Edouard de Reszke
the world's greatest Basso, writes:

White Rock OZONATE
LITHIA **WATER**

FRANK HUNTOON, Esq.,

The White Rock Mineral Spring Company.

Dear Sir: I have much pleasure in stating in this unsolicited testimonial that I consider your White Rock water the very best table drink within my experience. I have constantly used it for several years, with the greatest benefit for the economy of the digestive organs and health in general, and I have recommended its use to all my friends. I rejoice to hear that the White Rock is obtainable now in Paris at the Exhibition, and during my stay there I shall certainly drink nothing else but your delicious Lithia. I am, dear sir,

Yours sincerely,

The Gilsey House, New York, EDOUARD de RESZKE.

PIANOLA OR AN AEOLIAN

The Greatest Musicians praise them.

WAGNER: The rendition by the Aeolian of the principal works of my father, full of delicate shadings and difficulties, delighted me greatly.

MASSENET: The Aeolian brings into play a wealth of execution which only the orchestra can give.

WALDE: Every one who loves music should have a Pianola or an Aeolian.

SEBRICH: They have made possible the rendering of any selection perfectly natural.

EAMES: One cannot fail to appreciate their great qualities.
