Golden Wedding

Family Fetes Rock Island Couple

ROCK ISLAND — On the occasion of the golden wedding anniversary of Mr. and Mrs. Walter Simoneau, their family planned a happy day which began on Sunday, Oct. 11, with Mass at 10.15 in Our Lady of Mercy church. Rev. G. Guay celebrated Holy Communion, in which the family participated.

MR. AND MRS. WALTER SIMONEAU

At noon a family banquet took place at the Del Monty hotel, where covers were laid for 32 persons, the table was attractively centered with the four-tier anniversary cake, decorated in white with gold and topped with a gold 50 numeral within a wreath of flowers, flanked by gold candles in crystal holders and seasonal flowers.

Mrs. Simoneau who wore a blue figured silk dress, was presented with a gold colored orchid, and Mr. Simoneau with a yellow carnation, gifts of their son and daughter-in-law, Mr. and Mrs. Joseph Simoneau, and four children. Little Miss Monique Pepin, presented her grandparents with a bouquet of golden poms from the family.

Mr. and Mrs. Simoneau were "at home" to about 100 friends from 2-4 and 7-9 p.m. at their Western Ave. home which was tastefully decorated with autumn flowers, gifts to the celebrants.

On arriving home from the hotel, the couple were surprised to find a gold colored evergreen tree adorned with fan design currency in their living room, as well as other gifts.

The guests were received by Miss Therese Simoneau, a granddaughter, and Mr. and Mrs. Simoneau received congratulations in their living room. A guest

book was in charge of another granddaughter, Miss Collette Simoneau.

Refreshments were served from the dining table, decorated with the top layer of the cake, gold candles in crystal holders and gold colored poms. Pourers in the afternoon were Mrs. Leonard Whitehill, Newport, and Mrs. John Danneau, sisters of the groom, and in the evening, Mrs. Calixte Chamberlain, of Magog, a sister-in-law, and Mrs. George Danneau, of Rock Island.

The cake was cut and passed by the daughters, Mrs. Andre Pepin, and Mrs. Leo Lord, and the daughters-in-law, Mrs. Beatrice Simoneau and Mrs. Joseph Simoneau.

Members of the family attending the banquet included the couple's daughters and sons-in-law, Mr. and Mrs. Andre Pepin and Mr. and Mrs. Leo Lord, and Mr. Lord; daughter-in-law, Mrs. Simoneau; son, Mr. Joseph Simoneau; grandchildren, Collette, Carol, Louise and Michael Simoneau, Therese, Albert and Rene Simoneau, Miss Patricia Lord, Monique and Pierre Pepin; also Mr. and Mrs. George Danneau, Mrs. Edward Choquette, Mr. and Mrs. John Danneau, Mr. and Mrs. Leonard Whitehill, Miss Lena Belisle, Miss Doris Seguin, Mr.

and Mrs. Albert Therrien, Mrs. C. Chamberlain and son, Richard.

Mr. and Mrs. Simoneau received flowers from Mr. and Mrs. R. E. Fregeau and family, Mr. and Mrs. Gerald Clark and Clark sisters, the Mayor and Councilors of Rock Island. They also received over 100 congratulatory cards, a letter from Prime Minister John Diefenbaker and a telegram from friends in Scotland, as well as telephone calls.

Among the guests from out of town were: Mr. and Mrs. Joseph Simoneau and family, Broadbrook, Conn.; Mr. and Mrs. George Simoneau, Ayer's Cliff; Mrs. Edward Choquette, Mr. and Mrs. Leonard Whitehill, Newport; Mrs. C. Chamberlain and son, Richard, Magog; Miss Therese Simoneau, Mr. Rene Simoneau, Sherbrooke.

Mr. Simoneau and Josephine Danneau were united in marriage on October 10, 1909, at Stanstead and have lived all their married life here. They have three children and 12 grandchildren. A son, Lawrence, died several years ago.

MELBOURNE
 A new Guild St. Andrew's has been organized through the efforts of the Evening Associate Auxiliary. The officers are: President, Mrs. Douglas Jones, vice-president, Mrs. Donald McIntyre, secretary, Mrs. John Leckie; treasurer, Mrs. Samuel Jardine. The first meeting will be held at the home of the president. All ladies who wish to take an active part in the work of St. Andrew's are cordially invited to attend.

WOMAN'S ASSOC. PLANS CARD PARTY AT SWEETSBURG
 SWEETSBURG — Mrs. Marcel Fregeau entertained the Woman's Association of Emmanuel United Church at the home of her mother, Mrs. Wilfred Gratton. Mrs. M. R. Hodge presided.

Final arrangements were made for a card party to be held in Emmanuel Church Hall on Oct. 22. A large number of very fine prizes donated by local merchants were on display during the afternoon and are much appreciated by the group.

Tentative plans were made for holding a food sale and tea in November with the Woman's Association of Cowansville, in the Church Hall. Date to be decided and announced later.

Refreshments were enjoyed during the social hour. Mrs. Strange will entertain the November meeting at her home.

CLEVELAND —
 Mr. and Mrs. C. W. Blesse, of Montreal, were Thanksgiving weekend guests of their daughter, Mrs. J. S. Aspinall, Mr. Aspinall and Miss Christine Aspinall.

Mr. Lee Hayes, of Montreal, was a guest of his cousin, Mr. John Wilkins, and Mrs. Wilkins.

Show Business

HOLLYWOOD (AP) — What was Errol Flynn really like behind the role he played in life as the pleasure-loving man of the world? The answer: A pleasure-loving man of the world.

For if Flynn had any moments of doubt and depression, he never showed them, even to his closest friends. Psychiatrists might argue that his twin hobbies of booze and babes were the result of basic insecurity, perhaps caused by his roving youth.

Flynn couldn't have cared less for head-shrinkers' theories. He continued to pursue the life he loved, pausing occasionally for flings at matrimony. Through thick and thin, he was persistently debonair.

Like Mario Lanza, who died a week earlier, Flynn had monumental money troubles. But while they helped to unhinge Lanza, financial problems bothered Flynn not at all.

BILLS PILED UP
 Once he found himself in alimony arrears to two ex-wives and owing \$820,000 back income taxes—plus hotel and bar bills on two continents. His comment: "I may have to print my own money if my bills keep piling up."

The newspaper files are thick with clippings about Flynn's escapades, yet he claimed "I have never in my life sought headlines nor have I in any way gone after

publicity stunts or anything of that nature."

He didn't have to. He seldom employed a press agent, because he didn't need one. All he had to do was breeze into town and things started to happen.

Flynn was in typical form on my last encounter with him. It was earlier this year in Cuba. Flynn was taking part in the Castro revolution from the Havana Hilton Hotel.

He held court in his suite, with a bearded, rifle-bearing rebel and the inevitable chick whom he introduced as his social secretary. She patted his cheek and brought him drinks from a bar in the corner.

BAPTISM OF FIRE
 The actor told of his baptism of fire—he and the secretary had been blasted out of another suite by a conflagration possibly caused by a smoldering cigarette.

"The whole place was aflame, but I didn't panic," he said. "I called the front desk and told them about it. The place was soon swarming with rebels. They thought it was a plot against their leader, who is also staying in the hotel."

"It is surprising how I viewed the whole thing with detachment. It was the same way up in the shooting in the hill country. I guess it was my years of training in those Warner Brothers pictures. Actual danger seems unreal to me now."

Flynn followed excitement and vice versa, and the movie world has lost much color with his death after 50 riotous years.

Has poor health made you uninsurable?

It can come to many people — a serious health problem before they own enough life insurance to meet their family's minimum requirements. If this has happened to you or if your application for insurance has been declined on a medical basis recently, we suggest you check with the Man from Manufacturers.

He represents a company that practices the maxim that life insurance should be available to as wide a group of people as possible. Manufacturers Life in fact was the first company in Canada to offer life insurance to men and women with diabetes. Many people with coronary artery disease have qualified for Manufacturers Life policies over the past 5 years. Our experience with both these impairments has enabled us to revise rates downward.

Whatever your physical condition you can be sure of careful and individual consideration of your application at the Manufacturers Life.

'Do It Yourself' Fire Department Enlists Support Of Townfolk

The mayor of Disraeli — whose town has been without firemen since their mass resignation Saturday night — has called on citizens to help combat fires should they break out.

"If there is a fire, citizens that know how to operate the fire pump will be called upon for their services" Mayor Edmond Beaudoin told the Record today.

The town's 11 volunteer firemen resigned Saturday night.

SPECIAL TO THE RECORD

The resignation of the firemen followed the dismissal of fire and police chief, Hercule Goulet, the same night.

At the time the firemen walked out, council was in the process of hiring Felix Lecours as temporary fire and police chief.

Mr. Goulet was dismissed after he refused to turn in fire and police reports unless he received a salary increase, according to council.

A full time chief together with firemen are not expected to be hired before the Nov. 2 council meeting, the mayor said.

Following the dismissal Saturday night, four candidates presented themselves for the job, and Mr. Lecours was named temporary chief.

The other candidates were: Jules Roy, D. Boissonneault and Armand Springneur, all of Disraeli.

Electric Meter Bids

Identical Tenders Said Anti-Trust Breach Council Disagrees; May Draw 6 From A Hat

A suggestion that five identical tenders to supply the city with 300 watt-hour meters be referred to the Federal Department of Justice as a breach of the Canadian anti-trust laws was turned down by city council last night.

The suggestion came from centre ward alderman Carrier Fortin after the council opened tenders from four local and one outside company all bidding the same price of \$21.70 per meter.

Council decided that instead of referring the matter to Ottawa, a sixth company—Shawinigan Water and Power Company—will be asked to submit tenders this week.

It was decided that if this company's prices are lower, the 300 watt-hour meters will be bought from them. But if the prices are the same, all the tenders will be placed in a hat and drawn.

EQUAL NUMBER

Ald. Carl Camirand suggested that an equal number of meters should be bought from each company. But this idea was rejected after Ald. Nicol said that this was exactly what the companies were expecting of the city.

"The contract should be given in its entirety to one company" Mr. Nicol said.

Mr. Nadeau contended that if an equal amount of meters were bought from each company, it would mean added complications for the city's actuarial department.

"In future, if companies are not more serious in the submission of their tenders, the city should buy its watt-hour meters out of town" Ald. Antonio Pinard said.

The last watt-hour meters bought by the city were bought for \$21.20, fifty cents cheaper than last night's price.

Revenue Department Agrees Laws Tough To Administer

No new instructions have been sent to customs officers at the Rock Island, Que. - Derby Line, Vt., border crossing point, Revenue Department officials in Ottawa said yesterday.

A department spokesman said the department realizes the customs laws are tough to administer at a spot like this, where United States territory is just down the street.

He agreed that there could be resentment if the situation had been "tightened up" after years of easy-going administration.

Stantead and Rock Island are just across the border from Derby Line, Vt. The three are, in effect, one community with residents using the same stores, theatres, churches and public utilities.

H. E. Goodhue Former Trust Director Dies

Funeral service will be held tomorrow at 2 p.m. in the R. L. Bishop Chapel, 300 Queen Blvd. North for Harold Edward Goodhue, a former director of the Sherbrooke Trust Co., who died at his home, 1301 Bradley St. yesterday.

He was in his 82nd year, and had been in poor health for the past two years.

Mr. Goodhue had been retired for the past ten years from his positions as director of the Sherbrooke Trust Co. and president and general manager of the old Eastern Townships Lumber Co.

Mr. Goodhue, son of the late Mr. and Mrs. E. C. Goodhue of Sherbrooke, leaves to mourn his passing, his wife, V. Florence Byrd; one sister, Mrs. Jack C. Nutter of Toronto; a nephew, Edward C. Goodhue of Ottawa, and a sister-in-law, Mrs. Clifford C. Goodhue of Rockcliffe, Sherbrooke.

Rev. M. W. Williams will officiate at the service. Interment will be in Elmwood Cemetery.

Bond Agent Is Chosen

The Dominion Securities Corp. Ltd., has been chosen at the negotiating agent by the City of Sherbrooke for the sale of \$2,500,000-worth of bonds to be sold on the American market.

A commission of three quarters of one percent will be given the company by the city, if the bonds are sold within two weeks.

The average interest cost to the city will be 6.17 per cent. The coupon rate was 5.58 and the bonds will be sold at their full face value.

Last Sept. 2, \$2,860,000 worth of 20-year serial bonds were sold by the city on the Canadian market to the Dominion Securities Corp. Ltd.

The bid was of \$2,707 and carried a coupon rate of 5 1/2 per cent.

Wedding Trees

LONDON (Reuters) — A "park of wedded bliss," where Russian newlyweds plant a pair of trees on their wedding day, has been established in a Russian town. Announcing this today, Moscow Radio said the plan was suggested by a local couple who wrote to their newspaper at Troitsky in the Chelyabinsk region saying that trees and flowers ennoble life.

Negroes Ousted

PINE BLUFF, Ark. (AP) — Negro male carhops have been taken off their jobs at a drive-in restaurant after a throng of white men boycotted the place and warned the owner to get rid of them. Tommy Priakos, the owner, said the two young men, students at Arkansas college for Negroes, had not been fired. "I'm just holding back until things kind of cool off."

Wandering Life Requires Close, New Friendships

New friendships are the most valuable contributions to a nomadic life.

No matter how much a person moves around, he still needs close friends, said Mr. Henry McRandal, District Freight Agent for C.N.R. in Sherbrooke, who was guest speaker at the regular Kiwanis Club meeting held last night.

Mr. McRandal, who was born in Belfast, Ireland, and moved to Canada at the age of three, has travelled widely in North America and Europe, and so felt better qualified to deliver a speech on the topic, "Some Random Thoughts of a Nomad," rather than about railroading.

The conclusion which he has reached through his travels, is that all people everywhere think and live in pretty much the same manner. The same motives make us tick, he said.

The guest speaker was introduced by John Claude and thanked by Rick Alley.

Prison Record Makes Life 'Hard' — Judge

A prison record is a blot on a young man's life, Sherbrooke's District Court judge warned four Coaticook youths yesterday.

"If today's youth understood how hard it is for them to go through life with a record," Judge Redmond Hayes said as he gave the quartet a suspended sentence, "they would think twice before exposing themselves needlessly to a jail term."

Three of the four men pleaded guilty to stealing \$4.50-worth of gasoline from the Cooperative Agricole de Coaticook, Oct. 19. But all four members pleaded guilty to the illegal use of the automobile of Leon Rodrigue of Coaticook.

Jean Paquette, 20, who pleaded guilty only to the one charge of illegally using the car, was asked by Judge Hayes if the three other members of the gang were his bosom buddies.

"Not anymore" Paquette replied.

"It is just as well, they would have contaminated you" the Judge said.

The three other members of the group, Paul Peloquin, 18; Marcel Lemieux, 19 and Jacques Ouimet, 18 were also given suspended sentences because of their youth.

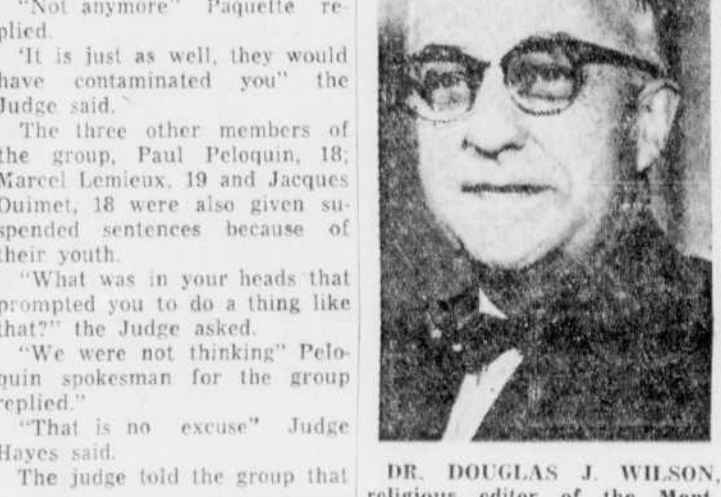

"What was in your heads that prompted you to do a thing like that?" the Judge asked.

"We were not thinking" Peloquin spokesman for the group replied.

"That is no excuse" Judge Hayes said.

The judge told the group that

Brucellosis Dairy Threat

Farmers Winning Disease Battle

MAGOG — (Special) — Regional farmers are waging a winning battle against brucellosis, commonly known as Bangs disease, which is recognized as one of the greatest threats to dairy herds today. Dr. C. Harris, Magog Vet, told Magog Kiwanians and their farmer guests last night.

The club was hosting agriculturalists from the district on the occasion of their third annual farmers' night, held at the Cabana Lodge.

This annual meeting is designed to enable local citizens to gain a clearer idea of the problems faced by farmers, and to give the rural guests an opportunity to see a service club in action.

Brucellosis causes a loss in milk production and the annual calf crop. Dr. Harris said, and pointed out that this infectious disease is a tremendous threat to the cattle and dairy industry.

It also deters breeding, and if not controlled, can spread very rapidly. The same infection among humans is recognized as undulant fever.

Dr. Harris discussed sanitation and vaccination programs, which are proving most successful in curbing brucellosis. Reg. Connor, president of the Stantead County Plovermen's Association, said that such a program was being presently conducted in his county to control the spread of Bangs disease.

Mr. Connor also thanked Dr. Harris on behalf of the farmers attending.

The speaker was introduced by past president Jack Peters, and thanked on behalf of the club by Archie Juby.

Among the guests present were Dr. Roger Charpentier, president of the Magog Lions Club, Donald McMillan and Narcisse Dery, agronomes from Compton and Stantead Counties.

Camille Bernard, Taft Cameron and Garret Chapman of the Lennoxville Experimental Farm also attended, with farmer representation from Magog, Barnston, Austin, North Hatley, Cherry River, Coaticook, Stantead, Georgeville, Katevale and Cookshire.

Cliff MacDonald, president of the Magog Kiwanis Club, in his chair of office, welcomed the guests.

To Buy Parking Meters

A total of 394 parking meters at a cost of \$29,932.55 will be purchased by the city, it was decided by council at their regular session last night.

Of the 394, 268 will be installed on Wellington and King streets while the remaining 126 will be placed in parking lots.

The lowest tender in each case was accepted by council.

Meters to be installed on King and Wellington streets are \$71.45 each while those to be placed in parking lots cost \$76.45.

Metered parking for Wellington and King streets was passed by council at the Sept. 29 session following a report from Police Chief Edouard Moreau.

In his report, the chief suggested that on Mondays, Wednesdays and Fridays parking be allowed on the west side of Wellington street with a 10-cent charge and a one-hour time limit. On these days, parking will be prohibited on the east side of the street.

On Tuesdays, Thursdays and Saturdays, one-hour meter parking will be allowed on the east side of Wellington, and parking will be prohibited on the west side.

On Sundays free parking will be permitted on both sides.

The meters are to be covered are expected to improve the flow with hoods when not in use.

These new parking regulations of traffic through the city's main streets.

A Sense Of Duty

It seems almost impossible that someone can be criticized for doing his duty.

But this is what is happening in the tri-town border communities of Stanstead, Rock Island and Derby Line where the Canadian Customs Collector Mr. Louis K. Shephardson finds himself under fire from district residents.

Mr. Shephardson, who succeeded the former Collector, Mr. Edward Struthers on his retirement in April, has instructed his staff to follow the letter of the law in its dealings with persons crossing the border.

No right thinking person can find real fault with this principle. Laws are not made to be broken — or to be winked at.

But there is another side of the pic-

ture. Over the years, these adjoining communities have become a socially integrated community — a showpiece of cooperation on the undefended border between two great nations. Church congregations and clubs are made up of members from both Canada and the United States. Surely this relationship should be encouraged not hampered.

And since these conditions have not caused trouble in the past they should not cause trouble in the present or in the immediate future.

Surely Ottawa can work out a new application of the customs regulations that will be acceptable to the residents affected and at the same time not force the Collector to go against his own sense of duty.

Federal Payroll Expands

The number of employees on the federal government payroll has risen to a new high of 182,944, an increase of 2,000 in a single month, according to the Dominion Bureau of Statistics.

This may explain to a degree why the government cannot find the funds required to grant the civil servants the wage increases to which they believe they are entitled.

Apparently the administration is failing to take advantage of the tremendous advances in office equipment. Electronic machines have been developed which will carry out in an hour

computations that a large staff could do only in a month.

Despite the increased burden placed upon the civil service when the government decides to carry out this or that pledge to the electorate and assume some new responsibility, the installation of new electronic devices should be able to take care of the load, by the proper redistribution of staff. Reduction of the civil service through deaths and retirement should be apparent as new machinery is introduced. Then better salaries might be available for the remaining employees.

No Interference With Judiciary

The New Brunswick Federation of Labor, according to news reports, has adopted a resolution asking Justice Minister Fulton to investigate circumstances surrounding a recent decision of the New Brunswick Court of Appeals affecting the doings of certain unions involved in litigation in that province.

Whatever may be the grounds for the Federation's request, the Justice Minister should reject it out of hand. Rights in law between parties before the courts must be decided by the judiciary and the judiciary alone.

The very fact that the Supreme

Court of Canada has already refused leave to the union involved to appeal the New Brunswick court's decision should end the matter.

For the New Brunswick Federation of Labor to suggest, as its resolution would appear to do, that any court decision should be subject to review by the executive branch of government would jeopardize the fundamental principle of the independence of the judiciary.

And once this principle of judicial independence is undermined, the entire basis of freedom and liberty is threatened dangerously.

Press Comment

SKIN-DIVERS LOCATE LOUISBOURG RELICS

(Cape Breton Post)
When we consider all that was done long ago to erase Fortress Louisbourg from the face of the earth, the findings of skin divers in the harbor and of archaeological delvers in the fortress earth seem the more remarkable.

After generations of plundering by souvenir hunters on the fortress site, historic relics have been scattered beyond recovery, the fortress museum made the poorer for lack of the exhibits rightly belonging there.

Fortunately, skin diving has been a recent adventure, and what the underwater swimmers discover of historic worth will be preserved where it belongs. The enterprise of the Cape Breton Underwater Club in this respect, is admirable. During the past summer the members have turned up remnants of the 64-gun French warship *Bienfaisant*, believed sunk during a British attack on the French garrison at Louisbourg in 1758.

JUDGES AND POLITICS

(St. Thomas Times-Journal)
The independence of the judiciary from political interference of any sort lies at the very heart and core of democracy and freedom. This is something which is well known to every member of Parliament and the relationship between Parliament and the provincial legislatures on the one hand, and the courts on the other, has for the most part been beyond reproach.

If politicians should refrain from meddling in strictly judicial matters, by the same token judges should be careful not to meddle in politics. This being so, the recent dispute between Mr. Justice Thorson, of the Exchequer Court of Canada and Walter Owen, QC, a prominent Vancouver barrister and past president of the Canadian Bar Association, is disquieting.

Mr. Justice Thorson's error lay in the fact that in the

COURSE OF THE DISPUTE HE CHOSE TO ATTACK BRITISH COLUMBIA'S NEW LABOR LEGISLATION, POPULARLY KNOWN AS BILL 43, AS UNFAIR TO LABOR. OPPOSITIONERS OF THE LEGISLATION, AND IN PARTICULAR THE CCF IN BC, HAVE BEEN QUICK TO SEIZE UPON AND EXPLOIT MR. JUSTICE THORSON'S REMARKS.

What makes the incident serious, however, is that it is highly improper for any judge to condemn, approve, or express any opinion in public about any law, provincial or federal. In attacking Bill 43 as unsound, Mr. Justice Thorson has created a situation in which politicians and others may feel equally free to attack the decisions of this country's court. Were that to happen, it would be a sorry day indeed for the independence of the judiciary.

RESPECT A SPANKING

(Sault Star)
It is difficult to agree with the wishy-washy attitude of the Ontario Public School Trustees' Association in regard to corporal punishment.

In all probability, most parents in the world know that respect for a good spanking is one of the most civilizing influences upon young, high-spirited animals; and to most children, a few well delivered blows with a cane are preferential to long-drawn-out punishments such as confinement in a training school or probation. At the same time, they can be painful enough to be avoided in the future.

OLD, OLD "BEATS"

(Hamilton Spectator)
An American professor has done a new translation of the Satyricon of Petronius Arbiter. This production which has enjoyed a rather shady reputation as something between a classic and a pornographic book, suddenly emerges as the ancient counterpart of the work of the modern beatniks and the Angry Young Men. The new translation puts this work, which was written in the days of Nero and which reflects life among the "fast" set of disillusioned young men in

that colorful if dangerous age, into modern American idiom, slang and all. Strange to say, critics agree that this is precisely the language into which Petronius should be rendered and that the new translation is most impressive.

Up to this time Petronius had been translated by classical scholars, addicted to flowery phrases, or by persons in search of something to be published in a limited edition for collectors. But Petronius, it is now quite clear, was more "beat" than any modern beatnik, and as angry as any young man in an age of disillusion and frustration. So what seems novel and surprising to some in this generation is really a very old story indeed.

CAN AFFORD PEACE

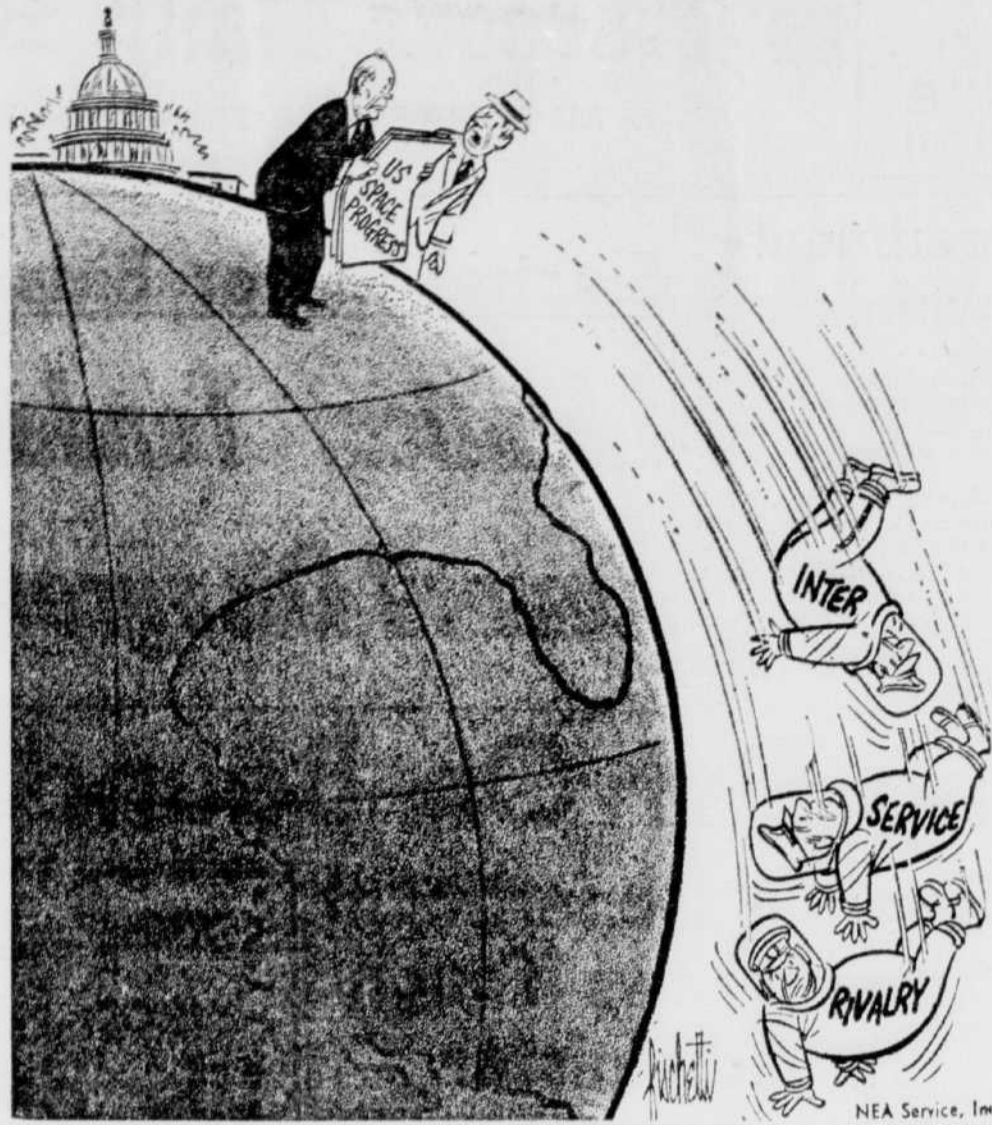

(Toronto Financial Post)
Can the free world survive disarmament?

It is damnably folly if our leaders do not sincerely and seriously apply themselves to this goal. But it is folly, doubly damned, if anyone anywhere pauses in the pursuit of this "because it would be bad for business."

The kind of war for which the world is now so frantically preparing is apocalyptic—the end of civilization. Against that appalling prospect, there is hardly any importance at all in the soaring prosperity of any business, in the continuing rise in the standard of living of any group of people, in the survival of anybody's doctrinaire concept of capitalism, free enterprise or whatever they want to call it.

So if there are any capitalists or free enterprisers who are afraid of real peace breaking out, let them leave their offices and go dig their bomb shelters and their graves. If the capitalist or free enterprise system depends for its survival on an arms race—which inevitably, eventually leads to disaster—then it isn't worth having.

"Aren't They Supposed to Go Up?"

Guards In Retreat

Palace Sentries Behind Bars

LONDON.—Putting the Buckingham Palace sentries behind the heavy iron fence, in full retreat from tourists, seems to be making everyone extremely happy, except the sentries.

Newspapers are fully occupied taking credit for first suggesting this sensible move. Britons are busy writing to editors to congratulate the war office on its humanity, and radio commentators are working full time to say it should have been done years ago.

But it seems no one thought of asking the sentries. They only get their names in the paper when they kick someone in the shins or rip the seat out of their pants. They are hopping mad this time. Pte. Tom Gill, six-foot, two-inch Grenadier Guardsman, pulled back his shoulders, stuck out his chest and announced: "It's a dead loss."

The guardsmen feel they have an important task to do—guarding the Queen.

The fuss began when an American woman complained that a guardsman kicked her in the shins. He was sentenced to 10 days' solitary confinement. A few

days later another guardsman ripped his pants and giggling tourists milled around in great glee.

All Britain sympathized with the sentries, who must stand rigid without moving an eye. Finally, after months of discussions, the war office decided to move them from the sidewalk to a safe spot well inside the fence.

The commanding officer of the Grenadier Guards, Lt.-Col. Robert Steele, is far from happy with the decision. "Surely an American shin is expendable," he says. He feels the entire regiment is behind him.

Guardsman Allan Deakin is even more annoyed. "We shall feel like caged animals."

Guardsman Roy Croucher says "We are being made to retreat." The sentries now will do their marches and snappy turn-arounds a few feet from the palace wall. Policemen will stand at the gates keeping tourists out.

"It's taking the glory out of being a grenadier," says Gill.

I am much impressed by the Quebec premier. In a long bilingual press conference he showed himself to be intelligent, sharp, witty, self-possessed, and unexpectedly candid. He seemed earnest and sincere. There was nothing of the fagged-out stuffed shirt about him.

Somebody asked if Quebec's attitude in federal-provincial relations had changed since he became premier.

"The voice has changed, and

the tone may have changed," he replied quickly, "but the sentiments of the Province of Quebec have not changed."

Quebec government policies are founded on principles which Duplessis believed—and Sauve agrees—reflect the sentiments of the Quebec people.

"Any prime minister of Quebec would not remain prime minister very much longer" if he went against those principles, Sauve asserted.

Obviously Sauve will hold firmly to principles: the protection of Quebec's language rights and way of life, the maintenance of control over constitutional revenue sources, and the maintenance of all the rights and responsibilities that were Quebec's at the time of Confederation.

But where there can be a great difference between the Duplessis regime and the Sauve administration is in policies and attitudes. Duplessis defended Quebec's rights by perching on a pillar of stubbornness. The new man has shown a willingness to climb down and, in a spirit of flexibility and responsiveness, to explore specific problems in the hope of finding solutions which will not demand any sacrifice of principle.

It is politically impractical for Sauve to break sharply with Duplessis' policies. A general election was held in Quebec in 1956, and another is normally due next year. Sauve will need Duplessis' help in the next election, and so, whatever his feelings about some of the policies with which he is saddled, he dares not seem to discredit the dead chief by repudiating them.

Already the provincial Liberals, who must develop a whole new hustings pitch as a consequence of the death of their arch-foe and principal target, are hinting that the signs of rapprochement between Quebec City and Ottawa mean that Sauve is getting ready to sell out Quebec's rights and interests in a deal with the Tory government.

Sauve will not want to give his opponents any such election issue. But if he wins the election, the improved climate for Quebec-Ottawa understanding may return big dividends for the nation and for Quebec.

Edmund Halley (1656-1742), English astronomer, was the first to determine that comets travel in parabolas. On the basis of a comet that had appeared in 1456, 1531, 1607 and 1682, he correctly predicted the reappearance of the comet bearing his name about 1757, 15 years after his death.

Letter To Editor

The Editor,
The Record,
Sherbrooke, Que.
Dear Sir:

May we, through the columns of your newspaper, make public the appreciation of the leaders of The Salvation Army for the excellent support given by your publication to the recent Red Shield Appeal.

Indications are that the appeal will again be successful nationally, when delayed campaigns are conducted and all returns are in. This gives cause for gratitude to God.

The part played by the Fourth Estate in bringing the appeal to the attention of the people is fully realized. Fund raising is not easy, therefore it is essential that the public be made aware of The Salvation Army's needs, its purpose and its program.

Thank you for generous and competent assistance.

Yours faithfully,
L. Bursey,
Lieut.-Colonel
National Campaign Director.

Three Village Happenings

Mr. and Mrs. Kenneth Markwell, of Kingston, Ont., were weekend guests of Mrs. Markwell's parents, Mr. and Mrs. A. Johnston, Stanstead.

A successful family style turkey supper was served at the Stanstead South Church Hall, attended by over 250 persons, and served by the Ladies Aid, Helping Circle and 35-Club. The tables were tastefully decorated in autumn harvest theme by the 35 Club and the members were the waitresses. Members of the other two societies were in the kitchen and under the general chairmanship of Mrs. Lloyd Selby.

Thanksgiving holiday weekend guests of Mr. and Mrs. E. J. Curtis, Stanstead, were Mrs. E. Gill, her son-in-law, Manfred and daughter, Gloria, and Mrs. S. Smith, all of Verdun. Mr. Smith remained in Magog, where he was a guest at the home of his son, principal of the Magog High School, and his family.

Mr. and Mrs. Carroll Smith have returned to their home in

Rock Island after a week's motor trip to points of interest, and visiting friends in New Brunswick, Nova Scotia and Gaspe.

Mr. and Mrs. Harry Farrow, of Stanstead, spent the Thanksgiving holiday weekend in Montreal, guests of their nephew and niece, Mr. and Mrs. William Thomson.

Mr. Owen Wheelock, a student at Macdonald College, Ste. Anne de Bellevue, spent the holiday weekend with his parents, Mr. and Mrs. Raymond Wheelock, Rock Island, and with friends in Gorham, Me.

Mr. and Mrs. Arnold Thayer, Mr. Clarence Thayer and Mr. Stanley Thayer, of Fitch Bay, were Thanksgiving guests of Mrs. Thayer's parents, Mr. and Mrs. Cecil Whiteman, and Mrs. Austin Whiteman, Rock Island.

Mrs. Raymond Wheelock, Rock Island, was in Montreal, to attend the teachers' convention. Mayor Raymond Fregeau, and several of the Rock Island town councillors were in Pleasant View Hotel, guests of the Southern Canada Power Co.

Mrs. Lola Clark, of Glover, Vt., spent a few days with Mr. and Mrs. B. E. Wilson, Derby Line.

Wasting "Untold Millions" Argue Says Of Defence

WOOD MOUNTAIN, Sask. (CP) — Government defence policies, based on Second World War concepts, are "wasting untold millions annually on useless defence and leaving the nation in terrible danger of annihilation," Hazen Argue said Monday night.

The CCF leader in the Commons said at a public meeting the government must re-assess its entire defence and civil defence policies.

Mr. Argue said the government apparently believes there is a defence against the H-bomb and that Canada would survive in an all-out nuclear war between the United States and Russia.

"However, I am not convinced that survival is possible in thermonuclear war."

In the event of war, the best

military estimates were that Russia would strike with 1,000 bombers each carrying two H-bombs. There was no reason to hope that less than half of the bombers would reach their targets. If such an attack were made on the U.S., "it seems obvious that quite enough radio active fallout would spill over into Canada to kill the great majority of our people."

Mr. Argue said it is time the government explained the basis of its conclusion that survival under H-bomb attack is possible.

It should say whether enough bombers could be shot down to save the nation, whether family civil defence shelters will give adequate protection against radioactive fallout and from all-out nuclear attack, and how much fallout is expected in the event of such an attack.

"The government simply cannot grasp this new concept that all-out war has become impossible."

"Up until 1945, defences always were found to new means of attack. Well, that time is past. Each H-bomb is 2,000,000 times more powerful than the biggest blockbuster dropped in the last war. If such an increase in magnitude does not call for new concepts, for the life of me I don't know what does."

Woman's Assoc. Holds Meeting In Beebe

BEEBE — The Woman's Association of Wesley United church met in the church parlor with the president, Mrs. Beverly Haselton in the chair. The devotional period was conducted by Mrs. George Wilkinson.

A report was made by the executive on furniture purchased for the parsonage. It was announced that an induction service will be held for Rev. R. Rogers, on Oct. 30. Mrs. F. C. Miller was appointed in charge of refreshments.

Plans were made for the annual turkey dinner to be held on October 21, and the following committees were appointed: Kitchen, Mrs. J. Ewin, Mrs. A. Pocock, Mrs. C. Flanders, Mrs. J. Silvester; solicitors, Mrs. H.S. Beane and Mrs. N. Somerville will select solicitors for the various streets; tickets, Mrs. C. Nutbrown; advertising and posters, Mrs. Gordon Laberee and Mrs. F. C. Millar; diningroom, Mrs. B. Haselton.

Nov. 21 was the date set for the Christmas sale and supper and final plans will be made at the next meeting.

Mrs. Beane again requested members to hand in used nylon stockings to be sent to Korea where women there will re-weave them. Anyone who is not a member but has stockings that may be used in this way may leave them with Mrs. Beane and they will be gratefully received.

At the close of the meeting Mrs. Norman Somerville spoke to the ladies of her recent Cross-Canada Tour which she, along with her husband and friends, enjoyed, and she handed around picture folders and cards as she described the many spots they visited.

Refreshments were served by Mrs. John Silvester and Mrs. John Ewan.

Mr. Jones expressed thanks to the local officers and collectors, who had done so well in organizing such a successful canvass.

It was decided that the Presbyterian church will organize the canvass next year, providing both a president and a secretary-treasurer for the one-year term. The offering amounted to \$11.50.

Mr. Jones spoke on the work of the Bible Society, and he told of the increasing demand for Bibles in Communist countries.

A film, The Leaves of the Tree, was shown, telling the story of a young Scandinavian couple who dedicated their lives to spreading Christianity in Ethiopia. They translated the Bible into the Tigrinja language, the widow completing it in her 95th year.

Bruce Moffat, president of the local society, thanked Mr. Jones.

Mrs. Minnie Kennedy, from Rosalind, Alta., and Mrs. R. Dymond, from Calgary, and Mrs. E. Mayo, of Ottawa, Ont., have been visiting Mrs. Kennedy's brother, Mr. C. F. Thomas. Bible Soc. Holds Annual Meeting At Richmond

RICHMOND — The Richmond and Melbourne branch of the British and Foreign Bible Society held its annual meeting in the United Church Hall.

Rev. H. I. Apps introduced the special speaker, Rev. T. Dale Jones, District secretary of the Society, who also presided over the meeting.

Mrs. H. Frazer, organist, presided for the hymns and a short devotional service was held.

The minutes were read by the secretary-treasurer, Lorne Taber, who also reported that \$548.21 has been sent to District headquarters.

Mr. Jones expressed thanks to the local officers and collectors, who had done so well in organizing such a successful canvass.

It was decided that the Presbyterian church will organize the canvass next year, providing both a president and a secretary-treasurer for the one-year term. The offering amounted to \$11.50.

ADULT COLD TREATMENT ROUTINE ISN'T FITTED TO CHILD'S NEEDS By Harold Thomas Hyman, M.D. Written for NEA Service In most households a routine for treatment of the common cold somehow gets established. So far as most family doctors are concerned, this is satisfactory. Few physicians find the adult with a head cold a welcome visitor to their waiting rooms. Even fewer want to pay a home visit to the grownup with a common cold. But all agree that it may be a grievous error to rely on home treatment for the infant or youngster who seemed to have nothing more than a "runny nose." These are the reasons you ought to call your doctor to see the baby, the preschool youngster and the schoolboy or schoolgirl who has the sniffles: -What appears to be a mere head cold may be the earliest manifestation of a much more serious infection, like measles or poliomyelitis. At this stage the diagnosis is difficult to a well-trained physician. It is next to impossible for the amateur. Delay in diagnosis deprives the patient of early treatment when the most can be accomplished. It also favors household spread of the infection, which is most highly communicable in its first stages. -In babies and youngsters, the common cold rarely confines its damage to nose and throat. Almost always, the area of inflammation spreads to involve sinuses, middle ears, bronchi, lungs and lymph glands. Before secondary bacterial invasion can occur in these delicate tissues, already damaged by the virus, effective doses or shots of penicillin and other "miracle drugs" of similar action may prevent complications that would certainly prolong the illness and perhaps threaten the life of the young patient. -The young child may suffer disastrous results if he is given the routine household treatment used for care of infected adults. For example, the baby may have become sensitized to penicillin previously given to the mother or the cow and excreted in milk. Under these circumstances, administration of penicillin may cause an attack of hives or asthma, or it could even result in sudden death. Azain, rapid absorption of a powerful drug that shrinks the nasal membrane when drops are put in the nose may produce convulsions or loss of consciousness. To be sure, these disasters could conceivably follow a course of treatment prescribed by your doctor. But they are much more apt to be the result of amateur treatment and, when this occurs, your conscience may give you a hard time the rest of your life. -At risk of sounding like a calamity howler, I must also caution you against putting oil drops in your baby's nose. Not infrequently, the youngster who has not learned the trick of coughing lets the solution trickle down the back of the throat and collect in the tiny air sacs of the lungs. There they remain and produce what is known as a lipid pneumonia that may never clear up. Since these drops do little good, if they accomplish anything at all, they are best omitted from your treatment. These are the positive suggestions I have for treatment of the common cold in infancy and childhood: -Keep the room cool and well ventilated. -Give the regular diet. If the child's appetite fails, tempt with party foods and drinks like ice cream, lolly pops, cookies, carbonated beverages, custard, peanut butter sandwiches, sliced banana or candies. -Turn the child from side to side every half hour or so. Note whether the upper nostril clears without having to put in medicated drops. If this maneuver doesn't work, cautiously introduce one of the half-strength drops your doctor prescribes especially for youngsters. Please don't stuff the twisted end of a handkerchief or a cotton applicator in your child's nostrils. You'll push more secre-

Missionary Society At Ayer's Cliff Holds Autumn Thank-Offering Meeting

AYER'S CLIFF - The Autumn Thank-offering meeting of the W.M.S. was held in the Church Hall with Mrs. Willard Rexford presiding. Mrs. Seaton read a Thanksgiving letter from Mrs. W. Boomhour, president of Quebec-Sherbrooke Presbytery, and brought a report from the meeting which she attended at Ottawa, referring especially to Miss Ricker's address. Mrs. Johnston noted that the new prayer partner is Rev. Hilda Johnson, replacing Miss Thelma Conway, from whom a letter was read by Mrs. Berwick. The offering was taken by Mrs. White, and dedicated by Mrs. Seaton, and Mrs. Keith had charge of the worship service. Mrs. S. Brown, Mrs. White, Mrs. Ruth Waite, and Mrs. Slack read the Scripture lessons, and Mrs. Keith offered prayer. A duet was rendered by Mrs. Nelson Pierce and Mrs. James Walker, with Mrs. Rexford at the piano. Mrs. F.A. Johnston who was the speaker presented a word picture of Angola, and the W.M.S. Mission station there. She also described the lives of the people some years ago and of the changes that have been brought about by mission schools and evangelism. Maria Chela, who was a student here a few years ago, is now married and working among her own people. After Mrs. Johnston's address Mrs. Pierce and Mrs. Walker rendered a second duet. The benediction was pronounced by Rev. Mr. Seaton, after which tea was served. Appreciated was the presence and kindly interest of the ladies from St. George's W. A. General Notes Guests of Mr. and Mrs. R. G. McHarg over Thanksgiving weekend were, Mr. Robert McHarg and Miss Jean Frazer, of Macdonald College, Miss Geneva Stevenson, of Stoneham, Mass., Mr. and Mrs. Sidney McHarg and Trenny, of Kingsville, Ont., and Mr. and Mrs. Fred West, Drummondville. Mr. and Mrs. Ralph McHarg, of Montreal, were also guests. Miss Dorothy McNeil, of Boston, Mass., spent the weekend with her uncle, Mr. N. W. Lobbs. Miss McNeil has just returned from England where she visited her parents. Many here will remember Mrs. McNeil and Miss McNeil, who spent two years here during World War II. Mr. and Mrs. Ralph McHarg of Montreal, spent the weekend and holiday at their cottage at Elmwood Park, and entertained on Thanksgiving Day, Mr. and Mrs. M. Leith, of Kingsville Falls, and Mr. and Mrs. Jack Leckie and John, of Sherbrooke. Mayor George Mosher has received word from the Public Works Department that the New Government Post Office would be started early in November. It will be erected on part of the Southern Canada Power lot on Tyler Street. Mr. and Mrs. Ralph Cass accompanied their son and family, Mr. and Mrs. Wendell Cass and Stephen, of St. Lambert, on a two-day trip to the White Mountains, N.H. Mr. Roy Gustin, Mrs. Merle Brown, and daughter and little son, of Coventry, Vt., were guests of Mr. Gustin's sisters, Miss Lena Gustin and Mrs. Ora Gill. Miss Clara Wyman, of Fitch Bay, has leased the small tenement of Mr. Walter Keeler. Mr. and Mrs. Maurice Robinson and family, of St. Johns, were week-end holiday guests of Mr. Robinson's parents, Mr. and Mrs. J. B. Robinson, and Mrs. Robinson's parents, Mr. and Mrs. C. L. Tyler. Mr. and Mrs. L. I. Gustin accompanied Mr. Gustin's brother, Mr. Jack Gustin, and Mrs. Gustin of Sherbrooke, on a motor trip to Fraconia Notch, N.H. They also visited Mr. and Mrs. Donald Gustin and family, in Newport Center, Vt. Mr. and Mrs. Ralph Cass entertained on Thanksgiving Day their family at dinner, when covers were laid for 15. Guests included Mr. and Mrs. Wendell Cass and son Stephen, Mr. and Mrs. William Smith, Anthony, Brian, and

Celia Dale, and Mr. and Mrs. Stuart Cass and sons, Thornton and Trevor, all of St. Lambert, and Mrs. W. E. Hurd of this place. Mrs. Alfred Smith spent the week-end with her sister, Mrs. Doris Goode, and mother, Mrs. D. C. Waite. Miss Ruth Walker, student nurse in the Sherbrooke Hospital, spent the week-end with her father, Mr. J. E. Walker, Mrs. Walker and family. Miss Hilda Robinson spent the week-end in Morrisville, Vt., with her sister, Mrs. Roland Drew, Mr. Drew and family. Miss F. V. Remick accompanied Mrs. Bertha Clement, of Barnston, to North Bay, Ont. where they spent ten days visiting relatives and friends. Thanksgiving Service was held in St. George's Church on Sunday evening. The rector, Rev. H. C. Denton, spoke of the people of Canada who were blessed with a good summer and a bountiful harvest. The proof of the harvest was artistically displayed in the arrangements of fruit and vegetables. Each window was decorated and flowers were on the altar. Mr. and Mrs. Royce Martin were responsible for the beautiful arrangements. Mrs. Gertrude Hibbard entertained the Woman's Auxiliary of St. George's Church at her home.

Customs Vary on How to Celebrate Boss' Birthday

A group of secretaries wants to know what is the proper thing to do when the boss' birthday rolls around. Should the secretary have an office party, tipping everyone off ahead of time to bring gifts? Should she forget the party and just buy the boss a gift herself? Should she arrange a lunch at a nearby restaurant with the boss as guest of honor? Or should she just ignore the whole thing? Customs vary in different offices. But if the boss is married (as most bosses are) the wise secretary is careful not to dream up any celebration his wife could possibly object to.

The luncheon, especially if there are cocktails before it is served, may seem just a trifle chummy—from the point of view of Mrs. Boss.

A birthday cake served at the regular office coffee break would seem a more suitable celebration. As for asking everyone in the office to bring a gift, that would probably embarrass the boss himself—and so isn't a very good idea.

If the secretary decides to confine the birthday celebration to a "Happy Birthday" and a gift, she should buy something that is not too expensive and is not too personal.

Getting the boss something for his office would be much more appropriate than getting him something to wear.

But from a purely practical point of view, gift-giving in of-

fices has become such a widespread habit that it is often more of a burden than a pleasure. So where gift-giving hasn't been the custom in the past, it's best not to start it.

After all, the simplest, easiest and least complicated way of recognizing an adult's birthday—whether he is a boss or just a co-worker—is to say, "Happy Birthday" with a great big friendly smile and let it go at that.

Personals

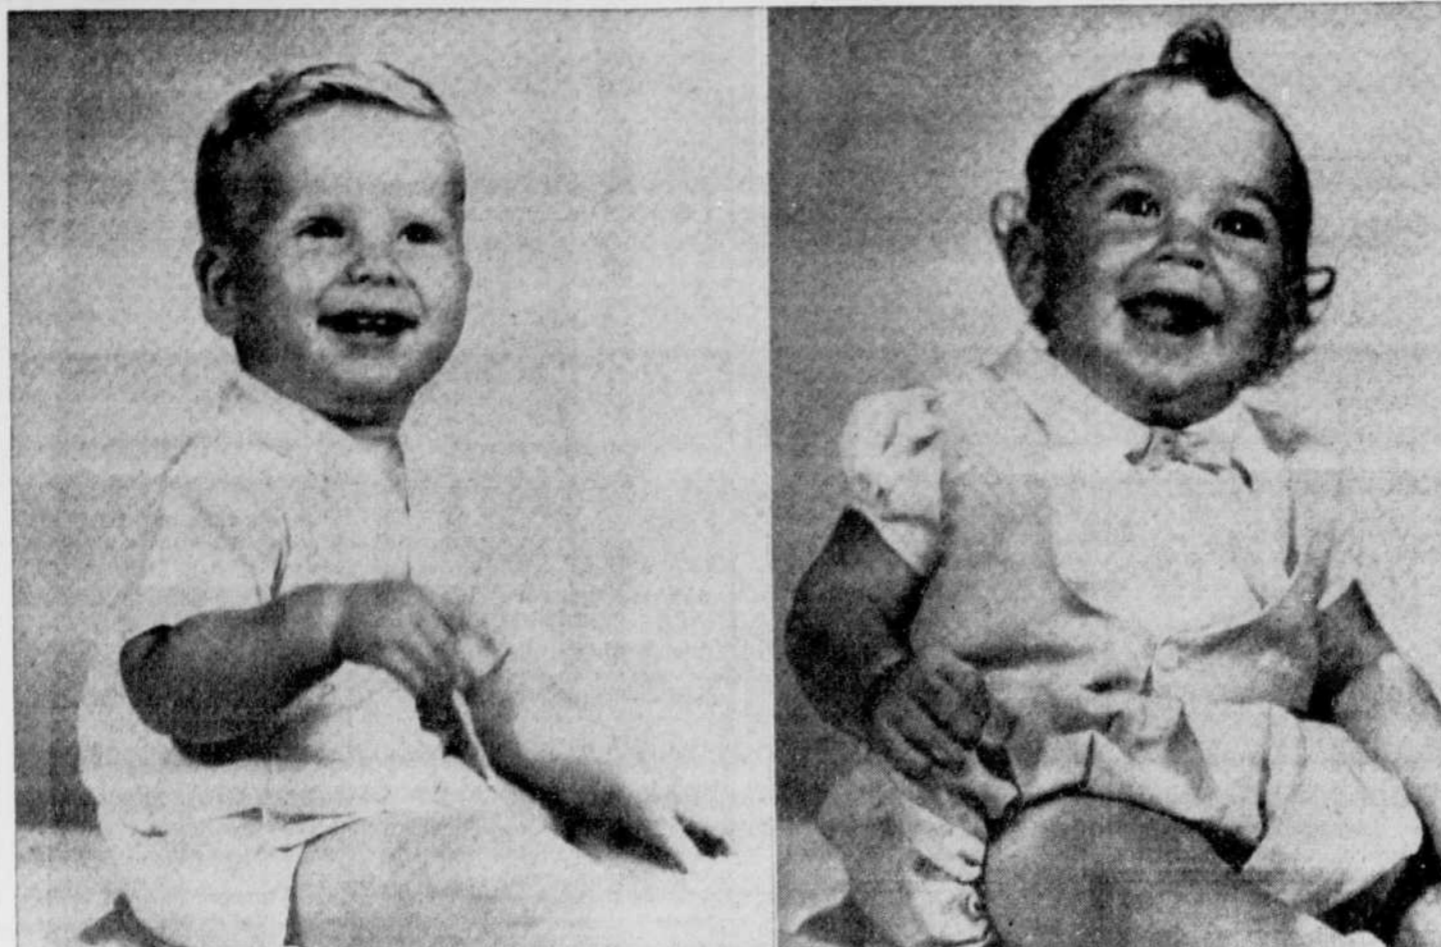

Miss Georgina (Jackie) Buck, was pleasantly surprised when a number of her friends gathered at the home of her aunt, Mrs. Leslie White, Scotch Road, at a delightfully arranged pantry shower, in honor of her approaching marriage which takes place in November.

The guest of honor was the recipient of a number of varied parcels for her pantry shelf, for which she expressed her thanks. Refreshments were later served by the hostess assisted by the Misses Susan and Vicki Buck.

Mr. David M. Watson, of North Sydney, N.S., is a guest of Mr. L. M. Watson, and Mrs. Watson, Clough Ave., Lennoxville.

Friends of Mrs. Mabel Roberts, Queen Blvd., will regret to learn that she is a patient in the Sherbrooke Hospital.

ST. MONICA'S GUILD

The October meeting of St. Monica's Guild was held in St. George's Church hall under the presidency of Mrs. K. Herring.

Archdeacon Matthews expressed the gratitude of himself and his wife for the new heating system installed in the Rectory. He also mentioned the Parish dessert supper to be held in the high school on October 21 at 7.30 p.m.

Following routine reports, the treasurer reported on the satisfactory proceeds of the rummage sale.

Conveners were then appointed for the Christmas sale to be held on November 19. They are as follows: dining room, Mrs. A. Kyle; kitchen, Mrs. F. Smith and Mrs. H. Nichol; food table, Mrs. H. McKay, Mrs. R. Pearce and Mrs. Way; fish pond, Mrs. J. Mitchell and Mrs. A. Hunting.

The president introduced Mr. Fred Vaudry, who gave an interesting talk on flowers and made three beautiful floral arrangements, two of which he gave to the Guild. They were won by Mrs. F. Smith and Mrs. Pearson. Mrs. E. Frost extended thanks of the members to Mr. Vaudry for his talk.

Refreshments were served by Mrs. F. Berry, Mrs. B. Clarke, Mrs. J. E. Findlay, Mrs. Way, Mrs. F. Smith and Mrs. D. Rick.

ST. MARGARET'S GUILD

The regular monthly meeting of St. Margaret Guild, Church of the Advent was held recently at the home of Mrs. George Hadenko, Bromptonville.

The president, Mrs. R. M. Loughheed was in the chair and the treasurer, Mrs. J. W. Wark gave a satisfactory financial report.

It was decided to hold a card party with each member responsible for one or two tables in her home. Plans were also discussed for a food sale.

Refreshments were served by the hostess assisted by her mother, Mrs. Arthur Grey.

The next meeting will be held at the home of Mrs. F. J. Saunders, Murray St.

PLYMOUTH W.M.S.

The Thankoffering meeting of Plymouth Church Affiliated W.M.S. was entertained by Mrs. M. W. Williams at the parsonage, with the president, Mrs. Z. W. Griffith in the chair.

An interesting letter from Miss Ada Sandell was read by Mrs. F. S. Rugg.

An interesting report of the work done in the Mission Band was given by the leader, Mrs. W. Hemming.

The devotional period was conducted by Mrs. N. S. Lothrop, who took as her topic, The Un-

seen Realities of Life. The hymn, Saviour Breathe an Evening Blessing, was sung by Mrs. W. W. Gibson, with Mrs. E. V. Kimmis at the piano.

Refreshments were served by the hostess with Mrs. Lothrop presiding at the tea table.

HUNTINGVILLE W.C.T.U.

The opening fall section of the Huntingville W.C.T.U. was held at the home of Mrs. Wallace Wingate, Sand Hill, Mrs. F. Ingham presiding.

A clip sheet discussion followed on what the different provinces are doing to try to educate the youths on the harmful effects of alcohol.

This group is sponsoring the temperance essay competitions again in three Sunday schools and appreciate the willingness and concern of the teachers in this work.

Mrs. A. Fairbrother superintendent of the Little White Ribbons reported new babies remembered.

Mrs. B. Ingham and Mrs. F. Ingham were appointed to correct the local temperance essays and the prizes awarded the same as last year.

Plans were made to make and fill six sailor comfort bags to be sent to the Sailors' Institute in Montreal. Mrs. B. Ingham will make the bags and various mem-

bers are to purchase the contents.

Mrs. G. Sutherland, treasurer, reported it is necessary to raise more money to carry on the work planned. It was decided to hold a Baked Bean and hot dish supper and sale of food and hand work in the Huntingville Hall on Nov. 7. Donations from those wishing to help in this work will be appreciated.

Following the Benediction a social hour was enjoyed when the hostess served lunch.

TRINITY W.M.S.

Mrs. H. A. Boomhour, presbyterial president, from Ayer's Cliff, was the guest speaker at the fall Thanksgiving meeting of the Trinity Church W.M.S. meeting held on Thursday afternoon in the church parlour.

Taking as her subject, Patterns, Mrs. Boomhour said our lives are ruled by many patterns, and it is up to us to find better and more extending patterns in our work. She spoke of the steady growth of the missionary work, especially that in the far north. The speaker was thanked by Mrs. Fenton Lothrop.

The meeting was chaired by Mrs. Mackie Fuller who announced the missionary rally being held in Plymouth Church on October 20.

The devotional period was conducted by Mrs. Graham Barr, who took as her subject, Service. The solo, To Love Someone More Dearly Every Day, was sung by Mrs. J. Gilbert, with Mrs. Barr at the piano.

Regret was expressed of the loss of a valuable member, Mrs. W. D. Buchanan, who is shortly leaving town.

Refreshments were served by Mrs. B. Crawford, Mrs. C. Drummond, Mrs. C. Campbell assisted by Mrs. W. E. Hodge and Mrs. O. Williams. Mrs. H. Tomkins presided at the tea table.

Prefers House To Night Club:

Former Night Club Singer To Keep Voice For Husband's Choir

By EDNA BLAKELY
Canadian Press Staff Writer
ST. CATHARINES (CP)—Barbara Joan Alcorn, pretty Miss Canada finalist and former night-club singer says she would rather have a house. That's what she told her 39-year-old minister husband, Robert Laidlow Rolls following their marriage here Saturday.

The 27-year-old beauty had just acquired a 10-diamond wedding ring which matches the 13-diamond engagement ring she received when she agreed to give up her career as a nightclub entertainer in favor of life as the wife of an Anglican rector.

Her voice, which has been heard in many posh night spots in Ontario now will be saved for church and charity affairs.

"I plan to sing in my husband's church choir," said the bride. "I may take occasional dates for charity affairs, but at the moment I don't plan to continue my professional career."

Mrs. Rolls, a finalist in the 1955 Miss Canada pageant, met her husband when she visited his church, St. Martin's, in Niagara Falls, Ont.

Following a whirlwind 34-day courtship the couple was married by Rev. Christopher J. Loat, a long-time friend of the groom, before about 400 guests at St. Thomas' Church. Mr. Rolls' own church was too small to accommodate the large number of guests.

The bride wore a gown of white pointe d'ange pure silk taffeta.

FAIR LADY SONG
Her final selection and swan song to her entertainment career and to the crowded nightclub room was "I'm singing in the morning," sung in a voice rich with happiness.

The ceremony was performed in St. Catharines.

At the reception guests were treated to 100 quarts of champagne, 75 quarts of white wine punch, lobster and a 40-pound wedding cake which was baked

by the groom's brother, John Rolls of Toronto.

Today the couple were on their honeymoon in New York City and will appear on the Jack Paar TV show Tuesday night.

The following were installed: Noble Grand, Sister Evelyn Sutton; vice-grand, Sister Helen Stickles; secretary, Sister Isabelle Rowland; treasurer, Sister Rose Heath; altar bearers, Sister Betty Webb, Sister Muriel Knapp, Sister Judy James, and Sister Dorothy Montgomery; right support to vice-grand, Sister Effie Joyce; left support to vice-grand, Sister Minnie Beattie; inside guardian, Sister Dorothy Montgomery; outside guardian, Sister Elsie Jamieson; right altar bearer, Sister Margaret Rowley; left altar bearer, Sister Alice Kinnear Jr.

Rest assured

Once there was a beautiful mother who hardly slept a wink at night whenever she and the children were alone. Now she sleeps peacefully all through the night, knowing the doctor, police, firemen and friends are only a reach away! Because, as you see, she had an extension telephone installed right beside her bed. Thanks to that extra phone her daytime is more peaceful too! The extension saves many a step when she's doing housework... and when the TV is on, or the family is noisy, it's wonderful to slip into the bedroom for a quiet call. Private too when she has guests. Moral: The family with extension phones lives happier ever after!

An Extension Phone costs only \$1.25 a month—even less in some communities. The installation charge is only \$2. To order, just call your Telephone Business Office, or ask the man in the green truck.

THE BELL TELEPHONE COMPANY OF CANADA

Past Noble Grand, Sister Doris Fearnley thanked the retiring officers, who had helped her in the past year, she also thanked the members for the gift presented to her. Sister Sutton, Noble Grand, thanked District Deputy President, Sister Mabel MacKay and staff for the efficient way they installed the officers. Sister Audrey Hall, Past District Deputy president was appointed to hear the secret work and to install the absent officers at a future meeting. Refreshments were served.

... devotion to detail"

The demand for Volkswagens grows constantly. It has kept well ahead of expanding production. Today, Volkswagen is more than a car. It is a household word, a standard for what is good honest value. And that is because you, everyone, can actually "see" the quality in a Volkswagen. It is there in every detail, every part. You don't have to be an engineer to appreciate the way the doors are made. Open them. Close them. They shut solidly with the sound of authority. The hood is the same—no gaping spaces where it meets the body. This is what experts examine with pleasure—find technically excellent.

Such devotion to detail you find in every single part. This makes Volkswagen what it is. And it was Volkswagen who pioneered in mass-production such outstanding features as engine in the rear, air cooling, torsion-bar suspension on all four wheels—all sound engineering principles which other manufacturers are now adopting.

While Volkswagen is continually improving, the same basic design has been maintained. That is why the 100,000 Volkswagen owners in Canada enjoy such a high resale value for their cars.

And everywhere you go, you will find efficient Volkswagen service. From coast to coast, 280 authorized Volkswagen service centres are equipped with genuine parts. Factory-trained mechanics give you efficient, intensive service. All this is backed by a central 5-million dollar Spare Parts Depot at Toronto.

The car, the parts, the service—devotion to detail in every way.

NHL's Muscle Men Move In On Bruins' Uke-Line In Scoring Battle

Nellie Fox Receives Most Votes For 1959 AP Major League All-Star Team, Four Holdovers From 1958

NEW YORK (AP)—Nellie Fox, second baseman of the American League pennant-winning Chicago White Sox, received the most votes for the 1959 Associated Press major league all-star team named today.

Fox was selected on 165 of the 173 ballots cast by members of the Baseball Writers Association of America participating in the annual poll. Two White Sox teammates, catcher Sherm Lollar and righthanded pitcher Early Wynn, also were voted on the team.

Fox was one of four holdovers

from last season's all-star squad. The other repeaters were shortstop Ernie Banks of Chicago Cubs and outfielder Hank Aaron of Milwaukee Braves and Willie Mays of San Francisco Giants.

Oddly enough, no member of the world champion Los Angeles Dodgers was chosen to either the first or second teams.

The remainder of the team included first baseman Orlando Cepeda of San Francisco, third baseman Eddie Mathews of Milwaukee, outfielder Al Kaline of Detroit Tigers and lefthanded pitcher Johnny Antonelli of San Francisco.

Senators Won't Move This Year, Says Griffith

WASHINGTON (AP)—The Washington Senators won't move to Minneapolis this year.

Club owner Calvin Griffith announced Monday night his decision to remain in the capital, where the Senators have been since 1901.

His reason: He found out that some American League club owners refused to go along with the move. It would only take three or four votes to blackball the transfer.

Griffith did a tightrope act last year too about moving to Minneapolis.

Griffith said he agreed with his advisors that the latest Minneapolis offer "is for the best interests of all stockholders" of the club. Thus he seemed to be leaving the door open for another try next year to shift the franchise.

Minneapolis, Griffith said, offered a minimum net profit of \$430,000 a year for five years, a total of \$2,150,000. The last-place Senators drew 615,000 fans here this year. Griffith said the club lost money.

TO SPEAK HERE TONIGHT.

Clarence Campbell, president of the National Hockey League, will be the guest speaker this evening at the weekly meeting of the Sherbrooke Rotary Club. Mr. Campbell is very well known in sporting circles and is president of the Beaconsfield Golf Club and a very keen curler.

Jackie Parker Extends Lead In WIFU Race

Edmonton's Jackie Parker notched two converts and stretched his lead in the Western Interprovincial Football Union's individual scoring race as Eskimos defeated Winnipeg Blue Bombers 21-20 Monday night.

Parker now has 95 points. Winnipeg end Ernie Pitts was held scoreless for the second successive game and trails Parker by 11 points.

B. C. Lions Wallop Roughriders 45-5 For Big Win; Jim Van Pelt Out For Season As Esks Edge Bombers 21-20

British Columbia Lions smashed past Saskatchewan Roughriders Monday night to assure themselves of a final chance to make the playoffs.

Lions whipped the pathetic 'Riders, who mustered an offense of only 46 yards, 45-6 to move into a tie for third place with Calgary Stampeders.

Lions and Stamps, both with 16 points, meet next Saturday in their final game of a 16-game schedule to decide who will face Edmonton Eskimos in the Western Interprovincial Football Union semi-finals.

Eskimos won second place Monday night with a 21-20 victory over Winnipeg Blue Bombers in Edmonton.

Bombers, who clinched first place last week, suffered a more shattering loss when star quarterback Jim Van Pelt left the field in the second half with a shoulder separation. Coach Bud Grant said the injury will put Van Pelt, hero of the 1958 Grey Cup game which Bombers won, out for the season.

Saskatchewan, with two games left, lost quarterback Don Allard for the season when he aggravated a hip injury.

Lions scored 35 points in the last quarter after a game that had been surprisingly tight, considering the statistics.

A crowd of 7,500 saw Saskatchewan lose its 13th game in 14 starts.

Lions made 558 yards, 332 passing, but had only 11 first downs.

A crowd of about 15,000 watched Eskimos and Bombers fight a balanced game climaxed in the last 90 seconds by a converted Edmonton touchdown.

Bombers were in good health going into the game but, besides Van Pelt, three other players were hurt. Halfback Ron LaTourrelle suffered rib injuries and tackles Buddy Tinsley and Steve

Patrick limped off with leg and knee ailments.

Eskimos play their final game next Saturday against Saskatchewan, while Bombers meet 'Riders next Monday in Winnipeg in the final game of the WIFU schedule.

Backstrom Lost With Knee Injury

MONTREAL (CP)—Ralph Backstrom, hustling young centre of Montreal Canadiens who won the National Hockey League rookie award last season, is lost to the club for more than two weeks.

Canadiens management announced Monday that Backstrom pulled the ligaments in his right knee during Sunday night's game in New York and that the knee has been put in a cast. The cast will remain on for two weeks.

There was no immediate plan to call up a replacement for Backstrom, and coach Toe Blake likely will decide on any line changes when the team works out today. Canadiens have been carrying 13 forwards, and Backstrom has been working on a line with Bernie Geoffrion and Ab McDonald.

NFL Wants To Expand For 1960

CHICAGO (AP)—The National Football League is so eager to expand by 1960 that it will even change its by-laws to suit the purpose.

George Halas, owner-coach of the Chicago Bears and chairman of the NFL expansion committee, Monday announced plans to boost the league from 12 to 14 teams by next fall.

"We know we can't get a unanimous vote to expand in our January meeting," said Halas. "Therefore, we will change the by-laws that stipulate this and we know we can get the 10 required votes to do this."

Holding back unanimous approval for expansion is George Preston Marshall, owner of the Washington Redskins. Marshall said in Washington "expansion is impractical, hasty, and definitely would hurt college football."

Halas said 11 of the 12 owners are in favor of immediate expansion. Halas said the owners also favored considering expansion to 16 teams by 1961 or 1962.

Dallas and Houston are the cities named in the expansion.

Dodgers Get Green Light On Chavez Ravine

LOS ANGELES (AP)—The world champion Los Angeles Dodgers have cleared the last legal barrier against construction of their baseball stadium in Chavez Ravine.

The U.S. supreme court dismissed without comment Monday the appeals of two taxpayers that would have blocked Los Angeles from turning over the site to the Dodgers.

Work on grading the site started last month after the California supreme court upheld the transaction.

Dodger owner Walter O'Malley must renegotiate with the Los Angeles Coliseum commission, however, for use of the big stadium 93,000 capacity for baseball in 1960. His rental was \$200,000 a season in 1958 and 1959, plus 10 per cent of the gross of the first nine home games and the concession profits from those nine games.

The new rental price offered the Dodgers may be around \$500,000.

O'Malley has set no firm date for completion of the Dodger stadium. Its cost, he said, has been increased by \$2,500,000, bringing the total to about 15 million dollars.

O'Malley has threatened to play the Dodgers' games next season at Wrigley Field (capacity 21,000) if he cannot come to satisfactory terms on the Coliseum.

Bronco Horvath Still Top Man But Geoffrion And Bathgate Trail By Single Point; Sawchuk Top Goalie

MONTREAL (CP)—Bronco Horvath squeezed out a goal in last week's play and still leads the National Hockey League's point-getters but his Boston Uke-line mates and a couple other Bruins have scattered by the league's muscle men.

A week ago the Bruins were clustered around the top like a bunch of bananas. The new official statistics, released today, show Bernie (Boom Boom) Geoffrion of Montreal Canadiens and Andy Bathgate of New York Rangers have horned into second place only a point behind Horvath.

The scramble is just as tight back of them, with fellows like Gordie Howe of Detroit Red Wings, Marcel Bonin of Montreal and Dean Prentice, Larry Popen and Camille Henry of New York threatening to take over.

Horvath's single goal gave him a total of nine points on five goals and four assists. Geoffrion collected three goals and an assist and Bathgate one goal and four assists. Each has eight points. Geoffrion with three goals and five assists and Bathgate a 1-7 count.

Vic Stasiuk of Boston and teammate Jerry Toppazzini dropped back into a fourth-place tie at seven points with Prentice, who picked up two goals and two assists.

Six players are bunched with six points each. Howe, Popen and Henry moved into the six-point class. Howe scored a pair of goals and Popen and Henry each collected one goal and three assists.

Terry Sawchuk of the undefeated Detroit Red Wings continues to set a blistering pace among the goalies. Sawchuk has been scored on only four times in

five games and has a remarkable average of .800. Closest is Johnny Bower of Toronto Maple Leafs with 2.20.

Hank Aaron And Al Kaline Win 1959 Slugging Championships, First For Both; Aaron Cops NL Batting Title

NEW YORK (AP)—Hank Aaron of Milwaukee and Al Kaline of Detroit won the 1959 major league slugging championships.

It was the first for both, and Aaron, who also captured the batting title, became the fifth player in National League history to reach 400 total bases.

Final statistics compiled by The Associated Press showed Monday that Aaron had 46 doubles, seven triples and 39 home runs among his 223 hits for a slugging average of .636. He had an even 400 total bases in 629 times at bat.

The Braves' star had the highest total base aggregate since 1948, when Stan Musial of St. Louis Cardinals put together 429. The only other National Leaguers to finish with more than 400 were Rogers Hornsby of St. Louis in 1922 and 1929, Chuck Klein of Philadelphia in 1930 and 1932 and Joe Medwick of the Cards in 1937.

KALINE TOPS AL
Kaline led the American League with a .530 slugging

mark. He had 271 total bases in 511 at bats. Included among his 167 hits were 19 doubles, two triples and 27 home runs.

Harm Killebrew of Washington was the runner-up in the American League with a .515 average. He hit 19 doubles and two triples and tied Cleveland's Rocky Colavito for the league home run crown with 42.

Mickey Mantle of the New York Yankees was third with 514 followed by Colavito with 512. Colavito was the last year's slugging champion with a .620 percentage.

Eddie Mathews of the Braves and Ernie Banks of the Chicago Cubs tied for second in the National League at .504. Mathews batted 594 times officially with 353 total bases, including 17 doubles, eight triples and a league-leading 46 homers. Banks, the 1958 leader with a .614 slugging percentage, had 24 doubles, 6 triples and 45 homers among 179 hits for 350 total bases in 589 at bats.

Bobby Neill Not Surprised His Is Underdog In Tonight's Non-Title Fight With Champion Davey Moore

LONDON (AP)—Bobby Neill has fought against long odds ever since he was left crippled and unconscious in a road crash nine years ago.

So the news that he's a 3-to-1 underdog in tonight's non-title fight against world featherweight champion Davey Moore at Wembley Stadium doesn't perturb him one bit. Neill steps into the ring for the 10-rounder as British featherweight champion.

"Doctors told me I would never fight again after that crash in 1950," the quiet Scot said. "I lay in a plaster cast for 18 months."

"But I recovered and fought again."

"Then there was another road crash and again I was told to forget boxing. But I came back again."

"There was also the time my jaw was smashed in a fight. So you can see I've had plenty of fights on my hands."

BIG CHANCE

"But the one tonight is the one I've always dreamed about—meeting a world champion in the ring."

Neill, 26, has one leg three-quarters of an inch shorter than the other because of an accident.

He's won 26 of his 29 fights—eight of the last 11 inside the distance.

Said Moore: "I don't know much about Neill's style, but he must have plenty of guts to have got to the top after all his out-of-the-ring troubles."

Moore, 26, from Springfield, Ohio, and his manager, Willie Ketchum, has promised Neill a crack at the title if he pulls off an upset.

Cookie Gilchrist, Argos' Two-Way Backfielder, Is Still Top Scorer In Big Four, Holds 14-Point Spread

TORONTO (CP) — Cookie Gilchrist, Toronto Argonauts' great two-way backfielder, is still on top in the Big Four football league individual scoring race as the teams head towards their final two games of the 14-game schedule.

Gilchrist is in first place for the third straight week even though he only scored three points as the Argos lost a 4-3 squeaker to Montreal Alouettes Saturday. The three other top scorers, Ron Howell of Hamilton Tiger-Cats, Dave Thelen and Bob Simpson of Ottawa Rough Riders, fared even worse, failing to get a point as Ottawa edged Hamilton 17-16.

Statistics compiled by The Canadian Press show no change in the position of the first seven scorers with Gerry McDougall of Hamilton, who kicked a field goal, being the only one besides Gilchrist to add to his total.

14-POINT LEAD

Gilchrist now has 68 points on nine touchdowns, 14 converts and eight field goals. He is 14 points in front of Howell who has 54 on nine touchdowns. Thelen and

Simpson are still deadlocked for third place with 48 points each on eight touchdowns and three points behind them is McDougall with seven touchdowns and a field goal.

Terry Meyer of Kitchener-Waterloo Dutchmen got two touchdowns Saturday to cement his hold on first place among the Ontario Rugby Football Union Scorers. In 10 games he now has 14 for a total of 84 points 31 more than teammate Mike Norcia who could only add a convert to his previous week's total. Ed Beattie remains in third place with 48 points on eight touchdowns.

Bill Mitchell of the University of Western Ontario maintained his grip on the top spot in the senior intercollegiate scoring race by kicking a field goal and single Saturday to increase his 17 points. After three games he now has four converts, four field goals and a single for 17 points, five more than Bobby Dann of Toronto and John Wydarenny of the University of Toronto who are tied for second with 12 points each on two touchdowns.

Survivors Of First Grey Cup Game To Meet In Toronto, Eight Still Around From 1909 Varsity Blues

TORONTO (CP) — The survivors of the 1909 Varsity Blues, the upstart college team that stunned the Canadian football world by winning the Grey Cup the first time it was put in competition, will relive their victory at a reunion here Oct. 30.

They, and other Varsity greats, will be guests at a University of Toronto athletic reunion dinner to kick off an \$18,000,000 fund-raising drive for university development.

Among the speakers will be Opposition leader Lester B. Pearson, a former U of T footballer and assistant coach.

The actual cup victory in 1909 was almost an anti-climax. It was the semi-final that covered the Blues with glory.

The piece of silverware that now is the centrepiece in Canada's greatest annual sports spectacle had just been donated by Earl Grey, then governor-general.

GIVEN LITTLE CHANCE

The Blues, intercollegiate champions, had to go against Ottawa Rough Riders, kings of the Big Four, and few gave the collegians a chance. The Riders had some of the country's top players on their roster and were coached by Frank (King) Clancy Sr.

In the initial Grey Cup mania, almost 12,000 fans crammed into Toronto's Rosedale Field which seated 3,400. They piled 15 deep at the edge of the field, delaying the game at times, while more clambered onto trees, poles and rooftops.

The Blues trounced the Rough Riders 31-7. They took home the cup later by disposing of Toronto Parkdale, Ontario Rugby Football Union champions, 26-6 in a game that saw the late Hughie Gall kick eight single points and set a Grey Cup record that still stands.

Eight of the 20 players survive, along with two officials.

Canadian Olympic Association To Set Up Medical Sports Advisory Committee; 57 On Winter Team

MONTREAL (CP) — The Canadian Olympic Association has decided to set up a medical sports advisory committee which will have wide scope in its operations.

Agreement to establish the committee was reached at a COA executive meeting Saturday in Toronto, COA president Ken Farmer said Monday. Dr. Paul P. Hauch of London, Ont., was named chairman.

The committee will advise on medical affairs, help to develop Canadian sports in a medical way, work with public health bodies and co-ordinate its work in research, study and testing.

The work of the committee will go far beyond the usual medical examination of athletes named to Olympic teams and will be patterned along the lines of the colleges of sports medicine that already exist in some countries.

Farmer said the organization work for Canada's winter Olympic team under general manager Frank J. Shaughnessy, Jr., of Montreal is well set up. Traveling and clothing arrangements have been completed and the complete team is to be announced after the next COA executive meeting in January.

For the winter games, at Squaw Valley, Calif., in February, the COA plans to send 44 competitors and 13 officials. The breakdown by sports, showing competitors and officials: hockey, 17-4; skiing, 14-4; figure skating, 8-2; speed skating, 5-1; general team officials, 2.

Appointment of officials ratified at Saturday's meeting, were: skiing — nordic: Franz Baur, Ottawa, coach; ladies alpine: Pepi Salvenmoser, of Austria, coach. Hockey — Erne Goman, Kitchener, manager; Bill Durnam, Kitchener, coach. Durnam is coach of the Kitchener-Waterloo Dutchmen who, with reinforcements, will represent Canada.

Other officials for the winter games are to be named later.

SUMMER GAMES OFFICIALS

General officials appointed and ratified for the summer games, to be held in Rome starting in August, are: Chef de mission, Jim Worrall, Toronto; assistant chef de mission, Howard Radford, Montreal; team treasurer, Bill Parish, Hamilton.

R. L. Jack of Vancouver was named manager of the swimming team and John Faulkner, University of Western Ontario, coach. Bill Cleveley of St. Lambert, Que., was named manager of the paddling team and Jimmy Mossman of Toronto, coach.

Deadline for trials for the summer games is July 15. Venues are to be set.

Present plans call for 93 competitors and 24 officials for the summer games. The executive received requests for increased representation in wrestling, fencing the equestrian competitions. These will be dealt with later.

The COA plans to charter a Trans-Canada Air Lines DCS for the flight to Rome, leaving Montreal about Aug. 17.

SHS Swamps Magog 50-0 Meet BCS

Sherbrooke High School romped to a 50-0 score over Magog High Saturday afternoon at the Parade Grounds. This is the local's second win of the young football season. A week ago they ran up a 44-0 victory over Stanstead.

Their next game is against the strong B.C.S. aggregation and this encounter will fully test the Sherbrooke team. The game will commence Wednesday afternoon at 3:45.

Saturday's encounter with Magog was a pretty rough affair though swamped the Magog boys put up a stiff opposition and played good hard football. Robbie Coates was the big scorer in the game chalking up four touchdowns, Jim Gillam and Gary Quinn each had two touchdowns. Coates also had two converts.

Leading 24-0 at the half Sherbrooke playing heads up ball added twenty-six more points in the second half. Starting on the offence were Darryl Billing and Ross Winslow. Winslow's snaring of a long forward pass was one of the features of the game. Strong on defence were B. Gilinas and Bill Fuller. Bob Coates was the quarterback in the first half with Pete Watson taking over in the second stanza.

Coach Jim MacKinnon is putting his charges through a tough training schedule for Wednesday's big tussle with B.C.S.

Durelle Signs To Meet Chuvalo

MONTON (CP)—Burlly Yvon Durelle, British Empire and Canadian light-heavyweight champion, has signed to meet George Chuvalo of Toronto for the Canadian heavy-weight boxing title, it was announced here Monday by Durelle's manager, Chris Shaban.

Shaban said the 12-round fight will be held in Toronto, Nov. 17, with a Jan. 18 rematch clause in the contract if Durelle wins.

Durelle, of Baie Ste. Anne, N.B., will receive \$8,500 and a percentage of television receipts if the fight is televised. The contract signed during the weekend is in the mail to Toronto matchmaker Jack (Deacon) Allen, Shaban said.

Durelle, ranked fourth for

Archie Moore's world light-heavyweight crown, will be aiming for his third Canadian crown. He held the middleweight title before winning the light-heavyweight championship in 1957.

TUNE-UP PLANNED

Durelle will meet Young Beau Jack, Boston light-heavyweight here Thursday, in a non-title scrap. Shaban termed the fight "a tune-up bout."

Shaban said he didn't think Durelle should be stripped of his British Empire title regardless of how he fares in his fight with Chuvalo.

"Naturally, Yvon will have to vacate his Canadian title," he said, "but I don't think its fair to take the Empire title away."

Shaban was commenting on re-

marks by Gene Letourneau, national boxing commissioner. Letourneau said in Quebec City Sunday that Durelle's Empire crown would be declared vacant if Durelle decides to box only in the heavyweight division.

COULD LOSE BOTH

Letourneau said if the British Empire crown is declared vacant, the Canadian Boxing Federation would also declare the Canadian light-heavyweight crown vacant.

So far, Durelle or Shaban has not indicated in what weight division Durelle would compete. Shaban said there was a possibility that Durelle would meet Mike Holt of South Africa in December at Johannesburg.

"A Johannesburg promoter is

interested in an over-the-weight match here this year," Shaban said. If Holt wins, Shaban indicated the fighters would meet for the title east of J. 1950.

Durelle won the empire title when he knocked out Gordie Wallace of Brantford, Ont., here in 1957. He defended the title against Holt in 1958 at Montreal.

The Salutatory was read by Helene Dionne, who welcomed the guests and gave a brief account of the activities for the past

GLEN MURRAY—

Mr. Jack Leith, Mrs. Carrie Haskell, and their guests, Mr. and Mrs. R. Patterson motored to Clapham to visit Mr. and Mrs. Curtis Bennett.

Mrs. O. F. Weldon, Douglas and Elizabeth, of Verdun, were weekend guests of Mr. and Mrs. Robert Graham. Mrs. Douglas Carroll and children from Toronto, Ont., were also guests.

Messrs. Lyman White and Gaston Mercier have returned home from Ontario.

TWENTY-FIVE YEARS OF SERVICE — Rev. Mother St. Bernadine was honored for 25 years of teaching service at Richmond when a purse was presented to her at the graduation exercises of Notre Dame High School. Jimmy St. Cyr and Sally Oakley are seen above making the presentation to the Rev. Mother, with Diane Alexander, one of the graduates, presiding

year. The girls joined to sing a song, accompanied on piano by Mrs. J. Fortin. Other diplomas were awarded for typing and certificates for music by the Normal School of Music.

The Valedictory was read by Walter McGee followed by another song. Closing the evening's activities, the crowning of the Blessed Virgin was made by graduate Maureen Harrison.

Special awards went to Rev. Mother St. Bernadine, who was honored for her 25 years service in teaching in Richmond, and a purse was presented to her by two young students. The Mother

Superior also made presentations to the graduates. Among the guests were A. Geoffroy, presidents of the Catholic School Commission and representing Mayor Armstrong, J. P. Brouillette, alderman and secretary of the School Commission; Father Dupuis, of Holy Family parish, and several others.

B.F. Goodrich TRAILMAKER

HERE'S THE STRONG SILENT TYPE!

Silent-running B.F. Goodrich Trailmakers take you anywhere you want — first snow tires with TRACTOR PUSH-PULL!

It's taken years to produce a winter passenger tire *this good!* Years of B.F. Goodrich research in tractor and heavy-hauling tires! BFG TRAILMAKERS (first winter tires with TRACTOR PUSH-PULL) plough through snow, storm through mud, haul you safely over ice! This year, treat your family — and your nerves — to Winter Smileage. Make the change to TRAILMAKERS at your nearest B.F. Goodrich retailer!

CONVENIENT BUDGET TERMS MAY BE OBTAINED AT MANY BFG DEALERS — OR SIX MONTHS TO PAY ON YOUR GAS CREDIT CARD!

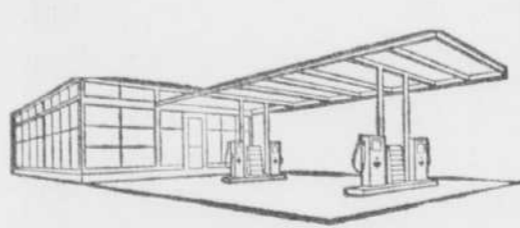

Smileage!

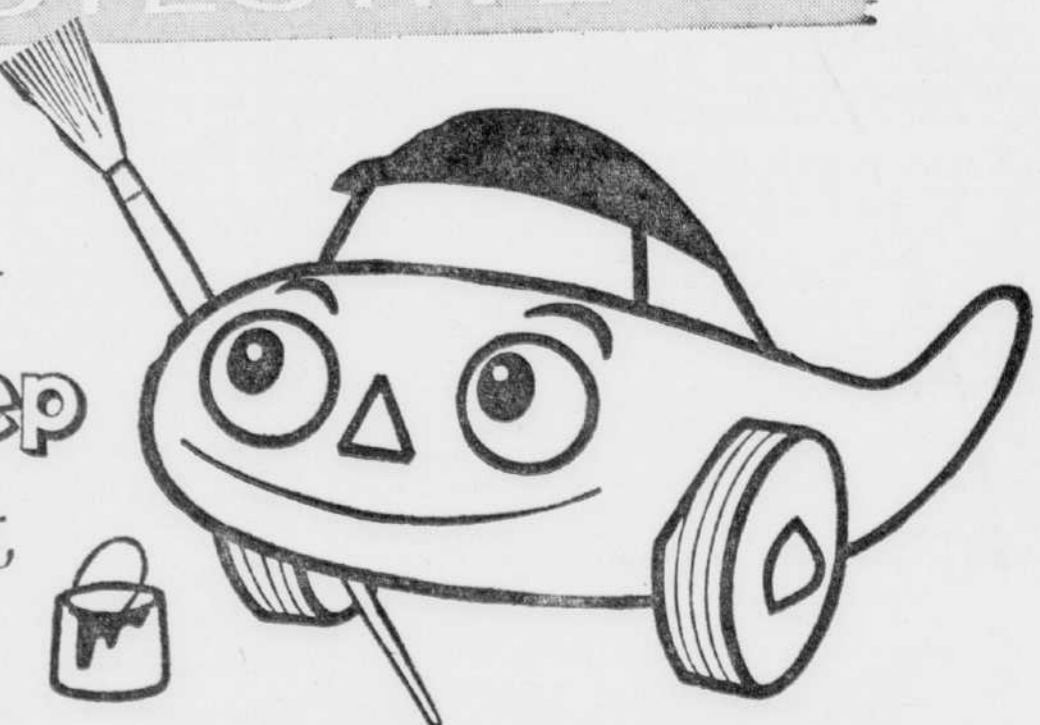

IS YOURS IN WINTER TOO... when you drive on TRAILMAKERS!

SERVICE

- PROMPT
- POLITE
- PERSONAL
- PROTECTIVE

and Mr. Beep underlines it 4 times...

It's a pleasant experience to visit a BP Service Station and get the benefit of BP 4-Point Service.

PROMPT — The moment you drive in, a smiling attendant is ready to serve you.

POLITE — You'll find everyone at a BP Station is pleasantly courteous.

PERSONAL — The men at BP Stations are interested in you and in your car.

PROTECTIVE — When a BP man checks your car he knows where to look and what to do to guard against trouble. You can have full confidence in his recommendations.

Your car deserves BP 4-Point Service. You'll find it where you see the green and yellow BP shield.
