LISE GAGNON, A HSSC MIDWIFE, NOW A VOLUNTEER WORKER IN HAITI

Lise Gagnon, a midwife at the West Island HSSC Birthing Centre, left for the Caribbean on Sunday, January 31. TEMPORARY DAY-CARE SERVICE ABOLISHED

As mentioned in our last *Flash-Info*, the day-care service will no longer be offered during spring break. Please note as well that it will no longer be offered during days when there is a snowstorm, for example. It has become necessary to abolish this temporary service for several reasons, in particular to avoid transmitting infectious diseases (such as chickenpox last year). As the HSSC is not equipped to open a day-care centre, it is not possible for us to respect the minimum standards in this respect.
