47,800 At Stake $6,400 To Winner

VANCOUVER (CP) — Two dozen of the world's top golfers have been lined up for the British Columbia Centennial Invitation golf tournament, it was announced Tuesday. The prize list totals $47,800, the largest in Canadian golf history and third biggest in the world this year.

Nearly all the leading golf trail regulars have committed themselves to play at Vancouver's Point Grey course Aug. 27-Sept. 1. In addition to the golf, there will be a fashion show, beauty contest and a pipe band and Premier Bennett will preside at the official opening ceremonies.

The trail regulars include Vancouver's Stan Leonard, winner of the recent Las Vegas Tournament of Champions. But Leonard is more than just a starter.

HOT COMPETITION

As an ambassador-at-large for the tournament committee, he has been getting some of the hottest competition for himself that any golfer could get. With the cancellation of the $150,000 Tam O'Shanter at Chicago, the 72-hole Centennial Invitation has become the No. 1 event on the late summer agenda.

Included in the entries are this year's three top money-winners—Masters' champion Arnold Palmer, Billy Casper, winner of the Bing Crosby Invitational, and Los Angeles Open champion Frank Stranahan—and a host of others: Doug Ford, Dow Finsterwald, Mike Souchak, Toronto's Al Balding, Gene Littler, Jay Hebert, Marty Furgol, Cary Middlecoff, Jimmy Burke Jr., Art Wall Jr., Fred Hawkins, Billy Maxwell, Paul Harney and George Bayer.

Under its contract with the tournament committee, the U.S. Professional Golfers Association is to provide no less than 65 regular circuit players for the event which offers $6,400 first - place money.

The committee is trying to attract as many international stars as possible. Already committed are Peter Thomson of Australia, perennial British Open winner; Roberto De Vicenzo, Argentine and Mexico City champion; 1957 Mexico City winner Tony Cerda; and Japanese stars Kochi Ono and Takao Nakamaru.

The field for the tournament will be limited to 150, if necessary through a qualifying round.

Proceedings start Aug. 26 with an 18-hole celebrity pro-amateur.

MANY CELEBRITIES

Randolph Scott, George Gobel, Dizzy Dean and Gordon McRae are already lined up, as is Del Webb, co-owner of New York Yankees. Bing Crosby says he will be here provided his wife Kathryn's baby arrives on schedule early in August. Possible visitors are Phil Harris, Bob Hope, National Hockey League stars Andy Bathgate, Gordie Howe and Maurice Richard.

Jim Ferrier, former Australian Open champion and now pro at Hollywood's Lakeside Club, has promised to provide 10 Hollywood stars and will probably play himself.

Play The Ball More Forward

Twelfth of a series written for NEA Service and (The Record) in which famous golfers tell how they built their games.

By AL MENGERT

In order to produce a good shot the player must "hit down" on the ball.

The trouble with many is that in order to "hit down" on the ball, they play it too far back. Such golfers are under the impression that if they play the ball back toward the right foot the clubhead will have to come back down and through the ball. When the ball is played too far back, the player will find that he cannot move into the ball.

His necessarily-restricted swing will not allow him to shift his weight to the left on the downswing. He will find that his weight remains on his right foot as he tries to pinch the ball.

Positioning the ball more forward on all shots will permit a swing to function with freer motion. There will be less tension, a more natural swing.

The player is able to shift his weight forward as he comes back into the ball.

REMEMBER WHEN

Charles Robertson, rookie pitcher with Chicago White Sox, pitched a perfect game against Detroit Tigers 36 years ago today at Detroit, no opposing batter reaching first base. It was the sixth perfect game in major league history, and was not duplicated until Don Larsen of the New York Yankees allowed no Brooklyn Dodger to reach first base in the fifth game of the 1956 world series.

Dressing Room Comments

OTTAWA (CP)—"Yip-e-e. We won. It's all over."

These words echoed through out the dressing room of Ottawa-Hull Junior Canadiens Tuesday night after they defeated Regina Pats 6-1 to win the Memorial Cup, the district's first.

The Junior Habs whooped it up, drank champagne from the cup and received congratulations from their families, hockey officials and fans.

The Regina dressing room was quiet. The players just doffed their equipment and left.

"Some of the boys were really disappointed," said coach Frank Mario. "It was a good series."

Coach Sam Pollock of the Junior Canadiens was more than glad the series was over.

"Now maybe I can get back to regular sleeping and eating," he said. The Ottawa-Hull club won the best-of-seven series 4-2.

The baby Habs were to be guests at a civic reception Wednesday in Hull.

Lopat Enters Hospital For Pulled Muscle

RICHMOND, Va. (AP)— Eddie Lopat, manager of the Richmond Virginians of the International League, was hospitalized Tuesday for emergency treatment of a pulled muscle.

"We have taken x-rays and until we see them, we can only say that Eddie is in considerable pain," said Dr. E. E. Haddock, physician for the team.

Before the Virginians' game with Buffalo Monday night was rained out, Lopat complained of pains. It was thought he had pulled a muscle in his side.

Lopat pitched for Chicago White Sox and New York Yankees during his major league career.

Post 6-1 Victory To Takes Series 4-2; 28,000 Fans Attend Games; Hull To Give A Civic Reception

OTTAWA — (CP) — Ottawa-Hull Junior Canadiens have won the Memorial Cup, emblematic of Canadian junior hockey supremacy thus closing out Canada's hockey wars for some five months.

The Junior Canadiens won the district in its first Memorial Cup on the second try, beating Regina Pats 4-2 in the best-of-seven series that concluded with Habs' 6-1 win Tuesday night.

The series between the two farm clubs of Montreal Canadiens produced some of the best junior hockey seen here in a long time and was well supported. The six games drew about 28,000.

ATONE FOR DEFEAT

The Habs, who waltzed through the eastern playoffs with Cape Breton All - Stars and Toronto Marlboros, atoned for their defeat at the hands of Flin Flon Bombers in the 1956-57 series, the Habs first season with Ottawa as their home ice.

Ottawa Primrose was the last district club to reach the Memorial Cup final, losing to Winnipeg in the 1930-31 series.

Coach Frank Mario figures his team lost the series in the second period of Sunday's game won 6-3 by Canadiens who overcame a 3-2 Pats lead.

"If we had won that game, we could have won the series," he said. "We have no complaints to make. It was a good series."

Coach Sam Pollock of the Habs was more than elated the outcome of the "tough" series.

BIG KICK

"Now maybe I can get back to regular sleeping and eating," he said.

"I got more kick out of winning this one than the 1949-50 cup." The Junior Habs beat Regina Pats that year while playing out of Montreal.

The Habs, who were to be feted at a civic reception today in neighboring Hull, whopped it up in the dressing room after the game, signed sticks and autographs and received congratulations from their families, hockey officials and fans.

Bill Hicke scored Regina's sole goal Tuesday night in the second period. Canadiens scorers were Gilles Tremblay, John Annable, Claude Richard, Bob Boucher, Terry Gray and Jacques Begin.

Vince Martinez Makes Short Work Of Armand Savoie, Stops Him In 7th Before Crowd Of 1,387 Fans

BOSTON (AP)—Vince Martinez indicated today he plans to depend on an educated left hand to bring him the world's welterweight boxing title in his meeting with Virgil Akins June 6 in St. Louis.

"I'm going to work on my left jab and hook," Martinez said as he headed for serious training at Grossinger's in New York.

Martinez hardly worked up a sweat as he stopped Armand Savoie of Montreal in 48 seconds of the seventh round of a scheduled 10-rounder Tuesday night before a booing crowd of 1,387.

Vince, 29, won every round as he jabbed and hooked lightly with his left. The crowd began booing as early as the first minute of the second round.

A left - right combination sent Savoie reeling across the ring ropes in the seventh round. Referee Joe Zapustas examined Savoie and allowed the bout to continue—until another salvo from Vince's fists staggered the Montrealer.

Billy Daly, Martinez' manager, said he was pleased with Vince's showing against Savoie, who at 144½ was 4¼ pounds lighter than the wleter contender.

Joe Brown Defends His World's Lightweight Title Tonight When He Takes On Ralph Dupas In Houston

HOUSTON, Tex. (AP) — Slight Joe Brown, whose fists pack surprising explosiveness, gives young Ralph Dupas his chance to take away the world's lightweight boxing championship here tonight.

It shapes up as a battle between a slugger and a boxer. A crowd approaching 11,000 and a gate that may reach $80,000 are in prospect, which would make it the largest draw for a fight in Texas history.

The boxers were to weigh in at noon, although they had until 2 p.m. to make the 135-pound requirement. Brown said he would be at about 134½. Dupas, who was said to have been having trouble making the weight, expects to hit the scales at 135.

Brown predicts he'll win by a knockout long before the 15-round limit is reached. He says Dupas will come into the ring weakened by having to drop six or seven pounds. The fight will be televised by ABC starting at 10 p.m. EDT.

Both are natives of New Orleans and wanted to stage the fight there. But Brown, a Negro, couldn't fight Dupas in New Orleans because of an interracial law.

Dupas, 22, has had 84 fights. Brown, 31, who won the lightweight championship Aug. 24, 1956, from Wallace (Bud) Smith, hasn't lost a fight in almost three years and has 31 knockouts. It will be the fourth defence of his title in 16 months.

Bob Lennon After A Wandering Career Lands With Royals And Is Leading Bomber With Homers And Bats .329

NEW YORK— (AP) —One day last September Bob Lennon rushed up to Yankee Stadium from his Brooklyn home. He located Detroit manager Jack Tighe in the clubhouse and showed him a telegram.

The telegram said that Lennon had been sold by Chicago Cubs to the Tigers. The husky outfielder had spent most of the season on option in the Pacific Coast League and was a mighty happy guy to be back in the major leagues where he had seen service with the New York Giants in addition to the Cubs.

To Lennon's surprise, Tighe told him he knew nothing about the transaction. A quick call to Detroit confirmed Tighe's suspicions. The club front office told him that the deal for Lennon had been cancelled and that the Tigers had secured Bill Taylor, another lefthanded hitting outfielder.

MERRY MIXUP

This merry mixup, however, has certainly worked to the advantage of Montreal Royals this season. Lennon has been the leading bomber of the slugging Canadian team. He leads the International League in home runs with five and in runs batted in with 21. He also shows a neat .329 batting average which places him among the first ten.

Veteran catcher Johnny Bucha of the Miami Marlins has grabbed the batting lead. He was hitting .396 after Sunday's games.

Bucha took over the top spot from Bill Causion of Columbus who slumped 28 points to .381 in last week's action.

Royals Thin Out Roster Ship Baliga To Texas

MONTREAL (CP) — Montreal Royals of the International League thinned their active roster to the required 20 players Tuesday by optioning pitcher Joe Baliga to Victoria of the double-A Texas League.

The righthander was used mainly in relief, but was tagged with one of the five losses suffered by the league-leaders in 20 games to date.

Captain Peter May And His Famous Triple "L" Attack Seem Headed For Another Top Season In Cricket Circles

LONDON (CP) — The 1958 cricket season opened May 7 and once again it looks like a clean sweep for England, and for Surrey captain Peter May and his famous triple-L attack.

A New Zealand eleven is providing England's test match opposition this year and the rapidity with which British sportswriters have dismissed the touring side's chances borders on downright discourtesy. The reason is May's potent bat and the bowling wizardy of the three "Ls"—Tony Lock, Jim Laker and Peter Loader.

The same formidable foursome should be able to spare enough time from their England duties to bring Surrey an unprecedented seventh straight county championship. Most observers predict that Surrey will not only rout their 16 county opponents, but defeat the touring Kiwis without outside help, duplicating their feats of the last two years in registering victories over Australia and the West Indies.

POWERFUL QUARTET

Rarely have four players from a single county played as prominent a part in English cricket as the Surrey quartet. In 41 innings last year, May amassed 2,347 runs, the highest total for any batsman in 1957. His average of 61.76 runs for each appearance at the wicket was also tops. But more important was the way he came through in the clutch to turn in big scores when they were needed most.

Lock, prematurely bald at 28, is one of the finest close fielders in the game. But it is his slow left-arm deliveries that make opposing batsmen shudder. He was the only bowler in first - class cricket last year to exceed the magic 200 - wicket mark and he did it with 12 wickets to spare.

Between them, the three bowlers took a total of 471 wickets last year. Laker, whose pet delivery is a right-armed off break, and Lock are generally regarded as making up the most dangerous spin attack in the world. Loader, a consistent pace bowler, won his first England cap in 1953. He is also one of the best slip fielders on the England team. His main weakness is with the bat.

Surrey's main challengers for the county title are expected to be Northamptonshire, Yorkshire and Derbyshire, who finished in that order behind the champions last year.

STRONG CONTENDERS

Potentially, Yorkshire is the most dangerous of the three. At times last year the club had the look of champions but Yorkshire was unable to put together a consistent winning streak. The Yorkshire bowlers, headed by pace artist Freddy Trueman, form one of the best attacks, aside from Surrey, in the country. But the new Yorkshire captain, J. R. Burnet, may have trouble welding together a reliable batting side.

Despite finishing as runners-up last season, Northants will probably do well to place higher than fourth this season. They may run up some big scores themselves, but are likely to have difficulty in dismissing their opponents.

If any county upsets Surrey, it could be Derbyshire, which rose from a 12th-place finish in 1956 to fourth place in 1957. Their bowling is not likely to be found wanting. Their batting is sound enough at the start of the order but may be vulnerable, by championship standards, in the middle.

TUESDAY'S STARS

Pitching: Mike McCormick San Francisco Giants — young lefty gained his first shutout in majors by giving Pittsburgh Pirates just three infield hits in 7-0 victory.

Hitting: Carl Curillo, Los Angeles Dodgers—drove in two runs with two singles, the second a two-out shot in the 14th that brought home the clincher in 7-6 victory over Philadelphia Phillies.

Derby Line Girl Scout News Report

Even though the temperature was down to freezing, Jackie Laythe, Beatrice Aldrich, Diana MacLean, Wendy Rice and Patty Lord, all working for their conservation badge, and Robert Brigham, soil conservation agent, all with rakes, gloves and lunch went up to Merry-brook Girl Scout camp.

The gang raked and fertilized the ground, then sowed grass seed, again raking it over. Not having a roller the girls dragged a heavy plank weighted with two large stones over the ground, then put hay over the newly seeded ground to help keep it moist. The wind also had a frolic with the hay much to the concern of the girls, but they stayed with the job until all work was completed. The same girls are planning to go back soon to plant trees.

Two other girls, Karen Jenness and Jane Willey, went up to the camp to do some of their second class badge work. Their operations were preparing and lighting a fire and speaking of the required precautions, they also cooked and ate dinner. The remainder of the time they raked and picked up around the camp site.

The Derby Line Girl Scouts have all been busy trying for their badges. The home nursing class have been helping Brownies prepare something for the talent show coming up soon.

Six new girls have joined the group in the last month, and it is regretted two members are leaving town.

Three Girl Scouts and leader, Mrs. Ann Aldrich, went on a trip to Montpelier, Vt., leaving early on a Thursday morning. There they visited the State House, had their pictures taken with the governor, visited the museum, free public library and the Historical rooms. They called on Miss Edna Moore, of Derby Line, who is employed in the State Highway department of the Vermont development commission.

By this time it was noon, all were hungry and drove up to the Hubbard Park and ate lunch in the tower. After lunch, the swimming pool was visited then they drove on to Barre, Vt., a nearby city where they visited the Maple sugar museum, and saw the making of the Jane Selby maple candies, and were shown a movie of process from sap taken from the buckets at the trees to the making of candy.

The two granite quarries were visited, Rock of Ages being the largest in these parts, then on to the cutting sheds where all saw the way the great stone is cut with beebe shot and the newer process, by wire.

They then travelled to Williamstown, Vt., where they were supper guests of Mrs. Aldrich's relatives, Mr. and Mrs. F. Irons.

The group returned home to Derby Line, tired but happy, after a wonderful day of sight seeing and greatly appreciative to Mrs. Aldrich for this pleasure.

Winning 50 Per Cent Of Time Is Still Cookie Lavagetto's Goal; Senators Are Settled In Second

WASHINGTON (AP) —Winning at least 50 per cent of the time is still Cookie Lavagetto's goal for his startling Washington Senators. But don't get the fellow wrong.

"That doesn't mean I won't be gratified if we play better than .500 ball," he assured Washington's dazed fans Tuesday.

Lavageto, who relieved Charley Dressen as manager last May, set his sights on 50-50 for '58 in September when he signed a new one-year contract.

At that point the Senators were Cookie's crumbs, swept into the American League cellar and disdained by the citizenry. At this point they're frosting on the cake for patrons of Griffith Stadium whose appetite for victory has been grossly neglected in recent years.

As of Tuesday afternoon Washington was second in the league, of all places, only a game behind New York. Their 9-5 record was shockingly better than .500 for a team expected to stumble down the basement stairs again.

Home attendance is up nearly 15,000 over the same number of games last year.

Ask Lavagetto what accounts for it, and before he goes into the subject of successful trades he singles out Pedro Ramos. The 23 - year - old right - hander has pitched two complete game triumphs and set up two others before leaving for pinch hitters in the eighth.

Deals with Boston Red Sox which brought first baseman Norm Zauchin, out-fielder Albie Pearson and second baseman Ken Aspromonte to town have helped, too.

Archie Moore Doing Roadwork For His Bout

VANCOUVER (CP) — Archie Moore, the ageless light heavyweight boxing champion of the world, is doing four to five miles of roadwork a day in preparation for his fight Friday night against Austrian heavyweight Kurt Schiegl at Vancouver Forum.

Roadwork is the extent of Archie's training. Mostly, he keeps in shape by fighting.

Friday night's non - title fight bout will be Moore's second of the month. He scored a split decision over Willi Besmanoff of Germany at Louisville, Ky., last Friday night.

Schiegl, 32, heavyweight champion of Austria, will be making his first major appearance in North America.

GONZALES EXTENDS LEAD 38-32

TORONTO (CP) — Professional tennis champion Richard (Pancho) Gonzales of Los Angeles Tuesday night defeated Lew Hoad of Australia 2-6, 6-3, 14-12 to increase his lead to 38-32 in their 100-match series.

Americans Attend Dinner Following Russian Tour

MOSCOW (AP) — American basketball players wound up their Soviet tour Tuesday night with a friendship dinner at which Russian men's and women's teams agreed to play a series of games in the United States starting next Feb. 1.

Kellum Johnson, president of the U. S. Amateur Athletic Union, said arrangements had been completed for ranking Soviet teams to play at least six games each in the United States next spring.

The American men's squad kept their all - winning record against Soviet players intact by taking six straight games here—two each in Moscow, Tiflis and Leningrad.

The American girls dropped their two big matches to an all-Soviet girls team in Moscow, but captured all four events outside the capital.

Canadian Father in Kitabi, Uganda

Happy Hippo Hunting Ground

When he is not engaged in saving souls, Father William Audette (formerly of Abitibi and Sudbury, Ont.) is a keen hunter of big game. Above, he takes a day off from his teaching duties at Bwera Seminary in Kitabi, Uganda, to bag his first hippo of the season. Father Audette donated his one-ton prize to the local natives who received the news of his success with enthusiasm for Uganda is chronically short of meat.

The lakes and channels around Queen Elizabeth National Park in south-western Uganda abound in hippos. There are estimated to be 100 to every mile of barren eroded shoreline. The giant beasts often have to scrounge far inland in search of the 6 bushels of grass which they require for food each day. A full grown hippo will weigh up to three tons.

National Film Board of Canada Photos by Richard Harrington

Hunting regulations in Uganda are strict and native gamekeepers have full authority to see that they are met. Above, Father Audette reports his success to the local warden. Four hippos a year may be shot.

While his sharp-eyed African spotter stands by, Father Audette sights through his single-barrelled BSA 30-06 rifle. He brought his hippo down with a single bullet which struck below the ear, a vital spot.

Ivory carvings are generally associated with Indian craftsmen, but the fine specimen displayed above was carved by a native African. Father Audette has never bagged an elephant, hopes to do so before leaving Africa.

Father Audette, conversing easily in the Acholi dialect, stops to chat with two village folk at the door of their thatched hut. The Canadian Father finds life in Uganda stimulating and richly rewarding

B.M.P. Hospital Auxiliary Plans For Tag Week, Annual Tea At Sweetsburg

SWEETSBURG — The monthly meeting of the Women's Auxiliary of the Brome Missisquoi Perkins Hospital, held in the Staff House, was conducted by the first vice-president, Mrs. H. L. Shaw, of Knowlton. Minutes were taken by Mrs. Oscar Senay, in the absence of Mrs. A. J. B. Milborne, of Knowlton, who was ill. The hostesses for the afternoon were Mrs. Carl Brock and Mrs. R. H. Hibbard.

Plans were announced for "Tag Week," which this year replaces the annual "Tag Day." Mrs. Oscar Senay is convener, the joint conveners being Mrs. William Parry and Mrs. Joseph Shower. The week chosen is June 2 to 7, but if in some towns or districts this does not meet with the approval of the local convener, it will be permissible to hold Tag Week during the last week of May.

Industries and business firms which are not already making an annual contribution to the Hospital would be contacted in this district by Mrs. Roland Desourdy, of Cowansville. Should other towns wish to do the same, their local convener could make the necessary arrangements.

Contributions of one dollar or more will be recorded by the canvasser and receipts for income tax purposes will be issued at the close of the campaign.

Mrs. Allan Watt and Mrs. Harold Fabricious were appointed conveners for the National Hospital Day Tea, which will be held in the Staff House at 3 p.m. on May 12. This is the one opportunity each year when the members can extend hospitality to those who help the hospital and friends are invited to become acquainted with the staff and visit the rooms.

Mrs. William Parry was commended for the splendid social service work which she is convening. Mrs. Parry recently outfitted a child who had entered the hospital without necessary clothing, this being but one of the many services given by the Auxiliary.

The May meeting will take place on May 12 in the Staff House at 2 p.m., prior to the Hospital Day Tea.

Since the new B.M.P. Hospital opened in October, 1954, the Women's Auxiliary has furnished equipment to the value of $14,814.48. The past year's expenditures were as follows: Two rubber mats, $41.20; 1 stretcher with foam rubber pad, $163.50; steam press for use in laundry, $1,873; oxygen tent, $575; hid-a-beds, $300; dressing cart, $175; flannelette, baby scales, $105.14. Total, $3,232.84.

General Notes

Mr. John Page has returned to his home after being a patient in the hospital over two weeks.

The May meeting of Brome County Cooperative Medical Association will be held on the evening of May 30 at the home of Mrs. Avice Mason and of Mr. and Mrs. Murray Mason at Fordyce.

KIRKDALE —

Mr. and Mrs. G. R. Couchman have returned home after visiting their son and daughter-in-law in Barrie, Ont., for three weeks.

Miss Jean Beattie of Richmond was a recent guest of her brother-in-law and sister, Mr. and Mrs. Kenneth Cross and family.

The Guild and W.A. of Holy Trinity Church held a successful food sale at the Southern Power Co. showroom in Richmond. The regular May meeting of the Guild and W.A. will be held at the home of Mrs. A. B. Lyster on Wednesday afternoon, May 7. Members will be hostesses.

Mrs. F. Riff spent a week in Montreal with her daughter and brother.

Weather permitting, work will be started on the outside woodwork of Holy Trinity Church. Anyone wishing to contribute to this necessary work can contact Mrs. Alvah Cross, Secretary - treasurer, Melbourne R.R. 1.

Kiwanis Governor Pays Visit To Waterloo Club

WATERLOO — The last meeting of the Kiwanis Club for the month of April was an exceptionally large and interesting one. Lieut-Gov. Zotique Lesperance, from the St. Laurent Kiwanis Club of Montreal, who was paying his official visit, was introduced by Kiw. Ben Provencher.

Five members from the North Troy Club journeyed to Waterloo for an interclub. Twenty-eight members of the Waterloo Club and one guest, Marcel Dufresne, were present.

Seated at the head table were President Frank Makinson, Lieut.-Gov. Zotique Lesperance, President Archie Poulin, of Kiwanis Club of North Troy, Past President Gunter, Past President Alden Perkins, Kiw. Walter Hughes, Kiw. Wally Jenks and Kiw. Ben. Provencher.

The Club was entertained by the "Bar Room Boys" with a couple of numbers which were enjoyed by the group.

Lieut.-Gov. Lesperance was pleased with the Club rating of 94 average out of 100 for the first quarter of 1958. He also announced that Division No. 8 (which includes Waterloo) received the Lieut.-Gov.'s ribbon for the highest rating of all clubs in Eastern Canada. The Lieut.-Gov. also expressed his appreciation for the wonderful work being done by all the clubs in the Division and of the support that the members of the Waterloo Club are giving President Makinson.

Lieut.-Gov. Lesperance said that an active Kiwanian is a good Kiwanian, a Kiwanian who is merely wearing the button and not taking full part in the Club's activities is a poor member and should not wear the Kiwanian button.

The speaker stated that Kiwanis International had spent over $9,000,000 on youth and welfare work during the past year and gave a resume of the aid given to various groups by the club.

Division No. 8 has a goal of two new clubs and 75 new members for 1958. So far, one new club has been formed with a possibility of three more.

Lieut.-Gov. Lesperance was thanked by President Makinson.

Then each Committee Chairman was called upon to give a report to the Lieut.-Gov. concerning the work that has been done and the plans for the rest of 1958.

Re-Affiliation Of W.M.S. - C.G.I.T. At Melbourne

MELBOURNE — The W.M.S. of l'Eglise des Cantons de l'Est met recently in conjunction with the C.G.I.T. Mrs. J. A. Smith conducted the dedication and re-affiliation of the C.G.I.T. to the W.M.S. Those who took part were Louise Larochelle, Doris Perron, Laurette Vidal, Raymonde Parent. The offering was received by Linda Gifford and Alice Larochelle.

Miss Doris Perron the treasurer, presented the offering to Mrs. Gerald Fortier, treasurer of the W.M.S., which will be given over to the Presbyterial treasurer.

By the kindness of Mrs. Gordon Brooks, of Upper Melbourne, slides were shown on "India Land of Contrast." Mrs. Brooks was thanked by Mrs. Smith and the C.G.I.T. members for the informative slides.

The W.A. meeting was then opened by the president, Mrs. Eugene Malboeuf, who presided. The devotional period was taken by Mrs. Paul Brouillet and Mrs. Paul Parent. A duet was sung by Mrs. R. Larochelle and Mrs. R. Gifford.

The treasurer, Mrs. Theodore Brouillet, gave the financial statement which showed that $1,100 had been given toward the repairs to the church.

It was decided that the food sale and Mother's Day gift table which was to be held in the Southern Canada Company Store on May 10th would now be held on Friday, May 9th.

Mrs. G. O. Malboeuf and Mrs. Lucille Vidal were appointed to take charge of the devotional period at the next meeting.

General Notes

Mrs. Eva Donahue has returned from Montreal where she has been caring for Mrs. Frederick Collins for a number of weeks.

Miss Ferne Henderson of Montreal is the guest of her parents, Mr. and Mrs. H. J. Henderson.

WATERLOO —

Mr. and Mrs. Parker Whitehead attended the wedding on Saturday, April 26, at Bromptonville of Mr. Whitehead's son, Frederic, to Miss Mary Kelly, daughter of Mrs. George Doherty. The ceremony took place at the Bromptonville Roman Catholic Church with a reception at the home of Mr. and Mrs. George Doherty. Among those to attend were Oliver Whitehead, Sidney Woodard, little Gwen and Jocelyn Whitehead from Waterloo and Miss Pauline Lacroix from Sutton. The bride and groom were guests of Mr. and Mrs. Whitehead in Waterloo for a few days. Miss Albertine Whitehead of Montreal was also guest at the same home.

Guests for the weekend at the home of Dr. and Mrs. Camille Du Mesnil were Miss Alice Beaulieu of Ottawa and Mr. and Mrs. C. Marleau, Cornwall, Ont., while in town to attend the Langlois-DuMesnil wedding, Saturday, April 26.

Mrs. Leon Lewis attended a tea and closing Debate at Loyola High School. Mrs. Lewis was pleasantly surprised to learn that the previous evening her son, Bobby, had received a trophy for sportsman of the year in the boarders senior club. Davy Galivan presented the trophy.

Mrs. Marcus Hackwell has returned home from Toronto West where she spent the winter with her daughter, Mrs. Cyrille Brazzill, Rev. Brazzill and family.

Mrs. Gladys Gannon has returned to her home at Mrs. Fred Jones after spending some time with her son, Billy, and family in Montreal to assist in caring for her new grandson, Michael Shaw.

Miss Barbara Allen spent the weekend at her home in Milby.

Mrs. Lena Lowry and her son, Orval Quilliams attended the Anniversary Supper at the United Church Hall in Granby.

Mrs. William Gallagher was in Montreal recently to attend the funeral of her brother, Herchael Foster. While in town Mrs. Gallagher visited her father who is 83 years old.

The administrators of the town affairs might be justly proved of the appearance of Foster Square with its newly painted benches and grandstand in green and white.

Miss Marilyn McKergow and Ken McKergow were at their respective homes for the weekend.

Mrs. Carrie Moffat has returned to her home in Sutton following a period of convalescence at the Foster Square Rest Home.

Mrs. Will Ashton from Granby called recently on Mrs. S. J. Irwin and Miss Nettie Galbraith.

Friends of Mr. G. W. Wilkinson will be pleased to learn that he is improving from his recent attack of influenza.

Rev. Dan Fleming and Mrs. Fleming from West Port, Ont., are spending a few days with Mrs. Fleming's parents, Mr. and Mrs. Donald Martin.

Cancer Society Heads Address Thetford Meeting

THETFORD MINES — The local branch of the Canadian Cancer Society held its first general meeting with a widely representative group of interested people in attendance.

President of the local branch, J. A. Wayland, welcomed those present and then introduced the guests for the evening, among them being Maurice Forget, president of the Canadian Cancer Society who spoke to the gathering in French; honorary president of the local branch, Leonard Demers; Armand Robert, assistant executive secretary of the Montreal branch and L. Pattie, secretary of the Society, who spoke to the audience in English.

Mr. Wayland drew attention to the fact that the president, or his or her representative, from each of the local church groups was in attendance and said that this wide-spread interest boded well for future success of the Society.

Mr. Forget and Mr. Pattie spoke briefly but eloquently of the cancer work being done in Quebec. Cancer they stated was the greatest challenge presented to medical history and the Cancer Society had been formed to meet this challenge.

Although the Society's program centred warningly on its "seven danger signals", it must not be thought that the Society was an apostle of doom rather than hope. To the contrary, hope was the keynote of its work. Hope for those already victims of the disease and hope that many other potential victims would escape the disease due to the research constantly being done to cure and control cancer.

The speakers pointed out that the aims of the Cancer Society were three-fold. To raise money for research, to promote education and to carry out welfare work for those already stricken with the disease.

While speaking on the subject of research it was interesting to note that the development of the Salk vaccine was in fact an out-growth of cancer research work. Other wonderful medical discoveries have been and will probably be made through the cancer research dollar.

On the subject of welfare, the speaker mentioned that whereas they had started with 53 patients, the society is now giving aid to 2,000, the youngest of these being 11 weeks and the oldest 98 years.

Following the speeches it was announced that the local Welfare Branch of the Society, under the chairmanship of Mrs. W. J. Johnson or in her absence, Mrs. J. Dickinson would meet in the St. Joseph Hospital each Tuesday afternoon from 2 to 4 p.m. Their work will include the making of cancer pads.

It was announced by the president that the financial objective for Thetford Mines branch this year was $1,500 and cheques made out to the Canadian Cancer Society could be sent to J. A. Wayland at the Asbestos Corporation offices.

MOUNTING TENSION — Although she doesn't seem too sure of her equine equilibrium, French film beauty Brigitte Bardot manages a nice smile as she clings to a horse in Paris. She's taking her first riding lesson in preparation for a new movie role.

GEORGEVILLE —

Mr. and Mrs. Bernard Drew and family were guests of Mrs. Beth Smith at Newport.

Mr. and Mrs. Henry Dixon were in St. Catharines, Ont., to attend the Niagara District Artillery Association Annual Banquet under the direction of Lt. Gen. Guy Simonds, commemorating the Battle of St. Julien fought in the 1914-18 war. Mr. Dixon states that there are now only 20 members left of the original company. While in Ontario, Mr. and Mrs. Dixon also visited friends in Toronto and Hamilton. On their return trip Mr. Dixon stopped in Montreal for a check-up at the Queen Mary Hospital, while Mrs. Dixon continuted on to Bury to visit her son, Gordon Boynton.

Mr. Erwin Camber, Miss Edna Camber, Mr. and Mrs. Richard Camber, Mr. and Mrs. Percy Camber and Mr. and Mrs. Stanley Hutchins and family paid a surprised visit to Mrs. H. Gaiters recently, bearing the makings of a party. The occasion was to wish Bon Voyage to Mrs. Gaiters, who is leaving soon on a trip to Scotland. The cake was beautifully decorated with a model of a ship. Mrs. Gaiters was presented with a brooch as a memento of the occasion.

Mrs. W. Probert and Miss Colleen Probert of Graniteville were guests of Mr. and Mrs. John Leney.

Mr. and Mrs. Oldfield and family of Vaudreuil were guests of Mr. and Mrs. Stanley Hutchins, and other relatives.

Miss Florence Filer was in Toronto recently.

Christ Church, Stanstead To Mark 100th Anniversary

STANSTEAD — This month Christ Anglican Church will mark its 100th anniversary and for months the rector, Rev. A. L. Salt, and members of his parish have been working unceasingly for the celebration.

Sunday, May 11th, at the 11:15 o'clock morning service, Mr. Salt will read the 50th anniversary service, preached by Rev. Arthur Moore, (now deceased) on the early history of the church. It was during the incumbency of Mr. Moore that the tower was built.

At this same service Louis Moore, a son of the late Mr. Moore will be present and read the lessons. The Junior choir of little folk will sing the anthem "Brightly Gleams our Banner".

The centennial anniversary dinner will be held at seven o'clock in the Stanstead College dining room. Among the guests will be Most Rev. Philip Carrington, Archbishop of Quebec; Rt. Rev. Robert H. Waterman, Bishop of Nova Scotia; Venerable Channell Hepburn, of Ottawa, the guest speaker; state dignitaries, local clergy and many others from the communities and a distance.

Sunday morning, the anniversary service of thanksgiving will be held at 10:30 o'clock. The Archbishop will confirm 20 candidates and be celebrant of Holy Communion, as well as giving the sermon. The rector, Mr. Salt, will assist in the service and Rev. David Cargill of New London, N.H., will act as Chaplain to the Archbishop.

The newly confirmed will receive their first Communion along with other communicants of the Anglican faith. During the service the choir will sing the anthem "O How Amiable".

The evening of May 18 a special service will be held at 7:30 o'clock in All Saints Church, Beebe, when Archbishop Carrington will be the speaker.

Sunday morning the usual Holy Communion service will take place at 8:00 in Christ Church, Stanstead.

International Handicrafts Exhibited Junior Red Cross Week At Knowlton

KNOWLTON — Junior Red Cross week, April 21st, to 26th, was observed in Knowlton High School with many activities taking place.

Highlights of the program were an exhibit of International Handicrafts from 12 countries: Java, Greece, Scotland, Russia, Hungary, Armenia, China, Korea, Germany, the Netherlands, Phillipines and Australia.

2. A Display of International Art including 33 paintings from 15 countries.

3. An Exhibit from Snug Shin girls' High School, Soeul, Korea. Juniors of Knowlton High School are amongst those who have adopted this girls High School and are helping to equip it. As a token of their appreciation the girls from Snug Shin High School have sent a donation of interesting articles.

4. On Wednesday evening the exhibits mentioned above were on view for parents and other interested adults and several interesting films were shown which were sponsored by the Red Cross Society of Canada. 1. Friends in need; 2. A place in the Sun and 3. Water Safety.

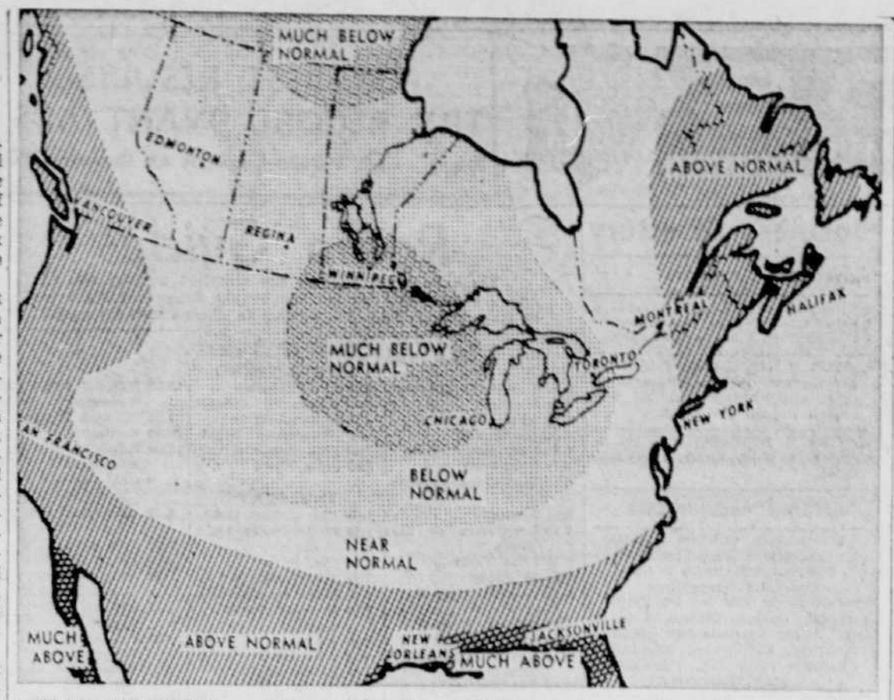
The Junior Red Cross Council of K.H.S. has had a very active year. Following the election of officers, the first project was the collecting of Betty Crocker Box tops and $10 worth were sent to Junior Red Cross Headquarters.

In December they won first place in the Lions Club Santa Claus Parade. Also in December the children of the Alderbrooke Home for retarded children enjoyed a pleasant Christmas Party. The Junior Red Cross Santa Claus John Patterson gave out gifts and refreshments were served. Using a tape-recorder and played back to them. The afternoon was one neither the children nor the "Juniors" will forget. Eighty-five Christmas Stockings were sent to Junior Red Cross Headquarters, 45 of which were filled with toys, games and candy for distribution to hospitalized and needy children.

During the past months, 1025 Junior Red Cross Calendars were sold. A very large number of garments were made and are still being knitted by K.H.S. Juniors. Likewise boys in the annual Training Shop are busy making articles and Stam collecting is continuing. Throughout the year, various grades have given excellent support by organizing candy sales, Basketball games, dances etc.

One particularly unusual and interesting project was the Animal Show sponsored by Grade V. When live coloured chickens, were shown as well as ducks, cats, mice, dogs, guinea pigs, and rabbits. The sum of $14 was raised in this way for Junior Red Cross.

It is the hope of the K.H.S. Junior Red Cross to tape-record Canadian songs to be included in an album for overseas. This year Juniors of our School received an album from Berne, Switzerland, in return for one sent there last year.



CHILLY WEATHER — Temperatures lower than normal seasonal readings are predicted for most of Central Canada in the 30-day forecast issued by the United States weather service. Both coasts can expect above-normal temperatures while temperatures are expected to be near normal in a band running from northern Quebec southward through the Quebec-Ontario border area and curving northward through Alberta and eastern British Columbia. Stanstead County W.C.T.U. Holds Annual Convention

MAGOG — The 73rd Annual Convention of the Stanstead County W.C.T.U. was held at the home of Mrs. C. S. Harris, with Mrs. George Phaneuf, County president, in the chair. The opening service was conducted by Mrs. Irene Buzzell.

Reports of last year's activities in the numerous departments showed a deep interest in the work and careful preparation for all meetings, each preceded by a devotional period. A small increase in membership was reported. All commitments had been met by the end of the year.

The report of the flower mission superintendent showed that many shut-ins, sick and unfortunate people had been visited and remembered in other ways.

Contestants from Ayer's Cliff and Magog High Schools had participated in the Temperance Essay Contest and National Temperance Study Course and all had been recognized by local unions; some winning local, county and provincial prizes. One contestant is eligible for a five year pin.

It was announced that the Provincial W.C.T.U. Convention will be held in St. Andrew's Presbyterian Church, Sherbrooke, on May 27th, 28th and 29th.

Following is the slate of officers for 1958-59: President, Mrs. George Phaneuf; 1st vice-president, Mrs. C. S. Harris; corresponding secretary, Mrs. F. A. Johnston; recording secretary, — Mrs. W. D. Kirk; treasurer, Mrs. Stewart Taylor.

Berwick; Temperance in W.M.S., Mrs. E. E. Temple; Travellers' Aid, Mrs. J. E. Conners.

Talented Young Knowlton Musician Presented In Program On French Horn

KNOWLTON — The Knowlton High School Band presented Fred Whitehead in a program of music devoted mainly to the French horn. The program was planned by the Band in recognition of the young musician's outstanding achievements during his years at Knowlton High School.

For five years Fred has been a scholarship student at the Provincial Conservatory of Music and Dramatic Art in Montreal. At 12 years he was chosen as a member of the Montreal Junior Symphony's horn section for the orchestra's concert tour of England, where he appeared in performances in most of the principal cities, played a concert before members of the Royal Family, and was seen on a B.B.C. television network.

During this time he was also a member of the Vermont All-State Orchestra for its festival concerts in Burlington.

When he was a student in Grade 8, young Whitehead was invited by his horn teacher at the Conservatory, Harry Berv, to go to New York as a guest of the Ford Foundation for appearances with the famous Berv brothers of Toscanini's N.B.C. Symphony in a special coast-to-coast television program describing the development and characteristics of the French horn on "Omnibus". On this program, he joined with the three Bervs to form a horn quartet.

A year later he took part in a film made by the National Film Board of Canada on the subject of musical instruction for youth in Quebec. During the following winter he played as first horn in a concert with the Sherbrooke Symphony and was invited to play in the Quebec Symphony.

This year, he placed first over a wide field of musicians, both amateur and professional, in auditions in Granby and Sherbrooke. As a result, he was chosen to appear as soloist with orchestra on the C.B.C. television program, "La Couronne d'Or.

As solo horn with the K.H.S. Band he has played three of the four horn concertos of Mozart, and one of the two horn concertos of Richard Strauss; thus at 16 years of age, Fred has performed almost all of the major works written for his instrument.

On tour with the Band, he has been widely recognized as an unusual musician by audiences and music educators from Ontario, Quebec and the Northern Atlantic States. His work as a soloist has been complimented by his performances as assistant conductor of the Band.

Fred Whitehead's musical talents have been matched by consistent high academic standing and active participation in sports, the Junior Red Cross and the Student Council of which he is president.

As he is graduating this year, the Band presented him in this Senior Recital, believing that the people of this community would like the opportunity of hearing him as he nears completion of his years at Knowlton High School.

Numbers presented were: Horn Concerto No. 1 by R. Straus and Horn Concerto No. 3 by Mozart. Other numbers by the Senior students interspersed throughout the program included several by John Patterson, Warren Mizener, John Pille, Arthur Duboyce and William England, as well as duets for Two Clarinets by Mozart by Ann and Mary Miller.

Miss Ethel Nesbitt was accompanist for young Whitehead.

LOWER WINDSOR —

Friends here of Miss Mable Lachance of Drummondville were shocked to hear of her sudden passing. Mrs. J. C. Watson attended the funeral which was held in St. Patrick's Church, Sherbrooke.

Friends and relatives from here attended the funeral of Mr. H. Oborne held in St. George's Anglican Church at Windsor Mills.

Miss Shirley Armstrong of Upper Melbourne spent a few days at the home of Mr. and Mrs. L. Lynch before taking up her duties at the Sherbrooke Hospital.

Miss A. Cleary spent a week at the home of her brother-in-law and sister, Mr. and Mrs. J. Dunlavey and family at Spooner Pond.

CALL'S MILLS —

Mr. Jasper Byers of Cornwall, spent a weekend at his home.

Mrs. Archie Ladd spent a couple of days in Montreal consulting a specialist.

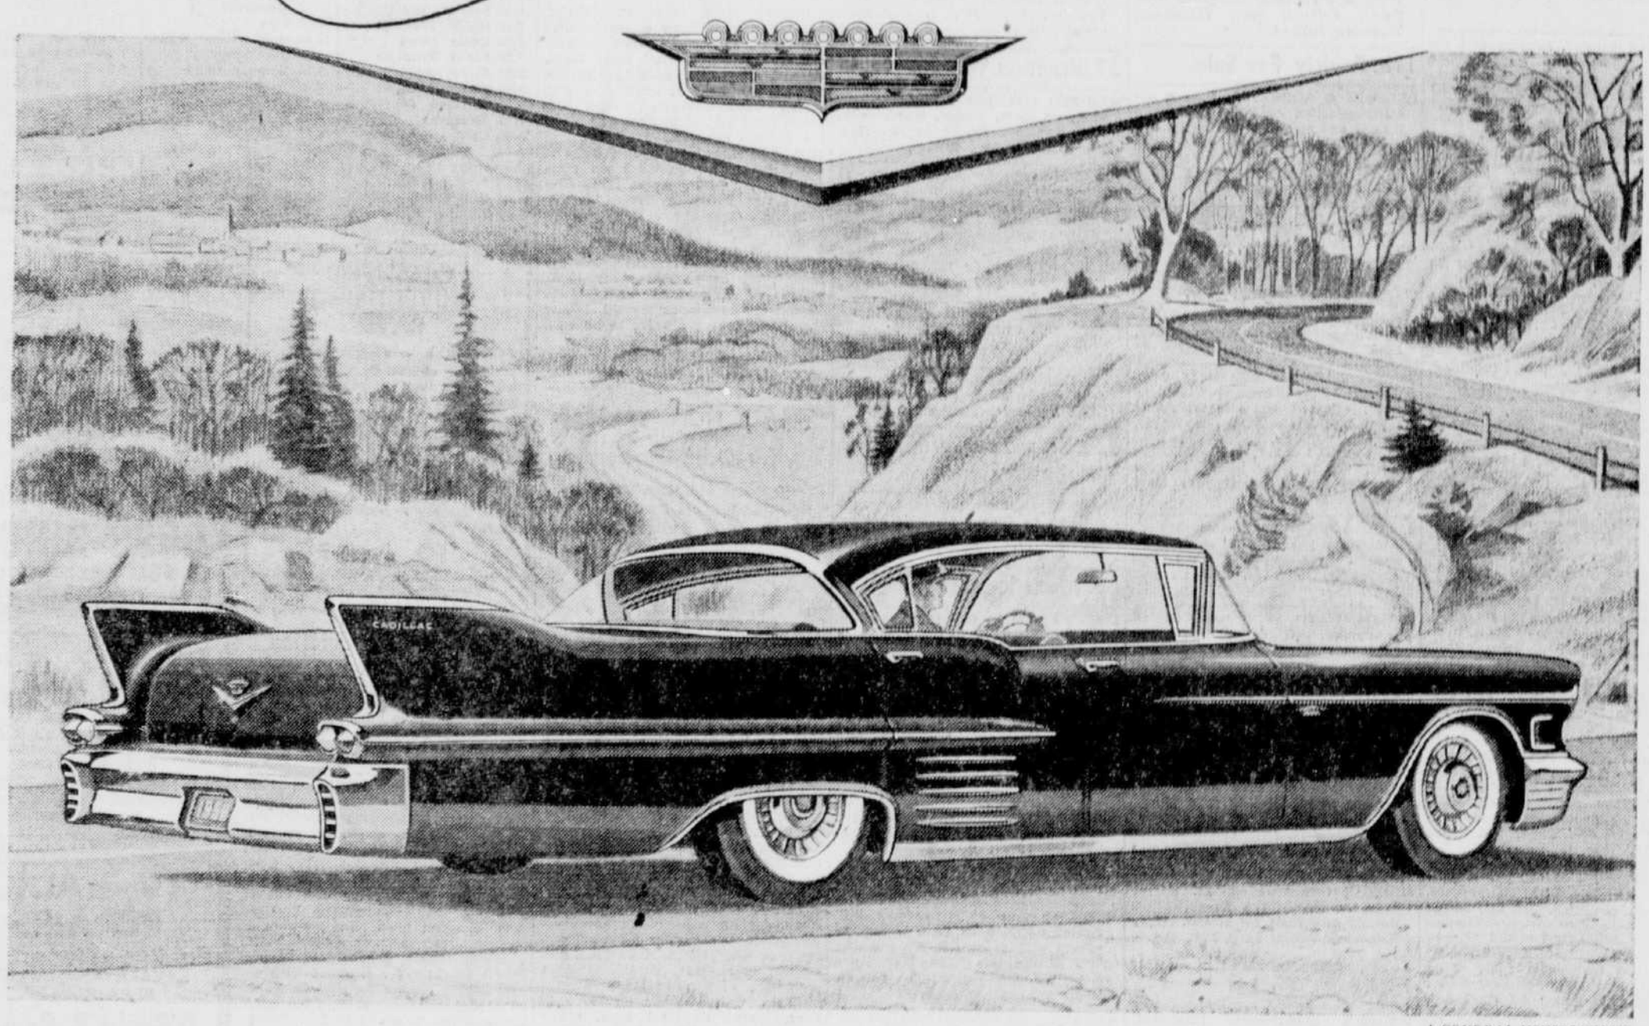
Cadillac



A GENERAL MOTORS VALUE

It's an Easy Step from Dreaming to Driving!

Almost all of his adult life, he has looked forward to the day when he would own a Cadillac car.

And now here he is at last—just a few miles out on his initial journey—with his hands on the wheel and his head in the clouds. It's his!

And yet, truth to tell, he does have one regret. For he knows that he needn't have waited *this* long, had he but realized what an easy step it is from *dreaming* of a Cadillac to *driving* in a Cadillac!

Like a great many motorists, for instance, he was not aware that a Cadillac—in view of its obvious virtues—could be so modest in price.

Nor did he appreciate, until the facts were presented to him, how economical a Cadillac is to maintain—or how wonderfully the car holds its value over the years.

And little did he suspect how *accommodating* his dealer would be—from every possible standpoint—in welcoming him to membership in the great and distinguished family of Cadillac owners.

So, if you have your heart set on a Cadillac, you should hesitate **no longer** to investigate this happy set of circumstances.

In fact, why not visit your dealer today? He will be happy to help you select your favorite Cadillac with your favorite Fleetwood interior—be it the luxurious Sixty-Two Coupe or the magnificent Eldorado Brougham.

And he has had long practice in the art of making dreams come true.

The Doctor Says

Edwin P. Jordan, M.D.

SURGERY REMAINS ONLY SUCCESSFUL METHOD FOR TREATING CATARACTS

Sometimes new treatments are proposed which sound promising at first but fail to pan out.

Q—Can you say something about the treatment of cataracts with a substance made from fish eyes?—M.L.L.

A—This was a treatment which was tried several years ago, but which was abandoned after it was found to produce serious complications. At the present time the only treatment for cataracts is their removal by surgery. This procedure is done successfully thousands of times each year.

Q— Please give me some information about stone in the common duct. What can be done for it?—Reader

A—A stone can become lodged in the joint passageway between the liver and gall bladder and the digestive tract, either before or after a gall bladder has been removed. Sometimes these stones pass on their way into the digestive tract and do not cause trouble.

However, in many other instances they do cause pain, jaundice or other symptoms. In such cases they may have to be removed surgically, since there is no way to reach them medically by a substance which will dissolve them where they lie.

Q—Twelve years ago I underwent a fenestration operation on my ears. I regained some of my hearing, but not enough. Do you think it is advisable to undego the new stapes mobilization operation?—M.G.

A—This is a highly technical question and can only be answered after a most thorough examination of your present hearing and the condition of your hearing organs.

The stapes mobilization operation has proved highly successful for a large number of people who suffer from certain kinds of deafness. But, of course, it will not always restore hearing, since the location and nature of the deafness varies from person to person.

Q—I am 24 and have two children My weight is average but I have trouble with loose and sagging breasts. I was wondering if there is some exercise which I could do to help.—Mrs. D.

A—I do not think that any exercises will help this situation. If it is serious enough to warrant action, probably the only possibility is plastic surgery.

Q—Someone I know has a dark skin around the eyes and eyelide which I understand is the result of eye drops containing silver. Can anything be done for this?—L.C.

A—This sounds like a localized pigmentation of the skin with silver. It carries the name of argyria. Of course this should have been avoided by not using the silver preparation so long.

There is a treatment which was described in 1929, but it is difficult and time consuming. However, any skin specialist would know about it.

Trucking Plays Vital Role In Canadian Economy

Second Most Motorized Nation And Fifth Largest Truck Owner

Canada is the second largest country in the world in geographical terms, making adequate transportation facilities vital. At a session of the International Labor Bureau of the International Labor Organization, Camille Archambault, speaking for Canadian truckers, gave delegates a description of the trucking industry in this country.

He said, in part:

Canada, as regards its population, is the second most motorized country in the world. Regardless of its population, it is the fifth largest truck owner in the world.

No one had an exact idea of the vital economic importance of road transport in Canada prior to August 22nd, 1950. At that date, Canadian railway employees decided to go on strike. That same day, radio and newspapers declared that the economic life of the country would be paralyzed within 48 hours. But it so happened that thanks to trucks from coast to coast during the nine day railroad strike, not a citizen was deprived of the necessities of life. . . .

The Federal Government controls the railways while the provinces govern highway transport, including labour conditions in this field.

If we admit that it requires at least one man to drive a truck and in many cases two, we can assert, taking into account the number of trucks registered in Canada (930,000) that over a million Canadian citizens depend on trucks as direct means of earning their living.

Due to the complexity of our federal and provincial government systems, conditions of employment of all these workers may vary from one region to another, depending on provincial jurisdiction in this matter.

Due to the development of road maintenance during the winter and, in the past fifteen years, the spectacular evolution in the removal of snow, road transport in Canada is no more a seasonal trade and employees may now work the year round.

Workers in road transport are covered at work by accident insurance administered on a provincial basis.

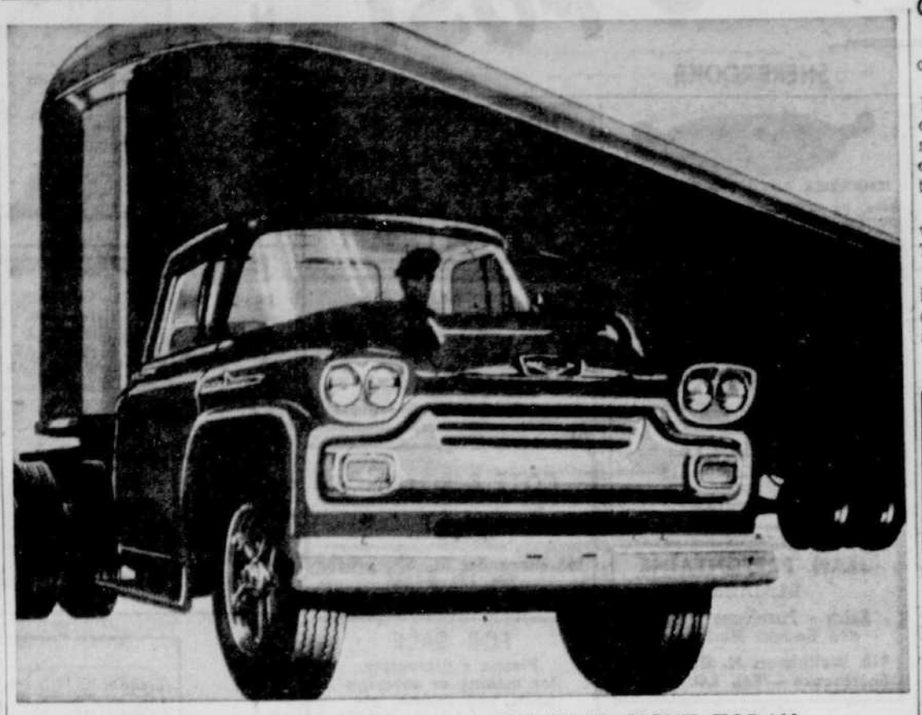
Minimum wages for truck drivers are prescribed in all provinces. Rates vary in certain area depending on whether they concern city workers or inter-city workers. In a general manner, wages are usually set up through labour negotiations between trucking firm owners and employee representatives. Long-distance drivers are frequently paid on a 'miles-travelled' basis. In cities they are paid on an hourly basis.

In certain regions of Canada, scale of wages and labour conditions are promulgated by decree. Parity committees composed of employers and employees look after the observance of norms established.

In Canada, whether it is through decree or negotiations of labour agreements, we usually provide for the employee of road transport: a limitation of hours of work; periods of rest; statutory holidays; in certain cases, the arrangement of rooms with sinks and showers; the payment of meals and dwelling allowances when the employee is away from home; extra social insurance for the worker and his family.

Each year, we organize on a national and provincial basis safety truck drivers' tournaments. On this occasion, drivers with a high safety record receive money awards and trophies are presented to the best chauffeurs. Such events create emulation among drivers and have greatly contributed to reduce road accidents in Canada.

I listened with great interest to the previous speakers who have claimed a system of labour inspection for road transport. In Canada, we are saturated with inspectors from: The Workmen's Compensation Boards; The Associations for Prevention of Industrial Accidents; The Minimum Wage Boards; The Trucking Industry Parity Committees. This is, of course, besides the inspections and interventions of the Federal Ministry of Labour and Provincial Labour Departments. As you can see, the protection of life, health and the interests of road transport employees is well supervised in Canada.



THE HEAVY TRANSPORT — A FAMILIAR SIGHT TODAY

Trucks Help In Time Of Disaster

The essential role of the trucking industry in British Columbia during the flood of the Fraser River in 1948 was well established. The flood of the Red in Manitoba would have been more disastrous without the trucking service operated twenty-four hours a day. We will recall the relief and support felt by the sufferers of Rimouski and Cabano upon the arrival of semi-trailers.

The trucking industry has again given proof of its usefulness upon the recent flood in Beauceville. Semi-trailers trucks were used to carry everything necessary to the victims of Beauce. In fact, Paul Guilbault of Guilbault Transport, Inc., immediately offered his semi-trailer trucks to Station C.J.M.S. in Montreal, in order to haul clothes and provisions received through appeals made by radio.

Truck Transportation One Of Fastest Growing Industries

THE TRUCKING INDUSTRY SERVES BOTH CITY AND COUNTRY

Linked With Progress In Quebec Province

One of the fastest growing industries in the Province of Quebec is truck transportation, with 183,000 vehicles intercrossing her huge territory. There is no other province in this country where road transport is so closely allied with progress and expansion. More than anywhere else the industries, the merchants, the farmers, are depending on trucks because Quebec is the province which has less railway mileage per 1,000 inhabitants, namely 1.2 mile, while the proportion increases to 2.3 in Ontario, 3.6 in New Brunswick and 6.0 in some of the western provinces. In the Province of Quebec, there are over 500 municipalities without direct railroad service.

The development of truck transportation is shown by recent statistics published by the Canadian Automobile Chamber of Commerce, indicating that there are 4,737 new trucks in our province to compare with the previous year. During the same period, the truck registration in Ontario increased by 2,234.

Public Relations Part Of Trucker's Work

What does good public relations mean to the commercial vehicle driver? How can a driver help his company's reputation with the public?

A driver must remember that he is in the public eye 24 hours a day. What he does and how he does it can reflect on himself and his company. This means, that while he is on the road, he must be careful and courteous at all times. In short, he must reflect the true personality of a professional driver.

But care and courtesy alone, is not enough. He must also be a good neighbour.

Most people realize that their welfare, happiness and prosperity is closely tied with the success of the company that employs them. Each year with the firm serves to strengthen this tie and makes both employee and employer more dependent on each other.

Most companies are judged not only by the quality of their service but by their conduct as citizens and neighbours. The regard for us by the public has a direct bearing on our success.

Our value to the community lies in many things, such as:

QUALITY SERVICE: Providing a dependable high quality service immediately sets the company and its employees up a few notches. The community always takes pride in any outfit that lives up to high standards.

HOSPITALITY: One of the things that mark you as a good neighbour is the way you treat guests in your home. The same applies here. The way people are treated when they come here, call us on the phone or meet us on the highway, influences their opinion of us to a great degree.

GOOD APPEARANCE: We will not be considered as good neighbours as a company if we permit our vehicle to scatter trash all over the landscape, operate noisily and, in such conditions to fill the air with smoke and offensive odors.

These are things that both you and your company can do to be good neighbours. Active participation in community affairs will take us far beyond this and clearly mark us as good neighbours.

Meridian Choir Presents Concert At Sawyerville

SAWYERVILLE — Sponsored by the United Church choir, a delightful concert of vocal selections by the Meridian Choir was presented at the United Church before a large and appreciative audience.

Under the direction of Edwin Leggett, four sea chanteys were sung, "Shenandoah", "Eight Bells", "Away to Rio" and "Old Man Noah". These were followed by rendition of the ever lovely, "The Lord's Prayer", "Perfect Day", "Pleading" and "The Lost Chord", solo part Conrad Haselton.

The Meridians then presented Rogers and Hammerstein's popular "Oklahoma", "People Will Say We're In Love" and "Oh What a Beautiful Morning".

During a short intermission Lawrence Wheeler sang, "Sugar Time" and "He's Got The Whole World in His Hands" accompanying himself on the piano.

The choir sang the spirituals, "Shine On Me", "The Lord is My Shepherd", "Deep River" and "Joshua Fought the Battle of Jericho", Dean Palin singing the solo parts.

The last group of songs were "Sylvia", "The Bells of St. Mary's", Conrad Haselton taking the solo part, "Home On The Range" and "My Bonnie Lassie", followed by two encores, "Because" and "The Song of the Jolly Roger".

Rev. Mr. Fraser introduced the group and thanked them for putting on such a fine musical program.

The concert concluded with the singing of the American and Canadian national anthems.

Following the entertainment the singers were served refreshments by the choir members in the church hall, where several more selections were sung by the group.

Waterloo Lads See Montreal Baseball Game

WATERLOO — The Kiwanis Club has again come to the fore in their work with the young people.

The baseball season is about to open and the little boys in Waterloo, English and French, had the privilege of seeing the first game of the season in Montreal, Sunday, May 4th. Approximately 140 children were taken to the Delormier Stadium, where the Montreal Royals played against the Havana Sugar Kings from Cuba.

Two chartered buses and several private cars transported the boys under the careful supervision of the Kiwanians. After the game all were treated to supper at restaurants and brought home safe and sound, if a bit weary.

The four baseball clubs sponsored by the Kiwanis Club should have an active summer after this inspirational start.

Much credit goes to Kiwanian Gerry McGovern, who worked so hard to organize this special event.

BROOKBURY —

Mr. Charles Sykes, of Lansdowne, Ont., was a guest of Mr. and Mrs. Gilbert Grey.

Miss Violet Brunett was given a large shower in honor of her approaching marriage.

Mystic W.A. Is Entertained By Mrs. A. Procter

MYSTIC — A meeting of the Women's Association was entertained by Mrs. Albert Proeter.

Rev. T. Duncan opened the meeting with prayer. Mrs. Gage presided. The organ committee announced the new organ would be in the church for Sunday, April 27th. Harold Hodge has offered his services to play. Dedication of the organ will be held on Mother's Day.

A ham supper will be held during May, date not decided.

A thank you note was received from Mrs. Moreau for flowers sent at the time of her husband's death. Birthday card signed by members was sent to Mrs. Cooper who recently entered hospital.

Hostess served refreshments. The President was taken by surprise when the hostess asked to cut a special cake as it was her birthday. All joined in singing happy birthday.

Mrs. Bergman will entertain the May meeting.

Truck Owners Pay Big Share Of Road Maintenance

Heavy Taxes Paid By Trucking Industry

Last year in the province of Quebec, motor-vehicles have paid to our provincial government, only in taxes on gas and registration fees, $97,610,000, representing 25.8 percent of the total revenue. These figures do not include the provincial sales tax of 2 percent and the municipal tax of 3 percent. Above this, the federal government has collected in excise tax from motor-vehicles, $72,258,842 in 1956.

During the same period the provincial government spent $107,876,000 for maintenance and improvement of the road network. It is to be noted that the road budget does not take into account the invested capital and amounts paid for road and bridge building which are calculated as ordinary expenditure. If we consider that the cost of a truck is much higher than that of the private car, that registration fees are based on the weight of the vehicles, that a transport trucker reaches 100,000 miles per year and consumes an average of 7 miles per gallon, it is not exaggerated to say that trucks are paying more than their fair share of taxation. According to a report recently published by the Royal Commission, it is said that truck owners have spent $2,986,000,000 in their operations in 1953, while private automobile owners have spent $1,865,000,000.

Roads Not For Use Of Motorists Only

Roads and streets of cities do not exist for the exclusive use of motorists. This assertion is so true that before the motor-vehicles were in use, the total length of the road network in Canada was 400,000 miles, being 80% of the present Canadian highway network which is 500,000 miles.

No matter the number of cars or trucks, we must realize that it is a necessity to maintain an elaborate road and street network to approach properties, to facilitate mail and health services, for educational and military purposes and more recently, to take advantage of the natural resources of the country. And yet, the motor-vehicles are the only ones to pay for the cost of building and improvement of the highway network in the national interest.

Birthday Party At Rock Island

ROCK ISLAND — Miss Edith Davis of Rock Island, who observed her 15th birthday on April 23, was given a surprise party on the following Friday evening, by her sister Marion, and mother, Mrs. Merton Davis.

Edith had accompanied her parents to Newport and on arriving home was much surprised to find schoolmates and friends awaiting her.

Several interesting games were played, favorite records were played, and Edith was presented with lovely gifts which pleased her a great deal.

Refreshments included a cake, decorated in white and silver and topped with glowing pink candles.

The guests were Diane Farley, Penny Carbonneau, Bronni Patterson, Elizabeth Hatch, Susan Fisher, Brenda Patterson, Joyce Laberee, as well as members of the Davis family.

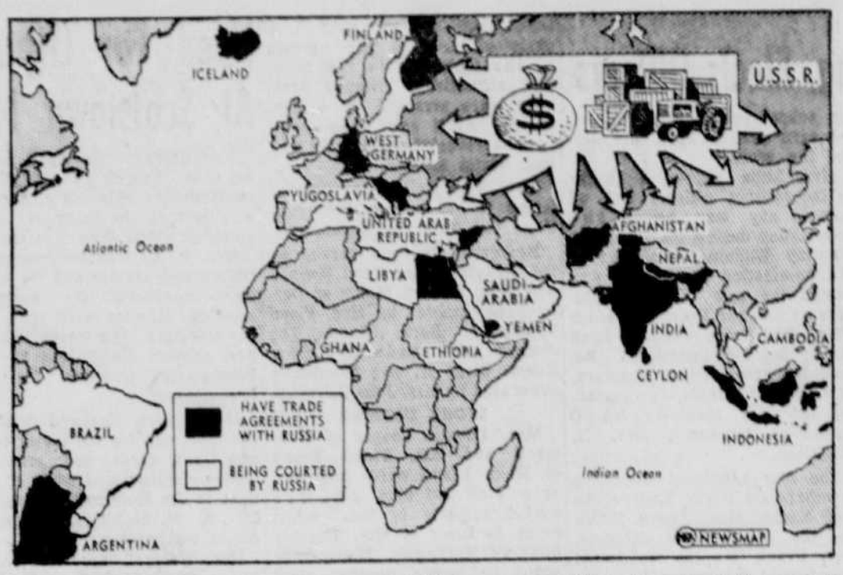
MELBOURNE —

The Udolphus Lord Aylmer Chapter I.O.D.E. of Richmond and Melbourne is holding its monthly meeting in the Melbourne Town Hall on Friday, May 9 at 2.30. Final plans are to be made for the Street Fair, which will take place on May 31st, and the report of the annual meeting at Montreal will be given by the delegates.

WEST KEITH —

Mr. and Mrs. Howard Berwick and son, Clayton and Mr. Carl Pehleman were visitors at the home of Mr. and Mrs. George Judge in Eaton.

Mr. and Mrs. Dan Pehleman and children, Wayne and Marilyn, were guests of Mr. and Mrs. Carl Speck in Lennoxville.



TRADE OFFENSIVE — A more serious challenge to the West than Sputniks may be Russia's stepped-up world-wide, trade-with-aid offensive. Besides the satellite nations already within the Red economic orbit, the Soviets are nibbling at the trade of Western Europe — a new commercial pact has just been signed with West Germany. An active part of the cold war economic battlefield are certain "neutral" and "uncommitted" nations such as the United Arab Republic, India and Indonesia. But also becoming prime targets for Russian loans and trade pacts are new areas in Africa and Latin America.

Waterville Guild Honors Members Prior To Departure

WATERVILLE — The regular meeting of St. John's Guild was held in the Jubilee Hall, with Mrs. C. Burton as hostess.

It was noted that Miss K. Taylor had made a gift of several stainless steel serving and tea spoons which the Guild appreciated.

At the close of the business session Rev. C. James Fisk presented gifts of Mrs. F. Ayer and Miss K. Taylor prior to their departure for Lennoxville and Ottawa respectively.

He stated that both ladies had been an inspiration both to him personally and the parish as a whole. He recounted the years of service which Mrs. Ayer had given as organist of St. John's and as president and then treasurer for several years in the Guild. Miss Taylor too, had contributed much to the welfare of St. John's over a period of years. Mr. Fisk expressed the regrets of all at seeing them leave and wished them every happiness in their new localities. The recipients expressed their thanks for the gifts.

Refreshments were served by the hostess assisted by Mrs. Pocock and Mrs. Bauer.

CHRISTMAS CLUB

The April meeting of the Friendly Christmas Club was held at the home of Mrs. Gerald Miltimore.

Cards were played at three tables. Mrs. Arthur Corey won the travelling prize and also the prize for the highest score. Mrs. Stanley Reed won the consolation prize. Lunch was served by the hostess.

The May meeting will be entertained by Mrs. Emil Nelson.

GENERAL NOTES

Recent guests at the home of Mr. and Mrs. Henry Woodside were Mr. James Dewhurst and Mrs. L. MacLeod of Sherbrooke and Mrs. D. MacLean from Lennoxville.

Another Mission

VANCOUVER (CP) — Forty-eight Vancouver businessmen are to leave here May 11 to promote Canadian trade in five European countries during a three - week tour of the continent. Members of the mission will start their mission with a visit to the Brussels World Fair.

Housewives Hit

DETROIT—(AP)—Irked at the ripe smell coming from a smoldering trash heap at a nearby refuse dump, housewives in suburban Warren took what a spokesman called "direct action". The ladies, about a dozen in all, set up a row of chairs across the entrance to the dump and sat through the day, unmoved by police entreaties and the coaxing of would-be dump users.

Halifax, Home Of Canadian Drama, Gets First Festival In 350 Years

By JOE DUPUIS
Canadian Press Staff Writer

HALIFAX (CP) — Nova Scotia, where Canadian drama was born 350 years ago, plays host next month for the first time to the Dominion Drama Festival.

The first Canadian play was produced in 1608 in the French settlement of Port Royal, now Annapolis Royal, about 130 miles west of here. It is one historical fact visitors will be reminded of when the festival is staged in this port city May 12-17.

About 12 city organizations, headed by the Board of Trade, are combining original ideas with a $20,000 budget to make the festival a success.

HOPE TO BREAK EVEN

Trade board president Ken Ross, chairman of the festival organizing committee, says grants of $2,000 from the Nova Scotia government and $1,000 from the city will help to pay the bills.

"But this isn't a profit-making venture," Mr. Ross adds. "If we break even, it's all we can ask."

To break even the committee must sell out for six nights and two matinees the 1,200-seat high school auditorium where the eight plays will be presented. At between $1.50 and $2.50 a ticket they expect to fulfil this commitment.

Part of Mr. Ross' staff spend four to five hours a day planning the big week. Along with other working groups, they grapple with a variety of problems.

For example, a list of required items reads like this: 3,500 sheets of correspondence paper; 6,000 programs; 250 convention envelopes; 9,600 tickets; hotel space for more than 300 people; meals, coffee, luncheons and other sundries for actors and stage hands. The festival pays for it all.

Apart from the serious business of drama, visitors will be feted at several civic banquets, tour the city in buses and cruise Halifax Harbor in a destroyer.

SCOTTISH TOUCH

Badges imprinted with lobsters will be distributed. Scottish pipers will escort Nova Scotia's lieutenant - governor Maj.-Gen. E. C. Plow to the opening play. And on the final night when awards are presented, pipers will do a similar chore for Governor-General Vincent Massey, honorary festival patron.

Donald Wetmore, drama adviser for the province's education department, says happily: "I've attended so many festivals and received such a big lift . . . I couldn't wait to get the festival here so all of us working in drama in Nova Scotia can know how it feels."

Mr. Wetmore is in charge of the theatre conference, a recent festival innovation. Its aim is to stimulate discussion of theatre at an advanced level and "initiate ways of getting more and better groups."

Among prominent speakers during the week will be Toronto critic Herbert Whittaker and Britain's Michael St. Dennis, founder of the Old Vic Drama centre in London.

Silver - colored programs will commemorate the 25th anniversary of the festival, first held at Ottawa in April, 1933. It will mark the second time the festival has been held in the Maritimes. The 1952 festival was at Saint John, N.B.

The eight plays adjudicated by Richard West on a just completed tour of Canada's 10 provinces will be judged in the finals by Philip Hope-Wallace, drama critic for the Manchester Guardian.

G. A. Henty Souvenirs Evoke Early Memories

By NEVILLE BARNETT
Canadian Press Staff Writer

MIDLAND, Ont. (CP) — Books and trophies in a home in this Georgian Bay port evoke memories of G. A. Henty, an early British war correspondent and famous writer of adventure stories for boys.

The home belongs to Mr. and Mrs. Harold Jackson. She is the former Phyllis Maud Henty, granddaughter of the English vicar's son who transformed frailty at birth into something closer to the robust characters who marched across the pages of his books from the rocky mountains to India.

The Jackson home is a Henty museum. There is an Abyssinian shield overlaid with silver that recalls Henty's Road to Magdala, based on the defeat of Emperor Theodore of Abyssinia by the British and his eventual suicide in 1868.

There is a rhinoceros horn from Ashanti, a wooden execution sword from Egypt, lethal spears from the Sudan and the old Gold Coast, an Alaskan harpoon head.

The Jacksons also have first editions of all Henty's books. To ensure that the name doesn't disappear the Jacksons have changed the surname of their two children, Rodney, 16, and Joan, 21, to Henty.

BORN IN 1832

G. A. Henty was born at Trumpington, near Cambridge in 1832. A delicate youngster, he took up boxing, an art he learned so well that school bullies gave him a wide berth.

Henty went on to Cambridge University and later hardened himself by taking a turn as an iron foundry foreman.

He was inspired by the example of Florence Nightingale, obtained a commission in the British Army and set out for the Crimea. When the war ended, Henty quit the army and studied mining engineering. He worked in Wales and Sardinia and in the latter, struck up an acquaintance with Italian revolutionary Giuseppe Garibaldi.

As well as being a first-class storyteller—liberal Leader Lester Pearson said he was his childhood idol — Henty was one of Britain's first war correspondents. He also covered the opening of the Suez Canal and journeyed to India with the Prince of Wales in 1876.

His "rests" were more like busman's holidays; on one he toured England in a caravan. On another he crossed Canada and visited the United States. These latter expeditions gave the world, With Wolfe in Canada, Heart of the Rockies, and With Lee in Virginia.

Henty died in 1902 aboard his yacht at Poole Harbor, near Southampton. An unfinished novel was completed by his son, Charles, Mrs. Jackson's father.

GREAT INLET

The Sogne fjord, running 130 miles inland on the west coast, is the longest inlet in Norway.

Spooner Pond W. I. Is Entertained In Melbourne

SPOONER POND — The regular monthly meeting of the W.I. was held at the home of Mrs. R. Harrison, Melbourne, with Mrs. B. Perkins and Mrs. H. Vigneault as assisting hostesses.

The president, Mrs. E. Oakley, was in the chair. The minutes were read by the secretary as was the correspondence for the month. The treasurer, Mrs. V. Morrow, gave the financial report.

Agriculture conveners, Mrs. H. Blanchard, read a letter from the provincial conveners concerning apple juice. Citizenship convener, Mrs. A. Coddington, read an article about Russian visitors to a textile firm in Drummondville. Welfare and Health convener, Mrs. A. Mallette, read an article "What is a Cancer Volunteer."

It was decided to hold a card party on May 16 at the home of Mrs. C. Johnston, Melbourne, and 500 will be played.

The president, reminded the members of the county meeting to be held May 10 at 10 a.m. in the St. Francis High School.

Mrs. V. R. Beattie, past president, thanked the ladies for her gift. It was decided to give $5 to the Cancer Society.

The president thanked everyone who had helped to make the quilt and Mrs. Fleck for the use of her home. The quilt will be displayed at the provincial convention and the county meeting Books of tickets were distributed at the meeting.

Mrs. C. Johnston won the quiz on Canadian Wild Flowers and Mrs. E. Pierce won the drawing.

Mrs. L. Pye acted as auctioneer for the sale of slips and plants brought in.

The meeting adjourned and refreshments were served by the hostesses.

The members are reminded of the cooking class to start June 2 (evening) and last until Friday afternoon, June 6.

The June meeting will be held at the home of Mrs. N. Mastine, Trenholm, on the 12th at 2 p.m.

Beebe Home And School Association Holds Annual Meeting, Elects Officers

BEEBE — The annual meeting of the Home and School Association was held in the Intermediate school presided over by the president, Mrs. Alfred Little.

The treasurer reported that receipts for the past year were $1,664.48, which included a donation of $1,000 from the Junior Red Cross Association for the Cafeteria Fund. Disbursements were $1,507.64 and the bank balance was $188.13 less an outstanding cheque of $31.29. It was noted that three delegates will be sent by the Association to the Home and School Conference in Montreal.

Mrs. Charles Bullock, recording secretary, gave a report of the year's activities. Six general meetings and eight executive meetings were held with an average attendance of 30. Forty-four families became members in the past year. The vitamin capsule program was continued and the school accident policy was renewed. Teen town dances were sponsored as well as the sale of magazine subscriptions, the proceeds of the latter going to the student council.

A collection was made for UNICEF. Four representatives were chosen to attend school board meetings and a member was authorized to make a report to the Quebec Federation on worthwhile projects such as public speaking contests and hobby shows, both of which have proved very successful in the Beebe Intermediate school. In observance of Young Canada week three French-English dictionaries were donated to the school and $25 was allocated for school prizes. Two successful card parties were held during the winter.

Mrs. Little expressed thanks to the retiring officers and all who in any way helped the Association during the year. Mr. Ramsey Williams, chairman of the nominating committee presented the new slate of officers as follows: President, Alden Peacock; 1st vice president, Lyell Hand; 2nd vice president, Roland Drew; recording secretary, Mrs. Donald Emslie; corresponding secretary, Mrs. Richard Reynolds; treasurer, Mrs. H. Mallalieu.

The four additional executive members are Royce Wallace, Alfred Smith, Mrs. James Elliott and the principal or delegate. Rev. Frank Stanton conducted the formal ceremony of the installation of officers.

The president then took the chair for the remainder of the meeting. It was announced that plans are being made by Grade 9 students to visit Ottawa and members were asked to help the pupils with their fund raising projects. Mrs. Charles Bullock, Mrs. Alfred Smith and Mrs. Harold Emslie and Mrs. Lee Brown volunteered to assist at the food sale planned for April 25 for this purpose and which proved very satisfactory. It was also suggested that a gift from one of the local industries be presented by the grade 9 pupils to the Prime Minister while in Ottawa.

Mrs. Howard Cass stated that an operetta is being planned for May 9 and she asked for volunteers to assist with the costume making and stage preparation.

John Silvester, Richard Reynolds and Donald Emslie were appointed finance committee and it was announced that the Association had been asked to nominate two members to the new school board.

A vote of thanks was given Mrs. Little for her work as president during the past year.

Refreshments were served by the committee in charge. The school banner was won by grade 9.

PINK AND BLUE SHOWER

A delightful pink and blue shower was arranged at the council rooms in honor of Mrs. Lyman Peck of Derby Line, formerly Miss Delia Blake of Beebe.

Decorations were carried out in pink and blue and streamers were attached from over the chair of honor to the corners of the table and to the chair. The attractively wrapped packages were arranged in a decorated basket and upon being opened revealed many lovely and useful articles.

Mrs. Peck voiced her appreciation to her friends and relatives for their thoughtfulness.

Refreshments were served by the hostesses, Mrs. Fred Murphy and Mrs. Howard Major of Derby Line, assisted by Mrs. Floyd Young of Rock Island. The shower cake, made by Mrs. Edson Blake sr. was beautifully decorated by Mrs. John Silvester.

STORK SHOWER

Mrs. Douglas Cooper of Stanstead and Mrs. Floyd Young of Rock Island were hostesses at a pink and blue shower held recently in the council room in honor of Mrs. Douglas Bliss of Marlington. There were about 20 guests present and Mrs. Bliss was presented with a gaily decorated basket, filled with gifts for baby-to-be.

Decorations were carried out in pink and blue and refreshments were served at a table, covered with a linen cloth and centered with a shower cake.

Guests attended from Fairfax, Barnston, Graniteville, Beebe, Rock Island and Stanstead.

WELCOME CLUB

At the regular meeting of the Welcome club and dart teams held at the club house plans were made for the novelty party which proved very successful in every way. Another novelty party will be held in the near future. The door prize was won by Mrs. John Piercy.

The flower prize was won by Alex Sloan.

GENERAL NOTES

Miss Ruth Runnells, handicraft technician at Macdonald College, St. Anne de Bellevue, was a house guest of Mr. and Mrs. Harold Taylor while here to conduct a course in cradle, waffle and card weaving. The course, held at the Beebe town hall, was sponsored by the Women's Institute and afternoon and evening courses were all well attended.

Mr. Louis Provost has returned home after spending several weeks with his daughter, Miss Anita Provost, in Natick, Mass. Mrs. Provost spent a few days as guest of Mr. and Mrs. John Smyrski and family in Montpelier.

Mr. and Mrs. E. Lee motored to Lebanon, N.H., where they visited Mr. and Mrs. Bernard Lee.

Mr. Herbert Lee spent the week-end in Montreal with friends.

Need For Overseas Relief Stressed At Scotstown Missionary Society

SCOTSTOWN—The April meeting of St. Andrew's United Church Women's Missionary Society was held at the home of the president, Mrs. Ross MacDonald.

Mrs. F. B. Mayhew conducted the worship service and the president conducted the business meeting. Minutes were read by the secretary. The treasurer's report showed $34.12 sent to the Presbyterial treasurer for the first quarter.

Mrs. Blanch MacLeod thanked the members for the lovely rose and bowl, cards and sunshine basket she received while a patient in the Sherbrooke Hospital. Mrs. C. M. Smith read an article on temperance.

Mrs. Waldron reported there was a great need of clothing to fill the cupboards at the Overseas Relief depots. Clothing for boys and girls, material that can be made up, needless, thread and embroidery cotton, wool for knitting is always needed, as well as old nylon stockings.

One member reported hearing the radio broadcast, when Shirley Brett introduced Miss Ann Davidson, missionary of welfare work in Korea, who also spoke of these needs. It was decided that a parcel be sent to Miss Ada Sandell and more sent to the Church Relief.

Mrs. A. A. MacKenzie and Mrs. E. B. Mayhew gave highlights of the annual meeting of the Quebec-Sherbrooke Presbyterial of the Women's Missionary Society of the United Church of Canada, held at Sherbrooke.

Refreshments were served by the hostess, assisted by Mrs. Mayhew.

ST. ALBAN'S GUILD

The regular meeting of the Ladies Guild of St. Alban's Anglican Church was held at the home of Mrs. Harvey Parsons, with Mrs. Charles Baker as hostess, the meeting being well attended by members and visitors. The president, Mrs. Desruisseaux was in the chair.

The fancy work convener reported selling several articles. Plans were made for the members to clean the church and hall early in May.

Church members who have been in the hospital were remembered with cards. The remainder of the afternoon was spent in quilting. The hostess served refreshments, assisted by Mrs. B. Atkin.

ST. PAUL'S LADIES CIRCLE

The April meeting of the St. Paul's Presbyterian Ladies Circle was held in the Church Hall, with Mrs. A. R. MacDonald and Mrs. Angus A. MacIver as hostesses.

The president, Mrs. George Lapierre, called the meeting to order, the devotional period being lead by Mrs. Burns MacDonald. The roll call was answered by members bringing donations for fancy work ond the Sunshine Bags.

Correspondence consisted of many thank-you notes. The treasurer reported a very satisfactory sum had been cleared at the St. Patrick's supper and that a generous donation had been received from Mr. Riglar.

It was decided to order more Cook Books, as there seems to be still a demand for them. Plans for a fall bazaar were discussed. Refreshments were served by the hostesses.

Mops, Pitchforks Helping New Bible Teachers Train

By LARRY COLLINS
Canadian Press Staff Writer

CARONPORT, Sask. (CP) — Students here work with mops, pitchforks and hoes to help pay for a training course that will enable them to teach the Bible.

They are enrolled at the Briercrest Bible Institute, an organization housed in a former air force station and almost as independent economically as a medieval monastery.

From a single frame building, acquired in the midst of depression and drought in 1935, the Briercrest Bible Institute has grown into a campus of more than 20 buildings accommodating some 500 students, and having its own garden, dairy, store, and dormitories.

A total of 261 students from across Canada and the U.S. study its Bible course while more than 200 take a regular high school course and 36 attend grade school. Living on the campus, too, are 25 staff members and their families.

OWN COMMUNITY

Its campus has moved from its original site and now is located at what used to be the Caron airport, on the trans-Canada highway, in rolling prairie 15 miles northwest of Moose Jaw.

Bigger than many Saskatchewan villages, the Briercrest Institute is to a large extent self-sufficient. Last year, its 25-acre garden produced $10,000 worth of vegetables. A variety of potatoes, of which 135,000 pounds were raised in 1956, corn, cabbages, carrots, beets and parsnips are grown and stored in two huge root cellars. Some students work in the garden all summer to save money for their tuition.

Every student is expected, however, to put in eight hours free labor every week to keep the school going. Some work in the garden; some work in the modern dairy, which has 25 cows milking. Briercrest grows most of its own fodder and its Holsteins have won renown for their milk and butter fat production.

Girls can work in the Institute laundry, help in the kitchen, or wait on tables in the dining hall.

In addition, students are expected to clean not only their own dormitories but the classrooms—a job which takes up their Friday afternoons.

MANY INTERESTS

Recreation isn't neglected, however. The Institute has its own gymnasium and indoor skating rink and all sports from volleyball to football are encouraged.

Briercrest has long been noted for its musical talent and has completed 20 years of religious broadcasting over local radio stations. Its Young People's Hour was Canada's first coast-to-coast sacred broadcast. Students form five choirs and a school band.

Because of its thrift and the students' work, the Institute is able to charge low tuition fee. The fee for the Bible department this year was $265 for six months. That included board and room, tuition, registration, and laundry. For the high school, which lasts 10 months, the fee is $420.

Its fees and its produce pay for 75 per cent of Briercrest's operation. The other 25 per cent comes from free will offerings and donations.

Patterned after the Moody Bible Institute in Chicago, the Briercrest Institute is independently operated but is a member of the Evangelical Teacher Training Association. Most Briercrest graduates go into pastoral or missionary work, but some work as laymen in their own communities.

Henry Hildebrand, the principal, was born in the Ukraine near the Black Sea and when he was 13 the family fled to England. From there they came to Canada, settling in Manitoba in 1925 when he was 15.

He wanted to be a foreign missionary but there was not enough money for study. So he came as a missionary to Saskatchewan and the second year in this province he came to Briercrest. There he helped found the Institute.

OUTDRAWING THE RUSSIANS — The U. S. Pavilion, with its girly-girly fashion show, is definitely outdrawing the nearby Soviet exhibit at the World's Fair in Brussels. Models showed off swimsuits, playclothes, high fashion and furs to good advantage during the opening days of the fair.

54 Attend Fellowship Supper Held By Session Of Cowansville Church

COWANSVILLE — The second in the series of Fellowship Suppers sponsored by the session of Emmanuel United Church, was held in the church hall with 54 diners present. These were residents of William Street, Albert Street, Oliver Street, Bruce and Dieppe Boulevards and part of South Street. The pleasant event was arranged by the elders responsible for that district: C. E. Buchanan, Mrs. Reg. Holliday and Mrs. J. B. Brown.

Following the supper, there was a sing song of popular songs and hymns led by Guy Cousens and accompanied at the piano by Mrs. Cousens.

The pastor, Rev. C. J. Gustafson, introduced the filmstrip, "Sharing the Fellowship" which depicted the need for systematic planning and a warm friendly approach to bring whole families into active participation in the church fellowship.. The projector was operated by Carl Gustafson, Jr.

Plans are underway for the next supper which will be held some time in May for the central area of the town.

O.E.S. INSPECTION

The Worthy Grand Matron, Sister Catherine Jones, made her official inspection visit to Cowansville Chapter, No. 17, O.E.S., accompanied by the Worthy Grand Patron, Brother John Walker.

There followed a pleasant and interesting meeting at which distinguished guests were presented. These included Sister Dora Graves, Associate Grand Matron, Sister May Wallace, Grand Treasurer, Sister Grace Cullen, Grand Instructor, District No. 2, Sisters Ethel Mosher, Myrtle Vincent, Sylvia Halsall and Marian Hamilton, Past Grand Matrons, and Brothers John Mosher and Howard Hastings, Past Grand Patrons.

Many visitors were present from St. Lambert, St. Johns, Montreal, Sutton and surrounding districts.

The Worthy Grand Matron was presented with a vase of red roses and a gift.

A fruit salad supper completed the evening. On May 27, a Tuesday, the chapter will sponsor a lecture by Miss Carol Lane, travel director and lecturer for the Shell Oil Company. Tickets may be obtained from members of the Order.

SOUTH BOLTON —

Weekend guests of Mr. and Mrs. Cecil Noakes were Mr. and Mrs. William Axen and Miss Wilhemina Axen of Montreal.

Mr. Dawson Burwash and his father-in-law, Mr. Morley, of Montreal, spent a weekend at their cottage here.

Mrs. oGrdon Fuller is now staying with her son, Gordon Fuller and family out near Knowlton. Mrs. Fuller is not as well as her friends would wish.

Mr. Jesse Thomas had returned to his home in Bolton Centre, after spending six weeks in the Royal Victoria Hospital, Montreal.

Mr. Garry Durrell was home with his parents for the weekend.

Mrs. Bullock entertained members of her family from the city over the weekend.

Mr. and Mrs. Irving Heckley and family were in Montreal to visit their daughter, Joan, and also called on Mr. Herman Lace, who is still a patient in the R. V. Hospital. They were guests of Mrs. Brammall and her daughters before they returned home.

Mr. and Mrs. C. McGill brought Mrs. Cora McGill home recently from Connecticut, where she spent the winter months.

Mr. W. Shuttleworth motored Mrs. Emma Willey over to Hatley to spend a few days with their niece at the Del Ray motel.

Mr. Gregoire Gauvin has purchased the old W. A. Randall homestead at the corner in South Bolton and plans to tear it down.

Mr. Ormond Schoolcraft is now a game warden in this neighborhood and anyone wanting to get a fishing license can apply to him.

RICHMOND —

Mrs. Jane Clarke received the news of the death of her brother, Mr. Thomas Ashmore, at his home in Washington, Pa. He was 74 years old. The deceased was born at Kingsbury, leaving here many years ago to reside in Washington. A number of nieces and nephews reside in this vicinity. Interment took place at Washington.

Mrs. Raymond Johnson spent the week end with her husband at St. Anne de Bellevue, where he has accepted a position.

Friends will be pleased to know that there is an improvement in the condition of Mrs. Robert Morin who is a patient in the Notre Dame Hospital, Montreal, where she underwent surgery. Her room number is 39.

Mrs. K. G. Nourse entertained about 20 friends at her home, Dufferin Ave., in honor of Mrs. H. P. Stone, who is leaving Richmond to reside at Bedford. Bridge was played at five tables. The three prize winners were Mrs. Bessie Laurie, Mrs. C. W. Armstrong and Mrs. W. L. Pope. The guest of honor was presented with a guest prize from Mrs. Nourse. At the close of a most enjoyable evening refreshments were served.

Mrs. Georgie Wright of Westmount and Mrs. Edith Hunter of Waterloo have joined the residence. On hand to welcome them were Mr. and Mrs. Orrin B. Rexford of Foster, Mrs. Rexford being the convener of the management committee of the Residence, and Mr. Rexford a member of the management committee.

Recently Mrs. W. F. Bowles and Mrs. George Barker, members of the Auxiliary of the management, organized a game night which was much enjoyed.

King; ladies consolation, Mrs. N. Waldron; gentlemen's first, Mr. H. Smith; consolation, Mr. G. King; door prize, Mrs. S. Hunt.

Rev. John Peacock was on the staff as a lecture at the Montreal Diocesan Rural Seminar, held at Ormstown. Mr. Peacock is rector of the Parish of Nelsonville, which includes Cowansville and Sweetsburg, where he has been Incumbent for the past 18 years. His lectures on rural church work at the Mono Mills School in the Diocese of Toronto were published under the title, "Rural Priests, Prophets and Pastors" in 1950 and were the basis for the course given at this Seminar.

Mrs. Georges Garmel and her two-weeks-old son, Gilles, of St. Johns, visited the New Ottawa Hotel and were welcomed by both staff and permanent residents. Mrs. Carmel, better known as Margo, was until this past winter and for some five years a popular receptionist at the hotel desk.

Mrs. Alex Greig and Miss Doris Welch represented the Cowansville Home and School Association at the two-day annual conference of H. and S. Associations in Montreal.

SEEING IS BELIEVING — True enough, elephants can't fly, but they can ski. And to prove it, Beatty Hamid, the world's only water-skiing elephant, skims along the surface of the Hudson River en route from New York to New Jersey. Along for the ride is circus performer Marge Rusing. The aquatic elephant is featured in the Clyde Beatty and Hamid-Morton circus.

Six Speakers Heard At Meeting Of Thetford Mining, Metallurgy Branch

THETFORD MINES — Approximately 250 members and guests gathered at the Thetford Golf and Country Club for the Thetford branch meeting of the Canadian Institute of Mining and Metallurgy. R. Merrill, branch chairman, presided.

The program consisted of a symposium presented by several members on subjects of specialized interest in local mining or milling operations.

C. G. Harris, mine superintendent, at the King Mine, spoke on "A new method of undercutting at the King Mine." With the assistance of projected photographs, sketches and tabular information, Mr. Harris first summarized the block caving system used at the mine, making special reference to the development sequence of forming undercuts and drawpoints and, enlarging upon this theme, he described recent improvements in undercut blasting operations.

"Blasting with Ammonium Nitrate at the Johnson's Asbestos Co." was the subject of a talk given by R. Gingras, pit foreman at the Blake Lake property of Johnson's Asbestos Co. He described the use of prilled ammonium nitrate mixed with diesel oil as a blasting agent and described the loading procedure. The primary blasting costs have been reduced by about 1c per ton, while maintaining excellent results as far as fragmentation and reduced backbreak were concerned, he stated. Slides were shown to illustrate various points of Mr. Gingras' address.

M. Mooney's subject was "Methods Man in a Mining Operation." Mr. Mooney, methods analyst for the Asbestos Corporation, outlined the specific functions of his profession, which bears a confusing number of names, such as, systems analyst, time and motion study analyst, industrial engineer, etc. He continued by describing the varied uses operators can make of a method's analyst, and concluded by saying that effective action can only be obtained by mutual understanding of management and methods analysts scope and limitations, and that his work necessitates liking people and being able to get along with them.

Under the title, "Roller Conveyors at the Bell Asbestos Mines Ltd.," R. Dodds-Hebron, production superintendent at the Bell Mines, built his talk around a group of projected photographs showing various convenyor installations and outlined basic requirements of maintenance procedures followed at the Bell property.

"A new process for Separating Asbestos Fibre from Crushed Rock" was described by J. J. Paquet, of Lynn MacLeod Engineering Supply Ltd., who substituted for C. V. Smith, formerly chief engineer of Johnson's Co., now retired. Mr. Smith had been taken ill and could not be present. Mr. Paquet described Mr. Smith's patented apparatus and process for separating asbestos fibre from rock and for cleaning the fibre without the use of air blasts or suction, stressing that better removal of adhering dust is effected by use of a travelling inclined screen. In thanking Mr. Paquet for his fine last minute stand, Mr. Merrill took into consideration the latter's request to have Mr. Smith describe this novel and promising process more fully at a later date.

"Yieldable Arches and Ground Support", the final talk of the evening, was given by J. Cunningham, Superintendent of Mines, Johnson's Co. With the aid of projected photographs, drawings, slides and full scale model erected outside, Mr. Cunningham outlined the development and present usages of yieldable mine arches. He described in detail these "U-shaped" arches, stressing their advantages and uses and how they increased mine safety, do not deform or collapse, have a high recovery value, and proof bolting is cut down considerably.

Lloyd Boynton thanked the speakers collectively for their interesting contribution in making this symposium such an instructive evening's program.

The meeting adjourned and refreshments were served.

FULFORD —

Miss Carla Hall was the guest of Mr. and Mrs. A. Cushen. Mrs. Clayton Inglis, of Foster was a visitor at the same home.

Miss Betty Fessenden and Mr. Carl Barnaby of Boston, Mass., were weekend guests of Mrs. Marion Fessenden, Luke and Dale.
