### Bakers' Grocery

We are in the grocery business. We don't know anything —but grocery business. We are wrapped up in the grocery business. We think of it. We breathe it. We dream it. And that's why there is not a better grocery store in the city. Pretty strong statement, isn't it? Well, proof of the pudding is in the eating, they say, and our groceries please the people. You can't know whether this is true or not unless you try us, and now is the time.
