

son to believe would have been then had
by the new relationship into which
entered. Mr. Balmer was of great
and a universal favourite. Mr. Allan
was also a Montreal merchant, of the
not of the same amusing journal :—
But this is England's history, preaching one
thing and practising quite another, denouncing
the acquisition and annexation of territory by
any other power, while she is and has been
from time immemorial the greatest filibuster

By a process which, if not exactly
by that ugly word repudiation, is a
good imitation of the thing known by that
Mr. Galt began by throwing doubt
upon the Government's new
loan, that the Province was not
source of strength and as security in case
of collision. In a description given by the
Liverpool papers of the fine iron steamer "Clatsop,"
launched a few days ago to ply on the coast of
England, the arrangement of bulkheads is
worthy of notice. The *Liverpool Post* says:—

COMMERCIAL BANK OF CANADA—Steady at our
stations, with but little offering.
CITY BANK—Without change in rate, but
a

character and ability from persons in Great Britain and this country. He is acquainted with the Management of the Vinery, Hot House and Green Houses.

Apply to the office of this Paper.
March 23.

WANTED—TWO SMART HALL BOYS. Apply at the St. Lawrence Hall.
March 21.
