Challenging Series of Tests

Fitness Through Scouting is the activity theme for 1964 for over 231,000 Canadian Boy Scouts. In over 12,000 packs, troops and crews boys are currently enjoying a challenging series of physical tests, exercises and activities. Four new personal fitness badges were introduced on January 1, 1964.

It all started early in 1962 when a special staff study committee was formed at National Scout Headquarters in Ottawa to determine ways and means of furthering fitness among the boy members of Boy Scouts of Canada. After approving the committee's report in October 1962, the National Executive Committee set a theme of Fitness Through Scouting for Boy Scout Week (February 16-23) and for the rest of 1964.

In June 1963 the National Council on Fitness and Amateur Sport approved a grant to Boy Scouts of Canada to assist with the Fitness Through Scouting theme. This helped make possible the publication of a twenty-eight page Fitness Manual for leaders. Fourteen pages of illustrated charts make this manual a mine of valuable information. Film strips and other supporting material as also being widely used.

Each month the Movement's Scout Leader magazine provides programme ideas based on such different aspects of fitness as fit for — emergencies, space, service, fun, action, citizenship, olympics, exploring and adventure.

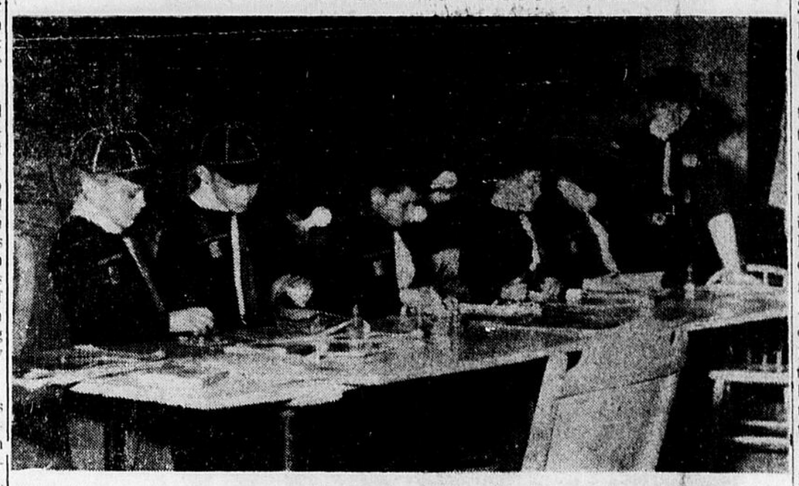

The new personal fitness badges form a four-stage project. The physical tests involved are based upon requirements established following the testing of thousands of children. They are designed for boys aged ten, twelve, fourteen and sixteen. Each stage is represented by a badge of identical design but color-coded (green, bronze, silver and gold).

While the stages were designed around the ages above, age is not a requirement for the personal fitness badge. Thus a fourteen-year-old could pass the green badge tests if they were the measure of his fitness. Similarly, a Cub could earn the bronze or silver badge if he were exceptionally fit.

Provision of activities which will develop fitness in boys is just one facet of the changing pattern of Scouting in Canada today. Typical examples are the increased emphasis on small boat sailing, resulting in an annual Boy Scout Sailing Regatta, with Scouts from other lands competing. Two new trophies for national Scout .22 rifle competitions went up for competition on January first this year.

Formation of an Air Scout Troop in Montreal, recently, resulted in twenty-five older Scouts specializing in gliding at an airfield near St. Jerome, Quebec. All hope to qualify for their glider pilot's licence. Scouting in Canada is striving to keep pace with the space age.

CUBS ACTIVE DURING "SCOUT WEEK"

Here we see a group of Huntingdon Cubs with their leader as they work on one of their projects during a regular meeting. They have many interesting subjects and the boys enjoy all of it.

Address By Norbert Bourgon To Rotary Club Of Huntingdon Last Monday

A week ago to-day, I was in Port of Spain, Trinidad approximately 3,500 miles away. Since then I have come back — have 3½ days work done, and am here talking to you. This year we did what they call Island hopping. We stopped at nine Carribean different Islands and stayed for a while at four of them — Antigua, Martinique, Barbados, and Trinidad.

We left Dorval Airport on a 707 Boeing Jet at 10:30 a.m. January 26th; stopped off at Bermuda for about one hour, and then went on to St. John's Antigua, where we arrived at 4:50 p.m. This is a small island with an area of only 170 square miles, with a population of 59,000, of which 92% are colored. We stayed two days at the Blue Waters Hotel, a very nice place, and from there, we toured the Island; the temperature being 85 degrees and quite comfortable.

We left Antigua at 10:10 a.m. on January 28th, and arrived at Fort de France, Martinique at 11:30 a.m. Our taxi met us at the airport, and drove us to our Hotel, "Anse Mitan". This island is like a little France; of course, every one spoke French. What I found hard to get accustomed to, was hearing the negroes speaking French; there really isn't anything odd about this, but I always associate Negroes with English. The atmosphere is very different, the people very friendly and the food is delicious. We stayed on this Island for three days, had a tour, of course sugar cane is everywhere. One thing of interest was to see them unload a barge of sand. These boxes of sand were being unloaded and carried by men and women alike, who, balancing them upon heads, brought them to shore on a narrow plank pathway.

This island was the birthplace of Josephine, wife of Napolean.

We left Martinique at 9:05 a.m. and arrived in Bridgetown Barbados at 11:05 a.m. Often called "Little England", Barbados is 14 X 21 miles, has a population of 250,000; good roads; good hotels, and the people are very friendly. We stayed at the Blue Waters Beach Hotel, the Manager of which, Mr. Smith is from Toronto. This seemed to be the island we enjoyed the most, there was swimming every day, and something going on every night. We stayed here seven days, and had a tour of the island.

One of the interesting places we visited was "Sam Lord's Castle", which is now a Hotel. The rates are $100. per day each. We left this Barbados on February 7th at 8:15 a.m. and arrived at Port of Spain, Trinidad at 10:30 a.m. A taxi met us and drove us to the Britton Hall Hotel. Accomodations were only fair, but this hotel was right in the center of the Mardi Gras celebrations, AND CELEBRATIONS THEY were —it is something I will remember for a lifetime. They go on from Saturday to Tuesday, Mid-Night — Non-Stop.

After all this we left Port of Spain at 10:30 A.M. (Temperature 95 degrees) stopped at New York for two hours and arrived in Montreal at 11:05 P.M.

A very interesting trip and one that anyone of you could enjoy — if you wanted to.

WITH THE SCOUTS DURING "SCOUT WEEK"

Here we see the Huntingdon Scouts at the beginning of their regular meeting this week at a ceremony that is known as Breaking The Flag. At this time the Scouts all give their salute while standing in formation around the flag.

Music Pupils Do Well In Royal Conservatory Exams

The following pupils of Mrs. F. Gordon McCrimmon have been officially notified of their success in the Mid-winter Music Examinations of The Royal Conservatory of Music of Toronto held in Montreal, at Victoria Hall, on January 28th, last. The results are as follows: —

Fraser, Dundee, Que.; Donna Lee Laberge, First Class Honors, daughter of Mr. and Mrs. Irvin Laberge, Huntingdon, Que.; Lee Ann Ruddock, First Class Honors, daughter of Mr. and Mrs. Royce Ruddock, Dewittville, Que.; Bonnie Jean Arnold, Honors, daughter of Mr. and Mrs. Malcolm Arnold, Huntingdon, Que.; Joanne Middlemiss, Honors, daughter of Mr. and Mrs. Edgar Middlemiss, Huntingdon, Que.; Barbara Smith, Honors, daughter of Mr. and Mrs. Sidney Smith, Huntingdon, Que.; Heather Tannahill, Honors, daughter of Mr. and Mrs. Gordon Tannahill, Huntingdon, Que.; Susan MacIntosh, Honors, daughter of Mr. and Mrs. Archie H. MacIntosh, Dewittville, Que.

Grade III — Merlene Smith, Honors, daughter of Mr. and Mrs. Merrill Smith, Huntingdon, Que.

Grade IV — Janice Goodall, Honors, daughter of Mr. and Mrs. W. J. Goodall, Huntingdon, Que.; Sharon Kelly, Honors, daughter of Mr. and Mrs. Allister Kelly, Huntingdon, Que.; Joanne Arnold, Pass, daughter of Mr. and Mrs. Malcolm Arnold, Huntingdon, Que.

These young people are from 7 to 12 years old and are to be congratulated on their willingness to work hard to attain a high proficiency in their musical studies.

The above music pupils are all students of Huntingdon High School.

ORMSTOWN LEGION NOTES

Ormstown Branch No. 196 held its monthly meeting on February 13th, with President Wm. Frost in the chair, and with a good attendance of members. Guests at the meeting were District Commander Dave Watson and Mrs. Watson, also the president of the Ladies Auxiliary, Mrs. Clarence Baird.

District Commander Watson presented Norman Vallee with the Past President Medal, in recognition of his having been President of Ormstown Branch for two years.

Comrade Tom Begbie made a report on the March of Dimes Campaign, which he stated was a good success. The door to door canvas was up from last year, and more donations are expected, but a final report will be made later. The Chairman and the Branch wish to thank everyone who helped in this worthy cause.

A donation was made by the Branch to the Boy Scouts to help them in their good work.

Newspapers call for conservation of natural resources, keep tab on Members of Parliament and Legislation, and take readers to the heart of a news story in the making.

Several Robberies Reported In Ormstown

Ormstown has been the the scene of several robberies the past week and Provincial Police are still investigating these. On Thursday night the Dandurand Garage was broken into and batteries, tires and Prestone were stolen. On Sunday night a car was stolen from the Vieux Moulin Hotel. An attempted safe robbery occurred at the premises of Hooker's Feed and Coal. The thieves hauled the safe outside, but apparently they were disturbed and left without taking the safe.

Provincial Police are working on these cases and would be glad if anyone has information that would be helpful. In that case, get in touch with either the Provincial Police at Ste. Martine, or Huntingdon.

Rotary Club To Sponsor Student Exchange Program

Monday's meeting of the Huntingdon Rotary Club was entertained by an interesting talk by Norbert 'Bud' Bourgon. Mr. Bourgon has recently returned from a trip to the British West Indies and told of his experiences while hopping from island to island. (A report of this trip appears elsewhere in the Gleaner).

The Huntingdon Rotary Club has decided to enter into a student exchange program with the Huntingdon, Long Island, New York, School District. The Rotarians will send five local High School students to Long Island in October of this year, to learn how our American friends live and are educated. In return, five students from the Huntingdon, Long Island School System will come to Huntingdon and see how our system works. The Students will be chosen by our local school Principals, two from the Huntingdon High School and three from St. Joseph's School.

Our local students will be highly interested in the New York World's Fair, which will be opened on Long Island this year. Our American visitors will no doubt show a like interest in the St. Lawrence Seaway and the preparations for the 1967 World Exposition in Montreal.

Mrs. J. M. Brown, Howick Vice-President U.C.W.

Mrs. J.M. Brown was elected regional vice-president of the Montreal Presbyterial United Church Women at their Annual meeting last week. She succeeds Mrs. R.B. Tolhurst of Howick who was the vice-president of the Chateauguay Valley region since the start of the United Church Women in 1962. Mrs. Brown is the past president of the Howick United Church Women and brings many years of experience to her position. The first applause of the meeting came following Mrs. Brown's tale of the Turkey Supper held by the Howick United Church Women. The hundreds of ladies present from the city realized perhaps a little enviously just how good a real Turkey supper could be.

Missing from the executive this year, will be Mrs. R.B. Tolhurst who is retiring. She has been active in many many fields of Church work, Christian Education, Woman's Association, Women's Missionary Society, a member of session, a delegate to presbytery, and so many other areas that her experience and inspiration will be sorely missed.

United Church Women's groups registered from the area include Chateauguay St. Andrew's, Dundee, Howick, Hemmingford — St. Andrew's Hemmingford, Wesley Knox; Huntingdon, Ormstown, Valleyfield, Lacolle.

Much credit should be given to Mr. Norman Vallée for collecting some of the prizes, Mr. Gerry Hebert for painting posters, Mrs. Doug Glover and for all the members who helped out the evening of the carnival. Each child received an apple and a chocolate bar, and all the 10 younger children received a quarter for appearing in costume.

Traffic Accident At The Weekend

On Sunday, Pierre Jean Leduc of Huntingdon was driving his car on the 6th Range, Ste. Agnes, when he lost control of the car and struck a tree. He had as a passenger with him, Miss L. Plante of Ste. Agnes but fortunately no one was injured. The car suffered about $200 in damage.

A hit and run accident occurred at St. Regis, on Monday evening about 7.30, when a farm tractor and trailer hit a Ford station wagon. The station wagon was driven by Georganna Papineau, Hogansburg, and the farm tractor by Joseph Sunday from Chenial, Que. Sunday was arrested by Provincial Police and taken to Valleyfield.

$63,000 Investment Pays Off For Eastern Breeders Inc.

Eastern Breeders have now completed one year's operation using Liquid Nitrogen as the refrigerant to store frozen semen. It cost $63,000 to change over to this method of dry ice and alcohol — but the investment paid off for 15,000 farmers in Eastern Ontario and Western Quebec. A 6% increase in the conception rate of the 70,000 cows these farmers bred with frozen semen in 1963 was realized. In dollars this means an increased revenue to these farmers — members of Eastern Breeders — of $66,150 for one year. Improved service and improved cattle are the main objectives of Eastern Breeders. Incidentally Liquid Nitrogen keeps semen at a temperature of 360 degrees BELOW ZERO.

HAROLD HIGGINS, AUCTIONEER AT SALE OF BEEF STEER AT SHOW MART

Calling his bids with machine-gun rapidity, Harold Higgins, well-known auctioneer is shown at work at the 5th annual auction of beef steers, at the 12th annual National Salon of Agriculture held at the Show Mart. The grand champion steer sold for $8 per pound, and the 47 animals averaged close to 77c per lb., the highest such record ever made in Canada. With him on the podium is Gerry Roderigue, manager of the Sale.

COVERING THE ACTIVITIES OF THE LITTLE ROYAL EXHIBITION CENTRE

Scouts attend Church Service

ORMSTOWN — The Ormstown Scouts and Cubs attended the Presbyterian Service in a body last Sunday, a very inspiring short talk on Scouting was addressed to the boys by "Akela" George McKell.

The officiating minister for the service was Dr. MacMillan of Presbyterian College. The Choir sang "God is my Salvation."

Monteregian Camp Reunion

Miss Nancylyn Cullen and Miss Nettie Tavenir attended the reunion of musicians who attended Monteregian music Camp at Lake Memphremagog last August. The re-union took place at Beaconsfield High School. The Young musicians met at the school and spent three hours during the afternoon practising in preparation for a concert which they presented to the public during the evening. Some of the teachers were also present to help the young folks prepare for their presentation. These included, Mr. Morley Calvert, Head of Music Dept. of Lindsay Place High School and member of the Canadian Music Festival adjudicators association; Mr. Clark and Mr. Richer of the Montreal Symphony and CBC Orchestra and Mr. A. Thompson, music director of Beaconsfield High School Band.

A most presentable concert was enjoyed when the combined band played excerpts from South Pacific and a "fantasia for Bands" written by one of the Band members. A highlight of the evening was the appearance of Alan Mills, popular Montreal Folk Singer.

Those attending from Ormstown were Mr. and Mrs. Lindsay Cullen, Mrs. C. Tavenir, Misses Betty McEwen, Jane McNichol and Glenna Rember.

John Deere Field Day Success

Mr. Bill Hooker played host to several hundred interested farmers on Tuesday and Wednesday of last week, when the John Deere Company presented a display of machinery and showed several films. Tuesday's activities were conducted in French while Wednesday was devoted to the English speaking part of the district.

Prize winners were Messrs. Rejean Legault, Marshall Hooker, Clarence Forrester, Allan Campbell and Leo Beauchamp.

Tea and Bazaar

The Ladies Aid of the Ormstown Presbyterian Church held a tea and Bazaar on Saturday afternoon. The home bake table and the white elephant table proved to be very popular. The afternoon was considered a success both sociably and financially.

World Day of Prayer

The world day of prayer was held last Friday in St. Paul's United Church, with Mrs. A. E. Loree officiating. The combined choirs of the Protestant Churches assisted with the service. Miss Mable Elvidge gave a very inspiring talk on the power of prayer. Mrs. John Wallace sang "O Brother Man" a very pleasing and appropriate addition to the service.

Bell Telephone Employees Entertained

Miss Myrtle Cullen entertained fourteen of her fellow Bell Telephone employees last Saturday evening. The group enjoyed a try and "the grand old game" of curling after which a sumptuous supper was served at the home of Mr. and Mrs. W. S. Cullen.

Student Loan Fund

The total raised for the Ormstown High School Student Loan Fund so far is $661.00. Further contributors include the following: Mrs. W. F. Mann, Mr. and Mrs. E. Snowdon, Mr. and Mrs. H. Dixon, Mr. H. Rowe, Mr. L. Ross, Dr. Mills, Dr. J. C. Johnson, Mr. H. English, Mrs. Netty English, Mrs. I. Walsh, Dr. M. R. Stalker, Mr. and Mrs. John Rodger, Mr. J. Campbell, Miss M. Swan, Rev. A. E. Holmes, Mr. and Mrs. J. McCartney, Mr. R. Tannahill, Mr. D. A. McCormick, Mr. S. Bryson, Mr. J. D. McEwen, Mr. T. Mather, Mr. and Mrs. W. Rember, Mr. and Mrs. W. Greer, Mr. and Mrs. C. Brown.

There have been five pledges of annual or monthly donations.

Unit 3, St. Paul's U.C.W.

The ladies of Unit 3 met for their regular meeting on Feb. 3th, at MacDougall Hall. 15 members were present.

The meeting opened by repeating the Lord's Prayer in unison. The chairman, Mrs. Erskine McClintock then conducted the business meeting. Reports from the various committees were given. Further plans were made for the Turkey Supper to be held in April, at which we will have the assistance of Units 1, 2 and 4. Two very interesting reports were given on the recent Presbyterial held at Dominion Douglas Church, Montreal. Ruth Bryson reported on the morning activities followed by Jean McClintock, telling of the afternoon events.

Delicious refreshments were served at the close of the meeting, with Muriel Wallace as hostess, assisted by Marjorie Roy and Irene J. Hamilton.

Mr. and Mrs. Mazurek and Carl of Montreal were guests on Sunday of Miss Dianne Mazurek at the home of Mr. and Mrs. Clarence Forrester.

Mr. Ross Winter, Mr. Robert Cottingham, Messrs. Russel and Dan English attended the Show Mart in Montreal last Wednesday.

A family gathering took place at the home of Mr. and Mrs. Les Skidmore of Delson, P.Q., on the occasion of Mrs. R. Skidmore's 79th birthday.

Miss Dianne Mazurek Entertains

Miss Dianne Mazurek was hostess to several of her classmates on Tuesday, when she celebrated her birthday. Games were enjoyed and then the guests were served supper complete with a birthday cake.

Presbyterian Meeting

Among those from Ormstown who attended the Annual Presbyterial held this year in Stanley Church, Montreal, were: Mrs. James Anderson, Mrs. Olive Goodall, Miss Mable Elvidge, Miss Mildred Hay, Miss Marian Swan, Mrs. Alan Hooker, Mrs. Harold Kerr and Mrs. Lindsay Cullen.

Mr. and Mrs. Nelson Ovans of Verdun, Que., and Mr. and Mrs. Clarence Ovans of Dorval were recent guests of Mr. and Mrs. Robert Ovans.

Barrie Memorial Notes

Annual membership, Miss Bertha McGinn, Huntingdon. $10.00.

Congratulations to Mr. and Mrs. Andrew Glen of Ormstown, who recently celebrated their 45th wedding anniversary. In honour of their parents, Miss Ethel Glen and Mrs. Lorne Simms entertained friends and relatives at the Glen home, Saturday evening, February 8th. Gifts of spring flowers and chrysanthemums decorated the living-room. Several solos by Rev. Mr. Brown, accompanied by Mrs. George Elliott, were greatly enjoyed by all. The tea table was very attractive with a pink cloth, tall candles in silver holders, and centered with an anniversary cake which had been made and beautifully decorated by Mrs. Simms. Out of town guests were Mrs. Glen's sisters, Mrs. H. McChleary, and Miss Eva Symons of Cowansville, and a close friend, Mrs. Duncan Shaw of Montreal. These ladies spent the week-end with Mr. and Mrs. Glen, and enjoyed a happy reunion. Adding to the happiness of the occasion was a phone call from Mr. and Mrs. Harold Symons, who are presently in Florida. All hope there will be many more pleasant anniversaries for Mr. and Mrs. Glen.

H. A. MacMillan Completes T.V. Course

The De Vry Techincal Institute of Toronto, Ont., has announced that H. A. MacMillan of 20A Lake Street, Huntington, Que., has been awarded a Diploma in recognition of his successful completion of a specialized home training programme in Television and Radio Servicing.

In awarding Mr. MacMillan's Diploma, K. S. Vrieson, De Vry's General Manager, said: "This is a major accomplishment and I offer my hearty congratulations to you. A person who completes a home training programme demonstrates one of the most sought after qualities in the business world today — determination. Completing this programme not only shows your determination, but also prepares you for many fine opportunities."

CORRECTION: The girls won that curling game last week against the boys!!! Sorry Girls.

Congratulations to Marcelle Green and Bogdan Krawchenko for their debating talents. The team ventured to Chateauguay and debated against a team of that town. The topic: Resolved that rural living creates a better character than urban living. By the way, they won!

Senior Boys played hockey Saturday morning against Gault and won 5-3. Scores in that game were Don Campbell, 2; Doug. Marshall, Bruce Cottingham and Jackie Campbell one each. Tuesday night they will play Huntingdon and Wednesday night they'll play Howick. Should the boys win both these games they will be eligible for the provincials. Best of luck boys!

Senior girls are practising basketball again, starting to prepare ourselves for an up coming tournament. This year the tournament will be held in Macdonald College on March 13 and 14. We will play two games a day, against the winners of the other districts the overall champions will be the provincial winners. I also understand the cheerleaders have been practising again in the hopes that they will venture forth with us to keep up our spirits. We have our fingers crossed that they will see the importance of spirit builders in the two tension filled days which are coming up and allow these six girls to come and cheer us on.

The 'Beatles' have hit O.H.S. and this was evident at the recent Record Hop. Mr. White created a priceless picture as Ringo. Wearing a wig and carrying a base fiddle he sang to one of the popular records, adding to the success of the dance. Thanks Ringo.

Fire Destroys Barn At Hemmingford

At 7:55 p.m. on Monday, February 17th, the men of the Hemmingford Fire Brigade raced to the farm of Mrs. Dan Hadley, on the Williams Road, where a fire had broken out in the old barn. Mrs. Hadley's son, Mr. Raymond Hadley had just finished supper when he noticed a light in the barn which appeared to be flicking on and off. As he rushed to investigate, flames shot up and in seconds the entire barn was enveloped. Despite strenuous efforts he was unable to enter and release the team of horses and four heifers stabled inside. On arrival, Chief Harry Warner and his men concentrated on preventing the blaze from reaching the new barn, recently built, and which housed the large dairy herd and equipment. In this they were successful, the only damage to the new barn being charred siding and interior wood work nearest the blaze. It is at such times as these that the speedy and willing assistance of friends and neighbours is most valuable and appreciated. The nearest source of a large supply of water was across the fields, about 5 acres away. This meant the linking up of all the firemen's hose and, in fact, Mr. Ross Hawkins rushed back to his garage for an additional length, making about 1,400 feet altogether. Meantime the water in the Fire engine was almost exhausted so the large number of men who had rushed to help formed a bucket brigade and pumped from the well into the many pails which were hastily assembled and by this means the Booster tank was kept full until the main hose finally reached the pond and an ample supply of water. Other helpers led the Dairy cows away from the barn just in case the fire spread and still others removed as much of the hay as they could from the old barn. The firemen and their helpers greatly appreciated the hot coffee and sandwiches with which Mrs. Hadley kept them supplied. Around midnight a bull dozer from Fortin Frere arrived and pushed away the charred and smouldering rubble of the old barn and the Brigade returned to the Station at 12:30 a.m.

The loss of the team of horses is a sad blow to the family, according to neighboring farmers, it was one of the finest in the district. In addition about 6-7 tons of hay were lost also. The loss while severe, could have been so much worse and once again, the Hemmingford Fire Brigade are to be congratulated on their expert and speedy handling of what could have been a disastrous fire.

In Memoriam

LINDSAY — In loving memory of a dear husband and father, Sangster, who passed away February 21, 1958.
To us who loved him and lost him
His memory will never grow old.
Lovingly remembered by his wife, Elizabeth, son Laird and daughter-in-Law, Ruth.

WINTER — In loving memory of John L., a dear husband, father and grandfather, who was taken away from us February 18, 1960.
A wonderful husband, father and grandfather has gone
For all of us he did his best
His life was true, his heart was kind
A better husband, father and grandfather none could find.
Always remembered by his wife Elizabeth, his daughter Lila and son Ross, his daughter-in-law Verna and his six grandchildren.

FINNIGAN — In loving memory of our dear mother and grandmother, Elizabeth, who passed away two years ago tomorrow.
"Two sad and lonely years have passed.
Since our great sorrow fell
The shock that we received that day.
No one can ever tell,
God gave us strength to meet it
And courage to bear the blow,
But what it means to lose you.
No one will ever know,
It's lonely here without you,
We miss you more each day,
For life is not the same to us,
Since you were called away.
You bade no one a last farewell,
Nor even said goodbye,
You were gone before we realized.
And only God knows why."
Always remembered by your family.

FUNERAL OF THE LATE W. U. HUGHES

Mr. W. U. HUGHES

A funeral service was held on Friday, Feb. 14th in St. John's Anglican Church, Huntingdon, for William Usherwood Hughes who died on Tuesday Feb 11th, following an emergency operation, at the Royal Victoria Hospital, Montreal.

The service was conducted by the Rev. P. R. Stote with the full choir in attendance.

Mr. Hughes was born in Montreal on June 17th, 1895, the son of W.R.J. Hand Daisy (Usherwood) Hughes.

He was a graduate of Westmount Academy and thereafter attended the University of Toronto.

In the first world war he was one of the early Canadians to be commissioned in the Royal Flying Corps, in which he served until 1919.

On leaving the services he assumed management of the family concern of J. W. Hughes and Son.

Subsequently he joined the firm of Lewis Brown Co Ltd., of which he became president. Concurrently he was a director of Aeronautical Supply Co. of Montreal and Obrig Laboratories of New York.

Later he became associated with R.A. Rankin & Co. Ltd., Montreal, consulting Engineers and at the same time was General Manager of Childs of Canada Limited.

During the past five years he was vice-president and a director of Obrig Laboratories of New York and Sarasota, Florida.

He was a member and past-president of the United Services Club of Montreal and a member of the Air Force Veterans Association. At his death the Services Club flag was lowered at half-mast and so remained until sun-down on the day of burial.

He was also a life-member and past-president of the Montreal Caledonia Curling Club and it is notable that his father and paternal grandfather had also held this office.

In earlier years he was an enthusiastic golfer and was a member and past-president of the Montreal Country Club. Additionally he was a life member of the Montreal Amateur Athletic Association.

During latter years he has maintained residences in both Huntingdon, Que. and Sarasota, Florida.

He took an active part in Huntingdon Community activities, including membership in Rotary and the Huntingdon Curling Clubs. He was a governor and for a time served as vice-chairman of the Huntingdon County Hospital. It is interesting to note in connection with Rotary that he was an "Adopted Son" of the Sarasota Florida club.

He is survived by his wife the former Lorna Ruby Wheatley of St. Lambert.

Burial was in the Huntingdon Protestant Cemetery.

Huntingdon Takes Second Place In Silver D. Provincial Curling

Left to right — Mrs. Ed. McLean, Mrs. Douglas McGerrigle, Jr., Mrs. George Renaud and Mrs. Merrill Smith.

Mrs. Anne Philips drew a foot from the button on the extra end to give her Town of Mount Royal rink the Dominion Silver "D" Quebec curling title at Drummondville.

Mrs. Olive Law's St. Johns rink was lying two when Mrs. Philips delivered her last rock. Her mates didn't touch their brooms as the shot curled into the house and St. Johns' shot rock. That gave St. Johns' shot rock. That gave Town of Mount Royal an 8-7 win and a 5-1 record in the double-round-robin.

St. Johns, the only rink to beat Mrs. Philips, then lost a playoff in the afternoon for second place, 9-3 to Mrs. E. (Lillian) McLean's rink from Huntingdon.

Mrs. Philips had with her Mrs. L. R. (Isabel) Campbell, lead, Mrs. P. J. (Philippa) Tanton, third, and Mrs. R. B. (Alice) Roberts, second.

The rink was awarded the Dominion Silver "D" plaque from Réal Brouillet, Regional Manager of Dominion Stores.

They now travel west to Edmonton for the Dominion Diamond "D" Canadian championship, commencing Feb. 24. This marks Mrs. Philips's second appearance in the Canadian final. She wound up third in 1962.

Final standings:

	W.	L.
Town of Mount Royal	5	1
* Huntingdon	4	3
* St. Johns	3	4
Noranda	1	5

* Huntingdon won playoff for second.

King And Queen of The Carnival

In the above photograph we have Jean Lepage and Danielle Roy, King and Queen of the Carnival staged at the Huntingdon County War Memorial Arena at the week-end.

Highlights of The St. Joseph's School Carnival

Last Saturday February 15th, St. Joseph School held its annual festival at the Huntingdon County War Memorial Arena. The evening's program included, along with many other activities, a game of broomball for the ladies between the lady teachers and former students (by the way, nobody could score in the game. It ended in a draw 0 to 0.) An exhibition of figure skating by Lise Gauthier, champion of Eastern Canada, and also other competitions for boys and girls, the parents and the teachers had the opportunity to compete with the youngsters also. The highlight of the evening was the crowning of the charming Queen of the Festival, and also the hockey game between the ESSJ and the ESND. The players for the St. Joseph School were:

Mr. and Mrs. Donald Robinson entertained about seventy of their relatives and friends at an "At Home" on February 14th. A very pleasant evening was spent by all. Delicious refreshments were served by the host and hostess. Guests included friends from Ormstown, Montreal and Denison's Mills.

Mr. and Mrs. Jas. Kazulac and Mr. and Mrs. Merle Patterson, left to spent a vacation in Florida.

Plastic Worm Fooling Fish

The Soviet chemical industry is producing plastic worms to catch real fish — and the fish are falling for the bait.

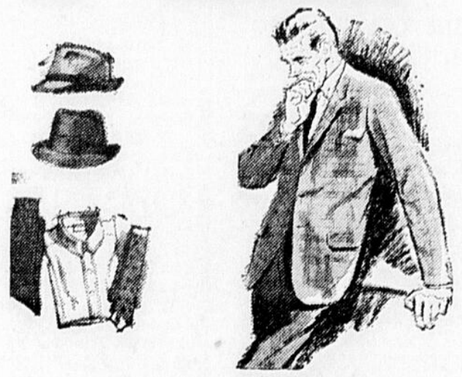

The newspaper Leninist banner reported Sunday the worms are being turned out at a factory in suburban Moscow.

It said 50,000 worms were produced last year and that the demand is so great that this year's output will be 1,500,000.

The synthetic worms are a boon for Moscow's thousands of amateur fishermen who fish through holes in the ice in the frozen rivers and canals in and around the capital.

One fisherman, the paper reported, caught seven fish in five minutes—using the same inedible plastic worm.

Address Given To Scouts By Dr. J. W. Abraham

On February 12th, 1964, Dr. J. W. Abraham, Dewittville, a retired Colonel of the Royal Canadian Army Dental Corps, visited the Bulldogs Pack and gave an address. His subject was "Your Teeth" and the following are extracts from same:

"I was asked to speak to you for a limited time on the question of, "Your Teeth". Now I could keep going for hours and hours talking about these all important parts of your body and still not begin to cover it all. You would go home confused and most likely not remembering one little thing about them. Instead, I am only going to try and send you home carrying one thought from our talk and that should not be too hard for you.

"About Dentistry. Big advances have been made in the care and repair of the teeth. The pain of restoring a tooth has been considerably lessened with local anaesthetics and also by high power drills. The latter have much reduced friction and heat and also the time in preparation or restorations.

The Dental Disease itself called Caries or Dental Decay affects more people than does any of the other so called serious Diseases that we get to-day, with the possible exception of the Common Cold. In other words everybody gets Dental Disease sometime. Not much progress has been made for Dental Disease. We have not succeeded in terminating or stopping it. Tooth cavities once started, never heal up. If you cut yourself it will heal up. If you break a leg or arm a few weeks in a cast and the leg or arm has knit, we say and is good as ever until the next time you decide to rough house.

"No, the cavities carry on to the destruction of the tooth pain jaw abscess with more pain and finally the danger of the spread of infection to other parts of the body by way of the blood stream. Eating becomes difficult and finally pulling or extraction becomes a necessity in order to relieve pain and guard the health. If extraction was a sure cure it would be alright, but it is not and after extraction one becomes liable to have crooked teeth, spoiling your appearance and leaving you liable to more decay in the remaining teeth and also liable to diseases of the gums.

"Research is going on all the time, but to date we have not been able to get a positive cure-all for the teeth. We must try and do something about it ourselves. First of all we must be sure to keep a clean and healthy mouth. Brushing after each and every meal and before going to bed. I know brushing after each meal is hard but why not do your best and do it at least after breakfast and before going to bed.

"Perhaps you already know two of the most important things are Calcium and Vitaman D. Calcium comes from the food we eat and from milk. Besides food then every boy and girl should be sure that they get a pint and a half of milk daily. Vitamin D, the other important necessity comes in tiny amounts from sunshine, but that is not enough and we should bolster our intake of it by taking cod liver oil or something like that each day to get the necessary amounts.

"You should be very careful and sure that you have daily, your milk, juices, (citrus and tomato) vegetables potatoes, and leafy vegetables and often taking them raw) Cereals and Bread (whole grain) with butter, Meat and Fish, Poultry or meat alternates such as beans, peas, nuts, eggs and cheese etc.

"I just outlined a list of food for healthy bodies. Were you surprized that you didn't hear candy, gum, pop or cake on the list? Well I'll tell you why and this is the story that I want you to carry home and think seriously about. When you eat sweet foods they are changed in the mouth to a harmful material called an acid, and the acid makes cavities or holes in the teeth. Five minutes after you have eaten sweet foods such as candy, pop or cake the sugar in them has been turned to acid and the acid stays in your mouth and is able to attack your teeth for an hour and a half and is making cavities all this time. Now if these cavities are not treated by a Dentist they will grow larger. Remember I told you they cannot cure themselves.

"But I know what you are going to say to me. "Oh yes I know but I don't eat much sugar, hardly any in fact." Did you know that in Canada an average of over 100 bottles of pop, for each person, was drunk in the last year. Each bottle of pop contains 4-6 teaspoons of sugar. Quite a bit, can you see yourself sitting down and eating six spoonsful of sugar from the sugar bowl?

"Help yourself by eating healthful food, instead of cake, candy, gum and pop. It is not suggested that you cannot have some of these things sometimes but it is suggested that you cut them down considerably and that you have them as much as possible at meal times, and that after the meal you either brush your teeth immediately or at least you wash or rinse out your mouth with water or with a mouth wash."

14 Rinks Entered In Quebec Mixed Curling Playdowns

Winning rinks from 14 regions throughout the province will be seeking the O'Keefe Golden Bowl Trophy at the Quebec Mixed Curling Championship being held in the Ancient Capital from Feb. 19 to 22.

The provincial playdowns, a double knockout competition with a consolation event, will be played at the Quebec Winter Club. The first draw has been set for 1 p.m. Wednesday, with finals being held Saturday afternoon.

Entered in the fourth annual mixed curling bonspiel are teams which captured regional events played across the province between November and February. Zone champions and their skips are:

Montreal Central: Art Merrick, St. George's.

Montreal South Shore: Larry Elliott, St. Lambert.

Montreal Lakeshore: Art Burr, Baie d'Urfe.

Laurentian: Bill McDonald, Rosemere.

Quebec City & District: Olivier Samson, Jacques Cartier.

Lower St. Lawrence: Jean-Paul Fecteau, Matane.

Northwestern Quebec: P. Tremblay, Sigma C.C., Val d'Or.

Quebec North Shore: (winner not yet declared).

St. Maurice Valley: Jean R. Saulnier, Cap-de-la-Madeleine.

Eastern Townships (Southern): Maurice Sears, Canada Paper C. C., Windsor Mills.

Eastern Townships (Northern): Duke Doucet, Canada C.C., Windsor Mills.

Saguenay-Lake St. John: Bill Tracy, R.C.A.F., Bagotville.

Western Quebec: Don McFaul, Lachute.

Southwestern Quebec: Keith Robb, Riverfield C.C., Aubrey.

Last year's winner was a rink from Hudson skipped by George Smart.

Marc St. Hilaire, secretary of the Quebec Curlers Association who is acting as director of the bonspiel, said this year's playdowns had gained further interest because of the upcoming National Mixed Curling Championship.

The national event, first of its kind held in Canada, will be held at the Royal Canadian Curling Club in Toronto March 17 to 20. The winner of this week's Quebec bonspiel will be entered, along with championship rinks from seven other provinces.

HOLD SKATING EVENT

NORTH BAY, Ont. (CP) — The North Bay Figure Skating Club will be host next year to the 53rd Canadian figure skating championships and plan to mark the occasion with a souvenir program in magazine form. Local residents are being asked to submit designs for the program cover.

One Injured In Accident On Sunday Night

The above cars were involved in a peculiar kind of accident on Sunday night February 16th about 11.15, on the Dundee Centre Road. Just what happened at the accident is not clear and the Provincial Police are still investigating. It would appear that both cars had been removed from the scene before the police arrived. One vehicle, a Renault, driven by Andre Leblanc St. Anicet and owned by his father, was involved and considerably damaged as may be seen in the photo. Another vehicle, a Mercury driven by Robert Ledoux, Ste. Agnes, left the scene before the police arrived, according to reports. Andre Leblanc was injured and taken to the Huntingdon County Hospital.

Dewittville W.I. Hear Of Work Of Ladies Of Ste. Anne

The February meeting of the Dewittville W.I. was held last Thursday evening at the home of Mrs. N. Beattie. The president, Mrs. G. Moore, conducted the meeting, which was opened by the Collect and Ode. Minutes of the last meeting were read, followed by the Treasurer's Report. Mrs. O. Bulow, Program Convener, asked for volunteers to assist in the preparation of next year's program. Mrs. F. Kyle, Mrs. R. Moore and Mrs. G. Moore agreed to act on this committee. Members responded to the roll call by giving suggestions for speakers, demonstrations and tours, which will be helpful to those in charge of arranging the out line of activities for the 1964-65 season.

The Home Economics convener, Mrs. N. Beattie, announced that arrangements had been completed with Miss Janet Dettman in connection leathercraft and glove making with a further course in This course will be held from February 17th to the 21st, inclusive, with two sessions daily at 2 P.M. and 8 P.M. at the home of Mrs. J. W. Abraham. The members are very grateful to Mrs. Abraham for offering her home for this course. Details, of a sewing course to be held next fall will be published at a later date.

The Nominating committee, namely, Mrs. N. McLean,, Mrs. C. Sherry, Mrs. D. MacNaughton and Mrs. E. McKellar will present a new slate of officers at the Annual Meeting in March.

Several outstanding bills were passed by motion for payment. This included an amount of $53.54 from the Skating Rink Committee. Thank-you letters will be forwarded to those who have very generously given donations to the Rink Fund. It was also decided to hold a party in March for all members and their husbands as a gesture of thanks to several men who have coached the hockey teams and helped with the maintenance of the rink.

Members who will take charge of this party are Mrs. N. McLean, Mrs. C. Saumier, Mrs. N. Beattie and Mrs. G. Moore.

Hockey games played recently included a junior team from Franklin against the local Junior boys at which Dewittville won by a score of 5-2. The girls enjoyed a close game with the Ormstown High School team ending a 3-2 score for the visitors. Last Thursday evening the Junior Boys were invited to Ormstown arena for a game against the Ormstown team. The latter were victorious by a score of 8-1. The boys wish to thank parents who provided transporation.

Three games are scheduled for this week-end, an intermediate boys game against Athelstan Friday evening and Junior boys and girls will play at Franklin Saturday afternoon.

The program for this meeting was in charge of the Welfare and Health Convener, Mrs. F. Kyle, who was unable to be present. Mrs. O. Bulow introduced the guest speaker, Mrs. Lucien Galipeau, a past president and a very active worker for many years in the Ladies of St. Anne organization of St. Joseph's R.C. Church. Mrs. Galipeau spoke to the members about the charitable work carried on by this dedicated group of ladies. Their chief interest is in providing warm clothing, shoes and overshoes for those children who are in need so that they may attend school as long as possible thus obtaining a better education. They also provide other help to the needy in the community from time to time. These ladies are certainly to be commended for their untiring efforts on behalf of the less fortunate in the Huntingdon area for a period of about thirty years in this Christian way of doing something concrete to help solve a problem that will always be with us. When any one of these children, who have been helped by this society, succeeds in his endeavour towards a better way of living, they truly feel their work has been rewarding. Mrs. J. McLean thanked the speaker for a most interesting talk.

Delicious retreshments were served by Mrs. R. Moore and Mrs. N. Beattie and a social hour followed. The Annual Meeting will be held one week earlier than usual, that is the first Thursday in March at the home of Mrs. Hugh Rennie.

Letter To The Editor

The Editor,
The Huntingdon Gleaner,
Huntingdon, Quebec.

Re: **Editorial Notes, February 12th, 1964.**

Dear Sir,

In last week's issue of the Gleaner you made mention that the final instalment of a $7500.00 Grant in favor of the Huntingdon County War Memorial Arena, had been received from the Department of Youth for the Province of Quebec. You also mentioned in this Editorial that this Grant was received through the courtesy of Mr. Kenneth Fraser. I wish to correct the inaccuracy of this statement, as the Government of Quebec does not make payment of Grants through the courtesy of any private citizen.

In March of 1960 the Directors of the Arena approached me to make representations to the Department of Youth, to see if a Grant could be obtained to help lift the financial burden they were carrying. I presented their case to the Department of Youth with a recommendation that a Grant of $7,500. would be in order. On June 9th, 1960, the Minister of Youth, Jean Jacques Bertrand, wrote me that the Grant had been accepted and would be paid in two instalments of $3750.00 each.

After the change of government in 1960, I reminded the new Minister of Youth, Paul Gerin Lajoie, of the promise of the former minister to pay this Grant. I was told that the Grant would be paid as soon as the necessary funds were available. Over the past two years the instalments of this $7500. Grant have been paid to the Huntingdon County War Memorial Arena, not through the courtesy of Mr. Kenneth Fraser, but through the efforts of myself and the fulfilment of a promise of the Department of Youth of the Province of Quebec.

I think that it is in the public interest that the true facts in this matter be made known.

Your Servant,
H. Alister Somerville, M.P.P.
(Huntingdon).

Dundee

DUNDEE — Last Friday afternoon the World Day of Prayer was observed in Zion United Church. Ladies from Elgin Presbyterian Church and Kensington United Church joined with Dundee in its service of worship. Mrs. Lloyd Martin gave a meditation on prayer. She based her talk on the Sermon on the Mount found in Matthew 6 where Jesus tells how to pray. Four eleven-year-old girls from the Dundee School, Gail Watterson, Elizabeth Stowell, Joan and Janice Fraser sang "In the Service of the King". Light refreshments were served after service.

On February 11, Mr. and Mrs. Stewart Ferguson entertained Mr. and Mrs. W.C. Ferguson, the occasion being their 44th Wedding Anniversary.

Miss Betty Fraser and her friend, Miss Petra Frohberg spent the weekend with Betty's father, Mr. Charles Fraser. Both girls are nurses in training at the Queen Elizabeth Hospital.

Weekend guests of Mr. and Mrs. W.D. Fraser were the Misses Margaret Collie, Rita Maplebeck and Doris Fraser, all from Boston, Mass. also Miss Olga Bokozen of Montreal.

Congratulations to Bill Fraser, son of Mr. and Mrs. Donald Fraser, who recently took his Royal Conservatory of Music of Toronto examinations in Victoria Hall, Westmount. He passed with first class honors in his grade 2 piano, tying for first place with two others in a class of 56. Mrs. F.G. McCrimmon of Huntingdon is his teacher.

Franklin Centre

The Franklin W.I. held their February meeting at the home of Mrs. Howard Blair with Mrs. Willard Blair and Mrs. O. Trainer assisting. The meeting opened with the usual exercises. Roll call was answered by 15 members naming a founder or origin of a town in the Chateauguay Valley. Minutes of the previous meeting were read and approved. Mrs. Leo Lewis, treasurer, reported a fairly good balance on hand at this time.

A letter from Miss Janet McOuat, technician of Macdonald College, was read with reference to courses being held in our area this year. The secretary was instructed to write Miss McOuat in this connection.

Mrs. Leslie Robertson, convener of Education, read letters of thanks from Helen McCracken and Hugh Barr, both former students of Franklin Intermediate School on their receiving prizes given by the Franklin W.I.

The Nominating Committee as follows: Mrs. R. Barr, Mrs. L. Lewis, Mrs. H. Steele and Mrs. K. Dickenson; the Program Committee being Mrs. E. Lindsay, Mrs. Rod Arthur and Mrs. H. Frier.

A contest of squares took place with recipe attached and Mrs. H. Frier was the winner. Mrs. Howard Blair had a quilt set up for the members to work on and finish. Another quilt has been started along with a large hooked rug so generously donated by a member.

New Erin

Mrs. C.L. Starr visited for a couple of days the past week in St. Lambert and attended the birthday dinner for her daughter-in-law, Mrs. Clarence Starr on Friday evening.

Mr. and Mrs. Allan Moodie and family, Mr. Edward Dean and Miss Kathy Greenway of Montreal were Sunday guests at the Allan Hunter home.

Mrs. M. Elliott of Montreal spent a long weekend with her mother, Mrs. C. L. Starr.

Powerscourt

Weekend visitors of Mr. and Mrs. George Taylor were Mr. and Mrs. Bruce Scriver and Freddy of Montreal; also Miss Jeanie Taylor of Macdonald College.

Kilbain

KILBAIN — Mr. and Mrs. Andy Anderson and children of Malone, N.Y., spent the week-end at the home of Mr. and Mrs. Thomas O'Connor. Mr. and Mrs. Jerry Gallager and children were Sunday guests at the same home.

The sudden passing of Mr. W. L. Carr came as a shock to many, as we had thought he was coming on well. Our sincere sympathy goes out to his wife and children.

The evening came to a close with delicious refreshments being served by the hostesses.

We are really enjoying this lovely winter weather, just hope it will last a little longer.

Miss Judy Smythe of Montreal, spent the week-end with her parents, Mr. and Mrs. Bill Smythe.

THIS and THAT in TOWN

● **Well it was good to learn that a Government grant had been obtained for the Huntingdon County War Memorial Arena the past week. This is indeed a very acceptable help and will wipe out the debt which has been hanging fire on the building for so long. It is a nice feeling when money that has been owing for so long can be paid up. Of course the rink officials will still need money to carry on the operations of the rink and to maintain the building, etc. in good shape. This is where the people in the community come in, attend the hockey games, buy skating tickets and attend the various functions at the rink, they all help to keep the finances coming in.**

● Forty-two scholars of the Huntingdon High School participated in "Operation Scholarship" on Saturday, Feb. 8th, as a reward for doing well in their studies. They were taken on a trip to Montreal and visited the Botanical Gardens, a special science display in Eaton's, the Chateau de Ramezay and a performance of the Ice Follies at the Forum. It was quite a full day and we understand they all thoroughly enjoyed it. They were in charge of two teachers from the school and were transported by a school bus. The School Board provides a sum of money to cover expenses. It is done with a view to encouraging pupils to do even better work in their studies.

● **Every once in a while there is a book published which is considered unfit for the public and in consequence it is ordered banned. A short time ago it was "Lady Chatterly's Lover", now the latest one is entitled "Fanny Hill" and it has been labelled "obscene". It is an eighteenth century novel about a country girl who became a London prostitute and it was branded obscene by a London, England, magistrate on February 10th. This book is also getting into trouble in this country, more especially in Ontario where copies have been confiscated from some bookstores in that Province. It is still on sale in the paper back edition in other parts of Canada and no doubt this controversy will boost its sales while it can be obtained.**

● The Ladies of the Dewittville Branch of the W.I. will be making gloves this week at the home of Dr. J. W. Abraham. Goodness knows that gloves are a very necessary article to keep hands warm during the winter months, so there is no doubt the ladies will gain some useful knowledge of glove making during this period. Incidentally, the ladies say that all are welcome, so why not go along and see what it is all about.

● **A question we would like answered: When is an organization going to be formed to plan for Huntingdon's role in Canada's Centennial celebration in 1967? Time is fleeting!**

● R. E. Davignon, who operates the Maple Leaf Pavilion at Herdman has come up with a new invention — a ski — which he calls "Skitter" and it operates on snow or on water and thus can be used all the year round. It can be steered as it has handle bars and any child can use it with the least possible practice in handling.

● **Look — you Hockey Fans — The Toronto Humber Merchants hockey team will be here at the Huntingdon County War Memorial Arena this Saturday evening at 8.30 to play a game with our Huntingdon Clydes team. This team is a game one, they were here one time before and came through very stormy weather and also had an accident enroute. There were not too many out on that occasion — Let's give them a rousing welcome this time and turn out in good number to give them a royal reception. It should be a good game — that's this Saturday, February 22nd.**

● If you see a lady with pink, green or blue or any color hair, in the near future, don't blame the last drink you had. We understand that anytime now, milady will be getting a colored hairdo at the beauty parlors and strutting forth in color to match her dress, or shoes, or what-have-you. Don't say we didn't warn you.

● **Federal Parliament opened yesterday, (Tuesday) Student Loans and Pensions were the opening highlights. It will be interesting to watch the progress of this session, it is liable to be a hot one.**

● There were some ice cutting operations going on at the dam on the River Chateauguay, last Wednesday and Thursday. We understand someone was trying out an ice cutting machine after it had been repaired and rebuilt.

News from Howick

HOWICK — The Seniors met at the curling club on February 5th, with 21 present. The trophy was presented to H. Brady, Arthur Kerr, W. Anderson and B. Cairncross (skip). Others played cards, crokinole, scrabble or quilted.

On February 12th, there were 30 out, and the Trophy went to B. Cairncross, J. R. Younie, J. D. Lang and Willie Anderson (skip). Others enjoyed, euchre, dominoes and quilting. "Happy Birthday", was sung to Mrs. Jas. Whyte who celebrated on February 11th.

Mrs. Jean Laurin has returned from La Salle General Hospital and is convalescing at her home on Colville St.

Montreal Presbyterial Meeting

Ten delegates from Howick United Church attended the Montreal Presbyterial Meeting annual meeting of Montreal Presbyterial United Church Women, on February 11th., at Dominion-Douglas United Church. They were: Mrs. Russell Stewart, Mrs. D. Chisholm, Miss I. Frith, Mrs. R. B. Tolhurst, Mrs. H. Bradley, Mrs. J. D. Lang, Mrs. C. Younie, Mrs. Douglas Templeton, Mrs. Math. McKell and Mrs. Melville Brown.

Mrs. Melville Brown was elected vice-president of Montreal Presbyterial U.C.W. for this section, replacing Mrs. R. B. Tolhourst, who had completed her term of office.

The Church was crowded and interest of the delegates appeared to heighten even towards the close of the day, and many remarks were heard about the guest speaker, Mrs. D. Clarke Wilson, who gave such a wonderful illustrated talk.

At the afternoon session Judge Hoskin answered questions in a panel discussion: "The Famliy in the Space Age". This was most interesting and worth-while.

Day of Prayer

The Day of Prayer was observed at the Protestant Churches. On Wednesday at 3:45 p.m. about 35 girls from the Siloki and Akita C.G.I.T. groups met in the United Church with their leaders, Miss Ruth Jones, Mrs. O. W. Mattinson, Mrs. John Logan and Rev. W. M. Brown.

Those who participated were Sandra McFarlane, Barbara Logan, Carolyn Templeton, Wendy Allen, Ann Reddick and Lynn Brown. The organist was Mrs. R. Stewart.

The Meditation, Prayer and Action, was given by Mrs. Robert McFarlane.

At the same hour a group of fifty children, 6-11 years, met in the United Church Hall with their leaders, Mrs. J. Scoble, Mrs. G. Whyte and Mrs. Tillotson. Mrs. W. Logan played the piano.

Those who took part were Janice McFarlane, Susan Fingland, Marian Craig, Marian Gebbie and Margaret Younie.

Mrs. Melville Brown told the story about, how Mustopha, a Turkish boy found his neighbours. Rev. W. M. Brown spoke briefly at both meetings.

On Friday about 90 ladies, met in the afternoon at Georgetown and Riverfield Churches and the Preston Home.

About 50 ladies met at Georgetown Presbyterian Church, with Mrs. W. Logan, President of the W. M. S. as leader. Those who took part were: Mrs. John Logan, Mrs. H. Bradley, Mrs. Wilburn Anderson, Mrs. W. McKell, Mrs. W. Watson, Mrs. Robt. McFarlane, Mrs. J. Murray, Mrs. M. Brown, Mrs. W. Stewart, and Mrs. Janet Reddick, Mrs. John Holmes was organist and a duet was sung by Mrs. P. Peddie and Mrs. L. Simms.

Fifteen ladies met at the Preston Home, Mrs. A. Lewis led the service and was assisted by, Mrs. P. D. McFarlane, Mrs. R. B. Ness, Mrs. R. Stewart and Mrs. D. Ness. A story was read by Mrs. J. Crawford. The visiting friends chatted with everyone before leaving. They had brought a Valentine Supper with them which was served later in the day to the ladies who live at Mrs. Preston's.

Week-end Visitors

Miss Lorraine Tellier, Edmonton, Alta., presently of Ottawa, spent the week-end with her aunt and uncle, Mr. and Mrs. Paul Tellier.

Mrs. and Mrs. Thos. Saunders, Lennoxville, Que., were week-end guests at the home of Mr. and Mrs. Keith Hale.

Making Good Recovery.

Baby Scott Tennant, son of Mr. and Mrs. Ronnie Tennant, who was transferred from the Barrie Memorial Hospital, to the Montreal Children's Hospital for special treatment during a severe illness, is recovering nicely and may be at home by the end of this week.

Carnival Tournament

The Carnival Tournament at the French School provided extra fun and sports over the week-end. A broomball game at the Academy St., school on Saturday night and a hockey game on Sunday afternoon were the main sports events at that end of the Village. A masquerade (skating) party was held at Howick High School, Friday, P.M., hockey games and skating on Saturday, plus the usual mixed games and social evening at the Curling Club livened up the other end.

The Queen and Princess of the Carnival were chosen and we hope to have pictures and more news about that event for next week.

Broomball Game

A good crowd was out to see the broomball game between the English and French speaking folks, resulting in a 1-0 score for the former. The English line-up was: Eric Stonehouse (Coach), Richard Turner, (Captain) Roy Younie (1 goal), Brian Nugent, Gerry Elvidge (goalie), Doug. Stonehouse, David McArthur, Rennie De Grandpré.

French line-up: Jacques Parent (goalie), Luc Parent, Leonel Vincent, Robert St Jean, Yves Soucisse, René Dagenais, Wm. Robinson, Lucien Blanchette, Jean Guy Lemieux, Fernand Vincent.

Hockey Game

A hockey game between Howick Athletics and Howick French resulted in a score of 6-1 for the Athletics. Their coach was Bob Sheridan. (Capt.) Kenny Rattigan, Donald Morrison, Brian Brown Brian Wilson, Archie Brown Donald Brown, Eric Stonehouse, Douglas Stonehouse John Gillies, David Harris (goalie) Kenny Rattigan. Goals were scored by Brian Brown (3), B. Wilson (2), D. Brown (1), J. Gillies (1), K. Rattigan (1).

The French speaking team was comprised of André Menard, Jean-Guy Lemieux (Capt.), Gilles Mailloux, Yves Soucisse, Marcel Laberge, Guy Meunier, Jean Paul Hébert, René Dagenais, André Logan. The coach was Guy Meunier, who also scored 1 goal.

Attended Silver D. Games

Mrs. W. K. McRae spent a day at the Silver D. Games at Drummondville, Golf and Curling Club.

Mrs. G. Roy, President-elect of the Ladies' Curling Association was also a guest of the Silver D Committee at Drummondville, during the Silver D Games. Mrs. Roy saw 5 games of excellent curling, attended a tea on Wednesday afternoon, at the Drummondville Golf and Curling Club. She also attended a banquet at 6 p.m. Thursday at the Dauphin Motel. The presentations were made at this banquet. Winners of this provincial trophy were Mrs. Philips (skip) and her rink from T. M. R. The Huntingdon girls are on the way to be future champions and received bronze medals.

Visited Bedford

Mrs. A. Buchanan and Miss Laura Robertson motored to Bedford on Sunday, where Mrs. Buchanan, spent several days with Mrs. Allen Palmer. Miss Robertson accompanied Mrs. Bradshaw of Bedford, senior delegate of the Silver D. Competition, to Drummondville, acting as her secretary. Miss Robertson and Mrs. Buchanan returned home on Friday.

A Pleasant Surprise

Harold Brown gave his parents a pleasant surprise when he arrived home via plane from Regina, after spending about 6 months at Fillmore, Sask.

Georgetown Auxiliary

The Georgetown Evening Auxiliary met at Jean Arbuthnot's home with 20 members and one visitor present. The scripture lesson was read by Elsie Whyte and the prayer offered by Marian Anderson. An interesting report of the annual meeting of Montreal Presbyterial was given by Marian Anderson.

Final plans were made for a St. Patrick's Tea on March 14.

Jean Anderson read an interesting article about that great but humble man Dr. Sweitzer, and his work in Africa.

The hostesses were Marian Anderson, Elsie Whyte, Jean Anderson and Jean Arbuthnot.

Mr. Melville Brown spent 4 days at Ste. Marguerite attending meetings for dealers and personnel of the John Deere Co.

A Reminder

Calling all fathers of Cubs and Scouts remember to keep a date with your son at the banquet on Friday night.

HOCKEY

Final Standing Of Chateauguay Valley Hockey League

Fort Cvgt. 7 5 1 1 50

	P	W	L	T	F	A	Pts
Fort Cvgt.	7	5	1	1	50	32	11
Clydes	8	4	3	1	32	34	9
Howick	7	1	6	0	28	45	2

The Chateauguay Valley Hockey League is once again in play-off hockey. Last Wednesday night saw Howick playing Clydes at the Huntingdon War Memorial Arena. Although the ice was a bit soft, due to the weather, both teams played a good game. Howick played a much better game than did the local boys, and at the end of the game saw Howick winning by a score of 6-1.

Howick leads the best of 5 semi-finals 1 game to 0.

1st Period:

1) Howick (D. Brown - Cavers) A. Brown.

2) Clydes Murphy (Pilon - Curran).

3) Howick, Cavers (D. Brown - A. Brown).

Penalties:

McCabel, Morrison.

2nd Period:

4) Howick, A. Brown (D. Brown).

5) Howick, A. Brown.

Penalties:

Morrison, Roy, Duheme, Fugere.

3rd Period:

6) Howick, D. Brown.

7) Howick, Reddick (Wilson).

Penalties:

A. Brown, Murphy, Morrison.

Friday night saw the second game of the semi-finals of the C.V.H.L. Howick again playing here at the War Memorial.

From the first whistle of the first period both teams played good hockey and never gave up until the last whistle.

Denny Beaudin with three goals in the first period gave the Clydes a 3-0 lead at the end of the first period.

In the second period Wilson & Boyle tallied for the visitors with no reply of the local boys. Thus the score was now 3-2.

In the third period Riel scored for Clydes. Cavers and D. Brown scored for Howick making a 4-4 tie. In case of a tie overtime has to be played. It is sudden death overtime. That is the first team to score is the winner.

Clydes were penalized at the 6:40 mark. This gave Howick a chance to put on their power play and at 8:28 Wilson of Howick slammed home the winning goal.

Penalties proved costly to the local team as three goals were scored while their team was being penalized.

Howick leads 2 games to 0 in the semi-finals.

Wednesday night the third game will be played in the Ormstown Arena.

1st Period:

1) Clydes, Beaudin (L'Heureux, Duheme).

2) Clydes, Beaudin (L'Heureux, Pilon).

3) Clydes, Beaudin (L'Heureux).

Penalties:

L'Heureux, Roy, Morrison.

2nd Period:

4) Howick, Boyle (B. Brown).

5) Howick, Wilson (R. Roy).

Penalties:

Fugere, Curran, Murphy, Wilson, Gardner.

3rd Period:

6) Clydes, Riel.

7) Howick, Cavers (Wilson).

8) Howick, A. Brown (Cavers).

Penalties:

Marshall, Roy, Fugere, Roy, Riel, Duheme, Roy, Murray.

Overtime:

9) Howick, Wilson.

Penalties:

Fugere.

On Saturday, February 22nd the Toronto Humber Merchants are coming to Huntingdon to play Clydes. This team came here two years ago and hit the worst storm we had for years. On the way down they had an accident but still continued. There were more people from Toronto watching the game than there were from Huntingdon.

This is a very good team which features a local lad David Welburn, who helped them win the Intermediate Championship of Toronto.

So all you hockey-fans, turn out to show your appreciation of a good hockey team which comes 300 miles to play.

En marge du Festival de l'Ecole St. Joseph

Samedi passé le 15 avait lieu le festival annuel de l'Ecole St-Joseph. Le programme de la soirée comprenait entre autres activités, une joute de ballon-ballai entre les institutrices et les anciennes élèves, une exhébition de patinage de fantaisie et diverses compétitions pour filles et garçons; il va sans dire que les anciens élèves, les professeurs et les parents eurent aussi la chance de s'esclimer sur la glace. Le clou de la soirée fut sans doute le couronnement de la charmante reine du festival, et aussi la joute de hockey mettant aux prises les élèves de l'ESSJ et ceux de l'ESND. L'alignement de l'école St-Joseph comprenait:

HUNTINGDON HIGH SCHOOL NOTES

Henney Rozema.

Unfamiliarity with noon hour sports program has been brought to my attention. The noon hour sports program is now moving into its second half. The following has happened since September 1963.

Volleyball started in September and finished in October. A total of 93 boys and girls took part. In the girls' group the Red Socks defeated the Gold Spots in the final game. The Red Wings were the champions in the boys' group. Eighteen games were played in all.

After Volleyball was over basketball began. One hundred forty-eight students from grades 6 - 11 took part. There were two senior and 2 junior teams. The scores were very even, but the Black House seemed to have a slight edge in most games. In the finals the Gold House rose to the occasion and walked away with all four finals. A total of 25 games were played.

After Christmas the singles in badminton started with 8 girls and 10 boys taking part. Nina Caldwell of the Gold House defeated Pat McNaughton also belonging to the Gold House. Garth Stevens, a member of the Red House lost the finals to another person belonging to the Gold House, John Ferry, in a very exciting match. The doubles are just beginning now with 24 pupils taking part. All students from grades 9 - 11 are eligible to play badminton.

Ice hockey started in January with 70 junior, 47 intermediate, and 39 senior boys playing. The season will consist of 23 games and at the moment the Black House has the lead in the juniors and the Gold and Red Houses are entering the finals in the other two divisions.

Broomball is a new game which started just this year. Huntingdon Curling Club last year donated a dozen brooms to the school. A total of 48 girls from grades 8 - 11 play and all the Houses are tied in points at this time.

Shuffleboard which began in January has an entry of 27 teams with two girls per team from grades 6 - 8. The games are played on two regular sized courts which are painted on the gym floor. Up to this point 20 of the preliminary games have been played. Most of these have been won by the Black House.

Mr. Sandmark, who heads the program is very happy about the enthusiasm and good sportsmanship displayed by the students.

February 22 there will be an exhibition hockey game between the Toronto Humbertown merchants and the Huntingdon Clydes at the Huntingdon Arena at 8:30 P.M. This event is sponsored by David Welburn and all are welcome to attend.

In the House System the Gold House still maintains the lead with 1507 points the Black House follows with 1407 and the Red House trails with 1344.

Can't Change History

EVERYONE will remember the late Hon. Maurice Duplessis, who was Leader of the Union National Party in Quebec and Premier of the Province of Quebec, when his Party came to power and remained so for 16 years. It is well known that this man adopted a dictatorial attitude in his role as Premier and used "I" more often than "we" in his announcements. He ruled his Party with a sort of iron hand and no member was allowed to do or say anything without first having had his approval. Even the choice of candidates in the various ridings had to be approved by Mr. Duplessis. He succeeed however, in keeping his Party in power for a period of 16 years, or at least until the time of his death. Three other leaders followed him in quick succession, two of these dying in office and the last being defeated in an election.

This election eventually brought about a series of enquiries into the operation of the Duplessis regime and the Union National Government and some unsavory reports were the result. This brought the Liberal regime back into power with greater support and the Union National Party is now very much in the back seat.

While the late Mr. Duplessis was disliked by a great many, he was nevertheless an outstanding man in Quebec politics and will always be remembered. His name must be coupled with the history of Quebec whether we want it that way or not and cannot be stricken from the rolls. As developments disclosed, there were apparently many discrepancies which were condoned by Mr. Duplessis and his Ministers, but history will record, and not attempt to hide or cover up what may have been done.

The Union National Government decided that in honor of their Leader and the Premier of this Province that a bust of the likeness of the late Mr. Duplessis should be made and when completed be deposited in the Quebec Legislature in company with other such statues. In the interval of time needed to make the statue, the government changed and the statue was delivered to the Liberal Regime which was then and now is in power in Quebec.

Recently the matter of the statue has been revived and questions have been asked. The matter came up at the Quebec House recently and the present Premier Jean Lesage told Mr. Johnson, Leader of the Opposition, that the statue of Mr. Duplessis is not presentable to the public.

It is quite possible to go around the country and find statues of various people who served in public life and whose crimes were perhaps no worse than those of which the late Mr. Duplessis is accused. However, these statues are erected and stand to be criticized or otherwise. These people have served and go down into the historical records and History cannot be changed. It is something that has happened and whether we like it or not, or the persons who took part in it, it is historical record.

Under such circumstances it is hard for any one person, or any one group of persons to decide what is, and what is not presentable. The late Mr. Duplessis has his place in the History of the Province of Quebec and his chronicles must surely be recorded in the Legislative records and cannot be erased. There are higher powers than we mortals on this earth, who can probably judge this man for what he has done and without prejudice, why not leave it at that.

This newspaper has disagreed many times with what the late Mr. Duplessis said, or did, or caused to do, and we made no secret of it. We cannot however see what harm a statue of this man can do if it is placed on public exhibition as an object of historical record. After all, he was Premier of Quebec.

This Is Boy Scout Week

THIS week attention is being called to Boy Scout Week, which is from February 16th, which was on Sunday, until February 23rd which is next Sunday. To bring the week more forcibly to the attention of the public the merchants throughout this Chateauguay Valley have placed a series of advertisements in this issue with regard to same.

All over this Valley we have groups of Scouts and Cubs gathering together to further the aims of The late Lord Baden-Powell, the founder of the movement. The theme of the week is "Fitness Through Scouting" and it will carry through for the balance of 1964. Many tests will be given the boys in order for them to obtain their new Personal Fitness Badges, so there will be a large number taking these tests.

Boy Scout Week is to make the public more aware of this movement and if possible create a greater interest in all phases of Scouting. The training that the boys receive must be given by interested men and women who give of their time to teach the groups. That Scouting does make better citizens cannot be denied, so that your boys who are taking this training are going to be the better for it. Many older persons are required to take on the tasks of being Cub Masters and Scout Masters. Therefore if you have a little time you could spare on at least one evening a week, why not give your name in and join the movement in your community. Older persons are also required on the various Group Committees, the officials that are responsible for organization of such of the Scouts and Cubs. Make enquiries in your area and see where perhaps you may be needed and can help this great movement along.

In Huntingdon area and probably in some others also, the financial drive is held during Boy Scout Week, while the matter is fresh in the minds of the people. It is the Group Committee that organizes this drive for funds as the funds are handled by that committee. In this area $500 or better are required to finance the Cubs and Scouts through the year. A certain fee has to be paid for each boy enrolled, to the Headquarters which is used for general expenses such as badges and books and other needs which are sent out from headquarters. It is also required that a certain sum be available for the expenses of the local groups, such as going to camp, equipment of various kinds and so forth. Thus the $500 just about sees the Scouts and Cubs through the year. This fund is raised by canvassing and by putting on one big card party. You can do your part by giving as generously as possible to the drive and by attending the card party or other functions which may be held.

The boys deserve our support for they are always willing to help out in any way they can if a need arises. It is part of their training to help others.

This Is Also Brotherhood Week

YES, this is also "Brotherhood Week" and if we stop and think for a moment there is great need for such a week in these times. We look around the world and we see all kinds of discord within nations and between nations and wonder why it should be if people are being taught right as they should be. It makes us wonder if we are failing in our mission of bringing Christianity to all the world.

Christianity is supposed to teach us that we are all brothers. It does not matter if we are white or black, yellow or copper and any other color. It does not matter to what race or nationality we belong, we should be brothers if we declare ourselves to be Christians. Again it does not matter to what faith we belong, we are all striving to follow the same direction. We send out missionaries to teach Christianity and brotherhood, but do we always follow the teachings we have set to be taught to others? We are sorry to say there are many times when we fall down on the job most miserably. There are those times when a person seeks the services of some public place like a hotel or a restaurant and they are refused because of color or creed.

No matter the nationality of a person, or the color, these people are human beings even as we and are entitled to proper treatment at all times so long as they behave and conduct themselves in the right manner. They may observe different customs to ours, they may have different mannerisms, nevertheless they are entitled to the same treatment that we would expect. We believe the children of these people should receive the same opportunities as our own, both as regards to education, play and so forth. Color does not make a person less able to learn and understand how to do things. In some cases there may be a language barrier which prevents a person from understanding what is required of him, but usually there are ways of overcoming this if there is a will to help. In such circumstances, we need patience and not be so ready to label the person as stupid, it could be us that is stupid instead. All people given equal opportunity and chances can make something of themselves. As we look around we can see brilliant men and women in all races and creeds and colors.

This is what is meant by brotherhood. Brotherhood cannot be built on hate and suspicion. There must be trust and there must be a certain amount of love. There cannot be exploitation of one another or of one and another's goods. The building of hate is one of the greatest of barriers that we have to overcome before we can reach the true spirit of brotherhood in a nation, in the world. If a true spirit of brotherhood can be built throughout the entire world, then we shall have surely reached the point where we need never to fear war.

SUGAR AND SPICE

A History Lesson

By BILL SMILEY

Frightening it is to discover the ideas some kids are picking up in school these days. I got some insight into the sheer wildness of it when I was helping young Kim with her history the other day.

Bill Smiley

She is 12 years old, an average kid by most standards, a very bright one by those of her parents. She's in Grade 8. I was reading from her history notebook and asking her questions based on the notes she had made.

First, I asked, what did the early pioneers build their homes out of? The answer came smartly: the earliest homes were little more than shanties, but soon the pioneers began building with lumber, stucco, brick and stone. I asked her where they got these materials. "In the fields," was the answer.

Baffled, I looked in her notes. There it was: "Soon the settlers began to build houses out of lumber, brick, stucco and stone from their fields." I had quite an argument before convincing her that lumber, stucco and brick do not grow in fields.

Next, I shot her a question on the harvesting of grain in the early days. Her note book stated that the "grain went through many painful processes." It went on to say that the grain was threshed and winnowed, and then was taken to be ground at "sawmills and grist - mills preferably grist." Painful, indeed, putting grain through a sawmill.

A little later I came across the startling information that during the Rebellion of 1837 in Upper Canada, William Lyon Mackenzie's rebels had been defeated by 30 men "at Maple Leaf Gardens."

Frankly, I was appalled and slightly delighted. What an interesting way to learn history! Then, pursuing her notes, I was informed that Lord Selkirk, in trying to establish his communities in what is now Manitoba, got into a squabble with the Northwestern Fur Trading Company, and "carelessly captured Fort William." How do you capture a place carelessly?

After the initial shock wore off, it occurred to me that my daughter didn't know limestone from field stone; that she really had no idea where bricks and stucco came from; that she didn't even know what a sawmill was; that she didn't realize that, while the NHL is adept at crushing rebels, it was not in existence in 1837; and that she had just thrown that adjective "carelessly" in through sheer good spirits and a complete ignorance of who Lord Selkirk was, and where Fort William is.

I'm not trying to blame her teacher. Heaven forbid. The kids are to blame. They copy stuff down from the text-book, leave out a word, or add one, and the results are hilarious. They are over-awed and overwhelmed by facts, and are much more interested in "what?" than in "why?"

Secondly, I blame their parents, people like me, who are "too busy" to find out what they are learning, and to correct such garbled nonsense.

CHECK IT OUT

Check your son's home work, and you'll find him writing this sort of thing, especially if he learned to spell phonetically, "He krept koshusly threw the nite, trang to peer into the fog."

Have a look at your daughter's arithmetic. You'll learn that she has just sold twelve pounds of butter for $19.844 and thinks nothing of it.

In short, Dad, have a look. It will shake you rigid.

"COUNTRY NOTEBOOK"

BY MR. WALKER RILEY

"Country Notebook" by Mr. Walker Riley, Agricultural Extension Specialist with Macdonald College, appears in The Gleaner with this edition. The column will be a weekly feature which we trust will be of interest to all in the Chateauguay Valley.

The other day, two of us from the College pulled into a barnyard. Since it wasn't one of the best, let's just call it Joe Smith's.

We got to talking about the T.V. shows the College is putting on, and in particular about the one on drainage. "Say, you fellows are really pushing drainage, aren't you?" said Joe. "Look by August we are awfully dry here. If I followed your advice and put in tile, I would be worse off than ever. My soil needs all the moisture I can get."

We took up the challenge. "No, Joe, it doesn't work that way. Unhappily, there is no way to store up the spring excess until mid-summer. We have to treat them almost as two separate problems — too much water in the spring and too little in August."

"But if I keep my soil wet as long as I can, isn't that saving it?" Joe shot back. "As a matter of fact," we replied, "you get just the opposite effect. Plants develop a very shallow root system on waterlogged soil; when August comes along, the top layer of soil dries out and the plant is done for. To support a healthy plant, roots must find air in the soil as well as water."

"On top of that, the soil must be warm for germination and growth. It just can't warm up until the surplus water is gone. You want to get your crop in early to take advantage of the long days in June, don't you?"

Obviously, Joe wasn't convinced. He was still thinking of the water he wanted to save. "Look, Joe, do you mind if we borrow this flowerpot full of soil for a few minutes?"

We emptied the soil into a cotton bag, tied a string around it soaked it in the water tank. We hung it up, and let the water drain into a pail. In a few minutes, it slowed to a drip. "That dripping will stop completely in an hour or so, and the soil will be still moist, won't it?" we asked Joe. He agreed.

Report From Ottawa

OTTAWA (CP) — The eve of a new parliamentary session saw political leaders restless and eager to take up where they left off when the last session ended just before Christmas.

It was a good sign, because there is no shortage of issues for them to consider in the new session opened Tuesday, February 18th.

One of these issues was presented personally by Sir Alec Douglas Home, Britain's prime minister who visited Ottawa early last week accompanied by the foreign secretary, R. A. Butler.

The British statesmen informed the Canadian Government both privately and publicly that they wanted Canada to contribute 1,000 infantrymen to a proposed international police force for Cyprus.

Mr. Butler brought the matter up at a press conference only seconds after External Affairs Minister Martin had said he could not be specific about subjects discussed privately with the British official.

Canadian officials had indicated earlier that Canada was not especially inclined at present to take part in the Cyprus settlement if it was at all avoidable.

They felt the British bid put them on the spot publicly and could lead to further embarrassment regardless of the decision taken.

Wants UN Connection

In the final analysis, however, it was up to President Makarios of Cyprus to decide what countries, if any, would participate in an international peace-keeping force to prevent flareups between Greek and Turkish Cypriots.

Canada has an interest in preventing civil war on Cyprus and especially between NATO members, Turkey and Greece. However it feels there should be some kind of connection between the force and the United Nations.

Canada is not emphasizing Prime Minister Pearson's UN speech last September in which he called for strengthening and using more UN peace-keeping machinery. This is partly because the UN's finances possibly could not bear the drain of this force and also because Russia might veto any security council action.

The Canadian forces involved if Canada were to take part would be the 900-member standby battalion, which at present is the 1st battalion of the Royal 22nd Regiment (Van Doos) stationed at Valcartier, Que.

Seeks Trade Changes

The other main topic of talks between British and Canadian officials concerned Anglo-Canadian trade.

Sir Alec said his government wants changes in Canadian anti-dumping tariff laws to help overcome the big trading deficit with Canada.

He said that in some ways Canadian anti-dumping laws "seem to operate unfairly." It was a "curious thing" that Britain was able to increase exports in tough markets such as western Europe while sales to Canada were slipping.

Last year Canadian exports to Britain rose 10 per cent to $1,105,000,000 while British exports, here fell by more than six per cent to $527,500,000.

Sir Alec did not specify what changes Britain will seek in Canadian anti-dumping legislation which applies, for example, against British cars. The matter would be raised by Edward Heath, president of the British board of trade, when Canadian Trade Minister Mitchell Sharp visits London late this month.

Protests Expulsion

Another matter of International relations that came abruptly to the attention of officials was the explusion from Haiti of 18 Canadian Jesuit priests and brothers.

The Haitian government accused the clergymen of planning to overthrow the government of President Duvalier.

External Affairs Minister Martin summoned the Haitian charge d'affaires in Ottawa to his office to inform him of Canada's rejection of the allegations. Mr. Martin advised Musset Pierre-Jerome of the Canadian Government's "great dissatisfaction" with the action. He termed the expulsion harsh, unjustified the arbitrary.

The missionaries, who arrived Thursday in Montreal, said the allegations were "complete nonsense."

There are about 400 Canadians living in Haiti. Most of them are clergymen.

One priest, Rev. Paul Laramee, 51, of Montreal, and Brother Francois-Xavier Ross, 43, of St. Luc de la Moth, Que., were imprisioned for 13 days prior to their departure from Haiti.

Father Laramee, who managed a religious radio station run by the order, said the Duvalier government "seemed to think we were doing some political job, but there was absolutely nothing political about our work."

Employment Up

Employment statistics released during the week showed that mid-January was a substantial improvement over a year earlier. There were an estimated 6,231,000 persons with jobs and 466,000 without.

The jobless total was down 75,000 from mid-January, 1963, and up 120,000 seasonally over the previous month.

Canadian History

Opposition Leader Diefenbaker says Canadians can do a lot in the years leading to Confederation to wipe out ignorance of the romance of Canadian history.

The young people of Canada "don't seem to know about the heroes of our country — its heroism and romance is unknown," Mr. Diefenbaker said in an interview.

He said he had seen reports that Toronto high school students couldn't identify Sir John A. Macdonald as Canada's first prime minister.

"Why Canada abolished slavery by law long before Britain or the United States. That was in 1792.

"And we gave religious freedom in this country in 1775 — 50 or 60 years before Britain did."

Excellent Crop of Ice

Joseph Brisebois of Huntingdon who has one of the heaviest shedules to fulfill each winter at this period of the year, informed The Gleaner this week that he had never seen such clear ice in the vicinity in the past twenty years. Mr. Brisebois stated that he had cut more than 42,000 cakes of ice so far this year and that he would be finished by the end of the week. Operations began on Jan. 12 and during the last two weeks on January he had four trucks and more than twelve men working under him.

Heavy Snow

A strong wind followed by heavy snow began sweeping over the Chateauguay Valley on Sunday morning and continued throughout the day. By evening it had greatly increased. Sleet and rain kept freezing to the windshields of cars and made driving difficult. Between 3 and 4 a.m. on Monday there were flashes of lightning and peals of thunder. Snowplows are still busy pushing back the banks on the highways and most sideroads are impassable to traffic.

Carlyle Dickson, General Manager of Ormstown Exhibition was in The Gleaner office the other day with his copy for the Prize List of the 1964 Ormstown Exhibition. This year's dates for that Exhibition will be June 10, 11, 12 and 13, with the closing date for livestock entries being May 20.

Another Record Set At Show Mart Sale

As Auctioner of the sale of steers at this year's Show Mart's Salon of Agriculture, H. P. ("Jake") Higgins of Huntingdon has not only created a Show Mart record, but in an overall way, apparently an All Canadian record. Incidentally Jake Higgins has auctioned The Show Mart steer sale ever since the inception of same.

This year's Salon of Agriculture was held at The Show Mart, in Montreal, February 8 to 14, and the Steer Cattle Section of same was comprized of entries by young settlers in the developing regions of Quebec — Abitibi, Temiscamingue, Lake St. Jean and the lower St. Lawrence.

The entries totalled 47 steers and they sold by auction on February 12 for a total of $33,058.12, or at an average of 77 cents per lb., reported to be the highest average price ever paid in Canada.

The Grand Champion steer, a Hereford entered by Julien Pouliot, Abitibi-West, and weighing 1,030 lbs., went at $8.00 per lb. or at a total of $8,240.00 to Dominion Stores.

The Reserve Grand Champion steer, a Shorthorn entered by Clermont Allaire, Bégin, Jonquière-Kenogami County, weighing 896 lbs., was also purchased by Dominion Stores, at $4.00 per lb., or a total of $3,588.00.

The Champion Aberdeen-Angus steer, entered by Roland Mignault, Mont-Brun, Rouyn-Noranda, and weighing 703 lbs. was purchased by Steinberg at $3.35 per lb., or a total of $2,355.00.

Auctioneer Jake Higgins also sold the 16 Market Lambs which comprised that section of the Show, four of them from Ste. Genevieve, with the balance from Eastern Townships flocks. The average weight of the 16 lambs was approximately 86 lbs., with the average price paid being at the rate of $1.03 per lb. or $88.63 per lamb, to a total of $1,418.03.

The Grand Champion lamb, consigned by Jim Snaden Danville, Que., weighing 84 lbs., was sold at $5.00 per lb., or a total of $420 to The T. Eaton Company. The Reserve Champion, consigned by Garret Chapman, Lennoxville, Que., weighing 90 lb., was sold at $2.10 per lb., or a total of $189.00 to Letevsky Bros.

Attended Graham School

It is interesting to note by a press release by The Graham School for Cattlemen that John A. Smith, Manager of Melbourne Farm for W. O. Carcand, St. Chrysostome, Que., recently attended a session of that School. The sylabus of that session being intensive training in Artificial Insemination of Cattle and Herd Management.

The Graham School, founded in 1909 by Frank B. Graham, has attained considerable recognition as a School for training of Herdsmen and Breeders by visual demonstrations and actual 'on the farm' methods of instruction. Classes are held the second full week of each month. All students are given individual help and instructions and are provided opportunities to work with live animals and warm carcasses under the supervision of instructors who have had many years experience and training with cattle.

The Graham School's permanent headquarters in Garnett, Kansas, is fully equipped to make full use of both scientific and practical demonstrations, while students are also transported by bus to the Graham Farm and Ranch for the actual working experience with live cattle.

We are not aware whether The Graham School still holds Clinics and Courses in other parts of the U.S.A. and Canada. As we recall it some two decades ago, that School conducted periodical classes, etc., in Montreal, all of which were attended by a considerable number of well known breeders of various breeds of cattle of those days.

Melbourne Acres

Melbourne Acres Farm of St. Chrysostome, already referred to, is the home of a herd of some 75 to 80 head of Ayrshires which constitute one of the best herds of that breed in Quebec. Mr. Carcaud also maintains a small but select herd of some 12 Dexter cattle, an old country breed that never gained a foothold in either Canada or the United States. As we recall it, however, away back in the 1920's there was a considerable outstanding Dexter herd in the Eastern U.S. We are not aware whether Mr. Carcaud is actuated by sentimental or experimental reasons, however, while the Dexter is not in the heavy production class like the other dominent breeds, it is quite an economical producer.

We understand that at Melbourne Acres there is also a fully equipped up-to-date Dairy, which is, of course, understandable because, by profession and avocation he is a Chemist and Scientist, that is of course in a commercial way, being connected with a large well-known firm of Drug, etc., Manufactures. In that latter respect we understand that he is carrying out interesting experiments in connection with the curing, etc. of Silage crops, about which, however, we understand he is saying very little until he has obtained definite results, one way or another.

Fire Protection

ATHELSTAN — The fire which destroyed the garage and work shop of Mr. David Watson recently very forcefully drove home the fact that we do need the kind of protection a Volunteer Fire Brigade would give us. It was apparent at the time this fire was discovered that nothing could be done to save the building. It was therefore fortunate that there was little wind, otherwise their house would have been in danger.

We look forward to the day when fire protection will be available to us, and in the meantime we trust that day is not too far distant.

Trophy winners at the recent Royal Winter Fair in Toronto hung up a splendid carcass at the Canadian Swine Breeders' meeting held in Toronto recently. These winners were exhibited by Hooker Bros. of Ormstown. Experts declared that the cross sections of bacon exhibited were the best they had ever seen. Their weight was right and the side had the correct percentage of fat and lean. In other words the winning pig was almost perfection.

Provincial Capital Report

QUEBEC (CP) — A bill to bring Quebec women into the 20th century where law is concerned whistled through the Legislative Assembly last week on some of the gustiest oratory heard in a long time.

Nine male members arose one night to give, at length, their assurance that they were behind what Mrs. Claire Kirkland-Casgrain, Minister Without Portfolio and sponsor of the bill, called "an immense step forward" where the rights of women are concerned.

While it was made clear that the bill is a first step — one that deals mainly with women covered by a marriage contract — Mrs. Kirkland-Casgrain, member for Montreal Jacques-Cartier, said that it establishes that "married women must be treated as the equal of man before the law."

She recalled that the Civil Code was based on France's Napoleonic Code, and when the French were working on it in 1804, Napoleon remarked that "nature has made slaves of our wives."

"The Minister has nothing to fear," said Jean-Jacques Bertrand, Union Nationale member for Missisquoi, "there are no Napoleons in this house."

Mrs. Kirkland-Casgrain explained that the proposed new law means that married women with a contract — a Quebec legal measure that provides for separation of property between man and wife — will have the right "to carry out any civil action and to dispose of all their property, without hindrance."

Lawyer Andre Nadeau currently is working on a report that will bring about broader changes applying to marriage laws.

The bill raised criticism from some labor and social groups because they said it is difficult to interpret and does not go far enough.

Mr. Bertrand suggested that it go before the Public Bills Committee before adoption, to allow criticism to be fully voiced.

Premier Jean Lesage objected that critics obviously hadn't read the bill — thus it shouldn't be delayed because of them.

Mrs. Kirkland-Casgrain said she had received hundreds of letters supporting it.

Pierre Laporte, Municipal Affairs Minister, asked whether a committee meeting ought to be called merely to consider "these minor secondary objections."

And so the first woman member of the Quebec Legislature had her pet project sent to the Legislative Council for final approval.

"No mere man would dare oppose it," grinned Opposition Leader Daniel Johnson, signifying that despite objections the bill will probably become law shortly.

Both he and Youth Minister Paul Gerin-Lajoie agreed that it adapts the law to "social reality" — in other words, most wives have been the equal of their husbands for some time, law or not.

Obituary

The late W. L. Carr

This district mourns the death of one of its most brilliant sons, the late William L. Carr, who passed away suddenly on the morning of Friday, February 14 a week or so after he had been released from Hospital, following some ten weeks hospitalization for a heart condition.

As most people are aware, Bill Carr, by which name he was popularly known to a great many people at home and in other parts of Canada, was a son of the late Joseph ("Joe") and Mrs. Carr; was born at the former Brackenglade Farm, on Carr's Sideroad, Township of Godmanchester. He received his elementary and secondary education at Clydes Corner School and Huntingdon Academy, after which he entered McGill University and eventually graduated therefrom with the B.A. (Bachelor of Arts) and B.C.L. (Bachelor of Civil Law) degrees. We are not sure whether it was during the course of his University courses or after, but A. A. Antoine has informed us that he was one of Bill Carr's pupils for a term at Huntingdon Academy of which Bill Carr was a staff member during a school term.

Anyway, following his McGill graduation he entered Osgoode Hall in Toronto to study law, from which he eventually graduated and was "Called to the Bar of Ontario". However after a term with a Toronto Law firm, he returned to Brackenglade Farm, to subsequently build up, what was in its day one of Quebec's best Holstein herds; likewise to commence a long era of service to the Dairy and Agricultural Industry in General. His first task in the latter respect was the organization of the Huntingdon District Milk Shippers Association and the Montreal Milk Producers Association of which latter he was a longtime Director and President for several years.

In a Holstein way, he served for a considerable number of years as a director from Quebec on the Board of The Holstein-Friesan Association of Canada, was one of the Vice-Presidents for several years and finally President of the Association.

As we recall it, he was one of those who helped formulate the Holstein-Friesan Type Classification plan, and also acted as a Type Classification Inspector for several years. His retiral as a director came following his term of service as President; a practise with that Association whereby a Past President retires entirely from the directorate.

As an Official Holstein-Fresian delegate he was one of the group which evolved The Dairy Farmers of Canada. While his services to the Holstein-Fricsian Association were mostly in a National way, he nevertheless took a considerable part in the affairs of the District Holstein Club, particularly so until the dispersal of his own herd. After the dispersal of the Brackenglade Holstein herd he moved to Huntingdon, where he built up a large Accountancy business — including several Municipalities, the Barrie Memorial and Huntingdon County Hospitals, Ormstown Exhibition, etc.

Because of his widespread activities and acquaintances he was widely known and liked by many people across Canada and the United States. We therefore feel that all such will doubtless join us in extending our sincere condolances to his widow, Mrs. Grace Carr; his son, Joseph W. ("Joe") Carr of Deep River, Ont.; his daughters, Elizabeth (Mrs. Charles Jones, Bedford, Que.); Allison (Mrs. Howard Kelly, Pointe Claire, Que.); Florence (Mrs. Herbert Pickering, Montreal, Que.). — F. News from Howick

(Held over from Februray 12 issue)

Senior Girls Conference

HOWICK — On January 31, February 1, 2 the annual Senior Girls Conference was held at the Wesley United Church in N.D.G. Friday night's programme consisted of square dancing, sing-song, games and a period of chatting with old camp friends as well as meeting new friends and leaders. On Saturday, Sandra McFarlane, Carrol MacFarlane, and Gloria Goundrey attended a very enjoyable day at the conference.

There were many discussion groups, films, etc. The special attraction was the banquet and the evening service.

On Sunday, a closing Church Service was held from 11 o'clock until 12 noon. Barbara Logan, Pamela Miller, Cathy Gruer, Lynne Brown and Jill Mattinson, attended the Sunday Service with their Leaders, Mrs. Mattinson and Mrs. Logan.

At the closing of the Conference all the girls joined in singing the C.G.I.T. hymn.

Red Cross Meeting

A Red Cross meeting was held on Monday, February 3, in the Club Room of the Howick Curling Rink, with 19 ladies in attendance.

Two quilts were tacked and one quilted. Mrs. Martha Logan also handed out yarn for knitting and other sewing to be done.

Howick News Notes

Mrs. John Touchette and Mrs. Mabel Glasgow were elected to attend the 54th Annual Meeting in Montreal in March. The next meeting will be held on March 2nd.

Visitors

Mr. and Mrs. Calvin McCartney, Sharon and Scott of Chateauguay Centre were visitors at the home of Mr. and Mrs. Arthur Buchanan on Sunday, February 9th.

The Rich Bonspiel

Mrs. Rich was not able to be present at the Rich Bonspiel which was played on Saturday the 8th but we can assure her it was enjoyed by everyone who was there. Ten rinks enterd the competition, five from Riverfield, and five from Howick with play beginning at 10 A.M. and finishing at 9 P.M. The trophy was won by a Howick rink with lead Millie Birchmore, Mabel Glasgow, Frances Reddick, Una Gruer (skip). The runner-up rink was Gail Allen, Jean Hardy, Laura Orr and Martha Allen (skip). The club rooms were gay with hearts which reminded us that Mrs. Rich's birthday, the Rich Bonspiel and St. Valentine's Day will all be celebrated within the week. We extend birthday greetings to the donor of the trophy. Several old friends were missing from the plate —glass skips, but Mrs. Roy Younie is feeling well again and visited the club during the afternoon. Two active skips were Mrs. John Gruer and Mrs. Willie Allen, looking just as young as last year, and the year before, and playing with the same ardour and skill. Teachers, office girls, nurses, nurses-in-training and others free to enjoy a Saturday game, played in this Bonspiel. A hot buffet meal was provided, which included casseroles, tossed salad, home-made rolls and a delicious moulded fruit dessert. Half the fun of a bonspiel is the curling, the other half, sitting around the dinning table visiting with old friends, so we say a hearty thank you to the Match Committee and the Social Committee. Following the final game the trophy was presented to the Howick Rink by Pres. Agnes Brown. Skip, Una Gruer spoke on behalf of her rink. The individual prizes were copper broaches, attractive and different. The runners-up received Hostess Sets. Mrs. Allen expressed the thanks of the Riverfield Club. The presentations were made by Agnes Brown who was happy that so many friends were able to come out for the day. She congratulated the winners on their success. A social hour was enjoyed and refreshments served.

Victors Welcomed Home

Saturday night, February 8, Howick Curling Club was the scene of great excitement, as a crowd gathered to welcome home the new champions of the British Consols Competition held at Quebec Cty. Lead Bill Ness, 2nd Oakley McRae, vice-skip John Logan and skip Elmer Black spent a gruelling week and emerged the winners after 8 successive wins, 1 loss to Tracy (Arvida) and one final game against Janis (Outremont) to decide a 2-way tie. This was the most thrilling game of the series. Everybody was hitting and the score was held at 2 - 1 for Outremont during four blanked ends, then Howick forged ahead, a final score of 7 - 4 being counted. This was their second win against Outremont. R. B. Ness who had spent the week at Three Rivers with the rink from Howick High School arrived at Quebec in time to see that final game. Bruce spent some time pacing outside the Curling Rink. It reminded him too much of 1949, the year he skipped a rink into a 3 rink play-off in the same competition (St. George, Matane — Howick) which they lost. The rink was R .B. Ness, A. M. Ness, J. E. Ness, W. K. McRae. Two son of the 1949 team were in the 1964 line-up; Bill Ness son of R. B. Ness, and Oakley McRae, son of W. K. McRae.

The Champions were given a rousing welcome by the home club. A reception line was formed to congratulate them individually, then they were called on for speeches. Each one spoke of the wonderful thrill it had been to play hard and to finally win the trophy, which gives them their dream opportunity of entering the Brier Competition, to decide the Canadian Championship. These games will be played at Charlottown during the first week of March.

Curlers and non-curlers join in congratulating these young men who represented the Howick Curling Club so successfully, gaining recognition for the whole community as well as for the club and themselves.

High School Curlers

As already mentioned R.B. Ness, spent last week at Three Rivers as coach of the High School Curlers. Bruce has spent a lot of time during the years helping the school boys and must feel happy that ex-school curlers were finally successful in becoming Provincial Champions in the Senior Curling at Quebec City.

Father and Son Banquet.

The Cub and Scout Committee has made final plans to hold a father and son banquet at the High School on February 21. District Commander Mr. C. Crepeault from Chateauguay will be present. Three more Cubs have won their first star — Andy Stonehouse, Wilson Arbuthnot, and Robert Tolhurst.

Explorer Group.

Miss Isabell Frith will be in charge of an Explorer group at the United Church on Sat. morning at 10:00 to 11:30 for girls from grades 4, 5 and 6.

Visitors

Miss Betsy Bourne, Toronto, Mrs. J. Murray's niece, spent the week-end at the Murray home.

We were interested in watching a geography lesson on Channel 6, Monday morning, with Mr. Jack Taylor, a relative of Mrs. Murray, as one of the teachers.

Mrs. R.J. Roy has returned home from the Barrie Memorial Hospital and is enjoying the company of her daughter Mrs. K. Nish, Baie Comeau, who has spent the past week at the Roy home.

Mr. and Mrs. Archie Roy and Mr. Mitchell Ness visited the school Bonspiel at Three Rivers on Friday and Saturday. Bobby Nish was playing on the Baie Comeau Rink and Alan Ness on the Howick Rink.

Mr. and Mrs. Paul Perreault, Linda and Mark attended the reception for Mr. and Mrs. Gordon Bustard on Friday evening and spent the week end with Mr. and Mrs. Ralph Reddick.

Mr. and Mrs. Clifford Reddick, Donnie, Kennie and Karen, Pte. Claire, attended the reception also, and were overnight guests of Mr. and Mrs. Willie Anderson.

Mr. and Mrs. Les. Carson and family Ingleside, Ont., spent Monday at the home of Mr. and Mrs. J. R. Youngie.

The Grist Mill

by

DOROTHY DAVIDSON

By the time The Gleaner arrives at your home, this week, two rinks of lady curlers will have eliminated the field and will be battling against one another at the Ormstown Curling Club in the final round for one of the oldest, most coveted curling trophies for women there is — the Moore Cup.

"This trophy was donated in 1935 by Dr. J. C. Moore, M.P. as a perpetual trophy to be played for annually at a Bonspiel, held under the auspices of the Chateauguay Valley Ladies Curling Association and governed by such rules and regulations as the Association deems suitable. This trophy will never become the permanent possession of any Club except by the expressed wish of the donor."

The above is taken from the first of many pages in the C.V.L.C.A. books, recording the Clubs, the players, the winners and the losers who have participated in the "Moore" down through the years. With the exception of three years during the war when play was suspended, twenty-nine years is a long time to compete for the honour of having your name engraved on one or more of the twenty-six shields that now encircle the base of the trophy.

We are grateful for the permission granted us to read through the annals of the Association. The record of each Bonspiel tells what rinks played against each other; how big were the losses; how close were the wins — some of them were real cliff-hangers! — and each of the hundreds of motions, moved, seconded and carried, tells a story which we have tried to piece together with the hope it may be of interest to our readers.

Some curlers, green and not yet dry behind the ears compared to the standards set by the veteran "greats", may think the "Moore" was the first competition between the Clubs in the Valley. Nothing could be further from the truth. The Moore Bonspiel was the offspring of an older competition which had been in existence for fourteen years.

On October 20th 1920, twelve ladies met at the home of Miss Etta Stewart in Howick "to arrange friendly games during the coming winter. After considerable discussion it was decided to hold a Bonspiel." Before going any further, we think it right to record the names of those women to whom future generations of curlers are and will be indebted. They were: Mrs. W. J. Walsh, Mrs. B. Hastings, Mrs. G. Hunter, Mrs. C. W. Thomas and Miss Hall of Huntingdon; Miss L. Walsh of Ormstown; Mrs. Robb and Miss Bruce of Aubrey; Mrs. Logan and the Misses Gebbie, Stewart and Davis of Howick.

At the first meeting it was decided to purchase a cup, not exceeding $20.00, and that the four Valley Clubs, Huntingdon, Howick, Ormstown and Aubrey, would donate $5.00 to cover expenses. At a subsequent meeting and after a lengthy discussion, it was agreed to form an organization to be called the Chateauguay Valley Ladies Curling Association. Rules were drawn up, fees were fixed, prizes were decided, and all you present-day curlers who have expressed a wish for an 8-end game, please note that your hardier sisters of yesteryear unanimously voted for 12-end games and 14-ends for the finals!

At the time, it was to have been a five-year competition; but at 9.30 a.m., February 1st 1921, on Howick ice, the first iron was delivered in what has proved to be an annual Bonspiel, forty-three years old this season. The four Clubs were invited to enter two rinks apiece, and the first-year winner was a Huntingdon rink comprised of Mrs. Hastings, Mrs. Philps, Miss Neil and Miss Pringle.

At the conclusion of five, successful years, it was decided to extend the Bonspiel another four years, and a Mr. Sullivan donated a new trophy. In 1929, a further extension of five years was voted presented the Association with another cup. It was not until and the Honorable J. Robb presented the Association with another cup. It was not until the original Bonspiel, conceived in Miss Stewart's home at Howick, was fourteen years and three trophies old that the "Moore" was born.

As written in the records, the idea of the Bonspiel is to create more interest for new curlers. The Clubs are urged to enter as many rinks as possible with the result that there have been years when as many as twenty-six rinks have participated.

There are a wealth of stories and memories about the old days before every family had a car and open highways made transportation comparatively easy. The train carried the curlers between Huntingdon, Ormstown and Howick; and when it was Aubrey's turn to run the 'spiel, sleighs with teams of horses waited at Howick Station to transport the curlers ,snuggled warm under buffalo rugs, to Aubrey. Those were the days when the ladies toted their own irons about the countryside, and it was the custom to billet the visiting rinks in nearby homes where the hostesses had strict instructions to put their guests to bed for a much-needed rest between games. (Remember, they were twelve ends long.) In the days of natural ice, there was always an eye to the weather, for if a thaw set in the Bonspiel had to be postponed.

The "Moore" has changed with the times. Rules have been altered and fees raised to meet the current requirements. Games have been whittled down to 10-ends, and in 1954, granites were introduced for the first time. The old iron game of draw, nudge and guard gave way to the take-out, wick and roll and other spectacular features of the resilient granite. New Clubs joined the Association: Riverfield, Valleyfield, Beauharnois (now Beau Chateau) and Lacolle. Today, with the amalgamation of Aubrey and Riverfield, there are seven Clubs. Some comparisons are noteworthy. In 1921, eight rinks competed. Receipts and expenses totalled $28.00 and $27.30, respectively. Prizes not to exceed a dollar each, were awarded to only one rink, the winner. In 1963, twenty-four rinks competed. The receipts amounted to $266.20 and the expenses totalled $260.84. now prizes are awarded to the finalists in the Main and Consolation events with the hostess club assuming the expenses for one set of prizes. The amount was over a hundred dollars. Yes, times have changed. But one thing remains the same: the help and interest which the men have given through the years. Without their support, the Bonspiel would never get off the ground — or should we say on the ice?

No Bonspiel has given so much interest and pleasure to so many ladies in the Valley. The competition is keen and the curling first-rate. For the hostess Club, it is a busy time. Endless meals to prepare and dishes to be washed, but never so endless that there isn't a second to spare a quick look through the plate glass to see how the games are faring. It is a busy, tiring time, but every moment is worth it. It is a time when the visiting women are released from the humdrum chores of housework, when they can relax among friends for a day or so and enjoy the games, the hospitality and good fellowship which the Moore Bonspiel fosters.

We salute the twelve ladies who made all this possible, and Dr. Moore for his perpetual trophy. On behalf of all curlers past, present and future we thank you.

Aubrey-Riverfield

AUBREY - RIVERFIELD — The World's Day of Prayer was observed in Riverfield Church Hall on Friday afternoon when twenty-one ladies met at 2 p.m. to unite in the universal service of "Prayer and Giving" which had been prepared by Miss Madeline Barot. The service was led by Mrs. Donald Roy and Mrs. Roy Angell, with several ladies assisting by reading Scripture passages and prayers.

Mrs. Bill Templeton sang the lovely hymn "O Brother Man Fold to Thy Heart, Thy Brother," and was accompanied by Mrs. Wallace Craig. The collection amounting to fifteen dollars will help provide Christian Literature for use in Canada and overseas.

Car Accident

Mr. and Mrs. Jack Hamilton had the misfortune to be involved in a car accident on Saturday afternoon when they were hit by a truck near St. Chrysostome. Both required medical care at the Barrie but Mr. Hamilton returned home after having a few stitches in his head. Mrs. Hamilton, who had gone through the windshield and was cut about the face and legs, remained in hospital for a few days. The car is pretty badly damaged.

Mr. and Mrs. Bill Templeton spent Sunday in St. Johns.

Hosts at Curling Club

Mr. and Mrs. Raymond Carmichael of Town of Mount Royal were hosts on Saturday to a group of friends at the Riverfield Curling Club. About fifty guests arrived by chartered bus in time for lunch.

During the afternoon the curlers kept the ice busy while the others enjoyed playing cards or watching TV. The ladies of the Club served a bountiful emorgasbord supper at 6 p.m. which was much enjoyed by all the visitors.

Public Speaking Contest

All members of the Women's Institute as well as anyone else who may be interested are reminded that the public speaking contest among the pupils of Howick High School is taking place on Friday afternoon at 1 p.m. All are cordially invited to be present to encourage the pupils in this important part of their education.

Centenary of St. Josephs Parish 1863 - 1963

The territory of St. Joseph's of Huntingdon, partly in the Township of Godmanchester, partly in that of Hinchinbrook, belonged at first to Godmanchester, the parish of St. Anicet erected in 1827 by Mgr. Panet, and for Hinchinbrook to the mission of St. Patrick, visited between 1820 and 1830 by Fathers McMahon and Moore. Numerous circumstances soon disrupted the established order, the delay in the construction of St. Anicet Church, the tardy nomination of a pastor, the foundation on the banks of the Chateauguay river in the village of Huntingdon (Bowron) half in Godmanchester, half in Hinchinbrook, the requests of the inhabitants of the Seigniory of Beauharnois for the erection of a chapel at Rapide du Portage (Dewittville) which was constructed in 1828.

Mgr. Bourget visited this chapel-school in 1840. It was blessed on December 28th, the Way of the Cross was erected and two documents were drawn up: one to certify the benediction of the chapel under the patronage of St. Malachy, the second reads as follows: "Considering that there is since some years, in the said place, a chapel .... we have judged it right to erect and by these parents we erect for the aforesaid Catholics a mission which will be under the patronage of St. Malachy .... and will comprise the territory situated in the aforesaid Seigniory of Beauharnois beyond the limits of the Parish of St. Timothy, St. Clement, Ste Martine, and the mission of St. Jean-Chrysostome, which we have erected the twenty-fifth of December with the part of Hinchinbrook and Godmanchester situated on the Northwest and Southwest banks of River Chateauguay and which extends from the Portage to the village of Huntingdon inclusively ..."

The Village of Huntingdon belonged officially to the St Malachy of Portage mission served by travelling Missionaries. The first resident priest was Fr. Kiernan, a young Irish priest ordained in Dublin on June 13th, 1843. He arrived in Canada in December of the same year. Named at first for St. John Chrysostome, he came to Portage in 1846 with the authentic register for St. Partick's and St. Malachy's.

In 1848 he obtained permission to erect a chapel at Huntingdon. However things went badly. There were lawsuits and little understanding with the French Canadians. He asked to be released and left the diocese of Montreal for one in Ontario. Father Doyle replaced him and with the Bishop's permission he came to live in Huntingdon. His parishioners of Portage were of course, discontented. He bought a house and opened a school in the village.

In his new residence he kept the accounts of St. Joseph's mission. The first page of his book is a precious document telling of Mgr. Bourget's first visit to Huntingdon. He wrote "On the twenty-ninth of July, eighteen hundred and fifty-three the Right Rev. Bourget, Bishop of Montreal, accompanied by his Secretary, the Rev. Leblanc visited this parish, said Mass and confirmed one hundred and one children in the church of St. Malachy of Ormstown, preached in the English language visited the cemetery and gave Benediction of the Blessed Sacrament. The same evening inhabitants of Ormstown and Godmanchester whose children were comfirmed at Ormstown that day went in procession to visit the new Church of St. Joseph at the village of Huntingdon where he also preached in English to a great number of people assembled from all quarters to meet his Lordship. He highly commended them for their laudable efforts to forward the House of God. Next morning he set out in procession to visit the church of St. Patrick of Hinchinbrook, where he offered the Holy Sacrifice of the Mass and confirmed eighty, visited the cemetery and preached in both French and English. At 4 p.m. a number of the good people of Hinchinbrook accompanied him to St. John Chrysostome.

It, was on February 24th 1854 that Queen Victoria, by the intermediary of Wm. Rowan, administrator of the Province of Canada conceded to John Flynn. Owen O'Reilly, Peter Flynn and James Narey, the trusteeship of the Catholic Church of Huntingdon, and to their legal successors Lots 117 — of range 8 bordered on the south-east by Wellington St. and 140, or range 9 bordered on the north-east by York Street in the Village of Huntingdon.

Father Doyle in 1856 "sick of body and spirit" as he wrote to Mgr. Bourget, was obliged to abandon his post. It is mentioned that he spent some time in Halifax and entered a religious monastery at Tracadie, Nova Scotia.

PIERRE QUENNEVILLE, B.A.,L.S.C., C.A.,
Valleyfield.

Ste. Agnes

Mrs. James Arnold has been spending considerable time between her parents' home in Cornwall, Ont., and her own home here, due to the serious illness of her father who just recently suffered a paralytic stroke. From latest reports, however, it would appear that his doctor and the hospital staff are pleased that his condition has improved much faster than was expected, although he has still not regained his power of speech.

Suffered Injury

Mr. Clarence Coffin, who is goalie on the Ste. Agnes hockey team suffered a painful head injury on Sunday afternoon in a game at Cazaville. The impairment, caused by a flying puck, necessitated several stitches, and it was noted on Monday that he was wearing a large head bandage. Better go easy, Clarence, hockey's a rough game!

HOWICK High School HIGHLIGHTS

by Carol Carson

The standings remained unchanged after the games last Saturday. In the Bantam Section, the Habitants defeated the Maple Leafs 3 to 1. Scoring for the winners were Bobby Cole, Gordon Chisholm and Mike Murray; Billy Stuckey found the mark for the winless Maple Leafs.

In the Pee Wee Section, two shut-outs were recorded. On goals by Leonard Elvidge, Keith Rorison and Brian Ness; The Giants defeated the Bruins 3 to 0. Peter Stuckey scored three goals as the Rangers defeated the Aces 4 to 0.

The senior boys have played two hockey games this week — one against Chateauguay and the other against Valleyfield. We were pleased to see that they won their game against Valleyfield with a score of 3 to 2, two goals being scored by James Morrison and one by Roy Younie. However, they more than offset this win with a 7 to 1 loss against Chateauguay. The one goal for Howick was scored by John Gillies. Very few of the Howick players put forth much of an effort in this game.

The senior girls played a hockey game against Macdonald College on Saturday morning. Although they lost with a score of 10 to 3, we still feel that there is hope for them, as they had had very little practice, and also, they had played the same team the year before without scoring any goals for Howick. Sharon Tillotson, Sheryle Cullen and Barbara Logan each scored one goal at this game.

" A Carnival, Valentine, Sadie Hawkins" party was held Friday night. The carnival lasted from 7:00 o'clock until 9:00. The Queen of the Carnival was Marian Dawson and Wayne McMullan was the King. Also, there were many races, the winners being as follows:

Ages 5 to 6
1st Wayne McMullan
2nd Elaine Younie
3rd Danny Gruer
Girls 7 and 8
1st Joan Silliman
2nd Lynn McMullan
3rd Shirley Cooke
Boys 7 and 8
1st Warren Reddick
2nd Alvin Cullen
3rd Barry McCartney
Girls 9 and 10
1st Janice McFarlane
2nd Debbie Brown
3rd Agnes McKell
Boys 9 and 10
1st Myron Nussey
2nd Roger Holmes
3rd Scott Gebbie
Girls 11 and 12
1st Linda Scoble
2nd Cathy McFarlane
3rd Marian Gebbie
Boys 11 and 12
1st Billy Stuckey
2nd Peter Stuckey
3rd Gerald Brown
Girls 13 and 14
1st Shirley Whyte
2nd Cathy McFarlane
3rd Lynn McArthur
Boys 13 and 14
1st Harry Younie
2nd Gordon Chisholm
3rd Kelly Brown
Girls 15 and over
1st Pam Miller
2nd Carolyn Templeton
Boys 15 and over
1st Dick Scoble
2nd Andy Ness

Also there was a broomball game played between the teachers and the students Council. The teachers won with a score of 1 to 0. Mr. Boyle scored the only goal, assisted by Mr. Murray.

At the party which began at 9:00, Dianne McArthur was crowned Queen of the High School by Milton Reddick. She had been competing with three other High School girls — Sandra McFarlane, Lynna Brown, and Ann Reddick. Each girl had a tin can which was supposed to be filled with pennies. The person obtaining the largest number of pennies was to be the Queen. Dianne was presented with a lovely heart-shaped cake donated by Mrs. Bruce Miller, and a box of Chocolates. All in all, it was a very eventful night.

LA SEMAINE DES SCOUTS

Cette semaine les scouts a travers le Canada celebre leur semaine par des manifestations speciales. Encouragez-les dans leurs activites.

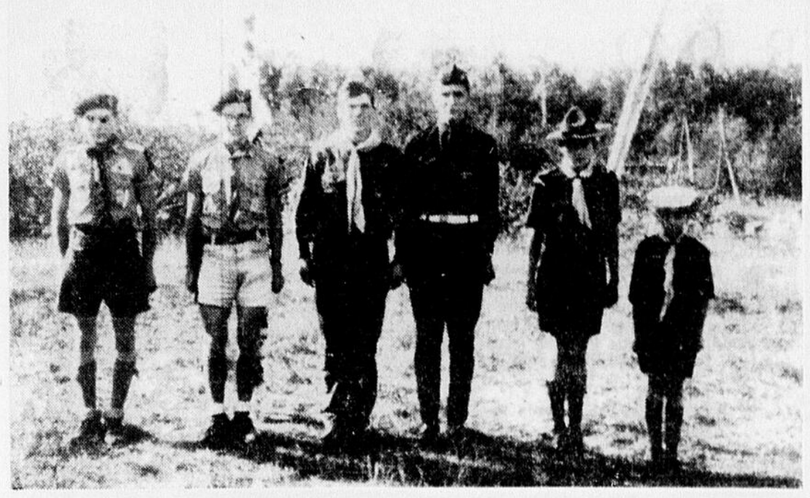

Scouts de la Fédération Catholique au Camp de Powerscourt

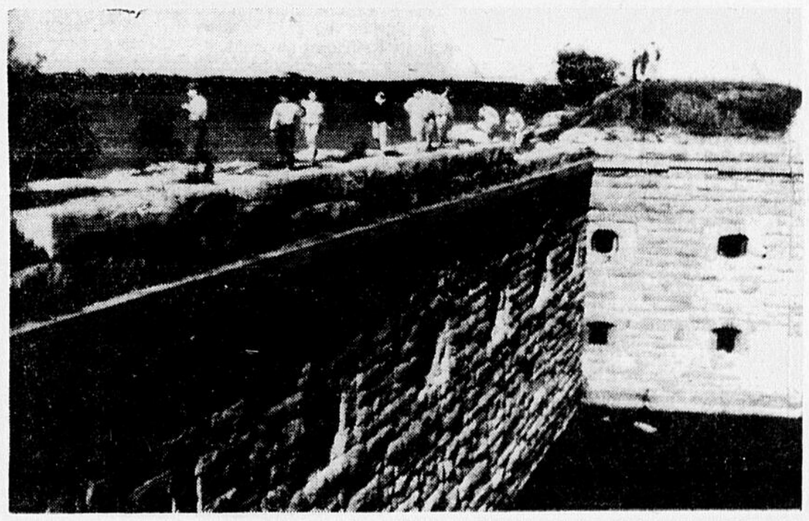

MESSAGE DE L'HONORABLE PAUL GERIN-LAJOIE

Les scouts de différentes croyances religieuses et de différentes langues ont le méme devoir de travailler ensemble en harmonie. Les scouts du Québec donnent présentement tous les signes de compréhension et coopération mutuelles plus poussées. Ces excellents rapports mutuels existent à cause de leur respect mutuel et de leur désir sincère de mettre en pratique le quatrième principe du scoutisme, qui dit: Un scout est un ami pour tous et un frère pour tous les autres scouts. C'est là notre désir, que l'exemple si bien donné par les scouts de cette province puisse inspirer les Canadiens à travers tout le pays.

LA FRATERNITE DES SCOUTS

Centenaire de la Paroisse St-Joseph de Huntingdon 1863 — — 1963

Louis-Guillaume Gagnier est né à Chateauguay (Québec) le 22 mars 1830, fils de François, instituteur, et de Cécile Guérin. Ses parents vinrent habiter Sainte-Martine, où il vécut son enfance. Après ses études supérieures à Ste-Th-érèse, St-Hyacinthe, Montréal, il fut élevé à la prêtrise par Mgr Larocque, le 22 décembre 1855. Vicaire à St-Jean (Iberville) 1855-56, il vint de là, en septembre 1856, remplacer M. Doyle démissionnaire, à St-Joseph de Huntingdon.

Il est difficile même d'imaginer les activités de ce prêtre dans ce coin du pays. Pour en avoir une vue claire, il vaut mieux lui permettre de dire lui-même ce qu'il faisait et ce qu'il a accompli. Voici une lettre qu'il écrivait, le 28 octobre 1864, à un membre de la Propagation de la Foi, à Montréal.

Huntingdon, Oct. 28, 1864.

Mon cher Monsieur,

En réponse au pieux désir exprimé dans votre lettre du trois courant, j'ai le plaisir de vous adresser, aujourd'hui, quelques renseignements qui sont propres, il me semble, à donner une idée des progrès religieux et matériels des missions dans cette partie-ci du diocèse, et aussi à faire connaitre aux membres de la Propagation de la Foi, l'emploi qui est fait de leurs deniers. Je me bornerai donc, ici, à vous donner des statistiques et des chiffres comparatifs tendant à faire toucher du doigt les heureux changements, je dirai plus, la transformation complète opérée dans mes missions.

Et je dois dire dès le commencement, ces beaux résultats sont attribués à l'oeuvre de la Propagation de la Foi; si les secours qui nous ont été accordés par l'Oeuvre ne paraissent pas en proportion avec tout ce qui s'est fait ici et qu'il semble que de si faibles moyens n'aient pu produire autant nous dirons que ce sont elles qui nous ont permis de commencer nos entreprises, de jeter les bases de nos établissements: sans elles nous n'aurions pu commencer, à elles donc la gloire et le mérite des résultats.

Ce fut en 1856, au mois de septembre que Mgr de Montréal me chargea de la desserte de Huntingdon. C'était me donner un diocèse à gouverner, car dans la desserte de Huntingdon, étaient compris les missions d'Ormstown de Howick, Hinchinbrook Huntingdon et la Rivière à la Truite formant en étendue environ 50 lieues de circuit. En 1853, mon évêque voulut encore ajouter à ce territoire confié à mes soins, la mission de Dundee; ce qui portait à 64 lieues, ou si vous aimez mieux, à 192 milles l'étendue des missions où j'avais à exercer le ministère. Il y a en Europe des diocèses bien moins étendus.

Toutes ces missions avaient été desservies jusqu'alors par des missionnaires non résidants qui les visitaient de temps à autre; à Ormstown pourtant, il y eut un prêtre résidant depuis 1847 jusqu'en 1852, époque à laquelle la résidence du missionnaire fut transférée à Huntingdon.

En 1856, il n'y avait que trois chapelles en bois, dont une à Ormstown bâtie en 1828, mesurant 49 pieds sur 26; une à Hinchinbrook, bâtie en 1831, ayant 36 pieds sur 30, et une construite en 1850, de 28 pieds sur 38. Celles d'Ormstown et de Hinchinbrook tombaient en ruines. Partout ailleurs, il me fallait dire la messe, prêcher faire le catéchisme, confesser etc., dans des maisons privées qui souvent n'avaient qu'une chambre fabriquée ad hoc avec des draps de lit suspendus aux soliveaux. Aujourd'hui, il y a le centre des missions d'Howick et de Ormstown qui forment une paroisse érigée en 1857 sous le titulaire de saint Malachie, avec une église en briques, de 90 pieds sur 45 et très bien finie, qui a coûté avec le terrain sur lequel elle est bâtie, la somme de $4,600.00. Il y a aussi un presbytère avec dépendances qui ont coûté $1,500.00 et un curé résidant depuis 1861. En 1856, cette paroisse comptait environ 100 familles catholiques; aujourd'hui elle en compte environ 150, dont 105 sont propriétaires. En 1857, sur l'ordre de Sa Grandeur, j'ai acheté à Hinchinbrook un terrain et une maison pour servir de presbytère qui ont coûté $608.00; et au commencement de 1858 il y avait un prêtre résidant. Il y a aujourd'hui une petite église en briques qui n'est pas encore terminée à l'intérieur. Il y avait alors dans cette mission 45 familles catholiques; elle en compte aujourd'hui 65.

En 1862, on a bâti à Dundee une chapelle en bois de 50 pieds sur 40; on est en voie de la terminer et d'y construire un presbytère dans le cours de l'été prochain. Il y a tout lieu d'espérer qu'en septembre 1865, il y aura là aussi un curé résidant. Cette mission a été érigée en paroisse en 1863 sous le patronnage de Ste-Agnès. En 1858, on y comptait 30 propriétaires, aujourd'hui, ils sont au nombre de 76; Il y a en tout au-delà de cent familles catholiques. C'est sans contredit la partie de mes missions qui s'agrandit avec le plus de rapidité.

A la Rivière à la Truite, on a commencé à y préparer les matériaux pour y construire une église au printemps prochain. C'est la dernière mission qu'il nous reste à établir sur la frontière. Quand ceci sera fait, alors toute la partie sud du diocèse sera en pleine voie de prospérité.

En 1856, la mission de Huntingdon était endettée de $652.00, l'église n'était point terminée non plus que le presbytère; il n'y avait aucune dépendance curiale. On a réussi à payer les dettes et à finir les travaux commencés. Cette mission y compris la Rivière à la Truite, comptait alors 130 familles catholiques; elles sont aujourd'hui 235, dont 95 journaliers. Quoique la plus considérable en étendue et en population, elle est cependant la plus pauvre de ces missions. Les cultivateurs pour la plupart, sont à une grande distance de l'église; les plus rapprochés sont à 3, 4 et 8 milles; ce qui offre de très grands inconvénients, quoique l'église soit réellement au centre, jusqu'à ce que la population protestante nous cède la place, ce qu'ils font peu à peu; car depuis 1856, dix-sept terres établies sont passées entre les mains de catholiques. Si les Canadiens avoisinant Montréal pouvaient se décider à venir s'établir ici, ils trouveraient toujours de beaux établissements et à des prix très réduits; il y en a continuellement à vendre.

Cette mission a été érigée en paroisse en 1863, sous le patronnage de St-Joseph qui s'est fait clairement le protecteur de ces missions. Il y un presbytère et un couvent.

Huntingdon est le chef-lieu du comté; c'est un village prospère et susceptible de le devenir davantage; ses pouvoirs d'eau sont très avantageux; il y a en ce moment un nombre considérable de propriétés offertes en vente.

S'il arrivait quelque capitaliste pour y établir des manufactures et y faire le commerce des produits agricoles, tout changerait de face en peu de temps. Le sol est très fertile.

Voilà pour le matériel.

Liturgy — In the last war, fliers shot down in enemy territory and escaping unharmed, had to endure enormous risks and hardships as they made their orduous way through hostile country towards safety. Here and there, friendly hands were stretched forth to help and protect them along their way. You who have been baptized are like fliers in enemy territory. Your true domain is in the heights of spiritual life but orginal sin has brought you down in enemy territory, in hostile country filled with risks of temptations and the hardships of heavy tribulations. And yet you must move on towards your goal, towards safety, towards God.

Avez-vous une question sur l'Assurance-Chômage ou le placement?

Nous publions ici des questions sur l'assurance-chômage et le placement, ainsi que les réponses données par la Commission d'assurance-chômage.

Si quelque point vous semble obscur, n'hésitez pas à nous adresser votre question. Nous vous en communiquerons la réponse sous la présente rubrique.

Voici quelques questions et réponses qui vous intéresseront sans doute:

Q. — Un de mes employés a quitté mon établissement sans me donner de préavis et sans me dire où il allait. Que dois-je faire avec son livret d'assurance-chômage?

R. — Faites-le parvenir à votre bureau national de placement le plus rapproché et demandez un récépissé.

Q. — J'ai été temporairement mis à pied de mon emploi, cependant je n'ai pas formulé immédiatement de demande de prestations, étant donné que je m'attendais d'être rappelé au travail pour le compte de mon premier employeur, et que, selon moi, je n'avais été mis à pied que pour quelques jours. Mais, lorsque je me suis rendu compte que la mise à pied se prolongeait durant plusieurs semaines, j'ai formulé une demande de prestations et j'ai demandé de faire antidater ma réclamation au jour qui a suivi celui de la mise à pied. On n'a pas fait droit à ma demande d'antidate. Pouvez-vous m'en donner la raison?

R. — Un réclamant qui désire faire antidater sa réclamation un jour antérieur à la semaine durant laquelle il a déposé sa réclamation doit prouver qu'il avait une juste cause de retard et établir également qu'il peut remplir toutes les conditions d'admission aux prestations à cette date antérieure. Les raisons de votre retard à remplir votre réclamation ne satisfaisaient pas à ces conditions.

Q. — Si on me convoque à titre de membre du jury de la cour alors que je suis en chômage et que je touche les prestations, suis-je encore admissible à ces dernières pendant que j'exerce les fonctions de juré?

R. — Vous n'avez pas déclaré la durée de votre stage comme membre du jury. Votre admissibilité continue aux prestations s'établit d'après votre disponibilité pour travailler. La disponibilité d'un réclamant à qui on demande de remplir les fonctions de membre du jury s'établit d'après ses intentions vis-à-vis de l'acceptation d'un emploi, des dispositions qu'il a prises pour être au courant sans délai des occasions d'emploi et de la possibilité qu'il y aurait d'être empêché d'accepter immédiatement un emploi.

Q. — Je suis marié et j'ai cinq enfants. Je touche présentement des prestations d'assurance-chômage. Comment se fait-il qu'un de mes voisins qui n'a qu'un enfant touche un montant de prestations aussi élevé que le mien? Nous travaillons tous les deux au même emploi, nous touchions les mêmes salaires et avons été employés le même nombre de jours avant d'être mis à pied.

R. — Etant donné qu'un taux plus élevé de prestations est payable à un réclamant ayant une ou plusieurs personnes à charge et vu que vous touchiez tous les deux la même rémunération au travail, vous acquittiez tous les deux le même taux de contributions et c'est d'après le taux de contributions et c'est d'après le taux de ces dernières que s'établit le taux des prestations.

Q. — Ma question porte sur le problème d'un homme qui a travaillé récemment pendant une période de six mois environ et qui a volontairement quitté son emploi parce que le contremaître ne cessait de l'injurier et de lui adresser des remarques désobligeantes au sujet de son origine raciale. Est-ce que cette raison de quitter un emploi peut constituer une juste cause en l'occurence aux termes des dispositions de la loi d'assurance-chômage?

R. — Quand un travailleur a l'intention de quitter son emploi en raison d'un grief, il lui faut d'abord prendre les moyens raisonnables pour remédier à ce grief et il doit continuer à travailler jusqu'à ce qu'il ait épuisé tous les moyens raisonnables pour obtenir justice ou jusqu'à ce qu'il ait trouvé un autre emploi. Chaque cause s'établit d'après son mérite et le réclamant doit donner toutes les explications voulues au bureau local de la Commission au moment où il formule sa réclamation, vu que toutes les circonstances doivent entrer en ligne de compte.

Q. — Je suis charpentier mais, étant donné qu'il n'y avait pas de travail disponible dans le cadre de mon métier, j'ai accepté de remplir un emploi en qualité de mécanicien à un taux de rédre que celui que j'aurais touché dans l'exercice de mon emploi régulier. Après avoir essayé tant et plus de réussir dans cet emploi et y avoir travaillé pendant six semaines, je l'ai trouvé non satisfaisant et l'ai quitté de mon gré. J'estime avoir donné à l'emploi que j'occupais un effort raisonnable et avoir eu une juste cause pour dire si j'ai droit aux prestations?

R. — Vous ne donnez pas d'une manière définitive. Le fait que votre emploi n'a pas rémunération beaucoup moinsuffisamment de renseigne été ce que vous le croyiez au moment où vous l'avez accepté n'est pas à lui seul une cause valable de départ. D'autres facteurs comme ceux qui suivent, doivent entrer en ligne de compte:

a) Est-ce que les conditions en vertu desquelles vous avez accepté de travailler ont été observées par l'employeur et est-ce que le taux de la rémunération que vous avez reçue constituait le taux courant dans le district pour ce genre d'emploi?

b) Quelles étaient vos chances d'obtenir un autre emploi à une date antérieure, dans des conditions plus favorables ou dans votre occupation habituelle? Si les fonctionnaires des décisions estiment que vous n'avez pas prouvé avoir un motif valable de quitter volontairement votre emploi, il peut s'ensuivre une exclusion à votre égard pouvant s'étendre jusqu'à six semaines.

Mise au point du Conseil Général de la Fédération Libérale du Québec

Un journal de langue anglaise de Montréal souligne, en première page de son numéro du 15 février, le point de vue exprimé par un collaborateur du journal "La Réforme" sur le texte revisé du bill 60 que l'Assemblée législative vient de voter en 3e lecture.

Il faut mal connaitre la structure démocratique du Parti Libéral du Québec et la liberté de parole et de pensée dont jouissent ses cadres, pour trouver extraordinaire l'expression d'opinion de monsieur Gilbert DeGagné, au point d'en faire une manchette de première page.

Ce n'est un secret pour personne, qu'on retrouve dans les rangs de la Fédération libérale du Québec un très large éventail d'opinions et que ces opinions s'y expriment librement.

L'article publié dans le dernier numéro de "La Réforme", fait écho à une expression d'opinion qui a cours dans certains milieux libéraux et que monsieur DeGagné a cru devoir faire connaître à tous les militants. Ce qui ne signifie pas que cet article reflète l'opinion de la Fédération libérale du Québec. D'autant plus que l'article en question ne se situe pas dans le cadre de la politique éditoriale de "La Réforme".

C'est pourquoi le Conseil général de la Fédération, en raison de l'usage qu'on a fait de cet article, tient à affirmer que le point de vue de Monsieur DeGagné n'est pas nécessairement celui des militants dans leur ensemble et n'engage en rien le Parti libéral du Québec.

6ème Carnaval Annuel de la Police à Châteauguay Centre

Samedi passé, le constable "Pops" Gravelle, l'ami des enfants, réunissait 400 de ses protégés en costume pour participer au Carnaval annuel de la Police. On remarquait plusieurs costumes très beaux et très originaux pendant que les enfants paradaient devant les juges autour de la patinoire McComber. Les juges étaient: M. Georges Kennedy député prov., et Mme Kennedy, le conseiller Gilbert, représentant le maire Richard Sutterlin, ainsi que Mme Gilbert, le conseiller et Mme Jean Chevrefils, M. et Mme Marcel Reid, M. et Mme Blanchette et M. et Mme André Lussier.

Après mûre réflexion, les juges sélectionnèrent 20 participants pour porter leur décision finale. Voici la liste des gagnants: 1. Marie Laberge, 2. Yves Desparois, 3. Dianne Desparois, 4. Louise Dorais, 5. Marie Dorais, 6 André Legault, 7. Gilbert Madore, 8. Josianne Adwsuar, 9 Guy Recette, 16. Cecyle Desparois, 11. Lucie Daowt, 12 André Pariseau, 13. Rickey Jabic, 14. Michel Perras, 15 Rock Poirier, 16. Guy Sylvestre. Cinq cent dollars ont été donnés en prix et tous les enfants qui ont participé ont reçu un cadeau après qu'ils furent rentrés dans l'école Marguerite Bourgeois. La force constabulaire sous la direction du chef René Spénard s'occupa de faciliter les activités et aussi le stationnement à l'extérieur. La fête débuta à 2.00 p.m. pour se continuer jusqu'à 5.00 p.m.

Travaux d'hiver dans la municipalité de Coteau-du-Lac

Les autorités du Bureau National de Placement de Valleyfield nous informent que des travaux d'hiver ont été approuvés par les gouvernements fédéral et provincial, pour la municipalité du Village de Côteau-du-Lac comté de Soulanges, pour la construction de ponceaux et la rénovation d'un kiosque, au coût total de $2,236.00.

La contribution conjointe des gouvernements fédéral et provincial atteindra 90% du coût direct de la main-d'oeuvre, qui est de $800.00, soit $720.00.

Ce projet emploiera environ cinq employés.

Un geste charitable

Lors d'une réunion parents-maitres à l'école Notre-Dame, mardi soir le 11 février 1964, la Congrégation de Notre-Dame fit appel à la générosité de l'assistance afin de venir en aide à la famille Usereau récemment éprouvée.

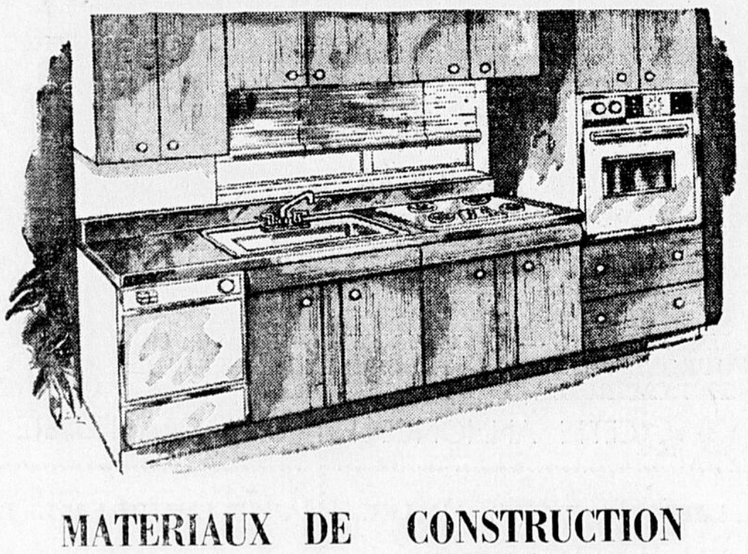

Révde mère Supérieure a mentionné qu'elle serait heureuse d'accepter toutes offrandes à cette fin.

Voilà un geste qui est admirable et que nous devrions largement seconder.

9th Chateauguay Brownies

Presentation By Civitan Club

On February 12th, executive members of the Civitan Club of Chateauguay met at the Rustic Restaurant to make their first donation to the 9th. Chateauguay Brownies Pack. The Brownies were represented by Brown Owl leader, Mrs. R. Spenard and Snow Owl leader, Mrs. P. P. Dubuc.

A cheque for $50.00 was handed to Mrs. Dubuc by Mr. Frank Hoyland president of the Civitan Club.

Guest speaker at the meeting was Mr. Sylvester Roger president of the Chateauguay 4-H Club. He gave a brief discourse on the activities of the 4-H Club.

The Chateauguay Civitan Club was founded six months ago and this is their first donation. An objective of the club is the building of good citizens.

FLOOD EXPEDITION

By Gilles Germain

This may have been the first time that the Town of Chateauguay Council invaded Ottawa. The expedition, known as Operation O.O.O. (Onslaught On Ottawa) was under the command of Mayor Jos. Laberge, who engineered the attempted coup d'état, and the infiltration was made possible with the cooperation of Mr. Gérald Laniel, Beauharnois-Salaberry M.P. The date was Monday, February 3rd, and the task force spent ninety minutes in the bunker of Hon. Deschatelets, Minister of Public Works, who was reinforced by the presence of Mr. Millar, Engineer, and Mr. Grenier, Technical Advisor, both of the Public Works Department.

As customery in defensive manoeuvres, the besieged erected a psychological barrier by telling the Chateauguay contingent that floods are not the responsibility of their department unless they be the result of their own doing. The raiders overcome this primary obstacle by claiming that the Seaway is instrumental in preventing the main current of the St. Lawrence River from keeping a channel open to the mouth of the Chateauguay River. Our forces, however, immediately ran into barbed wire when they were confronted with the fact that floods have been affecting Chateauguay long before the Seaway. Being well prepared, Commander Laberge drew his clippers and cut his way through by adding that since the Seaway, there now forms a solid mass of ice across Lake St. Louis and that dynamiting the river channel is more costly and less effective. At this stage a white flag is waved from the bunker and before long the two forces are inside discussing a truce. The Feds admit that there is a possibility that the Seaway might be the offender, but they will not surrender and insist upon a full study to determine exactly who is responsible and to what extent; also, what measures, such as, dredging, erecting ice booms upriver, building retaining walls, etc., could be undertaken to control flooding. They expressed regret not to be able to undertake any work this year and although they feel that perhaps the cost of dynamiting could be shared between Federal, Provincial and Municipal bodies, they offer to request a grant in our favor and furthermore to put the services of an engineer at our disposal. The latter's report would serve as a preliminary to the study.

These terms seemed favorable and the Chateauguay Voltigeurs were in high spirit as this was definitely a victory. Outside the bunker, a guard stood silently and pensively on watch. A thought ran across his mind and he wondered whether having won a battle we could lose a war. Whatever the outcome he decided to look up proudly at his superiors and expressed heartfelt thanks for their devotion and courage. At last, he soon might see the day when he will be able to discard his water boots.

LEGION NEWS in CHATEAUGUAY

Chateauguay Branch No. 108 of The Royal Canadian Legion Broomball team continue along their unbeaten path, having played two more games and are still undefeated.

On Monday, February 10th., Bob Jennings paced the Legion to an easy win over the Terrace by scoring three goals. A further two goals were added by Rene Reid making the score 5 to 0 in favor of the Legion. Camille Reid played a very strong game and was the playmaker for some of the goals.

On Friday night, February 14th., the Legion played Colonia. After missing a few games Jim Jennings was back in the Legion nets and played an outstanding game. This was a closely contested and hard fought game, with both goalies coming up with brilliant saves. The game ended in a scoreless tie, although in the third period both teams had scoring opportunities.

The final league game of the season will be played Feb. 23, — Gardens versus Legion.

Valentine Supper and Dance

The Ladies Auxiliary of Branch 108 sponsored the Valentine Supper held Saturday February 15th. About 100 sat down to a delicious hot and satisfying meal. The evening concluded with dancing to music provided by The Chateauguay-uns.

SIXTH ANNUAL

Police Carnival Chateauguay Centre

Last Saturday Constable "Pops" Gravelle, the children's friend, rounded up 400 of his charges in fancy dress to participate in the annual Police Carnival. Several splendid and original costumes were noted as the children paraded round and round the McComber Rink in front of the judges.

The judges were: Mr. Geo. Kennedy, M.P. and Mrs. Kennedy; Alderman Gilbert representing Mayor Richard Sutterlin also Mrs. Gilbert; Alderman and Mrs. Jean Chevrefils; Mr. and Mrs. Marcel Reid; Mr. and Mrs. Blanchette, and Mr. and Mrs. Andre Lussier.

After careful consideration by the Judges, twenty of the contestants were drawn up for final consideration, with the following being awarded prizes for their costumes: 1. Marie Laberge; 2. Yves Desparois; 3. Dianne Desparois; 4. Louise Dorais; 5. Marie Dorais; 6. Andre Legault; 7. Gilbert Madore; 8. Josianne Adwsuar; 9. Guy Recette; 10. Cecyle Desparois; 11. Lucie Daowt; 12. Andre Pariseau; 13. Rickey Jabio; 14. Michel Perras; 15. Rock Poirier; 16. Guy Sylvestre.

Five hundred dollars was donated for prizes and all children in costume received a gift after they had retired into the Margaret Bourgeois school.

The police force under Chief Rene Spenard kept proceedings rolling along smoothly and saw to it that parking was effected to eliminate anyone being blocked in.

The festivities commenced at 2 p.m. and continued until 5 p.m.

Certificates Awarded Chateauguay Scout Patrol Leaders

"For their co-operation with an R.C.M.P. constable, under whose direction they meticulously followed instructions which led to the arrest of (four cattle) smugglers." So reads the citation for the Certificates of meritorious conduct awarded to four patrol leaders of Chateauguay ranging in age from 13 to 15. The boys, Ross Grant, Robert McNamara, Ross Murdoch and Bruce Oliver, have already received letters of commendation from the Officer Commanding "C" Division of the R.C.M. Police, Superintendent R. J. Belec, for their good turn last September. The constable referred to, J. A. C. Crepault, is the Scout commissioner for the Chateauguay Valley district.

For specially good services to Scouting locally, two adult leaders are also included in the list: G. W. Wheatley of Pointe Claire, commissioner for the Lakeview (Montreal) district, and J. R. Owen of Beaurepaire, formerly assistant district commissioner for Wolf Cubs in Seneca (Montreal) district, and now a member of the district executive committee.

These awards are among 44 comprising the birthday honours list announced by His Excellency the Governor General in his capacity as Chief Scout for Canada, the occasion being the anniversary of the birth of Lord Baden-Powell of Gilwell (February 22) founder of the Scout Movement. Two such lists are issued annually, the other being due on July 1, Dominion Day.

Permission Sought To Sue Government

A Chateauguay resident has petitioned the Crown for authorization to sue the Quebec Government for $96,000 on the grounds the Provincial Police illegally destroyed a large collection of personal photo negatives and slides seized in a morality raid.

Petitioner Hans Holzloechner, who describes himself in the petition as "photographer and factory worker," declares that the seizure was made on "the pretext" that the items were obscene, but he was never brought to court to defend any relevant charge.

Through his counsel, George A. Rosenberg, he submits that the collection of 3,276 negatives included: shots of his wedding; various other family scenes; and extensive photographic records of trips through France, Switzerland, Austria, and North Africa.

A few weeks after the raid by the QPP at his home last July 10, the petition, recalls, one of the seizing officers returned to the house and handed back to him a few small prints which had been included in the seizure.

When he asked for the 3,276 negatives he was told that on the grounds that they were obscene they had been destroyed on orders from the attorney-general.

His counsel wrote to QPP authorities in October and November and Chief Insp. Gerald Houle ultimately replied to the effect that the items had been destroyed as "pornographic."

Mr. Holzloechner contends that the attorney-general had no statutory or common law right to order the destruction of his private property without due process of law. The giving of the order constituted "a grave breath of public trust and abuse of the position and function of the attorney-general," and was a violation of the Bill of Rights.

The government of the province of Quebec is responsible, the petitioner submits, for the orders and acts given and executed by the attorney-general and or Provincial Policemen acting for the government.

At present, he says, he is a "semi-professional photographer." At one time he operated a photography studio in Toronto. Some of the negatives seized and destroyed had been used to produce printed enlargement at $25 a print.

Included in his damage claims is a $10,000 item as the cost of travelling to Europe and Africa to replace the destroyed negatives; $50,000 for "mental anguish and suffering" resulting from the loss of irreplacable personal and family portraits of great sentimental value; $1,000 for cost of film; and $25,000 for loss of scenes and moments impossible to recapture.

The petition was duly served on the provincial secretary early this year but the necessary authority from the lieutenant-governor to take the action has not been received. Counsel for the petitioner has been advised that the matter is now in the hands of the attorney-general. — The Gazette, Montreal.

Chateauguay High School Red Cross News

BY RICKI STANFORD

Our Bazaar which was held during "Activity Week" at C.H.S. on February 12th. was a great success. A fine turnout was on hand between 3:30 and 10:00 P.M. Everyone was quite pleased with the various booths which were on hand, and of course, the women enjoyed the great bargains! The net gain for the Bazaar was approximately $80.00, which is much more than we expected.

I wish, at this time, to thank all committee members who worked on the organization of the Bazaar and everyone who contributed articles to be sold, for their fine work and efforts to make this big job a success.

Our noon-hour dances are going along fine and, with their increased popularity we will probably continue them for another 12 weeks. It is interesting to note that we ran all of last weeks dances on three (you guessed it) Beatle records. I hope our council will not recieve a bad name for causing such a Beatlemania!

Chateauguay High School Adult Classes To End Feb. 26

Adult classes in French Conversation and in Typing which have been in operation at Chateauguay High School since last October, under the sponsorship of the Popular Education Courses Division of the Department of Youth and with the co-operation and assistance of the Protestant School Board of Chateauguay, are due to terminate on Wednesday, February 26th, 1964.

These classes have been operated in accordance with the "General Rules" for Night Schools as outlined by the Department of Youth which state in part:

1. A class cannot be maintained if the average attendance is less than ten.
2. Classes will be given on Monday and Wednesday of each week, from seven thirty to nine-thirty in the evening.
3. Night Classes begin in October and end in February.
4. There cannot be given more than thirty classes (lessons).

Attendance would indicate that the classes have been popular and successful. Only one class of the four in French Conversation has had to be discontinued due to a drop in attendance below the minimum average of ten. This class was closed only on February 10th.

The "students" and their teachers are to be commended for their perseverance and the faithfulness.

Chateauguay Police News

On Saturday at 11.50 p.m. the Town of Chateauguay Police received a call that an automobile had been stolen belonging to J. C. Audette of Lachine from the parking lot of the Riverview Hotel. The car was a Chevrolet 1954, sedan, blue and white. Patrol cars were detailed to search for the missing ahtomobile, and it was found almost immediately completely wrecked after hitting a pole and guide wire on Salaberry Boulevard. Cst 105 Gagnon and Cst. 108 Marois discovered the car and apprehended the culprit, who later confessed he had stolen the car.

Upon further investigation by Chief Roma Gervais it was learned that the culprit, who was 17 years of age, was already awaiting to be arraigned on a similar charge coupled with abduction.

He was taken to Valleyfield by Sgt. Kreklo and Cst. Allard and was charged Monday of auto theft and attempted escape through a windaw whilst

Ex-Penitentiary Guard Goes Back — As Convict

A former St. Vincent de Paul penitentiary guard who turned to crime after his dismissal from the federal service was sent back to his former place of employment for 10 years yesterday — this time under guard as a convict.

The sentence was imposed by Sessions Judge Peter Shorteno on Gilles Ladouceur, alias Allen Burdett (the name mentioned in the complaint), 25, who described himself as a resident of Chateauguay Station.

The accused had pleaded guilty to a charge of robbery with violence after hearing the Crown's first witnesses.

"You are a classical case of what the legislator had in mind when he enacted the sanction for this offence which is life imprisonment and the lash," the judge told Ladouceur in imposing sentence.

Prison Guard Caught With Goofballs

Ladouceur's trouble with the law began in 1960 when, as a prison guard, he was caught with a large quantity of goofballs said to be destined for the use of convicts.

He was later fined $1,000 in court for breach of trust.

Yesterday's sentence stems from an incident at St. Catherine and Sanguinet Sts. at 3 a.m. Oct. 13, 1962. Louis Marcel Parc, 34, a resident of St. Timothee St., was walking home when he was accosted by Ladouceur.

He said that Ladouceur grabbed him and started to drag him into a lane. He resisted and was struck heavily over the head with a blunt instrument.

A citizen who witnessed the assault alerted two police officers in a passing cruiser. When they went into the lane, they saw Ladouceur sitting astride the unconscious victim and going through his pockets.

Ladouceur aimed a vicious kick at the groin of one of the officers and started to run away with the victim's eyeglasses, watch and a small red notebook. He was captured by the second officer further down the street.

Ladouceur subsequently received six months for the asssault on the constable.

The 10-year sentence imposed Thursday was to date from that day the judge specified.

BY GILLES GERMAIN

Post Office

A few months ago, in an article under Vigilantia, I brought to light a tug-of-war being waged by the Town of Chateauguay and Chateauguay Centre for the coveted Post Office. About three weeks ago we were told that it would be located on Vanier and Marquette Streets within the boundaries of the Town of Chateauguay. This much revealed who flexed the stronger political muscles, but it raises a question or two. Is the site truly central, easily accessible and to the advantage of all three Chateauguays? Would a private commercial enterprise have chosen the same site? Now that the decision seems irrevocable, it is pointless to get excited and to blame anyone, even if you are told that the site has been known since last June 11th in some circles. As long as the three Chateauguays are separated, there will continue to be political tugs-of-war that will develop a community of absurd planning. The sooner amalgamation, the sooner it will cease, but it still will take a long time before we experience political maturity in our society. The study on amalgamation is over three months late. On October 8th, the Town Council was told that it would take approximately five to six weeks to prepare a report. At the last council meeting held on February 11th, the Town Secretary was authorized to write to the contrated firm and ask that a specific date be given as to when to except the report. Let us hope that the chicken will lay the egg before Easter.

Sports

A certain party recently wrote that too much harmful publicity is being given about Chateauguay, especially that concerning floods, and that publicity for sports should predominate for the good of all. Strange that sports should be the concern of all while that of municipal affairs of a few. Those who are interested in municipal affairs need as much support as those who are interested in sports. Just as a team needs moral and physical support, citizen groups are qually in need. If this, instead of apathy, has been the case in Chateauguay, our floods would be a problem of the past.

In the same article there was mentioned the fact that sports publicity would erase the false impression by some Montreal residents that we are country folks. As long as we write in our project columns that so and so had the pleasure of receiving guests from Montreal on such a date, naturally people will think that we are country folks since we feel that entertaining guests from Montreal is such an extraordinary event. Should everyone publish these visits, this newspaper would have to include a supplement of many pages to cope with it. Also, if we were to publish adult behavior at sport events in regard to referee decision, I believe more harm would be done than good news. A referee is human and subject to errors, and his decisions should be accepted and protest made after the game, not making a scene before the children thus encouraging ridicule of law and order.

In Memoriam

In dear memory of the countless number of articles from more than one source about the need for traffic lights at the intersection of St. Francis Boulevard and Route 3 and 4; to the direct and indirect promises of action which have never come and to those who have been involved in accidents or have been scared to death at that intersection. The last promise was heard last December and installation was to come within a reasonable length of time. In memoriam -- Swift's own words "promise and pie-crust are made to be broken."

Belated greetings to all my Valentines!

The month of February is not considered to be of any great significance to Canada, but to Americans it is a time of remembrance and rededication. Two of the greatest Presidents' birthdays are commemorated this month; George Washington born February 22, 1732 and Abraham Lincoln born February 12, 1809.

In Washington, D.C. there is a monument to Lincoln which is one of the most unforgettable sights I have ever seen. Words cannot describe the feeling of awe the viewers have upon entering this building and seeing the massive statue.

The Lincoln Memorial was designed and modeled by Daniel Chester French and is made of glistening white marble. Over all height is an impressive 19 feet, with the central point of interest being the statue of Lincoln seated in an armchair 12½ feet high.

As you enter the beautiful building you are immediately aware of a great air of reverence. Sightseers suddenly become silent at they stand looking up at the sculptured figure. Lincoln's rugged features are clearly defined, even to the wrinkles around the deep set eyes that solemnly look down upon you.

Two additional chambers bear memorial tributes to the man himself. There is the inscription of the Second Inaugural Address on one wall and on the other the inscription of the famous Gettysburg Address.

The Lincoln Memorial unveiled in 1922, is a structure of imposing majesty. As you gaze in wonder at it, somehow you know that the stirrings within you are caused not only by the beauty of the stone, but also by the sense of inner beauty of the man, Abraham Lincoln, in whose honour and memory the memorial was built.

If you ever get a chance to visit Washington, D.C. do so and make a special effort to see the Lincoln Memorial. You, too, will be very much impressed.

Colonia Pee Wee's

Honorable mention this week go out to the fathers of the Colonia Pee Wee team for their assistance in clearing off Langlois Rink last Friday night. Garden's coach, Mr. Pat D'Arcy was willing to concede the hockey game because of poor rink conditions, but the Colonia supporters offered to help instead. In a few minutes time, the players and ice were ready. The Gardens won though, by a score of 3-1, but this was possible only by the kind actions of the visiting team and its supporters. Hats off to Colonia!

Ice Carnival

Plans are going ahead full speed for the Ice Carnival to be held this Saturday. Many ladies of the Gardens have been busy sewing and creating costumes for the Figure Skating routine. This could well be the most popular item on the agenda. Why not join us at the rink starting at 1.00 p.m.? Let's hope the weatherman will cooperate.

The Devil to Blame?

Did you laugh as I did at the Grin and Bear It Cartoon section in the week-end paper? There was one depicting the congregation leaving the church, pausing to say a few words to the minister. One parent turned to the minister and said: "Excellent sermon, Reverend. Good to hear juvenile delinquency being blamed on the devil rather than us parents!"

You could say there is a lot of truth in that. We all know of cases where parents have both tried to do their best, but sometimes the many forces outside the home can be overwhelming. Take your own young children for example. You see them at home and they behave quite well. Then you turn them loose on the outside world! Have you ever watched your child at play, unbeknown to him or her? It can be quite a revelation! It seems that competition with other children is not an easy adjustment for some boys and girls to make. Instead of being open to outside suggestions, continuing fair play and good manners outside the home, some children become agressive and unruly. There is too much violence in our world already. Why not give the younger generation a chance to better civilization? As parents, it is not for us to condone improper play, nor to encourage it, least of all, ignore it. Would it not be better for you and your child to put a stop to it? Too many people seem to shrug off parental responsibilities by saying insane things such as, boys will be rough', or 'kids will fight.' So be it. But! why stand by and allow it? If there is a dispute, it can be settled in other ways. That's why the United Nations was set up. Let us, as responsible citizens, take our example from that organization and pass this idea down to our children. If we have truly tried to do our best instead of playing ostrich, and still we fail, then we may be able to say that juvenile deliquency can be blamed on the devil rather than us parents.

Bill 60

As parents you may be interested in learning the facts of Bill 60 that has been so much in the news lately. The Catholic P.T.A. are having a general meeting tonite, Wednesday, February 19th at 8.00 p.m. at St. Jude School. Panel discussions will be held on Bill 60 and future plans for a new High School. Also on the agenda is the awarding of a $100. scholarship to Michael Dettmers, an Engineering Student of Loyola College. You may also look forward to meeting many School Commissioners along with local and provincial dignitaries.

Birthday Greetings

Happy birthday greetings to little Cindy Osteglund of 22 St. Paul Street who was 4 years old on Monday, February 17th.

The Carnival

This week I'd like to say a special thank you to Pops Gravel, the man responsible for the wonderful Carnival held on Saturday, February 15 at the McComber Skating Rink. It was an overwhelming success and over 300 children turned out in costume for the big event. The costumes were a lovely sight to behold and the parents are to be complimented also for their work. I wasn't able to attend myself but our youngsters went and came home with the wonderful news that they had both received prizes even though their costumes weren't among the best. Apparently all children in costume received a prize and no doubt many a child will long remember the thrill of participating and receiving a prize. Among the children in our area to walk off with top honours were the two Pariseau boys who were dressed up as the Organ Grinder and the Monkey; young Jocianne Adsuar was dressed in satin as a page boy. On behalf of the parents, Pops Gravel please accept our thanks for a job well done.

Civitan International

On Wednesday evening the Civitan International Group held a Ladies Night at the Rustik Motel, in the form of a Dinner and Dance. Each Lady was presented with a lovely corsage to complement her costume. The Guest Speaker for the evening was Mr. Silvestre, President of the 4-H Club and spoke of the special event coming up in the first week of March, a Supper and Dance sponsored by the 4-H Club. Another highlight of the evening was the presentation of a cheque to the 9th Chateauguay Brownie Pack. Mrs. R. Spenard and Mrs. P. Dubuc accepted the cheque on behalf of the Brownies. The money will be used to purchase supplies and uniforms for the Leaders and Brown Owl. Mrs. Spenard greatfully accepted the cheque and spoke briefly on the activities of the pack and their plans for future projects.

Week-end Guests

The Moodys of Ethier Street were thrilled to have an unexpected guest drop in on them on Saturday night. Mrs Moody's aunt, Mrs. Lowel Goreham of Woods Harbour Shelborne County, Nova Scotia, phoned them an Saturday night from Dorval to say she was enroute to Tampa, Florida and then dropped in and spent the week-end with them. I guess Robin and Debbie were really thrilled when they awoke Sunday morning to find they had their aunt Rachel visiting with them again. Too bad it was such a short visit, but perhaps on her return she will stay longer giris.

The Gervais of Ethier Street had as their week-end guests, Mr. Gervais' parents from Montebello, Que. I guess Helene was thrilled to see her grand parents again, and they too were happy to see how much young Francois had grown since they had last seen him at Christmas.

The Kavannaghs of Ethier Street also entertained Mr and Mrs. Hugh Doran from La salle over the week-end.

Fashion Show

If any of you gals are interested in obtaining any information regarding the coming Fashion Show sponsored by the Ladies Gymnastique Club of the Les Loisiers kindly contact Mrs. Bouchard at 692 9131 and she will give you all the details.

Well that's all we have for you this week. Hope you'll give me a call if you have any news. Don't hesitate to call, I have a very good baby who sleeps most of the time so you won't disrupt things if you call.

Another nice week-end has passed. I took the children tobogganning on Saturday and I really enjoyed it. I haven't done that for years.

Valentine Party

Marie Welland had a nice Valentine's party on Saturday, she had the playroom decorated with red balloons, cupids and hearts. She also had a lovely heart shaped cake. Those who attended the party were Mr. and Mrs. J. Demaurizio; Mr. and Mrs. John Currie; Miss Mary Tagliopietra and Mr. Claude Hemon.

Mr. and Mrs. L. Bouvier of LaSalle went to an annual party given by Mr. Bouvier's firm, Millet Roux & Cie Ltee., held at Restaurant Reveillon on Sherbrook St. E. and had a nice time.

Gina Bricault went to a birthday party in the West End for one of her little school chums, Cindy Houston.

Mr. and Mrs. R. Randle had Mr. and Mrs. T. Kirkland spending Sunday with them.

Ballet Dancing

Helen Randle has enrolled little Carol in Speirs — Miller Vocal & Dance Studios on Sherbrooke St. W. for Ballet and Tap dancing and was wondering if anybody, anywhere in Chateauguay knows of such a school around here for children age 4 years old and up. If so, would they please contact Helen at 692-2328 she would appreciate it. By the way, little Carol was in a fashion show on Monday, February 17th at Victoria Hall modelling coat and hat sets.

Serious Accident

Helen Randle's sister in New Brunswick had an unfortunate accident while out tobogganning with her family. She took a bad spill and broke a bone in her spine. Helen's mother and another sister flew out there on Friday to be with her.

Sorry to hear Mr. Albert Allan of Labelle St. was a victim of intestinal flu and had to have the doctor. Apparently he was quite ill, but we are glad to see he is up and around again. The Allan's went to supper at Albert's brother's, Mr Harold Allan of Montreal East on Saturday. On Sunday they had Ethel's father, two sisters and her brother and his wife and baby from City of Two Mountains for the day.

Coronation, King and Queen

On Saturday night, Doug. Allan went to the Loyalty Ball held in the Chateauguay High School where they had the crowning of the King and Queen of Grade 11 and the Prince and Princess of Grades 9 and 10.

Handy Clothes Chute

Our 'Jack of all Trades', Mr. Gordon Lange has made his wife Marion a clothes chute, all she has to do is open her cupboard door under the sink, throw her dirty clothes down the chute and they fall right into a basket beside her washing machine, instead of having to run downstairs every time she has dirty clothes to take down. Nice work Gord.

Well folks I'm afraid that's all for this week, I hope you will give me a call if you have anything for me.

H. and S.A. Holds Successful Bake Sale

The Protestant Home and School Association of Candiac held a most successful Sale of Home Baking last Saturday, February 15th in the Community Hall. Congratulations to those who were in charge of the event, and best wishes for the continued success of this organization.

Communicant Classes Well Attended

Twenty-six earnest young people of the United Church of Canada, Laprairie Charge, assembled in Candiac on Saturday morning each week, at 9.30, when Student Minister Norman Johnston conducts special classes to instruct the young folk preparatory to their Confirmation and being received into the Church in full membership. These young people tell us that they are having a wonderful experience at the meetings which are most helpful to them. Mr. Johnston is sparing no efforts to have them well informed concerning this important step they will be taking when they publically confirm their belief, and promise to love and serve our Lord and Saviour. This will be a time for rejoicing for old and young members. Herein we rejoice, and will rejoice. However much of the road lies behind, however much is still before us, we know that the best time of life is not in an idealized past, nor in a dreamed-of future, but in the present hours which is all that any of us have of life, in the fellowship of Him who is always with us.

After a bountiful repast the children left for home, tired but happy.

Bridal Shower for Miss Eileen Kemp

Last Friday evening a Bridal Shower was given for Miss Eileen Kemp of Delson, whose marriage to Mr. Frederick Patenaude will take place in St. Constant Baptist Church, on March 7th. The shower was arranged by Mrs. W. Baxter and was held in St. Constant protestant school. The Bride-Elect was happily surprised and was the recipient of many lovely and useful gifts. Mrs. Baxter and her friends had prepared a real banquet and the tables were tastefully decorated. A special cake formed the centrepiece and Eileen, after cutting it served the company, diet schedules were discarded for sure.

Rev. and Mrs. Emil Boisvert were in attendance, also the groom's family and the mother and grandmother of the Bride-to-be. Miss Eileen is the organist at St. Constant Baptist Church and the members and friends are wishing her much happiness in her future life.

Scouts and Cubs to attend Church on "Thinking Day."

Delson Scouts and Cubs will attend their respective Churches on Sunday, February 23rd, "Thinking Day." The boys and their leaders will participate in the service in St. Andrew's church.

W.C.O.L. Sponsor Home Baking Sale

The Women's Club of Laprairie recently held a Sale of Home Baking which was a great success. The Talent Table was a big attraction and the ladies sold all the donations of gifts. Mrs. M. Roy convened the event and was thanked by the president as were the ladies who provided the delicious lunch.

St. Andrew's Y.P.S. Hold Valentine Party

The young members of St. Andrew's Y.P.S. thoroughly enjoyed the Valentine Party which was held in the Church Hall on Friday, Feb. 14, at 7.30 P.M. The President, George Young decorated the Hall for the occasion and the Councillors, Mrs. H. Jacob and Mrs. H. Ball Sr. arranged the program. The game, "Have a Heart", gave the youngsters lots of fun and they were quite enthusiastic over the "Valentine Scrabble." A familiar Folk Dance gave pleasure to all. While the supper was prepared the members gathered around the piano for a sing-along. Prizes were given for the best Valentine Cards which the youngsters had made. Gordon Lundrigan won 1st prize for the most original card, Marianne Bartzcak 1st prize for the most attractive card.

TTSC — Dance Success!

Over two hundred teens attended Teen Town's Valentine's dance last Friday to hear the "Starfires (now M.G. and the Escorts)" and to try to win the Beatle Wig and Albums.

Master of Ceremonies, John O'Hanley, created a dance contest which consisted of looking as rediculous as possible to win an album then held spot dances for the Wig, (donated by Henry Morgan's at Dorval Shopping Centre) and other "Beatle" albums.

The crowd was a more than two hundred percent increase from the usual crowd in the past TTSC dances. The dance will be followed by bigger and better ones held only when good attractions are available. The next T.T.S.C. will be sometime in March, or possibly earlier, and will feature some great band and more attractions to go with it.

C.H.S.

For those who were complaining about the lack of school spirit this past week's activity week showed a sharp increase towards student participation. From the debate to the bazaar, the basketball games, the Variety Show and Royal Ball students were there to join in the school spirit.

The debate on Tuesday was a victory for the Ormstown team, the bazaar made good money, the variety show had a good turnout and the Royal Ball was a fine culmination.

At the Royal Bll, emceed by Dave Parsons of Montreal, the royalty was announced at ten-thirty. Elected King by popular vote was Kent Mitchell while his elected Queen was Donna Bertwistle.

From the grade IX classes were elected Doug George and Gunheild Holm, Prince and Princess.

The Monarchs were presented with silver bracelets stating their position while their juniors were awarded L.P. records.

Following the coronation Kent was shoulder-carried around the hall in a special chair while two of his band members marched with arched guitars as Robin played a "roll" on the drums.

Mention must be made of the job of decorating the hall. Not being well versed in the art of descriptive writing I must however say that the boys who did it, did very pretty and attractive work.

Two final notes on C.H.S. the school rings have apparently arrived and will be distributed this week, also second term exams are only four weeks off so everyone had better buckle down to some serious studying as this is the one that will best show the results in June.

NOTE:

Ears of T.T.S., committee members will be open and listening for any bragging, or talk about the person (or persons) who caused daamge to the school last Friday. Although the damage was not very high it ruins the reputation of those who go to the dances for the fun of it. Blame it on the parents is the "modern plea" for such childish actions. Who do we think we're kidding. By the way if the person responsible is caught, he will be in a nice barrel of trouble. Smarten up and possibly grow up!

Engagement Announced

Miss Susan Gayle Candy, daughter of Mr. and Mrs. Austin Edward Candy, of Pointe Claire and Mr. Robert Edgar Barras, son of Mrs. Barras and the late Major Edgar Barras, of Quebec, whose engagement is announced. Mrs. Robert Metcalfe, (Micheline) entered Notre Dame Hospital just over a week ago and underwent serious surgery. I am glad to report she is now home, and although her strength is slow in returning, she feels well and must take things easy for a spell. She has two good nurses though. Daughter Jonne and Grandma Metcalfe will see she is well looked after. We wish you a complete recovery and good health, Micheline.

Local Girl Queen

Queen of the Carnival at Julius Richardson School, on February 14th, was our own Anne Neilson of West End, daughter of Mr. and Mrs. J. Neilson and niece of Hockey Star Dickie Moore. She was voted Queen by Grades 6 and 7 and I'm sure all were happy to have one of our own girls win the vote. In the evening the 2 grades enjoyed supper and a dance. What a nice way to spend Valentine's Day and congratulations again Anne.

After enlisting the proper authorities and searching high and low we found that everybody is at the Riverview Hotel in Chateauguay. We found one group eating delicious Chinese food, another crowd listening and dancing to the music of Slim and Wally Martin and Allan Stacey, and still a few others looking at the giant 68" screen television. Why don't you join the crowd at the Riverview Hotel in Chateauguay.

The Proprietor League of Chateauguay Centre are holding a general meeting on Monday, February 24th, at 8 P.M. at the Chateau Gai Motel. The Mayor and Alderman have been invited to attend this meeting. All are welcome to attend — a member and all other persons who may be interested.

Little Billy Hodges of Queen's Circle is in the hospital having a tonsilectomy.

Baby Garry Schmidt of St. Aubin Street, entered hospital, Tuesday, where he will undergo surgery once again.

Sherri Duchesneau of St. Aubin has the chicken-pox.

Linda Prange also of St. Aubin has the mumps. (By the way, this is Linda's second bout with the mumps, so I guess one can get them more than once!)

I may as well cover St. Aubin Street while I am at it, and mention that John, Charlene and Sharron Myers are under the weather, will be home for a few more days, nothing serious and you know the usual, ulcerated tonsils etc. Oh yes their father has the same complaint and their mother — well — she could be feeling a little better!

Mary Roberts of Trenton has a leg in a cast for 12 weeks due to a broken ankle — a speedy recovery to you Mary from all your friends and neighbours.

Mrs. Audrey Kendrick of Champlain has her father, Mr. Gumbly staying with her. Mr. Gumbly was in a serious car accident and underwent surgery. He spent approximately 20 days in hospital and is now staying with his daughter and son-in-law. We do hope you're well again real soon Mr. Gumbly.

Birthday wishes to Mrs. Pauline Laubert of St. Aubin, who celebrates her birthday February 24th.

Wishes are extended to Mr. E. D. Martin of St. Eugene, who celebrates his birthday February 22nd.

Birthday wishes go to Mrs. B. D. Willis of de Lisle Street, who celebrates her birthday, February 24th.

It wasn't too long ago my eldest daughter asked me if I would attend church with her. I had a very busy schedule that particular Sunday and said to her "I'm sarry, maybe next Sunday, I have so much to do today." I stopped short on my tracks realizing what I had said, I was actually stunned. I may have said to her "I'm sorry I have no time for God', it meant the same thing practically. However to make a long story short I did attend Sunday Worship that very day and enjoyed it so much I attended the evening service also and have done so ever since. I'm sorry I didn't attend sooner. I'm wondering how many of you are not attending church because you are too busy. I know exactly how you feel and but believe me I find a great blessing in attending and I know you will too, just make up your mind to go and do it you won't be sorry. If some of you are new in our area, there's several of our local churches mentioned in this paper. If you are unable to find the Church of your choice listed, please feel free to call me and I'll give all the help I possibly can.

pered by my wife's daily reminders of a promise I am alleged to have made in a thoughtless moment last fall, to construct a wooden box to grow nasturtiums in. Now why on earth did I allow myself to be conned into a rash commitment like that? Many years ago I was forced, unreluctantly, into the realization that odd jobs around the house were not for me. Whenever I join two pieces of wood together with a nail, at least one, and probably both pieces splinter, and the nail itself quickly becomes a right angled mess. I can only assume that in a golden autumn evening my wife must have been making such a noise about her wretched nasturtium box that I must have given the promise in an attempt to channel the conversation into a more relaxing topic. Spring seemed so far away. And now it is almost upon us. I wonder if I could legally claim that the contract, being given under duress, is invalid?

A recent Town Council meeting adopted Councillor Bert Oliver's motion to rescind By-Law 232, for filling in the Grandes Prairies Ditch. Under these circumstances a referendum on the controversial By-law will not be held. However, at the same meeting, Councillor Phil Bonneau was successful in having the motion placed in force again. I understand that before the By-Law comes up for Council approval, Town engineers will again survey the technical details of the scheme, with a view to publicizing its claimed benefits. Also under study is a proposal to re-designate areas which would share the cost in taxes.

Last weekend I had the pleasure of meeting Keith Strike's younger brother, whose vivid imagination was responsible for designing the Atomic-powered Gloop that I had the honour of disclosing to the public in last week's column. It seems that the Strike boys' artistic talents stem from Grandfather Strike who was a gifted sculptor. I can only hope that all necessary moves are being taken to protect the Gloop's international copyright.

A large number of Seigniory Parkers were among the 75 or so couples who attended the Club's Valentine Dance last Saturday evening. Music was provided by Seigniory Park's own Jean-Pierre Wallot's Bel Aires. Mr. Wallot lives in 385 St. Francis, which many early residents here will remember as the Bailord office and model house of two summers ago. Leading a dance orchestra is Mr. Wallot's hobby, and I asked him if he considered this as unusual for a University of Montreal Professor of History. The Professor did not think so — other people play golf, or practice cabinet making, or run greenhouses. Oui Monsieur, et il y en a d'autres qui écrivent des lettres au Gleaner! Mr. Wallot's group, apart from weekend dance engagements, give Jazz concerts at the Boite à Chanson in Valleyfield during the summer months.

We are all used to seeing fast construction in Seigniory Park, but it was still impressive to see the burned out shell on Montmorency of two weeks ago, already rebuilt.

It was a bad week for Seigniory Park Minor League Hockey playoffs. The Pee Wees were beaten 9-2 by Colonia on Saturday and were unable to raise a team for the second leg, thus losing by default. The Mosquitos lost 15-1 in the first of the two-game series, but Kaj Larsen got his first goal of the season. In the House League the Canadiens reversed last week's score by trouncing the Red Wings 8-1. Randy Maddocks scoring all eight goals.

Organized hockey will be held every Saturday morning at 8.45 a.m. as long as the ice lasts. The ice has remained in good condition so far, and with average luck we have another four weeks to go.

It is reported that Butch McElroy will tender his resignation as Treasurer of the Home Owners, due to pressure of business and his study programme at Sir George Williams University. So it looks as if the Home Ownere will be looking for a new Treasurer at their next monthly meeting on Wednesday March 4th.

the Chat. Valley, daughter of George deLormier and Jeanne Plante. She was also the niece of the late Judge deLormier of Montreal.

Receiving her schooling at the Chateauguay Convent, she later met and married a native son, Joseph Moise Dorais, a carpenter by trade. Their family consisted of 5 girls and 7 boys. Five years after their marriage they moved to St. Boniface, Manitoba, where Mr. Dorais did carpentry work for the Obate Fathers, which took him as far as Lebret, Sask.

Thirty-five years later they returned to their native Chateauguay, where they have been until their passings.

Mrs. Dorais leaves to mourn her passing, nine living children, Mrs. Jean Belliveau of Hamilton; Gerry of Victoria, B.C. and Armand, Albert, Eugene, Alphonse, Mrs. Margaret Howard, Anna and Agnes all of Chateauguay Center. Three have predeceased their mother namely Alfred, Arthur and Gabriel (Mrs. Antoine Belliveau.) Also one brother survives, George deLormier of New York City, and 11 grandchildren and 11 great grandchildren.

The funeral mass was held at St. Joachim Parish Church, on Friday, February 7th at 10 A.M. Being a Deacon and Sub Deacon Mass those officiating were Father Henri O. Vaillancourt, Father Bruno Julien, and Father Julien. Burial was at Chateauguay Cemetery. Her granddaughter Mrs. Paul Morin, (Leona Dorais) flew down from Seven Islands for the funeral.

Sincere sympathy to all the Dorais families from the Many friends and neighbors who knew "Grand'mère".

CHATEAUGUAY SPORTS ROUND UP

(by JOHN McDONALD)
Phone No. 691-2977

For the benefit of a few players in the Chateauguay Valley Junior Hockey League, who seem to have nothing better to do than to complain; this reporter would like to bring to light this week, just how much work and money goes into making the C.V.J.-H.L. possible.

First the total cost of C.V.-J.H.L. this year will be approximately $4,732.00 of which $1,932 will go for ice and referees trophies will cost $150.00, the end of season banquet $350.00. $800.00 will be spent on sweaters, hockey sticks, pucks etc. While jackets will cost the league $1,600.00. An average cost of $87.00 per player. Yet all the players are required to do is sell $25.00 worth of tickets.

Of all the five men who run the C.V..H.L. only one has a son playing in the league, yet these five men give up every Saturday night from October to April, so that these young men can play hockey. Listening to some of the complaints from the players makes one wonder if all the work is worth while. This reporter would suggest that all the energy spent could be put to better use on the ice, as it seems that the ones that do the complaining do little or nothing on the ice.

Last Saturday in the C.V.J.-H.L. the Legionaires defeated Ville de Lery 3-0 in the first game. Jerry Kezer, Michael Bouthillier and Robert Thibodeau notched goals for the Legionaires while Eddy McElroy chalked up his third shutout of the season making him tops in the league.

The second game saw the Port Louis Panthers who replaced the Mohawks in the league take a 4-1 victory over the Castors. Scoring for the Panthers were J. Smith with a hat trick and C. Derepentigny while Jerry Aucoin notched the Castors lone goal.

In minor sports SQUIRTS western section. Chateauguay Park defeated Parkview 11-3, 2 games total points. Mosquito Section A West End defeated Chateauguay Park 4-1, 2 game total points. Section B* St. Joachim defeated Parkview 4-1, 2 game total points. Finals, St. oachim defeated West End 1-0 and 4-2. Pee Wee Section A Chateauguay Park defeated St. Joachim 5-3, 2 game total points. Section B C.C.R.A. defeated West End 14-1 2 game total points.

Finals Chat. Park defeated C.C.R.A. 3 to 0 and 4 to 2 BAMTAM Series A* Chat. Park defeated C.C.R.A. 12 to 2 in two games total points in series B* St. Joachim defeated Parkview 13 to 1 two games total points, in the finals St. Joachim defeated Chat. Park 2 to 0 and 4 to 3.

Let's not forget the giant entertainment evening sponsored by the C.M.S.A. Saturday, March 14th, at 8 p.m., at the basement hall of St. Jean de Baptiste Church.

The following is the standing in the C.V.J.H.L. as well as the top ten marksmen, as well as the goaltenders average.

Christening

The infant son of Mr. and Mrs. Gerald McVeigh, Gilmour Avenue, was christened on Saturday, February 15th, at Our Lady of Perpetual Help Church. Father Beaulieu officiated and the baby was named Samuel Thomas. Godparents were Pauline Bedard and Claude Bedard, sister and brother of Mrs. McVeigh who reside in Thetford Mines, Que. Mrs. Daisy McVeigh of Massey Drive, Chateauguay, carried the baby. Following the 4 o'clock christening, Mr. and Mrs. McVeigh entertained at a family supper at their residence on Gilmour Ave.

St. Andrew's Notes

The visitors who were commissioned at Morning Worship on Sunday morning at St. Andrew's United Church will be calling at the homes of Parishioners during the next two weeks. Most of the teams started visiting on Sunday afternoon and some calls will be made on week nights. Each of the 27 Visiting Teams have from 12-14 homes on which to call between now and February 29th.

Evangelistic Services will be held in St. Andrew's on the evenings of March 1st, 2nd and 3rd to which everyone is invited. The Rev. Charles B. Black, B.A.B.D., Minister of the United Church of Canada at Arden, Ontario, will preach each evening and will be assisted by the Rev. Fred Love, soloist. There will be Gospel Hymn Singing as well as special music each night.

Children over 6 years old should NOT be left in Nursery unless special arrangements are made with the Nursery Superintendent. At present children under two years old are cared for in the Kitchen and those from 2-5 years in the Memorial Hall.

As part of the observance of Boy Scout Week (February 16th - 23rd) the Beaver Cub Pack and the Cheetah Cub Pack and their Leaders will worship at St. Andrew's next Sunday morning. Colour Parties from each of the older Scouts Troops are also expected.

Groups wishing to have special meetings or new activites announced in the Church Bulletin should submit advices in writing to the Church Office not later than Thursday afternoon.

The monthly meeting of the UCW will be held on Wednesday evening, February 26th, in St. Andrew's Memorial Hall, at 8:15 p.m. A panel discussion on the "Mission Study of India" will take place.

It Is True That Moon Was Blue

We have all heard the expression "Once in a blue moon," but did you know a blue moon can really be seen at times?

Some years ago in Scotland on a hazy September day, the sun appeared in a mid-afternoon as a beautiful blue circle of light. It was a deep azure blue and looked as if someone had cut a hole in a thick grey blanket to expose the blue lining underneath. Clouds completely obscured the sun after an hour or two, but when the moon arose that evening it, too, was blue, shading at times to turquoise or pale green.

This phenomenon was noticed in England and various parts of Europe, the colours varying in intensity from place to place. Some people said it was apparently caused by sand and dust being carried high into the atmosphere by recent strong winds; others claimed it was caused by smoke from the serious forest fires then burning on the American continent.

No one seems to know why, but it is a fact that after a car owner either changes his car or his address, he does not receive the annual application forms from Quebec to enable him to acquire his new licence plates by mail. I hear that many Seigniory Parkers are in the unenviable position of having the 1st March deadline looimng uncomfortably close, and still no forms from Quebec. Admitedly the easy method of licence renewal by mail is far the best, but for those of you who have left it late, there is a relatively painless way out — a short drive up the Chateauguay River to the Motor Vehicle Licence Bureau at 240 Salaberry, where you can obtain your new plates without the frustration of long queues suffered by our City of Montreal neighbours.

Just three weeks to go before Mr. Groundhog comes out to stay, so it behooves us all to get our seed orders off without further delay. My joy at the prospect of spring just around the corner is more than somewhat tem-

CORRESPONDENT — MRS. A. L'ESPERANCE

Wesley-Knox United Church Women

The regular meeting of the Wesley-Knox United Church Women was held at the home of Mrs. George Moore on Thursday afternoon, February 13th. It was attended by fourteen members, two visitors and two children.

The meeting came to order with the repeating, in unison, of 'The Purpose', after which all joined in singing the hymn 'Lead on, O King Eternal'. The scripture lesson, found in Luke 15, Verses 11-32, was read by the President, Mrs. J. Curran who also led in prayer.

The minutes of the previous meeting were read and adopted. The President reminded members of the World Day of Prayer to be held on Friday in St. Luke's Anglican Church in Hemmingford. The Reverend Gordon Ficko, who was present at the meeting, reminded members of the Lenten services which will be held the first on Thursday evening, February 13th at St. Luke's Anglican Church, then on February 27th at the Presbyterian Church, and the last one on March 12th at St. Andrew's United Church. A Bible Study group is being organized and will commence on Wednesday evening, February 19th, at the home of Mrs. James McAllister, under the leadership of Reverend Ficko. These meetings will be held weekly and will last for just one hour. All interested are heartily invited to attend and the place of each succeeding meeting will be decided weekly.

A short discussion followed on the desirability of holding a Spring Tea. This project entails considerable planning, so two members volunteered to work on the details and present their plans at the next meeting.

The Sunday School-room in the Church has been completely rebuilt and redecorated with the exception of a floor covering. Members agreed at this meeting to defray the cost of covering the floor with linoleum.

Mrs. James Curran and Mrs. Norris Sample were delegates to the second annual meeting of the Montreal Presbyterial of the United Church Women held in Dominion Douglas Church, Montreal, on February 11th and excellent reports were given to the members of this meeting. Both delegates were warmly commended for their excellent coverage of the days proceedings.

Mrs. Curran reported that the new Regional Vice-President is Mrs. Melville Brown of Howick, and reminded members of the Summer School to be held at Macdonald College during August.

The Programme of the meetings for the year were handed to the members who expressed their appreciation to the President for her time and effort expended in typing and preparing same.

It was reported that the quilting members had met at the home of Mrs. James Curran on January 30th for a day of quilting. They had completed the entire quilt. A pot-luck dinner was enjoyed by all present.

The next regular meeting will be held at the home of Mrs. James Curran in March.

At the close of the meeting delicious refreshments were served.

St. Andrew's United Church Women's Auxiliary

The monthly meeting of the United Church Women of St. Andrew's Church was held on Wednesday, February 12th at the home of Mrs. Glen Clark. The hostesses were Mrs. Clark, Mrs. Harry Warner and Mrs. George J. Brown.

Mrs. Elmer Greer, President, Mrs. F. Greer and Mrs. H. Warner, who together with Mrs. Vernon Ellerton, Mrs. G. Ficko and Mrs. F. Matheson had been representatives at the annual meeting of the Montreal Presbyterial held in Montreal the previous day, gave interesting reports of the days proceedings.

The business part of the meeting had to do, chiefly, with the planning of the coming years activities and money-raising events. The following events with their dates were finally decided upon. A St. Patrick's Tea will be held on March 14th; the Strawberry Social and Food Sale on June 26th; the Turkey Supper on October 15th, and the Bazaar on November 28th. It is hoped that the announcing of these dates in advance will assist othe organizations to compile their own events. The various events will be advertised when the time arrives.

Hemmingford Township Council Meeting

At the opening of the meeting of the Township Council which took place in the Town Hall on Monday evening, February 3rd, the Mayor, Mr. Alister Somerville, greeted the new Councillors who were then sworn in. They were Councillors B. Barr, R. Poissant and D. Dame. Councillors A Hadley and W. J. Brown were also present.

Following the reading of the minutes, the Secretary read various items of correspondence he had received from the Department of Drainage, Quebec, concerning several Drainage projects in this area which are under consideration or which the Council desire to be taken under consideration. An acknowledgment had been received from the Department of the sum of $4,000, forwarded by the Secretary as authorized at the January meeting, in payment for work done in this Township. Mr. M. Grosser again requested that the work on the East Branch of Norton reek, which crosses the back of his farm be completed. This work had been surveyed and marked out by the Engineer last year but no further action had been taken. After a lengthy discussion, it was moved by Councillor Dame, seconded by Councillor Poissant, that this Council request the Department of Agriculture to draw up a by-law regarding the watercourse of Upper Norton Creek, No. 2 and 2B, and that this by-law be received by this Council before the next meeting. Councillor Brown gave notice of motion that he will present the by-law so prepared.

The Secretary was authorized to write the Department to the effect that in view of the fact that a substantial sum has now been paid on the Townships account it was hoped that the work on these watercourses would proceed forthwith.

With reference to the Burns Discharge, the Secretary stated he had received a letter from the Department in September, 1963, which stated the work of spreading the dirt and removing the large rocks would be done as soon as possible. A second letter received in January, 1964, enclosed the bill for this work which, according to the Department, had been completed. Councillor Dame informed the meeting that nothing further had been done, that the dirt still stood in large heaps and the rocks, still lay where they had been deposited. He had been unable to move them with a bulldozer. A resolution, moved by Councillor Hadley, seconded by Councillor Poissant, authorized the Secretary to write the Department of Agriculture requesting that this work be completed as soon as possible in readiness for the spring work.

Mr. W. Stinson came before Council requesting that the line fence between his property and that of Mr. G. Gaese, and also the fence between Mr. D. Stinson and Mr. Gaese, be rebuilt. It was moved by Councillor Brown, seconded by Councillor Dame, that Mr. Gaese be requested, in accordance with Article 205 of the Municipal Code, to have his portion of the fence built.

Mr. L. Keddy attended the meeting to discuss, and fully explain, the various insurances the Council might consider necessary. After a lengthy discussion it was moved by Councillor Dame, seconded by Councillor Barr and unanimously carried, that Council purchase from Border Insurance Company, insurance covering Public Liability and Employers Liability at a cost of $401.30 per annum.

The Secretary reported receiving a visit from Mr. J. P. Perault of the Fire Commissioners Department, who obtained various items of information and then said he would forward the correct forms on which Council must obtain tenders for a new Fire Truck. These must then be forwarded to the Department when they will be considered and Council will be advised further how to proceed.

It was moved by Councillor Hadley, seconded by Councillor Barr, that, whereas Mr. Carr being unable to act as Auditor this year owing to illness, then the firm of Canel and Matte, representative Mr. J. Brunet, of Valleyfield be appointed as Auditors to the Township for the year 1964, at the same salary as that paid last year.

It was agreed that Councillors Dame and Barr be responsible for notifying Regional Construction Co., when the roads needed sanding.

The Secretary reported receiving a cheque from the Village Council for the sums of $200 and $60. being payment for the lot on which the old Town Hall stood and the amount received from the sale of the Hall.

In presenting the bills, the Secretary read the itemized statement from the Hemmingford Fire Department, of fires which they had attended in the Township. This evoked considerable discussion as several of these fires were grass fires which had been set by the owners of the property and had then got out of control. The total bill from November 1962 to October 1963 amounted to $575. The remainder of the bills were: Rent, August 1963 to January 1964, $255, Clovis Laplante $28.20, Mrs. H. White, for fence, $74.13, and Secretary's salary, stamps and exchange, $178.85.

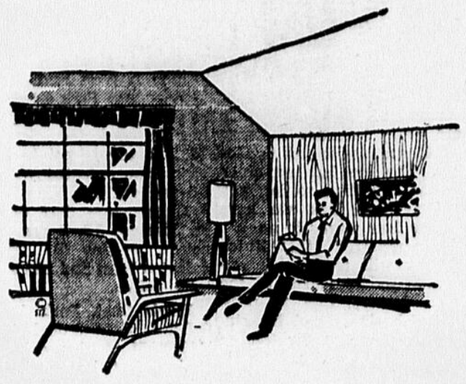

Councillors Brown and Hadley, together with the Secretary, reported attending a meeting of the Havelock Council to discuss the Giroux Monté and Poupart Monté. It was finally decided that Hemmingford should be responsible for the East side of these two roads and Havelock should take the West side.

A letter from Mr. D. B. Wolley was read in which he complained of the flooding of his property and cellar from the ditch in front of his land and house, said ditch being along Route 52. It was moved by Councillor Brown, seconded by Councillor Hadley that a copy of this letter be sent to the Roads Engineer at Ormstown and that he be asked to take action on this complaint.

A letter from Mr. Clarence Bourdon was read, complaining of the damage suffered to his car from the bad ice condition outside the house of Mr. J. Dauphinais. This was tabled until the next meeting.

A Toot In Time

The horn on your car is meant to be used as a means of warning not of, protest. If a bottleneck slows traffic ahead of you, "leaning" on your horn won't solve anything and it certainly won't improve tempers. On the other hand don't fail to use your horn when this will give useful warning to other cars or pedestrians.

BOY SCOUT WEEK

CHATEAUGUAY VALLEY DISTRICT

For Cubs, Scouts, Rovers and Teachers in Chateauguay Valley District, the important place for action is in your own town and community. It is a challenge to every member of a Cub Pack, Scout Troop or Rover Crew, to do several things during the week. Be at your section meeting this week.

Wear your uniform as often as possible in Scout Week.

Turn out with your Group to attend the Church of your faith on B-P Sunday to honour the memory of our founder and First Chief Scout. Do something for somebody else each day in Scout week.

Take some part in the special events your Group has planned for Boy Scout Week.

To teachers and Group Committee members, it is an opportunity to do all expected of the boys. In addition, to ensure that your group will carry out at least one of the suggestions made in the February 1964 issue of "Valley Views" Newsletter. Also that photographs will be taken showing some of your special events, which can later be used for further scouting publicity. Be sure to enter your group for the "Scout Week" Grover Trophy award and have reports in by 10th March.

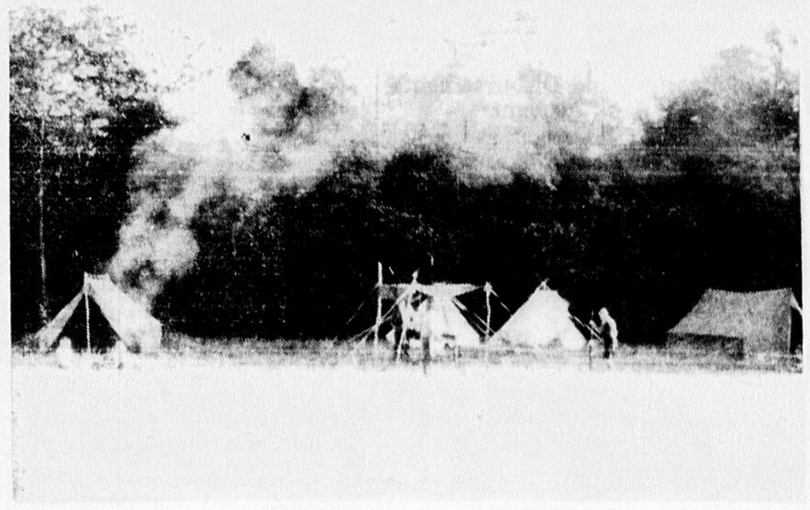

In co-operating in this way you will be part of the more than 12,000 packs, troops and Rover crews from coast to coast in Canada who will be actively putting "Scouting on the Map" in Boy Scout Week.

To date we have information regarding programs planned by groups: Chateauguay, St. George's and St. Andrew's, Father and Son Banquet Friday the 21st, Franklin Centre, Parents Open House, Monday 17th, St. Andrew's Vanguard Troop movie shows for Scout Week, Saturday afternoon 29th, Howick Father & Son Banquet, Friday 21st; Ormstown Father & Son Banquet, Thursday 20th; Nitro Father & Son Banquet, 1st week in March. Provincial Patrol leaders Banquet, Montreal Region, Queen Elizabeth Hotel, Saturday 22nd. February.

At this function Chateauguay Valley District will be honoured by the presentation of "Meritorious Conduct" certificates to 4 Chateauguay Scouts.

Following close on Boy Scout Week, the District Patrol Leaders Conference will be held in Ormstown on Saturday 14th March commencing at 9 A.M. Attendance information from Scouters requested before 6th March. This should be the biggest, best P.L.'s Conference in this district yet. An excellent program and lunch is already arranged.

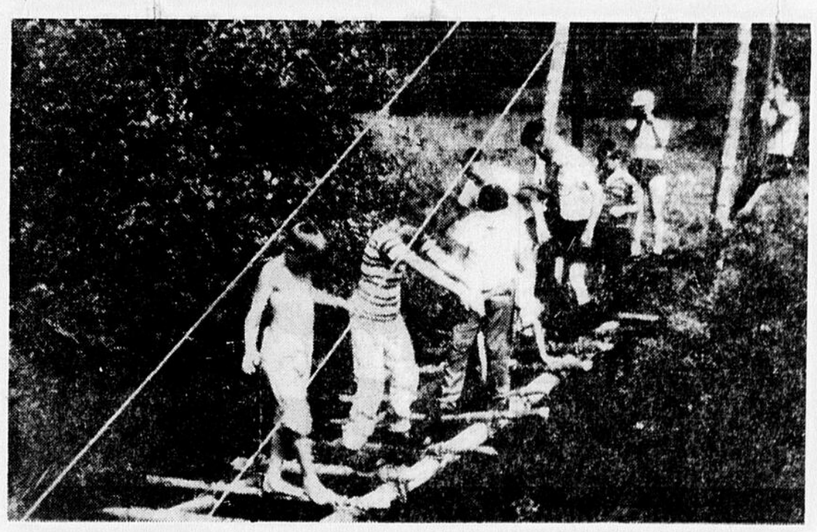

"Fitness Through Scouting" is the 1964 theme adopted by the Boy Scouts of Canada. Look for news on fitness in coming issues of this newspaper.

POWERSCOURT CAMPSITE

TO PARENTS — IF YOU FEEL YOUR SON BENEFITS FROM SCOUTING, WHY NOT IN BOY SCOUT WEEK PHONE THE CUB MASTER, OR SCOUT MASTER AND THANK HIM FOR HIS EFFORTS ON BEHALF OF YOUR BOY.

Franklin Centre

FRANKLIN CENTRE — The U.C.W. sponsored a card party in the Church Hall on Thursday evening. A good attendance was present and cards were played at ten tables. The Committee in charge were Mrs. Willard Dunn, Mrs. Howard Blair, Miss Frances Eccles and Mrs. Ross Dunn. Prizes were awarded to the following Ladies First, Mrs. Stanley Currie; Ladies Consolation, Mrs. Wm. Hope; Gents First, Mr. Robert Chambers; Gent's Consolation, Mr. John Vaincourt. Chair Prize Mr. Robert Barr. The refreshments served were in keeping with St. Valentine's Day.

Three of Mrs. Christine Sherrington's piano pupils who have been taught by Miss Victoria Marchant, while Mrs. Sherrington is in hospital, have received the results of their Toronto Conservatory Exam. Pixie Sherrington passed grade 4 with honours, Louise Tremblay passed grade 3 with honours and Scott Douglas passed grade 2.

Mr. Archie Lamb is a patient in the Barrie Memorial Hospital since last Monday. A speedy recovery is wished him.

Mr. and Mrs. Lewis of Huntingdon and Mr. and Mrs. James Clinton of Dundee visited Sunday at the home of Mr. and Mrs. Herbert Clarke.

Miss Gertrude Bernert of Montreal spent Saturday afternoon with Ann Harvey.

Mr. and Mrs. James Lamb spent Sunday with Mr. and Mrs. Ronnie Maither and Rhonda, at Rockburn.

Mr. and Mrs. Walter Sherrington, Peter and Pamler of Kingston, Ont., and Mr. and Mrs. Wm. Croucher and 3 boys of St. Lambert spent the week-end with Mr. and Mrs. F. G. Sherrington Sr. Sunday guests at the same home were Mr. and Mrs. Robert Cleaver and 2 sons of Montreal and Mr. Robert Sherrington of Lachine.

Mr. Bill Gordon of Chatham N.B., is spending some time with his grandmother, Mrs. Archie Lamb.

Mr. John Barr and Mr. and Mrs. Nelson and Lorne of Montreal, were Sunday afternoon and evening guests of Mrs. Clarence Blair and Miss Cora Blair.

Mr. and Mrs. Clarence Dunn and Ellen and Mr. and Mrs. Omar Harvey, Charles and Ann visited at the home of Mr. Jerry Dunn and sisters at Athelstan, on Sunday afternoon.

Mr. Glenn Waller talked with his father in Arizona, the past week, and he was pleased to hear that his mother, Mrs Charles Waller, is getting along as well as can be expected.

OBITUARY

The Late Mrs. George Brooks

Mrs. George Brooks, (nee Martha Blair) one of the oldest citizens of Franklin Centre, passed away at the Henshaw Rest Home in Ormstown, early Saturday morning, January 25th. She had passed her 94th birthday on January 4th, 1964.

She was the second oldest daughter of Mr. and Mrs. John Blair and had spent her entire life in this locality. She was married to the late George Brooks in March, 1895, and they spent the early part of their married life on a farm known as the Old Pollica Farm. On account of his ill health, they sold the farm and moved to Rockburn and lighter work. After a few years his health had improved, so he again took up farming and bought the farm of the late Ben Johnston, where they lived until they retired in 1927 and moved to Franklin Centre and lived there until Mr. Brooks died from injuries received in a car accident, and in which Mrs. Brooks was also seriously injured but recovered and spent the next few years living, at intervals, at her son's or daughter's homes until she fell and broke her hip, and was practically an invalid for 5 years at her daughter's home, then she was moved to the Rest Home at Ormstown, where she lived 1½ years until her death.

She was a faithful member of the congregational Church until Union, then she joined the United Church.

She was predeceased by her husband, her oldest daughter, Emma, her infant twin girls, three brothers, George, Albert and Henry, two sisters, Addie and Nancy. She is survived by her son Kenneth and daughter, Edith (Mrs. Harold Stevenson, ten grandchildren and twenty-three great grandchildren.

The funeral service was held at J. M. Sharpe's Funeral Home, according to her wishes. Rev. D. Lockhead conducted the service and the Palibearers were Messrs. Willard Blair, Otis Blair, Norval Blair, Kyle Blair, Merle Brooks and Thomas Brooks. interment in Dunn Cemetery.

Obituaries

The Late Ewart Orr

The community was saddened to hear of the death of Ewart Orr at the Barrie Memorial Hospital, on February 8th.

He was born at Aubrey, Que., on June 21st, 1893 and spent all his life in the community.

Mr. Orr was a highly respected citizen, faithful to his church and a member of the Session at the time of his death.

Though of a quiet nature he enjoyed sports of all kinds. Until recently, when his health failed, he was a keen curler. His presence will certainly be missed around the Riverfield Curling Club.

Mr. Orr was retired from the Bell Telephone Company and was a member of Telephone Pioneers of America.

He leaves to mourn his loss, his wife, the former Lydia J. Craig; two sons Willard and Raeburn, their wives Phyllis and Rose and five grandchildren, as well as two brothers, Everett and Osborne.

The funeral service which was held in Howick United Church was conducted by Rev. A. E. Loree, assisted by Student Minister Mr. George Lavery.

Miss Addie Caldwell

We are in receipt of an interesting, albeit regrettable news item from Mrs. John Smellie, which records the recent passing of her cousin, Miss Addie Caldwell of the Flanagan Hotel, at the Alice Hyde Hospital, Malone, N.Y.

Miss Addie Caldwell was born at Malone, N.Y., December 27th, 1868, was therefore in her 96th year of age. She was a daughter of William and Catherine Wright Caldwell, natives of Huntingdon County, Que., who had imigrated to Malone.

After graduation from High School she began her teaching career that fall in the little red brick schoolhouse on the East Main St., Road, now the V.F.W. Club house. A year later she went to Moira to teach, and subsequently became Principal of that School. However, she later entered Oswego Normal School and graduated therefrom in 1894, following which she taught the 7th and 8th grades in the former Bates School in Arsenal Green. In that respect the report says: "She made her pupils take their Arithmetic examinations in January, so that she could teach them Algebra for a half year before going into High School." In 1916 she began to teach Mathematics at Franklin Academy and continued to do so until 1936, when she retired. Incidentally she was also one of the last members of her graduating class at Franklin Academy in 1887. It may also be of interest to quote part of the newspaper report: "Many of her students in later years wrote to her crediting her with the inspiration to become teachers. Over the years hundreds of former students never failed to send her a Birthday or Christmas Card, always with messages recalling old school day experiences they shared with her.

It would also appear from the report that Miss Addie Caldwell kept abreast with teaching practises, inasmuch as that during her teaching career she also took courses at Columbia University in New York City, the University of Chicago and St. Lawrence University in Canton, N.Y.

She leaves two nieces, Miss Georgia Caldwell, Oklahoma City, Okla., and Mrs. Wesley Tillon of Nutley, N.J.; two nephews; Charles and William Caldwell, Morristown, N.J.

Ste. Agnes

Lenten Services

STE. AGNES — On Sunday morning, Mr. Lloyd Martin, Student Minister at Zion Church began a series of sermons related to the Lenten Season. The four girls, Janice Fraser, Gail Watterson, Joan Fraser and Elizabeth Stowell, who sang at the World's Day of Prayer Service, again gladdened the hearts of those who heard them with the sweetness of their clear, young voices.

News from Florida

Mrs. J. E. Platt has received encouraging news from her sister, Mrs. Marion Pharmer, who recently underwent surgery in a Bradenton, Florida hospital. Mrs. Pharmer has sufficiently recovered to return to her home, and is enjoying the company of Earl and Mary Gardiner who are holidaying in Florida, and who stayed with Mrs. Platt's mother, Mrs. Martha Benane while her sister, Mrs. Pharmer, was in hospital.

Celebrates Birthday

Mrs. Mary Davidson celebrated her 80th birthday on Thursday, February 13th. She received several cards and enjoyed a visit with her good friends, Mr. and Mrs. Robert Steven during the afternoon. In the evening she was entertained at the home of her grandson and his family, Mr. and Mrs. Keith McPherson. Also present to help their grandmother celebrate the special occasion were, Mr. and Mrs. Clarence Moore of Huntingdon, Mr. and Mrs. Wayne McPherson, Michael and Crystal of Fort Covington.

Young People

The Young People met at the home of Edith McDonald on Sunday evening with a very good attendance of members. Mr. Martin led an interesting Bible Study based on the Beatitudes. At lunch time Edith served special refreshments in keeping with the spirit of St. Valentine's Day. Since Anne Fraser had celebrated a birthday on Monday, February 17th, the members enjoyed expressing a special "Happy Birthday to Anne."

On February 23rd. Donald Ferguson will play host to the group when 'Recreation' will be the theme.

Visitors

Mrs. Garth McPherson, Graham and Susan of Otterburn Park spent last week at the home of Mr. and Mrs. Clarence Moore and also called on relatives in the Dundee area.

Mr. and Mrs. Duncan McPherson of Valleyfield visited at the home of Mr. and Mrs. Gregor Leslie on Saturday. In company with Mrs. Leslie, they also went on to Bombay where they called at the home of Mr. and Mrs. Lyle Currie.

FRONTIER BOY SCOUT WEEK

An Open House at Cubs took place at Franklin Intermediate School on Monday, February 17th. Parents and friends were invited. Two cubs went up to Scouts.

On Tuesday, February 18th Open House was held at Scouts meeting which took place at Franklin Intermediate School. Two new boys were invested.

On Thursday, February 20th the Father and Son Banquet will take place at the United Church Hall with entertainment and films.

On Friday, February 21st the Father and Son hockey game will take place at Franklin Intermediate School between Scouts and their fathers.

On Sunday, the 23rd, there will be a Church Parade at Rockburn Presbyterian Church at 9.30 A.M. at Rockburn. Later in the month the Cubs will entertain their Mothers at an Afternoon Tea and a Card Party for the last week in February.
