

WARRANT ISSUED

L. A. Dufresne Arrested at 3.45 o'clock

A warrant was issued by Judge Mulvena this afternoon at a quarter to 4 o'clock this afternoon in the Bilodeau case, naming L. A. Dufresne, surveyor, of this city. A search warrant was also issued at the same time. Detective McCaskill and High Constable Moe proceeded to the home of

L. A. DUFRESNE, who was taken into custody on warrant to-day.

the accused to execute the warrant. Mr. Dufresne was placed under arrest at 3.45 o'clock.

The officers of the law immediately proceeded to the home of the accused on King street. The warrant was read to him, and he was placed in custody. He left in charge of High Constable Moe, and they proceeded up King street on the way to the jail.

RETURNED AN OPEN VERDICT

Coroner's Jury Asks Judicial Authorities to Act

ANALYST WAS UNABLE TO DETERMINE NATURE OF EXPLOSIVE

As was anticipated no new developments resulted from last night's inquest, and owing to the lack of new evidence the jury was obliged to bring in an open verdict. The Police Station Hall was crowded to the doors, and an abatement was shown in the interest taken in the case by the public. The only witness examined was Dr. Leo Pariseau, of the Provincial Health Department. At the request of Chief McCaskill he made a thorough investigation of the clothing and pieces of flesh sent to him. Owing to the fact that considerable time had elapsed between the explosion and the time he made his examination he was unable to find traces of acids, etc., which might otherwise have been detected had the examination been made immediately after the explosion. The conclusion of his report was that it was impossible for him to determine the nature of the explosive.

THE VERDICT. After the jury had listened to the report of Dr. Pariseau, the Provincial Analyst, Coroner Bachand announced that no other witnesses were to be called, and asked the public to retire while the jury deliberated. After having been out for ten minutes, Mr. Felix Brunelle, the foreman, read the following verdict: "Celestine Allaire died on June seventeenth, 1913 at No. 1 Sanborn Street, Sherbrooke, having been killed by the explosion of a bomb delivered to her by a postman of said City of Sherbrooke, said bomb being confined in a box, and the jurors are of the opinion that the said bomb was prepared by a criminal and consequently the said jurors recommend to the judicial authorities that they do their utmost to discover the criminal or criminals."

DR. PARISEAU'S REPORT. The report of the analyst was as follows:

"On Friday, June 20th., at the request of Chief McCaskill, I took a certain number of samples of the debris which had been gathered by the police from the scene of the crime after the explosion. These samples I submitted to examination with a view if possible of determining the composition and the nature of the explosives contained in the infernal machine. The debris was divided for the purpose of examination into six lots, A to F. "Lot A" composed of pieces of cloth marked with spots to those made by a very strong acid. "Lot B" Fragments of the cardboard box on a piece of which there was a postage stamp. "Lot C" Remnants and fragments of one of the hands of the victim, bones, flesh and muscles. "Lot D" Remnants of glass which were found for the greater part in the hand of the victim. "Lot E" Particles of wool waste which had formed a part of the explosive machine.

ARREST EXPECTED

Important Conferences Between Officers This Morning

DRAFTING OF WARRANT SAID TO HAVE BEEN DISCUSSED—SOME IMMEDIATE DEFINITE ACTION ANTICIPATED.

On no day since the Bilodeau tragedy has the situation been so charged with the possibility of immediate sensational developments as was the case this forenoon and indeed, prevails up to the hour of going to press.

An arrest in connection with the tragedy has been hourly expected since the inquest last night. Such, however, had not taken place up to the time of going to press.

CONFERENCE OF OFFICIALS. Following the inquest, last night, Chief Detective McCaskill and Crown Prosecutor Nicol had a conference and went over the new developments.

This morning, at about 10 o'clock, Mr. Nicol, Chief McCaskill, High Constable Moe and Detective Lapointe had a brief conference in Mr. Nicol's office after which they proceeded to the Court House and had a conference with Judge Mulvena, the district Magistrate.

It was currently reported that a warrant was being issued and that an arrest would be made immediately in connection with the case.

The Crown Prosecutor, however, was called into the Superior Court to attend to a civil case in which one of his clients was interested and no action on the part of the officers followed.

In the event of an arrest it would be on a warrant in the hands of High Constable Moe who would not doubt be accompanied by Chief McCaskill and Detective Lapointe.

The indications are that the conferees of the Crown officials and the detectives have resulted in a decision to take some definite action along some line and that these developments may be expected this afternoon or evening.

SHERBROOKE BOMB OUTRAGE REPORTED ON SHIPBOARD.

Mr. Dick, a brother of Mr. George Dick of this city, arrived in Sherbrooke a few days ago from the Old Country.

He states that while on shipboard news of the Sherbrooke bomb outrage was posted, along with other news items received by wireless.

Mr. Dick states that he continued his journey with some misgivings, but has been glad to learn since his arrival that bomb explosions are very rare occurrences in this country.

FRENCH PRESIDENT LEAVES LONDON

King George and Members of Royal Family Bid Him Farewell

SCENE OF GREAT ENTHUSIASM AT DEPARTURE OF NATION'S GUEST.

London, June 27.—(Special)—President Raymond Poincare after being the guest of King George and the British nation since Tuesday, left this morning for France amid great display of cordial enthusiasm.

King George, Prince of Wales, Duke of Connaught, together with brilliant assemblage of court dignitaries, Cabinet Ministers and military and naval officers gathered at Victoria Station to bid him farewell.

"Lot C.—The reaction of the chlorates is strongly positive. Chlorate of potassium is a product of the composition of powders. One might be tempted to conclude that the bomb contained some chlorate, whether as an explosive or as a bait. But one fact which removes all value to this conclusion is that the flesh and blood of the hand normally contained chlorate."

"Lot D.—I took care to take fragments of glass from the cuts in the hand, having noticed that there were pieces of glass from window panes. I have therefore reason to believe that my specimens came from the fatal box. A certain number of fragments appeared to be bits of a test tube."

"Lot E.—The wool waste gave no desired reaction. This waste would serve to protect the test tube in transport."

LARGE LANDOWNER PASSES AWAY

Duke of Sutherland Owned One Million and a Half Acres

HE AND OTHER WEALTHY MEN STARTED A PLAN TO COLONIZE WESTERN CANADA.

London, June 27.—The Duke of Sutherland died at Dunrobin Castle, Sutherlandshire, at 1 o'clock yesterday.

He was the largest landowner in Europe, except the Czar of Russia. He owned more than a million and a half acres. His holdings included an estate of nearly 1,500,000 acres in Sutherland Co., Scotland, and a number of other large estates in Scotland and England. Many of his estates in Scotland are leased for hunting, several of the tenants being Americans.

The Duke of Sutherland paid a visit to the United States and Canada in the summer of 1911, when the Liberal Government imposed its heavy land taxes. With other wealthy landowners he started a plan to colonize western Canada.

JAPANESE PREMIER HOPEFUL OF RESULT

U. S. Friendship For Japan Will Bring About Solution of Trouble

A FEW AGITATORS CONTINUE THEIR EFFORTS TO STIR UP ANTI-AMERICAN FEELING.

Tokio, June 27.—The Premier, Count Gombel Yamamoto, addressing a meeting of influential business men and financiers last night, declared that he appreciated, with reference to the Californian question, that the earnest effort of the leaders of thought had resulted in sound and dignified opinion on the part of the public.

The existing difficulty, he said, was confined to one state, and did not represent the sentiment of America, justice and humanity, which ever prevailed in the United States, combined with friendship for Japan, would, he hoped, bring about a satisfactory solution.

A few agitators continue their efforts to stir up anti-American feeling. They posted up additional violent and threatening pronouncements, which the police tore down.

BUFFALO DEATH LIST GROWING

Searching Ruins of Mill Plant For Bodies of Victims

FOURTEEN LIVES WERE LOST, BUT LIST WILL NO DOUBT BE AUGMENTED.

Buffalo, N. Y., June 27.—(Special)—One hundred and fifty men under the personal leadership of F. M. Husted, President of Husted Milling Co., whose plant was wrecked by grain dust explosion on Tuesday with great loss of life, continued the search today for bodies believed to be buried beneath tons of steel and concrete and charred timbers.

The death list stood at 14 today with likelihood that it would be augmented before nightfall, the condition of several of the injured having grown rapidly more critical.

The missing list now carries twelve names, nine of whom are police and firemen, and company officials feel positive that more will be found in ruins.

FREE TARDE IN UNITED STATES

Democrats Are Steadily Setting Aside Protection

SENATE CAUCUS VOTES IN FAVOR OF REDUCTIONS IN THE TARIFF BILL.

Washington, June 27.—As a result of the Democratic Senate caucus, which has gone on record for free wool and free sugar, it became certain yesterday that the Democratic party, for the first time in its history, will actually try out its theories of free trade. On every vote members of the Democratic party have supported reductions in the tariff bill, which makes the measure much lower than when it left the House, and it is now certain that the Senate will receive a bill infinitely more harmful to American industry than the one that came from the House.

SIX PERSONS DROWNED

Hundreds View Tragedy From River Bank at Edmonton

ONLY ONE OF THE BOATING PARTY SUCCEEDED IN REACHING THE SHORE.

Edmonton, June 27.—Before hundreds of spectators who were enjoying themselves on the river banks last evening six well-known Edmonton people were drowned close to the low level bridge by the overturning of a gasoline launch. Amid fruitless cries for aid, six of the occupants of the boat sank in the fast-running river.

THE DEAD. R. C. Hooper, manager of the Marshall Wells Company. Mrs. Hooper, his wife. Earl Meredith, superintendent of Marshall Wells Company. Mrs. Meredith, his wife. Mrs. Everett Case. Mac Macaulay, mechanic. Everett Case, manager of the West End Branch of the Imperial Bank, was saved.

On the trip down the river while the party was gay with laughter, there was a sudden jar to the boat due to the striking of a snag.

The engine stopped and from the jar the boat overturned, precipitating its occupants into the water. Mr. Case, who is a strong swimmer, after a vain attempt to rescue his wife, saw that the feat was impossible and himself already exhausted, struck for the shore, which he barely reached.

A large crowd that was just leaving the ball grounds saw the launch overturned and rushed east along the bank of the river until they got to a point just south of Syndicate avenue and Jasper on the east end of the city, where the occupants of the launch could be plainly seen still struggling in the water.

There was a rush for boats, but already the victims of the treacherous river had sunk from sight. At once boats were put out from the river and they are now digging to recover the remaining bodies.

Mrs. Case, one of the drowned, had only returned with her husband from their honeymoon on June 16. They were married May 27 in Spokane. Meredith and his wife were also a newly married couple. Case, the only one saved in the accident, is prostrated as a result and is now under a physician's care.

TRAINED NURSES SHOT TO DEATH

Investigation Showed That One Woman Had Shot the Other

WERE FOUND IN THEIR ROOM AT HOSPITAL FOR CHRONIC INVALIDS.

Bedford Hills, N. Y., June 27.—(Special)—Rosalee Roque, French-Canadian, and Catherine Lacy, her cousin, both trained nurses, were found in their room to-day in Bedford Hills branch of Montefiore home for chronic invalids. They had been shot to death.

Preliminary investigation indicated that one of the women shot the other, and then committed suicide. This place is in Westchester county, north of New York city.

COMPANY HAS FAITH IN CANADA

CANADIAN PACIFIC RAILWAY WILL SPEND \$100,000,000 DURING YEAR.

Montreal, June 27.—(Special)—The activities of the Canadian Pacific Railway, its influence on the financial, mercantile, manufacturing and labor interests of Canada, will be partially appreciated when it is stated that in the current year the company's appropriations for the construction of additional railway mileage, for cars and locomotives, terminal facilities at St. John, Montreal, Toronto, Fort William, Winnipeg, Calgary, Vancouver and elsewhere, for ocean steamships and hotels, extensions of the telegraph system, shops, sidings and improvements generally in Canada will approximate no less a sum than \$100,000,000.

SUFFRAGETTES ON WATER WAGGON

REFUSED TO DRINK CAUSE OF THEIR SPEEDY RELEASE FROM PRISON.

London, June 27.—Mrs. Emmeline Pankhurst's medical attendant, Dr. Flora Murray, addressing a meeting of suffragettes in London last night, explained the speedy release recently of imprisoned suffragettes as due to the fact that, like Mrs. Pankhurst, they adopted a water strike. This abstention from water, she said, compelled the authorities to liberate the prisoners before they were poisoned.

GOUIN'S GOOD ROADS POLICY

Provincial System Will be Built if it Cost \$50,000,000

DELEGATES DELIGHTED WITH RECEPTION AT QUEBEC YESTERDAY.

Members of the Good Roads delegation who have returned from Quebec are enthusiastic regarding their reception by the Premier and his Cabinet. There were 142 in the delegation, and with the Premier were several members of his Cabinet and a number of deputies.

The Premier in the course of his remarks stated that his Government had provided \$10,000,000 for good roads. If this was not enough, twenty, or thirty, or forty, or fifty millions would be provided. He was determined that this great project would be carried through to a satisfactory completion. It would take time, but a system of provincial highways would be established.

MR. H. E. CHANNELL SERIOUSLY ILL

Sustained Stroke of Paralysis Yesterday Afternoon

CONDITION SERIOUS, BUT IS SLIGHTLY IMPROVED TO-DAY.

Mr. H. E. Channell, secretary of the Eastern Townships Agricultural Association, suffered a paralytic stroke at about 5 o'clock yesterday afternoon.

Mr. Channell was returning from the exhibition grounds, and was accompanied by Mr. Alex Ames, when

MR. H. E. CHANNELL, who is seriously ill.

stricken. He was taken first to the New Sherbrooke House and then removed to the Protestant Hospital, where he was attended by several of the hospital staff of doctors.

To-day it is reported that his condition is slightly improved from what it was last night, but is still very serious. He lies in a semi-conscious state, but his physicians say there is a chance of recovery.

Mr. Channell has been in very good health of late, having, it was thought, fully recovered from his illness of a year ago.

Seven or eight acres of land go with the line house buildings. The land joins Mr. Wilson's farm on the Glen Sutton or Canada side of the line and just rounds out his landed property in good shape. Mr. Wilson is coming to be known as one of the practical progressive farmers of Sutton.

PRESENTED WITH LOCKET WATCH FOR ADDRESS.

Richmond, June 27.—(Special)—Previous to his departure for Unity, Saskatchewan, on Monday next, Mr. Kenneth C. Leith, former proprietor of the Beaver Printery was the recipient of a beautiful solid gold locket, watch fob and chain, and an address. The locket bears on its face the monogram "K. C. L." in raised letters and on the reverse side the inscription "Presented to K. C. Leith by friends, Richmond, Que., June, 1913." The Maple Leaf Club Rooms, where the presentation took place presented a lively appearance.

All the Richmond and Melbourn friends old and young, who are prominent in athletic sports were there. Ex-Alderman Robt. Rattray, president and read the following address: "Richmond, June 25th., 1913. "To Mr. Kenneth C. Leith, "Dear Friend: On the occasion of your approaching departure from our midst, your Richmond and Melbourn friends wish to express their best wishes for your success and happiness in your new home. The years of your stay with us, have been pleasant and profitable, and a source of genuine pleasure to your many friends. We realize that we sustain a distinct loss in your going; however, we see in it the prospects of increased prosperity to yourself and yours, in consequence of which we can only hope that our loss will be to the advantage of many in your wider field of work. The pleasant times which have bound us in the relationship and mutual good will are about to be temporarily severed; we cherish the hope that success will attend your footsteps and we wish to mark our appreciation of your good and honorable career in our midst by tendering you this slight token as a reminder of the days spent in Richmond where your friends are legion. Good luck and success such is our choicest wish. Signed on behalf of your friends, Mr. Leith feelingly vein were made by the chairman and Messrs. E. L. Hayes, S. H. McCourt, A. J. Bedard, Chas. Galvin, C. J. Wilcox, J. P. Beauchaine, K. MacKenzie, Wm. Jones, H. L. Shaw, C. Cunningham, M. J. Palmer, A. L. Lance and others. If the good wishes expressed by one and all extended to Mr. Leith prevail, his future happiness is assured. In his departure Richmond and Melbourn loses an exemplary business man and a bright pushing young citizen. The Great West is the gainer and if "Unity" of good business principles coupled with the instinct of true manly sport of all kinds highly developed are prized in his new home, Kenneth will succeed in his new environs."

KIRKDALE.

The ice cream social given by the young people of the Holy Trinity Church at the residence of Mr. C.N. Lyster, Tuesday evening, was an unqualified success. The evening being quite warm there was a large attendance from all sections includ-

ing goodly delegations from such diverse points as Gallup Hill and L'Avenir. The ice cream was deliciously cold and each guest received all they wished. Mr. Lyster and his family made every one feel at home with that gracious hospitality which is a distinguishing trait of the people of the Eastern Townships. Games were played upon the lawn which was well illuminated. Each and every one seemed to enjoy the pleasant reunion which these social gatherings promote to the betterment of the community, thus exemplifying the saying "Society made man, not man society." Among those from a distance were Rev. Mr. Roy and Miss Roy and their father, Rev. Mr. Roy, S. of Gallup Hill; Mr. Rock and Miss Rock, Mr. Bothwell, Miss Bothwell and the Misses Bogie, of L'Avenir. Before the evening broke up Mr. C. H. Fye auctioned off quite a number of uncultivated acres to the persuasive accents of the auctioneer brought good prices. At the usual hour of parting every one wended their way homeward with the conviction of a pleasant evening well spent uppermost in their minds, while a secret hope lingered within that another such pleasant social reunion at Mr. Lyster's may be held again in the near future.

FINANCIAL AND
MARKET NEWS

COUNTRY PRODUCE

EGG MARKET IS FIRM.
Montreal, June 27.—Receipts of eggs were 799 cases, as compared with 1,243 for the corresponding date last year. The tone of the market remains firm, with no special features to note. The demand is good for local consumption and supplies are ample to fill all requirements. Sales of selected stock were made at 25c, and straight receipts at 23c in a jobbing way, and the latter in round lots at 22c per dozen.

MAPLE PRODUCTS UNCHANGED.
Montreal, June 27.—The demand for maple product for the season of the year continues fair and prices are unchanged, with sales of maple syrup in three quart tins at 85c to 90c per tin, and at 7c to 8c per lb. in wood. The supply of maple sugar is small at 11c to 12c per lb.

HONEY MARKET STEADY.
Montreal, June 27.—A steady feeling prevails in the market for honey, but the demand at present is rather quiet.
We quote prices as follows:
Clover, white, honey, 16 to 17c; Dark grades, 14 to 15c; White extracted 11c to 12c; Buckwheat honey 8c to 9c.

POTATO PRICES EASIER.
Montreal, June 27.—There is no change in potatoes, but the feeling is easy, and prices would likely be shaded for round lots, as supplies are in excess of the requirements. We quote: Green Mountains, in car lots, at 75c to 80c, and Quebec varieties at 60c to 65c per bag, ex track, while the former in a jobbing way are selling ex-store at \$1.00 to \$1.05, and the latter at 80c to 90c per bag.

DAIRY PRODUCE

COUNTRY CHEESE BOARDS.
Woodstock, Ont., June 27.—The cheese board met. There was a large attendance of both buyers and sellers. Eight factories boarded their cheese which was all colored. The highest price offered on the board was 12c. All of the salesmen refused to accept this, and are holding their goods for an advance in price, which is confidently expected.
Stirling, Ont., June 27.—At Monday's cheese board, 860 boxes were offered. All sold at 12 to 13c.
Madoc, Ont., June 27.—600 boxes of cheese were boarded, and 215 sold at 12 to 13c; balance, 12c.
Lindsay, Ont., June 27.—Cheese sold for 12c at the opening meeting of the Victoria County cheese board. Buyer Flavell, of Lindsay, secured the bulk.

CHEESE MARKET STRONGER.
Montreal, June 27.—Receipts of cheese were 16,547 boxes, as against 5,309 for the same date a year ago. The Liverpool public cable came stronger at a further advance of 6d, and now quotes finest white and colored at 6s. There was an improved demand from over the cable and as the prices bid were more in line with exporters' views some sales were made.

Finest western, colored, 12½c to 13c;
Finest eastern, white, 12½c to 12c;
Finest eastern, colored, 10c to 12½c.

FAIR DEMAND FOR BUTTER.

Montreal, June 27.—Receipts of butter were 239 packages, as compared with 1,672 for the corresponding date last year. There were no new developments in the local butter situation, except that the demand from the west for supplies is increasing, and sales of several car loads of finest creamery have been made already this week. The local demand is also fairly good, and the market on the whole is fairly active and steady.

We quote prices as follows:
Finest creamery, 25½c to 26c; Fine creamery, 25c to 25½c; Second grades, 24½c to 24c; Dairy butter, 22c to 23c.

PROVISION MARKET

GOOD DEMAND AT REDUCED PRICES.

Montreal, June 27.—In sympathy with the weaker feeling in the Toronto market for live hogs and the decline in prices of 35c per 1000 lbs. to \$9.80 weighed off cars, an easier feeling developed in the local market and prices ruled 10c to 2c per 100 lbs. lower than on Monday, and a further decline is expected in the beginning of next week. At the above reduction there was a good demand from packers, and sales of selected lots were made at \$10.25 to \$10.50 per 100 lbs., weighed off cars. There was no actual change in prices for dressed hogs owing to the fact that packers did not allow the advance in live. The demand for small lots of abattoir, fresh-killed is fair at \$11.25 to \$11.50 per 100 lbs.

PILLAR-BOX OUTRAGE.

Cardiff, Wales, June 27.—Mrs. Mackworth, wife of Captain Humphrey Mackworth, of the Royal Mounted, and only daughter of David Alfred Thomas, the "British Coal King" and head of the Cambrian combine, who is now in Canada, was arrested last night at her residence and conveyed in her own motor car to the police station at Newport, charged with setting fire to a pillar-box.
Mrs. Mackworth, after spending four hours in a cell, was allowed out on bail furnished by her husband. She will be arraigned for examination to-day.

ILLUSTRATION FARM AT MR.
JOHN MCCLARY'S, HILLHURST

The formal opening of the Illustration Farm, at Hillhurst, and which is owned by Mr. John McClary, will take place July 1st. The farmers of Compton, Stanstead and Sherbrooke Counties are asked to be present and listen to addresses by Messrs. J. H. Grisdale, Director, Dominion Experimental Farms; Jno. Finley, of the Commission of Conservation; Professors Klinek and Barton, of Macdonald College; Messrs. A. A. Campbell, Macdonald College Demonstrator, St. Francis District and C. Sweet, Seed Inspector, Dominion Seed Branch, Eastern Townships.

The farmers of the surrounding district are asked to be present next Tuesday so that they may learn from others what they have found most beneficial in soil culture and make a study of Mr. McClary's method of soil management and other farm operations.

The following gives an outline of the work proposed and that already in operation.

A REPRESENTATIVE FARM
In 1912 some investigation work was carried on in Compton County in order to gain information regarding crop areas, crop rotation, seed

selection, care, uses and production of manure, weed prevalence, and fuel, power and water supply on the farms. The information obtained is considered to be fairly representative of the agricultural conditions of the county. It is now proposed to put into actual operation on one representative farm the most profitable methods of farming for this locality.

It is not the intention to buy or rent a farm, nor to pay the farmer a salary, but to choose a farmer who will be willing to put into operation on his farm the best methods of farm practice, as far as he is convinced that the returns will be profitable to him.

EXPERT DEMONSTRATOR
An expert demonstrator provided by the Commission will visit the farm from time to time for discussing the best and latest methods of farm practices most suitable to that particular district.

The aim is to make farming more profitable and pleasant and at the same time to maintain and increase the fertility of the soil. The farmers will be invited to meet together occasionally on the Illustration farm for conference and discussion. The Lands Committee of the Conservation Commission seeks to serve the farmer and it is hoped that the farmers of this County will co-operate to make this service efficient and beneficial to themselves. The farm of

Mr. J. A. McClary is one of those chosen in the Province of Quebec. It will, for the meantime, serve the county of Compton and the adjoining counties of Stanstead and Sherbrooke.

PURE SEED
Some of the work that is being conducted on Mr. McClary's farm is the production of pure seed grain. It is intended to grow pure seed of the best quality and to sell it at a reasonable price to farmers of the district. It is found that only ten per cent. of the grain sown is grown in the district, much of the grain imported contains new varieties of noxious weed adding to the already numerous list.

Clover growing for seed is another feature that is being illustrated. Until very recently all the clover seed sown in the district has been imported when it is a well known fact that clover seed can be profitably produced in this district. This alone will be a saving of much money in the purchasing of seed, and prove to be a profitable crop without special effort in securing it.

Clover shall also be grown as a fertilizer. It has been shown that clover grown in spring with an average growth in autumn and ploughed under is equal to 5 or 6 tons of manure per acre, and if left over for one year it would be equal to 10 or 12 tons of manure per acre. Rough pasture lands require immediate attention

owing to the fact that paint brush and hard hack have almost taken possession of some of the natural pastures, therefore it is intended to sow a mixture of grasses and clovers to crowd these weeds out and to produce a profitable crop. The mixture to be sown is as follows:
Orchard grass 8 lbs., Brome grass 6 lbs., Bokhara clover 8 lbs., White Dutch clover 8 lbs., making twenty-three lbs. per acre. This may seem a heavy seeding, but it will require this amount to secure a good thick stand under such conditions that prevail in rough stony lands.

Varity tests with ensilage corns are being conducted on the illustration farm under the supervision of Mr. C. Sweet, Seed Inspector of the Dominion Seed Branch. Ten different varieties of ensilage corns, including both Flint and Dent varieties, are on trial. The varieties are as follows: Wisconsin No. 7, White Cap Yellow Dent, Leaming, Earl Huron, composite Longfellow, North Dakota, (or Sanford), King Philip, Quebec Yellow.

Notes by observations will be made on these different varieties as regards yield per acre, maturity attained, and their adaptability for grain, fodder or ensilage purposes.

SPRINGS AND MACKAY OR PREFONTAINE WILL PITCH.

To-morrow's game on the Lacrosse Grounds should prove the best played so far this season. Waterville have strengthened up considerably and the game will not be a walk over for either team. The Cubs have found the going so far this season rather easy but expect to be pushed to the limit to win to-morrow. The management are prepared to handle a big crowd. Waterville will arrive at 3.15 and will proceed to the grounds, the game starting immediately. Spriggs and Molyneux for Waterville, and Mackay, Prefontaine and Hammond will be the batteries.

The "Paving Determinator's"
Verdict.

THE "Paving Determinator" is an ingenious machine that was built by the department of Public Works of Detroit—to subject sample stretches of various street pavements to severe, actual-service tests. It imitates heavy trucks and steel-shod draught horses, reproducing, in faithful detail, every effect of this kind of traffic. This remarkable machine was recently used to test five varieties of street pavement—covering practically the entire range of present-day road coverings.

A report of the test says:

"When the test had been made under the direction of Mr. McCabe and officials of the department, on eight sections of pavement laid in a circular track, the concrete section, laid under the specifications of the Board of County Road Commissioners of Wayne County, Michigan, showed by far the best resistance to the severe test to which the pavements were put."

Are you going to overlook these facts
in deciding about your paving?

MARRIAGES

WINDLE-BRACEY

A quiet but very pretty wedding took place at Holy Trinity Church, South Bolton, Wednesday June 18th, at ten o'clock, when Pearl Lydia, only daughter of Mr. and Mrs. O.E. Bracey, was united in marriage to Samuel Windle, of Magog, formerly of this place. The ceremony was performed by the Rev. W.T. Payne. The bride, who was unstinted, looked charming in a gown of white silk with veil and orange blossoms, entering the Church on the arm of her father to the strains of Lohengrin Wedding March played by Miss Clara Greene. After the ceremony the bridal couple repaired to the home of the bride's parents, where the wedding dinner was served to a few invited friends. The happy couple left on the three p.m. train for a short trip to Montreal, the bride travelling in a blue suit with white silk blouse and white hat. On their return a reception was given them at the home of the bride's parents. Mr. and Mrs. Windle left the following day for their future home in Magog. The presents received were many and useful.

PLUMMER-VERNON

A quiet wedding but one of interest to a very large circle of friends was solemnized at St. James Church, Compton, on Tuesday morning at eleven o'clock when Clara, eldest daughter of Mr. and Mrs. J. W. M. Vernon, of Sherbrooke, and granddaughter of Mrs. A. Bliss of this place, was united in marriage to Rev. Harold Plummer, Vicar of Limby, B.C., and son of the Rev. Dr. Plummer, D.D., of Durham, England. The Church has been prettily decorated for the occasion and the ceremony was performed by the Rev. G. H. Parker, of Lennoxville, assisted by the Rev. J.H. Brewer, Rector of St. James Church, Compton, and by the Rev. Dr. Allnatt, of Bishop's College, Lennoxville.

The bride, who was given away by her father, wore a handsome gown of white tulle with trimmings of real lace and pearls. The bridal veil, caught up with orange blossoms was brought over from England, it having been worn by the groom's mother many years ago on a similar occasion. The bridesmaid, Miss Doris Vernon, sister of the bride wore a pretty dress of white marquisette with trimmings of Irish crochet. The groomsmen were Mr. R. J. Shires, of Bishop's College, Lennoxville. Following the ceremony a wedding breakfast was served at "Maplehurst," the home of Mrs. Bliss, after which Rev. and Mrs. Plummer left for a week's honeymoon. On their return trip they will spend a couple of weeks in Compton and Sherbrooke before leaving for their home in the far west. The bride will be much missed in Compton and particularly in St. James Church, where she has been organist for many years. She was the recipient of very many handsome and useful gifts.

MAGUIRE-BOLDUC

On Tuesday morning at the parish church of St. Thomas, Compton, the marriage took place of Miss Leontine Bolduc, daughter of Mr. and Mrs. Dominic Bolduc, and niece of Hon. Senator Bolduc, of Beauce, to Mr. Charles A. Maguire, of Sherbrooke, son of Mr. John S. Maguire, Marquette street.

The bride looked very pretty in her wedding gown of white tulle with satin, with garniture of lace and yoke, and white hat trimmed with black plumes. She carried a shower bouquet of white roses and lilies of the valley. She was accompanied to the altar by her father, and the groom was supported by his father, Mr. John Maguire, Sherbrooke.

The nuptial high mass was sung by the parish priest, Rev. Abbe Laval. Grand beautiful music being rendered by friends of the young couple from Sherbrooke, Miss Antoinette Boucher, Miss Alice Maguire and Mr. Eddy Fortin, while Miss Mary J. Southwood presided at the organ, assisted by Messrs. Fleischner and Belanger, violin and clarinet. The church was decorated with palms and flowers and was crowded to the doors.

Mendelssohn's wedding march was rendered with splendid effect by the organ, violin and clarinet, and the large wedding party of over a hundred guests adjourned to the residence of the bride's parents, where

an elaborate breakfast was served, the table being profusely arranged with flowers.

Among those present from Sherbrooke were Mr. and Mrs. John S. Maguire, Mr. and Mrs. J. D. Maguire, Misses Emma, Marie Louise, Alice, Elizabeth and Marguerite Maguire, Messrs. M. J. Southwood, A. Boucher, Messrs. Fortin and Kirtland, Masters John and Francis Maguire.

In the afternoon the bride and groom, with many of the guests, came to Sherbrooke and were entertained at supper by Mr. and Mrs. John Maguire. The wedding cake in the centre of the table was crowned by a tiny Union Jack, the Canadian flag and the green flag of Erin. Vases of pink carnations also were used for decoration. After supper the time passed quickly in music and singing until the newly-married pair left by the Boston & Maine train for Boston and New York to spend the honeymoon. The bride wore a suit of silver grey cloth with navy blue hat trimmed with silk and a quill. The presents, including cut glass, silver, furniture, etc., were numerous and beautiful, the gift of Hon. Senator Bolduc being a gold piece of 25 dollars.

WHEELLOCK-PORTER

Clapham, June 27.—(Special)—The marriage took place on Wednesday at 1 o'clock in Christ's Church, Lower Ireland, of Miss Agnes Maude Porter, second daughter of Mr. and Mrs. William J. Porter, to William Earl Wheellock, Holyoke, Mass. The ceremony was performed by the Rev. Atkinson, pastor of the church. The bride wore her travelling suit of navy blue and white hat with plumes. After a very delightful lunch at the bride's home, the happy couple left by auto to take the 6.30 train to Quebec and other places. Mr. and Mrs. Wheellock will make their home in Holyoke, Mass.

BEANE-HILL

Coaticook, June 27.—(Special)—The marriage took place at the home of Mr. Silas Hill on Tuesday evening, June 10th, of Miss Lena Hill, his daughter, to Mr. Harold Beane, son of Mr. D. M. Beane, of Waterville. The ceremony, which took place beneath a beautiful arch of evergreens and honeysuckle, was performed by Rev. D. W. Terry, assisted by Rev. J. H. Hunter. The bride was becomingly gowned in a dress of white voile, and carried a bouquet of white roses and narcissus. Mrs. L. C. DeMay assisted as matron of honor and Mr. DeMay as groomsmen. At the conclusion of the ceremony sumptuous supper was served, presided over by Mrs. Wright Elliott, who was assisted by Miss Julia Stevens, Mrs. Thos. Millington, Miss Gertrude Barnes, Miss Fannie Brennan and Mr. Ralph Tibbets. There were about sixty friends and relatives present. Among those from out of town were Mr. Charles Humphrey, Barnston; Mr. D. M. Beane, of Waterville; Mr. and Mrs. Fred Beane, Mr. and Mrs. S. Smith and family, Mr. and Mrs. Fred Humphrey, of South Barnston; Mr. and Mrs. P. L. Ellis, Heathton; Mr. and Mrs. B. B. Morrill, Hatley; Mr. and Mrs. B. B. Morrill, Stanstead; Mr. and Mrs. Fritz Daniels, Way's Mills; Mrs. Allen Ramsay, and Mr. Donald Ramsay, of Colebrook. The presents received were numerous and handsome, consisting of silver, china, linen, etc. Mr. and Mrs. Beane left for a short wedding trip and will make their home in Coaticook.

CLEVELAND-BURBANK

A pretty wedding took place at Danville on Wednesday evening at 7 o'clock, when Miss Lilla May Burbank, daughter of Mr. and Mrs. C. F. Burbank, was married to Mr. Charles Bissell Cleveland, son of the late C. C. Cleveland, M.P., and Mrs. Cleveland, "Grovelands," Danville. The ceremony was performed by the Rev. L. A. Maclean, of the Federated Church, in the presence of about 100 relatives and intimate friends. The church was beautifully trimmed with ferns, palms and marguerites, by the many friends of the bride and groom. The bride was given away by her father and attended by Miss Edith Thorpe. She wore a handsome gown of white satin with over-dress and train of white brocade satin, trimmed with lace and pearl and silver trimming, with the customary veil and orange blossoms. She carried a beautiful shower bouquet of bridal roses, lilies of the valley and maiden-hair fern, with long streamers of

"THE GARDEN OF ALLAH."

Without a doubt the most pretentious animated picture offering ever presented in Sherbrooke is the forthcoming production of "The Garden of Allah," at the Casino on Monday and Tuesday, June 30th and July 1st. By special arrangement with Leibler & Co., the famous producers of the dramatic attraction founded on Robert Hitchins' novel of the same name, we are permitted to see this wonderful garden spot of the earth in reality. The same photographer who visited the heart of the Sahara Desert, undergoing untold hardships to secure views for the scenic artist, has taken three thousand feet of the most beautiful films ever introduced to the new world. Each and every scene is historically correct and true to life and depicts a land heretofore practically unknown. "The Garden of Allah" has never been shown upon the screen, and owing to the absolute novelty of the subject should warrant capacity business during the above engagement. Far from the least feature of this marvellous attraction will be a lecture at each and every performance by the man who has been on the ground and knows how to vividly describe the same.

BOY SCOUTS ENTERTAINED.

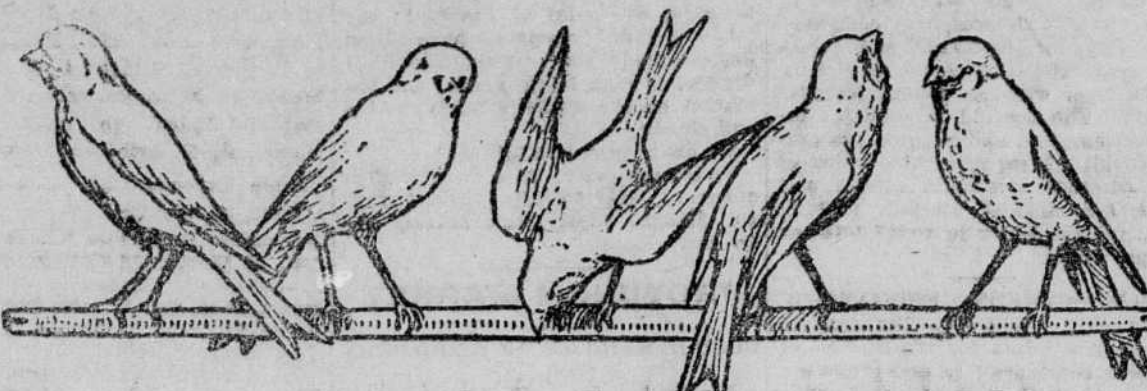

The first, second and third Sherbrooke troops of Boy Scouts were specially favored last evening, by generous and appreciative friends. Leaving their head quarters at 7 o'clock, the troops who, however, were not up to strength owing to the absence of a number from the city, marched to the residence of Mr. William Farwell, on Dufferin Avenue, where Mr. Farwell made a brief address, congratulating the lads on their fine performance in the sports of Saturday on the Exhibition ground and wishing them success in all their good work for the future. After being entertained, as was mentioned before, at the Y. W. C. A. grounds, where a lavatory social was in progress, the troops in command of Scout Master, Vere E. Hobart, Assistant Scout Masters, Charles Perkins, and Peter Dennis, marched like veterans, to "Rockmount," the residence of Mrs. Andrew Paton, where they were hospitably received by Mrs. Arthur Robinson of New York. Ice cream, cakes, lemonade, ginger ale, etc., were hospitably served on the wide verandah

dainty lace and ribbon. The maid of honor wore a pale blue chiffon embroidered in blue over satin and trimmed with silver fringe, with hat of white Tuscan straw trimmed with blue ostrich feathers and tiny pink rosebuds. She also wore a pearl and amethyst pendant, gift of the bride, and carried a large bouquet of dark red carnations.

Mr. Carl Burbank acted as best man, and Lieut.-Col. Boytelle and Gerald Pipe as ushers. Mr. Howard Riddle played the wedding march. Following the ceremony a reception was held at "Meadowbrook," the bride's home, where June roses, pink peonies, syringa and pansies formed the decorations. After congratulations had been offered by the many guests present, refreshments were served, and a little later Mr. and Mrs. Cleveland left by auto for a trip through the White Mountains and the New England States.

The groom's gift to the bride was a sunburst of pearls; to the best man and ushers, stickpins. There were many presents of silver, furniture, china, cut glass, linen, pictures, cheques and gold.

Among the out-of-town relatives were Mrs. Lay, of Regina, Sask.; Mr. and Mrs. W. J. Brady, of Beauceville; Miss Brady, of Newburyport, Mass.; and Mrs. Carl Spencer, of Des Moines Iowa; Miss Cleveland and Miss Constance Cleveland, of Lawrence, Mass. On their return Mr. and Mrs. Cleveland will reside in Danville.

STANSTEAD BOARD OF TRADE

Committee Report Re Site For a Public Building

RESOLUTION PASSED IN CONNECTION WITH SPREAD OF BOVINE TUBERCULOSIS.

Stanstead Plain, June 27.—(Special)—At a largely attended meeting of the Stanstead Board of Trade, held at the Town Hall, several important matters were brought up. A resolution was passed in the matter of preventing the spread of Bovine Tuberculosis. A report of the Committee to secure a site for the new public building in which to install the postoffice and armory was received. A delegation was appointed to wait upon Mr. James Mackinnon, General Manager of the Canadian Bank of Commerce to urge the immediate construction of a new bank building upon the site the bank now owns here.

ANOTHER AVIATOR KILLED. Chalon-sur-Marne, France, June 27.—The French aviator, Maurice L. Foulquier, while testing a monoplane for the first time, fell from a height of 250 feet last evening and was killed. Foulquier had been accustomed to a biplane, and the accident is attributed to the fact that he failed to realize that a monoplane requires different methods in handling.

BETTER TELEPHONE SERVICE WANTED

Question Discussed at Meeting of Knowlton Board of Trade

FREE LINE TO ADJACENT PLACE AND INSTALLATION OF A DIRECT LINE

Knowlton, June 27.—(Special)—An adjourned meeting of the Knowlton Board of Trade was held last night in the Court House. The attendance was large and the meeting interesting.

The President, Mr. J. N. Davignon, gave a full report of the meeting of the E.T. Associated Boards of Trade at Farnham.

Mr. R. Neilson of Sherbrooke representing the Bell Telephone Company was present in regard to the petition sent in some time ago asking for better telephone service, and the possibility of getting a free line to Brome, Foster and Sandville and also a direct line to Waterloo.

A lengthy discussion followed on the subject. A resolution was passed asking that the Township of Brome make improvements on the road around the lake, and to include it in the good roads system.

In the absence of the Secretary, Mr. F.N. Williams, who is ill, Rev. E.M. Taylor took the minutes. The regular meeting of the Board will be held next Tuesday when the various committees will file reports and a large attendance is expected.

RURAL POPULATION IN QUEBEC PROVINCE

In a Ten Year Period Increase is Shown to be 39,951

CENSUS RETURN ALSO SHOWS AN INCREASE IN ACREAGE OF FIELD CROPS.

Ottawa, June 27.—Agriculture in Quebec in 1911 is dealt with in a census publication just issued.

The rural population of Quebec increased from 992,667 in 1901 to 1,032,618 in 1911. The area of land occupied in 1911 was 15,576,809 acres, as against 14,444,175 acres in 1901. Taking the land area of the province at the date of the last census, there was only 7.12 per cent. occupied as farm land.

The number of farm holdings in 1911 was 153,554, as against 150,999 in 1901. The average size per holding in 1911 was 97.63 as against 95.90 acres in 1901.

The area of improved lands increased by about 9 1/2 per cent. in the decade, being 8,147,633 in 1911, as against 7,439,941 acres in 1901. At the last census 52.30 per cent. of the land occupied was improved, as against 51.51 per cent. in 1901.

Land in field crops was 5,399,223 acres in 1911, being an average of 35.3 acres per holding, as against 4,704,394 acres in 1901, or an average of 31.2 acres per holding. The land in orchard and nursery shows a slight decrease in area between 1901 and 1911; the land in vegetables increased from 28,809 to 63,216 acres in the decade; land in vineyards increased from 119 acres in 1901 to 709 acres in 1911. The record of land in small fruits was not taken in 1901, but in 1911 it is given as 1,961 acres.

The area of land under spring wheat for 1911 shows an increase over 1910, but is only one-half of that reported in 1900. There are increases in the land under oats, hay, buckwheat and forage crops. There is an increase for 1910 of 3,433 acres in tobacco over that of 1900. The statistics of horticulture indicate that the number of fruit trees and the production of fruit is less in 1910 than it was in 1900. The production of small fruit shows a good increase.

Horses increased from 320,673 to 369,237, swine from 404,163 to 793,348. There are also large increases in all kinds of poultry. The number of milch cows decreased from 793,848 in 1901 to 753,134 in 1911; for the same period the number of other horned cattle increased from 598,004 to 697,800. Notwithstanding the increased price of mutton and lamb, the number of sheep shows a decrease from 1901 to 1911. There are increases in the numbers of all pure-bred stock, the greatest improvement being made in cattle and the smallest in sheep. The production of wool has fallen off by 31.42 per cent. in the ten years.

The average value of horses in 1911 was \$127.98; of milch cows, \$37.51; of other horned cattle, \$12.48; of sheep, \$4.26; of swine, \$7.61; in 1901 the average value of horses was \$75.35; of milch cows, \$27.03; of other horned cattle, \$11.08; of sheep, \$3.63; of swine, \$7.78. The average value of all live stock per farm holding was \$600 in 1911 as against \$387 in 1901, and of field crops, vegetables and fruits was \$448 in 1910, as against \$315 in 1900.

The value of live stock sold in 1910 is given as \$20,406,385, as against \$6,650,436 in 1900. The value of animals slaughtered on the farm increased by \$621,650. The value of wool, eggs, honey and wax increased by \$2,342,746; eggs alone made up for \$2,085,375 of this increase. The value of maple sugar and syrup increased from \$1,356,481 in 1901 to \$1,686,393 in 1911.

MASONS ASCEND OWL'S HEAD MEMBERS OF GOLDEN RULE LODGE HOLD ANNUAL OUTING.

Golden Rule Lodge, A. F. & A. M., Stanstead, celebrated St. John the Baptist's day, as has been their custom for some time past, by a basket excursion to Owl's Head. Invitations were sent to adjacent lodges and a goodly number availed themselves of the outing. The ascent was made from Mr. Wright Magoon's, Vale Perkins. Several of the older and heavier brethren, thinking that discretion was the better part of valor, stayed by the lake. The summit was reached by all who attempted, and one and all were lost in admiration of the magnificent view which met the eye on all sides. The lodge room was reached in safety and the third degree was exemplified by Golden Rule Lodge, with order and despatch, after which the descent was made and the craftsmen dispersed. Had the brethren arranged to lunch at the summit after the meeting was over, and thus spent the time in resting and beholding, the results would have been better socially and added strength would have been given to make the descent.

St. John's Lodge, Mansonville, was represented by Messrs. C. C. Perkins, F. H. Perkins, Daniel Aikin, O. Reed, Dr. Henderson and Rev. J. M. Coffin. The last four only scaled the mountain and several of the brethren were conveyed to and from in Dr. Henderson's new automobile. Altogether a very pleasant outing was spent and enjoyed.

Anyone planning for an outing can make no mistake in climbing Owl's Head, provided they charge themselves with refreshments, take plenty of time for the ascent and descent, and with a good glass and a good day one cannot fail in having a good time.

A NEWSY SURVEY OF BRITISH ISLES

Airman's Last Wish

In accordance with the last written wish of Mr. Graham Gilmour, who was killed while flying over Richmond Park, a model aeroplane has been placed over his grave at Mickleham.

Depredations by Foxes. Foxes are making their presence severely felt along the slopes of the Kilsyth and Campsie Hills in Scotland. Within a week one flockmaster had no fewer than eighteen lambs devoured by the foxes.

School Children's Religious Strike. As a protest against the employment of a teacher of the Roman Catholic faith a number of children at their parents' request absented themselves from a school in the Springburn district of Glasgow.

Parents Demand Inquiry. As a protest against the refusal of the Board of Education to grant an inquiry, parents at Battock's Heath, near Netley, kept their children from school. Seventy children were withdrawn in a week.

Burglars Oblige a Vicar. Burglars earned the undying gratitude of the Rev. H. G. Hills, vicar of All Saints, Battersea, by carrying away "fifty of the most admirable cigars I have ever known," but leaving a considerable sum of money intact.

Vicar of St. Michael's. The Rev. John H. J. Ellison, vicar of Windsor, son of a former vicar and brother-in-law of the Archbishop of Canterbury, has been appointed to the living of St. Michael, Cornhill, the gross income of which is stated to be \$6,500.

Rise for Grave-diggers. Owing to the increased cost of food the grave-diggers employed at the Hammersmith Borough Council's cemetery petitioned for increased wages, and the council has granted them an increase of 75 cents a week from \$6.75 to \$7.50.

Too Many Guns. At a meeting of the Irish Gam Protection Association in Dublin the Earl of Mayo proposed a resolution protesting against the apathy of the authorities in allowing a vast and increasing number of guns to be sold indiscriminately in Ireland.

DEATHS FROM HEAT. Philadelphia, June 27.—Although the average temperature was below normal, excessive humidity was responsible for six deaths in this city yesterday, making a total of fourteen fatalities due to the same cause in the past forty-eight hours. The humidity ranged from 87 per cent at 8 a.m. to 78 per cent at 8 p.m., while the average temperature was 73 degrees, one degree below normal for this date. The maximum temperature was 81 degrees at 3 o'clock this afternoon.

ENGLISHMEN BEHIND THE TIMES

Sir W. Osler Says They Are Pig-Headed and Obstinate

POOR ARE LOOKED AFTER IN ENGLAND AND THE RICH ARE NEGLECTED IN COUNTRY.

London, June 27.—"Give up the voluntary system of hospitals; it is antiquated," said Sir William Osler, in his address yesterday at the annual conference of the British Hospitals Association at Oxford.

Sir William was contrasting the methods of American and Colonial hospitals with those of English institutions, and said there was a striking contrast between the American and British hospitals. In fact, in England everything was done for the poor and nothing whatever for the rich, who were the most neglected people in the country.

"You are hopelessly behind the times," said Sir William. "You have got to reform and rearrange your ideas, because many of you are pig-headed, obstinate, and hopelessly ignorant on this question."

SOLICITOR-GENERALSHIP. HON. ARTHUR MEIGHEN TOOK OATH OF OFFICE YESTERDAY.

Ottawa, June 27.—Hon. Arthur Meighen, M. P., for Portage La Prairie, was formally sworn in yesterday afternoon as Solicitor-General. A Cabinet meeting was held when the formal order-in-council making the appointment was passed and the ceremony immediately followed. The oath was administered by F. K. Bennett, assistant clerk of the Privy Council, in the presence of Premier Borden, Hon. C. J. Doherty and several other members of the Cabinet.

The appointment necessitates a by-election for the constituency of Portage La Prairie and the writ was issued by the Cabinet yesterday afternoon and the nomination fixed for July 19, with polling a week later, on July 26. Mr. E. A. Gough, of Portage La Prairie, will be returning officer. The lists in Portage La Prairie city will be revised and this will be attended to at once by a judicial officer.

HIGH GRADING AT COBALT.

Cobalt, Ont., June 27.—Pleading guilty to being implicated in high grading, in which they were arrested here last week by the provincial police, two Polack women were allowed to go on suspended sentence yesterday by Magistrate Atkinson, as they had only been in the country for two weeks. John Borock and Mrs. Parry Matiazuk were committed for trial, and Joseph Matiazuk, who had previously elected to be tried summarily, is out on bail till Saturday, on which date the magistrate will pronounce judgment.

SEES DISTINCT IMPROVEMENT

HEAD OF CHICAGO BANKING INSTITUTION TAKES HOPEFUL VIEW.

Chicago, June 27.—James B. Forgan, president of the First National Bank, said yesterday that there was a distinct improvement in the money situation.

"Money continues hard, but we are getting into the usual summer lull," he said. "Our reserve percentage is better than it was a year ago, and we anticipate no unusual difficulty during the crop rush next fall. There is always some strain then. Our only difficulty now is comparative lack of secondary reserve. Not much paper is maturing, but we offset that circumstance by holding back on new commitments. The money situation has improved and is not impressively abnormal."

MR. WM. WALKER, M.L.A., DEAD. Mr. William H. Walker, M.L.A. for Huntingdon county, died at his home in Huntingdon on Wednesday. Mr. Walker was well known throughout this section of the Eastern Townships, and took an active and live interest in agricultural and educational questions.
