Directory of Householders, Occupants of Office Buildings, and other Business Places, including a complete Street and Avenue Guide.

SUBURBS
Suburbs are arranged in alphabetical order and streets are in alphabetical order within each suburb. Numeric streets and avenues are listed at the beginning of each suburb.

STREET GUIDE
The location and description of each street are shown. Directions for locating a street are clearly indicated. The Postal Zone or Zones for each street (where applicable) are outlined.

Cross streets are shown (when possible) at the actual numbers where they intersect.

HOUSEHOLDERS
Occupants, with their telephone numbers, are shown in ascending civic no. order on each street. Apartment numbers (if indicated) are indented.

BUSINESSES
The symbol > after a civic no. indicates a business or a professional listing. Suite no., civic no., business name, telephone numbers are printed as outlined for a householder.

YEAR OF OCCUPANCY
New listings and year of occupancy at an address are indicated by N for 1972, 1 for 1971, 0 for 1970. These symbols appear before the telephone number.

MARKETING STATISTICS
Computer counts for Householders and Businesses are shown at the end of each street.

Selective lists and studies are available on request.

The publishers cannot and do not guarantee the correctness of all information furnished them nor the complete absence of errors or omissions, hence no responsibility for same can be or is assumed.

The publishers earnestly request the bringing to their attention of any inaccuracy so that it may be corrected in the next edition of the Directory.

Annuaire des chefs de maisons, des locataires des édifices à bureaux et autres places d'affaires, y inclus un Guide complet des Rues et Avenues.

BANLIEUES
Les noms des banlieues sont inscrits par ordre alphabétique et les noms des rues sont en ordre alphabétique à l'intérieur de chaque banlieue. Les rues et les avenues désignées par des numéros sont insérées au début de chaque banlieue.

GUIDE DES RUES
La situation et la description de chaque rue sont indiquées. Les instructions pour trouver une rue sont clairement indiquées. La zone postale ou les zones postales de chaque rue (s'il y a lieu) sont également indiquées.
Les rues transversales sont inscrites aux numéros réels (si possible) où elles croisent chacune des rues.

RÉSIDENTS
Les numéros civiques sont disposés en ordre croissant suivis des noms des résidents et de leurs numéros de téléphone. Les numéros d'appartements sont imprimés en retrait du numéro civique.

MAISONS D'AFFAIRES
Le symbole > après un numéro civique signifie qu'il s'agit d'une compagnie ou d'un professionnel. Les numéros de suite, les numéros civiques, le nom de la compagnie et le numéro de téléphone sont indiqués de la même façon que pour les résidents.

ANNÉE D'EMMÉNAGEMENT
Les nouvelles inscriptions et l'année d'emménagement à une adresse sont indiquées par un N pour 1972; 1 pour 1971, 0 pour 1970. Ces symboles précèdent le numéro de téléphone.

STATISTIQUES
Un total fixé par l'ordinateur à la fin de chaque rue, indique le nombre de résidences et de maisons d'affaires.

Différentes méthodes de sélection à l'intérieur de nos listes sont disponibles sur demande.

Les éditeurs ne peuvent garantir et ne garantissent aucunement l'exactitude de tous les renseignements qui leur ont été fournis, non plus que l'absence complète d'erreurs ou d'omissions, ils ne peuvent donc assumer ni n'assument aucune responsabilité en la matière.

Les éditeurs demandent instamment qu'on porte à leur attention toute inexactitude afin qu'elle soit corrigée dans la prochaine édition de l'Annuaire.
